(C) the Government Publishing Office;

(D) the government of the District of Columbia;

(E) the Administrative Office of the United States Courts, the Federal Judicial Center, and the courts named by section 610 of title 28; and

(F) the Office of the Architect of the Capitol; and

(2) “employee” means—

(A) an individual employed in or under an agency; and

(B) an individual employed by a county committee established under section 590h(b) of title 16;

but does not include—

(i) an employee (other than a member of the Senior Executive Service or the Federal Bureau of Investigation and Drug Enforcement Administration Senior Executive Service, or an employee whose pay is fixed under section 5376) whose rate of basic pay is fixed at a rate provided for one of the levels of the Executive Schedule or is in excess of the maximum rate for the Executive Schedule;

(ii) an employee serving under an appointment with a definite time limitation, except one so appointed for full-time employment without a break in service of more than 3 days following service under an appointment without time limitation;

(iii) an alien employee who occupies a position outside the several States, the District of Columbia, and the areas and installations in the Republic of Panama made available to the United States pursuant to the Panama Canal Treaty of 1977 and related agreements (as described in section 3(a) of the Panama Canal Act of 1979);

(iv) an employee who is subject to subchapter III of chapter 83 of this title or any other retirement statute or retirement system applicable to an employee as defined by section 2105 of this title or a member of a uniformed service and who, at the time of separation from the service, has fulfilled the requirements for immediate annuity under such a statute or system;

(v) an employee who, at the time of separation from the service, is receiving compensation under subchapter I of chapter 81 of this title, other than one receiving this compensation concurrently with pay or on account of the death of another individual;

(vi) an employee who, at the time of separation from the service, is entitled to receive benefits under section 609(b)(1) of the Foreign Service Act of 1980 or any other severance pay from the Government;

(vii) an employee of the Tennessee Valley Authority;

(viii) an employee of the Office of the Architect of the Capitol, who is employed on a temporary when actually employed basis;

(ix) an employee of the Government Publishing Office, who is employed on a temporary when actually employed basis; or

(x) such other employee as may be excluded by regulations of the President or such other officer or agency as he may designate.

(b) Under regulations prescribed by the President or such officer or agency as he may designate, an employee who—

(1) has been employed currently for a continuous period of at least 12 months; and

(2) is involuntarily separated from the service, not by removal for cause on charges of misconduct, delinquency, or inefficiency;

is entitled to be paid severance pay in regular pay periods by the agency from which separated. However, the Director of the Administrative Office of the United States Courts may prescribe regulations to effect the application and operation of this section to the agencies specified in subsection (a)(1)(E) of this section. The Architect of the Capitol may prescribe regulations to effect the application and operation of this section to the agency specified in subsection (a)(1)(F) of this section. The Director of the Government Publishing Office may prescribe regulations to effect the application and operation of this section to the agency specified in subsection (a)(1)(C) of this section.

(c) Severance pay consists of—

(1) a basic severance allowance computed on the basis of 1 week's basic pay at the rate received immediately before separation for each year of civilian service up to and including 10 years for which severance pay has not been received under this or any other authority and 2 weeks' basic pay at that rate for each year of civilian service beyond 10 years for which severance pay has not been received under this or any other authority; and

(2) an age adjustment allowance computed on the basis of 10 percent of the total basic severance allowance for each year by which the age of the recipient exceeds 40 years at the time of separation.

Total severance pay under this section may not exceed 1 year's pay at the rate received immediately before separation. For the purpose of this subsection, "basic pay" includes premium pay under section 5545(c)(1) of this title.

(d) If an employee is reemployed by the Government of the United States or the government of the District of Columbia before the end of the period covered by payments of severance pay, the payments shall be discontinued beginning with the date of reemployment and the service represented by the unexpired portion of the period shall be recredited to the employee for use in any later computations of severance pay. For the purpose of subsection (b) (1) of this section, reemployment that causes severance pay to be discontinued is deemed employment continuous with that serving as the basis for severance pay.

(e) If the employee dies before the end of the period covered by payments of severance pay, the payments of severance pay with respect to the employee shall be continued as if the employee were living and shall be paid on a pay period basis to the survivor of the employee in accordance with section 5582(b) of this title.

(f) Severance pay under this section is not a basis for payment, and may not be included in the basis for computation, of any other type of United States or District of Columbia Government benefits. A period covered by severance pay is not a period of United States or District

of Columbia Government service or employment.

(g) The Secretary of Agriculture shall prescribe regulations to effect the application and operation of this section to an individual named by subsection (a)(2)(B) of this section.

(h)(1) Severance pay under this section may not be paid to—

(A) a person described in paragraph (4)(A) during any period in which the person is employed in a defense nonappropriated fund instrumentality; or

(B) a person described in paragraph (4)(B) during any period in which the person is employed in a Coast Guard nonappropriated fund instrumentality.

(2)(A) Except as provided in subparagraph (B), payment of severance pay to a person referred to in paragraph (1) may be resumed upon any involuntary separation of the person from the position of employment in a nonappropriated fund instrumentality, not by removal for cause on charges of misconduct, delinquency, or inefficiency.

(B) Payment of severance pay may not be resumed under subparagraph (A) in the case of a person who, upon separation, is entitled to immediate payment of retired or retainer pay as a member or former member of the uniformed services or to an immediate annuity under—

(i) a retirement system for persons retiring from employment by a nonappropriated fund instrumentality;

(ii) subchapter III of chapter 83 of this title;

(iii) subchapter II of chapter 84 of this title; or

(iv) any other retirement system of the Federal Government for persons retiring from employment with the Federal Government.

(3) Upon resumption of payment of severance pay under paragraph (2)(A) in the case of a person separated as described in such paragraph, the amount of the severance pay so payable for a period shall be reduced (but not below zero) by the portion (if any) of the amount of any severance pay payable for such period to the person by the nonappropriated fund instrumentality that is attributable to credit for service taken into account under subsection (c) in the computation of the amount of the severance pay so resumed.

(4) Paragraph (1) applies to a person who, on or after January 1, 1987, moves without a break in service—

(A) from employment in the Department of Defense that is not employment in a defense nonappropriated fund instrumentality to employment in a defense nonappropriated fund instrumentality; or

(B) from employment in the Coast Guard that is not employment in a Coast Guard nonappropriated fund instrumentality to employment in a Coast Guard nonappropriated fund instrumentality.

(5) The Secretary of Defense, in consultation with the Secretary of Homeland Security, shall prescribe regulations to carry out this subsection.

(6) In this subsection:

(A) The term "defense nonappropriated fund instrumentality" means a nonappropriated

fund instrumentality of the Department of Defense.

(B) The term “Coast Guard nonappropriated fund instrumentality” means a nonappropriated fund instrumentality of the Coast Guard.

(C) The term “nonappropriated fund instrumentality” means a nonappropriated fund instrumentality described in section 2105(c) of this title.

(i)(1) In the case of an employee of the Department of Defense who is entitled to severance pay under this section, the Secretary of Defense or the Secretary of the military department concerned may, upon application by the employee, pay the total amount of the severance pay to the employee in one lump sum.

(2)(A) If an employee paid severance pay in a lump sum under this subsection is reemployed by the Government of the United States or the government of the District of Columbia at such time that, had the employee been paid severance pay in regular pay periods under subsection (b), the payments of such pay would have been discontinued under subsection (d) upon such reemployment, the employee shall repay to the Department of Defense (for the military department that formerly employed the employee, if applicable) an amount equal to the amount of severance pay to which the employee was entitled under this section that would not have been paid to the employee under subsection (d) by reason of such reemployment.

(B) The period of service represented by an amount of severance pay repaid by an employee under subparagraph (A) shall be considered service for which severance pay has not been received by the employee under this section.

(C) Amounts repaid to an agency under this paragraph shall be credited to the appropriation available for the pay of employees of the agency for the fiscal year in which received. Amounts so credited shall be merged with, and shall be available for the same purposes and the same period as, the other funds in that appropriation.

(3) If an employee fails to repay to an agency an amount required to be repaid under paragraph (2)(A), that amount is recoverable from the employee as a debt due the United States.

(4) This subsection applies with respect to severance pay payable under this section for separations taking effect on or after February 10, 1996, and before October 1, 2018.

(j)(1) In the case of an employee of the Department of Energy who is entitled to severance pay under this section as a result of the establishment of the National Nuclear Security Administration, the Secretary of Energy may, upon application by the employee, pay the total amount of the severance pay to the employee in one lump sum.

(2)(A) If an employee paid severance pay in a lump sum under this subsection is reemployed by the Government of the United States or the government of the District of Columbia at such time that, had the employee been paid severance pay in regular pay periods under subsection (b), the payments of such pay would have been discontinued under subsection (d) upon such reemployment, the employee shall repay to the Department of Energy an amount equal to the amount of severance pay to which the employee

was entitled under this section that would not have been paid to the employee under subsection (d) by reason of such reemployment.

(B) The period of service represented by an amount of severance pay repaid by an employee under subparagraph (A) shall be considered service for which severance pay has not been received by the employee under this section.

(C) Amounts repaid to the Department of Energy under this paragraph shall be credited to the appropriation available for the pay of employees of the agency for the fiscal year in which received. Amounts so credited shall be merged with, and shall be available for the same purposes and the same period as, the other funds in that appropriation.

(3) If an employee fails to repay to the Department of Energy an amount required to be repaid under paragraph (2)(A), that amount is recoverable from the employee as a debt due the United States.
