AMENDMENTS

1986—Pub. L. 99-546 inserted “, with emphasis on rehabilitation and betterment of existing projects for purposes of significant conservation of water, energy and the environment and for purpose of water quality control,” after “laws”.

EFFECTIVE DATE OF 1986 AMENDMENT

Pub. L. 99-546, title III, §310, Oct. 27, 1986, 100 Stat. 3055, provided that: “The provisions of Sections 303 and 308 of this title [amending sections 422c and 422h of this title] shall take effect upon enactment of this title [Oct. 27, 1986]. The provisions of sections 304(a) and 305 of this title [amending section 422d of this title] shall be applicable to all proposals for which final applications are received by the Secretary after January 1, 1986. The provisions of Sections 302, 304(b), 306, and 307 [amending this section and sections 422d and 422e of this title] shall be applicable to all proposals for which draft applications are received by the Secretary after August [sic] 15, 1986.”

SEPARABILITY

Act Aug. 6, 1956, ch. 972, §12, 70 Stat. 1047, provided that: “If any provisions of this Act [enacting this subchapter] or the application of such provision to any person, organization, or circumstance shall be held invalid, the remainder of the Act and the application of such provision to persons, organizations, or circumstances other than those as to which it is held invalid shall not be affected thereby.”

§ 422b. Definitions

As used in this subchapter—

(a) The term “construction” shall include rehabilitation and betterment.

(b) The term “Federal reclamation laws” shall mean the Act of June 17, 1902 (32 Stat. 388), and Acts amendatory thereof or supplementary thereto.

(c) The term “organization” shall mean a State or a department, agency, or political subdivision thereof or a conservancy district, irrigation district, water users’ association, an agency created by interstate compact, or similar organization which has capacity to contract with the United States under the Federal reclamation laws.

(d) The term “project” shall mean (i) any complete irrigation project, or (ii) any multiple-purpose water resource project that is authorized or is eligible for authorization under the Federal reclamation laws, or (iii) any distinct unit of a project described in clause (i) and (ii) or (iv) any project for the drainage of irrigated lands, without regard to whether such lands are irrigated with water supplies developed pursuant to the Federal reclamation laws, or (v) any project for the rehabilitation and betterment of a project or distinct unit described in clauses (i), (ii), (iii), and (iv); *Provided*, That the estimated total cost of the project described in clause (i), (ii), (iii), (iv), or (v) does not exceed the maximum allowable estimated total project cost as determined by subsection (f) hereof; *Provided further*, That a project described in clause (i), (ii), or (iii) may consist of existing facilities as distinct from newly constructed facilities, and funds made available pursuant to this subchapter may be utilized to acquire such facilities subject to a determination by the Secretary that such facilities meet standards of design and construction which he shall promulgate and that the cost of such existing facilities represent less than fifty per centum of the cost of the project. Nothing contained in this subchapter shall preclude the making of more than one loan or grant, or combined loan and grant, to an organization so long as no two such loans or grants, or combinations thereof, are for the same project, as herein defined.

(e) The term “Secretary” shall mean the Secretary of the Interior.

(f) The maximum allowable estimated total project cost of a proposal submitted during any given calendar year shall be determined by the Secretary using the Bureau of Reclamation composite construction cost index for January of that year with \$15,000,000 as the January 1971 base.
