§ 5  

HISTORICAL AND REVISION NOTES

Section is new, and was inserted to conform with 1950 Reorganization Plan No. 5, effective May 24, 1950, §§1, 2, 15 F.R. 3174, 61 Stat. 1263, which is set out as a note under section 591 of title 5, U.S.C., 1952 ed., Executive Departments and Government Officers and Employees, [now set out in the Appendix to Title 5, Government Organization and Employees]. That plan transferred all functions (with a few exceptions not applicable to the Census Bureau) of all agencies, officers and employees of the Department of Commerce to the Secretary of Commerce, and vested power in him to delegate the functions so transferred, or any of his other functions, to such agencies, officers or employees within the Department as he designates.

See, also, section 238 of title 13, U.S.C., 1952 ed., which provided for delegation of functions in connection with the quinquennial censuses of governments, and authorized the Secretary to promulgate rules and regulations with respect to such censuses. That section has been omitted from this revised title, as the provision thereof for delegation of functions is covered by this section, and the provision thereof which related to rules and regulations is covered by section 22 of title 1, U.S.C., 1952 ed., General Provisions. Because of the transfer effected by 1950 Reorganization Plan No. 5, referred to above, sections of title 13, U.S.C., which prescribed functions of the Bureau of the Census, the Census Office, or the Director of the Census, have, in this revised title, been changed to refer to the Secretary.

§ 5. Questionnaires; number, form, and scope of inquiries

The Secretary shall prepare questionnaires, and shall determine the inquiries, and the number, form, and subdivisions thereof, for the statistics, surveys, and censuses provided for in this title.

HISTORICAL AND REVISION NOTES

Sections 82, 123 and 204 of title 13, U.S.C., 1952 ed., provided that the inquiries, etc., should be determined by the Director of the Census, with the approval of the Secretary of Commerce. Section 111 thereof provided that the Director of the Census should prepare the schedules, etc., and sections 216 and 251(b) thereof (the former amended in 1902, the latter enacted in 1950) provided that the inquiries, etc., should be determined by the Secretary of Commerce. This consolidated section vests such duties in the Secretary of Commerce, which is in conformity not only with such sections 216 and 251(b), but also with 1950 Reorganization Plan No. 5, §§1, 2, effective May 24, 1950, 15 F.R. 3174, 64 Stat. 1263. See Revision Note to section 4 of this title.

Changes were made in phraseology.

RESTRICTION ON COLLECTION OF CENSUS DATA ON RACE

Pub. L. 111–117, div. B, title I, Dec. 16, 2009, 123 Stat. 315, provided in part: “That none of the funds provided in this Act or any other Act for any fiscal year may be used for the collection of census data on race identification that does not include ‘some other race’ as a category”. Similar provisions were contained in the following prior appropriation acts:

§ 6. Information from other Federal departments and agencies; acquisition of reports from other governmental and private sources

(a) The Secretary, whenever he considers it advisable, may call upon any other department, agency, or establishment of the Federal Government, or of the government of the District of Columbia, for information pertinent to the work provided for in this title.

(b) The Secretary may acquire, by purchase or otherwise, from States, counties, cities, or other...
units of government, or their instrumentalties, or from private persons and agencies, such copies of records, reports, and other material as may be required for the efficient and economical conduct of the censuses and surveys provided for in this title.

(c) To the maximum extent possible and consistent with the kind, timeliness, quality and scope of the statistics required, the Secretary shall acquire and use information available from any source referred to in subsection (a) or (b) of this section instead of conducting direct inquiries.

HISTORICAL AND REVISION NOTES

Section consolidates section 215 of title 13, U.S.C. 1952 ed., with those parts of sections 122 and 252 of such title which respectively made such section 215 applicable to the quinquennial censuses of manufacturers and the mineral industries and other businesses, and governments, and with that part of subsection (b) of section 1442 of title 42, U.S.C., 1952 ed., which made such section 215 applicable to the decennial censuses of housing (see subchapters I, II, and III of chapter 5 of this title). As originally enacted in 1929, such section 215 had related only to the decennial censuses of population, agriculture, etc., the provisions for which are continued in subchapter II of chapter 5 of this title.

The provisions, as revised in this section, relate, not only to the censuses referred to above, but also, to all other investigations provided for in this title. This was probably the Congressional intent.

Words in section 215 of title 13, U.S.C. 1952 ed., “on request of the Director of the Census”, were omitted since all functions under this title are vested primarily in the Secretary of Commerce, in view of 1950 Reorganization Plan No. 5, §§ 1, 2, eff. May 24, 1950, 15 F.R. 3174, 64 Stat. 1263. See Revision Note to section 4 of this title.

Changes were made in phraseology.

For remainder of sections 122 and 252 of such title, U.S.C. 1952 ed., and of section 1442 of title 42, U.S.C., 1952 ed. (which has been transferred in its entirety to this revised title), see Distribution Table.

AMENDMENTS

1976—Pub. L. 94–521 substituted “Information from other Federal departments and agencies; acquisition of reports from other governmental and private sources” for “Requests to other departments and offices for information, acquisition of reports from governmental and other sources” in section catchline.

1957—Pub. L. 85–207 inserted “‘acquisition of reports from governmental and other sources’ in section catchline, designated existing provisions as subsec. (a), and added subsec. (b).

§7. Printing; requisitions upon the Director of the Government Publishing Office; publication of bulletins and reports

The Secretary may make requisition upon the Director of the Government Publishing Office for miscellaneous printing necessary to carry out the provisions of this title. He may further have printed by the Director of the Government Publishing Office, in such editions as he deems necessary, preliminary and other census bulletins, and final reports of the results of the several investigations authorized by this title, and may publish and distribute such bulletins and reports.

HISTORICAL AND REVISION NOTES

Section consolidates section 213 of title 13, U.S.C., 1952 ed., with that part of subsection (b) of section 1442 of title 42, U.S.C., 1952 ed., which made such section 213 applicable to the censuses of housing.

The enumeration in section 213 of title 13, U.S.C. 1952 ed., of the types of printing (“Blanks, schedules, circulars, pamphlets, envelopes, work sheets”) was omitted as unnecessary and covered by the words “miscellaneous printing”.

The provisions have been reworded to make it clear that they relate to all statistical and census operations under this title, and changes were made in phraseology.

For remainder of section 1442 of title 42, U.S.C., 1952 ed. (which section has been transferred in its entirety to this revised title), see Distribution Table.

CHANGE OF NAME

“Director of the Government Publishing Office” substituted for “Public Printer” in section catchline and in two places in text on authority of section 1301(d) of Pub. L. 113–235, set out as a note under section 301 of Title 44, Public Printing and Documents.

§8. Authenticated transcripts or copies of certain returns; other data; restriction on use; disposition of fees received

(a) The Secretary may, upon written request, furnish to any respondent, or to the heir, successor, or authorized agent of such respondent, authenticated transcripts or copies of reports (or portions thereof) containing information furnished by, or on behalf of, such respondent in connection with the surveys and census provided for in this title, upon payment of the actual or estimated cost of searching the records and furnishing such transcripts or copies.

(b) Subject to the limitations contained in sections 6(c) and 9 of this title, the Secretary may furnish copies of tabulations and other statistical materials which do not disclose the information reported by, or on behalf of, any particular respondent, and may make special statistical compilations and surveys, for departments, agencies, and establishments of the Federal Government, the government of the District of Columbia, the government of any possession or area (including political subdivisions
