(a) Whenever, in the consideration of any claim filed by a person as the widow or widower of a veteran for gratuitous death benefits under laws administered by the Secretary, it is established by evidence satisfactory to the Secretary that such person, without knowledge of any legal impediment, entered into a marriage with such veteran which, but for a legal impediment, would have been valid, and thereafter cohabited with the veteran for one year or more immediately before the veteran's death, or for any period of time if a child was born of the purported marriage or was born to them before such marriage, the purported marriage shall be deemed to be a valid marriage, but only if no claim has been filed by a legal widow or widower of such veteran who is found to be entitled to such benefits. No duplicate payments shall be made by virtue of this subsection.

Pub. L. 111-5, div. A, title X, §1002, Feb. 17, 2009, 123 Stat. 200, provided that:

"(a) FINDINGS.—Congress makes the following findings:

"(1) The Philippine islands became a United States possession in 1898 when they were ceded from Spain following the Spanish-American War.

"(2) During World War II, Filipinos served in a variety of units, some of which came under the direct control of the United States Armed Forces.

"(3) The regular Philippine Scouts, the new Philippine Scouts, the Guerrilla Services, and more than 100,000 members of the Philippine Commonwealth Army were called into the service of the United States Armed Forces of the Far East on July 26, 1941, by an executive order of President Franklin D. Roosevelt.

"(4) Even after hostilities had ceased, wartime service of the new Philippine Scouts continued as a matter of law until the end of 1946, and the force gradually disbanded and was disestablished in 1950.

"(5) Filipino veterans who were granted benefits prior to the enactment of the so-called Rescissions Acts of 1946 (Public Laws 79-301 [60 Stat. 6] and 79-391 [60 Stat. 221]) currently receive full benefits under laws administered by the Secretary of Veterans Affairs, but under section 107 of title 38, United States Code, the service of certain other Filipino veterans is deemed not to be active service for purposes of such laws.

"(6) These other Filipino veterans only receive certain benefits under title 38, United States Code, and, depending on where they legally reside, are paid such benefit amounts at reduced rates.

"(7) The benefits such veterans receive include service-connected compensation benefits paid under chapter 11 of title 38, United States Code, dependency indemnity compensation survivor benefits paid under chapter 13 of title 38, United States Code, and burial benefits under chapters 23 and 24 of title 38, United States Code, and such benefits are paid to beneficiaries at the rate of \$0.50 per dollar authorized, unless they lawfully reside in the United States.

"(8) Dependents' educational assistance under chapter 35 of title 38, United States Code, is also payable for the dependents of such veterans at the rate of \$0.50 per dollar authorized, regardless of the veterans' residency.

"(b) COMPENSATION FUND.—

"(1) IN GENERAL.—There is in the general fund of the Treasury a fund to be known as the 'Filipino Veterans Equity Compensation Fund' (in this section referred to as the 'compensation fund').

"(2) AVAILABILITY OF FUNDS.—Subject to the availability of appropriations for such purpose, amounts in the fund shall be available to the Secretary of Veterans Affairs without fiscal year limitation to make payments to eligible persons in accordance with this section.

"(c) PAYMENTS.—

"(1) IN GENERAL.—The Secretary may make a payment from the compensation fund to an eligible person who, during the one-year period beginning on the date of the enactment of this Act [Feb. 17, 2009], submits to the Secretary a claim for benefits under this section. The application for the claim shall contain such information and evidence as the Secretary may require.

"(2) PAYMENT TO SURVIVING SPOUSE.—If an eligible person who has filed a claim for benefits under this section dies before payment is made under this section, the payment under this section shall be made instead to the surviving spouse, if any, of the eligible person.

"(d) ELIGIBLE PERSONS.—An eligible person is any person who—

"(1) served—

"(A) before July 1, 1946, in the organized military forces of the Government of the Commonwealth of the Philippines, while such forces were in the service of the Armed Forces of the United States pursuant to the military order of the President dated July 26, 1941, including among such military forces organized guerrilla forces under commanders appointed, designated, or subsequently recognized by the Commander in Chief, Southwest Pacific Area, or other competent authority in the Army of the United States; or

"(B) in the Philippine Scouts under section 14 of the Armed Forces Voluntary Recruitment Act of 1945 (59 Stat. 538 [543]) [enacting section 637 of former Title 10, Army and Air Force]; and

"(2) was discharged or released from service described in paragraph (1) under conditions other than dishonorable.

"(e) PAYMENT AMOUNTS.—Each payment under this section shall be—

"(1) in the case of an eligible person who is not a citizen of the United States, in the amount of \$9,000; and

"(2) in the case of an eligible person who is a citizen of the United States, in the amount of \$15,000.

"(f) LIMITATION.—The Secretary may not make more than one payment under this section for each eligible person described in subsection (d).

"(g) CLARIFICATION OF TREATMENT OF PAYMENTS UNDER CERTAIN LAWS.—Amounts paid to a person under this section—

"(1) shall be treated for purposes of the internal revenue laws of the United States as damages for human suffering; and

"(2) shall not be included in income or resources for purposes of determining—

"(A) eligibility of an individual to receive benefits described in section 3803(c)(2)(C) of title 31, United States Code, or the amount of such benefits;

"(B) eligibility of an individual to receive benefits under title VIII of the Social Security Act [42 U.S.C. 1001 et seq.], or the amount of such benefits; or

"(C) eligibility of an individual for, or the amount of benefits under, any other Federal or federally assisted program.

"(h) RELEASE.—

"(1) IN GENERAL.—Except as provided in paragraph (2), the acceptance by an eligible person or surviving spouse, as applicable, of a payment under this section shall be final, and shall constitute a complete release of any claim against the United States by reason of any service described in subsection (d).

"(2) PAYMENT OF PRIOR ELIGIBILITY STATUS.—Nothing in this section shall prohibit a person from receiving any benefit (including health care, survivor, or burial benefits) which the person would have been eligible to receive based on laws in effect as of the day before the date of the enactment of this Act [Feb. 17, 2009].

"(i) RECOGNITION OF SERVICE.—The service of a person as described in subsection (d) is hereby recognized as active military service in the Armed Forces for purposes of, and to the extent provided in, this section.

"(j) ADMINISTRATION.—

"(1) The Secretary shall promptly issue application forms and instructions to ensure the prompt and efficient administration of the provisions of this section.

"(2) The Secretary shall administer the provisions of this section in a manner consistent with applicable provisions of title 38, United States Code, and other

provisions of law, and shall apply the definitions in section 101 of such title in the administration of such provisions, except to the extent otherwise provided in this section.

“(k) REPORTS.—The Secretary shall include, in documents submitted to Congress by the Secretary in support of the President's budget for each fiscal year, detailed information on the operation of the compensation fund, including the number of applicants, the number of eligible persons receiving benefits, the amounts paid out of the compensation fund, and the administration of the compensation fund for the most recent fiscal year for which such data is available.

“(l) AUTHORIZATION OF APPROPRIATION.—There is authorized to be appropriated to the compensation fund \$198,000,000, to remain available until expended, to make payments under this section.”

nation which was an enemy of the United States during World War II), or in World War II, may furnish to discharged members of the armed forces of such government, under agreements requiring reimbursement in cash of expenses so incurred, at such rates and under such regulations as the Secretary may prescribe, medical, surgical, and dental treatment, hospital care, transportation and traveling expenses, prosthetic appliances, education, training, or similar benefits authorized by the laws of such nation for its veterans, and services required in extending such benefits. § 111. Payments or allowances for beneficiary travel

(a) Under regulations prescribed by the President pursuant to the provisions of this section, the Secretary may pay the actual necessary expense of travel (including lodging and subsistence), or in lieu thereof an allowance based upon mileage (at a rate of 41.5 cents per mile), of any person to or from a Department facility or other place in connection with vocational rehabilitation, counseling required by the Secretary pursuant to chapter 34 or 35 of this title, or for the purpose of examination, treatment, or care. Actual necessary expense of travel includes the reasonable costs of airfare if travel by air is the only practical way to reach a Department facility. In addition to the mileage allowance authorized by this section, there may be allowed reimbursement for the actual cost of ferry fares, and bridge, road, and tunnel tolls.

(b)(1) Except as provided in subsection (c) of this section and notwithstanding subsection (g)(2) of this section or any other provision of law, if, with respect to any fiscal year, the Secretary exercises the authority under this section to make any payments, the Secretary shall make the payments provided for in this section to or for the following persons for travel during such fiscal year for examination, treatment, or care for which the person is eligible:

(A) A veteran or other person whose travel is in connection with treatment or care for a service-connected disability.

(B) A veteran with a service-connected disability rated at 30 percent or more.

(C) A veteran receiving pension under section 1521 of this title.

(D) A veteran (i) who is not traveling by air and whose annual income (as determined under section 1503 of this title) does not exceed the maximum annual rate of pension which would be payable to such veteran if such veteran were eligible for pension under section 1521 of this title, or (ii) who is determined, under regulations prescribed by the Secretary, to be unable to defray the expenses of the

travel for which payment under this section is claimed.

(E) Subject to paragraph (3) of this subsection, a veteran or other person whose travel to or from a Department facility is medically required to be performed by a special mode of travel and who is determined under such regulations to be unable to defray the expenses of the travel for which payment under this section is claimed.

(F) A veteran whose travel to a Department facility is incident to a scheduled compensation and pension examination.

(G) A veteran with vision impairment, a veteran with a spinal cord injury or disorder, or a veteran with double or multiple amputations whose travel is in connection with care provided through a special disabilities rehabilitation program of the Department (including programs provided by spinal cord injury centers, blind rehabilitation centers, and prosthetics rehabilitation centers) if such care is provided—

- (i) on an in-patient basis; or
- (ii) during a period in which the Secretary provides the veteran with temporary lodging at a facility of the Department to make such care more accessible to the veteran.

(2) The Secretary may make payments provided for in this section to or for any person not covered by paragraph (1) of this subsection for travel by such person for examination, treatment, or care. Such payments shall be made in accordance with regulations which the Secretary shall prescribe.

(3)(A) Except as provided in subparagraph (B) of this paragraph, the Secretary shall not make payments under this section for travel performed by a special mode of travel unless (i) the travel by such mode is medically required and is authorized by the Secretary before the travel begins, or (ii) the travel by such mode is in connection with a medical emergency of such a nature that the delay incident to obtaining authorization from the Secretary to use that mode of travel would have been hazardous to the person's life or health.

(B) In the case of travel by a person to or from a Department facility by special mode of travel, the Secretary may provide payment under this section to the provider of the transportation by special mode before determining the eligibility of such person for such payment if the Secretary determines that providing such payment is in the best interest of furnishing care and services. Such a payment shall be made subject to subsequently recovering from such person the amount of the payment if such person is determined to have been ineligible for payment for such travel.

(C) In the case of transportation of a person to or from a Department facility by ambulance, the Secretary may pay the provider of the transportation the lesser of the actual charge for the transportation or the amount determined by the fee schedule established under section 1834(l) of the Social Security Act (42 U.S.C. 1395m(l)) unless the Secretary has entered into a contract for that transportation with the provider.

(4) In determining for purposes of subsection (a) whether travel by air is the only practical way for a veteran to reach a Department facil-

ity, the Secretary shall consider the medical condition of the veteran and any other impediments to the use of ground transportation by the veteran.

(c)(1) Except as otherwise provided in this subsection, the Secretary, in making a payment under this section to or for a person described in subparagraph (A), (B), (C), or (D) of subsection (b)(1) of this section for travel for examination, treatment, or care, shall deduct from the amount otherwise payable an amount equal to \$3 for each one-way trip.

(2) In the case of a person who is determined by the Secretary to be a person who is required to make six or more one-way trips for needed examination, treatment, or care during the remainder of the calendar month in which the determination is made or during any subsequent calendar month during the one-year period following the last day of the month in which the determination is made, the amount deducted by the Secretary pursuant to paragraph (1) of this subsection from payments for trips made to or from such facility during any such month shall not exceed \$18.

(3) No deduction shall be made pursuant to paragraph (1) of this subsection in the case of a person whose travel to or from a Department facility is performed by a special mode of travel for which payment under this section is authorized under subsection (b)(3) of this section.

(4) The Secretary may waive the deduction requirement of paragraph (1) of this subsection in the case of the travel of any veteran for whom the imposition of the deduction would cause severe financial hardship. The Secretary shall prescribe in regulations the conditions under which a finding of severe financial hardship is warranted for purposes of this paragraph.

(d) Payment of the following expenses or allowances in connection with vocational rehabilitation, counseling, or upon termination of examination, treatment, or care, may be made before the completion of travel:

- (1) The mileage allowance authorized by subsection (a) of this section.
- (2) Actual local travel expenses.
- (3) The expense of hiring an automobile or ambulance, or the fee authorized for the services of a nonemployee attendant.

(e)(1) Except as provided in paragraph (2), when any person entitled to mileage under this section requires an attendant (other than an employee of the Department) in order to perform such travel, the attendant may be allowed expenses of travel upon the same basis as such person.

(2)(A) Without regard to whether an eligible veteran entitled to mileage under this section for travel to a Department facility for the purpose of medical examination, treatment, or care requires an attendant in order to perform such travel, an attendant of such veteran described in subparagraph (B) may be allowed expenses of travel (including lodging and subsistence) upon the same basis as such veteran during—

- (i) the period of time in which such veteran is traveling to and from a Department facility for the purpose of medical examination, treatment, or care; and
- (ii) the duration of the medical examination, treatment, or care episode for such veteran.

(B) An attendant of a veteran described in this subparagraph is a provider of personal care services for such veteran who is approved under paragraph (6) of section 1720G(a) of this title or designated under paragraph (7) of such section 1720G(a).

(C) The Secretary may prescribe regulations to carry out this paragraph. Such regulations may include provisions—

(i) to limit the number of attendants that may receive expenses of travel under this paragraph for a single medical examination, treatment, or care episode of an eligible veteran; and

(ii) to require such attendants to use certain travel services.

(D) In this subsection, the term “eligible veteran” has the meaning given that term in section 1720G(a)(2) of this title.

(f) The Secretary may provide for the purchase of printed reduced-fare requests for use by veterans and their authorized attendants when traveling at their own expense to or from any Department facility.

(g)(1) Beginning one year after the date of the enactment of the Caregivers and Veterans Omnibus Health Services Act of 2010, the Secretary may adjust the mileage rate described in subsection (a) to be equal to the mileage reimbursement rate for the use of privately owned vehicles by Government employees on official business (when a Government vehicle is available), as prescribed by the Administrator of General Services under section 5707(b) of title 5.

(2) If an adjustment in the mileage rate under paragraph (1) results in a lower mileage rate than the mileage rate otherwise specified in subsection (a), the Secretary shall, not later than 60 days before the date of the implementation of the mileage rate as so adjusted, submit to Congress a written report setting forth the adjustment in the mileage rate under this subsection, together with a justification for the decision to make the adjustment in the mileage rate under this subsection.

§ 114. Multiyear procurement

(a) The Secretary may enter into a multiyear contract for the procurement of supplies or services if the Secretary makes each of the following determinations:

(1) Appropriations are available for obligations that are necessary for total payments that would be required during the fiscal year in which the contract is entered into, plus the estimated amount of any cancellation charge payable under the contract.

(2) The contract is in the best interest of the United States by reason of the effect that use of a multiyear, rather than one-year, contract would have in—

- (A) reducing costs;
- (B) achieving economies in contract administration or in any other Department activities;
- (C) increasing quality of performance by or service from the contractors; or
- (D) encouraging effective competition.

(3) During the proposed contract period—

(A) there will be a continuing or recurring need for the supplies or services being procured;

(B) there is not a substantial likelihood of substantial changes in the need for such supplies or services in terms of the total quantity of such supplies or services or of the rate of delivery of such supplies or services; and

(C) the specifications for the supplies or services are expected to be reasonably stable.

(4) The risks relating to the prospective contractor's ability to perform in accordance with the specifications and other terms of the contract are not excessive.

(5) The use of a multiyear contract will not inhibit small business concerns in competing for the contract.

(6) In the case of the procurement of a pharmaceutical item for which a patent has expired less than four years before the date on which the solicitation of offers is issued, there is no substantial likelihood that increased competition among potential contractors would occur during the term of the contract as the result of the availability of generic equivalents increasing during the term of the contract.

(b)(1) A multiyear contract authorized by this section shall contain—

(A) a provision that the obligation of the United States under the contract during any fiscal year which is included in the contract period and is subsequent to the fiscal year during which the contract is entered into is contingent on the availability of sufficient appropriations (as determined by the Secretary pursuant to paragraph (2)(A) of this subsection) if, at the time the contract is entered into, appropriations are not available to cover the total estimated payments that will be required during the full term of the contract; and

(B) notwithstanding section 1502(a) of title 31, a provision for the payment of reasonable cancellation charges to compensate the contractor for nonrecurring, unrecovered costs, if any, if the performance is cancelled pursuant to the provision required by subparagraph (A) of this paragraph.

(2)(A) If, during a fiscal year after the fiscal year during which a multiyear contract is entered into under this section, the Secretary determines that, in light of other funding needs involved in the operation of Department programs, the amount of funds appropriated for such subsequent fiscal year is not sufficient for such contract, the Secretary shall cancel such contract pursuant to the provisions required by paragraph (1)(A) of this subsection.

(B) Cancellation charges under a multiyear contract shall be paid from the appropriated funds which were originally available for performance of the contract or the payment of cancellation costs unless such funds are not available in an amount sufficient to pay the entire amount of the cancellation charges payable under the contract. In a case in which such funds are not available in such amount, funds available for the procurement of supplies and services for use for the same purposes as the supplies or services procured through such contract shall be used to the extent necessary to pay such cost.

(c) Nothing in this section shall be construed so as to restrict the Secretary's exercise of the right to terminate for convenience a contract under any other provision of law which authorizes multiyear contracting.

(d) The Secretary shall prescribe regulations for the implementation of this section.

(e) For the purposes of this section:

(1) The term "appropriations" has the meaning given that term in section 1511 of title 31.

(2) The term "multiyear contract" means a contract which by its terms is to remain in effect for a period which extends beyond the end of the fiscal year during which the contract is entered into but not beyond the end of the fourth fiscal year following such fiscal year. Such term does not include a contract for construction or for a lease of real property.

(3) The term "nonrecurring, unrecovered costs" means those costs reasonably incurred by the contractor in performing a multiyear contract which (as determined under regulations prescribed under subsection (d) of this section) are generally incurred on a one-time basis.

[(q) Repealed. Pub. L. 90-493, §4(a), Aug. 19, 1968, 82 Stat. 809.]

(r) Subject to section 5503(c) of this title, if any veteran, otherwise entitled to compensation authorized under subsection (o) of this section, at the maximum rate authorized under subsection (p) of this section, or at the intermediate rate authorized between the rates authorized under subsections (n) and (o) of this section and at the rate authorized under subsection (k) of this section, is in need of regular aid and attendance, then, in addition to such compensation—

For the purposes of clause (2) of this subsection, need for a higher level of care shall be considered to be need for personal health-care services provided on a daily basis in the veteran's home by a person who is licensed to provide such services or who provides such services under the regular supervision of a licensed health-care professional. The existence of the

need for such care shall be determined by a physician employed by the Department or, in areas where no such physician is available, by a physician carrying out such function under contract or fee arrangement based on an examination by such physician. For the purposes of section 1134 of this title, such allowance shall be considered as additional compensation payable for disability.

(s) If the veteran has a service-connected disability rated as total, and (1) has additional service-connected disability or disabilities independently ratable at 60 percent or more, or, (2) by reason of such veteran's service-connected disability or disabilities, is permanently housebound, then the monthly compensation shall be \$2,993. For the purpose of this subsection, the requirement of "permanently housebound" will be considered to have been met when the veteran is substantially confined to such veteran's house (ward or clinical areas, if institutionalized) or immediate premises due to a service-connected disability or disabilities which it is reasonably certain will remain throughout such veteran's lifetime.

(t) Subject to section 5503(c) of this title, if any veteran, as the result of service-connected disability, is in need of regular aid and attendance for the residuals of traumatic brain injury, is not eligible for compensation under subsection (r)(2), and in the absence of such regular aid and attendance would require hospitalization, nursing home care, or other residential institutional care, the veteran shall be paid, in addition to any other compensation under this section, a monthly aid and attendance allowance equal to the rate described in subsection (r)(2), which for purposes of section 1134 of this title shall be considered as additional compensation payable for disability. An allowance authorized under this subsection shall be paid in lieu of any allowance authorized by subsection (r)(1).

(a)(1) For the purposes of section 1110 of this title, and subject to section 1113 of this title—

(A) a disease specified in paragraph (2) of this subsection becoming manifest as specified in that paragraph in a veteran who, during active military, naval, or air service, served in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975; and

(B) each additional disease (if any) that (i) the Secretary determines in regulations prescribed under this section warrants a presumption of service-connection by reason of having positive association with exposure to an herbicide agent, and (ii) becomes manifest within the period (if any) prescribed in such regulations in a veteran who, during active military, naval, or air service, served in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975, and while so serving was exposed to that herbicide agent,

shall be considered to have been incurred in or aggravated by such service, notwithstanding that there is no record of evidence of such disease during the period of such service.

(2) The diseases referred to in paragraph (1)(A) of this subsection are the following:

(A) Non-Hodgkin's lymphoma becoming manifest to a degree of disability of 10 percent or more.

(B) Each soft-tissue sarcoma becoming manifest to a degree of disability of 10 percent or more other than osteosarcoma, chondrosarcoma, Kaposi's sarcoma, or mesothelioma.

(C) Chloracne or another acneform disease consistent with chloracne becoming manifest to a degree of disability of 10 percent or more within one year after the last date on which the veteran performed active military, naval, or air service in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975.

(D) Hodgkin's disease becoming manifest to a degree of disability of 10 percent or more.

(F) Respiratory cancers (cancer of the lung, bronchus, larynx, or trachea) becoming manifest to a degree of disability of 10 percent or more.

(I) Parkinsonism.

(J) Bladder cancer.

(b)(1) Whenever the Secretary determines, on the basis of sound medical and scientific evidence, that a positive association exists between (A) the exposure of humans to an herbicide agent, and (B) the occurrence of a disease in humans, the Secretary shall prescribe regulations providing that a presumption of service connection is warranted for that disease for the purposes of this section.

(2) In making determinations for the purpose of this subsection, the Secretary shall take into account (A) reports received by the Secretary from the National Academy of Sciences under section 3 of the Agent Orange Act of 1991, and (B) all other sound medical and scientific information and analyses available to the Secretary. In evaluating any study for the purpose of making such determinations, the Secretary shall take into consideration whether the results are statistically significant, are capable of replication, and withstand peer review.

(3) An association between the occurrence of a disease in humans and exposure to an herbicide agent shall be considered to be positive for the purposes of this section if the credible evidence for the association is equal to or outweighs the credible evidence against the association.

(c)(1)(A) Not later than 60 days after the date on which the Secretary receives a report from the National Academy of Sciences under section 3 of the Agent Orange Act of 1991, the Secretary shall determine whether a presumption of service connection is warranted for each disease covered by the report. If the Secretary determines that such a presumption is warranted, the Secretary, not later than 60 days after making the determination, shall issue proposed regulations setting forth the Secretary's determination.

(B) If the Secretary determines that a presumption of service connection is not warranted, the Secretary, not later than 60 days after making the determination, shall publish in the Federal Register a notice of that determination. The notice shall include an explanation of the scientific basis for that determination. If the disease already is included in regulations providing for a presumption of service connection, the Secretary, not later than 60 days after

publication of the notice of a determination that the presumption is not warranted, shall issue proposed regulations removing the presumption for the disease.

(2) Not later than 90 days after the date on which the Secretary issues any proposed regulations under this subsection, the Secretary shall issue final regulations. Such regulations shall be effective on the date of issuance.

(d) Whenever a disease is removed from regulations prescribed under this section—

(1) a veteran who was awarded compensation for such disease on the basis of the presumption provided in subsection (a) before the effective date of the removal shall continue to be entitled to receive compensation on that basis; and

(2) a survivor of a veteran who was awarded dependency and indemnity compensation for the death of a veteran resulting from such disease on the basis of such presumption shall continue to be entitled to receive dependency and indemnity compensation on such basis.

(e) Subsections (b) through (d) shall cease to be effective on September 30, 2015.

(f) For purposes of establishing service connection for a disability or death resulting from exposure to a herbicide agent, including a presumption of service-connection under this section, a veteran who, during active military, naval, or air service, served in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975, shall be presumed to have been exposed during such service to an herbicide agent containing dioxin or 2,4-dichlorophenoxyacetic acid, and may be presumed to have been exposed during such service to any other chemical compound in an herbicide agent, unless there is affirmative evidence to establish that the veteran was not exposed to any such agent during that service.

"(2) The Secretary of Veterans Affairs shall enter into a contract with the National Academy of Sciences, not later than six months after the date of the enactment of this Act [Dec. 27, 2001], for the performance of a study to include a review of all available scientific literature on the effects of exposure to an herbicide agent containing dioxin on the development of respiratory cancers in humans and whether it is possible to identify a period of time after exposure to herbicides after which a presumption of service-connection for such exposure would not be warranted. Under the contract, the National Academy of Sciences shall submit a report to the Secretary setting forth its conclusions. The report shall be submitted not later than 18 months after the contract is entered into.

"(3) For a period of six months beginning on the date of the receipt of the report of the National Academy of Sciences under paragraph (2), the Secretary may, if warranted by clear scientific evidence presented in the National Academy of Sciences report, initiate a rule-making under which the Secretary would specify a limit on the number of years after a claimant's departure from Vietnam after which respiratory cancers would not be presumed to have been associated with the claimant's exposure to herbicides while serving in Vietnam. Any such limit under such a rule may not take effect until 120 days have passed after the publication of a final rule to impose such a limit.

"(4)(A) Subject to subparagraphs (B) and (C), if the Secretary imposes such a limit under paragraph (3), that limit shall be effective only as to claims filed on or after the effective date of that limit.

"(B) In the case of any veteran whose disability or death due to respiratory cancer is found by the Secretary to be service-connected under section 1116(a)(2)(F) of title 38, United States Code, as amended by paragraph (1), such disability or death shall remain service-connected for purposes of all provisions of law under such title notwithstanding the imposition, if any, of a time limit by the Secretary by rulemaking authorized under paragraph (3).

"(C) Subparagraph [sic] (B) does not apply in a case in which—

"(i) the original award of compensation or service connection was based on fraud; or

"(ii) it is clearly shown from military records that the person concerned did not have the requisite service or character of discharge."

"(2) to make its determinations and estimates on the basis of the results of such review and all other reviews conducted for the purposes of this section.

"(g) REPORTS.—(1) The agreement between the Secretary and the National Academy of Sciences shall require the Academy to transmit to the Secretary and the Committees on Veterans' Affairs of the Senate and House of Representatives periodic written reports regarding the Academy's activities under the agreement. Such reports shall be submitted at least once every two years (as measured from the date of the first report).

"(2) The first report under this subsection shall be transmitted not later than the end of the 18-month period beginning on the date of the enactment of this Act [Feb. 6, 1991]. In making its recommendation with respect to each such section, the Academy shall consider the scientific information that is currently available, the value and relevance of the information that could result from implementing that section, and the cost and feasibility of implementing that section. If the Academy recommends that the provisions of section 6 should be implemented, the Academy shall also rec-

commend the means by which clinical data referred to in that section could be maintained in the most scientifically useful way.

PERSIAN GULF WAR VETERANS' BENEFITS

L. 105-368, title I, § 107, Nov. 11, 1998, 112 Stat. 3325; Pub. L. 106-117, title II, § 205(b), (c), Nov. 30, 1999, 113 Stat. 1563; Pub. L. 115-182, title I, § 144(a)(3), June 6, 2018, 132 Stat. 1430, provided that:

“SEC. 102. FINDINGS.

“The Congress makes the following findings:

“(1) During the Persian Gulf War, members of the Armed Forces were exposed to numerous potentially toxic substances, including fumes and smoke from military operations, oil well fires, diesel exhaust,

paints, pesticides, depleted uranium, infectious agents, investigational drugs and vaccines, and indigenous diseases, and were also given multiple immunizations. It is not known whether these servicemembers were exposed to chemical or biological warfare agents. However, threats of enemy use of chemical and biological warfare heightened the psychological stress associated with the military operation.

“(2) Significant numbers of veterans of the Persian Gulf War are suffering from illnesses, or are exhibiting symptoms of illness, that cannot now be diagnosed or clearly defined. As a result, many of these conditions or illnesses are not considered to be service connected under current law for purposes of benefits administered by the Department of Veterans Affairs.

“(3) The National Institutes of Health Technology Assessment Workshop on the Persian Gulf Experience and Health, held in April 1994, concluded that the complex biological, chemical, physical, and psychological environment of the Southwest Asia theater of operations produced complex adverse health effects in Persian Gulf War veterans and that no single disease entity or syndrome is apparent. Rather, it may be that the illnesses suffered by those veterans result from multiple illnesses with overlapping symptoms and causes that have yet to be defined.

“(4) That workshop concluded that the information concerning the range and intensity of exposure to toxic substances by military personnel in the Southwest Asia theater of operations is very limited and that such information was collected only after a considerable delay.

“(5) In response to concerns regarding the health-care needs of Persian Gulf War veterans, particularly those who suffer from illnesses or conditions for which no diagnosis has been made, the Congress, in Public Law 102-585 [see Short Title of 1992 Amendments note under section 101 of this title], directed the establishment of a Persian Gulf War Veterans Health Registry, authorized health examinations for veterans of the Persian Gulf War, and provided for the National Academy of Sciences to conduct a comprehensive review and assessment of information regarding the health consequences of military service in the Persian Gulf theater of operations and to develop recommendations on avenues for research regarding such health consequences. In Public Law 103-210 [see Tables for classification], the Congress authorized the Department of Veterans Affairs to provide health care services on a priority basis to Persian Gulf War veterans. The Congress also provided in Public Law 103-160 (the National Defense Authorization Act for Fiscal Year 1994) [see Tables for classification] for the establishment of a specialized environmental medical facility for the conduct of research into the possible health effects of exposure to low levels of hazardous chemicals, especially among Persian Gulf veterans, and for research into the possible health effects of battlefield exposure in such veterans to depleted uranium.

“(6) In response to concerns about the lack of objective research on Gulf War illnesses, Congress included research provisions in the National Defense Authorization Act for Fiscal Year 1995 [Pub. L. 103-337, see Tables for classification], which was passed by the House and Senate in September 1994. This legislation requires the Secretary of Defense to provide research grants to non-Federal researchers to support three types of studies of the Gulf War syndrome. The first type of study will be an epidemiological study or studies of the incidence, prevalence, and nature of the illness and symptoms and the risk factors associated with symptoms or illnesses. This will include illnesses among spouses and birth defects and illnesses among offspring born before and after the Gulf War. The second group of studies shall be conducted to determine the health consequences of the use of pyridostigmine bromide as a pretreatment antidote

enhancer during the Persian Gulf War, alone or in combination with exposure to pesticides, environmental toxins, and other hazardous substances. The final group of studies shall include clinical research and other studies on the causes, possible transmission, and treatment of Gulf War syndrome, and will include studies of veterans and their spouses and children.

“(7) Further research and studies must be undertaken to determine the underlying causes of the illnesses suffered by Persian Gulf War veterans and, pending the outcome of such research, veterans who are seriously ill as the result of such illnesses should be given the benefit of the doubt and be provided compensation benefits to offset the impairment in earnings capacities they may be experiencing.

“SEC. 103. PURPOSES.

“The purposes of this title [see Short Title of 1994 Amendments note under section 101 of this title] are—

“(1) to provide compensation to Persian Gulf War veterans who suffer disabilities resulting from illnesses that cannot now be diagnosed or defined, and for which other causes cannot be identified;

“(2) to require the Secretary of Veterans Affairs to develop at the earliest possible date case assessment strategies and definitions or diagnoses of such illnesses;

“(3) to promote greater outreach to Persian Gulf War veterans and their families to inform them of ongoing research activities, as well as the services and benefits to which they are currently entitled; and

“(4) to ensure that research activities and accompanying surveys of Persian Gulf War veterans are appropriately funded and undertaken by the Department of Veterans Affairs.

“SEC. 104. DEVELOPMENT OF MEDICAL EVALUATION PROTOCOL.

“(a) UNIFORM MEDICAL EVALUATION PROTOCOL.—(1) The Secretary of Veterans Affairs shall develop and implement a uniform and comprehensive medical evaluation protocol that will ensure appropriate medical assessment, diagnosis, and treatment of Persian Gulf War veterans who are suffering from illnesses the origins of which are (as of the date of the enactment of this Act [Nov. 2, 1994]) unknown and that may be attributable to service in the Southwest Asia theater of operations during the Persian Gulf War. The protocol shall include an evaluation of complaints relating to illnesses involving the reproductive system.

“(2) If such a protocol is not implemented before the end of the 120-day period beginning on the date of the enactment of this Act [Nov. 2, 1994], the Secretary shall, before the end of such period, submit to the Committees on Veterans' Affairs of the Senate and House of Representatives a report as to why such a protocol has not yet been developed.

“(3)(A) The Secretary shall ensure that the evaluation under the protocol developed under this section is available at all Department medical centers that have the capability of providing the medical assessment, diagnosis, and treatment required under the protocol.

“(B) The Secretary may enter into contracts with non-Department medical facilities for the provision of the evaluation under the protocol.

“(C) In the case of a veteran whose residence is distant from a medical center described in subparagraph (A), the Secretary may provide the evaluation through a Department medical center described in that subparagraph and, in such a case, may provide the veteran the travel and incidental expenses therefor pursuant to the provisions of section 111 of title 38, United States Code.

“(4)(A) If the Secretary is unable to diagnose the symptoms or illness of a veteran provided an evaluation, or if the symptoms or illness of a veteran do not respond to treatment provided by the Secretary, the Secretary may use the authority in section 1703 of title 38, United States Code, in order to provide for the veteran to receive diagnostic tests or treatment at a non-

Department medical facility that may have the capability of diagnosing or treating the symptoms or illness of the veteran. The Secretary may provide the veteran the travel and incidental expenses therefor pursuant to the provisions of section 111 of title 38, United States Code.

“(B) The Secretary shall request from each non-Department medical facility that examines or treats a veteran under this paragraph such information relating to the diagnosis or treatment as the Secretary considers appropriate.

“(5) In each year after the implementation of the protocol, the Secretary shall enter into an agreement with the National Academy of Sciences under which agreement appropriate experts shall review the adequacy of the protocol and its implementation by the Department of Veterans Affairs.

“(b) RELATIONSHIP TO OTHER COMPREHENSIVE CLINICAL EVALUATION PROTOCOLS.—The Secretary, in consultation with the Secretary of Defense, shall ensure that the information collected through the protocol described in this section is collected and maintained in a manner that permits the effective and efficient cross-reference of that information with information collected and maintained through the comprehensive clinical protocols of the Department of Defense for Persian Gulf War veterans.

“(c) CASE DEFINITIONS AND DIAGNOSES.—The Secretary shall develop case definitions or diagnoses for illnesses associated with the service described in subsection (a)(1). The Secretary shall develop such definitions or diagnoses at the earliest possible date.

[Pub. L. 115–182, title I, § 144(a)(3), (b), June 6, 2018, 132 Stat. 1430, provided that, effective on the date described in section 101(b), set out as an Effective Date of 2018 Amendment note under section 1703 of this title, section 104(a)(4)(A) of Pub. L. 103–446, set out above, is amended by substituting “in sections 1703A, 8111, and 8153” for “in section 1703”.]

“SEC. 105. OUTREACH TO PERSIAN GULF VETERANS.

“(a) IN GENERAL.—The Secretary of Veterans Affairs shall implement a comprehensive outreach program to inform Persian Gulf War veterans and their families of the medical care and other benefits that may be provided by the Department of Veterans Affairs and the Department of Defense arising from service in the Persian Gulf War.

“(b) NEWSLETTER.—(1) The outreach program shall include a newsletter which shall be updated and distributed at least semi-annually and shall be distributed to the veterans listed on the Persian Gulf War Veterans Health Registry. The newsletter shall include summaries of the status and findings of Government sponsored research on illnesses of Persian Gulf War veterans and their families, as well as on benefits available to such individuals through the Department of Veterans Affairs. The newsletter shall be prepared in consultation with veterans service organizations.

“(2) The requirement under this subsection for the distribution of the newsletter shall terminate on December 31, 2003.

“(c) TOLL-FREE NUMBER.—The outreach program shall include establishment of a toll-free telephone number to provide Persian Gulf War veterans and their families information on the Persian Gulf War Veterans Health Registry, health care and other benefits provided by the Department of Veterans Affairs, and such other information as the Secretary considers appropriate. Such toll-free telephone number shall be established not later than 90 days after the date of the enactment of this Act [Nov. 2, 1994].

“SEC. 107. EVALUATION OF HEALTH STATUS OF SPOUSES AND CHILDREN OF PERSIAN GULF WAR VETERANS.

“(a) EVALUATION PROGRAM.—Subject to subsection (c), the Secretary of Veterans Affairs shall conduct a program to evaluate the health status of spouses and children of Persian Gulf War veterans. Under the pro-

gram, the Secretary shall provide for the conduct of diagnostic testing and appropriate medical examinations of any individual—

“(1) who is the spouse or child of a veteran who—

“(A) is listed in the Persian Gulf War Veterans Registry established under section 702 of Public Law 102-585 [set out in a note under section 527 of this title]; and

“(B) is suffering from an illness or disorder;

“(2) who is apparently suffering from, or may have suffered from, an illness or disorder (including a birth defect, miscarriage, or stillbirth) which cannot be disassociated from the veteran's service in the Southwest Asia theater of operations; and

“(3) who, in the case of a spouse, has granted the Secretary permission to include in the Registry relevant medical data (including a medical history and the results of diagnostic testing and medical examinations) and such other information as the Secretary considers relevant and appropriate with respect to such individual.

§ 1118. Presumptions of service connection for illnesses associated with service in the Persian Gulf during the Persian Gulf War

(a)(1) For purposes of section 1110 of this title, and subject to section 1113 of this title, each illness, if any, described in paragraph (2) shall be considered to have been incurred in or aggravated by service referred to in that paragraph, notwithstanding that there is no record of evidence of such illness during the period of such service.

(2) An illness referred to in paragraph (1) is any diagnosed or undiagnosed illness that—

(A) the Secretary determines in regulations prescribed under this section to warrant a presumption of service connection by reason of having a positive association with exposure to a biological, chemical, or other toxic agent, environmental or wartime hazard, or preventive medicine or vaccine known or presumed to be associated with service in the Armed

Forces in the Southwest Asia theater of operations during the Persian Gulf War; and

(B) becomes manifest within the period, if any, prescribed in such regulations in a veteran who served on active duty in that theater of operations during that war and by reason of such service was exposed to such agent, hazard, or medicine or vaccine.

(3) For purposes of this subsection, a veteran who served on active duty in the Southwest Asia theater of operations during the Persian Gulf War and has an illness described in paragraph (2) shall be presumed to have been exposed by reason of such service to the agent, hazard, or medicine or vaccine associated with the illness in the regulations prescribed under this section unless there is conclusive evidence to establish that the veteran was not exposed to the agent, hazard, or medicine or vaccine by reason of such service.

(4) For purposes of this section, signs or symptoms that may be a manifestation of an undiagnosed illness include the signs and symptoms listed in section 1117(g) of this title.

(b)(1)(A) Whenever the Secretary makes a determination described in subparagraph (B), the Secretary shall prescribe regulations providing that a presumption of service connection is warranted for the illness covered by that determination for purposes of this section.

(B) A determination referred to in subparagraph (A) is a determination based on sound medical and scientific evidence that a positive association exists between—

(i) the exposure of humans or animals to a biological, chemical, or other toxic agent, environmental or wartime hazard, or preventive medicine or vaccine known or presumed to be associated with service in the Southwest Asia theater of operations during the Persian Gulf War; and

(ii) the occurrence of a diagnosed or undiagnosed illness in humans or animals.

(2)(A) In making determinations for purposes of paragraph (1), the Secretary shall take into account—

(i) the reports submitted to the Secretary by the National Academy of Sciences under section 1603 of the Persian Gulf War Veterans Act of 1998; and

(ii) all other sound medical and scientific information and analyses available to the Secretary.

(B) In evaluating any report, information, or analysis for purposes of making such determinations, the Secretary shall take into consideration whether the results are statistically significant, are capable of replication, and withstand peer review.

(3) An association between the occurrence of an illness in humans or animals and exposure to an agent, hazard, or medicine or vaccine shall be considered to be positive for purposes of this subsection if the credible evidence for the association is equal to or outweighs the credible evidence against the association.

(c)(1) Not later than 60 days after the date on which the Secretary receives a report from the National Academy of Sciences under section 1603 of the Persian Gulf War Veterans Act of 1998, the

Secretary shall determine whether or not a presumption of service connection is warranted for each illness, if any, covered by the report.

(2) If the Secretary determines under this subsection that a presumption of service connection is warranted, the Secretary shall, not later than 60 days after making the determination, issue proposed regulations setting forth the Secretary's determination.

(3)(A) If the Secretary determines under this subsection that a presumption of service connection is not warranted, the Secretary shall, not later than 60 days after making the determination, publish in the Federal Register a notice of the determination. The notice shall include an explanation of the scientific basis for the determination.

(B) If an illness already presumed to be service connected under this section is subject to a determination under subparagraph (A), the Secretary shall, not later than 60 days after publication of the notice under that subparagraph, issue proposed regulations removing the presumption of service connection for the illness.

(4) Not later than 90 days after the date on which the Secretary issues any proposed regulations under this subsection, the Secretary shall issue final regulations. Such regulations shall be effective on the date of issuance.

(d) Whenever the presumption of service connection for an illness under this section is removed under subsection (c)—

(1) a veteran who was awarded compensation for the illness on the basis of the presumption before the effective date of the removal of the presumption shall continue to be entitled to receive compensation on that basis; and

(2) a survivor of a veteran who was awarded dependency and indemnity compensation for the death of a veteran resulting from the illness on the basis of the presumption before that date shall continue to be entitled to receive dependency and indemnity compensation on that basis.

(e) Subsections (b) through (d) shall cease to be effective on September 30, 2011.

SUBCHAPTER VI—GENERAL
COMPENSATION PROVISIONS

§ 1151. Benefits for persons disabled by treatment or vocational rehabilitation

(a) Compensation under this chapter and dependency and indemnity compensation under chapter 13 of this title shall be awarded for a qualifying additional disability or a qualifying death of a veteran in the same manner as if such additional disability or death were service-connected. For purposes of this section, a disability or death is a qualifying additional disability or qualifying death if the disability or death was not the result of the veteran's willful misconduct and—

(1) the disability or death was caused by hospital care, medical or surgical treatment, or examination furnished the veteran under any law administered by the Secretary, either by a Department employee or in a Department facility as defined in section 1701(3)(A) of this title, and the proximate cause of the disability or death was—

(A) carelessness, negligence, lack of proper skill, error in judgment, or similar instance of fault on the part of the Department in furnishing the hospital care, medical or surgical treatment, or examination; or

(B) an event not reasonably foreseeable; or

(2) the disability or death was proximately caused (A) by the provision of training and rehabilitation services by the Secretary (including by a service-provider used by the Secretary for such purpose under section 3115 of this title) as part of an approved rehabilitation program under chapter 31 of this title, or (B) by participation in a program (known as a "compensated work therapy program") under section 1718 of this title.

(b)(1) Where an individual is, on or after December 1, 1962, awarded a judgment against the United States in a civil action brought pursuant to section 1346(b) of title 28 or, on or after December 1, 1962, enters into a settlement or compromise under section 2672 or 2677 of title 28 by reason of a disability or death treated pursuant to this section as if it were service-connected, then (except as otherwise provided in paragraph (2)) no benefits shall be paid to such individual for any month beginning after the date such judgment, settlement, or compromise on account of such disability or death becomes final until the aggregate amount of benefits which would be paid but for this subsection equals the total amount included in such judgment, settlement, or compromise.

(2) In the case of a judgment, settlement, or compromise covered by paragraph (1) that becomes final on or after the date of the enactment of this paragraph and that includes an amount that is specifically designated for a purpose for which benefits are provided under chapter 21 or 39 of this title (hereinafter in this paragraph referred to as the "offset amount"), if such judgment, settlement, or compromise becomes final before the date of the award of benefits under chapter 21 or 39 for the purpose for which the offset amount was specifically designated—

(A) the amount of such award shall be reduced by the offset amount; and

(B) if the offset amount is greater than the amount of such award, the excess amount received pursuant to the judgment, settlement or compromise, shall be offset against benefits otherwise payable under this chapter.

(c) A qualifying additional disability under this section shall be treated in the same manner as if it were a service-connected disability for purposes of the following provisions of this title:

(1) Chapter 21, relating to specially adapted housing.

(2) Chapter 39, relating to automobiles and adaptive equipment.

VETERANS' DIOXIN AND RADIATION EXPOSURE COMPENSATION STANDARDS; CONGRESSIONAL FINDINGS AND STATEMENT OF PURPOSE

Pub. L. 98-542, §1-3, Oct. 24, 1984, 98 Stat. 2725, 2727, as amended by Pub. L. 102-4, §10(a), (b), Feb. 6, 1991, 105 Stat. 19, provided that:

"SHORT TITLE

"SECTION 1. This Act [amending this section, enacting provisions set out as notes under this section, and amending provisions set out as notes under this section and section 1116 of this title] may be cited as the 'Veterans' Dioxin and Radiation Exposure Compensation Standards Act'.

"FINDINGS

"SEC. 2. The Congress makes the following findings:

"(1) Veterans who served in the Republic of Vietnam during the Vietnam era and veterans who participated in atmospheric nuclear tests or the American occupation of Hiroshima or Nagasaki, Japan, are deeply concerned about possible long-term health effects of exposure to herbicides containing dioxin or to ionizing radiation.

"(2) There is scientific and medical uncertainty regarding such long-term adverse health effects.

"(3) In section 102 of Public Law 97-22 [see Tables for classification], the Congress responded to that uncertainty by authorizing priority medical care at Veterans' Administration [now Department of Veterans Affairs] facilities for any disability of a veteran who may have been so exposed (even though there is insufficient medical evidence linking such disability with such exposure) unless the disability is found to have resulted from a cause other than the exposure.

"(4) The Congress has further responded to that medical and scientific uncertainty by requiring, in section 307 of Public Law 96-151 [set out as a note under section 1116 of this title] and section 601 of Public Law 98-160 [set out below], the conduct of thorough epidemiological studies of the health effects experienced by veterans in connection with exposure both to herbicides containing dioxin and (if not determined to be scientifically infeasible) to radiation, and by requiring in Public Law 97-414 [see Tables for classification], the development of radioepidemiological tables setting forth the probabilities of causation between various cancers and exposure to radiation.

"(5) There is some evidence that most types of leukemia, malignancies of the thyroid, female breast, lung, bone, liver, and skin, and polycythemia vera are associated with exposure to certain levels of ionizing radiation.

"(6) As of the date of the enactment of this Act [Oct. 24, 1984], there are sixty-six federally sponsored research projects being conducted relating to herbicides containing dioxin, at a cost to the Federal Government in excess of \$130,000,000 and, as of 1981, federally sponsored research projects relating to ionizing radiation were costing the Federal Government more than \$115,000,000.

"(7) The initial results of one project—an epidemiological study, conducted by the United States Air Force School of Aerospace Medicine, of the health status of the 'Ranch Hand' veterans who carried out

the loading and aerial spraying of herbicides containing dioxin in Vietnam and in the process came into direct skin contact with such herbicides in their most concentrated liquid form—were released on February 24, 1984, and contained the conclusion 'that there is insufficient evidence to support a cause and effect relationship between herbicide exposure and adverse health in the Ranch Hand group at this time'.

"(8) The 'film badges' which were originally issued to members of the Armed Forces in connection with the atmospheric nuclear test program have previously constituted a primary source of dose information for veterans (and survivors of veterans) filing claims for Veterans' Administration [now Department of Veterans Affairs] disability compensation or dependency and indemnity compensation in connection with exposure to radiation.

"(9) These film badges often provide an incomplete measure of radiation exposure, since they were not capable of recording inhaled, ingested, or neutron doses (although the Defense Nuclear Agency currently has the capability to reconstruct individual estimates of such doses), were not issued to most of the participants in nuclear tests, often provided questionable readings because they were shielded during the detonation, and were worn for only limited periods during and after each nuclear detonation.

"(10) Standards governing the reporting of dose estimates in connection with radiation-related claims for Veterans' Administration [now Department of Veterans Affairs] disability compensation vary among the several branches of the Armed Forces, and no uniform minimum standards exist.

"(11) The Veterans' Administration [now Department of Veterans Affairs] has not promulgated permanent regulations setting forth specific guidelines, standards, and criteria for the adjudication of claims for Veterans' Administration disability compensation based on exposure to herbicides containing dioxin or to ionizing radiation.

"(12) Such claims (especially those involving health effects with long latency periods) present adjudicatory issues which are significantly different from issues generally presented in claims based upon the usual types of injuries incurred in military service.

"(13) It has always been the policy of the Veterans' Administration [now Department of Veterans Affairs] and is the policy of the United States, with respect to individual claims for service connection of diseases and disabilities, that when, after consideration of all evidence and material of record, there is an approximate balance of positive and negative evidence regarding the merits of an issue material to the determination of a claim, the benefit of the doubt in resolving each such issue shall be given to the claimant.

"PURPOSE

"SEC. 3. The purpose of this Act is to ensure that Veterans' Administration [now Department of Veterans Affairs] disability compensation is provided to veterans who were exposed to ionizing radiation in connection with atmospheric nuclear tests or in connection with the American occupation of Hiroshima or Nagasaki, Japan, for all disabilities arising after that service that are connected, based on sound scientific and medical evidence, to such service (and that Veterans' Administration dependency and indemnity compensation is provided to survivors of those veterans for all deaths resulting from such disabilities)."

REQUIREMENT FOR AND CONTENT OF REGULATIONS; ADVISORY COMMITTEE ON ENVIRONMENTAL STANDARDS; NUCLEAR RADIATION MATTERS INVOLVING OTHER AGENCIES

Pub. L. 98-542, § 5-7, Oct. 24, 1984, 98 Stat. 2727-2730, as amended by Pub. L. 100-321, § 2(c), May 20, 1988, 102 Stat. 486; Pub. L. 102-4, § 10(c), (d), Feb. 6, 1991, 105 Stat. 19, 20; Pub. L. 102-83, § 5(c)(2), Aug. 6, 1991, 105 Stat. 406, provided that:

"REQUIREMENT FOR AND CONTENT OF REGULATIONS

"SEC. 5. (a) In carrying out the responsibilities of the Administrator of Veterans' Affairs [now Secretary of Veterans Affairs] under section 1154(a)(2) [formerly 354(a)(2)] of title 38, United States Code, and in order to promote consistency in claims processing and decisions, the Administrator shall prescribe regulations to—

"(1) establish guidelines and (where appropriate) standards and criteria for the resolution of claims for benefits under laws administered by the Veterans' Administration [now Department of Veterans Affairs] where the criteria for eligibility for a benefit include a requirement that a death or disability be service connected and the claim of service connection is based on a veteran's exposure during service in connection with such veteran's participation in atmospheric nuclear tests or with the American occupation of Hiroshima or Nagasaki, Japan, prior to July 1, 1946, to ionizing radiation from the detonation of a nuclear device; and

"(2) ensure that, with respect to those claims, the policy of the United States described in section 2(13) [set out above] is carried out.

"(b)(1)(A) The guidelines required to be established in regulations prescribed under this section shall include guidelines governing the evaluation of the findings of scientific studies relating to the possible increased risk of adverse health effects of exposure to ionizing radiation. Those guidelines shall require that, in the evaluation of those studies, the Administrator [now Secretary] shall take into account whether the results are statistically significant, are capable of replication, and withstand peer review.

"(B) The evaluations described in subparagraph (A) shall be made by the Administrator of Veterans' Affairs [now Secretary of Veterans Affairs] after receiving the advice of the Scientific Council of the Veterans' Advisory Committee on Environmental Hazards (established under section 6). Those evaluations shall be published in the notice section of the Federal Register.

"(C) The standards and criteria required to be established in regulations prescribed under this section shall include provisions governing the use in the adjudication of individual claims of the Administrator's [now Secretary's] evaluations made under subparagraph (B).

"(2)(A)(i) In prescribing regulations under this section, the Administrator [now Secretary] (after receiving the advice of the Advisory Committee and of the Scientific Council of the Veterans' Advisory Committee on Environmental Hazards regarding the diseases described in subparagraph (B)) shall make determinations, based on sound medical and scientific evidence, with respect to each disease described in subparagraph (B) as to whether service connection shall, subject to division (ii) of this subparagraph, be granted in the adjudication of individual cases. In making determinations regarding such diseases, the Administrator shall give due regard to the need to maintain the policy of the United States with respect to the resolution of contested issues as set forth in section 2(13) [set out above]. The Administrator shall set forth in such regulations such determinations, with any specification (relating to exposure or other relevant matter) of limitations on the circumstances under which service connection shall be granted, and shall implement such determinations in accordance with such regulations.

“(ii) If the Administrator [now Secretary] makes a determination, pursuant to this subparagraph, that service connection shall be granted in the case of a disease described in subparagraph (B), the Administrator shall specify in such regulations that, in the adjudication of individual cases, service connection shall not be granted where there is sufficient affirmative evidence to the contrary or evidence to establish that an intercurrent injury or disease which is a recognized cause of the described disease has been suffered between the date of separation from service and the onset of such disease or that the disability is due to the veteran's own willful misconduct.

“(iii) With regard to each disease described in subparagraph (B), the Administrator [now Secretary] shall include in the regulations prescribed under this section provisions specifying the factors to be considered in adjudicating issues relating to whether or not service connection should be granted in individual cases and the circumstances governing the granting of service connection for such disease.

“(B) The diseases referred to in subparagraph (A) are those specified in section 2(5) [set out above] and any other disease with respect to which the Administrator [now Secretary] finds (after receiving and considering the advice of the Scientific Council established under section 6(d)(2)) that there is sound scientific or medical evidence indicating a connection to exposure to ionizing radiation, in the case of a veteran who was exposed to ionizing radiation in connection with such veteran's participation in an atmospheric nuclear test or with the American occupation of Hiroshima or Nagasaki, Japan, before July 1, 1946.

“(3) The regulations prescribed under this section shall include—

“(A) specification of the maximum period of time after exposure to such ionizing radiation for the development of those diseases; and

“(B) a requirement that a claimant filing a claim based upon a veteran's exposure to ionizing radiation from the detonation of a nuclear device may not be required to produce evidence substantiating the veteran's exposure during active military, naval, or air service if the information in the veteran's service records and other records of the Department of Defense is not inconsistent with the claim that the veteran was present where and when the claimed exposure occurred.

“(c)(1) The Administrator of Veterans' Affairs [now Secretary of Veterans Affairs] shall develop the regulations required by this section (and any amendment to those regulations) through a public review and comment process in accordance with the provisions of section 553 of title 5, United States Code. That process may include consideration by the Administrator of the recommendations of the Veterans' Advisory Committee on Environmental Hazards and the Scientific Council thereof (established under section 6) with respect to the proposed regulations, and that process shall include consideration by the Administrator of the recommendations of the Committee and the Council with respect to the final regulations and proposed and final amendments to such regulations. The period for public review and comment shall be completed not later than ninety days after the proposed regulations or proposed amendments are published in the Federal Register.

“(2)(A) Not later than one hundred and eighty days after the date of the enactment of this Act [Oct. 24, 1984], the Administrator [now Secretary] shall develop and publish in the Federal Register a proposed version of the regulations required to be prescribed by this section.

“(B) Not later than three hundred days after the date of the enactment of this Act [Oct. 24, 1984], the Administrator [now Secretary] shall publish in the Federal Register the final regulations (together with explanations of the bases for the guidelines, standards, and criteria contained therein) required to be prescribed by this section.

“(3) The Council shall make findings and evaluations regarding pertinent scientific studies and shall submit to the Committee, the Administrator [now Secretary], and the Committees on Veterans' Affairs of the Senate and House of Representatives directly periodic reports on such findings and evaluations.

“(e) The Administrator [now Secretary] shall designate one of the members to chair the Committee and another member to chair the Council.

“(f) The Administrator [now Secretary] shall determine the terms of service and pay and allowances of members of the Committee, except that a term of service of any member may not exceed three years. The Administrator may reappoint any member for additional terms of service.

“(g) The Administrator [now Secretary] shall provide administrative support services and fiscal support for the Committee.

“(C) the plan referred to in paragraph (1)(B).”

INTERIM BENEFITS FOR DISABILITY OR DEATH IN CERTAIN CASES

Pub. L. 98-542, §9, Oct. 24, 1984, 98 Stat. 2732, provided for payment of interim monthly disability benefits to veterans who had served in Vietnam during Vietnam era and who had diseases chloracne and porphyria cutanea tarda which manifested themselves within one

year after date of veteran's most recent departure from Vietnam, but with no such interim benefits to be paid after Sept. 30, 1986.

RADIATION EXPOSURE STUDY AND GUIDE

Pub. L. 98-160, title VI, Nov. 21, 1983, 97 Stat. 1006, as amended by Pub. L. 98-542, §8(b), Oct. 24, 1984, 98 Stat. 2732, provided for the conduct of an epidemiological study of long-term adverse health effects of exposure to ionizing radiation from detonation of nuclear devices in connection with tests of such devices or in connection with occupation of Hiroshima and Nagasaki, Japan, between Sept. 11, 1945, and July 1, 1946, and provided for reports to Congress on studies made together with recommendations as to necessary legislation.

§ 1155. Authority for schedule for rating disabilities

The Secretary shall adopt and apply a schedule of ratings of reductions in earning capacity from specific injuries or combination of injuries. The ratings shall be based, as far as practicable, upon the average impairments of earning capacity resulting from such injuries in civil occupations. The schedule shall be constructed so as to provide ten grades of disability and no more, upon which payments of compensation shall be based, namely, 10 percent, 20 percent, 30 percent, 40 percent, 50 percent, 60 percent, 70 percent, 80 percent, 90 percent, and total, 100 percent. The Secretary shall from time to time readjust this schedule of ratings in accordance with experience. However, in no event shall such a readjustment in the rating schedule cause a veteran's disability rating in effect on the effective date of the readjustment to be reduced unless an improvement in the veteran's disability is shown to have occurred.

(Pub. L. 85-857, Sept. 2, 1958, 72 Stat. 1125, §355; Pub. L. 98-223, title I, §101(c), Mar. 2, 1984, 98 Stat. 38; renumbered §1155 and amended Pub. L. 102-83, §§4(b)(1), (2)(E), 5(a), Aug. 6, 1991, 105 Stat. 404-406; Pub. L. 102-86, title I, §103(a), Aug. 14, 1991, 105 Stat. 414.)

L. 102-83, §5, by inserting at end "However, in no event shall such a readjustment in the rating schedule cause a veteran's disability rating in effect on the effective date of the readjustment to be reduced unless an improvement in the veteran's disability is shown to have occurred."

Pub. L. 102-83, §5(a), renumbered section 355 of this title as this section.

Pub. L. 102-83, §4(b)(1), (2)(E), substituted "Secretary" for "Administrator" in two places.

§ 1302. Determination of pay grade

(a) With respect to a veteran who died in the active military, naval, air, or space service, such veteran's pay grade shall be determined as of the date of such veteran's death or as of the date of a promotion after death while in a missing status.

(b) With respect to a veteran who did not die in the active military, naval, air, or space service, such veteran's pay grade shall be determined as of—

(1) the time of such veteran's last discharge or release from active duty under conditions other than dishonorable; or

(2) the time of such veteran's discharge or release from any period of active duty for training or inactive duty training, if such veteran's death results from service-connected

The determination as to whether an individual has served satisfactorily for the required period in a higher pay grade shall be made by the Secretary of the department in which such higher pay grade was held.

(e) The pay grade of any person not otherwise described in this section, but who had a compensable status on the date of such person's death under laws administered by the Secretary, shall be determined by the head of the department under which such person performed the services by which such person obtained such status (taking into consideration such person's duties and responsibilities) and certified to the Secretary. For the purposes of this chapter, such person shall be deemed to have been on active duty while performing such services.

(2) Any person who is eligible as a parent, or, but for such person's annual income, would be eligible as a parent, for death compensation by reason of a death occurring before January 1, 1957, may receive dependency and indemnity compensation upon application therefor; however, the annual income limitations established by section 1315 of this title shall apply to each such parent.

(b)(1) Whenever the surviving spouse of a veteran has been granted dependency and indemnity compensation by reason of this section, payments to such surviving spouse and to the children of the veteran shall thereafter be made under this chapter, and shall not thereafter be made to them by reason of the death of the veteran under (A) other provisions of law administered by the Secretary providing for the payment of compensation or pension, or (B) subchapter I of chapter 81 of title 5.

§ 1524. Vocational training for certain pension recipients

(a)(1) In the case of a veteran under age 45 who is awarded a pension during the program period, the Secretary shall, based on information on file with the Department of Veterans Affairs, make a preliminary finding whether such veteran, with the assistance of a vocational training program under this section, has a good potential for achieving employment. If such potential is found to exist, the Secretary shall solicit from the veteran an application for vocational training under this section. If the veteran thereafter applies for such training, the Secretary shall provide the veteran with an evaluation, which may include a personal interview, to determine whether the achievement of a vocational goal is reasonably feasible.

(2) If a veteran who is 45 years of age or older and is awarded pension during the program period, or a veteran who was awarded pension before the beginning of the program period, applies for vocational training under this section and the Secretary makes a preliminary finding on the basis of information in the application that, with the assistance of a vocational training program under subsection (b) of this section, the veteran has a good potential for achieving employment, the Secretary shall provide the veteran with an evaluation in order to determine whether the achievement of a vocational goal by the veteran is reasonably feasible. Any such evaluation shall include a personal interview by a Department employee trained in vocational counseling.

(3) For the purposes of this section, the term "program period" means the period beginning on February 1, 1985, and ending on December 31, 1995.

(b)(1) If the Secretary, based upon an evaluation under subsection (a) of this section, determines that the achievement of a vocational goal by a veteran is reasonably feasible, the veteran shall be offered and may elect to pursue a vocational training program under this subsection. If the veteran elects to pursue such a program, the program shall be designed in consultation with the veteran in order to meet the veteran's individual needs and shall be set forth in an individualized written plan of vocational rehabilitation of the kind described in section 3107 of this title.

(2)(A) Subject to subparagraph (B) of this paragraph, a vocational training program under this subsection shall consist of vocationally oriented services and assistance of the kind provided under chapter 31 of this title and such other services and assistance of the kind provided under that chapter as are necessary to enable the veteran to prepare for and participate in vocational training or employment.

(B) A vocational training program under this subsection—

(i) may not exceed 24 months unless, based on a determination by the Secretary that an extension is necessary in order for the veteran to achieve a vocational goal identified (before the end of the first 24 months of such program) in the written plan formulated for the veteran, the Secretary grants an extension for a period not to exceed 24 months;

(ii) may not include the provision of any loan or subsistence allowance or any automobile adaptive equipment of the kind provided under chapter 39 of this title; and

(iii) may include a program of education at an institution of higher learning (as defined in sections 3452(b) and 3452(f), respectively, of this title) only in a case in which the Secretary determines that the program involved is predominantly vocational in content.

(3) When a veteran completes a vocational training program under this subsection, the Secretary may provide the veteran with counseling of the kind described in section 3104(a)(2) of this title, placement and postplacement services of the kind described in section 3104(a)(5) of this title, and training of the kind described in section 3104(a)(6) of this title during a period not to exceed 18 months beginning on the date of such completion.

(4) A veteran may not begin pursuit of a vocational training program under this subsection after the later of (A) December 31, 1995, or (B) the end of a reasonable period of time, as determined by the Secretary, following either the evaluation of the veteran under subsection (a) of this section or the award of pension to the veteran as described in subsection (a)(2) of this section. Any determination by the Secretary of such a reasonable period of time shall be made pursuant to regulations which the Secretary shall prescribe.

(c) In the case of a veteran who has been determined to have a permanent and total non-service-connected disability and who, not later than one year after the date the veteran's eligibility

for counseling under subsection (b)(3) of this section expires, secures employment within the scope of a vocational goal identified in the veteran's individualized written plan of vocational rehabilitation (or in a related field which requires reasonably developed skills and the use of some or all of the training or services furnished the veteran under such plan), the evaluation of the veteran as having a permanent and total disability may not be terminated by reason of the veteran's capacity to engage in such employment until the veteran first maintains such employment for a period of not less than 12 consecutive months.

(d) A veteran who pursues a vocational training program under subsection (b) of this section shall have the benefit of the provisions of subsection (a) of section 1525 of this title beginning at such time as the veteran's entitlement to pension is terminated by reason of income from work or training (as defined in subsection (b)(1) of that section) without regard to the date on which the veteran's entitlement to pension is terminated.

(e) Payments by the Secretary for education, training, and other services and assistance under subsection (b) of this section (other than the services of Department employees) shall be made from the Department appropriations account from which payments for pension are made.

(2) The Secretary shall coordinate the furnishing of hospital care, medical services, and extended care services under this section to covered veterans, including coordination of, at a minimum, the following:

(A) Ensuring the scheduling of medical appointments in a timely manner and the establishment of a mechanism to receive medical records from non-Department providers.

(C) Ensuring coordination among regional networks if the covered veteran accesses care and services in a different network than the regional network in which the covered veteran resides.

(c) HEALTH CARE PROVIDERS SPECIFIED.—Health care providers specified in this subsection are the following:

(E) the covered veteran and the covered veteran's referring clinician agree that furnishing care and services through a non-Department entity or provider would be in the best medical interest of the covered veteran based upon criteria developed by the Secretary.

(2) The Secretary shall ensure that the criteria developed under paragraph (1)(E) include consideration of the following:

(A) The distance between the covered veteran and the facility that provides the hospital care, medical services, or extended care services the veteran needs.

(B) The nature of the hospital care, medical services, or extended care services required.

(iii) Whether a medical condition of the covered veteran affects the ability of the covered veteran to travel.

(iv) Whether there is a compelling reason, as determined by the Secretary, that the veteran needs to receive hospital care, medical services, or extended care services from a medical facility other than a medical facility of the Department.

(v) Such other considerations as the Secretary considers appropriate.

(3) If the Secretary has determined that the Department does not offer the care or services the covered veteran requires under subparagraph (A) of paragraph (1), that the Department does not operate a full-service medical facility in the State in which the covered veteran resides under subparagraph (B) of such paragraph, that the covered veteran is described under subparagraph (C) of such paragraph, or that the Department is not able to furnish care or services in a manner that complies with designated access standards developed by the Secretary under section 1703B of this title under subparagraph (D) of such paragraph, the decision to receive hospital care, medical services, or extended care services under such subparagraphs from a health care provider specified in subsection (c) shall be at the election of the veteran.

(e) CONDITIONS UNDER WHICH CARE IS AUTHORIZED TO BE FURNISHED THROUGH NON-DEPARTMENT PROVIDERS.—(1)(A) The Secretary may furnish hospital care, medical services, or extended care services through a health care provider specified in subsection (c) to a covered veteran served by a medical service line of the Department that the Secretary has determined is not providing care that complies with the standards for quality the Secretary shall establish under section 1703C.

(B) In carrying out subparagraph (A), the Secretary shall—

(i) measure timeliness of the medical service line at a facility of the Department when compared with the same medical service line at different Department facilities; and

(ii) measure quality at a medical service line of a facility of the Department by comparing it with two or more distinct and appropriate quality measures at non-Department medical service lines.

(C)(i) The Secretary may not concurrently furnish hospital care, medical services, or extended care services under subparagraph (A) with respect to more than three medical service lines described in such subparagraph at any one health care facility of the Department.

(ii) The Secretary may not concurrently furnish hospital care, medical services, or extended care services under subparagraph (A) with respect to more than 36 medical service lines nationally described in such subparagraph.

(2) The Secretary may limit the types of hospital care, medical services, or extended care services covered veterans may receive under paragraph (1) in terms of the length of time such care and services will be available, the location at which such care and services will be available, and the clinical care and services that will be available.

(3)(A) Except as provided for in subparagraph (B), the hospital care, medical services, and extended care services authorized under paragraph (1) with respect to a medical service line shall cease when the remediation described in section 1706A with respect to such medical service line is complete.

(B) The Secretary shall ensure continuity and coordination of care for any veteran who elects to receive care or services under paragraph (1) from a health care provider specified in subsection (c) through the completion of an episode of care.

(4) The Secretary shall publish in the Federal Register, and shall take all reasonable steps to provide direct notice to covered veterans affected under this subsection, at least once each year stating the time period during which such care and services will be available, the location or locations where such care and services will be available, and the clinical services available at each location under this subsection in accordance with regulations the Secretary shall prescribe.

(5) When the Secretary exercises the authority under paragraph (1), the decision to receive care or services under such paragraph from a health care provider specified in subsection (c) shall be at the election of the covered veteran.

(f) REVIEW OF DECISIONS.—The review of any decision under subsection (d) or (e) shall be subject to the Department's clinical appeals process, and such decisions may not be appealed to the Board of Veterans' Appeals.

(g) TIERED NETWORK.—(1) To promote the provision of high-quality and high-value hospital care, medical services, and extended care services under this section, the Secretary may develop a tiered provider network of eligible providers based on criteria established by the Secretary for purposes of this section.

(2) In developing a tiered provider network of eligible providers under paragraph (1), the Secretary shall not prioritize providers in a tier over providers in any other tier in a manner that limits the choice of a covered veteran in selecting a health care provider specified in subsection (c) for receipt of hospital care, medical services, or extended care services under this section.

(h) CONTRACTS TO ESTABLISH NETWORKS OF HEALTH CARE PROVIDERS.—(1)(A) The Secretary shall enter into consolidated, competitively bid contracts to establish networks of health care providers specified in paragraphs (1) and (5) of subsection (c) for purposes of providing sufficient access to hospital care, medical services, or extended care services under this section.

(B) For purposes of subparagraph (A), the requirement to enter into consolidated, competitively bid contracts shall not restrict the authority of the Secretary under other provisions of law when modifying such a contract after entering into the contract.

(2)(A) The Secretary shall, to the extent practicable, ensure that covered veterans are able to make their own appointments using advanced technology.

(B) To the extent practicable, the Secretary shall be responsible for the scheduling of appointments for hospital care, medical services, and extended care services under this section.

(3)(A) The Secretary may terminate a contract with an entity entered into under paragraph (1) at such time and upon such notice to the entity as the Secretary may specify for purposes of this section, if the Secretary notifies the appropriate committees of Congress that, at a minimum—

(IV) is identified as an excluded source on the list maintained in the System for Award Management, or any successor system; or

(V) has been convicted of a felony or other serious offense under Federal or State law and the continued participation of the entity would be detrimental to the best interests of veterans or the Department;

(ii) it is reasonable to terminate the contract based on the health care needs of veterans; or

(iii) it is reasonable to terminate the contract based on coverage provided by contracts or sharing agreements entered into under authorities other than this section.

(B) Nothing in subparagraph (A) may be construed to restrict the authority of the Secretary to terminate a contract entered into under paragraph (1) under any other provision of law.

(4) Whenever the Secretary provides notice to an entity that the entity is failing to meet contractual obligations entered into under paragraph (1), the Secretary shall submit to the Committee on Veterans' Affairs of the Senate and the Committee on Veterans' Affairs of the House of Representatives a report on such failure. Such report shall include the following:

(B) The interim acceptance period under subparagraph (A) shall be determined by the Secretary based on the following criteria:

(i) With respect to a health care provider, when the current certification agreement for the health care provider expires.

(ii) Whether the Department has enacted certification and eligibility criteria and regulatory procedures by which non-Department providers will be authorized under this section.

(6) The Secretary shall establish a system or systems for monitoring the quality of care provided to covered veterans through a network under this subsection and for assessing the quality of hospital care, medical services, and extended care services furnished through such network before the renewal of the contract for such network.

(i) PAYMENT RATES FOR CARE AND SERVICES.—

(1) Except as provided in paragraph (2), and to the extent practicable, the rate paid for hospital care, medical services, or extended care services under any provision in this title may not exceed the rate paid by the United States to a provider of services (as defined in section 1861(u) of the Social Security Act (42 U.S.C. 1395x(u))) or a supplier (as defined in section 1861(d) of such Act (42 U.S.C. 1395x(d))) under the Medicare program under title XI or title XVIII of the Social Security Act (42 U.S.C. 1301 et seq.), including section 1834 of such Act (42 U.S.C. 1395m), for the same care or services.

(B) In this paragraph, the term “highly rural area” means an area located in a county that has fewer than seven individuals residing in that county per square mile.

(3) With respect to furnishing care or services under this section in Alaska, the Alaska Fee Schedule of the Department of Veterans Affairs shall be followed, except for when another payment agreement, including a contract or provider agreement, is in effect.

(5) Notwithstanding paragraph (1), the Secretary may incorporate, to the extent prac-

licable, the use of value-based reimbursement models to promote the provision of high-quality care.

(6) With respect to hospital care, medical services, or extended care services for which there is not a rate paid under the Medicare program as described in paragraph (1), the rate paid for such care or services shall be determined by the Secretary.

(j) TREATMENT OF OTHER HEALTH PLAN CONTRACTS.—In any case in which a covered veteran is furnished hospital care, medical services, or extended care services under this section for a non-service-connected disability described in subsection (a)(2) of section 1729 of this title, the Secretary shall recover or collect reasonable charges for such care or services from a health plan contract described in section 1729 in accordance with such section.

(k) PAYMENT BY VETERAN.—A covered veteran shall not pay a greater amount for receiving care or services under this section than the amount the veteran would pay for receiving the same or comparable care or services at a medical facility of the Department or from a health care provider of the Department.

(m) MONITORING OF CARE PROVIDED.—(1)(A) Not later than 540 days after the date of the enactment of the Caring for Our Veterans Act of 2018, and not less frequently than annually thereafter, the Secretary shall submit to appropriate committees of Congress a review of the types and frequency of care sought under subsection (d).

(B) The review submitted under subparagraph (A) shall include an assessment of the following:

(n) PROHIBITION ON CERTAIN LIMITATIONS.—(1) The Secretary shall not limit the types of hospital care, medical services, or extended care services covered veterans may receive under this section if it is in the best medical interest of the veteran to receive such hospital care, medical services, or extended care services, as determined by the veteran and the veteran's health care provider.

(i) APPLICABILITY OF OTHER PROVISIONS OF LAW.—(1) A Veterans Care Agreement may be authorized by the Secretary or any Department official authorized by the Secretary, and such action shall not be treated as—

(B) a Federal contract for the acquisition of goods or services for purposes of any provision of Federal law governing Federal contracts for the acquisition of goods or services except section 4706(d) of title 41.

(2)(A) Except as provided in the agreement itself, in subparagraph (B), and unless otherwise provided in this section or regulations prescribed pursuant to this section, an eligible entity or provider that enters into an agreement under this section is not subject to, in the carrying out of the agreement, any law to which providers of services and suppliers under the Medicare program under title XVIII of the Social Security Act (42 U.S.C. 1395 et seq.) are not subject.

(B) An eligible entity or provider that enters into an agreement under this section is subject to—

To the extent practicable, the Secretary shall ensure that the pilot programs are located in geographically diverse areas of the United States.

(d) BUDGET.—Funding for each pilot program carried out by the Secretary under this section shall come from appropriations—

(1) provided in advance in appropriations acts for the Veterans Health Administration; and

(2) provided for information technology systems.

(e) NOTICE.—The Secretary shall—

(2) Before waiving any authority under paragraph (1), the Secretary shall submit to the Speaker of the House of Representatives, the minority leader of the House of Representatives, the majority leader of the Senate, the minority leader of the Senate, and each standing committee with jurisdiction under the rules of the Senate and of the House of Representatives to report a bill to amend the provision or provisions of law that would be waived by the Department, a report on a request for waiver that describes in detail the following:

(E) The anticipated cost savings, if any, of the pilot program.

(F) The schedule for interim reports on the pilot program describing the results of the pilot program so far and the feasibility and advisability of continuing the pilot program.

(G) The schedule for the termination of the pilot program and the submission of a final report on the pilot program describing the result of the pilot program and the feasibility and advisability of making the pilot program permanent.

(H) The estimated budget of the pilot program.

(3)(A) Upon receipt of a report submitted under paragraph (2), each House of Congress shall provide copies of the report to the chairman and ranking member of each standing committee with jurisdiction under the rules of the House of Representatives or the Senate to report a bill to amend the provision or provisions of law that would be waived by the Department under this subsection.

(B) The waiver requested by the Secretary under paragraph (2) shall be considered approved under this paragraph if there is enacted into law a joint resolution approving such request in its entirety.

(C) For purposes of this paragraph, the term “joint resolution” means only a joint resolution which is introduced within the period of five legislative days beginning on the date on which the Secretary transmits the report to the Congress under such paragraph (2), and—

(i) which does not have a preamble; and

(ii) the matter after the resolving clause of which is as follows: “that Congress approves the request for a waiver under section 1703E(f) of title 38, United States Code, as submitted by the Secretary on _____”, the blank space being filled with the appropriate date.

(D)(i) Any committee of the House of Representatives to which a joint resolution is referred shall report it to the House without amendment not later than 15 legislative days

after the date of introduction thereof. If a committee fails to report the joint resolution within that period, the committee shall be discharged from further consideration of the joint resolution.

(ii) It shall be in order at any time after the third legislative day after each committee authorized to consider a joint resolution has reported or has been discharged from consideration of a joint resolution, to move to proceed to consider the joint resolution in the House. All points of order against the motion are waived. Such a motion shall not be in order after the House has disposed of a motion to proceed on a joint resolution addressing a particular submission. The previous question shall be considered as ordered on the motion to its adoption without intervening motion. The motion shall not be debatable. A motion to reconsider the vote by which the motion is disposed of shall not be in order.

(iii) The joint resolution shall be considered as read. All points of order against the joint resolution and against its consideration are waived. The previous question shall be considered as ordered on the joint resolution to its passage without intervening motion except two hours of debate equally divided and controlled by the proponent and an opponent. A motion to reconsider the vote on passage of the joint resolution shall not be in order.

(E)(i) A joint resolution introduced in the Senate shall be referred to the Committee on Veterans' Affairs.

(ii) Any committee of the Senate to which a joint resolution is referred shall report it to the Senate without amendment not later than 15 session days after the date of introduction of a joint resolution described in paragraph (C). If a committee fails to report the joint resolution within that period, the committee shall be discharged from further consideration of the joint resolution and the joint resolution shall be placed on the calendar.

(iii)(I) Notwithstanding Rule XXII of the Standing Rules of the Senate, it is in order at any time after the third session day on which the Committee on Veterans' Affairs has reported or has been discharged from consideration of a joint resolution described in paragraph (C) (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the joint resolution, and all points of order against the joint resolution (and against consideration of the joint resolution) are waived. The motion to proceed is not debatable. The motion is not subject to a motion to postpone. A motion to reconsider the vote by which the motion is agreed to or disagreed to shall not be in order. If a motion to proceed to the consideration of the resolution is agreed to, the joint resolution shall remain the unfinished business until disposed of.

(II) Consideration of the joint resolution, and on all debatable motions and appeals in connection therewith, shall be limited to not more than two hours, which shall be divided equally between the majority and minority leaders or their designees. A motion further to limit debate is in order and not debatable. An amendment to, or a motion to postpone, or a motion to

proceed to the consideration of other business, or a motion to recommit the joint resolution is not in order.

(III) If the Senate has voted to proceed to a joint resolution, the vote on passage of the joint resolution shall occur immediately following the conclusion of consideration of the joint resolution, and a single quorum call at the conclusion of the debate if requested in accordance with the rules of the Senate.

(IV) Appeals from the decisions of the Chair relating to the application of the rules of the Senate, as the case may be, to the procedure relating to a joint resolution shall be decided without debate.

(F) A joint resolution considered pursuant to this paragraph shall not be subject to amendment in either the House of Representatives or the Senate.

(G)(i) If, before the passage by one House of the joint resolution of that House, that House receives the joint resolution from the other House, then the following procedures shall apply:

(I) The joint resolution of the other House shall not be referred to a committee.

(II) With respect to the joint resolution of the House receiving the joint resolution—

(aa) the procedure in that House shall be the same as if no joint resolution had been received from the other House; but

(bb) the vote on passage shall be on the joint resolution of the other House.

(ii) If the Senate fails to introduce or consider a joint resolution under this paragraph, the joint resolution of the House shall be entitled to expedited floor procedures under this subparagraph.

(iii) If, following passage of the joint resolution in the Senate, the Senate then receives the companion measure from the House of Representatives, the companion measure shall not be debatable.

(H) This subparagraph is enacted by Congress—

(i) as an exercise of the rulemaking power of the Senate and House of Representatives, respectively, and as such it is deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of a joint resolution, and it supersedes other rules only to the extent that it is inconsistent with such rules; and

(ii) with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedure of that House) at any time, in the same manner, and to the same extent as in the case of any other rule of that House.

(g) LIMITATIONS.—(1) The Secretary may not carry out more than 10 pilot programs concurrently.

(2)(A) Subject to subparagraph (B), the Secretary may not expend more than \$50,000,000 in any fiscal year from amounts under subsection (d).

(B) The Secretary may expend more than the amount in subparagraph (A) if—

(i) the Secretary determines that the additional expenditure is necessary to carry out pilot programs under this section;

(ii) the Secretary submits to the Committees on Veterans' Affairs of the Senate and the House of Representatives a report setting forth the amount of the additional expenditure and a justification for the additional expenditure; and

(iii) the Chairmen of the Committees on Veterans' Affairs of the Senate and the House of Representatives transmit to the Secretary a letter approving of the additional expenditure.

(3) The waiver provisions in subsection (f) shall not apply unless the Secretary, in accordance with the requirements in subsection (f), submits the first proposal for a pilot program not later than 18 months after the date of the enactment of the Caring for Our Veterans Act of 2018.

(4) Notwithstanding section 502 of this title, decisions by the Secretary under this section shall, consistent with section 511 of this title, be final and conclusive and may not be reviewed by any other official or by any court, whether by an action in the nature of mandamus or otherwise.

(5)(A) If the Secretary determines that a pilot program is not improving the quality of care or producing cost savings, the Secretary shall—

(i) propose a modification to the pilot program in the interim report that shall also be considered a report under subsection (f)(2) and shall be subject to the terms and conditions of subsection (f)(2); or

(ii) terminate such pilot program not later than 30 days after submitting the interim report to Congress.

(B) If the Secretary terminates a pilot program under subparagraph (A)(ii), for purposes of subparagraphs (F) and (G) of subsection (f)(2), such interim report will also serve as the final report for that pilot program.

(h) EVALUATION AND REPORTING REQUIREMENTS.—(1) The Secretary shall conduct an evaluation of each model tested, which shall include, at a minimum, an analysis of—

(A) the quality of care furnished under the model, including the measurement of patient-level outcomes and patient-centeredness criteria determined appropriate by the Secretary; and

(B) the changes in spending by reason of that model.

(2) The Secretary shall make the results of each evaluation under this subsection available to the public in a timely fashion and may establish requirements for other entities participating in the testing of models under this section to collect and report information that the Secretary determines is necessary to monitor and evaluate such models.

(i) COORDINATION AND ADVICE.—(1) The Secretary shall obtain advice from the Under Secretary for Health and the Special Medical Advisory Group established pursuant to section 7312 of this title in the development and implementation of any pilot program operated under this section.

(2) In carrying out the duties under this section, the Secretary shall consult representatives of relevant Federal agencies, and clinical and

analytical experts with expertise in medicine and health care management. The Secretary shall use appropriate mechanisms to seek input from interested parties.

(j) EXPANSION OF SUCCESSFUL PILOT PROGRAMS.—Taking into account the evaluation under subsection (f), the Secretary may, through rulemaking, expand (including implementation on a nationwide basis) the duration and the scope of a model that is being tested under subsection (a) to the extent determined appropriate by the Secretary, if—

(1) the Secretary determines that such expansion is expected to—

(A) reduce spending without reducing the quality of care; or

(B) improve the quality of patient care without increasing spending; and

(2) the Secretary determines that such expansion would not deny or limit the coverage or provision of benefits for individuals receiving benefits under this chapter.

(4) The requirement in paragraphs (1) and (2) that the Secretary furnish hospital care and medical services, the requirement in section 1710A(a) of this title that the Secretary provide nursing home care, the requirement in section 1710B of this title that the Secretary provide a program of extended care services, and the requirement in section 1745 of this title to provide nursing home care and prescription medicines to veterans with service-connected disabilities in State homes shall be effective in any fiscal year only to the extent and in the amount provided in advance in appropriations Acts for such purposes.

(5) During any period during which the provisions of section 1710A(a) of this title are not in effect, the Secretary may furnish nursing home care which the Secretary determines is needed to any veteran described in paragraph (1), with the priority for such care on the same basis as if provided under that paragraph.

(b)(1) The Secretary may furnish to a veteran described in paragraph (2) of this subsection such domiciliary care as the Secretary determines is needed for the purpose of the furnishing of medical services to the veteran.

(2) This subsection applies in the case of the following veterans:

(B) Any veteran who the Secretary determines has no adequate means of support.

(c) While any veteran is receiving hospital care or nursing home care in any Department facility, the Secretary may, within the limits of Department facilities, furnish medical services to correct or treat any non-service-connected disability of such veteran, in addition to treatment incident to the disability for which such veteran is hospitalized, if the veteran is willing, and the Secretary finds such services to be reasonably necessary to protect the health of such veteran. The Secretary may furnish dental services and treatment, and related dental appliances, under this subsection for a non-service-connected dental condition or disability of a veteran only (1) to the extent that the Secretary

determines that the dental facilities of the Department to be used to furnish such services, treatment, or appliances are not needed to furnish services, treatment, or appliances for dental conditions or disabilities described in section 1712(a) of this title, or (2) if (A) such non-service-connected dental condition or disability is associated with or aggravating a disability for which such veteran is receiving hospital care, or (B) a compelling medical reason or a dental emergency requires furnishing dental services, treatment, or appliances (excluding the furnishing of such services, treatment, or appliances of a routine nature) to such veteran during the period of hospitalization under this section.

(d) In no case may nursing home care be furnished in a hospital not under the direct jurisdiction of the Secretary except as provided in section 1720 of this title.

(e)(1)(A) A Vietnam-era herbicide-exposed veteran is eligible (subject to paragraph (2)) for hospital care, medical services, and nursing home care under subsection (a)(2)(F) for any disability, notwithstanding that there is insufficient medical evidence to conclude that such disability may be associated with such exposure.

(B) A radiation-exposed veteran is eligible for hospital care, medical services, and nursing home care under subsection (a)(2)(F) for any disease suffered by the veteran that is—

(i) a disease listed in section 1112(c)(2) of this title; or

(C) Subject to paragraph (2) of this subsection, a veteran who served on active duty between August 2, 1990, and November 11, 1998, in the Southwest Asia theater of operations during the Persian Gulf War is eligible for hospital care, medical services, and nursing home care under subsection (a)(2)(F) for any disability, notwithstanding that there is insufficient medical evidence to conclude that such disability may be associated with such service.

(D) Subject to paragraphs (2) and (3), a veteran who served on active duty in a theater of combat operations (as determined by the Secretary in consultation with the Secretary of Defense) during a period of war after the Persian Gulf War, or in combat against a hostile force during a period of hostilities after November 11, 1998, is eligible for hospital care, medical services, and nursing home care under subsection (a)(2)(F) for any illness, notwithstanding that there is insufficient medical evidence to conclude that such condition is attributable to such service.

(E) Subject to paragraph (2), a veteran who participated in a test conducted by the Department of Defense Desert Test Center as part of a program for chemical and biological warfare testing from 1962 through 1973 (including the program designated as "Project Shipboard Hazard and Defense (SHAD)" and related land-based tests) is eligible for hospital care, medical services, and nursing home care under subsection (a)(2)(F) for any illness, notwithstanding that

- (i) a disability that is found, in accordance with guidelines issued by the Under Secretary for Health, to have resulted from a cause other than an exposure described in paragraph (4)(A)(ii); or
- (ii) a disease for which the National Academy of Sciences, in a report issued in accordance with section 3 of the Agent Orange Act of 1991, has determined that there is limited or suggestive evidence of the lack of a positive association between occurrence of the disease in humans and exposure to a herbicide agent.

(B) In the case of a veteran described in subparagraph (C), (D), (E), or (F) of paragraph (1), hospital care, medical services, and nursing home care may not be provided under subsection (a)(2)(F) with respect to a disability that is found, in accordance with guidelines issued by the Under Secretary for Health, to have resulted from a cause other than the service or testing described in such subparagraph.

(3) In the case of care for a veteran described in paragraph (1)(D), hospital care, medical services, and nursing home care may be provided under or by virtue of subsection (a)(2)(F) only during the following periods:

(A) Except as provided by subparagraph (B), with respect to a veteran described in paragraph (1)(D) who is discharged or released from the active military, naval, air, or space service after January 27, 2003, the five-year period beginning on the date of such discharge or release.

(B) With respect to a veteran described in paragraph (1)(D) who is discharged or released from the active military, naval, air, or space service after January 1, 2009, and before Janu-

(C) With respect to a veteran described in paragraph (1)(D) who is discharged or released from the active military, naval, air, or space service on or before January 27, 2003, and did not enroll in the patient enrollment system under section 1705 of this title on or before such date, the three-year period beginning on January 27, 2008.

(4) For purposes of this subsection—

(A) The term “Vietnam-era herbicide-exposed veteran” means a veteran (i) who served on active duty in the Republic of Vietnam (including offshore of such Republic as described in section 1116A(d) of this title) during the period beginning on January 9, 1962, and ending on May 7, 1975, and (ii) who the Secretary finds may have been exposed during such service to dioxin or was exposed during such service to a toxic substance found in a herbicide or defoliant used for military purposes during such period.

(B) The term “radiation-exposed veteran” has the meaning given that term in section 1112(c)(3) of this title.

(5) When the Secretary first provides care for veterans using the authority provided in paragraph (1)(D), the Secretary shall establish a system for collection and analysis of information on the general health status and health care utilization patterns of veterans receiving care under that paragraph. Not later than 18 months after first providing care under such authority, the Secretary shall submit to Congress a report on the experience under that authority. The Secretary shall include in the report any recommendations of the Secretary for extension of that authority.

(f)(1) The Secretary may not furnish hospital care or nursing home care (except if such care constitutes hospice care) under this section to a veteran who is eligible for such care under subsection (a)(3) of this section unless the veteran agrees to pay to the United States the applicable amount determined under paragraph (2) or (4) of this subsection.

(2) A veteran who is furnished hospital care or nursing home care under this section and who is required under paragraph (1) of this subsection to agree to pay an amount to the United States in order to be furnished such care shall be liable to the United States for an amount equal to—

(A) the lesser of—

- (i) the cost of furnishing such care, as determined by the Secretary; or
- (ii) the amount determined under paragraph (3) of this subsection; and

(B) before September 30, 2022, an amount equal to \$10 for every day the veteran receives hospital care and \$5 for every day the veteran receives nursing home care.

(3)(A) In the case of hospital care furnished during any 365-day period, the amount referred to in paragraph (2)(A)(ii) of this subsection is—

(i) the amount of the inpatient Medicare deductible, plus

(ii) one-half of such amount for each 90 days of care (or fraction thereof) after the first 90 days of such care during such 365-day period.

(B) In the case of nursing home care furnished during any 365-day period, the amount referred to in paragraph (2)(A)(ii) of this subsection is the amount of the inpatient Medicare deductible for each 90 days of such care (or fraction thereof) during such 365-day period.

(C)(i) Except as provided in clause (ii) of this subparagraph, in the case of a veteran who is admitted for nursing home care under this section after being furnished, during the preceding 365-day period, hospital care for which the veteran has paid the amount of the inpatient Medicare deductible under this subsection and who has not been furnished 90 days of hospital care in connection with such payment, the veteran shall not incur any liability under paragraph (2) of this subsection with respect to such nursing home care until—

(I) the veteran has been furnished, beginning with the first day of such hospital care furnished in connection with such payment, a total of 90 days of hospital care and nursing home care; or

(II) the end of the 365-day period applicable to the hospital care for which payment was made,

whichever occurs first.

(ii) In the case of a veteran who is admitted for nursing home care under this section after being furnished, during any 365-day period, hospital care for which the veteran has paid an amount under subparagraph (A)(ii) of this paragraph and who has not been furnished 90 days of hospital care in connection with such payment, the amount of the liability of the veteran under paragraph (2) of this subsection with respect to the number of days of such nursing home care which, when added to the number of days of such hospital care, is 90 or less, is the difference between the inpatient Medicare deductible and the amount paid under such subparagraph until—

(I) the veteran has been furnished, beginning with the first day of such hospital care furnished in connection with such payment, a total of 90 days of hospital care and nursing home care; or

(II) the end of the 365-day period applicable to the hospital care for which payment was made,

whichever occurs first.

(D) In the case of a veteran who is admitted for hospital care under this section after having been furnished, during the preceding 365-day period, nursing home care for which the veteran has paid the amount of the inpatient Medicare deductible under this subsection and who has not been furnished 90 days of nursing home care in connection with such payment, the veteran shall not incur any liability under paragraph (2) of this subsection with respect to such hospital care until—

(i) the veteran has been furnished, beginning with the first day of such nursing home care furnished in connection with such payment, a total of 90 days of nursing home care and hospital care; or

(ii) the end of the 365-day period applicable to the nursing home care for which payment was made,

whichever occurs first.

(E) A veteran may not be required to make a payment under this subsection for hospital care or nursing home care furnished under this section during any 90-day period in which the veteran is furnished medical services under paragraph (3) of subsection (a) to the extent that such payment would cause the total amount paid by the veteran under this subsection for hospital care and nursing home care furnished during that period and under subsection (g) for medical services furnished during that period to exceed the amount of the inpatient Medicare deductible in effect on the first day of such period.

(F) A veteran may not be required to make a payment under this subsection or subsection (g) for any days of care in excess of 360 days of care during any 365-calendar-day period.

(4) In the case of a veteran covered by this subsection who is also described by section 1705(a)(7) of this title, the amount for which the veteran shall be liable to the United States for hospital care under this subsection shall be an amount equal to 20 percent of the total amount for which the veteran would otherwise be liable for such care under subparagraphs (2)(B) and (3)(A) but for this paragraph.

(5) For the purposes of this subsection, the term "inpatient Medicare deductible" means the amount of the inpatient hospital deductible in effect under section 1813(b) of the Social Security Act (42 U.S.C. 1395e(b)) on the first day of the 365-day period applicable under paragraph (3) of this subsection.

(g)(1) The Secretary may not furnish medical services (except if such care constitutes hospice care) under subsection (a) of this section (including home health services under section 1717 of this title) to a veteran who is eligible for hospital care under this chapter by reason of subsection (a)(3) of this section unless the veteran agrees to pay to the United States in the case of each outpatient visit the applicable amount or amounts established by the Secretary by regulation.

(2) A veteran who is furnished medical services under subsection (a) of this section and who is required under paragraph (1) of this subsection to agree to pay an amount to the United States in order to be furnished such services shall be liable to the United States, in the case of each visit in which such services are furnished to the veteran, for an amount which the Secretary shall establish by regulation.

(3) This subsection does not apply with respect to the following:

(A) Home health services under section 1717 of this title to the extent that such services are for improvements and structural alterations.

(B) Education on the use of opioid antagonists to reverse the effects of overdoses of specific medications or substances.

(h) Nothing in this section requires the Secretary to furnish care to a veteran to whom another agency of Federal, State, or local government has a duty under law to provide care in an institution of such government.
