(A) In general

The Secretary shall reduce the grant payable to the State under section 603(a)(1) of this title for a fiscal year by the amount (if any) by which qualified State expenditures for the then immediately preceding fiscal year are less than the applicable percentage of historic State expenditures with respect to such preceding fiscal year.

(9) Failure to comply with 5-year limit on assistance

If the Secretary determines that a State has not complied with section 608(a)(7) of this title during a fiscal year, the Secretary shall reduce the grant payable to the State under section 603(a)(1) of this title for the immediately succeeding fiscal year by an amount equal to 5 percent of the State family assistance grant.

(10) Failure of State receiving amounts from Contingency Fund to maintain 100 percent of historic effort

If the State fails during such succeeding fiscal year to make the expenditure required by the preceding sentence from its own funds, the Secretary may reduce the grant payable to the State under section 603(a)(1) of this title for the fiscal year that follows such succeeding fiscal year by an amount equal to the sum of—

(A) not more than 2 percent of the State family assistance grant; and

(B) the amount of the expenditure required by the preceding sentence.

(b) Reasonable cause exception

(1) In general

The Secretary may not impose a penalty on a State under subsection (a) with respect to a requirement if the Secretary determines that the State has reasonable cause for failing to comply with the requirement.

(c) Corrective compliance plan

(1) In general

(A) Notification of violation

Before imposing a penalty against a State under subsection (a) with respect to a violation of this part, the Secretary shall notify the State of the violation and allow the State the opportunity to enter into a corrective compliance plan in accordance with this subsection which outlines how the State will correct or discontinue, as appropriate, the violation and how the State will insure continuing compliance with this part.

(B) 60-day period to propose a corrective compliance plan

(3) Effect of failing to correct or discontinue violation

The Secretary shall assess some or all of a penalty imposed on a State under subsection (a) with respect to a violation if the State does not, in a timely manner, correct or discontinue, as appropriate, the violation pursuant to a State corrective compliance plan accepted by the Secretary.

(4) Inapplicability to certain penalties

This subsection shall not apply to the imposition of a penalty against a State under paragraph (2)(B), (6), (7), (8), (10), (12), (13), or (16) of subsection (a).

Such available amounts shall be redistributed to a State pursuant to section 603(n) of this title (as such section was in effect before October 1, 1995) by substituting ''the number of children residing in all States applying for such funds'' for ''the number of children residing in the United States in the second preceding fiscal year''.

Pub. L. 90–248, title II, § 240(e)(2), Jan. 2, 1968, 81 Stat. 915, provided that: ''Part B of title IV of the Social Security Act (as added by subsection (c) of this section) [42 U.S.C. 620 et seq.], and the amendments made by subsections (a) and (b) of this section [amending subchapter IV and enacting part A heading] shall become effective on the date this Act is enacted [Jan. 2, 1968].''

FINDINGS

Pub. L. 109–288, § 2, Sept. 28, 2006, 120 Stat. 1233, provided that: ''The Congress finds as follows:

''(1) For Federal fiscal year 2004, child protective services (CPS) staff nationwide reported investigating or assessing an estimated 3,000,000 allegations of child maltreatment, and determined that 872,000 children had been abused or neglected by their parents or other caregivers.

''(2) Combined, the Child Welfare Services (CWS) and Promoting Safe and Stable Families (PSSF) programs provide States about $700,000,000 per year, the largest source of targeted Federal funding in the child protection system for services to ensure that children are not abused or neglected and, whenever possible, help children remain safely with their families.

''(3) A 2003 report by the Government Accountability Office (GAO) reported that little research is available on the effectiveness of activities supported by CWS funds—evaluations of services supported by PSSF funds have generally shown little or no effect.

''(4) Further, the Department of Health and Human Services recently completed initial Child and Family Service Reviews (CFSRs) in each State. No State was in full compliance with all measures of the CFSRs.

The CFSRs also revealed that States need to work to prevent repeat abuse and neglect of children, improve services provided to families to reduce the risk of future harm (including by better monitoring the participation of families in services), and strengthen upfront services provided to families to prevent unnecessary family break-up and protect children who remain at home.

''(5) Federal policy should encourage States to invest their CWS and PSSF funds in services that promote and protect the welfare of children, support strong, healthy families, and reduce the reliance on out-of-home care, which will help ensure all children are raised in safe, loving families.

''(6) CFSRs also found a strong correlation between frequent caseworker visits with children and positive outcomes for these children, such as timely achievement of permanency and other indicators of child well-being.

''(7) However, a December 2005 report by the Department of Health and Human Services Office of Inspector General found that only 20 States were able to produce reports to show whether caseworkers actually visited children in foster care on at least a monthly basis, despite the fact that nearly all States had written standards suggesting monthly visits were State policy.

''(8) A 2003 GAO report found that the average tenure for a child welfare caseworker is less than 2 years and this level of turnover negatively affects safety and permanency for children.

''(9) Targeting CWS and PSSF funds to ensure children in foster care are visited on at least a monthly basis will promote better outcomes for vulnerable children, including by preventing further abuse and neglect.

''(10) According to the Office of Applied Studies of the Substance Abuse and Mental Health Services Administration, the annual number of new uses of Methamphetamine, also known as 'meth,' has increased 72 percent over the past decade. According to a study conducted by the National Association of Counties which surveyed 500 county law enforcement agencies in 45 states, 88 percent of the agencies surveyed reported increases in meth related arrests starting 5 years ago.

''(11) According to the 2004 National Survey on Drug Use and Health, nearly 12,000,000 Americans have tried methamphetamine. Meth making operations have been uncovered in all 50 states, but the most wide-spread abuse has been concentrated in the western, southwestern, and Midwestern United States.

''(12) Methamphetamine abuse is on the increase, particularly among women of child-bearing age. This is having an impact on child welfare systems in many States. According to a survey administered by the National Association of Counties ('The Impact of Meth on Children'), conducted in 300 counties in 13 states, meth is a major cause of child abuse and neglect. Forty percent of all the child welfare officials in the survey reported an increase in out-of-home placements because of meth in 2005.

''(13) It is appropriate also to target PSSF funds to address this issue because of the unique strain the meth epidemic puts on child welfare agencies. Outcomes for children affected by meth are enhanced when services provided by law enforcement, child welfare and substance abuse agencies are integrated.''

(B) Fiscal years used in calculation

For purposes of the calculation pursuant to subparagraph (A), the Secretary shall use data for the 3 most recent fiscal years, preceding the fiscal year for which the State's allotment is calculated under this subsection, for which such data are available to the Secretary.

The Secretary shall evaluate and report to the Congress biennially on the effectiveness of the programs carried out pursuant to this subpart in accomplishing the purposes of this subpart, and may evaluate any other Federal, State, or local program, regardless of whether federally assisted, that is designed to achieve the same purposes as the program under this subpart, in accordance with criteria established in accordance with paragraph (2).

(2) Criteria to be used

In developing the criteria to be used in evaluations under paragraph (1), the Secretary shall consult with appropriate parties, such as—

and family support programs) or other related programs.

(3) Timing of report

Beginning in 2003, the Secretary shall submit the biennial report required by this subsection not later than April 1 of every other year, and shall include in each such report the funding level, the status of ongoing evaluations, findings to date, and the nature of any technical assistance provided to States under subsection (d).

(b) Coordination of evaluations

The Secretary shall develop procedures to coordinate evaluations under this section, to the extent feasible, with evaluations by the States of the effectiveness of programs under this subpart.

(c) Evaluation, research, and technical assistance with respect to targeted program resources

Of the amount reserved under section 629f(b)(1) of this title for a fiscal year, the Secretary shall use not less than—

(1) $1,000,000 for evaluations, research, and providing technical assistance with respect to supporting monthly caseworker visits with children who are in foster care under the responsibility of the State, in accordance with section 629f(b)(4)(B)(i) of this title; and

(3) implement programs with well-articulated theories of how the intervention will result in desired changes among families at risk;

(4) establish mechanisms to ensure that service provision matches the treatment model; and

(5) establish mechanisms to ensure that postadoption services meet the needs of the individual families and develop models to reduce the disruption rates of adoption.

(e) Family recovery and reunification program replication project

(1) Purpose

The purpose of this subsection is to provide resources to the Secretary to support the conduct and evaluation of a family recovery and reunification program replication project (referred to in this subsection as the ''project'') and to determine the extent to which such programs may be appropriate for use at different intervention points (such as when a child is at risk of entering foster care or when a child is living with a guardian while a parent is in treatment). The family recovery and reunification program conducted under the project shall use a recovery coach model that is designed to help reunify families and protect children by working with parents or guardians with a substance use disorder who have temporarily lost custody of their children.

(2) Program components

The family recovery and reunification program conducted under the project shall adhere closely to the elements and protocol determined to be most effective in other recovery coaching programs that have been rigorously evaluated and shown to increase family reunification and protect children and, consistent with such elements and protocol, shall provide such items and services as—

(A) assessments to evaluate the needs of the parent or guardian;

(B) assistance in receiving the appropriate benefits to aid the parent or guardian in recovery;

(C) services to assist the parent or guardian in prioritizing issues identified in assessments, establishing goals for resolving such issues that are consistent with the goals of the treatment provider, child welfare agency, courts, and other agencies involved with the parent or guardian or their children, and making a coordinated plan for achieving such goals;

(D) home visiting services coordinated with the child welfare agency and treatment provider involved with the parent or guardian or their children;

(E) case management services to remove barriers for the parent or guardian to participate and continue in treatment, as well as to re-engage a parent or guardian who is not participating or progressing in treatment;

(F) access to services needed to monitor the parent's or guardian's compliance with program requirements;

(G) frequent reporting between the treatment provider, child welfare agency, courts, and other agencies involved with the parent or guardian or their children to ensure appropriate information on the parent's or guardian's status is available to inform decision-making; and

(H) assessments and recommendations provided by a recovery coach to the child welfare caseworker responsible for documenting the parent's or guardian's progress in treatment and recovery as well as the status of other areas identified in the treatment plan for the parent or guardian, including a recommendation regarding the expected safety of the child if the child is returned to the custody of the parent or guardian that can be used by the caseworker and a court to make permanency decisions regarding the child.

(3) Responsibilities of the Secretary

(A) In general

The Secretary shall, through a grant or contract with 1 or more entities, conduct and evaluate the family recovery and reunification program under the project.

(B) Requirements

In identifying 1 or more entities to conduct the evaluation of the family recovery and reunification program, the Secretary shall—

(i) determine that the area or areas in which the program will be conducted have sufficient substance use disorder treatment providers and other resources (other than those provided with funds made available to carry out the project) to successfully conduct the program;

(ii) determine that the area or areas in which the program will be conducted have enough potential program participants, and will serve a sufficient number of parents or guardians and their children, so as to allow for the formation of a control group, evaluation results to be adequately powered, and preliminary results of the evaluation to be available within 4 years of the program's implementation;

(iii) provide the entity or entities with technical assistance for the program design, including by working with 1 or more entities that are or have been involved in recovery coaching programs that have been rigorously evaluated and shown to increase family reunification and protect children so as to make sure the program conducted under the project adheres closely to the elements and protocol determined to be most effective in such other recovery coaching programs;

(iv) assist the entity or entities in securing adequate coaching, treatment, child welfare, court, and other resources needed to successfully conduct the family recovery and reunification program under the project; and

(v) ensure the entity or entities will be able to monitor the impacts of the program in the area or areas in which it is conducted for at least 5 years after parents or guardians and their children are randomly assigned to participate in the program or to be part of the program's control group.

(4) Evaluation requirements

(A) In general

The Secretary, in consultation with the entity or entities conducting the family recovery and reunification program under the project, shall conduct an evaluation to determine whether the program has been implemented effectively and resulted in improvements for children and families. The evaluation shall have 3 components: a pilot phase, an impact study, and an implementation study.

(B) Pilot phase

The pilot phase component of the evaluation shall consist of the Secretary providing technical assistance to the entity or entities conducting the family recovery and reunification program under the project to ensure—

(i) the program's implementation adheres closely to the elements and protocol determined to be most effective in other recovery coaching programs that have been rigorously evaluated and shown to increase family reunification and protect children; and

(ii) random assignment of parents or guardians and their children to be participants in the program or to be part of the program's control group is being carried out.

(C) Impact study

The impact study component of the evaluation shall determine the impacts of the family recovery and reunification program conducted under the project on the parents and guardians and their children participating in the program. The impact study component shall—

(i) be conducted using an experimental design that uses a random assignment research methodology;

(ii) consistent with previous studies of other recovery coaching programs that have been rigorously evaluated and shown to increase family reunification and protect children, measure outcomes for parents and guardians and their children over multiple time periods, including for a period of 5 years; and

(iii) include measurements of family stability and parent, guardian, and child safety for program participants and the program control group that are consistent with measurements of such factors for participants and control groups from previous studies of other recovery coaching programs so as to allow results of the impact study to be compared with the results of such prior studies, including with respect to comparisons between program participants and the program control group regarding—

(I) safe family reunification;

(II) time to reunification;

(III) permanency (such as through measures of reunification, adoption, or placement with guardians);

(IV) safety (such as through measures of subsequent maltreatment);

(V) parental or guardian treatment persistence and engagement;

(VI) parental or guardian substance use;

(VII) juvenile delinquency;

(VIII) cost; and

(IX) other measurements agreed upon by the Secretary and the entity or entities operating the family recovery and reunification program under the project.

(D) Implementation study

The implementation study component of the evaluation shall be conducted concurrently with the conduct of the impact study component and shall include, in addition to such other information as the Secretary may determine, descriptions and analyses of—

(i) the adherence of the family recovery and reunification program conducted under the project to other recovery coaching programs that have been rigorously

evaluated and shown to increase family reunification and protect children; and

(ii) the difference in services received or proposed to be received by the program participants and the program control group.

(E) Report

The Secretary shall publish on an internet website maintained by the Secretary the following information:

(i) A report on the pilot phase component of the evaluation.

(ii) A report on the impact study component of the evaluation.

(iii) A report on the implementation study component of the evaluation.

(iv) A report that includes—

(I) analyses of the extent to which the program has resulted in increased reunifications, increased permanency, case closures, net savings to the State or States involved (taking into account both costs borne by States and the Federal government), or other outcomes, or if the program did not produce such outcomes, an analysis of why the replication of the program did not yield such results;

(II) if, based on such analyses, the Secretary determines the program should be replicated, a replication plan; and

(III) such recommendations for legislation and administrative action as the Secretary determines appropriate.

(5) Appropriation

In addition to any amounts otherwise made available to carry out this subpart, out of any money in the Treasury of the United States not otherwise appropriated, there are appropriated $15,000,000 for fiscal year 2019 to carry out the project, which shall remain available through fiscal year 2026.

§ 629i. Grants for programs for mentoring children of prisoners

(a) Findings and purposes

(1) Findings

(A) In the period between 1991 and 1999, the number of children with a parent incarcerated in a Federal or State correctional facility increased by more than 100 percent, from approximately 900,000 to approximately 2,000,000. In 1999, 2.1 percent of all children in the United States had a parent in Federal or State prison.

(B) Prior to incarceration, 64 percent of female prisoners and 44 percent of male prisoners in State facilities lived with their children.

(C) Nearly 90 percent of the children of incarcerated fathers live with their mothers, and 79 percent of the children of incarcerated mothers live with a grandparent or other relative.

(D) Parental arrest and confinement lead to stress, trauma, stigmatization, and separation problems for children. These problems are coupled with existing problems that include poverty, violence, parental substance abuse, high-crime environments, intrafamilial abuse, child abuse and neglect, multiple care givers, and/or prior separations. As a result, these children often exhibit a broad variety of behavioral, emotional, health, and educational problems that are often compounded by the pain of separation.

(E) Empirical research demonstrates that mentoring is a potent force for improving children's behavior across all risk behaviors affecting health. Quality, one-on-one relationships that provide young people with caring role models for future success have profound, life-changing potential. Done right, mentoring markedly advances youths' life prospects. A widely cited 1995 study by Public/Private Ventures measured the impact of one Big Brothers

Big Sisters program and found significant effects in the lives of youth—cutting first-time drug use by almost half and first-time alcohol use by about a third, reducing school absenteeism by half, cutting assaultive behavior by a third, improving parental and peer relationships, giving youth greater confidence in their school work, and improving academic performance.

(2) Purposes

The purposes of this section are to authorize the Secretary—

(A) to make competitive grants to applicants in areas with substantial numbers of children of incarcerated parents, to support the establishment or expansion and operation of programs using a network of public and private community entities to provide mentoring services for children of prisoners; and

(B) to enter into on a competitive basis a cooperative agreement to conduct a service delivery demonstration project in accordance with the requirements of subsection (g).

(b) Definitions

In this section:

(1) Children of prisoners

The term ''children of prisoners'' means children one or both of whose parents are incarcerated in a Federal, State, or local correctional facility. The term is deemed to include children who are in an ongoing mentoring relationship in a program under this section at the time of their parents' release from prison, for purposes of continued participation in the program.

(2) Mentoring

The term ''mentoring'' means a structured, managed program in which children are appropriately matched with screened and trained adult volunteers for one-on-one relationships, involving meetings and activities on a regular basis, intended to meet, in part, the child's need for involvement with a caring and supportive adult who provides a positive role model.

(3) Mentoring services

The term ''mentoring services'' means those services and activities that support a structured, managed program of mentoring, including the management by trained personnel of outreach to, and screening of, eligible children; outreach to, education and training of, and liaison with sponsoring local organizations; screening and training of adult volunteers; matching of children with suitable adult volunteer mentors; support and oversight of the mentoring relationship; and establishment of goals and evaluation of outcomes for mentored children.

(c) Program authorized

From the amounts appropriated under subsection (i) for a fiscal year that remain after applying subsection (i)(2), the Secretary shall make grants under this section for each of fiscal years 2007 through 2011 to State or local governments, tribal governments or tribal consortia, faith-based organizations, and community-based organizations in areas that have significant numbers of children of prisoners and that submit applications meeting the requirements of this section, in amounts that do not exceed $5,000,000 per grant.

(d) Application requirements

In order to be eligible for a grant under this section, the chief executive officer of the applicant must submit to the Secretary an application containing the following:

(1) Program design

A description of the proposed program, including—

(A) a list of local public and private organizations and entities that will participate in the mentoring network;

(B) the name, description, and qualifications of the entity that will coordinate and oversee the activities of the mentoring network;

(C) the number of mentor-child matches proposed to be established and maintained annually under the program;

(D) such information as the Secretary may require concerning the methods to be used to recruit, screen support, and oversee individuals participating as mentors, (which methods shall include criminal background checks on the individuals), and to evaluate outcomes for participating children, including information necessary to demonstrate compliance with requirements established by the Secretary for the program; and

(E) such other information as the Secretary may require.

(2) Community consultation; coordination with other programs

A demonstration that, in developing and implementing the program, the applicant will, to the extent feasible and appropriate—

(A) consult with public and private community entities, including religious organizations, and including, as appropriate, Indian tribal organizations and urban Indian organizations, and with family members of potential clients;

(B) coordinate the programs and activities under the program with other Federal, State, and local programs serving children and youth; and

(C) consult with appropriate Federal, State, and local corrections, workforce development, and substance abuse and mental health agencies.

(3) Equal access for local service providers

An assurance that public and private entities and community organizations, including religious organizations and Indian organizations, will be eligible to participate on an equal basis.

(4) Records, reports, and audits

An agreement that the applicant will maintain such records, make such reports, and cooperate with such reviews or audits as the Secretary may find necessary for purposes of oversight of project activities and expenditures.

(5) Evaluation

An agreement that the applicant will cooperate fully with the Secretary's ongoing and final evaluation of the program under the plan, by means including providing the Secretary access to the program and program-related records and documents, staff, and grantees receiving funding under the plan.

(e) Federal share

(1) In general

A grant for a program under this section shall be available to pay a percentage share of the costs of the program up to—

(B) 50 percent for the third and each succeeding such fiscal years.

(2) Non-Federal share

(f) Considerations in awarding grants

In awarding grants under this section, the Secretary shall take into consideration—

(1) the qualifications and capacity of applicants and networks of organizations to effectively carry out a mentoring program under this section;

(2) the comparative severity of need for mentoring services in local areas, taking into consideration data on the numbers of children (and in particular of low-income children) with an incarcerated parents[1] (or parents) in the areas;

(3) evidence of consultation with existing youth and family service programs, as appropriate; and

(4) any other factors the Secretary may deem significant with respect to the need for or the potential success of carrying out a mentoring program under this section.

(g) Service delivery demonstration project

(2)(A) The Secretary shall through the separate organizational unit established pursuant to subsection (a), on a continuing basis, review, assess, and inspect the planning, design, and oper-

ation of, management information systems referred to in section 654(16) of this title, with a view to determining whether, and to what extent, such systems meet and continue to meet requirements imposed under paragraph (1) and the conditions specified under section 654(16) of this title.

(B) If the Secretary finds with respect to any statewide management information system referred to in section 654(16) of this title that there is a failure substantially to comply with criteria, requirements, and other undertakings, prescribed by the advance automated data processing planning document theretofore approved by the Secretary with respect to such system, then the Secretary shall suspend his approval of such document until there is no longer any such failure of such system to comply with such criteria, requirements, and other undertakings so prescribed.

(3) The Secretary may waive any requirement of paragraph (1) or any condition specified under section 654(16) of this title, and shall waive the single statewide system requirement under sections 654(16) and 654a of this title, with respect to a State if—

(A) the State demonstrates to the satisfaction of the Secretary that the State has or can develop an alternative system or systems that enable the State—

(i) for purposes of section 609(a)(8) of this title, to achieve the paternity establishment percentages (as defined in subsection (g)(2)) and other performance measures that may be established by the Secretary;

(ii) to submit data under section 654(15)(B) of this title that is complete and reliable;

(iii) to substantially comply with the requirements of this part; and

(iv) in the case of a request to waive the single statewide system requirement, to—

(I) meet all functional requirements of sections 654(16) and 654a of this title;

(II) ensure that calculation of distributions meets the requirements of section 657 of this title and accounts for distributions to children in different families or in different States or sub-State jurisdictions, and for distributions to other States;

(III) ensure that there is only one point of contact in the State which provides seamless case processing for all interstate case processing and coordinated, automated intrastate case management;

(IV) ensure that standardized data elements, forms, and definitions are used throughout the State;

(V) complete the alternative system in no more time than it would take to complete a single statewide system that meets such requirement; and

(VI) process child support cases as quickly, efficiently, and effectively as such cases would be processed through a single statewide system that meets such requirement;

(B)(i) the waiver meets the criteria of paragraphs (1), (2), and (3) of section 1315(c) of this title; or

(ii) the State provides assurances to the Secretary that steps will be taken to otherwise improve the State's child support enforcement program; and

(C) in the case of a request to waive the single statewide system requirement, the State has submitted to the Secretary separate estimates of the total cost of a single statewide system that meets such requirement, and of any such alternative system or systems, which shall include estimates of the cost of developing and completing the system and of operating and maintaining the system for 5 years, and the Secretary has agreed with the estimates.

(e) Technical assistance to States

The Secretary shall provide such technical assistance to States as he determines necessary to assist States to plan, design, develop, or install and provide for the security of, the management information systems referred to in section 654(16) of this title.

(f) Regulations

The Secretary shall issue regulations to require that State agencies administering the child support enforcement program under this part enforce medical support included as part of a child support order whenever health care coverage is available to the noncustodial parent at a reasonable cost. A State agency administering the program under this part may enforce medical support against a custodial parent if health care coverage is available to the custodial parent at a reasonable cost, notwithstanding any other provision of this part. Such regulation shall also provide for improved information exchange between such State agencies and the State agencies administering the State medicaid programs under subchapter XIX with respect to the availability of health insurance coverage. For purposes of this part, the term ''medical support'' may include health care coverage, such as coverage under a health insurance plan (including payment of costs of premiums, co-payments, and deductibles) and payment for medical expenses incurred on behalf of a child.

(g) Performance standards for State paternity establishment programs

(1) A State's program under this part shall be found, for purposes of section 609(a)(8) of this title, not to have complied substantially with the requirements of this part unless, for any fiscal year beginning on or after October 1, 1994, its paternity establishment percentage for such fiscal year is based on reliable data and (rounded to the nearest whole percentage point) equals or exceeds—

(A) 90 percent;

(B) for a State with a paternity establishment percentage of not less than 75 percent but less than 90 percent for such fiscal year, the paternity establishment percentage of the State for the immediately preceding fiscal year plus 2 percentage points;

(C) for a State with a paternity establishment percentage of not less than 50 percent but less than 75 percent for such fiscal year, the paternity establishment percentage of the State for the immediately preceding fiscal year plus 3 percentage points;

(D) for a State with a paternity establishment percentage of not less than 45 percent

but less than 50 percent for such fiscal year, the paternity establishment percentage of the State for the immediately preceding fiscal year plus 4 percentage points;

(E) for a State with a paternity establishment percentage of not less than 40 percent but less than 45 percent for such fiscal year, the paternity establishment percentage of the State for the immediately preceding fiscal year plus 5 percentage points; or

(F) for a State with a paternity establishment percentage of less than 40 percent for such fiscal year, the paternity establishment percentage of the State for the immediately preceding fiscal year plus 6 percentage points.

In determining compliance under this section, a State may use as its paternity establishment percentage either the State's IV–D paternity establishment percentage (as defined in paragraph (2)(A)) or the State's statewide paternity establishment percentage (as defined in paragraph (2)(B)).

(2) For purposes of this section—

(A) the term ''IV–D paternity establishment percentage'' means, with respect to a State for a fiscal year, the ratio (expressed as a percentage) that the total number of children—

(i) who have been born out of wedlock,

(ii)(I) except as provided in the last sentence of this paragraph, with respect to whom assistance is being provided under the State program funded under part A in the fiscal year or, at the option of the State, as of the end of such year, or (II) with respect to whom services are being provided under the State's plan approved under this part in the fiscal year or, at the option of the State, as of the end of such year pursuant to an application submitted under section 654(4)(A)(ii) of this title, and

(iii) the paternity of whom has been established or acknowledged,

bears to the total number of children born out of wedlock and (except as provided in such last sentence) with respect to whom assistance was being provided under the State program funded under part A as of the end of the preceding fiscal year or with respect to whom services were being provided under the State's plan approved under this part as of the end of the preceding fiscal year pursuant to an application submitted under section 654(4)(A)(ii) of this title;

(B) the term ''statewide paternity establishment percentage'' means, with respect to a State for a fiscal year, the ratio (expressed as a percentage) that the total number of minor children—

(i) who have been born out of wedlock, and

(ii) the paternity of whom has been established or acknowledged during the fiscal year,

bears to the total number of children born out of wedlock during the preceding fiscal year; and

(C) the term ''reliable data'' means the most recent data available which are found by the Secretary to be reliable for purposes of this section.

For purposes of subparagraphs (A) and (B), the total number of children shall not include any child with respect to whom assistance is being provided under the State program funded under part A by reason of the death of a parent unless paternity is established for such child or any child with respect to whom an applicant or recipient is found by the State to qualify for a good cause or other exception to cooperation pursuant to section 654(29) of this title.

(3)(A) The Secretary may modify the requirements of this subsection to take into account such additional variables as the Secretary identifies (including the percentage of children in a State who are born out of wedlock or for whom support has not been established) that affect the ability of a State to meet the requirements of this subsection.

(B) The Secretary shall submit an annual report to the Congress that sets forth the data upon which the paternity establishment percentages for States for a fiscal year are based, lists any additional variables the Secretary has identified under subparagraph (A), and describes State performance in establishing paternity.

(h) Prompt State response to requests for child support assistance

The standards required by subsection (a)(1) shall include standards establishing time limits governing the period or periods within which a State must accept and respond to requests (from States, jurisdictions thereof, or individuals who apply for services furnished by the State agency under this part or with respect to whom an assignment pursuant to section 608(a)(3) of this title is in effect) for assistance in establishing and enforcing support orders, including requests to locate noncustodial parents, establish paternity, and initiate proceedings to establish and collect child support awards.

(i) Prompt State distribution of amounts collected as child support

The standards required by subsection (a)(1) shall include standards establishing time limits governing the period or periods within which a State must distribute, in accordance with section 657 of this title, amounts collected as child support pursuant to the State's plan approved under this part.

(j) Training of Federal and State staff, research and demonstration programs, and special projects of regional or national significance

Out of any money in the Treasury of the United States not otherwise appropriated, there is hereby appropriated to the Secretary for each fiscal year an amount equal to 1 percent of the total amount paid to the Federal Government pursuant to a plan approved under this part during the immediately preceding fiscal year (as determined on the basis of the most recent reliable data available to the Secretary as of the end of the third calendar quarter following the end of such preceding fiscal year) or the amount appropriated under this paragraph[1] for fiscal year 2002, whichever is greater, which shall be available for use by the Secretary, either directly or through grants, contracts, or interagency agreements, for—

(1) information dissemination and technical assistance to States, training of State and

(2) research, demonstration, and special projects of regional or national significance relating to the operation of State programs under this part.

The amount appropriated under this subsection shall remain available until expended.

(k) Denial of passports for nonpayment of child support

(1) If the Secretary receives a certification by a State agency in accordance with the requirements of section 654(31) of this title that an individual owes arrearages of child support in an amount exceeding $2,500, the Secretary shall transmit such certification to the Secretary of State for action (with respect to denial, revocation, or limitation of passports) pursuant to paragraph (2).

(2) The Secretary of State shall, upon certification by the Secretary transmitted under paragraph (1), refuse to issue a passport to such individual, and may revoke, restrict, or limit a passport issued previously to such individual.

(3) The Secretary and the Secretary of State shall not be liable to an individual for any action with respect to a certification by a State agency under this section.

***(l)* Facilitation of agreements between State agencies and financial institutions**

The Secretary, through the Federal Parent Locator Service, may aid State agencies providing services under State programs operated pursuant to this part and financial institutions doing business in two or more States in reaching agreements regarding the receipt from such institutions, and the transfer to the State agencies, of information that may be provided pursuant to section 666(a)(17)(A)(i) of this title, except that any State that, as of July 16, 1998, is conducting data matches pursuant to section 666(a)(17)(A)(i) of this title shall have until January 1, 2000, to allow the Secretary to obtain such information from such institutions that are operating in the State. For purposes of section 3413(d) of title 12, a disclosure pursuant to this subsection shall be considered a disclosure pursuant to a Federal statute.

(m) Comparisons with insurance information

(1) In general

The Secretary, through the Federal Parent Locator Service, may—

(A) compare information concerning individuals owing past-due support with information maintained by insurers (or their agents) concerning insurance claims, settlements, awards, and payments; and

(B) furnish information resulting from the data matches to the State agencies responsible for collecting child support from the individuals.

(2) Liability

The Secretary shall, in consultation with an interagency work group established by the Office of Management and Budget and considering State government perspectives, by rule, designate data exchange standards to govern, under this part—

(A) necessary categories of information that State agencies operating programs under State plans approved under this part are required under applicable Federal law to electronically exchange with another State agency; and

(B) Federal reporting and data exchange required under applicable Federal law.

(2) Requirements

The data exchange standards required by paragraph (1) shall, to the extent practicable—

(A) incorporate a widely accepted, nonproprietary, searchable, computer-readable format, such as the eXtensible Markup Language;

(B) contain interoperable standards developed and maintained by intergovernmental partnerships, such as the National Information Exchange Model;

(C) incorporate interoperable standards developed and maintained by Federal entities with authority over contracting and financial assistance;

(D) be consistent with and implement applicable accounting principles;

(E) be implemented in a manner that is cost-effective and improves program efficiency and effectiveness; and

(F) be capable of being continually upgraded as necessary.

(3) Rule of construction

Nothing in this subsection shall be construed to require a change to existing data exchange standards found to be effective and efficient.

(B) assure that the fee will be collected in addition to, and only after full payment of, the overdue support, and that the imposition of the late payment fee shall not directly or indirectly result in a decrease in the amount of the support which is paid to the child (or spouse) to whom, or on whose behalf, it is owed;

(22) in order for the State to be eligible to receive any incentive payments under section 658a of this title, provide that, if one or more political subdivisions of the State participate in the costs of carrying out activities under the State plan during any period, each such subdivision shall be entitled to receive an appropriate share (as determined by the State) of any such incentive payments made to the State for such period, taking into account the efficiency and effectiveness of the activities carried out under the State plan by such political subdivision;

§ 654b. Collection and disbursement of support payments

(a) State disbursement unit

(1) In general

In order for a State to meet the requirements of this section, the State agency must establish and operate a unit (which shall be known as the ''State disbursement unit'') for the collection and disbursement of payments under support orders—

(A) in all cases being enforced by the State pursuant to section 654(4) of this title; and

(B) in all cases not being enforced by the State under this part in which the support order is initially issued in the State on or after January 1, 1994, and in which the income of the noncustodial parent is subject to withholding pursuant to section 666(a)(8)(B) of this title.

(2) Operation

The State disbursement unit shall be operated—

(A) directly by the State agency (or 2 or more State agencies under a regional cooperative agreement), or (to the extent appropriate) by a contractor responsible directly to the State agency; and

(B) except in cases described in paragraph (1)(B), in coordination with the automated system established by the State pursuant to section 654a of this title.

(3) Linking of local disbursement units

The State disbursement unit may be established by linking local disbursement units through an automated information network, subject to this section, if the Secretary agrees that the system will not cost more nor take more time to establish or operate than a centralized system. In addition, employers shall be given 1 location to which income withholding is sent.

(b) Required procedures

The State disbursement unit shall use automated procedures, electronic processes, and computer-driven technology to the maximum extent feasible, efficient, and economical, for the collection and disbursement of support payments, including procedures—

(1) for receipt of payments from parents, employers, and other States, and for disbursements to custodial parents and other obligees, the State agency, and the agencies of other States;

(2) for accurate identification of payments;

(3) to ensure prompt disbursement of the custodial parent's share of any payment; and

(4) to furnish to any parent, upon request, timely information on the current status of support payments under an order requiring payments to be made by or to the parent, except that in cases described in subsection (a)(1)(B), the State disbursement unit shall not be required to convert and maintain in automated form records of payments kept pursuant to section 666(a)(8)(B)(iii) of this title before the effective date of this section.

(c) Timing of disbursements

(1) In general

Except as provided in paragraph (2), the State disbursement unit shall distribute all amounts payable under section 657(a) of this title within 2 business days after receipt from the employer or other source of periodic income, if sufficient information identifying the payee is provided. The date of collection for amounts collected and distributed under this part is the date of receipt by the State disbursement unit, except that if current support is withheld by an employer in the month when due and is received by the State disbursement unit in a month other than the month when due, the date of withholding may be deemed to be the date of collection.

(2) Permissive retention of arrearages

The State disbursement unit may delay the distribution of collections toward arrearages until the resolution of any timely appeal with respect to such arrearages.

(d) "Business day" defined

As used in this section, the term ''business day'' means a day on which State offices are open for regular business.

§ 655. Payments to States

(a) Amounts payable each quarter

(1) From the sums appropriated therefor, the Secretary shall pay to each State for each quarter an amount—

(A) equal to the percent specified in paragraph (2) of the total amounts expended by such State during such quarter for the operation of the plan approved under section 654 of this title,

(B) equal to the percent specified in paragraph (3) of the sums expended during such quarter that are attributable to the planning, design, development, installation or enhancement of an automatic data processing and information retrieval system (including in such sums the full cost of the hardware components of such system); and[1]

(C) equal to 66 percent of so much of the sums expended during such quarter as are attributable to laboratory costs incurred in determining paternity, and

(D) equal to 66 percent of the sums expended by the State during the quarter for an alternative statewide system for which a waiver has been granted under section 652(d)(3) of this title, but only to the extent that the total of the sums so expended by the State on or after July 16, 1998, does not exceed the least total cost estimate submitted by the State pursuant to section 652(d)(3)(C) of this title in the request for the waiver;

except that no amount shall be paid to any State on account of amounts expended from amounts paid to the State under section 658a of this title or to carry out an agreement which it has entered into pursuant to section 663 of this title. In determining the total amounts expended by any State during a quarter, for purposes of this subsection, there shall be excluded an amount equal to the total of any fees collected or other income resulting from services provided under the plan approved under this part.

(2) The percent applicable to quarters in a fiscal year for purposes of paragraph (1)(A) is—

(A) 70 percent for fiscal years 1984, 1985, 1986, and 1987,

(B) 68 percent for fiscal years 1988 and 1989, and

(3)(A) The Secretary shall pay to each State, for each quarter in fiscal years 1996 and 1997, 90

percent of so much of the State expenditures described in paragraph (1)(B) as the Secretary finds are for a system meeting the requirements specified in section 654(16) of this title (as in effect on September 30, 1995) but limited to the amount approved for States in the advance planning documents of such States submitted on or before September 30, 1995.

(B)(i) The Secretary shall pay to each State or system described in clause (iii), for each quarter in fiscal years 1996 through 2001, the percentage specified in clause (ii) of so much of the State or system expenditures described in paragraph (1)(B) as the Secretary finds are for a system meeting the requirements of sections 654(16) and 654a of this title.

(ii) The percentage specified in this clause is 80 percent.

(iii) For purposes of clause (i), a system described in this clause is a system that has been approved by the Secretary to receive enhanced funding pursuant to the Family Support Act of 1988 (Public Law 100–485; 102 Stat. 2343) for the purpose of developing a system that meets the requirements of sections 654(16) of this title (as in effect on and after September 30, 1995) and 654a of this title, including systems that have received funding for such purpose pursuant to a waiver under section 1315(a) of this title.

(4)(A)(i) If—

(I) the Secretary determines that a State plan under section 654 of this title would (in the absence of this paragraph) be disapproved for the failure of the State to comply with a particular subparagraph of section 654(24) of this title, and that the State has made and is continuing to make a good faith effort to so comply; and

(II) the State has submitted to the Secretary a corrective compliance plan that describes how, by when, and at what cost the State will achieve such compliance, which has been approved by the Secretary,

then the Secretary shall not disapprove the State plan under section 654 of this title, and the Secretary shall reduce the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the fiscal year by the penalty amount.

(ii) All failures of a State during a fiscal year to comply with any of the requirements referred to in the same subparagraph of section 654(24) of this title shall be considered a single failure of the State to comply with that subparagraph during the fiscal year for purposes of this paragraph.

(B) In this paragraph:

(i) The term ''penalty amount'' means, with respect to a failure of a State to comply with a subparagraph of section 654(24) of this title—

(I) 4 percent of the penalty base, in the case of the first fiscal year in which such a failure by the State occurs (regardless of whether a penalty is imposed under this paragraph with respect to the failure);

(II) 8 percent of the penalty base, in the case of the second such fiscal year;

(III) 16 percent of the penalty base, in the case of the third such fiscal year;

(IV) 25 percent of the penalty base, in the case of the fourth such fiscal year; or

(V) 30 percent of the penalty base, in the case of the fifth or any subsequent such fiscal year.

(ii) The term ''penalty base'' means, with respect to a failure of a State to comply with a subparagraph of section 654(24) of this title during a fiscal year, the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the preceding fiscal year.

(C)(i) The Secretary shall waive a penalty under this paragraph for any failure of a State to comply with section 654(24)(A) of this title during fiscal year 1998 if—

(I) on or before August 1, 1998, the State has submitted to the Secretary a request that the Secretary certify the State as having met the requirements of such section;

(II) the Secretary subsequently provides the certification as a result of a timely review conducted pursuant to the request; and

(III) the State has not failed such a review.

(ii) If a State with respect to which a reduction is made under this paragraph for a fiscal year with respect to a failure to comply with a subparagraph of section 654(24) of this title achieves compliance with such subparagraph by the beginning of the succeeding fiscal year, the Secretary shall increase the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the succeeding fiscal year by an amount equal to 90 percent of the reduction for the fiscal year.

(iii) The Secretary shall reduce the amount of any reduction that, in the absence of this clause, would be required to be made under this paragraph by reason of the failure of a State to achieve compliance with section 654(24)(B) of this title during the fiscal year, by an amount equal to 20 percent of the amount of the otherwise required reduction, for each State performance measure described in section 658a(b)(4) of this title with respect to which the applicable percentage under section 658a(b)(6) of this title for the fiscal year is 100 percent, if the Secretary has made the determination described in section 658a(b)(5)(B) of this title with respect to the State for the fiscal year.

(D) The Secretary may not impose a penalty under this paragraph against a State with respect to a failure to comply with section 654(24)(B) of this title for a fiscal year if the Secretary is required to impose a penalty under this paragraph against the State with respect to a failure to comply with section 654(24)(A) of this title for the fiscal year.

(5)(A)(i) If—

(I) the Secretary determines that a State plan under section 654 of this title would (in the absence of this paragraph) be disapproved for the failure of the State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title, and that the State has made and is continuing to make a good faith effort to so comply; and

(II) the State has submitted to the Secretary, not later than April 1, 2000, a corrective compliance plan that describes how, by when, and at what cost the State will achieve such compliance, which has been approved by the Secretary,

then the Secretary shall not disapprove the State plan under section 654 of this title, and the Secretary shall reduce the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the fiscal year by the penalty amount.

(ii) All failures of a State during a fiscal year to comply with any of the requirements of section 654B of this title shall be considered a single failure of the State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title during the fiscal year for purposes of this paragraph.

(B) In this paragraph:

(i) The term ''penalty amount'' means, with respect to a failure of a State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title—

(I) 4 percent of the penalty base, in the case of the 1st fiscal year in which such a failure by the State occurs (regardless of whether a penalty is imposed in that fiscal year under this paragraph with respect to the failure), except as provided in subparagraph (C)(ii) of this paragraph;

(II) 8 percent of the penalty base, in the case of the 2nd such fiscal year;

(III) 16 percent of the penalty base, in the case of the 3rd such fiscal year;

(IV) 25 percent of the penalty base, in the case of the 4th such fiscal year; or

(V) 30 percent of the penalty base, in the case of the 5th or any subsequent such fiscal year.

(ii) The term ''penalty base'' means, with respect to a failure of a State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title during a fiscal year, the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the preceding fiscal year.

(C)(i) The Secretary shall waive all penalties imposed against a State under this paragraph for any failure of the State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title if the Secretary determines that, before April 1, 2000, the State has achieved such compliance.

(ii) If a State with respect to which a reduction is required to be made under this paragraph with respect to a failure to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title achieves such compliance on or after April 1, 2000, and on or before September 30, 2000, then the penalty amount applicable to the State shall be 1 percent of the penalty base with respect to the failure involved.

(D) The Secretary may not impose a penalty under this paragraph against a State for a fiscal year for which the amount otherwise payable to the State under paragraph (1)(A) of this subsection is reduced under paragraph (4) of this subsection for failure to comply with section 654(24)(A) of this title.

(b) Estimate of amounts payable; installment payments

(1) Prior to the beginning of each quarter, the Secretary shall estimate the amount to which a State will be entitled under subsection (a) for such quarter, such estimates to be based on (A) a report filed by the State containing its estimate of the total sum to be expended in such quarter in accordance with the provisions of such subsection, and stating the amount appropriated or made available by the State and its political subdivisions for such expenditures in such quarter, and if such amount is less than the State's proportionate share of the total sum of such estimated expenditures, the source or sources from which the difference is expected to be derived, and (B) such other investigation as the Secretary may find necessary.

(2) Subject to subsection (d), the Secretary shall then pay, in such installments as he may determine, to the State the amount so estimated, reduced or increased to the extent of any overpayment or underpayment which the Secretary determines was made under this section to such State for any prior quarter and with respect to which adjustment has not already been made under this subsection.

(3) Upon the making of any estimate by the Secretary under this subsection, any appropriations available for payments under this section shall be deemed obligated.

(c) Repealed. Pub. L. 97–248, title I, § 174(b), Sept. 3, 1982, 96 Stat. 403

(d) State reports

Notwithstanding any other provision of law, no amount shall be paid to any State under this section for any quarter, prior to the close of such quarter, unless for the period consisting of all prior quarters for which payment is authorized to be made to such State under subsection (a), there shall have been submitted by the State to the Secretary, with respect to each quarter in such period (other than the last two quarters in such period), a full and complete report (in such form and manner and containing such information as the Secretary shall prescribe or require) as to the amount of child support collected and disbursed and all expenditures with respect to which payment is authorized under subsection (a).

(e) Special project grants for interstate enforcement; appropriations

(1) In order to encourage and promote the development and use of more effective methods of enforcing support obligations under this part in cases where either the children on whose behalf the support is sought or their noncustodial parents do not reside in the State where such cases are filed, the Secretary is authorized to make grants, in such amounts and on such terms and conditions as the Secretary determines to be appropriate, to States which propose to undertake new or innovative methods of support collection in such cases and which will use the proceeds of such grants to carry out special projects designed to demonstrate and test such methods.

(2) A grant under this subsection shall be made only upon a finding by the Secretary that the project involved is likely to be of significant assistance in carrying out the purpose of this subsection; and with respect to such project the Secretary may waive any of the requirements of this part which would otherwise be applicable, to such extent and for such period as the Sec-

retary determines is necessary or desirable in order to enable the State to carry out the project.

(3) At the time of its application for a grant under this subsection the State shall submit to the Secretary a statement describing in reasonable detail the project for which the proceeds of the grant are to be used, and the State shall from time to time thereafter submit to the Secretary such reports with respect to the project as the Secretary may specify.

(4) Amounts expended by a State in carrying out a special project assisted under this section shall be considered, for purposes of section 658(b)[2] of this title (as amended by section 5(a) of the Child Support Enforcement Amendments of 1984), to have been expended for the operation of the State's plan approved under section 654 of this title.

(5) There is authorized to be appropriated the sum of $7,000,000 for fiscal year 1985, $12,000,000 for fiscal year 1986, and $15,000,000 for each fiscal year thereafter, to be used by the Secretary in making grants under this subsection.

(f) Direct Federal funding to Indian tribes and tribal organizations

The Secretary may make direct payments under this part to an Indian tribe or tribal organization that demonstrates to the satisfaction of the Secretary that it has the capacity to operate a child support enforcement program meeting the objectives of this part, including establishment of paternity, establishment, modification, and enforcement of support orders, and location of absent parents. The Secretary shall promulgate regulations establishing the requirements which must be met by an Indian tribe or tribal organization to be eligible for a grant under this subsection.

Ex. Ord. No. 12953, Feb. 27, 1995, 60 F.R. 11013, provided:

Children need and deserve the emotional and financial support of both their parents.

The Federal Government requires States and, through them, public and private employers to take actions necessary to ensure that monies in payment of child support obligations are withheld and transferred to the child's caretaker in an efficient and expeditious manner.

The Federal Government, through its civilian employees and Uniformed Services members, is the Nation's largest single employer and as such should set an example of leadership and encouragement in ensuring that all children are properly supported.

NOW, THEREFORE, by the authority vested in me as President by the Constitution and the laws of the United States of America, including section 301 of title 3, United States Code, it is hereby ordered as follows:

PART I—PURPOSE

SECTION 101. This executive order: (a) Establishes the executive branch of the Federal Government, through its civilian employees and Uniformed Services members, as a model employer in promoting and facilitating the establishment and enforcement of child support.

(b) Requires all Federal agencies, including the Uniformed Services, to cooperate fully in efforts to establish paternity and child support orders and to enforce the collection of child and medical support in all situations where such actions may be required.

(c) Requires each Federal agency, including the Uniformed Services, to provide information to its employees and members about actions that they should take and services that are available to ensure that their children are provided the support to which they are legally entitled.

(b) Beginning no later than July 1, 1995, the Director of the Office of Personnel Management (OPM) shall publish annually in the Federal Register the list of agents (and their addresses) designated to receive service of withholding notices for Federal employees.

SEC. 302. *Service of Legal Process*. Each agency shall designate an official who shall be responsible for facilitating a Federal employee's or member's availability for service of process, regardless of the location of the employee's workplace or member's duty station. The OPM shall publish a list of these officials annually in the Federal Register, beginning no later than July 1, 1995.

(a) The master file of delinquent obligors that each State child support enforcement agency submits to the Internal Revenue Service for Federal income tax refund offset purposes shall be matched at least annually with the payroll or personnel files of Federal agencies in order to determine if there are any Federal employees with child support delinquencies. The list of matches shall be forwarded to the appropriate State child support enforcement agency to determine, in each instance, whether wage withholding or other enforcement actions should be commenced. All matches will be performed in accordance with 5 U.S.C. 552a(*o*)–(u).

(a) In addition to the requirements outlined above, the Secretary of the Department of Defense (DOD) will chair a task force, with participation by the Department of Health and Human Services (HHS), the Department of Commerce, and the Department of Transportation, that shall conduct a full review of current policies and practices within the Uniformed Services to ensure that children of Uniformed Services personnel are provided financial and medical support in the same manner and within the same time frames as is mandated for all other children due such support. This review shall include, but not be limited to, issues related to withholding non-custodial parents' wages, service of legal process, activities to locate parents and their income and assets, release time to attend civil paternity and support proceedings, and health insurance coverage under the Civilian Health and Medical Program of the Uniformed Services (CHAMPUS). All relevant existing statutes, including the Soldiers['] and Sailors['] Civil Relief Act of 1940 [now Servicemembers Civil Relief Act] [50 U.S.C. 3901 et seq.], the Uniformed Services Former Spouses['] Protection Act [see Short Title of 1982 Amendment note set out under section 1401 of Title 10, Armed Forces], and the Tax Equity and Fiscal Responsibility Act of 1982 [Pub. (b) Within 180 days of the date of this order, DOD shall submit to OMB a report based on this review. The report shall recommend additional policy, regulatory and legislative changes that would improve and enhance the Federal Government's commitment to ensuring parental support for all children.

SEC. 402. *Additional Federal Agency Actions*. (a) OPM and HHS shall jointly study and prepare recommendations concerning additional administrative, regulatory, and legislative improvements in the policies and procedures of Federal agencies affecting child support enforcement. Other agencies shall be included in the development of recommendations for specific items as appropriate. The recommendations shall address, among other things:

(i) any changes that would be needed to ensure that Federal employees comply with child support orders that require them to provide health insurance coverage for their children;

(ii) changes needed to ensure that more accurate and up-to-date data about civilian and uniformed personnel who are being sought in conjunction with State paternity or child support actions can be obtained from Federal agencies and their payroll and personnel records, to improve efforts to locate noncustodial parents and their income and assets;

(iii) changes needed for selecting Federal agencies to test and evaluate new approaches to the establishment and enforcement of child support obligations;

(iv) proposals to improve service of process for civilian employees and members of the Uniformed Services stationed outside the United States, including the possibility of serving process by certified mail in establishment and enforcement cases or of designating an agent for service of process that would have the same effect and bind employees to the same extent as actual service upon the employees;

(v) strategies to facilitate compliance with Federal and State child support requirements by quasi-governmental agencies, advisory groups, and commissions; and

(vi) analysis of whether compliance with support orders should be a factor used in defining suitability for Federal employment.

(b) The recommendations are due within 180 days of the date of this order. The recommendations are to be submitted in writing to the Office of Management and Budget.

SEC. 501. *Internal Management*. This order is intended only to improve the internal management of the executive branch with regard to child support enforcement and shall not be interpreted to create any right or benefit, substantive or procedural, enforceable at law by a party against the United States, its officers, or any other person.

SEC. 502. *Sovereignty of the United States Government*. This order is intended only to provide that the Federal

Government has elected to require Federal agencies to adhere to the same standards as are applicable to all other employers in the Nation and shall not be interpreted as subjecting the Federal Government to any State law or requirement. This order should not be construed as a waiver of the sovereign immunity of the United States Government or of any existing statutory or regulatory provisions, including 42 U.S.C. 659, 662, and 665; 5 CFR Part 581; 42 CFR Part 21, Subpart C; 32 CFR Part 54; and 32 CFR Part 81.

SEC. 503. *Defense and Security*.

This order is not intended to require any action that would compromise the defense or national security interest of the United States.

§ 664. Collection of past-due support from Federal tax refunds

(a) Procedures applicable; distribution

(1) Upon receiving notice from a State agency administering a plan approved under this part that a named individual owes past-due support which has been assigned to such State pursuant to section 608(a)(3) or section 671(a)(17) of this title, the Secretary of the Treasury shall determine whether any amounts, as refunds of Federal taxes paid, are payable to such individual (regardless of whether such individual filed a tax return as a married or unmarried individual). If the Secretary of the Treasury finds that any such amount is payable, he shall withhold from such refunds an amount equal to the past-due support, shall concurrently send notice to such individual that the withholding has been made (including in or with such notice a notification to any other person who may have filed a joint return with such individual of the steps which such other person may take in order to secure his or her proper share of the refund), and shall pay such amount to the State agency (together with notice of the individual's home address) for distribution in accordance with section 657 of this title. This subsection may be executed by the disbursing official of the Department of the Treasury.

(2)(A) Upon receiving notice from a State agency administering a plan approved under this part that a named individual owes past-due support which such State has agreed to collect under paragraph (4)(A)(ii) or (32) of section 654 of this title, and that the State agency has sent notice to such individual in accordance with paragraph (3)(A), the Secretary of the Treasury shall determine whether any amounts, as refunds of Federal taxes paid, are payable to such individual (regardless of whether such individual filed a tax return as a married or unmarried individual). If the Secretary of the Treasury finds that any such amount is payable, he shall withhold from such refunds an amount equal to such past-due support, and shall concurrently send notice to such individual that the withholding has been made, including in or with such notice a notification to any other person who may have filed a joint return with such individual of the steps which such other person may take in order to secure his or her proper share of the refund. The Secretary of the Treasury shall pay the amount withheld to the State agency, and the State shall pay to the Secretary of the Treasury any fee imposed by the Secretary of the Treasury to cover the costs of the withholding and any required notification. The State agency shall, subject to paragraph (3)(B), distribute such amount to or on behalf of the child to whom the support was owed in accordance with section 657 of this title. This subsection may be executed by the Secretary of the Department of the Treasury or his designee.

(B) This paragraph shall apply only with respect to refunds payable under section 6402 of the Internal Revenue Code of 1986 after December 31, 1985.

(3)(A) Prior to notifying the Secretary of the Treasury under paragraph (1) or (2) that an individual owes past-due support, the State shall send notice to such individual that a withholding will be made from any refund otherwise payable to such individual. The notice shall also (i) instruct the individual owing the past-due support of the steps which may be taken to contest the State's determination that past-due support is owed or the amount of the past-due support, and (ii) provide information, as may be prescribed by the Secretary of Health and Human Services by regulation in consultation with the Secretary of the Treasury, with respect to procedures to be followed, in the case of a joint return, to protect the share of the refund which may be payable to another person.

(B) If the Secretary of the Treasury determines that an amount should be withheld under paragraph (1) or (2), and that the refund from which it should be withheld is based upon a joint return, the Secretary of the Treasury shall notify the State that the withholding is being made from a refund based upon a joint return, and shall furnish to the State the names and addresses of each taxpayer filing such joint return. In the case of a withholding under paragraph (2), the State may delay distribution of the amount withheld until the State has been notified by the Secretary of the Treasury that the other person filing the joint return has received his or her proper share of the refund, but such delay may not exceed six months.

(C) If the other person filing the joint return with the named individual owing the past-due support takes appropriate action to secure his or her proper share of a refund from which a withholding was made under paragraph (1) or (2), the Secretary of the Treasury shall pay such share to such other person. The Secretary of the Treasury shall deduct the amount of such payment from amounts subsequently payable to the State agency to which the amount originally withheld from such refund was paid.

(D) In any case in which an amount was withheld under paragraph (1) or (2) and paid to a State, and the State subsequently determines that the amount certified as past-due support was in excess of the amount actually owed at the time the amount withheld is to be distributed to or on behalf of the child, the State shall pay the excess amount withheld to the named individual thought to have owed the past-due support (or, in the case of amounts withheld on the basis of a joint return, jointly to the parties filing such return).

(b) Regulations; contents, etc.

(1) The Secretary of the Treasury shall issue regulations, approved by the Secretary of

Health and Human Services, prescribing the time or times at which States must submit notices of past-due support, the manner in which such notices must be submitted, and the necessary information that must be contained in or accompany the notices. The regulations shall be consistent with the provisions of subsection (a)(3), shall specify the minimum amount of past-due support to which the offset procedure established by subsection (a) may be applied, and the fee that a State must pay to reimburse the Secretary of the Treasury for the full cost of applying the offset procedure, and shall provide that the Secretary of the Treasury will advise the Secretary of Health and Human Services, not less frequently than annually, of the States which have furnished notices of past-due support under subsection (a), the number of cases in each State with respect to which such notices have been furnished, the amount of support sought to be collected under this subsection by each State, and the amount of such collections actually made in the case of each State. Any fee paid to the Secretary of the Treasury pursuant to this subsection may be used to reimburse appropriations which bore all or part of the cost of applying such procedure.

(2) In the case of withholdings made under subsection (a)(2), the regulations promulgated pursuant to this subsection shall include the following requirements:

(A) The withholding shall apply only in the case where the State determines that the amount of the past-due support which will be owed at the time the withholding is to be made, based upon the pattern of payment of support and other enforcement actions being pursued to collect the past-due support, is equal to or greater than $500. The State may limit the $500 threshold amount to amounts of past-due support accrued since the time that the State first began to enforce the child support order involved under the State plan, and may limit the application of the withholding to past-due support accrued since such time.

(B) The fee which the Secretary of the Treasury may impose to cover the costs of the withholding and notification may not exceed $25 per case submitted.

(c) "Past-due support" defined

In this part the term ''past-due support'' means the amount of a delinquency, determined under a court order, or an order of an administrative process established under State law, for support and maintenance of a child (whether or not a minor), or of a child (whether or not a minor) and the parent with whom the child is living.

§ 665. Allotments from pay for child and spousal support owed by members of uniformed services on active duty

(a) Mandatory allotment; notice upon failure to make; amount of allotment; adjustment or discontinuance; consultation

(1) In any case in which child support payments or child and spousal support payments are owed by a member of one of the uniformed services (as defined in section 101(3) of title 37) on active duty, such member shall be required to make allotments from his pay and allowances (under chapter 13 of title 37) as payment of such support, when he has failed to make periodic payments under a support order that meets the criteria specified in section 1673(b)(1)(A) of title 15 and the resulting delinquency in such payments is in a total amount equal to the support payable for two months or longer. Failure to make such payments shall be established by notice from an authorized person (as defined in subsection (b)) to the designated official in the appropriate uniformed service. Such notice (which shall in turn be given to the affected member) shall also specify the person to whom the allotment is to be payable. The amount of the allotment shall be the amount necessary to comply with the order (which, if the order so provides, may include arrearages as well as amounts for current support), except that the amount of the allotment, together with any other amounts withheld for support from the wages of the member, as a percentage of his pay from the uniformed service, shall not exceed the limits prescribed in sections[1] 1673(b) and (c) of title 15. An allotment under this subsection shall be adjusted or discontinued upon notice from the authorized person.

(2) Notwithstanding the preceding provisions of this subsection, no action shall be taken to require an allotment from the pay and allowances of any member of one of the uniformed services under such provisions (A) until such member has had a consultation with a judge advocate of the service involved (as defined in section 801(13) of title 10), or with a judge advocate (as defined in section 801(11)[2] of such title) in the case of the Coast Guard, or with a legal officer designated by the Secretary concerned (as defined in section 101(5) of title 37) in any other case, in person, to discuss the legal and other factors involved with respect to the member's support obligation and his failure to make payments thereon, or (B) until 30 days have elapsed after the notice described in the second sentence of paragraph (1) is given to the affected member in any case where it has not been possible, despite continuing good faith efforts, to arrange such a consultation.

(b) "Authorized person" defined

For purposes of this section the term ''authorized person'' with respect to any member of the uniformed services means—

(1) any agent or attorney of a State having in effect a plan approved under this part who has the duty or authority under such plan to seek to recover any amounts owed by such member as child or child and spousal support (including, when authorized under the State plan, any official of a political subdivision); and

(2) the court which has authority to issue an order against such member for the support and maintenance of a child, or any agent of such court.

(c) Regulations

The Secretary of Defense, in the case of the Army, Navy, Air Force, and Marine Corps, and the Secretary concerned (as defined in section 101(5) of title 37) in the case of each of the other uniformed services, shall each issue regulations applicable to allotments to be made under this section, designating the officials to whom notice of failure to make support payments, or notice to discontinue or adjust an allotment, should be given, prescribing the form and content of the notice and specifying any other rules necessary for such Secretary to implement this section.

§ 666. Requirement of statutorily prescribed procedures to improve effectiveness of child support enforcement

(a) Types of procedures required

In order to satisfy section 654(20)(A) of this title, each State must have in effect laws requiring the use of the following procedures, consistent with this section and with regulations of the Secretary, to increase the effectiveness of the program which the State administers under this part:

(1)(A) Procedures described in subsection (b) for the withholding from income of amounts payable as support in cases subject to enforcement under the State plan.

(B) Procedures under which the income of a person with a support obligation imposed by a support order issued (or modified) in the State before January 1, 1994, if not otherwise subject to withholding under subsection (b), shall become subject to withholding as provided in subsection (b) if arrearages occur, without the need for a judicial or administrative hearing.

(2) Expedited administrative and judicial procedures (including the procedures specified in subsection (c)) for establishing paternity and for establishing, modifying, and enforcing support obligations. The Secretary may waive the provisions of this paragraph with respect to one or more political subdivisions within the State on the basis of the effectiveness and timeliness of support order issuance and enforcement or paternity establishment within the political subdivision (in accordance with the general rule for exemptions under subsection (d)).

(3) Procedures under which the State child support enforcement agency shall request, and the State shall provide, that for the purpose of enforcing a support order under any State plan approved under this part—

(A) any refund of State income tax which would otherwise be payable to a noncustodial parent will be reduced, after notice has been sent to that noncustodial parent of the proposed reduction and the procedures to be followed to contest it (and after full compliance with all procedural due process requirements of the State), by the amount of any overdue support owed by such noncustodial parent;

(B) the amount by which such refund is reduced shall be distributed in accordance with section 657 of this title in the case of overdue support assigned to a State pursuant to section 608(a)(3) or 671(a)(17) of this title, or, in any other case, shall be distributed, after deduction of any fees imposed by the State to cover the costs of collection, to the child or parent to whom such support is owed; and

(C) notice of the noncustodial parent's social security account number (or numbers, if he has more than one such number) and home address shall be furnished to the State agency requesting the refund offset, and to the State agency enforcing the order.

(4) LIENS.—Procedures under which—

(A) liens arise by operation of law against real and personal property for amounts of overdue support owed by a noncustodial parent who resides or owns property in the State; and

(B) the State accords full faith and credit to liens described in subparagraph (A) arising in another State, when the State agency, party, or other entity seeking to enforce such a lien complies with the procedural rules relating to recording or serving liens that arise within the State, except that such rules may not require judicial notice or hearing prior to the enforcement of such a lien.

(5) PROCEDURES CONCERNING PATERNITY ESTABLISHMENT.—

(A) ESTABLISHMENT PROCESS AVAILABLE FROM BIRTH UNTIL AGE 18.—

(i) Procedures which permit the establishment of the paternity of a child at any time before the child attains 18 years of age.

(ii) As of August 16, 1984, clause (i) shall also apply to a child for whom paternity has not been established or for whom a paternity action was brought but dismissed because a statute of limitations of less than 18 years was then in effect in the State.

(B) PROCEDURES CONCERNING GENETIC TESTING.—

(i) GENETIC TESTING REQUIRED IN CERTAIN CONTESTED CASES.—Procedures under which the State is required, in a contested paternity case (unless otherwise barred by State law) to require the child and all other parties (other than individuals found under section 654(29) of this title to have good cause and other exceptions for refusing to cooperate) to submit to genetic tests upon the request of any such party, if the request is supported by a sworn statement by the party—

(I) alleging paternity, and setting forth facts establishing a reasonable possibil-

ity of the requisite sexual contact between the parties; or

(II) denying paternity, and setting forth facts establishing a reasonable possibility of the nonexistence of sexual contact between the parties.

(ii) OTHER REQUIREMENTS.—Procedures which require the State agency, in any case in which the agency orders genetic testing—

(I) to pay costs of such tests, subject to recoupment (if the State so elects) from the alleged father if paternity is established; and

(II) to obtain additional testing in any case if an original test result is contested, upon request and advance payment by the contestant.

(C) VOLUNTARY PATERNITY ACKNOWLEDGMENT.—

(i) SIMPLE CIVIL PROCESS.—Procedures for a simple civil process for voluntarily acknowledging paternity under which the State must provide that, before a mother and a putative father can sign an acknowledgment of paternity, the mother and the putative father must be given notice, orally, or through the use of video or audio equipment, and in writing, of the alternatives to, the legal consequences of, and the rights (including, if 1 parent is a minor, any rights afforded due to minority status) and responsibilities that arise from, signing the acknowledgment.

(ii) HOSPITAL-BASED PROGRAM.—Such procedures must include a hospital-based program for the voluntary acknowledgment of paternity focusing on the period immediately before or after the birth of a child.

(iii) PATERNITY ESTABLISHMENT SERVICES.—

(I) STATE-OFFERED SERVICES.—Such procedures must require the State agency responsible for maintaining birth records to offer voluntary paternity establishment services.

(II) REGULATIONS.—

(bb) SERVICES OFFERED BY OTHER ENTITIES.—The Secretary shall prescribe regulations specifying the types of other entities that may offer voluntary paternity establishment services, and governing the provision of such services, which shall include a requirement that such an entity must use the same notice provisions used by, use the same materials used by, provide the personnel providing such services with the same training provided by, and evaluate the provision of such services in the same manner as the provision of such services is evaluated by, voluntary paternity establishment programs of hospitals and birth record agencies.

(iv) USE OF PATERNITY ACKNOWLEDGMENT AFFIDAVIT.—Such procedures must require the State to develop and use an affidavit for the voluntary acknowledgment of paternity which includes the minimum requirements of the affidavit specified by the Secretary under section 652(a)(7) of this title for the voluntary acknowledgment of paternity, and to give full faith and credit to such an affidavit signed in any other State according to its procedures.

(D) STATUS OF SIGNED PATERNITY ACKNOWLEDGMENT.—

(i) INCLUSION IN BIRTH RECORDS.—Procedures under which the name of the father shall be included on the record of birth of the child of unmarried parents only if—

(I) the father and mother have signed a voluntary acknowledgment of paternity; or

(II) a court or an administrative agency of competent jurisdiction has issued an adjudication of paternity.

Nothing in this clause shall preclude a State agency from obtaining an admission of paternity from the father for submission in a judicial or administrative proceeding, or prohibit the issuance of an order in a judicial or administrative proceeding which bases a legal finding of paternity on an admission of paternity by the father and any other additional showing required by State law.

(ii) LEGAL FINDING OF PATERNITY.—Procedures under which a signed voluntary acknowledgment of paternity is considered a legal finding of paternity, subject to the right of any signatory to rescind the acknowledgment within the earlier of—

(I) 60 days; or

(II) the date of an administrative or judicial proceeding relating to the child (including a proceeding to establish a support order) in which the signatory is a party.

(iii) CONTEST.—Procedures under which, after the 60-day period referred to in clause (ii), a signed voluntary acknowledgment of paternity may be challenged in court only on the basis of fraud, duress, or material mistake of fact, with the burden of proof upon the challenger, and under which the legal responsibilities (including child support obligations) of any signatory arising from the acknowledgment may not be suspended during the challenge, except for good cause shown.

(I) of a type generally acknowledged as reliable by accreditation bodies designated by the Secretary; and

(II) performed by a laboratory approved by such an accreditation body;

(ii) requiring an objection to genetic testing results to be made in writing not later than a specified number of days before any hearing at which the results may be introduced into evidence (or, at State option, not later than a specified number of days after receipt of the results); and

(iii) making the test results admissible as evidence of paternity without the need for foundation testimony or other proof of authenticity or accuracy, unless objection is made.

(G) PRESUMPTION OF PATERNITY IN CERTAIN CASES.—Procedures which create a rebuttable or, at the option of the State, conclusive presumption of paternity upon genetic testing results indicating a threshold probability that the alleged father is the father of the child.

(H) DEFAULT ORDERS.—Procedures requiring a default order to be entered in a paternity case upon a showing of service of process on the defendant and any additional showing required by State law.

(I) NO RIGHT TO JURY TRIAL.—Procedures providing that the parties to an action to establish paternity are not entitled to a trial by jury.

(J) TEMPORARY SUPPORT ORDER BASED ON PROBABLE PATERNITY IN CONTESTED CASES.—Procedures which require that a temporary order be issued, upon motion by a party, requiring the provision of child support pending an administrative or judicial determination of parentage, if there is clear and convincing evidence of paternity (on the basis of genetic tests or other evidence).

(K) PROOF OF CERTAIN SUPPORT AND PATERNITY ESTABLISHMENT COSTS.—Procedures under which bills for pregnancy, childbirth, and genetic testing are admissible as evidence without requiring third-party foundation testimony, and shall constitute prima facie evidence of amounts incurred for such services or for testing on behalf of the child.

(7) REPORTING ARREARAGES TO CREDIT BUREAUS.—

(A) IN GENERAL.—Procedures (subject to safeguards pursuant to subparagraph (B)) requiring the State to report periodically to consumer reporting agencies (as defined in section 1681a(f) of title 15) the name of any noncustodial parent who is delinquent in the payment of support, and the amount of overdue support owed by such parent.

(B) SAFEGUARDS.—Procedures ensuring that, in carrying out subparagraph (A), information with respect to a noncustodial parent is reported—

(i) only after such parent has been afforded all due process required under State law, including notice and a reasonable opportunity to contest the accuracy of such information; and

(ii) only to an entity that has furnished evidence satisfactory to the State that the entity is a consumer reporting agency (as so defined).

(8)(A) Procedures under which all child support orders not described in subparagraph (B) will include provision for withholding from income, in order to assure that withholding as a means of collecting child support is available if arrearages occur without the necessity of filing application for services under this part.

(B) Procedures under which all child support orders which are initially issued in the State on or after January 1, 1994, and are not being enforced under this part will include the following requirements:

(i) The income of a noncustodial parent shall be subject to withholding, regardless of whether support payments by such parent are in arrears, on the effective date of the order; except that such income shall not be subject to withholding under this clause in any case where (I) one of the parties demonstrates, and the court (or administrative process) finds, that there is good cause not to require immediate income withholding, or (II) a written agreement is reached between both parties which provides for an alternative arrangement.

(ii) The requirements of subsection (b)(1) (which shall apply in the case of each noncustodial parent against whom a support order is or has been issued or modified in the State, without regard to whether the order is being enforced under the State plan).

(iii) The requirements of paragraphs (2), (5), (6), (7), (8), (9), and (10) of subsection (b), where applicable.

(iv) Withholding from income of amounts payable as support must be carried out in full compliance with all procedural due process requirements of the State.

(9) Procedures which require that any payment or installment of support under any child support order, whether ordered through the State judicial system or through the expedited processes required by paragraph (2), is (on and after the date it is due)—

(A) a judgment by operation of law, with the full force, effect, and attributes of a judgment of the State, including the ability to be enforced,

(B) entitled as a judgment to full faith and credit in such State and in any other State, and

(C) not subject to retroactive modification by such State or by any other State;

except that such procedures may permit modification with respect to any period during which there is pending a petition for modification, but only from the date that notice of such petition has been given, either directly or through the appropriate agent, to the obligee or (where the obligee is the petitioner) to the obligor.

(10) REVIEW AND ADJUSTMENT OF SUPPORT ORDERS UPON REQUEST.—

(A) 3-YEAR CYCLE.—

(i) IN GENERAL.—Procedures under which every 3 years (or such shorter cycle as the State may determine), upon the request of either parent or if there is an assignment under part A, the State shall with respect to a support order being enforced under this part, taking into account the best interests of the child involved—

(I) review and, if appropriate, adjust the order in accordance with the guidelines established pursuant to section 667(a) of this title if the amount of the child support award under the order differs from the amount that would be awarded in accordance with the guidelines;

(II) apply a cost-of-living adjustment to the order in accordance with a formula developed by the State; or

(III) use automated methods (including automated comparisons with wage or State income tax data) to identify orders eligible for review, conduct the review, identify orders eligible for adjustment, and apply the appropriate adjustment to the orders eligible for adjustment under any threshold that may be established by the State.

(ii) OPPORTUNITY TO REQUEST REVIEW OF ADJUSTMENT.—If the State elects to conduct the review under subclause (II) or (III) of clause (i), procedures which permit either party to contest the adjustment, within 30 days after the date of the notice of the adjustment, by making a request for review and, if appropriate, adjustment of the order in accordance with the child support guidelines established pursuant to section 667(a) of this title.

(iii) NO PROOF OF CHANGE IN CIRCUMSTANCES NECESSARY IN 3-YEAR CYCLE REVIEW.—Procedures which provide that any adjustment under clause (i) shall be made without a requirement for proof or showing of a change in circumstances.

(B) PROOF OF SUBSTANTIAL CHANGE IN CIRCUMSTANCES NECESSARY IN REQUEST FOR REVIEW OUTSIDE 3-YEAR CYCLE.—Procedures under which, in the case of a request for a review, and if appropriate, an adjustment outside the 3-year cycle (or such shorter cycle as the State may determine) under clause (i), the State shall review and, if the requesting party demonstrates a substantial change in circumstances, adjust the order in accordance with the guidelines established pursuant to section 667(a) of this title.

(C) NOTICE OF RIGHT TO REVIEW.—Procedures which require the State to provide notice not less than once every 3 years to the parents subject to the order informing the parents of their right to request the State to review and, if appropriate, adjust the order pursuant to this paragraph. The notice may be included in the order.

(11) Procedures under which a State must give full faith and credit to a determination of paternity made by any other State, whether established through voluntary acknowledgment or through administrative or judicial processes.

(12) LOCATOR INFORMATION FROM INTERSTATE NETWORKS.—Procedures to ensure that all Federal and State agencies conducting activities under this part have access to any system used by the State to locate an individual for purposes relating to motor vehicles or law enforcement.

(13) RECORDING OF SOCIAL SECURITY NUMBERS IN CERTAIN FAMILY MATTERS.—Procedures requiring that the social security number of—

(A) any applicant for a professional license, driver's license, occupational license, recreational license, or marriage license be recorded on the application;

(B) any individual who is subject to a divorce decree, support order, or paternity determination or acknowledgment be placed in the records relating to the matter; and

(C) any individual who has died be placed in the records relating to the death and be recorded on the death certificate.

For purposes of subparagraph (A), if a State allows the use of a number other than the social security number to be used on the face of the document while the social security number is kept on file at the agency, the State shall so advise any applicants.

(14) HIGH-VOLUME, AUTOMATED ADMINISTRATIVE ENFORCEMENT IN INTERSTATE CASES.—

(A) IN GENERAL.—Procedures under which—

(i) the State shall use high-volume automated administrative enforcement, to the same extent as used for intrastate cases, in response to a request made by another State to enforce support orders, and shall promptly report the results of such enforcement procedure to the requesting State;

(ii) the State may, by electronic or other means, transmit to another State a request for assistance in enforcing support orders through high-volume, automated administrative enforcement, which request—

(I) shall include such information as will enable the State to which the request is transmitted to compare the information about the cases to the information in the data bases of the State; and

(II) shall constitute a certification by the requesting State—

(aa) of the amount of support under an order the payment of which is in arrears; and

(bb) that the requesting State has complied with all procedural due process requirements applicable to each case;

(iii) if the State provides assistance to another State pursuant to this paragraph with respect to a case, neither State shall consider the case to be transferred to the caseload of such other State (but the assisting State may establish a corresponding case based on such other State's request for assistance); and

(iv) the State shall maintain records of—

(I) the number of such requests for assistance received by the State;

(II) the number of cases for which the State collected support in response to such a request; and

(III) the amount of such collected support.

(B) HIGH-VOLUME AUTOMATED ADMINISTRATIVE ENFORCEMENT.—In this part, the term ''high-volume automated administrative enforcement'', in interstate cases, means, on request of another State, the identification by a State, through automated data matches with financial institutions and other entities where assets may be found, of assets owned by persons who owe child support in other States, and the seizure of such assets by the State, through levy or other appropriate processes.

(15) PROCEDURES TO ENSURE THAT PERSONS OWING OVERDUE SUPPORT WORK OR HAVE A PLAN FOR PAYMENT OF SUCH SUPPORT.—Procedures under which the State has the authority, in any case in which an individual owes overdue support with respect to a child receiving assistance under a State program funded under part A, to issue an order or to request that a court or an administrative process established pursuant to State law issue an order that requires the individual to—

(A) pay such support in accordance with a plan approved by the court, or, at the option of the State, a plan approved by the State agency administering the State program under this part; or

(B) if the individual is subject to such a plan and is not incapacitated, participate in such work activities (as defined in section 607(d) of this title) as the court, or, at the option of the State, the State agency administering the State program under this part, deems appropriate.

(16) AUTHORITY TO WITHHOLD OR SUSPEND LICENSES.—Procedures under which the State has (and uses in appropriate cases) authority to withhold or suspend, or to restrict the use of driver's licenses, professional and occupational licenses, and recreational and sporting licenses of individuals owing overdue support or failing, after receiving appropriate notice, to comply with subpoenas or warrants relating to paternity or child support proceedings.

(17) FINANCIAL INSTITUTION DATA MATCHES.—

(A) IN GENERAL.—Procedures under which the State agency shall enter into agreements with financial institutions doing business in the State—

(i) to develop and operate, in coordination with such financial institutions, and the Federal Parent Locator Service in the case of financial institutions doing business in two or more States, a data match system, using automated data exchanges to the maximum extent feasible, in which each such financial institution is required to provide for each calendar quarter the name, record address, social security number or other taxpayer identification number, and other identifying information for each noncustodial parent who maintains an account at such institution and who owes past-due support, as identified by the State by name and social security number or other taxpayer identification number; and

(ii) in response to a notice of lien or levy, encumber or surrender, as the case may be, assets held by such institution on behalf of any noncustodial parent who is subject to a child support lien pursuant to paragraph (4).

(B) REASONABLE FEES.—The State agency may pay a reasonable fee to a financial institution for conducting the data match provided for in subparagraph (A)(i), not to exceed the actual costs incurred by such financial institution.

(C) LIABILITY.—A financial institution shall not be liable under any Federal or State law to any person—

(i) for any disclosure of information to the State agency under subparagraph (A)(i);

(ii) for encumbering or surrendering any assets held by such financial institution in response to a notice of lien or levy issued by the State agency as provided for in subparagraph (A)(ii); or

(iii) for any other action taken in good faith to comply with the requirements of subparagraph (A).

(D) DEFINITIONS.—For purposes of this paragraph—

(i) FINANCIAL INSTITUTION.—The term ''financial institution'' has the meaning given to such term by section 669A(d)(1) of this title.

(ii) ACCOUNT.—The term ''account'' means a demand deposit account, checking or negotiable withdrawal order account, savings account, time deposit account, or money-market mutual fund account.

(18) ENFORCEMENT OF ORDERS AGAINST PATERNAL OR MATERNAL GRANDPARENTS.—Procedures under which, at the State's option, any child support order enforced under this part with respect to a child of minor parents, if the custodial parent of such child is receiving assistance under the State program under part A, shall be enforceable, jointly and severally, against the parents of the noncustodial parent of such child.

(19) HEALTH CARE COVERAGE.—Procedures under which—

(A) effective as provided in section 401(c)(3) of the Child Support Performance and Incentive Act of 1998, all child support orders enforced pursuant to this part shall include a provision for medical support for the child to be provided by either or both parents, and shall be enforced, where appropriate, through the use of the National Medical Support Notice promulgated pursuant to section 401(b) of the Child Support Performance and Incentive Act of 1998 (and referred to in section 609(a)(5)(C) of the Employee Retirement Income Security Act of 1974 [29 U.S.C. 1169(a)(5)(C)] in connection with group health plans covered under title I of such Act [29 U.S.C. 1001 et seq.], in section 401(e) of the Child Support Performance and Incentive Act of 1998 in connection with State or local group health plans, and in section 401(f) of such Act in connection with church group health plans);

(B) unless alternative coverage is allowed for in any order of the court (or other entity issuing the child support order), in any case in which a parent is required under the child support order to provide such health care coverage and the employer of such parent is known to the State agency—

(i) the State agency uses the National Medical Support Notice to transfer notice of the provision for the health care coverage of the child to the employer;

(ii) within 20 business days after the date of the National Medical Support Notice, the employer is required to transfer the Notice, excluding the severable employer withholding notice described in section 401(b)(2)(C) of the Child Support Performance and Incentive Act of 1998, to the appropriate plan providing any such health care coverage for which the child is eligible;

(iii) in any case in which the parent is a newly hired employee entered in the State Directory of New Hires pursuant to section 653a(e) of this title, the State agency provides, where appropriate, the National Medical Support Notice, together with an income withholding notice issued pursuant to subsection (b), within two days after the date of the entry of such employee in such Directory; and

(iv) in any case in which the employment of the parent with any employer who has received a National Medical Support Notice is terminated, such employer is required to notify the State agency of such termination; and

(C) any liability of the obligated parent to such plan for employee contributions which are required under such plan for enrollment of the child is effectively subject to appropriate enforcement, unless the obligated parent contests such enforcement based on a mistake of fact.

Notwithstanding section 654(20)(B) of this title, the procedures which are required under paragraphs (3), (4), (6), (7), and (15) need not be used or applied in cases where the State determines (using guidelines which are generally available within the State and which take into account the payment record of the noncustodial parent, the availability of other remedies, and other relevant considerations) that such use or application would not carry out the purposes of this part or would be otherwise inappropriate in the circumstances.

(b) Withholding from income of amounts payable as support

The procedures referred to in subsection (a)(1)(A) (relating to the withholding from income of amounts payable as support) must provide for the following:

(1) In the case of each noncustodial parent against whom a support order is or has been issued or modified in the State, and is being enforced under the State plan, so much of such parent's income must be withheld, in accordance with the succeeding provisions of this subsection, as is necessary to comply with the order and provide for the payment of any fee to the employer which may be required under paragraph (6)(A), up to the maximum amount permitted under section 1673(b) of title 15. If there are arrearages to be collected, amounts withheld to satisfy such arrearages, when added to the amounts withheld to pay current support and provide for the fee, may not exceed the limit permitted under such section 1673(b), but the State need not withhold up to the maximum amount permitted under such section in order to satisfy arrearages.

(2) Such withholding must be provided without the necessity of any application therefor in the case of a child (whether or not eligible for assistance under a State program funded under part A) with respect to whom services are already being provided under the State plan under this part, and must be provided in accordance with this subsection on the basis of an application for services under the State plan in the case of any other child in whose behalf a support order has been issued or modified in the State. In either case such withholding must occur without the need for any amendment to the support order involved or for any further action (other than those actions required under this part) by the court or other entity which issued such order.

(3)(A) The income of a noncustodial parent shall be subject to such withholding, regardless of whether support payments by such parent are in arrears, in the case of a support order being enforced under this part that is issued or modified on or after the first day of the 25th month beginning after October 13, 1988, on the effective date of the order; except that such income shall not be subject to such withholding under this subparagraph in any case where (i) one of the parties demonstrates, and the court (or administrative process) finds, that there is good cause not to require immediate income withholding, or (ii) a written agreement is reached between both parties which provides for an alternative arrangement.

(B) The income of a noncustodial parent shall become subject to such withholding, in the case of income not subject to withholding under subparagraph (A), on the date on which

the payments which the noncustodial parent has failed to make under a support order are at least equal to the support payable for one month or, if earlier, and without regard to whether there is an arrearage, the earliest of—

(i) the date as of which the noncustodial parent requests that such withholding begin,

(ii) the date as of which the custodial parent requests that such withholding begin, if the State determines, in accordance with such procedures and standards as it may establish, that the request should be approved, or

(iii) such earlier date as the State may select.

(4)(A) Such withholding must be carried out in full compliance with all procedural due process requirements of the State, and the State must send notice to each noncustodial parent to whom paragraph (1) applies—

(i) that the withholding has commenced; and

(ii) of the procedures to follow if the noncustodial parent desires to contest such withholding on the grounds that the withholding or the amount withheld is improper due to a mistake of fact.

(B) The notice under subparagraph (A) of this paragraph shall include the information provided to the employer under paragraph (6)(A).

(5) Such withholding must be administered by the State through the State disbursement unit established pursuant to section 654b of this title, in accordance with the requirements of section 654b of this title.

(6)(A)(i) The employer of any noncustodial parent to whom paragraph (1) applies, upon being given notice as described in clause (ii), must be required to withhold from such noncustodial parent's income the amount specified by such notice (which may include a fee, established by the State, to be paid to the employer unless waived by such employer) and pay such amount (after deducting and retaining any portion thereof which represents the fee so established) to the State disbursement unit within 7 business days after the date the amount would (but for this subsection) have been paid or credited to the employee, for distribution in accordance with this part. The employer shall withhold funds as directed in the notice, except that when an employer receives an income withholding order issued by another State, the employer shall apply the income withholding law of the State of the obligor's principal place of employment in determining—

(I) the employer's fee for processing an income withholding order;

(II) the maximum amount permitted to be withheld from the obligor's income;

(III) the time periods within which the employer must implement the income withholding order and forward the child support payment;

(IV) the priorities for withholding and allocating income withheld for multiple child support obligees; and

(V) any withholding terms or conditions not specified in the order.

An employer who complies with an income withholding notice that is regular on its face shall not be subject to civil liability to any individual or agency for conduct in compliance with the notice.

(ii) The notice given to the employer shall be in a standard format prescribed by the Secretary, and contain only such information as may be necessary for the employer to comply with the withholding order.

(iii) As used in this subparagraph, the term ''business day'' means a day on which State offices are open for regular business.

(B) Methods must be established by the State to simplify the withholding process for employers to the greatest extent possible, including permitting any employer to combine all withheld amounts into a single payment to each appropriate agency or entity (with the portion thereof which is attributable to each individual employee being separately designated).

(C) The employer must be held liable to the State for any amount which such employer fails to withhold from income due an employee following receipt by such employer of proper notice under subparagraph (A), but such employer shall not be required to vary the normal pay and disbursement cycles in order to comply with this paragraph.

(D) Provision must be made for the imposition of a fine against any employer who—

(i) discharges from employment, refuses to employ, or takes disciplinary action against any noncustodial parent subject to income withholding required by this subsection because of the existence of such withholding and the obligations or additional obligations which it imposes upon the employer; or

(ii) fails to withhold support from income or to pay such amounts to the State disbursement unit in accordance with this subsection.

(7) Support collection under this subsection must be given priority over any other legal process under State law against the same income.

(8) For purposes of subsection (a) and this subsection, the term ''income'' means any periodic form of payment due to an individual, regardless of source, including wages, salaries, commissions, bonuses, worker's compensation, disability, payments pursuant to a pension or retirement program, and interest.

(9) The State must extend its withholding system under this subsection so that such system will include withholding from income derived within such State in cases where the applicable support orders were issued in other States, in order to assure that child support owed by noncustodial parents in such State or any other State will be collected without regard to the residence of the child for whom the support is payable or of such child's custodial parent.

(10) Provision must be made for terminating withholding.

(11) Procedures under which the agency administering the State plan approved under this part may execute a withholding order without advance notice to the obligor, includ-

ing issuing the withholding order through electronic means.

(c) Expedited procedures

The procedures specified in this subsection are the following:

(1) Administrative action by State agency

Procedures which give the State agency the authority to take the following actions relating to establishment of paternity or to establishment, modification, or enforcement of support orders, without the necessity of obtaining an order from any other judicial or administrative tribunal, and to recognize and enforce the authority of State agencies of other States to take the following actions:

(A) Genetic testing

To order genetic testing for the purpose of paternity establishment as provided in subsection (a)(5).

(D) Access to information contained in certain records

To obtain access, subject to safeguards on privacy and information security, and subject to the nonliability of entities that afford such access under this subparagraph, to information contained in the following records (including automated access, in the case of records maintained in automated data bases):

(i) Records of other State and local government agencies, including—

(I) vital statistics (including records of marriage, birth, and divorce);

(II) State and local tax and revenue records (including information on residence address, employer, income and assets);

(VII) records of the motor vehicle department; and

(VIII) corrections records.

(ii) Certain records held by private entities with respect to individuals who owe or are owed support (or against or with respect to whom a support obligation is sought), consisting of—

(I) the names and addresses of such individuals and the names and addresses of the employers of such individuals, as appearing in customer records of public utilities and cable television companies, pursuant to an administrative subpoena authorized by subparagraph (B); and

(II) information (including information on assets and liabilities) on such individuals held by financial institutions.

(E) Change in payee

In cases in which support is subject to an assignment in order to comply with a requirement imposed pursuant to part A, part E, or section 1396k of this title, or to a requirement to pay through the State disbursement unit established pursuant to section 654b of this title, upon providing notice to obligor and obligee, to direct the obligor or other payor to change the payee to the appropriate government entity.

(F) Income withholding

To order income withholding in accordance with subsections (a)(1)(A) and (b).

(G) Securing assets

In cases in which there is a support arrearage, to secure assets to satisfy any current support obligation and the arrearage by—

(i) intercepting or seizing periodic or lump-sum payments from—

(I) a State or local agency, including unemployment compensation, workers' compensation, and other benefits; and

(II) judgments, settlements, and lotteries;

(ii) attaching and seizing assets of the obligor held in financial institutions;

(iii) attaching public and private retirement funds; and

(iv) imposing liens in accordance with subsection (a)(4) and, in appropriate cases, to force sale of property and distribution of proceeds.

(H) Increase monthly payments

For the purpose of securing overdue support, to increase the amount of monthly support payments to include amounts for arrearages, subject to such conditions or limitations as the State may provide.

Such procedures shall be subject to due process safeguards, including (as appropriate) requirements for notice, opportunity to contest the action, and opportunity for an appeal on the record to an independent administrative or judicial tribunal.

(2) Substantive and procedural rules

The expedited procedures required under subsection (a)(2) shall include the following rules and authority, applicable with respect to all proceedings to establish paternity or to establish, modify, or enforce support orders:

(A) Locator information; presumptions concerning notice

Procedures under which—

(i) each party to any paternity or child support proceeding is required (subject to privacy safeguards) to file with the State case registry upon entry of an order, and to update as appropriate, information on location and identity of the party, including social security number, residential and mailing addresses, telephone number, driver's license number, and name, address, and telephone number of employer; and

STRENGTHENING ABUSE AND NEGLECT COURTS

Pub. L. 106–314, Oct. 17, 2000, 114 Stat. 1266, provided that:

''SECTION 1. SHORT TITLE.

''This Act may be cited as the 'Strengthening Abuse and Neglect Courts Act of 2000'.

''SEC. 2. FINDINGS.

''Congress finds the following:

''(1) Under both Federal and State law, the courts play a crucial and essential role in the Nation's child welfare system and in ensuring safety, stability, and permanence for abused and neglected children under the supervision of that system.

''(2) The Adoption and Safe Families Act of 1997 (Public Law 105–89; 111 Stat. 2115) [see Short Title of 1997 Amendment note set out under section 1305 of this title] establishes explicitly for the first time in Federal law that a child's health and safety must be the paramount consideration when any decision is made regarding a child in the Nation's child welfare system.

''(3) The Adoption and Safe Families Act of 1997 promotes stability and permanence for abused and neglected children by requiring timely decision-making in proceedings to determine whether children can safely return to their families or whether they should be moved into safe and stable adoptive homes or other permanent family arrangements outside the foster care system.

''(4) To avoid unnecessary and lengthy stays in the foster care system, the Adoption and Safe Families Act of 1997 specifically requires, among other things, that States move to terminate the parental rights of the parents of those children who have been in foster care for 15 of the last 22 months.

''(5) While essential to protect children and to carry out the general purposes of the Adoption and Safe Families Act of 1997, the accelerated timelines for the termination of parental rights and the other requirements imposed under that Act increase the pressure on the Nation's already overburdened abuse and neglect courts.

''(6) The administrative efficiency and effectiveness of the Nation's abuse and neglect courts would be substantially improved by the acquisition and implementation of computerized case-tracking systems to identify and eliminate existing backlogs, to move abuse and neglect caseloads forward in a timely manner, and to move children into safe and stable families. Such systems could also be used to evaluate the effectiveness of such courts in meeting the purposes of the amendments made by, and provisions of, the Adoption and Safe Families Act of 1997.

''(7) The administrative efficiency and effectiveness of the Nation's abuse and neglect courts would also be improved by the identification and implementation of projects designed to eliminate the backlog of abuse and neglect cases, including the temporary hiring of additional judges, extension of court hours, and other projects designed to reduce existing caseloads.

''(8) The administrative efficiency and effectiveness of the Nation's abuse and neglect courts would be further strengthened by improving the quality and availability of training for judges, court personnel, agency attorneys, guardians ad litem, volunteers who participate in court-appointed special advocate (CASA) programs, and attorneys who represent the children and the parents of children in abuse and neglect proceedings.

''(9) While recognizing that abuse and neglect courts in this country are already committed to the quality administration of justice, the performance of such courts would be even further enhanced by the development of models and educational opportunities that reinforce court projects that have already been developed, including models for case-flow procedures, case management, representation of children, automated interagency interfaces, and 'best practices' standards.

''(10) Judges, magistrates, commissioners, and other judicial officers play a central and vital role in ensuring that proceedings in our Nation's abuse and neglect courts are run efficiently and effectively. The performance of those individuals in such courts can only be further enhanced by training, seminars, and an ongoing opportunity to exchange ideas with their peers.

''(11) Volunteers who participate in court-appointed special advocate (CASA) programs play a vital role as the eyes and ears of abuse and neglect courts in proceedings conducted by, or under the supervision of, such courts and also bring increased public scrutiny of the abuse and neglect court system. The Nation's abuse and neglect courts would benefit from an expansion of this program to currently underserved communities.

''(12) Improved computerized case-tracking systems, comprehensive training, and development of, and education on, model abuse and neglect court systems, particularly with respect to underserved areas, would significantly further the purposes of the Adoption and Safe Families Act of 1997 by reducing the average length of an abused and neglected child's stay in foster care, improving the quality of decision-making and court services provided to children and families, and increasing the number of adoptions.

''SEC. 3. DEFINITIONS.

(B) Candidates in kinship care

(C) Payer of last resort

In carrying out its responsibilities to ensure access to services or programs under

this subsection, the State agency shall not be considered to be a legally liable third party for purposes of satisfying a financial commitment for the cost of providing such services or programs with respect to any individual for whom such cost would have been paid for from another public or private source but for the enactment of this subsection (except that whenever considered necessary to prevent a delay in the receipt of appropriate early intervention services by a child or family in a timely fashion, funds provided under section 674(a)(6) of this title may be used to pay the provider of services or programs pending reimbursement from the public or private source that has ultimate responsibility for the payment).

§ 672. Foster care maintenance payments program

(a) In general

(1) Eligibility

Each State with a plan approved under this part shall make foster care maintenance payments on behalf of each child who has been removed from the home of a relative specified in section 606(a) of this title (as in effect on July 16, 1996) into foster care if—

(A) the removal and foster care placement met, and the placement continues to meet, the requirements of paragraph (2); and

(B) the child, while in the home, would have met the AFDC eligibility requirement of paragraph (3).

(2) Removal and foster care placement requirements

The removal and foster care placement of a child meet the requirements of this paragraph if—

(A) the removal and foster care placement are in accordance with—

(i) a voluntary placement agreement entered into by a parent or legal guardian of the child who is the relative referred to in paragraph (1); or

(ii) a judicial determination to the effect that continuation in the home from which removed would be contrary to the welfare of the child and that reasonable efforts of the type described in section 671(a)(15) of this title for a child have been made;

(B) the child's placement and care are the responsibility of—

(i) the State agency administering the State plan approved under section 671 of this title;

(ii) any other public agency with which the State agency administering or supervising the administration of the State plan has made an agreement which is in effect; or

(iii) an Indian tribe or a tribal organization (as defined in section 679c(a) of this title) or a tribal consortium that has a plan approved under section 671 of this title in accordance with section 679c of this title; and

(C) the child has been placed in a foster family home, with a parent residing in a licensed residential family-based treatment facility, but only to the extent permitted under subsection (j), or in a child-care institution, but only to the extent permitted under subsection (k).

(3) AFDC eligibility requirement

(A) In general

A child in the home referred to in paragraph (1) would have met the AFDC eligibility requirement of this paragraph if the child—

(i) would have received aid under the State plan approved under section 602 of this title (as in effect on July 16, 1996) in the home, in or for the month in which the agreement was entered into or court proceedings leading to the determination referred to in paragraph (2)(A)(ii) of this subsection were initiated; or

(ii)(I) would have received the aid in the home, in or for the month referred to in clause (i), if application had been made therefor; or

(II) had been living in the home within 6 months before the month in which the agreement was entered into or the proceedings were initiated, and would have received the aid in or for such month, if, in such month, the child had been living in the home with the relative referred to in paragraph (1) and application for the aid had been made.

(B) Resources determination

For purposes of subparagraph (A), in determining whether a child would have received aid under a State plan approved under section 602 of this title (as in effect on July 16, 1996), a child whose resources (determined pursuant to section 602(a)(7)(B) of this title, as so in effect) have a combined value of not more than $10,000 shall be considered a child whose resources have a combined value of not more than $1,000 (or such lower amount as the State may determine for purposes of section 602(a)(7)(B) of this title).

(4) Eligibility of certain alien children

Subject to title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 [8 U.S.C. 1601 et seq.], if the child is an alien disqualified under section 1255a(h) or 1160(f) of title 8 from receiving aid under the State plan approved under section 602 of this title in or for the month in which the agreement described in paragraph (2)(A)(i) was entered into or court proceedings leading to the determination described in paragraph (2)(A)(ii) were initiated, the child shall be considered to satisfy the requirements of paragraph (3), with respect to the month, if the child would have satisfied the requirements but for the disqualification.

(b) Additional qualifications

Foster care maintenance payments may be made under this part only on behalf of a child described in subsection (a) of this section who is—

(1) in the foster family home of an individual, whether the payments therefor are made to such individual or to a public or private child-placement or child-care agency, or

(2) in a child-care institution, whether the payments therefor are made to such institution or to a public or private child-placement or child-care agency, which payments shall be limited so as to include in such payments only those items which are included in the term ''foster care maintenance payments'' (as defined in section 675(4) of this title).

(c) Definitions

For purposes of this part:

(1) Foster family home

(A) In general

The term ''foster family home'' means the home of an individual or family—

(i) that is licensed or approved by the State in which it is situated as a foster family home that meets the standards established for the licensing or approval; and

(ii) in which a child in foster care has been placed in the care of an individual, who resides with the child and who has been licensed or approved by the State to be a foster parent—

(I) that the State deems capable of adhering to the reasonable and prudent parent standard;

(II) that provides 24-hour substitute care for children placed away from their parents or other caretakers; and

(III) that provides the care for not more than six children in foster care.

(B) State flexibility

The number of foster children that may be cared for in a home under subparagraph (A) may exceed the numerical limitation in subparagraph (A)(ii)(III), at the option of the State, for any of the following reasons:

(i) To allow a parenting youth in foster care to remain with the child of the parenting youth.

(ii) To allow siblings to remain together.

(iii) To allow a child with an established meaningful relationship with the family to remain with the family.

(iv) To allow a family with special training or skills to provide care to a child who has a severe disability.

(C) Rule of construction

Subparagraph (A) shall not be construed as prohibiting a foster parent from renting the home in which the parent cares for a foster child placed in the parent's care.

(2) Child-care institution

(A) In general

The term ''child-care institution'' means a private child-care institution, or a public child-care institution which accommodates no more than 25 children, which is licensed by the State in which it is situated or has been approved by the agency of the State responsible for licensing or approval of institutions of this type as meeting the standards established for the licensing.

(B) Supervised settings

In the case of a child who has attained 18 years of age, the term shall include a supervised setting in which the individual is living independently, in accordance with such conditions as the Secretary shall establish in regulations.

(C) Exclusions

The term shall not include detention facilities, forestry camps, training schools, or any other facility operated primarily for the detention of children who are determined to be delinquent.

(d) Children removed from their homes pursuant to voluntary placement agreements

Notwithstanding any other provision of this subchapter, Federal payments may be made under this part with respect to amounts expended by any State as foster care maintenance payments under this section, in the case of children removed from their homes pursuant to voluntary placement agreements as described in subsection (a), only if (at the time such amounts were expended) the State has fulfilled all of the requirements of section 622(b)(8) of this title.

(e) Placements in best interest of child

No Federal payment may be made under this part with respect to amounts expended by any State as foster care maintenance payments under this section, in the case of any child who was removed from his or her home pursuant to a voluntary placement agreement as described in subsection (a) and has remained in voluntary placement for a period in excess of 180 days, unless there has been a judicial determination by a court of competent jurisdiction (within the first 180 days of such placement) to the effect that such placement is in the best interests of the child.

(f) "Voluntary placement" and "voluntary placement agreement" defined

For the purposes of this part and part B of this subchapter, (1) the term ''voluntary placement'' means an out-of-home placement of a minor, by or with participation of a State agency, after the parents or guardians of the minor have requested the assistance of the agency and signed a voluntary placement agreement; and (2) the term ''voluntary placement agreement'' means a written agreement, binding on the parties to the agreement, between the State agency, any other agency acting on its behalf, and the parents or guardians of a minor child which specifies, at a minimum, the legal status of the child and the rights and obligations of the parents or guardians, the child, and the agency while the child is in placement.

(g) Revocation of voluntary placement agreement

In any case where—

(1) the placement of a minor child in foster care occurred pursuant to a voluntary placement agreement entered into by the parents or guardians of such child as provided in subsection (a), and

(2) such parents or guardians request (in such manner and form as the Secretary may prescribe) that the child be returned to their home or to the home of a relative,

the voluntary placement agreement shall be deemed to be revoked unless the State agency opposes such request and obtains a judicial determination, by a court of competent jurisdiction, that the return of the child to such home would be contrary to the child's best interests.

(h) Aid for dependent children; assistance for minor children in needy families

(1) For purposes of subchapter XIX, any child with respect to whom foster care maintenance payments are made under this section is deemed to be a dependent child as defined in section 606 of this title (as in effect as of July 16, 1996) and deemed to be a recipient of aid to families with dependent children under part A of this subchapter (as so in effect). For purposes of division

A[1] of subchapter XX, any child with respect to whom foster care maintenance payments are made under this section is deemed to be a minor child in a needy family under a State program funded under part A of this subchapter and is deemed to be a recipient of assistance under such part.

(2) For purposes of paragraph (1), a child whose costs in a foster family home or child care institution are covered by the foster care maintenance payments being made with respect to the child's minor parent, as provided in section 675(4)(B) of this title, shall be considered a child with respect to whom foster care maintenance payments are made under this section.

(i) Administrative costs associated with otherwise eligible children not in licensed foster care settings

Expenditures by a State that would be considered administrative expenditures for purposes of section 674(a)(3) of this title if made with respect to a child who was residing in a foster family home or child-care institution shall be so considered with respect to a child not residing in such a home or institution—

(1) in the case of a child who has been removed in accordance with subsection (a) of this section from the home of a relative specified in section 606(a) of this title (as in effect on July 16, 1996), only for expenditures—

(A) with respect to a period of not more than the lesser of 12 months or the average length of time it takes for the State to license or approve a home as a foster home, in which the child is in the home of a relative and an application is pending for licensing or approval of the home as a foster family home; or

(B) with respect to a period of not more than 1 calendar month when a child moves from a facility not eligible for payments under this part into a foster family home or child care institution licensed or approved by the State; and

(2) in the case of any other child who is potentially eligible for benefits under a State plan approved under this part and at imminent risk of removal from the home, only if—

(A) reasonable efforts are being made in accordance with section 671(a)(15) of this title to prevent the need for, or if necessary to pursue, removal of the child from the home; and

(B) the State agency has made, not less often than every 6 months, a determination (or redetermination) as to whether the child remains at imminent risk of removal from the home.

(j) Children placed with a parent residing in a licensed residential family-based treatment facility for substance abuse

(1) In general

Notwithstanding the preceding provisions of this section, a child who is eligible for foster care maintenance payments under this section, or who would be eligible for the payments if the eligibility were determined without regard to paragraphs (1)(B) and (3) of subsection (a), shall be eligible for the payments for a period of not more than 12 months during which the child is placed with a parent who is in a licensed residential family-based treatment facility for substance abuse, but only if—

(A) the recommendation for the placement is specified in the child's case plan before the placement;

(B) the treatment facility provides, as part of the treatment for substance abuse, parenting skills training, parent education, and individual and family counseling; and

(C) the substance abuse treatment, parenting skills training, parent education, and individual and family counseling is provided under an organizational structure and treatment framework that involves understanding, recognizing, and responding to the effects of all types of trauma and in accordance with recognized principles of a trauma-informed approach and trauma-specific interventions to address the consequences of trauma and facilitate healing.

(2) Application

With respect to children for whom foster care maintenance payments are made under paragraph (1), only the children who satisfy the requirements of paragraphs (1)(B) and (3) of subsection (a) shall be considered to be children with respect to whom foster care maintenance payments are made under this section for purposes of subsection (h) or section 673(b)(3)(B) of this title.

(k) Limitation on Federal financial participation

(1) In general

Beginning with the third week for which foster care maintenance payments are made under this section on behalf of a child placed in a child-care institution, no Federal payment shall be made to the State under section 674(a)(1) of this title for amounts expended for foster care maintenance payments on behalf of the child unless—

(A) the child is placed in a child-care institution that is a setting specified in paragraph (2) (or is placed in a licensed residential family-based treatment facility consistent with subsection (j)); and

(B) in the case of a child placed in a qualified residential treatment program (as defined in paragraph (4)), the requirements specified in paragraph (3) and section 675a(c) of this title are met.

(2) Specified settings for placement

The settings for placement specified in this paragraph are the following:

(A) A qualified residential treatment program (as defined in paragraph (4)).

(B) A setting specializing in providing prenatal, post-partum, or parenting supports for youth.

[1] See References in Text note below.

or are at risk of becoming, sex trafficking victims, in accordance with section 671(a)(9)(C) of this title.

(3) Assessment to determine appropriateness of placement in a qualified residential treatment program

(A) Deadline for assessment

In the case of a child who is placed in a qualified residential treatment program, if the assessment required under section 675a(c)(1) of this title is not completed within 30 days after the placement is made, no Federal payment shall be made to the State under section 674(a)(1) of this title for any amounts expended for foster care maintenance payments on behalf of the child during the placement.

(B) Deadline for transition out of placement

If the assessment required under section 675a(c)(1) of this title determines that the placement of a child in a qualified residential treatment program is not appropriate, a court disapproves such a placement under section 675a(c)(2) of this title, or a child who has been in an approved placement in a qualified residential treatment program is going to return home or be placed with a fit and willing relative, a legal guardian, or an adoptive parent, or in a foster family home, Federal payments shall be made to the State under section 674(a)(1) of this title for amounts expended for foster care maintenance payments on behalf of the child while the child remains in the qualified residential treatment program only during the period necessary for the child to transition home or to such a placement. In no event shall a State receive Federal payments under section 674(a)(1) of this title for amounts expended for foster care maintenance payments on behalf of a child who remains placed in a qualified residential treatment program after the end of the 30-day period that begins on the date a determination is made that the placement is no longer the recommended or approved placement for the child.

(4) Qualified residential treatment program

For purposes of this part, the term ''qualified residential treatment program'' means a program that—

(A) has a trauma-informed treatment model that is designed to address the needs, including clinical needs as appropriate, of children with serious emotional or behavioral disorders or disturbances and, with respect to a child, is able to implement the treatment identified for the child by the assessment of the child required under section 675a(c) of this title;

(B) subject to paragraphs (5) and (6), has registered or licensed nursing staff and other licensed clinical staff who—

(i) provide care within the scope of their practice as defined by State law;

(ii) are on-site according to the treatment model referred to in subparagraph (A); and

(iii) are available 24 hours a day and 7 days a week;

(C) to extent appropriate, and in accordance with the child's best interests, facilitates participation of family members in the child's treatment program;

(D) facilitates outreach to the family members of the child, including siblings, documents how the outreach is made (including contact information), and maintains contact information for any known biological family and fictive kin of the child;

(E) documents how family members are integrated into the treatment process for the child, including post-discharge, and how sibling connections are maintained;

(F) provides discharge planning and family-based aftercare support for at least 6 months post-discharge; and

(G) is licensed in accordance with section 671(a)(10) of this title and is accredited by any of the following independent, not-for-profit organizations:

(ii) The Joint Commission on Accreditation of Healthcare Organizations (JCAHO).

(iii) The Council on Accreditation (COA).

(iv) Any other independent, not-for-profit accrediting organization approved by the Secretary.

(5) Administrative costs

The prohibition in paragraph (1) on Federal payments under section 674(a)(1) of this title shall not be construed as prohibiting Federal payments for administrative expenditures incurred on behalf of a child placed in a child-care institution and for which payment is available under section 674(a)(3) of this title.

(6) Rule of construction

The requirements in paragraph (4)(B) shall not be construed as requiring a qualified residential treatment program to acquire nursing and behavioral health staff solely through means of a direct employer to employee relationship.

(BB) a voluntary placement agreement or voluntary relinquishment; and

(II) has been determined by the State, pursuant to subsection (c)(2), to be a child with special needs.

(B) Section 672(a)(4) of this title shall apply for purposes of subparagraph (A) of this paragraph, in any case in which the child is an alien described in such section.

(C) A child shall be treated as meeting the requirements of this paragraph for the purpose of paragraph (1)(B)(ii) if—

(i) in the case of a child who is not an applicable child for the fiscal year (as defined in subsection (e)), the child—

(I) meets the requirements of subparagraph (A)(i)(II);

(II) was determined eligible for adoption assistance payments under this part with respect to a prior adoption;

(III) is available for adoption because—

(aa) the prior adoption has been dissolved, and the parental rights of the adoptive parents have been terminated; or

(bb) the child's adoptive parents have died; and

(IV) fails to meet the requirements of subparagraph (A)(i) but would meet such requirements if—

(aa) the child were treated as if the child were in the same financial and other circumstances the child was in the last time the child was determined eligible for adoption assistance payments under this part; and

(bb) the prior adoption were treated as never having occurred; or

(ii) in the case of a child who is an applicable child for the fiscal year (as so defined), the child meets the requirements of subparagraph (A)(ii)(II), is determined eligible for adoption assistance payments under this part with respect to a prior adoption (or who would have been determined eligible for such payments had the Adoption and Safe Families Act of 1997 been in effect at the time that such determination would have been made), and is available for adoption because the prior adoption has been dissolved and the parental rights of the adoptive parents have been terminated or because the child's adoptive parents have died.

(D) In determining the eligibility for adoption assistance payments of a child in a legal guardianship arrangement described in section 671(a)(28) of this title, the placement of the child with the relative guardian involved and any kinship guardianship assistance payments made on behalf of the child shall be considered never to have been made.

(3) The amount of the payments to be made in any case under clauses (i) and (ii) of paragraph (1)(B) shall be determined through agreement between the adoptive parents and the State or local agency administering the program under this section, which shall take into consideration the circumstances of the adopting parents and the needs of the child being adopted, and may be readjusted periodically, with the concurrence of the adopting parents (which may be specified in the adoption assistance agreement), depending upon changes in such circumstances. However, in no case may the amount of the adoption assistance payment made under clause (ii) of paragraph (1)(B) exceed the foster care maintenance payment which would have been paid during the period if the child with respect to whom the adoption assistance payment is made had been in a foster family home.

(4)(A) Notwithstanding any other provision of this section, a payment may not be made pursuant to this section to parents or relative guardians with respect to a child—

(i) who has attained—

(I) 18 years of age, or such greater age as the State may elect under section 675(8)(B)(iii) of this title; or

(II) 21 years of age, if the State determines that the child has a mental or physical handicap which warrants the continuation of assistance;

(ii) who has not attained 18 years of age, if the State determines that the parents or relative guardians, as the case may be, are no longer legally responsible for the support of the child; or

(iii) if the State determines that the child is no longer receiving any support from the parents or relative guardians, as the case may be.

(B) Parents or relative guardians who have been receiving adoption assistance payments or kinship guardianship assistance payments under this section shall keep the State or local agency administering the program under this section informed of circumstances which would, pursuant to this subsection, make them ineligible for the payments, or eligible for the payments in a different amount.

(5) For purposes of this part, individuals with whom a child (who has been determined by the State, pursuant to subsection (c), to be a child with special needs) is placed for adoption in accordance with applicable State and local law shall be eligible for such payments, during the period of the placement, on the same terms and subject to the same conditions as if such individuals had adopted such child.

(6)(A) For purposes of paragraph (1)(B)(i), the term ''nonrecurring adoption expenses'' means reasonable and necessary adoption fees, court costs, attorney fees, and other expenses which are directly related to the legal adoption of a child with special needs and which are not incurred in violation of State or Federal law.

(B) A State's payment of nonrecurring adoption expenses under an adoption assistance agreement shall be treated as an expenditure made for the proper and efficient administration of the State plan for purposes of section 674(a)(3)(E) of this title.

(7)(A) Notwithstanding any other provision of this subsection, no payment may be made to parents with respect to any applicable child for a fiscal year that—

(i) would be considered a child with special needs under subsection (c)(2);

(ii) is not a citizen or resident of the United States; and

(iii) was adopted outside of the United States or was brought into the United States for the purpose of being adopted.

(B) Subparagraph (A) shall not be construed as prohibiting payments under this part for an applicable child described in subparagraph (A) that is placed in foster care subsequent to the failure, as determined by the State, of the initial adoption of the child by the parents described in subparagraph (A).

(8)(A) A State shall calculate the savings (if any) resulting from the application of paragraph (2)(A)(ii) to all applicable children for a fiscal year, using a methodology specified by the Secretary or an alternate methodology proposed by the State and approved by the Secretary.

(B) A State shall annually report to the Secretary—

(i) the methodology used to make the calculation described in subparagraph (A), without regard to whether any savings are found;

(ii) the amount of any savings referred to in subparagraph (A); and

(iii) how any such savings are spent, accounting for and reporting the spending separately from any other spending reported to the Secretary under part B or this part.

(C) The Secretary shall make all information reported pursuant to subparagraph (B) available on the website of the Department of Health and Human Services in a location easily accessible to the public.

(D)(i) A State shall spend an amount equal to the amount of the savings (if any) in State expenditures under this part resulting from the application of paragraph (2)(A)(ii) to all applicable children for a fiscal year, to provide to children of families any service that may be provided under part B or this part. A State shall spend not less than 30 percent of any such savings on post-adoption services, post-guardianship services, and services to support and sustain positive permanent outcomes for children who otherwise might enter into foster care under the responsibility of the State, with at least ⅔ of the spending by the State to comply with such 30 percent requirement being spent on post-adoption and post-guardianship services.

(ii) Any State spending required under clause (i) shall be used to supplement, and not supplant, any Federal or non-Federal funds used to provide any service under part B or this part.

(b) Aid for dependent children; assistance for minor children in needy families

(1) For purposes of subchapter XIX, any child who is described in paragraph (3) is deemed to be a dependent child as defined in section 606 of this title (as in effect as of July 16, 1996) and deemed to be a recipient of aid to families with dependent children under part A of this subchapter (as so in effect) in the State where such child resides.

(B) with respect to whom foster care maintenance payments are being made under section 672 of this title, or

(C) with respect to whom kinship guardianship assistance payments are being made pursuant to subsection (d).

(A) the State has determined that the child cannot or should not be returned to the home of his parents; and

(B) the State had first determined (A) that there exists with respect to the child a specific factor or condition (such as his ethnic background, age, or membership in a minority or sibling group, or the presence of factors such as medical conditions or physical, mental, or emotional handicaps) because of which it is reasonable to conclude that such child cannot be placed with adoptive parents without providing adoption assistance under this section or medical assistance under subchapter XIX, and (B) that, except where it would be against the best interests of the child because of such factors as the existence of significant emotional ties with prospective adoptive parents while in the care of such parents as a foster child, a reasonable, but unsuccessful, effort has been made to place the child with appropriate adoptive parents without providing adoption assistance under this section or medical assistance under subchapter XIX; or

(2) in the case of a child who is an applicable child for a fiscal year, the child shall not be considered a child with special needs unless—

(B)(i) the State has determined that there exists with respect to the child a specific factor or condition (such as ethnic background, age, or membership in a minority or sibling group, or the presence of factors such as medical conditions or physical, mental, or emotional handicaps) because of which it is reasonable to conclude that the child cannot be placed with adoptive parents without providing adoption assistance under this section and medical assistance under subchapter XIX; or

(ii) the child meets all medical or disability requirements of subchapter XVI with respect to eligibility for supplemental security income benefits; and

(C) the State has determined that, except where it would be against the best interests of the child because of such factors as the existence of significant emotional ties with prospective adoptive parents while in the care of the parents as a foster child, a reasonable, but unsuccessful, effort has been made to place the child with appropriate adoptive parents without providing adoption assistance under this section or medical assistance under subchapter XIX.

FINDINGS

Pub. L. 108–145, §2, Dec. 2, 2003, 117 Stat. 1879, provided that: ''The Congress finds the following:

''(1) In 1997, the Congress passed the Adoption and Safe Families Act of 1997 [Pub. L. 105–89; see Short Title of 1997 Amendment note set out under section 1305 of this title] to promote comprehensive child welfare reform to ensure that consideration of children's safety is paramount in child welfare decisions, and to provide a greater sense of urgency to find every child a safe, permanent home.

''(2) The Adoption and Safe Families Act of 1997 also created the Adoption Incentives program, which authorizes incentive payments to States to promote adoptions, with additional incentives provided for the adoption of foster children with special needs.

''(3) Since 1997, all States, the District of Columbia, and Puerto Rico have qualified for incentive payments for their work in promoting adoption of foster children.

''(4) Between 1997 and 2002, adoptions increased by 64 percent, and adoptions of children with special needs increased by 63 percent; however, 542,000 children remain in foster care, and 126,000 are eligible for adoption.

''(5) Although substantial progress has been made to promote adoptions, attention should be focused on promoting adoption of older children. Recent data suggest that half of the children waiting to be adopted are age 9 or older.''

(ii) not less than 50 percent of the total amount expended by a State under clause (i) for a fiscal year shall be for the provision of services or programs specified in subparagraph (A) or (B) of section 671(e)(1) of this title that are provided in accordance with well-supported practices; plus

(B) for each quarter specified in subparagraph (A), an amount equal to the sum of the following proportions of the total amount expended during the quarter—

(7) an amount equal to 50 percent of the amounts expended by the State during the quarter as the Secretary determines are for kinship navigator programs that meet the requirements described in section 627(a)(1) of this title and that the Secretary determines are operated in accordance with promising, supported, or well-supported practices that meet the applicable criteria specified for the practices in section 671(e)(4)(C) of this title, without regard to whether the expenditures are incurred on behalf of children who are, or are potentially, eligible for foster care maintenance payments under this part.

(b) Quarterly estimates of State's entitlement for next quarter; payments; United States' pro rata share of amounts recovered as overpayment; allowance, disallowance, or deferral of claim

(1) The Secretary shall, prior to the beginning of each quarter, estimate the amount to which a State will be entitled under subsection (a) for such quarter, such estimates to be based on (A) a report filed by the State containing its estimate of the total sum to be expended in such quarter in accordance with subsection (a), and stating the amount appropriated or made available by the State and its political subdivisions for such expenditures in such quarter, and if such amount is less than the State's proportionate share of the total sum of such estimated expenditures, the source or sources from which the difference is expected to be derived, (B) records showing the number of children in the State receiving assistance under this part, and (C) such other investigation as the Secretary may find necessary.

(2) The Secretary shall then pay to the State, in such installments as he may determine, the amounts so estimated, reduced or increased to the extent of any overpayment or underpayment which the Secretary determines was made under this section to such State for any prior quarter and with respect to which adjustment has not already been made under this subsection.

(3) The pro rata share to which the United States is equitably entitled, as determined by the Secretary, of the net amount recovered during any quarter by the State or any political subdivision thereof with respect to foster care and adoption assistance furnished under the State plan shall be considered an overpayment to be adjusted under this subsection.

(4)(A) Within 60 days after receipt of a State claim for expenditures pursuant to subsection (a), the Secretary shall allow, disallow, or defer such claim.

(B) Within 15 days after a decision to defer such a State claim, the Secretary shall notify

the State of the reasons for the deferral and of the additional information necessary to determine the allowability of the claim.

(C) Within 90 days after receiving such necessary information (in readily reviewable form), the Secretary shall—

(i) disallow the claim, if able to complete the review and determine that the claim is not allowable, or

(ii) in any other case, allow the claim, subject to disallowance (as necessary)—

(I) upon completion of the review, if it is determined that the claim is not allowable; or

(II) on the basis of findings of an audit or financial management review.

(c) Automated data collection expenditures

The Secretary shall treat as necessary for the proper and efficient administration of the State plan all expenditures of a State necessary in order for the State to plan, design, develop, install, and operate data collection and information retrieval systems described in subsection (a)(3)(C), without regard to whether the systems may be used with respect to foster or adoptive children other than those on behalf of whom foster care maintenance payments or adoption assistance payments may be made under this part.

(d) Reduction for violation of plan requirement

(1) If, during any quarter of a fiscal year, a State's program operated under this part is found, as a result of a review conducted under section 1320a–2a of this title, or otherwise, to have violated paragraph (18) or (23) of section 671(a) of this title with respect to a person or to have failed to implement a corrective action plan within a period of time not to exceed 6 months with respect to such violation, then, notwithstanding subsection (a) of this section and any regulations promulgated under section 1320a–2a(b)(3) of this title, the Secretary shall reduce the amount otherwise payable to the State under this part, for that fiscal year quarter and for any subsequent quarter of such fiscal year, until the State program is found, as a result of a subsequent review under section 1320a–2a of this title, to have implemented a corrective action plan with respect to such violation, by—

(A) 2 percent of such otherwise payable amount, in the case of the 1st such finding for the fiscal year with respect to the State;

(B) 3 percent of such otherwise payable amount, in the case of the 2nd such finding for the fiscal year with respect to the State; or

(C) 5 percent of such otherwise payable amount, in the case of the 3rd or subsequent such finding for the fiscal year with respect to the State.

In imposing the penalties described in this paragraph, the Secretary shall not reduce any fiscal year payment to a State by more than 5 percent.

(2) Any other entity which is in a State that receives funds under this part and which violates paragraph (18) or (23) of section 671(a) of this title during a fiscal year quarter with respect to any person shall remit to the Secretary all funds that were paid by the State to the entity during the quarter from such funds.

(3)(A) Any individual who is aggrieved by a violation of section 671(a)(18) of this title by a State or other entity may bring an action seeking relief from the State or other entity in any United States district court.

(B) An action under this paragraph may not be brought more than 2 years after the date the alleged violation occurred.

(4) This subsection shall not be construed to affect the application of the Indian Child Welfare Act of 1978 [25 U.S.C. 1901 et seq.].

(e) Discretionary grants for educational and training vouchers for youths aging out of foster care

From amounts appropriated pursuant to section 677(h)(2) of this title, the Secretary may make a grant to a State with a plan approved under this part, for a calendar quarter, in an amount equal to the lesser of—

(1) 80 percent of the amounts expended by the State during the quarter to carry out programs for the purposes described in section 677(a)(6)[1] of this title; or

(2) the amount, if any, allotted to the State under section 677(c)(3) of this title for the fiscal year in which the quarter occurs, reduced by the total of the amounts payable to the State under this subsection for such purposes for all prior quarters in the fiscal year.

(f) Reduction for failure to submit required data

(1) If the Secretary finds that a State has failed to submit to the Secretary data, as required by regulation, for the data collection system implemented under section 679 of this title, the Secretary shall, within 30 days after the date by which the data was due to be so submitted, notify the State of the failure and that payments to the State under this part will be reduced if the State fails to submit the data, as so required, within 6 months after the date the data was originally due to be so submitted.

(2) If the Secretary finds that the State has failed to submit the data, as so required, by the end of the 6-month period referred to in paragraph (1) of this subsection, then, notwithstanding subsection (a) of this section and any regulations promulgated under section 1320a–2a(b)(3) of this title, the Secretary shall reduce the amounts otherwise payable to the State under this part, for each quarter ending in the 6-month period (and each quarter ending in each subsequent consecutively occurring 6-month period until the Secretary finds that the State has submitted the data, as so required), by—

(A) ⅙ of 1 percent of the total amount expended by the State for administration of foster care activities under the State plan approved under this part in the quarter so ending, in the case of the 1st 6-month period during which the failure continues; or

(B) ¼ of 1 percent of the total amount so expended, in the case of the 2nd or any subsequent such 6-month period.

§ 675a. Additional case plan and case review system requirements

(a) Requirements for another planned permanent living arrangement

In the case of any child for whom another planned permanent living arrangement is the permanency plan determined for the child under section 675(5)(C) of this title, the following requirements shall apply for purposes of approving the case plan for the child and the case system review procedure for the child:

(1) Documentation of intensive, ongoing, unsuccessful efforts for family placement

At each permanency hearing held with respect to the child, the State agency documents the intensive, ongoing, and, as of the date of the hearing, unsuccessful efforts made by the State agency to return the child home or secure a placement for the child with a fit and willing relative (including adult siblings), a legal guardian, or an adoptive parent, including through efforts that utilize search technology (including social media) to find biological family members for the children.

(2) Redetermination of appropriateness of placement at each permanency hearing

The State agency shall implement procedures to ensure that, at each permanency hearing held with respect to the child, the court or administrative body appointed or approved by the court conducting the hearing on the permanency plan for the child does the following:

(A) Ask the child about the desired permanency outcome for the child.

(B) Make a judicial determination explaining why, as of the date of the hearing, another planned permanent living arrangement is the best permanency plan for the child and provide compelling reasons why it continues to not be in the best interests of the child to—

(i) return home;

(ii) be placed for adoption;

(iii) be placed with a legal guardian; or

(iv) be placed with a fit and willing relative.

(3) Demonstration of support for engaging in age or developmentally-appropriate activities and social events

At each permanency hearing held with respect to the child, the State agency shall document the steps the State agency is taking to ensure that—

(A) the child's foster family home or child care institution is following the reasonable and prudent parent standard; and

(B) the child has regular, ongoing opportunities to engage in age or developmentally appropriate activities (including by consulting with the child in an age-appropriate manner about the opportunities of the child to participate in the activities).

(b) List of rights

The case plan for any child in foster care under the responsibility of the State who has attained 14 years of age shall include—

(1) a document that describes the rights of the child with respect to education, health, visitation, and court participation, the right to be provided with the documents specified in section 675(5)(I) of this title in accordance with that section, and the right to stay safe and avoid exploitation; and

(2) a signed acknowledgment by the child that the child has been provided with a copy of the document and that the rights contained in the document have been explained to the child in an age-appropriate way.

(c) Assessment, documentation, and judicial determination requirements for placement in a qualified residential treatment program

In the case of any child who is placed in a qualified residential treatment program (as defined in section 672(k)(4) of this title), the following requirements shall apply for purposes of approving the case plan for the child and the case system review procedure for the child:

(1)(A) Within 30 days of the start of each placement in such a setting, a qualified individual (as defined in subparagraph (D)) shall—

(i) assess the strengths and needs of the child using an age-appropriate, evidence-based, validated, functional assessment tool approved by the Secretary;

(ii) determine whether the needs of the child can be met with family members or through placement in a foster family home or, if not, which setting from among the settings specified in section 672(k)(2) of this title would provide the most effective and appropriate level of care for the child in the least restrictive environment and be consistent with the short- and long-term goals for the child, as specified in the permanency plan for the child; and

(iii) develop a list of child-specific short- and long-term mental and behavioral health goals.

(B)(i) The State shall assemble a family and permanency team for the child in accordance with the requirements of clauses (ii) and (iii). The qualified individual conducting the assessment required under subparagraph (A) shall work in conjunction with the family of, and permanency team for, the child while conducting and making the assessment.

(ii) The family and permanency team shall consist of all appropriate biological family members, relative, and fictive kin of the child, as well as, as appropriate, professionals who are a resource to the family of the child, such as teachers, medical or mental health providers who have treated the child, or clergy. In the case of a child who has attained age 14, the family and permanency team shall include the members of the permanency planning team for the child that are selected by the child in accordance with section 675(5)(C)(iv) of this title.

(iii) The State shall document in the child's case plan—

(I) the reasonable and good faith effort of the State to identify and include all the individuals described in clause (ii) on the child's family and permanency team;

(II) all contact information for members of the family and permanency team, as well as contact information for other family members and fictive kin who are not part of the family and permanency team;

(III) evidence that meetings of the family and permanency team, including meetings relating to the assessment required under subparagraph (A), are held at a time and place convenient for family;

(IV) if reunification is the goal, evidence demonstrating that the parent from whom the child was removed provided input on the members of the family and permanency team;

(V) evidence that the assessment required under subparagraph (A) is determined in conjunction with the family and permanency team;

(VI) the placement preferences of the family and permanency team relative to the assessment that recognizes children should be placed with their siblings unless there is a finding by the court that such placement is contrary to their best interest; and

(VII) if the placement preferences of the family and permanency team and child are not the placement setting recommended by the qualified individual conducting the as-

sessment under subparagraph (A), the reasons why the preferences of the team and of the child were not recommended.

(C) In the case of a child who the qualified individual conducting the assessment under subparagraph (A) determines should not be placed in a foster family home, the qualified individual shall specify in writing the reasons why the needs of the child cannot be met by the family of the child or in a foster family home. A shortage or lack of foster family homes shall not be an acceptable reason for determining that the needs of the child cannot be met in a foster family home. The qualified individual also shall specify in writing why the recommended placement in a qualified residential treatment program is the setting that will provide the child with the most effective and appropriate level of care in the least restrictive environment and how that placement is consistent with the short- and long-term goals for the child, as specified in the permanency plan for the child.

(D)(i) Subject to clause (ii), in this subsection, the term ''qualified individual'' means a trained professional or licensed clinician who is not an employee of the State agency and who is not connected to, or affiliated with, any placement setting in which children are placed by the State.

(ii) The Secretary may approve a request of a State to waive any requirement in clause (i) upon a submission by the State, in accordance with criteria established by the Secretary, that certifies that the trained professionals or licensed clinicians with responsibility for performing the assessments described in subparagraph (A) shall maintain objectivity with respect to determining the most effective and appropriate placement for a child.

(2) Within 60 days of the start of each placement in a qualified residential treatment program, a family or juvenile court or another court (including a tribal court) of competent jurisdiction, or an administrative body appointed or approved by the court, independently, shall—

(A) consider the assessment, determination, and documentation made by the qualified individual conducting the assessment under paragraph (1);

(B) determine whether the needs of the child can be met through placement in a foster family home or, if not, whether placement of the child in a qualified residential treatment program provides the most effective and appropriate level of care for the child in the least restrictive environment and whether that placement is consistent with the short- and long-term goals for the child, as specified in the permanency plan for the child; and

(C) approve or disapprove the placement.

(3) The written documentation made under paragraph (1)(C) and documentation of the determination and approval or disapproval of the placement in a qualified residential treatment program by a court or administrative body under paragraph (2) shall be included in and made part of the case plan for the child.

(4) As long as a child remains placed in a qualified residential treatment program, the State agency shall submit evidence at each status review and each permanency hearing held with respect to the child—

(A) demonstrating that ongoing assessment of the strengths and needs of the child continues to support the determination that the needs of the child cannot be met through placement in a foster family home, that the placement in a qualified residential treatment program provides the most effective and appropriate level of care for the child in the least restrictive environment, and that the placement is consistent with the short- and long-term goals for the child, as specified in the permanency plan for the child;

(B) documenting the specific treatment or service needs that will be met for the child in the placement and the length of time the child is expected to need the treatment or services; and

(C) documenting the efforts made by the State agency to prepare the child to return home or to be placed with a fit and willing relative, a legal guardian, or an adoptive parent, or in a foster family home.

(5) In the case of any child who is placed in a qualified residential treatment program for more than 12 consecutive months or 18 nonconsecutive months (or, in the case of a child who has not attained age 13, for more than 6 consecutive or nonconsecutive months), the State agency shall submit to the Secretary—

(A) the most recent versions of the evidence and documentation specified in paragraph (4); and

(B) the signed approval of the head of the State agency for the continued placement of the child in that setting.

personal responsibility for preparing for and then making the transition from adolescence to adulthood;

(5) to make available vouchers for education and training, including postsecondary training and education, to youths who have aged out of foster care;

(B) A certification by the chief executive officer of the State that not more than 30 percent of the amounts paid to the State from its allotment under subsection (c) for a fiscal year will be expended for room or board for youths who have aged out of foster care and have not attained 21 years of age (or 23 years of age, in the case of a State with a certification under subparagraph (A)(i) to provide assistance and services to youths who have aged out of foster care and have not attained such age, in accordance with subparagraph (A)(ii)).

(2) Failure to comply with data reporting requirement

The Secretary shall assess a penalty against a State that fails during a fiscal year to comply with an information collection plan implemented under subsection (f) in an amount equal to not less than 1 percent and not more than 5 percent of the amount allotted to the State for the fiscal year.

FINDINGS

Pub. L. 106–169, title I, §101(a), Dec. 14, 1999, 113 Stat. 1823, provided that: ''The Congress finds the following:

''(1) States are required to make reasonable efforts to find adoptive families for all children, including older children, for whom reunification with their biological family is not in the best interests of the child. However, some older children will continue to live in foster care. These children should be enrolled in an Independent Living program designed and conducted by State and local government to help prepare them for employment, postsecondary education, and successful management of adult responsibilities.

''(2) Older children who continue to be in foster care as adolescents may become eligible for Independent Living programs. These Independent Living programs are not an alternative to adoption for these children. Enrollment in Independent Living programs can occur concurrent with continued efforts to locate and achieve placement in adoptive families for older children in foster care.

''(3) About 20,000 adolescents leave the Nation's foster care system each year because they have reached 18 years of age and are expected to support themselves.

''(4) Congress has received extensive information that adolescents leaving foster care have significant difficulty making a successful transition to adulthood; this information shows that children aging out of foster care show high rates of homelessness, nonmarital childbearing, poverty, and delinquent or criminal behavior; they are also frequently the target of crime and physical assaults.

''(5) The Nation's State and local governments, with financial support from the Federal Government, should offer an extensive program of education, training, employment, and financial support for young adults leaving foster care, with participation in such program beginning several years before high school graduation and continuing, as needed, until the young adults emancipated from foster care establish independence or reach 21 years of age.''

The study shall include a comparison of outcomes of children who participated in the programs and a comparable group of children who did not participate in the programs.

''(2) REPORT.—Upon completion of the study, the Secretary shall issue a report to the Committee on Finance of the Senate and the Committee on Ways and Means of the House of Representatives.''

(2) Other allotments

(A) Other entities

For the purpose described in subsection (b), the Secretary shall, for each of fiscal years 2018 and 2019 and for the period beginning October 1, 2019, and ending May 22, 2020, for any State which has not transmitted an application for the fiscal year (or, with respect to such period, for fiscal year 2020) under section 705(a) of this title, allot to one or more entities in the State the amount that would have been allotted to the State under paragraph (1) if the State had submitted such an application.

(B) Process

The Secretary shall select the recipients of allotments under subparagraph (A) by means of a competitive grant process under which—

(i) not later than 30 days after the deadline for the State involved to submit an application for the fiscal year (or, with respect to such period, for fiscal year 2020) under section 705(a) of this title, the Secretary publishes a notice soliciting grant applications; and

(ii) not later than 120 days after such deadline, all such applications must be submitted.

(b) Purpose

(1) In general

Except for research under paragraph (5) and information collection and reporting under paragraph (6), the purpose of an allotment under subsection (a) to a State (or to another entity in the State pursuant to subsection (a)(2)) is to enable the State or other entity to implement education exclusively on sexual risk avoidance (meaning voluntarily refraining from sexual activity).

(2) Required components

Education on sexual risk avoidance pursuant to an allotment under this section shall—

(A) ensure that the unambiguous and primary emphasis and context for each topic described in paragraph (3) is a message to youth that normalizes the optimal health behavior of avoiding nonmarital sexual activity;

(B) be medically accurate and complete;

(C) be age-appropriate;

(D) be based on adolescent learning and developmental theories for the age group receiving the education; and

(E) be culturally appropriate, recognizing the experiences of youth from diverse communities, backgrounds, and experiences.

(3) Topics

Education on sexual risk avoidance pursuant to an allotment under this section shall address each of the following topics:

(A) The holistic individual and societal benefits associated with personal responsibility, self-regulation, goal setting, healthy decisionmaking, and a focus on the future.

(B) The advantage of refraining from nonmarital sexual activity in order to improve the future prospects and physical and emotional health of youth.

(C) The increased likelihood of avoiding poverty when youth attain self-sufficiency and emotional maturity before engaging in sexual activity.

(D) The foundational components of healthy relationships and their impact on the formation of healthy marriages and safe and stable families.

(E) How other youth risk behaviors, such as drug and alcohol usage, increase the risk for teen sex.

(F) How to resist and avoid, and receive help regarding, sexual coercion and dating violence, recognizing that even with consent teen sex remains a youth risk behavior.

(4) Contraception

Education on sexual risk avoidance pursuant to an allotment under this section shall ensure that—

(A) any information provided on contraception is medically accurate and complete and ensures that students understand that contraception offers physical risk reduction, but not risk elimination; and

(B) the education does not include demonstrations, simulations, or distribution of contraceptive devices.

(5) Research

(A) In general

A State or other entity receiving an allotment pursuant to subsection (a) may use up to 20 percent of such allotment to build the evidence base for sexual risk avoidance education by conducting or supporting research.

(B) Requirements

(i) rigorous;

(ii) evidence-based; and

A State or other entity receiving an allotment pursuant to subsection (a) shall, as specified by the Secretary—

(A) collect information on the programs and activities funded through the allotment; and

(B) submit reports to the Secretary on the data from such programs and activities.

(c) National evaluation

(1) In general

The Secretary shall—

(A) in consultation with appropriate State and local agencies, conduct one or more rigorous evaluations of the education funded through this section and associated data; and

In order to assist in increasing the effectiveness and efficiency of administration of public assistance programs by increasing the number of adequately trained public welfare personnel available for work in public assistance programs, there are hereby authorized to be appropriated for the fiscal year ending June 30, 1963, the sum of $3,500,000, and for each fiscal year thereafter the sum of $5,000,000.

From the remainder of the sums so appropriated for any fiscal year, the Secretary shall make allotments to the States on the basis of (1) population, (2) relative need for trained public welfare personnel, particularly for personnel to provide self-support and self-care services, and (3) financial need.

(c) Payments to States for cost of grant programs to certain agencies and institutions

From each State's allotment under subsection (b), the Secretary shall from time to time pay to such State its costs of carrying out the purposes of this section through (1) grants to public or other nonprofit institutions of higher learning for training personnel employed or preparing for employment in public assistance programs, (2) special courses of study or seminars of short duration conducted for such personnel by experts hired on a temporary basis for the purpose, and (3) establishing and maintaining, directly or through grants to such institutions, fellowships or traineeships for such personnel at such institutions, with such stipends and allowances as may be permitted under regulations of the Secretary.

The amount of any allotment to a State under subsection (b) for any fiscal year which the State certifies to the Secretary will not be required for carrying out the purposes of this section in such State shall be available for reallotment from time to time, on such dates as the Secretary may fix, to other States which the Secretary determines have need in carrying out such purposes for sums in excess of those previously allotted to them under this section and will be able to use such excess amounts during such fiscal year; such reallotments to be made on the basis provided in subsection (b) for the initial allotments to the States. Any amount so reallotted to a State shall be deemed part of its allotment under such subsection.

(3) The Secretary may, to the extent he finds such action to be necessary, prescribe requirements to assure that any individual will repay the amount of his fellowship or traineeship received under this subsection to the extent such individual fails to serve, for the period prescribed by the Secretary, with a State or political subdivision thereof, or with the Federal Government, in connection with administration of any State or local public assistance program. The Secretary may relieve any individual of his obligation to so repay, in whole or in part, whenever and to the extent that requirement of such repayment would, in his judgment, be inequitable or would be contrary to the purposes of any of the public welfare programs established by this chapter.

(C) except as provided in paragraph (2)(B), the person is a creditor of the qualified individual and provides the qualified individual with goods or services for consideration;

(D) such person has previously been convicted as described in subsection (b)(2)(D), unless the Commissioner determines that such payment would be appropriate notwithstanding such conviction;

(E) such person is a person described in section 1004(a)(2) of this title,

(F) except as provided in paragraph (2)(D), such person has previously been convicted (and not subsequently exonerated) as described in subsection (b)(2)(G), or

(G) such person's benefits under this subchapter, subchapter II, or subchapter XVI are certified for payment to a representative payee during the period for which the individual's benefits would be certified for payment to another person.

(2) Exemptions

(A) The Commissioner of Social Security may prescribe circumstances under which the Commissioner of Social Security may grant an exemption from paragraph (1) to any person on a case-by-case basis if the exemption is in the best interest of the qualified individual whose benefits would be paid to the person pursuant to this section.

(B) Paragraph (1)(C) shall not apply with respect to any person who is a creditor referred to in such paragraph if the creditor is—

(i) a relative of the qualified individual and the relative resides in the same household as the qualified individual;

(ii) a legal guardian or legal representative of the individual;

(iii) a facility that is licensed or certified as a care facility under the law of the political jurisdiction in which the qualified individual resides;

(iv) a person who is an administrator, owner, or employee of a facility referred to in clause (iii), if the qualified individual resides in the facility, and the payment to the facility or the person is made only after the Commissioner of Social Security has made a good faith effort to locate an alternative representative payee to whom payment would serve the best interests of the qualified individual; or

(v) a person who is determined by the Commissioner of Social Security, on the basis of written findings and pursuant to procedures prescribed by the Commissioner of Social Security, to be acceptable to serve as a representative payee.

(C) The procedures referred to in subparagraph (B)(v) shall require the person who will serve as representative payee to establish, to the satisfaction of the Commissioner of Social Security, that—

(i) the person poses no risk to the qualified individual;

(ii) the financial relationship of the person to the qualified individual poses no substantial conflict of interest; and

[1] So in original. Probably should be ''1383(a)(2)(A)(iii)''.

(iii) no other more suitable representative payee can be found.

(D)(i) With respect to any person described in clause (II)—

(II) the Commissioner may grant an exemption from the provisions of paragraph (1)(F) if the Commissioner determines that such exemption is in the best interest of the individual entitled to benefits.

(ii) A person is described in this clause if the person—

(I) is the custodial spouse of the beneficiary for whom the person applies to serve;

(II) is the custodial court appointed guardian of the beneficiary for whom the person applies to serve; or

(III) received a presidential or gubernatorial pardon for the relevant conviction.

(e) Deferral of payment pending appointment of representative payee

(1) In general

Subject to paragraph (2), if the Commissioner of Social Security makes a determination described in the first sentence of subsection (a) with respect to any qualified individual's benefit and determines that direct payment of the benefit to the qualified individual would cause substantial harm to the qualified individual, the Commissioner of Social Security may defer (in the case of initial entitlement) or suspend (in the case of existing entitlement) direct payment of the benefit to the qualified individual, until such time as the selection of a representative payee is made pursuant to this section.

(2) Time limitation

(A) In general

Except as provided in subparagraph (B), any deferral or suspension of direct payment of a benefit pursuant to paragraph (1) shall be for a period of not more than 1 month.

(B) Exception in the case of incompetency

Subparagraph (A) shall not apply in any case in which the qualified individual is, as of the date of the Commissioner of Social Security's determination, legally incompetent under the laws of the jurisdiction in which the individual resides.

(3) Payment of retroactive benefits

Payment of any benefits which are deferred or suspended pending the selection of a representative payee shall be made to the qualified individual or the representative payee as a single sum or over such period of time as the Commissioner of Social Security determines is in the best interest of the qualified individual.

(f) Hearing

Any qualified individual who is dissatisfied with a determination by the Commissioner of Social Security to make payment of the qualified individual's benefit to a representative payee under subsection (a) of this section or with the designation of a particular person to serve as representative payee shall be entitled to a hearing by the Commissioner of Social Security to the same extent as is provided in section 1009(a) of this title, and to judicial review of the Commissioner of Social Security's final decision as is provided in section 1009(b) of this title.

(g) Notice requirements

(1) In general

In advance, to the extent practicable, of the payment of a qualified individual's benefit to a representative payee under subsection (a), the Commissioner of Social Security shall provide written notice of the Commissioner's initial determination to so make the payment. The notice shall be provided to the qualified individual, except that, if the qualified individual is legally incompetent, then the notice shall be provided solely to the legal guardian or legal representative of the qualified individual.

(2) Specific requirements

Any notice required by paragraph (1) shall be clearly written in language that is easily understandable to the reader, shall identify the person to be designated as the qualified individual's representative payee, and shall explain to the reader the right under subsection (f) of the qualified individual or of the qualified individual's legal guardian or legal representative—

(A) to appeal a determination that a representative payee is necessary for the qualified individual;

(B) to appeal the designation of a particular person to serve as the representative payee of the qualified individual; and

(C) to review the evidence upon which the designation is based and to submit additional evidence.

(h) Accountability monitoring

(1) In general

In any case where payment under this subchapter is made to a person other than the qualified individual entitled to the payment, the Commissioner of Social Security shall establish a system of accountability monitoring under which the person shall report not less often than annually with respect to the use of the payments. The Commissioner of Social Security shall establish and implement statistically valid procedures for reviewing the reports in order to identify instances in which persons are not properly using the payments.

(2) Special reports

Notwithstanding paragraph (1), the Commissioner of Social Security may require a report at any time from any person receiving payments on behalf of a qualified individual, if the Commissioner of Social Security has reason to believe that the person receiving the payments is misusing the payments.

(3) Eligibility for exemption

(A) Paragraph (1) shall not apply in any case where the other person to whom such payment is made is the spouse of the individual entitled to such payment.

(B) The Commissioner of Social Security shall establish and implement procedures as

necessary for the Commissioner to determine the eligibility of such parties for the exemption provided in subparagraph (A). The Commissioner shall prescribe such regulations as may be necessary to determine eligibility for such exemption.

(4) Authority to redirect delivery of benefit payments when a representative payee fails to provide required accounting

In any case in which the person described in paragraph (1) or (2) receiving benefit payments on behalf of a qualified individual fails to submit a report required by the Commissioner of Social Security under paragraph (1) or (2), the Commissioner may, after furnishing notice to such person and the qualified individual, require that such person appear in person at a United States Government facility designated by the Social Security Administration as serving the area in which the qualified individual resides in order to receive such benefit payments.

(5) Maintaining lists of payees

The Commissioner of Social Security shall maintain lists which shall be updated periodically of—

(A) the name, address, and (if issued) the social security account number or employer identification number of each representative payee who is receiving benefit payments pursuant to this section, section 405(j) of this title, or section 1383(a)(2) of this title; and

(B) the name, address, and social security account number of each individual for whom each representative payee is reported to be providing services as representative payee pursuant to this section, section 405(j) of this title, or section 1383(a)(2) of this title.

(6) Maintaining lists of agencies

The Commissioner of Social Security shall maintain lists, which shall be updated periodically, of public agencies and community-based nonprofit social service agencies which are qualified to serve as representative payees pursuant to this section and which are located in the jurisdiction in which any qualified individual resides.

(i) Restitution

In any case where the negligent failure of the Commissioner of Social Security to investigate or monitor a representative payee results in misuse of benefits by the representative payee, the Commissioner of Social Security shall make payment to the qualified individual or the individual's alternative representative payee of an amount equal to the misused benefits. In any case in which a representative payee that—

(A) is not an individual; or

(B) is an individual who, for any month during a period when misuse occurs, serves 15 or more individuals who are beneficiaries under this subchapter, subchapter II, subchapter XVI, or any combination of such subchapters;

misuses all or part of an individual's benefit paid to such representative payee, the Commissioner of Social Security shall pay to the beneficiary or the beneficiary's alternative representative payee an amount equal to the amount of such benefit so misused. The provisions of this paragraph are subject to the limitations of subsection (*l*)(2). The Commissioner of Social Security shall make a good faith effort to obtain restitution from the terminated representative payee.

(j) Misuse of benefits

For purposes of this subchapter, misuse of benefits by a representative payee occurs in any case in which the representative payee receives payment under this subchapter for the use and benefit of another person under this subchapter and converts such payment, or any part thereof, to a use other than for the use and benefit of such person. The Commissioner of Social Security may prescribe by regulation the meaning of the term ''use and benefit'' for purposes of this subsection.

(k) Periodic onsite review

(1) In general

In addition to such other reviews of representative payees as the Commissioner of Social Security may otherwise conduct, the Commissioner may provide for the periodic onsite review of any person or agency that receives the benefits payable under this subchapter (alone or in combination with benefits payable under subchapter II or subchapter XVI) to another individual pursuant to the appointment of such person or agency as a representative payee under this section, section 405(j) of this title, or section 1383(a)(2) of this title in any case in which—

(A) the representative payee is a person who serves in that capacity with respect to 15 or more such individuals; or

(B) the representative payee is an agency that serves in that capacity with respect to 50 or more such individuals.

(2) Report

Within 120 days after the end of each fiscal year, the Commissioner shall submit to the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate a report on the results of periodic onsite reviews conducted during the fiscal year pursuant to paragraph (1) and of any other reviews of representative payees conducted during such fiscal year in connection with benefits under this subchapter. Each such report shall describe in detail all problems identified in such reviews and any corrective action taken or planned to be taken to correct such problems, and shall include—

(A) the number of such reviews;

(B) the results of such reviews;

(C) the number of cases in which the representative payee was changed and why;

(D) the number of cases involving the exercise of expedited, targeted oversight of the representative payee by the Commissioner conducted upon receipt of an allegation of misuse of funds, failure to pay a vendor, or a similar irregularity;

(E) the number of cases discovered in which there was a misuse of funds;

(F) how any such cases of misuse of funds were dealt with by the Commissioner;

(G) the final disposition of such cases of misuse of funds, including any criminal penalties imposed; and

(H) such other information as the Commissioner deems appropriate.

(*l*) Liability for misused amounts

(1) In general

If the Commissioner of Social Security or a court of competent jurisdiction determines that a representative payee that is not a Federal, State, or local government agency has misused all or part of a qualified individual's benefit that was paid to such representative payee under this section, the representative payee shall be liable for the amount misused, and such amount (to the extent not repaid by the representative payee) shall be treated as an overpayment of benefits under this subchapter to the representative payee for all purposes of this chapter and related laws pertaining to the recovery of such overpayments. Subject to paragraph (2), upon recovering all or any part of such amount, the Commissioner shall make payment of an amount equal to the recovered amount to such qualified individual or such qualified individual's alternative representative payee.

(2) Limitation

The total of the amount paid to such individual or such individual's alternative representative payee under paragraph (1) and the amount paid under subsection (i) may not exceed the total benefit amount misused by the representative payee with respect to such individual.

§ 1008. Overpayments and underpayments

(a) In general

Whenever the Commissioner of Social Security finds that more or less than the correct amount of payment has been made to any person under this subchapter, proper adjustment or recovery shall be made, as follows:

(1) With respect to payment to a person of more than the correct amount, the Commissioner of Social Security shall decrease any payment under this subchapter to which the overpaid person (if a qualified individual) is entitled, or shall require the overpaid person or his or her estate to refund the amount in excess of the correct amount, or, if recovery is not obtained under these two methods, shall seek or pursue recovery by means of reduction in tax refunds based on notice to the Secretary of the Treasury, as authorized under section 3720A of title 31.

(2) With respect to payment of less than the correct amount to a qualified individual who, at the time the Commissioner of Social Security is prepared to take action with respect to the underpayment—

(A) is living, the Commissioner of Social Security shall make payment to the qualified individual (or the qualified individual's representative payee designated under section 1007 of this title) of the balance of the amount due the underpaid qualified individual; or

(B) is deceased, the balance of the amount due shall revert to the general fund of the Treasury.

(b) Waiver of recovery of overpayment

In any case in which more than the correct amount of payment has been made, there shall be no adjustment of payments to, or recovery by the United States from, any person who is without fault if the Commissioner of Social Security determines that the adjustment or recovery would defeat the purpose of this subchapter or would be against equity and good conscience.

(c) Limited immunity for disbursing officers

A disbursing officer may not be held liable for any amount paid by the officer if the adjustment or recovery of the amount is waived under subsection (b), or adjustment under subsection (a) is not completed before the death of the qualified individual against whose benefits deductions are authorized.

(d) Authorized collection practices

(1) In general

With respect to any delinquent amount, the Commissioner of Social Security may use the collection practices described in sections 3711(e), 3716, and 3718 of title 31, as in effect on October 1, 1994.

(2) Definition

For purposes of paragraph (1), the term ''delinquent amount'' means an amount—

§ 1009. Hearings and review

(a) Hearings

(1) In general

The Commissioner of Social Security shall make findings of fact and decisions as to the rights of any individual applying for payment under this subchapter. The Commissioner of Social Security shall provide reasonable notice and opportunity for a hearing to any individual who is or claims to be a qualified individual and is in disagreement with any determination under this subchapter with respect to entitlement to, or the amount of, benefits under this subchapter, if the individual requests a hearing on the matter in disagreement within 60 days after notice of the determination is received, and, if a hearing is held, shall, on the basis of evidence adduced at the hearing affirm, modify, or reverse the Commissioner of Social Security's findings of fact and the decision. The Commissioner of Social Security may, on the Commissioner of Social Security's own motion, hold such hearings and conduct such investigations and other proceedings as the Commissioner of Social Security deems necessary or proper for the administration of this subchapter. In the course of any hearing, investigation, or other proceeding, the Commissioner may administer oaths and affirmations, examine witnesses, and receive evidence. Evidence may be received at any hearing before the Commissioner of Social Security even though inadmissible under the rules of evidence applicable to court procedure. The Commissioner of Social Security shall specifically take into account any physical, mental, educational, or linguistic limitation of the individual (including any lack of facility with the English language) in determining, with respect to the entitlement of the individual for benefits under this subchapter, whether the individual acted in good faith or was at fault, and in determining fraud, deception, or intent.

(2) Effect of failure to timely request review

A failure to timely request review of an initial adverse determination with respect to an application for any payment under this subchapter or an adverse determination on recon-

sideration of such an initial determination shall not serve as a basis for denial of a subsequent application for any payment under this subchapter if the applicant demonstrates that the applicant failed to so request such a review acting in good faith reliance upon incorrect, incomplete, or misleading information, relating to the consequences of reapplying for payments in lieu of seeking review of an adverse determination, provided by any officer or employee of the Social Security Administration.

(3) Notice requirements

In any notice of an adverse determination with respect to which a review may be requested under paragraph (1), the Commissioner of Social Security shall describe in clear and specific language the effect on possible entitlement to benefits under this subchapter of choosing to reapply in lieu of requesting review of the determination.

(b) Judicial review

The final determination of the Commissioner of Social Security after a hearing under subsection (a)(1) shall be subject to judicial review as provided in section 405(g) of this title to the same extent as the Commissioner of Social Security's final determinations under section 405 of this title.

(a) Establishment

There is hereby established in the Unemployment Trust Fund an employment security administration account.

(b) Amount credited to Account; transfer of funds; adjustments; repayment of internal revenue refunds

(1) There is hereby appropriated to the Unemployment Trust Fund for credit to the employment security administration account, out of any moneys in the Treasury not otherwise appropriated, for the fiscal year ending June 30, 1961, and for each fiscal year thereafter, an amount equal to 100 per centum of the tax (including interest, penalties, and additions to the tax) received during the fiscal year under the Federal Unemployment Tax Act [26 U.S.C. 3301 et seq.] and covered into the Treasury.

(2) The amount appropriated by paragraph (1) shall be transferred at least monthly from the general fund of the Treasury to the Unemployment Trust Fund and credited to the employment security administration account. Each such transfer shall be based on estimates made by the Secretary of the Treasury of the amounts received in the Treasury. Proper adjustments shall be made in the amounts subsequently transferred, to the extent prior estimates (including estimates for the fiscal year ending June 30, 1960) were in excess of or were less than the amounts required to be transferred.

(3) The Secretary of the Treasury is directed to pay from time to time from the employment security administration account into the Treasury, as repayments to the account for refunding internal revenue collections, amounts equal to all refunds made after June 30, 1960, of amounts received as tax under the Federal Unemployment Tax Act [26 U.S.C. 3301 et seq.] (including interest on such refunds).

(c) Administrative expenditures; necessary expenses; quarterly transfer of funds; adjustments; limitation; estimate of net receipts

(1) There are hereby authorized to be made available for expenditure out of the employment security administration account for the fiscal year ending June 30, 1971, and for each fiscal year thereafter—

(A) such amounts (not in excess of the applicable limit provided by paragraph (3) and, with respect to clause (ii), not in excess of the limit provided by paragraph (4)) as the Congress may deem appropriate for the purpose of—

(i) assisting the States in the administration of their unemployment compensation laws as provided in subchapter III (including administration pursuant to agreements under any Federal unemployment compensation law),

(ii) the establishment and maintenance of systems of public employment offices in accordance with the Act of June 6, 1933, as amended (29 U.S.C., secs. 49–49n), and

(iii) carrying into effect section 4103 of title 38;

(B) such amounts (not in excess of the limit provided by paragraph (4) with respect to clause (iii)) as the Congress may deem appropriate for the necessary expenses of the Department of Labor for the performance of its functions under—

(i) this subchapter and subchapters III and XII of this chapter,

(ii) the Federal Unemployment Tax Act [26 U.S.C. 3301 et seq.],

(iii) the provisions of the Act of June 6, 1933, as amended [29 U.S.C. 49 et seq.],

(iv) chapter 41 (except section 4103) of title 38, and

(v) any Federal unemployment compensation law.

The term ''necessary expenses'' as used in this subparagraph (B) shall include the expense of reimbursing a State for salaries and other expenses of employees of such State temporarily assigned or detailed to duty with the Department of Labor and of paying such employees for travel expenses, transportation of household goods, and per diem in lieu of subsistence while away from their regular duty stations in the State, at rates authorized by law for civilian employees of the Federal Government.

(2) The Secretary of the Treasury is directed to pay from the employment security administration account into the Treasury as miscellaneous receipts the amount estimated by him which will be expended during a three-month period by the Treasury Department for the performance of its functions under—

(A) this subchapter and subchapters III and XII of this chapter, including the expenses of banks for servicing unemployment benefit payment and clearing accounts which are offset by the maintenance of balances of Treasury funds with such banks,

(B) the Federal Unemployment Tax Act [26 U.S.C. 3301 et seq.], and

(C) any Federal unemployment compensation law with respect to which responsibility for administration is vested in the Secretary of Labor.

If it subsequently appears that the estimates under this paragraph in any particular period were too high or too low, appropriate adjustments shall be made by the Secretary of the Treasury in future payments.

(3)(A) For purposes of paragraph (1)(A), the limitation on the amount authorized to be made available for any fiscal year after June 30, 1970, is, except as provided in subparagraph (B) and in the second sentence of subsection (f)(3)(A), an amount equal to 95 percent of the amount estimated and set forth in the budget of the United States Government for such fiscal year as the amount by which the net receipts during such year under the Federal Unemployment Tax Act [26 U.S.C. 3301 et seq.] will exceed the amount transferred under section 1105(b) of this title during such year to the extended unemployment compensation account.

(B) The limitation established by subparagraph (A) is increased by any unexpended amount retained in the employment security administration account in accordance with subsection (f)(2)(B).

(C) Each estimate of net receipts under this paragraph shall be based upon a tax rate of 0.6 percent.

(4) For purposes of paragraphs (1)(A)(ii) and (1)(B)(iii) the amount authorized to be made available out of the employment security administration account for any fiscal year after June 30, 1972, shall reflect the proportion of the total cost of administering the system of public employment offices in accordance with the Act

of June 6, 1933, as amended [29 U.S.C. 49 et seq.], and of the necessary expenses of the Department of Labor for the performance of its functions under the provisions of such Act, as the President determines is an appropriate charge to the employment security administration account, and reflects in his annual budget for such year. The President's determination, after consultation with the Secretary, shall take into account such factors as the relationship between employment subject to State laws and the total labor force in the United States, the number of claimants and the number of job applicants, and such other factors as he finds relevant.

(5)(A) There are authorized to be appropriated out of the employment security administration account to carry out program integrity activities, in addition to any amounts available under paragraph (1)(A)(i)—

(i) $89,000,000 for fiscal year 1998;

(ii) $91,000,000 for fiscal year 1999;

(iii) $93,000,000[1] fiscal year 2000;

(iv) $96,000,000 for fiscal year 2001; and

(v) $98,000,000 for fiscal year 2002.

(B) In any fiscal year in which a State receives funds appropriated pursuant to this paragraph, the State shall expend a proportion of the funds appropriated pursuant to paragraph (1)(A)(i) to carry out program integrity activities that is not less than the proportion of the funds appropriated under such paragraph that was expended by the State to carry out program integrity activities in fiscal year 1997.

(C) For purposes of this paragraph, the term ''program integrity activities'' means initial claims review activities, eligibility review activities, benefit payments control activities, and employer liability auditing activities.

(d) Additional tax attributable to reduced credits; transfer of funds

(1) The Secretary of the Treasury is directed to transfer from the employment security administration account—

(A) To the Federal unemployment account, an amount equal to the amount by which—

(i) 100 per centum of the additional tax received under the Federal Unemployment Tax Act [26 U.S.C. 3301 et seq.] with respect to any State by reason of the reduced credits provisions of section 3302(c)(3) of such Act [26 U.S.C. 3302(c)(3)] and covered into the Treasury for the repayment of advances made to the State under section 1321 of this title, exceeds

(ii) the amount transferred to the account of such State pursuant to subparagraph (B) of this paragraph.

Any amount transferred pursuant to this subparagraph shall be credited against, and shall operate to reduce, that balance of advances, made under section 1321 of this title to the State, with respect to which employers paid such additional tax.

(B) To the account (in the Unemployment Trust Fund) of the State with respect to which employers paid such additional tax, an amount equal to the amount by which such additional tax received and covered into the Treasury exceeds that balance of advances, made under section 1321 of this title to the State, with respect to which employers paid such additional tax.

(2) Transfers under this subsection shall be as of the beginning of the month succeeding the month in which the moneys were credited to the employment security administration account pursuant to subsection (b)(2).

(e) Revolving fund; appropriations; advances to Account; repayment; interest

(1) There is hereby established in the Treasury a revolving fund which shall be available to make the advances authorized by this subsection. There are hereby authorized to be appropriated, without fiscal year limitation, to such revolving fund such amounts as may be necessary for the purposes of this section.

(2) The Secretary of the Treasury is directed to advance from time to time from the revolving fund to the employment security administration account such amounts as may be necessary for the purposes of this section. If the net balance in the employment security administration account as of the beginning of any fiscal year equals 40 percent of the amount of the total appropriation by the Congress out of the employment security administration account for the preceding fiscal year, no advance may be made under this subsection during such fiscal year.

(3) Advances to the employment security administration account made under this subsection shall bear interest until repaid at a rate equal to the average rate of interest (computed as of the end of the calendar month next preceding the date of such advance) borne by all interest-bearing obligations of the United States then forming a part of the public debt; except that where such average rate is not a multiple of one-eighth of 1 per centum, the rate of interest shall be the multiple of one-eighth of 1 per centum next lower than such average rate.

(4) Advances to the employment security administration account made under this subsection, plus interest accrued thereon, shall be repaid by the transfer from time to time, from the employment security administration account to the revolving fund, of such amounts as the Secretary of the Treasury, in consultation with the Secretary of Labor, determines to be available in the employment security administration account for such repayment. Any amount transferred as a repayment under this paragraph shall be credited against, and shall operate to reduce, any balance of advances (plus accrued interest) repayable under this subsection.

(f) Determination of excess in Account; limitation on amount to be retained; use of balance in Account during certain fiscal years; net balance

(1) The Secretary of the Treasury shall determine as of the close of each fiscal year (beginning with the fiscal year ending June 30, 1961) the excess in the employment security administration account.

(2) The excess in the employment security administration account as of the close of any fis-

[1] So in original. Probably should be followed by ''for''.

cal year is the amount by which the net balance in such account as of such time (after the application of section 1102(b) of this title and paragraph (3)(C) of this subsection) exceeds the net balance in the employment security administration account as of the beginning of that fiscal year (including the fiscal year for which the excess is being computed) for which the net balance was higher than as of the beginning of any other such fiscal year.

(3)(A) The excess determined as provided in paragraph (2) as of the close of any fiscal year after June 30, 1972, shall be retained (as of the beginning of the succeeding fiscal year) in the employment security administration account until the amount in such account is equal to 40 percent of the amount of the total appropriation by the Congress out of the employment security administration account for the fiscal year for which the excess is determined. Three-eighths of the amount in the employment security administration account as of the beginning of any fiscal year after June 30, 1972, or $150 million, whichever is the lesser, is authorized to be made available for such fiscal year pursuant to subsection (c)(1) for additional costs of administration due to an increase in the rate of insured unemployment for a calendar quarter of at least 15 percent over the rate of insured unemployment for the corresponding calendar quarter in the immediately preceding year.

(B) If the entire amount of the excess determined as provided in paragraph (2) as of the close of any fiscal year after June 30, 1972, is not retained in the employment security administration account, there shall be transferred (as of the beginning of the succeeding fiscal year) to the extended unemployment compensation account the balance of such excess or so much thereof as is required to increase the amount in the extended unemployment compensation account to the limit provided in section 1105(b)(2) of this title.

(C) If as of the close of any fiscal year after June 30, 1972, the amount in the extended unemployment compensation account exceeds the limit provided in section 1105(b)(2) of this title, such excess shall be transferred to the employment security administration account as of the close of such fiscal year.

(4) For the purposes of this section, the net balance in the employment security administration account as of any time is the amount in such account as of such time reduced by the sum of—

(A) the amounts then subject to transfer pursuant to subsection (d), and

(B) the balance of advances (plus interest accrued thereon) then repayable to the revolving fund established by subsection (e).

The net balance in the employment security administration account as of the beginning of any fiscal year shall be determined after the disposition of the excess in such account as of the close of the preceding fiscal year.

§ 1103. Amounts transferred to State accounts

(a) Determination and certification by Secretary of Labor

(1) If as of the close of any fiscal year after the fiscal year ending June 30, 1972, the amount in

the extended unemployment compensation account has reached the limit provided in section 1105(b)(2) of this title and the amount in the Federal unemployment account has reached the limit provided in section 1102(a) of this title and all advances and interest pursuant to section 1105(d) of this title and section 1323 of this title have been repaid, and there remains in the employment security administration account any amount over the amount provided in section 1101(f)(3)(A) of this title, such excess amount, except as provided in subsection (b), shall be transferred (as of the beginning of the succeeding fiscal year) to the accounts of the States in the Unemployment Trust Fund.

(2) Each State's share of the funds to be transferred under this subsection as of any October 1—

(A) shall be determined by the Secretary of Labor and certified by such Secretary to the Secretary of the Treasury before such date, and

(B) shall bear the same ratio to the total amount to be so transferred as—

(i) the amount of wages subject to tax under section 3301 of the Internal Revenue Code of 1986 during the preceding calendar year which are determined by the Secretary of Labor to be attributable to the State, bears to

(ii) the total amount of wages subject to such tax during such year.

(b) Transfer of funds where State is ineligible

(1) If the Secretary of Labor finds that on October 1 of any fiscal year—

(A) a State is not eligible for certification under section 503 of this title, or

(B) the law of a State is not approvable under section 3304 of the Federal Unemployment Tax Act [26 U.S.C. 3304],

then the amount available for transfer to such State's account shall, in lieu of being so transferred, be transferred to the Federal unemployment account as of the beginning of such October 1. If, during the fiscal year beginning on such October 1, the Secretary of Labor finds and certifies to the Secretary of the Treasury that such State is eligible for certification under section 503 of this title, that the law of such State is approvable under such section 3304, or both, the Secretary of the Treasury shall transfer such amount from the Federal unemployment account to the account of such State. If the Secretary of Labor does not so find and certify to the Secretary of the Treasury before the close of such fiscal year then the amount which was available for transfer to such State's account as of October 1 of such fiscal year shall (as of the close of such fiscal year) become unrestricted as to use as part of the Federal unemployment account.

(2) The amount which, but for this paragraph, would be transferred to the account of a State under subsection (a) or paragraph (1) of this subsection shall be reduced (but not below zero) by the balance of advances made to the State under section 1321 of this title. The sum by which such amount is reduced shall—

(A) be transferred to or retained in (as the case may be) the Federal unemployment account, and

(B) be credited against, and operate to reduce—

(i) first, any balance of advances made before September 13, 1960, to the State under section 1321 of this title, and

(ii) second, any balance of advances made on or after September 13, 1960, to the State under section 1321 of this title.

(c) Use of funds

(1) Except as provided in paragraph (2), amounts transferred to the account of a State pursuant to subsections (a) and (b) shall be used only in the payment of cash benefits to individuals with respect to their unemployment, exclusive of expenses of administration.

(2) A State may, pursuant to a specific appropriation made by the legislative body of the State, use money withdrawn from its account in the payment of expenses incurred by it for the administration of its unemployment compensation law and public employment offices if and only if—

(A) the purposes and amounts were specified in the law making the appropriation,

(B) the appropriation law did not authorize the obligation of such money after the close of the two-year period which began on the date of enactment of the appropriation law,

(C) the money is withdrawn and the expenses are incurred after such date of enactment,

(D)(i) the appropriation law limits the total amount which may be obligated under such appropriation at any time to an amount which does not exceed, at any such time, the amount by which—

(I) the aggregate of the amounts transferred to the account of such State pursuant to subsections (a) and (b), exceeds

(II) the aggregate of the amounts used by the State pursuant to this subsection and charged against the amounts transferred to the account of such State, and

(ii) for purposes of clause (i), amounts used by a State for administration shall be chargeable against transferred amounts at the exact time the obligation is entered into, and

(E) the use of the money is accounted for in accordance with standards established by the Secretary of Labor.

(3)(A) If—

(i) amounts transferred to the account of a State pursuant to subsections (a) and (b) of this section were used in payment of unemployment benefits to individuals; and

(ii) the Governor of such State submits a request to the Secretary of Labor that such amounts be restored under this paragraph,

then the amounts described in clause (i) shall be restored to the status of funds transferred under subsections (a) and (b) of this section which have not been used by eliminating any charge against amounts so transferred for the use of such amounts in the payment of unemployment benefits.

(B) Subparagraph (A) shall apply only to the extent that the amounts described in clause (i) of such subparagraph do not exceed the amount then in the State's account.

(C) Subparagraph (A) shall not apply if the State has a balance of advances made to its account under subchapter XII of this chapter.

(D) If the Secretary of Labor determines that the requirements of this paragraph are met with respect to any request, the Secretary shall notify the Governor of the State that such requirements are met with respect to such request and the amount restored under this paragraph. Such restoration shall be as of the first day of the first month following the month in which the notification is made.

(d) Special transfer in fiscal year 2002

(1) The Secretary of the Treasury shall transfer (as of the date determined under paragraph (5)) from the Federal unemployment account to the account of each State in the Unemployment Trust Fund the amount determined with respect to such State under paragraph (2).

(2)(A) The amount to be transferred under this subsection to a State account shall (as determined by the Secretary of Labor and certified by such Secretary to the Secretary of the Treasury) be equal to—

(i) the amount which would have been required to have been transferred under this section to such account at the beginning of fiscal year 2002 if—

(I) section 209(a)(1) of the Temporary Extended Unemployment Compensation Act of 2002 had been enacted before the close of fiscal year 2001, and

(II) section 5402 of Public Law 105–33 (relating to increase in Federal unemployment account ceiling) had not been enacted,

minus

(ii) the amount which was in fact transferred under this section to such account at the beginning of fiscal year 2002.

(B) Notwithstanding the provisions of subparagraph (A)—

(i) the aggregate amount transferred to the States under this subsection may not exceed a total of $8,000,000,000; and

(ii) all amounts determined under subparagraph (A) shall be reduced ratably, if and to the extent necessary in order to comply with the limitation under clause (i).

(3)(A) Except as provided in paragraph (4), amounts transferred to a State account pursuant to this subsection may be used only in the payment of cash benefits—

(i) to individuals with respect to their unemployment, and

(ii) which are allowable under subparagraph (B) or (C).

(B)(i) At the option of the State, cash benefits under this paragraph may include amounts which shall be payable as—

(I) regular compensation, or

(II) additional compensation, upon the exhaustion of any temporary extended unemployment compensation (if such State has entered into an agreement under the Temporary Extended Unemployment Compensation Act of 2002), for individuals eligible for regular compensation under the unemployment compensation law of such State.

(ii) Any additional compensation under clause (i) may not be taken into account for purposes of any determination relating to the amount of any extended compensation for which an individual might be eligible.

(C)(i) At the option of the State, cash benefits under this paragraph may include amounts which shall be payable to 1 or more categories of individuals not otherwise eligible for regular compensation under the unemployment compensation law of such State, including those described in clause (iii).

(ii) The benefits paid under this subparagraph to any individual may not, for any period of unemployment, exceed the maximum amount of regular compensation authorized under the unemployment compensation law of such State for that same period, plus any additional compensation (described in subparagraph (B)(i)) which could have been paid with respect to that amount.

(iii) The categories of individuals described in this clause include the following:

(I) Individuals who are seeking, or available for, only part-time (and not full-time) work.

(II) Individuals who would be eligible for regular compensation under the unemployment compensation law of such State under an alternative base period.

(D) Amounts transferred to a State account under this subsection may be used in the payment of cash benefits to individuals only for weeks of unemployment beginning after March 9, 2002.

(4) Amounts transferred to a State account under this subsection may be used for the administration of its unemployment compensation law and public employment offices (including in connection with benefits described in paragraph (3) and any recipients thereof), subject to the same conditions as set forth in subsection (c)(2) (excluding subparagraph (B) thereof, and deeming the reference to ''subsections (a) and (b)'' in subparagraph (D) thereof to include this subsection).

(5) Transfers under this subsection shall be made within 10 days after March 9, 2002.

(e) Special transfer in fiscal year 2006

Not later than 10 days after October 20, 2005, the Secretary of the Treasury shall transfer from the Federal unemployment account—

(1) $15,000,000 to the account of Alabama in the Unemployment Trust Fund;

(2) $400,000,000 to the account of Louisiana in the Unemployment Trust Fund; and

(3) $85,000,000 to the account of Mississippi in the Unemployment Trust Fund.

(f) Special transfers in fiscal years 2009, 2010, and 2011 for modernization

(1)(A) In addition to any other amounts, the Secretary of Labor shall provide for the making of unemployment compensation modernization incentive payments (hereinafter ''incentive payments'') to the accounts of the States in the Unemployment Trust Fund, by transfer from amounts reserved for that purpose in the Federal unemployment account, in accordance with succeeding provisions of this subsection.

(B) The maximum incentive payment allowable under this subsection with respect to any State shall, as determined by the Secretary of Labor, be equal to the amount obtained by mul-

tiplying $7,000,000,000 by the same ratio as would apply under subsection (a)(2)(B) for purposes of determining such State's share of any excess amount (as described in subsection (a)(1)) that would have been subject to transfer to State accounts, as of October 1, 2008, under the provisions of subsection (a).

(C) Of the maximum incentive payment determined under subparagraph (B) with respect to a State—

(i) one-third shall be transferred to the account of such State upon a certification under paragraph (4)(B) that the State law of such State meets the requirements of paragraph (2); and

(ii) the remainder shall be transferred to the account of such State upon a certification under paragraph (4)(B) that the State law of such State meets the requirements of paragraph (3).

(2) The State law of a State meets the requirements of this paragraph if such State law—

(A) uses a base period that includes the most recently completed calendar quarter before the start of the benefit year for purposes of determining eligibility for unemployment compensation; or

(B) provides that, in the case of an individual who would not otherwise be eligible for unemployment compensation under the State law because of the use of a base period that does not include the most recently completed calendar quarter before the start of the benefit year, eligibility shall be determined using a base period that includes such calendar quarter.

(3) The State law of a State meets the requirements of this paragraph if such State law includes provisions to carry out at least 2 of the following subparagraphs:

(A) An individual shall not be denied regular unemployment compensation under any State law provisions relating to availability for work, active search for work, or refusal to accept work, solely because such individual is seeking only part-time work (as defined by the Secretary of Labor), except that the State law provisions carrying out this subparagraph may exclude an individual if a majority of the weeks of work in such individual's base period do not include part-time work (as so defined).

(B) An individual shall not be disqualified from regular unemployment compensation for separating from employment if that separation is for any compelling family reason. For purposes of this subparagraph, the term ''compelling family reason'' means the following:

(i) One or both of the following offenses as selected by the State, but in making such selection, the resulting change in the State law shall not supercede any other provision of law relating to unemployment insurance to the extent that such other provision provides broader access to unemployment benefits for victims of such selected offense or offenses:

(I) Domestic violence, verified by such reasonable and confidential documentation as the State law may require, which causes the individual reasonably to believe that such individual's continued employment would jeopardize the safety of the individual or of any member of the individual's immediate family (as defined by the Secretary of Labor); and

(II) Sexual assault, verified by such reasonable and confidential documentation as the State law may require, which causes the individual reasonably to believe that such individual's continued employment would jeopardize the safety of the individual or of any member of the individual's immediate family (as defined by the Secretary of Labor).

(ii) The illness or disability of a member of the individual's immediate family (as those terms are defined by the Secretary of Labor).

(iii) The need for the individual to accompany such individual's spouse—

(I) to a place from which it is impractical for such individual to commute; and

(II) due to a change in location of the spouse's employment.

(C)(i) Weekly unemployment compensation is payable under this subparagraph to any individual who is unemployed (as determined under the State unemployment compensation law), has exhausted all rights to regular unemployment compensation under the State law, and is enrolled and making satisfactory progress in a State-approved training program or in a job training program authorized under the Workforce Investment Act of 1998,[1] except that such compensation is not required to be paid to an individual who is receiving similar stipends or other training allowances for nontraining costs.

(ii) Each State-approved training program or job training program referred to in clause (i) shall prepare individuals who have been separated from a declining occupation, or who have been involuntarily and indefinitely separated from employment as a result of a permanent reduction of operations at the individual's place of employment, for entry into a high-demand occupation.

(iii) The amount of unemployment compensation payable under this subparagraph to an individual for a week of unemployment shall be equal to—

(I) the individual's average weekly benefit amount (including dependents' allowances) for the most recent benefit year, less

(II) any deductible income, as determined under State law.

The total amount of unemployment compensation payable under this subparagraph to any individual shall be equal to at least 26 times the individual's average weekly benefit amount (including dependents' allowances) for the most recent benefit year.

(D) Dependents' allowances are provided, in the case of any individual who is entitled to receive regular unemployment compensation and who has any dependents (as defined by State law), in an amount equal to at least $15 per dependent per week, subject to any aggre-

gate limitation on such allowances which the State law may establish (but which aggregate limitation on the total allowance for dependents paid to an individual may not be less than $50 for each week of unemployment or 50 percent of the individual's weekly benefit amount for the benefit year, whichever is less), except that a State law may provide for a reasonable reduction in the amount of any such allowance for a week of less than total unemployment.

(4)(A) Any State seeking an incentive payment under this subsection shall submit an application therefor at such time, in such manner, and complete with such information as the Secretary of Labor may within 60 days after February 17, 2009, prescribe (whether by regulation or otherwise), including information relating to compliance with the requirements of paragraph (2) or (3), as well as how the State intends to use the incentive payment to improve or strengthen the State's unemployment compensation program. The Secretary of Labor shall, within 30 days after receiving a complete application, notify the State agency of the State of the Secretary's findings with respect to the requirements of paragraph (2) or (3) (or both).

(B)(i) If the Secretary of Labor finds that the State law provisions (disregarding any State law provisions which are not then currently in effect as permanent law or which are subject to discontinuation) meet the requirements of paragraph (2) or (3), as the case may be, the Secretary of Labor shall thereupon make a certification to that effect to the Secretary of the Treasury, together with a certification as to the amount of the incentive payment to be transferred to the State account pursuant to that finding. The Secretary of the Treasury shall make the appropriate transfer within 7 days after receiving such certification.

(ii) For purposes of clause (i), State law provisions which are to take effect within 12 months after the date of their certification under this subparagraph shall be considered to be in effect as of the date of such certification.

(C)(i) No certification of compliance with the requirements of paragraph (2) or (3) may be made with respect to any State whose State law is not otherwise eligible for certification under section 503 of this title or approvable under section 3304 of the Federal Unemployment Tax Act [26 U.S.C. 3304].

(ii) No certification of compliance with the requirements of paragraph (3) may be made with respect to any State whose State law is not in compliance with the requirements of paragraph (2).

(iii) No application under subparagraph (A) may be considered if submitted before February 17, 2009, or after the latest date necessary (as specified by the Secretary of Labor) to ensure that all incentive payments under this subsection are made before October 1, 2011.

(5)(A) Except as provided in subparagraph (B), any amount transferred to the account of a State under this subsection may be used by such State only in the payment of cash benefits to individuals with respect to their unemployment (including for dependents' allowances and for unemployment compensation under paragraph (3)(C)), exclusive of expenses of administration.

(B) A State may, subject to the same conditions as set forth in subsection (c)(2) (excluding subparagraph (B) thereof, and deeming the reference to ''subsections (a) and (b)'' in subparagraph (D) thereof to include this subsection), use any amount transferred to the account of such State under this subsection for the administration of its unemployment compensation law and public employment offices.

(6) Out of any money in the Federal unemployment account not otherwise appropriated, the Secretary of the Treasury shall reserve $7,000,000,000 for incentive payments under this subsection. Any amount so reserved shall not be taken into account for purposes of any determination under section 1102, 1110, or 1323 of this title of the amount in the Federal unemployment account as of any given time. Any amount so reserved for which the Secretary of the Treasury has not received a certification under paragraph (4)(B) by the deadline described in paragraph (4)(C)(iii) shall, upon the close of fiscal year 2011, become unrestricted as to use as part of the Federal unemployment account.

(7) For purposes of this subsection, the terms ''benefit year'', ''base period'', and ''week'' have the respective meanings given such terms under section 205 of the Federal-State Extended Unemployment Compensation Act of 1970 (26 U.S.C. 3304 note).

(g) Special transfer in fiscal year 2009 for administration

(1) In addition to any other amounts, the Secretary of the Treasury shall transfer from the employment security administration account to the account of each State in the Unemployment Trust Fund, within 30 days after February 17, 2009, the amount determined with respect to such State under paragraph (2).

(2) The amount to be transferred under this subsection to a State account shall (as determined by the Secretary of Labor and certified by such Secretary to the Secretary of the Treasury) be equal to the amount obtained by multiplying $500,000,000 by the same ratio as determined under subsection (f)(1)(B) with respect to such State.

(3) Any amount transferred to the account of a State as a result of the enactment of this subsection may be used by the State agency of such State only in the payment of expenses incurred by it for—

(A) the administration of the provisions of its State law carrying out the purposes of subsection (f)(2) or any subparagraph of subsection (f)(3);

(B) improved outreach to individuals who might be eligible for regular unemployment compensation by virtue of any provisions of the State law which are described in subparagraph (A);

(C) the improvement of unemployment benefit and unemployment tax operations, including responding to increased demand for unemployment compensation; and

(D) staff-assisted reemployment services for unemployment compensation claimants.

§ 1104. Unemployment Trust Fund

(a) Establishment

There is hereby established in the Treasury of the United States a trust fund to be known as the ''Unemployment Trust Fund'', hereinafter in this subchapter called the ''Fund''. The Secretary of the Treasury is authorized and directed to receive and hold in the Fund all moneys deposited therein by a State agency from a State unemployment fund, or by the Railroad Retirement Board to the credit of the railroad unemployment insurance account or the railroad unemployment insurance administration fund, or otherwise deposited in or credited to the Fund or any account therein. Such deposit may be made directly with the Secretary of the Treasury, with any depositary designated by him for such purpose, or with any Federal Reserve Bank.

(b) Investments

It shall be the duty of the Secretary of the Treasury to invest such portion of the Fund as is not, in his judgment, required to meet current withdrawals. Such investment may be made only in interest-bearing obligations of the United States or in obligations guaranteed as to both principal and interest by the United States. For such purpose such obligations may be acquired (1) on original issue at the issue price, or (2) by purchase of outstanding obligations at the market price. The purposes for which obligations of the United States may be issued under chapter 31 of title 31 are hereby extended to authorize the issuance at par of special obligations exclusively to the Fund. Such special obligations shall bear interest at a rate equal to the average rate of interest, computed as of the end of the calendar month next preceding the date of such issue, borne by all interest-bearing obligations of the United States then forming part of the public debt; except that where such average rate is not a multiple of one-eighth of 1 per centum, the rate of interest of such special obligations shall be the multiple of one-eighth of 1 per centum next lower than such average rate. Obligations other than such special obligations may be acquired for the Fund only on such terms as to provide an investment yield not less than the yield which would be required in the case of special obligations if issued to the Fund upon the date of such acquisition. Advances made to the Federal unemployment account pursuant to section 1323 of this title shall not be invested.

(c) Sale or redemption of obligations

Any obligations acquired by the Fund (except special obligations issued exclusively to the Fund) may be sold at the market price, and such special obligations may be redeemed at par plus accrued interest.

(d) Treatment of interest and proceeds

The interest on, and the proceeds from the sale or redemption of, any obligations held in the Fund shall be credited to and form a part of the Fund.

(e) Separate book accounts

The Fund shall be invested as a single fund, but the Secretary of the Treasury shall maintain a separate book account for each State agency, the employment security administration account, the Federal unemployment account, the railroad unemployment insurance account, and the railroad unemployment insurance administration fund and shall credit quarterly (on March 31, June 30, September 30, and December 31, of each year) to each account, on the basis of the average daily balance of such account, a proportionate part of the earnings of the Fund for the quarter ending on such date.

For the purpose of this subsection, the average daily balance shall be computed—

(1) in the case of any State account, by reducing (but not below zero) the amount in the account by the balance of advances made to the State under section 1321 of this title, and

(2) in the case of the Federal unemployment account—

(A) by adding to the amount in the account the aggregate of the reductions under paragraph (1), and

(B) by subtracting from the sum so obtained the balance of advances made under section 1323 of this title to the account.

(f) Payment to State agencies and Railroad Retirement Board

The Secretary of the Treasury is authorized and directed to pay out of the Fund to any State agency such amount as it may duly requisition, not exceeding the amount standing to the account of such State agency at the time of such payment. The Secretary of the Treasury is authorized and directed to make such payments out of the railroad unemployment insurance account for the payment of benefits, and out of the railroad unemployment insurance administration fund for the payment of administrative expenses, as the Railroad Retirement Board may duly certify, not exceeding the amount standing to the credit of such account or such fund, as the case may be, at the time of such payment.

(g) Federal unemployment account; establishment

There is hereby established in the Unemployment Trust Fund a Federal unemployment account.

§ 1206. "Aid to the blind" defined

For the purposes of this subchapter, the term ''aid to the blind'' means money payments to blind individuals who are needy, but does not include any such payments to or care in behalf of any individual who is an inmate of a public institution (except as a patient in a medical institution) or any individual who is a patient in an institution for tuberculosis or mental diseases. Such term also includes payments which are not included within the meaning of such term under the preceding sentence, but which would be so included except that they are made on behalf of such a needy individual to another individual who (as determined in accordance with standards prescribed by the Secretary) is interested in or concerned with the welfare of such needy individual, but only with respect to a State whose State plan approved under section 1202 of this title includes provision for—

(1) determination by the State agency that such needy individual has, by reason of his physical or mental condition, such inability to manage funds that making payments to him would be contrary to his welfare and, therefore, it is necessary to provide such aid through payments described in this sentence;

(2) making such payments only in cases in which such payments will, under the rules otherwise applicable under the State plan for determining need and the amount of aid to the blind to be paid (and in conjunction with other income and resources), meet all the need[1] of the individuals with respect to whom such payments are made;

(3) undertaking and continuing special efforts to protect the welfare of such individual and to improve, to the extent possible, his capacity for self-care and to manage funds;

(4) periodic review by such State agency of the determination under paragraph (1) of this subsection to ascertain whether conditions justifying such determination still exist, with provision for termination of such payments if they do not and for seeking judicial appointment of a guardian or other legal representative, as described in section 1311 of this title, if and when it appears that such action will best serve the interests of such needy individual; and

(5) opportunity for a fair hearing before the State agency on the determination referred to in paragraph (1) of this subsection for any individual with respect to whom it is made.

At the option of a State (if its plan approved under this subchapter so provides), such term (i) need not include money payments to an individual who has been absent from such State for a period in excess of 90 consecutive days (regardless of whether he has maintained his residence in such State during such period) until he has been present in such State for 30 consecutive days in the case of such an individual who has maintained his residence in such State during such period or 90 consecutive days in the case of any other such individual, and (ii) may include rent payments made directly to a public housing agency on behalf of a recipient or a group or groups of recipients of aid under such plan.
