retary) may not publish final or interim final regulations requiring a State plan approved under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] to include a program requiring second surgical opinions or a program of inpatient hospital preadmission review.

“(2) The Secretary may not, during the period beginning on the date of the enactment of the Omnibus Budget Reconciliation Act of 1990 [Nov. 5, 1990] and ending on the date that is 180 days after the date on which the report required by subsection (d) is submitted to the Congress, publish final or interim final regulations requiring a State plan approved under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] to include a program for ambulatory surgery, preadmission testing, or same-day surgery.

“(b) REPORT.—

“(1) The Secretary shall report to Congress, by not later than October 1, 1988, for each State in a representative sample of States—

“(A) the identity of those procedures which are high volume or high cost procedures among patients who are covered under the State Medicaid plan.

“(B) the payment rates under those plans for such procedures, and the aggregate annual payment amounts made under such plans for such procedures (including the Federal share of such payment amounts).

“(C) the rate at which each such procedure is performed on Medicaid patients and (to the extent that data are available) comparisons to the rate at which such procedure is performed on patients of comparable age who are not Medicaid patients.

“(D) with respect to each such procedure—

“(i) the number of board certified or board eligible physicians in the State who provide care and services to Medicaid patients and who perform the procedure, and

“(ii) in the case of a State with a mandatory second surgical opinion program in operation, the number of physicians described in clause (i) who provide second opinions (of the type described in section 1164 of the Social Security Act [42 U.S.C. 1320c-13]) for the procedure at prevailing payment rates under the State Medicaid plan, and

“(E) in the case of a State with a mandatory second surgical opinion program or a program of inpatient hospital preadmission review in operation, a description of—

“(i) the extent to which such program impedes access to necessary care and services, and

“(ii) the measures that the State has taken to address such impediments, particularly in rural areas.

“(2) Such report shall also include a list of those surgical procedures which the Secretary believes meet the following criteria and for which a mandatory second opinion program under Medicaid plans may be appropriate:

“(A) The procedure is one which generally can be postponed without undue risk to the patient.

“(B) The procedure is a high volume procedure among patients who are covered under State Medicaid plans or is a high cost procedure.

“(C) The procedure has a comparatively high rate of nonconfirmation upon examination by another qualified physician, there is substantial geographic variation in the rates of performance of the procedure, or there are other reasons why requiring second opinions for 100 percent of such procedures would be cost effective.

“(3) The representative sample of States required to be included in the report shall include States with mandatory second surgical opinion programs in operation, States with programs of inpatient hospital preadmission review in operation, and States with neither such program in operation.

“(4) In this subsection and subsection (d), the term ‘Medicaid plan’ means a State plan approved under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.].

“(c) STUDY.—

“(1) The Secretary shall conduct a study of the utilization of selected medical treatments and surgical procedures by Medicaid beneficiaries in order to assess the appropriateness, necessity, and effectiveness of such treatments and procedures.

“(2) The study shall analyze the extent to which there is significant variation in the rate of utilization by Medicaid beneficiaries of selected treatments and procedures for different geographic areas within States and among States.

“(3) The study shall also identify underutilized, medically necessary treatments and procedures for which—

“(A) a failure to furnish could have an adverse effect on health status, and

“(B) the rate of utilization by Medicaid beneficiaries is significantly less than the rate for comparable, age-adjusted populations.

“(4) The study shall be coordinated, to the extent practicable, with the research program established pursuant to section 1875(c) of the Social Security Act [42 U.S.C. 1395l(c)], with particular regard to the relationship of the variations described in paragraph (2) to patient outcomes.

“(5) The Secretary shall submit an interim report on the results of the study, including an analysis of the geographic variations under paragraph (2), to the Congress not later than January 1, 1990, and shall report the final results of the study to the Congress not later than January 1, 1992.

“(d) REPORT.—The Secretary shall report to Congress, by not later than January 1, 1993, for each State in a representative sample of States—

“(1) an analysis of the procedures for which programs for ambulatory surgery, preadmission testing, and same-day surgery are appropriate for patients who are covered under the State Medicaid plan, and

“(2) the effects of such programs on access of such patients to necessary care, quality of care, and costs of care.

In selecting such a sample of States, the Secretary shall include some States with Medicaid plans that include such programs.”

**(b) Quarterly expenditures beginning after December 31, 1969**

(1) Notwithstanding the preceding provisions of this section, the amount determined under subsection (a)(1) for any State for any quarter beginning after December 31, 1969, shall not take into account any amounts expended as medical assistance with respect to individuals aged 65 or over and disabled individuals entitled to hospital insurance benefits under subchapter XVIII which would not have been so expended if the individuals involved had been enrolled in the insurance program established by part B of subchapter XVIII, other than amounts expended under provisions of the plan of such State required by section 1396a(a)(34) of this title.

(2) For limitation on Federal participation for capital expenditures which are out of conformity with a comprehensive plan of a State or areawide planning agency, see section 1320a-1 of this title.

and efficient administration of the State plan but only if the following conditions are met with respect to the broker:

(A) The broker is independent of any such entity and of any health care providers (whether or not any such provider participates in the State plan under this subchapter) that provide coverage of services in the same State in which the broker is conducting enrollment activities.

(B) No person who is an owner, employee, consultant, or has a contract with the broker either has any direct or indirect financial interest with such an entity or health care provider or has been excluded from participation in the program under this subchapter or subchapter XVIII or debarred by any Federal agency, or subject to a civil money penalty under this chapter.

(5) Notwithstanding the preceding provisions of this section, the amount determined under subsection (a)(1) for any State shall be decreased in a quarter by the amount of any health care related taxes (described in subsection (w)(3)(A))<sup>4</sup> that are imposed on a hospital described in subsection (w)(3)(F) in that quarter.

**(c) Treatment of educationally-related services**

Nothing in this subchapter shall be construed as prohibiting or restricting, or authorizing the Secretary to prohibit or restrict, payment under subsection (a) for medical assistance for covered services furnished to a child with a disability because such services are included in the child's individualized education program established pursuant to part B of the Individuals with Disabilities Education Act [20 U.S.C. 1411 et seq.] or furnished to an infant or toddler with a disability because such services are included in the child's individualized family service plan adopted pursuant to part C of such Act [20 U.S.C. 1431 et seq.].

**(d) Estimates of State entitlement; installments; adjustments to reflect overpayments or underpayments; time for recovery or adjustment; uncollectable or discharged debts; obli-gated appropriations; disputed claims**

(1) Prior to the beginning of each quarter, the Secretary shall estimate the amount to which a State will be entitled under subsections (a) and (b) for such quarter, such estimates to be based on (A) a report filed by the State containing its estimate of the total sum to be expended in such quarter in accordance with the provisions of such subsections, and stating the amount appropriated or made available by the State and its political subdivisions for such expenditures in such quarter, and if such amount is less than the State's proportionate share of the total sum of such estimated expenditures, the source or sources from which the difference is expected to be derived, and (B) such other investigation as the Secretary may find necessary.

(2)(A) The Secretary shall then pay to the State, in such installments as he may determine, the amount so estimated, reduced or increased to the extent of any overpayment or underpayment which the Secretary determines was

made under this section to such State for any prior quarter and with respect to which adjustment has not already been made under this subsection.

(B) Expenditures for which payments were made to the State under subsection (a) shall be treated as an overpayment to the extent that the State or local agency administering such plan has been reimbursed for such expenditures by a third party pursuant to the provisions of its plan in compliance with section 1396a(a)(25) of this title.

(C) For purposes of this subsection, when an overpayment is discovered, which was made by a State to a person or other entity, the State shall have a period of 1 year in which to recover or attempt to recover such overpayment before adjustment is made in the Federal payment to such State on account of such overpayment. Except as otherwise provided in subparagraph (D), the adjustment in the Federal payment shall be made at the end of the 1-year period, whether or not recovery was made.

(D)(i) In any case where the State is unable to recover a debt which represents an overpayment (or any portion thereof) made to a person or other entity on account of such debt having been discharged in bankruptcy or otherwise being uncollectable, no adjustment shall be made in the Federal payment to such State on account of such overpayment (or portion thereof).

(ii) In any case where the State is unable to recover a debt which represents an overpayment (or any portion thereof) made to a person or other entity due to fraud within 1 year of discovery because there is not a final determination of the amount of the overpayment under an administrative or judicial process (as applicable), including as a result of a judgment being under appeal, no adjustment shall be made in the Federal payment to such State on account of such overpayment (or portion thereof) before the date that is 30 days after the date on which a final judgment (including, if applicable, a final determination on an appeal) is made.

(3)(A) The pro rata share to which the United States is equitably entitled, as determined by the Secretary, of the net amount recovered during any quarter by the State or any political subdivision thereof with respect to medical assistance furnished under the State plan shall be considered an overpayment to be adjusted under this subsection.

(B)(i) Subparagraph (A) and paragraph (2)(B) shall not apply to any amount recovered or paid to a State as part of the comprehensive settlement of November 1998 between manufacturers of tobacco products, as defined in section 5702(d) of the Internal Revenue Code of 1986, and State Attorneys General, or as part of any individual State settlement or judgment reached in litigation initiated or pursued by a State against one or more such manufacturers.

(ii) Except as provided in subsection (i)(19), a State may use amounts recovered or paid to the State as part of a comprehensive or individual settlement, or a judgment, described in clause (i) for any expenditures determined appropriate by the State.

(4) Upon the making of any estimate by the Secretary under this subsection, any appropria-

tions available for payments under this section shall be deemed obligated.

(5) In any case in which the Secretary estimates that there has been an overpayment under this section to a State on the basis of a claim by such State that has been disallowed by the Secretary under section 1316(d) of this title, and such State disputes such disallowance, the amount of the Federal payment in controversy shall, at the option of the State, be retained by such State or recovered by the Secretary pending a final determination with respect to such payment amount. If such final determination is to the effect that any amount was properly disallowed, and the State chose to retain payment of the amount in controversy, the Secretary shall offset, from any subsequent payments made to such State under this subchapter, an amount equal to the proper amount of the disallowance plus interest on such amount disallowed for the period beginning on the date such amount was disallowed and ending on the date of such final determination at a rate (determined by the Secretary) based on the average of the bond equivalent of the weekly 90-day treasury bill auction rates during such period.

(6)(A) Each State (as defined in subsection (w)(7)(D)) shall include, in the first report submitted under paragraph (1) after the end of each fiscal year, information related to—

(i) provider-related donations made to the State or units of local government during such fiscal year, and

(ii) health care related taxes collected by the State or such units during such fiscal year.

(B) Each State shall include, in the first report submitted under paragraph (1) after the end of each fiscal year, information related to the total amount of payment adjustments made, and the amount of payment adjustments made to individual providers (by provider), under section 1396r-4(c) of this title during such fiscal year.

**(e) Transition costs of closures or conversions permitted**

A State plan approved under this subchapter may include, as a cost with respect to hospital services under the plan under this subchapter, periodic expenditures made to reflect transitional allowances established with respect to a hospital closure or conversion under section 1395uu of this title.

**(f) Limitation on Federal participation in medical assistance**

(1)(A) Except as provided in paragraph (4), payment under the preceding provisions of this section shall not be made with respect to any amount expended as medical assistance in a calendar quarter, in any State, for any member of a family the annual income of which exceeds the applicable income limitation determined under this paragraph.

(B)(i) Except as provided in clause (ii) of this subparagraph, the applicable income limitation with respect to any family is the amount determined, in accordance with standards prescribed by the Secretary, to be equivalent to 133½ percent of the highest amount which would ordinarily be paid to a family of the same size with-

out any income or resources, in the form of money payments, under the plan of the State approved under part A of subchapter IV of this chapter.

(ii) If the Secretary finds that the operation of a uniform maximum limits payments to families of more than one size, he may adjust the amount otherwise determined under clause (i) to take account of families of different sizes.

(C) The total amount of any applicable income limitation determined under subparagraph (B) shall, if it is not a multiple of \$100 or such other amount as the Secretary may prescribe, be rounded to the next higher multiple of \$100 or such other amount, as the case may be.

(2)(A) In computing a family's income for purposes of paragraph (1), there shall be excluded any costs (whether in the form of insurance premiums or otherwise and regardless of whether such costs are reimbursed under another public program of the State or political subdivision thereof) incurred by such family for medical care or for any other type of remedial care recognized under State law or, (B) notwithstanding section 1396o of this title at State option, an amount paid by such family, at the family's option, to the State, provided that the amount, when combined with costs incurred in prior months, is sufficient when excluded from the family's income to reduce such family's income below the applicable income limitation described in paragraph (1). The amount of State expenditures for which medical assistance is available under subsection (a)(1) will be reduced by amounts paid to the State pursuant to this subparagraph.

(3) For purposes of paragraph (1)(B), in the case of a family consisting of only one individual, the "highest amount which would ordinarily be paid" to such family under the State's plan approved under part A of subchapter IV of this chapter shall be the amount determined by the State agency (on the basis of reasonable relationship to the amounts payable under such plan to families consisting of two or more persons) to be the amount of the aid which would ordinarily be payable under such plan to a family (without any income or resources) consisting of one person if such plan provided for aid to such a family.

(4) The limitations on payment imposed by the preceding provisions of this subsection shall not apply with respect to any amount expended by a State as medical assistance for any individual described in section 1396a(a)(10)(A)(i)(III), 1396a(a)(10)(A)(i)(IV), 1396a(a)(10)(A)(i)(V), 1396a(a)(10)(A)(i)(VI), 1396a(a)(10)(A)(i)(VII), 1396a(a)(10)(A)(i)(VIII), 1396a(a)(10)(A)(i)(IX), 1396a(a)(10)(A)(ii)(IX), 1396a(a)(10)(A)(ii)(X), 1396a(a)(10)(A)(ii)(XIII), 1396a(a)(10)(A)(ii)(XIV), 1396a(a)(10)(A)(ii)(XV), 1396a(a)(10)(A)(ii)(XVI), 1396a(a)(10)(A)(ii)(XVII), 1396a(a)(10)(A)(ii)(XVIII), 1396a(a)(10)(A)(ii)(XIX), 1396a(a)(10)(A)(ii)(XX), 1396a(a)(10)(A)(ii)(XXI), 1396a(a)(10)(A)(ii)(XXII), 1396d(p)(1) of this title or for any individual—

chapter I, X, XIV or XVI, or part A of subchapter IV, or with respect to whom supplemental security income benefits are being paid under subchapter XVI, or

(B) who is not receiving such aid or assistance, and with respect to whom such benefits are not being paid, but (i) is eligible to receive such aid or assistance, or to have such benefits paid with respect to him, or (ii) would be eligible to receive such aid or assistance, or to have such benefits paid with respect to him if he were not in a medical institution, or

(C) with respect to whom there is being paid, or who is eligible, or would be eligible if he were not in a medical institution, to have paid with respect to him, a State supplementary payment and is eligible for medical assistance equal in amount, duration, and scope to the medical assistance made available to individuals described in section 1396a(a)(10)(A) of this title, or who is a PACE program eligible individual enrolled in a PACE program under section 1396u-4 of this title, but only if the income of such individual (as determined under section 1382a of this title, but without regard to subsection (b) thereof) does not exceed 300 percent of the supplemental security income benefit rate established by section 1382(b)(1) of this title,

at the time of the provision of the medical assistance giving rise to such expenditure.

**(g) Decrease in Federal medical assistance percentage of amounts paid for services furnished under State plan after June 30, 1973**

(1) Subject to paragraph (3), with respect to amounts paid for the following services furnished under the State plan after June 30, 1973 (other than services furnished pursuant to a contract with a health maintenance organization as defined in section 1395mm of this title or which is a qualified health maintenance organization (as defined in section 300e-9(d)<sup>4</sup> of this title)), the Federal medical assistance percentage shall be decreased as follows: After an individual has received inpatient hospital services or services in an intermediate care facility for the mentally retarded for 60 days or inpatient mental hospital services for 90 days (whether or not such days are consecutive), during any fiscal year, the Federal medical assistance percentage with respect to amounts paid for any such care furnished thereafter to such individual shall be decreased by a per centum thereof (determined under paragraph (5)) unless the State agency responsible for the administration of the plan makes a showing satisfactory to the Secretary that, with respect to each calendar quarter for which the State submits a request for payment at the full Federal medical assistance percentage for amounts paid for inpatient hospital services or services in an intermediate care facility for the mentally retarded furnished beyond 60 days (or inpatient mental hospital services furnished beyond 90 days), such State has an effective program of medical review of the care of patients in mental hospitals and intermediate care facilities for the mentally retarded pursuant to paragraphs (26) and (31) of section 1396a(a) of this title whereby the professional management of each case is reviewed and evaluated at least an-

nually by independent professional review teams. In determining the number of days on which an individual has received services described in this subsection, there shall not be counted any days with respect to which such individual is entitled to have payments made (in whole or in part) on his behalf under section 1395d of this title.

(2) The Secretary shall, as part of his validation procedures under this subsection, conduct timely sample onsite surveys of private and public institutions in which recipients of medical assistance may receive care and services under a State plan approved under this subchapter, and his findings with respect to such surveys (as well as the showings of the State agency required under this subsection) shall be made available for public inspection.

(3)(A) No reduction in the Federal medical assistance percentage of a State otherwise required to be imposed under this subsection shall take effect—

(i) if such reduction is due to the State's unsatisfactory or invalid showing made with respect to a calendar quarter beginning before January 1, 1977;

(ii) before January 1, 1978;

(iii) unless a notice of such reduction has been provided to the State at least 30 days before the date such reduction takes effect; or

(iv) due to the State's unsatisfactory or invalid showing made with respect to a calendar quarter beginning after September 30, 1977, unless notice of such reduction has been provided to the State no later than the first day of the fourth calendar quarter following the calendar quarter with respect to which such showing was made.

(B) The Secretary shall waive application of any reduction in the Federal medical assistance percentage of a State otherwise required to be imposed under paragraph (1) because a showing by the State, made under such paragraph with respect to a calendar quarter ending after January 1, 1977, and before January 1, 1978, is determined to be either unsatisfactory under such paragraph or invalid under paragraph (2), if the Secretary determines that the State's showing made under paragraph (1) with respect to any calendar quarter ending on or before December 31, 1978, is satisfactory under such paragraph and is valid under paragraph (2).

(4)(A) The Secretary may not find the showing of a State, with respect to a calendar quarter under paragraph (1), to be satisfactory if the showing is submitted to the Secretary later than the 30th day after the last day of the calendar quarter, unless the State demonstrates to the satisfaction of the Secretary good cause for not meeting such deadline.

(B) The Secretary shall find a showing of a State, with respect to a calendar quarter under paragraph (1), to be satisfactory under such paragraph with respect to the requirement that the State conduct annual onsite inspections in mental hospitals and intermediate care facilities for the mentally retarded under paragraphs (26) and (31) of section 1396a(a) of this title, if the showing demonstrates that the State has conducted such an onsite inspection during the 12-month period ending on the last date of the calendar quarter—

(i) in each of not less than 98 per centum of the number of such hospitals and facilities requiring such inspection, and

(ii) in every such hospital or facility which has 200 or more beds,

and that, with respect to such hospitals and facilities not inspected within such period, the State has exercised good faith and due diligence in attempting to conduct such inspection, or if the State demonstrates to the satisfaction of the Secretary that it would have made such a showing but for failings of a technical nature only.

(5) In the case of a State's unsatisfactory or invalid showing made with respect to a type of facility or institutional services in a calendar quarter, the per centum amount of the reduction of the State's Federal medical assistance percentage for that type of services under paragraph (1) is equal to  $33\frac{1}{2}$  per centum multiplied by a fraction, the denominator of which is equal to the total number of patients receiving that type of services in that quarter under the State plan in facilities or institutions for which a showing was required to be made under this subsection, and the numerator of which is equal to the number of such patients receiving such type of services in that quarter in those facilities or institutions for which a satisfactory and valid showing was not made for that calendar quarter.

(6)(A) Recertifications required under section 1396a(a)(44) of this title shall be conducted at least every 60 days in the case of inpatient hospital services.

(B) Such recertifications in the case of services in an intermediate care facility for the mentally retarded shall be conducted at least—

(i) 60 days after the date of the initial certification,

(ii) 180 days after the date of the initial certification,

(iii) 12 months after the date of the initial certification,

(iv) 18 months after the date of the initial certification,

(v) 24 months after the date of the initial certification, and

(vi) every 12 months thereafter.

(C) For purposes of determining compliance with the schedule established by this paragraph, a recertification shall be considered to have been done on a timely basis if it was performed not later than 10 days after the date the recertification was otherwise required and the State establishes good cause why the physician or other person making such recertification did not meet such schedule.

Payment under the preceding provisions of this section shall not be made—

(1) for organ transplant procedures unless the State plan provides for written standards respecting the coverage of such procedures and unless such standards provide that—

(A) similarly situated individuals are treated alike; and

(B) any restriction, on the facilities or practitioners which may provide such procedures, is consistent with the accessibility of high quality care to individuals eligible for the procedures under the State plan; or

(2) with respect to any amount expended for an item or service (other than an emergency item or service, not including items or services furnished in an emergency room of a hospital) furnished—

(A) under the plan by any individual or entity during any period when the individual or entity is excluded from participation under subchapter V, XVIII, or XX or under this subchapter pursuant to section 1320a-7, 1320a-7a, 1320c-5, or 1395u(j)(2) of this title;

(B) at the medical direction or on the prescription of a physician, during the period when such physician is excluded from participation under subchapter V, XVIII, or XX or under this subchapter pursuant to section 1320a-7, 1320a-7a, 1320c-5, or 1395u(j)(2) of this title and when the person furnishing such item or service knew or had reason to know of the exclusion (after a reasonable time period after reasonable notice has been furnished to the person);

(C) by any individual or entity to whom the State has failed to suspend payments under the plan during any period when there is pending an investigation of a credible allegation of fraud against the individual or entity, as determined by the State in accordance with regulations promulgated by the Secretary for purposes of section 1395y(o) of this title and this subparagraph, unless the State determines in accordance with such regulations there is good cause not to suspend such payments;

(D) beginning on July 1, 2018, under the plan by any provider of services or person whose participation in the State plan is terminated (as described in section 1396a(kk)(8) of this title) after the date that is 60 days after the date on which such termination is included in the database or other system under section 1396a(ll) of this title; or

(E) with respect to any amount expended for such an item or service furnished during calendar quarters beginning on or after October 1, 2017, subject to section 1396a(kk)(4)(A)(ii)(II) of this title, within a geographic area that is subject to a moratorium imposed under section 1395cc(j)(7) of this title by a provider or supplier that meets the requirements specified in subparagraph (C)(iii) of such section, during the period of such moratorium; or

(3) with respect to any amount expended for inpatient hospital services furnished under the plan (other than amounts attributable to the special situation of a hospital which serves a disproportionate number of low income patients with special needs) to the extent that such amount exceeds the hospital's customary charges with respect to such services or (if such services are furnished under the plan by a public institution free of charge or at nominal charges to the public) exceeds an amount determined on the basis of those items (speci-

fied in regulations prescribed by the Secretary) included in the determination of such payment which the Secretary finds will provide fair compensation to such institution for such services; or

(4) with respect to any amount expended for care or services furnished under the plan by a hospital unless such hospital has in effect a utilization review plan which meets the requirements imposed by section 1395x(k) of this title for purposes of subchapter XVIII; and if such hospital has in effect such a utilization review plan for purposes of subchapter XVIII, such plan shall serve as the plan required by this subsection (with the same standards and procedures and the same review committee or group) as a condition of payment under this subchapter; the Secretary is authorized to waive the requirements of this paragraph if the State agency demonstrates to his satisfaction that it has in operation utilization review procedures which are superior in their effectiveness to the procedures required under section 1395x(k) of this title; or

(5) with respect to any amount expended for any drug product for which payment may not be made under part B of subchapter XVIII because of section 1395y(c) of this title; or

(6) with respect to any amount expended for inpatient hospital tests (other than in emergency situations) not specifically ordered by the attending physician or other responsible practitioner; or

(7) with respect to any amount expended for clinical diagnostic laboratory tests performed by a physician, independent laboratory, or hospital, to the extent such amount exceeds the amount that would be recognized under section 1395l(h) of this title for such tests performed for an individual enrolled under part B of subchapter XVIII; or

(8) with respect to any amount expended for medical assistance (A) for nursing facility services to reimburse (or otherwise compensate) a nursing facility for payment of a civil money penalty imposed under section 1396r(h) of this title or (B) for home and community care to reimburse (or otherwise compensate) a provider of such care for payment of a civil money penalty imposed under this subchapter or subchapter XI or for legal expenses in defense of an exclusion or civil money penalty under this subchapter or subchapter XI if there is no reasonable legal ground for the provider's case; or

(9) with respect to any amount expended for non-emergency transportation authorized under section 1396a(a)(4) of this title, unless the State plan provides for the methods and procedures required under section 1396a(a)(30)(A) of this title; or

(B) with respect to any amount expended for an innovator multiple source drug (as defined in section 1396r-8(k) of this title) dispensed on or after July 1, 1991, if, under applicable State law, a less expensive multiple source drug

could have been dispensed, but only to the extent that such amount exceeds the upper payment limit for such multiple source drug;

(C) with respect to covered outpatient drugs described in section 1396r-8(a)(7) of this title, unless information respecting utilization data and coding on such drugs that is required to be submitted under such section is submitted in accordance with such section;

(11) with respect to any amount expended for physicians' services furnished on or after the first day of the first quarter beginning more than 60 days after the date of establishment of the physician identifier system under section 1396a(x) of this title, unless the claim for the services includes the unique physician identifier provided under such system; or

Nothing in paragraph (1) shall be construed as permitting a State to provide services under its plan under this subchapter that are not reasonable in amount, duration, and scope to achieve their purpose. Paragraphs (1), (2), (16), (17), and (18) shall apply with respect to items or services furnished and amounts expended by or through a managed care entity (as defined in section 1396u-2(a)(1)(B) of this title) in the same manner as such paragraphs apply to items or services furnished and amounts expended directly by the State.

**(l) Electronic visit verification system for personal care services and home health care services**

(1) Subject to paragraphs (3) and (4), with respect to any amount expended for personal care services or home health care services requiring an in-home visit by a provider that are provided under a State plan under this subchapter (or under a waiver of the plan) and furnished in a calendar quarter beginning on or after January 1, 2020 (or, in the case of home health care services, on or after January 1, 2023), unless a State requires the use of an electronic visit verification system for such services furnished in such quarter under the plan or such waiver, the Federal medical assistance percentage shall be reduced—

(A) in the case of personal care services—

(i) for calendar quarters in 2020, by .25 percentage points;

(ii) for calendar quarters in 2021, by .5 percentage points;

(iii) for calendar quarters in 2022, by .75 percentage points; and

<sup>6</sup>Probably means subclause (VIII) of subsection (a)(10)(A)(i) of section 1396a of this title.

(iv) for calendar quarters in 2023 and each year thereafter, by 1 percentage point; and

(B) in the case of home health care services—

(i) for calendar quarters in 2023 and 2024, by .25 percentage points;

(ii) for calendar quarters in 2025, by .5 percentage points;

(iii) for calendar quarters in 2026, by .75 percentage points; and

(iv) for calendar quarters in 2027 and each year thereafter, by 1 percentage point.

(2) Subject to paragraphs (3) and (4), in implementing the requirement for the use of an electronic visit verification system under paragraph (1), a State shall—

(A) consult with agencies and entities that provide personal care services, home health care services, or both under the State plan (or under a waiver of the plan) to ensure that such system—

(i) is minimally burdensome;

(ii) takes into account existing best practices and electronic visit verification systems in use in the State; and

(iii) is conducted in accordance with the requirements of HIPAA privacy and security law (as defined in section 300jj-19 of this title);

(B) take into account a stakeholder process that includes input from beneficiaries, family caregivers, individuals who furnish personal care services or home health care services, and other stakeholders, as determined by the State in accordance with guidance from the Secretary; and

(C) ensure that individuals who furnish personal care services, home health care services, or both under the State plan (or under a waiver of the plan) are provided the opportunity for training on the use of such system.

(3) Paragraphs (1) and (2) shall not apply in the case of a State that, as of December 13, 2016, requires the use of any system for the electronic verification of visits conducted as part of both personal care services and home health care services, so long as the State continues to require the use of such system with respect to the electronic verification of such visits.

(4)(A) In the case of a State described in subparagraph (B), the reduction under paragraph (1) shall not apply—

(i) in the case of personal care services, for calendar quarters in 2020; and

(ii) in the case of home health care services, for calendar quarters in 2023.

(B) For purposes of subparagraph (A), a State described in this subparagraph is a State that demonstrates to the Secretary that the State—

(i) has made a good faith effort to comply with the requirements of paragraphs (1) and (2) (including by taking steps to adopt the technology used for an electronic visit verification system); and

(ii) in implementing such a system, has encountered unavoidable system delays.

(5) In this subsection:

(6)(A) In the case in which a State requires personal care service and home health care service providers to utilize an electronic visit verification system operated by the State or a contractor on behalf of the State, the Secretary shall pay to the State, for each quarter, an amount equal to 90 per centum of so much of the sums expended during such quarter as are attributable to the design, development, or installation of such system, and 75 per centum of so much of the sums for the operation and maintenance of such system.

(B) Subparagraph (A) shall not apply in the case in which a State requires personal care service and home health care service providers to utilize an electronic visit verification system that is not operated by the State or a contractor on behalf of the State.

(ii) Repealed. Pub. L. 105-33, title IV, § 4703(a), Aug. 5, 1997, 111 Stat. 495.

(iii) such services are provided for the benefit of individuals eligible for benefits under this subchapter in accordance with a contract between the State and the entity under which prepaid payments to the entity are made on an actuarially sound basis and under which the Secretary must provide prior approval for contracts providing for expenditures in excess of \$1,000,000 for 1998 and, for a subsequent year, the amount established under this clause for

the previous year increased by the percentage increase in the consumer price index for all urban consumers over the previous year;

(iv) such contract provides that the Secretary and the State (or any person or organization designated by either) shall have the right to audit and inspect any books and records of the entity (and of any subcontractor) that pertain (I) to the ability of the entity to bear the risk of potential financial losses, or (II) to services performed or determinations of amounts payable under the contract;

(v) such contract provides that in the entity's enrollment, reenrollment, or disenrollment of individuals who are eligible for benefits under this subchapter and eligible to enroll, reenroll, or disenroll with the entity pursuant to the contract, the entity will not discriminate among such individuals on the basis of their health status or requirements for health care services;

(vii) such contract provides that, in the case of medically necessary services which were provided (I) to an individual enrolled with the entity under the contract and entitled to benefits with respect to such services under the State's plan and (II) other than through the organization because the services were immediately required due to an unforeseen illness, injury, or condition, either the entity or the State provides for reimbursement with respect to those services;<sup>3</sup>

(viii) such contract provides for disclosure of information in accordance with section 1320a-3 of this title and paragraph (4) of this subsection;

(ix) such contract provides, in the case of an entity that has entered into a contract for the provision of services with a Federally-qualified health center or a rural health clinic, that the entity shall provide payment that is not less than the level and amount of payment which the entity would make for the services if the services were furnished by a provider which is not a Federally-qualified health center or a rural health clinic;

(x) any physician incentive plan that it operates meets the requirements described in section 1395mm(i)(8) of this title;

(xi) such contract provides for maintenance of sufficient patient encounter data to identify the physician who delivers services to patients and for the provision of such data to the State at a frequency and level of detail to be specified by the Secretary;

prepaid capitation risk basis or on any other risk basis; or

(iii) which has contracted with the single State agency for the provision of services (but not including inpatient hospital services) to persons eligible under this subchapter on a prepaid risk basis prior to 1970.

(iii) in the succeeding month is again eligible for such benefits,

the State plan, subject to subparagraph (A)(vi), may enroll the individual for that succeeding month with the organization described in clause (i) if the organization continues to have a contract under this paragraph with the State or with the manager described in such clause if the manager continues to have a contract described in section 1396d(t)(3) of this title with the State.

(3) No payment shall be made under this subchapter to a State with respect to expenditures incurred by the State for payment for services provided by a managed care entity (as defined under section 1396u-2(a)(1) of this title) under the State plan under this subchapter (or under a waiver of the plan) unless the State—

(A) beginning on July 1, 2018, has a contract with such entity that complies with the requirement specified in section 1396u-2(d)(5) of this title; and

(B) beginning on January 1, 2018, complies with the requirement specified in section 1396u-2(d)(6)(A) of this title.

(iii) Any lending of money or other extension of credit between the organization and such a party.

The State or Secretary may require that information reported respecting an organization which controls, or is controlled by, or is under common control with, another entity be in the form of a consolidated financial statement for the organization and such entity.

(B) Each organization shall make the information reported pursuant to subparagraph (A) available to its enrollees upon reasonable request.

(5)(A) If the Secretary determines that an entity with a contract under this subsection—

(ii) imposes premiums on individuals enrolled under this subsection in excess of the premiums permitted under this subchapter;

(iii) acts to discriminate among individuals in violation of the provision of paragraph (2)(A)(v), including expulsion or refusal to re-enroll an individual or engaging in any practice that would reasonably be expected to have the effect of denying or discouraging enrollment (except as permitted by this subsection) by eligible individuals with the organization whose medical condition or history indicates a need for substantial future medical services;

(iv) misrepresents or falsifies information that is furnished—

(I) to the Secretary or the State under this subsection, or

(II) to an individual or to any other entity under this subsection,<sup>3</sup> or

(v) fails to comply with the requirements of section 1395mm(i)(8) of this title,

(B) The remedies described in this subparagraph are—

(i) civil money penalties of not more than \$25,000 for each determination under subparagraph (A), or, with respect to a determination under clause (iii) or (iv)(I) of such subparagraph, of not more than \$100,000 for each such determination, plus, with respect to a determination under subparagraph (A)(ii), double the excess amount charged in violation of such subparagraph (and the excess amount charged shall be deducted from the penalty and returned to the individual concerned), and plus, with respect to a determination under subparagraph (A)(iii), \$15,000 for each individual not enrolled as a result of a practice described in such subparagraph, or

(ii) denial of payment to the State for medical assistance furnished under the contract under this subsection for individuals enrolled

after the date the Secretary notifies the organization of a determination under subparagraph (A) and until the Secretary is satisfied that the basis for such determination has been corrected and is not likely to recur.

The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under clause (i) in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title.

(6)(A) For purposes of this subsection and section 1396a(e)(2)(A) of this title, in the case of the State of New Jersey, the term “contract” shall be deemed to include an undertaking by the State agency, in the State plan under this subchapter, to operate a program meeting all requirements of this subsection.

(B) The undertaking described in subparagraph (A) must provide—

(i) for the establishment of a separate entity responsible for the operation of a program meeting the requirements of this subsection, which entity may be a subdivision of the State agency administering the State plan under this subchapter;

(ii) for separate accounting for the funds used to operate such program; and

(iii) for setting the capitation rates and any other payment rates for services provided in accordance with this subsection using a methodology satisfactory to the Secretary designed to ensure that total Federal matching payments under this subchapter for such services will be lower than the matching payments that would be made for the same services, if provided under the State plan on a fee for service basis to an actuarially equivalent population.

(C) The undertaking described in subparagraph (A) shall be subject to approval (and annual re-approval) by the Secretary in the same manner as a contract under this subsection.

(D) The undertaking described in subparagraph (A) shall not be eligible for a waiver under section 1396n(b) of this title.

(7) Payment shall be made under this subchapter to a State for expenditures for capitation payments described in section 438.6(e) of title 42, Code of Federal Regulations (or any successor regulation).

(8)(A) The State agency administering the State plan under this subchapter may have reasonable access, as determined by the State, to 1 or more prescription drug monitoring program databases administered or accessed by the State to the extent the State agency is permitted to access such databases under State law.

(B) Such State agency may facilitate reasonable access, as determined by the State, to 1 or more prescription drug monitoring program databases administered or accessed by the State, to same extent that the State agency is permitted under State law to access such databases, for—

(i) any provider enrolled under the State plan to provide services to Medicaid beneficiaries; and

(ii) any managed care entity (as defined under section 1396u-2(a)(1)(B) of this title) that

(9)(A) With respect to expenditures described in subparagraph (B) that are incurred by a State for any fiscal year after fiscal year 2020 (and before fiscal year 2024), in determining the pro rata share to which the United States is equitably entitled under subsection (d)(3), the Secretary shall substitute the Federal medical assistance percentage that applies for such fiscal year to the State under section 1396d(b) of this title (without regard to any adjustments to such percentage applicable under such section or any other provision of law) for the percentage that applies to such expenditures under section 1396d(y) of this title.

(B) Expenditures described in this subparagraph, with respect to a fiscal year to which subparagraph (A) applies, are expenditures incurred by a State for payment for medical assistance provided to individuals described in subclause (VIII) of section 1396a(a)(10)(A)(i) of this title by a managed care entity, or other specified entity (as defined in subparagraph (D)(iii)), that are treated as remittances because the State—

(i) has satisfied the requirement of section 438.8 of title 42, Code of Federal Regulations (or any successor regulation), by electing—

(I) in the case of a State described in subparagraph (C), to apply a minimum medical loss ratio (as defined in subparagraph (D)(ii)) that is at least 85 percent but not greater than the minimum medical loss ratio (as so defined) that such State applied as of May 31, 2018; or

(II) in the case of a State not described in subparagraph (C), to apply a minimum medical loss ratio that is equal to 85 percent; and

(ii) recovered all or a portion of the expenditures as a result of the entity's failure to meet such ratio.

(C) For purposes of subparagraph (B), a State described in this subparagraph is a State that as of May 31, 2018, applied a minimum medical loss ratio (as calculated under subsection (d) of section 438.8 of title 42, Code of Federal Regulations (as in effect on June 1, 2018)) for payment for services provided by entities described in such subparagraph under the State plan under this subchapter (or a waiver of the plan) that is equal to or greater than 85 percent.

(D) For purposes of this paragraph:

(iii) The term “other specified entity” means—

(I) a prepaid inpatient health plan, as defined in section 438.2 of title 42, Code of Federal Regulations (or any successor regulation); and

(II) a prepaid ambulatory health plan, as defined in such section (or any successor regulation).

**(o) Restrictions on authorized payments to States**

Notwithstanding the preceding provisions of this section, no payment shall be made to a State under the preceding provisions of this section for expenditures for medical assistance provided for an individual under its State plan approved under this subchapter to the extent that a private insurer (as defined by the Secretary by regulation and including a group health plan (as defined in section 1167(1) of title 29), a service benefit plan, and a health maintenance organization) would have been obligated to provide such assistance but for a provision of its insurance contract which has the effect of limiting or excluding such obligation because the individual is eligible for or is provided medical assistance under the plan.

**(p) Assignment of rights of payment; incentive payments for enforcement and collection**

(1) When a political subdivision of a State makes, for the State of which it is a political subdivision, or one State makes, for another State, the enforcement and collection of rights of support or payment assigned under section 1396k of this title, pursuant to a cooperative arrangement under such section (either within or outside of such State), there shall be paid to such political subdivision or such other State from amounts which would otherwise represent the Federal share of payments for medical assistance provided to the eligible individuals on whose behalf such enforcement and collection was made, an amount equal to 15 percent of any amount collected which is attributable to such rights of support or payment.

(2) Where more than one jurisdiction is involved in such enforcement or collection, the amount of the incentive payment determined under paragraph (1) shall be allocated among the jurisdictions in a manner to be prescribed by the Secretary.

**(q) “State medicaid fraud control unit” defined**

(4)(A) The entity has—

(iii) procedures for acting upon such complaints under the criminal laws of the State or for referring such complaints to other State agencies for action.

(B) For purposes of this paragraph, the term "board and care facility" means a residential setting which receives payment (regardless of whether such payment is made under the State plan under this subchapter) from or on behalf of two or more unrelated adults who reside in such facility, and for whom one or both of the following is provided:

(i) Nursing care services provided by, or under the supervision of, a registered nurse,

(1) In order to receive payments under subsection (a) for use of automated data systems in administration of the State plan under this subchapter, a State must, in addition to meeting the requirements of paragraph (3), have in operation mechanized claims processing and information retrieval systems that meet the requirements of this subsection and that the Secretary has found—

(A) are adequate to provide efficient, economical, and effective administration of such State plan;

(B) are compatible with the claims processing and information retrieval systems used in the administration of subchapter XVIII, and for this purpose—

(i) have a uniform identification coding system for providers, other payees, and beneficiaries under this subchapter or subchapter XVIII;

(ii) provide liaison between States and carriers and intermediaries with agreements under subchapter XVIII to facilitate timely exchange of appropriate data;

(iii) provide for exchange of data between the States and the Secretary with respect to persons sanctioned under this subchapter or subchapter XVIII; and

(iv) effective for claims filed on or after October 1, 2010, incorporate compatible methodologies of the National Correct Coding Initiative administered by the Secretary (or any successor initiative to promote cor-

(C) are capable of providing accurate and timely data;

(D) are complying with the applicable provisions of part C of subchapter XI;

(C) The systems must meet all performance standards and other requirements for initial approval developed by the Secretary.

(3) In order to meet the requirements of this paragraph, a State must have in operation an eligibility determination system which provides for data matching through the Public Assistance Reporting Information System (PARIS) facilitated by the Secretary (or any successor system), including matching with medical assistance programs operated by other States.

(4) For purposes of paragraph (1)(B)(iv), the Secretary shall do the following:

(A) Not later than September 1, 2010:

(i) Identify those methodologies of the National Correct Coding Initiative administered by the Secretary (or any successor initiative to promote correct coding and to control improper coding leading to inappropriate payment) which are compatible to claims filed under this subchapter.

(ii) Identify those methodologies of such Initiative (or such other national correct coding methodologies) that should be incorporated into claims filed under this subchapter with respect to items or services for which States provide medical assistance

under this subchapter and no national correct coding methodologies have been established under such Initiative with respect to subchapter XVIII.

(iii) Notify States of—

(I) the methodologies identified under subparagraphs (A) and (B) (and of any other national correct coding methodologies identified under subparagraph (B)); and

(II) how States are to incorporate such methodologies into claims filed under this subchapter.

(B) Not later than March 1, 2011, submit a report to Congress that includes the notice to States under clause (iii) of subparagraph (A) and an analysis supporting the identification of the methodologies made under clauses (i) and (ii) of subparagraph (A).

**(s) Limitations on certain physician referrals**

Notwithstanding the preceding provisions of this section, no payment shall be made to a State under this section for expenditures for medical assistance under the State plan consisting of a designated health service (as defined in subsection (h)(6) of section 1395nn of this title) furnished to an individual on the basis of a referral that would result in the denial of payment for the service under subchapter XVIII if such subchapter provided for coverage of such service to the same extent and under the same terms and conditions as under the State plan, and subsections (f) and (g)(5) of such section shall apply to a provider of such a designated health service for which payment may be made under this subchapter in the same manner as such subsections apply to a provider of such a service for which payment may be made under such subchapter.

**(t) Payments to encourage adoption and use of certified EHR technology**

(1) For purposes of subsection (a)(3)(F), the payments described in this paragraph to encourage the adoption and use of certified EHR technology are payments made by the State in accordance with this subsection—

(A) to Medicaid providers described in paragraph (2)(A) not in excess of 85 percent of net average allowable costs (as defined in paragraph (3)(E)) for certified EHR technology (and support services including maintenance and training that is for, or is necessary for the adoption and operation of, such technology) with respect to such providers; and

(B) to Medicaid providers described in paragraph (2)(B) not in excess of the maximum amount permitted under paragraph (5) for the provider involved.

(2) In this subsection and subsection (a)(3)(F), the term "Medicaid provider" means—

(A) an eligible professional (as defined in paragraph (3)(B))—

(i) who is not hospital-based and has at least 30 percent of the professional's patient volume (as estimated in accordance with a methodology established by the Secretary) attributable to individuals who are receiving medical assistance under this subchapter;

(ii) who is not described in clause (i), who is a pediatrician, who is not hospital-based,

and who has at least 20 percent of the professional's patient volume (as estimated in accordance with a methodology established by the Secretary) attributable to individuals who are receiving medical assistance under this subchapter; and

(iii) who practices predominantly in a Federally qualified health center or rural health clinic and has at least 30 percent of the professional's patient volume (as estimated in accordance with a methodology established by the Secretary) attributable to needy individuals (as defined in paragraph (3)(F)); and

(B)(i) a children's hospital, or

(ii) an acute-care hospital that is not described in clause (i) and that has at least 10 percent of the hospital's patient volume (as estimated in accordance with a methodology established by the Secretary) attributable to individuals who are receiving medical assistance under this subchapter.

An eligible professional shall not qualify as a Medicaid provider under this subsection unless any right to payment under sections 1395w-4(o) and 1395w-23(l) of this title with respect to the eligible professional has been waived in a manner specified by the Secretary. For purposes of calculating patient volume under subparagraph (A)(iii), insofar as it is related to uncompensated care, the Secretary may require the adjustment of such uncompensated care data so that it would be an appropriate proxy for charity care, including a downward adjustment to eliminate bad debt data from uncompensated care. In applying subparagraphs (A) and (B)(ii), the methodology established by the Secretary for patient volume shall include individuals enrolled in a Medicaid managed care plan (under subsection (m) or section 1396u-2 of this title).

(3) In this subsection and subsection (a)(3)(F):

(A) The term "certified EHR technology" means a qualified electronic health record (as defined in<sup>9</sup> 300jj(13) of this title) that is certified pursuant to section 300jj-11(c)(5) of this title as meeting standards adopted under section 300jj-14 of this title that are applicable to the type of record involved (as determined by the Secretary, such as an ambulatory electronic health record for office-based physicians or an inpatient hospital electronic health record for hospitals).

(B) The term "eligible professional" means a—

- (i) physician;
- (ii) dentist;
- (iii) certified nurse mid-wife;
- (iv) nurse practitioner; and
- (v) physician assistant insofar as the assistant is practicing in a rural health clinic that is led by a physician assistant or is practicing in a Federally qualified health center that is so led.

(C) The term "average allowable costs" means, with respect to certified EHR technology of Medicaid providers described in paragraph (2)(A) for—

- (i) the first year of payment with respect to such a provider, the average costs for the

purchase and initial implementation or upgrade of such technology (and support services including training that is for, or is necessary for the adoption and initial operation of, such technology) for such providers, as determined by the Secretary based upon studies conducted under paragraph (4)(C); and

(ii) a subsequent year of payment with respect to such a provider, the average costs not described in clause (i) relating to the operation, maintenance, and use of such technology for such providers, as determined by the Secretary based upon studies conducted under paragraph (4)(C).

(D) The term "hospital-based" means, with respect to an eligible professional, a professional (such as a pathologist, anesthesiologist, or emergency physician) who furnishes substantially all of the individual's professional services in a hospital inpatient or emergency room setting and through the use of the facilities and equipment, including qualified electronic health records, of the hospital. The determination of whether an eligible professional is a hospital-based eligible professional shall be made on the basis of the site of service (as defined by the Secretary) and without regard to any employment or billing arrangement between the eligible professional and any other provider.

(E) The term "net average allowable costs" means, with respect to a Medicaid provider described in paragraph (2)(A), average allowable costs reduced by the average payment the Secretary estimates will be made to such Medicaid providers (determined on a percentage or other basis for such classes or types of providers as the Secretary may specify) from other sources (other than under this subsection, or by the Federal government or a State or local government) that is directly attributable to payment for certified EHR technology or support services described in subparagraph (C).

(F) The term "needy individual" means, with respect to a Medicaid provider, an individual—

- (i) who is receiving assistance under this subchapter;
- (ii) who is receiving assistance under subchapter XXI;
- (iii) who is furnished uncompensated care by the provider; or
- (iv) for whom charges are reduced by the provider on a sliding scale basis based on an individual's ability to pay.

(4)(A) With respect to a Medicaid provider described in paragraph (2)(A), subject to subparagraph (B), in no case shall—

(i) the net average allowable costs under this subsection for the first year of payment (which may not be later than 2016), which is intended to cover the costs described in paragraph (3)(C)(i), exceed \$25,000 (or such lesser amount as the Secretary determines based on studies conducted under subparagraph (C));

(ii) the net average allowable costs under this subsection for a subsequent year of payment, which is intended to cover costs de-

<sup>9</sup> So in original. The word "section" probably should appear.

scribed in paragraph (3)(C)(ii), exceed \$10,000; and

(iii) payments be made for costs described in clause (i) after 2021 or over a period of longer than 5 years.

(B) In the case of Medicaid<sup>10</sup> provider described in paragraph (2)(A)(ii), the dollar amounts specified in subparagraph (A) shall be  $\frac{2}{3}$  of the dollar amounts otherwise specified.

(C) For the purposes of determining average allowable costs under this subsection, the Secretary shall study the average costs to Medicaid providers described in paragraph (2)(A) of purchase and initial implementation and upgrade of certified EHR technology described in paragraph (3)(C)(i) and the average costs to such providers of operations, maintenance, and use of such technology described in paragraph (3)(C)(ii). In determining such costs for such providers, the Secretary may utilize studies of such amounts submitted by States.

(5)(A) In no case shall the payments described in paragraph (1)(B) with respect to a Medicaid provider described in paragraph (2)(B) exceed—

(i) in the aggregate the product of—

(I) the overall hospital EHR amount for the provider computed under subparagraph (B); and

(II) the Medicaid share for such provider computed under subparagraph (C);

(ii) in any year 50 percent of the product described in clause (i); and

(iii) in any 2-year period 90 percent of such product.

(B) For purposes of this paragraph, the overall hospital EHR amount, with respect to a Medicaid provider, is the sum of the applicable amounts specified in section 1395ww(n)(2)(A) of this title for such provider for the first 4 payment years (as estimated by the Secretary) determined as if the Medicare share specified in clause (ii) of such section were 1. The Secretary shall establish, in consultation with the State, the overall hospital EHR amount for each such Medicaid provider eligible for payments under paragraph (1)(B). For purposes of this subparagraph in computing the amounts under section 1395ww(n)(2)(C) of this title for payment years after the first payment year, the Secretary shall assume that in subsequent payment years discharges increase at the average annual rate of growth of the most recent 3 years for which discharge data are available per year.

(C) The Medicaid share computed under this subparagraph, for a Medicaid provider for a period specified by the Secretary, shall be calculated in the same manner as the Medicare share under section 1395ww(n)(2)(D) of this title for such a hospital and period, except that there shall be substituted for the numerator under clause (i) of such section the amount that is equal to the number of inpatient-bed-days (as established by the Secretary) which are attributable to individuals who are receiving medical assistance under this subchapter and who are not described in section 1395ww(n)(2)(D)(i) of this title. In computing inpatient-bed-days under the previous sentence, the Secretary shall take into

account inpatient-bed-days attributable to inpatient-bed-days that are paid for individuals enrolled in a Medicaid managed care plan (under subsection (m) or section 1396u-2 of this title).

(D) In no case may the payments described in paragraph (1)(B) with respect to a Medicaid provider described in paragraph (2)(B) be paid—

(i) for any year beginning after 2016 unless the provider has been provided payment under paragraph (1)(B) for the previous year; and

(ii) over a period of more than 6 years of payment.

(6) Payments described in paragraph (1) are not in accordance with this subsection unless the following requirements are met:

(A)(i) The State provides assurances satisfactory to the Secretary that amounts received under subsection (a)(3)(F) with respect to payments to a Medicaid provider are paid, subject to clause (ii), directly to such provider (or to an employer or facility to which such provider has assigned payments) without any deduction or rebate.

(ii) Amounts described in clause (i) may also be paid to an entity promoting the adoption of certified EHR technology, as designated by the State, if participation in such a payment arrangement is voluntary for the eligible professional involved and if such entity does not retain more than 5 percent of such payments for costs not related to certified EHR technology (and support services including maintenance and training) that is for, or is necessary for the operation of, such technology.

(B) A Medicaid provider described in paragraph (2)(A) is responsible for payment of the remaining 15 percent of the net average allowable cost and shall be determined to have met such responsibility to the extent that the payment to the Medicaid provider is not in excess of 85 percent of the net average allowable cost.

(C)(i) Subject to clause (ii), with respect to payments to a Medicaid provider—

(I) for the first year of payment to the Medicaid provider under this subsection, the Medicaid provider demonstrates that it is engaged in efforts to adopt, implement, or upgrade certified EHR technology; and

(II) for a year of payment, other than the first year of payment to the Medicaid provider under this subsection, the Medicaid provider demonstrates meaningful use of certified EHR technology through a means that is approved by the State and acceptable to the Secretary, and that may be based upon the methodologies applied under section 1395w-4(o) or 1395ww(n) of this title.

(ii) In the case of a Medicaid provider who has completed adopting, implementing, or upgrading such technology prior to the first year of payment to the Medicaid provider under this subsection, clause (i)(I) shall not apply and clause (i)(II) shall apply to each year of payment to the Medicaid provider under this subsection, including the first year of payment.

(D) To the extent specified by the Secretary, the certified EHR technology is compatible with State or Federal administrative management systems.

<sup>10</sup> So in original. Probably should be preceded by "a".

For purposes of subparagraph (B), a Medicaid provider described in paragraph (2)(A) may accept payments for the costs described in such subparagraph from a State or local government. For purposes of subparagraph (C), in establishing the means described in such subparagraph, which may include clinical quality reporting to the State, the State shall ensure that populations with unique needs, such as children, are appropriately addressed.

(7) With respect to Medicaid providers described in paragraph (2)(A), the Secretary shall ensure coordination of payment with respect to such providers under sections 1395w-4(o) and 1395w-23(l) of this title and under this subsection to assure no duplication of funding. Such coordination shall include, to the extent practicable, a data matching process between State Medicaid agencies and the Centers for Medicare & Medicaid Services using national provider identifiers. For such purposes, the Secretary may require the submission of such data relating to payments to such Medicaid providers as the Secretary may specify.

(8) In carrying out paragraph (6)(C), the State and Secretary shall seek, to the maximum extent practicable, to avoid duplicative requirements from Federal and State governments to demonstrate meaningful use of certified EHR technology under this subchapter and subchapter XVIII. In doing so, the Secretary may deem satisfaction of requirements for such meaningful use for a payment year under subchapter XVIII to be sufficient to qualify as meaningful use under this subsection. The Secretary may also specify the reporting periods under this subsection in order to carry out this paragraph.

(9) In order to be provided Federal financial participation under subsection (a)(3)(F)(ii), a State must demonstrate to the satisfaction of the Secretary, that the State—

(A) is using the funds provided for the purposes of administering payments under this subsection, including tracking of meaningful use by Medicaid providers;

(B) is conducting adequate oversight of the program under this subsection, including routine tracking of meaningful use attestations and reporting mechanisms; and

(C) is pursuing initiatives to encourage the adoption of certified EHR technology to promote health care quality and the exchange of health care information under this subchapter, subject to applicable laws and regulations governing such exchange.

(10) The Secretary shall periodically submit reports to the Committee on Energy and Commerce of the House of Representatives and the Committee on Finance of the Senate on status, progress, and oversight of payments described in paragraph (1), including steps taken to carry out paragraph (7). Such reports shall also describe the extent of adoption of certified EHR technology among Medicaid providers resulting from the provisions of this subsection and any improvements in health outcomes, clinical quality, or efficiency resulting from such adoption.

**(u) Limitation of Federal financial participation in erroneous medical assistance expenditures**

(1)(A) Notwithstanding subsection (a)(1), if the ratio of a State's erroneous excess payments for medical assistance (as defined in subparagraph (D)) to its total expenditures for medical assistance under the State plan approved under this subchapter exceeds 0.03, for the period consisting of the third and fourth quarters of fiscal year 1983, or for any full fiscal year thereafter, then the Secretary shall make no payment for such period or fiscal year with respect to so much of such erroneous excess payments as exceeds such allowable error rate of 0.03.

(B) The Secretary may waive, in certain limited cases, all or part of the reduction required under subparagraph (A) with respect to any State if such State is unable to reach the allowable error rate for a period or fiscal year despite a good faith effort by such State.

(C) In estimating the amount to be paid to a State under subsection (d), the Secretary shall take into consideration the limitation on Federal financial participation imposed by subparagraph (A) and shall reduce the estimate he makes under subsection (d)(1), for purposes of payment to the State under subsection (d)(3), in light of any expected erroneous excess payments for medical assistance (estimated in accordance with such criteria, including sampling procedures, as he may prescribe and subject to subsequent adjustment, if necessary, under subsection (d)(2)).

(D)(i) For purposes of this subsection, the term "erroneous excess payments for medical assistance" means the total of—

(I) payments under the State plan with respect to ineligible individuals and families, and

(II) overpayments on behalf of eligible individuals and families by reason of error in determining the amount of expenditures for medical care required of an individual or family as a condition of eligibility.

(ii) In determining the amount of erroneous excess payments for medical assistance to an ineligible individual or family under clause (i)(I), if such ineligibility is the result of an error in determining the amount of the resources of such individual or family, the amount of the erroneous excess payment shall be the smaller of (I) the amount of the payment with respect to such individual or family, or (II) the difference between the actual amount of such resources and the allowable resource level established under the State plan.

(iii) In determining the amount of erroneous excess payments for medical assistance to an individual or family under clause (i)(II), the amount of the erroneous excess payment shall be the smaller of (I) the amount of the payment on behalf of the individual or family, or (II) the difference between the actual amount incurred for medical care by the individual or family and the amount which should have been incurred in order to establish eligibility for medical assistance.

(iv) In determining the amount of erroneous excess payments, there shall not be included any

error resulting from a failure of an individual to cooperate or give correct information with respect to third-party liability as required under section 1396k(a)(1)(C) or 602(a)(26)(C)<sup>4</sup> of this title or with respect to payments made in violation of section 1396e of this title.

(v) In determining the amount of erroneous excess payments, there shall not be included any erroneous payments made for ambulatory prenatal care provided during a presumptive eligibility period (as defined in section 1396r-1(b)(1) of this title), for items and services described in subsection (a) of section 1396r-1a of this title provided to a child during a presumptive eligibility period under such section, for medical assistance provided to an individual described in subsection (a) of section 1396r-1b of this title during a presumptive eligibility period under such section, or<sup>11</sup> for medical assistance provided to an individual described in subsection (a) of section 1396r-1c of this title during a presumptive eligibility period under such section, or for medical assistance provided to an individual during a presumptive eligibility period resulting from a determination of presumptive eligibility made by a hospital that elects under section 1396a(a)(47)(B) of this title to be a qualified entity for such purpose.

(E) For purposes of subparagraph (D), there shall be excluded, in determining both erroneous excess payments for medical assistance and total expenditures for medical assistance—

(i) payments with respect to any individual whose eligibility therefor was determined exclusively by the Secretary under an agreement pursuant to section 1383c of this title and such other classes of individuals as the Secretary may by regulation prescribe whose eligibility was determined in part under such an agreement; and

(ii) payments made as the result of a technical error.

(2) The State agency administering the plan approved under this subchapter shall, at such times and in such form as the Secretary may specify, provide information on the rates of erroneous excess payments made (or expected, with respect to future periods specified by the Secretary) in connection with its administration of such plan, together with any other data he requests that are reasonably necessary for him to carry out the provisions of this subsection.

(3)(A) If a State fails to cooperate with the Secretary in providing information necessary to carry out this subsection, the Secretary, directly or through contractual or such other arrangements as he may find appropriate, shall establish the error rates for that State on the basis of the best data reasonably available to him and in accordance with such techniques for sampling and estimating as he finds appropriate.

(B) In any case in which it is necessary for the Secretary to exercise his authority under subparagraph (A) to determine a State's error rates for a fiscal year, the amount that would otherwise be payable to such State under this subchapter for quarters in such year shall be re-

duced by the costs incurred by the Secretary in making (directly or otherwise) such determination.

(4) This subsection shall not apply with respect to Puerto Rico, Guam, the Virgin Islands, the Northern Mariana Islands, or American Samoa.

**(v) Medical assistance to aliens not lawfully admitted for permanent residence**

(1) Notwithstanding the preceding provisions of this section, except as provided in paragraphs (2) and (4), no payment may be made to a State under this section for medical assistance furnished to an alien who is not lawfully admitted for permanent residence or otherwise permanently residing in the United States under color of law.

(2) Payment shall be made under this section for care and services that are furnished to an alien described in paragraph (1) only if—

(A) such care and services are necessary for the treatment of an emergency medical condition of the alien,

(B) such alien otherwise meets the eligibility requirements for medical assistance under the State plan approved under this subchapter (other than the requirement of the receipt of aid or assistance under subchapter IV, supplemental security income benefits under subchapter XVI, or a State supplementary payment), and

(C) such care and services are not related to an organ transplant procedure.

(3) For purposes of this subsection, the term "emergency medical condition" means a medical condition (including emergency labor and delivery) manifesting itself by acute symptoms of sufficient severity (including severe pain) such that the absence of immediate medical attention could reasonably be expected to result in—

(A) placing the patient's health in serious jeopardy,

(B) serious impairment to bodily functions,

or

(C) serious dysfunction of any bodily organ or part.

(4)(A) A State may elect (in a plan amendment under this subchapter) to provide medical assistance under this subchapter, notwithstanding sections 1611(a), 1612(b), 1613, and 1631 of title 8, to children and pregnant women who are lawfully residing in the United States (including battered individuals described in section 1641(c) of title 8) and who are otherwise eligible for such assistance, within either or both of the following eligibility categories:

**(i) Pregnant women**

Women during pregnancy (and during the 60-day period beginning on the last day of the pregnancy).

**(ii) Children**

Individuals under 21 years of age, including optional targeted low-income children described in section 1396d(u)(2)(B) of this title.

(B) In the case of a State that has elected to provide medical assistance to a category of aliens under subparagraph (A), no debt shall ac-

<sup>11</sup> So in original. The word "or" probably should not appear.

crue under an affidavit of support against any sponsor of such an alien on the basis of provision of assistance to such category and the cost of such assistance shall not be considered as an unreimbursed cost.

(C) As part of the State's ongoing eligibility redetermination requirements and procedures for an individual provided medical assistance as a result of an election by the State under subparagraph (A), a State shall verify that the individual continues to lawfully reside in the United States using the documentation presented to the State by the individual on initial enrollment. If the State cannot successfully verify that the individual is lawfully residing in the United States in this manner, it shall require that the individual provide the State with further documentation or other evidence to verify that the individual is lawfully residing in the United States.

**(w) Prohibition on use of voluntary contributions, and limitation on use of provider-specific taxes to obtain Federal financial participation under medicaid**

(1)(A) Notwithstanding the previous provisions of this section, for purposes of determining the amount to be paid to a State (as defined in paragraph (7)(D)) under subsection (a)(1) for quarters in any fiscal year, the total amount expended during such fiscal year as medical assistance under the State plan (as determined without regard to this subsection) shall be reduced by the sum of any revenues received by the State (or by a unit of local government in the State) during the fiscal year—

(i) from provider-related donations (as defined in paragraph (2)(A)), other than—

(I) bona fide provider-related donations (as defined in paragraph (2)(B)), and

(II) donations described in paragraph (2)(C);

(ii) from health care related taxes (as defined in paragraph (3)(A)), other than broad-based health care related taxes (as defined in paragraph (3)(B));

(iii) from a broad-based health care related tax, if there is in effect a hold harmless provision (described in paragraph (4)) with respect to the tax; or

(iv) only with respect to State fiscal years (or portions thereof) occurring on or after January 1, 1992, and before October 1, 1995, from broad-based health care related taxes to the extent the amount of such taxes collected exceeds the limit established under paragraph (5).

(B) Notwithstanding the previous provisions of this section, for purposes of determining the amount to be paid to a State under subsection (a)(7) for all quarters in a Federal fiscal year (beginning with fiscal year 1993), the total amount expended during the fiscal year for administrative expenditures under the State plan (as determined without regard to this subsection) shall be reduced by the sum of any revenues received by the State (or by a unit of local government in the State) during such quarters from donations described in paragraph (2)(C), to the extent the amount of such donations exceeds

10 percent of the amounts expended under the State plan under this subchapter during the fiscal year for purposes described in paragraphs (2), (3), (4), (6), and (7) of subsection (a).

(C)(i) Except as otherwise provided in clause (ii), subparagraph (A)(i) shall apply to donations received on or after January 1, 1992.

(ii) Subject to the limits described in clause (iii) and subparagraph (E), subparagraph (A)(i) shall not apply to donations received before the effective date specified in subparagraph (F) if such donations are received under programs in effect or as described in State plan amendments or related documents submitted to the Secretary by September 30, 1991, and applicable to State fiscal year 1992, as demonstrated by State plan amendments, written agreements, State budget documentation, or other documentary evidence in existence on that date.

(iii) In applying clause (ii) in the case of donations received in State fiscal year 1993, the maximum amount of such donations to which such clause may be applied may not exceed the total amount of such donations received in the corresponding period in State fiscal year 1992 (or not later than 5 days after the last day of the corresponding period).

(D)(i) Except as otherwise provided in clause (ii), subparagraphs (A)(ii) and (A)(iii) shall apply to taxes received on or after January 1, 1992.

(ii) Subparagraphs (A)(ii) and (A)(iii) shall not apply to impermissible taxes (as defined in clause (iii)) received before the effective date specified in subparagraph (F) to the extent the taxes (including the tax rate or base) were in effect, or the legislation or regulations imposing such taxes were enacted or adopted, as of November 22, 1991.

(iii) In this subparagraph and subparagraph (E), the term "impermissible tax" means a health care related tax for which a reduction may be made under clause (ii) or (iii) of subparagraph (A).

(E)(i) In no case may the total amount of donations and taxes permitted under the exception provided in subparagraphs (C)(ii) and (D)(ii) for the portion of State fiscal year 1992 occurring during calendar year 1992 exceed the limit under paragraph (5) minus the total amount of broad-based health care related taxes received in the portion of that fiscal year.

(ii) In no case may the total amount of donations and taxes permitted under the exception provided in subparagraphs (C)(ii) and (D)(ii) for State fiscal year 1993 exceed the limit under paragraph (5) minus the total amount of broad-based health care related taxes received in that fiscal year.

(F) In this paragraph in the case of a State—

(i) except as provided in clause (iii), with a State fiscal year beginning on or before July 1, the effective date is October 1, 1992,

(ii) except as provided in clause (iii), with a State fiscal year that begins after July 1, the effective date is January 1, 1993, or

(iii) with a State legislature which is not scheduled to have a regular legislative session in 1992, with a State legislature which is not scheduled to have a regular legislative session in 1993, or with a provider-specific tax enacted on November 4, 1991, the effective date is July 1, 1993.

(2)(A) In this subsection (except as provided in paragraph (6)), the term “provider-related donation” means any donation or other voluntary payment (whether in cash or in kind) made (directly or indirectly) to a State or unit of local government by—

- (i) a health care provider (as defined in paragraph (7)(B)),
- (ii) an entity related to a health care provider (as defined in paragraph (7)(C)), or
- (iii) an entity providing goods or services under the State plan for which payment is made to the State under paragraph (2), (3), (4), (6), or (7) of subsection (a).

(B) For purposes of paragraph (1)(A)(i)(I), the term “bona fide provider-related donation” means a provider-related donation that has no direct or indirect relationship (as determined by the Secretary) to payments made under this subchapter to that provider, to providers furnishing the same class of items and services as that provider, or to any related entity, as established by the State to the satisfaction of the Secretary. The Secretary may by regulation specify types of provider-related donations described in the previous sentence that will be considered to be bona fide provider-related donations.

(C) For purposes of paragraph (1)(A)(i)(II), donations described in this subparagraph are funds expended by a hospital, clinic, or similar entity for the direct cost (including costs of training and of preparing and distributing outreach materials) of State or local agency personnel who are stationed at the hospital, clinic, or entity to determine the eligibility of individuals for medical assistance under this subchapter and to provide outreach services to eligible or potentially eligible individuals.

(3)(A) In this subsection (except as provided in paragraph (6)), the term “health care related tax” means a tax (as defined in paragraph (7)(F)) that—

- (i) is related to health care items or services, or to the provision of, the authority to provide, or payment for, such items or services, or
- (ii) is not limited to such items or services but provides for treatment of individuals or entities that are providing or paying for such items or services that is different from the treatment provided to other individuals or entities.

In applying clause (i), a tax is considered to relate to health care items or services if at least 85 percent of the burden of such tax falls on health care providers.

(B) In this subsection, the term “broad-based health care related tax” means a health care related tax which is imposed with respect to a class of health care items or services (as described in paragraph (7)(A)) or with respect to providers of such items or services and which, except as provided in subparagraphs (D), (E), and (F)—

- (i) is imposed at least with respect to all items or services in the class furnished by all non-Federal, nonpublic providers in the State (or, in the case of a tax imposed by a unit of local government, the area over which the

unit has jurisdiction) or is imposed with respect to all non-Federal, nonpublic providers in the class; and

- (ii) is imposed uniformly (in accordance with subparagraph (C)).

(C)(i) Subject to clause (ii), for purposes of subparagraph (B)(ii), a tax is considered to be imposed uniformly if—

(I) in the case of a tax consisting of a licensing fee or similar tax on a class of health care items or services (or providers of such items or services), the amount of the tax imposed is the same for every provider providing items or services within the class;

(II) in the case of a tax consisting of a licensing fee or similar tax imposed on a class of health care items or services (or providers of such services) on the basis of the number of beds (licensed or otherwise) of the provider, the amount of the tax is the same for each bed of each provider of such items or services in the class;

(III) in the case of a tax based on revenues or receipts with respect to a class of items or services (or providers of items or services) the tax is imposed at a uniform rate for all items and services (or providers of such items or services) in the class on all the gross revenues or receipts, or net operating revenues, relating to the provision of all such items or services (or all such providers) in the State (or, in the case of a tax imposed by a unit of local government within the State, in the area over which the unit has jurisdiction); or

(IV) in the case of any other tax, the State establishes to the satisfaction of the Secretary that the tax is imposed uniformly.

(ii) Subject to subparagraphs (D) and (E), a tax imposed with respect to a class of health care items and services is not considered to be imposed uniformly if the tax provides for any credits, exclusions, or deductions which have as their purpose or effect the return to providers of all or a portion of the tax paid in a manner that is inconsistent with subclauses (I) and (II) of subparagraph (E)(ii) or provides for a hold harmless provision described in paragraph (4).

(D) A tax imposed with respect to a class of health care items and services is considered to be imposed uniformly—

(i) notwithstanding that the tax is not imposed with respect to items or services (or the providers thereof) for which payment is made under a State plan under this subchapter or subchapter XVIII, or

(ii) in the case of a tax described in subparagraph (C)(i)(III), notwithstanding that the tax provides for exclusion (in whole or in part) of revenues or receipts from a State plan under this subchapter or subchapter XVIII.

(E)(i) A State may submit an application to the Secretary requesting that the Secretary treat a tax as a broad-based health care related tax, notwithstanding that the tax does not apply to all health care items or services in class (or all providers of such items and services), provides for a credit, deduction, or exclusion, is not applied uniformly, or otherwise does not meet the requirements of subparagraph (B) or (C). Permissible waivers may include exemptions for rural or sole-community providers.

(ii) The Secretary shall approve such an application if the State establishes to the satisfaction of the Secretary that—

(I) the net impact of the tax and associated expenditures under this subchapter as proposed by the State is generally redistributive in nature, and

(II) the amount of the tax is not directly correlated to payments under this subchapter for items or services with respect to which the tax is imposed.

The Secretary shall by regulation specify types of credits, exclusions, and deductions that will be considered to meet the requirements of this subparagraph.

(F) In no case shall a tax not qualify as a broad-based health care related tax under this paragraph because it does not apply to a hospital that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and exempt from taxation under section 501(a) of such Code and that does not accept payment under the State plan under this subchapter or under subchapter XVIII.

(4) For purposes of paragraph (1)(A)(iii), there is in effect a hold harmless provision with respect to a broad-based health care related tax imposed with respect to a class of items or services if the Secretary determines that any of the following applies:

(A) The State or other unit of government imposing the tax provides (directly or indirectly) for a payment (other than under this subchapter) to taxpayers and the amount of such payment is positively correlated either to the amount of such tax or to the difference between the amount of the tax and the amount of payment under the State plan.

(B) All or any portion of the payment made under this subchapter to the taxpayer varies based only upon the amount of the total tax paid.

(C)(i) The State or other unit of government imposing the tax provides (directly or indirectly) for any payment, offset, or waiver that guarantees to hold taxpayers harmless for any portion of the costs of the tax.

(ii) For purposes of clause (i), a determination of the existence of an indirect guarantee shall be made under paragraph (3)(i) of section 433.68(f) of title 42, Code of Federal Regulations, as in effect on November 1, 2006, except that for portions of fiscal years beginning on or after January 1, 2008, and before October 1, 2011, “5.5 percent” shall be substituted for “6 percent” each place it appears.

The provisions of this paragraph shall not prevent use of the tax to reimburse health care providers in a class for expenditures under this subchapter nor preclude States from relying on such reimbursement to justify or explain the tax in the legislative process.

(5)(A) For purposes of this subsection, the limit under this subparagraph with respect to a State is an amount equal to 25 percent (or, if greater, the State base percentage, as defined in subparagraph (B)) of the non-Federal share of the total amount expended under the State plan during a State fiscal year (or portion thereof), as it would be determined pursuant to paragraph (1)(A) without regard to paragraph (1)(A)(iv).

(B)(i) In subparagraph (A), the term “State base percentage” means, with respect to a State, an amount (expressed as a percentage) equal to—

(I) the total of the amount of health care related taxes (whether or not broad-based) and the amount of provider-related donations (whether or not bona fide) projected to be collected (in accordance with clause (ii)) during State fiscal year 1992, divided by

(II) the non-Federal share of the total amount estimated to be expended under the State plan during such State fiscal year.

(ii) For purposes of clause (i)(I), in the case of a tax that is not in effect throughout State fiscal year 1992 or the rate (or base) of which is increased during such fiscal year, the Secretary shall project the amount to be collected during such fiscal year as if the tax (or increase) were in effect during the entire State fiscal year.

(C)(i) The total amount of health care related taxes under subparagraph (B)(i)(I) shall be determined by the Secretary based on only those taxes (including the tax rate or base) which were in effect, or for which legislation or regulations imposing such taxes were enacted or adopted, as of November 22, 1991.

(ii) The amount of provider-related donations under subparagraph (B)(i)(I) shall be determined by the Secretary based on programs in effect on September 30, 1991, and applicable to State fiscal year 1992, as demonstrated by State plan amendments, written agreements, State budget documentation, or other documentary evidence in existence on that date.

(iii) The amount of expenditures described in subparagraph (B)(i)(II) shall be determined by the Secretary based on the best data available as of December 12, 1991.

(6)(A) Notwithstanding the provisions of this subsection, the Secretary may not restrict States’ use of funds where such funds are derived from State or local taxes (or funds appropriated to State university teaching hospitals) transferred from or certified by units of government within a State as the non-Federal share of expenditures under this subchapter, regardless of whether the unit of government is also a health care provider, except as provided in section 1396a(a)(2) of this title, unless the transferred funds are derived by the unit of government from donations or taxes that would not otherwise be recognized as the non-Federal share under this section.

(B) For purposes of this subsection, funds the use of which the Secretary may not restrict under subparagraph (A) shall not be considered to be a provider-related donation or a health care related tax.

(7) For purposes of this subsection:

(A) Each of the following shall be considered a separate class of health care items and services:

(i) Inpatient hospital services.

(ii) Outpatient hospital services.

(iii) Nursing facility services (other than services of intermediate care facilities for the mentally retarded).

(iv) Services of intermediate care facilities for the mentally retarded.

(v) Physicians’ services.

- (vi) Home health care services.
- (vii) Outpatient prescription drugs.
- (viii) Services of managed care organizations (including health maintenance organizations, preferred provider organizations, and such other similar organizations as the Secretary may specify by regulation).
- (ix) Such other classification of health care items and services consistent with this subparagraph as the Secretary may establish by regulation.

(B) The term “health care provider” means an individual or person that receives payments for the provision of health care items or services.

(C) An entity is considered to be “related” to a health care provider if the entity—

- (i) is an organization, association, corporation or partnership formed by or on behalf of health care providers;
- (ii) is a person with an ownership or control interest (as defined in section 1320a-3(a)(3) of this title) in the provider;
- (iii) is the employee, spouse, parent, child, or sibling of the provider (or of a person described in clause (ii)); or
- (iv) has a similar, close relationship (as defined in regulations) to the provider.

(D) The term “State” means only the 50 States and the District of Columbia but does not include any State whose entire program under this subchapter is operated under a waiver granted under section 1315 of this title.

(E) The “State fiscal year” means, with respect to a specified year, a State fiscal year ending in that specified year.

(F) The term “tax” includes any licensing fee, assessment, or other mandatory payment, but does not include payment of a criminal or civil fine or penalty (other than a fine or penalty imposed in lieu of or instead of a fee, assessment, or other mandatory payment).

(G) The term “unit of local government” means, with respect to a State, a city, county, special purpose district, or other governmental unit in the State.

**(x) Satisfactory documentary evidence of citizenship or nationality by individual declaring to be citizen or national of United States**

Each State plan—

(1) may implement guidelines established by the Secretary, consistent with subsection (b), to identify those cases in which enrollment of an individual otherwise entitled to medical assistance under this subchapter in a group health plan (in which the individual is otherwise eligible to be enrolled) is cost-effective (as defined in subsection (e)(2));

(2) may require, in case of an individual so identified and as a condition of the individual being or remaining eligible for medical assistance under this subchapter and subject to subsection (b)(2), notwithstanding any other provision of this subchapter, that the individual

(or in the case of a child, the child's parent) apply for enrollment in the group health plan; and

### § 1396e-1. Premium assistance

#### (a) In general

A State may elect to offer a premium assistance subsidy (as defined in subsection (c)) for qualified employer-sponsored coverage (as defined in subsection (b)) to all individuals who are entitled to medical assistance under this subchapter (and, in the case of an individual under age 19, to the parent of such an individual) who have access to such coverage if the State meets the requirements of this section and the offering of such a subsidy is cost-effective, as defined for purposes of section 1397ee(c)(3)(A) of this title.

#### (b) Qualified employer-sponsored coverage

##### (1) In general

Subject to paragraph (2),<sup>1</sup> in this paragraph, the term “qualified employer-sponsored coverage” means a group health plan or health insurance coverage offered through an employer—

(A) that qualifies as creditable coverage as a group health plan under section 2701(c)(1) of the Public Health Service Act;<sup>2</sup>

(B) for which the employer contribution toward any premium for such coverage is at least 40 percent; and

(C) that is offered to all individuals in a manner that would be considered a non-discriminatory eligibility classification for purposes of paragraph (3)(A)(ii) of section 105(h) of the Internal Revenue Code of 1986 (but determined without regard to clause (i) of subparagraph (B) of such paragraph).

##### (2) Exception

Such term does not include coverage consisting of—

(A) benefits provided under a health flexible spending arrangement (as defined in section 106(c)(2) of the Internal Revenue Code of 1986); or

(B) a high deductible health plan (as defined in section 223(c)(2) of such Code), without regard to whether the plan is purchased in conjunction with a health savings account (as defined under section 223(d) of such Code).

##### (3) Treatment as third party liability

The State shall treat the coverage provided under qualified employer-sponsored coverage as a third party liability under section 1396a(a)(25) of this title.

<sup>1</sup>So in original. The second closing parenthesis probably should not appear.

<sup>2</sup>See References in Text note below.

<sup>1</sup>See References in Text note below.

**(c) Premium assistance subsidy**

In this section, the term “premium assistance subsidy” means the amount of the employee contribution for enrollment in the qualified employer-sponsored coverage by the individual or by the individual’s family. Premium assistance subsidies under this section shall be considered, for purposes of section 1396b(a) of this title, to be a payment for medical assistance.

**(d) Voluntary participation****(1) Employers**

Participation by an employer in a premium assistance subsidy offered by a State under this section shall be voluntary. An employer may notify a State that it elects to opt-out of being directly paid a premium assistance subsidy on behalf of an employee.

**(2) Beneficiaries**

No subsidy shall be provided to an individual under this section unless the individual (or the individual’s parent) voluntarily elects to receive such a subsidy. A State may not require such an election as a condition of receipt of medical assistance. A State may not require, as a condition of an individual (or the individual’s parent) being or remaining eligible for medical assistance under this subchapter, that the individual (or the individual’s parent) apply for enrollment in qualified employer-sponsored coverage under this section.

**(3) Opt-out permitted for any month**

A State shall establish a process for permitting an individual (or the parent of an individual) receiving a premium assistance subsidy to disenroll the individual from the qualified employer-sponsored coverage.

**(e) Requirement to pay premiums and cost-sharing and provide supplemental coverage**

In the case of the participation of an individual (or the individual’s parent) in a premium assistance subsidy under this section for qualified employer-sponsored coverage, the State shall provide for payment of all enrollee premiums for enrollment in such coverage and all deductibles, coinsurance, and other cost-sharing obligations for items and services otherwise covered under the State plan under this subchapter (exceeding the amount otherwise permitted under section 1396o of this title or, if applicable, section 1396o-1 of this title). The fact that an individual (or a parent) elects to enroll in qualified employer-sponsored coverage under this section shall not change the individual’s (or parent’s) eligibility for medical assistance under the State plan, except insofar as section 1396a(a)(25) of this title provides that payments for such assistance shall first be made under such coverage.

(Aug. 14, 1935, ch. 531, title XIX, § 1906A, as added Pub. L. 111-3, title III, § 301(b), Feb. 4, 2009, 123 Stat. 61; amended Pub. L. 111-148, title II, § 2003(a), (b), title X, § 10203(b)(2), Mar. 23, 2010, 124 Stat. 282, 283, 927.)

Licensing of nursing home administrators shall be carried out by the agency of the State responsible for licensing under the healing arts licensing act of the State, or, in the absence of such act or such an agency, a board representative of the professions and institutions concerned with care of chronically ill and infirm aged patients and established to carry out the purposes of this section.

**(c) Functions and duties of State agency or board**

It shall be the function and duty of such agency or board to—

(1) develop, impose, and enforce standards which must be met by individuals in order to receive a license as a nursing home administrator, which standards shall be designed to insure that nursing home administrators will be individuals who are of good character and are otherwise suitable, and who, by training or experience in the field of institutional administration, are qualified to serve as nursing home administrators;

(2) develop and apply appropriate techniques, including examinations and investigations, for determining whether an individual meets such standards;

(3) issue licenses to individuals determined, after the application of such techniques, to meet such standards, and revoke or suspend licenses previously issued by the board in any case where the individual holding any such license is determined substantially to have failed to conform to the requirements of such standards;

(4) establish and carry out procedures designed to insure that individuals licensed as

nursing home administrators will, during any period that they serve as such, comply with the requirements of such standards;

(5) receive, investigate, and take appropriate action with respect to, any charge or complaint filed with the board to the effect that any individual licensed as a nursing home administrator has failed to comply with the requirements of such standards; and

(6) conduct a continuing study and investigation of nursing homes and administrators of nursing homes within the State with a view to the improvement of the standards imposed for the licensing of such administrators and of procedures and methods for the enforcement of such standards with respect to administrators of nursing homes who have been licensed as such.

**(d) Waiver of standards other than good character or suitability standards**

No State shall be considered to have failed to comply with the provisions of section 1396a(a)(29) of this title because the agency or board of such State (established pursuant to subsection (b)) shall have granted any waiver, with respect to any individual who, during all of the three calendar years immediately preceding the calendar year in which the requirements prescribed in section 1396a(a)(29) of this title are first met by the State, has served as a nursing home administrator, of any of the standards developed, imposed, and enforced by such agency or board pursuant to subsection (c).

**(e) "Nursing home" and "nursing home administrator" defined**

As used in this section, the term—

## CODIFICATION

Another section 1908 of act Aug. 14, 1935, was renumbered section 1908A and is classified to section 1396g-1 of this title.

## AMENDMENTS

1997—Subsec. (e)(1). Pub. L. 105-33 which directed substitution of “a religious nonmedical health care institution (as defined in section 1395x(ss)(1) of this title).” for “a Christian Science sanatorium operated, or listed and certified, by the First Church of Christ, Scientist, Boston, Massachusetts; and” in “Section 1908(e)(1) (42 U.S.C. 1396g-1(e)(1))” of the Social Security Act, was executed by making the substitution in subsec. (e)(1) of this section to reflect the probable intent of Congress, because section 1396g-1 of this title, which is also section 1908 of the Social Security Act, does not have a subsec. (e).

1996—Subsec. (e)(1). Pub. L. 104-193, which directed substitution of “The Commission for Accreditation of Christian Science Nursing Organizations/Facilities, Inc.” for “The First Church of Christ, Scientist, Boston, Massachusetts” in section 1908(e)(1) of the Social Security Act (42 U.S.C. 1396g-1(e)(1)) could not be executed to this section or section 1396g-1 of this title, both of which are section 1908. Section 1396g-1 does not have a subsec. (e) and subsec. (e)(1) of this section does not contain the quoted language with the word “the” capitalized.

1973—Subsec. (d). Pub. L. 93-233 struck out second sentence reading substantially the same as the first sentence but containing the following additional text reading “other than such standards as relate to good character or suitability if—

“(1) such waiver is for a period which ends after being in effect for two years or on June 30, 1972, whichever is earlier, and

“(2) there is provided in the State (during all of the period for which waiver is in effect), a program of training and instruction designed to enable all individuals with respect to whom any such waiver is granted, to attain the qualifications necessary in order to meet such standards” and also “calendar year” instead of “three calendar years” and reference to “subsection (c)(1) of this section” instead of “subsection (c) of this section”.

Subsec. (e). Pub. L. 93-233 redesignated subsec. (g) as (e), and repealed prior subsec. (e) relating to authorization of appropriations for fiscal years 1968 through 1972 and to limitation of grants.

Subsec. (f). Pub. L. 93-233 repealed subsec. (f) providing for creation of National Advisory Council on Nursing Home Administration and for its composition, appointment of members, the Chairman, representation of interests, functions and duties, compensation and travel expenses, technical assistance, availability of assistance and data, and termination date of Dec. 31, 1971.

Subsec. (g). Pub. L. 93-233, redesignated subsec. (g) as (e).

1972—Subsec. (d). Pub. L. 92-603, §§ 269, 274(b), inserted references to the grant of waivers to individuals who, during all of the three calendar years immediately preceding the calendar year in which the requirements prescribed in section 1396a(a)(29) of this title are first met by the State, have served as nursing home administrators and substituted “subsection (c)(1)” for “subsection (b)(1)”.

Subsec. (g)(1). Pub. L. 92-603, § 268(b), inserted “, but does not include a Christian Science sanatorium operated, or listed and certified, by the First Church of Christ, Scientist, Boston, Massachusetts” after “Secretary”.

### § 1396g-1. Required laws relating to medical child support

#### (a) In general

The laws relating to medical child support, which a State is required to have in effect under section 1396a(a)(60) of this title, are as follows:

(1) A law that prohibits an insurer from denying enrollment of a child under the health coverage of the child’s parent on the ground that—

(A) the child was born out of wedlock,

(B) the child is not claimed as a dependent on the parent’s Federal income tax return, or

(C) the child does not reside with the parent or in the insurer’s service area.

(2) In any case in which a parent is required by a court or administrative order to provide health coverage for a child and the parent is eligible for family health coverage through an insurer, a law that requires such insurer—

(A) to permit such parent to enroll under such family coverage any such child who is otherwise eligible for such coverage (without regard to any enrollment season restrictions);

(B) if such a parent is enrolled but fails to make application to obtain coverage of such child, to enroll such child under such family coverage upon application by the child’s other parent or by the State agency administering the program under this subchapter or part D of subchapter IV; and

(C) not to disenroll (or eliminate coverage of) such a child unless the insurer is provided satisfactory written evidence that—

(i) such court or administrative order is no longer in effect, or

(ii) the child is or will be enrolled in comparable health coverage through another insurer which will take effect not later than the effective date of such disenrollment.

(3) In any case in which a parent is required by a court or administrative order to provide health coverage for a child and the parent is eligible for family health coverage through an employer doing business in the State, a law that requires such employer—

(A) to permit such parent to enroll under such family coverage any such child who is

otherwise eligible for such coverage (without regard to any enrollment season restrictions);

(B) if such a parent is enrolled but fails to make application to obtain coverage of such child, to enroll such child under such family coverage upon application by the child's other parent or by the State agency administering the program under this subchapter or part D of subchapter IV; and

(C) not to disenroll (or eliminate coverage of) any such child unless—

(i) the employer is provided satisfactory written evidence that—

(I) such court or administrative order is no longer in effect, or

(II) the child is or will be enrolled in comparable health coverage which will take effect not later than the effective date of such disenrollment, or

(ii) the employer has eliminated family health coverage for all of its employees; and

(D) to withhold from such employee's compensation the employee's share (if any) of premiums for health coverage (except that the amount so withheld may not exceed the maximum amount permitted to be withheld under section 1673(b) of title 15), and to pay such share of premiums to the insurer, except that the Secretary may provide by regulation for appropriate circumstances under which an employer may withhold less than such employee's share of such premiums.

(4) A law that prohibits an insurer from imposing requirements on a State agency, which has been assigned the rights of an individual eligible for medical assistance under this subchapter and covered for health benefits from the insurer, that are different from requirements applicable to an agent or assignee of any other individual so covered.

(5) A law that requires an insurer, in any case in which a child has health coverage through the insurer of a noncustodial parent—

(A) to provide such information to the custodial parent as may be necessary for the child to obtain benefits through such coverage;

(B) to permit the custodial parent (or provider, with the custodial parent's approval) to submit claims for covered services without the approval of the noncustodial parent; and

(C) to make payment on claims submitted in accordance with subparagraph (B) directly to such custodial parent, the provider, or the State agency.

(6) A law that permits the State agency under this subchapter to garnish the wages, salary, or other employment income of, and requires withholding amounts from State tax refunds to, any person who—

(A) is required by court or administrative order to provide coverage of the costs of health services to a child who is eligible for medical assistance under this subchapter,

(B) has received payment from a third party for the costs of such services to such child, but

(C) has not used such payments to reimburse, as appropriate, either the other parent or guardian of such child or the provider of such services,

to the extent necessary to reimburse the State agency for expenditures for such costs under its plan under this subchapter, but any claims for current or past-due child support shall take priority over any such claims for the costs of such services.

For purposes of the preceding sentence, in the case of a State that has a 2-year legislative session, each year of such session shall be deemed to be a separate regular session of the State legislature."

**§ 1396h. State false claims act requirements for increased State share of recoveries**

**(a) In general**

Notwithstanding section 1396d(b) of this title, if a State has in effect a law relating to false or fraudulent claims that meets the requirements of subsection (b), the Federal medical assistance percentage with respect to any amounts recovered under a State action brought under such law, shall be decreased by 10 percentage points.

**§ 1396i. Certification and approval of rural health clinics and intermediate care facilities for mentally retarded**

(a)(1) Whenever the Secretary certifies a facility in a State to be qualified as a rural health clinic under subchapter XVIII, such facility shall be deemed to meet the standards for certification as a rural health clinic for purposes of providing rural health clinic services under this subchapter.

(2) The Secretary shall notify the State agency administering the medical assistance plan of his approval or disapproval of any facility in that State which has applied for certification by him as a qualified rural health clinic.

(b)(1) The Secretary may cancel approval of any intermediate care facility for the mentally

retarded at any time if he finds on the basis of a determination made by him as provided in section 1396a(a)(33)(B) of this title that a facility fails to meet the requirements contained in section 1396a(a)(31) of this title or section 1396d(d) of this title, or if he finds grounds for termination of his agreement with the facility pursuant to section 1395cc(b) of this title. The approval of eligibility of any such facility to participate in such programs may not be reinstated unless the Secretary finds that the reason for termination has been removed and there is reasonable assurance that it will not recur.

(2) Any intermediate care facility for the mentally retarded which is dissatisfied with a determination by the Secretary that it no longer qualifies as a<sup>1</sup> intermediate care facility for the mentally retarded for purposes of this subchapter, shall be entitled to a hearing by the Secretary to the same extent as is provided in section 405(b) of this title and to judicial review of the Secretary's final decision after such hearing as is provided in section 405(g) of this title, except that, in so applying such sections and in applying section 405(l) of this title thereto, any reference therein to the Commissioner of Social Security or the Social Security Administration shall be considered a reference to the Secretary or the Department of Health and Human Services, respectively. Any agreement between such facility and the State agency shall remain in effect until the period for filing a request for a hearing has expired or, if a request has been filed, until a decision has been made by the Secretary; except that the agreement shall not be extended if the Secretary makes a written determination, specifying the reasons therefor, that the continuation of provider status constitutes an immediate and serious threat to the health and safety of patients, and the Secretary certifies that the facility has been notified of its deficiencies and has failed to correct them.

#### (a) Adjustment of Federal matching payments

The Secretary may adjust, in accordance with this section, the Federal matching payment to a State with respect to expenditures for medical assistance for care or services furnished in any quarter by—

(1) an institution (A) which has or previously had in effect an agreement with the Secretary under section 1395cc of this title; and (B)(i) from which the Secretary has been unable to recover overpayments made under subchapter XVIII, or (ii) from which the Secretary has been unable to collect the information necessary to enable him to determine the amount (if any) of the overpayments made to such institution under subchapter XVIII; and

whom the Secretary has been unable to collect the information necessary to enable him to determine the amount (if any) of the overpayments made to such person under subchapter XVIII.

#### (b) Reductions in payments to and by States

The Secretary may (subject to the remaining provisions of this section) reduce payment to a State under this subchapter for any quarter by an amount equal to the lesser of the Federal matching share of payments to any institution or person specified in subsection (a), or the total overpayments to such institution or person under subchapter XVIII, and may require the State to reduce its payment to such institution or person by such amount.

#### (c) Notice

The Secretary shall not make any adjustment in the payment to a State, nor require any adjustment in the payment to an institution or person, pursuant to subsection (b) until after he has provided adequate notice (which shall be not less than 60 days) to the State agency and the institution or person.

### § 1396n. Compliance with State plan and payment provisions

#### (a) Activities deemed as compliance

A State shall not be deemed to be out of compliance with the requirements of paragraphs (1), (10), or (23) of section 1396a(a) of this title solely by reason of the fact that the State (or any political subdivision thereof)—

(1) has entered into—

(A) a contract with an organization which has agreed to provide care and services in

addition to those offered under the State plan to individuals eligible for medical assistance who reside in the geographic area served by such organization and who elect to obtain such care and services from such organization, or by reason of the fact that the plan provides for payment for rural health clinic services only if those services are provided by a rural health clinic; or

(B) arrangements through a competitive bidding process or otherwise for the purchase of laboratory services referred to in section 1396d(a)(3) of this title or medical devices if the Secretary has found that—

(i) adequate services or devices will be available under such arrangements, and

(ii) any such laboratory services will be provided only through laboratories—

(I) which meet the applicable requirements of section 1395x(e)(9) of this title or paragraphs (16) and (17) of section 1395x(s) of this title, and such additional requirements as the Secretary may require, and

(II) no more than 75 percent of whose charges for such services are for services provided to individuals who are entitled to benefits under this subchapter or under part A or part B of subchapter XVIII; or

(2) restricts for a reasonable period of time the provider or providers from which an individual (eligible for medical assistance for items or services under the State plan) can receive such items or services, if—

(A) the State has found, after notice and opportunity for a hearing (in accordance with procedures established by the State), that the individual has utilized such items or services at a frequency or amount not medically necessary (as determined in accordance with utilization guidelines established by the State), and

(B) under such restriction, individuals eligible for medical assistance for such services have reasonable access (taking into account geographic location and reasonable travel time) to such services of adequate quality.

**(b) Waivers to promote cost-effectiveness and efficiency**

The Secretary, to the extent he finds it to be cost-effective and efficient and not inconsistent with the purposes of this subchapter, may waive such requirements of section 1396a of this title (other than subsection (s)) (other than sections 1396a(a)(15), 1396a(bb), and 1396a(a)(10)(A) of this title insofar as it requires provision of the care and services described in section 1396d(a)(2)(C) of this title) as may be necessary for a State—

(1) to implement a primary care case-management system or a specialty physician services arrangement which restricts the provider from (or through) whom an individual (eligible for medical assistance under this subchapter) can obtain medical care services (other than in emergency circumstances), if such restriction does not substantially impair access to such services of adequate quality where medically necessary,

(2) to allow a locality to act as a central broker in assisting individuals (eligible for

medical assistance under this subchapter) in selecting among competing health care plans, if such restriction does not substantially impair access to services of adequate quality where medically necessary,

(3) to share (through provision of additional services) with recipients of medical assistance under the State plan cost savings resulting from use by the recipient of more cost-effective medical care, and

(4) to restrict the provider from (or through) whom an individual (eligible for medical assistance under this subchapter) can obtain services (other than in emergency circumstances) to providers or practitioners who undertake to provide such services and who meet, accept, and comply with the reimbursement, quality, and utilization standards under the State plan, which standards shall be consistent with the requirements of section 1396r-4 of this title and are consistent with access, quality, and efficient and economic provision of covered care and services, if such restriction does not discriminate among classes of providers on grounds unrelated to their demonstrated effectiveness and efficiency in providing those services and if providers under such restriction are paid on a timely basis in the same manner as health care practitioners must be paid under section 1396a(a)(37)(A) of this title.

No waiver under this subsection may restrict the choice of the individual in receiving services under section 1396d(a)(4)(C) of this title. Subsection (h)(2) shall apply to a waiver under this subsection.

**(c) Waiver respecting medical assistance requirement in State plan; scope, etc.; “habilitation services” defined; imposition of certain regulatory limits prohibited; computation of expenditures for certain disabled patients; coordinated services; substitution of participants**

(1) The Secretary may by waiver provide that a State plan approved under this subchapter may include as “medical assistance” under such plan payment for part or all of the cost of home or community-based services (other than room and board) approved by the Secretary which are provided pursuant to a written plan of care to individuals with respect to whom there has been a determination that but for the provision of such services the individuals would require the level of care provided in a hospital or a nursing facility or intermediate care facility for the mentally retarded the cost of which could be reimbursed under the State plan. For purposes of this subsection, the term “room and board” shall not include an amount established under a method determined by the State to reflect the portion of costs of rent and food attributable to an unrelated personal caregiver who is residing in the same household with an individual who, but for the assistance of such caregiver, would require admission to a hospital, nursing facility, or intermediate care facility for the mentally retarded.

(2) A waiver shall not be granted under this subsection unless the State provides assurances satisfactory to the Secretary that—

(A) necessary safeguards (including adequate standards for provider participation) have been taken to protect the health and welfare of individuals provided services under the waiver and to assure financial accountability for funds expended with respect to such services;

(B) the State will provide, with respect to individuals who—

(i) are entitled to medical assistance for inpatient hospital services, nursing facility services, or services in an intermediate care facility for the mentally retarded under the State plan,

(ii) may require such services, and

(iii) may be eligible for such home or community-based care under such waiver,

for an evaluation of the need for inpatient hospital services, nursing facility services, or services in an intermediate care facility for the mentally retarded;

(C) such individuals who are determined to be likely to require the level of care provided in a hospital, nursing facility, or intermediate care facility for the mentally retarded are informed of the feasible alternatives, if available under the waiver, at the choice of such individuals, to the provision of inpatient hospital services, nursing facility services, or services in an intermediate care facility for the mentally retarded;

(D) under such waiver the average per capita expenditure estimated by the State in any fiscal year for medical assistance provided with respect to such individuals does not exceed 100 percent of the average per capita expenditure that the State reasonably estimates would have been made in that fiscal year for expenditures under the State plan for such individuals if the waiver had not been granted; and

(E) the State will provide to the Secretary annually, consistent with a data collection plan designed by the Secretary, information on the impact of the waiver granted under this subsection on the type and amount of medical assistance provided under the State plan and on the health and welfare of recipients.

(3) A waiver granted under this subsection may include a waiver of the requirements of section 1396a(a)(1) of this title (relating to statewideness), section 1396a(a)(10)(B) of this title (relating to comparability), and section 1396a(a)(10)(C)(i)(III) of this title (relating to income and resource rules applicable in the community). A waiver under this subsection (other than a waiver described in subsection (h)(2)) shall be for an initial term of three years and, upon the request of a State, shall be extended for additional five-year periods unless the Secretary determines that for the previous waiver period the assurances provided under paragraph (2) have not been met. A waiver may provide, with respect to post-eligibility treatment of income of all individuals receiving services under that waiver, that the maximum amount of the individual's income which may be disregarded for any month for the maintenance needs of the individual may be an amount greater than the maximum allowed for that purpose under regulations in effect on July 1, 1985.

(4) A waiver granted under this subsection may, consistent with paragraph (2)—

(A) limit the individuals provided benefits under such waiver to individuals with respect to whom the State has determined that there is a reasonable expectation that the amount of medical assistance provided with respect to the individual under such waiver will not exceed the amount of such medical assistance provided for such individual if the waiver did not apply, and

(B) provide medical assistance to individuals (to the extent consistent with written plans of care, which are subject to the approval of the State) for case management services, homemaker/home health aide services and personal care services, adult day health services, habilitation services, respite care, and such other services requested by the State as the Secretary may approve and for day treatment or other partial hospitalization services, psychosocial rehabilitation services, and clinic services (whether or not furnished in a facility) for individuals with chronic mental illness.

Except as provided under paragraph (2)(D), the Secretary may not restrict the number of hours or days of respite care in any period which a State may provide under a waiver under this subsection.

(5) For purposes of paragraph (4)(B), the term "habilitation services"—

(A) means services designed to assist individuals in acquiring, retaining, and improving the self-help, socialization, and adaptive skills necessary to reside successfully in home and community based settings; and

(B) includes (except as provided in subparagraph (C)) prevocational, educational, and supported employment services; but

(C) does not include—

(i) special education and related services (as such terms are defined in section 1401 of title 20) which otherwise are available to the individual through a local educational agency; and

(ii) vocational rehabilitation services which otherwise are available to the individual through a program funded under section 730 of title 29.

(6) The Secretary may not require, as a condition of approval of a waiver under this section under paragraph (2)(D), that the actual total expenditures for home and community-based services under the waiver (and a claim for Federal financial participation in expenditures for the services) cannot exceed the approved estimates for these services. The Secretary may not deny Federal financial payment with respect to services under such a waiver on the ground that, in order to comply with paragraph (2)(D), a State has failed to comply with such a requirement.

(7)(A) In making estimates under paragraph (2)(D) in the case of a waiver that applies only to individuals with a particular illness or condition who are inpatients in, or who would require the level of care provided in, hospitals, nursing facilities, or intermediate care facilities for the mentally retarded, the State may determine the average per capita expenditure that would have been made in a fiscal year for those individuals

under the State plan separately from the expenditures for other individuals who are inpatients in, or who would require the level of care provided in, those respective facilities.

(B) In making estimates under paragraph (2)(D) in the case of a waiver that applies only to individuals with developmental disabilities who are inpatients in a nursing facility and whom the State has determined, on the basis of an evaluation under paragraph (2)(B), to need the level of services provided by an intermediate care facility for the mentally retarded, the State may determine the average per capita expenditures that would have been made in a fiscal year for those individuals under the State plan on the basis of the average per capita expenditures under the State plan for services to individuals who are inpatients in an intermediate care facility for the mentally retarded, without regard to the availability of beds for such inpatients.

(C) In making estimates under paragraph (2)(D) in the case of a waiver to the extent that it applies to individuals with mental retardation or a related condition who are resident in an intermediate care facility for the mentally retarded the participation of which under the State plan is terminated, the State may determine the average per capita expenditures that would have been made in a fiscal year for those individuals without regard to any such termination.

(8) The State agency administering the plan under this subchapter may, whenever appropriate, enter into cooperative arrangements with the State agency responsible for administering the program for children with special health care needs under subchapter V in order to assure improved access to coordinated services to meet the needs of such children.

(9) In the case of any waiver under this subsection which contains a limit on the number of individuals who shall receive home or community-based services, the State may substitute additional individuals to receive such services to replace any individuals who die or become ineligible for services under the State plan.

(10) The Secretary shall not limit to fewer than 200 the number of individuals in the State who may receive home and community-based services under a waiver under this subsection.

**(d) Home and community-based services for elderly**

(1) Subject to paragraph (2), the Secretary shall grant a waiver to provide that a State plan approved under this subchapter shall include as "medical assistance" under such plan payment for part or all of the cost of home or community-based services (other than room and board) which are provided pursuant to a written plan of care to individuals 65 years of age or older with respect to whom there has been a determination that but for the provision of such services the individuals would be likely to require the level of care provided in a skilled nursing facility or intermediate care facility the cost of which could be reimbursed under the State plan. For purposes of this subsection, the term "room and board" shall not include an amount established under a method determined by the State to re-

flect the portion of costs of rent and food attributable to an unrelated personal caregiver who is residing in the same household with an individual who, but for the assistance of such caregiver, would require admission to a hospital, nursing facility, or intermediate care facility for the mentally retarded.

(2) A waiver shall not be granted under this subsection unless the State provides assurances satisfactory to the Secretary that—

(A) necessary safeguards (including adequate standards for provider participation) have been taken to protect the health and welfare of individuals provided services under the waiver and to assure financial accountability for funds expended with respect to such services;

(B) with respect to individuals 65 years of age or older who—

- (i) are entitled to medical assistance for skilled nursing or intermediate care facility services under the State plan,
- (ii) may require such services, and
- (iii) may be eligible for such home or community-based services under such waiver,

the State will provide for an evaluation of the need for such skilled nursing facility or intermediate care facility services; and

(C) such individuals who are determined to be likely to require the level of care provided in a skilled nursing facility or intermediate care facility are informed of the feasible alternatives to the provision of skilled nursing facility or intermediate care facility services, which such individuals may choose if available under the waiver.

Each State with a waiver under this subsection shall provide to the Secretary annually, consistent with a reasonable data collection plan designed by the Secretary, information on the impact of the waiver granted under this subsection on the type and amount of medical assistance provided under the State plan and on the health and welfare of recipients.

(3) A waiver granted under this subsection may include a waiver of the requirements of section 1396a(a)(1) of this title (relating to statewideness), section 1396a(a)(10)(B) of this title (relating to comparability), and section 1396a(a)(10)(C)(i)(III) of this title (relating to income and resource rules applicable in the community). Subject to a termination by the State (with notice to the Secretary) at any time, a waiver under this subsection (other than a waiver described in subsection (h)(2)) shall be for an initial term of 3 years and, upon the request of a State, shall be extended for additional 5-year periods unless the Secretary determines that for the previous waiver period the assurances provided under paragraph (2) have not been met. A waiver may provide, with respect to post-eligibility treatment of income of all individuals receiving services under the waiver, that the maximum amount of the individual's income which may be disregarded for any month is equal to the amount that may be allowed for that purpose under a waiver under subsection (c).

(4) A waiver under this subsection may, consistent with paragraph (2), provide medical assistance to individuals for case management

services, homemaker/home health aide services and personal care services, adult day health services, respite care, and other medical and social services that can contribute to the health and well-being of individuals and their ability to reside in a community-based care setting.

(5)(A) In the case of a State having a waiver approved under this subsection, notwithstanding any other provision of section 1396b of this title to the contrary, the total amount expended by the State for medical assistance with respect to skilled nursing facility services, intermediate care facility services, and home and community-based services under the State plan for individuals 65 years of age or older during a waiver year under this subsection may not exceed the projected amount determined under subparagraph (B).

(B) For purposes of subparagraph (A), the projected amount under this subparagraph is the sum of the following:

(i) The aggregate amount of the State's medical assistance under this subchapter for skilled nursing facility services and intermediate care facility services furnished to individuals who have attained the age of 65 for the base year increased by a percentage which is equal to the lesser of 7 percent times the number of years (rounded to the nearest quarter of a year) beginning after the base year and ending at the end of the waiver year involved or the sum of—

(I) the percentage increase (based on an appropriate market-basket index representing the costs of elements of such services) between the beginning of the base year and the beginning of the waiver year involved, plus

(II) the percentage increase between the beginning of the base year and the beginning of the waiver year involved in the number of residents in the State who have attained the age of 65, plus

(III) 2 percent for each year (rounded to the nearest quarter of a year) beginning after the base year and ending at the end of the waiver year.

(ii) The aggregate amount of the State's medical assistance under this subchapter for home and community-based services for individuals who have attained the age of 65 for the base year increased by a percentage which is equal to the lesser of 7 percent times the number of years (rounded to the nearest quarter of a year) beginning after the base year and ending at the end of the waiver year involved or the sum of—

(I) the percentage increase (based on an appropriate market-basket index representing the costs of elements of such services) between the beginning of the base year and the beginning of the waiver year involved, plus

(II) the percentage increase between the beginning of the base year and the beginning of the waiver year involved in the number of residents in the State who have attained the age of 65, plus

(III) 2 percent for each year (rounded to the nearest quarter of a year) beginning after the base year and ending at the end of the waiver year.

(iii) The Secretary shall develop and promulgate by regulation (by not later than October 1, 1989)—

(I) a method, based on an index of appropriately weighted indicators of changes in the wages and prices of the mix of goods and services which comprise both skilled nursing facility services and intermediate care facility services (regardless of the source of payment for such services), for projecting the percentage increase for purposes of clause (i)(I);

(II) a method, based on an index of appropriately weighted indicators of changes in the wages and prices of the mix of goods and services which comprise home and community-based services (regardless of the source of payment for such services), for projecting the percentage increase for purposes of clause (ii)(I); and

(III) a method for projecting, on a State specific basis, the percentage increase in the number of residents in each State who are over 65 years of age for any period.

The Secretary shall develop (by not later than October 1, 1989) a method for projecting, on a State-specific basis, the percentage increase in the number of residents in each State who are over 65 years of age for any period. Effective on and after the date the Secretary promulgates the regulation under clause (iii), any reference in this subparagraph to the "lesser of 7 percent" shall be deemed to be a reference to the "greater of 7 percent".

(iv) If there is enacted after December 22, 1987, an Act which amends this subchapter whose provisions become effective on or after such date and which results in an increase in the aggregate amount of medical assistance under this subchapter for nursing facility services and home and community-based services for individuals who have attained the age of 65 years, the Secretary, at the request of a State with a waiver under this subsection for a waiver year or years and in close consultation with the State, shall adjust the projected amount computed under this subparagraph for the waiver year or years to take into account such increase.

(C) In this paragraph:

(i) The term "home and community-based services" includes services described in sections 1396d(a)(7) and 1396d(a)(8) of this title, services described in subsection (c)(4)(B), services described in paragraph (4), and personal care services.

(ii)(I) Subject to subclause (II), the term "base year" means the most recent year (ending before December 22, 1987) for which actual final expenditures under this subchapter have been reported to, and accepted by, the Secretary.

(II) For purposes of subparagraph (C), in the case of a State that does not report expenditures on the basis of the age categories described in such subparagraph for a year ending before December 22, 1987, the term "base year" means fiscal year 1989.

(iii) The term "intermediate care facility services" does not include services furnished

in an institution certified in accordance with section 1396d(d) of this title.

(6)(A) A determination by the Secretary to deny a request for a waiver (or extension of waiver) under this subsection shall be subject to review to the extent provided under section 1316(b) of this title.

(B) Notwithstanding any other provision of this chapter, if the Secretary denies a request of the State for an extension of a waiver under this subsection, any waiver under this subsection in effect on the date such request is made shall remain in effect for a period of not less than 90 days after the date on which the Secretary denies such request (or, if the State seeks review of such determination in accordance with subparagraph (A), the date on which a final determination is made with respect to such review).

**(e) Waiver for children infected with AIDS or drug dependent at birth**

(1)(A) Subject to paragraph (2), the Secretary shall grant a waiver to provide that a State plan approved under this subchapter shall include as “medical assistance” under such plan payment for part or all of the cost of nursing care, respite care, physicians’ services, prescribed drugs, medical devices and supplies, transportation services, and such other services requested by the State as the Secretary may approve which are provided pursuant to a written plan of care to a child described in subparagraph (B) with respect to whom there has been a determination that but for the provision of such services the infants would be likely to require the level of care provided in a hospital or nursing facility the cost of which could be reimbursed under the State plan.

(B) Children described in this subparagraph are individuals under 5 years of age who—

- (i) at the time of birth were infected with (or tested positively for) the etiologic agent for acquired immune deficiency syndrome (AIDS),
- (ii) have such syndrome, or
- (iii) at the time of birth were dependent on heroin, cocaine, or phencyclidine,

and with respect to whom adoption or foster care assistance is (or will be) made available under part E of subchapter IV.

(2) A waiver shall not be granted under this subsection unless the State provides assurances satisfactory to the Secretary that—

(A) necessary safeguards (including adequate standards for provider participation) have been taken to protect the health and welfare of individuals provided services under the waiver and to assure financial accountability for funds expended with respect to such services;

(B) under such waiver the average per capita expenditure estimated by the State in any fiscal year for medical assistance provided with respect to such individuals does not exceed 100 percent of the average per capita expenditure that the State reasonably estimates would have been made in that fiscal year for expenditures under the State plan for such individuals if the waiver had not been granted; and

(C) the State will provide to the Secretary annually, consistent with a data collection

plan designed by the Secretary, information on the impact of the waiver granted under this subsection on the type and amount of medical assistance provided under the State plan and on the health and welfare of recipients.

(3) A waiver granted under this subsection may include a waiver of the requirements of section 1396a(a)(1) of this title (relating to statewideness) and section 1396a(a)(10)(B) of this title (relating to comparability). A waiver under this subsection shall be for an initial term of 3 years and, upon the request of a State, shall be extended for additional five-year periods unless the Secretary determines that for the previous waiver period the assurances provided under paragraph (2) have not been met.

(4) The provisions of paragraph (6) of subsection (d) shall apply to this subsection in the same manner as it applies to subsection (d).

**(f) Monitor of implementation of waivers; termination of waiver for noncompliance; time limitation for action on requests for plan approval, amendments, or waivers**

(1) The Secretary shall monitor the implementation of waivers granted under this section to assure that the requirements for such waiver are being met and shall, after notice and opportunity for a hearing, terminate any such waiver where he finds noncompliance has occurred.

(2) A request to the Secretary from a State for approval of a proposed State plan or plan amendment or a waiver of a requirement of this subchapter submitted by the State pursuant to a provision of this subchapter shall be deemed granted unless the Secretary, within 90 days after the date of its submission to the Secretary, either denies such request in writing or informs the State agency in writing with respect to any additional information which is needed in order to make a final determination with respect to the request. After the date the Secretary receives such additional information, the request shall be deemed granted unless the Secretary, within 90 days of such date, denies such request.

**(g) Optional targeted case management services**

(1) A State may provide, as medical assistance, case management services under the plan without regard to the requirements of section 1396a(a)(1) of this title and section 1396a(a)(10)(B) of this title. The provision of case management services under this subsection shall not restrict the choice of the individual to receive medical assistance in violation of section 1396a(a)(23) of this title. A State may limit the provision of case management services under this subsection to individuals with acquired immune deficiency syndrome (AIDS), or with AIDS-related conditions, or with either, or to individuals described in section 1396a(z)(1)(A) of this title and a State may limit the provision of case management services under this subsection to individuals with chronic mental illness. The State may limit the case managers available with respect to case management services for eligible individuals with developmental disabilities or with chronic mental illness in order to ensure that the case managers for such individuals are capable of ensuring that such individuals receive needed services.

(2) For purposes of this subsection:

(A)(i) The term “case management services” means services which will assist individuals eligible under the plan in gaining access to needed medical, social, educational, and other services.

(ii) Such term includes the following:

(I) Assessment of an eligible individual to determine service needs, including activities that focus on needs identification, to determine the need for any medical, educational, social, or other services. Such assessment activities include the following:

(aa) Taking client history.

(bb) Identifying the needs of the individual, and completing related documentation.

(cc) Gathering information from other sources such as family members, medical providers, social workers, and educators, if necessary, to form a complete assessment of the eligible individual.

(II) Development of a specific care plan based on the information collected through an assessment, that specifies the goals and actions to address the medical, social, educational, and other services needed by the eligible individual, including activities such as ensuring the active participation of the eligible individual and working with the individual (or the individual’s authorized health care decision maker) and others to develop such goals and identify a course of action to respond to the assessed needs of the eligible individual.

(III) Referral and related activities to help an individual obtain needed services, including activities that help link eligible individuals with medical, social, educational providers or other programs and services that are capable of providing needed services, such as making referrals to providers for needed services and scheduling appointments for the individual.

(IV) Monitoring and followup activities, including activities and contacts that are necessary to ensure the care plan is effectively implemented and adequately addressing the needs of the eligible individual, and which may be with the individual, family members, providers, or other entities and conducted as frequently as necessary to help determine such matters as—

(aa) whether services are being furnished in accordance with an individual’s care plan;

(bb) whether the services in the care plan are adequate; and

(cc) whether there are changes in the needs or status of the eligible individual, and if so, making necessary adjustments in the care plan and service arrangements with providers.

(iii) Such term does not include the direct delivery of an underlying medical, educational, social, or other service to which an eligible individual has been referred, including, with respect to the direct delivery of foster care services, services such as (but not limited to) the following:

(I) Research gathering and completion of documentation required by the foster care program.

(II) Assessing adoption placements.

(III) Recruiting or interviewing potential foster care parents.

(IV) Serving legal papers.

(V) Home investigations.

(VI) Providing transportation.

(VII) Administering foster care subsidies.

(VIII) Making placement arrangements.

(B) The term “targeted case management services” are case management services that are furnished without regard to the requirements of section 1396a(a)(1) of this title and section 1396a(a)(10)(B) of this title to specific classes of individuals or to individuals who reside in specified areas.

(3) With respect to contacts with individuals who are not eligible for medical assistance under the State plan or, in the case of targeted case management services, individuals who are eligible for such assistance but are not part of the target population specified in the State plan, such contacts—

(A) are considered an allowable case management activity, when the purpose of the contact is directly related to the management of the eligible individual’s care; and

(B) are not considered an allowable case management activity if such contacts relate directly to the identification and management of the noneligible or nontargeted individual’s needs and care.

(4)(A) In accordance with section 1396a(a)(25) of this title, Federal financial participation only is available under this subchapter for case management services or targeted case management services if there are no other third parties liable to pay for such services, including as reimbursement under a medical, social, educational, or other program.

(B) A State shall allocate the costs of any part of such services which are reimbursable under another federally funded program in accordance with OMB Circular A-87 (or any related or successor guidance or regulations regarding allocation of costs among federally funded programs) under an approved cost allocation program.

(5) Nothing in this subsection shall be construed as affecting the application of rules with respect to third party liability under programs, or activities carried out under title XXVI of the Public Health Service Act [42 U.S.C. 300ff et seq.] or by the Indian Health Service.

**(h) Period of waivers; continuations**

(1) No waiver under this section (other than a waiver under subsection (c), (d), or (e), or a waiver described in paragraph (2)) may extend over a period of longer than two years unless the State requests continuation of such waiver, and such request shall be deemed granted unless the Secretary, within 90 days after the date of its submission to the Secretary, either denies such request in writing or informs the State agency in writing with respect to any additional information which is needed in order to make a final determination with respect to the request. After the date the Secretary receives such additional

information, the request shall be deemed granted unless the Secretary, within 90 days of such date, denies such request.

(2)(A) Notwithstanding subsections (c)(3) and (d)(3), any waiver under subsection (b), (c), or (d), or a waiver under section 1315 of this title, that provides medical assistance for dual eligible individuals (including any such waivers under which non dual eligible individuals may be enrolled in addition to dual eligible individuals) may be conducted for a period of 5 years and, upon the request of the State, may be extended for additional 5-year periods unless the Secretary determines that for the previous waiver period the conditions for the waiver have not been met or it would no longer be cost-effective and efficient, or consistent with the purposes of this subchapter, to extend the waiver.

(B) In this paragraph, the term “dual eligible individual” means an individual who is entitled to, or enrolled for, benefits under part A of subchapter XVIII, or enrolled for benefits under part B of subchapter XVIII, and is eligible for medical assistance under the State plan under this subchapter or under a waiver of such plan.

**(i) State plan amendment option to provide home and community-based services for elderly and disabled individuals**

**(1) In general**

Subject to the succeeding provisions of this subsection, a State may provide through a State plan amendment for the provision of medical assistance for home and community-based services (within the scope of services described in paragraph (4)(B) of subsection (c) for which the Secretary has the authority to approve a waiver and not including room and board) for individuals eligible for medical assistance under the State plan whose income does not exceed 150 percent of the poverty line (as defined in section 1397jj(c)(5) of this title), without determining that but for the provision of such services the individuals would require the level of care provided in a hospital or a nursing facility or intermediate care facility for the mentally retarded, but only if the State meets the following requirements:

**(A) Needs-based criteria for eligibility for, and receipt of, home and community-based services**

The State establishes needs-based criteria for determining an individual’s eligibility under the State plan for medical assistance for such home and community-based services, and if the individual is eligible for such services, the specific home and community-based services that the individual will receive.

**(B) Establishment of more stringent needs-based eligibility criteria for institutionalized care**

The State establishes needs-based criteria for determining whether an individual requires the level of care provided in a hospital, a nursing facility, or an intermediate care facility for the mentally retarded under the State plan or under any waiver of such plan that are more stringent than the needs-based criteria established under subpara-

graph (A) for determining eligibility for home and community-based services.

**(C) Projection of number of individuals to be provided home and community-based services**

The State submits to the Secretary, in such form and manner, and upon such frequency as the Secretary shall specify, the projected number of individuals to be provided home and community-based services.

**(D) Criteria based on individual assessment**

**(i) In general**

The criteria established by the State for purposes of subparagraphs (A) and (B) requires an assessment of an individual’s support needs and capabilities, and may take into account the inability of the individual to perform 2 or more activities of daily living (as defined in section 7702B(c)(2)(B) of the Internal Revenue Code of 1986) or the need for significant assistance to perform such activities, and such other risk factors as the State determines to be appropriate.

**(ii) Adjustment authority**

The State plan amendment provides the State with the option to modify the criteria established under subparagraph (A) (without having to obtain prior approval from the Secretary) in the event that the enrollment of individuals eligible for home and community-based services exceeds the projected enrollment submitted for purposes of subparagraph (C), but only if—

(I) the State provides at least 60 days notice to the Secretary and the public of the proposed modification;

(II) the State deems an individual receiving home and community-based services on the basis of the most recent version of the criteria in effect prior to the effective date of the modification to continue to be eligible for such services after the effective date of the modification and until such time as the individual no longer meets the standard for receipt of such services under such pre-modified criteria; and

(III) after the effective date of such modification, the State, at a minimum, applies the criteria for determining whether an individual requires the level of care provided in a hospital, a nursing facility, or an intermediate care facility for the mentally retarded under the State plan or under any waiver of such plan which applied prior to the application of the more stringent criteria developed under subparagraph (B).

**(E) Independent evaluation and assessment**

**(i) Eligibility determination**

The State uses an independent evaluation for making the determinations described in subparagraphs (A) and (B).

**(ii) Assessment**

In the case of an individual who is determined to be eligible for home and commu-

nity-based services, the State uses an independent assessment, based on the needs of the individual to—

(I) determine a necessary level of services and supports to be provided, consistent with an individual's physical and mental capacity;

(II) prevent the provision of unnecessary or inappropriate care; and

(III) establish an individualized care plan for the individual in accordance with subparagraph (G).

**(F) Assessment**

The independent assessment required under subparagraph (E)(ii) shall include the following:

(i) An objective evaluation of an individual's inability to perform 2 or more activities of daily living (as defined in section 7702B(c)(2)(B) of the Internal Revenue Code of 1986) or the need for significant assistance to perform such activities.

(ii) A face-to-face evaluation of the individual by an individual trained in the assessment and evaluation of individuals whose physical or mental conditions trigger a potential need for home and community-based services.

(iii) Where appropriate, consultation with the individual's family, spouse, guardian, or other responsible individual.

(iv) Consultation with appropriate treating and consulting health and support professionals caring for the individual.

(v) An examination of the individual's relevant history, medical records, and care and support needs, guided by best practices and research on effective strategies that result in improved health and quality of life outcomes.

(vi) If the State offers individuals the option to self-direct the purchase of, or control the receipt of, home and community-based service, an evaluation of the ability of the individual or the individual's representative to self-direct the purchase of, or control the receipt of, such services if the individual so elects.

**(G) Individualized care plan**

**(i) In general**

In the case of an individual who is determined to be eligible for home and community-based services, the State uses the independent assessment required under subparagraph (E)(ii) to establish a written individualized care plan for the individual.

**(ii) Plan requirements**

The State ensures that the individualized care plan for an individual—

(I) is developed—

(aa) in consultation with the individual, the individual's treating physician, health care or support professional, or other appropriate individuals, as defined by the State, and, where appropriate the individual's family, caregiver, or representative; and

(bb) taking into account the extent of, and need for, any family or other supports for the individual;

(II) identifies the necessary home and community-based services to be furnished to the individual (or, if the individual elects to self-direct the purchase of, or control the receipt of, such services, funded for the individual); and

(III) is reviewed at least annually and as needed when there is a significant change in the individual's circumstances.

**(iii) State option to offer election for self-directed services**

**(I) Individual choice**

At the option of the State, the State may allow an individual or the individual's representative to elect to receive self-directed home and community-based services in a manner which gives them the most control over such services consistent with the individual's abilities and the requirements of subclauses (II) and (III).

**(II) Self-directed services**

The term "self-directed" means, with respect to the home and community-based services offered under the State plan amendment, such services for the individual which are planned and purchased under the direction and control of such individual or the individual's authorized representative, including the amount, duration, scope, provider, and location of such services, under the State plan consistent with the following requirements:

**(aa) Assessment**

There is an assessment of the needs, capabilities, and preferences of the individual with respect to such services.

**(bb) Service plan**

Based on such assessment, there is developed jointly with such individual or the individual's authorized representative a plan for such services for such individual that is approved by the State and that satisfies the requirements of subclause (III).

**(III) Plan requirements**

For purposes of subclause (II)(bb), the requirements of this subclause are that the plan—

(aa) specifies those services which the individual or the individual's authorized representative would be responsible for directing;

(bb) identifies the methods by which the individual or the individual's authorized representative will select, manage, and dismiss providers of such services;

(cc) specifies the role of family members and others whose participation is sought by the individual or the individual's authorized representative with respect to such services;

(dd) is developed through a person-centered process that is directed by the

individual or the individual's authorized representative, builds upon the individual's capacity to engage in activities that promote community life and that respects the individual's preferences, choices, and abilities, and involves families, friends, and professionals as desired or required by the individual or the individual's authorized representative;

(ee) includes appropriate risk management techniques that recognize the roles and sharing of responsibilities in obtaining services in a self-directed manner and assure the appropriateness of such plan based upon the resources and capabilities of the individual or the individual's authorized representative; and

(ff) may include an individualized budget which identifies the dollar value of the services and supports under the control and direction of the individual or the individual's authorized representative.

#### **(IV) Budget process**

With respect to individualized budgets described in subclause (III)(ff), the State plan amendment—

**(c) Imposition of monthly premium; persons affected; amount; prepayment; failure to pay; use of funds from other programs**

(1) The State plan of a State may at the option of the State provide for imposing a monthly premium (in an amount that does not exceed the limit established under paragraph (2)) with respect to an individual described in subparagraph (A) or (B) of section 1396a(l)(1) of this title who is receiving medical assistance on the basis of section 1396a(a)(10)(A)(ii)(IX) of this title and whose family income (as determined in accordance with the methodology specified in section 1396a(l)(3) of this title) equals or exceeds 150 percent of the income official poverty line (as defined by the Office of Management and Budget, and revised annually in accordance with section 9902(2) of this title) applicable to a family of the size involved.

(2) In no case may the amount of any premium imposed under paragraph (1) exceed 10 percent of the amount by which the family income (less expenses for the care of a dependent child) of an individual exceeds 150 percent of the line described in paragraph (1).

(3) A State shall not require prepayment of a premium imposed pursuant to paragraph (1) and shall not terminate eligibility of an individual for medical assistance under this subchapter on the basis of failure to pay any such premium until such failure continues for a period of not less than 60 days. The State may waive payment of any such premium in any case where the State determines that requiring such payment would create an undue hardship.

(4) A State may permit State or local funds available under other programs to be used for payment of a premium imposed under paragraph (1). Payment of a premium with such funds shall not be counted as income to the individual with respect to whom such payment is made.

**(d) Premiums for qualified disabled and working individuals described in section 1396d(s)**

With respect to a qualified disabled and working individual described in section 1396d(s) of this title whose income (as determined under paragraph (3) of that section) exceeds 150 percent of the official poverty line referred to in that paragraph, the State plan of a State may provide for the charging of a premium (expressed as a percentage of the medicare cost-

sharing described in section 1396d(p)(3)(A)(i) of this title provided with respect to the individual) according to a sliding scale under which such percentage increases from 0 percent to 100 percent, in reasonable increments (as determined by the Secretary), as the individual's income increases from 150 percent of such poverty line to 200 percent of such poverty line.

**(e) Prohibition of denial of services on basis of individual's inability to pay certain charges**

The State plan shall require that no provider participating under the State plan may deny care or services to an individual eligible for such care or services under the plan on account of such individual's inability to pay a deduction, cost sharing, or similar charge. The requirements of this subsection shall not extinguish the liability of the individual to whom the care or services were furnished for payment of the deduction, cost sharing, or similar charge.

**(f) Charges imposed under waiver authority of Secretary**

No deduction, cost sharing, or similar charge may be imposed under any waiver authority of the Secretary, except as provided in subsections (a)(3) and (b)(3) and section 1396o-1 of this title, unless such waiver is for a demonstration project which the Secretary finds after public notice and opportunity for comment—

- (1) will test a unique and previously untested use of copayments,
- (2) is limited to a period of not more than two years,
- (3) will provide benefits to recipients of medical assistance which can reasonably be expected to be equivalent to the risks to the recipients,
- (4) is based on a reasonable hypothesis which the demonstration is designed to test in a methodologically sound manner, including the use of control groups of similar recipients of medical assistance in the area, and
- (5) is voluntary, or makes provision for assumption of liability for preventable damage to the health of recipients of medical assistance resulting from involuntary participation.

**(g) Individuals provided medical assistance under section 1396a(a)(10)(A)(ii)(XV) or (XVI)**

With respect to individuals provided medical assistance only under subclause (XV) or (XVI) of section 1396a(a)(10)(A)(ii) of this title—

- (1) a State may (in a uniform manner for individuals described in either such subclause)—
  - (A) require such individuals to pay premiums or other cost-sharing charges set on a sliding scale based on income that the State may determine; and
  - (B) require payment of 100 percent of such premiums for such year in the case of such an individual who has income for a year that exceeds 250 percent of the income official poverty line (referred to in subsection (c)(1)) applicable to a family of the size involved, except that in the case of such an individual who has income for a year that does not exceed 450 percent of such poverty line, such requirement may only apply to the extent such premiums do not exceed 7.5 percent of such income; and

(2) such State shall require payment of 100 percent of such premiums for a year by such an individual whose adjusted gross income (as defined in section 62 of the Internal Revenue Code of 1986) for such year exceeds \$75,000, except that a State may choose to subsidize such premiums by using State funds which may not be federally matched under this subchapter.

In the case of any calendar year beginning after 2000, the dollar amount specified in paragraph (2) shall be increased in accordance with the provisions of section 415(i)(2)(A)(i) of this title.

**(h) Indexing nominal cost sharing**

In applying this section and subsections (c) and (e) of section 1396o-1 of this title, with respect to cost sharing that is "nominal" in amount, the Secretary shall increase such "nominal" amounts for each year (beginning with 2006) by the annual percentage increase in the medical care component of the consumer price index for all urban consumers (U.S. city average) as rounded up in an appropriate manner.

**(i) State option to impose income-related premiums for families of disabled children**

(1) With respect to disabled children provided medical assistance under section 1396a(a)(10)(A)(ii)(XIX) of this title, subject to paragraph (2), a State may (in a uniform manner for such children) require the families of such children to pay monthly premiums set on a sliding scale based on family income.

(2) A premium requirement imposed under paragraph (1) may only apply to the extent that—

(A) in the case of a disabled child described in that paragraph whose family income—

(i) does not exceed 200 percent of the poverty line, the aggregate amount of such premium and any premium that the parent is required to pay for family coverage under section 1396a(cc)(2)(A)(i) of this title and other cost-sharing charges do not exceed 5 percent of the family's income; and

(ii) exceeds 200, but does not exceed 300, percent of the poverty line, the aggregate amount of such premium and any premium that the parent is required to pay for family coverage under section 1396a(cc)(2)(A)(i) of this title and other cost-sharing charges do not exceed 7.5 percent of the family's income; and

(B) the requirement is imposed consistent with section 1396a(cc)(2)(A)(ii)(I) of this title.

(3) A State shall not require prepayment of a premium imposed pursuant to paragraph (1) and shall not terminate eligibility of a child under section 1396a(a)(10)(A)(ii)(XIX) of this title for medical assistance under this subchapter on the basis of failure to pay any such premium until such failure continues for a period of at least 60 days from the date on which the premium became past due. The State may waive payment of any such premium in any case where the State determines that requiring such payment would create an undue hardship.

**(j) No premiums or cost sharing for Indians furnished items or services directly by Indian health programs or through referral under contract health services**

**(1) No cost sharing for items or services furnished to Indians through Indian health programs**

**(A) In general**

No enrollment fee, premium, or similar charge, and no deduction, copayment, cost sharing, or similar charge shall be imposed against an Indian who is furnished an item or service directly by the Indian Health Service, an Indian Tribe, Tribal Organization, or Urban Indian Organization or through referral under contract health services for which payment may be made under this subchapter.

**(B) No reduction in amount of payment to Indian health providers**

Payment due under this subchapter to the Indian Health Service, an Indian Tribe, Tribal Organization, or Urban Indian Organization, or a health care provider through referral under contract health services for the furnishing of an item or service to an Indian who is eligible for assistance under such subchapter, may not be reduced by the amount of any enrollment fee, premium, or similar charge, or any deduction, copayment, cost sharing, or similar charge that would be due from the Indian but for the operation of subparagraph (A).

**(2) Rule of construction**

Nothing in this subsection shall be construed as restricting the application of any other limitations on the imposition of premiums or cost sharing that may apply to an individual receiving medical assistance under this subchapter who is an Indian.

#### **(C) Construction**

Nothing in this paragraph shall be construed as preventing a State from exempting additional classes of individuals from premiums under this section or from exempting additional individuals or services from cost sharing under subsection (a).

#### **(4) Determinations of family income**

In applying this subsection, family income shall be determined in a manner specified by the State for purposes of this subsection, including the use of such disregards as the State may provide. Family income shall be determined for such period and at such periodicity as the State may provide under this subchapter.

#### **(5) Poverty line defined**

For purposes of this section, the term "poverty line" has the meaning given such term in section 9902(2) of this title, including any revision required by such section.

#### **(6) Construction**

Nothing in this section shall be construed—

(A) as preventing a State from further limiting the premiums and cost sharing imposed under this section beyond the limitations provided under this section;

(B) as affecting the authority of the Secretary through waiver to modify limitations on premiums and cost sharing under this section; or

(C) as affecting any such waiver of requirements in effect under this subchapter before

February 8, 2006, with regard to the imposition of premiums and cost sharing.

### **(c) Special rules for cost sharing for prescription drugs**

#### **(1) In general**

In order to encourage beneficiaries to use drugs (in this subsection referred to as "preferred drugs") identified by the State as the most (or more) cost effective prescription drugs within a class of drugs (as defined by the State), with respect to one or more groups of beneficiaries specified by the State, subject to paragraph (2), the State may—

(A) provide cost sharing (instead of the level of cost sharing otherwise permitted under section 1396o of this title, but subject to paragraphs (2) and (3)) with respect to drugs that are not preferred drugs within a class; and

(B) waive or reduce the cost sharing otherwise applicable for preferred drugs within such class and shall not apply any such cost sharing for such preferred drugs for individuals for whom cost sharing may not be imposed under subsection (a) due to the application of subsection (b)(3)(B).

#### **(2) Limitations**

##### **(A) By income group**

In no case may the cost sharing under paragraph (1)(A) with respect to a non-preferred drug exceed—

(i) in the case of an individual whose family income does not exceed 150 percent of the poverty line applicable to a family of the size involved, the amount of nominal cost sharing (as otherwise determined under section 1396o of this title); or

(ii) in the case of an individual whose family income exceeds 150 percent of the poverty line applicable to a family of the size involved, 20 percent of the cost of the drug.

##### **(B) Limitation to nominal for exempt populations**

In the case of an individual who is not subject to cost sharing under subsection (a) due to the application of paragraph (1)(B), any cost sharing under paragraph (1)(A) with respect to a non-preferred drug may not exceed a nominal amount (as otherwise determined under section 1396o of this title).

##### **(C) Continued application of aggregate cap**

In addition to the limitations imposed under subparagraphs (A) and (B), any cost sharing under paragraph (1)(A) continues to be subject to the aggregate cap on cost sharing applied under subsection (a)(2)(B) or under paragraph (1) or (2) of subsection (b), as the case may be.

#### **(3) Waiver**

In carrying out paragraph (1), a State shall provide for the application of cost sharing levels applicable to a preferred drug in the case of a drug that is not a preferred drug if the prescribing physician determines that the preferred drug for treatment of the same condition either would not be as effective for the in-

dividual or would have adverse effects for the individual or both.

**(4) Exclusion authority**

Nothing in this subsection shall be construed as preventing a State from excluding specified drugs or classes of drugs from the application of paragraph (1).

**(d) Enforceability of premiums and other cost sharing**

**(1) Premiums**

Notwithstanding section 1396o(c)(3) of this title and section 1396a(a)(10)(B) of this title, a State may, at its option, condition the provision of medical assistance for an individual upon prepayment of a premium authorized to be imposed under this section, or may terminate eligibility for such medical assistance on the basis of failure to pay such a premium but shall not terminate eligibility of an individual for medical assistance under this subchapter on the basis of failure to pay any such premium until such failure continues for a period of not less than 60 days. A State may apply the previous sentence for some or all groups of beneficiaries as specified by the State and may waive payment of any such premium in any case where the State determines that requiring such payment would create an undue hardship.

**(2) Cost sharing**

Notwithstanding section 1396o(e) of this title or any other provision of law, a State may permit a provider participating under the State plan to require, as a condition for the provision of care, items, or services to an individual entitled to medical assistance under this subchapter for such care, items, or services, the payment of any cost sharing authorized to be imposed under this section with respect to such care, items, or services. Nothing in this paragraph shall be construed as preventing a provider from reducing or waiving the application of such cost sharing on a case-by-case basis.

**(e) State option for permitting hospitals to impose cost sharing for non-emergency care furnished in an emergency department**

**(1) In general**

Notwithstanding section 1396o of this title and section 1396a(a)(1) of this title or the previous provisions of this section, but subject to the limitations of paragraph (2), a State may, by amendment to its State plan under this subchapter, permit a hospital to impose cost sharing for non-emergency services furnished to an individual (within one or more groups of individuals specified by the State) in the hospital emergency department under this subsection if the following conditions are met:

**(A) Access to non-emergency room provider**

The individual has actually available and accessible (as such terms are applied by the Secretary under section 1396o(b)(3) of this title) an alternate non-emergency services provider with respect to such services.

**(B) Notice**

The hospital must inform the beneficiary after receiving an appropriate medical

screening examination under section 1395dd of this title and after a determination has been made that the individual does not have an emergency medical condition, but before providing the non-emergency services, of the following:

(i) The hospital may require the payment of the State specified cost sharing before the service can be provided.

(ii) The name and location of an alternate non-emergency services provider (described in subparagraph (A)) that is actually available and accessible (as described in such subparagraph).

(iii) The fact that such alternate provider can provide the services without the imposition of cost sharing described in clause (i).

(iv) The hospital provides a referral to coordinate scheduling of this treatment.

Nothing in this subsection shall be construed as preventing a State from applying (or waiving) cost sharing otherwise permissible under this section to services described in clause (iii).

**(2) Limitations**

**(A) Individuals with family income between 100 and 150 percent of the poverty line**

In the case of an individual described in subsection (b)(1) who is not described in subparagraph (B), the cost sharing imposed under this subsection may not exceed twice the amount determined to be nominal under section 1396o of this title, subject to the percent of income limitation otherwise applicable under subsection (b)(1)(B)(ii).

**(B) Application to exempt populations**

In the case of an individual described in subsection (a)(2)(A) or who is not subject to cost sharing under subsection (b)(3)(B) with respect to non-emergency services described in paragraph (1), a State may impose cost sharing under paragraph (1) for care in an amount that does not exceed a nominal amount (as otherwise determined under section 1396o of this title) so long as no cost sharing is imposed to receive such care through an outpatient department or other alternative health care provider in the geographic area of the hospital emergency department involved.

**(C) Continued application of aggregate cap; relation to other cost sharing**

In addition to the limitations imposed under subparagraphs (A) and (B), any cost sharing under paragraph (1) is subject to the aggregate cap on cost sharing applied under subsection (a)(2)(B) or under paragraph (1) or (2) of subsection (b), as the case may be. Cost sharing imposed for services under this subsection shall be instead of any cost sharing that may be imposed for such services under subsection (a) or section 1396o of this title.

**(3) Construction**

Nothing in this section shall be construed—  
(A) to limit a hospital's obligations with respect to screening and stabilizing treatment of an emergency medical condition under section 1395dd of this title; or

(B) to modify any obligations under either State or Federal standards relating to the application of a prudent-layperson standard with respect to payment or coverage of emergency services by any managed care organization.

**(4) Definitions**

For purposes of this subsection:

**(A) Non-emergency services**

The term “non-emergency services” means any care or services furnished in an emergency department of a hospital that do not constitute an appropriate medical screening examination or stabilizing examination and treatment required to be provided by the hospital under section 1395dd of this title.

**(B) Alternate non-emergency services provider**

The term “alternative non-emergency services provider” means, with respect to non-emergency services for the diagnosis or treatment of a condition, a health care provider, such as a physician’s office, health care clinic, community health center, hospital outpatient department, or similar health care provider, that can provide clinically appropriate services for the diagnosis or treatment of a condition contemporaneously with the provision of the non-emergency services that would be provided in an emergency department of a hospital for the diagnosis or treatment of a condition, and that is participating in the program under this subchapter.

#### (b) Adjustment or recovery of medical assistance correctly paid under a State plan

(1) No adjustment or recovery of any medical assistance correctly paid on behalf of an individual under the State plan may be made, except that the State shall seek adjustment or recovery of any medical assistance correctly paid on behalf of an individual under the State plan in the case of the following individuals:

(A) In the case of an individual described in subsection (a)(1)(B), the State shall seek adjustment or recovery from the individual's estate or upon sale of the property subject to a lien imposed on account of medical assistance paid on behalf of the individual.

(B) In the case of an individual who was 55 years of age or older when the individual received such medical assistance, the State shall seek adjustment or recovery from the individual's estate, but only for medical assistance consisting of—

(i) nursing facility services, home and community-based services, and related hospital and prescription drug services, or

(ii) at the option of the State, any items or services under the State plan (but not including medical assistance for medicare cost-sharing or for benefits described in section 1396a(a)(10)(E) of this title).

(C)(i) In the case of an individual who has received (or is entitled to receive) benefits under a long-term care insurance policy in connection with which assets or resources are disregarded in the manner described in clause (ii), except as provided in such clause, the State shall seek adjustment or recovery from the individual's estate on account of medical assistance paid on behalf of the individual for nursing facility and other long-term care services.

(ii) Clause (i) shall not apply in the case of an individual who received medical assistance under a State plan of a State which had a State plan amendment approved as of May 14, 1993, and which satisfies clause (iv), or which has a State plan amendment that provides for a qualified State long-term care insurance partnership (as defined in clause (iii)) which provided for the disregard of any assets or resources—

(I) to the extent that payments are made under a long-term care insurance policy; or

(II) because an individual has received (or is entitled to receive) benefits under a long-term care insurance policy.

(iii) For purposes of this paragraph, the term “qualified State long-term care insurance partnership” means an approved State plan amendment under this subchapter that provides for the disregard of any assets or resources in an amount equal to the insurance benefit payments that are made to or on behalf of an individual who is a beneficiary under a long-term care insurance policy if the following requirements are met:

(I) The policy covers an insured who was a resident of such State when coverage first became effective under the policy.

(II) The policy is a qualified long-term care insurance policy (as defined in section 7702B(b) of the Internal Revenue Code of 1986) issued not earlier than the effective date of the State plan amendment.

(III) The policy meets the model regulations and the requirements of the model Act specified in paragraph (5).

(IV) If the policy is sold to an individual who—

(aa) has not attained age 61 as of the date of purchase, the policy provides compound annual inflation protection;

(bb) has attained age 61 but has not attained age 76 as of such date, the policy provides some level of inflation protection; and

(cc) has attained age 76 as of such date, the policy may (but is not required to) provide some level of inflation protection.

(V) The State Medicaid agency under section 1396a(a)(5) of this title provides information and technical assistance to the State insurance department on the insurance department's role of assuring that any individual who sells a long-term care insurance policy under the partnership receives training and demonstrates evidence of an understanding of such policies and how they relate to other public and private coverage of long-term care.

(VI) The issuer of the policy provides regular reports to the Secretary, in accordance with regulations of the Secretary, that include notification regarding when benefits provided under the policy have been paid and the amount of such benefits paid, notification regarding when the policy otherwise terminates, and such other information as the Secretary determines may be appropriate to the administration of such partnerships.

(VII) The State does not impose any requirement affecting the terms or benefits of such a policy unless the State imposes such requirement on long-term care insurance policies without regard to whether the policy is covered under the partnership or is offered in connection with such a partnership.

In the case of a long-term care insurance policy which is exchanged for another such policy, subclause (I) shall be applied based on the coverage of the first such policy that was exchanged. For purposes of this clause and paragraph (5), the term "long-term care insurance policy" includes a certificate issued under a group insurance contract.

(iv) With respect to a State which had a State plan amendment approved as of May 14, 1993, such a State satisfies this clause for purposes of clause (ii) if the Secretary determines that the State plan amendment provides for consumer protection standards which are no less stringent than the consumer protection standards which applied under such State plan amendment as of December 31, 2005.

(v) The regulations of the Secretary required under clause (iii)(VI) shall be promulgated

after consultation with the National Association of Insurance Commissioners, issuers of long-term care insurance policies, States with experience with long-term care insurance partnership plans, other States, and representatives of consumers of long-term care insurance policies, and shall specify the type and format of the data and information to be reported and the frequency with which such reports are to be made. The Secretary, as appropriate, shall provide copies of the reports provided in accordance with that clause to the State involved.

(vi) The Secretary, in consultation with other appropriate Federal agencies, issuers of long-term care insurance, the National Association of Insurance Commissioners, State insurance commissioners, States with experience with long-term care insurance partnership plans, other States, and representatives of consumers of long-term care insurance policies, shall develop recommendations for Congress to authorize and fund a uniform minimum data set to be reported electronically by all issuers of long-term care insurance policies under qualified State long-term care insurance partnerships to a secure, centralized electronic query and report-generating mechanism that the State, the Secretary, and other Federal agencies can access.

(2) Any adjustment or recovery under paragraph (1) may be made only after the death of the individual's surviving spouse, if any, and only at a time—

(A) when he has no surviving child who is under age 21, or (with respect to States eligible to participate in the State program established under subchapter XVI) is blind or permanently and totally disabled, or (with respect to States which are not eligible to participate in such program) is blind or disabled as defined in section 1382c of this title; and

(B) in the case of a lien on an individual's home under subsection (a)(1)(B), when—

(i) no sibling of the individual (who was residing in the individual's home for a period of at least one year immediately before the date of the individual's admission to the medical institution), and

(ii) no son or daughter of the individual (who was residing in the individual's home for a period of at least two years immediately before the date of the individual's admission to the medical institution, and who establishes to the satisfaction of the State that he or she provided care to such individual which permitted such individual to reside at home rather than in an institution),

is lawfully residing in such home who has lawfully resided in such home on a continuous basis since the date of the individual's admission to the medical institution.

(3)(A) The State agency shall establish procedures (in accordance with standards specified by the Secretary) under which the agency shall waive the application of this subsection (other than paragraph (1)(C)) if such application would work an undue hardship as determined on the basis of criteria established by the Secretary.

(B) The standards specified by the Secretary under subparagraph (A) shall require that the procedures established by the State agency under subparagraph (A) exempt income, resources, and property that are exempt from the application of this subsection as of April 1, 2003, under manual instructions issued to carry out this subsection (as in effect on such date) because of the Federal responsibility for Indian Tribes and Alaska Native Villages. Nothing in this subparagraph shall be construed as preventing the Secretary from providing additional estate recovery exemptions under this subchapter for Indians.

(4) For purposes of this subsection, the term “estate”, with respect to a deceased individual—

(A) shall include all real and personal property and other assets included within the individual’s estate, as defined for purposes of State probate law; and

(B) may include, at the option of the State (and shall include, in the case of an individual to whom paragraph (1)(C)(i) applies), any other real and personal property and other assets in which the individual had any legal title or interest at the time of death (to the extent of such interest), including such assets conveyed to a survivor, heir, or assign of the deceased individual through joint tenancy, tenancy in common, survivorship, life estate, living trust, or other arrangement.

(5)(A) For purposes of clause (iii)(III), the model regulations and the requirements of the model Act specified in this paragraph are:

(i) In the case of the model regulation, the following requirements:

(I) Section 6A (relating to guaranteed renewal or noncancellability), other than paragraph (5) thereof, and the requirements of section 6B of the model Act relating to such section 6A.

(II) Section 6B (relating to prohibitions on limitations and exclusions) other than paragraph (7) thereof.

(III) Section 6C (relating to extension of benefits).

(IV) Section 6D (relating to continuation or conversion of coverage).

(V) Section 6E (relating to discontinuance and replacement of policies).

(VI) Section 7 (relating to unintentional lapse).

(VII) Section 8 (relating to disclosure), other than sections 8F, 8G, 8H, and 8I thereof.

(VIII) Section 9 (relating to required disclosure of rating practices to consumer).

(IX) Section 11 (relating to prohibitions against post-claims underwriting).

(X) Section 12 (relating to minimum standards).

(XI) Section 14 (relating to application forms and replacement coverage).

(XII) Section 15 (relating to reporting requirements).

(XIII) Section 22 (relating to filing requirements for marketing).

(XIV) Section 23 (relating to standards for marketing), including inaccurate completion of medical histories, other than paragraphs (1), (6), and (9) of section 23C.

(XV) Section 24 (relating to suitability).

(XVI) Section 25 (relating to prohibition against preexisting conditions and probationary periods in replacement policies or certificates).

(XVII) The provisions of section 26 relating to contingent nonforfeiture benefits, if the policyholder declines the offer of a nonforfeiture provision described in paragraph (4).

(XVIII) Section 29 (relating to standard format outline of coverage).

(XIX) Section 30 (relating to requirement to deliver shopper’s guide).

(ii) In the case of the model Act, the following:

(I) Section 6C (relating to preexisting conditions).

(II) Section 6D (relating to prior hospitalization).

(III) The provisions of section 8 relating to contingent nonforfeiture benefits.

(IV) Section 6F (relating to right to return).

(V) Section 6G (relating to outline of coverage).

(VI) Section 6H (relating to requirements for certificates under group plans).

(VII) Section 6J (relating to policy summary).

(VIII) Section 6K (relating to monthly reports on accelerated death benefits).

(IX) Section 7 (relating to incontestability period).

(B) For purposes of this paragraph and paragraph (1)(C)—

(i) the terms “model regulation” and “model Act” mean the long-term care insurance model regulation, and the long-term care insurance model Act, respectively, promulgated by the National Association of Insurance Commissioners (as adopted as of October 2000);

(ii) any provision of the model regulation or model Act listed under subparagraph (A) shall be treated as including any other provision of such regulation or Act necessary to implement the provision; and

(iii) with respect to a long-term care insurance policy issued in a State, the policy shall be deemed to meet applicable requirements of the model regulation or the model Act if the State plan amendment under paragraph (1)(C)(iii) provides that the State insurance commissioner for the State certifies (in a manner satisfactory to the Secretary) that the policy meets such requirements.

(C) Not later than 12 months after the National Association of Insurance Commissioners issues a revision, update, or other modification of a model regulation or model Act provision specified in subparagraph (A), or of any provision of such regulation or Act that is substantively related to a provision specified in such subparagraph, the Secretary shall review the changes made to the provision, determine whether incorporating such changes into the corresponding provision specified in such subparagraph would improve qualified State long-term care insurance partnerships, and if so, shall incorporate the changes into such provision.

**(c) Taking into account certain transfers of assets**

(1)(A) In order to meet the requirements of this subsection for purposes of section 1396a(a)(18) of this title, the State plan must provide that if an institutionalized individual or the spouse of such an individual (or, at the option of a State, a noninstitutionalized individual or the spouse of such an individual) disposes of assets for less than fair market value on or after the look-back date specified in subparagraph (B)(i), the individual is ineligible for medical assistance for services described in subparagraph (C)(i) (or, in the case of a noninstitutionalized individual, for the services described in subparagraph (C)(ii)) during the period beginning on the date specified in subparagraph (D) and equal to the number of months specified in subparagraph (E).

(B)(i) The look-back date specified in this subparagraph is a date that is 36 months (or, in the case of payments from a trust or portions of a trust that are treated as assets disposed of by the individual pursuant to paragraph (3)(A)(iii) or (3)(B)(ii) of subsection (d) or in the case of any other disposal of assets made on or after February 8, 2006, 60 months) before the date specified in clause (ii).

(ii) The date specified in this clause, with respect to—

(I) an institutionalized individual is the first date as of which the individual both is an institutionalized individual and has applied for medical assistance under the State plan, or

(II) a noninstitutionalized individual is the date on which the individual applies for medical assistance under the State plan or, if later, the date on which the individual disposes of assets for less than fair market value.

(C)(i) The services described in this subparagraph with respect to an institutionalized individual are the following:

(I) Nursing facility services.

(II) A level of care in any institution equivalent to that of nursing facility services.

(III) Home or community-based services furnished under a waiver granted under subsection (c) or (d) of section 1396n of this title.

(ii) The services described in this subparagraph with respect to a noninstitutionalized individual are services (not including any services described in clause (i)) that are described in paragraph (7), (22), or (24) of section 1396d(a) of this title, and, at the option of a State, other long-term care services for which medical assistance is otherwise available under the State plan to individuals requiring long-term care.

(D)(i) In the case of a transfer of asset made before February 8, 2006, the date specified in this subparagraph is the first day of the first month during or after which assets have been transferred for less than fair market value and which does not occur in any other periods of ineligibility under this subsection.

(ii) In the case of a transfer of asset made on or after February 8, 2006, the date specified in this subparagraph is the first day of a month during or after which assets have been transferred for less than fair market value, or the date on which the individual is eligible for med-

ical assistance under the State plan and would otherwise be receiving institutional level care described in subparagraph (C) based on an approved application for such care but for the application of the penalty period, whichever is later, and which does not occur during any other period of ineligibility under this subsection.

(E)(i) With respect to an institutionalized individual, the number of months of ineligibility under this subparagraph for an individual shall be equal to—

(I) the total, cumulative uncompensated value of all assets transferred by the individual (or individual's spouse) on or after the look-back date specified in subparagraph (B)(i), divided by

(II) the average monthly cost to a private patient of nursing facility services in the State (or, at the option of the State, in the community in which the individual is institutionalized) at the time of application.

(ii) With respect to a noninstitutionalized individual, the number of months of ineligibility under this subparagraph for an individual shall not be greater than a number equal to—

(I) the total, cumulative uncompensated value of all assets transferred by the individual (or individual's spouse) on or after the look-back date specified in subparagraph (B)(i), divided by

(II) the average monthly cost to a private patient of nursing facility services in the State (or, at the option of the State, in the community in which the individual is institutionalized) at the time of application.

(iii) The number of months of ineligibility otherwise determined under clause (i) or (ii) with respect to the disposal of an asset shall be reduced—

(I) in the case of periods of ineligibility determined under clause (i), by the number of months of ineligibility applicable to the individual under clause (ii) as a result of such disposal, and

(II) in the case of periods of ineligibility determined under clause (ii), by the number of months of ineligibility applicable to the individual under clause (i) as a result of such disposal.

(iv) A State shall not round down, or otherwise disregard any fractional period of ineligibility determined under clause (i) or (ii) with respect to the disposal of assets.

(F) For purposes of this paragraph, the purchase of an annuity shall be treated as the disposal of an asset for less than fair market value unless—

(i) the State is named as the remainder beneficiary in the first position for at least the total amount of medical assistance paid on behalf of the institutionalized individual under this subchapter; or

(ii) the State is named as such a beneficiary in the second position after the community spouse or minor or disabled child and is named in the first position if such spouse or a representative of such child disposes of any such remainder for less than fair market value.

(G) For purposes of this paragraph with respect to a transfer of assets, the term "assets"

includes an annuity purchased by or on behalf of an annuitant who has applied for medical assistance with respect to nursing facility services or other long-term care services under this subchapter unless—

(i) the annuity is—

(I) an annuity described in subsection (b) or (q) of section 408 of the Internal Revenue Code of 1986; or

(II) purchased with proceeds from—

(aa) an account or trust described in subsection (a), (c), or (p) of section 408 of such Code;

(bb) a simplified employee pension (within the meaning of section 408(k) of such Code); or

(cc) a Roth IRA described in section 408A of such Code; or

(ii) the annuity—

(I) is irrevocable and nonassignable;

(II) is actuarially sound (as determined in accordance with actuarial publications of the Office of the Chief Actuary of the Social Security Administration); and

(III) provides for payments in equal amounts during the term of the annuity, with no deferral and no balloon payments made.

(H) Notwithstanding the preceding provisions of this paragraph, in the case of an individual (or individual's spouse) who makes multiple fractional transfers of assets in more than 1 month for less than fair market value on or after the applicable look-back date specified in subparagraph (B), a State may determine the period of ineligibility applicable to such individual under this paragraph by—

(i) treating the total, cumulative uncompensated value of all assets transferred by the individual (or individual's spouse) during all months on or after the look-back date specified in subparagraph (B) as 1 transfer for purposes of clause (i) or (ii) (as the case may be) of subparagraph (E); and

(ii) beginning such period on the earliest date which would apply under subparagraph (D) to any of such transfers.

(I) For purposes of this paragraph with respect to a transfer of assets, the term "assets" includes funds used to purchase a promissory note, loan, or mortgage unless such note, loan, or mortgage—

(i) has a repayment term that is actuarially sound (as determined in accordance with actuarial publications of the Office of the Chief Actuary of the Social Security Administration);

(ii) provides for payments to be made in equal amounts during the term of the loan, with no deferral and no balloon payments made; and

(iii) prohibits the cancellation of the balance upon the death of the lender.

In the case of a promissory note, loan, or mortgage that does not satisfy the requirements of clauses (i) through (iii), the value of such note, loan, or mortgage shall be the outstanding balance due as of the date of the individual's application for medical assistance for services described in subparagraph (C).

(J) For purposes of this paragraph with respect to a transfer of assets, the term "assets" includes the purchase of a life estate interest in another individual's home unless the purchaser resides in the home for a period of at least 1 year after the date of the purchase.

(2) An individual shall not be ineligible for medical assistance by reason of paragraph (1) to the extent that—

(A) the assets transferred were a home and title to the home was transferred to—

(i) the spouse of such individual;

(ii) a child of such individual who (I) is under age 21, or (II) (with respect to States eligible to participate in the State program established under subchapter XVI) is blind or permanently and totally disabled, or (with respect to States which are not eligible to participate in such program) is blind or disabled as defined in section 1382c of this title;

(iii) a sibling of such individual who has an equity interest in such home and who was residing in such individual's home for a period of at least one year immediately before the date the individual becomes an institutionalized individual; or

(iv) a son or daughter of such individual (other than a child described in clause (ii)) who was residing in such individual's home for a period of at least two years immediately before the date the individual becomes an institutionalized individual, and who (as determined by the State) provided care to such individual which permitted such individual to reside at home rather than in such an institution or facility;

(B) the assets—

(i) were transferred to the individual's spouse or to another for the sole benefit of the individual's spouse,

(ii) were transferred from the individual's spouse to another for the sole benefit of the individual's spouse,

(iii) were transferred to, or to a trust (including a trust described in subsection (d)(4)) established solely for the benefit of, the individual's child described in subparagraph (A)(ii)(II), or

(iv) were transferred to a trust (including a trust described in subsection (d)(4)) established solely for the benefit of an individual under 65 years of age who is disabled (as defined in section 1382c(a)(3) of this title);

(C) a satisfactory showing is made to the State (in accordance with regulations promulgated by the Secretary) that (i) the individual intended to dispose of the assets either at fair market value, or for other valuable consideration, (ii) the assets were transferred exclusively for a purpose other than to qualify for medical assistance, or (iii) all assets transferred for less than fair market value have been returned to the individual; or

(D) the State determines, under procedures established by the State (in accordance with standards specified by the Secretary), that the denial of eligibility would work an undue hardship as determined on the basis of criteria established by the Secretary.

The procedures established under subparagraph (D) shall permit the facility in which the institutionalized individual is residing to file an undue hardship waiver application on behalf of the individual with the consent of the individual or the personal representative of the individual. While an application for an undue hardship waiver is pending under subparagraph (D) in the case of an individual who is a resident of a nursing facility, if the application meets such criteria as the Secretary specifies, the State may provide for payments for nursing facility services in order to hold the bed for the individual at the facility, but not in excess of payments for 30 days.

(3) For purposes of this subsection, in the case of an asset held by an individual in common with another person or persons in a joint tenancy, tenancy in common, or similar arrangement, the asset (or the affected portion of such asset) shall be considered to be transferred by such individual when any action is taken, either by such individual or by any other person, that reduces or eliminates such individual's ownership or control of such asset.

(4) A State (including a State which has elected treatment under section 1396a(f) of this title) may not provide for any period of ineligibility for an individual due to transfer of resources for less than fair market value except in accordance with this subsection. In the case of a transfer by the spouse of an individual which results in a period of ineligibility for medical assistance under a State plan for such individual, a State shall, using a reasonable methodology (as specified by the Secretary), apportion such period of ineligibility (or any portion of such period) among the individual and the individual's spouse if the spouse otherwise becomes eligible for medical assistance under the State plan.

(5) In this subsection, the term "resources" has the meaning given such term in section 1382b of this title, without regard to the exclusion described in subsection (a)(1) thereof.

**(d) Treatment of trust amounts**

(1) For purposes of determining an individual's eligibility for, or amount of, benefits under a State plan under this subchapter, subject to paragraph (4), the rules specified in paragraph (3) shall apply to a trust established by such individual.

(2)(A) For purposes of this subsection, an individual shall be considered to have established a trust if assets of the individual were used to form all or part of the corpus of the trust and if any of the following individuals established such trust other than by will:

- (i) The individual.
- (ii) The individual's spouse.
- (iii) A person, including a court or administrative body, with legal authority to act in place of or on behalf of the individual or the individual's spouse.
- (iv) A person, including any court or administrative body, acting at the direction or upon the request of the individual or the individual's spouse.

(B) In the case of a trust the corpus of which includes assets of an individual (as determined under subparagraph (A)) and assets of any other

person or persons, the provisions of this subsection shall apply to the portion of the trust attributable to the assets of the individual.

(C) Subject to paragraph (4), this subsection shall apply without regard to—

- (i) the purposes for which a trust is established,
- (ii) whether the trustees have or exercise any discretion under the trust,
- (iii) any restrictions on when or whether distributions may be made from the trust, or
- (iv) any restrictions on the use of distributions from the trust.

(3)(A) In the case of a revocable trust—

- (i) the corpus of the trust shall be considered resources available to the individual,
- (ii) payments from the trust to or for the benefit of the individual shall be considered income of the individual, and
- (iii) any other payments from the trust shall be considered assets disposed of by the individual for purposes of subsection (c).

(B) In the case of an irrevocable trust—

(i) if there are any circumstances under which payment from the trust could be made to or for the benefit of the individual, the portion of the corpus from which, or the income on the corpus from which, payment to the individual could be made shall be considered resources available to the individual, and payments from that portion of the corpus or income—

(I) to or for the benefit of the individual, shall be considered income of the individual, and

(II) for any other purpose, shall be considered a transfer of assets by the individual subject to subsection (c); and

(ii) any portion of the trust from which, or any income on the corpus from which, no payment could under any circumstances be made to the individual shall be considered, as of the date of establishment of the trust (or, if later, the date on which payment to the individual was foreclosed) to be assets disposed of by the individual for purposes of subsection (c), and the value of the trust shall be determined for purposes of such subsection by including the amount of any payments made from such portion of the trust after such date.

(4) This subsection shall not apply to any of the following trusts:

(A) A trust containing the assets of an individual under age 65 who is disabled (as defined in section 1382c(a)(3) of this title) and which is established for the benefit of such individual by the individual, a parent, grandparent, legal guardian of the individual, or a court if the State will receive all amounts remaining in the trust upon the death of such individual up to an amount equal to the total medical assistance paid on behalf of the individual under a State plan under this subchapter.

(B) A trust established in a State for the benefit of an individual if—

- (i) the trust is composed only of pension, Social Security, and other income to the individual (and accumulated income in the trust),

(ii) the State will receive all amounts remaining in the trust upon the death of such individual up to an amount equal to the total medical assistance paid on behalf of the individual under a State plan under this subchapter; and

(iii) the State makes medical assistance available to individuals described in section 1396a(a)(10)(A)(ii)(V) of this title, but does not make such assistance available to individuals for nursing facility services under section 1396a(a)(10)(C) of this title.

(C) A trust containing the assets of an individual who is disabled (as defined in section 1382c(a)(3) of this title) that meets the following conditions:

(i) The trust is established and managed by a non-profit association.

(ii) A separate account is maintained for each beneficiary of the trust, but, for purposes of investment and management of funds, the trust pools these accounts.

(iii) Accounts in the trust are established solely for the benefit of individuals who are disabled (as defined in section 1382c(a)(3) of this title) by the parent, grandparent, or legal guardian of such individuals, by such individuals, or by a court.

(iv) To the extent that amounts remaining in the beneficiary's account upon the death of the beneficiary are not retained by the trust, the trust pays to the State from such remaining amounts in the account an amount equal to the total amount of medical assistance paid on behalf of the beneficiary under the State plan under this subchapter.

(5) The State agency shall establish procedures (in accordance with standards specified by the Secretary) under which the agency waives the application of this subsection with respect to an individual if the individual establishes that such application would work an undue hardship on the individual as determined on the basis of criteria established by the Secretary.

(6) The term "trust" includes any legal instrument or device that is similar to a trust but includes an annuity only to such extent and in such manner as the Secretary specifies.

**(e) Disclosure and treatment of annuities**

(1) In order to meet the requirements of this section for purposes of section 1396a(a)(18) of this title, a State shall require, as a condition for the provision of medical assistance for services described in subsection (c)(1)(C)(i) (relating to long-term care services) for an individual, the application of the individual for such assistance (including any recertification of eligibility for such assistance) shall disclose a description of any interest the individual or community spouse has in an annuity (or similar financial instrument, as may be specified by the Secretary), regardless of whether the annuity is irrevocable or is treated as an asset. Such application or recertification form shall include a statement that under paragraph (2) the State becomes a remainder beneficiary under such an annuity or similar financial instrument by virtue of the provision of such medical assistance.

(2)(A) In the case of disclosure concerning an annuity under subsection (c)(1)(F), the State shall notify the issuer of the annuity of the right of the State under such subsection as a preferred remainder beneficiary in the annuity for medical assistance furnished to the individual. Nothing in this paragraph shall be construed as preventing such an issuer from notifying persons with any other remainder interest of the State's remainder interest under such subsection.

(B) In the case of such an issuer receiving notice under subparagraph (A), the State may require the issuer to notify the State when there is a change in the amount of income or principal being withdrawn from the amount that was being withdrawn at the time of the most recent disclosure described in paragraph (1). A State shall take such information into account in determining the amount of the State's obligations for medical assistance or in the individual's eligibility for such assistance.

(3) The Secretary may provide guidance to States on categories of transactions that may be treated as a transfer of asset for less than fair market value.

(4) Nothing in this subsection shall be construed as preventing a State from denying eligibility for medical assistance for an individual based on the income or resources derived from an annuity described in paragraph (1).

**(f) Disqualification for long-term care assistance for individuals with substantial home equity**

(1)(A) Notwithstanding any other provision of this subchapter, subject to subparagraphs (B) and (C) of this paragraph and paragraph (2), in determining eligibility of an individual for medical assistance with respect to nursing facility services or other long-term care services, the individual shall not be eligible for such assistance if the individual's equity interest in the individual's home exceeds \$500,000.

(B) A State may elect, without regard to the requirements of section 1396a(a)(1) of this title (relating to statewideness) and section 1396a(a)(10)(B) of this title (relating to comparability), to apply subparagraph (A) by substituting for "\$500,000", an amount that exceeds such amount, but does not exceed \$750,000.

(C) The dollar amounts specified in this paragraph shall be increased, beginning with 2011, from year to year based on the percentage increase in the consumer price index for all urban consumers (all items; United States city average), rounded to the nearest \$1,000.

(2) Paragraph (1) shall not apply with respect to an individual if—

#### (a) “Nursing facility” defined

In this subchapter, the term “nursing facility” means an institution (or a distinct part of an institution) which—

(1) is primarily engaged in providing to residents—

(A) skilled nursing care and related services for residents who require medical or nursing care,

(B) rehabilitation services for the rehabilitation of injured, disabled, or sick persons, or

(C) on a regular basis, health-related care and services to individuals who because of their mental or physical condition require care and services (above the level of room and board) which can be made available to them only through institutional facilities,

and is not primarily for the care and treatment of mental diseases;

(2) has in effect a transfer agreement (meeting the requirements of section 1395x(l) of this title) with one or more hospitals having agreements in effect under section 1395cc of this title; and

(3) meets the requirements for a nursing facility described in subsections (b), (c), and (d) of this section.

Such term also includes any facility which is located in a State on an Indian reservation and is certified by the Secretary as meeting the requirements of paragraph (1) and subsections (b), (c), and (d).

**(b) Requirements relating to provision of services****(1) Quality of life****(A) In general**

A nursing facility must care for its residents in such a manner and in such an environment as will promote maintenance or enhancement of the quality of life of each resident.

**(B) Quality assessment and assurance**

A nursing facility must maintain a quality assessment and assurance committee, consisting of the director of nursing services, a physician designated by the facility, and at least 3 other members of the facility's staff, which (i) meets at least quarterly to identify issues with respect to which quality assessment and assurance activities are necessary and (ii) develops and implements appropriate plans of action to correct identified quality deficiencies. A State or the Secretary may not require disclosure of the records of such committee except insofar as such disclosure is related to the compliance of such committee with the requirements of this subparagraph.

**(2) Scope of services and activities under plan of care**

A nursing facility must provide services and activities to attain or maintain the highest practicable physical, mental, and psychosocial well-being of each resident in accordance with a written plan of care which—

(A) describes the medical, nursing, and psychosocial needs of the resident and how such needs will be met;

(B) is initially prepared, with the participation to the extent practicable of the resident or the resident's family or legal representative, by a team which includes the resident's attending physician and a registered professional nurse with responsibility for the resident; and

(C) is periodically reviewed and revised by such team after each assessment under paragraph (3).

**(3) Residents' assessment****(A) Requirement**

A nursing facility must conduct a comprehensive, accurate, standardized, reproducible assessment of each resident's functional capacity, which assessment—

(i) describes the resident's capability to perform daily life functions and significant impairments in functional capacity;

(ii) is based on a uniform minimum data set specified by the Secretary under subsection (f)(6)(A);

(iii) uses an instrument which is specified by the State under subsection (e)(5); and

(iv) includes the identification of medical problems.

**(B) Certification****(i) In general**

Each such assessment must be conducted or coordinated (with the appropriate par-

ticipation of health professionals) by a registered professional nurse who signs and certifies the completion of the assessment. Each individual who completes a portion of such an assessment shall sign and certify as to the accuracy of that portion of the assessment.

**(ii) Penalty for falsification**

(I) An individual who willfully and knowingly certifies under clause (i) a material and false statement in a resident assessment is subject to a civil money penalty of not more than \$1,000 with respect to each assessment.

(II) An individual who willfully and knowingly causes another individual to certify under clause (i) a material and false statement in a resident assessment is subject to a civil money penalty of not more than \$5,000 with respect to each assessment.

(III) The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under this clause in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title.

**(iii) Use of independent assessors**

If a State determines, under a survey under subsection (g) or otherwise, that there has been a knowing and willful certification of false assessments under this paragraph, the State may require (for a period specified by the State) that resident assessments under this paragraph be conducted and certified by individuals who are independent of the facility and who are approved by the State.

**(C) Frequency****(i) In general**

Such an assessment must be conducted—

(I) promptly upon (but no later than 14 days after the date of) admission for each individual admitted on or after October 1, 1990, and by not later than October 1, 1991, for each resident of the facility on that date;

(II) promptly after a significant change in the resident's physical or mental condition; and

(III) in no case less often than once every 12 months.

**(ii) Resident review**

The nursing facility must examine each resident no less frequently than once every 3 months and, as appropriate, revise the resident's assessment to assure the continuing accuracy of the assessment.

**(D) Use**

The results of such an assessment shall be used in developing, reviewing, and revising the resident's plan of care under paragraph (2).

**(E) Coordination**

Such assessments shall be coordinated with any State-required preadmission

screening program to the maximum extent practicable in order to avoid duplicative testing and effort. In addition, a nursing facility shall notify the State mental health authority or State mental retardation or developmental disability authority, as applicable, promptly after a significant change in the physical or mental condition of a resident who is mentally ill or mentally retarded.

**(F) Requirements relating to preadmission screening for mentally ill and mentally retarded individuals**

Except as provided in clauses (ii) and (iii) of subsection (e)(7)(A), a nursing facility must not admit, on or after January 1, 1989, any new resident who—

(i) is mentally ill (as defined in subsection (e)(7)(G)(i)) unless the State mental health authority has determined (based on an independent physical and mental evaluation performed by a person or entity other than the State mental health authority) prior to admission that, because of the physical and mental condition of the individual, the individual requires the level of services provided by a nursing facility, and, if the individual requires such level of services, whether the individual requires specialized services for mental illness, or

(ii) is mentally retarded (as defined in subsection (e)(7)(G)(ii)) unless the State mental retardation or developmental disability authority has determined prior to admission that, because of the physical and mental condition of the individual, the individual requires the level of services provided by a nursing facility, and, if the individual requires such level of services, whether the individual requires specialized services for mental retardation.

A State mental health authority and a State mental retardation or developmental disability authority may not delegate (by subcontract or otherwise) their responsibilities under this subparagraph to a nursing facility (or to an entity that has a direct or indirect affiliation or relationship with such a facility).

**(4) Provision of services and activities**

**(A) In general**

To the extent needed to fulfill all plans of care described in paragraph (2), a nursing facility must provide (or arrange for the provision of)—

(i) nursing and related services and specialized rehabilitative services to attain or maintain the highest practicable physical, mental, and psychosocial well-being of each resident;

(ii) medically-related social services to attain or maintain the highest practicable physical, mental, and psychosocial well-being of each resident;

(iv) dietary services that assure that the meals meet the daily nutritional and special dietary needs of each resident;

(v) an on-going program, directed by a qualified professional, of activities designed to meet the interests and the physical, mental, and psychosocial well-being of each resident;

(vi) routine dental services (to the extent covered under the State plan) and emergency dental services to meet the needs of each resident; and

(vii) treatment and services required by mentally ill and mentally retarded residents not otherwise provided or arranged for (or required to be provided or arranged for) by the State.

The services provided or arranged by the facility must meet professional standards of quality.

**(B) Qualified persons providing services**

Services described in clauses (i), (ii), (iii), (iv), and (vi) of subparagraph (A) must be provided by qualified persons in accordance with each resident's written plan of care.

**(i) General requirements**

With respect to nursing facility services provided on or after October 1, 1990, a nursing facility—

(II) except as provided in clause (ii), must use the services of a registered professional nurse for at least 8 consecutive hours a day, 7 days a week.

**(ii) Waiver by State**

To the extent that a facility is unable to meet the requirements of clause (i), a State may waive such requirements with respect to the facility if—

(I) the facility demonstrates to the satisfaction of the State that the facility has been unable, despite diligent efforts (including offering wages at the community prevailing rate for nursing facilities), to recruit appropriate personnel,

(II) the State determines that a waiver of the requirement will not endanger the health or safety of individuals staying in the facility,

(III) the State finds that, for any such periods in which licensed nursing services are not available, a registered professional nurse or a physician is obligated to respond immediately to telephone calls from the facility,

(IV) the State agency granting a waiver of such requirements provides notice of the waiver to the State long-term care ombudsman (established under section 307(a)(12)<sup>1</sup> of the Older Americans Act of 1965) and the protection and advocacy

system in the State for the mentally ill and the mentally retarded, and

(V) the nursing facility that is granted such a waiver by a State notifies residents of the facility (or, where appropriate, the guardians or legal representatives of such residents) and members of their immediate families of the waiver.

A waiver under this clause shall be subject to annual review and to the review of the Secretary and subject to clause (iii) shall be accepted by the Secretary for purposes of this subchapter to the same extent as is the State's certification of the facility. In granting or renewing a waiver, a State may require the facility to use other qualified, licensed personnel.

**(iii) Assumption of waiver authority by Secretary**

If the Secretary determines that a State has shown a clear pattern and practice of allowing waivers in the absence of diligent efforts by facilities to meet the staffing requirements, the Secretary shall assume and exercise the authority of the State to grant waivers.

**(5) Required training of nurse aides**

**(A) In general**

(i) Except as provided in clause (ii), a nursing facility must not use on a full-time basis any individual as a nurse aide in the facility on or after October 1, 1990, for more than 4 months unless the individual—

(I) has completed a training and competency evaluation program, or a competency evaluation program, approved by the State under subsection (e)(1)(A), and

(II) is competent to provide nursing or nursing-related services.

(ii) A nursing facility must not use on a temporary, per diem, leased, or on any other basis other than as a permanent employee any individual as a nurse aide in the facility on or after January 1, 1991, unless the individual meets the requirements described in clause (i).

**(B) Offering competency evaluation programs for current employees**

A nursing facility must provide, for individuals used as a nurse aide by the facility as of January 1, 1990, for a competency evaluation program approved by the State under subsection (e)(1) and such preparation as may be necessary for the individual to complete such a program by October 1, 1990.

**(C) Competency**

The nursing facility must not permit an individual, other than in a training and competency evaluation program approved by the State, to serve as a nurse aide or provide services of a type for which the individual has not demonstrated competency and must not use such an individual as a nurse aide unless the facility has inquired of any State registry established under subsection (e)(2)(A) that the facility believes will include information concerning the individual.

**(D) Re-training required**

For purposes of subparagraph (A), if, since an individual's most recent completion of a training and competency evaluation program, there has been a continuous period of 24 consecutive months during none of which the individual performed nursing or nursing-related services for monetary compensation, such individual shall complete a new training and competency evaluation program, or a new competency evaluation program.

**(E) Regular in-service education**

The nursing facility must provide such regular performance review and regular in-service education as assures that individuals used as nurse aides are competent to perform services as nurse aides, including training for individuals providing nursing and nursing-related services to residents with cognitive impairments.

**(F) "Nurse aide" defined**

In this paragraph, the term "nurse aide" means any individual providing nursing or nursing-related services to residents in a nursing facility, but does not include an individual—

(i) who is a licensed health professional (as defined in subparagraph (G)) or a registered dietician, or

(ii) who volunteers to provide such services without monetary compensation.

Such term includes an individual who provides such services through an agency or under a contract with the facility.

**(G) Licensed health professional defined**

In this paragraph, the term "licensed health professional" means a physician, physician assistant, nurse practitioner, physical, speech, or occupational therapist, physical or occupational therapy assistant, registered professional nurse, licensed practical nurse, or licensed or certified social worker.

**(6) Physician supervision and clinical records**

A nursing facility must—

(A) require that the health care of every resident be provided under the supervision of a physician (or, at the option of a State, under the supervision of a nurse practitioner, clinical nurse specialist, or physician assistant who is not an employee of the facility but who is working in collaboration with a physician);

(B) provide for having a physician available to furnish necessary medical care in case of emergency; and

(C) maintain clinical records on all residents, which records include the plans of care (described in paragraph (2)) and the residents' assessments (described in paragraph (3)), as well as the results of any pre-admission screening conducted under subsection (e)(7).

**(7) Required social services**

In the case of a nursing facility with more than 120 beds, the facility must have at least one social worker (with at least a bachelor's degree in social work or similar professional

qualifications) employed full-time to provide or assure the provision of social services.

**(8) Information on nurse staffing**

**(A) In general**

A nursing facility shall post daily for each shift the current number of licensed and unlicensed nursing staff directly responsible for resident care in the facility. The information shall be displayed in a uniform manner (as specified by the Secretary) and in a clearly visible place.

**(B) Publication of data**

A nursing facility shall, upon request, make available to the public the nursing staff data described in subparagraph (A).

**(c) Requirements relating to residents' rights**

**(1) General rights**

**(A) Specified rights**

A nursing facility must protect and promote the rights of each resident, including each of the following rights:

The right to choose a personal attending physician, to be fully informed in advance about care and treatment, to be fully informed in advance of any changes in care or treatment that may affect the resident's well-being, and (except with respect to a resident adjudged incompetent) to participate in planning care and treatment or changes in care and treatment.

The right to be free from physical or mental abuse, corporal punishment, involuntary seclusion, and any physical or chemical restraints imposed for purposes of discipline or convenience and not required to treat the resident's medical symptoms. Restraints may only be imposed—

The right—

(I) to reside and receive services with reasonable accommodation of individual needs and preferences, except where the health or safety of the individual or other residents would be endangered, and

**(xi) Other rights**

Any other right established by the Secretary.

Clause (iii) shall not be construed as requiring the provision of a private room. A resident's exercise of a right to refuse transfer under clause (x) shall not affect the resident's eligibility or entitlement to medical assistance under this subchapter or a State's entitlement to Federal medical assistance under this subchapter with respect to services furnished to such a resident.

**(B) Notice of rights**

A nursing facility must—

(i) inform each resident, orally and in writing at the time of admission to the facility, of the resident's legal rights during the stay at the facility and of the requirements and procedures for establishing eligibility for medical assistance under this subchapter, including the right to request an assessment under section 1396r-5(c)(1)(B) of this title;

**(C) Rights of incompetent residents**

In the case of a resident adjudged incompetent under the laws of a State, the rights of the resident under this subchapter shall devolve upon, and, to the extent judged necessary by a court of competent jurisdiction, be exercised by, the person appointed under State law to act on the resident's behalf.

**(D) Use of psychopharmacologic drugs**

Psychopharmacologic drugs may be administered only on the orders of a physician and only as part of a plan (included in the written plan of care described in paragraph (2)) designed to eliminate or modify the symptoms for which the drugs are prescribed and only if, at least annually an independent, external consultant reviews the appropriateness of the drug plan of each resident receiving such drugs.

**(2) Transfer and discharge rights**

**(A) In general**

A nursing facility must permit each resident to remain in the facility and must not transfer or discharge the resident from the facility unless—

(i) the transfer or discharge is necessary to meet the resident's welfare and the resident's welfare cannot be met in the facility;

(ii) the transfer or discharge is appropriate because the resident's health has improved sufficiently so the resident no longer needs the services provided by the facility;

(iii) the safety of individuals in the facility is endangered;

(iv) the health of individuals in the facility would otherwise be endangered;

(v) the resident has failed, after reasonable and appropriate notice, to pay (or to have paid under this subchapter or subchapter XVIII on the resident's behalf) for a stay at the facility; or

(vi) the facility ceases to operate.

In each of the cases described in clauses (i) through (iv), the basis for the transfer or discharge must be documented in the resident's clinical record. In the cases described in clauses (i) and (ii), the documentation must be made by the resident's physician, and in the case described in clause (iv) the documentation must be made by a physician. For purposes of clause (v), in the case of a resident who becomes eligible for assistance under this subchapter after admission to the facility, only charges which may be imposed under this subchapter shall be considered to be allowable.

**(B) Pre-transfer and pre-discharge notice**

**(i) In general**

Before effecting a transfer or discharge of a resident, a nursing facility must—

(I) notify the resident (and, if known, an immediate family member of the resident or legal representative) of the transfer or discharge and the reasons therefor,

(II) record the reasons in the resident's clinical record (including any documentation required under subparagraph (A)), and

(III) include in the notice the items described in clause (iii).

**(ii) Timing of notice**

The notice under clause (i)(I) must be made at least 30 days in advance of the resident's transfer or discharge except—

(I) in a case described in clause (iii) or (iv) of subparagraph (A);

(II) in a case described in clause (ii) of subparagraph (A), where the resident's health improves sufficiently to allow a more immediate transfer or discharge;

(III) in a case described in clause (i) of subparagraph (A), where a more immediate transfer or discharge is necessitated by the resident's urgent medical needs; or

(IV) in a case where a resident has not resided in the facility for 30 days.

In the case of such exceptions, notice must be given as many days before the date of the transfer or discharge as is practicable.

**(iii) Items included in notice**

Each notice under clause (i) must include—

(I) for transfers or discharges effected on or after October 1, 1989, notice of the resident's right to appeal the transfer or discharge under the State process established under subsection (e)(3);

(II) the name, mailing address, and telephone number of the State long-term care ombudsman (established under title III or VII of the Older Americans Act of 1965 [42 U.S.C. 3021 et seq., 3058 et seq.] in accordance with section 712 of the Act [42 U.S.C. 3058g]);

(III) in the case of residents with developmental disabilities, the mailing address and telephone number of the agency responsible for the protection and advocacy system for developmentally disabled individuals established under subtitle C of the Developmental Disabilities Assistance and Bill of Rights Act of 2000 [42 U.S.C. 15041 et seq.]; and

(IV) in the case of mentally ill residents (as defined in subsection (e)(7)(G)(i)), the mailing address and telephone number of the agency responsible for the protection and advocacy system for mentally ill individuals established under the Protection and Advocacy for Mentally Ill Individuals Act<sup>2</sup> [42 U.S.C. 10801 et seq.].

**(C) Orientation**

A nursing facility must provide sufficient preparation and orientation to residents to ensure safe and orderly transfer or discharge from the facility.

**(D) Notice on bed-hold policy and readmission****(i) Notice before transfer**

Before a resident of a nursing facility is transferred for hospitalization or therapeutic leave, a nursing facility must provide written information to the resident and an immediate family member or legal representative concerning—

(I) the provisions of the State plan under this subchapter regarding the period (if any) during which the resident will be permitted under the State plan to return and resume residence in the facility, and

(II) the policies of the facility regarding such a period, which policies must be consistent with clause (iii).

**(ii) Notice upon transfer**

At the time of transfer of a resident to a hospital or for therapeutic leave, a nursing facility must provide written notice to the resident and an immediate family member or legal representative of the duration of any period described in clause (i).

**(iii) Permitting resident to return**

A nursing facility must establish and follow a written policy under which a resident—

(I) who is eligible for medical assistance for nursing facility services under a State plan,

(II) who is transferred from the facility for hospitalization or therapeutic leave, and

(III) whose hospitalization or therapeutic leave exceeds a period paid for under the State plan for the holding of a bed in the facility for the resident,

will be permitted to be readmitted to the facility immediately upon the first availability of a bed in a semiprivate room in the facility if, at the time of readmission, the resident requires the services provided by the facility.

**(E) Information respecting advance directives**

A nursing facility must comply with the requirement of section 1396a(w) of this title (relating to maintaining written policies and procedures respecting advance directives).

**(F) Continuing rights in case of voluntary withdrawal from participation****(i) In general**

In the case of a nursing facility that voluntarily withdraws from participation in a State plan under this subchapter but continues to provide services of the type provided by nursing facilities—

(I) the facility's voluntary withdrawal from participation is not an acceptable basis for the transfer or discharge of residents of the facility who were residing in the facility on the day before the effective date of the withdrawal (including those residents who were not entitled to medical assistance as of such day);

(II) the provisions of this section continue to apply to such residents until the date of their discharge from the facility; and

(III) in the case of each individual who begins residence in the facility after the effective date of such withdrawal, the facility shall provide notice orally and in a prominent manner in writing on a separate page at the time the individual begins residence of the information described in clause (ii) and shall obtain from each such individual at such time an acknowledgment of receipt of such information that is in writing, signed by the individual, and separate from other documents signed by such individual.

Nothing in this subparagraph shall be construed as affecting any requirement of a participation agreement that a nursing facility provide advance notice to the State or the Secretary, or both, of its intention to terminate the agreement.

**(ii) Information for new residents**

The information described in this clause for a resident is the following:

(I) The facility is not participating in the program under this subchapter with respect to that resident.

**(iii) Continuation of payments and oversight authority**

Notwithstanding any other provision of this subchapter, with respect to the residents described in clause (i)(I), a participation agreement of a facility described in clause (i) is deemed to continue in effect under such plan after the effective date of the facility's voluntary withdrawal from participation under the State plan for purposes of—

(I) receiving payments under the State plan for nursing facility services provided to such residents;

(II) maintaining compliance with all applicable requirements of this subchapter; and

(III) continuing to apply the survey, certification, and enforcement authority provided under subsections (g) and (h) (including involuntary termination of a participation agreement deemed continued under this clause).

This paragraph (other than subclause (III) of clause (i)) shall not apply to an individual who begins residence in a facility on or after the effective date of the withdrawal from participation under this subparagraph.

**(3) Access and visitation rights**

A nursing facility must—

**(A) In general**

A nursing facility must establish and maintain identical policies and practices regarding transfer, discharge, and the provi-

sion of services required under the State plan for all individuals regardless of source of payment.

**(B) Construction**

**(i) Nothing prohibiting any charges for non-medicaid patients**

Subparagraph (A) shall not be construed as prohibiting a nursing facility from charging any amount for services furnished, consistent with the notice in paragraph (1)(B) describing such charges.

**(ii) No additional services required**

Subparagraph (A) shall not be construed as requiring a State to offer additional services on behalf of a resident than are otherwise provided under the State plan.

**(5) Admissions policy**

**(A) Admissions**

With respect to admissions practices, a nursing facility must—

(i)(I) not require individuals applying to reside or residing in the facility to waive their rights to benefits under this subchapter or subchapter XVIII, (II) subject to subparagraph (B)(v), not require oral or written assurance that such individuals are not eligible for, or will not apply for, benefits under this subchapter or subchapter XVIII, and (III) prominently display in the facility written information, and provide to such individuals oral and written information, about how to apply for and use such benefits and how to receive refunds for previous payments covered by such benefits;

(ii) not require a third party guarantee of payment to the facility as a condition of admission (or expedited admission) to, or continued stay in, the facility; and

(iii) in the case of an individual who is entitled to medical assistance for nursing facility services, not charge, solicit, accept, or receive, in addition to any amount otherwise required to be paid under the State plan under this subchapter, any gift, money, donation, or other consideration as a precondition of admitting (or expediting the admission of) the individual to the facility or as a requirement for the individual's continued stay in the facility.

**(B) Construction**

**(i) No preemption of stricter standards**

Subparagraph (A) shall not be construed as preventing States or political subdivisions therein from prohibiting, under State or local law, the discrimination against individuals who are entitled to medical assistance under the State plan with respect to admissions practices of nursing facilities.

**(ii) Contracts with legal representatives**

Subparagraph (A)(ii) shall not be construed as preventing a facility from requiring an individual, who has legal access to a resident's income or resources available to pay for care in the facility, to sign a contract (without incurring personal fi-

nancial liability) to provide payment from the resident's income or resources for such care.

**(iii) Charges for additional services requested**

Subparagraph (A)(iii) shall not be construed as preventing a facility from charging a resident, eligible for medical assistance under the State plan, for items or services the resident has requested and received and that are not specified in the State plan as included in the term "nursing facility services".

**(iv) Bona fide contributions**

Subparagraph (A)(iii) shall not be construed as prohibiting a nursing facility from soliciting, accepting, or receiving a charitable, religious, or philanthropic contribution from an organization or from a person unrelated to the resident (or potential resident), but only to the extent that such contribution is not a condition of admission, expediting admission, or continued stay in the facility.

**(v) Treatment of continuing care retirement communities admission contracts**

Notwithstanding subclause (II) of subparagraph (A)(i), subject to subsections (c) and (d) of section 1396r-5 of this title, contracts for admission to a State licensed, registered, certified, or equivalent continuing care retirement community or life care community, including services in a nursing facility that is part of such community, may require residents to spend on their care resources declared for the purposes of admission before applying for medical assistance.

**(6) Protection of resident funds**

**(A) In general**

The nursing facility—

- (i) may not require residents to deposit their personal funds with the facility, and
- (ii) upon the written authorization of the resident, must hold, safeguard, and account for such personal funds under a system established and maintained by the facility in accordance with this paragraph.

**(B) Management of personal funds**

Upon written authorization of a resident under subparagraph (A)(ii), the facility must manage and account for the personal funds of the resident deposited with the facility as follows:

**(i) Deposit**

With respect to any other personal funds, the facility must maintain such funds in a non-interest bearing account or petty cash fund.

**(ii) Accounting and records**

The facility must assure a full and complete separate accounting of each such resident's personal funds, maintain a written record of all financial transactions involving the personal funds of a resident deposited with the facility, and afford the resident (or a legal representative of the resident) reasonable access to such record.

**(iii) Notice of certain balances**

The facility must notify each resident receiving medical assistance under the State plan under this subchapter when the amount in the resident's account reaches \$200 less than the dollar amount determined under section 1382(a)(3)(B) of this title and the fact that if the amount in the account (in addition to the value of the resident's other nonexempt resources) reaches the amount determined under such section the resident may lose eligibility for such medical assistance or for benefits under subchapter XVI.

**(iv) Conveyance upon death**

Upon the death of a resident with such an account, the facility must convey promptly the resident's personal funds (and a final accounting of such funds) to the individual administering the resident's estate.

**(C) Assurance of financial security**

The facility must purchase a surety bond, or otherwise provide assurance satisfactory to the Secretary, to assure the security of all personal funds of residents deposited with the facility.

**(7) Limitation on charges in case of medicaid-eligible individuals**

**(A) In general**

A nursing facility may not impose charges, for certain medicaid-eligible individuals for nursing facility services covered by the State under its plan under this subchapter, that exceed the payment amounts established by the State for such services under this subchapter.

**(B) "Certain medicaid-eligible individual" defined**

In subparagraph (A), the term "certain medicaid-eligible individual" means an individual who is entitled to medical assistance for nursing facility services in the facility under this subchapter but with respect to whom such benefits are not being paid because, in determining the amount of the individual's income to be applied monthly to payment for the costs of such services, the amount of such income exceeds the payment amounts established by the State for such services under this subchapter.

**(8) Posting of survey results**

A nursing facility must post in a place readily accessible to residents, and family members and legal representatives of residents, the results of the most recent survey of the facility conducted under subsection (g).

**(d) Requirements relating to administration and other matters****(1) Administration****(A) In general**

A nursing facility must be administered in a manner that enables it to use its resources effectively and efficiently to attain or maintain the highest practicable physical, mental, and psychosocial well-being of each resident (consistent with requirements established under subsection (f)(5)).

- (ii) post notice of the availability of such reports in areas of the facility that are prominent and accessible to the public.

The facility shall not make available under clause (i) identifying information about complainants or residents.

**(2) Licensing and Life Safety Code****(A) Licensing**

A nursing facility must be licensed under applicable State and local law.

**(B) Life Safety Code**

A nursing facility must meet such provisions of such edition (as specified by the Sec-

retary in regulation) of the Life Safety Code of the National Fire Protection Association as are applicable to nursing homes; except that—

(i) the Secretary may waive, for such periods as he deems appropriate, specific provisions of such Code which if rigidly applied would result in unreasonable hardship upon a facility, but only if such waiver would not adversely affect the health and safety of residents or personnel, and

(ii) the provisions of such Code shall not apply in any State if the Secretary finds that in such State there is in effect a fire and safety code, imposed by State law, which adequately protects residents of and personnel in nursing facilities.

**(3) Sanitary and infection control and physical environment**

A nursing facility must—

(A) establish and maintain an infection control program designed to provide a safe, sanitary, and comfortable environment in which residents reside and to help prevent the development and transmission of disease and infection, and

**(B) Other**

A nursing facility must meet such other requirements relating to the health and safety of residents or relating to the physical facilities thereof as the Secretary may find necessary.

**(e) State requirements relating to nursing facility requirements**

As a condition of approval of its plan under this subchapter, a State must provide for the following:

**(1) Specification and review of nurse aide training and competency evaluation programs and of nurse aide competency evaluation programs**

The State must—

(A) by not later than January 1, 1989, specify those training and competency evaluation programs, and those competency evaluation programs, that the State approves for purposes of subsection (b)(5) and that meet the requirements established under subsection (f)(2), and

(B) by not later than January 1, 1990, provide for the review and reapproval of such programs, at a frequency and using a meth-

odology consistent with the requirements established under subsection (f)(2)(A)(iii).

The failure of the Secretary to establish requirements under subsection (f)(2) shall not relieve any State of its responsibility under this paragraph.

**(2) Nurse aide registry**

**(A) In general**

By not later than January 1, 1989, the State shall establish and maintain a registry of all individuals who have satisfactorily completed a nurse aide training and competency evaluation program, or a nurse aide competency evaluation program, approved under paragraph (1) in the State, or any individual described in subsection (f)(2)(B)(ii) or in subparagraph (B), (C), or (D) of section 6901(b)(4) of the Omnibus Budget Reconciliation Act of 1989.

**(B) Information in registry**

The registry under subparagraph (A) shall provide (in accordance with regulations of the Secretary) for the inclusion of specific documented findings by a State under subsection (g)(1)(C) of resident neglect or abuse or misappropriation of resident property involving an individual listed in the registry, as well as any brief statement of the individual disputing the findings. The State shall make available to the public information in the registry. In the case of inquiries to the registry concerning an individual listed in the registry, any information disclosed concerning such a finding shall also include disclosure of any such statement in the registry relating to the finding or a clear and accurate summary of such a statement.

**(C) Prohibition against charges**

A State may not impose any charges on a nurse aide relating to the registry established and maintained under subparagraph (A).

**(3) State appeals process for transfers and discharges**

The State, for transfers and discharges from nursing facilities effected on or after October 1, 1989, must provide for a fair mechanism, meeting the guidelines established under subsection (f)(3), for hearing appeals on transfers and discharges of residents of such facilities; but the failure of the Secretary to establish such guidelines under such subsection shall not relieve any State of its responsibility under this paragraph.

**(4) Nursing facility administrator standards**

By not later than July 1, 1989, the State must have implemented and enforced the nursing facility administrator standards developed under subsection (f)(4) respecting the qualification of administrators of nursing facilities.

**(5) Specification of resident assessment instrument**

Effective July 1, 1990, the State shall specify the instrument to be used by nursing facilities in the State in complying with the requirement of subsection (b)(3)(A)(iii). Such instrument shall be—

(B) an instrument which the Secretary has approved as being consistent with the minimum data set of core elements, common definitions, and utilization guidelines specified by the Secretary under subsection (f)(6)(A).

**(6) Notice of medicaid rights**

Each State, as a condition of approval of its plan under this subchapter, effective April 1, 1988, must develop (and periodically update) a written notice of the rights and obligations of residents of nursing facilities (and spouses of such residents) under this subchapter.

**(7) State requirements for preadmission screening and resident review**

**(A) Preadmission screening**

**(i) In general**

Effective January 1, 1989, the State must have in effect a preadmission screening program, for making determinations (using any criteria developed under subsection (f)(8)) described in subsection (b)(3)(F) for mentally ill and mentally retarded individuals (as defined in subparagraph (G)) who are admitted to nursing facilities on or after January 1, 1989. The failure of the Secretary to develop minimum criteria under subsection (f)(8) shall not relieve any State of its responsibility to have a preadmission screening program under this subparagraph or to perform resident reviews under subparagraph (B).

**(ii) Clarification with respect to certain readmissions**

The preadmission screening program under clause (i) need not provide for determinations in the case of the readmission to a nursing facility of an individual who, after being admitted to the nursing facility, was transferred for care in a hospital.

**(iii) Exception for certain hospital discharges**

The preadmission screening program under clause (i) shall not apply to the admission to a nursing facility of an individual—

(I) who is admitted to the facility directly from a hospital after receiving acute inpatient care at the hospital,

(II) who requires nursing facility services for the condition for which the individual received care in the hospital, and

(III) whose attending physician has certified, before admission to the facility, that the individual is likely to require less than 30 days of nursing facility services.

**(B) State requirement for resident review**

**(i) For mentally ill residents**

As of April 1, 1990, in the case of each resident of a nursing facility who is mentally ill, the State mental health authority must review and determine (using any criteria developed under subsection (f)(8) and based on an independent physical and

mental evaluation performed by a person or entity other than the State mental health authority)—

(I) whether or not the resident, because of the resident's physical and mental condition, requires the level of services provided by a nursing facility or requires the level of services of an inpatient psychiatric hospital for individuals under age 21 (as described in section 1396d(h) of this title) or of an institution for mental diseases providing medical assistance to individuals 65 years of age or older; and

(II) whether or not the resident requires specialized services for mental illness.

**(ii) For mentally retarded residents**

As of April 1, 1990, in the case of each resident of a nursing facility who is mentally retarded, the State mental retardation or developmental disability authority must review and determine (using any criteria developed under subsection (f)(8))—

(I) whether or not the resident, because of the resident's physical and mental condition, requires the level of services provided by a nursing facility or requires the level of services of an intermediate care facility described under section 1396d(d) of this title; and

(II) whether or not the resident requires specialized services for mental retardation.

**(iii) Review required upon change in resident's condition**

A review and determination under clause (i) or (ii) must be conducted promptly after a nursing facility has notified the State mental health authority or State mental retardation or developmental disability authority, as applicable, under subsection (b)(3)(E) with respect to a mentally ill or mentally retarded resident, that there has been a significant change in the resident's physical or mental condition.

**(iv) Prohibition of delegation**

A State mental health authority, a State mental retardation or developmental disability authority, and a State may not delegate (by subcontract or otherwise) their responsibilities under this subparagraph to a nursing facility (or to an entity that has a direct or indirect affiliation or relationship with such a facility).

**(C) Response to preadmission screening and resident review**

As of April 1, 1990, the State must meet the following requirements:

**(i) Long-term residents not requiring nursing facility services, but requiring specialized services**

In the case of a resident who is determined, under subparagraph (B), not to require the level of services provided by a nursing facility, but to require specialized services for mental illness or mental retardation, and who has continuously resided in a nursing facility for at least 30 months

before the date of the determination, the State must, in consultation with the resident's family or legal representative and care-givers—

(I) inform the resident of the institutional and noninstitutional alternatives covered under the State plan for the resident,

(II) offer the resident the choice of remaining in the facility or of receiving covered services in an alternative appropriate institutional or noninstitutional setting,

(III) clarify the effect on eligibility for services under the State plan if the resident chooses to leave the facility (including its effect on readmission to the facility), and

(IV) regardless of the resident's choice, provide for (or arrange for the provision of) such specialized services for the mental illness or mental retardation.

A State shall not be denied payment under this subchapter for nursing facility services for a resident described in this clause because the resident does not require the level of services provided by such a facility, if the resident chooses to remain in such a facility.

**(ii) Other residents not requiring nursing facility services, but requiring specialized services**

In the case of a resident who is determined, under subparagraph (B), not to require the level of services provided by a nursing facility, but to require specialized services for mental illness or mental retardation, and who has not continuously resided in a nursing facility for at least 30 months before the date of the determination, the State must, in consultation with the resident's family or legal representative and care-givers—

(I) arrange for the safe and orderly discharge of the resident from the facility, consistent with the requirements of subsection (c)(2),

(II) prepare and orient the resident for such discharge, and

(III) provide for (or arrange for the provision of) such specialized services for the mental illness or mental retardation.

**(iii) Residents not requiring nursing facility services and not requiring specialized services**

In the case of a resident who is determined, under subparagraph (B), not to require the level of services provided by a nursing facility and not to require specialized services for mental illness or mental retardation, the State must—

(I) arrange for the safe and orderly discharge of the resident from the facility, consistent with the requirements of subsection (c)(2), and

(II) prepare and orient the resident for such discharge.

**(iv) Annual report**

Each State shall report to the Secretary annually concerning the number and dis-

position of residents described in each of clauses (ii) and (iii).

**(D) Denial of payment**

**(i) For failure to conduct preadmission screening or review**

No payment may be made under section 1396b(a) of this title with respect to nursing facility services furnished to an individual for whom a determination is required under subsection (b)(3)(F) or subparagraph (B) but for whom the determination is not made.

**(ii) For certain residents not requiring nursing facility level of services**

No payment may be made under section 1396b(a) of this title with respect to nursing facility services furnished to an individual (other than an individual described in subparagraph (C)(i)) who does not require the level of services provided by a nursing facility.

**(E) Permitting alternative disposition plans**

With respect to residents of a nursing facility who are mentally retarded or mentally ill and who are determined under subparagraph (B) not to require the level of services of such a facility, but who require specialized services for mental illness or mental retardation, a State and the nursing facility shall be considered to be in compliance with the requirements of subparagraphs (A) through (C) of this paragraph if, before April 1, 1989, the State and the Secretary have entered into an agreement relating to the disposition of such residents of the facility and the State is in compliance with such agreement. Such an agreement may provide for the disposition of the residents after the date specified in subparagraph (C). The State may revise such an agreement, subject to the approval of the Secretary, before October 1, 1991, but only if, under the revised agreement, all residents subject to the agreement who do not require the level of services of such a facility are discharged from the facility by not later than April 1, 1994.

**(F) Appeals procedures**

Each State, as a condition of approval of its plan under this subchapter, effective January 1, 1989, must have in effect an appeals process for individuals adversely affected by determinations under subparagraph (A) or (B).

**(G) Definitions**

In this paragraph and in subsection (b)(3)(F):

(i) An individual is considered to be "mentally ill" if the individual has a serious mental illness (as defined by the Secretary in consultation with the National Institute of Mental Health) and does not have a primary diagnosis of dementia (including Alzheimer's disease or a related disorder) or a diagnosis (other than a primary diagnosis) of dementia and a primary diagnosis that is not a serious mental illness.

(ii) An individual is considered to be "mentally retarded" if the individual is mentally retarded or a person with a related condition (as described in section 1396d(d) of this title).

(iii) The term "specialized services" has the meaning given such term by the Secretary in regulations, but does not include, in the case of a resident of a nursing facility, services within the scope of services which the facility must provide or arrange for its residents under subsection (b)(4).

**(f) Responsibilities of Secretary relating to nursing facility requirements**

**(1) General responsibility**

It is the duty and responsibility of the Secretary to assure that requirements which govern the provision of care in nursing facilities under State plans approved under this subchapter, and the enforcement of such requirements, are adequate to protect the health, safety, welfare, and rights of residents and to promote the effective and efficient use of public moneys.

**(2) Requirements for nurse aide training and competency evaluation programs and for nurse aide competency evaluation programs**

**(A) In general**

For purposes of subsections (b)(5) and (e)(1)(A), the Secretary shall establish, by not later than September 1, 1988—

(i) requirements for the approval of nurse aide training and competency evaluation programs, including requirements relating to (I) the areas to be covered in such a program (including at least basic nursing skills, personal care skills, recognition of mental health and social service needs, care of cognitively impaired residents, basic restorative services, and residents' rights) and content of the curriculum (including, in the case of initial training and, if the Secretary determines appropriate, in the case of ongoing training, dementia management training, and patient abuse prevention training<sup>4</sup>, (II) minimum hours of initial and ongoing training and retraining (including not less than 75 hours in the case of initial training), (III) qualifications of instructors, and (IV) procedures for determination of competency;

(ii) requirements for the approval of nurse aide competency evaluation programs, including requirement relating to the areas to be covered in such a program, including at least basic nursing skills, personal care skills, recognition of mental health and social service needs, care of cognitively impaired residents, basic restorative services, and residents' rights, and procedures for determination of competency;

(iii) requirements respecting the minimum frequency and methodology to be

<sup>4</sup>So in original. Probably should be followed by a closing parenthesis.

used by a State in reviewing such programs' compliance with the requirements for such programs; and

(iv) requirements, under both such programs, that—

(I) provide procedures for determining competency that permit a nurse aide, at the nurse aide's option, to establish competency through procedures or methods other than the passing of a written examination and to have the competency evaluation conducted at the nursing facility at which the aide is (or will be) employed (unless the facility is described in subparagraph (B)(iii)(I)),

(II) prohibit the imposition on a nurse aide who is employed by (or who has received an offer of employment from) a facility on the date on which the aide begins either such program of any charges (including any charges for textbooks and other required course materials and any charges for the competency evaluation) for either such program, and

(III) in the case of a nurse aide not described in subclause (II) who is employed by (or who has received an offer of employment from) a facility not later than 12 months after completing either such program, the State shall provide for the reimbursement of costs incurred in completing such program on a prorata basis during the period in which the nurse aide is so employed.

**(B) Approval of certain programs**

Such requirements—

(i) may permit approval of programs offered by or in facilities, as well as outside facilities (including employee organizations), and of programs in effect on December 22, 1987;

(ii) shall permit a State to find that an individual who has completed (before July 1, 1989) a nurse aide training and competency evaluation program shall be deemed to have completed such a program approved under subsection (b)(5) if the State determines that, at the time the program was offered, the program met the requirements for approval under such paragraph; and

(iii) subject to subparagraphs (C) and (D), shall prohibit approval of such a program—

(I) offered by or in a nursing facility which, within the previous 2 years—

(a) has operated under a waiver under subsection (b)(4)(C)(ii) that was granted on the basis of a demonstration that the facility is unable to provide the nursing care required under subsection (b)(4)(C)(i) for a period in excess of 48 hours during a week;

(b) has been subject to an extended (or partial extended) survey under section 1395i-3(g)(2)(B)(i) of this title or subsection (g)(2)(B)(i); or

(c) has been assessed a civil money penalty described in section 1395i-3(h)(2)(B)(ii) of this title or sub-

section (h)(2)(A)(ii) of not less than \$5,000, or has been subject to a remedy described in subsection (h)(1)(B)(i), clauses<sup>5</sup> (i), (iii), or (iv) of subsection (h)(2)(A), clauses<sup>5</sup> (i) or (iii) of section 1395i-3(h)(2)(B) of this title, or section 1395i-3(h)(4) of this title, or

(II) offered by or in a nursing facility unless the State makes the determination, upon an individual's completion of the program, that the individual is competent to provide nursing and nursing-related services in nursing facilities.

A State may not delegate (through subcontract or otherwise) its responsibility under clause (iii)(II) to the nursing facility.

**(C) Waiver authorized**

Clause (iii)(I) of subparagraph (B) shall not apply to a program offered in (but not by) a nursing facility (or skilled nursing facility for purposes of subchapter XVIII) in a State if the State—

(i) determines that there is no other such program offered within a reasonable distance of the facility,

(ii) assures, through an oversight effort, that an adequate environment exists for operating the program in the facility, and

(iii) provides notice of such determination and assurances to the State long-term care ombudsman.

**(D) Waiver of disapproval of nurse-aide training programs**

Upon application of a nursing facility, the Secretary may waive the application of subparagraph (B)(iii)(I)(c) if the imposition of the civil monetary penalty was not related to the quality of care provided to residents of the facility. Nothing in this subparagraph shall be construed as eliminating any requirement upon a facility to pay a civil monetary penalty described in the preceding sentence.

**(3) Federal guidelines for State appeals process for transfers and discharges**

For purposes of subsections (c)(2)(B)(iii) and (e)(3), by not later than October 1, 1988, the Secretary shall establish guidelines for minimum standards which State appeals processes under subsection (e)(3) must meet to provide a fair mechanism for hearing appeals on transfers and discharges of residents from nursing facilities.

**(4) Secretarial standards qualification of administrators**

For purposes of subsections (d)(1)(C) and (e)(4), the Secretary shall develop, by not later than March 1, 1988, standards to be applied in assuring the qualifications of administrators of nursing facilities.

**(5) Criteria for administration**

The Secretary shall establish criteria for assessing a nursing facility's compliance with the requirement of subsection (d)(1) with respect to—

<sup>5</sup> So in original. Probably should be "clause".

- (A) its governing body and management,
- (B) agreements with hospitals regarding transfers of residents to and from the hospitals and to and from other nursing facilities,
- (C) disaster preparedness,
- (D) direction of medical care by a physician,
- (E) laboratory and radiological services,
- (F) clinical records, and
- (G) resident and advocate participation.

**(6) Specification of resident assessment data set and instruments**

The Secretary shall—

(A) not later than January 1, 1989, specify a minimum data set of core elements and common definitions for use by nursing facilities in conducting the assessments required under subsection (b)(3), and establish guidelines for utilization of the data set; and

(B) by not later than April 1, 1990, designate one or more instruments which are consistent with the specification made under subparagraph (A) and which a State may specify under subsection (e)(5)(A) for use by nursing facilities in complying with the requirements of subsection (b)(3)(A)(iii).

**(7) List of items and services furnished in nursing facilities not chargeable to the personal funds of a resident**

**(A) Regulations required**

Pursuant to the requirement of section 21(b) of the Medicare-Medicaid Anti-Fraud and Abuse Amendments of 1977, the Secretary shall issue regulations, on or before the first day of the seventh month to begin after December 22, 1987, that define those costs which may be charged to the personal funds of residents in nursing facilities who are individuals receiving medical assistance with respect to nursing facility services under this subchapter and those costs which are to be included in the payment amount under this subchapter for nursing facility services.

**(B) Rule if failure to publish regulations**

If the Secretary does not issue the regulations under subparagraph (A) on or before the date required in that subparagraph, in the case of a resident of a nursing facility who is eligible to receive benefits for nursing facility services under this subchapter, for purposes of section 1396a(a)(28)(B) of this title, the Secretary shall be deemed to have promulgated regulations under this paragraph which provide that the costs which may not be charged to the personal funds of such resident (and for which payment is considered to be made under this subchapter) include, at a minimum, the costs for routine personal hygiene items and services furnished by the facility.

**(8) Federal minimum criteria and monitoring for preadmission screening and resident review**

**(A) Minimum criteria**

The Secretary shall develop, by not later than October 1, 1988, minimum criteria for

States to use in making determinations under subsections (b)(3)(F) and (e)(7)(B) and in permitting individuals adversely affected to appeal such determinations, and shall notify the States of such criteria.

**(B) Monitoring compliance**

The Secretary shall review, in a sufficient number of cases to allow reasonable inferences, each State's compliance with the requirements of subsection (e)(7)(C)(ii) (relating to discharge and placement for active treatment of certain residents).

**(9) Criteria for monitoring State waivers**

The Secretary shall develop, by not later than October 1, 1988, criteria and procedures for monitoring State performances in granting waivers pursuant to subsection (b)(4)(C)(ii).

**(10) Special focus facility program**

**(A) In general**

The Secretary shall conduct a special focus facility program for enforcement of requirements for nursing facilities that the Secretary has identified as having substantially failed to meet applicable requirements of this chapter.

**(B) Periodic surveys**

Under such program the Secretary shall conduct surveys of each facility in the program not less often than once every 6 months.

**(g) Survey and certification process**

**(1) State and Federal responsibility**

**(A) In general**

Under each State plan under this subchapter, the State shall be responsible for certifying, in accordance with surveys conducted under paragraph (2), the compliance of nursing facilities (other than facilities of the State) with the requirements of subsections (b), (c), and (d). The Secretary shall be responsible for certifying, in accordance with surveys conducted under paragraph (2), the compliance of State nursing facilities with the requirements of such subsections.

**(B) Educational program**

Each State shall conduct periodic educational programs for the staff and residents (and their representatives) of nursing facilities in order to present current regulations, procedures, and policies under this section.

**(C) Investigation of allegations of resident neglect and abuse and misappropriation of resident property**

The State shall provide, through the agency responsible for surveys and certification of nursing facilities under this subsection, for a process for the receipt and timely review and investigation of allegations of neglect and abuse and misappropriation of resident property by a nurse aide of a resident in a nursing facility or by another individual used by the facility in providing services to such a resident. The State shall, after notice to the individual involved and a reasonable opportunity for a hearing for the in-

dividual to rebut allegations, make a finding as to the accuracy of the allegations. If the State finds that a nurse aide has neglected or abused a resident or misappropriated resident property in a facility, the State shall notify the nurse aide and the registry of such finding. If the State finds that any other individual used by the facility has neglected or abused a resident or misappropriated resident property in a facility, the State shall notify the appropriate licensure authority. A State shall not make a finding that an individual has neglected a resident if the individual demonstrates that such neglect was caused by factors beyond the control of the individual.

**(D) Removal of name from nurse aide registry**

**(i) In general**

In the case of a finding of neglect under subparagraph (C), the State shall establish a procedure to permit a nurse aide to petition the State to have his or her name removed from the registry upon a determination by the State that—

(I) the employment and personal history of the nurse aide does not reflect a pattern of abusive behavior or neglect; and

(II) the neglect involved in the original finding was a singular occurrence.

**(ii) Timing of determination**

In no case shall a determination on a petition submitted under clause (i) be made prior to the expiration of the 1-year period beginning on the date on which the name of the petitioner was added to the registry under subparagraph (C).

**(E) Construction**

The failure of the Secretary to issue regulations to carry out this subsection shall not relieve a State of its responsibility under this subsection.

**(2) Surveys**

**(A) Annual standard survey**

**(i) In general**

Each nursing facility shall be subject to a standard survey, to be conducted without any prior notice to the facility. Any individual who notifies (or causes to be notified) a nursing facility of the time or date on which such a survey is scheduled to be conducted is subject to a civil money penalty of not to exceed \$2,000. The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under the previous sentence in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title. The Secretary shall review each State's procedures for scheduling and conduct of standard surveys to assure that the State has taken all reasonable steps to avoid giving notice of such a survey through the scheduling procedures and the conduct of the surveys themselves.

**(ii) Contents**

Each standard survey shall include, for a case-mix stratified sample of residents—

(I) a survey of the quality of care furnished, as measured by indicators of medical, nursing, and rehabilitative care, dietary and nutrition services, activities and social participation, and sanitation, infection control, and the physical environment,

(II) written plans of care provided under subsection (b)(2) and an audit of the residents' assessments under subsection (b)(3) to determine the accuracy of such assessments and the adequacy of such plans of care, and

(III) a review of compliance with residents' rights under subsection (c).

**(iii) Frequency**

**(I) In general**

Each nursing facility shall be subject to a standard survey not later than 15 months after the date of the previous standard survey conducted under this subparagraph. The statewide average interval between standard surveys of a nursing facility shall not exceed 12 months.

**(II) Special surveys**

If not otherwise conducted under subclause (I), a standard survey (or an abbreviated standard survey) may be conducted within 2 months of any change of ownership, administration, management of a nursing facility, or director of nursing in order to determine whether the change has resulted in any decline in the quality of care furnished in the facility.

**(B) Extended surveys**

**(i) In general**

Each nursing facility which is found, under a standard survey, to have provided substandard quality of care shall be subject to an extended survey. Any other facility may, at the Secretary's or State's discretion, be subject to such an extended survey (or a partial extended survey).

**(ii) Timing**

The extended survey shall be conducted immediately after the standard survey (or, if not practicable, not later than 2 weeks after the date of completion of the standard survey).

**(iii) Contents**

In such an extended survey, the survey team shall review and identify the policies and procedures which produced such substandard quality of care and shall determine whether the facility has complied with all the requirements described in subsections (b), (c), and (d). Such review shall include an expansion of the size of the sample of residents' assessments reviewed and a review of the staffing, of in-service training, and, if appropriate, of contracts with consultants.

**(iv) Construction**

Nothing in this paragraph shall be construed as requiring an extended or partial extended survey as a prerequisite to imposing a sanction against a facility under subsection (h) on the basis of findings in a standard survey.

**(C) Survey protocol**

Standard and extended surveys shall be conducted—

- (i) based upon a protocol which the Secretary has developed, tested, and validated by not later than January 1, 1990, and
- (ii) by individuals, of a survey team, who meet such minimum qualifications as the Secretary establishes by not later than such date.

The failure of the Secretary to develop, test, or validate such protocols or to establish such minimum qualifications shall not relieve any State of its responsibility (or the Secretary of the Secretary's responsibility) to conduct surveys under this subsection.

**(D) Consistency of surveys**

Each State shall implement programs to measure and reduce inconsistency in the application of survey results among surveyors.

**(E) Survey teams****(i) In general**

Surveys under this subsection shall be conducted by a multidisciplinary team of professionals (including a registered professional nurse).

**(ii) Prohibition of conflicts of interest**

A State may not use as a member of a survey team under this subsection an individual who is serving (or has served within the previous 2 years) as a member of the staff of, or as a consultant to, the facility surveyed respecting compliance with the requirements of subsections (b), (c), and (d), or who has a personal or familial financial interest in the facility being surveyed.

**(iii) Training**

The Secretary shall provide for the comprehensive training of State and Federal surveyors in the conduct of standard and extended surveys under this subsection, including the auditing of resident assessments and plans of care. No individual shall serve as a member of a survey team unless the individual has successfully completed a training and testing program in survey and certification techniques that has been approved by the Secretary.

**(3) Validation surveys****(A) In general**

The Secretary shall conduct onsite surveys of a representative sample of nursing facilities in each State, within 2 months of the date of surveys conducted under paragraph (2) by the State, in a sufficient number to allow inferences about the adequacies of each State's surveys conducted under paragraph (2). In conducting such surveys, the

Secretary shall use the same survey protocols as the State is required to use under paragraph (2). If the State has determined that an individual nursing facility meets the requirements of subsections (b), (c), and (d), but the Secretary determines that the facility does not meet such requirements, the Secretary's determination as to the facility's noncompliance with such requirements is binding and supersedes that of the State survey.

**(B) Scope**

With respect to each State, the Secretary shall conduct surveys under subparagraph (A) each year with respect to at least 5 percent of the number of nursing facilities surveyed by the State in the year, but in no case less than 5 nursing facilities in the State.

**(C) Reduction in administrative costs for substandard performance**

If the Secretary finds, on the basis of such surveys, that a State has failed to perform surveys as required under paragraph (2) or that a State's survey and certification performance otherwise is not adequate, the Secretary may provide for the training of survey teams in the State and shall provide for a reduction of the payment otherwise made to the State under section 1396b(a)(2)(D) of this title with respect to a quarter equal to 33 percent multiplied by a fraction, the denominator of which is equal to the total number of residents in nursing facilities surveyed by the Secretary that quarter and the numerator of which is equal to the total number of residents in nursing facilities which were found pursuant to such surveys to be not in compliance with any of the requirements of subsections (b), (c), and (d). A State that is dissatisfied with the Secretary's findings under this subparagraph may obtain reconsideration and review of the findings under section 1316 of this title in the same manner as a State may seek reconsideration and review under that section of the Secretary's determination under section 1316(a)(1) of this title.

**(D) Special surveys of compliance**

Where the Secretary has reason to question the compliance of a nursing facility with any of the requirements of subsections (b), (c), and (d), the Secretary may conduct a survey of the facility and, on the basis of that survey, make independent and binding determinations concerning the extent to which the nursing facility meets such requirements.

**(4) Investigation of complaints and monitoring nursing facility compliance**

Each State shall maintain procedures and adequate staff to—

- (A) investigate complaints of violations of requirements by nursing facilities, and
- (B) monitor, on-site, on a regular, as needed basis, a nursing facility's compliance with the requirements of subsections (b), (c), and (d), if—

(i) the facility has been found not to be in compliance with such requirements and is in the process of correcting deficiencies to achieve such compliance;

(ii) the facility was previously found not to be in compliance with such requirements, has corrected deficiencies to achieve such compliance, and verification of continued compliance is indicated; or

(iii) the State has reason to question the compliance of the facility with such requirements.

A State may maintain and utilize a specialized team (including an attorney, an auditor, and appropriate health care professionals) for the purpose of identifying, surveying, gathering and preserving evidence, and carrying out appropriate enforcement actions against substandard nursing facilities.

**(5) Disclosure of results of inspections and activities**

**(A) Public information**

Each State, and the Secretary, shall make available to the public—

(i) information respecting all surveys and certifications made respecting nursing facilities, including statements of deficiencies, within 14 calendar days after such information is made available to those facilities, and approved plans of correction,

(ii) copies of cost reports of such facilities filed under this subchapter or under subchapter XVIII,

(iii) copies of statements of ownership under section 1320a-3 of this title, and

(iv) information disclosed under section 1320a-5 of this title.

**(B) Notice to ombudsman**

Each State shall notify the State long-term care ombudsman (established under title III or VII of the Older Americans Act of 1965 [42 U.S.C. 3021 et seq., 3058 et seq.] in accordance with section 712 of the Act [42 U.S.C. 3058g]) of the State's findings of non-compliance with any of the requirements of subsections (b), (c), and (d), or of any adverse action taken against a nursing facility under paragraphs<sup>6</sup> (1), (2), or (3) of subsection (h), with respect to a nursing facility in the State.

**(C) Notice to physicians and nursing facility administrator licensing board**

If a State finds that a nursing facility has provided substandard quality of care, the State shall notify—

(i) the attending physician of each resident with respect to which such finding is made, and

(ii) any State board responsible for the licensing of the nursing facility administrator of the facility.

**(D) Access to fraud control units**

Each State shall provide its State Medicaid fraud and abuse control unit (established under section 1396b(q) of this title)

with access to all information of the State agency responsible for surveys and certifications under this subsection.

**(E) Submission of survey and certification information to the Secretary**

In order to improve the timeliness of information made available to the public under subparagraph (A) and provided on the Nursing Home Compare Medicare website under subsection (i), each State shall submit information respecting any survey or certification made respecting a nursing facility (including any enforcement actions taken by the State) to the Secretary not later than the date on which the State sends such information to the facility. The Secretary shall use the information submitted under the preceding sentence to update the information provided on the Nursing Home Compare Medicare website as expeditiously as practicable but not less frequently than quarterly.

**(h) Enforcement process**

**(1) In general**

If a State finds, on the basis of a standard, extended, or partial extended survey under subsection (g)(2) or otherwise, that a nursing facility no longer meets a requirement of subsection (b), (c), or (d), and further finds that the facility's deficiencies—

(A) immediately jeopardize the health or safety of its residents, the State shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in paragraph (2)(A)(iii), or terminate the facility's participation under the State plan and may provide, in addition, for one or more of the other remedies described in paragraph (2); or

(B) do not immediately jeopardize the health or safety of its residents, the State may—

(i) terminate the facility's participation under the State plan,

(ii) provide for one or more of the remedies described in paragraph (2), or

(iii) do both.

Nothing in this paragraph shall be construed as restricting the remedies available to a State to remedy a nursing facility's deficiencies. If a State finds that a nursing facility meets the requirements of subsections (b), (c), and (d), but, as of a previous period, did not meet such requirements, the State may provide for a civil money penalty under paragraph (2)(A)(ii) for the days in which it finds that the facility was not in compliance with such requirements.

**(2) Specified remedies**

**(A) Listing**

Except as provided in subparagraph (B)(ii), each State shall establish by law (whether statute or regulation) at least the following remedies:

(i) Denial of payment under the State plan with respect to any individual admitted to the nursing facility involved after such notice to the public and to the facility as may be provided for by the State.

<sup>6</sup>So in original. Probably should be "paragraph".

(ii) A civil money penalty assessed and collected, with interest, for each day in which the facility is or was out of compliance with a requirement of subsection (b), (c), or (d). Funds collected by a State as a result of imposition of such a penalty (or as a result of the imposition by the State of a civil money penalty for activities described in subsections (b)(3)(B)(ii)(I), (b)(3)(B)(ii)(II), or (g)(2)(A)(i)) shall be applied to the protection of the health or property of residents of nursing facilities that the State or the Secretary finds deficient, including payment for the costs of relocation of residents to other facilities, maintenance of operation of a facility pending correction of deficiencies or closure, and reimbursement of residents for personal funds lost.

(iii) The appointment of temporary management to oversee the operation of the facility and to assure the health and safety of the facility's residents, where there is a need for temporary management while—

(I) there is an orderly closure of the facility, or

(II) improvements are made in order to bring the facility into compliance with all the requirements of subsections (b), (c), and (d).

The temporary management under this clause shall not be terminated under subclause (II) until the State has determined that the facility has the management capability to ensure continued compliance with all the requirements of subsections (b), (c), and (d).

(iv) The authority, in the case of an emergency, to close the facility, to transfer residents in that facility to other facilities, or both.

The State also shall specify criteria, as to when and how each of such remedies is to be applied, the amounts of any fines, and the severity of each of these remedies, to be used in the imposition of such remedies. Such criteria shall be designed so as to minimize the time between the identification of violations and final imposition of the remedies and shall provide for the imposition of incrementally more severe fines for repeated or uncorrected deficiencies. In addition, the State may provide for other specified remedies, such as directed plans of correction.

**(B) Deadline and guidance**

(i) Except as provided in clause (ii), as a condition for approval of a State plan for calendar quarters beginning on or after October 1, 1989, each State shall establish the remedies described in clauses (i) through (iv) of subparagraph (A) by not later than October 1, 1989. The Secretary shall provide, through regulations by not later than October 1, 1988, guidance to States in establishing such remedies; but the failure of the Secretary to provide such guidance shall not relieve a State of the responsibility for establishing such remedies.

(ii) A State may establish alternative remedies (other than termination of participa-

tion) other than those described in clauses (i) through (iv) of subparagraph (A), if the State demonstrates to the Secretary's satisfaction that the alternative remedies are as effective in deterring noncompliance and correcting deficiencies as those described in subparagraph (A).

**(C) Assuring prompt compliance**

If a nursing facility has not complied with any of the requirements of subsections (b), (c), and (d), within 3 months after the date the facility is found to be out of compliance with such requirements, the State shall impose the remedy described in subparagraph (A)(i) for all individuals who are admitted to the facility after such date.

**(D) Repeated noncompliance**

In the case of a nursing facility which, on 3 consecutive standard surveys conducted under subsection (g)(2), has been found to have provided substandard quality of care, the State shall (regardless of what other remedies are provided)—

(i) impose the remedy described in subparagraph (A)(i), and

(ii) monitor the facility under subsection (g)(4)(B),

until the facility has demonstrated, to the satisfaction of the State, that it is in compliance with the requirements of subsections (b), (c), and (d), and that it will remain in compliance with such requirements.

**(E) Funding**

The reasonable expenditures of a State to provide for temporary management and other expenses associated with implementing the remedies described in clauses (iii) and (iv) of subparagraph (A) shall be considered, for purposes of section 1396b(a)(7) of this title, to be necessary for the proper and efficient administration of the State plan.

**(F) Incentives for high quality care**

In addition to the remedies specified in this paragraph, a State may establish a program to reward, through public recognition, incentive payments, or both, nursing facilities that provide the highest quality care to residents who are entitled to medical assistance under this subchapter. For purposes of section 1396b(a)(7) of this title, proper expenses incurred by a State in carrying out such a program shall be considered to be expenses necessary for the proper and efficient administration of the State plan under this subchapter.

**(3) Secretarial authority**

**(A) For State nursing facilities**

With respect to a State nursing facility, the Secretary shall have the authority and duties of a State under this subsection, including the authority to impose remedies described in clauses (i), (ii), and (iii) of paragraph (2)(A).

**(B) Other nursing facilities**

With respect to any other nursing facility in a State, if the Secretary finds that a nurs-

ing facility no longer meets a requirement of subsection (b), (c), (d), or (e), and further finds that the facility's deficiencies—

(i) immediately jeopardize the health or safety of its residents, the Secretary shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in subparagraph (C)(iii), or terminate the facility's participation under the State plan and may provide, in addition, for one or more of the other remedies described in subparagraph (C); or

(ii) do not immediately jeopardize the health or safety of its residents, the Secretary may impose any of the remedies described in subparagraph (C).

Nothing in this subparagraph shall be construed as restricting the remedies available to the Secretary to remedy a nursing facility's deficiencies. If the Secretary finds that a nursing facility meets such requirements but, as of a previous period, did not meet such requirements, the Secretary may provide for a civil money penalty under subparagraph (C)(ii) for the days on which he finds that the facility was not in compliance with such requirements.

**(C) Specified remedies**

The Secretary may take the following actions with respect to a finding that a facility has not met an applicable requirement:

**(i) Denial of payment**

The Secretary may deny any further payments to the State for medical assistance furnished by the facility to all individuals in the facility or to individuals admitted to the facility after the effective date of the finding.

**(ii) Authority with respect to civil money penalties**

**(I) In general**

Subject to subclause (II), the Secretary may impose a civil money penalty in an amount not to exceed \$10,000 for each day of noncompliance. The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under the previous sentence in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title.

**(II) Reduction of civil money penalties in certain circumstances**

Subject to subclause (III), in the case where a facility self-reports and promptly corrects a deficiency for which a penalty was imposed under this clause not later than 10 calendar days after the date of such imposition, the Secretary may reduce the amount of the penalty imposed by not more than 50 percent.

**(III) Prohibitions on reduction for certain deficiencies**

**(aa) Repeat deficiencies**

The Secretary may not reduce the amount of a penalty under subclause

(II) if the Secretary had reduced a penalty imposed on the facility in the preceding year under such subclause with respect to a repeat deficiency.

**(bb) Certain other deficiencies**

The Secretary may not reduce the amount of a penalty under subclause (II) if the penalty is imposed on the facility for a deficiency that is found to result in a pattern of harm or widespread harm, immediately jeopardizes the health or safety of a resident or residents of the facility, or results in the death of a resident of the facility.

**(IV) Collection of civil money penalties**

In the case of a civil money penalty imposed under this clause, the Secretary shall issue regulations that—

(aa) subject to item (cc), not later than 30 days after the imposition of the penalty, provide for the facility to have the opportunity to participate in an independent informal dispute resolution process which generates a written record prior to the collection of such penalty;

(bb) in the case where the penalty is imposed for each day of noncompliance, provide that a penalty may not be imposed for any day during the period beginning on the initial day of the imposition of the penalty and ending on the day on which the informal dispute resolution process under item (aa) is completed;

(cc) may provide for the collection of such civil money penalty and the placement of such amounts collected in an escrow account under the direction of the Secretary on the earlier of the date on which the informal dispute resolution process under item (aa) is completed or the date that is 90 days after the date of the imposition of the penalty;

(dd) may provide that such amounts collected are kept in such account pending the resolution of any subsequent appeals;

(ee) in the case where the facility successfully appeals the penalty, may provide for the return of such amounts collected (plus interest) to the facility; and

(ff) in the case where all such appeals are unsuccessful, may provide that some portion of such amounts collected may be used to support activities that benefit residents, including assistance to support and protect residents of a facility that closes (voluntarily or involuntarily) or is decertified (including offsetting costs of relocating residents to home and community-based settings or another facility), projects that support resident and family councils and other consumer involvement in assuring quality care in facilities, and facility improvement initiatives approved by the Secretary

(including joint training of facility staff and surveyors, technical assistance for facilities implementing quality assurance programs, the appointment of temporary management firms, and other activities approved by the Secretary).

**(iii) Appointment of temporary management**

In consultation with the State, the Secretary may appoint temporary management to oversee the operation of the facility and to assure the health and safety of the facility's residents, where there is a need for temporary management while—

(I) there is an orderly closure of the facility, or

(II) improvements are made in order to bring the facility into compliance with all the requirements of subsections (b), (c), and (d).

The temporary management under this clause shall not be terminated under subsection (II) until the Secretary has determined that the facility has the management capability to ensure continued compliance with all the requirements of subsections (b), (c), and (d).

The Secretary shall specify criteria, as to when and how each of such remedies is to be applied, the amounts of any fines, and the severity of each of these remedies, to be used in the imposition of such remedies. Such criteria shall be designed so as to minimize the time between the identification of violations and final imposition of the remedies and shall provide for the imposition of incrementally more severe fines for repeated or uncorrected deficiencies. In addition, the Secretary may provide for other specified remedies, such as directed plans of correction.

**(D) Continuation of payments pending remediation**

The Secretary may continue payments, over a period of not longer than 6 months after the effective date of the findings, under this subchapter with respect to a nursing facility not in compliance with a requirement of subsection (b), (c), or (d), if—

(i) the State survey agency finds that it is more appropriate to take alternative action to assure compliance of the facility with the requirements than to terminate the certification of the facility, and

(ii) the State has submitted a plan and timetable for corrective action to the Secretary for approval and the Secretary approves the plan of corrective action.

The Secretary shall establish guidelines for approval of corrective actions requested by States under this subparagraph.

**(4) Effective period of denial of payment**

A finding to deny payment under this subsection shall terminate when the State or Secretary (or both, as the case may be) finds that the facility is in substantial compliance with all the requirements of subsections (b), (c), and (d).

**(5) Immediate termination of participation for facility where State or Secretary finds non-compliance and immediate jeopardy**

If either the State or the Secretary finds that a nursing facility has not met a requirement of subsection (b), (c), or (d), and finds that the failure immediately jeopardizes the health or safety of its residents, the State or the Secretary, respectively<sup>7</sup> shall notify the other of such finding, and the State or the Secretary, respectively, shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in paragraph (2)(A)(iii) or (3)(C)(iii), or terminate the facility's participation under the State plan. If the facility's participation in the State plan is terminated by either the State or the Secretary, the State shall provide for the safe and orderly transfer of the residents eligible under the State plan consistent with the requirements of subsection (c)(2).

**(6) Special rules where State and Secretary do not agree on finding of noncompliance**

**(A) State finding of noncompliance and no secretarial finding of noncompliance**

If the Secretary finds that a nursing facility has met all the requirements of subsections (b), (c), and (d), but a State finds that the facility has not met such requirements and the failure does not immediately jeopardize the health or safety of its residents, the State's findings shall control and the remedies imposed by the State shall be applied.

**(B) Secretarial finding of noncompliance and no State finding of noncompliance**

If the Secretary finds that a nursing facility has not met all the requirements of subsections (b), (c), and (d), and that the failure does not immediately jeopardize the health or safety of its residents, but the State has not made such a finding, the Secretary—

(i) may impose any remedies specified in paragraph (3)(C) with respect to the facility, and

(ii) shall (pending any termination by the Secretary) permit continuation of payments in accordance with paragraph (3)(D).

**(7) Special rules for timing of termination of participation where remedies overlap**

If both the Secretary and the State find that a nursing facility has not met all the requirements of subsections (b), (c), and (d), and neither finds that the failure immediately jeopardizes the health or safety of its residents—

(A)(i) if both find that the facility's participation under the State plan should be terminated, the State's timing of any termination shall control so long as the termination date does not occur later than 6 months after the date of the finding to terminate;

(ii) if the Secretary, but not the State, finds that the facility's participation under the State plan should be terminated, the Secretary shall (pending any termination by

<sup>7</sup> So in original. Probably should be followed by a comma.

the Secretary) permit continuation of payments in accordance with paragraph (3)(D); or

(iii) if the State, but not the Secretary, finds that the facility's participation under the State plan should be terminated, the State's decision to terminate, and timing of such termination, shall control; and

(B)(i) if the Secretary or the State, but not both, establishes one or more remedies which are additional or alternative to the remedy of terminating the facility's participation under the State plan, such additional or alternative remedies shall also be applied, or

(ii) if both the Secretary and the State establish one or more remedies which are additional or alternative to the remedy of terminating the facility's participation under the State plan, only the additional or alternative remedies of the Secretary shall apply.

#### **(8) Construction**

The remedies provided under this subsection are in addition to those otherwise available under State or Federal law and shall not be construed as limiting such other remedies, including any remedy available to an individual at common law. The remedies described in clauses (i), (ii)(IV),<sup>8</sup> (iii), and (iv) of paragraph (2)(A) may be imposed during the pendency of any hearing. The provisions of this subsection shall apply to a nursing facility (or portion thereof) notwithstanding that the facility (or portion thereof) also is a skilled nursing facility for purposes of subchapter XVIII.

#### **(9) Sharing of information**

Notwithstanding any other provision of law, all information concerning nursing facilities required by this section to be filed with the Secretary or a State agency shall be made available by such facilities to Federal or State employees for purposes consistent with the effective administration of programs established under this subchapter and subchapter XVIII, including investigations by State medicaid fraud control units.

**§ 1396r-3. Correction and reduction plans for intermediate care facilities for mentally retarded****(a) Written plans to remedy substantial deficiencies; time for submission**

If the Secretary finds that an intermediate care facility for the mentally retarded has substantial deficiencies which do not pose an immediate threat to the health and safety of residents (including failure to provide active treatment), the State may elect, subject to the limitations in this section, to—

(1) submit, within the number of days specified by the Secretary in regulations which apply to submission of compliance plans with respect to deficiencies of such type, a written plan of correction which details the extent of the facility’s current compliance with the standards promulgated by the Secretary, including all deficiencies identified during a validation survey, and which provides for a timetable for completion of necessary steps to correct all staffing deficiencies within 6 months, and a timetable for rectifying all physical plant deficiencies within 6 months; or

(2) submit, within a time period consisting of the number of days specified for submissions under paragraph (1) plus 35 days, a written plan for permanently reducing the number of certified beds, within a maximum of 36 months, in order to permit any noncomplying buildings (or distinct parts thereof) to be vacated and any staffing deficiencies to be corrected (hereinafter in this section referred to as a "reduction plan").

**(b) Conditions for approval of reduction plans**

As conditions of approval of any reduction plan submitted pursuant to subsection (a)(2), the State must—

(1) provide for a hearing to be held at the affected facility at least 35 days prior to submission of the reduction plan, with reasonable notice thereof to the staff and residents of the facility, responsible members of the residents' families, and the general public;

(2) demonstrate that the State has successfully provided home and community services similar to the services proposed to be provided under the reduction plan for similar individuals eligible for medical assistance; and

(3) provide assurances that the requirements of subsection (c) shall be met with respect to the reduction plan.

**(c) Contents of reduction plan**

The reduction plan must—

(1) identify the number and service needs of existing facility residents to be provided home or community services and the timetable for providing such services, in 6 month intervals, within the 36-month period;

(2) describe the methods to be used to select such residents for home and community services and to develop the alternative home and community services to meet their needs effectively;

(3) describe the necessary safeguards that will be applied to protect the health and welfare of the former residents of the facility who are to receive home or community services, including adequate standards for consumer and provider participation and assurances that applicable State licensure and applicable State and Federal certification requirements will be met in providing such home or community services;

(4) provide that residents of the affected facility who are eligible for medical assistance while in the facility shall, at their option, be placed in another setting (or another part of the affected facility) so as to retain their eligibility for medical assistance;

(5) specify the actions which will be taken to protect the health and safety of, and to provide active treatment for, the residents who remain in the affected facility while the reduction plan is in effect;

(6) provide that the ratio of qualified staff to residents at the affected facility (or the part thereof) which is subject to the reduction plan will be the higher of—

(A) the ratio which the Secretary determines is necessary in order to assure the health and safety of the residents of such facility (or part thereof); or

(B) the ratio which was in effect at the time that the finding of substantial defi-

ciencies (referred to in subsection (a)) was made; and

(7) provide for the protection of the interests of employees affected by actions under the reduction plan, including—

(A) arrangements to preserve employee rights and benefits;

(B) training and retraining of such employees where necessary;

(C) redeployment of such employees to community settings under the reduction plan; and

(D) making maximum efforts to guarantee the employment of such employees (but this requirement shall not be construed to guarantee the employment of any employee).

**(d) Notice and comment; approval of more than 15 reduction plans in any fiscal year; corrections costing \$2,000,000 or more**

(1) The Secretary must provide for a period of not less than 30 days after the submission of a reduction plan by a State, during which comments on such reduction plan may be submitted to the Secretary, before the Secretary approves or disapproves such reduction plan.

(2) If the Secretary approves more than 15 reduction plans under this section in any fiscal year, any reduction plans approved in addition to the first 15 such plans approved, must be for a facility (or part thereof) for which the costs of correcting the substantial deficiencies (referred to in subsection (a)) are \$2,000,000 or greater (as demonstrated by the State to the satisfaction of the Secretary).

**(e) Termination of provider agreements; disallowance of percentage amounts for purposes of Federal financial participation**

(1) If the Secretary, at the conclusion of the 6-month plan of correction described in subsection (a)(1), determines that the State has substantially failed to correct the deficiencies described in subsection (a), the Secretary may terminate the facility's provider agreement in accordance with the provisions of section 1396i(b) of this title.

(2) In the case of a reduction plan described in subsection (a)(2), if the Secretary determines, at the conclusion of the initial 6-month period or any 6-month interval thereafter, that the State has substantially failed to meet the requirements of subsection (c), the Secretary shall—

(A) terminate the facility's provider agreement in accordance with the provisions of section 1396i(b) of this title; or

(B) if the State has failed to meet such requirements despite good faith efforts, disallow, for purposes of Federal financial participation, an amount equal to 5 percent of the cost of care for all eligible individuals in the facility for each month for which the State fails to meet such requirements.

**(f) Applicability of section limited to plans approved by January 1, 1990**

The provisions of this section shall apply only to plans of correction and reduction plans approved by the Secretary by January 1, 1990.

### § 1396r-4. Adjustment in payment for inpatient hospital services furnished by disproportionate share hospitals

#### (a) Implementation of requirement

(1) A State plan under this subchapter shall not be considered to meet the requirement of section 1396a(a)(13)(A)(iv) of this title (insofar as it requires payments to hospitals to take into account the situation of hospitals which serve a disproportionate number of low income patients with special needs), as of July 1, 1988, unless the State has submitted to the Secretary, by not later than such date, an amendment to such plan that—

(A) specifically defines the hospitals so described (and includes in such definition any disproportionate share hospital described in subsection (b)(1) which meets the requirements of subsection (d)), and

(B) provides, effective for inpatient hospital services provided not later than July 1, 1988, for an appropriate increase in the rate or amount of payment for such services provided by such hospitals, consistent with subsection (c).

(2)(A) In order to be considered to have met such requirement of section 1396a(a)(13)(A) of this title as of July 1, 1989, the State must submit to the Secretary by not later than April 1, 1989, the State plan amendment described in paragraph (1), consistent with subsection (c), effective for inpatient hospital services provided on or after July 1, 1989.

(B) In order to be considered to have met such requirement of section 1396a(a)(13)(A) of this title as of July 1, 1990, the State must submit to the Secretary by not later than April 1, 1990, the State plan amendment described in paragraph (1), consistent with subsections (c) and (f), effective for inpatient hospital services provided on or after July 1, 1990.

(C) If a State plan under this subchapter provides for payments for inpatient hospital services on a prospective basis (whether per diem, per case, or otherwise), in order for the plan to be considered to have met such requirement of section 1396a(a)(13)(A) of this title as of July 1, 1989, the State must submit to the Secretary by not later than April 1, 1989, a State plan amendment that provides, in the case of hospitals defined by the State as disproportionate share hospitals under paragraph (1)(A), for an outlier adjustment in payment amounts for medically necessary inpatient hospital services provided on or after July 1, 1989, involving exceptionally high costs or exceptionally long lengths of stay for individuals under one year of age.

(D) A State plan under this subchapter shall not be considered to meet the requirements of section 1396a(a)(13)(A)(iv) of this title (insofar as it requires payments to hospitals to take into account the situation of hospitals that serve a disproportionate number of low-income patients with special needs), as of October 1, 1998, unless the State has submitted to the Secretary by

such date a description of the methodology used by the State to identify and to make payments to disproportionate share hospitals, including children's hospitals, on the basis of the proportion of low-income and medicaid patients (including such patients who receive benefits through a managed care entity) served by such hospitals. The State shall provide an annual report to the Secretary describing the disproportionate share payments to each such disproportionate share hospital.

(3) The Secretary shall, not later than 90 days after the date a State submits an amendment under this subsection, review each such amendment for compliance with such requirement and by such date shall approve or disapprove each such amendment. If the Secretary disapproves such an amendment, the State shall immediately submit a revised amendment which meets such requirement.

(4) The requirement of this subsection may not be waived under section 1396n(b)(4) of this title.

**(b) Hospitals deemed disproportionate share**

(1) For purposes of subsection (a)(1), a hospital which meets the requirements of subsection (d) is deemed to be a disproportionate share hospital if—

(A) the hospital's medicaid inpatient utilization rate (as defined in paragraph (2)) is at least one standard deviation above the mean medicaid inpatient utilization rate for hospitals receiving medicaid payments in the State; or

(B) the hospital's low-income utilization rate (as defined in paragraph (3)) exceeds 25 percent.

(2) For purposes of paragraph (1)(A), the term "medicaid inpatient utilization rate" means, for a hospital, a fraction (expressed as a percentage), the numerator of which is the hospital's number of inpatient days attributable to patients who (for such days) were eligible for medical assistance under a State plan approved under this subchapter in a period (regardless of whether such patients receive medical assistance on a fee-for-service basis or through a managed care entity), and the denominator of which is the total number of the hospital's inpatient days in that period. In this paragraph, the term "inpatient day" includes each day in which an individual (including a newborn) is an inpatient in the hospital, whether or not the individual is in a specialized ward and whether or not the individual remains in the hospital for lack of suitable placement elsewhere.

(3) For purposes of paragraph (1)(B), the term "low-income utilization rate" means, for a hospital, the sum of—

(A) the fraction (expressed as a percentage)—

(i) the numerator of which is the sum (for a period) of (I) the total revenues paid the hospital for patient services under a State plan under this subchapter (regardless of whether the services were furnished on a fee-for-service basis or through a managed care entity) and (II) the amount of the cash subsidies for patient services received directly from State and local governments, and

(ii) the denominator of which is the total amount of revenues of the hospital for patient services (including the amount of such cash subsidies) in the period; and

(B) a fraction (expressed as a percentage)—

(i) the numerator of which is the total amount of the hospital's charges for inpatient hospital services which are attributable to charity care in a period, less the portion of any cash subsidies described in clause (i)(II) of subparagraph (A) in the period reasonably attributable to inpatient hospital services, and

(ii) the denominator of which is the total amount of the hospital's charges for inpatient hospital services in the hospital in the period.

The numerator under subparagraph (B)(i) shall not include contractual allowances and discounts (other than for indigent patients not eligible for medical assistance under a State plan approved under this subchapter).

(4) The Secretary may not restrict a State's authority to designate hospitals as disproportionate share hospitals under this section. The previous sentence shall not be construed to affect the authority of the Secretary to reduce payments pursuant to section 1396b(w)(1)(A)(iii) of this title if the Secretary determines that, as a result of such designations, there is in effect a hold harmless provision described in section 1396b(w)(4) of this title.

**(c) Payment adjustment**

Subject to subsections (f) and (g), in order to be consistent with this subsection, a payment adjustment for a disproportionate share hospital must either—

(1) be in an amount equal to at least the product of (A) the amount paid under the State plan to the hospital for operating costs for inpatient hospital services (of the kind described in section 1395ww(a)(4) of this title), and (B) the hospital's disproportionate share adjustment percentage (established under section 1395ww(d)(5)(F)(iv) of this title);

(2) provide for a minimum specified additional payment amount (or increased percentage payment) and (without regard to whether the hospital is described in subparagraph (A) or (B) of subsection (b)(1)) for an increase in such a payment amount (or percentage payment) in proportion to the percentage by which the hospital's medicaid utilization rate (as defined in subsection (b)(2)) exceeds one standard deviation above the mean medicaid inpatient utilization rate for hospitals receiving medicaid payments in the State or the hospital's low-income utilization rate (as defined in paragraph<sup>1</sup> (b)(3)); or

(3) provide for a minimum specified additional payment amount (or increased percentage payment) that varies according to type of hospital under a methodology that—

(A) applies equally to all hospitals of each type; and

(B) results in an adjustment for each type of hospital that is reasonably related to the

costs, volume, or proportion of services provided to patients eligible for medical assistance under a State plan approved under this subchapter or to low-income patients,

except that, for purposes of paragraphs (1)(B) and (2)(A) of subsection (a), the payment adjustment for a disproportionate share hospital is consistent with this subsection if the appropriate increase in the rate or amount of payment is equal to at least one-third of the increase otherwise applicable under this subsection (in the case of such paragraph (1)(B)) and at least two-thirds of such increase (in the case of such paragraph (2)(A)). In the case of a hospital described in subsection (d)(2)(A)(i) (relating to children's hospitals), in computing the hospital's disproportionate share adjustment percentage for purposes of paragraph (1)(B) of this subsection, the disproportionate patient percentage (defined in section 1395ww(d)(5)(F)(vi) of this title) shall be computed by substituting for the fraction described in subclause (I) of such section the fraction described in subclause (II) of that section. If a State elects in a State plan amendment under subsection (a) to provide the payment adjustment described in paragraph (2), the State must include in the amendment a detailed description of the specific methodology to be used in determining the specified additional payment amount (or increased percentage payment) to be made to each hospital qualifying for such a payment adjustment and must publish at least annually the name of each hospital qualifying for such a payment adjustment and the amount of such payment adjustment made for each such hospital.

**(d) Requirements to qualify as disproportionate share hospital**

(1) Except as provided in paragraph (2), no hospital may be defined or deemed as a disproportionate share hospital under a State plan under this subchapter or under subsection (b) of this section unless the hospital has at least 2 obstetricians who have staff privileges at the hospital and who have agreed to provide obstetric services to individuals who are entitled to medical assistance for such services under such State plan.

(2)(A) Paragraph (1) shall not apply to a hospital—

- (i) the inpatients of which are predominantly individuals under 18 years of age; or
- (ii) which does not offer nonemergency obstetric services to the general population as of December 22, 1987.

(B) In the case of a hospital located in a rural area (as defined for purposes of section 1395ww of this title), in paragraph (1) the term "obstetrician" includes any physician with staff privileges at the hospital to perform nonemergency obstetric procedures.

(3) No hospital may be defined or deemed as a disproportionate share hospital under a State plan under this subchapter or under subsection (b) or (e) of this section unless the hospital has a medicaid inpatient utilization rate (as defined in subsection (b)(2)) of not less than 1 percent.

**(e) Special rule**

(1) A State plan shall be considered to meet the requirement of section 1396a(a)(13)(A)(iv) of

this title (insofar as it requires payments to hospitals to take into account the situation of hospitals which serve a disproportionate number of low income patients with special needs) without regard to the requirement of subsection (a) if (A)(i) the plan provided for payment adjustments based on a pooling arrangement involving a majority of the hospitals participating under the plan for disproportionate share hospitals as of January 1, 1984, or (ii) the plan as of January 1, 1987, provided for payment adjustments based on a statewide pooling arrangement involving all acute care hospitals and the arrangement provides for reimbursement of the total amount of uncompensated care provided by each participating hospital, (B) the aggregate amount of the payment adjustments under the plan for such hospitals is not less than the aggregate amount of such adjustments otherwise required to be made under such subsection, and (C) the plan meets the requirement of subsection (d)(3) and such payment adjustments are made consistent with the last sentence of subsection (c).

(2) In the case of a State that used a health insuring organization before January 1, 1986, to administer a portion of its plan on a statewide basis, beginning on July 1, 1988—

(A) the requirements of subsections (b) and (c) (other than the last sentence of subsection (c)) shall not apply if the aggregate amount of the payment adjustments under the plan for disproportionate share hospitals (as defined under the State plan) is not less than the aggregate amount of payment adjustments otherwise required to be made if such subsections applied,

(B) subsection (d)(2)(B) shall apply to hospitals located in urban areas, as well as in rural areas,

(C) subsection (d)(3) shall apply, and

(D) subsection (g) shall apply.

**(f) Limitation on Federal financial participation**

**(1) In general**

Payment under section 1396b(a) of this title shall not be made to a State with respect to any payment adjustment made under this section for hospitals in a State for quarters in a fiscal year in excess of the disproportionate share hospital (in this subsection referred to as "DSH") allotment for the State for the fiscal year, as specified in paragraphs (2), (3), and (7).

**(2) State DSH allotments for fiscal years 1998 through 2002**

Except as provided in paragraphs (6), (7), and (8) and subparagraph (E), the DSH allotment for any State for fiscal year 2003 and each succeeding fiscal year is equal to the DSH allotment for the State for the preceding fiscal year under paragraph (2) or this paragraph, increased, subject to subparagraphs (B) and (C) and paragraph (5), by the percentage change in the consumer price index for all urban consumers (all items; U.S. city average), for the previous fiscal year.

**(B) Limitation**

The DSH allotment for a State shall not be increased under subparagraph (A) for a fiscal year to the extent that such an increase would result in the DSH allotment for the year exceeding the greater of—

- (i) the DSH allotment for the previous year, or

- (ii) 12 percent of the total amount of expenditures under the State plan for medical assistance during the fiscal year.

**(C) Special, temporary increase in allotments on a one-time, non-cumulative basis**

The DSH allotment for any State (other than a State with a DSH allotment determined under paragraph (5))—

- (i) for fiscal year 2004 is equal to 116 percent of the DSH allotment for the State for fiscal year 2003 under this paragraph, notwithstanding subparagraph (B); and

- (ii) for each succeeding fiscal year is equal to the DSH allotment for the State for fiscal year 2004 or, in the case of fiscal years beginning with the fiscal year specified in subparagraph (D) for that State, the DSH allotment for the State for the previous fiscal year increased by the percentage change in the consumer price index for all urban consumers (all items; U.S. city average), for the previous fiscal year.

**(D) Fiscal year specified**

For purposes of subparagraph (C)(ii), the fiscal year specified in this subparagraph for a State is the first fiscal year for which the Secretary estimates that the DSH allotment for that State will equal (or no longer exceed) the DSH allotment for that State under the law as in effect before December 8, 2003.

**(E) Temporary increase in allotments during recession**

**(i) In general**

Subject to clause (ii), the DSH allotment for any State—

- (I) for fiscal year 2009 is equal to 102.5 percent of the DSH allotment that would be determined under this paragraph for the State for fiscal year 2009 without application of this subparagraph, notwithstanding subparagraphs (B) and (C);

- (II) for fiscal year 2010 is equal to 102.5 percent of the DSH allotment for the State for fiscal year 2009, as determined under subclause (I); and

- (III) for each succeeding fiscal year is equal to the DSH allotment for the State under this paragraph determined without applying subclauses (I) and (II).

**(ii) Application**

Clause (i) shall not apply to a State for a year in the case that the DSH allotment for such State for such year under this paragraph determined without applying clause (i) would grow higher than the DSH allotment specified under clause (i) for the State for such year.

**(4) Special rule for fiscal years 2001 and 2002**

**(A) In general**

Notwithstanding paragraph (2), the DSH allotment for any State for—

- (i) fiscal year 2001, shall be the DSH allotment determined under paragraph (2) for fiscal year 2000 increased, subject to subparagraph (B) and paragraph (5), by the percentage change in the consumer price

index for all urban consumers (all items; U.S. city average) for fiscal year 2000; and

(ii) fiscal year 2002, shall be the DSH allotment determined under clause (i) increased, subject to subparagraph (B) and paragraph (5), by the percentage change in the consumer price index for all urban consumers (all items; U.S. city average) for fiscal year 2001.

**(B) Limitation**

Subparagraph (B) of paragraph (3) shall apply to subparagraph (A) of this paragraph in the same manner as that subparagraph (B) applies to paragraph (3)(A).

**(C) No application to allotments after fiscal year 2002**

The DSH allotment for any State for fiscal year 2003 or any succeeding fiscal year shall be determined under paragraph (3) without regard to the DSH allotments determined under subparagraph (A) of this paragraph.

**(5) Special rule for low DSH States**

**(A) For fiscal years 2001 through 2003 for extremely low DSH States**

In the case of a State in which the total expenditures under the State plan (including Federal and State shares) for disproportionate share hospital adjustments under this section for fiscal year 1999, as reported to the Administrator of the Health Care Financing Administration as of August 31, 2000, is greater than 0 but less than 1 percent of the State's total amount of expenditures under the State plan for medical assistance during the fiscal year, the DSH allotment for fiscal year 2001 shall be increased to 1 percent of the State's total amount of expenditures under such plan for such assistance during such fiscal year. In subsequent fiscal years before fiscal year 2004, such increased allotment is subject to an increase for inflation as provided in paragraph (3)(A).

**(B) For fiscal year 2004 and subsequent fiscal years**

In the case of a State in which the total expenditures under the State plan (including Federal and State shares) for disproportionate share hospital adjustments under this section for fiscal year 2000, as reported to the Administrator of the Centers for Medicare & Medicaid Services as of August 31, 2003, is greater than 0 but less than 3 percent of the State's total amount of expenditures under the State plan for medical assistance during the fiscal year, the DSH allotment for the State with respect to—

(i) fiscal year 2004 shall be the DSH allotment for the State for fiscal year 2003 increased by 16 percent;

(ii) each succeeding fiscal year before fiscal year 2009 shall be the DSH allotment for the State for the previous fiscal year increased by 16 percent; and

(iii) fiscal year 2009 and any subsequent fiscal year, shall be the DSH allotment for the State for the previous year subject to an increase for inflation as provided in paragraph (3)(A).

**(6) Allotment adjustments**

**(A) Tennessee**

(I) the amount that the Secretary determines is equal to the Federal medical assistance percentage component attributable to disproportionate share hospital payment adjustments for the demonstration year ending in 2006 that is reflected in the budget neutrality provision of the TennCare Demonstration Project; and

(II) \$280,000,000.

Only with respect to fiscal years 2008, 2009, 2010, and 2011, the DSH allotment for Tennessee for the fiscal year, notwithstanding such table or terms, shall be the amount specified in the previous sentence for fiscal year 2007. **(ii) Limitation on amount of payment adjustments eligible for Federal financial participation**

Payment under section 1396b(a) of this title shall not be made to Tennessee with respect to the aggregate amount of any payment adjustments made under this section for hospitals in the State for fiscal year 2007, 2008, 2009, 2010, 2011, or for period<sup>2</sup> in fiscal year 2012 described in clause (i) that is in excess of 30 percent of the DSH allotment for the State for such fiscal year or period determined pursuant to clause (i).

**(iii) State plan amendment**

The Secretary shall permit Tennessee to submit an amendment to its State plan under this subchapter that describes the methodology to be used by the State to identify and make payments to disproportionate share hospitals, including children's hospitals and institutions for mental diseases or other mental health facilities. The Secretary may not approve such plan amendment unless the methodology described in the amendment is consistent with the requirements under this section for making payment adjustments to disproportionate share hospitals. For purposes of demonstrating budget neutrality under the TennCare Demonstration Project, payment adjustments made pursuant to a State plan amendment approved in accordance with this subparagraph shall be considered expenditures under such project.

<sup>2</sup> So in original. Probably should be preceded by "a".

The Secretary may not approve such plan amendment unless the methodology described in the amendment is consistent with the requirements under this section for making payment adjustments to disproportionate share hospitals.

**(iii) Allotment for 2d, 3rd, and 4th quarter of fiscal year 2012, fiscal year 2013, and succeeding fiscal years**

Notwithstanding the table set forth in paragraph (2):

**(III) Certain hospital payments**

The Secretary may not impose a limitation on the total amount of payments made to hospitals under the QUEST section 1115 Demonstration Project except to the extent that such limitation is necessary to ensure that a hospital does not receive payments in excess of the amounts described in subsection (g), or as necessary to ensure that such payments under the waiver and such payments pursuant to the allotment provided in this clause do not, in the aggregate in any year, exceed the amount that the Secretary determines is equal to the Federal medical assistance percentage component attributable to disproportionate share hospital payment adjustments for such year that is reflected in the budget neutrality provision of the QUEST Demonstration Project.

**(7) Medicaid DSH reductions**

**(A) Reductions**

**(i) In general**

For each of fiscal years 2024 through 2027, the Secretary shall effect the following reductions:

The aggregate reductions in DSH allotments for all States under clause (i)(I) shall be equal to \$8,000,000,000 for each of fiscal years 2024 through 2027<sup>3</sup>

**(iii) Manner of payment reduction**

The amount of the payment reduction under clause (i)(II) for a State for a quarter shall be deemed an overpayment to the State under this subchapter to be disallowed against the State's regular quarterly draw for all spending under section 1396b(d)(2) of this title. Such a disallowance is not subject to a reconsideration under subsections (d) and (e) of section 1316 of this title.

**(iv) Definition**

In this paragraph, the term "State" means the 50 States and the District of Columbia.

**(v) Distribution of aggregate reductions**

The Secretary shall distribute the aggregate reductions under clause (ii) among States in accordance with subparagraph (B).

**(B) DSH Health Reform methodology**

The Secretary shall carry out subparagraph (A) through use of a DSH Health Reform methodology that meets the following requirements:

(i) The methodology imposes the largest percentage reductions on the States that—

(I) have the lowest percentages of uninsured individuals (determined on the basis of data from the Bureau of the Census, audited hospital cost reports, and other information likely to yield accurate data) during the most recent year for which such data are available; or

(II) do not target their DSH payments on—

(aa) hospitals with high volumes of Medicaid inpatients (as defined in subsection (b)(1)(A)); and

(bb) hospitals that have high levels of uncompensated care (excluding bad debt).

(ii) The methodology imposes a smaller percentage reduction on low DSH States described in paragraph (5)(B).

(iii) The methodology takes into account the extent to which the DSH allotment for a State was included in the budget neutrality calculation for a coverage expansion approved under section 1315 of this title as of July 31, 2009.

**(8) Calculation of DSH allotments after reductions period**

The DSH allotment for a State for fiscal years after fiscal year 2027 shall be calculated under paragraph (3) without regard to paragraph (7).

**(9) "State" defined**

In this subsection, the term "State" means the 50 States and the District of Columbia.

**(g) Limit on amount of payment to hospital****(1) Amount of adjustment subject to uncompensated costs****(A) In general**

A payment adjustment during a fiscal year shall not be considered to be consistent with subsection (c) with respect to a hospital if the payment adjustment exceeds the costs incurred during the year of furnishing hospital services (as determined by the Secretary and net of payments under this subchapter, other than under this section, and by uninsured patients) by the hospital to individuals who either are eligible for medical assistance under the State plan or have no health insurance (or other source of third party coverage) for services provided during the year. For purposes of the preceding sentence, payments made to a hospital for services provided to indigent patients made by a State or a unit of local government within a State shall not be considered to be a source of third party payment.

**(B) Limit to public hospitals during transition period**

With respect to payment adjustments during a State fiscal year that begins before January 1, 1995, subparagraph (A) shall apply only to hospitals owned or operated by a State (or by an instrumentality or a unit of government within a State).

**(C) Modifications for private hospitals**

With respect to hospitals that are not owned or operated by a State (or by an instrumentality or a unit of government within a State), the Secretary may make such modifications to the manner in which the limitation on payment adjustments is applied to such hospitals as the Secretary considers appropriate.

**(2) Additional amount during transition period for certain hospitals with high disproportionate share****(A) In general**

In the case of a hospital with high disproportionate share (as defined in subparagraph (B)), a payment adjustment during a State fiscal year that begins before January 1, 1995, shall be considered consistent with subsection (c) if the payment adjustment does not exceed 200 percent of the costs of

<sup>3</sup>So in original. Probably should be followed by a period.

furnishing hospital services described in paragraph (1)(A) during the year, but only if the Governor of the State certifies to the satisfaction of the Secretary that the hospital's applicable minimum amount is used for health services during the year. In determining the amount that is used for such services during a year, there shall be excluded any amounts received under the Public Health Service Act [42 U.S.C. 201 et seq.], subchapter V, subchapter XVIII, or from third party payors (not including the State plan under this subchapter) that are used for providing such services during the year.

**(B) "Hospital with high disproportionate share" defined**

In subparagraph (A), a hospital is a "hospital with high disproportionate share" if—

(i) the hospital is owned or operated by a State (or by an instrumentality or a unit of government within a State); and

(ii) the hospital—

(I) meets the requirement described in subsection (b)(1)(A), or

(II) has the largest number of inpatient days attributable to individuals entitled to benefits under the State plan of any hospital in such State for the previous State fiscal year.

**(C) "Applicable minimum amount" defined**

In subparagraph (A), the "applicable minimum amount" for a hospital for a fiscal year is equal to the difference between the amount of the hospital's payment adjustment for the fiscal year and the costs to the hospital of furnishing hospital services described in paragraph (1)(A) during the fiscal year.

**(h) Limitation on certain State DSH expenditures**

**(1) In general**

Payment under section 1396b(a) of this title shall not be made to a State with respect to any payment adjustments made under this section for quarters in a fiscal year (beginning with fiscal year 1998) to institutions for mental diseases or other mental health facilities, to the extent the aggregate of such adjustments in the fiscal year exceeds the lesser of the following:

**(A) 1995 IMD DSH payment adjustments**

The total State DSH expenditures that are attributable to fiscal year 1995 for payments to institutions for mental diseases and other mental health facilities (based on reporting data specified by the State on HCFA Form 64 as mental health DSH, and as approved by the Secretary).

**(B) Applicable percentage of 1995 total DSH payment allotment**

The amount of such payment adjustments which are equal to the applicable percentage of the Federal share of payment adjustments made to hospitals in the State under subsection (c) that are attributable to the 1995 DSH allotment for the State for payments to institutions for mental diseases and other

mental health facilities (based on reporting data specified by the State on HCFA Form 64 as mental health DSH, and as approved by the Secretary).

**(2) Applicable percentage**

**(A) In general**

For purposes of paragraph (1), the applicable percentage with respect to—

(i) each of fiscal years 1998, 1999, and 2000, is the percentage determined under subparagraph (B); or

(ii) a succeeding fiscal year is the lesser of the percentage determined under subparagraph (B) or the following percentage:

(I) For fiscal year 2001, 50 percent.

(II) For fiscal year 2002, 40 percent.

(III) For each succeeding fiscal year, 33 percent.

**(B) 1995 percentage**

The percentage determined under this subparagraph is the ratio (determined as a percentage) of—

(i) the Federal share of payment adjustments made to hospitals in the State under subsection (c) that are attributable to the 1995 DSH allotment for the State (as reported by the State not later than January 1, 1997, on HCFA Form 64, and as approved by the Secretary) for payments to institutions for mental diseases and other mental health facilities, to

(ii) the State 1995 DSH spending amount.

**(C) State 1995 DSH spending amount**

For purposes of subparagraph (B)(ii), the "State 1995 DSH spending amount", with respect to a State, is the Federal medical assistance percentage (for fiscal year 1995) of the payment adjustments made under subsection (c) under the State plan that are attributable to the fiscal year 1995 DSH allotment for the State (as reported by the State not later than January 1, 1997, on HCFA Form 64, and as approved by the Secretary).

**(i) Requirement for direct payment**

**(1) In general**

No payment may be made under section 1396b(a)(1) of this title with respect to a payment adjustment made under this section, for services furnished by a hospital on or after October 1, 1997, with respect to individuals eligible for medical assistance under the State plan who are enrolled with a managed care entity (as defined in section 1396u-2(a)(1)(B) of this title) or under any other managed care arrangement unless a payment, equal to the amount of the payment adjustment—

(A) is made directly to the hospital by the State; and

(B) is not used to determine the amount of a prepaid capitation payment under the State plan to the entity or arrangement with respect to such individuals.

**(2) Exception for current arrangements**

Paragraph (1) shall not apply to a payment adjustment provided pursuant to a payment arrangement in effect on July 1, 1997.

**(j) Annual reports and other requirements regarding payment adjustments**

With respect to fiscal year 2004 and each fiscal year thereafter, the Secretary shall require a State, as a condition of receiving a payment under section 1396b(a)(1) of this title with respect to a payment adjustment made under this section, to do the following:

The State shall submit an annual report that includes the following:

(A) An identification of each disproportionate share hospital that received a payment adjustment under this section for the preceding fiscal year and the amount of the payment adjustment made to such hospital for the preceding fiscal year.

(B) Such other information as the Secretary determines necessary to ensure the appropriateness of the payment adjustments made under this section for the preceding fiscal year.

**(2) Independent certified audit**

The State shall annually submit to the Secretary an independent certified audit that verifies each of the following:

(A) The extent to which hospitals in the State have reduced their uncompensated care costs to reflect the total amount of claimed expenditures made under this section.

(B) Payments under this section to hospitals that comply with the requirements of subsection (g).

(C) Only the uncompensated care costs of providing inpatient hospital and outpatient hospital services to individuals described in paragraph (1)(A) of such subsection are included in the calculation of the hospital-specific limits under such subsection.

(D) The State included all payments under this subchapter, including supplemental payments, in the calculation of such hospital-specific limits.

(E) The State has separately documented and retained a record of all of its costs under this subchapter, claimed expenditures under this subchapter, uninsured costs in determining payment adjustments under this section, and any payments made on behalf of the uninsured from payment adjustments under this section.

#### § 1396r-5. Treatment of income and resources for certain institutionalized spouses

##### (a) Special treatment for institutionalized spouses

###### (1) Supersedes other provisions

In determining the eligibility for medical assistance of an institutionalized spouse (as defined in subsection (h)(1)), the provisions of this section supersede any other provision of this subchapter (including sections 1396a(a)(17) and 1396a(f) of this title) which is inconsistent with them.

###### (2) No comparable treatment required

Any different treatment provided under this section for institutionalized spouses shall not, by reason of paragraph (10) or (17) of section 1396a(a) of this title, require such treatment for other individuals.

###### (3) Does not affect certain determinations

Except as this section specifically provides, this section does not apply to—

(A) the determination of what constitutes income or resources, or

(B) the methodology and standards for determining and evaluating income and resources.

###### (4) Application in certain States and territories

###### (A) Application in States operating under demonstration projects

In the case of any State which is providing medical assistance to its residents under a waiver granted under section 1315 of this title, the Secretary shall require the State to meet the requirements of this section in the same manner as the State would be required to meet such requirement if the State had in effect a plan approved under this subchapter.

###### (B) No application in commonwealths and territories

This section shall only apply to a State that is one of the 50 States or the District of Columbia.

###### (5) Application to individuals receiving services under PACE programs

This section applies to individuals receiving institutional or noninstitutional services under a PACE demonstration waiver program (as defined in section 1396u-4(a)(7) of this title) or under a PACE program under section 1396u-4 or 1395eee of this title.

**(b) Rules for treatment of income****(1) Separate treatment of income**

During any month in which an institutionalized spouse is in the institution, except as provided in paragraph (2), no income of the community spouse shall be deemed available to the institutionalized spouse.

**(2) Attribution of income**

In determining the income of an institutionalized spouse or community spouse for purposes of the post-eligibility income determination described in subsection (d), except as otherwise provided in this section and regardless of any State laws relating to community property or the division of marital property, the following rules apply:

**(A) Non-trust property**

Subject to subparagraphs (C) and (D), in the case of income not from a trust, unless the instrument providing the income otherwise specifically provides—

(i) if payment of income is made solely in the name of the institutionalized spouse or the community spouse, the income shall be considered available only to that respective spouse;

(ii) if payment of income is made in the names of the institutionalized spouse and the community spouse, one-half of the income shall be considered available to each of them; and

(iii) if payment of income is made in the names of the institutionalized spouse or the community spouse, or both, and to another person or persons, the income shall be considered available to each spouse in proportion to the spouse's interest (or, if payment is made with respect to both spouses and no such interest is specified, one-half of the joint interest shall be considered available to each spouse).

**(B) Trust property**

In the case of a trust—

(i) except as provided in clause (ii), income shall be attributed in accordance with the provisions of this subchapter (including sections 1396a(a)(17) and 1396p(d) of this title), and

(ii) income shall be considered available to each spouse as provided in the trust, or, in the absence of a specific provision in the trust—

(I) if payment of income is made solely to the institutionalized spouse or the community spouse, the income shall be considered available only to that respective spouse;

(II) if payment of income is made to both the institutionalized spouse and the community spouse, one-half of the income shall be considered available to each of them; and

(III) if payment of income is made to the institutionalized spouse or the community spouse, or both, and to another person or persons, the income shall be considered available to each spouse in proportion to the spouse's interest (or, if

payment is made with respect to both spouses and no such interest is specified, one-half of the joint interest shall be considered available to each spouse).

**(C) Property with no instrument**

In the case of income not from a trust in which there is no instrument establishing ownership, subject to subparagraph (D), one-half of the income shall be considered to be available to the institutionalized spouse and one-half to the community spouse.

**(D) Rebutting ownership**

The rules of subparagraphs (A) and (C) are superseded to the extent that an institutionalized spouse can establish, by a preponderance of the evidence, that the ownership interests in income are other than as provided under such subparagraphs.

**(c) Rules for treatment of resources****(1) Computation of spousal share at time of institutionalization****(A) Total joint resources**

There shall be computed (as of the beginning of the first continuous period of institutionalization (beginning on or after September 30, 1989) of the institutionalized spouse)—

(i) the total value of the resources to the extent either the institutionalized spouse or the community spouse has an ownership interest, and

(ii) a spousal share which is equal to ½ of such total value.

**(B) Assessment**

At the request of an institutionalized spouse or community spouse, at the beginning of the first continuous period of institutionalization (beginning on or after September 30, 1989) of the institutionalized spouse and upon the receipt of relevant documentation of resources, the State shall promptly assess and document the total value described in subparagraph (A)(i) and shall provide a copy of such assessment and documentation to each spouse and shall retain a copy of the assessment for use under this section. If the request is not part of an application for medical assistance under this subchapter, the State may, at its option as a condition of providing the assessment, require payment of a fee not exceeding the reasonable expenses of providing and documenting the assessment. At the time of providing the copy of the assessment, the State shall include a notice indicating that the spouse will have a right to a fair hearing under subsection (e)(2).

**(2) Attribution of resources at time of initial eligibility determination**

In determining the resources of an institutionalized spouse at the time of application for benefits under this subchapter, regardless of any State laws relating to community property or the division of marital property—

(A) except as provided in subparagraph (B), all the resources held by either the institutionalized spouse, community spouse, or

both, shall be considered to be available to the institutionalized spouse, and

(B) resources shall be considered to be available to an institutionalized spouse, but only to the extent that the amount of such resources exceeds the amount computed under subsection (f)(2)(A) (as of the time of application for benefits).

**(3) Assignment of support rights**

The institutionalized spouse shall not be ineligible by reason of resources determined under paragraph (2) to be available for the cost of care where—

(A) the institutionalized spouse has assigned to the State any rights to support from the community spouse;

(B) the institutionalized spouse lacks the ability to execute an assignment due to physical or mental impairment but the State has the right to bring a support proceeding against a community spouse without such assignment; or

(C) the State determines that denial of eligibility would work an undue hardship.

**(4) Separate treatment of resources after eligibility for benefits established**

During the continuous period in which an institutionalized spouse is in an institution and after the month in which an institutionalized spouse is determined to be eligible for benefits under this subchapter, no resources of the community spouse shall be deemed available to the institutionalized spouse.

**(5) Resources defined**

In this section, the term “resources” does not include—

(A) resources excluded under subsection (a) or (d) of section 1382b of this title, and

(B) resources that would be excluded under section 1382b(a)(2)(A) of this title but for the limitation on total value described in such section.

**(d) Protecting income for community spouse**

**(1) Allowances to be offset from income of institutionalized spouse**

After an institutionalized spouse is determined or redetermined to be eligible for medical assistance, in determining the amount of the spouse’s income that is to be applied monthly to payment for the costs of care in the institution, there shall be deducted from the spouse’s monthly income the following amounts in the following order:

(A) A personal needs allowance (described in section 1396a(q)(1) of this title), in an amount not less than the amount specified in section 1396a(q)(2) of this title.

(B) A community spouse monthly income allowance (as defined in paragraph (2)), but only to the extent income of the institutionalized spouse is made available to (or for the benefit of) the community spouse.

(C) A family allowance, for each family member, equal to at least  $\frac{1}{3}$  of the amount by which the amount described in paragraph (3)(A)(i) exceeds the amount of the monthly income of that family member.

(D) Amounts for incurred expenses for medical or remedial care for the institu-

tionalized spouse (as provided under section 1396a(r) of this title).

In subparagraph (C), the term “family member” only includes minor or dependent children, dependent parents, or dependent siblings of the institutionalized or community spouse who are residing with the community spouse.

**(2) Community spouse monthly income allowance defined**

In this section (except as provided in paragraph (5)), the “community spouse monthly income allowance” for a community spouse is an amount by which—

(A) except as provided in subsection (e), the minimum monthly maintenance needs allowance (established under and in accordance with paragraph (3)) for the spouse, exceeds

(B) the amount of monthly income otherwise available to the community spouse (determined without regard to such an allowance).

**(3) Establishment of minimum monthly maintenance needs allowance**

**(A) In general**

Each State shall establish a minimum monthly maintenance needs allowance for each community spouse which, subject to subparagraph (C), is equal to or exceeds—

(i) the applicable percent (described in subparagraph (B)) of  $\frac{1}{2}$  of the income official poverty line (defined by the Office of Management and Budget and revised annually in accordance with section 9902(2) of this title) for a family unit of 2 members; plus

(ii) an excess shelter allowance (as defined in paragraph (4)).

A revision of the official poverty line referred to in clause (i) shall apply to medical assistance furnished during and after the second calendar quarter that begins after the date of publication of the revision.

**(B) Applicable percent**

For purposes of subparagraph (A)(i), the “applicable percent” described in this paragraph, effective as of—

(i) September 30, 1989, is 122 percent,

(ii) July 1, 1991, is 133 percent, and

(iii) July 1, 1992, is 150 percent.

**(C) Cap on minimum monthly maintenance needs allowance**

The minimum monthly maintenance needs allowance established under subparagraph (A) may not exceed \$1,500 (subject to adjustment under subsections (e) and (g)).

**(4) Excess shelter allowance defined**

In paragraph (3)(A)(ii), the term “excess shelter allowance” means, for a community spouse, the amount by which the sum of—

(A) the spouse’s expenses for rent or mortgage payment (including principal and interest), taxes and insurance and, in the case of a condominium or cooperative, required maintenance charge, for the community spouse’s principal residence, and

(B) the standard utility allowance (used by the State under section 2014(e) of title 7) or, if the State does not use such an allowance, the spouse's actual utility expenses,

exceeds 30 percent of the amount described in paragraph (3)(A)(i), except that, in the case of a condominium or cooperative, for which a maintenance charge is included under subparagraph (A), any allowance under subparagraph (B) shall be reduced to the extent the maintenance charge includes utility expenses.

**(5) Court ordered support**

If a court has entered an order against an institutionalized spouse for monthly income for the support of the community spouse, the community spouse monthly income allowance for the spouse shall be not less than the amount of the monthly income so ordered.

**(6) Application of "income first" rule to revision of community spouse resource allowance**

For purposes of this subsection and subsections (c) and (e), a State must consider that all income of the institutionalized spouse that could be made available to a community spouse, in accordance with the calculation of the community spouse monthly income allowance under this subsection, has been made available before the State allocates to the community spouse an amount of resources adequate to provide the difference between the minimum monthly maintenance needs allowance and all income available to the community spouse.

**(e) Notice and fair hearing**

**(1) Notice**

Upon—

(A) a determination of eligibility for medical assistance of an institutionalized spouse, or

(B) a request by either the institutionalized spouse, or the community spouse, or a representative acting on behalf of either spouse,

each State shall notify both spouses (in the case described in subparagraph (A)) or the spouse making the request (in the case described in subparagraph (B)) of the amount of the community spouse monthly income allowance (described in subsection (d)(1)(B)), of the amount of any family allowances (described in subsection (d)(1)(C)), of the method for computing the amount of the community spouse resources allowance permitted under subsection (f), and of the spouse's right to a fair hearing under this subsection respecting ownership or availability of income or resources, and the determination of the community spouse monthly income or resource allowance.

**(2) Fair hearing**

**(A) In general**

If either the institutionalized spouse or the community spouse is dissatisfied with a determination of—

(i) the community spouse monthly income allowance;

(ii) the amount of monthly income otherwise available to the community spouse (as applied under subsection (d)(2)(B));

(iii) the computation of the spousal share of resources under subsection (c)(1);

(iv) the attribution of resources under subsection (c)(2); or

(v) the determination of the community spouse resource allowance (as defined in subsection (f)(2));

such spouse is entitled to a fair hearing described in section 1396a(a)(3) of this title with respect to such determination if an application for benefits under this subchapter has been made on behalf of the institutionalized spouse. Any such hearing respecting the determination of the community spouse resource allowance shall be held within 30 days of the date of the request for the hearing.

**(B) Revision of minimum monthly maintenance needs allowance**

If either such spouse establishes that the community spouse needs income, above the level otherwise provided by the minimum monthly maintenance needs allowance, due to exceptional circumstances resulting in significant financial duress, there shall be substituted, for the minimum monthly maintenance needs allowance in subsection (d)(2)(A), an amount adequate to provide such additional income as is necessary.

**(C) Revision of community spouse resource allowance**

If either such spouse establishes that the community spouse resource allowance (in relation to the amount of income generated by such an allowance) is inadequate to raise the community spouse's income to the minimum monthly maintenance needs allowance, there shall be substituted, for the community spouse resource allowance under subsection (f)(2), an amount adequate to provide such a minimum monthly maintenance needs allowance.

**(f) Permitting transfer of resources to community spouse**

**(1) In general**

An institutionalized spouse may, without regard to section 1396p(c)(1) of this title, transfer an amount equal to the community spouse resource allowance (as defined in paragraph (2)), but only to the extent the resources of the institutionalized spouse are transferred to (or for the sole benefit of) the community spouse. The transfer under the preceding sentence shall be made as soon as practicable after the date of the initial determination of eligibility, taking into account such time as may be necessary to obtain a court order under paragraph (3).

**(2) Community spouse resource allowance defined**

In paragraph (1), the "community spouse resource allowance" for a community spouse is an amount (if any) by which—

(A) the greatest of—

(i) \$12,000 (subject to adjustment under subsection (g)), or, if greater (but not to exceed the amount specified in clause (ii)(II)) an amount specified under the State plan,

(ii) the lesser of (I) the spousal share computed under subsection (c)(1), or (II) \$60,000 (subject to adjustment under subsection (g)),

(iii) the amount established under subsection (e)(2); or

(iv) the amount transferred under a court order under paragraph (3);

exceeds

(B) the amount of the resources otherwise available to the community spouse (determined without regard to such an allowance).

### (3) Transfers under court orders

If a court has entered an order against an institutionalized spouse for the support of the community spouse, section 1396p of this title shall not apply to amounts of resources transferred pursuant to such order for the support of the spouse or a family member (as defined in subsection (d)(1)).

### (g) Indexing dollar amounts

For services furnished during a calendar year after 1989, the dollar amounts specified in subsections (d)(3)(C), (f)(2)(A)(i), and (f)(2)(A)(ii)(II) shall be increased by the same percentage as the percentage increase in the consumer price index for all urban consumers (all items; U.S. city average) between September 1988 and the September before the calendar year involved.

"(2)(A) The amendment made by subsection (b) [amending section 1396p of this title] and section 1902(a)(51)(B) of the Social Security Act [42 U.S.C. 1396a(a)(51)(B)], apply (except as provided in paragraph (5)) to payments under title XIX of the Social Security Act for calendar quarters beginning on or after July 1, 1988, or the date of the enactment of this Act [July 1, 1988], without regard to whether or not final regulations to carry out such amendments have been promulgated by such date.

"(B) Section 1917(c) of the Social Security Act [42 U.S.C. 1396p(c)], as amended by subsection (b) of this section, shall apply to resources disposed of on or after July 1, 1988, except that such section shall not apply with respect to inter-spousal transfers occurring before October 1, 1989.

"(C) Notwithstanding subparagraphs (A) and (B), a State may continue to apply the policies contained in the State plan as of June 30, 1988, with respect to resources disposed of before July 1, 1988, and the laws and policies established by the State as of June 30, 1988, or provided for before July 1, 1988, shall continue to apply through September 30, 1989, (and may, at a State's option continue after such date) to inter-spousal transfers occurring before October 1, 1989.

"(3) The amendments made by subsection (c) [amending sections 1382 and 1382b of this title] shall apply to transfers occurring on or after July 1, 1988, without regard to whether or not final regulations to carry out such amendments have been promulgated by such date.

"(4) The amendment made by subsection (d) [amending section 1396a of this title] is effective on and after April 8, 1988. The final rule of the Health Care Financing Administration published on February 8, 1988 (53 Federal Register 3586) is superseded to the extent inconsistent with the amendment made by subsection (d).

"(5) In the case of a State plan for medical assistance under title XIX of the Social Security Act which the Secretary of Health and Human Services determines requires State legislation (other than legislation appropriating funds) in order for the plan to meet the additional requirements imposed by the amendments made by this section (other than paragraphs (1) and (5) of subsection (e) [amending section 1396a of this title]), the State plan shall not be regarded as failing to comply with the requirements of such title solely on the basis of its failure to meet these additional requirements before the first day of the first calendar quarter beginning after the close of the first regular session of the State legislature that begins after the date of the enactment of this Act. For purposes of the previous sentence, in the case of a State that has a 2-year legislative session, each year of such session shall be deemed to be a separate regular session of the State legislature.

"(6) The amendments made by paragraphs (1) and (5) of subsection (e) [amending section 1396a of this title] shall apply to medical assistance furnished on or after October 1, 1982."

#### § 1396r-6. Extension of eligibility for medical assistance

##### (a) Initial 6-month extension

###### (1) Requirement

###### (A) In general

Notwithstanding any other provision of this subchapter but subject to subparagraph

(B) and paragraph (5), each State plan approved under this subchapter must provide that each family which was receiving aid pursuant to a plan of the State approved under part A of subchapter IV in at least 3 of the 6 months immediately preceding the month in which such family becomes ineligible for such aid, because of hours of, or income from, employment of the caretaker relative (as defined in subsection (e)) or because of section 602(a)(8)(B)(ii)(II)<sup>1</sup> of this title (providing for a time-limited earned income disregard), shall, subject to paragraph (3) and without any reapplication for benefits under the plan, remain eligible for assistance under the plan approved under this subchapter during the immediately succeeding 6-month period in accordance with this subsection.

##### (B) State option to waive requirement for 3 months before receipt of medical assistance

A State may, at its option, elect also to apply subparagraph (A) in the case of a family that was receiving such aid for fewer than three months or that had applied for and was eligible for such aid for fewer than 3 months during the 6 immediately preceding months described in such subparagraph.

##### (2) Notice of benefits

Each State, in the notice of termination of aid under part A of subchapter IV sent to a family meeting the requirements of paragraph (1)—

(A) shall notify the family of its right to extended medical assistance under this subsection and include in the notice a description of the reporting requirement of subsection (b)(2)(B)(i) and of the circumstances (described in paragraph (3)) under which such extension may be terminated; and

(B) shall include a card or other evidence of the family’s entitlement to assistance under this subchapter for the period provided in this subsection.

##### (3) Termination of extension

###### (A) No dependent child

Subject to subparagraphs (B) and (C), extension of assistance during the 6-month period described in paragraph (1) to a family shall terminate (during such period) at the close of the first month in which the family ceases to include a child, whether or not the child is (or would if needy be) a dependent child under part A of subchapter IV.

###### (B) Notice before termination

No termination of assistance shall become effective under subparagraph (A) until the State has provided the family with notice of the grounds for the termination.

###### (C) Continuation in certain cases until re-determination

With respect to a child who would cease to receive medical assistance because of sub-

<sup>1</sup> See References in Text note below.

paragraph (A) but who may be eligible for assistance under the State plan because the child is described in clause (i) of section 1396d(a) of this title or clause (i)(IV), (i)(VI), (i)(VII), or (ii)(IX) of section 1396a(a)(10)(A) of this title, the State may not discontinue such assistance under such subparagraph until the State has determined that the child is not eligible for assistance under the plan.

**(4) Scope of coverage**

**(A) In general**

Subject to subparagraph (B), during the 6-month extension period under this subsection, the amount, duration, and scope of medical assistance made available with respect to a family shall be the same as if the family were still receiving aid under the plan approved under part A of subchapter IV.

**(B) State medicaid “wrap-around” option**

A State, at its option, may pay a family’s expenses for premiums, deductibles, coinsurance, and similar costs for health insurance or other health coverage offered by an employer of the caretaker relative or by an employer of the absent parent of a dependent child. In the case of such coverage offered by an employer of the caretaker relative—

(i) the State may require the caretaker relative, as a condition of extension of coverage under this subsection for the caretaker and the caretaker’s family, to make application for such employer coverage, but only if—

(I) the caretaker relative is not required to make financial contributions for such coverage (whether through payroll deduction, payment of deductibles, coinsurance, or similar costs, or otherwise), and

(II) the State provides, directly or otherwise, for payment of any of the premium amount, deductible, coinsurance, or similar expense that the employee is otherwise required to pay; and

(ii) the State shall treat the coverage under such an employer plan as a third party liability (under section 1396a(a)(25) of this title).

Payments for premiums, deductibles, coinsurance, and similar expenses under this subparagraph shall be considered, for purposes of section 1396b(a) of this title, to be payments for medical assistance.

**(5) Option of 12-month initial eligibility period**

A State may elect to treat any reference in this subsection to a 6-month period (or 6 months) as a reference to a 12-month period (or 12 months). In the case of such an election, subsection (b) shall not apply.

**(b) Additional 6-month extension**

**(1) Requirement**

Notwithstanding any other provision of this subchapter but subject to subsection (a)(5), each State plan approved under this subchapter shall provide that the State shall offer to each family, which has received assistance

during the entire 6-month period under subsection (a) and which meets the requirement of paragraph (2)(B)(i), in the last month of the period the option of extending coverage under this subsection for the succeeding 6-month period, subject to paragraph (3).

**(2) Notice and reporting requirements**

**(A) Notices**

**(i) Notice during initial extension period of option and requirements**

Each State, during the 3rd and 6th month of any extended assistance furnished to a family under subsection (a), shall notify the family of the family’s option for additional extended assistance under this subsection. Each such notice shall include (I) in the 3rd month notice, a statement of the reporting requirement under subparagraph (B)(i), and, in the 6th month notice, a statement of the reporting requirement under subparagraph (B)(ii), (II) a statement as to whether any premiums are required for such additional extended assistance, and (III) a description of other out-of-pocket expenses, benefits, reporting and payment procedures, and any pre-existing condition limitations, waiting periods, or other coverage limitations imposed under any alternative coverage options offered under paragraph (4)(D). The 6th month notice under this subparagraph shall describe the amount of any premium required of a particular family for each of the first 3 months of additional extended assistance under this subsection.

**(ii) Notice during additional extension period of reporting requirements and premiums**

Each State, during the 3rd month of any additional extended assistance furnished to a family under this subsection, shall notify the family of the reporting requirement under subparagraph (B)(ii) and a statement of the amount of any premium required for such extended assistance for the succeeding 3 months.

**(B) Reporting requirements**

**(i) During initial extension period**

Each State shall require (as a condition for additional extended assistance under this subsection) that a family receiving extended assistance under subsection (a) report to the State, not later than the 21st day of the 4th month in the period of extended assistance under subsection (a), on the family’s gross monthly earnings and on the family’s costs for such child care as is necessary for the employment of the caretaker relative in each of the first 3 months of that period. A State may permit such additional extended assistance under this subsection notwithstanding a failure to report under this clause if the family has established, to the satisfaction of the State, good cause for the failure to report on a timely basis.

**(ii) During additional extension period**

Each State shall require that a family receiving extended assistance under this

subsection report to the State, not later than the 21st day of the 1st month and of the 4th month in the period of additional extended assistance under this subsection, on the family's gross monthly earnings and on the family's costs for such child care as is necessary for the employment of the caretaker relative in each of the 3 preceding months.

**(iii) Clarification on frequency of reporting**

A State may not require that a family receiving extended assistance under this subsection or subsection (a) report more frequently than as required under clause (i) or (ii).

**(3) Termination of extension**

**(A) In general**

Subject to subparagraphs (B) and (C), extension of assistance during the 6-month period described in paragraph (1) to a family shall terminate (during the period) as follows:

**(i) No dependent child**

The extension shall terminate at the close of the first month in which the family ceases to include a child, whether or not the child is (or would if needy be) a dependent child under part A of subchapter IV.

**(ii) Failure to pay any premium**

If the family fails to pay any premium for a month under paragraph (5) by the 21st day of the following month, the extension shall terminate at the close of that following month, unless the family has established, to the satisfaction of the State, good cause for the failure to pay such premium on a timely basis.

**(iii) Quarterly income reporting and test**

The extension under this subsection shall terminate at the close of the 1st or 4th month of the 6-month period if—

(I) the family fails to report to the State, by the 21st day of such month, the information required under paragraph (2)(B)(ii), unless the family has established, to the satisfaction of the State, good cause for the failure to report on a timely basis;

(II) the caretaker relative had no earnings in one or more of the previous 3 months, unless such lack of any earnings was due to an involuntary loss of employment, illness, or other good cause, established to the satisfaction of the State; or

(III) the State determines that the family's average gross monthly earnings (less such costs for such child care as is necessary for the employment of the caretaker relative) during the immediately preceding 3-month period exceed 185 percent of the official poverty line (as defined by the Office of Management and Budget, and revised annually in accordance with section 9902(2) of this title) applicable to a family of the size involved.

Information described in clause (iii)(I) shall be subject to the restrictions on use and disclosure of information provided under section 602(a)(9)<sup>1</sup> of this title. Instead of terminating a family's extension under clause (iii)(I), a State, at its option, may provide for suspension of the extension until the month after the month in which the family reports information required under paragraph (2)(B)(ii), but only if the family's extension has not otherwise been terminated under subclause (II) or (III) of clause (iii). The State shall make determinations under clause (iii)(III) for a family each time a report under paragraph (2)(B)(ii) for the family is received.

**(B) Notice before termination**

No termination of assistance shall become effective under subparagraph (A) until the State has provided the family with notice of the grounds for the termination, which notice shall include (in the case of termination under subparagraph (A)(iii)(II), relating to no continued earnings) a description of how the family may reestablish eligibility for medical assistance under the State plan. No such termination shall be effective earlier than 10 days after the date of mailing of such notice.

**(C) Continuation in certain cases until re-termination**

**(i) Dependent children**

With respect to a child who would cease to receive medical assistance because of subparagraph (A)(i) but who may be eligible for assistance under the State plan because the child is described in clause (i) of section 1396d(a) of this title or clause (i)(IV), (i)(VI), (i)(VII), or (ii)(IX) of section 1396a(a)(10)(A) of this title, the State may not discontinue such assistance under such subparagraph until the State has determined that the child is not eligible for assistance under the plan.

**(ii) Medically needy**

With respect to an individual who would cease to receive medical assistance because of clause (ii) or (iii) of subparagraph (A) but who may be eligible for assistance under the State plan because the individual is within a category of person for which medical assistance under the State plan is available under section 1396a(a)(10)(C) of this title (relating to medically needy individuals), the State may not discontinue such assistance under such subparagraph until the State has determined that the individual is not eligible for assistance under the plan.

**(4) Coverage**

**(A) In general**

During the extension period under this subsection—

(i) the State plan shall offer to each family medical assistance which (subject to subparagraphs (B) and (C)) is the same amount, duration, and scope as would be made available to the family if it were

still receiving aid under the plan approved under part A of subchapter IV; and

(ii) the State plan may offer alternative coverage described in subparagraph (D).

**(B) Elimination of most non-acute care benefits**

At a State's option and notwithstanding any other provision of this subchapter, a State may choose not to provide medical assistance under this subsection with respect to any (or all) of the items and services described in paragraphs (4)(A), (6), (7), (8), (11), (13), (14), (15), (16), (18), (20), and (21)<sup>1</sup> of section 1396d(a) of this title.

**(C) State medicaid "wrap-around" option**

At a State's option, the State may elect to apply the option described in subsection (a)(4)(B) (relating to "wrap-around" coverage) for families electing medical assistance under this subsection in the same manner as such option applies to families provided extended eligibility for medical assistance under subsection (a).

**(D) Alternative assistance**

At a State's option, the State may offer families a choice of health care coverage under one or more of the following, instead of the medical assistance otherwise made available under this subsection:

**(i) Enrollment in family option of employer plan**

Enrollment of the caretaker relative and dependent children in a family option of the group health plan offered to the caretaker relative.

**(ii) Enrollment in family option of State employee plan**

Enrollment of the caretaker relative and dependent children in a family option within the options of the group health plan or plans offered by the State to State employees.

**(iii) Enrollment in State uninsured plan**

Enrollment of the caretaker relative and dependent children in a basic State health plan offered by the State to individuals in the State (or areas of the State) otherwise unable to obtain health insurance coverage.

**(iv) Enrollment in medicaid managed care organization**

Enrollment of the caretaker relative and dependent children in a medicaid managed care organization (as defined in section 1396b(m)(1)(A) of this title).

If a State elects to offer an option to enroll a family under this subparagraph, the State shall pay any premiums and other costs for such enrollment imposed on the family and may pay deductibles and coinsurance imposed on the family. A State's payment of premiums for the enrollment of families under this subparagraph (not including any premiums otherwise payable by an employer and less the amount of premiums collected from such families under paragraph (5)) and

payment of any deductibles and coinsurance shall be considered, for purposes of section 1396b(a)(1) of this title, to be payments for medical assistance.

**(E) Prohibition on cost-sharing for maternity and preventive pediatric care**

**(i) In general**

If a State offers any alternative option under subparagraph (D) for families, under each such option the State must assure that care described in clause (ii) is available without charge to the families through—

(I) payment of any deductibles, coinsurance, and other cost-sharing respecting such care, or

(II) providing coverage under the State plan for such care without any cost-sharing,

or any combination of such mechanisms.

**(ii) Care described**

The care described in this clause consists of—

(I) services related to pregnancy (including prenatal, delivery, and post partum services), and

(II) ambulatory preventive pediatric care (including ambulatory early and periodic screening, diagnosis, and treatment services under section 1396d(a)(4)(B) of this title) for each child who meets the age and date of birth requirements to be a qualified child under section 1396d(n)(2) of this title.

**(5) Premium**

**(A) Permitted**

Notwithstanding any other provision of this subchapter (including section 1396o of this title), a State may impose a premium for a family for additional extended coverage under this subsection for a premium payment period (as defined in subparagraph (D)(i)), but only if the family's average gross monthly earnings (less the average monthly costs for such child care as is necessary for the employment of the caretaker relative) for the premium base period exceed 100 percent of the official poverty line (as defined by the Office of Management and Budget, and revised annually in accordance with section 9902(2) of this title) applicable to a family of the size involved.

**(B) Level may vary by option offered**

The level of such premium may vary, for the same family, for each option offered by a State under paragraph (4)(D).

**(C) Limit on premium**

In no case may the amount of any premium under this paragraph for a family for a month in either of the premium payment periods described in subparagraph (D)(i) exceed 3 percent of the family's average gross monthly earnings (less the average monthly costs for such child care as is necessary for the employment of the caretaker relative) during the premium base period (as defined in subparagraph (D)(ii)).

**(D) Definitions**

In this paragraph:

(i) A “premium payment period” described in this clause is a 3-month period beginning with the 1st or 4th month of the 6-month additional extension period provided under this subsection.

(ii) The term “premium base period” means, with respect to a particular premium payment period, the period of 3 consecutive months the last of which is 4 months before the beginning of that premium payment period.

**(c) Applicability in States and territories****(1) States operating under demonstration projects**

In the case of any State which is providing medical assistance to its residents under a waiver granted under section 1315(a) of this title, the Secretary shall require the State to meet the requirements of this section in the same manner as the State would be required to meet such requirement if the State had in effect a plan approved under this subchapter.

**(2) Inapplicability in commonwealths and territories**

The provisions of this section shall only apply to the 50 States and the District of Columbia.

**(d) General disqualification for fraud****(1) Ineligibility for aid**

This section shall not apply to an individual who is a member of a family which has received aid under part A of subchapter IV if the State makes a finding that, at any time during the last 6 months in which the family was receiving such aid before otherwise being provided extended eligibility under this section, the individual was ineligible for such aid because of fraud.

**(2) General disqualifications**

For additional provisions relating to fraud and program abuse, see sections 1320a-7, 1320a-7a, and 1320a-7b of this title.

**(e) “Caretaker relative” defined**

In this section, the term “caretaker relative” has the meaning of such term as used in part A of subchapter IV.

**(f) Collection and reporting of participation information****(1) Collection of information from States**

Each State shall collect and submit to the Secretary (and make publicly available), in a format specified by the Secretary, information on average monthly enrollment and average monthly participation rates for adults and children under this section and of the number and percentage of children who become ineligible for medical assistance under this section whose medical assistance is continued under another eligibility category or who are enrolled under the State’s child health plan under subchapter XXI. Such information shall be submitted at the same time and frequency in which other enrollment information under this subchapter is submitted to the Secretary.

**(2) Annual reports to Congress**

Using the information submitted under paragraph (1), the Secretary shall submit to Congress annual reports concerning enrollment and participation rates described in such paragraph.

**§ 1396r-8. Payment for covered outpatient drugs**

**(a) Requirement for rebate agreement**

**(1) In general**

In order for payment to be available under section 1396b(a) of this title or under part B of subchapter XVIII for covered outpatient drugs of a manufacturer, the manufacturer must have entered into and have in effect a rebate agreement described in subsection (b) with the Secretary, on behalf of States (except that, the Secretary may authorize a State to enter directly into agreements with a manufacturer), and must meet the requirements of paragraph (5) (with respect to drugs purchased by a covered entity on or after the first day of the first month that begins after November 4, 1992) and paragraph (6). Any agreement between a State and a manufacturer prior to April 1, 1991, shall be deemed to have been entered into on January 1, 1991, and payment to such manufacturer shall be retroactively calculated as if the agreement between the manufacturer and the State had been entered into on January 1, 1991. If a manufacturer has not entered into such an agreement before March 1, 1991, such an agreement, subsequently entered into, shall become effective as of the date on which the agreement is entered into or, at State option, on any date thereafter on or before the first day of the calendar quarter that begins more than 60 days after the date the agreement is entered into.

**(2) Effective date**

Paragraph (1) shall first apply to drugs dispensed under this subchapter on or after January 1, 1991.

**(3) Authorizing payment for drugs not covered under rebate agreements**

Paragraph (1), and section 1396b(i)(10)(A) of this title, shall not apply to the dispensing of a single source drug or innovator multiple source drug if (A)(i) the State has made a determination that the availability of the drug is essential to the health of beneficiaries under the State plan for medical assistance; (ii) such drug has been given a rating of I-A by the Food and Drug Administration; and (iii)(I) the physician has obtained approval for use of the drug in advance of its dispensing in accordance with a prior authorization program described in subsection (d), or (II) the Secretary has reviewed and approved the State's determination under subparagraph (A); or (B) the Secretary determines that in the first calendar quarter of 1991, there were extenuating circumstances.

**(4) Effect on existing agreements**

In the case of a rebate agreement in effect between a State and a manufacturer on November 5, 1990, such agreement, for the initial agreement period specified therein, shall be considered to be a rebate agreement in compliance with this section with respect to that State, if the State agrees to report to the Secretary any rebates paid pursuant to the agreement and such agreement provides for a minimum aggregate rebate of 10 percent of the State's total expenditures under the State plan for coverage of the manufacturer's drugs under this subchapter. If, after the initial agreement period, the State establishes to the satisfaction of the Secretary that an agreement in effect on November 5, 1990, provides for rebates that are at least as large as the rebates otherwise required under this section, and the State agrees to report any rebates under the agreement to the Secretary, the agreement shall be considered to be a rebate agreement in compliance with the section for the renewal periods of such agreement.

**(5) Limitation on prices of drugs purchased by covered entities**

**(A) Agreement with Secretary**

A manufacturer meets the requirements of this paragraph if the manufacturer has entered into an agreement with the Secretary that meets the requirements of section 256b of this title with respect to covered outpatient drugs purchased by a covered entity on or after the first day of the first month that begins after November 4, 1992.

**(ii) State agency**

Each such single State agency shall provide a means by which a covered entity shall indicate on any drug reimbursement claims form (or format, where electronic claims management is used) that a unit of the drug that is the subject of the form is subject to an agreement under section 256b of this title, and not submit to any manufacturer a claim for a rebate payment under subsection (b) with respect to such a drug.

**(D) Effect of subsequent amendments**

In determining whether an agreement under subparagraph (A) meets the requirements of section 256b of this title, the Secretary shall not take into account any amendments to such section that are enacted after November 4, 1992.

**(E) Determination of compliance**

A manufacturer is deemed to meet the requirements of this paragraph if the manufacturer establishes to the satisfaction of the Secretary that the manufacturer would comply (and has offered to comply) with the provisions of section 256b of this title (as in effect immediately after November 4, 1992) and would have entered into an agreement under such section (as such section was in effect at such time), but for a legislative change in such section after November 4, 1992.

**(C) Determination of compliance**

A manufacturer is deemed to meet the requirements of this paragraph if the manufacturer establishes to the satisfaction of the Secretary that the manufacturer would com-

ply (and has offered to comply) with the provisions of section 8126 of title 38, (as in effect immediately after November 4, 1992) and would have entered into an agreement under such section (as such section was in effect at such time), but for a legislative change in such section after November 4, 1992.

**(7) Requirement for submission of utilization data for certain physician administered drugs**

**(A) Single source drugs**

In order for payment to be available under section 1396b(a) of this title for a covered outpatient drug that is a single source drug that is physician administered under this subchapter (as determined by the Secretary), and that is administered on or after January 1, 2006, the State shall provide for the collection and submission of such utilization data and coding (such as J-codes and National Drug Code numbers) for each such drug as the Secretary may specify as necessary to identify the manufacturer of the drug in order to secure rebates under this section for drugs administered for which payment is made under this subchapter.

**(B) Multiple source drugs**

**(i) Identification of most frequently physician administered multiple source drugs**

Not later than January 1, 2007, the Secretary shall publish a list of the 20 physician administered multiple source drugs that the Secretary determines have the highest dollar volume of physician administered drugs dispensed under this subchapter. The Secretary may modify such list from year to year to reflect changes in such volume.

**(ii) Requirement**

In order for payment to be available under section 1396b(a) of this title for a covered outpatient drug that is a multiple source drug that is physician administered (as determined by the Secretary), that is on the list published under clause (i), and that is administered on or after January 1, 2008, the State shall provide for the submission of such utilization data and coding (such as J-codes and National Drug Code numbers) for each such drug as the Secretary may specify as necessary to identify the manufacturer of the drug in order to secure rebates under this section.

**(C) Use of NDC codes**

Not later than January 1, 2007, the information shall be submitted under subparagraphs (A) and (B)(ii) using National Drug Code codes unless the Secretary specifies that an alternative coding system should be used.

**(D) Hardship waiver**

The Secretary may delay the application of subparagraph (A) or (B)(ii), or both, in the case of a State to prevent hardship to States which require additional time to implement the reporting system required under the respective subparagraph.

**(b) Terms of rebate agreement****(1) Periodic rebates****(A) In general**

A rebate agreement under this subsection shall require the manufacturer to provide, to each State plan approved under this subchapter, a rebate for a rebate period in an amount specified in subsection (c) for covered outpatient drugs of the manufacturer dispensed after December 31, 1990, for which payment was made under the State plan for such period, including such drugs dispensed to individuals enrolled with a medicaid managed care organization if the organization is responsible for coverage of such drugs. Such rebate shall be paid by the manufacturer not later than 30 days after the date of receipt of the information described in paragraph (2) for the period involved.

**(B) Offset against medical assistance**

Amounts received by a State under this section (or under an agreement authorized by the Secretary under subsection (a)(1) or an agreement described in subsection (a)(4)) in any quarter, including amounts received by a State under subsection (c)(4), shall be considered to be a reduction in the amount expended under the State plan in the quarter for medical assistance for purposes of section 1396b(a)(1) of this title.

**(C) Special rule for increased minimum rebate percentage****(i) In general**

In addition to the amounts applied as a reduction under subparagraph (B), for rebate periods beginning on or after January 1, 2010, during a fiscal year, the Secretary shall reduce payments to a State under section 1396b(a) of this title in the manner specified in clause (ii), in an amount equal to the product of—

(I) 100 percent minus the Federal medical assistance percentage applicable to the rebate period for the State; and

(II) the amounts received by the State under such subparagraph that are attributable (as estimated by the Secretary based on utilization and other data) to the increase in the minimum rebate percentage effected by the amendments made by subsections (a)(1), (b), and (d) of section 2501 of the Patient Protection and Affordable Care Act, taking into account the additional drugs included under the amendments made by subsection (c) of section 2501 of such Act.

The Secretary shall adjust such payment reduction for a calendar quarter to the extent the Secretary determines, based upon subsequent utilization and other data, that the reduction for such quarter was greater or less than the amount of payment reduction that should have been made.

**(ii) Manner of payment reduction**

The amount of the payment reduction under clause (i) for a State for a quarter shall be deemed an overpayment to the

State under this subchapter to be disallowed against the State's regular quarterly draw for all Medicaid spending under section 1396b(d)(2) of this title. Such a disallowance is not subject to a reconsideration under section 1316(d) of this title.

**(2) State provision of information****(A) State responsibility**

Each State agency under this subchapter shall report to each manufacturer not later than 60 days after the end of each rebate period and in a form consistent with a standard reporting format established by the Secretary, information on the total number of units of each dosage form and strength and package size of each covered outpatient drug dispensed after December 31, 1990, for which payment was made under the plan during the period, including such information reported by each medicaid managed care organization, and shall promptly transmit a copy of such report to the Secretary.

**(B) Audits**

A manufacturer may audit the information provided (or required to be provided) under subparagraph (A). Adjustments to rebates shall be made to the extent that information indicates that utilization was greater or less than the amount previously specified.

**(3) Manufacturer provision of price and drug product information****(A) In general**

Each manufacturer with an agreement in effect under this section shall report to the Secretary—

(i) not later than 30 days after the last day of each rebate period under the agreement—

(II) for single source drugs and innovator multiple source drugs (including all such drugs that are sold under a new drug application approved under section 505(c) of the Federal Food, Drug, and Cosmetic Act), on the manufacturer's best price (as defined in subsection (c)(1)(C)) for such drugs for the rebate period under the agreement;

(II) if required to make payment under section 1395w-3a of this title, the manufacturer's wholesale acquisition cost, as defined in subsection (c)(6) of such section; and

(III) information on those sales that were made at a nominal price or otherwise described in section 1395w-3a(c)(2)(B) of this title;

for a drug or biological described in subparagraph (C), (D), (E), or (G) of section 1395u(o)(1) of this title or section 1395rr(b)(14)(B) of this title, and, for calendar quarters beginning on or after January 1, 2007 and only with respect to the information described in subclause (III), for covered outpatient drugs;

(iv) not later than 30 days after the last day of each month of a rebate period under the agreement, on the manufacturer's total number of units that are used to calculate the monthly average manufacturer price for each covered outpatient drug; and

(v) not later than 30 days after the last day of each month of a rebate period under the agreement, such drug product information as the Secretary shall require for each of the manufacturer's covered outpatient drugs.

Information reported under this subparagraph is subject to audit by the Inspector General of the Department of Health and Human Services. Beginning July 1, 2006, the Secretary shall provide on a monthly basis to States under subparagraph (D)(iv) the most recently reported average manufacturer prices for single source drugs and for multiple source drugs and shall, on at least a quarterly basis, update the information posted on the website under subparagraph (D)(v) (relating to the weighted average of the most recently reported monthly average manufacturer prices). For purposes of applying clause (iii), for calendar quarters beginning on or after January 1, 2022, a drug or biological described in the flush matter following such clause includes items, services, supplies, and products that are payable under part B of subchapter XVIII as a drug or biological.

**(B) Verification surveys of average manufacturer price and manufacturer's average sales price**

The Secretary may survey wholesalers and manufacturers that directly distribute their covered outpatient drugs, when necessary, to verify manufacturer prices and manufacturer's average sales prices (including wholesale acquisition cost) if required to make payment reported under subparagraph (A). The Secretary may impose a civil monetary pen-

alty in an amount not to exceed \$100,000 on a wholesaler, manufacturer, or direct seller, if the wholesaler, manufacturer, or direct seller of a covered outpatient drug refuses a request for information about charges or prices by the Secretary in connection with a survey under this subparagraph or knowingly provides false information. The provisions of section 1320a-7a of this title (other than subsections (a) (with respect to amounts of penalties or additional assessments) and (b)) shall apply to a civil money penalty under this subparagraph in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title.

**(C) Penalties**

**(i) Failure to provide timely information**

In the case of a manufacturer with an agreement under this section that fails to provide information required under subparagraph (A) on a timely basis, the amount of the penalty shall be increased by \$10,000 for each day in which such information has not been provided and such amount shall be paid to the Treasury, and, if such information is not reported within 90 days of the deadline imposed, the agreement shall be suspended for services furnished after the end of such 90-day period and until the date such information is reported (but in no case shall such suspension be for a period of less than 30 days).

**(ii) False information**

Any manufacturer with an agreement under this section that knowingly provides false information, including information related to drug pricing, drug product information, and data related to drug pricing or drug product information, is subject to a civil money penalty in an amount not to exceed \$100,000 for each item of false information. Such civil money penalties are in addition to other penalties as may be prescribed by law. The provisions of section 1320a-7a of this title (other than subsections (a), (b), (f)(3), and (f)(4)) shall apply to a civil money penalty under this subparagraph in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title.

**(iii) Misclassified drug product or misreported information**

**(I) In general**

Any manufacturer with an agreement under this section that knowingly (as defined in section 1003.110 of title 42, Code of Federal Regulations (or any successor regulation)) misclassifies a covered outpatient drug, such as by knowingly submitting incorrect drug product information, is subject to a civil money penalty for each covered outpatient drug that is misclassified in an amount not to exceed 2 times the amount of the difference between—

(aa) the total amount of rebates that the manufacturer paid with respect to

the drug to all States for all rebate periods during which the drug was misclassified; and

(bb) the total amount of rebates that the manufacturer would have been required to pay, as determined by the Secretary using drug product information provided by the manufacturer, with respect to the drug to all States for all rebate periods during which the drug was misclassified if the drug had been correctly classified.

**(II) Other penalties and recovery of underpaid rebates**

The civil money penalties described in subclause (I) are in addition to other penalties as may be prescribed by law and any other recovery of the underlying underpayment for rebates due under this section or the terms of the rebate agreement as determined by the Secretary.

**(iv) Increasing oversight and enforcement**

Each year the Secretary shall retain, in addition to any amount retained by the Secretary to recoup investigation and litigation costs related to the enforcement of the civil money penalties under this subparagraph and subsection (c)(4)(B)(ii)(III), an amount equal to 25 percent of the total amount of civil money penalties collected under this subparagraph and subsection (c)(4)(B)(ii)(III) for the year, and such retained amount shall be available to the Secretary, without further appropriation and until expended, for activities related to the oversight and enforcement of this section and agreements under this section, including—

(I) improving drug data reporting systems;

(II) evaluating and ensuring manufacturer compliance with rebate obligations; and

(III) oversight and enforcement related to ensuring that manufacturers accurately and fully report drug information, including data related to drug classification.

**(D) Confidentiality of information**

Notwithstanding any other provision of law, information disclosed by manufacturers or wholesalers under this paragraph or under an agreement with the Secretary of Veterans Affairs described in subsection (a)(6)(A) (other than the wholesale acquisition cost for purposes of carrying out section 1395w-3a of this title) is confidential and shall not be disclosed by the Secretary or the Secretary of Veterans Affairs or a State agency (or contractor therewith) in a form which discloses the identity of a specific manufacturer or wholesaler, prices charged for drugs by such manufacturer or wholesaler, except—

(i) as the Secretary determines to be necessary to carry out this section, to carry out section 1395w-3a of this title (including the determination and implementation of the payment amount), or to carry out section 1395w-3b of this title,

(ii) to permit the Comptroller General to review the information provided,

(iii) to permit the Director of the Congressional Budget Office to review the information provided,

(iv) to States to carry out this subchapter,

(v) to the Secretary to disclose (through a website accessible to the public) the weighted average of the most recently reported monthly average manufacturer prices and the average retail survey price determined for each multiple source drug in accordance with subsection (f),

(vi) in the case of categories of drug product or classification information that were not considered confidential by the Secretary on the day before April 18, 2019, and

(vii) to permit the Executive Director of the Medicare Payment Advisory Commission and the Executive Director of the Medicaid and CHIP Payment and Access Commission to review the information provided.

The previous sentence shall also apply to information disclosed under section 1395w-102(d)(2) or 1395w-104(c)(2)(G) of this title and drug pricing data reported under the first sentence of section 1395w-141(i)(1) of this title. Any information disclosed to the Executive Director of the Medicare Payment Advisory Commission or the Executive Director of the Medicaid and CHIP Payment and Access Commission pursuant to this subparagraph shall not be disclosed by either such Executive Director in a form which discloses the identity of a specific manufacturer or wholesaler or prices charged for drugs by such manufacturer or wholesaler. Such information also shall not be disclosed by either such Executive Director to individual Commissioners of the Medicare Payment Advisory Commission or of the Medicaid and CHIP Payment and Access Commission in a form which discloses the identity of a specific manufacturer or wholesaler or prices charged for drugs by such manufacturer or wholesaler.

**(4) Length of agreement**

**(A) In general**

A rebate agreement shall be effective for an initial period of not less than 1 year and shall be automatically renewed for a period of not less than one year unless terminated under subparagraph (B).

**(B) Termination**

**(i) By the Secretary**

The Secretary may provide for termination of a rebate agreement for violation of the requirements of the agreement or other good cause shown. Such termination shall not be effective earlier than 60 days after the date of notice of such termination. The Secretary shall provide, upon request, a manufacturer with a hearing concerning such a termination, but such hearing shall not delay the effective date of the termination.

**(ii) By a manufacturer**

A manufacturer may terminate a rebate agreement under this section for any reason. Any such termination shall not be effective until the calendar quarter beginning at least 60 days after the date the manufacturer provides notice to the Secretary.

**(iii) Effectiveness of termination**

Any termination under this subparagraph shall not affect rebates due under the agreement before the effective date of its termination.

**(iv) Notice to States**

In the case of a termination under this subparagraph, the Secretary shall provide notice of such termination to the States within not less than 30 days before the effective date of such termination.

**(v) Application to terminations of other agreements**

The provisions of this subparagraph shall apply to the terminations of agreements described in section 256b(a)(1) of this title and master agreements described in section 8126(a) of title 38.

**(C) Delay before reentry**

In the case of any rebate agreement with a manufacturer under this section which is terminated, another such agreement with the manufacturer (or a successor manufacturer) may not be entered into until a period of 1 calendar quarter has elapsed since the date of the termination, unless the Secretary finds good cause for an earlier reinstatement of such an agreement.

**(c) Determination of amount of rebate****(1) Basic rebate for single source drugs and innovator multiple source drugs****(A) In general**

Except as provided in paragraph (2), the amount of the rebate specified in this subsection for a rebate period (as defined in subsection (k)(8)) with respect to each dosage form and strength of a single source drug or an innovator multiple source drug shall be equal to the product of—

(ii) subject to subparagraph (B)(ii), the greater of—

(I) the difference between the average manufacturer price and the best price (as defined in subparagraph (C)) for the dosage form and strength of the drug, or

With respect to a covered entity described in section 256b(a)(4)(L) of this title,

any drug purchased for inpatient use shall be subject to the auditing and record-keeping requirements described in section 256b(a)(5)(C) of this title.

**(i) In general**

For purposes of subparagraph (C)(ii)(III) and subsection (b)(3)(A)(iii)(III), only sales by a manufacturer of covered outpatient drugs at nominal prices to the following shall be considered to be sales at a nominal price or merely nominal in amount:

(II) An intermediate care facility for the mentally retarded.

(III) A State-owned or operated nursing facility.

(bb) would be a covered entity described in section 256b(a)(4)<sup>3</sup> of this title insofar as the entity provides the same type of services to the same type of populations as a covered entity described in such section provides, but does not receive funding under a provision of law referred to in such section;

(V) A public or nonprofit entity, or an entity based at an institution of higher learning whose primary purpose is to provide health care services to students of that institution, that provides a service or services described under section 300(a) of this title.

(VI) Any other facility or entity that the Secretary determines is a safety net provider to which sales of such drugs at a nominal price would be appropriate based on the factors described in clause (ii).

**(ii) Factors**

The factors described in this clause with respect to a facility or entity are the following:

(I) The type of facility or entity.

(II) The services provided by the facility or entity.

(III) The patient population served by the facility or entity.

(IV) The number of other facilities or entities eligible to purchase at nominal prices in the same service area.

Nothing in this subparagraph shall be construed to alter any existing statutory

or regulatory prohibition on services with respect to an entity described in clause (i)(IV), including the prohibition set forth in section 300a-6 of this title.

**(2) Additional rebate for single source and innovator multiple source drugs**

**(A) In general**

The amount of the rebate specified in this subsection for a rebate period, with respect to each dosage form and strength of a single source drug or an innovator multiple source drug, shall be increased by an amount equal to the product of—

(i) the total number of units of such dosage form and strength dispensed after December 31, 1990, for which payment was made under the State plan for the rebate period; and

(ii) the amount (if any) by which—

(I) the average manufacturer price for the dosage form and strength of the drug for the period, exceeds

(II) the average manufacturer price for such dosage form and strength for the calendar quarter beginning July 1, 1990 (without regard to whether or not the drug has been sold or transferred to an entity, including a division or subsidiary of the manufacturer, after the first day of such quarter), increased by the percentage by which the consumer price index for all urban consumers (United States city average) for the month before the month in which the rebate period begins exceeds such index for September 1990.

**(B) Treatment of subsequently approved drugs**

In the case of a covered outpatient drug approved by the Food and Drug Administration after October 1, 1990, clause (ii)(II) of subparagraph (A) shall be applied by substituting “the first full calendar quarter after the day on which the drug was first marketed” for “the calendar quarter beginning July 1, 1990” and “the month prior to the first month of the first full calendar quarter after the day on which the drug was first marketed” for “September 1990”.

**(C) Treatment of new formulations**

**(i) In general**

In the case of a drug that is a line extension of a single source drug or an innovator multiple source drug that is an oral solid dosage form, the rebate obligation for a rebate period with respect to such drug under this subsection shall be the greater of the amount described in clause (ii) for such drug or the amount described in clause (iii) for such drug.

**(ii) Amount 1**

For purposes of clause (i), the amount described in this clause with respect to a drug described in clause (i) and rebate period is the amount computed under paragraph (1) for such drug, increased by the amount computed under subparagraph (A) and, as applicable, subparagraph (B) for such drug and rebate period.

**(iii) Amount 2**

For purposes of clause (i), the amount described in this clause with respect to a drug described in clause (i) and rebate period is the amount computed under paragraph (1) for such drug, increased by the product of—

(I) the average manufacturer price for the rebate period of the line extension of a single source drug or an innovator multiple source drug that is an oral solid dosage form;

(II) the highest additional rebate (calculated as a percentage of average manufacturer price) under this paragraph for the rebate period for any strength of the original single source drug or innovator multiple source drug; and

(III) the total number of units of each dosage form and strength of the line extension product paid for under the State plan in the rebate period (as reported by the State).

In this subparagraph, the term “line extension” means, with respect to a drug, a new formulation of the drug, such as an extended release formulation, but does not include an abuse-deterrent formulation of the drug (as determined by the Secretary), regardless of whether such abuse-deterrent formulation is an extended release formulation.

**(D) Maximum rebate amount**

In no case shall the sum of the amounts applied under paragraph (1)(A)(ii) and this paragraph with respect to each dosage form and strength of a single source drug or an innovator multiple source drug for a rebate period beginning after December 31, 2009, exceed 100 percent of the average manufacturer price of the drug.

**(3) Rebate for other drugs**

**(A) In general**

Except as provided in subparagraph (C), the amount of the rebate paid to a State for a rebate period with respect to each dosage form and strength of covered outpatient drugs (other than single source drugs and innovator multiple source drugs) shall be equal to the product of—

(i) the applicable percentage (as described in subparagraph (B)) of the average manufacturer price for the dosage form and strength for the rebate period, and

(ii) the total number of units of such dosage form and strength dispensed after December 31, 1990, for which payment was made under the State plan for the rebate period.

**(B) “Applicable percentage” defined**

For purposes of subparagraph (A)(i), the “applicable percentage” for rebate periods beginning—

(i) before January 1, 1994, is 10 percent,

(ii) after December 31, 1993, and before January 1, 2010, is 11 percent;<sup>4</sup> and

(iii) after December 31, 2009, is 13 percent.

<sup>4</sup>So in original. The semicolon probably should be a comma.

**(C) Additional rebate****(i) In general**

The amount of the rebate specified in this paragraph for a rebate period, with respect to each dosage form and strength of a covered outpatient drug other than a single source drug or an innovator multiple source drug of a manufacturer, shall be increased in the manner that the rebate for a dosage form and strength of a single source drug or an innovator multiple source drug is increased under subparagraphs (A) and (D) of paragraph (2), except as provided in clause (i).

**(ii) Special rules for application of provision**

In applying subparagraphs (A) and (D) of paragraph (2) under clause (i)—

(I) the reference in subparagraph (A)(i) of such paragraph to “1990” shall be deemed a reference to “2014”;

(II) subject to clause (iii), the reference in subparagraph (A)(ii) of such paragraph to “the calendar quarter beginning July 1, 1990” shall be deemed a reference to “the calendar quarter beginning July 1, 2014”; and

(III) subject to clause (iii), the reference in subparagraph (A)(ii) of such paragraph to “September 1990” shall be deemed a reference to “September 2014”;

(IV) the references in subparagraph (D) of such paragraph to “paragraph (1)(A)(ii)”, “this paragraph”, and “December 31, 2009” shall be deemed references to “subparagraph (A)”, “this subparagraph”, and “December 31, 2014”, respectively; and

(V) any reference in such paragraph to a “single source drug or an innovator multiple source drug” shall be deemed to be a reference to a drug to which clause (i) applies.

**(iii) Special rule for certain noninnovator multiple source drugs**

In applying paragraph (2)(A)(ii)(II) under clause (i) with respect to a covered outpatient drug that is first marketed as a drug other than a single source drug or an innovator multiple source drug after April 1, 2013, such paragraph shall be applied—

(I) by substituting “the applicable quarter” for “the calendar quarter beginning July 1, 1990”; and

(II) by substituting “the last month in such applicable quarter” for “September 1990”.

**(iv) Applicable quarter defined**

In this subsection, the term “applicable quarter” means, with respect to a drug described in clause (iii), the fifth full calendar quarter after which the drug is marketed as a drug other than a single source drug or an innovator multiple source drug.

**(4) Recovery of unpaid rebate amounts due to misclassification of covered outpatient drugs****(A) In general**

If the Secretary determines that a manufacturer with an agreement under this sec-

tion paid a lower per-unit rebate amount to a State for a rebate period as a result of the misclassification by the manufacturer of a covered outpatient drug (without regard to whether the manufacturer knowingly made the misclassification or should have known that the misclassification would be made) than the per-unit rebate amount that the manufacturer would have paid to the State if the drug had been correctly classified, the manufacturer shall pay to the State an amount equal to the product of—

(i) the difference between—

(I) the per-unit rebate amount paid to the State for the period; and

(II) the per-unit rebate amount that the manufacturer would have paid to the State for the period, as determined by the Secretary, if the drug had been correctly classified; and

(ii) the total units of the drug paid for under the State plan in the period.

**(B) Authority to correct misclassifications****(i) In general**

If the Secretary determines that a manufacturer with an agreement under this section has misclassified a covered outpatient drug (without regard to whether the manufacturer knowingly made the misclassification or should have known that the misclassification would be made), the Secretary shall notify the manufacturer of the misclassification and require the manufacturer to correct the misclassification in a timely manner.

**(ii) Enforcement**

If, after receiving notice of a misclassification from the Secretary under clause (i), a manufacturer fails to correct the misclassification by such time as the Secretary shall require, until the manufacturer makes such correction, the Secretary may do any or all of the following:

(I) Correct the misclassification, using drug product information provided by the manufacturer, on behalf of the manufacturer.

(II) Suspend the misclassified drug and the drug’s status as a covered outpatient drug under the manufacturer’s national rebate agreement, and exclude the misclassified drug from Federal financial participation in accordance with section 1396b(i)(10)(E) of this title.

(III) Impose a civil money penalty (which shall be in addition to any other recovery or penalty which may be available under this section or any other provision of law) for each rebate period during which the drug is misclassified not to exceed an amount equal to the product of—

(aa) the total number of units of each dosage form and strength of such misclassified drug paid for under any State plan during such a rebate period; and

(bb) 23.1 percent of the average manufacturer price for the dosage form and strength of such misclassified drug.

**(C) Reporting and transparency****(i) In general**

The Secretary shall submit a report to Congress on at least an annual basis that includes information on the covered outpatient drugs that have been identified as misclassified, any steps taken to reclassify such drugs, the actions the Secretary has taken to ensure the payment of any rebate amounts which were unpaid as a result of such misclassification, and a disclosure of expenditures from the fund created in subsection (b)(3)(C)(iv), including an accounting of how such funds have been allocated and spent in accordance with such subsection.

**(ii) Public access**

The Secretary shall make the information contained in the report required under clause (i) available to the public on a timely basis.

**(D) Other penalties and actions**

Actions taken and penalties imposed under this clause shall be in addition to other remedies available to the Secretary including terminating the manufacturer's rebate agreement for noncompliance with the terms of such agreement and shall not exempt a manufacturer from, or preclude the Secretary from pursuing, any civil money penalty under this subchapter or subchapter XI, or any other penalty or action as may be prescribed by law.

**(d) Limitations on coverage of drugs****(1) Permissible restrictions**

(A) A State may subject to prior authorization any covered outpatient drug. Any such prior authorization program shall comply with the requirements of paragraph (5).

(B) A State may exclude or otherwise restrict coverage of a covered outpatient drug if—

(i) the prescribed use is not for a medically accepted indication (as defined in subsection (k)(6));

(ii) the drug is contained in the list referred to in paragraph (2);

(iii) the drug is subject to such restrictions pursuant to an agreement between a manufacturer and a State authorized by the Secretary under subsection (a)(1) or in effect pursuant to subsection (a)(4); or

(iv) the State has excluded coverage of the drug from its formulary established in accordance with paragraph (4).

**(2) List of drugs subject to restriction**

The following drugs or classes of drugs, or their medical uses, may be excluded from coverage or otherwise restricted:

(A) Agents when used for anorexia, weight loss, or weight gain.

(B) Agents when used to promote fertility.

(C) Agents when used for cosmetic purposes or hair growth.

(D) Agents when used for the symptomatic relief of cough and colds.

(E) Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations.

(G) Covered outpatient drugs which the manufacturer seeks to require as a condition of sale that associated tests or monitoring services be purchased exclusively from the manufacturer or its designee.

(H) Agents when used for the treatment of sexual or erectile dysfunction, unless such agents are used to treat a condition, other than sexual or erectile dysfunction, for which the agents have been approved by the Food and Drug Administration.

**(3) Update of drug listings**

The Secretary shall, by regulation, periodically update the list of drugs or classes of drugs described in paragraph (2) or their medical uses, which the Secretary has determined, based on data collected by surveillance and utilization review programs of State medical assistance programs, to be subject to clinical abuse or inappropriate use.

**(4) Requirements for formularies**

A State may establish a formulary if the formulary meets the following requirements:

(A) The formulary is developed by a committee consisting of physicians, pharmacists, and other appropriate individuals appointed by the Governor of the State (or, at the option of the State, the State's drug use review board established under subsection (g)(3)).

(B) Except as provided in subparagraph (C), the formulary includes the covered outpatient drugs of any manufacturer which has entered into and complies with an agreement under subsection (a) (other than any drug excluded from coverage or otherwise restricted under paragraph (2)).

(C) A covered outpatient drug may be excluded with respect to the treatment of a specific disease or condition for an identified population (if any) only if, based on the drug's labeling (or, in the case of a drug the prescribed use of which is not approved under the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 301 et seq.] but is a medically accepted indication, based on information from the appropriate compendia described in subsection (k)(6)), the excluded drug does not have a significant, clinically meaningful therapeutic advantage in terms of safety, effectiveness, or clinical outcome of such treatment for such population over other drugs included in the formulary and there is a written explanation (available to the public) of the basis for the exclusion.

(D) The State plan permits coverage of a drug excluded from the formulary (other than any drug excluded from coverage or otherwise restricted under paragraph (2)) pursuant to a prior authorization program that is consistent with paragraph (5).

(E) The formulary meets such other requirements as the Secretary may impose in

order to achieve program savings consistent with protecting the health of program beneficiaries.

A prior authorization program established by a State under paragraph (5) is not a formulary subject to the requirements of this paragraph.

**(5) Requirements of prior authorization programs**

A State plan under this subchapter may require, as a condition of coverage or payment for a covered outpatient drug for which Federal financial participation is available in accordance with this section, with respect to drugs dispensed on or after July 1, 1991, the approval of the drug before its dispensing for any medically accepted indication (as defined in subsection (k)(6)) only if the system providing for such approval—

(A) provides response by telephone or other telecommunication device within 24 hours of a request for prior authorization; and

(B) except with respect to the drugs on the list referred to in paragraph (2), provides for the dispensing of at least 72-hour supply of a covered outpatient prescription drug in an emergency situation (as defined by the Secretary).

**(6) Other permissible restrictions**

A State may impose limitations, with respect to all such drugs in a therapeutic class, on the minimum or maximum quantities per prescription or on the number of refills, if such limitations are necessary to discourage waste, and may address instances of fraud or abuse by individuals in any manner authorized under this chapter.

**(7) Non-excludable drugs**

The following drugs or classes of drugs, or their medical uses, shall not be excluded from coverage:

(A) Agents when used to promote smoking cessation, including agents approved by the Food and Drug Administration under the over-the-counter monograph process for purposes of promoting, and when used to promote, tobacco cessation.

(B) Barbiturates.

(C) Benzodiazepines.

(D) Drugs and biological products described in subsection (ee)(1)(A) of section 1396d of this title that are furnished as medical assistance in accordance with subsection (a)(29) of such section and section 1396a(a)(10)(A) of this title.

**(e) Treatment of pharmacy reimbursement limits**

**(1) In general**

During the period beginning on January 1, 1991, and ending on December 31, 1994—

(A) a State may not reduce the payment limits established by regulation under this subchapter or any limitation described in paragraph (3) with respect to the ingredient cost of a covered outpatient drug or the dispensing fee for such a drug below the limits in effect as of January 1, 1991, and

(B) except as provided in paragraph (2), the Secretary may not modify by regulation the

formula established under sections 447.331 through 447.334 of title 42, Code of Federal Regulations, in effect on November 5, 1990, to reduce the limits described in subparagraph (A).

**(2) Special rule**

If a State is not in compliance with the regulations described in paragraph (1)(B), paragraph (1)(A) shall not apply to such State until such State is in compliance with such regulations.

**(3) Effect on State maximum allowable cost limitations**

This section shall not supersede or affect provisions in effect prior to January 1, 1991, or after December 31, 1994, relating to any maximum allowable cost limitation established by a State for payment by the State for covered outpatient drugs, and rebates shall be made under this section without regard to whether or not payment by the State for such drugs is subject to such a limitation or the amount of such a limitation.

**[(4)]<sup>5</sup> Establishment of upper payment limits**

Subject to paragraph (5), the Secretary shall establish a Federal upper reimbursement limit for each multiple source drug for which the FDA has rated three or more products therapeutically and pharmaceutically equivalent, regardless of whether all such additional formulations are rated as such and shall use only such formulations when determining any such upper limit.

**(5) Use of amp in upper payment limits**

The Secretary shall calculate the Federal upper reimbursement limit established under paragraph (4) as no less than 175 percent of the weighted average (determined on the basis of utilization) of the most recently reported monthly average manufacturer prices for pharmaceutically and therapeutically equivalent multiple source drug products that are available for purchase by retail community pharmacies on a nationwide basis. The Secretary shall implement a smoothing process for average manufacturer prices. Such process shall be similar to the smoothing process used in determining the average sales price of a drug or biological under section 1395w-3a of this title.

**(f) Survey of retail prices; State payment and utilization rates; and performance rankings**

**(1) Survey of retail prices**

**(A) Use of vendor**

The Secretary may contract services for—

(i) with respect to a retail community pharmacy, the determination on a monthly basis of retail survey prices for covered outpatient drugs that represent a nationwide average of consumer purchase prices for such drugs, net of all discounts and rebates (to the extent any information with respect to such discounts and rebates is available); and

(ii) the notification of the Secretary when a drug product that is therapeuti-

<sup>5</sup> See 1993 Amendment note below.

cally and pharmaceutically equivalent and bioequivalent becomes generally available.

**(B) Secretary response to notification of availability of multiple source products**

If contractor notifies the Secretary under subparagraph (A)(ii) that a drug product described in such subparagraph has become generally available, the Secretary shall make a determination, within 7 days after receiving such notification, as to whether the product is now described in subsection (e)(4).<sup>3</sup>

**(C) Use of competitive bidding**

In contracting for such services, the Secretary shall competitively bid for an outside vendor that has a demonstrated history in—

- (i) surveying and determining, on a representative nationwide basis, retail prices for ingredient costs of prescription drugs;
- (ii) working with retail community pharmacies, commercial payers, and States in obtaining and disseminating such price information; and
- (iii) collecting and reporting such price information on at least a monthly basis.

In contracting for such services, the Secretary may waive such provisions of the Federal Acquisition Regulation as are necessary for the efficient implementation of this subsection, other than provisions relating to confidentiality of information and such other provisions as the Secretary determines appropriate.

**(D) Additional provisions**

A contract with a vendor under this paragraph shall include such terms and conditions as the Secretary shall specify, including the following:

- (i) The vendor must monitor the marketplace and report to the Secretary each time there is a new covered outpatient drug generally available.
- (ii) The vendor must update the Secretary no less often than monthly on the retail survey prices for covered outpatient drugs.
- (iii) The contract shall be effective for a term of 2 years.

**(E) Availability of information to States**

Information on retail survey prices obtained under this paragraph, including applicable information on single source drugs, shall be provided to States on at least a monthly basis. The Secretary shall devise and implement a means for providing access to each State agency designated under section 1396a(a)(5) of this title with responsibility for the administration or supervision of the administration of the State plan under this subchapter of the retail survey price determined under this paragraph.

**(2) Annual State report**

Each State shall annually report to the Secretary information on—

- (A) the payment rates under the State plan under this subchapter for covered outpatient drugs;

- (B) the dispensing fees paid under such plan for such drugs; and

- (C) utilization rates for noninnovator multiple source drugs under such plan.

**(3) Annual State performance rankings**

**(A) Comparative analysis**

The Secretary annually shall compare, for the 50 most widely prescribed drugs identified by the Secretary, the national retail sales price data (collected under paragraph (1)) for such drugs with data on prices under this subchapter for each such drug for each State.

**(B) Availability of information**

The Secretary shall submit to Congress and the States full information regarding the annual rankings made under subparagraph (A).

**(4) Appropriation**

Out of any funds in the Treasury not otherwise appropriated, there is appropriated to the Secretary of Health and Human Services \$5,000,000 for each of fiscal years 2006 through 2010 to carry out this subsection.

**(g) Drug use review**

**(1) In general**

(A) In order to meet the requirement of section 1396a(a)(54) of this title, a State shall provide for a drug use review program described in paragraph (2) for covered outpatient drugs in order to assure that prescriptions (i) are appropriate, (ii) are medically necessary, and (iii) are not likely to result in adverse medical results. The program shall be designed to educate physicians and pharmacists to identify and reduce the frequency of patterns of fraud, abuse, gross overuse, excessive utilization, inappropriate or medically unnecessary care, or prescribing or billing practices that indicate abuse or excessive utilization, among physicians, pharmacists, and patients, or associated with specific drugs or groups of drugs, as well as potential and actual severe adverse reactions to drugs including education on therapeutic appropriateness, overutilization and underutilization, appropriate use of generic products, therapeutic duplication, drug-disease contraindications, drug-drug interactions, incorrect drug dosage or duration of drug treatment, drug-allergy interactions, and clinical abuse/misuse.

(B) The program shall assess data on drug use against predetermined standards, consistent with the following:

- (i) compendia which shall consist of the following:
  - (I) American Hospital Formulary Service Drug Information;
  - (II) United States Pharmacopeia-Drug Information (or its successor publications); and
  - (III) the DRUGDEX Information System; and
- (ii) the peer-reviewed medical literature.

(C) The Secretary, under the procedures established in section 1396b of this title, shall pay to each State an amount equal to 75 per

centum of so much of the sums expended by the State plan during calendar years 1991 through 1993 as the Secretary determines is attributable to the statewide adoption of a drug use review program which conforms to the requirements of this subsection.

(D) States shall not be required to perform additional drug use reviews with respect to drugs dispensed to residents of nursing facilities which are in compliance with the drug regimen review procedures prescribed by the Secretary for such facilities in regulations implementing section 1396r of this title, currently at section 483.60 of title 42, Code of Federal Regulations.

**(2) Description of program**

Each drug use review program shall meet the following requirements for covered out-patient drugs:

**(A) Prospective drug review**

(i) The State plan shall provide for a review of drug therapy before each prescription is filled or delivered to an individual receiving benefits under this subchapter, typically at the point-of-sale or point of distribution. The review shall include screening for potential drug therapy problems due to therapeutic duplication, drug-disease contraindications, drug-drug interactions (including serious interactions with non-prescription or over-the-counter drugs), incorrect drug dosage or duration of drug treatment, drug-allergy interactions, and clinical abuse/misuse. Each State shall use the compendia and literature referred to in paragraph (1)(B) as its source of standards for such review.

(ii) As part of the State's prospective drug use review program under this subparagraph applicable State law shall establish standards for counseling of individuals receiving benefits under this subchapter by pharmacists which includes at least the following:

(I) The pharmacist must offer to discuss with each individual receiving benefits under this subchapter or caregiver of such individual (in person, whenever practicable, or through access to a telephone service which is toll-free for long-distance calls) who presents a prescription, matters which in the exercise of the pharmacist's professional judgment (consistent with State law respecting the provision of such information), the pharmacist deems significant including the following:

(aa) The name and description of the medication.

(bb) The route, dosage form, dosage, route of administration, and duration of drug therapy.

(cc) Special directions and precautions for preparation, administration and use by the patient.

(dd) Common severe side or adverse effects or interactions and therapeutic contraindications that may be encountered, including their avoidance, and the action required if they occur.

(ee) Techniques for self-monitoring drug therapy.

(ff) Proper storage.

(gg) Prescription refill information.

(hh) Action to be taken in the event of a missed dose.

(II) A reasonable effort must be made by the pharmacist to obtain, record, and maintain at least the following information regarding individuals receiving benefits under this subchapter:

(aa) Name, address, telephone number, date of birth (or age) and gender.

(bb) Individual history where significant, including disease state or states, known allergies and drug reactions, and a comprehensive list of medications and relevant devices.

(cc) Pharmacist comments relevant to the individual's drug therapy.

Nothing in this clause shall be construed as requiring a pharmacist to provide consultation when an individual receiving benefits under this subchapter or caregiver of such individual refuses such consultation, or to require verification of the offer to provide consultation or a refusal of such offer.

**(B) Retrospective drug use review**

The program shall provide, through its mechanized drug claims processing and information retrieval systems (approved by the Secretary under section 1396b(r) of this title) or otherwise, for the ongoing periodic examination of claims data and other records in order to identify patterns of fraud, abuse, gross overuse, excessive utilization, inappropriate or medically unnecessary care, or prescribing or billing practices that indicate abuse or excessive utilization, among physicians, pharmacists and individuals receiving benefits under this subchapter, or associated with specific drugs or groups of drugs.

**(C) Application of standards**

The program shall, on an ongoing basis, assess data on drug use against explicit predetermined standards (using the compendia and literature referred to in subsection<sup>6</sup> (1)(B) as the source of standards for such assessment) including but not limited to monitoring for therapeutic appropriateness, overutilization and underutilization, appropriate use of generic products, therapeutic duplication, drug-disease contraindications, drug-drug interactions, incorrect drug dosage or duration of drug treatment, and clinical abuse/misuse and, as necessary, introduce remedial strategies, in order to improve the quality of care and to conserve program funds or personal expenditures.

**(D) Educational program**

The program shall, through its State drug use review board established under paragraph (3), either directly or through contracts with accredited health care educational institutions, State medical societies or State pharmacists associations/societies or other organizations as specified by

<sup>6</sup> So in original. Probably should be "paragraph".

the State, and using data provided by the State drug use review board on common drug therapy problems, provide for active and ongoing educational outreach programs (including the activities described in paragraph (3)(C)(iii) of this subsection) to educate practitioners on common drug therapy problems with the aim of improving prescribing or dispensing practices.

### (3) State drug use review board

#### (A) Establishment

Each State shall provide for the establishment of a drug use review board (hereinafter referred to as the "DUR Board") either directly or through a contract with a private organization.

#### (B) Membership

The membership of the DUR Board shall include health care professionals who have recognized knowledge and expertise in one or more of the following:

- (i) The clinically appropriate prescribing of covered outpatient drugs.
- (ii) The clinically appropriate dispensing and monitoring of covered outpatient drugs.
- (iii) Drug use review, evaluation, and intervention.
- (iv) Medical quality assurance.

The membership of the DUR Board shall be made up at least  $\frac{1}{3}$  but no more than 51 percent licensed and actively practicing physicians and at least  $\frac{1}{3}$  \* \* \*<sup>7</sup> licensed and actively practicing pharmacists.

#### (C) Activities

The activities of the DUR Board shall include but not be limited to the following:

- (i) Retrospective DUR as defined in section<sup>6</sup> (2)(B).
- (ii) Application of standards as defined in section<sup>6</sup> (2)(C).
- (iii) Ongoing interventions for physicians and pharmacists, targeted toward therapy problems or individuals identified in the course of retrospective drug use reviews performed under this subsection. Intervention programs shall include, in appropriate instances, at least:
  - (I) information dissemination sufficient to ensure the ready availability to physicians and pharmacists in the State of information concerning its duties, powers, and basis for its standards;
  - (II) written, oral, or electronic reminders containing patient-specific or drug-specific (or both) information and suggested changes in prescribing or dispensing practices, communicated in a manner designed to ensure the privacy of patient-related information;
  - (III) use of face-to-face discussions between health care professionals who are experts in rational drug therapy and selected prescribers and pharmacists who have been targeted for educational intervention, including discussion of optimal

prescribing, dispensing, or pharmacy care practices, and follow-up face-to-face discussions; and

(IV) intensified review or monitoring of selected prescribers or dispensers.

The Board shall re-evaluate interventions after an appropriate period of time to determine if the intervention improved the quality of drug therapy, to evaluate the success of the interventions and make modifications as necessary.

#### (D) Annual report

Each State shall require the DUR Board to prepare a report on an annual basis. The State shall submit a report on an annual basis to the Secretary which shall include a description of the activities of the Board, including the nature and scope of the prospective and retrospective drug use review programs, a summary of the interventions used, an assessment of the impact of these educational interventions on quality of care, and an estimate of the cost savings generated as a result of such program. The Secretary shall utilize such report in evaluating the effectiveness of each State's drug use review program.

### (h) Electronic claims management

#### (1) In general

In accordance with chapter 35 of title 44 (relating to coordination of Federal information policy), the Secretary shall encourage each State agency to establish, as its principal means of processing claims for covered outpatient drugs under this subchapter, a point-of-sale electronic claims management system, for the purpose of performing on-line, real time eligibility verifications, claims data capture, adjudication of claims, and assisting pharmacists (and other authorized persons) in applying for and receiving payment.

#### (2) Encouragement

In order to carry out paragraph (1)—

(A) for calendar quarters during fiscal years 1991 and 1992, expenditures under the State plan attributable to development of a system described in paragraph (1) shall receive Federal financial participation under section 1396b(a)(3)(A)(i) of this title (at a matching rate of 90 percent) if the State acquires, through applicable competitive procurement process in the State, the most cost-effective telecommunications network and automatic data processing services and equipment; and

(B) the Secretary may permit, in the procurement described in subparagraph (A) in the application of part 433 of title 42, Code of Federal Regulations, and parts 95, 205, and 307 of title 45, Code of Federal Regulations, the substitution of the State's request for proposal in competitive procurement for advance planning and implementation documents otherwise required.

#### (i) Omitted

#### (j) Exemption of organized health care settings

(1) Covered outpatient drugs are not subject to the requirements of this section if such drugs are—

<sup>7</sup> So in original.

(A) dispensed by health maintenance organizations, including Medicaid managed care organizations that contract under section 1396b(m) of this title; and

(B) subject to discounts under section 256b of this title.

(2) The State plan shall provide that a hospital (providing medical assistance under such plan) that dispenses covered outpatient drugs using drug formulary systems, and bills the plan no more than the hospital's purchasing costs for covered outpatient drugs (as determined under the State plan) shall not be subject to the requirements of this section.

(3) Nothing in this subsection shall be construed as providing that amounts for covered outpatient drugs paid by the institutions described in this subsection should not be taken into account for purposes of determining the best price as described in subsection (c).

**(k) Definitions**

In this section—

**(1) Average manufacturer price**

**(A) In general**

Subject to subparagraph (B), the term “average manufacturer price” means, with respect to a covered outpatient drug of a manufacturer for a rebate period, the average price paid to the manufacturer for the drug in the United States by—

(i) wholesalers for drugs distributed to retail community pharmacies; and

(ii) retail community pharmacies that purchase drugs directly from the manufacturer.

**(B) Exclusion of customary prompt pay discounts and other payments**

**(i) In general**

The average manufacturer price for a covered outpatient drug shall exclude—

(I) customary prompt pay discounts extended to wholesalers;

(II) bona fide service fees paid by manufacturers to wholesalers or retail community pharmacies, including (but not limited to) distribution service fees, inventory management fees, product stocking allowances, and fees associated with administrative services agreements and patient care programs (such as medication compliance programs and patient education programs);

(III) reimbursement by manufacturers for recalled, damaged, expired, or otherwise unsalable returned goods, including (but not limited to) reimbursement for the cost of the goods and any reimbursement of costs associated with return goods handling and processing, reverse logistics, and drug destruction;

(IV) payments received from, and rebates or discounts provided to, pharmacy benefit managers, managed care organizations, health maintenance organizations, insurers, hospitals, clinics, mail order pharmacies, long term care providers, manufacturers, or any other entity that does not conduct business as a

wholesaler or a retail community pharmacy, unless the drug is an inhalation, infusion, instilled, implanted, or injectable drug that is not generally dispensed through a retail community pharmacy; and

(V) discounts provided by manufacturers under section 1395w-114a of this title.

**(ii) Inclusion of other discounts and payments**

Notwithstanding clause (i), any other discounts, rebates, payments, or other financial transactions that are received by, paid by, or passed through to, retail community pharmacies shall be included in the average manufacturer price for a covered outpatient drug.

**(C) Exclusion of section 505(c) drugs**

In the case of a manufacturer that approves, allows, or otherwise permits any drug of the manufacturer to be sold under the manufacturer's new drug application approved under section 505(c) of the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 355(c)], such term shall be exclusive of the average price paid for such drug by wholesalers for drugs distributed to retail community pharmacies.

**(2) Covered outpatient drug**

Subject to the exceptions in paragraph (3), the term “covered outpatient drug” means—

(A) of those drugs which are treated as prescribed drugs for purposes of section 1396d(a)(12) of this title, a drug which may be dispensed only upon prescription (except as provided in paragraph (4)), and—

(i) which is approved for safety and effectiveness as a prescription drug under section 505 [21 U.S.C. 355] or 507<sup>3</sup> of the Federal Food, Drug, and Cosmetic Act or which is approved under section 505(j) of such Act [21 U.S.C. 355(j)];

(iii)(I) which is described in section 107(c)(3) of the Drug Amendments of 1962 and for which the Secretary has determined there is a compelling justification for its medical need, or is identical, similar, or related (within the meaning of section 310.6(b)(1) of title 21 of the Code of Federal Regulations) to such a drug, and (II) for which the Secretary has not issued a notice of an opportunity for a hearing under section 505(e) of the Federal Food,

Drug, and Cosmetic Act [21 U.S.C. 355(e)] on a proposed order of the Secretary to withdraw approval of an application for such drug under such section because the Secretary has determined that the drug is less than effective for some or all conditions of use prescribed, recommended, or suggested in its labeling; and

(B) a biological product, other than a vaccine which—

(i) may only be dispensed upon prescription,

(ii) is licensed under section 262 of this title, and

(iii) is produced at an establishment licensed under such section to produce such product; and

(C) insulin certified under section 506<sup>3</sup> of the Federal Food, Drug, and Cosmetic Act.

### (3) Limiting definition

The term “covered outpatient drug” does not include any drug, biological product, or insulin provided as part of, or as incident to and in the same setting as, any of the following (and for which payment may be made under this subchapter as part of payment for the following and not as direct reimbursement for the drug):

(A) Inpatient hospital services.

(B) Hospice services.

(C) Dental services, except that drugs for which the State plan authorizes direct reimbursement to the dispensing dentist are covered outpatient drugs.

(D) Physicians’ services.

(E) Outpatient hospital services.

(F) Nursing facility services and services provided by an intermediate care facility for the mentally retarded.

(G) Other laboratory and x-ray services.

(H) Renal dialysis.

Such term also does not include any such drug or product for which a National Drug Code number is not required by the Food and Drug Administration or a drug or biological<sup>8</sup> used for a medical indication which is not a medically accepted indication. Any drug, biological product, or insulin excluded from the definition of such term as a result of this paragraph shall be treated as a covered outpatient drug for purposes of determining the best price (as defined in subsection (c)(1)(C)) for such drug, biological product, or insulin.

### (4) Nonprescription drugs

If a State plan for medical assistance under this subchapter includes coverage of prescribed drugs as described in section 1396d(a)(12) of this title and permits coverage of drugs which may be sold without a prescription (commonly referred to as “over-the-counter” drugs), if they are prescribed by a physician (or other person authorized to prescribe under State law), such a drug shall be regarded as a covered outpatient drug.

### (5) Manufacturer

The term “manufacturer” means any entity which is engaged in—

(A) the production, preparation, propagation, compounding, conversion, or processing of prescription drug products, either directly or indirectly by extraction from substances of natural origin, or independently by means of chemical synthesis, or by a combination of extraction and chemical synthesis, or

### (6) Medically accepted indication

The term “medically accepted indication” means any use for a covered outpatient drug which is approved under the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 301 et seq.] or the use of which is supported by one or more citations included or approved for inclusion in any of the compendia described in subsection (g)(1)(B)(i).

### (7) Multiple source drug; innovator multiple source drug; noninnovator multiple source drug; single source drug

#### (A) Defined

##### (i) Multiple source drug

The term “multiple source drug” means, with respect to a rebate period, a covered outpatient drug, including a drug product approved for marketing as a non-prescription drug that is regarded as a covered outpatient drug under paragraph (4), for which there<sup>2</sup> at least 1 other drug product which—

(I) is rated as therapeutically equivalent (under the Food and Drug Administration’s most recent publication of “Approved Drug Products with Therapeutic Equivalence Evaluations”),

(II) except as provided in subparagraph (B), is pharmaceutically equivalent and bioequivalent, as defined in subparagraph (C) and as determined by the Food and Drug Administration, and

(III) is sold or marketed in the United States during the period.

##### (ii) Innovator multiple source drug

The term “innovator multiple source drug” means a multiple source drug that is marketed under a new drug application approved by the Food and Drug Administration, unless the Secretary determines that a narrow exception applies (as described in section 447.502 of title 42, Code of Federal Regulations (or any successor regulation)).

##### (iii) Noninnovator multiple source drug

The term “noninnovator multiple source drug” means a multiple source drug that is not an innovator multiple source drug.

##### (iv) Single source drug

The term “single source drug” means a covered outpatient drug, including a drug product approved for marketing as a non-prescription drug that is regarded as a covered outpatient drug under paragraph (4),

<sup>8</sup> So in original. Probably should be “biological product”.

which is produced or distributed under a new drug application approved by the Food and Drug Administration, including a drug product marketed by any cross-licensed producers or distributors operating under the new drug application unless the Secretary determines that a narrow exception applies (as described in section 447.502 of title 42, Code of Federal Regulations (or any successor regulation)). Such term also includes a covered outpatient drug that is a biological product licensed, produced, or distributed under a biologics license application approved by the Food and Drug Administration.

**(B) Exception**

Subparagraph (A)(i)(II) shall not apply if the Food and Drug Administration changes by regulation the requirement that, for purposes of the publication described in subparagraph (A)(i)(I), in order for drug products to be rated as therapeutically equivalent, they must be pharmaceutically equivalent and bioequivalent, as defined in subparagraph (C).

**(C) Definitions**

For purposes of this paragraph—

(i) drug products are pharmaceutically equivalent if the products contain identical amounts of the same active drug ingredient in the same dosage form and meet compendial or other applicable standards of strength, quality, purity, and identity; and

(ii) drugs are bioequivalent if they do not present a known or potential bioequivalence problem, or, if they do present such a problem, they are shown to meet an appropriate standard of bioequivalence.

**(8) Rebate period**

The term “rebate period” means, with respect to an agreement under subsection (a), a calendar quarter or other period specified by the Secretary with respect to the payment of rebates under such agreement.

**(9) State agency**

**§ 1396s. Program for distribution of pediatric vaccines**

**(a) Establishment of program**

**(1) In general**

In order to meet the requirement of section 1396a(a)(62) of this title, each State shall establish a pediatric vaccine distribution program (which may be administered by the State department of health), consistent with the requirements of this section, under which—

(A) each vaccine-eligible child (as defined in subsection (b)), in receiving an immunization with a qualified pediatric vaccine (as defined in subsection (h)(8)) from a program-registered provider (as defined in subsection (c)) on or after October 1, 1994, is entitled to receive the immunization without charge for the cost of such vaccine; and

(B)(i) each program-registered provider who administers such a pediatric vaccine to a vaccine-eligible child on or after such date is entitled to receive such vaccine under the program without charge either for the vaccine or its delivery to the provider, and (ii) no vaccine is distributed under the program to a provider unless the provider is a program-registered provider.

**(2) Delivery of sufficient quantities of pediatric vaccines to immunize federally vaccine-eligible children**

**(A) In general**

The Secretary shall provide under subsection (d) for the purchase and delivery on behalf of each State meeting the requirement of section 1396a(a)(62) of this title (or, with respect to vaccines administered by an Indian tribe or tribal organization to Indian children, directly to the tribe or organization), without charge to the State, of such

quantities of qualified pediatric vaccines as may be necessary for the administration of such vaccines to all federally vaccine-eligible children in the State on or after October 1, 1994. This paragraph constitutes budget authority in advance of appropriations Acts, and represents the obligation of the Federal Government to provide for the purchase and delivery to States of the vaccines (or payment under subparagraph (C)) in accordance with this paragraph.

**(B) Special rules where vaccine is unavailable**

To the extent that a sufficient quantity of a vaccine is not available for purchase or delivery under subsection (d), the Secretary shall provide for the purchase and delivery of the available vaccine in accordance with priorities established by the Secretary, with priority given to federally vaccine-eligible children unless the Secretary finds there are other public health considerations.

**(C) Special rules where State is a manufacturer**

**(i) Payments in lieu of vaccines**

In the case of a State that manufactures a pediatric vaccine the Secretary, instead of providing the vaccine on behalf of a State under subparagraph (A), shall provide to the State an amount equal to the value of the quantity of such vaccine that otherwise would have been delivered on behalf of the State under such subparagraph, but only if the State agrees that such payments will only be used for purposes relating to pediatric immunizations.

**(ii) Determination of value**

In determining the amount to pay a State under clause (i) with respect to a pediatric vaccine, the value of the quantity of vaccine shall be determined on the basis of the price in effect for the qualified pediatric vaccine under contracts under subsection (d). If more than 1 such contract is in effect, the Secretary shall determine such value on the basis of the average of the prices under the contracts, after weighting each such price in relation to the quantity of vaccine under the contract involved.

**(b) Vaccine-eligible children**

For purposes of this section:

**(1) In general**

The term “vaccine-eligible child” means a child who is a federally vaccine-eligible child (as defined in paragraph (2)) or a State vaccine-eligible child (as defined in paragraph (3)).

**(2) Federally vaccine-eligible child**

**(A) In general**

The term “federally vaccine-eligible child” means any of the following children:

- (i) A medicaid-eligible child.
- (ii) A child who is not insured.
- (iii) A child who (I) is administered a qualified pediatric vaccine by a federally-

qualified health center (as defined in section 1396d(7)(2)(B) of this title) or a rural health clinic (as defined in section 1396d(7)(1) of this title), and (II) is not insured with respect to the vaccine.

(iv) A child who is an Indian (as defined in subsection (h)(3)).

### (B) Definitions

In subparagraph (A):

(i) The term “medicaid-eligible” means, with respect to a child, a child who is entitled to medical assistance under a state<sup>1</sup> plan approved under this subchapter.

(ii) The term “insured” means, with respect to a child—

(I) for purposes of subparagraph (A)(ii), that the child is enrolled under, and entitled to benefits under, a health insurance policy or plan, including a group health plan, a prepaid health plan, or an employee welfare benefit plan under the Employee Retirement Income Security Act of 1974 [29 U.S.C. 1001 et seq.]; and

(II) for purposes of subparagraph (A)(iii)(II) with respect to a pediatric vaccine, that the child is entitled to benefits under such a health insurance policy or plan, but such benefits are not available with respect to the cost of the pediatric vaccine.

### (3) State vaccine-eligible child

The term “State vaccine-eligible child” means, with respect to a State and a qualified pediatric vaccine, a child who is within a class of children for which the State is purchasing the vaccine pursuant to subsection (d)(4)(B).

### (c) Program-registered providers

#### (1) Defined

In this section, except as otherwise provided, the term “program-registered provider” means, with respect to a State, any health care provider that—

(A) is licensed or otherwise authorized for administration of pediatric vaccines under the law of the State in which the administration occurs (subject to section 254f(e) of this title), without regard to whether or not the provider participates in the plan under this subchapter;

(B) submits to the State an executed provider agreement described in paragraph (2); and

(C) has not been found, by the Secretary or the State, to have violated such agreement or other applicable requirements established by the Secretary or the State consistent with this section.

#### (2) Provider agreement

A provider agreement for a provider under this paragraph is an agreement (in such form and manner as the Secretary may require) that the provider agrees as follows:

(A)(i) Before administering a qualified pediatric vaccine to a child, the provider will ask a parent of the child such questions as are necessary to determine whether the

child is a vaccine-eligible child, but the provider need not independently verify the answers to such questions.

(ii) The provider will, for a period of time specified by the Secretary, maintain records of responses made to the questions.

(iii) The provider will, upon request, make such records available to the State and to the Secretary, subject to section 1396a(a)(7) of this title.

(B)(i) Subject to clause (ii), the provider will comply with the schedule, regarding the appropriate periodicity, dosage, and contraindications applicable to pediatric vaccines, that is established and periodically reviewed and, as appropriate, revised by the advisory committee referred to in subsection (e), except in such cases as, in the provider’s medical judgment subject to accepted medical practice, such compliance is medically inappropriate.

(ii) The provider will provide pediatric vaccines in compliance with applicable State law, including any such law relating to any religious or other exemption.

(C)(i) In administering a qualified pediatric vaccine to a vaccine-eligible child, the provider will not impose a charge for the cost of the vaccine. A program-registered provider is not required under this section to administer such a vaccine to each child for whom an immunization with the vaccine is sought from the provider.

(ii) The provider may impose a fee for the administration of a qualified pediatric vaccine so long as the fee in the case of a federally vaccine-eligible child does not exceed the costs of such administration (as determined by the Secretary based on actual regional costs for such administration).

(iii) The provider will not deny administration of a qualified pediatric vaccine to a vaccine-eligible child due to the inability of the child’s parent to pay an administration fee.

### (3) Encouraging involvement of providers

Each program under this section shall provide, in accordance with criteria established by the Secretary—

(A) for encouraging the following to become program-registered providers: private health care providers, the Indian Health Service, health care providers that receive funds under title V of the Indian Health Care Improvement Act [25 U.S.C. 1651 et seq.], and health programs or facilities operated by Indian tribes or tribal organizations; and

(B) for identifying, with respect to any population of vaccine-eligible children a substantial portion of whose parents have a limited ability to speak the English language, those program-registered providers who are able to communicate with the population involved in the language and cultural context that is most appropriate.

### (4) State requirements

Except as the Secretary may permit in order to prevent fraud and abuse and for related purposes, a State may not impose additional qualifications or conditions, in addition to the

<sup>1</sup> So in original. Probably should be capitalized.

requirements of paragraph (1), in order that a provider qualify as a program-registered provider under this section. This subsection does not limit the exercise of State authority under section 1396n(b) of this title.

**(d) Negotiation of contracts with manufacturers**

**(1) In general**

For the purpose of meeting obligations under this section, the Secretary shall negotiate and enter into contracts with manufacturers of pediatric vaccines consistent with the requirements of this subsection and, to the maximum extent practicable, consolidate such contracting with any other contracting activities conducted by the Secretary to purchase vaccines. The Secretary may enter into such contracts under which the Federal Government is obligated to make outlays, the budget authority for which is not provided for in advance in appropriations Acts, for the purchase and delivery of pediatric vaccines under subsection (a)(2)(A).

**(2) Authority to decline contracts**

The Secretary may decline to enter into such contracts and may modify or extend such contracts.

**(3) Contract price**

**(A) In general**

The Secretary, in negotiating the prices at which pediatric vaccines will be purchased and delivered from a manufacturer under this subsection, shall take into account quantities of vaccines to be purchased by States under the option under paragraph (4)(B).

**(B) Negotiation of discounted price for current vaccines**

With respect to contracts entered into under this subsection for a pediatric vaccine for which the Centers for Disease Control and Prevention has a contract in effect under section 247b(j)(1) of this title as of May 1, 1993, no price for the purchase of such vaccine for vaccine-eligible children shall be agreed to by the Secretary under this subsection if the price per dose of such vaccine (including delivery costs and any applicable excise tax established under section 4131 of the Internal Revenue Code of 1986) exceeds the price per dose for the vaccine in effect under such a contract as of such date increased by the percentage increase in the consumer price index for all urban consumers (all items; United States city average) from May 1993 to the month before the month in which such contract is entered into.

**(C) Negotiation of discounted price for new vaccines**

With respect to contracts entered into for a pediatric vaccine not described in subparagraph (B), the price for the purchase of such vaccine shall be a discounted price negotiated by the Secretary that may be established without regard to such subparagraph.

**(4) Quantities and terms of delivery**

Under such contracts—

(A) the Secretary shall provide, consistent with paragraph (6), for the purchase and delivery on behalf of States (and tribes and tribal organizations) of quantities of pediatric vaccines for federally vaccine-eligible children; and

(B) each State, at the option of the State, shall be permitted to obtain additional quantities of pediatric vaccines (subject to amounts specified to the Secretary by the State in advance of negotiations) through purchasing the vaccines from the manufacturers at the applicable price negotiated by the Secretary consistent with paragraph (3), if (i) the State agrees that the vaccines will be used to provide immunizations only for children who are not federally vaccine-eligible children and (ii) the State provides to the Secretary such information (at a time and manner specified by the Secretary, including in advance of negotiations under paragraph (1)) as the Secretary determines to be necessary, to provide for quantities of pediatric vaccines for the State to purchase pursuant to this subsection and to determine annually the percentage of the vaccine market that is purchased pursuant to this section and this subparagraph.

The Secretary shall enter into the initial negotiations under the preceding sentence not later than 180 days after August 10, 1993.

**(5) Charges for shipping and handling**

The Secretary may enter into a contract referred to in paragraph (1) only if the manufacturer involved agrees to submit to the Secretary such reports as the Secretary determines to be appropriate to assure compliance with the contract and if, with respect to a State program under this section that does not provide for the direct delivery of qualified pediatric vaccines, the manufacturer involved agrees that the manufacturer will provide for the delivery of the vaccines on behalf of the State in accordance with such program and will not impose any charges for the costs of such delivery (except to the extent such costs are provided for in the price established under paragraph (3)).

**(6) Assuring adequate supply of vaccines**

The Secretary, in negotiations under paragraph (1), shall negotiate for quantities of pediatric vaccines such that an adequate supply of such vaccines will be maintained to meet unanticipated needs for the vaccines. For purposes of the preceding sentence, the Secretary shall negotiate for a 6-month supply of vaccines in addition to the quantity that the Secretary otherwise would provide for in such negotiations. In carrying out this paragraph, the Secretary shall consider the potential for outbreaks of the diseases with respect to which the vaccines have been developed.

**(7) Multiple suppliers**

In the case of the pediatric vaccine involved, the Secretary shall, as appropriate, enter into a contract referred to in paragraph (1) with each manufacturer of the vaccine that meets the terms and conditions of the Secretary for an award of such a contract (including terms

and conditions regarding safety and quality). With respect to multiple contracts entered into pursuant to this paragraph, the Secretary may have in effect different prices under each of such contracts and, with respect to a purchase by States pursuant to paragraph (4)(B), the Secretary shall determine which of such contracts will be applicable to the purchase.

**(e) Use of pediatric vaccines list**

The Secretary shall use, for the purpose of the purchase, delivery, and administration of pediatric vaccines under this section, the list established (and periodically reviewed and as appropriate revised) by the Advisory Committee on Immunization Practices (an advisory committee established by the Secretary, acting through the Director of the Centers for Disease Control and Prevention).

**(f) Requirement of State maintenance of immunization laws**

In the case of a State that had in effect as of May 1, 1993, a law that requires some or all health insurance policies or plans to provide some coverage with respect to a pediatric vaccine, a State program under this section does not comply with the requirements of this section unless the State certifies to the Secretary that the State has not modified or repealed such law in a manner that reduces the amount of coverage so required.

**(g) Termination**

This section, and the requirement of section 1396a(a)(62) of this title, shall cease to be in effect beginning on such date as may be prescribed in Federal law providing for immunization services for all children as part of a broad-based reform of the national health care system.

**(b) “Functionally disabled elderly individual” defined**

**(1) In general**

In this subchapter, the term “functionally disabled elderly individual” means an individual who—

(A) is 65 years of age or older,

(B) is determined to be a functionally disabled individual under subsection (c), and

(C) subject to section 1396a(f) of this title (as applied consistent with section 1396a(r)(2) of this title), is receiving supplemental security income benefits under subchapter XVI (or under a State plan approved under subchapter XVI) or, at the option of the State, is described in section 1396a(a)(10)(C) of this title.

**(2) Treatment of certain individuals previously covered under a waiver**

(A) In the case of a State which—

(i) at the time of its election to provide coverage for home and community care under this section has a waiver approved under section 1396n(c) or 1396n(d) of this title with respect to individuals 65 years of age or older, and

(ii) subsequently discontinues such waiver, individuals who were eligible for benefits under the waiver as of the date of its discontinuance and who would, but for income or resources, be eligible for medical assistance for home and community care under the plan shall, notwithstanding any other provision of this subchapter, be deemed a functionally disabled elderly individual for so long as the individual would have remained eligible for medical assistance under such waiver.

(B) In the case of a State which used a health insuring organization before January 1, 1986, and which, as of December 31, 1990, had in effect a waiver under section 1315 of this title that provides under the State plan under this subchapter for personal care services for functionally disabled individuals, the term “functionally disabled elderly individual” may include, at the option of the State, an individual who—

**(3) Use of projected income**

In applying section 1396b(f)(1) of this title in determining the eligibility of an individual (described in section 1396a(a)(10)(C) of this title) for medical assistance for home and community care, a State may, at its option, provide for the determination of the individ-

ual’s anticipated medical expenses (to be deducted from income) over a period of up to 6 months.

**(c) Determinations of functional disability**

**(1) In general**

In this section, an individual is “functionally disabled” if the individual—

(A) is unable to perform without substantial assistance from another individual at least 2 of the following 3 activities of daily living: toileting, transferring, and eating; or

(B) has a primary or secondary diagnosis of Alzheimer’s disease and is (i) unable to perform without substantial human assistance (including verbal reminding or physical cueing) or supervision at least 2 of the following 5 activities of daily living: bathing, dressing, toileting, transferring, and eating; or (ii) cognitively impaired so as to require substantial supervision from another individual because he or she engages in inappropriate behaviors that pose serious health or safety hazards to himself or herself or others.

**(2) Assessments of functional disability**

**(A) Requests for assessments**

If a State has elected to provide home and community care under this section, upon the request of an individual who is 65 years of age or older and who meets the requirements of subsection (b)(1)(C) (or another person on such individual’s behalf), the State shall provide for a comprehensive functional assessment under this subparagraph which—

(i) is used to determine whether or not the individual is functionally disabled,

(ii) is based on a uniform minimum data set specified by the Secretary under subparagraph (C)(i), and

(iii) uses an instrument which has been specified by the State under subparagraph (B).

No fee may be charged for such an assessment.

**(B) Specification of assessment instrument**

The State shall specify the instrument to be used in the State in complying with the requirement of subparagraph (A)(iii) which instrument shall be—

(i) one of the instruments designated under subparagraph (C)(ii); or

(ii) an instrument which the Secretary has approved as being consistent with the minimum data set of core elements, common definitions, and utilization guidelines specified by the Secretary in subparagraph (C)(i).

**(C) Specification of assessment data set and instruments**

The Secretary shall—

(i) not later than July 1, 1991—

(I) specify a minimum data set of core elements and common definitions for use in conducting the assessments required under subparagraph (A); and

(II) establish guidelines for use of the data set; and

(ii) by not later than July 1, 1991, designate one or more instruments which are consistent with the specification made under subparagraph (A) and which a State may specify under subparagraph (B) for use in complying with the requirements of subparagraph (A).

**(D) Periodic review**

Each individual who qualifies as a functionally disabled elderly individual shall have the individual's assessment periodically reviewed and revised not less often than once every 12 months.

**(E) Conduct of assessment by interdisciplinary teams**

An assessment under subparagraph (A) and a review under subparagraph (D) must be conducted by an interdisciplinary team designated by the State. The Secretary shall permit a State to provide for assessments and reviews through teams under contracts—

- (i) with public organizations; or
- (ii) with nonpublic organizations which do not provide home and community care or nursing facility services and do not have a direct or indirect ownership or control interest in, or direct or indirect affiliation or relationship with, an entity that provides, community care or nursing facility services.

**(F) Contents of assessment**

The interdisciplinary team must—

- (i) identify in each such assessment or review each individual's functional disabilities and need for home and community care, including information about the individual's health status, home and community environment, and informal support system; and
- (ii) based on such assessment or review, determine whether the individual is (or continues to be) functionally disabled.

The results of such an assessment or review shall be used in establishing, reviewing, and revising the individual's ICCP under subsection (d)(1).

**(G) Appeal procedures**

Each State which elects to provide home and community care under this section must have in effect an appeals process for individuals adversely affected by determinations under subparagraph (F).

**(d) Individual community care plan (ICCP)**

**(1) "Individual community care plan" defined**

In this section, the terms "individual community care plan" and "ICCP" mean, with respect to a functionally disabled elderly individual, a written plan which—

(A) is established, and is periodically reviewed and revised, by a qualified case manager after a face-to-face interview with the individual or primary caregiver and based upon the most recent comprehensive functional assessment of such individual conducted under subsection (c)(2);

(B) specifies, within any amount, duration, and scope limitations imposed on home and

community care provided under the State plan, the home and community care to be provided to such individual under the plan, and indicates the individual's preferences for the types and providers of services; and

(C) may specify other services required by such individual.

An ICCP may also designate the specific providers (qualified to provide home and community care under the State plan) which will provide the home and community care described in subparagraph (B). Nothing in this section shall be construed as authorizing an ICCP or the State to restrict the specific persons or individuals (who are competent to provide home and community care under the State plan) who will provide the home and community care described in subparagraph (B).

**(2) "Qualified community care case manager" defined**

In this section, the term "qualified community care case manager" means a nonprofit or public agency or organization which—

**(B) Reduction in payment if failure to maintain effort**

If the amount reported under subparagraph (A) by a State with respect to a fiscal year is less than the amount reported under subparagraph (A) with respect to fiscal year 1989, the Secretary shall provide for a reduction in payments to the State under section 1396b(a) of this title in an amount equal to the difference between the amounts so reported.

**(f) Minimum requirements for home and community care**

(B) a residential setting in which more than 8 unrelated adults reside and in which personal services are provided in conjunction with residing in the setting in which home and community care under this section is provided.

**(2) Minimum requirements**

A large community care setting in which community care is provided under this section must—

(A) meet such requirements as are published or developed by the Secretary under subsection (k);

(B) may not have, as a person with an ownership or control interest in the setting, any individual or person who has been excluded from participation in the program under this subchapter or who has had such an ownership or control interest in one or more community care settings which have been found repeatedly to be substandard or to have

failed to meet the requirements of paragraph (2).

**(i) Survey and certification process**

**(1) Certifications**

**(A) Responsibilities of the State**

Under each State plan under this subchapter, the State shall be responsible for certifying the compliance of providers of home and community care and community care settings with the applicable requirements of subsections (f), (g) and (h). The failure of the Secretary to issue regulations to carry out this subsection shall not relieve a State of its responsibility under this subsection.

**(B) Responsibilities of the Secretary**

The Secretary shall be responsible for certifying the compliance of State providers of home and community care, and of State community care settings in which such care is provided, with the requirements of subsections (f), (g) and (h).

**(C) Frequency of certifications**

Certification of providers and settings under this subsection shall occur no less frequently than once every 12 months.

**(2) Reviews of providers**

**(A) In general**

The certification under this subsection with respect to a provider of home or community care must be based on a periodic review of the provider’s performance in providing the care required under ICCP’s in accordance with the requirements of subsection (f).

**(B) Special reviews of compliance**

Where the Secretary has reason to question the compliance of a provider of home or community care with any of the requirements of subsection (f), the Secretary may conduct a review of the provider and, on the basis of that review, make independent and binding determinations concerning the extent to which the provider meets such requirements.

**(3) Surveys of community care settings**

**(A) In general**

The certification under this subsection with respect to community care settings must be based on a survey. Such survey for such a setting must be conducted without prior notice to the setting. Any individual who notifies (or causes to be notified) a community care setting of the time or date on which such a survey is scheduled to be conducted is subject to a civil money penalty of not to exceed \$2,000. The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under the previous sentence in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title. The Secretary shall review each State’s procedures for scheduling and conducting such surveys to assure that the State has taken all reasonable steps

to avoid giving notice of such a survey through the scheduling procedures and the conduct of the surveys themselves.

**(B) Survey protocol**

Surveys under this paragraph shall be conducted based upon a protocol which the Secretary has provided for under subsection (k).

**(C) Prohibition of conflict of interest in survey team membership**

A State and the Secretary may not use as a member of a survey team under this paragraph an individual who is serving (or has served within the previous 2 years) as a member of the staff of, or as a consultant to, the community care setting being surveyed (or the person responsible for such setting) respecting compliance with the requirements of subsection (g) or (h) or who has a personal or familial financial interest in the setting being surveyed.

**(D) Validation surveys of community care settings**

The Secretary shall conduct onsite surveys of a representative sample of community care settings in each State, within 2 months of the date of surveys conducted under subparagraph (A) by the State, in a sufficient number to allow inferences about the adequacies of each State's surveys conducted under subparagraph (A). In conducting such surveys, the Secretary shall use the same survey protocols as the State is required to use under subparagraph (B). If the State has determined that an individual setting meets the requirements of subsection (g), but the Secretary determines that the setting does not meet such requirements, the Secretary's determination as to the setting's noncompliance with such requirements is binding and supersedes that of the State survey.

**(E) Special surveys of compliance**

Where the Secretary has reason to question the compliance of a community care setting with any of the requirements of subsection (g) or (h), the Secretary may conduct a survey of the setting and, on the basis of that survey, make independent and binding determinations concerning the extent to which the setting meets such requirements.

**(4) Investigation of complaints and monitoring of providers and settings**

Each State and the Secretary shall maintain procedures and adequate staff to investigate complaints of violations of applicable requirements imposed on providers of community care or on community care settings under subsections (f), (g) and (h).

**(5) Investigation of allegations of individual neglect and abuse and misappropriation of individual property**

The State shall provide, through the agency responsible for surveys and certification of providers of home or community care and community care settings under this subsection, for a process for the receipt, review, and investigation of allegations of individual

neglect and abuse (including injuries of unknown source) by individuals providing such care or in such setting and of misappropriation of individual property by such individuals. The State shall, after notice to the individual involved and a reasonable opportunity for hearing for the individual to rebut allegations, make a finding as to the accuracy of the allegations. If the State finds that an individual has neglected or abused an individual receiving community care or misappropriated such individual's property, the State shall notify the individual against whom the finding is made. A State shall not make a finding that a person has neglected an individual receiving community care if the person demonstrates that such neglect was caused by factors beyond the control of the person. The State shall provide for public disclosure of findings under this paragraph upon request and for inclusion, in any such disclosure of such findings, of any brief statement (or of a clear and accurate summary thereof) of the individual disputing such findings.

**(6) Disclosure of results of inspections and activities**

**(A) Public information**

Each State, and the Secretary, shall make available to the public—

- (i) information respecting all surveys, reviews, and certifications made under this subsection respecting providers of home or community care and community care settings, including statements of deficiencies,
- (ii) copies of cost reports (if any) of such providers and settings filed under this subchapter,
- (iii) copies of statements of ownership under section 1320a-3 of this title, and
- (iv) information disclosed under section 1320a-5 of this title.

**(B) Notices of substandard care**

If a State finds that—

- (i) a provider of home or community care has provided care of substandard quality with respect to an individual, the State shall make a reasonable effort to notify promptly (I) an immediate family member of each such individual and (II) individuals receiving home or community care from that provider under this subchapter, or
- (ii) a community care setting is substandard, the State shall make a reasonable effort to notify promptly (I) individuals receiving community care in that setting, and (II) immediate family members of such individuals.

**(C) Access to fraud control units**

Each State shall provide its State Medicaid fraud and abuse control unit (established under section 1396b(q) of this title) with access to all information of the State agency responsible for surveys, reviews, and certifications under this subsection.

**(j) Enforcement process for providers of community care****(1) State authority****(A) In general**

If a State finds, on the basis of a review under subsection (i)(2) or otherwise, that a provider of home or community care no longer meets the requirements of this section, the State may terminate the provider's participation under the State plan and may provide in addition for a civil money penalty. Nothing in this subparagraph shall be construed as restricting the remedies available to a State to remedy a provider's deficiencies. If the State finds that a provider meets such requirements but, as of a previous period, did not meet such requirements, the State may provide for a civil money penalty under paragraph (2)(A) for the period during which it finds that the provider was not in compliance with such requirements.

**(B) Civil money penalty****(i) In general**

Each State shall establish by law (whether statute or regulation) at least the following remedy: A civil money penalty assessed and collected, with interest, for each day in which the provider is or was out of compliance with a requirement of this section. Funds collected by a State as a result of imposition of such a penalty (or as a result of the imposition by the State of a civil money penalty under subsection (i)(3)(A)) may be applied to reimbursement of individuals for personal funds lost due to a failure of home or community care providers to meet the requirements of this section. The State also shall specify criteria, as to when and how this remedy is to be applied and the amounts of any penalties. Such criteria shall be designed so as to minimize the time between the identification of violations and final imposition of the penalties and shall provide for the imposition of incrementally more severe penalties for repeated or uncorrected deficiencies.

**(ii) Deadline and guidance**

Each State which elects to provide home and community care under this section must establish the civil money penalty remedy described in clause (i) applicable to all providers of community care covered under this section. The Secretary shall provide, through regulations or otherwise by not later than July 1, 1990, guidance to States in establishing such remedy; but the failure of the Secretary to provide such guidance shall not relieve a State of the responsibility for establishing such remedy.

**(2) Secretarial authority****(A) For State providers**

With respect to a State provider of home or community care, the Secretary shall have the authority and duties of a State under

this subsection, except that the civil money penalty remedy described in subparagraph (C) shall be substituted for the civil money remedy described in paragraph (1)(B)(i).

**(B) Other providers**

With respect to any other provider of home or community care in a State, if the Secretary finds that a provider no longer meets a requirement of this section, the Secretary may terminate the provider's participation under the State plan and may provide, in addition, for a civil money penalty under subparagraph (C). If the Secretary finds that a provider meets such requirements but, as of a previous period, did not meet such requirements, the Secretary may provide for a civil money penalty under subparagraph (C) for the period during which the Secretary finds that the provider was not in compliance with such requirements.

**(C) Civil money penalty**

If the Secretary finds on the basis of a review under subsection (i)(2) or otherwise that a home or community care provider no longer meets the requirements of this section, the Secretary shall impose a civil money penalty in an amount not to exceed \$10,000 for each day of noncompliance. The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under the previous sentence in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title. The Secretary shall specify criteria, as to when and how this remedy is to be applied and the amounts of any penalties. Such criteria shall be designed so as to minimize the time between the identification of violations and final imposition of the penalties and shall provide for the imposition of incrementally more severe penalties for repeated or uncorrected deficiencies.

**(k) Secretarial responsibilities****(1) Publication of interim requirements****(A) In general**

The Secretary shall publish, by December 1, 1991, a proposed regulation that sets forth interim requirements, consistent with subparagraph (B), for the provision of home and community care and for community care settings, including—

(i) the requirements of subsection (c)(2) (relating to comprehensive functional assessments, including the use of assessment instruments), of subsection (d)(2)(E) (relating to qualifications for qualified case managers), of subsection (f) (relating to minimum requirements for home and community care), of subsection (g) (relating to minimum requirements for small community care settings), and of subsection (h) (relating to minimum requirements for large community care settings), and

(ii) survey protocols (for use under subsection (i)(3)(A)) which relate to such requirements.

**(B) Minimum protections**

Interim requirements under subparagraph (A) and final requirements under paragraph

(2) shall assure, through methods other than reliance on State licensure processes, that individuals receiving home and community care are protected from neglect, physical and sexual abuse, financial exploitation, inappropriate involuntary restraint, and the provision of health care services by unqualified personnel in community care settings.

**(2) Development of final requirements**

The Secretary shall develop, by not later than October 1, 1992—

(A) final requirements, consistent with paragraph (1)(B), respecting the provision of appropriate, quality home and community care and respecting community care settings under this section, and including at least the requirements referred to in paragraph (1)(A)(i), and

(B) survey protocols and methods for evaluating and assuring the quality of community care settings.

The Secretary may, from time to time, revise such requirements, protocols, and methods.

**(3) No delegation to States**

The Secretary's authority under this subsection shall not be delegated to States.

**(4) No prevention of more stringent requirements by States**

Nothing in this section shall be construed as preventing States from imposing requirements that are more stringent than the requirements published or developed by the Secretary under this subsection.

**(l) Waiver of Statewideness**

States may waive the requirement of section 1396a(a)(1) of this title (related to Statewideness) for a program of home and community care under this section.

**(m) Limitation on amount of expenditures as medical assistance**

**(1) Limitation on amount**

The amount of funds that may be expended as medical assistance to carry out the purposes of this section shall be for fiscal year 1991, \$40,000,000, for fiscal year 1992, \$70,000,000, for fiscal year 1993, \$130,000,000, for fiscal year 1994, \$160,000,000, and for fiscal year 1995, \$180,000,000.

**(2) Assurance of entitlement to service**

A State which receives Federal medical assistance for expenditures for home and community care under this section must provide home and community care specified under the Individual Community Care Plan under subsection (d) to individuals described in subsection (b) for the duration of the election period, without regard to the amount of funds available to the State under paragraph (1). For purposes of this paragraph, an election period is the period of 4 or more calendar quarters elected by the State, and approved by the Secretary, for the provision of home and community care under this section.

**(3) Limitation on eligibility**

The State may limit eligibility for home and community care under this section during an

election period under paragraph (2) to reasonable classifications (based on age, degree of functional disability, and need for services).

**(4) Allocation of medical assistance**

The Secretary shall establish a limitation on the amount of Federal medical assistance available to any State during the State's election period under paragraph (2). The limitation under this paragraph shall take into account the limitation under paragraph (1) and the number of elderly individuals age 65 or over residing in such State in relation to the number of such elderly individuals in the United States during 1990. For purposes of the previous sentence, elderly individuals shall, to the maximum extent practicable, be low-income elderly individuals.

## § 1396u-1. Assuring coverage for certain low-income families

### (a) References to subchapter IV-A are references to pre-welfare-reform provisions

Subject to the succeeding provisions of this section, with respect to a State any reference in this subchapter (or any other provision of law in relation to the operation of this subchapter) to a provision of part A of subchapter IV, or a State plan under such part (or a provision of such a plan), including income and resource standards and income and resource methodologies under such part or plan, shall be considered a reference to such a provision or plan as in effect as of July 16, 1996, with respect to the State.

### (b) Application of pre-welfare-reform eligibility criteria

#### (1) In general

For purposes of this subchapter, subject to paragraphs (2) and (3), in determining eligibility for medical assistance—

(A) an individual shall be treated as receiving aid or assistance under a State plan approved under part A of subchapter IV only if the individual meets—

(i) the income and resource standards for determining eligibility under such plan, and

(ii) the eligibility requirements of such plan under subsections (a) through (c) of section 606 of this title and section 607(a) of this title,

as in effect as of July 16, 1996; and

(B) the income and resource methodologies under such plan as of such date shall be used in the determination of whether any individual meets income and resource standards under such plan.

#### (2) State option

For purposes of applying this section, a State—

(A) may lower its income standards applicable with respect to part A of subchapter IV, but not below the income standards applicable under its State plan under such part on May 1, 1988;

(B) may increase income or resource standards under the State plan referred to in

paragraph (1) over a period (beginning after July 16, 1996) by a percentage that does not exceed the percentage increase in the Consumer Price Index for all urban consumers (all items; United States city average) over such period; and

(C) may use income and resource methodologies that are less restrictive than the methodologies used under the State plan under such part as of July 16, 1996.

**(3) Option to terminate medical assistance for failure to meet work requirement**

**(A) Individuals receiving cash assistance under TANF**

In the case of an individual who—

(i) is receiving cash assistance under a State program funded under part A of subchapter IV,

(ii) is eligible for medical assistance under this subchapter on a basis not related to section 1396a(l) of this title, and

(iii) has the cash assistance under such program terminated pursuant to section 607(e)(1)(B) of this title (as in effect on or after the welfare reform effective date) because of refusing to work,

the State may terminate such individual's eligibility for medical assistance under this subchapter until such time as there no longer is a basis for the termination of such cash assistance because of such refusal.

**(B) Exception for children**

Subparagraph (A) shall not be construed as permitting a State to terminate medical assistance for a minor child who is not the head of a household receiving assistance under a State program funded under part A of subchapter IV.

**(c) Treatment for purposes of transitional coverage provisions**

**(1) Transition in the case of child support collections**

The provisions of section 606(h) of this title (as in effect on July 16, 1996) shall apply, in relation to this subchapter, with respect to individuals (and families composed of individuals) who are described in subsection (b)(1)(A), in the same manner as they applied before such date with respect to individuals who became ineligible for aid to families with dependent children as a result (wholly or partly) of the collection of child or spousal support under part D of subchapter IV.

**(2) Transition in the case of earnings from employment**

For continued medical assistance in the case of individuals (and families composed of individuals) described in subsection (b)(1)(A) who would otherwise become ineligible because of hours or income from employment, see sections 1396r-6 and 1396a(e)(1) of this title.

**(d) Waivers**

In the case of a waiver of a provision of part A of subchapter IV in effect with respect to a State as of July 16, 1996, or which is submitted to the Secretary before August 22, 1996, and approved by the Secretary on or before July 1,

1997, if the waiver affects eligibility of individuals for medical assistance under this subchapter, such waiver may (but need not) continue to be applied, at the option of the State, in relation to this subchapter after the date the waiver would otherwise expire.

**(e) State option to use 1 application form**

Nothing in this section, or part A of subchapter IV, shall be construed as preventing a State from providing for the same application form for assistance under a State program funded under part A of subchapter IV (on or after the welfare reform effective date) and for medical assistance under this subchapter.

**(f) Additional rules of construction**

(1) With respect to the reference in section 1396a(a)(5) of this title to a State plan approved under part A of subchapter IV, a State may treat such reference as a reference either to a State program funded under such part (as in effect on and after the welfare reform effective date) or to the State plan under this subchapter.

(2) Any reference in section 1396a(a)(55) of this title to a State plan approved under part A of subchapter IV shall be deemed a reference to a State program funded under such part.

(3) In applying section 1396b(f) of this title, the applicable income limitation otherwise determined shall be subject to increase in the same manner as income or resource standards of a State may be increased under subsection (b)(2)(B).

**(g) Relation to other provisions**

The provisions of this section shall apply notwithstanding any other provision of this chapter.

**(h) Transitional increased Federal matching rate for increased administrative costs**

**(1) In general**

Subject to the succeeding provisions of this subsection, the Secretary shall provide that with respect to administrative expenditures described in paragraph (2) the per centum specified in section 1396b(a)(7) of this title shall be increased to such percentage as the Secretary specifies.

**(2) Administrative expenditures described**

The administrative expenditures described in this paragraph are expenditures described in section 1396b(a)(7) of this title that a State demonstrates to the satisfaction of the Secretary are attributable to administrative costs of eligibility determinations that (but for the enactment of this section) would not be incurred.

**(3) Limitation**

The total amount of additional Federal funds that are expended as a result of the application of this subsection for the period beginning with fiscal year 1997 shall not exceed \$500,000,000. In applying this paragraph, the Secretary shall ensure the equitable distribution of additional funds among the States.

**(i) Welfare reform effective date**

#### (B) “Managed care entity” defined

In this section, the term “managed care entity” means—

(i) a medicaid managed care organization, as defined in section 1396b(m)(1)(A) of this title, that provides or arranges for services for enrollees under a contract pursuant to section 1396b(m) of this title; and

**(3) Choice of coverage**

**(A) In general**

A State must permit an individual to choose a managed care entity from not less than two such entities that meet the applicable requirements of this section, and of section 1396b(m) of this title or section 1396d(t) of this title.

**(B) State option**

At the option of the State, a State shall be considered to meet the requirements of subparagraph (A) in the case of an individual residing in a rural area, if the State requires the individual to enroll with a managed care entity if such entity—

(i) permits the individual to receive such assistance through not less than two physicians or case managers (to the extent that at least two physicians or case managers are available to provide such assistance in the area), and

(ii) permits the individual to obtain such assistance from any other provider in appropriate circumstances (as established by the State under regulations of the Secretary).

**(C) Treatment of certain county-operated health insuring organizations**

A State shall be considered to meet the requirement of subparagraph (A) if—

**(C) Enrollment priorities**

In carrying out paragraph (1)(A), the State shall establish a method for establishing enrollment priorities in the case of a managed care entity that does not have sufficient capacity to enroll all such individuals seeking enrollment under which individuals already enrolled with the entity are given priority in continuing enrollment with the entity.

**(D) Default enrollment process**

In carrying out paragraph (1)(A), the State shall establish a default enrollment process—

(i) under which any such individual who does not enroll with a managed care entity during the enrollment period specified by the State shall be enrolled by the State with such an entity which has not been found to be out of substantial compliance with the applicable requirements of this section and of section 1396b(m) of this title or section 1396d(t) of this title; and

(ii) that takes into consideration—

(I) maintaining existing provider-individual relationships or relationships with providers that have traditionally served beneficiaries under this subchapter; and

**(5) Provision of information**

**(A) Information in easily understood form**

Each State, enrollment broker, or managed care entity shall provide all enrollment notices and informational and instructional materials relating to such an entity under this subchapter in a manner and form which may be easily understood by enrollees and potential enrollees of the entity who are eligible for medical assistance under the State plan under this subchapter.

Each managed care entity that is a primary care case manager shall, upon request, make available to enrollees and potential enrollees in the organization's service area the information described in clause (iii).

**(C) Comparative information**

A State that requires individuals to enroll with managed care entities under paragraph (1)(A) shall annually (and upon request) provide, directly or through the managed care entity, to such individuals a list identifying the managed care entities that are (or will be) available and information (presented in a comparative, chart-like form) relating to the following for each such entity offered:

Such information shall include information on where and how such enrollees may access benefits not made available to the enrollee through the entity.

**(b) Beneficiary protections**

**(1) Specification of benefits**

Each contract with a managed care entity under section 1396b(m) of this title or under section 1396d(t)(3) of this title shall specify the benefits the provision (or arrangement) for which the entity is responsible.

**(2) Assuring coverage to emergency services**

**(A) In general**

Each contract with a medicaid managed care organization under section 1396b(m) of this title and each contract with a primary care case manager under section 1396d(t)(3) of this title shall require the organization or manager—

(i) to provide coverage for emergency services (as defined in subparagraph (B))

without regard to prior authorization or the emergency care provider's contractual relationship with the organization or manager, and

(ii) to comply with guidelines established under section 1395w-22(d)(2) of this title (respecting coordination of post-stabilization care) in the same manner as such guidelines apply to Medicare+Choice plans offered under part C of subchapter XVIII.

The requirement under clause (ii) shall first apply 30 days after the date of promulgation of the guidelines referred to in such clause.

**(B) "Emergency services" defined**

In subparagraph (A)(i), the term "emergency services" means, with respect to an individual enrolled with an organization, covered inpatient and outpatient services that—

(i) are furnished by a provider that is qualified to furnish such services under this subchapter, and

(ii) are needed to evaluate or stabilize an emergency medical condition (as defined in subparagraph (C)).

**(C) "Emergency medical condition" defined**

In subparagraph (B)(ii), the term "emergency medical condition" means a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in—

(i) placing the health of the individual (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy,

(ii) serious impairment to bodily functions, or

(iii) serious dysfunction of any bodily organ or part.

**(D) Emergency services furnished by non-contract providers**

Any provider of emergency services that does not have in effect a contract with a Medicaid managed care entity that establishes payment amounts for services furnished to a beneficiary enrolled in the entity's Medicaid managed care plan must accept as payment in full no more than the amounts (less any payments for indirect costs of medical education and direct costs of graduate medical education) that it could collect if the beneficiary received medical assistance under this subchapter other than through enrollment in such an entity. In a State where rates paid to hospitals under the State plan are negotiated by contract and not publicly released, the payment amount applicable under this subparagraph shall be the average contract rate that would apply under the State plan for general acute care hospitals or the average contract rate that would apply under such plan for tertiary hospitals.

**(3) Protection of enrollee-provider communications****(A) In general**

Subject to subparagraphs (B) and (C), under a contract under section 1396b(m) of this title a medicaid managed care organization (in relation to an individual enrolled under the contract) shall not prohibit or otherwise restrict a covered health care professional (as defined in subparagraph (D)) from advising such an individual who is a patient of the professional about the health status of the individual or medical care or treatment for the individual's condition or disease, regardless of whether benefits for such care or treatment are provided under the contract, if the professional is acting within the lawful scope of practice.

**(B) Construction**

Subparagraph (A) shall not be construed as requiring a medicaid managed care organization to provide, reimburse for, or provide coverage of, a counseling or referral service if the organization—

(i) objects to the provision of such service on moral or religious grounds; and

(ii) in the manner and through the written instrumentalities such organization deems appropriate, makes available information on its policies regarding such service to prospective enrollees before or during enrollment and to enrollees within 90 days after the date that the organization adopts a change in policy regarding such a counseling or referral service.

Nothing in this subparagraph shall be construed to affect disclosure requirements under State law or under the Employee Retirement Income Security Act of 1974 [29 U.S.C. 1001 et seq.].

**(C) "Health care professional" defined**

For purposes of this paragraph, the term "health care professional" means a physician (as defined in section 1395x(r) of this title) or other health care professional if coverage for the professional's services is provided under the contract referred to in subparagraph (A) for the services of the professional. Such term includes a podiatrist, optometrist, chiropractor, psychologist, dentist, physician assistant, physical or occupational therapist and therapy assistant, speech-language pathologist, audiologist, registered or licensed practical nurse (including nurse practitioner, clinical nurse specialist, certified registered nurse anesthetist, and certified nurse-midwife), licensed certified social worker, registered respiratory therapist, and certified respiratory therapy technician.

**(4) Grievance procedures**

Each medicaid managed care organization shall establish an internal grievance procedure under which an enrollee who is eligible for medical assistance under the State plan under this subchapter, or a provider on behalf of such an enrollee, may challenge the denial of coverage of or payment for such assistance.

**(5) Demonstration of adequate capacity and services**

Each medicaid managed care organization shall provide the State and the Secretary with adequate assurances (in a time and manner determined by the Secretary) that the organization, with respect to a service area, has the capacity to serve the expected enrollment in such service area, including assurances that the organization—

(A) offers an appropriate range of services and access to preventive and primary care services for the population expected to be enrolled in such service area, and

(B) maintains a sufficient number, mix, and geographic distribution of providers of services.

**(6) Protecting enrollees against liability for payment**

Each medicaid managed care organization shall provide that an individual eligible for medical assistance under the State plan under this subchapter who is enrolled with the organization may not be held liable—

(A) for the debts of the organization, in the event of the organization's insolvency,

(B) for services provided to the individual—

(i) in the event of the organization failing to receive payment from the State for such services; or

(ii) in the event of a health care provider with a contractual, referral, or other arrangement with the organization failing to receive payment from the State or the organization for such services, or

(C) for payments to a provider that furnishes covered services under a contractual, referral, or other arrangement with the organization in excess of the amount that would be owed by the individual if the organization had directly provided the services.

**(7) Antidiscrimination**

A medicaid managed care organization shall not discriminate with respect to participation, reimbursement, or indemnification as to any provider who is acting within the scope of the provider's license or certification under applicable State law, solely on the basis of such license or certification. This paragraph shall not be construed to prohibit an organization from including providers only to the extent necessary to meet the needs of the organization's enrollees or from establishing any measure designed to maintain quality and control costs consistent with the responsibilities of the organization.

**(8) Compliance with certain maternity and mental health requirements**

Each medicaid managed care organization shall comply with the requirements of subpart 2 of part A of title XXVII of the Public Health Service Act<sup>1</sup> insofar as such requirements apply and are effective with respect to a health insurance issuer that offers group health insurance coverage. In applying the previous sentence with respect to requirements under paragraph (8) of section

300gg-26(a) of this title, a Medicaid managed care organization (or a prepaid inpatient health plan (as defined by the Secretary) or prepaid ambulatory health plan (as defined by the Secretary) that offers services to enrollees of a Medicaid managed care organization) shall be treated as in compliance with such requirements if the Medicaid managed care organization (or prepaid inpatient health plan or prepaid ambulatory health plan) is in compliance with subpart K of part 438 of title 42, Code of Federal Regulations, and section 438.3(n) of such title, or any successor regulation.

**(c) Quality assurance standards**

**(1) Quality assessment and improvement strategy**

**(A) In general**

If a State provides for contracts with Medicaid managed care organizations under section 1396b(m) of this title, the State shall develop and implement a quality assessment and improvement strategy consistent with this paragraph. Such strategy shall include the following:

**(i) Access standards**

Standards for access to care so that covered services are available within reasonable timeframes and in a manner that ensures continuity of care and adequate primary care and specialized services capacity.

**(ii) Other measures**

Examination of other aspects of care and service directly related to the improvement of quality of care (including grievance procedures and marketing and information standards).

**(iii) Monitoring procedures**

Procedures for monitoring and evaluating the quality and appropriateness of care and services to enrollees that reflect the full spectrum of populations enrolled under the contract and that includes requirements for provision of quality assurance data to the State using the data and information set that the Secretary has specified for use under part C of subchapter XVIII or such alternative data as the Secretary approves, in consultation with the State.

**(iv) Periodic review**

Regular, periodic examinations of the scope and content of the strategy.

**(B) Standards**

The strategy developed under subparagraph (A) shall be consistent with standards that the Secretary first establishes within 1 year after August 5, 1997. Such standards shall not preempt any State standards that are more stringent than such standards. Guidelines relating to quality assurance that are applied under section 1396n(b)(1) of this title shall apply under this subsection until the effective date of standards for quality assurance established under this subparagraph.

**(C) Monitoring**

The Secretary shall monitor the development and implementation of strategies under subparagraph (A).

**(D) Consultation**

The Secretary shall conduct activities under subparagraphs (B) and (C) in consultation with the States.

**(2) External independent review of managed care activities**

**(A) Review of contracts**

**(i) In general**

Each contract under section 1396b(m) of this title with a Medicaid managed care organization shall provide for an annual (as appropriate) external independent review conducted by a qualified independent entity of the quality outcomes and timeliness of, and access to, the items and services for which the organization is responsible under the contract. The requirement for such a review shall not apply until after the date that the Secretary establishes the identification method described in clause (i).

**(ii) Qualifications of reviewer**

The Secretary, in consultation with the States, shall establish a method for the identification of entities that are qualified to conduct reviews under clause (i).

**(iii) Use of protocols**

The Secretary, in coordination with the National Governors' Association, shall contract with an independent quality review organization (such as the National Committee for Quality Assurance) to develop the protocols to be used in external independent reviews conducted under this paragraph on and after January 1, 1999.

**(iv) Availability of results**

The results of each external independent review conducted under this subparagraph shall be available to participating health care providers, enrollees, and potential enrollees of the organization, except that the results may not be made available in a manner that discloses the identity of any individual patient.

**(B) Nonduplication of accreditation**

A State may provide that, in the case of a Medicaid managed care organization that is accredited by a private independent entity (such as those described in section 1395w-22(e)(4) of this title) or that has an external review conducted under section 1395w-22(e)(3) of this title, the external review activities conducted under subparagraph (A) with respect to the organization shall not be duplicative of review activities conducted as part of the accreditation process or the external review conducted under such section.

**(C) Deemed compliance for Medicare managed care organizations**

At the option of a State, the requirements of subparagraph (A) shall not apply with re-

spect to a medicaid managed care organization if the organization is an eligible organization with a contract in effect under section 1395mm of this title or a Medicare+Choice organization with a contract in effect under part C of subchapter XVIII and the organization has had a contract in effect under section 1396b(m) of this title at least during the previous 2-year period.

**(d) Protections against fraud and abuse**

**(1) Prohibiting affiliations with individuals debarred by Federal agencies**

**(A) In general**

A managed care entity may not knowingly—

(i) have a person described in subparagraph (C) as a director, officer, partner, or person with beneficial ownership of more than 5 percent of the entity's equity, or

(ii) have an employment, consulting, or other agreement with a person described in such subparagraph for the provision of items and services that are significant and material to the entity's obligations under its contract with the State.

**(B) Effect of noncompliance**

If a State finds that a managed care entity is not in compliance with clause (i) or (ii) of subparagraph (A), the State—

(i) shall notify the Secretary of such noncompliance;

(ii) may continue an existing agreement with the entity unless the Secretary (in consultation with the Inspector General of the Department of Health and Human Services) directs otherwise; and

(iii) may not renew or otherwise extend the duration of an existing agreement with the entity unless the Secretary (in consultation with the Inspector General of the Department of Health and Human Services) provides to the State and to Congress a written statement describing compelling reasons that exist for renewing or extending the agreement.

**(C) Persons described**

A person is described in this subparagraph if such person—

(i) is debarred, suspended, or otherwise excluded from participating in procurement activities under the Federal Acquisition Regulation or from participating in nonprocurement activities under regulations issued pursuant to Executive Order No. 12549 or under guidelines implementing such order; or

(ii) is an affiliate (as defined in such Regulation) of a person described in clause (i).

**(2) Restrictions on marketing**

**(A) Distribution of materials**

**(i) In general**

A managed care entity, with respect to activities under this subchapter, may not distribute directly or through any agent or independent contractor marketing materials within any State—

(I) without the prior approval of the State, and

(II) that contain false or materially misleading information.

The requirement of subclause (I) shall not apply with respect to a State until such date as the Secretary specifies in consultation with such State.

**(ii) Consultation in review of market materials**

In the process of reviewing and approving such materials, the State shall provide for consultation with a medical care advisory committee.

**(B) Service market**

A managed care entity shall distribute marketing materials to the entire service area of such entity covered under the contract under section 1396b(m) of this title or section 1396d(t)(3) of this title.

**(C) Prohibition of tie-ins**

A managed care entity, or any agency of such entity, may not seek to influence an individual's enrollment with the entity in conjunction with the sale of any other insurance.

**(D) Prohibiting marketing fraud**

Each managed care entity shall comply with such procedures and conditions as the Secretary prescribes in order to ensure that, before an individual is enrolled with the entity, the individual is provided accurate oral and written information sufficient to make an informed decision whether or not to enroll.

**(E) Prohibition of "cold-call" marketing**

Each managed care entity shall not, directly or indirectly, conduct door-to-door, telephonic, or other "cold-call" marketing of enrollment under this subchapter.

**(3) State conflict-of-interest safeguards in medicaid risk contracting**

A medicaid managed care organization may not enter into a contract with any State under section 1396b(m) of this title unless the State has in effect conflict-of-interest safeguards with respect to officers and employees of the State with responsibilities relating to contracts with such organizations or to the default enrollment process described in subsection (a)(4)(C)(ii) that are at least as effective as the Federal safeguards provided under chapter 21 of title 41, against conflicts of interest that apply with respect to Federal procurement officials with comparable responsibilities with respect to such contracts.

**(4) Use of unique physician identifier for participating physicians**

Each medicaid managed care organization shall require each physician providing services to enrollees eligible for medical assistance under the State plan under this subchapter to have a unique identifier in accordance with the system established under section 1320d-2(b) of this title.

**(5) Contract requirement for managed care entities**

With respect to any contract with a managed care entity under section 1396b(m) or

1396d(t)(3) of this title (as applicable), no later than July 1, 2018, such contract shall include a provision that providers of services or persons terminated (as described in section 1396a(kk)(8) of this title) from participation under this subchapter, subchapter XVIII, or subchapter XXI shall be terminated from participating under this subchapter as a provider in any network of such entity that serves individuals eligible to receive medical assistance under this subchapter.

**(6) Enrollment of participating providers**

**(A) In general**

Beginning not later than January 1, 2018, a State shall require that, in order to participate as a provider in the network of a managed care entity that provides services to, or orders, prescribes, refers, or certifies eligibility for services for, individuals who are eligible for medical assistance under the State plan under this subchapter (or under a waiver of the plan) and who are enrolled with the entity, the provider is enrolled consistent with section 1396a(kk) of this title with the State agency administering the State plan under this subchapter. Such enrollment shall include providing to the State agency the provider's identifying information, including the name, specialty, date of birth, Social Security number, national provider identifier, Federal taxpayer identification number, and the State license or certification number of the provider.

**(B) Rule of construction**

Nothing in subparagraph (A) shall be construed as requiring a provider described in such subparagraph to provide services to individuals who are not enrolled with a managed care entity under this subchapter.

**(e) Sanctions for noncompliance**

**(1) Use of intermediate sanctions by the State to enforce requirements**

**(A) In general**

A State may not enter into or renew a contract under section 1396b(m) of this title unless the State has established intermediate sanctions, which may include any of the types described in paragraph (2), other than the termination of a contract with a medicaid managed care organization, which the State may impose against a medicaid managed care organization with such a contract, if the organization—

(i) fails substantially to provide medically necessary items and services that are required (under law or under such organization's contract with the State) to be provided to an enrollee covered under the contract;

(ii) imposes premiums or charges on enrollees in excess of the premiums or charges permitted under this subchapter;

(iii) acts to discriminate among enrollees on the basis of their health status or requirements for health care services, including expulsion or refusal to reenroll an individual, except as permitted by this subchapter, or engaging in any practice

that would reasonably be expected to have the effect of denying or discouraging enrollment with the organization by eligible individuals whose medical condition or history indicates a need for substantial future medical services;

(iv) misrepresents or falsifies information that is furnished—

(I) to the Secretary or the State under this subchapter; or

(II) to an enrollee, potential enrollee, or a health care provider under such subchapter; or

(v) fails to comply with the applicable requirements of section 1396b(m)(2)(A)(x) of this title.

The State may also impose such intermediate sanction against a managed care entity if the State determines that the entity distributed directly or through any agent or independent contractor marketing materials in violation of subsection (d)(2)(A)(i)(II).

**(B) Rule of construction**

Clause (i) of subparagraph (A) shall not apply to the provision of abortion services, except that a State may impose a sanction on any medicaid managed care organization that has a contract to provide abortion services if the organization does not provide such services as provided for under the contract.

**(2) Intermediate sanctions**

The sanctions described in this paragraph are as follows:

(A) Civil money penalties as follows:

(i) Except as provided in clause (ii), (iii), or (iv), not more than \$25,000 for each determination under paragraph (1)(A).

(ii) With respect to a determination under clause (iii) or (iv)(I) of paragraph (1)(A), not more than \$100,000 for each such determination.

(iii) With respect to a determination under paragraph (1)(A)(ii), double the excess amount charged in violation of such subsection (and the excess amount charged shall be deducted from the penalty and returned to the individual concerned).

(iv) Subject to clause (ii), with respect to a determination under paragraph (1)(A)(iii), \$15,000 for each individual not enrolled as a result of a practice described in such subsection.

(B) The appointment of temporary management—

(i) to oversee the operation of the medicaid managed care organization upon a finding by the State that there is continued egregious behavior by the organization or there is a substantial risk to the health of enrollees; or

(ii) to assure the health of the organization's enrollees, if there is a need for temporary management while—

(I) there is an orderly termination or reorganization of the organization; or

(II) improvements are made to remedy the violations found under paragraph (1),

except that temporary management under this subparagraph may not be terminated until the State has determined that the medicaid managed care organization has the capability to ensure that the violations shall not recur.

(C) Permitting individuals enrolled with the managed care entity to terminate enrollment without cause, and notifying such individuals of such right to terminate enrollment.

(D) Suspension or default of all enrollment of individuals under this subchapter after the date the Secretary or the State notifies the entity of a determination of a violation of any requirement of section 1396b(m) of this title or this section.

(E) Suspension of payment to the entity under this subchapter for individuals enrolled after the date the Secretary or State notifies the entity of such a determination and until the Secretary or State is satisfied that the basis for such determination has been corrected and is not likely to recur.

**(3) Treatment of chronic substandard entities**

In the case of a medicaid managed care organization which has repeatedly failed to meet the requirements of section 1396b(m) of this title and this section, the State shall (regardless of what other sanctions are provided) impose the sanctions described in subparagraphs (B) and (C) of paragraph (2).

**(4) Authority to terminate contract**

**(A) In general**

In the case of a managed care entity which has failed to meet the requirements of this part or a contract under section 1396b(m) or 1396d(t)(3) of this title, the State shall have the authority to terminate such contract with the entity and to enroll such entity's enrollees with other managed care entities (or to permit such enrollees to receive medical assistance under the State plan under this subchapter other than through a managed care entity).

**(B) Availability of hearing prior to termination of contract**

A State may not terminate a contract with a managed care entity under subparagraph (A) unless the entity is provided with a hearing prior to the termination.

**(C) Notice and right to disenroll in cases of termination hearing**

A State may—

(i) notify individuals enrolled with a managed care entity which is the subject of a hearing to terminate the entity's contract with the State of the hearing, and

(ii) in the case of such an entity, permit such enrollees to disenroll immediately with the entity without cause.

**(5) Other protections for managed care entities against sanctions imposed by State**

Before imposing any sanction against a managed care entity other than termination of the entity's contract, the State shall provide the entity with notice and such other due

process protections as the State may provide, except that a State may not provide a managed care entity with a pre-termination hearing before imposing the sanction described in paragraph (2)(B).

**(f) Timeliness of payment; adequacy of payment for primary care services**

A contract under section 1396b(m) of this title with a medicaid managed care organization shall provide that the organization shall make payment to health care providers for items and services which are subject to the contract and that are furnished to individuals eligible for medical assistance under the State plan under this subchapter who are enrolled with the organization on a timely basis consistent with the claims payment procedures described in section 1396a(a)(37)(A) of this title, unless the health care provider and the organization agree to an alternate payment schedule and, in the case of primary care services described in section 1396a(a)(13)(C) of this title, consistent with the minimum payment rates specified in such section (regardless of the manner in which such payments are made, including in the form of capitation or partial capitation).

**(g) Identification of patients for purposes of making DSH payments**

Each contract with a managed care entity under section 1396b(m) of this title or under section 1396d(t)(3) of this title shall require the entity either—

(1) to report to the State information necessary to determine the hospital services provided under the contract (and the identity of hospitals providing such services) for purposes of applying sections 1395ww(d)(5)(F) and 1396r-4 of this title; or

(2) to include a sponsorship code in the identification card issued to individuals covered under this subchapter in order that a hospital may identify a patient as being entitled to benefits under this subchapter.

**(h) Special rules with respect to Indian enrollees, Indian health care providers, and Indian managed care entities**

**(1) Enrollee option to select an Indian health care provider as primary care provider**

In the case of a non-Indian Medicaid managed care entity that—

(A) has an Indian enrolled with the entity; and

(B) has an Indian health care provider that is participating as a primary care provider within the network of the entity,

insofar as the Indian is otherwise eligible to receive services from such Indian health care provider and the Indian health care provider has the capacity to provide primary care services to such Indian, the contract with the entity under section 1396b(m) of this title or under section 1396d(t)(3) of this title shall require, as a condition of receiving payment under such contract, that the Indian shall be allowed to choose such Indian health care provider as the Indian's primary care provider under the entity.

**(2) Assurance of payment to Indian health care providers for provision of covered services**

Each contract with a managed care entity under section 1396b(m) of this title or under section 1396d(t)(3) of this title shall require any such entity, as a condition of receiving payment under such contract, to satisfy the following requirements:

**(A) Demonstration of access to Indian health care providers and application of alternative payment arrangements**

Subject to subparagraph (C), to—

(i) demonstrate that the number of Indian health care providers that are participating providers with respect to such entity are sufficient to ensure timely access to covered Medicaid managed care services for those Indian enrollees who are eligible to receive services from such providers; and

(ii) agree to pay Indian health care providers, whether such providers are participating or nonparticipating providers with respect to the entity, for covered Medicaid managed care services provided to those Indian enrollees who are eligible to receive services from such providers at a rate equal to the rate negotiated between such entity and the provider involved or, if such a rate has not been negotiated, at a rate that is not less than the level and amount of payment which the entity would make for the services if the services were furnished by a participating provider which is not an Indian health care provider.

The Secretary shall establish procedures for applying the requirements of clause (i) in States where there are no or few Indian health providers.

**(B) Prompt payment**

To agree to make prompt payment (consistent with rule for prompt payment of providers under section 1396u-2(f) of this title) to Indian health care providers that are participating providers with respect to such entity or, in the case of an entity to which subparagraph (A)(ii) or (C) applies, that the entity is required to pay in accordance with that subparagraph.

**(C) Application of special payment requirements for federally-qualified health centers and for services provided by certain Indian health care providers**

**(i) Federally-qualified health centers**

**(I) Managed care entity payment requirement**

To agree to pay any Indian health care provider that is a federally-qualified health center under this subchapter but not a participating provider with respect to the entity, for the provision of covered Medicaid managed care services by such provider to an Indian enrollee of the entity at a rate equal to the amount of payment that the entity would pay a federally-qualified health center that is a participating provider with respect to the entity but is not an Indian health care provider for such services.

**(II) Continued application of State requirement to make supplemental payment**

Nothing in subclause (I) or subparagraph (A) or (B) shall be construed as waiving the application of section 1396a(bb)(5) of this title regarding the State plan requirement to make any supplemental payment due under such section to a federally-qualified health center for services furnished by such center to an enrollee of a managed care entity (regardless of whether the federally-qualified health center is or is not a participating provider with the entity).

**(ii) Payment rate for services provided by certain Indian health care providers**

If the amount paid by a managed care entity to an Indian health care provider that is not a federally-qualified health center for services provided by the provider to an Indian enrollee with the managed care entity is less than the rate that applies to the provision of such services by the provider under the State plan, the plan shall provide for payment to the Indian health care provider, whether the provider is a participating or nonparticipating provider with respect to the entity, of the difference between such applicable rate and the amount paid by the managed care entity to the provider for such services.

**(D) Construction**

Nothing in this paragraph shall be construed as waiving the application of section 1396a(a)(30)(A) of this title (relating to application of standards to assure that payments are consistent with efficiency, economy, and quality of care).

**(3) Special rule for enrollment for Indian managed care entities**

Regarding the application of a Medicaid managed care program to Indian Medicaid managed care entities, an Indian Medicaid managed care entity may restrict enrollment under such program to Indians in the same manner as Indian Health Programs may restrict the delivery of services to Indians.

**(8) "State administering agency" defined**

For purposes of this section, the term "State administering agency" means, with respect to the operation of a PACE program in a State, the agency of that State (which may be the single agency responsible for administration of the State plan under this subchapter in the State) responsible for administering PACE program agreements under this section and section 1395eee of this title in the State.

**(9) "Trial period" defined**

**(A) In general**

For purposes of this section, the term "trial period" means, with respect to a

PACE program operated by a PACE provider under a PACE program agreement, the first 3 contract years under such agreement with respect to such program.

**(B) Treatment of entities previously operating PACE demonstration waiver programs**

Each contract year (including a year occurring before the effective date of this section) during which an entity has operated a PACE demonstration waiver program shall be counted under subparagraph (A) as a contract year during which the entity operated a PACE program as a PACE provider under a PACE program agreement.

**(10) "Regulations" defined**

For purposes of this section, the term "regulations" refers to interim final or final regulations promulgated under subsection (f) to carry out this section and section 1395eee of this title.

**(b) Scope of benefits; beneficiary safeguards**

**(1) In general**

Under a PACE program agreement, a PACE provider shall—

(A) provide to PACE program eligible individuals, regardless of source of payment and directly or under contracts with other entities, at a minimum—

(i) all items and services covered under subchapter XVIII (for individuals enrolled under section 1395eee of this title) and all items and services covered under this subchapter, but without any limitation or condition as to amount, duration, or scope and without application of deductibles, copayments, coinsurance, or other cost-sharing that would otherwise apply under such subchapter or this subchapter, respectively; and

(ii) all additional items and services specified in regulations, based upon those required under the PACE protocol;

(B) provide such enrollees access to necessary covered items and services 24 hours per day, every day of the year;

(C) provide services to such enrollees through a comprehensive, multidisciplinary health and social services delivery system which integrates acute and long-term care services pursuant to regulations; and

(D) specify the covered items and services that will not be provided directly by the entity, and to arrange for delivery of those items and services through contracts meeting the requirements of regulations.

**(2) Quality assurance; patient safeguards**

The PACE program agreement shall require the PACE provider to have in effect at a minimum—

(A) a written plan of quality assurance and improvement, and procedures implementing such plan, in accordance with regulations, and

(B) written safeguards of the rights of enrolled participants (including a patient bill of rights and procedures for grievances and appeals) in accordance with regulations and

with other requirements of this subchapter and Federal and State law designed for the protection of patients.

**(3) Treatment of medicare services furnished by noncontract physicians and other entities**

**(A) Application of medicare advantage requirement with respect to medicare services furnished by noncontract physicians and other entities**

Section 1395w-22(k)(1) of this title (relating to limitations on balance billing against MA organizations for noncontract physicians and other entities with respect to services covered under subchapter XVIII) shall apply to PACE providers, PACE program eligible individuals enrolled with such PACE providers, and physicians and other entities that do not have a contract or other agreement establishing payment amounts for services furnished to such an individual in the same manner as such section applies to MA organizations, individuals enrolled with such organizations, and physicians and other entities referred to in such section.

**(B) Reference to related provision for noncontract providers of services**

For the provision relating to limitations on balance billing against PACE providers for services covered under subchapter XVIII furnished by noncontract providers of services, see section 1395cc(a)(1)(O) of this title.

**(4) Reference to related provision for services covered under this subchapter but not under subchapter XVIII**

For provisions relating to limitations on payments to providers participating under the State plan under this subchapter that do not have a contract or other agreement with a PACE provider establishing payment amounts for services covered under such plan (but not under subchapter XVIII) when such services are furnished to enrollees of that PACE provider, see section 1396a(a)(67) of this title.

**(c) Eligibility determinations**

**(1) In general**

The determination of—

(A) whether an individual is a PACE program eligible individual shall be made under and in accordance with the PACE program agreement, and

(B) who is entitled to medical assistance under this subchapter shall be made (or who is not so entitled, may be made) by the State administering agency.

**(2) Condition**

An individual is not a PACE program eligible individual (with respect to payment under this section) unless the individual's health status has been determined by the Secretary or the State administering agency, in accordance with regulations, to be comparable to the health status of individuals who have participated in the PACE demonstration waiver programs. Such determination shall be based upon information on health status and related indicators (such as medical diagnoses and

measures of activities of daily living, instrumental activities of daily living, and cognitive impairment) that are part of a uniform minimum data set collected by PACE providers on potential eligible individuals.

**(3) Annual eligibility recertifications**

**(A) In general**

Subject to subparagraph (B), the determination described in subsection (a)(5)(B) for an individual shall be reevaluated at least annually.

**(B) Exception**

The requirement of annual reevaluation under subparagraph (A) may be waived during a period in accordance with regulations in those cases in which the State administering agency determines that there is no reasonable expectation of improvement or significant change in an individual's condition during the period because of the severity of chronic condition, or degree of impairment of functional capacity of the individual involved.

**(4) Continuation of eligibility**

An individual who is a PACE program eligible individual may be deemed to continue to be such an individual notwithstanding a determination that the individual no longer meets the requirement of subsection (a)(5)(B) if, in accordance with regulations, in the absence of continued coverage under a PACE program the individual reasonably would be expected to meet such requirement within the succeeding 6-month period.

**(5) Enrollment; disenrollment**

**(A) Voluntary disenrollment at any time**

The enrollment and disenrollment of PACE program eligible individuals in a PACE program shall be pursuant to regulations and the PACE program agreement and shall permit enrollees to voluntarily disenroll without cause at any time.

**(B) Limitations on disenrollment**

**(i) In general**

Regulations promulgated by the Secretary under this section and section 1395eee of this title, and the PACE program agreement, shall provide that the PACE program may not disenroll a PACE program eligible individual except—

(I) for nonpayment of premiums (if applicable) on a timely basis; or

(II) for engaging in disruptive or threatening behavior, as defined in such regulations (developed in close consultation with State administering agencies).

**(ii) No disenrollment for noncompliant behavior**

Except as allowed under regulations promulgated to carry out clause (i)(II), a PACE program may not disenroll a PACE program eligible individual on the ground that the individual has engaged in noncompliant behavior if such behavior is related to a mental or physical condition of the individual. For purposes of the pre-

ceding sentence, the term “noncompliant behavior” includes repeated noncompliance with medical advice and repeated failure to appear for appointments.

**(iii) Timely review of proposed nonvoluntary disenrollment**

A proposed disenrollment, other than a voluntary disenrollment, shall be subject to timely review and final determination by the Secretary or by the State administering agency (as applicable), prior to the proposed disenrollment becoming effective.

**(d) Payments to PACE providers on a capitated basis**

**(1) In general**

In the case of a PACE provider with a PACE program agreement under this section, except as provided in this subsection or by regulations, the State shall make prospective monthly payments of a capitation amount for each PACE program eligible individual enrolled under the agreement under this section.

**(2) Capitation amount**

The capitation amount to be applied under this subsection for a provider for a contract year shall be an amount specified in the PACE program agreement for the year. Such amount shall be an amount, specified under the PACE agreement, which is less than the amount that would otherwise have been made under the State plan if the individuals were not so enrolled and shall be adjusted to take into account the comparative frailty of PACE enrollees and such other factors as the Secretary determines to be appropriate. The payment under this section shall be in addition to any payment made under section 1395eee of this title for individuals who are enrolled in a PACE program under such section.

**(e) PACE program agreement**

**(1) Requirement**

**(A) In general**

The Secretary, in close cooperation with the State administering agency, shall establish procedures for entering into, extending, and terminating PACE program agreements for the operation of PACE programs by entities that meet the requirements for a PACE provider under this section, section 1395eee of this title, and regulations.

**(B) Numerical limitation**

**(i) In general**

The Secretary shall not permit the number of PACE providers with which agreements are in effect under this section or under section 9412(b) of the Omnibus Budget Reconciliation Act of 1986 to exceed—

(I) 40 as of August 5, 1997, or

(II) as of each succeeding anniversary of August 5, 1997, the numerical limitation under this subparagraph for the preceding year plus 20.

Subclause (II) shall apply without regard to the actual number of agreements in effect as of a previous anniversary date.

**(ii) Treatment of certain private, for-profit providers**

The numerical limitation in clause (i) shall not apply to a PACE provider that—

(I) is operating under a demonstration project waiver under subsection (h), or

(II) was operating under such a waiver and subsequently qualifies for PACE provider status pursuant to subsection (a)(3)(B)(ii).

**(2) Service area and eligibility**

**(A) In general**

A PACE program agreement for a PACE program—

(i) shall designate the service area of the program;

(ii) may provide additional requirements for individuals to qualify as PACE program eligible individuals with respect to the program;

(iii) shall be effective for a contract year, but may be extended for additional contract years in the absence of a notice by a party to terminate, and is subject to termination by the Secretary and the State administering agency at any time for cause (as provided under the agreement);

(iv) shall require a PACE provider to meet all applicable State and local laws and requirements; and

(v) shall contain such additional terms and conditions as the parties may agree to, so long as such terms and conditions are consistent with this section and regulations.

**(B) Service area overlap**

In designating a service area under a PACE program agreement under subparagraph (A)(i), the Secretary (in consultation with the State administering agency) may exclude from designation an area that is already covered under another PACE program agreement, in order to avoid unnecessary duplication of services and avoid impairing the financial and service viability of an existing program.

**(3) Data collection; development of outcome measures**

**(A) Data collection**

**(i) In general**

Under a PACE program agreement, the PACE provider shall—

(I) collect data;

(II) maintain, and afford the Secretary and the State administering agency access to, the records relating to the program, including pertinent financial, medical, and personnel records; and

(III) submit to the Secretary and the State administering agency such reports as the Secretary finds (in consultation with State administering agencies) necessary to monitor the operation, cost, and effectiveness of the PACE program.

**(ii) Requirements during trial period**

During the first 3 years of operation of a PACE program (either under this section

or under a PACE demonstration waiver program), the PACE provider shall provide such additional data as the Secretary specifies in regulations in order to perform the oversight required under paragraph (4)(A).

**(B) Development of outcome measures**

Under a PACE program agreement, the PACE provider, the Secretary, and the State administering agency shall jointly cooperate in the development and implementation of health status and quality of life outcome measures with respect to PACE program eligible individuals.

**(4) Oversight**

**(A) Annual, close oversight during trial period**

During the trial period (as defined in subsection (a)(9)) with respect to a PACE program operated by a PACE provider, the Secretary (in cooperation with the State administering agency) shall conduct a comprehensive annual review of the operation of the PACE program by the provider in order to assure compliance with the requirements of this section and regulations. Such a review shall include—

- (i) an onsite visit to the program site;
- (ii) comprehensive assessment of a provider's fiscal soundness;
- (iii) comprehensive assessment of the provider's capacity to provide all PACE services to all enrolled participants;
- (iv) detailed analysis of the entity's substantial compliance with all significant requirements of this section and regulations; and
- (v) any other elements the Secretary or the State administering agency considers necessary or appropriate.

**(B) Continuing oversight**

After the trial period, the Secretary (in cooperation with the State administering agency) shall continue to conduct such review of the operation of PACE providers and PACE programs as may be appropriate, taking into account the performance level of a provider and compliance of a provider with all significant requirements of this section and regulations.

**(C) Disclosure**

The results of reviews under this paragraph shall be reported promptly to the PACE provider, along with any recommendations for changes to the provider's program, and shall be made available to the public upon request.

**(5) Termination of PACE provider agreements**

**(A) In general**

Under regulations—

- (i) the Secretary or a State administering agency may terminate a PACE program agreement for cause, and
- (ii) a PACE provider may terminate such an agreement after appropriate notice to the Secretary, the State administering agency, and enrollees.

**(B) Causes for termination**

In accordance with regulations establishing procedures for termination of PACE program agreements, the Secretary or a State administering agency may terminate a PACE program agreement with a PACE provider for, among other reasons, the fact that—

(i) the Secretary or State administering agency determines that—

(I) there are significant deficiencies in the quality of care provided to enrolled participants; or

(II) the provider has failed to comply substantially with conditions for a program or provider under this section or section 1395eee of this title; and

(ii) the entity has failed to develop and successfully initiate, within 30 days of the date of the receipt of written notice of such a determination, a plan to correct the deficiencies, or has failed to continue implementation of such a plan.

**(C) Termination and transition procedures**

An entity whose PACE provider agreement is terminated under this paragraph shall implement the transition procedures required under subsection (a)(2)(C).

**(6) Secretary's oversight; enforcement authority**

**(A) In general**

Under regulations, if the Secretary determines (after consultation with the State administering agency) that a PACE provider is failing substantially to comply with the requirements of this section and regulations, the Secretary (and the State administering agency) may take any or all of the following actions:

(i) Condition the continuation of the PACE program agreement upon timely execution of a corrective action plan.

(ii) Withhold some or all further payments under the PACE program agreement under this section or section 1395eee of this title with respect to PACE program services furnished by such provider until the deficiencies have been corrected.

(iii) Terminate such agreement.

**(B) Application of intermediate sanctions**

Under regulations, the Secretary may provide for the application against a PACE provider of remedies described in section 1395w-27(g)(2) (or, for periods before January 1, 1999, section 1395mm(i)(6)(B) of this title) or 1396b(m)(5)(B) of this title in the case of violations by the provider of the type described in section 1395w-27(g)(1) (or 1395mm(i)(6)(A) of this title for such periods) or 1396b(m)(5)(A) of this title, respectively (in relation to agreements, enrollees, and requirements under section 1395eee of this title or this section, respectively).

**(7) Procedures for termination or imposition of sanctions**

Under regulations, the provisions of section 1395w-27(h) of this title (or for periods before

January 1, 1999, section 1395mm(i)(9) of this title) shall apply to termination and sanctions respecting a PACE program agreement and PACE provider under this subsection in the same manner as they apply to a termination and sanctions with respect to a contract and a Medicare+Choice organization under part C of subchapter XVIII (or for such periods an eligible organization under section 1395mm of this title).

**(8) Timely consideration of applications for PACE program provider status**

In considering an application for PACE provider program status, the application shall be deemed approved unless the Secretary, within 90 days after the date of the submission of the application to the Secretary, either denies such request in writing or informs the applicant in writing with respect to any additional information that is needed in order to make a final determination with respect to the application. After the date the Secretary receives such additional information, the application shall be deemed approved unless the Secretary, within 90 days of such date, denies such request.

**(f) Regulations**

**(1) In general**

The Secretary shall issue interim final or final regulations to carry out this section and section 1395eee of this title.

**(2) Use of PACE protocol**

**(A) In general**

In issuing such regulations, the Secretary shall, to the extent consistent with the provisions of this section, incorporate the requirements applied to PACE demonstration waiver programs under the PACE protocol.

**(B) Flexibility**

In order to provide for reasonable flexibility in adapting the PACE service delivery model to the needs of particular organizations (such as those in rural areas or those that may determine it appropriate to use nonstaff physicians according to State licensing law requirements) under this section and section 1395eee of this title, the Secretary (in close consultation with State administering agencies) may modify or waive provisions of the PACE protocol so long as any such modification or waiver is not inconsistent with and would not impair the essential elements, objectives, and requirements of this section, but may not modify or waive any of the following provisions:

(i) The focus on frail elderly qualifying individuals who require the level of care provided in a nursing facility.

(ii) The delivery of comprehensive, integrated acute and long-term care services.

(iii) The interdisciplinary team approach to care management and service delivery.

(iv) Capitated, integrated financing that allows the provider to pool payments received from public and private programs and individuals.

(v) The assumption by the provider of full financial risk.

**(C) Continuation of modifications or waivers of operational requirements under demonstration status**

If a PACE program operating under demonstration authority has contractual or other operating arrangements which are not otherwise recognized in regulation and which were in effect on July 1<sup>1</sup> 2000, the Secretary (in close consultation with, and with the concurrence of, the State administering agency) shall permit any such program to continue such arrangements so long as such arrangements are found by the Secretary and the State to be reasonably consistent with the objectives of the PACE program.

**(3) Application of certain additional beneficiary and program protections**

**(A) In general**

In issuing such regulations and subject to subparagraph (B), the Secretary may apply with respect to PACE programs, providers, and agreements such requirements of part C of subchapter XVIII (or, for periods before January 1, 1999, section 1395mm of this title) and sections 1396b(m) and 1396u-2 of this title relating to protection of beneficiaries and program integrity as would apply to Medicare+Choice organizations under such part C (or for such periods eligible organizations under risk-sharing contracts under section 1395mm of this title) and to medicaid managed care organizations under prepaid capitation agreements under section 1396b(m) of this title.

**(B) Considerations**

In issuing such regulations, the Secretary shall—

(i) take into account the differences between populations served and benefits provided under this section and under part C of subchapter XVIII (or, for periods before January 1, 1999, section 1395mm of this title) and section 1396b(m) of this title;

(ii) not include any requirement that conflicts with carrying out PACE programs under this section; and

(iii) not include any requirement restricting the proportion of enrollees who are eligible for benefits under this subchapter or subchapter XVIII.

**(4) Construction**

Nothing in this subsection shall be construed as preventing the Secretary from including in regulations provisions to ensure the health and safety of individuals enrolled in a PACE program under this section that are in addition to those otherwise provided under paragraphs (2) and (3).

**(g) Waivers of requirements**

With respect to carrying out a PACE program under this section, the following requirements of this subchapter (and regulations relating to such requirements) shall not apply:

(1) Section 1396a(a)(1) of this title, relating to any requirement that PACE programs or PACE program services be provided in all areas of a State.

<sup>1</sup> So in original. Probably should be followed by a comma.

(2) Section 1396a(a)(10) of this title, insofar as such section relates to comparability of services among different population groups.

(3) Sections 1396a(a)(23) and 1396n(b)(4) of this title, relating to freedom of choice of providers under a PACE program.

(4) Section 1396b(m)(2)(A) of this title, insofar as it restricts a PACE provider from receiving prepaid capitation payments.

(5) Such other provisions of this subchapter that, as added or amended by the Balanced Budget Act of 1997, the Secretary determines are inapplicable to carrying out a PACE program under this section.

**(h) Demonstration project for for-profit entities**

**(1) In general**

In order to demonstrate the operation of a PACE program by a private, for-profit entity, the Secretary (in close consultation with State administering agencies) shall grant waivers from the requirement under subsection (a)(3) that a PACE provider may not be a for-profit, private entity.

**(2) Similar terms and conditions**

**(A) In general**

Except as provided under subparagraph (B), and paragraph (1), the terms and conditions for operation of a PACE program by a provider under this subsection shall be the same as those for PACE providers that are nonprofit, private organizations.

**(B) Numerical limitation**

The number of programs for which waivers are granted under this subsection shall not exceed 10. Programs with waivers granted under this subsection shall not be counted against the numerical limitation specified in subsection (e)(1)(B).

**(i) Post-eligibility treatment of income**

A State may provide for post-eligibility treatment of income for individuals enrolled in PACE programs under this section in the same manner as a State treats post-eligibility income for individuals receiving services under a waiver under section 1396n(c) of this title.

**(j) Miscellaneous provisions**

Nothing in this section or section 1395eee of this title shall be construed as preventing a PACE provider from entering into contracts with other governmental or nongovernmental payers for the care of PACE program eligible individuals who are not eligible for benefits under part A, or enrolled under part B, of subchapter XVIII or eligible for medical assistance under this subchapter.

**(3) Screening for eligibility, and enrollment of, beneficiaries for medicare cost-sharing**

As part of making an eligibility determination required under paragraph (2) for an individual, the State shall make a determination of the individual's eligibility for medical assistance for any medicare cost-sharing described in section 1396d(p)(3) of this title and, if the individual is eligible for any such medicare cost-sharing, offer enrollment to the individual under the State plan (or under a waiver of such plan).

**(4) Consideration of data transmitted by the Social Security Administration for purposes of Medicare Savings Program**

The State shall accept data transmitted under section 1320b-14(c)(3) of this title and act on such data in the same manner and in accordance with the same deadlines as if the data constituted an initiation of an application for benefits under the Medicare Savings Program (as defined for purposes of such section) that had been submitted directly by the applicant. The date of the individual's application for the low income subsidy program from which the data have been derived shall constitute the date of filing of such application for benefits under the Medicare Savings Program.

**(C) Compliance**

If a State fails to pay to the Secretary an amount required under subparagraph (A), interest shall accrue on such amount at the rate provided under section 1396b(d)(5) of this title. (I) the base year State medicaid per capita expenditures for covered part D drugs for full-benefit dual eligible individuals (as computed under paragraph (3)); and

(II) a proportion equal to 100 percent minus the Federal medical assistance percentage (as defined in section 1396d(b) of this title) applicable to the State for the fiscal year in which the month occurs; and

**(B) Notice**

The Secretary shall notify each State described in paragraph (1) not later than October 15 before the beginning of each year (beginning with 2006) of the amount computed under subparagraph (A) for the State for that year.

**(3) Base year state medicaid per capita expenditures for covered part D drugs for full-benefit dual eligible individuals****(A) In general**

For purposes of paragraph (2)(A), the "base year State medicaid per capita expenditures for covered part D drugs for full-benefit dual eligible individuals" for a State is equal to the weighted average (as weighted under subparagraph (C)) of—

(i) the gross per capita medicaid expenditures for prescription drugs for 2003, determined under subparagraph (B); and

<sup>1</sup> See References in Text note below.

(ii) the estimated actuarial value of prescription drug benefits provided under a capitated managed care plan per full-benefit dual eligible individual for 2003, as determined using such data as the Secretary determines appropriate.

**(B) Gross per capita medicaid expenditures for prescription drugs**

**(i) In general**

The gross per capita medicaid expenditures for prescription drugs for 2003 under this subparagraph is equal to the expenditures, including dispensing fees, for the State under this subchapter during 2003 for covered outpatient drugs, determined per full-benefit-dual-eligible-individual for such individuals not receiving medical assistance for such drugs through a medicaid managed care plan.

**(ii) Determination**

In determining the amount under clause (i), the Secretary shall—

(I) use data from the Medicaid Statistical Information System (MSIS) and other available data;

(II) exclude expenditures attributable to covered outpatient prescription drugs that are not covered part D drugs (as defined in section 1395w-102(e) of this title, including drugs described in subparagraph (K) of section 1396r-8(d)(2) of this title); and

(III) reduce such expenditures by the product of such portion and the adjustment factor (described in clause (iii)).

**(iii) Adjustment factor**

The adjustment factor described in this clause for a State is equal to the ratio for the State for 2003 of—

(I) aggregate payments under agreements under section 1396r-8 of this title; to

(II) the gross expenditures under this subchapter for covered outpatient drugs referred to in clause (i).

Such factor shall be determined based on information reported by the State in the medicaid financial management reports (form CMS-64) for the 4 quarters of calendar year 2003 and such other data as the Secretary may require.

**(C) Weighted average**

The weighted average under subparagraph (A) shall be determined taking into account—

(i) with respect to subparagraph (A)(i), the average number of full-benefit dual eligible individuals in 2003 who are not described in clause (ii); and

(ii) with respect to subparagraph (A)(ii), the average number of full-benefit dual eligible individuals in such year who received in 2003 medical assistance for covered outpatient drugs through a medicaid managed care plan.

**(4) Applicable growth factor**

The applicable growth factor under this paragraph for—

(A) each of 2004, 2005, and 2006, is the average annual percent change (to that year from the previous year) of the per capita amount of prescription drug expenditures (as determined based on the most recent National Health Expenditure projections for the years involved); and

(B) a succeeding year, is the annual percentage increase specified in section 1395w-102(b)(6) of this title for the year.

**(5) Factor**

The factor under this paragraph for a month—

(A) in 2006 is 90 percent;

(B) in 2007 is 88½ percent;

(C) in 2008 is 86¾ percent;

(D) in 2009 is 85 percent;

(F) in 2011 is 81¾ percent;

(G) in 2012 is 80 percent;

(I) in 2014 is 76¾ percent; or

(J) after December 2014, is 75 percent.

**(6) Full-benefit dual eligible individual defined**

**(A) In general**

For purposes of this section, the term “full-benefit dual eligible individual” means for a State for a month an individual who—

(i) has coverage for the month for covered part D drugs under a prescription drug plan under part D of subchapter XVIII, or under an MA-PD plan under part C of such subchapter; and

(ii) is determined eligible by the State for medical assistance for full benefits under this subchapter for such month under section 1396a(a)(10)(A) or 1396a(a)(10)(C) of this title, by reason of section 1396a(f) of this title, or under any other category of eligibility for medical assistance for full benefits under this subchapter, as determined by the Secretary.

The provision of benefits with respect to such drugs shall not be considered as the provision of care or services under the plan under this subchapter. No

payment may be made under section 1396b(a) of this title for prescribed drugs for which medical assistance is not available pursuant to this paragraph.

**(2) Coverage of certain excludable drugs**

In the case of medical assistance under this subchapter with respect to a covered outpatient drug (other than a covered part D drug) furnished to an individual who is enrolled in a prescription drug plan under part D of subchapter XVIII or an MA-PD plan under part C of such subchapter, the State may elect to provide such medical assistance in the manner otherwise provided in the case of individuals who are not full-benefit dual eligible individuals or through an arrangement with such plan.

**(e) Treatment of territories**

**(1) In general**

In the case of a State, other than the 50 States and the District of Columbia—

(A) the previous provisions of this section shall not apply to residents of such State; and

**(2) Plan**

The Secretary shall determine that a plan is described in this paragraph if the plan—

(A) provides medical assistance with respect to the provision of covered part D drugs (as defined in section 1395w-102(e) of this title) to low-income part D eligible individuals;

(B) provides assurances that additional amounts received by the State that are attributable to the operation of this subsection shall be used only for such assistance and related administrative expenses and that no more than 10 percent of the amount specified in paragraph (3)(A) for the State for any fiscal period shall be used for such administrative expenses; and

(C) meets such other criteria as the Secretary may establish.

**(3) Increased amount**

**(A) In general**

The amount specified in this paragraph for a State for a year is equal to the product of—

(i) the aggregate amount specified in subparagraph (B); and

(ii) the ratio (as estimated by the Secretary) of—

(I) the number of individuals who are entitled to benefits under part A<sup>1</sup> or enrolled under part B<sup>1</sup> and who reside in the State (as determined by the Secretary based on the most recent avail-

able data before the beginning of the year); to

(II) the sum of such numbers for all States that submit a plan described in paragraph (2).

**(B) Aggregate amount**

The aggregate amount specified in this subparagraph for—

(i) the last 3 quarters of fiscal year 2006, is equal to \$28,125,000;

**(4) Treatment of funding for certain fiscal years**

Notwithstanding paragraph (1)(B), in the case that Puerto Rico, the Virgin Islands, Guam, the Northern Mariana Islands, or American Samoa establishes and submits to the Secretary a plan described in paragraph (2) with respect to any of fiscal years 2020 through 2021, the amount specified for such a year in paragraph (3) for Puerto Rico, the Virgin Islands, Guam, the Northern Mariana Islands, or American Samoa, as the case may be, shall be taken into account in applying, as applicable, subparagraph (A)(ii), (B)(ii), (C)(ii), (D)(ii), or (E)(ii) of section 1308(g)(2) of this title for such year.

**(5) Report**

The Secretary shall submit to Congress a report on the application of this subsection and may include in the report such recommendations as the Secretary deems appropriate.

### § 1396u-8. Health opportunity accounts

#### (a) Authority

##### (1) In general

Notwithstanding any other provision of this subchapter, the Secretary shall establish a demonstration program under which States may provide under their State plans under this subchapter (including such a plan operating under a statewide waiver under section 1315 of this title) in accordance with this section for the provision of alternative benefits consistent with subsection (c) for eligible population groups in one or more geographic areas of the State specified by the State. An amendment under the previous sentence is referred to in this section as a “State demonstration program”.

## (2) Initial demonstration

### (A) In general

The demonstration program under this section shall begin on January 1, 2007. During the first 5 years of such program, the Secretary shall not approve more than 10 States to conduct demonstration programs under this section, with each State demonstration program covering 1 or more geographic areas specified by the State. After such 5-year period—

(i) unless the Secretary finds, taking into account cost-effectiveness, quality of care, and other criteria that the Secretary specifies, that a State demonstration program previously implemented has been unsuccessful, such a demonstration program may be extended or made permanent in the State; and

(ii) unless the Secretary finds, taking into account cost-effectiveness, quality of care, and other criteria that the Secretary specifies, that all State demonstration programs previously implemented were unsuccessful, other States may implement State demonstration programs.

### (B) GAO report

#### (i) In general

Not later than 3 months after the end of the 5-year period described in subparagraph (A), the Comptroller General of the United States shall submit a report to Congress evaluating the demonstration programs conducted under this section during such period.

#### (ii) Appropriation

Out of any funds in the Treasury not otherwise appropriated, there is appropriated to the Comptroller General of the United States, \$550,000 for the period of fiscal years 2007 through 2010 to carry out clause (i).

### (3) Approval

The Secretary shall not approve a State demonstration program under paragraph (1) unless the program includes the following:

(B) Providing incentives to patients to seek preventive care services.

(C) Reducing inappropriate use of health care services.

(D) Enabling patients to take responsibility for health outcomes.

(E) Providing enrollment counselors and ongoing education activities.

(F) Providing transactions involving health opportunity accounts to be conducted electronically and without cash.

(G) Providing access to negotiated provider payment rates consistent with this section.

Nothing in this section shall be construed as preventing a State demonstration program from providing incentives for patients obtaining appropriate preventive care (as defined for purposes of section 223(c)(2)(C) of the Internal Revenue Code of 1986), such as additional ac-

count contributions for an individual demonstrating healthy prevention practices.

**(4) No requirement for statewideness**

Nothing in this section or any other provision of law shall be construed to require that a State must provide for the implementation of a State demonstration program on a State-wide<sup>1</sup> basis.

**(b) Eligible population groups**

**(1) In general**

A State demonstration program under this section shall specify the eligible population groups consistent with paragraphs (2) and (3).

(C) Individuals who are eligible for medical assistance under this subchapter only because they are (or were within the previous 60 days) pregnant.

(D) Individuals who have been eligible for medical assistance for a continuous period of less than 3 months.

**(3) Additional limitations**

A State demonstration program shall not apply to any individual within a category of individuals described in section 1396u-7(a)(2)(B) of this title.

**(4) Limitations**

**(A) State option**

This subsection shall not be construed as preventing a State from further limiting eligibility.

**(B) On enrollees in Medicaid managed care organizations**

Insofar as the State provides for eligibility of individuals who are enrolled in Medicaid managed care organizations, such individuals may participate in the State demonstration program only if the State provides assurances satisfactory to the Secretary that the following conditions are met with respect to any such organization:

(i) In no case may the number of such individuals enrolled in the organization who participate in the program exceed 5 percent of the total number of individuals enrolled in such organization.

(ii) The proportion of enrollees in the organization who so participate is not significantly disproportionate to the proportion of such enrollees in other such organizations who participate.

(iii) The State has provided for an appropriate adjustment in the per capita pay-

ments to the organization to account for such participation, taking into account differences in the likely use of health services between enrollees who so participate and enrollees who do not so participate.

**(5) Voluntary participation**

An eligible individual shall be enrolled in a State demonstration program only if the individual voluntarily enrolls. Except in such hardship cases as the Secretary shall specify, such an enrollment shall be effective for a period of 12 months, but may be extended for additional periods of 12 months each with the consent of the individual.

**(6) 1-year moratorium for reenrollment**

An eligible individual who, for any reason, is disenrolled from a State demonstration program conducted under this section shall not be permitted to reenroll in such program before the end of the 1-year period that begins on the effective date of such disenrollment.

**(c) Alternative benefits**

**(1) In general**

The alternative benefits provided under this section shall consist, consistent with this subsection, of at least—

(A) coverage for medical expenses in a year for items and services for which benefits are otherwise provided under this subchapter after an annual deductible described in paragraph (2) has been met; and

(B) contribution into a health opportunity account.

Nothing in subparagraph (A) shall be construed as preventing a State from providing for coverage of preventive care (referred to in subsection (a)(3)) within the alternative benefits without regard to the annual deductible.

**(2) Annual deductible**

The amount of the annual deductible described in paragraph (1)(A) shall be at least 100 percent, but no more than 110 percent, of the annualized amount of contributions to the health opportunity account under subsection (d)(2)(A)(i), determined without regard to any limitation described in subsection (d)(2)(C)(i)(II).

**(3) Access to negotiated provider payment rates**

**(A) Fee-for-service enrollees**

In the case of an individual who is participating in a State demonstration program and who is not enrolled with a Medicaid managed care organization, the State shall provide that the individual may obtain demonstration program Medicaid services from—

(i) any participating provider under this subchapter at the same payment rates that would be applicable to such services if the deductible described in paragraph (1)(A) was not applicable; or

(ii) any other provider at payment rates that do not exceed 125 percent of the payment rate that would be applicable to such services furnished by a participating provider under this subchapter if the deductible described in paragraph (1)(A) was not applicable.

<sup>1</sup> So in original. Probably should not be capitalized.

**(B) Treatment under medicaid managed care plans**

In the case of an individual who is participating in a State demonstration program and is enrolled with a Medicaid managed care organization, the State shall enter into an arrangement with the organization under which the individual may obtain demonstration program Medicaid services from any provider described in clause (ii) of subparagraph (A) at payment rates that do not exceed the payment rates that may be imposed under that clause.

**(C) Computation**

The payment rates described in subparagraphs (A) and (B) shall be computed without regard to any cost sharing that would be otherwise applicable under sections 1396o and 1396o-1 of this title.

**(D) Definitions**

For purposes of this paragraph:

(ii) The term “participating provider” means—

(I) with respect to an individual described in subparagraph (A), a health care provider that has entered into a participation agreement with the State for the provision of services to individuals entitled to benefits under the State plan; or

Except as provided under paragraphs (1) and (2), alternative benefits for an eligible individual shall consist of the benefits otherwise provided to the individual, including cost sharing relating to such benefits.

**(5) Overriding cost sharing and comparability requirements for alternative benefits**

The provisions of this subchapter relating to cost sharing for benefits (including sections 1396o and 1396o-1 of this title) shall not apply with respect to benefits to which the annual deductible under paragraph (1)(A) applies. The provisions of section 1396a(a)(10)(B) of this title (relating to comparability) shall not apply with respect to the provision of alternative benefits (as described in this subsection).

**(6) Treatment as medical assistance**

Subject to subparagraphs (D) and (E) of subsection (d)(2), payments for alternative benefits under this section (including contribu-

**(7) Use of tiered deductible and cost sharing****(A) In general**

A State—

(i) may vary the amount of the annual deductible applied under paragraph (1)(A) based on the income of the family involved so long as it does not favor families with higher income over those with lower income; and

(ii) may vary the amount of the maximum out-of-pocket cost sharing (as defined in subparagraph (B)) based on the income of the family involved so long as it does not favor families with higher income over those with lower income.

**(B) Maximum out-of-pocket cost sharing**

For purposes of subparagraph (A)(ii), the term “maximum out-of-pocket cost sharing” means, for an individual or family, the amount by which the annual deductible level applied under paragraph (1)(A) to the individual or family exceeds the balance in the health opportunity account for the individual or family.

**(8) Contributions by employers**

Nothing in this section shall be construed as preventing an employer from providing health benefits coverage consisting of the coverage described in paragraph (1)(A) to individuals who are provided alternative benefits under this section.

**(d) Health opportunity account****(1) In general**

For purposes of this section, the term “health opportunity account” means an account that meets the requirements of this subsection.

(II) may limit contributions into such an account once the balance in the ac-

count reaches a level specified by the State; and

(III) subject to clauses (ii) and (iii) and subparagraph (D)(i), may not provide contributions described in subparagraph (A)(i) to a health opportunity account on behalf of an individual or family to the extent the amount of such contributions (including both State and Federal shares) exceeds, on an annual basis, \$2,500 for each individual (or family member) who is an adult and \$1,000 for each individual (or family member) who is a child.

**(ii) Indexing of dollar limitations**

For each year after 2006, the dollar amounts specified in clause (i)(III) shall be annually increased by the Secretary by a percentage that reflects the annual percentage increase in the medical care component of the consumer price index for all urban consumers.

**(iii) Budget neutral adjustment**

A State may provide for dollar limitations in excess of those specified in clause (i)(III) (as increased under clause (ii)) for specified individuals if the State provides assurances satisfactory to the Secretary that contributions otherwise made to other individuals will be reduced in a manner so as to provide for aggregate contributions that do not exceed the aggregate contributions that would otherwise be permitted under this subparagraph.

**(D) Limitations on Federal matching**

**(i) State contribution**

A State may contribute under subparagraph (A)(i) amounts to a health opportunity account in excess of the limitations provided under subparagraph (C)(i)(III), but no Federal financial participation shall be provided under section 1396b(a) of this title with respect to contributions in excess of such limitations.

**(ii) No FFP for private contributions**

No Federal financial participation shall be provided under section 1396b(a) of this title with respect to any contributions described in subparagraph (A)(ii) to a health opportunity account.

**(E) Application of different matching rates**

The Secretary shall provide a method under which, for expenditures made from a health opportunity account for medical care for which the Federal matching rate under section 1396b(a) of this title exceeds the Federal medical assistance percentage, a State may obtain payment under such section at such higher matching rate for such expenditures.

**(3) Use**

**(A) General uses**

**(i) In general**

Subject to the succeeding provisions of this paragraph, amounts in a health opportunity account may be used for payment of

such health care expenditures as the State specifies.

**(ii) General limitation**

Subject to subparagraph (B)(ii), in no case shall such account be used for payment for health care expenditures that are not payment of medical care (as defined by section 213(d) of the Internal Revenue Code of 1986).

**(iii) State restrictions**

In applying clause (i), a State may restrict payment for—

(I) providers of items and services to providers that are licensed or otherwise authorized under State law to provide the item or service and may deny payment for such a provider on the basis that the provider has been found, whether with respect to this subchapter or any other health benefit program, to have failed to meet quality standards or to have committed 1 or more acts of fraud or abuse; and

(II) items and services insofar as the State finds they are not medically appropriate or necessary.

**(iv) Electronic withdrawals**

The State demonstration program shall provide for a method whereby withdrawals may be made from the account for such purposes using an electronic system and shall not permit withdrawals from the account in cash.

**(B) Maintenance of health opportunity account after becoming ineligible for public benefit**

**(i) In general**

Notwithstanding any other provision of law, if an account holder of a health opportunity account becomes ineligible for benefits under this subchapter because of an increase in income or assets—

(I) no additional contribution shall be made into the account under paragraph (2)(A)(i);

(II) subject to clause (iii), the balance in the account shall be reduced by 25 percent; and

(III) subject to the succeeding provisions of this subparagraph, the account shall remain available to the account holder for 3 years after the date on which the individual becomes ineligible for such benefits for withdrawals under the same terms and conditions as if the account holder remained eligible for such benefits, and such withdrawals shall be treated as medical assistance in accordance with subsection (c)(6).

**(ii) Special rules**

Withdrawals under this subparagraph from an account—

(I) shall be available for the purchase of health insurance coverage; and

(II) may, subject to clause (iv), be made available (at the option of the State) for such additional expenditures

(such as job training and tuition expenses) specified by the State (and approved by the Secretary) as the State may specify.

**(iii) Exception from 25 percent savings to Government for private contributions**

Clause (i)(II) shall not apply to the portion of the account that is attributable to contributions described in paragraph (2)(A)(ii). For purposes of accounting for such contributions, withdrawals from a health opportunity account shall first be attributed to contributions described in paragraph (2)(A)(i).

**(iv) Condition for non-health withdrawals**

No withdrawal may be made from an account under clause (ii)(II) unless the account holder has participated in the program under this section for at least 1 year.

**(v) No requirement for continuation of coverage**

An account holder of a health opportunity account, after becoming ineligible for medical assistance under this subchapter, is not required to purchase high-deductible or other insurance as a condition of maintaining or using the account.

**(4) Administration**

A State may coordinate administration of health opportunity accounts through the use of a third party administrator and reasonable expenditures for the use of such administrator shall be reimbursable to the State in the same manner as other administrative expenditures under section 1396b(a)(7) of this title.

**(5) Treatment**

Amounts in, or contributed to, a health opportunity account shall not be counted as income or assets for purposes of determining eligibility for benefits under this subchapter.

**(6) Unauthorized withdrawals**

A State may establish procedures—

(A) to penalize or remove an individual from the health opportunity account based on nonqualified withdrawals by the individual from such an account; and

(B) to recoup costs that derive from such nonqualified withdrawals.

The purposes of this division are the following:

(1) To improve the lives of families and individuals in need in the United States by funding social programs that achieve real results.

(4) To establish the use of social impact partnerships to address some of our Nation's most pressing problems.

(5) To facilitate the creation of public-private partnerships that bundle philanthropic or other private resources with existing public spending to scale up effective social interventions already being implemented by private organizations, nonprofits, charitable organizations, and State and local governments across the country.

(6) To bring pay-for-performance to the social sector, allowing the United States to improve the impact and effectiveness of vital social services programs while redirecting inefficient or duplicative spending.

(7) To incorporate outcomes measurement and randomized controlled trials or other rigorous methodologies for assessing program impact.

(Aug. 14, 1935, ch. 531, title XX, §2051, as added Pub. L. 115-123, div. E, title VIII, §50802(2), Feb. 9, 2018, 132 Stat. 269.)

**(4) Determination of actuarial value**

The actuarial value of coverage of benchmark benefit packages, coverage offered under the State child health plan, and coverage of any categories of additional services under benchmark benefit packages and under coverage offered by such a plan, shall be set forth in an actuarial opinion in an actuarial report that has been prepared—

(A) by an individual who is a member of the American Academy of Actuaries;

(B) using generally accepted actuarial principles and methodologies;

(E) applying the same principles and factors in comparing the value of different coverage (or categories of services);

(F) without taking into account any differences in coverage based on the method of delivery or means of cost control or utilization used; and

(G) taking into account the ability of a State to reduce benefits by taking into account the increase in actuarial value of benefits coverage offered under the State child health plan that results from the limitations on cost sharing under such coverage.

The actuary preparing the opinion shall select and specify in the memorandum the standardized set and population to be used under subparagraphs (C) and (D).

**(5) Mental health and substance use disorder services**

Regardless of the type of coverage elected by a State under subsection (a), child health assistance provided under such coverage for targeted low-income children and, in the case that the State elects to provide pregnancy-related assistance under such coverage pursuant to section 1397ll of this title, such pregnancy-related assistance for targeted low-income pregnant women (as defined in section 1397ll(d) of this title) shall—

In applying the previous sentence with respect to requirements under paragraph (8) of section 2726(a) of the Public Health Service Act [42 U.S.C. 300gg-26(a)], a State child health plan described in such sentence shall be treated as in compliance with such requirements if the State child health plan is in compliance with section 457.496 of title 42, Code of Federal Regulations, or any successor regulation.

**(B) Deemed compliance**

To the extent that a State child health plan includes coverage with respect to an individual described in section 1396d(a)(4)(B) of this title and covered under the State plan under section 1396a(a)(10)(A) of this title of the services described in section 1396d(a)(4)(B) of this title (relating to early and periodic screening, diagnostic, and treatment services defined in section 1396d(r) of this title) and provided in accordance with section 1396a(a)(43) of this title, such plan shall be deemed to satisfy the requirements of subparagraph (A).

**(8) Construction on prohibited coverage**

Nothing in this section shall be construed as requiring any health benefits coverage offered

under the plan to provide coverage for items or services for which payment is prohibited under this subchapter, notwithstanding that any benchmark benefit package includes coverage for such an item or service.

**(9) Availability of coverage for items and services furnished through school-based health centers**

Nothing in this subchapter shall be construed as limiting a State's ability to provide child health assistance for covered items and services that are furnished through school-based health centers (as defined in section 1397jj(c)(9) of this title).

**(10) Certain in vitro diagnostic products for COVID-19 testing**

(C) is offered in New York, Florida, or Pennsylvania; and

(D) was offered as of August 5, 1997.

**(2) Modifications**

A State may modify a program described in paragraph (1) from time to time so long as it continues to meet the requirement of subparagraph (A) and does not reduce the actuarial value of the coverage under the program below the lower of—

(A) the actuarial value of the coverage under the program as of August 5, 1997, or

(B) the actuarial value described in subsection (a)(2)(B),

**(1) Description; general conditions**

**(A) Description**

A State child health plan shall include a description, consistent with this subsection, of the amount (if any) of premiums, deductibles, coinsurance, and other cost sharing imposed. Any such charges shall be imposed pursuant to a public schedule.

**(B) Protection for lower income children**

The State child health plan may only vary premiums, deductibles, coinsurance, and other cost sharing based on the family income of targeted low-income children in a manner that does not favor children from

<sup>1</sup> See References in Text note below.

families with higher income over children from families with lower income.

**(2) No cost sharing on benefits for preventive services, COVID-19 testing, or pregnancy-related assistance**

The State child health plan may not impose deductibles, coinsurance, or other cost sharing with respect to benefits for services within the categories of services described in subsection (c)(1)(D), in vitro diagnostic products described in subsection (c)(10) (and administration of such products), visits described in section 1396o(a)(2)(G) of this title, or for pregnancy-related assistance.

**(3) Limitations on premiums and cost-sharing**

**(A) Children in families with income below 150 percent of poverty line**

In the case of a targeted low-income child whose family income is at or below 150 percent of the poverty line, the State child health plan may not impose—

(ii) a deductible, cost sharing, or similar charge that exceeds an amount that is nominal (as determined consistent with regulations referred to in section 1396o(a)(3) of this title, with such appropriate adjustment for inflation or other reasons as the Secretary determines to be reasonable).

**(B) Other children**

For children not described in subparagraph (A), subject to paragraphs (1)(B) and (2), any premiums, deductibles, cost sharing or similar charges imposed under the State child health plan may be imposed on a sliding scale related to income, except that the total annual aggregate cost-sharing with respect to all targeted low-income children in a family under this subchapter may not exceed 5 percent of such family's income for the year involved.

**(C) Premium grace period**

The State child health plan—

(i) shall afford individuals enrolled under the plan a grace period of at least 30 days from the beginning of a new coverage period to make premium payments before the individual's coverage under the plan may be terminated; and

(ii) shall provide to such an individual, not later than 7 days after the first day of such grace period, notice—

(I) that failure to make a premium payment within the grace period will result in termination of coverage under the State child health plan; and

(II) of the individual's right to challenge the proposed termination pursuant to the applicable Federal regulations.

For purposes of clause (i), the term “new coverage period” means the month immediately following the last month for which the premium has been paid.

**(4) Relation to medicaid requirements**

Nothing in this subsection shall be construed as affecting the rules relating to the use of enrollment fees, premiums, deductions, cost sharing, and similar charges in the case of targeted low-income children who are provided child health assistance in the form of coverage under a medicaid program under section 1397aa(a)(2) of this title.

**(f) Application of certain requirements**

**(A) In general**

Subject to subparagraph (B), the State child health plan shall not permit the imposition of any preexisting condition exclusion for covered benefits under the plan.

**(B) Group health plans and group health insurance coverage**

If the State child health plan provides for benefits through payment for, or a contract with, a group health plan or group health insurance coverage, the plan may permit the imposition of a preexisting condition exclusion but only insofar as it is permitted under the applicable provisions of part 7 of subtitle B of title I of the Employee Retirement Income Security Act of 1974 [29 U.S.C. 1181 et seq.] and title XXVII of the Public Health Service Act [42 U.S.C. 300gg et seq.].

Coverage offered under this section shall comply with the requirements of subpart 2 of part A of title XXVII of the Public Health Service Act<sup>1</sup> insofar as such requirements apply with respect to a health insurance issuer that offers group health insurance coverage.

**(3) Compliance with managed care requirements**

The State child health plan shall provide for the application of subsections (a)(4), (a)(5), (b), (c), (d), and (e) of section 1396u-2 of this title (relating to requirements for managed care) to coverage, State agencies, enrollment brokers, managed care entities, and managed care organizations under this subchapter in the same manner as such subsections apply to coverage and such entities and organizations under subchapter XIX.

Any amounts in excess of the aggregate cap described in subparagraph (B) for a fiscal year or period shall be made available for purposes of carrying out section 1397ee(a)(3) of this title for any succeeding fiscal year and the Secretary of the Treasury shall reduce the amount in the Fund by the amount so made available.

**(3) Child Enrollment Contingency Fund payments**

**(A) In general**

If a State’s expenditures under this subchapter in any of fiscal years 2009 through

2014, fiscal year 2016, fiscal years 2018 through 2022, or fiscal years 2024 through 2026 (or a semi-annual allotment period for fiscal year 2015, 2017, 2023, or 2027), exceed the total amount of allotments available under this section to the State in the fiscal year or period (determined without regard to any redistribution it receives under subsection (f) that is available for expenditure during such fiscal year or period, but including any carryover from a previous fiscal year) and if the average monthly unduplicated number of children enrolled under the State plan under this subchapter (including children receiving health care coverage through funds under this subchapter pursuant to a waiver under section 1315 of this title) during such fiscal year or period exceeds its target average number of such enrollees (as determined under subparagraph (B)) for that fiscal year or period, subject to subparagraph (D), the Secretary shall pay to the State from the Fund an amount equal to the product of—

(i) the amount by which such average monthly caseload exceeds such target number of enrollees; and

(ii) the projected per capita expenditures under the State child health plan (as determined under subparagraph (C) for the fiscal year), multiplied by the enhanced FMAP (as defined in section 1397ee(b) of this title) for the State and fiscal year involved (or in which the period occurs).

**(B) Target average number of child enrollees**

In this paragraph, the target average number of child enrollees for a State—

(i) for fiscal year 2009 is equal to the monthly average unduplicated number of children enrolled in the State child health plan under this subchapter (including such children receiving health care coverage through funds under this subchapter pursuant to a waiver under section 1315 of this title) during fiscal year 2008 increased by the population growth for children in that State for the year ending on June 30, 2007 (as estimated by the Bureau of the Census) plus 1 percentage point; or

(ii) for a subsequent fiscal year (or semi-annual period occurring in a fiscal year) is equal to the target average number of child enrollees for the State for the previous fiscal year increased by the child population growth factor described in subsection (m)(6)(B) for the State for the prior fiscal year.

**(C) Projected per capita expenditures**

For purposes of subparagraph (A)(ii), the projected per capita expenditures under a State child health plan—

(i) for fiscal year 2009 is equal to the average per capita expenditures (including both State and Federal financial participation) under such plan for the targeted low-income children counted in the average monthly caseload for purposes of this paragraph during fiscal year 2008, increased by the annual percentage increase in the projected per capita amount of Na-

tional Health Expenditures (as estimated by the Secretary) for 2009; or

(ii) for a subsequent fiscal year (or semi-annual period occurring in a fiscal year) is equal to the projected per capita expenditures under such plan for the previous fiscal year (as determined under clause (i) or this clause) increased by the annual percentage increase in the projected per capita amount of National Health Expenditures (as estimated by the Secretary) for the year in which such subsequent fiscal year ends.

**(D) Proration rule**

If the amounts available for payment from the Fund for a fiscal year or period are less than the total amount of payments determined under subparagraph (A) for the fiscal year or period, the amount to be paid under such subparagraph to each eligible State shall be reduced proportionally.

**(E) Timely payment; reconciliation**

Payment under this paragraph for a fiscal year or period shall be made before the end of the fiscal year or period based upon the most recent data for expenditures and enrollment and the provisions of subsection (e) of section 1397ee of this title shall apply to payments under this subsection in the same manner as they apply to payments under such section.

**(F) Continued reporting**

For purposes of this paragraph and subsection (f), the State shall submit to the Secretary the State's projected Federal expenditures, even if the amount of such expenditures exceeds the total amount of allotments available to the State in such fiscal year or period.

**(G) Application to commonwealths and territories**

No payment shall be made under this paragraph to a commonwealth or territory described in subsection (c)(3) until such time as the Secretary determines that there are in effect methods, satisfactory to the Secretary, for the collection and reporting of reliable data regarding the enrollment of children described in subparagraphs (A) and (B) in order to accurately determine the commonwealth's or territory's eligibility for, and amount of payment, under this paragraph.

**(B) Other Federal governmental programs**

Except as provided in subparagraph (A) or (B) of subsection (a)(1) or any other provision of law, no payment shall be made to a State under this section for expenditures for child health assistance provided for a targeted low-income child under its plan to the extent that payment has been made or can reasonably be expected to be made promptly (as determined in accordance with regulations) under any other federally operated or financed health care insurance program, other than an insurance program operated or financed by the Indian Health Service, as identified by the Secretary. For purposes of carrying out clause (i), a State may elect to directly pay out-of-pocket expenditures for cost-sharing imposed under the qualified employer-sponsored coverage and collect or not collect all or any portion of such expenditures from the parent of the child.

**(F) Application of waiting period imposed under the State**

Any waiting period imposed under the State child health plan prior to the provision of child health assistance to a targeted low-income child under the State plan shall apply to the same extent to the provision of a premium assistance subsidy for the child under this paragraph.

**(G) Opt-out permitted for any month**

A State shall establish a process for permitting the parent of a targeted low-income child receiving a premium assistance subsidy to disenroll the child from the qualified employer-sponsored coverage and enroll the child in, and receive child health assistance under, the State child health plan, effective on the first day of any month for which the child is eligible for such assistance and in a manner that ensures continuity of coverage for the child.

**(H) Application to parents**

If a State provides child health assistance or health benefits coverage to parents of a targeted low-income child in accordance with section 1397kk(b) of this title, the State may elect to offer a premium assistance subsidy to a parent of a targeted low-income child who is eligible for such a subsidy under this paragraph in the same manner as the State offers such a subsidy for the enrollment of the child in qualified employer-sponsored coverage, except that—

(i) the amount of the premium assistance subsidy shall be increased to take into account the cost of the enrollment of the parent in the qualified employer-sponsored coverage or, at the option of the State if the State determines it cost-effective, the cost of the enrollment of the child's family in such coverage; and

(ii) any reference in this paragraph to a child is deemed to include a reference to the parent or, if applicable under clause (i), the family of the child.

**(I) Additional State option for providing premium assistance**

**(i) In general**

A State may establish an employer-family premium assistance purchasing pool for employers with less than 250 employees who have at least 1 employee who is a pregnant woman eligible for assistance under the State child health plan (including through the application of an option described in section 1397ll(f) of this title) or a member of a family with at least 1 targeted low-income child and to provide a premium assistance subsidy under this paragraph for enrollment in coverage made available through such pool.

**(ii) Access to choice of coverage**

A State that elects the option under clause (i) shall identify and offer access to not less than 2 private health plans that are health benefits coverage that is equivalent to the benefits coverage in a benchmark benefit package described in section

1397cc(b) of this title or benchmark-equivalent coverage that meets the requirements of section 1397cc(a)(2) of this title for employees described in clause (i).

**(iii) Clarification of payment for administrative expenditures**

Nothing in this subparagraph shall be construed as permitting payment under this section for administrative expenditures attributable to the establishment or operation of such pool, except to the extent that such payment would otherwise be permitted under this subchapter.

**(J) No effect on premium assistance waiver programs**

Nothing in this paragraph shall be construed as limiting the authority of a State to offer premium assistance under section 1396e or 1396e-1 of this title, a waiver described in paragraph (2)(B) or (3), a waiver approved under section 1315 of this title, or other authority in effect prior to February 4, 2009.

**(K) Notice of availability**

If a State elects to provide premium assistance subsidies in accordance with this paragraph, the State shall—

(i) include on any application or enrollment form for child health assistance a notice of the availability of premium assistance subsidies for the enrollment of targeted low-income children in qualified employer-sponsored coverage;

(ii) provide, as part of the application and enrollment process under the State child health plan, information describing the availability of such subsidies and how to elect to obtain such a subsidy; and

(iii) establish such other procedures as the State determines necessary to ensure that parents are fully informed of the choices for receiving child health assistance under the State child health plan or through the receipt of premium assistance subsidies.

**(L) Application to qualified employer-sponsored benchmark coverage**

If a group health plan or health insurance coverage offered through an employer is certified by an actuary as health benefits coverage that is equivalent to the benefits coverage in a benchmark benefit package described in section 1397cc(b) of this title or benchmark-equivalent coverage that meets the requirements of section 1397cc(a)(2) of this title, the State may provide premium assistance subsidies for enrollment of targeted low-income children in such group health plan or health insurance coverage in the same manner as such subsidies are provided under this paragraph for enrollment in qualified employer-sponsored coverage, but without regard to the requirement to provide supplemental coverage for benefits and cost-sharing protection provided under the State child health plan under subparagraph (E).

**(M) Coordination with medicaid**

In the case of a targeted low-income child who receives child health assistance through

a State plan under subchapter XIX and who voluntarily elects to receive a premium assistance subsidy under this section, the provisions of section 1396e-1 of this title shall apply and shall supersede any other provisions of this paragraph that are inconsistent with such section.

**(11) Enhanced payments**

Notwithstanding subsection (b), the enhanced FMAP with respect to payments under subsection (a) for expenditures related to the administration of the payment error rate measurement (PERM) requirements applicable to the State child health plan in accordance with the<sup>4</sup> subchapter IV of chapter 33 of title 31 and parts 431 and 457 of title 42, Code of Federal Regulations (or any related or successor guidance or regulations) shall in no event be less than 90 percent.

**(d) Maintenance of effort**

**(1) In medicaid eligibility standards**

No payment may be made under subsection (a) with respect to child health assistance provided under a State child health plan if the State adopts income and resource standards and methodologies for purposes of determining a child's eligibility for medical assistance under the State plan under subchapter XIX that are more restrictive than those applied as of June 1, 1997, except as required under section 1396a(e)(14) of this title.

**(2) In amounts of payment expended for certain State-funded health insurance programs for children**

**(A) In general**

The amount of the allotment for a State in a fiscal year (beginning with fiscal year 1999) shall be reduced by the amount by which—

(i) the total of the State children's health insurance expenditures in the preceding fiscal year, is less than

(ii) the total of such expenditures in fiscal year 1996.

**(B) State children's health insurance expenditures**

The term "State children's health insurance expenditures" means the following:

(i) The State share of expenditures under this subchapter.

(ii) The State share of expenditures under subchapter XIX that are attributable to an enhanced FMAP under the fourth sentence of section 1396d(b) of this title.

(iii) State expenditures under health benefits coverage under an existing comprehensive State-based program, described in section 1397cc(d) of this title.

**(3) Continuation of eligibility standards for children through September 30, 2027**

**(A) In general**

During the period that begins on March 23, 2010, and ends on September 30, 2027, as a condition of receiving payments under section 1396b(a) of this title, a State shall not have in effect eligibility standards, methodologies, or procedures under its State

child health plan (including any waiver under such plan) for children (including children provided medical assistance for which payment is made under section 1397ee(a)(1)(A) of this title) that are more restrictive than the eligibility standards, methodologies, or procedures, respectively, under such plan (or waiver) as in effect on March 23, 2010. During the period that begins on October 1, 2019, and ends on September 30, 2027, the preceding sentence shall only apply with respect to children in families whose income does not exceed 300 percent of the poverty line (as defined in section 1397jj(c)(5) of this title) applicable to a family of the size involved. The preceding sentences shall not be construed as preventing a State during any such periods from—

(i) applying eligibility standards, methodologies, or procedures for children under the State child health plan or under any waiver of the plan that are less restrictive than the eligibility standards, methodologies, or procedures, respectively, for children under the plan or waiver that are in effect on March 23, 2010;

(ii) after September 30, 2015, enrolling children eligible to be targeted low-income children under the State child health plan in a qualified health plan that has been certified by the Secretary under subparagraph (C); or

(iii) imposing a limitation described in section 1397ll(b)(7) of this title for a fiscal year in order to limit expenditures under the State child health plan to those for which Federal financial participation is available under this section for the fiscal year.

**(B) Assurance of exchange coverage for targeted low-income children unable to be provided child health assistance as a result of funding shortfalls**

In the event that allotments provided under section 1397dd of this title are insufficient to provide coverage to all children who are eligible to be targeted low-income children under the State child health plan under this subchapter, a State shall establish procedures to ensure that such children are screened for eligibility for medical assistance under the State plan under subchapter XIX or a waiver of that plan and, if found eligible, enrolled in such plan or a waiver. In the case of such children who, as a result of such screening, are determined to not be eligible for medical assistance under the State plan or a waiver under subchapter XIX, the State shall establish procedures to ensure that the children are enrolled in a qualified health plan that has been certified by the Secretary under subparagraph (C) and is offered through an Exchange established by the State under section 18031 of this title. For purposes of eligibility for premium assistance for the purchase of a qualified health plan under section 36B of the Internal Revenue Code of 1986 and reduced cost-sharing under section 18071 of this title, children described in the preceding sentence shall be

deemed to be ineligible for coverage under the State child health plan.

**(C) Certification of comparability of pediatric coverage offered by qualified health plans**

With respect to each State, the Secretary, not later than April 1, 2015, shall review the benefits offered for children and the cost-sharing imposed with respect to such benefits by qualified health plans offered through an Exchange established by the State under section 18031 of this title and shall certify those plans that offer benefits for children and impose cost-sharing with respect to such benefits that the Secretary determines are at least comparable to the benefits offered and cost-sharing protections provided under the State child health plan.

**(e) Advance payment; retrospective adjustment**

The Secretary may make payments under this section for each quarter on the basis of advance estimates of expenditures submitted by the State and such other investigation as the Secretary may find necessary, and may reduce or increase the payments as necessary to adjust for any overpayment or underpayment for prior quarters.

**(f) Flexibility in submittal of claims**

Nothing in this section or subsections (e) and (f) of section 1397dd of this title shall be construed as preventing a State from claiming as expenditures in the quarter expenditures that were incurred in a previous quarter.

**(g) Authority for qualifying States to use certain funds for medicaid expenditures**

**(1) State option**

**(A) In general**

Notwithstanding any other provision of law, subject to paragraph (4), a qualifying State (as defined in paragraph (2)) may elect to use not more than 20 percent of any allotment under section 1397dd of this title for fiscal year 1998, 1999, 2000, 2001, 2004, 2005, 2006, 2007, or 2008 (insofar as it is available under subsections (e) and (g) of such section) for payments under subchapter XIX in accordance with subparagraph (B), instead of for expenditures under this subchapter.

**(B) Payments to States**

**(i) In general**

In the case of a qualifying State that has elected the option described in subparagraph (A), subject to the availability of funds under such subparagraph with respect to the State, the Secretary shall pay the State an amount each quarter equal to the additional amount that would have been paid to the State under subchapter XIX with respect to expenditures described in clause (ii) if the enhanced FMAP (as determined under subsection (b)) had been substituted for the Federal medical assistance percentage (as defined in section 1396d(b) of this title).

**(ii) Expenditures described**

For purposes of this subparagraph, the expenditures described in this clause are

expenditures, made after August 15, 2003, and during the period in which funds are available to the qualifying State for use under subparagraph (A), for medical assistance under subchapter XIX to individuals who have not attained age 19 and whose family income exceeds 150 percent of the poverty line.

**(iii) No impact on determination of budget neutrality for waivers**

In the case of a qualifying State that uses amounts paid under this subsection for expenditures described in clause (ii) that are incurred under a waiver approved for the State, any budget neutrality determinations with respect to such waiver shall be determined without regard to such amounts paid.

**(2) Qualifying State**

In this subsection, the term “qualifying State” means a State that, on and after April 15, 1997, has an income eligibility standard that is at least 184 percent of the poverty line with respect to any 1 or more categories of children (other than infants) who are eligible for medical assistance under section 1396a(a)(10)(A) of this title or, in the case of a State that has a statewide waiver in effect under section 1315 of this title with respect to subchapter XIX that was first implemented on August 1, 1994, or July 1, 1995, has an income eligibility standard under such waiver for children that is at least 185 percent of the poverty line, or, in the case of a State that has a statewide waiver in effect under section 1315 of this title with respect to subchapter XIX that was first implemented on January 1, 1994, has an income eligibility standard under such waiver for children who lack health insurance that is at least 185 percent of the poverty line, or, in the case of a State that had a statewide waiver in effect under section 1315 of this title with respect to subchapter XIX that was first implemented on October 1, 1993, had an income eligibility standard under such waiver for children that was at least 185 percent of the poverty line and on and after July 1, 1998, has an income eligibility standard for children under section 1396a(a)(10)(A) of this title or a statewide waiver in effect under section 1315 of this title with respect to subchapter XIX that is at least 185 percent of the poverty line.

**(3) Construction**

Nothing in paragraphs (1) and (2) shall be construed as modifying the requirements applicable to States implementing State child health plans under this subchapter.

**(4) Option for allotments for fiscal years 2009 through 2027**

**(A) Payment of enhanced portion of match-rate for certain expenditures**

In the case of expenditures described in subparagraph (B), a qualifying State (as defined in paragraph (2)) may elect to be paid from the State’s allotment made under section 1397dd of this title for any of fiscal years 2009 through 2027 (insofar as the allotment is available to the State under sub-

sections (e) and (m) of such section) an amount each quarter equal to the additional amount that would have been paid to the State under subchapter XIX with respect to such expenditures if the enhanced FMAP (as determined under subsection (b)) had been substituted for the Federal medical assistance percentage (as defined in section 1396d(b) of this title).

**(B) Expenditures described**

For purposes of subparagraph (A), the expenditures described in this subparagraph are expenditures made after February 4, 2009, and during the period in which funds are available to the qualifying State for use under subparagraph (A), for the provision of medical assistance to individuals residing in the State who are eligible for medical assistance under the State plan under subchapter XIX or under a waiver of such plan and who have not attained age 19 (or, if a State has so elected under the State plan under subchapter XIX, age 20 or 21), and whose family income equals or exceeds 133 percent of the poverty line but does not exceed the Medicaid applicable income level.

“(b) FINAL RULE REQUIRED TO BE IN EFFECT FOR ALL STATES.—Notwithstanding parts 431 and 457 of title 42, Code of Federal Regulations (as in effect on the date of enactment of this Act [Feb. 4, 2009]), the Secretary shall not calculate or publish any national or State-specific error rate based on the application of the payment error rate measurement (in this section referred to as ‘PERM’) requirements to CHIP until after the date that is 6 months after the date on which a new final rule (in this section referred to as the ‘new final rule’) promulgated after the date of the enactment of this Act [Feb. 4, 2009] and implementing such requirements in accordance with the requirements of subsection (c) is in effect for all States. Any calculation of a national error rate or a State specific error rate after such new final rule in effect for all States may only be inclusive of errors, as defined in such new final rule or in guidance issued within a reasonable time frame after the effective date for such new final rule that includes detailed guidance for the specific methodology for error determinations. The Secretary is not required under this subsection to calculate or publish a national or a State-specific error rate for fiscal year 2009 or fiscal year 2010.

sible for the development, direction, implementation, and evaluation of eligibility reviews and associated activities; and

“(C) clearly defined responsibilities and deadlines for States in implementing any corrective action plans; and

“(2) provide that the payment error rate determined for a State shall not take into account payment errors resulting from the State’s verification of an applicant’s self-declaration or self-certification of eligibility for, and the correct amount of, medical assistance or child health assistance, if the State process for verifying an applicant’s self-declaration or self-certification satisfies the requirements for such process applicable under regulations promulgated by the Secretary or otherwise approved by the Secretary.

“(d) OPTION FOR APPLICATION OF DATA FOR STATES IN FIRST APPLICATION CYCLE UNDER THE INTERIM FINAL RULE.—After the new final rule implementing the PERM requirements in accordance with the requirements of subsection (c) is in effect for all States, a State for which the PERM requirements were first in effect under an interim final rule for fiscal year 2007 or under a final rule for fiscal year 2008 may elect to accept any payment error rate determined in whole or in part for the State on the basis of data for that fiscal year or may elect to not have any payment error rate determined on the basis of such data and, instead, shall be treated as if fiscal year 2010 or fiscal year 2011 were the first fiscal year for which the PERM requirements apply to the State.

“(e) HARMONIZATION OF MEQC AND PERM.—

“(1) REDUCTION OF REDUNDANCIES.—The Secretary shall review the Medicaid Eligibility Quality Control (in this subsection referred to as the ‘MEQC’) requirements with the PERM requirements and coordinate consistent implementation of both sets of requirements, while reducing redundancies.

“(2) STATE OPTION TO APPLY PERM DATA.—A State may elect, for purposes of determining the erroneous excess payments for medical assistance ratio applicable to the State for a fiscal year under section 1903(u) of the Social Security Act (42 U.S.C. 1396b(u)) to substitute data resulting from the application of the PERM requirements to the State after the new final rule implementing such requirements is in effect for all States for data obtained from the application of the MEQC requirements to the State with respect to a fiscal year.

“(3) STATE OPTION TO APPLY MEQC DATA.—For purposes of satisfying the requirements of subpart Q of part 431 of title 42, Code of Federal Regulations, relating to Medicaid eligibility reviews, a State may elect to substitute data obtained through MEQC reviews conducted in accordance with section 1903(u) of the Social Security Act (42 U.S.C. 1396b(u)) for data required for purposes of PERM requirements, but only if the State MEQC reviews are based on a broad, representative sample of Medicaid applicants or enrollees in the States.

“(f) IDENTIFICATION OF IMPROVED STATE-SPECIFIC SAMPLE SIZES.—The Secretary shall establish State-specific sample sizes for application of the PERM requirements with respect to State child health plans for fiscal years beginning with the first fiscal year that begins on or after the date on which the new final rule is in effect for all States, on the basis of such information as the Secretary determines appropriate. In establishing such sample sizes, the Secretary shall, to the greatest extent practicable—

“(1) minimize the administrative cost burden on States under Medicaid and CHIP; and

“(2) maintain State flexibility to manage such programs.

“(g) TIME FOR PROMULGATION OF FINAL RULE.—The final rule implementing the PERM requirements under subsection (b) shall be promulgated not later than 6 months after the date of enactment of this Act [Feb. 4, 2009].”

##### (b) Adjustment to Current Population Survey to include State-by-State data relating to children without health insurance coverage

###### (1) In general

The Secretary of Commerce shall make appropriate adjustments to the annual Current Population Survey conducted by the Bureau of the Census in order to produce statistically reliable annual State data on the number of low-income children who do not have health insurance coverage, so that real changes in the uninsurance rates of children can reasonably be detected. The Current Population Survey should produce data under this subsection that categorizes such children by family income, age, and race or ethnicity. The adjustments made to produce such data shall include, where appropriate, expanding the sample size used in the State sampling units, expanding the number of sampling units in a State, and an appropriate verification element.

###### (2) Additional requirements

In addition to making the adjustments required to produce the data described in paragraph (1), with respect to data collection occurring for fiscal years beginning with fiscal year 2009, in appropriate consultation with the Secretary of Health and Human Services, the Secretary of Commerce shall do the following:

(A) Make appropriate adjustments to the Current Population Survey to develop more accurate State-specific estimates of the number of children enrolled in health coverage under subchapter XIX or this subchapter.

(B) Make appropriate adjustments to the Current Population Survey to improve the survey estimates used to determine a high-performing State under section 1397kk(b)(3)(B) of this title and any other

data necessary for carrying out this subchapter.

(C) Include health insurance survey information in the American Community Survey related to children.

(D) Assess whether American Community Survey estimates, once such survey data are first available, produce more reliable estimates than the Current Population Survey with respect to the purposes described in subparagraph (B).

(E) On the basis of the assessment required under subparagraph (D), recommend to the Secretary of Health and Human Services whether American Community Survey estimates should be used in lieu of, or in some combination with, Current Population Survey estimates for the purposes described in subparagraph (B).

(F) Continue making the adjustments described in the last sentence of paragraph (1) with respect to expansion of the sample size used in State sampling units, the number of sampling units in a State, and using an appropriate verification element.

**(3) Authority for the Secretary of Health and Human Services to transition to the use of all, or some combination of, ACS estimates upon recommendation of the Secretary of Commerce**

If, on the basis of the assessment required under paragraph (2)(D), the Secretary of Commerce recommends to the Secretary of Health and Human Services that American Community Survey estimates should be used in lieu of, or in some combination with, Current Population Survey estimates for the purposes described in paragraph (2)(B), the Secretary of Health and Human Services, in consultation with the States, may provide for a period during which the Secretary may transition from carrying out such purposes through the use of Current Population Survey estimates to the use of American Community Survey estimates (in lieu of, or in combination with the Current Population Survey estimates, as recommended), provided that any such transition is implemented in a manner that is designed to avoid adverse impacts upon States with approved State child health plans under this subchapter.

**(4) Appropriation**

Out of any money in the Treasury of the United States not otherwise appropriated, there are appropriated \$20,000,000 for fiscal year 2009 and each fiscal year thereafter for the purpose of carrying out this subsection (except that only with respect to fiscal year 2008, there are appropriated \$20,000,000 for the purpose of carrying out this subsection, to remain available until expended).

For purposes of subclause (I), the REMAP percentage is the percentage which is the sum of such Federal medical assistance percentage and a number of percentage points equal to one-half of the difference between such Federal medical assistance percentage and such enhanced FMAP.

The State qualified for a performance bonus payment under section 1397ee(a)(3)(B) of this title for the most recent fiscal year applicable under such section.

The State has established an income eligibility level—

(A) for pregnant women under subsection (a)(10)(A)(i)(III), (a)(10)(A)(i)(IV), or (l)(1)(A) of section 1396a of this title that is at least 185 percent (or such higher percent as the State has in effect with regard to pregnant women under this subchapter) of the poverty line applicable to a family of the size involved, but in no case lower than the percent in effect under any such subsection as of July 1, 2008; and

(B) for children under 19 years of age under this subchapter (or subchapter XIX) that is at least 200 percent of the poverty line applicable to a family of the size involved.

**(2) No CHIP income eligibility level for pregnant women lower than the State's Medicaid level**

The State does not apply an effective income level for pregnant women under the State plan amendment that is lower than the effective income level (expressed as a percent of the poverty line and considering applicable income disregards) specified under subsection (a)(10)(A)(i)(III), (a)(10)(A)(i)(IV), or (l)(1)(A) of section 1396a of this title, on February 4, 2009, to be eligible for medical assistance as a pregnant woman.

**(3) No coverage for higher income pregnant women without covering lower income pregnant women**

**(4) Application of requirements for coverage of targeted low-income children**

The State provides pregnancy-related assistance for targeted low-income pregnant women in the same manner, and subject to the same requirements under section 1397cc(c) of this title, as the State provides child health assistance for targeted low-income children under the State child health plan, and in addition to providing child health assistance for such women.

**(6) Application of cost-sharing protection**

The State provides pregnancy-related assistance to a targeted low-income woman consistent with the cost-sharing protections under section 1397cc(e) of this title and applies the limitation on total annual aggregate cost sharing imposed under paragraph (3)(B) of such section to the family of such a woman.

**(7) No waiting list for children**

The State does not impose, with respect to the enrollment under the State child health plan of targeted low-income children during the quarter, any enrollment cap or other numerical limitation on enrollment, any waiting list, any procedures designed to delay the consideration of applications for enrollment, or similar limitation with respect to enrollment.

**(c) Option to provide presumptive eligibility**

A State that elects the option under subsection (a) and satisfies the conditions described in subsection (b) may elect to apply section 1396r-1 of this title (relating to presumptive eligibility for pregnant women) to the State child health plan in the same manner as such section applies to the State plan under subchapter XIX.

**(d) Definitions**

For purposes of this section:

(C) who satisfies the requirements of paragraphs (1)(A), (1)(C), (2), and (3) of section 1397jj(b) of this title in the same manner as a child applying for child health assistance would have to satisfy such requirements.

**(e) Automatic enrollment for children born to women receiving pregnancy-related assistance**

If a child is born to a targeted low-income pregnant woman who was receiving pregnancy-

related assistance under this section on the date of the child's birth, the child shall be deemed to have applied for child health assistance under the State child health plan and to have been found eligible for such assistance under such plan or to have applied for medical assistance under subchapter XIX and to have been found eligible for such assistance under such subchapter, as appropriate, on the date of such birth and to remain eligible for such assistance until the child attains 1 year of age. During the period in which a child is deemed under the preceding sentence to be eligible for child health or medical assistance, the child health or medical assistance eligibility identification number of the mother shall also serve as the identification number of the child, and all claims shall be submitted and paid under such number (unless the State issues a separate identification number for the child before such period expires).

**(f) States providing assistance through other options**

**(1) Continuation of other options for providing assistance**

Any State that provides child health assistance under any authority described in paragraph (1) may continue to provide such assistance, as well as postpartum services, through the end of the month in which the 60-day period (beginning on the last day of the pregnancy) ends, in the same manner as such assistance and postpartum services would be provided if provided under the State plan under subchapter XIX, but only if the mother would otherwise satisfy the eligibility requirements that apply under the State child health plan (other than with respect to age) during such period.

**(3) No inference**

Nothing in this subsection shall be construed—

(A) to infer congressional intent regarding the legality or illegality of the content of the sections specified in paragraph (1)(A); or

(B) to modify the authority to provide pregnancy-related services under a waiver specified in paragraph (1)(B).
