(c) Meal Pattern Waiver.—Notwithstanding paragraph (4)(A) of section 12(l) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1760(l)), the Secretary may grant a waiver under such section that relates to the nutritional content of meals served if the Secretary determines that—

(1) such waiver is necessary to provide meals and meal supplements under a qualified program; and

(2) there is a supply chain disruption with respect to foods served under such a qualified program and such disruption is due to COVID–19.

(d) Reports.—Each State that receives a waiver under subsection (a), (b), or (c), shall, not later than 1 year after the date such State received such waiver, submit a report to the Secretary that includes the following:

(1) A summary of the use of such waiver by the State and eligible service providers.

(2) A description of whether such waiver resulted in improved services to children.

(e) Sunset.—The authority of the Secretary to establish or grant a waiver under this section shall expire on September 30, 2021.

§ 1761

(B) Children

The term “children” means—

(i) individuals who are 18 years of age and under; and

(ii) individuals who are older than 18 years of age who are—

(I) determined by a State educational agency or a local public educational agency of a State, in accordance with regulations promulgated by the Secretary, to have a disability; and

(II) participating in a public or nonprofit private school program established for individuals who have a disability.

(C) Program

The term “program” means the summer food service program for children authorized by this section.

(D) Service institution

The term “service institution” means a public or private nonprofit school food authority, local, municipal, or county government, public or private nonprofit higher education institution, participating in the National Youth Sports Program, or residential public or private nonprofit summer camp, that develops special summer or school vacation programs providing food service similar to food service made available to children during the school year under the school lunch program under this chapter or the school breakfast program under the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.).

(E) State

The term “State” means—

(i) each of the several States of the United States;

(ii) the District of Columbia;

(iii) the Commonwealth of Puerto Rico;

(iv) Guam;

(v) American Samoa;

(vi) the Commonwealth of the Northern Mariana Islands; and

(vii) the United States Virgin Islands.

(2) Program authorization

(A) In general

The Secretary may carry out a program to assist States, through grants-in-aid and other means, to initiate and maintain nonprofit summer food service programs for children in service institutions.

(B) Preparation of food

(i) In general

To the maximum extent feasible, consistent with the purposes of this section, any food service under the program shall use meals prepared at the facilities of the service institution or at the food service facilities of public and nonprofit private schools.

(ii) Information and technical assistance

The Secretary shall assist States in the development of information and technical assistance to encourage increased service of meals prepared at the facilities of service institutions and at public and nonprofit private schools.

(3) Eligible service institutions

Eligible service institutions entitled to participate in the program shall be limited to those that—

(A) demonstrate adequate administrative and financial responsibility to manage an effective food service;

(B) have not been seriously deficient in operating under the program;

(C)(i) conduct a regularly scheduled food service for children from areas in which poor economic conditions exist; or

(ii) qualify as camps; and

(D) provide an ongoing year-round service to the community to be served under the program (except that an otherwise eligible service institution shall not be disqualified for failure to meet this requirement for ongoing year-round service if the State determines that its disqualification would result in an area in which poor economic conditions exist not being served or in a significant number of needy children not having reasonable access to a summer food service program).

(4) Priority

(A) In general

The following order of priority shall be used by the State in determining participation where more than one eligible service institution proposes to serve the same area:

(i) Local schools.

(ii) All other service institutions and private nonprofit organizations eligible under paragraph (7) that have demonstrated successful program performance in a prior year.

(iii) New public institutions.

(iv) New private nonprofit organizations eligible under paragraph (7).

(B) Rural areas

The Secretary and the States, in carrying out their respective functions under this sec-
section, shall actively seek eligible service institutions located in rural areas, for the purpose of assisting such service institutions in applying to participate in the program.

(5) Camps
Camps that satisfy all other eligibility requirements of this section shall receive reimbursement only for meals served to children who meet the eligibility requirements for free or reduced price meals, as determined under this chapter and the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.).

(6) Government institutions
Service institutions that are local, municipal, or county governments shall be eligible for reimbursement for meals served for programs under this section only if such programs are operated directly by such governments.

(7) Private nonprofit organizations
(A) Definition of private nonprofit organization
In this paragraph, the term “private nonprofit organization” means an organization that—
(i) exercises full control and authority over the operation of the program at all sites under the sponsorship of the organization;
(ii) provides ongoing year-round activities for children or families;
(iii) demonstrates that the organization has adequate management and the fiscal capacity to operate a program under this section;
(iv) is an organization described in section 501(c) of title 26 and exempt from taxation under 501(a) of that title; and
(v) meets applicable State and local health, safety, and sanitation standards.

(B) Eligibility
Private nonprofit organizations (other than organizations eligible under paragraph (1)) shall be eligible for the program under the same terms and conditions as other service institutions.

(8) Seamless summer option
Except as otherwise determined by the Secretary, a service institution that is a public or private nonprofit school food authority may provide summer or school vacation food service in accordance with applicable provisions of law governing the school lunch program established under this chapter or the school breakfast program established under the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.).

(9) Exemption
(A) In general
For each of calendar years 2005 and 2006 in rural areas of the State of Pennsylvania (as determined by the Secretary), the threshold for determining “areas in which poor economic conditions exist” under paragraph (1)(C) shall be 40 percent.

(B) Evaluation
(i) In general
The Secretary, acting through the Administrator of the Food and Nutrition Service, shall evaluate the impact of the eligibility criteria described in subparagraph (A) as compared to the eligibility criteria described in paragraph (1)(C).
(ii) Impact
The evaluation shall assess the impact of the threshold in subparagraph (A) on—
(I) the number of sponsors offering meals through the summer food service program;
(II) the number of sites offering meals through the summer food service program;
(III) the geographic location of the sites;
(IV) services provided to eligible children; and
(V) other factors determined by the Secretary.

(iii) Report
Not later than January 1, 2008, the Secretary shall submit to the Committee on Education and the Workforce of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report describing the results of the evaluation under this subparagraph.

(iv) Funding
(I) In general
On January 1, 2005, out of any funds in the Treasury not otherwise appropriated, the Secretary of the Treasury shall transfer to the Secretary of Agriculture to carry out this subparagraph $400,000, to remain available until expended.

(II) Receipt and acceptance
The Secretary shall be entitled to receive, shall accept, and shall use to carry out this subparagraph the funds transferred under subclause (I), without further appropriation.

(10) Summer food service rural transportation
(A) In general
The Secretary shall provide grants, through not more than 5 eligible State agencies selected by the Secretary, to not more than 60 eligible service institutions selected by the Secretary to increase participation at congregate feeding sites in the summer food service program for children authorized by this section through innovative approaches to limited transportation in rural areas.

(B) Eligibility
To be eligible to receive a grant under this paragraph—
(i) a State agency shall submit an application to the Secretary, in such manner as the Secretary shall establish, and meet criteria established by the Secretary; and
(ii) a service institution shall agree to the terms and conditions of the grant, as established by the Secretary.
(C) Duration
A service institution that receives a grant under this paragraph may use the grant funds during the 3-fiscal year period beginning in fiscal year 2006.

(D) Reports
The Secretary shall submit to the Committee on Education and the Workforce of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate—

(i) not later than January 1, 2008, an interim report that describes—
   (I) the use of funds made available under this paragraph; and
   (II) any progress made by using funds from each grant provided under this paragraph; and

(ii) not later than January 1, 2009, a final report that describes—
   (I) the use of funds made available under this paragraph;
   (II) any progress made by using funds from each grant provided under this paragraph;
   (III) the impact of this paragraph on participation in the summer food service program for children authorized by this section; and
   (IV) any recommendations by the Secretary concerning the activities of the service institutions receiving grants under this paragraph.

(E) Funding
(i) In general
Out of any funds in the Treasury not otherwise appropriated, the Secretary of the Treasury shall transfer to the Secretary of Agriculture to carry out this paragraph—

(I) on October 1, 2005, $2,000,000; and

(ii) on October 1, 2006, and October 1, 2007, $1,000,000.

(ii) Receipt and acceptance
The Secretary shall be entitled to receive, shall accept, and shall use to carry out this paragraph the funds transferred under clause (i), without further appropriation.

(iii) Availability of funds
Funds transferred under clause (i) shall remain available until expended.

(iv) Reallocation
The Secretary may reallocate any amounts made available to carry out this paragraph that are not obligated or expended, as determined by the Secretary.

(11) Outreach to eligible families
(A) In general
The Secretary shall require each State agency that administers the national school lunch program under this chapter to ensure that, to the maximum extent practicable, school food authorities participating in the school lunch program under this chapter cooperate with participating service institutions to distribute materials to inform families of—

(i) the availability and location of summer food service program meals; and

(ii) the availability of reimbursable breakfasts served under the school breakfast program established by section 4 of the Child Nutrition Act of 1966 (42 U.S.C. 1773).

(B) Inclusions
Informational activities carried out under subparagraph (A) may include—

(i) the development or dissemination of printed materials, to be distributed to all school children or the families of school children prior to the end of the school year, that inform families of the availability and location of summer food service program meals;

(ii) the development or dissemination of materials, to be distributed using electronic means to all school children or the families of school children prior to the end of the school year, that inform families of the availability and location of summer food service program meals; and

(iii) such other activities as are approved by the applicable State agency to promote the availability and location of summer food service program meals to school children and the families of school children.

(C) Multiple State agencies
If the State agency administering the program under this section is not the same State agency that administers the school lunch program under this chapter, the 2 State agencies shall work cooperatively to implement this paragraph.

(12) Summer food service support grants
(A) In general
The Secretary shall use funds made available to carry out this paragraph to award grants on a competitive basis to State agencies to provide to eligible service institutions—

(i) technical assistance;

(ii) assistance with site improvement costs; or

(iii) other innovative activities that improve and encourage sponsor retention.

(B) Eligibility
To be eligible to receive a grant under this paragraph, a State agency shall submit an application to the Secretary in such manner, at such time, and containing such information as the Secretary may require.

(C) Priority
In making grants under this paragraph, the Secretary shall give priority to—

(i) applications from States with significant low-income child populations; and

(ii) State plans that demonstrate innovative approaches to retain and support summer food service programs after the expiration of the start-up funding grants.

(D) Use of funds
A State and eligible service institution may use funds made available under this
paragraph to pay for such costs as the Secretary determines are necessary to establish and maintain summer food service programs.

(E) Reallocation

The Secretary may reallocate any amounts made available to carry out this paragraph that are not obligated or expended, as determined by the Secretary.

(F) Authorization of appropriations

There is authorized to be appropriated to carry out this paragraph $20,000,000 for fiscal years 2011 through 2015.

(b) Service institutions

(1) Payments.—

(A) IN GENERAL.—Subject to subparagraph (B) and in addition to amounts made available under paragraph (3), payments to service institutions shall be—

(i) $1.97 for each lunch and supper served;

(ii) $1.13 for each breakfast served; and

(iii) 46 cents for each meal supplement served.

(B) Adjustments.—Amounts specified in subparagraph (A) shall be adjusted on January 1, 1997, and each January 1 thereafter, to the nearest lower cent increment to reflect changes for the 12-month period ending the preceding November 30 in the series for food away from home of the Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics of the Department of Labor. Each adjustment shall be based on the unrounded adjustment for the prior 12-month period.

(C) SEAMLESS SUMMER REIMBURSEMENTS.—A service institution described in subsection (a)(8) shall be reimbursed for meals and meal supplements in accordance with the applicable provisions under this chapter (other than subparagraphs (A) and (B) of this paragraph and paragraph (4)) and the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.), as determined by the Secretary.

(2) Any service institution may only serve lunch and either breakfast or a meal supplement during each day of operation, except that any service institution that is a camp or that serves meals primarily to migrant children may serve up to 3 meals, or 2 meals and 1 supplement, during each day of operation, if (A) the service institution has the administrative capability and the food preparation and food holding capabilities (where applicable) to serve more than one meal per day, and (B) the service period of different meals does not coincide or overlap.

(3) PERMANENT OPERATING AGREEMENTS AND BUDGET FOR ADMINISTRATIVE COSTS.—

(A) PERMANENT OPERATING AGREEMENTS.—

(i) IN GENERAL.—Subject to clauses (ii) and (iii), to participate in the program, a service institution that meets the conditions of eligibility described in this section and in regulations promulgated by the Secretary, shall be required to enter into a permanent agreement with the applicable State agency.

(ii) AMENDMENTS.—A permanent agreement described in clause (i) may be amended as necessary to ensure that the service institution is in compliance with all requirements established in this section or by the Secretary.

(iii) TERMINATION.—A permanent agreement described in clause (i)—

(I) may be terminated for convenience by the service institution and State agency that is a party to the permanent agreement; and

(II) shall be terminated—

(aa) for cause by the applicable State agency in accordance with subsection (q) and with regulations promulgated by the Secretary; or

(bb) on termination of participation of the service institution in the program.

(B) BUDGET FOR ADMINISTRATIVE COSTS.—

(i) IN GENERAL.—When applying for participation in the program, and not less frequently than annually thereafter, each service institution shall submit a complete budget for administrative costs related to the program, which shall be subject to approval by the State.

(ii) AMOUNT.—Payment to service institutions for administrative costs shall equal the levels determined by the Secretary pursuant to the study required in paragraph (4).

(4)(A) The Secretary shall conduct a study of the food service operations carried out under the program. Such study shall include, but shall not be limited to—

(i) an evaluation of meal quality as related to costs; and

(ii) a determination whether adjustments in the maximum reimbursement levels for food service operation costs prescribed in paragraph (1) of this subsection should be made, including whether different reimbursement levels should be established for self-prepared meals and vendored meals and which site-related costs, if any, should be considered as part of administrative costs.

(B) The Secretary shall also study the administrative costs of service institutions participating in the program and shall thereafter prescribe maximum allowable levels for administrative payments that reflect the costs of such service institutions, taking into account the number of sites and children served, and such other factors as the Secretary determines appropriate to further the goals of efficient and effective administration of the program.

(C) The Secretary shall report the results of such studies to Congress not later than December 1, 1977.

(c) Payments for meals served during May through September; exceptions for continuous school calendars or non-school sites; National Youth Sports Program

(1) Payments shall be made to service institutions only for meals served during the months of May through September, except in the case of service institutions that operate food service programs for children on school vacation at any time under a continuous school calendar or that provide meal service at non-school sites to children who are not in school for a period during

[...]
the months of October through April due to a
natural disaster, building repair, court order, or
similar cause.

(2) Children participating in National Youth
Sports Programs operated by higher education
institutions shall be eligible to participate in
the program under this paragraph on showing
residence in areas in which poor economic condi-
tions exist or on the basis of income eligibility
statements for children enrolled in the program.

(d) Advance program payments to States for
monthly meal service; letters of credit, for-
warding to States; determination of amount; valid claims, receipt

Not later than April 15, May 15, and July 1 of
each year, the Secretary shall forward to each
State a letter of credit (advance program pay-
ment) that shall be available to each State for
the payment of meals to be served in the month
for which the letter of credit is issued. The
amount of the advance program payment shall
be an amount which the State demonstrates, to
the satisfaction of the Secretary, to be nec-
essary for advance program payments to service
institutions in accordance with subsection (e) of
this section. The Secretary shall subsequently
advance such program payments, by the first
day of the month prior to the month in which
the program will be conducted, to States that
operate the program in months other than May
through September. The Secretary shall forward
any remaining payments due pursuant to sub-
section (b) of this section not later than sixty
days following receipt of valid claims therefor.

(e) Advance program payments to service institu-
tions for monthly meal service; certification of personnel training sessions; minimum
days per month operations requirement; payments; computation, limitation; valid claims, receipt; withholding; demand for repayment; subtraction of disputed payments

(1) Not later than June 1, July 15, and August
15 of each year, or, in the case of service institu-
tions that operate under a continuous school
calendar, the first day of each month of oper-
ation, the State shall forward advance program
payments to each service institution. The State
shall not release the second month’s advance
program payment to any service institution (ex-
cluding a school) that has not certified that it
has held training sessions for its own personnel
and the site personnel with regard to program
duties and responsibilities. No advance program
payment may be made for any month in which
the service institution will operate under the
program for less than ten days.

(2) The amount of the advance program pay-
ment for any month in the case of any service
institute shall be an amount equal to (A) the
total program payment for meals served by such
service institution in the same calendar month
of the preceding calendar year, (B) 50 percent of
the amount established by the State to be need-
ed by such service institution for meals if such
service institution contracts with a food service
management company, or (C) 65 percent of
the amount established by the State to be needed by
such service institution for meals if such service
institution prepares its own meals, whichever
amount is greatest: Provided. That the advance
program payment may not exceed the total
amount estimated by the State to be needed by
such service institution for meals to be served in
the month for which such advance program pay-
ment is made or $40,000, whichever is less, except
that a State may make a larger advance pro-
gram payment to such service institution where
the State determines that such larger payment
is necessary for the operation of the program by
such service institution and sufficient admin-
istrative and management capability to justify a
larger payment is demonstrated. The State shall
forward any remaining payment due a service
institution not later than seventy-five days fol-
lowing receipt of valid claims. If the State has
reason to believe that a service institution will
not be able to submit a valid claim for reim-
bursement covering the period for which an ad-

cance program payment has been made, the sub-
sequent month’s advance program payment shall
be withheld until such time as the State
has received a valid claim. Program payments
advanced to service institutions that are not
subsequently deducted from a valid claim for reim-
bursement shall be repaid upon demand by the
State. Any prior payment that is under dis-
pute may be subtracted from an advance pro-
gram payment.

(f) Nutritional standards

(1) Service institutions receiving funds under
this section shall serve meals consisting of a
combination of foods and meeting minimum nu-
tritional standards prescribed by the Secretary
on the basis of tested nutritional research.

(2) The Secretary shall provide technical as-
sistance to service institutions and private non-
profit organizations participating in the pro-
gram to assist the institutions and organiza-
tions in complying with the nutritional require-
ments prescribed by the Secretary pursuant to
this subsection.

(3) Meals described in paragraph (1) shall be
served without cost to children attending serv-

cice institutions approved for operation under
this section, except that, in the case of camps,
charges may be made for meals served to chil-
dren other than those who meet the eligibility
requirements for free or reduced price meals in
accordance with subsection (a)(b) of this section.

(4) To assure meal quality, States shall, with
the assistance of the Secretary, prescribe model
meal specifications and model food quality
standards, and ensure that all service institu-
tions contracting for the preparation of meals
with food service management companies in-
clude in their contracts menu cycles, local food
safety standards, and food quality standards
approved by the State.

(5) Such contracts shall require (A) periodic
inspections, by an independent agency or the
local health department for the locality in
which the meals are served, of meals prepared in
accordance with the contract in order to deter-
mine bacteria levels present in such meals, and
(B) conformance with standards set by local
health authorities.

(6) Such inspections and any testing resulting
therefrom shall be in accordance with the prac-
tices employed by such local health authority.

(7) OFFER VERSUS SERVE.—A school food au-

tority participating as a service institution
may permit a child to refuse one or more items of a meal that the child does not intend to consume, under rules that the school uses for school meals programs. A refusal of an offered food item shall not affect the amount of payments made under this section to a school for the meal.

(g) Regulations, guidelines, applications, and handbooks; publication; startup costs

The Secretary shall publish proposed regulations relating to the implementation of the program by November 1 of each fiscal year, final regulations by January 1 of each fiscal year, and guidelines, applications, and handbooks by February 1 of each fiscal year. In order to improve program planning, the Secretary may provide that service institutions be paid as startup costs not to exceed 20 percent of the administrative funds provided for in the administrative budget approved by the State under subsection (b)(3) of this section. Any payments made for startup costs shall be subtracted from amounts otherwise payable for administrative costs subsequently made to service institutions under subsection (b)(3) of this section.

(h) Direct disbursement to service institutions by Secretary

Each service institution shall, insofar as practicable, use in its food service under the program foods designated from time to time by the Secretary as being in abundance. The Secretary is authorized to donate to States, for distribution to service institutions, food available under section 1431 of title 7, or purchased under section 612c of title 7 or section 1446a–1 of title 7. Donated foods may be distributed only to service institutions that can use commodities efficiently and effectively, as determined by the Secretary.

(j) Administrative expenses of Secretary; authorization of appropriations

Expenditures of funds from State and local sources for the maintenance of food programs for children shall not be diminished as a result of funds received under this section.

(k) Administrative costs of State; payment; adjustment; standards and effective dates, etc.; withholding, inspection

(1) The Secretary shall pay to each State for its administrative costs incurred under this section in any fiscal year an amount equal to (A) 20 percent of the first $50,000 in funds distributed to that State for the program in the preceding fiscal year; (B) 10 percent of the next $100,000 distributed to that State for the program in the preceding fiscal year; (C) 5 percent of the next $250,000 in funds distributed to that State for the program in the preceding fiscal year; and (D) 2% percent of any remaining funds distributed to that State for the program in the preceding fiscal year. Provided, That such amounts may be adjusted by the Secretary to reflect changes in the size of that State’s program since the preceding fiscal year.

(2) The Secretary shall establish standards and effective dates for the proper, efficient, and effective administration of the program by the State. If the Secretary finds that the State has failed without good cause to meet any of the Secretary’s standards or has failed without good cause to carry out the approved State management and administration plan under subsection (n) of this section, the Secretary may withhold from the State such funds authorized under this subsection as the Secretary determines to be appropriate.

(3) To provide for adequate nutritional and food quality monitoring, and to further the implementation of the program, an additional amount, not to exceed the lesser of actual costs or 1 percent of program funds, shall be made available by the Secretary to States to pay for State or local health department inspections, and to reinspect facilities and deliveries to test meal quality.

(l) Food service management companies; subcontracts; assignments, conditions and limitations; meal capacity information in bids subject to review; registration; record, availability to States; small and minority-owned businesses for supplies and services; contracts; standard form, bid and contract procedures, bonding requirements and exemption, review by States, collusive bidding safeguards

(1) Service institutions may contract on a competitive basis with food service management companies for the furnishing of meals or management of the entire food service under the program, except that a food service management company entering into a contract with a service institution under this section may not subcontract with a single company for the total meal, with or without milk, or for the assembly of the meal. The Secretary shall prescribe additional conditions and limitations governing assignment of all or any part of a contract entered into by a food service management company under this section. Any food service management company shall, in its bid, provide the service institution information as to its meal capacity.

(2) Each State may provide for the registration of food service management companies.

(3) In accordance with regulations issued by the Secretary, positive efforts shall be made by service institutions to use small businesses and minority-owned businesses as sources of supplies and services. Such efforts shall afford those sources the maximum feasible opportunity to compete for contracts using program funds.

(4) Each State, with the assistance of the Secretary, shall establish a standard form of contract for use by service institutions and food service management companies. The Secretary shall prescribe requirements governing bid and contract procedures for acquisition of the services of food service management companies, including, but not limited to, bonding requirements (which may provide exemptions applicable to contracts of $100,000 or less), procedures for review of contracts by States, and safeguards to prevent collusive bidding activities between service institutions and food service management companies.
(m) Accounts and records
States and service institutions participating in programs under this section shall keep such accounts and records as may be necessary to enable the Secretary to determine whether there has been compliance with this section and the regulations issued hereunder. Such accounts and records shall be available at any reasonable time for inspection and audit by representatives of the Secretary and shall be preserved for such period of time, not in excess of five years, as the Secretary determines necessary.

(n) Management and administration plan; notification and submittal to Secretary; specific provisions
Each State desiring to participate in the program shall notify the Secretary by January 1 of each year of its intent to administer the program and shall submit for approval by February 15 a management and administration plan for the program for the fiscal year, which shall include, but not be limited to, (1) the State’s administrative budget for the fiscal year, and the State’s plans to comply with any standards prescribed by the Secretary under subsection (k) of this section; (2) the State’s plans for use of program funds and funds from within the State to the maximum extent practicable to reach needy children; (3) the State’s plans for providing technical assistance and training eligible service institutions; (4) the State’s plans for monitoring and inspecting service institutions, feeding sites, and food service management companies and for ensuring that such companies do not enter into contracts for more meals than they can provide effectively and efficiently; (5) the State’s plan for timely and effective action against program violators; and (6) the State’s plan for ensuring fiscal integrity by auditing service institutions not subject to auditing requirements prescribed by the Secretary.

(o) Violations and penalties
(1) Whoever, in connection with any application, procurement, recordkeeping entry, claim for reimbursement, or other document or statement made in connection with the program, knowingly and willfully falsifies, conceals, or covers up by any trick, scheme, or device a material fact, or makes any false, fictitious, or fraudulent statements or representations, or makes or uses any false writing or document knowing the same to contain any false, fictitious, or fraudulent statement or entry, or whoever, in connection with the program, knowingly makes an opportunity for any person to defraud the United States, or does or omits to do any act with intent to enable any person to defraud the United States, shall be fined not more than $10,000 or imprisoned not more than five years, or both.

(2) Whoever being a partner, officer, director, or managing agent connected in any capacity with any partnership, association, corporation, business, or organization, either public or private, that receives benefits under the program, knowingly or willfully embezzles, misapplies, steals, or obtains by fraud, false statement, or forgery, any benefits provided by this section or any money, funds, assets, or property derived from benefits provided by this section, shall be fined not more than $10,000 or imprisoned for not more than five years, or both (but, if the benefits, money, funds, assets, or property involved is not over $200, then the penalty shall be a fine of not more than $1,000 or imprisonment for not more than one year, or both).

(3) If two or more persons conspire or collude to accomplish any act made unlawful under this subsection, and one or more of such persons do any act to effect the object of the conspiracy or collusion, each shall be fined not more than $10,000 or imprisoned for not more than five years, or both.

(p) Monitoring of participating private nonprofit organizations
(1) In addition to the normal monitoring of organizations receiving assistance under this section, the Secretary shall establish a system under which the Secretary and the States shall monitor the compliance of private nonprofit organizations with the requirements of this section and with regulations issued to implement this section.

(2) In the fiscal year 1990 and each succeeding fiscal year, the Secretary may reserve for purposes of carrying out paragraph (1) not more than 1/2 of 1 percent of amounts appropriated for purposes of carrying out this section.

(q) Termination and disqualification of participating organizations
(1) In general
Each State agency shall follow the procedures established by the Secretary for the termination of participation of institutions under the program.

(2) Fair hearing
The procedures described in paragraph (1) shall include provision for a fair hearing and prompt determination for any service institution aggrieved by any action of the State agency that affects—
(A) the participation of the service institution in the program; or
(B) the claim of the service institution for reimbursement under this section.

(3) List of disqualified institutions and individuals
(A) In general
The Secretary shall maintain a list of service institutions and individuals that have been terminated or otherwise disqualified from participation in the program under the procedures established pursuant to paragraph (1).

(B) Availability
The Secretary shall make the list available to States for use in approving or renewing applications by service institutions for participation in the program.

(r) Authorization of appropriations
For the period beginning October 1, 1977, and ending September 30, 2015, there are hereby authorized to be appropriated such sums as are necessary to carry out the purposes of this section.

Subsec. (c). Pub. L. 101–147, §102(a)(2), designated existing provisions as par. (1) and added par. (2).

Subsec. (d). Pub. L. 101–147, §307(1), substituted “July 1 of each year’’ for “July 1 of each year’’.

Subsec. (g). Pub. L. 101–147, §307(3), struck out “Provided, That for fiscal year 1978, those portions of the regulations relating to payment rates for both food service institutions and administrative costs need not be published until December 1 and February 1, respectively’’ after “February 1 of each fiscal year’’.

Subsec. (h). Pub. L. 101–147, §307(4), made technical amendments to references to sections 612c, 1431, and 1446a–1 of title 7 involving underlying provisions of original act and requiring no change in text.

Subsec. (i)(1). Pub. L. 101–147, §102(a)(3), inserted “other than private nonprofit organizations eligible under subsection (a)(7) of this section’’ after “Service institutions’’.

Subsec. (r). Pub. L. 101–147, §102(a)(6), substituted “For the fiscal years beginning October 1, 1977, and each succeeding fiscal year ending before October 1, 1994,” for “For the fiscal years beginning October 1, 1977, and ending September 30, 1989,’’.

Subsec. (s). Pub. L. 101–147, §102(a)(7), redesignated former subsec. (p) as (r).

Subsec. (b)(3). Pub. L. 95–166 added par. (3) which superseded part of existing provisions prescribing administrative costs of lunch and supper, breakfast, and meal supplement not to exceed 6, 3, and 1.5 cents respectively.

Subsec. (c). Pub. L. 95–166 substituted “Payments” for “Disbursements” and “except in the case of service institutions that operate food service programs for children on school vacation at any time under a continuous school calendar” for “except that the foregoing provision shall not apply to institutions which develop food service programs for children on school vacation at any time under a continuous school calendar or prevent such institutions, if otherwise eligible, from participating in the program authorized by this section”.

Subsec. (d). Pub. L. 95–166, in revising text, substituted provision for advance program payment to States through letters of credit forwarded no later than April 15, May 15, and July 1, of each year for prior provision for forwarding advance payments no later than June 1, July 1, and August 1 of each year; inserted computation of payment amount provision; struck out prior provision for an amount no less than (1) the total payment made to the State for meals served for the calendar month of the preceding calendar year or (2) 65 per centum of the amount estimated by the State, on the basis of approved applications, to be needed to reimburse service institutions for meals to be served in the month, whichever is the greater, now covered in subsec. (e)(2) of this section; substituted provision for forwarding payments to States operating a program in months other than May through September by the first day of the month prior to the month in which the program is conducted for prior provision for receipt of advance payments not later than the first day of each month involved where institutions operate programs during nonsummer vacations during a continuous school year calendar; reenacted provision for payments within sixty days of receipt of valid claims; and struck out provision declaring that any funds advanced to a State for which valid claims have not been established within 180 days shall be deducted from the next appropriate monthly advance payment unless the claimant requests a hearing with the Secretary prior to the 180th day, covered in subsec. (e)(2) of this section.

Subsec. (e). Pub. L. 95–166 added subsec. (e) which in incorporating in part provisions of former subsec. (d), substituted in par. (1) July 15 and August 15 for July 1 and August 1 and reenacted provision for payment not later than the first day of each month of operation where service institutions operate under a continuous school calendar, and in par. (2) substituted provision for determination of amount which is the greatest of the amount described in cl. (A), (B), and (C) for prior provision for such computation which is the greater of (1) the total payment made to the State for meals served for the calendar month of the preceding calendar year (covered in cl. (A)) or (2) 65 per centum of the amount estimated by the State, on the basis of approved applications, to be needed to reimburse service institutions for meals to be served in the month (covered in cl. (C)). Former subsec. (f) redesignated (f).

Subsec. (f). Pub. L. 95–166 redesignated former subsec. (e) as (f), substituted in first sentence “receiving funds” for “to which funds are disbursed”, and inserted provisions respecting: charging ineligible children for meals served in camps, model specifications and standards for quality assurance, meal preparation contract requirements, and inspection and testing. Former subsec. (f) redesignated (g).

Subsec. (g). Pub. L. 95–166 redesignated former subsec. (f) as (g), required publication of proposed regulations by December 1, instead of January 1, final regulations by January 1, instead of March 1, and guidelines, applications, and handbooks by February 1, instead of March 1, of each fiscal year, inserted proviso, substituted provision for payment not later than the first day of each month involved where institutions operate programs during nonsummer vacations during a continuous school year calendar; reenacted provision for payments within sixty days of receipt of valid claims; and struck out provision declaring that any funds advanced to a State for which valid claims have not been established within 180 days shall be deducted from the next appropriate monthly advance payment unless the claimant requests a hearing with the Secretary prior to the 180th day, covered in subsec. (e)(2) of this section.

Subsec. (h). Pub. L. 95–166 redesignated former subsec. (g) as (h), struck out “participating” before “service institution” and “, either nationally or in the institution area, or funds donated by the Secretary” after “abundance”, and substituted provision for donation of available or purchased food to States, for distribution to service institutions that can use commodities efficiently and effectively, as determined by the Secretary for prior provision for donation by the Secretary of available or purchased foods, irrespective of amount of appropriated funds, to service institutions in accordance with the needs as determined by authorities of these institutions for utilization in their feeding programs. Former subsec. (h) redesignated (j).

Subsec. (k). Pub. L. 95–166 added subsec. (k) and struck out former subsec. (k) which required Secretary to pay administrative costs of each State in an amount equal to 2 per centum of funds distributed to the State and prescribing minimum sum of $10,000 each fiscal year, except where distribution of funds to the State totals less than $50,000 for the fiscal year.

Subsec. (l). Pub. L. 95–166 added subsec. (l) and struck out former subsec. (l) which provided that nothing in this section should be construed to preclude a service institution from contracting on a competitive basis for the furnishing of meals or administration of the program, or both.

Subsec. (m). Pub. L. 95–166 struck out “, State educational agencies,” after ““Service”.

Subsecs. (n) and (o). Pub. L. 95–166 added subsecs. (n) and (o).

Subsec. (a)(1). Pub. L. 94–20, § 1(a), inserted “and for the period July 1, 1975, through September 30, 1975,” before “to enable”.

Subsec. (b). Pub. L. 94–105 substituted provisions for payment to service institutions of the full cost of obtaining, preparing and serving food and administrative costs, with maximum rates for each kind of meal and its related administrative cost and adjustment of the rates each March 1 on the basis of changes in the series for food away from home of the Consumer Price Index for provisions apportioning among the states the appropriated sums, with a maximum basic grant of $50,000, and reserving 2 per centum of the appropriated sums for reserve purposes.

Subsec. (c). Pub. L. 94–16 substituted provisions for disbursements to service institutions only for meals served during May through Sept. except for institutions with programs for children on school vacation at the centum of Federal funds provided the service institutions for meals served under this section during the preceding summer, and substituted provision for subvention of startup costs from amounts available for administrative costs made to the service institutions for prior provision for such reduction from payments made for meals served under subsec. (b) of this section. Former subsec. (g) redesignated (h).
any time under a continuous school calendar for provi-
sions for the disbursement of funds by the State edu-
cational agency to service institutions on a non-
discriminatory basis for the cost of obtaining agricul-
tural commodities and other foods, purchase and rental
of equipment and authorizing financial assistance not
to exceed 3 per centum of the operating costs in cases
of severe need.
Subsec. (d). Pub. L. 94–105 substituted provisions re-
ating to the advance payment to States for meals ser-
ved in that month and deductions in the next month
for advances for which valid claims have not been es-
established within 180 days for provisions for the dis-
bursement of funds directly to service institutions in
states where the State educational agency is forbidden
by law to disburse funds to such institutions.
Subsec. (e). Pub. L. 94–105 substituted provisions for
free meals consisting of a combination of foods and
meeting minimum nutritional standards for provisions
making available for the first three months of the next
fiscal year any funds unobligated at the end of the pri-
or fiscal year.
Subsec. (f). Pub. L. 94–105 substituted provisions di-
recting the Secretary to publish proposed and final reg-
ulations, guidelines, and handbooks and authorizing startup
costs for meals served during the preceding
quarters for provisions for free or reduced cost meals
with minimum nutritional standards and prohibiting
segregation, discrimination or overt identification
practices with regard to any child because of his inabil-
ity to pay.
Subsec. (g). Pub. L. 94–105 substituted provisions di-
recting the utilization of foods donated or designated
as in abundance by the Secretary and directing the do-
nation of food available under section 1431, 612c
and 1446a–1 of title 7 irrespective of the amount of funds ap-
propriated under this section for provisions directing
further apportionment among the States if any State
cannot utilize all funds apportioned to it or additional
funds are made available.
Subsec. (h). Pub. L. 94–105 substituted provisions au-
thorizing the Secretary to disburse funds directly to
service institutions in States where the educational
agency is not permitted by law or is otherwise unable
to disburse the funds for provisions requiring certifi-
cation by the Secretary to the Secretary of the Treas-
ury of amounts to be paid, directing the utilization of
donated foods or foods designated as abundant, permiss-
ing donation of food available under sections 1431, 612c
or 1446a–1 of title 7 irrespective of funds appropriated,
maintaining that value of assistance to children under
this section not be considered income, that expendi-
tures of State and local funds not be diminished as a re-
sult of federal funding, authorizing appropriations for
administrative expenses and requiring States and State
educational agencies and service institutions to keep
and make available for inspection such accounts and
records as may be necessary.
Subsec. (i). Pub. L. 94–105 substituted provision that
the amount of State and local funds spent for food pro-
grams not be diminished as a result of funds received
under this program for provisions authorizing the Sec-
retary of Agriculture to utilize during May 15 to Sept.
15, 1972 not to exceed $25,000 of funds available under
section 612c of Title 7 to carry out the purposes of this
chapter, such funds to be reimbursed out of any supple-
mental appropriation.
Subsec. (j). Pub. L. 94–105 substituted provision au-
thorizing to be appropriated such sums as may be nec-
essary for the Secretary's administrative expenses, for
provisions adjusting the reimbursement rate for meals
served during May through Sept. 1975 to the nearest
quarter cent to reflect changes since the period of May
through Sept. 1974 in the cost of operating special sum-
mer food programs.
Pub. L. 94–20, §1(b), added subsec. (k).
Subsec. (k). Pub. L. 94–105 substituted provisions di-
recting the Secretary to pay each State for administra-
tive costs an amount equal to 2 per centum of funds
distributed under subsec. (b), with no State to receive
less than $10,000 unless funds distributed to such State
less than $50,000 for provisions directing the Sec-
retary to issue regulations no later than ten days fol-
lowing May 2, 1975 pertaining to operations of the pro-
gram during the months of May through Sept. 1975,
with proviso that such regulations shall in no way dif-
fer from current regulations except for changes nec-
necessary to implement this chapter.
Pub. L. 94–20, §1(b), added subsec. (k).
Subsecs. (l), (m). Pub. L. 94–105 added subsecs. (l) and
(m).
authorization of appropriation of such sums as are nec-
essary for each of the fiscal years ending June 30, 1973,
June 30, 1974, and June 30, 1975, for provisions author-
izing appropriation of $32,000,000 for each of the fiscal

sions authorizing special summer programs to utilize
existing food service facilities of public and nonprofit
private schools to the maximum extent feasible.
appropriations of $32,000,000 for fiscal years ending June
30, 1972, and 1973, as were authorized for fiscal years
ending June 30, 1969, 1970, and 1971, and substituted in
first sentence “program” for “pilot program”.
Subsec. (c)(2). Pub. L. 92–32, §7(b), provided that non-
Federal contributions may be in cash or kind, fairly
evaluated, including but not limited to equipment and
services.
1970—Subsec. (f). Pub. L. 91–248 provided for deter-
mination of ability to pay the full cost of lunch based
on a publicly announced policy the minimum criteria
of which includes family income and the number of
school children in the family unit as well as the size of
the family unit in general and provided that there be
no overt identification of those children who receive
free and reduced price meals.

All-Day Educational and Recreational Activities; Sources of Funds

Pub. L. 103–448, title I, §114(h), Nov. 2, 1994, 108 Stat. 4713, directed Secretary of Agriculture, not later than 180 days after Nov. 2, 1994, in consultation with heads of other Federal agencies, to identify sources of Federal funds that might be available from other Federal agencies for service institutions under the summer food service program for children established under this section to carry out all-day educational and recreational activities for children at feeding sites under the program, and notify the service institutions of the sources.

§1762a. Commodity distribution program

(a) Use of funds for purchase of agricultural commodities and products for donation

Notwithstanding any other provision of law, the Secretary shall—

(1) use funds available to carry out the provisions of section 612c of title 7 which are not expended or needed to carry out such provisions, to purchase (without regard to the provisions of existing law governing the expenditure of public funds) agricultural commodities and their products of the types customarily purchased under such section (which may include domestic seafood commodities and their products), for donation to maintain the annually programmed level of assistance for programs carried on under this chapter, the Child Nutrition Act of 1966 [42 U.S.C. 1771 et seq.], and title III of the Older Americans Act of 1965 [42 U.S.C. 3021 et seq.]; and

(2) if stocks of the Commodity Credit Corporation are not available, use the funds of such Corporation to purchase agricultural commodities and their products of the types customarily available under section 1431 of title 7, for such donation.

(b) Nutrition quality and content information

(1) The Secretary shall maintain and continue to improve the overall nutritional quality of entitlement commodities provided to schools to assist the schools in improving the nutritional content of meals.

(2) The Secretary shall—

(A) require that nutritional content information labels be placed on packages or shipments of entitlement commodities provided to the schools; or

(B) otherwise provide nutritional content information regarding the commodities provided to the schools.

(c) Authorization of appropriations for purchase of products or for cash payments in lieu of donations

The Secretary may use funds appropriated from the general fund of the Treasury to purchase agricultural commodities and their products of the types customarily purchased for donation under section 311a(4)1 of the Older Americans Act of 1965 or for cash payments in lieu of such donations under section 311(b)(1)1 of such Act. There are hereby authorized to be appropriated such sums as are necessary to carry out the purposes of this subsection.

(d) Assistance procedures; cost and benefits, review; technical assistance; report to Congress; food quality standards contracting procedures

In providing assistance under this chapter and the Child Nutrition Act of 1966 [42 U.S.C. 1771 et

§ 1762a

will—

seq.] for school lunch and breakfast programs, the Secretary shall establish procedures which will—

(1) ensure that the views of local school districts and private nonprofit schools with respect to the type of commodity assistance needed in schools are fully and accurately reflected in reports to the Secretary by the State with respect to State commodity preferences and that such views are considered by the Secretary in the purchase and distribution of commodities and by the States in the allocation of such commodities among schools within the States;

(2) solicit the views of States with respect to the acceptability of commodities;

(3) ensure that the timing of commodity deliveries to States is consistent with State school year calendars and that such deliveries occur with sufficient advance notice;

(4) provide for systematic review of the costs and benefits of providing commodities of the kind and quantity that are suitable to the needs of local school districts and private nonprofit schools; and

(5) make available technical assistance on the use of commodities available under this chapter and the Child Nutrition Act of 1966 [42 U.S.C. 1771 et seq.].

(e) Consultation with school representatives

Each State agency that receives food assistance payments under this section for any school year shall consult with representatives of schools in the State that participate in the school lunch program with respect to the needs of such schools relating to the manner of selection and distribution of commodity assistance for such program.

(f) Commodity only schools

Commodity only schools shall be eligible to receive donated commodities equal in value to the sum of the national average value of donated foods established under section 1755(c) of this title and the national average payment established under section 1753 of this title. Such schools shall consist of a combination of foods which meet the minimum nutritional requirements prescribed by the Secretary under section 1758(a) of this title, and shall represent the four basic food groups, including a serving of fluid milk.

(g) Extension of alternative means of assistance

(1) As used in this subsection, the term “eligible school district” has the same meaning given such term in section 1581(a) of the Food Security Act of 1985.

(2) In accordance with the terms and conditions of section 1581 of such Act, the Secretary shall permit an eligible school district to continue to receive assistance in the form of cash or commodity letters of credit assistance, in lieu of commodities, to carry out the school lunch program operated in the district.

(h) Notice of irradiated food products

(1) In general

The Secretary shall develop a policy and establish procedures for the purchase and distribution of irradiated food products in school meals programs under this chapter and the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.).

(2) Minimum requirements

The policy and procedures shall ensure, at a minimum, that—

(A) irradiated food products are made available only at the request of States and school food authorities;

(B) reimbursements to schools for irradiated food products are equal to reimbursements to schools for food products that are not irradiated;

(C) States and school food authorities are provided factual information on the science and evidence regarding irradiation technology, including—

(i) notice that irradiation is not a substitute for safe food handling techniques; and

(ii) any other similar information determined by the Secretary to be necessary to promote food safety in school meals programs;

(D) States and school food authorities are provided model procedures for providing to school food authorities, parents, and students—

(i) factual information on the science and evidence regarding irradiation technology; and

(ii) is prominently displayed in a clear and understandable format on the container;

(F) irradiated food products are not commingled in containers with food products that are not irradiated; and

(G) schools that offer irradiated food products are encouraged to offer alternatives to irradiated food products as part of the meal plan used by the schools.

The Child Nutrition Act of 1966, referred to in subsec. (a) and (c), is Pub. L. 89–73, July 14, 1965, 79 Stat. 121. As amended, Title III of the Older Americans Act of 1966 is classified generally to subchapter III (§1771 et seq.) of chapter 35 of this title. Sections 311 to 313, inclusive, of the Older Americans Act of 1965 are classified generally to subchapter I (§1751 et seq.) of chapter 35 of this title.

The Secretary shall report to Congress on the impact of procedures established under this chapter and the Child Nutrition Act of 1966, the Secretary shall establish procedures to ensure that contracts for the purchase of such commodities shall be cereal and meat products. The Secretary shall provide cash compensation under this section for any school year ending June 30, 1982, including—

(i) the value of assistance in the form of commodities provided under this subchapter, and

(ii) the value of assistance provided in the form of either cash or commodity letters of credit.

The Secretary shall provide cash compensation under this subchapter only to eligible school districts that submit applications for such compensation not later than May 1, 1988.

The Secretary may provide cash compensation under this subchapter only to eligible school districts that submit applications for such compensation not later than May 1, 1988.

The Secretary may provide cash compensation under this subchapter only to eligible school districts that submit applications for such compensation not later than May 1, 1988.
(a) Program purpose, grant authority and institution eligibility

(1) In general

(A) Program purpose

(i) Findings

Congress finds that—

(I) eating habits and other wellness-related behavior habits are established early in life; and

(II) good nutrition and wellness are important contributors to the overall health and well-being of...
health of young children and essential to cognitive development.

(ii) Purpose

The purpose of the program authorized by this section is to provide aid to child and adult care institutions and family or group day care homes for the provision of nutritious foods that contribute to the wellness, healthy growth, and development of young children, and the health and wellness of older adults and chronically impaired disabled persons.

(2) Definition of institution

In this section, the term "institution" means—

(A) any public or private nonprofit organization providing nonresidential child care or day care outside school hours for school children, including any child care center, settlement house, recreational center, Head Start center, and institution providing child care facilities for children with disabilities;

(B) any other private organization providing nonresidential child care or day care outside school hours for school children, if—

(i) at least 25 percent of the children served by the organization meet the income eligibility criteria established under section 1758(b) of this title for free or reduced price meals; or

(ii) the organization receives compensation from amounts granted to the States under title XX of the Social Security Act (42 U.S.C. 1397 et seq.) (but only if the organization receives compensation under that title for at least 25 percent of its enrolled children or 25 percent of its licensed capacity, whichever is less);

(C) any public or private nonprofit organization acting as a sponsoring organization for one or more of the organizations described in subparagraph (A) or (B) or for an adult day care center (as defined in subsection (o)(2));

(D) any other private organization acting as a sponsoring organization for, and that is part of the same legal entity as, one or more organizations that are—

(i) described in subparagraph (B); or

(ii) proprietary title XIX or title XX centers (as defined in subsection (o)(2));

(E) any public or private nonprofit organization acting as a sponsoring organization for one or more family or group day care homes; and

(F) any emergency shelter (as defined in subsection (t)).

(3) Age limit

Except as provided in subsection (r), reimbursement may be provided under this section only for meals or supplements served to children not over 12 years of age (except that such age limitation shall not be applicable for children of migrant workers if 15 years of age or less or for children with disabilities).

(4) Additional guidelines

The Secretary may establish separate guidelines for institutions that provide care to school children outside of school hours.

(5) Licensing

In order to be eligible, an institution (except a school or family or group day care home sponsoring organization) or family or group day care home shall—

(A)(i) be licensed, or otherwise have approval, by the appropriate Federal, State, or local licensing authority; or

(ii) be in compliance with appropriate procedures for renewing participation in the program, as prescribed by the Secretary, and not be the subject of information possessed by the State indicating that the license of the institution or home will not be renewed;

(B) if Federal, State, or local licensing or approval is not available—

(i) meet any alternate approval standards established by the appropriate State or local governmental agency; or

(ii) meet any alternate approval standards established by the Secretary after consultation with the Secretary of Health and Human Services; or

(C) if the institution provides care to school children outside of school hours and Federal, State, or local licensing or approval is not required for the institution, meet State or local health and safety standards.

(6) Eligibility criteria

No institution shall be eligible to participate in the program unless it satisfies the following criteria:

(A) accepts final administrative and financial responsibility for management of an effective food service;

(B) has not been seriously deficient in its operation of the child and adult care food program, or any other program under this chapter or the Child Nutrition Act of 1966 [42 U.S.C. 1771 et seq.], or has not been determined to be ineligible to participate in any other publicly funded program by reason of violation of the requirements of the program, for a period of time specified by the Secretary;

(C)(i) will provide adequate supervisory and operational personnel for overall monitoring and management of the child care food program; and

(ii) in the case of a sponsoring organization, the organization shall employ an appropriate number of monitoring personnel based on the number and characteristics of child care centers and family or group day care homes sponsored by the organization, as approved by the State (in accordance with regulations promulgated by the Secretary), to ensure effective oversight of the operations of the child care centers and family or group day care homes;

(D) in the case of a family or group day care home sponsoring organization that em-
ploys more than one employee, the organization does not base payments to an employee of the organization on the number of family or group day care homes recruited;

(E) in the case of a sponsoring organization, the organization has in effect a policy that restricts other employment by employees that interferes with the responsibilities and duties of the employees of the organization with respect to the program; and

(F) in the case of a sponsoring organization that applies for initial participation in the program on or after June 20, 2000, and that operates in a State that requires such institutions to be bonded under State law, regulation, or policy, the institution is bonded in accordance with such law, regulation, or policy.

(b) Limitations on cash assistance

For the fiscal year ending September 30, 1979, and for each subsequent fiscal year, the Secretary shall provide cash assistance to States for meals as provided in subsection (f) of this section, except that, in any fiscal year, the aggregate amount of assistance provided to a State by the Secretary under this section shall not exceed the sum of (1) the Federal funds provided by the State to participating institutions within the State for that fiscal year and (2) any funds used by the State under section 10 of the Child Nutrition Act of 1966 [42 U.S.C. 1779].

(c) Formula for computation of payments; national average payment rate

(1) For purposes of this section, except as provided in subsection (f)(3), the national average payment rate for free lunches and suppers, the national average payment rate for reduced price lunches and suppers, and the national average payment rate for paid lunches and suppers shall be the same as the national average payment rates for free lunches, reduced price lunches, and paid lunches, respectively, under sections 1753 and 1759a of this title as appropriate (as adjusted pursuant to section 1759a(a) of this title).

(2) For purposes of this section, except as provided in subsection (f)(3), the national average payment rate for free breakfasts, the national average payment rate for reduced price breakfasts, and the national average payment rate for paid breakfasts shall be the same as the national average payment rates for free breakfasts, reduced price breakfasts, and paid breakfasts, respectively, under section 4(b) of the Child Nutrition Act of 1966 [42 U.S.C. 1773(b)] (as adjusted pursuant to section 1759a(a) of this title).

(3) For purposes of this section, except as provided in subsection (f)(3), the national average payment rate for free supplements shall be 30 cents, the national average payment rate for reduced price supplements shall be one-half the rate for free supplements, and the national average payment rate for paid supplements shall be 2.75 cents (as adjusted pursuant to section 1759a(a) of this title).

(4) Determinations with regard to eligibility for free and reduced price meals and supplements shall be made in accordance with the income eligibility guidelines for free lunches and reduced price lunches, respectively, under section 1758 of this title.

(5) A child shall be considered automatically eligible for benefits under this section without further application or eligibility determination, if the child is enrolled as a participant in a Head Start program authorized under the Head Start Act (42 U.S.C. 9831 et seq.), on the basis of a determination that the child meets the eligibility criteria prescribed under section 645(a)(1)(B) of the Head Start Act (42 U.S.C. 9840(a)(1)(I)).

(6) A child who has not yet entered kindergarten shall be considered automatically eligible for benefits under this section without further application or eligibility determination if the child is enrolled as a participant in the Even Start program under part B of chapter 1 of title I of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 2741 et seq.).

(d) Institution approval and applications

(1) Institution approval

(A) Administrative capability

Subject to subparagraph (B) and except as provided in subparagraph (C), the State agency shall approve an institution that meets the requirements of this section for participation in the child and adult care food program if the State agency determines that the institution—

(i) is financially viable;

(ii) is administratively capable of operating the program (including whether the sponsoring organization has business experience and management plans appropriate to operate the program) described in the application of the institution; and

(iii) has internal controls in effect to ensure program accountability.

(B) Approval of private institutions

(i) In general

In addition to the requirements established by subparagraph (A) and subject to clause (ii), the State agency shall approve a private institution that meets the requirements of this section for participation in the child and adult care food program only if—

(I) the State agency conducts a satisfactory visit to the institution before approving the participation of the institution in the program; and

(II) the institution—

(aa) has tax exempt status under title 26;

(bb) is operating a Federal program requiring nonprofit status to participate in the program; or

(cc) is described in subsection (a)(2)(B).

(ii) Exception for family or group day care homes

Clause (i) shall not apply to a family or group day care home.

(C) Exception for certain sponsoring organizations

(i) In general

The State agency may approve an eligible institution acting as a sponsoring orga-
nization for one or more family or group day care homes or centers that, at the time of application, is not participating in the child and adult care food program only if the State agency determines that—
(I) the institution meets the requirements established by subparagraphs (A) and (B); and
(II) the participation of the institution will help ensure the delivery of benefits to otherwise unserved family or group day care homes or centers or to unserved children in an area.

(ii) Criteria for selection
The State agency shall establish criteria for approving an eligible institution acting as a sponsoring organization for one or more family or group day care homes or centers that, at the time of application, is not participating in the child and adult care food program for the purpose of determining if the participation of the institution will help ensure the delivery of benefits to otherwise unserved family or group day care homes or centers or to unserved children in an area.

(D) Notification to applicants
Not later than 30 days after the date on which an applicant institution files a completed application with the State agency, the State agency shall notify the applicant institution whether the institution has been approved or disapproved to participate in the child and adult care food program.

(E) Permanent operating agreements
(i) In general
Subject to clauses (ii) and (iii), to participate in the child and adult care food program, an institution that meets the conditions of eligibility described in this subsection shall be required to enter into a permanent agreement with the applicable State agency.

(ii) Amendments
A permanent agreement described in clause (i) may be amended as necessary to ensure that the institution is in compliance with all requirements established in this section or by the Secretary.

(iii) Termination
A permanent agreement described in clause (i)—
(I) may be terminated for convenience by the institution or State agency that is a party to the permanent agreement; and
(II) shall be terminated—
(aa) for cause by the applicable State agency in accordance with paragraph (5); or
(bb) on termination of participation of the institution in the child and adult care food program.

(2) Program applications
(A) In general
The Secretary shall develop a policy under which each institution providing child care that participates in the program under this section shall—
(i) submit to the State agency an initial application to participate in the program that meets all requirements established by the Secretary by regulation;
(ii) annually confirm to the State agency that the institution, and any facilities of the institution in which the program is operated by a sponsoring organization, is in compliance with subsection (a)(5); and
(iii) annually submit to the State agency any additional information necessary to confirm that the institution is in compliance with all other requirements to participate in the program, as established in this chapter and by the Secretary by regulation.

(B) Required reviews of sponsored facilities
(i) In general
The Secretary shall develop a policy under which each sponsoring organization participating in the program under this section shall conduct—
(I) periodic unannounced site visits at not less than 3-year intervals to sponsored child and adult care centers and family or group day care homes to identify and prevent management deficiencies and fraud and abuse under the program; and
(II) at least 1 scheduled site visit each year to sponsored child and adult care centers and family or group day care homes to identify and prevent management deficiencies and fraud and abuse under the program and to improve program operations.

(ii) Varied timing
Sponsoring organizations shall vary the timing of unannounced reviews under clause (i)(I) in a manner that makes the reviews unpredictable to sponsored facilities.

(C) Required reviews of institutions
The Secretary shall develop a policy under which each State agency shall conduct—
(I) at least 1 scheduled site visit at not less than 3-year intervals to each institution under the State agency participating in the program under this section—
(I) to identify and prevent management deficiencies and fraud and abuse under the program; and
(II) to improve program operations; and
(ii) more frequent reviews of any institution that—
(I) sponsors a significant share of the facilities participating in the program;
(II) conducts activities other than the program authorized under this section;
(III) has serious management problems, as identified in a prior review, or is at risk of having serious management problems; or
(IV) meets such other criteria as are defined by the Secretary.
(D) Detection and deterrence of erroneous payments and false claims
   (i) In general
       The Secretary may develop a policy to detect and deter, and recover erroneous
       payments to, and false claims submitted by, institutions, sponsored child and adult
       care centers, and family or group day care homes participating in the program under
       this section.
   (ii) Block claims
       (I) Definition of block claim
           In this clause, the term “block claim” has the meaning given the term in section
           226.2 of title 7, Code of Federal Regulations (or successor regulations).
       (II) Program edit checks
           The Secretary may not require any State agency, sponsoring organization, or
           other institution to perform edit checks or on-site reviews relating to the
           detection of block claims by any child care facility.
   (III) Allowance
       Notwithstanding subclause (II), the Secretary may require any State agency,
       sponsoring organization, or other institution to collect, store, and transmit to
       the appropriate entity information necessary to develop any other policy devel-
       oped under clause (i).
(3) Program information
   (A) In general
       On enrollment of a child in a sponsored child care center or family or group day care
       home participating in the program, the center or home (or its sponsoring organization)
       shall provide to the child’s parents or guardians—
       (i) information that describes the program and its benefits; and
       (ii) the name and telephone number of the sponsoring organization of the center
       or home and the State agency involved in the operation of the program.
   (B) Form
       The information described in subparagraph (A) shall be in a form and, to the maximum
       extent practicable, language easily understand-able by the child’s parents or guard-
       ians.
(4) Allowable administrative expenses for spon-
       soring organizations
       In consultation with State agencies and sponsoring organizations, the Secretary shall
       develop, and provide for the dissemination to State agencies and sponsoring organizations
       of, a list of allowable reimbursable administrative expenses for sponsoring organizations
       under the program.
(5) Termination or suspension of participating
   organizations
   (A) In general
       The Secretary shall establish procedures for the termination of participation by insti-
       tutions and family or group day care homes under the program.
   (B) Standards
       Procedures established pursuant to subparagraph (A) shall include standards for
       terminating the participation of an institution or family or group day care home that—
       (i) engages in unlawful practices, fals-
           ifies information provided to the State
           agency, or conceals a criminal back-
           ground; or
       (ii) substantially fails to fulfill the terms
           of its agreement with the State agency.
   (C) Corrective action
       Procedures established pursuant to sub-
       paragraph (A)—
       (i) shall require an entity described in
           subparagraph (B) to undertake corrective
           action; and
       (ii) may require the immediate suspen-
           sion of operation of the program by an en-
           tity described in subparagraph (B), with-
           out the opportunity for corrective action,
           if the State agency determines that there
           is imminent threat to the health or safety
           of a participant at the entity or the entity
           engages in any activity that poses a threat
           to public health or safety.
   (D) Hearing
       (i) In general
           Except as provided in clause (ii), an in-
           stitution or family or group day care home
           shall be provided a fair hearing in accord-
           ance with subsection (e)(1) prior to any de-
           termination to terminate participation by
           the institution or family or group day care
           home under the program.
       (ii) Exception for false or fraudulent claims
           (I) In general
           If a State agency determines that an
           institution has knowingly submitted a false or fraudulent claim for reimburse-
           ment, the State agency may suspend the
           participation of the institution in the
           program in accordance with this clause.
           (II) Requirement for review
           Prior to any determination to suspend
           participation of an institution under
           subclause (I), the State agency shall pro-
           vide for an independent review of the
           proposed suspension in accordance with
           subclause (III).
   (III) Review procedure
       The review shall—
       (aa) be conducted by an independent
           and impartial official other than, and
           not accountable to, any person in-
           volved in the determination to suspend
           the institution;
       (bb) provide the State agency and the
           institution the right to submit written
           documentation relating to the suspen-
           sion, including State agency docu-
           mentation of the alleged false or fraud-
           ulent claim for reimbursement and the
           response of the institution to the docu-
           mentation;
§ 1766. STATE AGENCIES PROVIDING NURSERY SERVICES

(1) In general

Except as provided in paragraph (4), each State agency shall provide, in accordance with regulations promulgated by the Secretary, an opportunity for a fair hearing and a prompt determination to any institution aggrieved by a determination to any institution concerning a State action taken on the basis of a Federal audit determination.

(ii) Availability

The Secretary shall make the list available to State agencies for use in approving or renewing applications by institutions, sponsored family or group day care homes, and individuals for participation in the program.

(e) Hearings

(1) In general

Except as provided in paragraph (4), each State agency shall provide, in accordance with regulations promulgated by the Secretary, an opportunity for a fair hearing and a prompt determination to any institution aggrieved by any action of the State agency that affects—

(A) the participation of the institution in the program authorized by this section; or

(B) the claim of the institution for reimbursement under this section.

(2) Reimbursement

In accordance with paragraph (3), a State agency that fails to meet timeframes for providing an opportunity for a fair hearing and a prompt determination to any institution under paragraph (1) in accordance with regulations promulgated by the Secretary, shall pay, from non-Federal sources, all valid claims for reimbursement to the institution and the facilities of the institution during the period beginning on the day after the end of any regulatory deadline for providing the opportunity and making the determination and ending on the date on which a hearing determination is made.

(3) Notice to State agency

The Secretary shall provide written notice to a State agency at least 30 days prior to imposing any liability for reimbursement under paragraph (2).

(4) Federal audit determination

A State is not required to provide a hearing to an institution concerning a State action taken on the basis of a Federal audit determination.

(5) Secretarial hearing

If a State does not provide a hearing to an institution concerning a State action taken on the basis of a Federal audit determination, the Secretary, on request, shall afford a hearing to the institution concerning the action.

(f) State disbursements to institutions

(1) In general.—

(A) REQUIREMENT.—Funds paid to any State under this section shall be disbursed to eligible institutions by the Secretary. Disbursements to any institution shall be made only for the purpose of assisting in providing meals to children attending institutions, or in family or group day care homes. Disbursement to any institution shall not be dependent upon the collection of moneys from participating children. All valid claims from such institutions shall be paid within forty-five days of receipt by the State. The State shall notify the institution within fifteen days of receipt of a claim if the claim as submitted is not valid because it is incomplete or incorrect.

(B) FRAUD OR ABUSE.—

(i) In general.—The State may recover funds disbursed under subparagraph (A) to an institution if the State determines that the institution has engaged in fraud or abuse with respect to the program or has submitted an invalid claim for reimbursement.

(ii) PAYMENT.—Amounts recovered under clause (i)—

(I) may be paid by the institution to the State over a period of one or more years; and

(II) shall not be paid from funds used to provide meals and supplements.

(iii) HEARING.—An institution shall be provided a fair hearing in accordance with subsection (e)(1) prior to any determination to recover funds under this subparagraph.

(2)(A) Subject to subparagraph (B) of this paragraph, the disbursement for any fiscal year to any State for disbursement to institutions, other than family or group day care home sponsoring organizations, for meals provided under this section shall be equal to the sum of the products obtained by multiplying the total number of each type of meal (breakfast, lunch or supper, or supplement) served in such institution in that fiscal year by the applicable national average payment rate for each such type of meal, as determined under subsection (c).

(B) No reimbursement may be made to any institution under this paragraph, or to family or group day care home sponsoring organizations under paragraph (3) of this subsection, for more
than two meals and one supplement per day per child, or in the case of an institution (but not in the case of a family or group day care home sponsoring organization), 2 meals and 1 supplement per day per child, for children that are maintained in a child care setting for eight or more hours per day.

(C) LIMITATION ON ADMINISTRATIVE EXPENSES FOR CERTAIN SPONSORING ORGANIZATIONS.—

(i) IN GENERAL.—Except as provided in clause (ii), a sponsoring organization of a day care center may reserve not more than 15 percent of the funds provided under paragraph (1) for the administrative expenses of the organization.

(ii) WAIVER.—A State may waive the requirement in clause (i) with respect to a sponsoring organization if the organization provides justification to the State that the organization requires funds in excess of 15 percent of the funds provided under paragraph (1) to pay the administrative expenses of the organization.

(3) REIMBURSEMENT OF FAMILY OR GROUP DAY CARE HOME SPONSORING ORGANIZATIONS.—

(A) REIMBURSEMENT FACTOR.—

(1) IN GENERAL.—An institution that participates in the programs under this section as a family or group day care home sponsoring organization shall be provided, for payment to a home sponsored by the organization, reimbursement factors in accordance with this subparagraph for the cost of obtaining and preparing food and prescribed labor costs involved in providing meals under this section.

(ii) TIER I FAMILY OR GROUP DAY CARE HOMES.—

(I) DEFINITION OF TIER I FAMILY OR GROUP DAY CARE HOME.—In this paragraph, the term "tire I family or group day care home" means—

(a) a family or group day care home that is located in a geographic area, as defined by the Secretary based on census data, in which at least 50 percent of the children residing in the area are members of households whose incomes meet the income eligibility guidelines for free or reduced price meals under section 1758 of this title;

(bb) a family or group day care home that is located in an area served by a school enrolling students in which at least 50 percent of the total number of children enrolled are certified eligible to receive free or reduced price school meals under this chapter or the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.); or

(cc) a family or group day care home that is operated by a provider whose household meets the income eligibility guidelines for free or reduced price meals under section 1758 of this title and whose income is verified by the sponsoring organization of the home under regulations established by the Secretary.

(II) REIMBURSEMENT.—Except as provided in subclause (III), a tier I family or group day care home shall be provided reimbursement factors under this clause without a requirement for documentation of the costs described in clause (i), except that reimbursement shall not be provided under this subclause for meals or supplements served to the children of a person acting as a family or group day care home provider unless the children meet the income eligibility guidelines for free or reduced price meals under section 1758 of this title.

(iii) TIER II FAMILY OR GROUP DAY CARE HOMES.—

(I) IN GENERAL.—

(aa) FACTORS.—Except as provided in subclause (II), with respect to meals or supplements served under this clause by a family or group day care home that does not meet the criteria set forth in clause (ii)(I), the reimbursement factors shall be 95 cents for lunches and suppers, 27 cents for breakfasts, and 13 cents for supplements.

(bb) ADJUSTMENTS.—The factors shall be adjusted on July 1, 1997, and each July 1 thereafter, to reflect changes in the Consumer Price Index for food at home for the most recent 12-month period for which the data are available. The reimbursement factors under this subparagraph shall be rounded to the nearest lower cent increment and based on the unrounded adjustment in effect on June 30 of the preceding school year.

(ii) TIER II FAMILY OR GROUP DAY CARE HOMES.—

(I) IN GENERAL.—

(aa) FACTORS.—Except as provided in subclause (II), with respect to meals or supplements served under this clause by a family or group day care home that does not meet the criteria set forth in clause (ii)(I), the reimbursement factors shall be provided reimbursement factors under this subclause without a requirement for documentation of the costs described in clause (i), except that reimbursement shall not be provided under this subclause for meals or supplements served to the children of a person acting as a family or group day care home provider unless the children meet the income eligibility guidelines for free or reduced price meals under section 1758 of this title.

(ii) OTHER FACTORS.—A family or group day care home that does not meet the criteria set forth in clause (ii)(I) may elect to be provided reimbursement factors determined in accordance with the following requirements:
(aa) Children eligible for free or reduced price meals.—In the case of meals or supplements served under this subsection to children who are members of households whose incomes meet the income eligibility guidelines for free or reduced price meals under section 1758 of this title, the family or group day care home shall be provided reimbursement factors set by the Secretary in accordance with clause (ii)(III).

(bb) Ineligible children.—In the case of meals or supplements served under this subsection to children who are members of households whose incomes do not meet the income eligibility guidelines, the family or group day care home shall be provided reimbursement factors in accordance with subclause (I).

(III) Information and determinations.—

(aa) In general.—If a family or group day care home elects to claim the factors described in subclause (II), the family or group day care home sponsoring organization serving the home shall collect the necessary income information, as determined by the Secretary, from any parent or other caretaker to make the determinations specified in subclause (II) and shall make the determinations in accordance with rules prescribed by the Secretary.

(bb) Categorical eligibility.—In making a determination under item (aa), a family or group day care home sponsoring organization may consider a child participating in or subsided under, or a child with a parent participating in or subsidied under, a federally or State supported child care or other benefit program with an income eligibility limit that does not exceed the eligibility standard for free or reduced price meals under section 1758 of this title to be a child who is a member of a household whose income meets the income eligibility guidelines under section 1758 of this title.

(cc) Factors for children only.—A family or group day care home may elect to receive the reimbursement factors prescribed under clause (ii)(III) solely for the children participating in a program referred to in item (bb) if the home elects not to have income statements collected from parents or other caretakers.

(dd) Transmission of income information by sponsored family or group day care homes.—If a family or group day care home elects to be provided reimbursement factors described in subclause (II), the family or group day care home may assist in the transmission of necessary household income information to the family or group day care home sponsoring organization in accordance with the policy described in item (ee).

(ee) Policy.—The Secretary shall develop a policy under which a sponsored family or group day care home described in item (dd) may, under terms and conditions specified by the Secretary and with the written consent of the parents or guardians of a child in a family or group day care home participating in the program, assist in the transmission of the income information of the family to the family or group day care home sponsoring organization.

(IV) Simplified meal counting and reporting procedures.—The Secretary shall prescribe simplified meal counting and reporting procedures for use by a family or group day care home that elects to claim the factors under subclause (II) and by a family or group day care home sponsoring organization that sponsors the home. The procedures the Secretary prescribes may include 1 or more of the following:

(aa) Setting an annual percentage for each home of the number of meals served that are to be reimbursed in accordance with the reimbursement factors prescribed under clause (ii)(III) and an annual percentage of the number of meals served that are to be reimbursed in accordance with the reimbursement factors prescribed under subclause (I), based on the family income of children enrolled in the home in a specified month or other period.

(bb) Placing a home into 1 of 2 or more reimbursement categories annually based on the percentage of children in the home whose households have incomes that meet the income eligibility guidelines under section 1758 of this title, with each such reimbursement category carrying a set of reimbursement factors such as the factors prescribed under clause (ii)(III) or subclause (I) or factors established within the range of factors prescribed under clause (ii)(III) and subclause (I).

(cc) Such other simplified procedures as the Secretary may prescribe.

(V) Minimum verification requirements.—The Secretary may establish any minimum verification requirements that are necessary to carry out this clause.

(B) Administrative funds.—

(i) In general.—In addition to reimbursement factors described in subparagraph (A), a family or group day care home sponsoring organization shall receive reimbursement for the administrative expenses of the sponsoring organization in an amount that is not less than the product obtained each month by multiplying—

(I) the number of family and group day care homes of the sponsoring organization submitting a claim for reimbursement during the month; by

(II) the appropriate administrative rate determined by the Secretary.

(ii) Annual adjustment.—The administrative reimbursement levels specified in clause (i) shall be adjusted July 1 of each year to reflect changes in the Consumer Price Index.
for All Urban Consumers published by the Bureau of Labor Statistics of the Department of Labor for the most recent 12-month period for which such data are available.

(iii) CARRYOVER FUNDS.—The Secretary shall develop procedures under which not more than 10 percent of the amount made available to sponsoring organizations under this section for administrative expenses for a fiscal year may remain available for obligation or expenditure in the succeeding fiscal year.

(C)(i) Reimbursement for administrative expenses shall also include start-up funds to finance the administrative expenses for such institutions to initiate successful operation under the program and expansion funds to finance the administrative expenses for such institutions to expand into low-income or rural areas. Institutions that have received start-up funds may also apply at a later date for expansion funds. Such start-up funds and expansion funds shall be in addition to other reimbursement to such institutions for administrative expenses. Start-up funds and expansion funds shall be payable to enable institutions satisfying the criteria of subsection (d) of this section, and any other standards prescribed by the Secretary, to develop an application for participation in the program as a family or group day care home sponsoring organization or to implement the program upon approval of the application. Such start-up funds and expansion funds shall be payable in accordance with the procedures prescribed by the Secretary. The amount of start-up funds and expansion funds payable to an institution shall be not less than the institution's anticipated reimbursement for administrative expenses under the program for one month and not more than the institution's anticipated reimbursement for administrative expenses under the program for two months.

(ii) Funds for administrative expenses may be used by family or group day care home sponsoring organizations to assist unlicensed family or group day care homes in becoming licensed.

(D) LIMITATIONS ON ABILITY OF FAMILY OR GROUP DAY CARE HOMES TO TRANSFER SPONSORING ORGANIZATIONS.—

(i) IN GENERAL.—Subject to clause (ii), a family or group day care home as a tier I family or group day care home may enter into a contract for services under subsection (a) with another sponsoring organization to become a tier I family or group day care home. This section shall remain in effect until more recent census data are available. The term is defined in subparagraph (A)(ii)(I).

(ii) DURATION OF DETERMINATION.—For purposes of this section, a determination that a family or group day care home is located in an area that qualifies the home as a tier I family or group day care home (as the term is defined in subparagraph (A)(ii)(I)), shall be in effect for 5 years (unless the determination is made on the basis of census data, in which case the determination shall remain in effect until more recent census data are available) unless the State agency determines that the area in which the home is located no longer qualifies the home as a tier I family or group day care home.
(g) Nutritional requirements for meals and snacks served in institutions and family or group day care homes

(1) Definition of dietary guidelines

In this subsection, the term “Dietary Guidelines” means the Dietary Guidelines for Americans published under section 5341 of title 7.

(2) Nutritional requirements

(A) In general

Except as provided in subparagraph (C), reimbursable meals and snacks served by institutions, family or group day care homes, and sponsored centers participating in the program under this section shall consist of a combination of foods that meet minimum nutritional requirements prescribed by the Secretary on the basis of tested nutritional research.

(B) Conformity with the dietary guidelines and authoritative science

(i) In general

Not less frequently than once every 10 years, the Secretary shall review and, as appropriate, update requirements for meals served under the program under this section to ensure that the meals—

(I) are consistent with the goals of the most recent Dietary Guidelines; and

(II) promote the health of the population served by the program authorized under this section, as indicated by the most recent relevant nutrition science and appropriate authoritative scientific agency and organization recommendations.

(ii) Cost review

The review required under clause (i) shall include a review of the cost to child care centers and group or family day care homes resulting from updated requirements for meals and snacks served under the program under this section.

(iii) Regulations

Not later than 18 months after the completion of the review of the meal pattern under clause (i), the Secretary shall promulgate proposed regulations to update the meal patterns for meals and snacks served under the program under this section.

(C) Exceptions

(i) Special dietary needs

The minimum nutritional requirements prescribed under subparagraph (A) shall not prohibit institutions, family or group day care homes, and sponsored centers from substituting foods to accommodate the medical or other special dietary needs of individual participants.

(ii) Exempt institutions

The Secretary may elect to waive all or part of the requirements of this subsection for emergency shelters participating in the program under this section.

(3) Meal service

Institutions, family or group day care homes, and sponsored centers shall ensure that reimbursable meal service contributes to the development and socialization of enrolled children by providing that food is not used as a punishment or reward.

(4) Fluid milk

(A) In general

If an institution, family or group day care home, or sponsored center provides fluid milk as part of a reimbursable meal or supplement, the institution, family or group day care home, or sponsored center shall provide the milk in accordance with the most recent version of the Dietary Guidelines.

(B) Milk substitutes

In the case of children who cannot consume fluid milk due to medical or other special dietary needs other than a disability, an institution, family or group day care home, or sponsored center may substitute for the fluid milk required in meals served, a nondairy beverage that—

(i) is nutritionally equivalent to fluid milk; and

(ii) meets nutritional standards established by the Secretary, including, among other requirements established by the Secretary, fortification of calcium, protein, vitamin A, and vitamin D to levels found in cow’s milk.

(C) Approval

(i) In general

A substitution authorized under subparagraph (B) may be made—

(I) at the discretion of and on approval by the participating day care institution; and

(II) if the substitution is requested by the parent or legal guardian of the child, that identifies the medical or other special dietary need that restricts the diet of the child.

(ii) Exception

An institution, family or group day care home, or sponsored center that elects to make a substitution authorized under this paragraph shall not be required to provide beverages other than beverages the State has identified as acceptable substitutes.

(D) Excess expenses borne by institution

A participating institution, family or group day care home, or sponsored center shall be responsible for any expenses that—

(i) are incurred by the institution, family or group day care home, or sponsored center to provide substitutions under this paragraph; and

(ii) are in excess of expenses covered under reimbursements under this chapter.

(5) Nondiscrimination policy

No physical segregation or other discrimination against any person shall be made because of the inability of the person to pay, nor shall there be any overt identification of any such person by special tokens or tickets, different
meals or meal service, announced or published lists of names, or other means.

(6) Use of abundant and donated foods

To the maximum extent practicable, each institution shall use in its food service foods that are—

(A) designated from time to time by the Secretary as being in abundance, either nationally or in the food service area; or

(B) donated by the Secretary.

(h) Donation of agricultural commodities by Secretary; measurement of value; annual readjustment of assistance; cash in lieu of commodities; Department of Defense child care feeding program

(1) (A) The Secretary shall donate agricultural commodities produced in the United States for use in institutions participating in the child care food program under this section.

(B) The value of the commodities donated under subparagraph (A) (or cash in lieu of commodities) to each State for each school year shall be, at a minimum, the amount obtained by multiplying the number of lunches and suppers served in participating institutions in that State during the preceding school year by the rate for commodities or cash in lieu of commodities established under section 1755(c) of this title for the school year concerned.

(C) After the end of each school year, the Secretary shall—

(i) reconcile the number of lunches and suppers served in participating institutions in each State during such school year with the number of lunches and suppers served by participating institutions in each State during the preceding school year; and

(ii) based on such reconciliation, increase or reduce subsequent commodity assistance or cash in lieu of commodities provided to each State.

(D) Any State receiving assistance under this section for institutions participating in the child care food program may, upon application to the Secretary, receive cash in lieu of some or all of the commodities to which it would otherwise be entitled under this subsection. In determining whether to request cash in lieu of commodities, the State shall base its decision on the preferences of individual participating institutions within the State, unless this proves impracticable due to the small number of institutions preferring donated commodities.

(2) The Secretary is authorized to provide agricultural commodities obtained by the Secretary under the provisions of the Agricultural Act of 1949 (7 U.S.C. 1421 et seq.) and donated under the provisions of section 416 of such Act (7 U.S.C. 1431), to the Department of Defense for use by its institutions providing child care services, when such commodities are in excess of the quantities needed to meet the needs of all other child nutrition programs, domestic and foreign food assistance and export enhancement programs. The Secretary shall require reimbursement from the Department of Defense for the costs, or some portion thereof, of delivering such commodities to overseas locations, unless the Secretary determines that it is in the best interest of the program that the Department of Agriculture shall assume such costs.

(i) Audits

(1) Disregards

(A) In general

Subject to subparagraph (B), in conducting management evaluations, reviews, or audits under this section, the Secretary or a State agency may disregard any overpayment to an institution for a fiscal year if the total overpayment to the institution for the fiscal year does not exceed an amount that is consistent with the disregards allowed in other programs under this chapter and recognizes the cost of collecting small claims, as determined by the Secretary.

(B) Criminal or fraud violations

In carrying out this paragraph, the Secretary and a State agency shall not disregard any overpayment for which there is evidence of a violation of a criminal law or civil fraud law.

(2) Funding

(A) In general

The Secretary shall make available for each fiscal year to each State agency administering the child and adult care food program, for the purpose of conducting audits of participating institutions, an amount of up to 1.5 percent of the funds used by each State in the program under this section, during the second preceding fiscal year.

(B) Additional funding

(i) In general

Subject to clause (ii), for fiscal year 2016 and each fiscal year thereafter, the Secretary shall increase the amount of funds made available to any State agency under subparagraph (A), if the State agency demonstrates that the State agency can effectively use the funds to improve program management under criteria established by the Secretary.

(ii) Limitation

The total amount of funds made available to any State agency under this paragraph shall not exceed 2 percent of the funds used by each State agency in the program under this section, during the second preceding fiscal year.

(j) Agreements

(1) In general

The Secretary shall issue regulations directing States to develop and provide for the use of a standard form of agreement between each sponsoring organization and the family or group day care homes or sponsored day care centers participating in the program under such organization, for the purpose of specifying the rights and responsibilities of each party.

(2) Duration

An agreement under paragraph (1) shall remain in effect until terminated by either party to the agreement.
(k) Training and technical assistance

A State participating in the program established under this section shall provide sufficient training, technical assistance, and monitoring to facilitate effective operation of the program. The Secretary shall assist the State in developing plans to fulfill the requirements of this subsection.

(l) Non-diminishment of State and local funds

Expenditures of funds from State and local sources for the maintenance of food programs for children shall not be diminished as a result of funds received under this section.

(m) Accounts and records

States and institutions participating in the program under this section shall keep such accounts and records as may be necessary to enable the Secretary to determine whether there has been compliance with the requirements of this section. Such accounts and records shall be available at any reasonable time for inspection and audit by representatives of the Secretary, the Comptroller General of the United States, and appropriate State representatives and shall be preserved for such period of time, not in excess of five years, as the Secretary determines necessary.

(n) Authorization of appropriations

There are hereby authorized to be appropriated for each fiscal year such funds as are necessary to carry out the purposes of this section.

(o) Participation of older persons and chronically impaired disabled persons

(1) For purposes of this section, adult day care centers shall be considered eligible institutions for reimbursement for meals or supplements served to persons 60 years of age or older or to chronically impaired disabled persons, including victims of Alzheimer’s disease and related disorders with neurological and organic brain dysfunction. Reimbursement provided to such institutions for such purposes shall improve the quality of meals or level of services provided or increase participation in the program. Lunches served by each such institution for which reimbursement is claimed under this section shall provide, on the average, approximately 1/2 of the daily recommended dietary allowance established by the Food and Nutrition Board of the National Research Council of the National Academy of Sciences. Such institutions shall make reasonable efforts to serve meals that meet the special dietary requirements of participants, including efforts to serve foods in forms palatable to participants.

(2) For purposes of this subsection—

(A) the term “adult day care center” means any public agency or private nonprofit organization, or any proprietary title XIX or title XX center, which—

(i) is licensed or approved by Federal, State, or local authorities to provide adult day care services to chronically impaired disabled adults or persons 60 years of age or older in a group setting outside their homes, or a group living arrangement, on a less than 24-hour basis; and

(ii) provides for such care and services directly or under arrangements made by the agency or organization whereby the agency or organization maintains professional management responsibility for all such services; and

(B) the term “proprietary title XIX or title XX center” means any private, for-profit center providing adult day care services for which it receives compensation from amounts granted to the States under title XIX or XX of the Social Security Act [42 U.S.C. 1396 et seq., 1397 et seq.]; and which title XIX or title XX beneficiaries were not less than 25 percent of enrolled eligible participants in a calendar month preceding initial application or annual reapplication for program participation.

(3)(A) The Secretary, in consultation with the Assistant Secretary for Aging, shall establish, within 6 months of October 1, 1988, separate guidelines for reimbursement of institutions described in this subsection. Such reimbursement shall take into account the nutritional requirements of eligible persons, as determined by the Secretary on the basis of tested nutritional research, except that such reimbursement shall not be less than would otherwise be required under this section.

(B) The guidelines shall contain provisions designed to assure that reimbursement under this subsection shall not duplicate reimbursement under part C of title III of the Older Americans Act of 1965 [42 U.S.C. 3050c et seq.], for the same meal served.

(4) For the purpose of establishing eligibility for free or reduced price meals or supplements under this subsection, income shall include only the income of an eligible person and, if any, the spouse and dependents with whom the eligible person resides.

(5) A person described in paragraph (1) shall be considered automatically eligible for free meals or supplements under this subsection, without further application or eligibility determination, if the person is—

(A) a member of a household receiving assistance under the Food and Nutrition Act of 2008 (7 U.S.C. 2011 et seq.); or

(B) a recipient of assistance under title XVI or XIX of the Social Security Act [42 U.S.C. 1381 et seq., 1396 et seq.].

(6) The Governor of any State may designate to administer the program under this subsection a State agency other than the agency that administers the child care food program under this section.

(q) Management support

(1) Technical and training assistance

In addition to the training and technical assistance that is provided to State agencies under other provisions of this chapter and the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.), the Secretary shall provide training and technical assistance in order to assist the
State agencies in improving their program management and oversight under this section.

(2) Technical and training assistance for identification and prevention of fraud and abuse

As part of training and technical assistance provided under paragraph (1), the Secretary shall provide training on a continuous basis to State agencies, and shall ensure that such training is provided to sponsoring organizations, for the identification and prevention of fraud and abuse under the program and to improve management of the program.

(r) Program for at-risk school children

(1) Definition of at-risk school child

In this subsection, the term “at-risk school child” means a school child who—

(A) is not more than 18 years of age, except that the age limitation provided by this subparagraph shall not apply to a child described in section 1760(d)(1)(A) of this title; and

(B) participates in a program authorized under this section operated at a site located in a geographical area served by a school in which at least 50 percent of the children enrolled are certified as eligible to receive free or reduced price school meals under this chapter or the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.).

(2) Participation in child and adult care food program

An institution may participate in the program authorized under this section only if the institution provides meals or supplements under a program—

(A) organized primarily to provide care to at-risk school children during after-school hours, weekends, or holidays during the regular school year; and

(B) with an educational or enrichment purpose.

(3) Administration

Except as otherwise provided in this subsection, the other provisions of this section apply to an institution described in paragraph (2).

(4) Meal and supplement reimbursement

(A) Limitations

An institution may claim reimbursement under this subsection only for one meal per child per day and one supplement per child per day served under a program organized primarily to provide care to at-risk school children during after-school hours, weekends, or holidays during the regular school year.

(B) Rates

(i) Meals

A meal shall be reimbursed under this subsection at the rate established for free meals under subsection (c).

(ii) Supplements

A supplement shall be reimbursed under this subsection at the rate established for a free supplement under subsection (c)(3).

(C) No charge

A meal or supplement claimed for reimbursement under this subsection shall be served without charge.

(5) Limitation

An institution participating in the program under this subsection may not claim reimbursement for meals and snacks that are served under section 1796(h) of this title on the same day.

(6) Handbook

(A) In general

Not later than 180 days after December 13, 2010, the Secretary shall—

(i) issue guidelines for afterschool meals for at-risk school children; and

(ii) publish a handbook reflecting those guidelines.

(B) Review

Each year after the issuance of guidelines under subparagraph (A), the Secretary shall—

(i) review the guidelines; and

(ii) issue a revised handbook reflecting changes made to the guidelines.

(s) Information concerning the special supplemental nutrition program for women, infants, and children

(1) In general

The Secretary shall provide each State agency administering a child and adult care food program under this section with information concerning the special supplemental nutrition program for women, infants, and children authorized under section 17 of the Child Nutrition Act of 1966 (42 U.S.C. 1786).

(2) Requirements for State agencies

Each State agency shall ensure that each participating family and group day care home and child care center (other than an institution providing care to school children outside school hours)—

(A) receives materials that include—

(i) a basic explanation of the importance and benefits of the special supplemental nutrition program for women, infants, and children;

(ii) the maximum State income eligibility standards, according to family size, for the program; and

(iii) information concerning how benefits under the program may be obtained;

(B) receives periodic updates of the information described in subparagraph (A); and

(C) provides the information described in subparagraph (A) to parents of enrolled children at enrollment.

(t) Participation by emergency shelters

(1) Definition of emergency shelter

In this subsection, the term “emergency shelter” means—

(A) an emergency shelter (as defined in section 11351 of this title); or

(B) a site operated by the shelter.

(2) Administration

Except as otherwise provided in this subsection, an emergency shelter shall be eligible
to participate in the program authorized under this section in accordance with the terms and conditions applicable to eligible institutions described in subsection (a).

(3) Licensing requirements

The licensing requirements contained in subsection (a)(5) shall not apply to an emergency shelter.

(4) Health and safety standards

To be eligible to participate in the program authorized under this section, an emergency shelter shall comply with applicable State or local health and safety standards.

(5) Meal or supplement reimbursement

(A) Limitations

An emergency shelter may claim reimbursement under this subsection—

(i) only for a meal or supplement served to children residing at an emergency shelter, if the children are—

(I) not more than 18 years of age; or

(II) children with disabilities; and

(ii) for not more than 3 meals, or 2 meals and a supplement, per child per day.

(B) Rate

A meal or supplement eligible for reimbursement shall be reimbursed at the rate at which free meals and supplements are reimbursed under subsection (c).

(C) No charge

A meal or supplement claimed for reimbursement shall be served without charge.

(u) Promoting health and wellness in child care

(1) Physical activity and electronic media use

The Secretary shall encourage participating child care centers and family or group day care homes—

(A) to provide to all children under the supervision of the participating child care centers and family or group day care homes daily opportunities for structured and unstructured age-appropriate physical activity; and

(B) to limit among children under the supervision of the participating child care centers and family or group day care homes the use of electronic media to an appropriate level.

(2) Water consumption

Participating child care centers and family or group day care homes shall make available to children, as nutritionally appropriate, potable water as an acceptable fluid for consumption throughout the day, including at meal times.

(3) Technical assistance and guidance

(A) In general

The Secretary shall provide technical assistance to institutions participating in the program under this section to assist participating child care centers and family or group day care homes in complying with the nutritional requirements and wellness recommendations prescribed by the Secretary in accordance with this subsection and subsection (g).

(B) Guidance

Not later than January 1, 2012, the Secretary shall issue guidance to States and institutions to encourage participating child care centers and family or group day care homes serving meals and snacks under this section to—

(i) include foods that are recommended for increased serving consumption in amounts recommended by the most recent Dietary Guidelines for Americans published under section 5341 of title 7, including fresh, canned, dried, or frozen fruits and vegetables, whole grain products, lean meat products, and low-fat and non-fat dairy products; and

(ii) reduce sedentary activities and provide opportunities for regular physical activity in quantities recommended by the most recent Dietary Guidelines for Americans described in clause (i).

(C) Nutrition

Technical assistance relating to the nutritional requirements of this subsection and subsection (g) shall include—

(i) nutrition education, including education that emphasizes the relationship between nutrition, physical activity, and health; and

(ii) sharing of best practices for physical activity requirements of this subsection and subsection (g) shall include—

(I) consistent with the goals of the most recent Dietary Guidelines; and

(II) promote the health of the population served by the program under this section, as recommended by authoritative scientific organizations.

(D) Physical activity

Technical assistance relating to the physical activity requirements of this subsection shall include—

(i) education on the importance of regular physical activity to overall health and well being; and

(ii) sharing of best practices for physical activity plans in child care centers and homes as recommended by authoritative scientific organizations.

(E) Electronic media use

Technical assistance relating to the electronic media use requirements of this subsection shall include—

(i) education on the benefits of limiting exposure to electronic media by children; and

(ii) sharing of best practices for the development of daily activity plans that limit use of electronic media.

(F) Minimum assistance

At a minimum, the technical assistance required under this paragraph shall include a handbook, developed by the Secretary in...
coordination with the Secretary for Health and Human Services, that includes recommendations, guidelines, and best practices for participating institutions and family or group day care homes that are consistent with the nutrition, physical activity, and wellness requirements and recommendations of this subsection.

(G) Additional assistance

In addition to the requirements of this paragraph, the Secretary shall develop and provide such appropriate training and education materials, guidance, and technical assistance as the Secretary considers to be necessary to comply with the nutritional and wellness requirements of this subsection and subsection (g).

(H) Funding

(i) In general

On October 1, 2010, out of any funds in the Treasury not otherwise appropriated, the Secretary of the Treasury shall transfer to the Secretary to provide technical assistance under this subsection $10,000,000, to remain available until expended.

(ii) Receipt and acceptance

The Secretary shall be entitled to receive, shall accept, and shall use to carry out this subsection the funds transferred under clause (i), without further appropriation.

“(2) limit among children under the supervision of the child care centers and family or group day care homes the use of electronic media and the quantity of time spent in sedentary activity at an appropriate level;

“(3) serve meals and snacks that are consistent with the requirements of the child and adult care food program established under section 17 of the Richard B. Russell National School Lunch Act (42 U.S.C. 1766); and

“(4) promote such other nutrition and wellness goals as the Secretaries determine to be necessary.”

**Reducing Paperwork and Improving Program Administration**

“(a) DEFINITION OF PROGRAM.—In this section, the term ‘program’ means the child and adult care food program established under section 17 of the Richard B. Russell National School Lunch Act (42 U.S.C. 1766).

“(b) ESTABLISHMENT.—The Secretary of Agriculture, in conjunction with States and participating institutions, shall continue to examine the feasibility of reducing unnecessary or duplicative paperwork resulting from regulations and recordkeeping requirements for State agencies, institutions, family and group day care homes, and sponsored centers participating in the program.

“(c) DUTIES.—At a minimum, the examination shall include—

“(1) review and evaluation of the recommendations, guidance, and regulatory priorities developed and issued to comply with section 119(i) of the Child Nutrition and WIC Reauthorization Act of 2004 (42 U.S.C. 1766 note; Public Law 108–265); and

“(2) examination of additional paperwork and administrative requirements that have been established since February 23, 2007, that could be reduced or simplified.

“(d) ADDITIONAL DUTIES.—The Secretary, in conjunction with States and institutions participating in the program, may also examine any aspect of administration of the program.

“(e) REPORT.—Not later than 4 years after the date of enactment of this Act [Dec. 13, 2010], the Secretary...
shall submit to Congress a report that describes the actions that have been taken to carry out this section, including:

(1) actions taken to address administrative and paperwork burdens identified as a result of compliance with section 119(i) of the Child Nutrition and WIC Reauthorization Act of 2004 (42 U.S.C. 1766 note; Public Law 108–265);

(2) administrative and paperwork burdens identified as a result of compliance with section 119(i) of that Act for which no regulatory action or policy guidance has been taken;

(3) additional steps that the Secretary is taking or plans to take to address any administrative and paperwork burdens identified under subsection (c)(2) and paragraph (2), including—

(A) new or updated regulations, policy, guidance, or technical assistance; and

(B) a timeframe for the completion of those steps; and

(4) recommendations to Congress for modifications to existing statutory authorities needed to address identified administrative and paperwork burdens.

RECOVERY AND REALLOCATION OF AUDIT FUNDS

Effective Date of 1998 Amendment

Sections

Regulations

Pub. L. 101–147, title I, § 106(b), Nov. 10, 1989, 103 Stat. 886, provided that: “Not later than July 1, 1990, the Secretary of Agriculture shall issue final regulations to implement section 17A of the [Richard B. Russell] National School Lunch Act [this section] (as added by subsection (a) of this section).”

(b) Extension of eligibility of certain school districts to receive cash or commodity letters of credit assistance for school lunch programs

(1) Upon request to the Secretary, any school district that on January 1, 1987, was receiving all cash payments or all commodity letters of credit in lieu of entitlement commodities for its school lunch program shall receive all cash payments or all commodity letters of credit in lieu of entitlement commodities for its school lunch program beginning July 1, 1987. The Secretary, directly or through contract, shall administer the project under this subsection.

(2) Any school district that elects under paragraph (1) to receive all cash payments or all commodity letters of credit in lieu of entitlement commodities for its school lunch program shall receive bonus commodities in the same manner as if such school district was receiving all entitlement commodities for its school lunch program.

(c) Alternative counting and claiming procedures

(1) The Secretary may conduct pilot projects to test alternative counting and claiming procedures.

(2) Each pilot program carried out under this subsection shall be evaluated by the Secretary after it has been in operation for 3 years.

(g) Access to local foods: farm to school program

(1) Definition of eligible school

In this subsection, the term “eligible school” means a school or institution that participates in a program under this chapter or the school breakfast program established under section 1773 of this title.

(2) Program

The Secretary shall carry out a program to assist eligible schools, State and local agencies, Indian tribal organizations, agricultural producers or groups of agricultural producers, and nonprofit entities through grants and technical assistance to implement farm to school programs that improve access to local foods in eligible schools.

(3) Grants

(A) In general

The Secretary shall award competitive grants under this subsection to be used for—

(i) training;

(ii) supporting operations;

(iii) planning;

(iv) purchasing equipment;

(v) developing school gardens;

(vi) developing partnerships; and

(vii) implementing farm to school programs.

(B) Regional balance

In making awards under this subsection, the Secretary shall, to the maximum extent practicable, ensure—

(i) geographical diversity; and

(ii) equitable treatment of urban, rural, and tribal communities.

(C) Maximum amount

The total amount provided to a grant recipient under this subsection shall not exceed $100,000.

(4) Federal share

(A) In general

The Federal share of costs for a project funded through a grant awarded under this subsection shall not exceed 75 percent of the total cost of the project.

(B) Federal matching

As a condition of receiving a grant under this subsection, a grant recipient shall provide matching support in the form of cash or in-kind contributions, including facilities, equipment, or services provided by State and local governments, nonprofit organizations, and private sources.

(5) Criteria for selection

To the maximum extent practicable, in providing assistance under this subsection, the Secretary shall give the highest priority to funding projects that, as determined by the Secretary—

(A) make local food products available on the menu of the eligible school;

(B) serve a high proportion of children who are eligible for free or reduced price lunches;

(C) incorporate experiential nutrition education activities in curriculum planning that encourage the participation of school children in farm and garden-based agricultural education activities;

(D) demonstrate collaboration between eligible schools, nongovernmental and community-based organizations, agricultural producer groups, and other community partners;

(E) include adequate and participatory evaluation plans;

(F) demonstrate the potential for long-term program sustainability; and

(G) meet any other criteria that the Secretary determines appropriate.

(6) Evaluation

As a condition of receiving a grant under this subsection, each grant recipient shall
agree to cooperate in an evaluation by the Secretary of the program carried out using grant funds.

(7) Technical assistance

The Secretary shall provide technical assistance and information to assist eligible schools, State and local agencies, Indian tribal organizations, and nonprofit entities—

(A) to facilitate the coordination and sharing of information and resources in the Department that may be applicable to the farm to school program;

(B) to collect and share information on best practices; and

(C) to disseminate research and data on existing farm to school programs and the potential for programs in underserved areas.

(8) Funding

(A) In general

On October 1, 2012, and each October 1 thereafter, out of any funds in the Treasury not otherwise appropriated, the Secretary of the Treasury shall transfer to the Secretary to carry out this subsection $5,000,000, to remain available until expended.

(B) Receipt and acceptance

The Secretary shall be entitled to receive, shall accept, and shall use to carry out this subsection the funds transferred under subparagraph (A), without further appropriation.

(9) Authorization of appropriations

In addition to the amounts made available under paragraph (8), there are authorized to be appropriated to carry out this subsection such sums as are necessary for each of fiscal years 2011 through 2015.

(h) Pilot program for high-poverty schools

(1) In general

(A) Definitions

In this paragraph:

(i) Eligible program

The term “eligible program” means—

(I) a school-based program with hands-on vegetable gardening and nutrition education that is incorporated into the curriculum for 1 or more grades at 2 or more eligible schools; or

(II) a community-based summer program with hands-on vegetable gardening and nutrition education that is part of, or coordinated with, a summer enrichment program at 2 or more eligible schools.

(ii) Eligible school

The term “eligible school” means a public school, at least 50 percent of the students of which are eligible for free or reduced price meals under this chapter.

(B) Establishment

The Secretary shall carry out a pilot program under which the Secretary shall provide to nonprofit organizations or public entities in not more than 5 States grants to develop and run, through eligible programs, community gardens at eligible schools in the States that would—

(i) be planted, cared for, and harvested by students at the eligible schools; and

(ii) teach the students participating in the community gardens about agriculture production practices and diet.

(C) Priority States

Of the States in which grantees under this paragraph are located—

(i) at least 1 State shall be among the 15 largest States, as determined by the Secretary;

(ii) at least 1 State shall be among the 16th to 30th largest States, as determined by the Secretary; and

(iii) at least 1 State shall be a State that is not described in clause (i) or (ii).

(D) Use of produce

Produce from a community garden provided a grant under this paragraph may be—

(i) used to supplement food provided at the eligible school;

(ii) distributed to students to bring home to the families of the students; or

(iii) donated to a local food bank or senior center nutrition program.

(E) No cost-sharing requirement

A nonprofit organization or public entity that receives a grant under this paragraph shall not be required to share the cost of carrying out the activities assisted under this paragraph.

(F) Evaluation

A nonprofit organization or public entity that receives a grant under this paragraph shall be required to cooperate in an evaluation carried out by the Secretary.

(2) Authorization of appropriations

There are authorized to be appropriated such sums as are necessary to carry out this subsection for each of fiscal years 2004 through 2015.

(i) Year-round services for eligible entities

(1) In general

A service institution that is described in section 1761(a)(6) of this title (excluding a public school), or a private nonprofit organization described in section 1761(a)(7) of this title, and that is located in the State of California may be reimbursed—

(A) for up to 2 meals during each day of operation served—

(i) during the months of May through September;

(ii) in the case of a service institution that operates a food service program for children on school vacation, at anytime under a continuous school calendar; and

(iii) in the case of a service institution that provides meal service at a nonschool site to children who are not in school for a period during the school year due to a natural disaster, building repair, court order, or similar case, at anytime during such a period; and

(B) for a snack served during each day of operation after school hours, weekends, and
school holidays during the regular school calendar.

(2) Payments

The service institution shall be reimbursed consistent with section 1761(b)(1) of this title.

(3) Administration

To receive reimbursement under this subsection, a service institution shall comply with section 1761 of this title, other than subsections (b)(2) and (c)(1) of that section.

(4) Evaluation

Not later than September 30, 2007, the State agency shall submit to the Secretary a report on the effect of this subsection on participation in the summer food service program for children established under section 1761 of this title.

(5) Funding

The Secretary shall provide to the State of California such sums as are necessary to carry out this subsection for each of fiscal years 2011 through 2015.

(j) Free lunch and breakfast eligibility

(1) In general

Subject to the availability of funds under paragraph (4), the Secretary shall expand the service of free lunches and breakfasts provided at schools participating in the school lunch program under this chapter or the school breakfast program under section 1773 of this title in all or part of 5 States selected by the Secretary (of which at least 1 shall be a largely rural State with a significant Native American population).

(2) Income eligibility

The income guidelines for determining eligibility for free lunches or breakfasts under this subsection shall be 185 percent of the applicable family size income levels contained in the nonfarm poverty income guidelines prescribed by the Office of Management and Budget, as adjusted annually in accordance with section 1758(b)(1)(B) of this title.

(3) Evaluation

(A) In general

Not later than 3 years after the implementation of this subsection, the Secretary shall conduct an evaluation to assess the impact of the changed income eligibility guidelines by comparing the school food authorities operating under this subsection to school food authorities not operating under this subsection.

(B) Impact assessment

(i) Children

The evaluation shall assess the impact of this subsection separately on—

(I) children in households with incomes less than 130 percent of the applicable family income levels contained in the nonfarm poverty income guidelines prescribed by the Office of Management and Budget, as adjusted annually in accordance with section 1758(b)(1)(B) of this title; and

(ii) children in households with incomes greater than 130 percent and not greater than 185 percent of the applicable family income levels contained in the nonfarm poverty income guidelines prescribed by the Office of Management and Budget, as adjusted annually in accordance with section 1758(b)(1)(B) of this title.

(iii) Factors

The evaluation shall assess the impact of this subsection on—

(I) certification and participation rates in the school lunch and breakfast programs;

(II) rates of lunch- and breakfast-skipping;

(III) academic achievement;

(IV) the allocation of funds authorized in title I of the Elementary and Secondary Education Act (20 U.S.C. 6301 et seq.) to local educational agencies and public schools; and

(V) other factors determined by the Secretary.

(C) Cost assessment

The evaluation shall assess the increased costs associated with providing additional free, reduced price, or paid meals in the school food authorities operating under this subsection.

(D) Report

On completion of the evaluation, the Secretary shall submit to the Committee on Education and the Workforce of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report describing the results of the evaluation under this paragraph.

(4) Authorization of appropriations

There are authorized to be appropriated such sums as are necessary to carry out this subsection, to remain available until expended.

(k) Organic food pilot program

(1) Establishment

The Secretary shall establish an organic food pilot program (referred to in this subsection as the “pilot program”) under which the Secretary shall provide grants on a competitive basis to school food authorities selected under paragraph (3).

(2) Use of funds

(A) In general

The Secretary shall use funds provided under this section—

(i) to enter into competitively awarded contracts or cooperative agreements with school food authorities selected under paragraph (3); or

(ii) to make grants to school food authority applicants selected under paragraph (3).

(B) School food authority uses of funds

A school food authority that receives a grant under this section shall use the grant funds to establish a pilot program that in-
creases the quantity of organic foods provided to schoolchildren under the school lunch program established under this chapter.

(3) Application

(A) In general

A school food authority seeking a contract, grant, or cooperative agreement under this subsection shall submit to the Secretary an application in such form, containing such information, and at such time as the Secretary shall prescribe.

(B) Criteria

In selecting contract, grant, or cooperative agreement recipients, the Secretary shall consider—

(i) the poverty line (as defined in section 9002(2) of this title, including any revision required by that section)\(^1\) applicable to a family of the size involved of the households in the district served by the school food authority, giving preference to school food authority applicants in which not less than 50 percent of the households in the district are at or below the Federal poverty line;

(ii) the commitment of each school food authority applicant—

(I) to improve the nutritional value of school meals;

(II) to carry out innovative programs that improve the health and wellness of schoolchildren; and

(III) to evaluate the outcome of the pilot program; and

(iii) any other criteria the Secretary determines to be appropriate.

(4) Authorization of appropriations

There are authorized to be appropriated to carry out this subsection $10,000,000 for fiscal years 2011 through 2015.\(^2\)

§1769a Fresh fruit and vegetable program

(a) In general

For the school year beginning July 2008 and each subsequent school year, the Secretary shall provide grants to States to carry out a program to make free fresh fruits and vegetables available in elementary schools (referred to in this section as the ‘‘program’’).

(b) Program

A school participating in the program shall make free fresh fruits and vegetables available to students throughout the school day (or at such other times as are considered appropriate by the Secretary) in 1 or more areas designated by the school.

(c) Funding to States

(1) Minimum grant

Except as provided in subsection (1)(2), the Secretary shall provide to each of the 50 States and the District of Columbia an annual grant in an amount equal to 1 percent of the funds made available for a year to carry out the program.

(2) Additional funding

Of the funds remaining after grants are made under paragraph (1), the Secretary shall allocate additional funds to each State that is operating a school lunch program under sec-
§ 1769a

Selection of schools

(1) In general

Except as provided in paragraph (2) of this subsection and section 430H(a)(2) of the Food, Conservation, and Energy Act of 2008, each year, in selecting schools to participate in the program, each State shall—

(A) ensure that each school chosen to participate in the program is a school—
   (i) in which not less than 50 percent of the students are eligible for free or reduced price meals under this chapter; and
   (ii) that submits an application in accordance with subparagraph (D);

(B) to the maximum extent practicable, give the highest priority to schools with the highest proportion of children who are eligible for free or reduced price meals under this chapter;

(C) ensure that each school selected is an elementary school (as defined in section 7801 of title 20);

(D) solicit applications from interested schools that include—
   (i) information pertaining to the percentage of students enrolled in the school submitting the application who are eligible for free or reduced price school lunches under this chapter;
   (ii) a certification of support for participation in the program signed by the school food manager, the school principal, and the district superintendent (or equivalent positions, as determined by the school);
   (iii) a plan for implementation of the program, including efforts to integrate activities carried out under this section with other efforts to promote sound health and nutrition, reduce overweight and obesity, or promote physical activity; and
   (iv) such other information as may be requested by the Secretary; and

(E) encourage applicants to submit a plan for implementation of the program that includes a partnership with 1 or more entities that will provide non-Federal resources (including entities representing the fruit and vegetable industry).

(2) Exception

Clause (i) of paragraph (1)(A) shall not apply to a State if all schools that meet the requirements of that clause have been selected and the State does not have a sufficient number of additional schools that meet the requirement of that clause.

(3) Outreach to low-income schools

(A) In general

Prior to making decisions regarding school participation in the program, a State agency shall inform the schools within the State with the highest proportion of free and reduced price meal eligibility, including Native American schools, of the eligibility of the schools for the program with respect to priority granted to schools with the highest proportion of free and reduced price eligibility under paragraph (1)(B).

(B) Requirement

In providing information to schools in accordance with subparagraph (A), a State agency shall inform the schools that would likely be chosen to participate in the program under paragraph (1)(B).

(c) Notice of availability

If selected to participate in the program, a school shall widely publicize within the school the availability of free fresh fruits and vegetables under the program.

(f) Per-student grant

The per-student grant provided to a school under this section shall be—

(1) determined by a State agency; and
(2) not less than $50, nor more than $75.

(g) Limitation

To the maximum extent practicable, each State agency shall ensure that in making the fruits and vegetables provided under this section available to students, schools offer the fruits and vegetables separately from meals otherwise provided at the school under this chapter or the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.).

(h) Evaluation and reports

(1) In general

The Secretary shall conduct an evaluation of the program, including a determination as to whether children experienced, as a result of participating in the program—

(A) increased consumption of fruits and vegetables;
(B) other dietary changes, such as decreased consumption of less nutritious foods; and
(C) such other outcomes as are considered appropriate by the Secretary.

(2) Report

Not later than September 30, 2011, the Secretary shall submit to the Committee on Education and Labor of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report that describes the results of the evaluation under paragraph (1).

(i) Funding

(1) In general

Out of the funds made available under subsection (b)(2)(A) of section 612c-6 of title 7, the Secretary shall use the following amounts to carry out this section:

(A) On October 1, 2008, $40,000,000.
(B) On July 1, 2009, $65,000,000.
(C) On July 1, 2010, $101,000,000.
(D) On July 1, 2011, $150,000,000.
(E) On July 1, 2012, and each July 1 thereafter, the amount made available for the preceding fiscal year, as adjusted to reflect changes for the 12-month period ending the

preceding April 30 in the Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics of the Department of Labor, for items other than food.

(2) Maintenance of existing funding

In allocating funding made available under paragraph (1) among the States in accordance with subsection (c), the Secretary shall ensure that each State that received funding under section 1769(f) of this title on the day before the date of enactment of the Food, Conservation, and Energy Act of 2008 shall continue to receive sufficient funding under this section to maintain the caseload level of the State under that section as in effect on that date.

(3) Evaluation funding

On October 1, 2008, out of any funds made available under subsection (b)(2)(A) of section 612c–6 of title 7, the Secretary shall use to carry out the evaluation required under subsection (b)(2)(A) of section 301 of the National Nutrition Monitoring and Related Research Act of 1990 (7 U.S.C. 5341).

(4) Receipt and acceptance

The Secretary shall be entitled to receive, shall accept, and shall use to carry out this section any funds transferred for that purpose, without further appropriation.

(5) Authorization of appropriations

In addition to any other amounts made available to carry out this section, there are authorized to be appropriated such sums as are necessary to expand the program established under this section.

(6) Administrative costs

(A) In general

Of funds made available to carry out this section for a fiscal year, the Secretary may use not more than $500,000 for the administrative costs of carrying out the program.

(B) Reservation of funds

The Secretary shall reserve such funds as the Secretary determines to be necessary to administer the program in the State (with adjustments for the size of the State and the grant amount), but not to exceed the amount required to pay the costs of 1 full-time coordinator for the program in the State.

(7) Reallocations

(A) Among States

The Secretary may reallocate any amounts made available to carry out this section that are not obligated or expended by a date determined by the Secretary.

(B) Within States

A State that receives a grant under this section may reallocate any amounts made available under the grant that are not obligated or expended by a date determined by the Secretary.

Section 4304(a)(2) of the Food, Conservation, and Energy Act of 2008, referred to in subsec. (d)(1), is section 4304(a)(2) of Pub. L. 110–246, which is set out as a note below.

Section 7801 of title 2, set out as a note under section 8701 of Title 7, Agriculture, was in the original a reference to section 9101 of Pub. L. 110–246, which was repealed by section 4(a) of Pub. L. 110–246.

Section 4304(a)(2) of Pub. L. 110–246, which is set out as a note under section 8701 of Title 7, Agriculture, was in the original a reference to section 9101 of Pub. L. 110–246, which was repealed by section 4(a) of Pub. L. 110–246.

Not later than 60 days after the date of enactment of this Act and the Food, Conservation, and Energy Act of 2008, the Secretary shall evaluate—

(1) the impacts on fruit and vegetable consumption at the schools participating in the pilot project;

(2) the impacts of the pilot project on school participation in the Program and operation of the Program.

The date of enactment of the Food, Conservation, and Energy Act of 2008, referred to in subsec. (i)(2), is the date of enactment of Pub. L. 110–246, which was approved June 18, 2008.

Prior Provisions

Effective Date

Section effective Oct. 1, 2008, see section 4407 of Pub. L. 110–246, set out as an Effective Date of 2008 Amendment note under section 1161 of Title 2, The Congress.

PILOT PROJECT FOR CANNED, FROZEN, OR DRIED FRUITS AND VEGETABLES

"(a) In General.—Subject to subsection (b), in the 2014–2015 school year, the Secretary [of Agriculture] shall carry out a pilot project in schools participating in the Fresh Fruit and Vegetable Program under section 19 of the Richard B. Russell National School Lunch Act (42 U.S.C. 1769a) (referred to in this section as the "Program"), in not less than 5 States, to evaluate the impact of allowing schools to offer canned, frozen, or dried fruits and vegetables as part of the Program.

"(b) Requirements.—Not later than 60 days after the date of enactment of this Act [Feb. 14, 2014], the Secretary shall establish criteria for the conditions under which canned, frozen, or dried fruits and vegetables may be offered, which shall be in accordance with the most recent Dietary Guidelines for Americans published under section 301 of the National Nutrition Monitoring and Related Research Act of 1990 (7 U.S.C. 5341).

"(c) Evaluation.—With respect to the pilot project, the Secretary shall evaluate—

"(1) the impacts on fruit and vegetable consumption at the schools participating in the pilot project;

"(2) the impacts of the pilot project on school participation in the Program and operation of the Program;
“(3) the implementation strategies used by the schools participating in the pilot project;

“(4) the acceptance of the pilot project by key stakeholders; and

“(5) such other outcomes as are determined by the Secretary.

“(d) REPORTS.—

“(1) IN GENERAL.—Not later than January 1, 2015, the Secretary shall submit to the Committee on Education and Workforce of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report that describes the results of the evaluation under subsection (c).

“(2) FINAL REPORT.—On completion of the pilot project, the Secretary shall submit to the Committee on Education and Workforce of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report that describes the results of the evaluation under subsection (c).

“(e) NOTICE OF AVAILABILITY.—As soon as practicable after the date on which the Secretary establishes the criteria for the pilot project under subsection (b), the Secretary shall notify potentially eligible schools of the potential eligibility of the schools for participation in the pilot project.

“(f) RELATIONSHIP TO FRESH FRUIT AND VEGETABLE PROGRAM.—Nothing in this section permits a school that is not a part of the pilot project to offer anything other than fresh fruits and vegetables through the Program.

“(g) FUNDING.—The Secretary shall use $5,000,000 of amounts otherwise made available to the Secretary to carry out this section.

TRANSITION OF EXISTING SCHOOLS

“(A) EXISTING SECONDARY SCHOOLS.—Section 19(d)(1)(C) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1769a(d)(1)(C)) (as amended by paragraph (1)) may be waived by a State until July 1, 2010, for each secondary school in the State that has been awarded funding under section 18(f) of that Act (42 U.S.C. 1768f(f)) for the school year beginning July 1, 2008.

“(B) SCHOOL YEAR BEGINNING JULY 1, 2008.—To facilitate transition from the program authorized under section 18(f) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1768f(f)) (as in effect on the day before the date of enactment of this Act [June 18, 2008]) to the program established under section 19 of that Act (42 U.S.C. 1768a) (as amended by paragraph (1))—

“(i) for the school year beginning July 1, 2008, the Secretary of Agriculture may permit any school selected for participation under section 18(f) of that Act (42 U.S.C. 1768f(f)) for that school year to continue to participate under section 19 of that Act (42 U.S.C. 1768a) until the end of that school year; and

“(ii) funds made available under that Act (42 U.S.C. 1751 et seq.) for fiscal year 2009 may be used to support the participation of the schools selected to participate in the program authorized under section 18(f) of that Act (42 U.S.C. 1768f(f)) (as in effect on the day before the date of enactment of this Act [June 18, 2008]).

“(C) SCHOOL YEAR BEGINNING JULY 1, 2009.—For the purpose of obtaining Federal payments and commodities in conjunction with the provision of lunches to students attending Department of Defense dependents’ schools which are located outside the United States, its territories or possessions, the Secretary of Agriculture shall make available to the Department of Defense, from funds appropriated for such purpose, the same payments and commodities as are provided to States for schools participating in the National School Lunch Program in the United States.

(b) Administration of program; eligibility determinations and regulations

The Secretary of Defense shall administer lunch programs authorized by this section and shall determine eligibility for free and reduced price lunches under the criteria published by the Secretary of Agriculture, except that the Secretary of Defense shall prescribe regulations governing computation of income eligibility standards for families of students participating in the National School Lunch Program under this section.

(c) Nutritional standards for meals; noncompliance with standards

The Secretary of Defense shall be required to offer meals meeting nutritional standards prescribed by the Secretary of Agriculture; however, the Secretary of Defense may authorize deviations from Department of Agriculture prescribed meal patterns and fluid milk requirements when local conditions preclude strict compliance or when such compliance is impracticable.

(d) Authorization of appropriations

Funds are hereby authorized to be appropriated for any fiscal year in such amounts as may be necessary for the administrative expenses of the Department of Defense under this section.

(e) Technical assistance for administration of program

The Secretary of Agriculture shall provide the Secretary of Defense with the technical assistance in the administration of the school lunch programs authorized by this section.

§ 1769b–1. Training, technical assistance, and food service management institute

(a) General authority

The Secretary—

(1) subject to the availability of, and from, amounts appropriated pursuant to subsection (e)(1), shall conduct training activities and provide—

(A) training and technical assistance to improve the skills of individuals employed in—

(i) food service programs carried out with assistance under this chapter and, to the maximum extent practicable, using individuals who administer exemplary local food service programs in the State;

(ii) school breakfast programs carried out with assistance under section 1773 of this title; and

(iii) as appropriate, other federally assisted feeding programs; and

(B) assistance, on a competitive basis, to State agencies for the purpose of aiding schools and school food authorities with at least 50 percent of enrolled children certified to receive free or reduced price meals (and, if there are any remaining funds, other schools and school food authorities) in meeting the cost of acquiring or upgrading technology and information management systems for use in food service programs carried out under this chapter and section 1773 of this title; if the school or school food authority submits to the State agency an infrastructure development plan that—

(i) addresses the cost savings and improvements in program integrity and operations that would result from the use of new or upgraded technology;

(ii) ensures that there is not any overt identification of any child by special tokens or tickets, announced or published list of names, or by any other means;

(iii) provides for processing and verifying applications for free and reduced price school meals;

(iv) integrates menu planning, production, and serving data to monitor compliance with section 1758(f)(1) of this title; and

(v) establishes compatibility with statewide reporting systems;

(C) assistance, on a competitive basis, to State agencies with low proportions of schools or students that—

(i) participate in the school breakfast program under section 1773 of this title; and

(ii) demonstrate the greatest need, for the purpose of aiding schools in meeting costs associated with initiating or expanding a school breakfast program under section 1773 of this title, including outreach and informational activities; and

(2) from amounts appropriated pursuant to subsection (e)(2), is authorized to provide financial and other assistance to the University of Mississippi, in cooperation with the University of Southern Mississippi, to establish and maintain a food service management institute.

(b) Minimum requirements

The activities conducted and assistance provided as required by subsection (a)(1) shall at least include activities and assistance with respect to—

(1) menu planning;

(2) implementation of regulations and appropriate guidelines; and

(3) compliance with program requirements and accountability for program operations.

(c) Duties of food service management institute

(1) In general

Any food service management institute established as authorized by subsection (a)(2) shall carry out activities to improve the general operation and quality of—

(A) food service programs assisted under this chapter;

(B) school breakfast programs assisted under section 1773 of this title; and

(C) as appropriate, other federally assisted feeding programs.

(2) Required activities

Activities carried out under paragraph (1) shall include—

(A) conducting research necessary to assist schools and other organizations that participate in such programs in providing high quality, nutritious, cost-effective meal service to the children served;

(B) providing training and technical assistance with respect to—

(i) efficient use of physical resources;

(ii) financial management;

(iii) efficient use of computers;

(iv) procurement;

(v) sanitation;

(vi) safety, including food handling, hazard analysis and critical control point plans, implementation, emergency readiness, responding to a food recall, and food biosecurity training;

(vii) meal planning and related nutrition activities;

(viii) culinary skills; and

(ix) other appropriate activities;

(C) establishing a national network of trained professionals to present training programs and workshops for food service personnel;

(D) developing training materials for use in the programs and workshops described in subparagraph (C);
(E) acting as a clearinghouse for research, studies, and findings concerning all aspects of the operation of food service programs;

(F) training food service personnel to comply with the nutrition guidance and objectives established by the Secretary through a national network of instructors or other means;

(G) preparing informational materials, such as video instruction tapes and menu planners, to promote healthier food preparation; and

(H) assisting State educational agencies in providing additional nutrition and health instructions and instructors, including training personnel to comply with the nutrition guidance and objectives established by the Secretary.

(d) Coordination

(1) In general

The Secretary shall coordinate activities carried out and assistance provided as required by subsection (b) with activities carried out by any food service management institute established as authorized by subsection (a)(2).

(2) Use of institute for dietary and nutrition activities

The Secretary shall use any food service management institute established under subsection (a)(2) to assist in carrying out dietary and nutrition activities of the Secretary.

(e) Food service management institute

(1) Funding

(A) In general

In addition to any amounts otherwise made available for fiscal year 2011, on October 1, 2010, and each October 1 thereafter, out of any funds in the Treasury not otherwise appropriated, the Secretary of the Treasury shall transfer to the Secretary of Agriculture to carry out this subsection—

(i) on October 1, 2004, and October 1, 2005, $3,000,000;

(ii) on October 1, 2006, October 1, 2007, October 1, 2008, and October 1, 2009, $2,000,000; and

(iii) on October 1, 2010, and every October 1 thereafter, $4,000,000.

(B) Receipt and acceptance

The Secretary shall be entitled to receive, shall accept, and shall use to carry out this subsection the funds transferred under subparagraph (A), without further appropriation.

(C) Availability of funds

Funds transferred under subparagraph (A) shall remain available until expended.

(2) Additional funding

In addition to amounts made available under paragraph (1), there are authorized to be appropriated to carry out subsection (a)(2) such sums as are necessary for fiscal year 1995 and each subsequent fiscal year.

The Secretary shall carry out activities under subsection (a)(2), in addition to the activities funded under paragraph (1), to the extent provided for, and in such amounts as are provided for, in advance in appropriations Acts.

(3) Funding for education, training, or applied research or studies

In addition to amounts made available under paragraphs (1) and (2), from amounts otherwise appropriated to the Secretary in discretionary appropriations, the Secretary may provide funds to any food service management institute established under subsection (a)(2) for projects specified by the Secretary that will contribute to implementing dietary or nutrition initiatives. Any additional funding under this subparagraph shall be provided non-competitively in a separate cooperative agreement.

(f) Administrative training and technical assistance material

In collaboration with State educational agencies, local educational agencies, and school food authorities of varying sizes, the Secretary shall develop and distribute training and technical assistance material relating to the administration of school meals programs that are representative of the best management and administrative practices.

(g) Federal administrative support

(1) Funding

(A) In general

Out of any funds in the Treasury not otherwise appropriated, the Secretary of the Treasury shall transfer to the Secretary of Agriculture to carry out this subsection—

(i) on October 1, 2010—

(A) to provide training and technical assistance and material related to improving program integrity and administrative accuracy in school meals programs; and

(B) to assist State educational agencies in reviewing the administrative practices of local educational agencies, to the extent determined by the Secretary.

(2) Use of funds

The Secretary may use funds provided under this subsection—

(A) to provide training and technical assistance and material related to improving program integrity and administrative accuracy in school meals programs; and

(B) to assist State educational agencies in reviewing the administrative practices of local educational agencies, to the extent determined by the Secretary.

§ 1769c. Compliance and accountability
(a) Unified accountability system
(1) In general
There shall be a unified system prescribed and administered by the Secretary to ensure that local food service authorities participating in the school lunch program established under this chapter and the school breakfast program established by section 4 of the Child Nutrition Act of 1966 (42 U.S.C. 1773) comply with these Acts, including compliance with—
(A) the nutritional requirements of section 1758(f) of this title for school lunches; and (B) as applicable, the nutritional requirements for school breakfasts under section 4(e)(1) of the Child Nutrition Act of 1966 (42 U.S.C. 1773(e)(1)).

(b) Functions of system
(1) In general
Under the system described in subsection (a), each State educational agency shall—
(A) require that local food service authorities comply with the nutritional requirements described in subparagraphs (A) and (B) of paragraph (1); and (B) to the maximum extent practicable, ensure compliance through reasonable audits and supervisory assistance reviews; (C) in conducting audits and reviews for the purpose of determining compliance with this chapter, including the nutritional requirements of section 1758(f) of this title—
(i) conduct audits and reviews during a 3-year cycle or other period prescribed by the Secretary; (ii) select schools for review in each local educational agency using criteria established by the Secretary; (iii) report the final results of the reviews to the public in the State in an accessible, easily understood manner in accordance with guidelines promulgated by the Secretary; and
§ 1769c  TITLE 42—THE PUBLIC HEALTH AND WELFARE  Page 4682

(iv) submit to the Secretary each year a report containing the results of the reviews in accordance with procedures developed by the Secretary; and

(D) when any local food service authority is reviewed under this section, ensure that the final results of the review by the State educational agency are posted and otherwise made available to the public on request in an accessible, easily understood manner in accordance with guidelines promulgated by the Secretary.

(2) Minimization of additional duties

Each State educational agency shall coordinate the compliance and accountability activities described in paragraph (1) in a manner that minimizes the imposition of additional duties on local food service authorities.

(3) Additional review requirement for selected local educational agencies

(A) Definition of selected local educational agencies

In this paragraph, the term “selected local educational agency” means a local educational agency that has a demonstrated high level of, or a high risk for, administrative error, as determined by the Secretary.

(B) Additional administrative review

In addition to any review required by subsection (a) or paragraph (1), each State educational agency shall conduct an administrative review of each selected local educational agency during the review cycle established under subsection (a).

(C) Scope of review

In carrying out a review under subparagraph (A), a State educational agency shall only review the administrative processes of a selected local educational agency, including application, certification, verification, meal counting, and meal claiming procedures.

(D) Results of review

If the State educational agency determines (on the basis of a review conducted under subparagraph (B)) that a selected local educational agency fails to meet performance criteria established by the Secretary, the State educational agency shall—

(i) require the selected local educational agency to develop and carry out an approved plan of corrective action;

(ii) except to the extent technical assistance is provided directly by the Secretary, provide technical assistance to assist the selected local educational agency in carrying out the corrective action plan; and

(iii) conduct a followup review of the selected local educational agency under standards established by the Secretary.

(4) Retaining funds after administrative reviews

(A) In general

Subject to subparagraphs (B) and (C), if the local educational agency fails to meet administrative performance criteria established by the Secretary in both an initial review and a followup review under paragraph (1) or (3) or subsection (a), the Secretary may require the State educational agency to retain funds that would otherwise be paid to the local educational agency for school meals programs under procedures prescribed by the Secretary.

(B) Amount

The amount of funds retained under subparagraph (A) shall equal the value of any overpayment made to the local educational agency or school food authority as a result of an erroneous claim during the time period described in subparagraph (C).

(C) Time period

The period for determining the value of any overpayment under subparagraph (B) shall be the period—

(i) beginning on the date the erroneous claim was made; and

(ii) ending on the earlier of the date the erroneous claim is corrected or—

(I) in the case of the first followup review conducted by the State educational agency of the local educational agency under this section after July 1, 2005, the date that is 60 days after the beginning of the period under clause (i); or

(II) in the case of any subsequent followup review conducted by the State educational agency of the local educational agency under this section, the date that is 90 days after the beginning of the period under clause (i).

(5) Use of retained funds

(A) In general

Subject to subparagraph (B), funds retained under paragraph (4) shall—

(i) be returned to the Secretary, and may be used—

(I) to provide training and technical assistance related to administrative practices designed to improve program integrity and administrative accuracy in school meals programs to State educational agencies and, to the extent determined by the Secretary, to local educational agencies and school food authorities;

(II) to assist State educational agencies in reviewing the administrative practices of local educational agencies in carrying out school meals programs; and

(III) to carry out section 1769b–1(f) of this title; or

(ii) be credited to the child nutrition programs appropriation account.

(B) State share

A State educational agency may retain not more than 25 percent of an amount recovered under paragraph (4), to carry out school meals program integrity initiatives to assist local educational agencies and school food authorities that have repeatedly failed, as determined by the Secretary, to meet administrative performance criteria.
(C) Requirement
To be eligible to retain funds under subparagraph (B), a State educational agency shall—

(i) submit to the Secretary a plan describing how the State educational agency will use the funds to improve school meals program integrity, including measures to give priority to local educational agencies from which funds were retained under paragraph (4);

(ii) consider using individuals who administer exemplary local food service programs in the provision of training and technical assistance; and

(iii) obtain the approval of the Secretary for the plan.

(6) Eligibility determination review for selected local educational agencies

(A) In general
A local educational agency that has demonstrated a high level of, or a high risk for, administrative error associated with certification, verification, and other administrative processes, as determined by the Secretary, shall ensure that the initial eligibility determination for each application is reviewed for accuracy prior to notifying a household of the eligibility or ineligibility of the household for free or reduced price meals.

(B) Timeliness
The review of initial eligibility determinations—

(i) shall be completed in a timely manner; and

(ii) shall not result in the delay of an eligibility determination for more than 10 operating days after the date on which the application is submitted.

(C) Acceptable types of review
Subject to standards established by the Secretary, the system used to review eligibility determinations for accuracy shall be conducted by an individual or entity that did not make the initial eligibility determination.

(D) Notification of household
Once the review of an eligibility determination has been completed under this paragraph, the household shall be notified immediately of the determination of eligibility or ineligibility for free or reduced price meals.

(E) Reporting

(i) Local educational agencies
In accordance with procedures established by the Secretary, each local educational agency required to review initial eligibility determinations shall submit to the relevant State agency a report describing the results of the reviews, including—

(I) the number and percentage of reviewed applications for which the eligibility determination was changed and the type of change made; and

(II) such other information as the Secretary determines to be necessary.

(ii) State agencies
In accordance with procedures established by the Secretary, each State agency shall submit to the Secretary a report describing the results of the reviews of initial eligibility determinations, including—

(I) the number and percentage of reviewed applications for which the eligibility determination was changed and the type of change made; and

(II) such other information as the Secretary determines to be necessary.

(iii) Transparency
The Secretary shall publish annually the results of the reviews of initial eligibility determinations by State, number, percentage, and type of error.

(c) Role of Secretary
In carrying out this section, the Secretary shall—

(1) assist the State educational agency in the monitoring of programs conducted by local food service authorities; and

(2) through management evaluations, review the compliance of the State educational agency and the local school food service authorities with regulations issued under this chapter.

(d) Authorization of appropriations
There is authorized to be appropriated for purposes of carrying out the compliance and accountability activities referred to in subsection (c) $10,000,000 for each of fiscal years 2011 through 2015.

(e) Fines for violating program requirements

(1) School food authorities and schools

(A) In general
The Secretary shall establish criteria by which the Secretary or a State agency may impose a fine against any school food authority or school administering a program authorized under this chapter or the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.) if the Secretary or the State agency determines that the school food authority or school has—

(i) failed to correct severe mismanagement of the program;

(ii) disregarded a program requirement of which the school food authority or school had been informed; or

(iii) failed to correct repeated violations of program requirements.

(B) Limits

(i) In general
In calculating the fine for a school food authority or school, the Secretary shall base the amount of the fine on the reimbursement earned by school food authority or school for the program in which the violation occurred.

(ii) Amount
The amount under clause (i) shall not exceed—

(I) 1 percent of the amount of meal reimbursements earned for the fiscal year
for the first finding of 1 or more program violations under subparagraph (A); (II) 5 percent of the amount of meal reimbursements earned for the fiscal year for the second finding of 1 or more program violations under subparagraph (A); and (III) 10 percent of the amount of meal reimbursements earned for the fiscal year for the third or subsequent finding of 1 or more program violations under subparagraph (A).

(2) State agencies

(A) In general

The Secretary shall establish criteria by which the Secretary may impose a fine against any State agency administering a program authorized under this chapter or the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.) if the Secretary determines that the State agency has—

(i) failed to correct severe mismanagement of the program;

(ii) disregarded a program requirement of which the State had been informed; or

(iii) failed to correct repeated violations of program requirements.

(B) Limits

In the case of a State agency, the amount of a fine under subparagraph (A) shall not exceed—

(I) 1 percent of funds made available under section 7(a) of the Child Nutrition Act of 1966 (42 U.S.C. 1776(a)) for State administrative expenses during a fiscal year for the first finding of 1 or more program violations under subparagraph (A);

(ii) 5 percent of funds made available under section 7(a) of the Child Nutrition Act of 1966 (42 U.S.C. 1776(a)) for State administrative expenses during a fiscal year for the second finding of 1 or more program violations under subparagraph (A); and

(iii) 10 percent of funds made available under section 7(a) of the Child Nutrition Act of 1966 (42 U.S.C. 1776(a)) for State administrative expenses during a fiscal year for the third or subsequent finding of 1 or more program violations under subparagraph (A).

(3) Source of funding

Funds to pay a fine imposed under paragraph (1) or (2) shall be derived from non-Federal sources.

§ 1769d. Childhood hunger research

(a) Research on causes and consequences of childhood hunger

(1) In general

The Secretary shall conduct research on—

(A) the causes of childhood hunger and food insecurity;
(B) the characteristics of households with childhood hunger and food insecurity; and
(C) the consequences of childhood hunger and food insecurity.

(2) Authority

In carrying out research under paragraph (1), the Secretary may—

(A) enter into competitively awarded contracts or cooperative agreements; or
(B) provide grants to States or public or private agencies or organizations, as determined by the Secretary.

(3) Application

To be eligible to enter into a contract or cooperative agreement or receive a grant under this subsection, a State or public or private agency or organization shall submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary shall require.

(4) Areas of inquiry

The Secretary shall design the research program to advance knowledge and understanding of information on the issues described in paragraph (1), such as—

(A) economic, health, social, cultural, demographic, and other factors that contribute to childhood hunger or food insecurity;
(B) the geographic distribution of childhood hunger and food insecurity;
(C) the extent to which—
(1) existing Federal assistance programs, including title 26, reduce childhood hunger and food insecurity; and
(ii) childhood hunger and food insecurity persist due to—
(I) gaps in program coverage;
(II) the inability of potential participants to access programs; or
(III) the insufficiency of program benefits or services;
(D) the public health and medical costs of childhood hunger and food insecurity;
(E) an estimate of the degree to which the Census Bureau measure of food insecurity underestimates childhood hunger and food insecurity because the Census Bureau excludes certain households, such as homeless, or other factors;
(F) the effects of childhood hunger on child development, well-being, and educational attainment; and
(G) such other critical outcomes as are determined by the Secretary.

(b) Demonstration projects to end childhood hunger

(1) Definitions

In this subsection:

(A) Child

The term “child” means a person under the age of 18.

(B) Supplemental nutrition assistance program

The term “supplemental nutrition assistance program” means the supplemental nutrition assistance program established under the Food and Nutrition Act of 2008 (7 U.S.C. 1771 et seq.).

(2) Purpose

Under such terms and conditions as are established by the Secretary, the Secretary shall carry out demonstration projects that test innovative strategies to end childhood hunger, including alternative models for service delivery and benefit levels that promote the reduction or elimination of childhood hunger and food insecurity.

(3) Projects

Demonstration projects carried out under this subsection may include projects that—

(A) enhance benefits provided under the supplemental nutrition assistance program for eligible households with children;
(B) enhance benefits or provide for innovative program delivery models in the school meals, afterschool snack, and child and adult care food programs under this chapter and the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.); and
(C) target Federal, State, or local assistance, including emergency housing or family preservation services, at households with children who are experiencing hunger or food insecurity, to the extent permitted by the legal authority establishing those assistance programs and services.
§ 1769d  TITLE 42—THE PUBLIC HEALTH AND WELFARE  Page 4686

(4) Grants

(A) Demonstration projects

(i) In general
In carrying out this subsection, the Secretary may enter into, competitively awarded contracts or cooperative agreements with, or provide grants to, public or private organizations or agencies (as determined by the Secretary), for use in accordance with demonstration projects that meet the purposes of this subsection.

(ii) Requirement
At least 1 demonstration project funded under this subsection shall be carried out on an Indian reservation in a rural area with a service population with a prevalence of diabetes that exceeds 15 percent, as determined by the Director of the Indian Health Service.

(B) Application
To be eligible to receive a contract, cooperative agreement, or grant under this subsection, an organization or agency shall submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require.

(C) Selection criteria
Demonstration projects shall be selected based on publicly disseminated criteria that may include—

(i) an identification of a low-income target group that reflects individuals experiencing hunger or food insecurity;

(ii) a commitment to a demonstration project that allows for a rigorous outcome evaluation as described in paragraph (6);

(iii) a focus on innovative strategies to reduce the risk of childhood hunger or provide a significant improvement to the food security status of households with children; and

(iv) such other criteria as are determined by the Secretary.

(5) Consultation
In determining the range of projects and defining selection criteria under this subsection, the Secretary shall consult with—

(A) the Secretary of Health and Human Services;

(B) the Secretary of Labor; and

(C) the Secretary of Housing and Urban Development.

(6) Evaluation and reporting

(A) Independent evaluation
The Secretary shall provide for an independent evaluation of each demonstration project carried out under this subsection that—

(i) measures the impact of each demonstration project on appropriate participation, food security, nutrition, and associated behavioral outcomes among participating households; and

(ii) uses rigorous experimental designs and methodologies, particularly random assignment or other methods that are capable of producing scientifically valid information regarding which activities are effective in reducing the prevalence or preventing the incidence of food insecurity and hunger in the community, especially among children.

(B) Reporting
Not later than December 31, 2013 and each December 31 thereafter until the date on which the last evaluation under subparagraph (A) is completed, the Secretary shall—

(i) submit to the Committee on Agriculture and the Committee on Education and Labor of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report that includes a description of—

(I) the status of each demonstration project; and

(II) the results of any evaluations of the demonstration projects completed during the previous fiscal year; and

(ii) ensure that the evaluation results are shared broadly to inform policy makers, service providers, other partners, and the public in order to promote the wide use of successful strategies.

(7) Funding

(A) In general
On October 1, 2012, out of any funds in the Treasury not otherwise appropriated, the Secretary of the Treasury shall transfer to the Secretary to carry out this subsection $40,000,000, to remain available until September 30, 2017.

(B) Receipt and acceptance
The Secretary shall be entitled to receive, shall accept, and shall use to carry out this subsection the funds transferred under subparagraph (A), without further appropriation.

(C) Use of funds

(i) In general
Funds made available under subparagraph (A) may be used to carry out this subsection, including to pay Federal costs associated with developing, soliciting, awarding, monitoring, evaluating, and disseminating the results of each demonstration project under this subsection.

(ii) Indian reservations
Of amounts made available under subparagraph (A), the Secretary shall use a portion of the amounts to carry out research relating to hunger, obesity and type 2 diabetes on Indian reservations, including research to determine the manner in which Federal nutrition programs can help to overcome those problems.

(iii) Report
Not later than 1 year after December 13, 2010, the Secretary shall submit to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report that—
(I) describes the manner in which Federal nutrition programs can help to overcome child hunger nutrition problems on Indian reservations; and

(II) contains proposed administrative and legislative recommendations to strengthen and streamline all relevant Department of Agriculture nutrition programs to reduce childhood hunger, obesity, and type 2 diabetes on Indian reservations.

(D) Limitations

(i) Duration

No project may be funded under this subsection for more than 5 years.

(ii) Project requirements

No project that makes use of, alters, or coordinates with the supplemental nutrition assistance program may be funded under this subsection unless the project is fully consistent with the project requirements described in section 17(b)(1)(B) of the Food and Nutrition Act of 2008 (7 U.S.C. 2026(b)(1)(B)).

(iii) Hunger-free communities

No project may be funded under this subsection that receives funding under section 7517 of title 7.1

(iv) Other benefits

Funds made available under this subsection may not be used for any project in a manner that is inconsistent with—

(I) this chapter;

(II) the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.);

(III) the Food and Nutrition Act of 2008 (7 U.S.C. 2011 et seq.); or

(IV) the Emergency Food Assistance Act of 1983 (7 U.S.C. 7501 et seq.).

competitively awarded cooperative agreements with Governors for use in accordance with demonstration projects that meet the purposes of this section.

2 Application

To be eligible to receive a grant or cooperative agreement under this section, a Governor shall submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require.

3 Selection criteria

The Secretary shall evaluate proposals based on publicly disseminated criteria that may include—

(A) an identification of a low-income target group that reflects individuals experiencing hunger or food insecurity;

(B) a commitment to approaches that allow for a rigorous outcome evaluation as described in subsection (f);

(C) a comprehensive and innovative strategy to reduce the risk of childhood hunger or provide a significant improvement to the food security status of households with children; and

(D) such other criteria as are determined by the Secretary.

4 Requirements

Any project funded under this section shall provide for—

(A) a baseline assessment, and subsequent annual assessments, of the prevalence and severity of very low food security among children in the State, based on a methodology prescribed by the Secretary;

(B) a collaborative planning process including key stakeholders in the State that results in a comprehensive agenda to eliminate childhood hunger that is—

(i) described in a detailed project plan; and

(ii) provided to the Secretary for approval;

(C) an annual budget;

(D) specific performance goals, including the goal to sharply reduce or eliminate food insecurity among children in the State by 2015, as determined through a methodology prescribed by the Secretary and carried out by the Governor; and

(E) an independent outcome evaluation of not less than 1 major strategy of the project that measures—

(i) the specific impact of the strategy on food insecurity among children in the State; and

(ii) if applicable, the nutrition assistance participation rate among children in the State.

(e) Consultation

In determining the range of projects and defining selection criteria under this section, the Secretary shall consult with—

(1) the Secretary of Health and Human Services;

(2) the Secretary of Labor;

(3) the Secretary of Education; and

(4) the Secretary of Housing and Urban Development.

(f) Evaluation and reporting

1 General performance assessment

Each project authorized under this section shall require an independent assessment that—

(A) measures the impact of any activities carried out under the project on the level of food insecurity in the State that—

(i) focuses particularly on the level of food insecurity among children in the State; and

(ii) includes a preimplementation baseline and annual measurements taken during the project of the level of food insecurity in the State; and

(B) is carried out using a methodology prescribed by the Secretary.

2 Independent evaluation

Each project authorized under this section shall provide for an independent evaluation of not less than 1 major strategy that—

(A) measures the impact of the strategy on appropriate participation, food security, nutrition, and associated behavioral outcomes among participating households; and

(B) uses rigorous experimental designs and methodologies, particularly random assignment or other methods that are capable of producing scientifically valid information regarding which activities are effective in reducing the prevalence or preventing the incidence of food insecurity and hunger in the community, especially among children.

3 Reporting

Not later than December 31, 2011 and each December 31 thereafter until the date on which the last evaluation under paragraph (1) is completed, the Secretary shall—

(A) submit to the Committee on Agriculture and the Committee on Education and Labor of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report that includes a description of—

(i) the status of each State demonstration project; and

(ii) the results of any evaluations of the demonstration projects completed during the previous fiscal year; and

(B) ensure that the evaluation results are shared broadly to inform policy makers, service providers, other partners, and the public in order to promote the wide use of successful strategies.

(g) Authorization of appropriations

1 In general

There are authorized to be appropriated to carry out this section such sums as are necessary for each of fiscal years 2011 through 2014, to remain available until expended.

2 Use of funds

Funds made available under paragraph (1) may be used to carry out this section, including to pay Federal costs associated with devel-
§ 1769f. Duties of Secretary relating to non-procurement debarment

(a) Purposes

The purposes of this section are to promote the prevention and deterrence of instances of fraud, bid rigging, and other anticompetitive activities encountered in the procurement of products for child nutrition programs by—

(1) establishing guidelines and a timetable for the Secretary to initiate debarment proceedings, as well as establishing mandatory debarment periods; and

(2) providing training, technical advice, and guidance in identifying and preventing the activities.

(b) Definitions

As used in this section:

(1) Child nutrition program

The term “child nutrition program” means—

(A) the school lunch program established under this chapter;

(B) the summer food service program for children established under section 1761 of this title;

(C) the child and adult care food program established under section 1772 of this title;

(D) the special milk program established under section 1772 of this title;

(E) the school breakfast program established under section 1773 of this title; and

(F) the special supplemental nutrition program for women, infants, and children authorized under section 1786 of this title.

(2) Contractor

The term “contractor” means a person that contracts with a State, an agency of a State, or a local agency to provide goods or services in relation to the participation of a local agency in a child nutrition program.

(3) Local agency

The term “local agency” means a school, school food authority, child care center, sponsoring organization, or other entity authorized to operate a child nutrition program at the local level.

(4) Nonprocurement debarment

The term “nonprocurement debarment” means an action to bar a person from programs and activities involving Federal financial and nonfinancial assistance, but not including Federal procurement programs and activities.

(5) Person

The term “person” means any individual, corporation, partnership, association, cooperative, or other legal entity, however organized.

(c) Assistance to identify and prevent fraud and anticompetitive activities

The Secretary shall—

(1) in cooperation with any other appropriate individual, organization, or agency, provide advice, training, technical assistance, and guidance (which may include awareness training, training films, and troubleshooting ad-
(d) Nonprocurement debarment

(1) In general

Except as provided in paragraph (3) and subsection (e), not later than 180 days after notification of the occurrence of a cause for debarment described in paragraph (2), the Secretary shall initiate nonprocurement debarment proceedings against the contractor who has committed the cause for debarment.

(2) Causes for debarment

Actions requiring initiation of nonprocurement debarment pursuant to paragraph (1) shall include a situation in which a contractor is found liable in any civil or administrative proceeding, in connection with the supplying, providing, or selling of goods or services to any local agency in connection with a child nutrition program, of—

(A) an anticompetitive activity, including bid-rigging, price-fixing, the allocation of customers between competitors, or other violation of Federal or State antitrust laws;

(B) fraud, bribery, theft, forgery, or embezzlement;

(C) knowingly receiving stolen property;

(D) making a false claim or statement; or

(E) any other obstruction of justice.

(3) Exception

If the Secretary determines that a decision on initiating nonprocurement debarment proceedings cannot be made within 180 days after notification of the occurrence of a cause for debarment described in paragraph (2) because of the need to further investigate matters relating to the possible debarment, the Secretary may have such additional time as the Secretary considers necessary to make a decision, but not to exceed an additional 180 days.

(4) Mandatory child nutrition program debarment periods

(A) In general

Subject to the other provisions of this subsection and notwithstanding any other provision of law except subsection (e), if, after deciding to initiate nonprocurement debarment proceedings pursuant to paragraph (1), the Secretary decides to debar a contractor, the debarment shall be for a period of not less than 3 years.

(B) Previous debarment

If the contractor has been previously debarred pursuant to nonprocurement debarment proceedings initiated pursuant to paragraph (1), and the cause for debarment is described in paragraph (2) based on activities that occurred subsequent to the initial debarment, the debarment shall be for a period of not less than 5 years.

(C) Scope

At a minimum, a debarment under this subsection shall serve to bar the contractor for the specified period from contracting to provide goods or services in conjunction with the participation of a local agency in a child nutrition program.

(D) Reversal, reduction, or exception

Nothing in this section shall restrict the ability of the Secretary to—

(i) reverse a debarment decision;

(ii) reduce the period or scope of a debarment;

(iii) grant an exception permitting a debarred contractor to participate in a particular contract to provide goods or services; or

(iv) otherwise settle a debarment action at any time;

in conjunction with the participation of a local agency in a child nutrition program, if the Secretary determines there is good cause for the action, after taking into account factors set forth in paragraphs (1) through (6) of subsection (e).

(5) Information

On request, the Secretary shall present to the Committee on Education and Labor, and the Committee on Agriculture, of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate information regarding the decisions required by this subsection.

(6) Relationship to other authorities

A debarment imposed under this section shall not reduce or diminish the authority of a Federal, State, or local government agency or court to penalize, imprison, fine, suspend, or take other adverse action against a person in a civil, criminal, or administrative proceeding.

(7) Regulations

The Secretary shall issue such regulations as are necessary to carry out this subsection.

(e) Mandatory debarment

Notwithstanding any other provision of this section, the Secretary shall initiate nonprocurement debarment debarment proceedings against the contractor (including any cooperative) who has committed the cause for debarment (as determined under subsection (d)(2)), unless the action—

(1) is likely to have a significant adverse effect on competition or prices in the relevant market or nationally;

(2) will interfere with the ability of a local agency to procure a needed product for a child nutrition program;

(3) is unfair to a person, subsidiary corporation, affiliate, parent company, or local division of a corporation that is not involved in the improper activity that would otherwise result in the debarment;
under section 1761 of this title.

(f) Exhaustion of administrative remedies

Prior to seeking judicial review in a court of competent jurisdiction, a contractor against whom a nonprocurement debarment proceeding has been initiated shall—

(1) exhaust all administrative procedures prescribed by the Secretary; and

(2) receive notice of the final determination of the Secretary.

(g) Information relating to prevention and control of anticompetitive activities

On request, the Secretary shall present to the Committee on Education and Labor, and the Committee on Agriculture, of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate information regarding the activities of the Secretary relating to anticompetitive activities, fraud, nonprocurement debarment, and any waiver granted by the Secretary under this section.

§ 1771. Congressional declaration of purpose

In recognition of the demonstrated relationship between food and good nutrition and the capacity of children to develop and learn, based on the years of cumulative successful experience under the national school lunch program with its significant contributions in the field of applied nutrition research, it is hereby declared to be the policy of Congress that these efforts shall be extended, expanded, and strengthened under the authority of the Secretary of Agriculture as a measure to safeguard the health and well-being of the Nation’s children, and to encourage the domestic consumption of agricultural and other foods, by assisting States, through grant-in-aid and other means, to meet more effectively the nutritional needs of our children.

SHORT TITLE OF 2008 AMENDMENT

SHORT TITLE OF 1992 AMENDMENTS

SHORT TITLE

§ 1772. Special program to encourage the consumption of fluid milk by children; authorization of appropriations; eligibility for special milk program; minimum rate of reimbursement; ineligibility of commodity only schools

(a)(1) There is hereby authorized to be appropriated for the fiscal year ending June 30, 1970, and for each succeeding fiscal year, such sums as may be necessary to enable the Secretary of Agriculture, under such rules and regulations as the Secretary may deem in the public interest, to encourage consumption of fluid milk by children in the United States in (A) nonprofit schools of high school grade and under, except as provided in paragraph (2), which do not participate in a meal service program authorized under this chapter or the Richard B. Russell National School Lunch Act [42 U.S.C. 1751 et seq.], and (B) nonprofit nursery schools, child-care centers, settlement houses, summer camps, and similar nonprofit institutions devoted to the care and training of children, which do not participate in a meal service program authorized under this chapter or the Richard B. Russell National School Lunch Act.

(2) The limitation imposed under paragraph (1)(A) for participation of nonprofit schools in the special milk program shall not apply to split-session kindergarten programs conducted in schools in which children do not have access to the meal service program operating in schools the children attend as authorized under this chapter or the Richard B. Russell National School Lunch Act.

(3) For the purposes of this section “United States” means the fifty States, Guam, the Commonwealth of Puerto Rico, the Virgin Islands, American Samoa, the Commonwealth of the Northern Mariana Islands, and the District of Columbia.

(4) The Secretary shall administer the special milk program provided for by this section to the maximum extent practicable in the same manner as the Secretary administered the special milk program provided for by this chapter during the fiscal year ending June 30, 1969.

(5) Any school or nonprofit child care institution which does not participate in a meal service program authorized under this chapter or the Richard B. Russell National School Lunch Act shall receive the special milk program upon its request.

(6) Children who qualify for free lunches under guidelines set forth by the Secretary shall, at the option of the school involved (or of the local educational agency involved in the case of a public school) be eligible for free milk upon their request.

(7) For the fiscal year ending June 30, 1975, and for subsequent school years, the minimum rate of reimbursement for a half-pint of milk served in schools and other eligible institutions shall not be less than 5 cents per half-pint served to eligible children, and such minimum rate of reimbursement shall be adjusted on an annual basis each school year to reflect changes in the Producer Price Index for Fresh Processed Milk published by the Bureau of Labor Statistics of the Department of Labor.

(8) Such adjustment shall be computed to the nearest one-fourth cent.

(9) Notwithstanding any other provision of this section, in no event shall the minimum rate of reimbursement exceed the cost to the school or institution of milk served to children.

(10) The State educational agency shall disburse funds paid to the State during any fiscal year for purposes of carrying out the program under this section in accordance with such agreements approved by the Secretary as may be entered into by such State agency and the schools in the State. The agreements described in the preceding sentence shall be permanent.
agreements that may be amended as necessary. Nothing in the preceding sentence shall be construed to limit the ability of the State educational agency to suspend or terminate any such agreement in accordance with regulations prescribed by the Secretary.

(b) Commodity only schools shall not be eligible to participate in the special milk program under this section. For the purposes of the preceding sentence, the term “commodity only schools” means schools that do not participate in the school lunch program under the Richard B. Russell National School Lunch Act [42 U.S.C. 1751 et seq.], but which receive commodities made available by the Secretary for use by such schools in nonprofit lunch programs.

AMENDMENTS

1996—Subsec. (a)(3). Pub. L. 104–193 substituted “the Commonwealth of the Northern Mariana Islands” for “the Trust Territory of the Pacific Islands”.

Subsec. (a)(1). Pub. L. 101–147, § 321(1), substituted “the Secretary” for “he” before “may deem”.

Subsec. (a)(4). Pub. L. 101–147, § 321(3), substituted “the Secretary” for “he”.

Subsec. (a)(5). Pub. L. 101–147, § 321(4), substituted “its” for “their” before “request”, “her” for “his” before “request”, “subparagraph (b)”, for “subparagraph (2)” before “subject to”, “section 1751 et seq.” for “section 1751 et seq.”, and “the Secretary” for “he”.

Subsec. (a)(6). Pub. L. 101–147, § 321(5), substituted “subparagraphs (1) and (2)” for “subparagraphs (1), (2), and (3)”.

1986—Subsec. (a). Pub. L. 99–500, Pub. L. 99–591, and Pub. L. 99–661 amended subsec. (a) identically, designating existing provisions as pars. (1) and (3) to (9), in par. (1), redesignating former cls. (1) and (2) as subpars. (A) and (B) and inserting “except as provided in paragraph (2),” in subpar. (A), and adding par. (2).

Pub. L. 97–35, § 807, inserted provisions respecting nonparticipation in a meal service program, and struck out provisions relating to rate of reimbursement per half-pint of milk served to children not eligible for free milk in schools, child care institutions, and summer camps participating in meal service programs under the National School Lunch Act.

1980—Pub. L. 96–499 provided that rate of reimbursement per half-pint of milk served to children not eligible for free milk in schools, child care institutions, and summer camps participating in meal service programs under the National School Lunch Act and this chapter was to be five cents.

1978—Pub. L. 95–627 substituted “Producer Price Index for Fresh Processed Milk” for “series of food away from home of the Consumer Price Index”, and inserted provision relating to eligibility for free milk.

1977—Pub. L. 95–166 provided free milk for children when milk is made available at times other than the periods of meal service in outlets that operate a food service program under sections 1753, 1756, and 1773 of this title, and substituted “school years” and “annual basis each school year” for “fiscal years” and “annual basis each fiscal year” and deleted “thereafter, beginning with the fiscal year ending June 30, 1976,” before “to reflect changes”.

1975—Pub. L. 94–105 added the Commonwealth of Puerto Rico, the Virgin Islands, American Samoa, and the Trust Territory of the Pacific Islands to definition of “United States”, and inserted provision relating to minimum rate of reimbursement to schools and institutions of the cost of milk served to children.

1974—Pub. L. 93–347 substituted “such sums as may be necessary” for “not to exceed $120,000,000,” in provision limiting the size of appropriations authorized and inserted provisions setting a minimum rate of reimbursement for a half-pint of milk served in schools and other eligible institutions and allowing for an annual adjustment of the minimum rate.

1973—Pub. L. 93–150 inserted provisions making any school or nonprofit child care institution eligible to receive the special milk program upon their request and any children that qualify for free lunches under guidelines set forth by the Secretary also eligible for free milk.

1970—Pub. L. 91–295 substituted provisions authorizing appropriations of not to exceed $120,000,000 for fiscal year ending June 30, 1970, and for each succeeding fiscal year, for provisions authorizing appropriations of not to exceed $110,000,000 for fiscal year ending June 30, 1967, not to exceed $115,000,000 for fiscal year ending June 30, 1968, and not to exceed $120,000,000 for each of the two succeeding fiscal years, and for the purpose of authorizing the Secretary to administer the special milk program provided for by this section in the same manner as he administered the special milk program provided for by this chapter during fiscal year ending June 30, 1969, for provisions requiring the Secretary to administer such program in the same manner as he administered the special milk program provided for by Pub. L. 89–578, as amended, during fiscal year ending June 30, 1968, and provided that Guam be subject to provisions of this section.

§ 1773

TITLE 42—THE PUBLIC HEALTH AND WELFARE

EFFECTIVE DATE OF 1978 AMENDMENT
Amendment by Pub. L. 95-627 effective July 1, 1979, except as specifically provided, see section 14 of Pub. L. 95-627, set out as a note under section 1755 of this title.

EFFECTIVE DATE OF 1977 AMENDMENT
Pub. L. 95-166, §20, Nov. 10, 1977, 91 Stat. 1346, provided that the amendment made by that section is effective July 1, 1977.

§ 1773. School breakfast program

(a) Establishment; authorization of appropriations

There is hereby authorized to be appropriated such sums as are necessary to enable the Secretary to carry out a program to assist the States and the Department of Defense through grants-in-aid and other means to initiate, maintain, or expand nonprofit breakfast programs in all schools which make application for assistance and agree to carry out a nonprofit breakfast program in accordance with this chapter. Appropriations and expenditures for this chapter shall be considered Health and Human Services functions for budget purposes rather than functions of Agriculture.

(b) Breakfast assistance payments to State educational agencies; calculation; national average payments for breakfasts, free breakfasts and reduced price breakfasts; maximum price for reduced cost breakfasts; minimum daily nutrition requirements criteria; additional payments for severe need schools; maximum severe need payments

(1)(A)(i) The Secretary shall make breakfast assistance payments to each State educational agency each fiscal year, at such times as the Secretary may determine, from the sums appropriated for such purpose, in an amount equal to the product obtained by multiplying—

(I) the number of breakfasts served during such fiscal year to children in such States which participate in the school breakfast program under agreements with such State educational agency; by

(II) the national average breakfast payment for free breakfasts, for reduced price breakfasts, or for breakfasts served to children not eligible for free or reduced price meals, as appropriate, as prescribed in clause (B) of this paragraph.

(ii) The agreements described in clause (i)(I) shall be permanent agreements that may be amended as necessary. Nothing in the preceding sentence shall be construed to limit the ability of the State educational agency to suspend or terminate any such agreement in accordance with regulations prescribed by the Secretary.

(B) The national average payment for each free breakfast shall be 57 cents (as adjusted pursuant to section 1759a(a) of this title). The national average payment for each reduced price breakfast shall be one-half of the national average payment for each free breakfast, except that in no case shall the difference between the amount of the national average payment for a free breakfast and the national average payment for a reduced price breakfast exceed 30 cents. The national average payment for each breakfast served to a child not eligible for free or reduced price meals shall be 8.25 cents (as adjusted pursuant to section 1759a(a) of this title).

(C) No school which receives breakfast assistance payments under this section may charge a price of more than 30 cents for a reduced price breakfast.

(D) No breakfast assistance payment may be made under this subsection for any breakfast served by a school unless such breakfast consists of a combination of foods which meet the minimum nutritional requirements prescribed by the Secretary under subsection (e) of this section.

(E) FREE AND REDUCED PRICE POLICY STATEMENT—After the initial submission, a local educational agency shall not be required to submit a free and reduced price policy statement to a State educational agency under this chapter unless there is a substantive change in the free and reduced price policy of the local educational agency. A routine change in the policy of a local educational agency, such as an annual adjustment of the income eligibility guidelines for free and reduced price meals, shall not be sufficient cause for requiring the local educational agency to submit a policy statement.

(2)(A) The Secretary shall make additional payments for breakfasts served to children qualifying for a free or reduced price meal at schools that are in severe need.

(B) The maximum payment for each such free breakfast shall be the higher of—

(i) the national average payment established by the Secretary for free breakfasts plus 10 cents, or

(ii) 45 cents (as adjusted pursuant to section 1759a(a)(3)(B) of this title).

(C) The maximum payment for each such reduced price breakfast shall be thirty cents less than the maximum payment for each free breakfast as determined under clause (B) of this paragraph.

(3) The Secretary shall increase by 6 cents the annually adjusted payment for each breakfast served under this chapter and section 1766 of this title. These funds shall be used to assist States, to the extent feasible, in improving the nutritional quality of the breakfasts.

(4) Notwithstanding any other provision of law, whenever stocks of agricultural commodities are acquired by the Secretary or the Commodity Credit Corporation and are not likely to be sold by the Secretary or the Commodity Credit Corporation or otherwise used in programs of commodity sale or distribution, the Secretary shall make such commodities available to school food authorities and eligible institutions serving breakfasts under this chapter in a quantity equal in value to not less than 3 cents for each breakfast served under this chapter and section 1766 of this title.

(5) Expenditures of funds from State and local sources for the maintenance of the breakfast program shall not be diminished as a result of funds or commodities received under paragraph (3) or (4).
(c) Disbursement of apportioned funds by State; preference for schools in poor economic areas, for students traveling long distances daily, and for schools for improvement of nutrition and dietary practices of children of working mothers and from low-income families

Funds apportioned and paid to any State for the purpose of this section shall be disbursed by the State educational agency to schools selected by the State educational agency to assist such schools in operating a breakfast program and for the purpose of subsection (d). Disbursement to schools shall be made at such rates per meal or on such other basis as the Secretary shall prescribe. In selecting schools for participation, the State educational agency shall, to the extent practicable, give first consideration to those schools drawing attendance from areas in which poor economic conditions exist, to those schools in which a substantial proportion of the children enrolled must travel long distances daily, and to those schools in which there is a special need for improving the nutrition and dietary practices of children of working mothers and children from low-income families. Breakfast assistance disbursements to schools under this section may be made in advance or by way of reimbursement in accordance with procedures prescribed by the Secretary.

(d) Severe need assistance

(1) In general

Each State educational agency shall provide additional assistance to schools in severe need, which shall include only those schools (having a breakfast program or desiring to initiate a breakfast program) in which—

(A) during the most recent second preceding school year for which lunches were served, 40 percent or more of the lunches served to students at the school were served free or at a reduced price; or

(B) in the case of a school in which lunches were not served during the most recent second preceding school year, the Secretary otherwise determines that the requirements of subparagraph (A) would have been met.

(2) Additional assistance

A school, on the submission of appropriate documentation about the need circumstances in that school and the eligibility of the school for additional assistance, shall be entitled to receive the meal reimbursement rate specified in subsection (b)(2).

(e) Nutritional requirements; service free or at reduced price; compliance assistance

(1)(A) Breakfasts served by schools participating in the school breakfast program under this section shall consist of a combination of foods commonly used in the school breakfast program established under this section, to schools participating in the school breakfast program to assist the schools in complying with the nutritional requirements prescribed by the Secretary pursuant to subparagraph (A) and in providing appropriate meals to children with medically certified special dietary needs.

(B) The Secretary shall provide through State educational agencies technical assistance and training, including technical assistance and training in the preparation of foods highly complex carbohydrates and lower-fat versions of foods commonly used in the school breakfast program established under this section, to schools participating in the school breakfast program to assist the schools in complying with the nutritional requirements prescribed by the Secretary.

(2) At the option of a local school food authority, a student in a school under the authority that participates in the school breakfast program under this chapter may be allowed to refuse not more than one item of a breakfast that the student does not intend to consume. A refusal of an offered food item shall not affect the full charge to the student for a breakfast meeting the requirements of this section or the amount of payments made under this chapter to a school for the breakfast.

Codification

Amendments

Subsec. (d). Pub. L. 108–265, § 201, added subsec. (d) and struck out former subsec. (d), which authorized severe need assistance to schools in which the service of breakfasts is required by State laws or regulations and in which 40 percent or more of lunches were served free or at a reduced price during the most recent second preceding school year, and entitled such schools to receive the lesser of 100 percent of the operating costs of the breakfast program or the meal reimbursement rate specified in subsec. (b)(2).
1999—Subsecs. (b), (e)(1)(A). Pub. L. 106–78 made technical amendment to references in original act which appear in text as references to sections 1758, 1759a, and 1759c of this title.

1998—Subsec. (a). Pub. L. 105–336, § 201, struck out “and to carry out the provisions of subsection (g) of this section” before period at end of first sentence.

Subsec. (b)(2)(B)(ii). Pub. L. 105–336, §103(b)(2)(B), substituted “as adjusted pursuant to section 1758a(a)(3)(B) of this title” for “as adjusted on an annual basis each July 1 to the nearest one-fourth cent in accordance with changes in the series for food away from home of the Consumer Price Index published by the Bureau of Labor Statistics of the Department of Labor for the most recent twelve-month period for which such data are available, except that the initial such adjustment shall be made on January 1, 1978, and shall reflect the change in the series of food away from home during the period November 1, 1976, to October 31, 1977.”

Subsec. (e)(1)(B). Pub. L. 104–193, §728(a), struck out at end of the Secretary shall constitute a class of 100 percent payment of 8 cents as the national average for the most recent twelve-month period for which such data are available, except that the initial such adjustment shall be made on January 1, 1978, and shall reflect the change in the series of food away from home during the period November 1, 1976, to October 31, 1977.”

1994—Subsec. (e)(1). Pub. L. 103–448, §201(a), (b), designated existing provisions as subpar. (A), inserted “‘except that the minimum nutritional requirements shall be measured by not less than the weekly average of the nutrient content of school breakfasts’” before period at end, and added subpar. (3).

Subsec. (f)(1). Pub. L. 103–448, §201(c), designated existing provisions as subpar. (A) and added subpars. (B) and (C).

Subsec. (g). Pub. L. 103–448, §201(d), amended heading and text of subsec. (g) generally. Prior to amendment, text required the Secretary to pay State educational agencies to assist eligible schools in initiating a school breakfast program, set forth a plan by which certain State educational agencies competing for startup cost payments were to be given preference, provided that breakfast program maintenance funds were not to be used for startup costs, defined “eligible school,” and directed Secretary to report to Congress. 1989—Subsec. (a). Pub. L. 101–147, §121(1), (2), inserted “and at end of first sentence ‘and to carry out the provisions of subsection (g) of this section’.”

Subsec. (b). Pub. L. 101–147, §322(b), substituted “reduced price” for “reduced-price” wherever appearing.

Subsec. (b)(1)(B). Pub. L. 101–147, §121(b), designated existing provisions as cl. (i), redesignated former clss. (i) and (ii) as subcls. (I) and (II), respectively, of cl. (i), and added cl. (ii).

Subsec. (b)(3). Pub. L. 101–147, §322(d), made technical amendment to reference to section 1766 of this title involving underlying provisions of original act and requiring no change in text.

Subsec. (b)(3) to (5), Pub. L. 101–147, §121(a)(1), (2)(A), amended subsec. (b)(3) to (5), as amended identically by Pub. L. 99–591, §330(a), and Pub. L. 99–561, §471(d), and as further amended by Pub. L. 100–435, §230, to read as if only the amendment by Pub. L. 99–591 was enacted, and further amended subsec. (b)(3) identically to the amendment that was made by Pub. L. 100–435, resulting in no change in text, see 1988 and 1987 Amendment notes below.

Subsec. (d)(1)(B). Pub. L. 101–147, §322(d), substituted “reduced price” for “reduced-price”.

Subsec. (f). Pub. L. 101–147, §121(a), inserted “Expansion program” as heading pursuant to section 1758a(a)(3)(B) of this title, added new provision as described in text.

1997—Subsec. (b)(3) to (5). Pub. L. 101–147, §121(b), inserted existing provisions as par. (1), struck out at end “Within 4 months after October 7, 1975, the Secretary shall report to the committees of jurisdiction in the Congress his plans and those of the cooperating State agencies to bring about the needed expansion in the school breakfast program,” and added par. (2).

Subsec. (b)(3) to (5). Pub. L. 99–591, §330(a), and Pub. L. 99–661, §4210(a), amended subsec. (b) identically, adding pars. (3) to (5).

1981—Subsec. (b). Pub. L. 97–35, §801(c)(1), (2), in par. (1) substituted provisions respecting calculation, amount, limitations, etc., for breakfast assistance payments to State educational agencies for provisions respecting apportionment, calculation, etc., for payments beginning with fiscal year ending June 30, 1973, and in par. (2) substituted provisions respecting annual adjustments, for provisions respecting semiannual adjustments and substituted “the Secretary” for “Missouri”.

Subsec. (c). Pub. L. 97–35, §819(b), struck out “financing the costs of” after “such schools in.”.

Subsec. (d). Pub. L. 97–35, §801(c)(3)(A), substituted provisions limiting additional assistance requirements to schools in severe need for provisions setting forth requirements for eligibility standards for providing additional assistance to schools in severe need.

Subsec. (f). Pub. L. 97–35, §817(d), redesignated former subsec. (g) as (f). Former subsec. (f), which related to nonprofit private schools, was struck out.

Subsec. (g). Pub. L. 97–35, §817(d), redesignated former subsec. (g) as (f).

Subsec. (d). Pub. L. 95–627 specified which schools could be considered to be in severe need.

1977—Subsec. (b)(1). Pub. L. 95–166, §121(1), (2), designated existing provisions as par. (1) and struck out provision for payment of up to 45 cents for breakfasts served to children qualifying for a free breakfast in cases of severe need, which is now covered in par. (2).

Subsec. (d). Pub. L. 95–166, §124, substituted requirement that the Secretary establish eligibility standards for providing additional assistance to schools in severe need for prior requirement that the State educational agency require applicant schools to provide justification of the need for such assistance; required the eligibility standards to be submitted to the Secretary for approval and to be included in the State plan of child nutrition operations and submission of appropriate documentation about the need circumstances in the school and the school’s eligibility for additional assistance; and authorized payment of the lesser of 100 percent of the operating costs or the meal reimbursement rate, previously limited to the 100 percent payment.

Subsec. (f). Pub. L. 94–105, §17(a), substituted “directly to the schools (as defined in section 1784(c) of this title which are private and nonprofit as defined in section 1758a(a)(5)(B) of this title) for ‘directly to the nonprofit private schools’”.

Subsec. (g). Pub. L. 94–105, §3, added subsec. (g).

1973—Subsec. (b). Pub. L. 93–150, §4(c), prescribed a minimum payment of 8 cents as the national average payment for all breakfasts served to eligible children.
inserted provision for minimum payment of 15 cents for each reduced-price breakfast and for minimum payment of 20 cents for each free breakfast, and authorizing with fiscal year 1972, a payment of up to 45 cents for each breakfast served to children qualifying for a free breakfast.

Subsec. (c). Pub. L. 92–150, §4(a), (b), substituted in first sentence “State educational agency to assist such schools in financing the costs of operating a breakfast program” for “State educational agency, to assist such schools in financing the cost of obtaining agricultural and other foods for consumption by needy children in a breakfast program” and struck out second sentence which provided that “Such food costs may include, in addition to the purchase price, the cost of packaging, distributing, transporting, storing, and handling.”, respectively.

1972—Subsec. (a). Pub. L. 92–433, §3(a), substituted authorized appropriation of such sums as are necessary for fiscal years ending June 30, 1973, June 30, 1974, and June 30, 1975, for provisions authorizing appropriation of amounts not exceeding $35,000,000 for fiscal years 1972, 1973 and 1974 amounts available to schools making applications for assistance and agreeing to carry out a nonprofit breakfast program in accordance with this chapter.

Subsec. (b). Pub. L. 92–433, §3(b), made existing appropriation formula applicable to fiscal year ending June 30, 1973 and added new formula for fiscal years beginning with fiscal year ending June 30, 1974.

Subsec. (c). Pub. L. 92–433, §3(c), inserted provision that breakfast assistance disbursements to schools may be made in advance or by way of reimbursement in accordance with procedure prescribed by the Secretary.

Subsec. (e). Pub. L. 92–433, §3(d), substituted provisions that breakfasts be served free or at reduced cost under same terms and conditions as set forth in section 1758 of this title for provisions relating to determination by local school authorities of the inability of children to pay full cost, criteria for such determination, income poverty guidelines, affidavit of household’s annual income, eligibility of nonprofit private schools for funds, and prohibition of discrimination on account of inability to pay.

Subsec. (f). Pub. L. 92–433, §3(e), substituted provisions that for fiscal year ending June 30, 1973, withholding and disbursement to nonprofit private schools will be effected as before and that commencing with the next fiscal year, the Secretary would directly make payments to the nonprofit private schools participating in the breakfast program under agreement with the Secretary for provisions that such withholding and disbursement be effected in accordance with section 1759 of this title with some exceptions.

Subsec. (c). Pub. L. 92–32, §3, substituted “assist such schools in financing the cost” for “reimburse such schools for the cost” and provided for preference of schools for improvement of nutrition and dietary practices of children of working mothers and from low-income families.

Subsec. (d). Pub. L. 92–32, §4, increased financial assistance from “80” to “100” per centum.

Subsec. (e). Pub. L. 92–32, §5, substituted provisions relating to criteria for determination of eligible children, income poverty guidelines, priority of neediest children, affidavit of household’s annual income, and certification of availability of funds for nonprofit private schools, for former provision for determination of eligible children on basis of consultations of local school authorities with public welfare and health agencies.

1970—Subsec. (a). Pub. L. 91–248, §10, substituted “$25,000,000” for “$12,000,000”.

Subsec. (e). Pub. L. 91–248, §6(d), provided that there be no overt identification of those children who receive free and reduced price meals.

1968—Subsec. (a). Pub. L. 90–302 provided authorization to appropriate $6,500,000 for fiscal year 1969, not to exceed $10,000,000 for fiscal year 1970, and not to exceed $12,000,000 for fiscal year 1971, struck out references to authorization for fiscal years 1967 and 1968 and to pilot programs conducted on a nonpartisan basis, and added provision that appropriations and expenditures for this chapter be considered Health, Education, and Welfare functions for budget purposes rather than functions of Agriculture.

Review of Best Practices in the Breakfast Program
Pub. L. 110–265, title II, §296, June 30, 2004, 118 Stat. 787, directed the Secretary of Agriculture to enter into
an agreement with a research organization to collect and disseminate a review of best practices to assist school food authorities in addressing existing impediments at the State and local level that hinder the growth of the school breakfast program and, not later than 1 year after June 30, 2004, to make the review available to school food authorities via the Internet and to transmit it to congressional committees.

**Consolidation of School Lunch Program and School Breakfast Program into Comprehensive Meal Program**

For provisions directing Secretary to consolidate school breakfast program under this section and school lunch program under chapter 13 (§1751 et seq.) of this title into comprehensive meal program, see section 301 of Pub. L. 103–448, set out as a note under section 1751 of this title.

**Adjustments in Maximum Breakfast Payments for Fiscal Year Ending September 30, 1981**

Pub. L. 96–499, title II, §210, Dec. 5, 1980, 94 Stat. 2602, provided that: ‘‘(1) no adjustment under such section shall be made on January 1 of such fiscal year; and

‘‘(2) the adjustment under such section required to be made on July 1 of such fiscal year shall be computed to the nearest one-fourth cent based on changes, measured over the preceding twelve-month period for which data are available, in the series for food away from home of the Consumer Price Index for All Urban Consumers, published by the Bureau of Labor Statistics, Department of Labor.’’

**Alternate Foods**

Pub. L. 95–627, §6(d), Nov. 10, 1988, 92 Stat. 3621, provided that: ‘‘The Secretary shall not limit or prohibit, during the school year 1978–79, the use of formulated grain–fruit products currently approved for use in the school breakfast program. The Secretary shall consult experts in child nutrition, industry representatives, and school food service personnel and school administrators (including personnel and administrators in school systems using such products) with respect to the continued use of formulated grain–fruit products in the school breakfast program, and shall also take into account the findings and recommendations in the report on this subject of the General Accounting Office (now Government Accountability Office). The Secretary shall not promulgate a final rule disapproving the use of such products in the school breakfast program beyond the 1978–79 school year until the Secretary has notified the appropriate committees of Congress, and such rule shall not take effect until sixty days after such notification.’’

**Report to Congress of Needs for Additional Funds for School Breakfast and Nonfood Assistance Programs, Fiscal Year Ending June 30, 1972**

Pub. L. 92–153, §5, Nov. 5, 1971, 85 Stat. 420, provided that the Secretary of Agriculture determine immediately upon enactment of this resolution (Nov. 5, 1971) and report to Congress the needs for additional funds to carry out the school breakfast and nonfood assistance programs during the fiscal year ending June 30, 1972, at levels permitting expansion of the school breakfast and school lunch programs to all schools desiring such programs as rapidly as practicable.

**Transfer of Funds to Schools in Need of Additional Assistance in School Breakfast Program**

Pub. L. 92–153, §7, Nov. 5, 1971, 85 Stat. 420, provided that: ‘‘In addition to any other authority given to the Secretary he is hereby authorized to transfer funds from section 32 of the Act of August 24, 1935 (section 612c of Title 7, Agriculture), for the purpose of assisting schools which demonstrate a need for additional funds in the school breakfast program.’’

**Direct Distribution Programs for Diet of Needy Children Suffering from General and Continued Hunger: Additional Funds**

Additional funds for direct distribution programs for diet of needy children suffering from general and continued hunger and payment of administrative costs of State or local welfare agency carrying out such programs, see section 6 of Pub. L. 92–32, set out as a note under section 612c of Title 7, Agriculture.

**§1774. Disbursement directly to schools or institutions**

(a) The Secretary shall withhold funds payable to a State under this chapter and disburse the funds directly to schools or institutions within the State for the purposes authorized by this chapter to the extent that the Secretary has so withheld and disbursed such funds continuously since October 1, 1980, but only to such extent (except as otherwise required by subsection (b)) as such funds are available.

Any funds so withheld and disbursed by the Secretary shall be used for the same purposes, and shall be subject to the same conditions, as applicable to a State disbursing funds made available under this chapter. If the Secretary is administering (in whole or in part) any program authorized under this chapter, the State in which the Secretary is administering the program may, upon request to the Secretary, assume administration of that program.

(b) If a State educational agency is not permitted by law to disburse the funds paid to it under this chapter to any of the nonpublic schools in the State, the Secretary shall disburse the funds directly to such schools within the State for the same purposes and subject to the same conditions as are authorized or required with respect to the disbursements to public schools within the State by the State educational agency.

**Prior Provisions**

**Effective Date**

**Report to Congress of Needs for Equipment To Be Submitted by June 30, 1973**

Pub. L. 92–433, §6(e), Sept. 26, 1972, 86 Stat. 729, directed Secretary, to assist Congress in determining amounts needed annually, to conduct a survey among States and school districts on unmet needs for equipment in schools eligible for assistance under former section 1774 of this title, results of such survey to be reported to Congress by June 30, 1973.
§ 1775. Certification to Secretary of the Treasury of amounts to be paid to States

The Secretary shall certify to the Secretary of the Treasury from time to time the amounts to be paid to any State under sections 1772 through 1776 of this title and the time or times such amounts are to be paid; and the Secretary of the Treasury shall pay to the State at the time or times fixed by the Secretary the amounts so certified.

§ 1776. State administrative expenses

(a) Amount and allocation of funds

(1) Amount available

(A) In general

Each fiscal year, the Secretary shall make available to the States for their administrative costs an amount equal to not less than 1½ percent of the Federal funds expended under sections 4, 11, and 17 of the Richard B. Russell National School Lunch Act [42 U.S.C. 1753, 1759a, 1766] and 1772 and 1773 of this title during the second preceding fiscal year.

(B) Allocation

The Secretary shall allocate the funds so provided in accordance with paragraphs (2), (3), and (4) of this subsection.

(2) Expense grants

(A) In general

Subject to subparagraph (B), the Secretary shall allocate to each State for administrative costs incurred in any fiscal year in connection with the programs authorized under the Richard B. Russell National School Lunch Act [42 U.S.C. 1751 et seq.] or under this chapter, except for the programs authorized under the Richard B. Russell National School Lunch Act [42 U.S.C. 1751 et seq.] and this chapter, except for section 1786 of this title, an amount equal to not more than 1 percent of the funds expended by each State under sections 4 and 11 of the Richard B. Russell National School Lunch Act [42 U.S.C. 1761, 1766] or under section 1786 of this title, an amount equal to not less than 1 percent and not more than 1½ percent of the funds expended by each State under sections 4 and 11 of the Richard B. Russell National School Lunch Act [42 U.S.C. 1753, 1759a] and sections 1772 and 1773 of this title during the second preceding fiscal year.

(B) Minimum amount

(i) In general

In no case shall the grant available to any State under this paragraph be less than the amount such State was allocated in the fiscal year ending September 30, 1981, or $200,000 (as adjusted under clause (ii), whichever is larger.

(ii) Adjustment

On October 1, 2008, and each October 1 thereafter, the minimum dollar amount for a fiscal year specified in clause (i) shall be adjusted to reflect the percentage change between—

1 So in original. Probably should be preceded by an additional closing parenthesis.

(I) the value of the index for State and local government purchases, as published by the Bureau of Economic Analysis of the Department of Commerce, for the 12-month period ending June 30 of the second preceding fiscal year; and

(II) the value of that index for the 12-month period ending June 30 of the preceding fiscal year.

(3) The Secretary shall allocate to each State for its administrative costs incurred under the program authorized by section 17 of the Richard B. Russell National School Lunch Act [42 U.S.C. 1766] in any fiscal year an amount, based upon funds expended under that program in the second preceding fiscal year, equal to:

(A) 20 percent of the first $50,000,

(B) 10 percent of the next $100,000,

(C) 5 percent of the next $250,000, and

(D) 2½ percent of any remaining funds.

If an agency in the State other than the State educational agency administers such program, the State shall ensure that an amount equal to no less than the funds due the State under this paragraph is provided to such agency for costs incurred by such agency in administering the program, except as provided in paragraph (5).

The Secretary may adjust any State’s allocation to reflect changes in the size of its program.

(4) The remaining funds appropriated under this section shall be allocated among the States by the Secretary in amounts the Secretary determines necessary for the improvement in the States of the administration of the programs authorized under the Richard B. Russell National School Lunch Act [42 U.S.C. 1751 et seq.] and this chapter, except for section 1786 of this title, including, but not limited to, improved program integrity and the quality of meals served to children.

(B) Reallocation of funds.—

(i) Return to Secretary.—For each fiscal year, any amounts appropriated that are not obligated or expended during the fiscal year and are not carried over for the succeeding fiscal year under subparagraph (A) shall be returned to the Secretary.

(ii) Reallocation by Secretary.—The Secretary shall allocate, for purposes of administrative costs, any remaining amounts among States that demonstrate a need for the amounts.

(6) Use of administrative funds.—Funds available to a State under this subsection and under section 13(k)(1) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1761(k)(1)) may be used by the State for the costs of administration of the programs authorized under this chapter (except for the programs authorized under sections 1786 and 1790 of this title) and the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.) without regard to the
basis on which the funds were earned and allocated.

(7) Where the Secretary is responsible for the administration of programs under this chapter or the Richard B. Russell National School Lunch Act [42 U.S.C. 1751 et seq.], the amount of funds that would be allocated to the State agency under this section and under section 13(k)(1) of the Richard B. Russell National School Lunch Act [42 U.S.C. 1761(k)(1)] shall be retained by the Secretary for the Secretary’s use in the administration of such programs.

(8) In the fiscal year 1991 and each succeeding fiscal year, in accordance with regulations issued by the Secretary, each State shall ensure that the State agency administering the distribution of commodities under programs authorized under this chapter and under the Richard B. Russell National School Lunch Act [42 U.S.C. 1751 et seq.] is provided, from funds made available to the State under this subsection, an appropriate amount of funds for administrative costs incurred in distributing such commodities. In developing such regulations, the Secretary may consider the value of commodities provided to the State under this chapter and under the Richard B. Russell National School Lunch Act.

(9)(A) If the Secretary determines that the administration of any program by a State under this chapter (other than section 1786 of this title) or under the Richard B. Russell National School Lunch Act [42 U.S.C. 1751 et seq.] (including any requirement to provide sufficient training, technical assistance, and monitoring of the child and adult care food program under section 17 of that Act [42 U.S.C. 1766]), or compliance with a regulation issued pursuant to either this chapter or such Act, is seriously deficient, and the State fails to correct the deficiency within a specified period of time, the Secretary may withhold from the State some or all of the funds allocated to the State under this section or under section 13(k)(1) or 17 of the Richard B. Russell National School Lunch Act [42 U.S.C. 1761(k)(1) or 1766].

(B) On a subsequent determination by the Secretary that the administration of any program referred to in subparagraph (A), or compliance with the regulations issued to carry out the program, is no longer seriously deficient and is operated in an acceptable manner, the Secretary may allocate some or all of the funds withheld under such subparagraph.

(b) Funds, usage: compensation, benefits, and travel expenses of personnel; support services; office equipment; staff development

Funds paid to a State under subsection (a) of this section may be used to pay salaries, including employee benefits and travel expenses, for administrative and supervisory personnel; for support services; for office equipment; and for staff development.

(e) Plans for use of administrative expense funds

(1) In general

Each State shall submit to the Secretary for approval by October 1 of the initial fiscal year a plan for the use of State administrative expense funds, including a staff formula for State personnel, system level supervisory and operating personnel, and school level personnel.

(B) Plan contents

Each State plan shall, at a minimum, include a description of how technology and information management systems will be used to improve program integrity by—

(i) monitoring the nutrient content of meals served;

(ii) training local educational agencies, school food authorities, and schools in how to use technology and information management systems (including verifying eligibility for free or reduced price meals using program participation or income data gathered by State or local agencies); and

(iii) using electronic data to establish benchmarks to compare and monitor program integrity, program participation, and financial data.

(3) Training and technical assistance

Each State shall submit to the Secretary for approval a plan describing the manner in which the State intends to implement subsection (g) and section 22(b)(3) of the Richard B. Russell National School Lunch Act [42 U.S.C. 1769c(b)(3)].

(f) State funding requirement

Payments of funds under this section shall be made only to States that agree to maintain a level of funding out of State revenues, for administrative costs in connection with programs under this chapter (except section 1786 of this title) and the Richard B. Russell National School Lunch Act [42 U.S.C. 1761 et seq.].
School Lunch Act [42 U.S.C. 1751 et seq.] (except section 13 of that Act [42 U.S.C. 1761]), not less than the amount expended or obligated in fiscal year 1977, and that agree to participate fully in any studies authorized by the Secretary.

(g) Professional standards for school food service

(1) Criteria for school food service and State agency directors

(A) School food service directors

(i) In general

The Secretary shall establish a program of required education, training, and certification for all school food service directors responsible for the management of a school food authority.

(ii) Requirements

The program shall include—

(I) minimum educational requirements necessary to successfully manage the school lunch program established under the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.) and the school breakfast program established by section 1773 of this title;

(II) minimum program training and certification criteria for school food service directors; and

(III) minimum periodic training criteria to maintain school food service director certification.

(B) School nutrition State agency directors

The Secretary shall establish criteria and standards for States to use in the selection of State agency directors with responsibility for the school lunch program established under the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.) and the school breakfast program established by section 1773 of this title.

(C) Training program partnership

The Secretary may provide financial and other assistance to 1 or more professional food service management organizations—

(i) to establish and manage the program under this paragraph; and

(ii) to develop voluntary training and certification programs for other school food service workers.

(D) Required date of compliance

(i) School food service directors

The Secretary shall establish a date by which all school food service directors whose local educational agencies are participating in the school lunch program established under the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.) and the school breakfast program established by section 1773 of this title shall be required to comply with the education, training, and certification criteria established in accordance with subparagraph (A).

(ii) School nutrition State agency directors

The Secretary shall establish a date by which all State agencies shall be required to comply with criteria and standards established in accordance with subparagraph (B) for the selection of State agency directors with responsibility for the school lunch program established under the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.) and the school breakfast program established by section 1773 of this title.

(2) Training and certification of food service personnel

(A) Training for individuals conducting or overseeing administrative procedures

(i) In general

At least annually, each State shall provide training in administrative practices (including training in application, certification, verification, meal counting, and meal claiming procedures) to local educational agency and school food authority personnel and other appropriate personnel.

(ii) Federal role

The Secretary shall—

(I) provide training and technical assistance described in clause (i) to the State; or

(II) at the option of the Secretary, directly provide training and technical assistance described in clause (i).

(iii) Required participation

In accordance with procedures established by the Secretary, each local educational agency or school food authority shall ensure that an individual conducting or overseeing administrative procedures described in clause (i) receives training at least annually, unless determined otherwise by the Secretary.

(B) Training and certification of all local food service personnel

(i) In general

The Secretary shall provide training designed to improve—

(I) the accuracy of approvals for free and reduced price meals; and

(II) the identification of reimbursable meals at the point of service.

(ii) Certification of local personnel

In accordance with criteria established by the Secretary, local food service personnel shall complete annual training and receive annual certification—

(I) to ensure program compliance and integrity; and

(II) to demonstrate competence in the training provided under clause (i).

(iii) Training modules

In addition to the topics described in clause (i), a training program carried out under this subparagraph shall include training modules on—

(I) nutrition;

(II) health and food safety standards and methodologies; and

(III) any other appropriate topics, as determined by the Secretary.
(3) Funding

(A) In general
Out of any funds in the Treasury not otherwise appropriated, the Secretary of the Treasury shall transfer to the Secretary to carry out this subsection, to remain available until expended—
(i) on October 1, 2010, $5,000,000; and
(ii) on each October 1 thereafter, $1,000,000.

(B) Receipt and acceptance
The Secretary shall be entitled to receive, shall accept, and shall use to carry out this subsection the funds transferred under subparagraph (A), without further appropriation.

(h) Funding for training and administrative reviews

(1) Funding

(A) In general
On October 1, 2004, and on each October 1 thereafter, out of any funds in the Treasury not otherwise appropriated, the Secretary of Agriculture to carry out this subsection $4,000,000, to remain available until expended.

(B) Receipt and acceptance
The Secretary shall be entitled to receive, shall accept, and shall use to carry out this subsection the funds transferred under subparagraph (A), without further appropriation.

(2) Use of funds

(A) In general
Except as provided in subparagraph (B), the Secretary shall use funds provided under this subsection to assist States in carrying out subsection (g) and administrative reviews of selected local educational agencies carried out under section 22 of the Richard B. Russell National School Lunch Act (42 U.S.C. 1769c).

(B) Exception
The Secretary may retain a portion of the amount provided to cover costs of activities carried out by the Secretary in lieu of the State.

(3) Allocation
The Secretary shall allocate funds provided under this subsection to States based on the number of local educational agencies that have demonstrated a high level of, or a high risk for, administrative error, as determined by the Secretary, taking into account the requirements established by the Child Nutrition and WIC Reauthorization Act of 2004 and the amendments made by that Act.

(4) Reallocation
The Secretary may reallocate, to carry out this section, any amounts made available to carry out this subsection that are not obligated or expended, as determined by the Secretary.

(i) Technology infrastructure improvement

(1) In general
Each State shall submit to the Secretary, for approval by the Secretary, an amendment to the plan required by subsection (e) that describes the manner in which funds provided under this section will be used for technology and information management systems.

(2) Requirements
The amendment shall, at a minimum, describe the manner in which the State will improve program integrity by—
(A) monitoring the nutrient content of meals served;
(B) providing training to local educational agencies, school food authorities, and schools on the use of technology and information management systems for activities including—
(i) menu planning;
(ii) collection of point-of-sale data; and
(iii) the processing of applications for free and reduced price meals; and
(C) using electronic data to establish benchmarks to compare and monitor program integrity, program participation, and financial data across schools and school food authorities.

(3) Technology infrastructure grants

(A) In general
Subject to the availability of funds made available under paragraph (4) to carry out this paragraph, the Secretary shall, on a competitive basis, provide funds to States to be used to provide grants to local educational agencies, school food authorities, and schools to defray the cost of purchasing or upgrading technology and information management systems for use in programs authorized by this chapter (other than section 1786 of this title) and the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.).

(B) Infrastructure development plan
To be eligible to receive a grant under this paragraph, a school or school food authority shall submit to the State a plan to purchase or upgrade technology and information management systems that addresses potential cost savings and methods to improve program integrity, including—
(i) processing and verification of applications for free and reduced price meals;
(ii) integration of menu planning, production, and serving data to monitor compliance with section 9(f)(1) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1758(f)(1)); and
(iii) compatibility with statewide reporting systems.

(4) Authorization of appropriations
There are authorized to be appropriated to carry out this subsection such sums as are necessary for each of fiscal years 2010 through 2015, to remain available until expended.

(j) Authorization of appropriations
For the fiscal year beginning October 1, 1977, and each succeeding fiscal year ending before
October 1, 2015, there are hereby authorized to be appropriated such sums as may be necessary for the purposes of this section.

CODIFICATION

AMENDMENTS

2010—Subsec. (a)(1). Pub. L. 111–296, § 441(b)(1), substituted “Each fiscal year” for “Except as provided in subparagraph (B), each fiscal year” in subpar. (A), redesignated subpar. (C) as (B), and struck out former subpar. (B). Prior to amendment, text of subpar. (B) read as follows: “In the case of each of fiscal years 2005 through 2007, the Secretary shall make available to each State for administrative costs not less than the initial allocation made to the State under this subsection for fiscal year 2004.”

Subsec. (g). Pub. L. 111–296, § 306, added subsec. (g) and struck out former subsec. (g) which required each State to provide, at least annually, training in administrative practices, with emphasis on the requirements established by the Child Nutrition and WIC Reauthorization Act of 2004, and set out the Federal role and procedures for required participation.

Subsec. (a)(1). Pub. L. 108–265, § 202(a)(1), (2)(A), inserted par. heading, designated first and second sentences as subpars. (A) and (C), respectively, inserted subpar. (A) and (C) headings, in subpar. (A) substituted “Except as provided in subparagraph (B), each” for “Each”, added subpar. (B), and struck out at end.

There are hereby authorized to be appropriated such sums as may be necessary to carry out the purposes of this section.

Subsec. (a)(2). Pub. L. 108–265, § 202(a)(2)(B), inserted par. heading, designated existing provisions as subpars. (A) and (B)(i), inserted headings, in subpar. (A) substituted “Subject to subparagraph (B), the” for “The”, in subpar. (B)(i) substituted “this paragraph” for “this subsection and $300,000 (as adjusted under clause (ii)) for $100,000,” and added subpar. (B)(ii).

Subsec. (e). Pub. L. 108–265, § 126(c)(1), inserted subsec. heading, designated existing provisions as par. (1), inserted par. heading, struck out last sentence requiring a State, after submitting the initial plan, to submit to the Secretary for approval only a substantive change in the plan, and added pars. (2) and (3).

Subsecs. (g) and (h). Former subsec. (g) redesignated (j).

Pub. L. 108–265, § 126(c)(2), redesignated subsec. (g) as (j).

1998—Subsec. (a)(5)(B). Pub. L. 105–336, § 202(a), amended subpar. (B) generally, substituting present provisions for provisions which related to return of unexpended funds to Secretary and reallocation of such funds to provide annual grants to public entities and private nonprofit organizations participating in projects under former section 1766b of this title.

Subsec. (a)(6). Pub. L. 105–336, § 202(b), amended par. (6) generally. Prior to amendment, par. (6) read as follows: “Funds available to States under this subsection and under section 13(k)(1) of the National School Lunch Act shall be used for the costs of administration of the programs for which the allocations are made, except that States may transfer up to 10 percent of any of the amounts allocated among such programs.”

1996—Subsec. (e). Pub. L. 104–193, § 724(b), substituted “the initial fiscal year a plan” for “each year an annual plan” and inserted at end “After submitting the initial plan, a State shall be required to submit to the Secretary for approval only a substantive change in the plan.”

Pub. L. 104–193, § 724(a), redesignated subsec. (f) as (e) and struck out former subsec. (e) which read as follows: “The State may use a portion of the funds available under this section to assist in the administration of the commodity distribution program.”

Subsecs. (f) and (g). Pub. L. 104–193, § 724(a)(2), redesignated subsecs. (g) and (i) as (f) and (g), respectively. Former subsec. (f) redesignated (e).

Subsec. (b). Pub. L. 104–193, § 724(a)(1), struck out subsec. (h) which read as follows: “The Secretary may not provide amounts under this section to a State for administrative costs incurred in any fiscal year unless the State agrees to participate in any study or survey of programs authorized under this chapter or the National School Lunch Act (42 U.S.C. 1751 et seq.) and conducted by the Secretary.”

Subsec. (i). Pub. L. 104–193, § 724(a)(2), redesignated subsec. (i) as (g).

1994—Subsec. (a)(5)(B). Pub. L. 104–193, § 724(a)(2), substituted “projects under section 17B of the National School Lunch Act” for “projects under section 18(c) of the National School Lunch Act (42 U.S.C. 1769(c))” and substituted “fiscal year 1995 and
§ 1776

Each subsequent fiscal year" for "each of fiscal years 1993 and 1994" in two places.

Subsec. (a)(9), Pub. L. 103–448, § 202(a), added par. (9).

Subsec. (b), Pub. L. 103–448, § 202(c)(2), added subsec. (h). Former subsec. (h) redesignated (i).

Subsec. (l), Pub. L. 103–448, § 202(c)(1), redesignated subsec. (h) as (i).

Subsec. (a)(5)(B)(i). Pub. L. 102–512, § 103(2), added pars. (5) and (8) and redesignated former pars. (5) and (6) as (6) and (7), respectively.

Subsec. (g), Pub. L. 101–147, § 122(a)(2), inserted before period at end '— and that agree to participate fully in any studies authorized by the Secretary'.

Subsec. (h), Pub. L. 101–147, § 122(a)(3), substituted ''For the fiscal year beginning October 1, 1977, and each succeeding fiscal year ending before October 1, 1994,' for ''For the fiscal years beginning October 1, 1977, and ending September 30, 1989.''.

1989—Subsec. (a)(3). Pub. L. 99–500 and Pub. L. 99–591, § 332, and Pub. L. 99–661, § 4212, amended section identically, redesignating subsec. (c) to (h) as (b) to (g), respectively, and striking out former subsec. (b) which read as follows: "The Secretary, in cooperation with the several States, shall develop State staffing identically, redesignating subsec. (i) as (h) and substituting '1989' for '1984'. Former subsec. (h) redesignated (g).

Subsec. (e), Pub. L. 97–35, §§ 814(b), substituted provisions relating to general availability of unobligated funds during fiscal years following the fiscal years for which such funds were made available for provisions relating to availability of unobligated funds for fiscal years 1979 and for the five succeeding fiscal years.

1980—Subsec. (e). Pub. L. 96–499, § 201(b)(1), substituted "and for the five succeeding fiscal years" for "and the succeeding fiscal year":

1979—Subsec. (a). Pub. L. 95–627 generally revised and restructured subsection and, among other changes, inserted formula for determining State allocations for administrative costs incurred under the program authorized by section 17 of the National School Lunch Act, authorized the State to transfer up to ten percent of any amounts allocated for administrative costs of the programs for which such funds were allocated, and authorized retention by the Secretary for the Secretary's use in administering certain programs, allocations for such programs, under this section and section 13(k)(1) of the National School Lunch Act.

1977—Subsecs. (a) to (i). Pub. L. 95–166 added subsecs. (a) to (i) and struck out prior provisions authorizing the Secretary to utilize appropriated funds for advances to State educational agencies for use for administrative expenses, advancing the fund only in necessary amounts and for administration of certain activities, and authorizing appropriation of necessary sums, now incorporated in subsec. (i) of this section.

1976—Pub. L. 91–238 inserted provisions authorizing the Secretary to utilize funds appropriated under this section for advances for administrative expenses of any other designated State agency as well as for those of the State educational agency and in the case of other State agency, for its administrative expenses in supervising and giving technical assistance to service institutions as well as to local school districts.

1966—Pub. L. 90–302 inserted the programs under sections 1759a and 1761 of this title to the enumeration of programs in which appropriated funds could be used for administrative expenses of local school districts in supervising and giving technical assistance and added section 1761 to the enumeration of sections covering programs of additional activities under which funds could be advanced only in amounts and to the extent determined necessary by the Secretary.

Amendment by Pub. L. 101–147, title I, § 122(b), Nov. 10, 1989, 103 Stat. 894, provided that: "The amendment made by subsection (a)(1)(A) [amending this section] shall be effective as of October 1, 1989."
§ 1776a. 1776b. Omitted

Codification

Section 1776a, Pub. L. 103–111, title IV, Oct. 21, 1993, 107 Stat. 1071, conditioned the distribution of funds under section 1776 of this title upon agreement by a State to participate in studies and surveys of programs authorized under this chapter or the preceding chapter, when such studies or surveys were directed by Congress and requested by the Secretary of Agriculture, and was not repeated in the Agricultural, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 1995. See section 1776(b) of this title.

Section 1776b, Pub. L. 103–111, title IV, Oct. 21, 1993, 107 Stat. 1071, authorized the withholding, by the Secretary of Agriculture, of funds allocated to a State under sections 1761(k)(1) and 1776 of this title if the Secretary determined that the State was seriously deficient in administering any program under this chapter or the preceding chapter, and the State failed to correct such deficiencies within a specified period of time, and was not repeated in the Agricultural, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 1995. See section 1776(a)(9)(A) of this title.

Provisions similar to sections 1776a and 1776b were contained in the following prior appropriation acts:

§ 1777. Use in school breakfast program of food designated as being in abundance or food donated by the Secretary of Agriculture

Each school participating under section 1773 of this title shall, insofar as practicable, utilize in its program foods designated from time to time by the Secretary as being in abundance, either nationally or in the school area, or foods donated by the Secretary. Foods available under section 1431 of title 7 or purchased under section 612c or 1446a–1 of title 7, may be donated by the Secretary to schools, in accordance with the needs as determined by local school authorities, for utilization in their feeding programs under this chapter.

§ 1778. Nonprofit programs

The food and milk service programs in schools and nonprofit institutions receiving assistance under this chapter shall be conducted on a nonprofit basis.

§ 1779. Regulations

(a) In general

The Secretary shall prescribe such regulations as the Secretary may deem necessary to carry out this chapter and the Richard B. Russell National School Lunch Act [42 U.S.C. 1751 et seq.], including regulations relating to the service of food in participating schools and service institutions in competition with the programs authorized under this chapter and the Richard B. Russell National School Lunch Act.

(b) National school nutrition standards

(1) Proposed regulations

(A) In general

The Secretary shall—

(i) establish science-based nutrition standards for foods sold in schools other than foods provided under this chapter and the Richard B. Russell National School Lunch Act [42 U.S.C. 1751 et seq.]; and

(ii) not later than 1 year after December 13, 2010, promulgate proposed regulations to carry out clause (i).

(B) Application

The nutrition standards shall apply to all foods sold—

(i) outside the school meal programs;

(ii) on the school campus; and

(iii) at any time during the school day.

(C) Requirements

In establishing nutrition standards under this paragraph, the Secretary shall—

(I) establish standards that are consistent with the most recent Dietary Guidelines for Americans published under section 5341 of title 7, including the food groups to encourage and nutrients of concern identified in the Dietary Guidelines; and

(II) consider—

(a) authoritative scientific recommendations for nutrition standards;

(b) existing school nutrition standards, including voluntary standards for beverages and snack foods and State and local standards;

(c) the practical application of the nutrition standards; and

(d) special exemptions for school-sponsored fundraisers (other than fundraising through vending machines, school stores, snack bars, a la carte sales, and any other exclusions determined by the Secretary), if the fundraisers are approved by the school and are infrequent within the school.

(D) Updating standards

As soon as practicable after the date of publication by the Department of Agriculture and the Department of Health and Human Services of a new edition of the Dietary Guidelines for Americans under section 5341 of title 7, the Secretary shall review and update as necessary the school nutrition standards and requirements established under this subsection.
§ 1780

TITLE 42—THE PUBLIC HEALTH AND WELFARE

Page 4708

(2) Implementation

(A) Effective date

The interim or final regulations under this subsection shall take effect at the beginning of the school year that is not earlier than 1 year and not later than 2 years following the date on which the regulations are finalized.

(B) Reporting

The Secretary shall submit to the Committee on Agriculture, Nutrition, and Forestry of the Senate and the Committee on Education and Labor of the House of Representatives a quarterly report that describes progress made toward promulgating final regulations under this subsection.

(c) Transfer of funds; reserve for special projects

In such regulations the Secretary may provide for the transfer of funds by any State between programs authorized under this chapter and the Richard B. Russell National School Lunch Act [42 U.S.C. 1751 et seq.] on the basis of an approved State plan of operation for the use of the funds and may provide for the reserve of up to 1 per centum of the funds available for apportionment to any State to carry out special developmental projects.

AMENDMENTS

2010—Pub. L. 111–296 inserted subsec. (a) heading, added subsec. (b), and struck out former subsec. (b) which related to sale of competitive foods approved by the Secretary.

1989—Pub. L. 101–147 redesignated par. (1) as subsec. (b) and struck out pars. (2) to (4) which read as follows:

“(2) The Secretary shall develop and provide to State agencies, for distribution to private elementary schools and to public elementary schools through local educational agencies, model language that bans the sale of competitive foods of minimal nutritional value anywhere on elementary school grounds before the end of the last lunch period.

“(3) The Secretary shall provide to State agencies, for distribution to private secondary schools and to public secondary schools through local educational agencies, a copy of regulations (in existence on the effective date of this paragraph) concerning the sale of competitive foods of minimal nutritional value.

“(4) Paragraphs (2) and (3) shall not apply to a State that has in effect a ban on the sale of competitive foods of minimal nutritional value in schools in the State.”

1994—Pub. L. 103–448 designated existing provisions as subsecs. (a) to (c), realigned margins, and in subsec. (b) designated existing provisions as par. (1), substituted “The regulations” for “Such regulations”, and added pars. (2) to (4).

1989—Pub. L. 101–147 substituted “the Secretary” for “he” before “may deem” in first sentence.

1977—Pub. L. 95–166 inserted “approved by the Secretary” after “competitive foods”.

1972—Pub. L. 92–433 inserted provision that regulations issued under the section shall not prohibit the sale of competitive foods in food service facilities or areas during the time of service of food if the proceeds from the sales of such foods inures to the benefit of the schools or organizations of students approved by the school.

1970—Pub. L. 91–248 provided that regulations under this chapter and under the National School Lunch Act may include provisions relating to the service of food in participating schools and service institutions in competition with programs under this chapter and the National School Lunch Act, provided for transfer of funds by any State between programs authorized under this chapter and under the National School Lunch Act, and provided for a reserve of up to one percent of the funds available for apportionment to any State to carry out special development projects.

Effect of Date of 2010 Amendment

Effect of Date of 1994 Amendment

§ 1780. Prohibitions

(a) Interference with school personnel, curriculum, or instruction

In carrying out the provisions of sections 1772 and 1773 of this title, the Secretary shall not impose any requirements with respect to teaching personnel, curriculum, instruction, methods of instruction, and materials of instruction.

(b) Inclusion of assistance in determining income or resources

The value of assistance to children under this chapter shall not be considered to be income or resources for any purpose under any Federal or State laws including, but not limited to, laws relating to taxation, welfare, and public assistance programs. Expenditures of funds from State and local sources for the maintenance of food programs for children shall not be diminished as a result of funds received under this chapter.

(c) Federal law not applicable

Section 1693r of title 15 shall not apply to electronic benefit transfer systems established under this chapter or the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.).

AMENDMENTS

1996—Subsec. (a). Pub. L. 104–184 substituted “the Secretary shall not” for “neither the Secretary nor the State shall”.

§ 1783. Appropriations for administrative expense

There are hereby authorized to be appropriated for any fiscal year such sums as may be necessary to the Secretary for the Secretary’s administrative expense under this chapter.

AMENDMENTS

1989—Pub. L. 101–147 inserted “appropriations for administrative expense” as section catchline and substituted “are hereby” for “is hereby” and “the Secretary’s” for “his”.

§ 1784. Definitions

For the purposes of this chapter—

(1) “State” means any of the fifty States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa, or the Commonwealth of the Northern Mariana Islands.

(2) “State educational agency” means, as the State legislature may determine, (A) the chief State school officer (such as the State superintendent of public instruction, commissioner of education, or similar officer), or (B) a board of education controlling the State department of education.

(3) “School” means (A) any public or nonprofit private school of high school grade or under, including kindergarten and preschool programs operated by such school, and (B) any public or licensed nonprofit private residential child care institution (including, but not limited to, orphanages and homes for the mentally retarded, but excluding Job Corps Centers funded by the Department of Labor). For purposes of clauses (A) and (B) of this paragraph, the term “nonprofit”, when applied to any such school or institution, means any such school or institution which is exempt from tax under section 501(c)(3) of title 26.

(4) “Secretary” means the Secretary of Agriculture.

(5) “School year” means the annual period from July 1 through June 30.

(6) Except as used in section 1786 of this title, the terms “child” and “children” as used in this chapter, shall be deemed to include persons regardless of age who are determined by the State educational agency, in accordance with regulations prescribed by the Secretary, to have 1 or more disabilities and who are attending any nonresidential public or nonprofit private school of high school grade or under for the purpose of participating in a school program established for individuals with disabilities.

(7) “Disability.”—The term “disability” has the meaning given the term in the Rehabilitation Act of 1973 for purposes of title II of that Act (29 U.S.C. 760 et seq.).

REFERENCES IN TEXT

$1785. Accounts and records; availability for inspection; authority to settle, adjust, or waive claims
(a) States, State educational agencies, schools, and nonprofit institutions participating in programs under this chapter shall keep such accounts and records as may be necessary to enable the Secretary to determine whether there has been compliance with this chapter and the regulations hereunder. Such accounts and records shall be available at any reasonable time for inspection and audit by representatives
of the Secretary and shall be preserved for such period of time, not in excess of three years, as the Secretary determines is necessary.

(b) With regard to any claim arising under this chapter or under the Richard B. Russell National School Lunch Act [42 U.S.C. 1751 et seq.], the Secretary shall have the authority to determine the amount of, to settle and to adjust any such claim, and to compromise or deny such claim or any part thereof. The Secretary shall also have the authority to waive such claims if the Secretary determines that to do so would serve the purposes of either this chapter or the Richard B. Russell National School Lunch Act. Nothing contained in this subsection shall be construed to diminish the authority of the Attorney General of the United States under section 516 of title 28 to conduct litigation on behalf of the United States.

AMENDMENTS

1966—Subsec. (a). Pub. L. 104–193 substituted “be available at any reasonable time” for “at all times be available”.

1981—Pub. L. 97–35 designated existing provisions as subsec. (a) and added subsec. (b).

EFFECTIVE DATE OF 1981 AMENDMENT

STUDY OF COST ACCOUNTING REQUIREMENTS
Secretary prohibited from delaying or withholding or causing any State to delay or withhold payments for reimbursement of per meal costs on the basis of noncompliance with full cost accounting procedure unless and until the Secretary has studied additional personnel and training needs of States, local school districts and schools resulting from imposition of requirement to implement full cost accounting procedures, see section 21 of Pub. L. 94–105, set out as a note under section 1750 of this title.

§1786. Special supplemental nutrition program for women, infants, and children

(a) Congressional findings and declaration of purpose
Congress finds that substantial numbers of pregnant, postpartum, and breastfeeding women, infants, and young children from families with inadequate income are at special risk with respect to their physical and mental health by reason of inadequate nutrition or health care, or both. It is, therefore, the purpose of the program authorized by this section to provide, up to the authorization levels set forth in sub-

section (g) of this section, supplemental foods and nutrition education, including breastfeeding promotion and support, through any eligible local agency that applies for participation in the program. The program shall serve as an adjunct to good health care, during critical times of growth and development, to prevent the occurrence of health problems, including drug abuse, and improve the health status of these persons.

(b) Definitions
As used in this section—

(1) “Breastfeeding women” means women up to one year postpartum who are breastfeeding their infants.

(2) “Children” means persons who have had their first birthday but have not yet attained their fifth birthday.

(3) “Competent professional authority” means physicians, nutritionists, registered nurses, dietitians, or State or local medically trained health officials, or persons designated by physicians or State or local medically trained health officials, in accordance with standards prescribed by the Secretary, as being competent professionally to evaluate nutritional risk.

(4) “Costs of nutrition services and administration” or “nutrition services and administration” means costs that shall include, but not be limited to, costs for certification of eligibility of persons for participation in the program (including centrifuges, measuring boards, spectrophotometers, and scales used for the certification), food delivery, monitoring, nutrition education, breastfeeding support and promotion, outreach, startup costs, and general administration applicable to implementation of the program under this section, such as the cost of staff, transportation, insurance, developing and printing food instruments, and administration of State and local agency offices.

(5) “Infants” means persons under one year of age.

(6) “Local agency” means a public health or welfare agency or a private nonprofit health or welfare agency, which, directly or through an agency or physician with which it has contracted, provides health services. The term shall include an Indian tribe, band, or group recognized by the Department of the Interior, the Indian Health Service of the Department of Health and Human Services, or an intertribal council or group that is an authorized representative of Indian tribes, bands, or groups recognized by the Department of the Interior.

(7) NUTRITION EDUCATION.—The term “nutrition education” means individual and group sessions and the provision of material that are designed to improve health status and achieve positive change in dietary and physical activity habits, and that emphasize the relationship between nutrition, physical activity, and health, all in keeping with the personal and cultural preferences of the individual.

(8) “Nutritional risk” means (A) detrimental or abnormal nutritional conditions detectable by biochemical or anthropometric measurements, (B) other documented nutritionally re-
lated medical conditions, (C) dietary deficiencies that impair or endanger health, (D) conditions that directly affect the nutritional health of a person, such as alcoholism or drug abuse, or (E) conditions that predispose persons to inadequate nutritional patterns or nutritionally related medical conditions, including, but not limited to, homelessness and migrancy.

(9) “Plan of operation and administration” means a document that describes the manner in which the State agency intends to implement and operate the program.

(10) “Postpartum women” means women up to six months after termination of pregnancy.

(11) “Pregnant women” means women determined to have one or more fetuses in utero.

(12) “Secretary” means the Secretary of Agriculture.

(13) “State agency” means the health department or comparable agency of each State; an Indian tribe, band, or group recognized by the Department of the Interior; an intertribal council or group that is the authorized representative of Indian tribes, bands, or groups recognized by the Department of the Interior; or the Indian Health Service of the Department of Health and Human Services.

(14) “Supplemental foods” means those foods containing nutrients determined by nutritional research to be lacking in the diets of pregnant, breastfeeding, and postpartum women, infants, and children and foods that promote the health of the population served by the program authorized by this section, as indicated by relevant nutrition science, public health concerns, and cultural eating patterns, as prescribed by the Secretary. State agencies may, with the approval of the Secretary, substitute different foods providing the nutritional equivalent of foods prescribed by the Secretary, to allow for different cultural eating patterns.

(15) “Homeless individual” means—
(A) an individual who lacks a fixed and regular nighttime residence; or
(B) an individual whose primary nighttime residence is—
(i) a supervised publicly or privately operated shelter (including a welfare hotel or congregate shelter) designed to provide temporary living accommodations;
(ii) an institution that provides a temporary residence for individuals intended to be institutionalized;
(iii) a temporary accommodation of not more than 365 days in the residence of another individual; or
(iv) a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings.

(16) “Drug abuse education” means—
(A) the provision of information concerning the dangers of drug abuse; and
(B) the referral of participants who are suspected drug abusers to drug abuse clinics, treatment programs, counselors, or other drug abuse professionals.

(17) “Competitive bidding” means a procurement process under which the Secretary or a State agency selects a single source (a single infant formula manufacturer) offering the lowest price, as determined by the submission of sealed bids, for a product for which bids are sought for in the program authorized by this section.

(18) “Rebate” means the amount of money refunded under cost containment procedures to any State agency from the manufacturer or other supplier of the particular food product as the result of the purchase of the supplemental food with a voucher or other purchase instrument by a participant in each such agency’s program established under this section.

(19) “Discount” means, with respect to a State agency that provides program foods to participants without the use of retail grocery stores (such as a State that provides for the home delivery or direct distribution of supplemental food), the amount of the price reduction or other price concession provided to any State agency by the manufacturer or other supplier of the particular food product as the result of the purchase of program food by each such State agency, or its representative, from the supplier.

(20) “Net price” means the difference between the manufacturer’s wholesale price for infant formula and the rebate level or the discount offered or provided by the manufacturer under a cost containment contract entered into with the pertinent State agency.

(21) REMOTE INDIAN OR NATIVE VILLAGE.—The term “remote Indian or Native village” means an Indian or Native village that—
(A) is located in a rural area;
(B) has a population of less than 5,000 inhabitants; and
(C) is not accessible year-around by means of a public road (as defined in section 101 of title 23).

(22) PRIMARY CONTRACT INFANT FORMULA.—
The term “primary contract infant formula” means the specific infant formula for which manufacturers submit a bid to a State agency in response to a rebate solicitation under this section and for which a contract is awarded by the State agency as a result of that bid.

(23) STATE ALLIANCE.—The term “State alliance” means 2 or more State agencies that join together for the purpose of procuring infant formula under the program by soliciting competitive bids for infant formula.

(c) Grants-in-aid; cash grants; ratable reduction of amount an agency may distribute; affirmative action; regulations relating to dual receipt of benefits under commodity supplemental food program

(1) The Secretary may carry out a special supplemental nutrition program to assist State agencies through grants-in-aid and other means to provide, through local agencies, at no cost, supplemental foods, nutrition education, and breastfeeding support and promotion to low-income pregnant, postpartum, and breastfeeding women, infants, and children who satisfy the eligibility requirements specified in subsection (d) of this section. The program shall be supplementary to—
(A) the supplemental nutrition assistance program;
(B) any program under which foods are distributed to needy families in lieu of supplemental nutrition assistance program benefits; and

(C) receipt of food or meals from soup kitchens, or shelters, or other forms of emergency food assistance.

(2) Subject to amounts appropriated to carry out this section under subsection (g)—

(A) the Secretary shall make cash grants to State agencies for the purpose of administering the program, and

(B) any State agency approved eligible local agency that applies to participate in or expand the program under this section shall immediately be provided with the necessary funds to carry out the program.

(3) Nothing in this subsection shall be construed to permit the Secretary to reduce ratably the amount of foods that an eligible local agency shall distribute under the program to participants. The Secretary shall take affirmative action to ensure that the program is instituted in areas most in need of supplemental foods. The existence of a commodity supplemental food program under section 4 of the Agriculture and Consumer Protection Act of 1973 shall not preclude the approval of an application from an eligible local agency to participate in the program under this section nor the operation of such program within the same geographic area as that of the commodity supplemental food program, but the Secretary shall issue such regulations as are necessary to prevent dual receipt of benefits under the commodity supplemental food program and the program under this section.

(4) A State shall be ineligible to participate in programs authorized under this section if the Secretary determines that State or local sales taxes are collected within the State on purchases of food made to carry out this section.

(d) Eligible participants

(1) Participation in the program under this section shall be limited to pregnant, postpartum, and breastfeeding women, infants, and children from low-income families who are determined by a competent professional authority to be at nutritional risk.

(2)(A) The Secretary shall establish income eligibility standards to be used in conjunction with the nutritional risk criteria in determining eligibility of individuals for participation in the program. Any individual at nutritional risk shall be eligible for the program under this section only if such individual—

(i) is a member of a family with an income that is less than the maximum income limit prescribed under section 1750(b) of this title for free and reduced price meals;

(ii) receives supplemental nutrition assistance program benefits under the Food and Nutrition Act of 2008 [7 U.S.C. 2011 et seq.]; or

(ii) is a member of a family that receives assistance under the State program funded under part A of title IV of the Social Security Act [42 U.S.C. 601 et seq.] that the Secretary determines complies with standards established by the Secretary that ensure that the standards under the State program are comparable to or more restrictive than those in effect on June 1, 1995; or

(iii)(I) receives medical assistance under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.]; or

(I) is a member of a family in which a pregnant woman or an infant receives such assistance.

(B) For the purpose of determining income eligibility under this section, any State agency may choose to exclude from income—

(i) any basic allowance—

(I) for housing received by military service personnel residing off military installations; or

(ii) any cost-of-living allowance provided under section 403 of title 37 for housing that is acquired or constructed under subchapter IV of chapter 169 of title 10 or any related provision of law; and

(ii) any cost-of-living allowance provided under section 475 of title 37 to a member of a uniformed service who is on duty outside the contiguous States of the United States.

(C) COMBAT PAY.—For the purpose of determining income eligibility under this section, a State agency shall exclude from income any additional payment under chapter 5 of title 37, or otherwise designated by the Secretary to be appropriate for inclusion under this subparagraph, that is received by or from a member of the United States Armed Forces deployed to a designated combat zone, if the additional pay—

(i) is the result of deployment to or service in a combat zone; and

(ii) was not received immediately prior to serving in a combat zone.

(D) In the case of a pregnant woman who is otherwise ineligible for participation in the program because the family of the woman is of insufficient size to meet the income eligibility standards of the program, the pregnant woman shall be considered to have satisfied the income eligibility standards if, by increasing the number of individuals in the family of the woman by 1 individual, the income eligibility standards would be met.

(3) CERTIFICATION.—

(A) PROCEDURES.—

(i) IN GENERAL.—Subject to clause (ii), a person shall be certified for participation in accordance with general procedures prescribed by the Secretary.

(ii) BREASTFEEDING WOMEN.—A State may elect to certify a breastfeeding woman for a period of 1 year postpartum or until a woman discontinues breastfeeding, whichever is earlier.

(iii) CHILDREN.—A State may elect to certify participant children for a period of up to 1 year, if the State electing the option provided under this clause ensures that participant children receive required health and nutrition assessments.

(B) A State may consider pregnant women who meet the income eligibility standards to be presumptively eligible to participate in the program and may certify the women for participa-
tion immediately, without delaying certification until an evaluation is made concerning nutritional risk. A nutritional risk evaluation of such a woman shall be completed not later than 60 days after the woman is certified for participation. If it is subsequently determined that the woman does not meet nutritional risk criteria, the certification of the woman shall terminate on the date of the determination.

(C) PHYSICAL PRESENCE.—

(i) IN GENERAL.—Except as provided in clause (ii) and subject to the requirements of the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.) and section 794 of title 29, each individual seeking certification or recertification for participation in the program shall be physically present at each certification or recertification determination in order to determine eligibility under the program.

(ii) WAIVERS.—If the agency determines that the requirement of clause (i) would present an unreasonable barrier to participation, a local agency may waive the requirement of clause (i) with respect to—

(I) an infant or child who—

(aa) was present at the initial certification visit; and

(bb) is receiving ongoing health care;

(II) an infant or child who—

(aa) was present at the initial certification visit;

(bb) was present at a certification or recertification determination within the 1-year period ending on the date of the certification or recertification determination described in clause (i); and

(cc) has one or more parents who work; and

(III) an infant under 8 weeks of age—

(aa) who cannot be present at certification for a reason determined appropriate by the local agency; and

(bb) for whom all necessary certification information is provided.

(D) INCOME DOCUMENTATION.—

(i) IN GENERAL.—Except as provided in clause (ii), in order to participate in the program pursuant to clause (i) of paragraph (2)(A), an individual seeking certification or recertification for participation in the program shall provide documentation of family income.

(ii) WAIVERS.—A State agency may waive the documentation requirement of clause (i), in accordance with criteria established by the Secretary, with respect to—

(I) an individual for whom the necessary documentation is not available; or

(II) an individual, such as a homeless woman or child, for whom the agency determines the requirement of clause (i) would present an unreasonable barrier to participation.

(E) ADJUNCT DOCUMENTATION.—In order to participate in the program pursuant to clause (ii) or (iii) of paragraph (2)(A), an individual seeking certification or recertification for participation in the program shall provide documentation of receipt of assistance described in that clause.

(F) PROOF OF RESIDENCY.—An individual residing in a remote Indian or Native village or an individual served by an Indian tribal organization and residing on a reservation or pueblo may, under standards established by the Secretary, establish proof of residence under this section by providing to the State agency the mailing address of the individual and the name of the remote Indian or Native village.

(e) Nutrition education and drug abuse education

(1) The State agency shall ensure that nutrition education and drug abuse education is provided to all pregnant, postpartum, and breastfeeding participants in the program and to parents or caretakers of infant and child participants in the program. The State agency may also provide nutrition education and drug abuse education to pregnant, postpartum, and breastfeeding women and to parents or caretakers of infants and children enrolled at local agencies operating the program under this section who do not participate in the program. A local agency participating in the program shall provide education or educational materials relating to the effects of drug and alcohol use by a pregnant, postpartum, or breastfeeding woman on the developing child of the woman.

(2) The Secretary shall prescribe standards to ensure that adequate nutrition education services and breastfeeding promotion and support are provided. The State agency shall provide training to persons providing nutrition education, including breastfeeding support and education, under this section.

(3) NUTRITION EDUCATION MATERIALS.—

(A) IN GENERAL.—The Secretary shall, after submitting proposed nutrition education materials to the Secretary of Health and Human Services for comment, issue such materials for use in the program under this section.

(B) SHARING OF MATERIALS WITH OTHER PROGRAMS.—

(i) COMMODITY SUPPLEMENTAL FOOD PROGRAM.—The Secretary may provide, in bulk quantity, nutrition education materials (including materials promoting breastfeeding) developed with funds made available for the program authorized under this section to State agencies administering the commodity supplemental food program established under section 5 of the Agriculture and Consumer Protection Act of 1973 (7 U.S.C. 612c note; Public Law 93-86) at no cost to that program.

(ii) CHILD AND ADULT CARE FOOD PROGRAM.—A State agency may allow the local agencies or clinics under the State agency to share nutrition educational materials with institutions participating in the child and adult care food program established under section 1766 of this title at no cost to that program, if a written materials sharing agreement exists between the relevant agencies.

(4) The State agency—

(A) shall provide each local agency with materials showing the maximum income limits, according to family size, applicable to pregnant women, infants, and children up to age 5
under the medical assistance program established under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] (in this section referred to as the "medicaid program");

(B) shall provide to individuals applying for the program under this section, or reapplying at the end of their certification period, written information about the medicaid program and referral to such program or to agencies authorized to determine presumptive eligibility for such program. If such individuals are not participating in such program and appear to have family income below the applicable maximum income limits for such program; and

(C) may provide a local agency with materials describing other programs for which a participant in the program may be eligible.

(5) Each local agency shall maintain and make available for distribution a list of local resources for substance abuse counseling and treatment.

(f) Plan of operation and administration by State agency

(1)(A) Each State agency shall submit to the Secretary, by a date specified by the Secretary, an initial plan of operation and administration for a fiscal year. After submitting the initial plan, a State shall be required to submit to the Secretary for approval only a substantive change in the plan.

(B) To be eligible to receive funds under this section for a fiscal year, a State agency must receive the approval of the Secretary for the plan submitted for the fiscal year.

(C) The plan shall include—

(i) a description of the food delivery system of the State agency and the method of enabling participants to receive supplemental foods under the program at any of the authorized retail stores under the program, to be administered in accordance with standards developed by the Secretary, including a description of the State agency's vendor peer group system, competitive price criteria, and allowable reimbursement levels that demonstrate that the State is in compliance with the cost-containment provisions in subsection (h)(11);

(ii) procedures for accepting and processing vendor applications outside of the established timeframes if the State agency determines there will be inadequate access to the program, including in a case in which a previously authorized vendor sells a store under circumstances that do not permit timely notification to the State agency of the change in ownership;

(iii) a description of the financial management system of the State agency;

(iv) a plan to coordinate operations under the program with other services or programs that may benefit participants in, and applicants for, the program;

(v) a plan to provide program benefits under this section to, and to meet the special nutrition education needs of, eligible migrants, homeless individuals, and Indians;

(vi) a plan to expend funds to carry out the program during the relevant fiscal year;

(vii) a plan to provide program benefits under this section to unserved and underserved areas in the State (including a plan to improve access to the program for participants and prospective applicants who are employed, or who reside in rural areas), if sufficient funds are available to carry out this clause;

(viii) a plan for reaching and enrolling eligible women in the early months of pregnancy, including provisions to reach and enroll eligible migrants;

(ix) a plan to provide program benefits under this section to unserved infants and children under the care of foster parents, protective services, or child welfare authorities, including infants exposed to drugs perinatally;

(x) a plan to provide nutrition education and promote breastfeeding; and

(xi) such other information as the Secretary may reasonably require.

(D) The Secretary may not approve any plan that permits a person to participate simultaneously in both the program authorized under this section and the commodity supplemental food program authorized under sections 4 and 5 of the Agriculture and Consumer Protection Act of 1973 (7 U.S.C. 612c note).

(2) A State agency shall establish a procedure under which members of the general public are provided an opportunity to comment on the development of the State agency plan.

(3) The Secretary shall establish procedures under which eligible migrants may, to the maximum extent feasible, continue to participate in the program under this section when they are present in States other than the State in which they were originally certified for participation in the program and shall ensure that local programs provide priority consideration to serving migrant participants who are residing in the States for a limited period of time. Each State agency shall be responsible for administering the program for migrant populations within its jurisdiction.

(4) State agencies shall submit monthly financial reports and participation data to the Secretary, completed in accordance with standards developed by the Secretary.

(5) State and local agencies operating under the program shall keep such accounts and records, including medical records, as may be necessary to enable the Secretary to determine whether there has been compliance with this section and to determine and evaluate the benefits of the nutritional assistance provided under this section. Such accounts and records shall be available at any reasonable time for inspection and audit by representatives of the Secretary and shall be preserved for such period of time, not in excess of five years, as the Secretary determines necessary.

(6)(A) Local agencies participating in the program under this section shall notify persons of their eligibility or ineligibility for the program within twenty days of the date that the household, during office hours of a local agency, personally makes an oral or written request to participate in the program. The Secretary shall establish a shorter notification period for categories of persons who, due to special nutritional risk conditions, must receive benefits more expeditiously.

(B) State agencies may provide for the delivery of vouchers to any participant who is not
§ 1786  TITLE 42—THE PUBLIC HEALTH AND WELFARE  Page 4716

scheduled for nutrition education and breastfeeding counseling or a recertification interview through means, such as mailing, that do not require the participant to travel to the local agency to obtain vouchers. The State agency shall describe any plans for issuance of vouchers by mail in its plan submitted under paragraph (1). The Secretary may disapprove a State plan with respect to the issuance of vouchers by mail in any specified jurisdiction or part of a jurisdiction within a State only if the Secretary finds that such issuance would pose a significant threat to the integrity of the program under this section in such jurisdiction or part of a jurisdiction.

(7)(A) The State agency shall, in cooperation with participating local agencies, publicly announce and distribute information on the availability of program benefits (including the eligibility criteria for participation and the location of local agencies operating the program) to offices and organizations that deal with significant numbers of potentially eligible individuals (including health and medical organizations, hospitals and clinics, welfare and unemployment offices, social service agencies, farmworker organizations, Indian tribal organizations, organizations and agencies serving homeless individuals and shelters for victims of domestic violence, and religious and community organizations in low income areas).

(B) The information shall be publicly announced by the State agency and by local agencies at least annually.

(C) The State agency and local agencies shall distribute the information in a manner designed to provide the information to potentially eligible individuals who are most in need of the benefits, including pregnant women in the early months of pregnancy.

(D) Each local agency operating the program within a hospital and each local agency operating the program that has a cooperative arrangement with a hospital shall—

(i) advise potentially eligible individuals that receive inpatient or outpatient prenatal, maternity, or postpartum services, or accompany a child under the age of 5 who receives well-child services, of the availability of program benefits; and

(ii) to the extent feasible, provide an opportunity for individuals who may be eligible to be certified within the hospital for participation in such program.

(8)(A) The State agency shall grant a fair hearing, and a prompt determination thereafter, in accordance with regulations issued by the Secretary, to any applicant, participant, or local agency aggrieved by the action of a State or local agency as it affects participation.

(B) Any State agency that must suspend or terminate benefits to any participant during the participant's certification period due to a shortage of funds for the program shall first issue a notice to such participant.

(9) If an individual certified as eligible for participation in the program under this section in one area moves to another area in which the program is operating, that individual's certification of eligibility shall remain valid for the period for which the individual was originally certified.

(10) The Secretary shall establish standards for the proper, efficient, and effective administration of the program. If the Secretary determines that a State agency has failed without good cause to administer the program in a manner consistent with this section or to implement the approved plan of operation and administration under this subsection, the Secretary may withhold such amounts of the State agency's funds for nutrition services and administration as the Secretary deems appropriate. Upon correction of such failure during a fiscal year by a State agency, any funds so withheld for such fiscal year shall be provided the State agency.

(11) SUPPLEMENTAL FOODS.—

(A) IN GENERAL.—The Secretary shall prescribe by regulation the supplemental foods to be made available in the program under this section.

(B) APPROPRIATE CONTENT.—To the degree possible, the Secretary shall assure that the fat, sugar, and salt content of the prescribed foods is appropriate.

(C) REVIEW OF AVAILABLE SUPPLEMENTAL FOODS.—As frequently as determined by the Secretary to be necessary to reflect the most recent scientific knowledge, but not less than every 10 years, the Secretary shall—

(i) conduct a scientific review of the supplemental foods available under the program; and

(ii) amend the supplemental foods available, as necessary, to reflect nutrition science, public health concerns, and cultural eating patterns.

(12) A competent professional authority shall be responsible for prescribing the appropriate supplemental foods, taking into account medical and nutritional conditions and cultural eating patterns, and, in the case of homeless individuals, the special needs and problems of such individuals.

(13) The State agency may (A) provide nutrition education, breastfeeding promotion, and drug abuse education materials and instruction in languages other than English and (B) use appropriate foreign language materials in the administration of the program, in areas in which a substantial number of low-income households speak a language other than English.

(14) If a State agency determines that a member of a family has received an overissuance of food benefits under the program authorized by this section as the result of such member intentionally making a false or misleading statement or intentionally misrepresenting, concealing, or withholding facts, the State agency shall recover, in cash, from such member an amount that the State agency determines is equal to the value of the overissued food benefits, unless the State agency determines that the recovery of the benefits would not be cost effective.

(15) To be eligible to participate in the program authorized by this section, a manufacturer of infant formula that supplies formula for the program shall—

(A) register with the Secretary of Health and Human Services under the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 301 et seq.]; and

(B) before bidding for a State contract to supply infant formula for the program, certify
with the State health department that the formula complies with such Act and regulations issued pursuant to such Act.

(16) The State agency may adopt methods of delivering benefits to accommodate the special needs and problems of homeless individuals.

(17) Notwithstanding subsection (d)(2)(A)(1), not later than July 1 of each year, a State agency may implement income eligibility guidelines under this section concurrently with the implementation of income eligibility guidelines under the medicaid program established under title XIX of the Social Security Act (42 U.S.C. 1396 et seq.).

(18) Each local agency participating in the program under this section may provide information about other potential sources of food assistance in the local area to individuals who apply in person to participate in the program under this section, but who cannot be served because the program is operating at capacity in the local area.

(19) The State agency shall adopt policies that—
(A) require each local agency to attempt to contact each pregnant woman who misses an appointment to apply for participation in the program under this section, in order to reschedule the appointment, unless the phone number and the address of the woman are unavailable to such local agency; and
(B) in the case of local agencies that do not routinely schedule appointments for individuals seeking to apply or be recertified for participation in the program under this section, require each such local agency to schedule appointments for each employed individual seeking to apply or be recertified for participation in such program so as to minimize the time each such individual is absent from the workplace due to such application or request for recertification.

(20) Each State agency shall conduct monitoring reviews of each local agency at least biennially.

(21) USE OF CLAIMS FROM LOCAL AGENCIES, VENDORS, AND PARTICIPANTS.—A State agency may use funds recovered from local agencies, vendors, and participants, as a result of a claim arising under the program, to carry out the program during—
(A) the fiscal year in which the claim arises;
(B) the fiscal year in which the funds are collected; and
(C) the fiscal year following the fiscal year in which the funds are collected.

(22) The Secretary and the Secretary of Health and Human Services shall—
(A) certify to the Secretary that the funds are collected and available; and
(B) certify to the Secretary the amount, if any, of funds collected and available at any time.

(23) INDIVIDUALS PARTICIPATING AT MORE THAN ONE SITE.—Each State agency shall implement a system designed by the State agency to identify individuals who are participating at more than one site under the program.

(24) HIGH RISK VENDORS.—Each State agency shall—
(A) identify vendors that have a high probability of program abuse; and
(B) conduct compliance investigations of the vendors.

(25) INFANT FORMULA BENEFITS.—A State agency may round up to the next whole can of infant formula to allow all participants under the program to receive the full-authorized nutritional benefit specified by regulation.

(26) NOTIFICATION OF VIOLATIONS.—If a State agency finds that a vendor has committed a violation that requires a pattern of occurrences in order to impose a penalty or sanction, the State agency shall notify the vendor of the initial violation in writing prior to documentation of another violation, unless the State agency determines that notifying the vendor would compromise an investigation.

(g) Authorization of appropriations

(1) IN GENERAL.—
(A) AUTHORIZATION.—There are authorized to be appropriated to carry out this section such sums as are necessary for each of fiscal years 2010 through 2015.
(B) ADVANCE APPROPRIATIONS; AVAILABILITY.—As authorized by section 1752 of this title, appropriations to carry out the provisions of this section may be made not more than 1 year in advance of the beginning of the fiscal year in which the funds will become available for disbursement to the States, and shall remain available for the purposes for which appropriated until expended.

(2) (A) Notwithstanding any other provision of law, unless enacted in express limitation of this subparagraph, the Secretary—
(I) an initial allocation of funds provided by the enactment of such legislation not later than the expiration of the 15-day period beginning on the date of the enactment of such legislation; and
(II) subsequent allocations of funds provided by the enactment of such legislation not later than the beginning of each of the second, third, and fourth quarters of the fiscal year; and
(ii) in the case of legislation providing funds for a period that ends prior to the end of a fiscal year, shall issue—
(I) an initial allocation of funds provided by the enactment of such legislation not later than the expiration of the 15-day period beginning on the date of the enactment of such legislation; and
(II) subsequent allocations of funds provided by the enactment of such legislation not later than the beginning of each of the second, third, and fourth quarters of the fiscal year; and

(B) In any fiscal year—
(i) unused amounts from a prior fiscal year that are identified by the end of the first quar-
of the fiscal year shall be recovered and re-allocated not later than the beginning of the second quarter of the fiscal year; and

(ii) unused amounts from a prior fiscal year that are identified after the end of the first quarter of the fiscal year shall be recovered and reallocated on a timely basis.

(3) Notwithstanding any other provision of law, unless enacted in express limitation of this paragraph—

(A) the allocation of funds required by paragraph (2)(A)(i)(I) shall include not less than \( \frac{1}{4} \) of the amounts appropriated by the legislation described in such paragraph;

(B) the allocations of funds required by paragraph (2)(A)(i)(II) to be made not later than the beginning of the second and third quarters of the fiscal year shall each include not less than \( \frac{1}{4} \) of the amounts appropriated by the legislation described in such paragraph; and

(C) in the case of the enactment of legislation providing appropriations for a period of not more than 4 months, the allocation of funds required by paragraph (2)(A)(ii) shall include all amounts appropriated by such legislation except amounts reserved by the Secretary for purposes of carrying out paragraph (3).

(4) Of the sums appropriated for any fiscal year for programs authorized under this section, not less than nine-tenths of 1 percent shall be available first for services to eligible members of migrant populations. The migrant services shall be provided in a manner consistent with the priority system of a State for program participation.

(5) Of the sums appropriated for any fiscal year for the program under this section, one-half of 1 percent, not to exceed \$15,000,000, shall be available to the Secretary for the purpose of evaluating program performance, evaluating health benefits, preparing reports on program participant characteristics, providing technical assistance to improve State agency administrative systems, administration of pilot projects, including projects designed to meet the special needs of migrants, Indians, and rural populations, and carrying out technical assistance and research evaluation projects of the programs under this section.

(h) Funds for nutrition services and administration

(1)(A) Each fiscal year, the Secretary shall make available, from amounts appropriated for such fiscal year under subsection (g)(1) and amounts remaining from amounts appropriated under such subsection for the preceding fiscal year, an amount sufficient to guarantee a national average per participant grant to be allocated among State agencies for costs of nutrition services and administration incurred by State and local agencies for such year.

(B)(i) The amount of the national average per participant grant for nutrition services and administration for any fiscal year shall be an amount equal to the amount of the national average per participant grant for nutrition services and administration issued for the preceding fiscal year, as adjusted.

(ii) Such adjustment, for any fiscal year, shall be made by revising the national average per participant grant for nutrition services and administration for the preceding fiscal year to reflect the percentage change between—

(I) the value of the index for State and local government purchases, as published by the Bureau of Economic Analysis of the Department of Commerce, for the 12-month period ending June 30 of the second preceding fiscal year; and

(II) the best estimate that is available as of the start of the fiscal year of the value of such index for the 12-month period ending June 30 of the previous fiscal year.

(C) REMAINING AMOUNTS.—

(i) IN GENERAL.—Except as provided in clause (ii), in any fiscal year, amounts remaining from amounts appropriated for such fiscal year under subsection (g)(1) and from amounts appropriated under such section for the preceding fiscal year, after carrying out subparagraph (A), shall be made available for food benefits under this section, except to the extent that such amounts are needed to carry out the purposes of subsections (g)(4) and (g)(5).

(ii) BREAST PUMPS.—A State agency may use amounts made available under clause (i) for the purchase of breast pumps.

(2)(A) The Secretary shall allocate to each State agency from the amount described in paragraph (1)(A) an amount for costs of nutrition services and administration on the basis of a formula prescribed by the Secretary. Such formula—

(i) shall be designed to take into account—

(I) the varying needs of each State;

(II) the number of individuals participating in each State; and

(III) other factors which serve to promote the proper, efficient, and effective administration of the program under this section;

(ii) shall provide for each State agency—

(I) an estimate of the number of participants for the fiscal year involved; and

(II) a per participant grant for nutrition services and administration for such year;

(iii) shall provide for a minimum grant amount for State agencies; and

(iv) may provide funds to help defray reasonable anticipated expenses associated with innovations in cost containment or associated with procedures that tend to enhance competition.

(B)(i) Except as provided in clause (ii) and subparagraph (C), in any fiscal year, the total amount allocated to a State agency for costs of nutrition services and administration under the formula prescribed by the Secretary under subparagraph (A) shall constitute the State agency’s operational level for such costs for such year even if the number of participants in the program at such agency is lower than the estimate provided under subparagraph (A)(i)(I).

(ii) If a State agency’s per participant expenditure for nutrition services and administration is more than 10 percent (except that the Secretary may establish a higher percentage for State
agencies that are small) higher than its per participant grant for nutrition services and administration without good cause, the Secretary may reduce such State agency's operational level for costs of nutrition services and administration.

In any fiscal year, the Secretary may reallocate amounts provided to State agencies under subparagraph (A) for such fiscal year. When reallocating amounts under the preceding sentence, the Secretary may provide additional amounts to, or recover amounts from, any State agency.

(C) Except as provided in subparagraphs (B) and (C), in each fiscal year, each State agency shall expend—

(i) for nutrition education activities and breastfeeding promotion and support activities, an aggregate amount that is not less than the sum of—

(I) 1/6 of the amounts expended by the State for costs of nutrition services and administration; and

(II) except as otherwise provided in subparagraphs (F) and (G), an amount equal to a proportionate share of the national minimum breastfeeding promotion expenditure, as described in subparagraph (E), with each State's share determined on the basis of the number of pregnant women and breastfeeding women in the program in the State as a percentage of the number of pregnant women and breastfeeding women in the program in all States; and

(ii) for breastfeeding promotion and support activities an amount that is not less than the amount determined for such State under clause (i)(II).

(B) The Secretary may authorize a State agency to expend an amount less than the amount described in subparagraph (A)(ii) for purposes of breastfeeding promotion and support activities if—

(i) the State agency so requests; and

(ii) the request is accompanied by documentation that other funds will be used to conduct nutrition education activities at a level commensurate with the level at which such activities would be conducted if the amount described in subparagraph (A)(ii) were expended for such activities.

(C) The Secretary may authorize a State agency to expend for purposes of nutrition education an amount that is less than the difference between the aggregate amount described in subparagraph (A) and the amount expended by the State for breastfeeding promotion and support programs if—

(i) the State agency so requests; and

(ii) the request is accompanied by documentation that other funds will be used to conduct such activities.

(D) The Secretary shall limit to a minimal level any documentation required under this paragraph.

(E) For each fiscal year, the national minimum breastfeeding promotion expenditure means an amount that is—

(i) equal to $21 multiplied by the number of pregnant women and breastfeeding women participating in the program nationwide, based on the average number of pregnant women and breastfeeding women so participating during the last 3 months for which the Secretary has final data; and

(ii) adjusted for inflation on October 1, 1996, and each October 1 thereafter, in accordance with paragraph (1)(B)(i).

(4) REQUIREMENTS.—

(A) IN GENERAL.—The Secretary shall—

(i) in consultation with the Secretary of Health and Human Services, develop a definition of breastfeeding for the purposes of the program under this section;

(ii) authorize the purchase of breastfeeding aids by State and local agencies as an allowable expense under nutrition services and administration;

(iii) require each State agency to designate an agency staff member to coordinate breastfeeding promotion efforts identified in the State plan of operation and administration;

(iv) require the State agency to provide training on the promotion and management of breastfeeding to staff members of local agencies who are responsible for counseling participants in the program under this section concerning breastfeeding;

(v) not later than 1 year after November 2, 1994, develop uniform requirements for the collection of data regarding the incidence and duration of breastfeeding among participants in the program;

(vi) partner with communities, State and local agencies, employers, health care professionals, and other entities in the private sector to build a supportive breastfeeding environment for women participating in the program under this section to support the breastfeeding goals of the Healthy People initiative; and

(vii) annually compile and publish breastfeeding performance measurements based on program participant data on the number of partially and fully breast-fed infants, including breastfeeding performance measurements for—

(I) each State agency; and

(II) each local agency;

(viii) in accordance with subparagraph (B), implement a program to recognize exemplary breastfeeding support practices at local agencies or clinics participating in the special supplemental nutrition program established under this section; and

(ix) in accordance with subparagraph (C), implement a program to provide performance bonuses to State agencies.

(B) EXEMPLARY BREASTFEEDING SUPPORT PRACTICES.—

(i) IN GENERAL.—In evaluating exemplary practices under subparagraph (A)(viii), the Secretary shall consider—

(I) performance measurements of breastfeeding;

(II) the effectiveness of a peer counselor program;

(III) the extent to which the agency or clinic has partnered with other entities to
build a supportive breastfeeding environment for women participating in the program; and

(IV) such other criteria as the Secretary considers appropriate after consultation with State and local agencies.

(ii) AUTHORIZATION OF APPROPRIATIONS.—As necessary.

There is authorized to be appropriated amounts allocated for food benefits for such fiscal year to the costs of nutrition services and administration deemed necessary, or (I) the highest proportion of breast-fed infants; or (II) the greatest improvement in proportion of breast-fed infants.

(iii) CONSIDERATION.—In providing performance bonuses to State agencies under this subparagraph, the Secretary shall consider the proportion of fully breast-fed infants in the States.

(iv) IMPLEMENTATION.—The Secretary shall provide the first performance bonuses not later than 1 year after December 13, 2010, and may subsequently revise the criteria for awarding performance bonuses; and

(A) Subject to subparagraph (B), in any fiscal year that a State agency submits a plan to carry out the activities described in clause (vii) of subparagraph (A) such sums as are necessary.

(C) PERFORMANCE BONUSES.—

(i) IN GENERAL.—Following the publication of breastfeeding performance measurements under subparagraph (A)(vii), the Secretary shall provide performance bonus payments to not more than 15 State agencies that demonstrate, as compared to other State agencies participating in the program—

(I) the highest proportion of breast-fed infants; or

(II) the greatest improvement in proportion of breast-fed infants.

(ii) CONSIDERATION.—In providing performance bonus payments to State agencies under this subparagraph, the Secretary shall consider the proportion of fully breast-fed infants in the States.

(iii) USE OF FUNDS.—A State agency that receives a performance bonus under clause (i)—

(I) shall treat the funds as program income; and

(II) may transfer the funds to local agencies for use in carrying out the program.

(iv) IMPLEMENTATION.—The Secretary shall provide performance bonuses to each local agency for its costs of nutrition services and administration.

(5)(A) Number of infants in the States.

(i)…

(II) number of infants served; and

(D) availability of administrative support from other sources.

(6) In each fiscal year, each State agency shall provide, from the amounts allocated to such agency for such year for costs of nutrition services and administration, an amount to each local agency for its costs of nutrition services and administration. The amount to be provided to each local agency under the preceding sentence shall be determined under allocation standards developed by the State agency in cooperation with the several local agencies, taking into account factors deemed appropriate to further proper, efficient, and effective administration of the program, such as—

(A) local agency staffing needs; (B) density of population; (C) number of individuals served; and

(D) availability of administrative support from other sources.

(7) The State agency may give in advance to any local agency any amounts for nutrition services and administration deemed necessary for successful commencement or significant expansion of program operations during a reasonable period following approval of—

(A) a new local agency; (B) a new cost containment measure; or

(C) a significant change in an existing cost containment measure.

(8)(A)(i) Except as provided in subparagraphs (B) and (C)(iii), any State that provides for the purchase of foods under the program at retail grocery stores shall, with respect to the procurement of infant formula, use—

(I) a competitive bidding system; or

(II) any other cost containment measure that yields savings equal to or greater than savings generated by a competitive bidding system when such savings are determined by comparing the amounts of savings that would be provided over the full term of contracts offered in response to a single invitation to submit both competitive bids and bids for other cost containment systems for the sale of infant formula.

(ii) In determining whether a cost containment measure other than competitive bidding yields equal or greater savings, the State, in accordance with regulations issued by the Secretary, may take into account other cost factors (in addition to rebate levels and procedures for adjusting rebate levels when wholesale price levels change), such as—

(I) the number of infants who would not be expected to receive the primary contract infant formula under a competitive bidding system;
(II) the number of cans of infant formula for which no rebate would be provided under another rebate system; and

(III) differences in administrative costs relating to the implementation of the various cost containment systems (such as costs of converting a computer system for the purpose of operating a cost containment system and costs of preparing participants for conversion to a new or alternate cost containment system).

(iii) Competitive Bidding System.—A State agency using a competitive bidding system for infant formula shall award contracts to bidders offering the lowest net price for a specific infant formula for which manufacturers submit a bid unless the State agency demonstrates to the satisfaction of the Secretary that the weighted average retail price for different brands of infant formula in the State does not vary by more than 5 percent.

(iv) Size of State Alliances.—

(I) In general.—Except as provided in subclauses (II) through (IV), no State alliance may exist among States if the total number of infants served by States participating in the alliance as of October 1, 2003, or such subsequent date determined by the Secretary for which data is available, would exceed 100,000.

(II) Addition of Infant Participants.—In the case of a State alliance that exists on June 30, 2004, the alliance may continue and may expand to serve more than 100,000 infants but, except as provided in subclause (III), may not expand to include any additional State agency.

(III) Addition of Small State Agencies and Indian State Agencies.—Except as provided in paragraph (9)(B)(ii), any State alliance may expand to include any State agency that served less than 5,000 infant participants as of October 1, 2003, or such subsequent date determined by the Secretary for which data is available, or any Indian State agency, if the State agency or Indian State agency requests to join the State alliance.

(IV) Secretarial Waiver.—The Secretary may waive the requirements of this clause not earlier than 30 days after submitting to the Committee on Education and the Workforce of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate a written report that describes the cost-containment and competitive benefits of the proposed waiver.

(v) First Choice of Issuance.—The State agency shall use the primary contract infant formula as the first choice of issuance (by formula type), with all other infant formulas issued as an alternative to the primary contract infant formula.

(vi) Rebate Invoices.—Effective beginning October 1, 2004, each State agency shall have a system to ensure that infant formula rebate invoices, under competitive bidding, provide a reasonable estimate or an actual count of the number of units sold to participants in the program under this section.

(vii) Separate Solicitations.—In soliciting bids for infant formula under a competitive bidding system, any State agency, or State alliance, that served under the program a monthly average of more than 100,000 infants during the preceding 12-month period shall solicit bids from infant formula manufacturers under procedures that require that bids for rebates or discounts are solicited for milk-based and soy-based infant formula separately.

(viii) Cent-For-Cent Adjustments.—A bid solicitation for infant formula under the program shall require the manufacturer to adjust for price changes subsequent to the opening of the bidding process in a manner that requires—

(I) a cent-for-cent increase in the rebate amounts if there is an increase in the lowest national wholesale price for a full truckload of the particular infant formula; and

(II) a cent-for-cent decrease in the rebate amounts if there is a decrease in the lowest national wholesale price for a full truckload of the particular infant formula.

(ix) List of Infant Formula Wholesalers, Distributors, Retailers, and Manufacturers.—The State agency shall maintain a list of—

(I) infant formula wholesalers, distributors, and retailers licensed in the State in accordance with State law (including regulations); and

(II) infant formula manufacturers registered with the Food and Drug Administration that provide infant formula.

(x) Purchase Requirement.—A vendor authorized to participate in the program under this section shall only purchase infant formula from the list described in clause (ix).

(B)(i) The Secretary shall waive the requirement of subparagraph (A) in the case of any State that demonstrates to the Secretary that—

(I) compliance with subparagraph (A) would be inconsistent with efficient or effective operation of the program operated by such State under this section; or

(II) the amount by which the savings yielded by an alternative cost containment system would be less than the savings yielded by a competitive bidding system is sufficiently minimal that the difference is not significant.

(ii) The Secretary shall prescribe criteria under which a waiver may be granted pursuant to clause (i).

(iii) The Secretary shall provide information on a timely basis to the Committee on Education and Labor of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate on waivers that have been granted under clause (i).

(C)(i) The Secretary shall provide technical assistance to small Indian State agencies carrying out this paragraph in order to assist such agencies to achieve the maximum cost containment savings feasible.

(ii) The Secretary shall also provide technical assistance, on request, to State agencies that desire to consider a cost containment system that covers more than 1 State agency.

(iii) The Secretary may waive the requirement of subparagraph (A) in the case of any Indian State agency that has not more than 1,000 participants.
(D) No State may enter into a cost containment contract (in this subparagraph referred to as the “original contract”) that prescribes conditions that would void, reduce the savings under, or otherwise limit the original contract if the State solicited or secured bids for, or entered into, a subsequent cost containment contract to take effect after the expiration of the original contract.

(E) The Secretary shall offer to solicit bids on behalf of State agencies regarding cost-containment contracts to be entered into by infant formula manufacturers and State agencies. The Secretary shall make the offer to State agencies once every 12 months. Each such bid solicitation shall only take place if two or more State agencies request the Secretary to perform the solicitation. For such State agencies, the Secretary shall solicit bids and select the winning bidder for a cost containment contract to be entered into by State agencies and infant formula manufacturers or suppliers.

(F) In soliciting bids for contracts for infant formula under procedures in which bids for rebates or discounts are solicited for milk-based and soy-based infant formula, separately, except where the Secretary determines that such solicitation procedures are not in the best interest of the program.

(G) To reduce the costs of any supplemental foods, the Secretary may make available additional funds to State agencies out of the funds otherwise available under paragraph (1)(A) for nutrition services and administration in an amount not exceeding one half of 1 percent of the amounts to help defray reasonable anticipated expenses associated with innovations in cost containment or associated with procedures that tend to enhance competition.

(H)(i) Any person, company, corporation, or other legal entity that submits a bid to supply infant formula to carry out the program authorized by this section and announces or otherwise discloses the amount of the bid, or the rebate or discount practices of such entities, in advance of the time the bids are opened by the Secretary or the State agency, or any person, company, corporation, or other legal entity that makes a statement (prior to the opening of bids) relating to levels of rebates or discounts, for the purpose of influencing a bid submitted by any other person, shall be ineligible to submit bids to supply infant formula to the program for the bidding in progress for up to 2 years from the date the bids are opened and shall be subject to a civil penalty of up to $100,000,000, as determined by the Secretary to provide restitution to the program for harm done to the program. The Secretary shall issue regulations providing such person, company, corporation, or other legal entity appropriate notice, and an opportunity to be heard and to respond to charges.

(ii) The Secretary shall determine the length of the disqualification, and the amount of the civil penalty referred to in clause (i) based on such factors as the Secretary by regulation determines appropriate.

(iii) Any person, company, corporation, or other legal entity disqualified under clause (i) shall remain obligated to perform any requirements under any contract to supply infant formula existing at the time of the disqualification and until each such contract expires by its terms.

(J) Not later than the expiration of the 180-day period beginning on October 24, 1992, the Secretary shall prescribe regulations to carry out this paragraph.

(K) Reporting.—Effective beginning October 1, 2011, each State agency shall report rebate payments received from manufacturers in the month in which the payments are received, rather than in the month in which the payments were earned.

(9) Cost Containment Measure.—

(A) Definition of Cost Containment Measure.—In this subsection, the term “cost containment measure” means a competitive bidding, rebate, direct distribution, or home delivery system implemented by a State agency as described in the approved State plan of operation and administration of the State agency.

(B) Solicitation and Rebate Billing Requirements.—Any State agency instituting a cost containment measure for any authorized food, including infant formula, shall—

(i) in the bid solicitation—

(1) identify the composition of State alliances for the purposes of a cost containment measure; and

(2) verify that no additional States shall be added to the State alliance between the date of the bid solicitation and the end of the contract;

(ii) have a system to ensure that rebate invoices under competitive bidding provide a reasonable estimate or an actual count of the number of units sold to participants in the program under this section;

(iii) open and read aloud all bids at a public proceeding on the day on which the bids are due; and

(iv) unless otherwise exempted by the Secretary, provide a minimum of 30 days between the publication of the solicitation and the date on which the bids are due.

(C) State Alliances for Authorized Foods Other Than Infant Formula.—Program requirements relating to the size of State alliances under paragraph (8)(A)(iv) shall apply to cost containment measures established for any authorized food under this section.

(10) Funds for Infrastructure, Management Information Systems, and Special Nutrition Education.—

(A) In General.—For each of fiscal years 2010 through 2015, the Secretary shall use for the purposes specified in subparagraph (B) $119,000,000 (as adjusted annually for inflation by the same factor used to determine the national average per participant grant for nutrition services and administration for the fiscal year under paragraph (1)(B)).
(B) PURPOSES.—Subject to subparagraph (C), of the amount made available under subparagraph (A) for a fiscal year—
(i) $14,000,000 shall be used for—
(I) infrastructure for the program under this section;
(II) special projects to promote breastfeeding, including projects to assess the effectiveness of particular breastfeeding promotion strategies; and
(III) special State projects of regional or national significance to improve the services of the program;
(ii) $35,000,000 shall be used to establish, improve, or administer management information systems for the program, including changes necessary to meet new legislative or regulatory requirements of the program, of which up to $5,000,000 may be used for Federal administrative costs; and
(iii) $90,000,000 shall be used for special nutrition education (such as breastfeeding peer counselors and other related activities), of which not more than $10,000,000 of any funding provided in excess of $50,000,000 shall be used to make performance bonus payments under paragraph (4)(C).

(C) ADJUSTMENT.—Each of the amounts referred to in clauses (i), (ii), and (iii) of subparagraph (B) shall be adjusted annually for inflation by the same factor used to determine the national average per participant grant for nutrition services and administration for the fiscal year under paragraph (1)(B).

(D) PROPORTIONAL DISTRIBUTION.—The Secretary shall distribute funds made available under subparagraph (A) in accordance with the proportional distribution described in subparagraphs (B) and (C).

(11) VENDOR COST CONTAINMENT.—
(A) PEER GROUPS.—
(i) IN GENERAL.—The State agency shall—
(I) establish a vendor peer group system;
(II) in accordance with subparagraphs (B) and (C), establish competitive price criteria and allowable reimbursement levels for each vendor peer group; and
(III) if the State agency elects to authorize any types of vendors described in subparagraph (D)(ii)(I) rather than at vendors other than vendors described in subparagraph (D)(ii)(I), exempt from the requirements of clause (i)—
(aa) compliance with clause (i) would be inconsistent with efficient and effective operation of the program administered by the State under this section; or
(bb) an alternative cost-containment system would be as effective as a vendor peer group system;

(ii) EXEMPTIONS.—The Secretary may exempt from the requirements of clause (i)—
(I) a State agency that elects not to authorize any types of vendors described in subparagraph (D)(ii)(I) and that demonstrates to the Secretary that—
(aa) the shelf prices charged by vendor applicants for the program are competitive with the prices charged by other vendors; or
(bb) the prices that the vendor bid for supplemental foods that were obtained with food instruments in the State in the year preceding a year in which the exemption is effective; and
(II) a State agency—
(aa) in which the sale of supplemental foods that are obtained with food instruments from vendors described in subparagraph (D)(ii)(I) constituted less than 5 percent of total sales of supplemental foods that were obtained with food instruments in the State in the year preceding a year in which the exemption is effective; and
(bb) an alternative cost-containment system would be as effective as the vendor peer group system and would not result in higher food costs if program participants redeem supplemental food vouchers at vendors described in subparagraph (D)(ii)(I) rather than at vendors other than vendors described in subparagraph (D)(ii)(I).

(B) COMPETITIVE PRICING.—
(i) IN GENERAL.—The State agency shall establish competitive price criteria for each peer group for the selection of vendors for participation in the program that—
(I) ensure that the retail prices charged by vendor applicants for the program are competitive with the prices charged by other vendors; and
(II) consider—
(aa) the shelf prices of the vendor for all buyers; or
(bb) the prices that the vendor bid for supplemental foods, which shall not exceed the shelf prices of the vendor for all buyers.

(ii) PARTICIPANT ACCESS.—In establishing competitive price criteria, the State agency shall consider participant access by geographic area.

(iii) SUBSEQUENT PRICE INCREASES.—The State agency shall establish procedures to ensure that a retail store selected for participation in the program does not, subsequent to selection, increase prices to levels
that would make the store ineligible for selection to participate in the program.

(C) ALLOWABLE REIMBURSEMENT LEVELS.—

(i) IN GENERAL.—The State agency shall establish allowable reimbursement levels for supplemental foods for each vendor peer group that ensure:

(1) that payments to vendors in the vendor peer group reflect competitive retail prices; and

(II) that the State agency does not reimburse a vendor for supplemental foods at a level that would make the vendor ineligible for authorization under the criteria established under subparagraph (B).

(ii) PRICE FLUCTUATIONS.—The allowable reimbursement levels may include a factor to reflect fluctuations in wholesale prices.

(iii) PARTICIPANT ACCESS.—In establishing allowable reimbursement levels, the State agency shall consider participant access in a geographic area.

(D) EXEMPTIONS.—The State agency may exempt from competitive price criteria and allowable reimbursement levels established under this paragraph—

(i) pharmacy vendors that supply only exempt infant formula or medical foods that are eligible under the program; and

(ii) vendors—

(1)(aa) for which more than 50 percent of the annual revenue of the vendor from the sale of food items consists of revenue from the sale of supplemental foods that are obtained with food instruments; or

(bb) who are new applicants likely to meet the criteria of Item (aa) under criteria approved by the Secretary; and

(II) that are nonprofit.

(E) COST CONTAINMENT.—If a State agency elects to authorize any types of vendors described in subparagraph (D)(ii)(I), the State agency shall demonstrate to the Secretary, and the Secretary shall certify, that the competitive price criteria and allowable reimbursement levels established under this paragraph for vendors described in subparagraph (D)(ii)(I) do not result in average payments per voucher to vendors described in subparagraph (D)(ii)(I) that are higher than average payments per voucher to comparable vendors other than vendors described in subparagraph (D)(ii)(I).

(F) LIMITATION ON PRIVATE RIGHTS OF ACTION.—Nothing in this paragraph may be construed as creating a private right of action.

(G) IMPLEMENTATION.—A State agency shall comply with this paragraph not later than 18 months after June 30, 2004.

(12) ELECTRONIC BENEFIT TRANSFER.—

(A) DEFINITIONS.—In this paragraph:

(i) ELECTRONIC BENEFIT TRANSFER.—The term “electronic benefit transfer” means a food delivery system that provides benefits using a card or other access device approved by the Secretary that permits electronic access to program benefits.

(ii) PROGRAM.—The term “program” means the special supplemental nutrition program established by this section.

(B) REQUIREMENTS.—

(i) IN GENERAL.—Not later than October 1, 2020, each State agency shall be required to implement electronic benefit transfer systems throughout the State, unless the Secretary grants an exemption under subparagraph (C) for a State agency that is facing unusual barriers to implement an electronic benefit transfer system.

(ii) RESPONSIBILITY.—The State agency shall be responsible for the coordination and management of the electronic benefit transfer system of the agency.

(C) EXEMPTIONS.—

(i) IN GENERAL.—To be eligible for an exemption from the statewide implementation requirements of subparagraph (B)(i), a State agency shall demonstrate to the satisfaction of the Secretary 1 or more of the following:

(I) There are unusual technological barriers to implementation.

(II) Operational costs are not affordable within the nutrition services and administration grant of the State agency.

(III) It is in the best interest of the program to grant the exemption.

(ii) SPECIFIC DATE.—A State agency requesting an exemption under clause (i) shall specify a date by which the State agency anticipates statewide implementation described in subparagraph (B)(i).

(D) REPORTING.—

(i) IN GENERAL.—Each State agency shall submit to the Secretary electronic benefit transfer project status reports to demonstrate the progress of the State toward statewide implementation.

(ii) CONSULTATION.—If a State agency plans to incorporate additional programs in the electronic benefit transfer system of the State, the State agency shall consult with the State agency officials responsible for administering the programs prior to submitting the planning documents to the Secretary for approval.

(iii) REQUIREMENTS.—At a minimum, a status report submitted under clause (i) shall contain—

(I) an annual outline of the electronic benefit transfer implementation goals and objectives of the State;

(II) appropriate updates in accordance with approval requirements for active electronic benefit transfer State agencies; and

(III) such other information as the Secretary may require.

(E) IMPOSITION OF COSTS ON VENDORS.—

(i) COST PROHIBITION.—Except as otherwise provided in this paragraph, the Secretary may not impose, or allow a State agency to impose, the costs of any equipment or system required for electronic benefit transfers on any authorized vendor in order to transform electronic benefit transfers if the vendor equipment or system is used solely to support the program.

(ii) COST-SHARING.—The Secretary shall establish criteria for cost-sharing by State
agencies and vendors of costs associated with any equipment or system that is not solely dedicated to transacting electronic benefit transfers for the program.

(iii) FEES.—

(A) IN GENERAL.—A vendor that elects to accept electronic benefit transfers using multifunction equipment shall pay commercial transaction processing costs and fees imposed by a third-party processor that the vendor elects to use to connect to the electronic benefit transfer system of the State.

(B) INTERCHANGE FEES.—No interchange fees shall apply to electronic benefit transfer transactions under this paragraph.

(iv) STATEWIDE OPERATIONS.—After completion of statewide expansion of a system for transaction of electronic benefit transfers—

(I) a State agency may not be required to incur ongoing maintenance costs for vendors using multifunction systems and equipment to support electronic benefit transfers; and

(II) any retail store in the State that applies for authorization to become a program vendor shall be required to demonstrate the capability to accept program benefits electronically prior to authorization, unless the State agency determines that the vendor is necessary for participant access.

(F) MINIMUM LANE COVERAGE.—

(i) IN GENERAL.—The Secretary shall establish minimum lane coverage guidelines for vendor equipment and systems used to support electronic benefit transfers.

(ii) PROVISION OF EQUIPMENT.—If a vendor does not elect to accept electronic benefit transfers using its own multifunction equipment, the State agency shall provide such equipment as is necessary to solely support the program to meet the established minimum lane coverage guidelines.

(G) TECHNICAL STANDARDS.—The Secretary shall—

(i) establish technical standards and operating rules for electronic benefit transfer systems; and

(ii) require each State agency, contractor, and authorized vendor participating in the program to demonstrate compliance with the technical standards and operating rules.

(13) UNIVERSAL PRODUCT CODES DATABASE.—

(A) IN GENERAL.—Not later than 2 years after December 13, 2010, the Secretary shall establish a national universal product code database to be used by all State agencies in carrying out the requirements of paragraph (12).

(B) FUNDING.—

(i) IN GENERAL.—On October 1, 2010, and on each October 1 thereafter, out of any funds in the Treasury not otherwise appropriated, the Secretary of the Treasury shall transfer to the Secretary to carry out this paragraph $1,000,000, to remain available until expended.

(ii) RECEIPT AND ACCEPTANCE.—The Secretary shall be entitled to receive, shall ac-
(B) Any funds made available to a State agency in accordance with subparagraph (A)(i) for a fiscal year shall not affect the amount of funds allocated to the State agency for such year.

(C) The Secretary may authorize a State agency to expend not more than 3 percent of the amount of funds allocated to a State under this section for supplemental foods for a fiscal year for expenses incurred under this section for supplemental foods during the preceding fiscal year, if the Secretary determines that there has been a significant reduction in infant formula cost containment savings provided to the State agency that would affect the ability of the State agency to at least maintain the level of participation by eligible participants served by the State agency.

(4) For purposes of the formula, if Indians are served by the health department of a State, the formula shall be based on the State population inclusive of the Indians within the State boundaries.

(5) If Indians residing in the State are served by a State agency other than the health department of the State, the population of the tribes within the jurisdiction of the State being so served shall not be included in the formula for such State, and shall instead be included in the formula for the State agency serving the Indians.

(6) Notwithstanding any other provision of this section, the Secretary may use a portion of a State agency's allocation to purchase supplemental foods for donation to the State agency under this section.

(7) In addition to any amounts expended under paragraph (5)(A)(i), any State agency using cost containment measures as defined in subsection (h)(9) may temporarily use amounts made available to such agency for the first quarter of a fiscal year to defray expenses for costs incurred during the final quarter of the preceding fiscal year. In any fiscal year, any State agency that uses amounts made available for a succeeding fiscal year under the authority of the preceding sentence shall restore or reimburse such amounts when such agency receives payment as a result of its cost containment measures for such expenses.

(8) TEMPORARY SPENDING AUTHORITY.—During each of fiscal years 2012 and 2013, the Secretary may authorize a State agency to expend more than the amount otherwise authorized under paragraph (5)(C) for expenses incurred under this section for supplemental foods during the preceding fiscal year, if the Secretary determines that—

(A) there has been a significant reduction in reported infant formula cost containment savings for the preceding fiscal year due to the implementation of subsection (h)(8)(K); and

(B) the reduction would affect the ability of the State agency to serve all eligible participants.

(j) Initiative to provide program services at community and migrant health centers

(1) The Secretary and the Secretary of Health and Human Services (referred to in this subsection as the "Secretaries") shall jointly establish and carry out an initiative for the purpose of providing both supplemental foods, nutrition education, and breastfeeding support and promotion under the special supplemental nutrition program and health care services to low-income pregnant, postpartum, and breastfeeding women, infants, and children at substantially more community health centers and migrant health centers.

(2) The initiative shall also include—

(A) activities to improve the coordination of the provision of supplemental foods, nutrition education, and breastfeeding support and promotion under the special supplemental nutrition program and health care services at facilities funded by the Indian Health Service; and

(B) the development and implementation of strategies to ensure that, to the maximum extent feasible, new community health centers, migrant health centers, and other federally supported health care facilities established in medically underserved areas provide supplemental foods, nutrition education, and breastfeeding support and promotion under the special supplemental nutrition program.

(3) The initiative may include—

(A) outreach and technical assistance for State and local agencies and the facilities described in paragraph (2)(A) and the health centers and facilities described in paragraph (2)(B);

(B) demonstration projects in selected State or local areas; and

(C) such other activities as the Secretaries find are appropriate.

(4) As used in this subsection:

(A) The term "community health center" has the meaning given the term in section 254c(a) of this title.

(B) The term "migrant health center" has the meaning given the term in section 254b(a)(1) of this title.

(k) National Advisory Council on Maternal, Infant, and Fetal Nutrition; establishment; membership; term; officers; meetings; quorum; technical assistance by Secretary

(1) There is hereby established a National Advisory Council on Maternal, Infant, and Fetal Nutrition (referred to in this subsection as the "Council") composed of 24 members appointed by the Secretary. One member shall be a State director of a program under this section; one member shall be a State official responsible for medically underserved areas; one member shall be a State fiscal officer or local areas; and

(C) such other activities as the Secretaries find are appropriate.

a representative of an organization serving migrants; one member shall be an official from a State agency predominantly serving Indians; three members shall be parent participants of a program under this section or of a commodity supplemental food program; one member shall be a pediatrician; one member shall be an obstetrician; one member shall be a representative of a nonprofit public interest organization that has experience with and knowledge of the special supplemental nutrition program; one member shall be a person involved at the retail sales level of food in the special supplemental nutrition program; two members shall be officials of the Department of Health and Human Services; two members shall be officials of the Department of Agriculture appointed by the Secretary; 1 member shall be an expert in the promotion of breast feeding; one member shall be an expert in drug abuse education and prevention; and one member shall be an expert in alcohol abuse education and prevention.

(2) Members of the Council appointed from outside the Department of Agriculture and the Department of Health and Human Services shall be appointed for terms not exceeding three years. State and local officials shall serve only during their official tenure, and the tenure of parent participants shall not exceed two years. Persons appointed to complete an unexpired term shall serve only for the remainder of such term.

(3) The Council shall elect a Chairman and a Vice Chairman. The Council shall meet at the call of the Chairman, but shall meet at least once a year. Eleven members shall constitute a quorum.

(4) The Secretary shall provide the Council with such technical and other assistance, including secretarial and clerical assistance, as may be required to carry out its functions.

(5) Members of the Council shall serve without compensation but shall be reimbursed for necessary travel and subsistence expenses incurred by them in the performance of the duties of the Council. Parent participant members of the Council, in addition to reimbursement for necessary travel and subsistence, shall, at the discretion of the Secretary, be compensated in advance for other personal expenses related to participation on the Council, such as child care expenses and lost wages during scheduled Council meetings.

(l) Donation of foods by Secretary

Foods available under section 1431 of title 7, including, but not limited to, dry milk, or purchased under section 612c of title 7, may be donated by the Secretary, at the request of a State agency, for distribution to programs conducted under this section. The Secretary may purchase and distribute, at the request of a State agency, supplemental foods for donation to programs conducted under this section, with appropriated funds, including funds appropriated under this section.

(m) Women, infants, and children's market nutrition program; establishment, grants, etc.

(1) Subject to the availability of funds appropriated for the purposes of this subsection, and as specified in this subsection, the Secretary shall award grants to States that submit State plans that are approved for the establishment or maintenance of programs designed to provide recipients of assistance under subsection (c), or those who are on the waiting list to receive the assistance, with coupons that may be exchanged for fresh, nutritious, unprepared foods at farmers' markets and (at the option of a State) roadside stands, as defined in the State plans submitted under this subsection.

(2) A grant provided to any State under this subsection shall be provided to the chief executive officer of the State, who shall—

(A) designate the appropriate State agency or agencies to administer the program in conjunction with the appropriate nonprofit organizations; and

(B) ensure coordination of the program among the appropriate agencies and organizations.

(3) The Secretary shall make grants to any State under this subsection unless the State agrees to provide State, local, or private funds for the program in an amount that is equal to not less than 30 percent of the administrative cost of the program, which may be satisfied from program income or State contributions that are made for similar programs. The Secretary may negotiate with an Indian State agency a lower percentage of matching funds than is required under the preceding sentence, but not lower than 10 percent of the administrative cost of the program, if the Indian State agency demonstrates to the Secretary financial hardship for the affected Indian tribe, band, group, or council.

(4) Subject to paragraph (6), the Secretary shall establish a formula for determining the amount of the grant to be awarded under this subsection to each State for which a State plan is approved under paragraph (6), according to the number of recipients proposed to participate as specified in the State plan. In determining the amount to be awarded to new States, the Secretary shall rank order the State plans according to the criteria of operation set forth in this subsection, and award grants accordingly. The Secretary shall take into consideration the minimum amount needed to fund each approved State plan, and need not award grants to each State that submits a State plan.

(5) Each State that receives a grant under this subsection shall ensure that the program for which the grant is received complies with the following requirements:

(A) Individuals who are eligible to receive Federal benefits under the program shall only be individuals who are receiving assistance under subsection (c), or who are on the waiting list to receive the assistance.

(B) Construction or operation of a farmers' market may not be carried out using funds—

(i) provided under the grant; or

(ii) required to be provided by the State under paragraph (3).

(C) The value of the Federal share of the benefits received by any recipient under the program may not be—

(i) less than $10 per year; or
(D) The coupon issuance process under the program shall be designed to ensure that coupons are targeted to areas with—

(i) the highest concentration of eligible individuals;

(ii) the greatest access to farmers' markets; and

(iii) certain characteristics, in addition to those described in clauses (i) and (ii), that are determined to be relevant by the Secretary and that maximize the availability of benefits to eligible individuals.

(E) The coupon redemption process under the program shall be designed to ensure that the coupons may be—

(i) redeemed only by producers authorized by the State to participate in the program; and

(ii) redeemed only to purchase fresh nutritious unprepared food for human consumption.

(F)(i) Except as provided in clauses (ii) and (iii), the State may use for administration of the program in any fiscal year not more than 17 percent of the total amount of program funds.

(ii) During any fiscal year for which a State receives assistance under this subsection, the Secretary shall permit the State to use not more than 2 percent of total program funds for market development or technical assistance to farmers' markets if the Secretary determines that the State intends to promote the development of farmers' markets in socially or economically disadvantaged areas, or remote rural areas, where individuals eligible for participation in the program have limited access to locally grown fruits and vegetables.

(iii) The provisions of clauses (i) and (ii) with respect to the use of program funds shall not apply to any funds that a State may contribute in excess of the funds used by the State to meet the requirements of paragraph (3).

(G) The State shall ensure that no State or local taxes are collected within the State on purchases of food with coupons distributed under the program.

(6)(A) The Secretary shall give the same preference for funding under this subsection to eligible States that participated in the program under this subsection in a prior fiscal year as to States that participated in the program in the most recent fiscal year. The Secretary shall inform each State of the award of funds as prescribed by subparagraph (G) by February 15 of each year.

(B)(i) Subject to the availability of appropriations, if a State provides the amount of matching funds required under paragraph (3), the State shall receive assistance under this subsection in an amount that is not less than the amount of such assistance that the State received in the most recent fiscal year in which it received such assistance.

(ii) If amounts appropriated for any fiscal year pursuant to the authorization contained in paragraph (10) for grants under this subsection are not sufficient to pay to each State for which a State plan is approved under paragraph (6) the amount that the Secretary determines each such State is entitled to under this subsection, each State's grant shall be ratably reduced, except that (if sufficient funds are available) each State shall receive at least $75,000 or the amount that the State received for the prior fiscal year if that amount is less than $75,000.

(C) In providing assistance under this subsection in the previous fiscal year, the Secretary shall consider—

(i) the availability of any such assistance not spent by the State during the program year for which the assistance was received;

(ii) documentation that demonstrates that—

(I) there is a need for an increase in funds; and

(II) the use of the increased funding will be consistent with serving nutritionally at-risk persons and expanding the awareness and use of farmers' markets;

(iii) demonstrated ability to satisfactorily operate the existing program; and

(iv) whether, in the case of a State that intends to use any funding provided under subparagraph (G)(i)2 to increase the value of the Federal share of the benefits received by a recipient, the funding provided under subparagraph (G)(i)2 will increase the rate of coupon redemption.

(D)(i) A State that desires to receive a grant under this subsection shall submit, for each fiscal year, a State plan to the Secretary by November 15 of each year.

(ii) Each State plan submitted under this paragraph shall contain—

(I) the estimated cost of the program and the estimated number of individuals to be served by the program;

(II) a description of the State plan for complying with the requirements established in paragraph (5); and

(III) criteria developed by the State with respect to authorization of producers to participate in the program.

(iii) The criteria developed by the State as required by clause (ii)(III) shall require any authorized producer to sell fresh nutritious unprepared foods (such as fruits and vegetables) to recipients, in exchange for coupons distributed under the program.

(E) The Secretary shall establish objective criteria for the approval and ranking of State plans submitted under this paragraph.

(F)(i) An amount equal to 75 percent of the funds available after satisfying the requirements of subparagraph (B) shall be made available to States participating in the program whose State plan is approved by the Secretary. If this amount is greater than that necessary to satisfy the approved State plans, the unallocated amount shall be applied toward satisfying any unmet need of States that have not participated in the program in the prior fiscal year, and whose State plans have been approved.

(ii) An amount equal to 25 percent of the funds available after satisfying the requirements of subparagraph (B) shall be made available to States that have not participated in the pro-
gram in the prior fiscal year, and whose State plans have been approved by the Secretary. If this amount is greater than that necessary to satisfy the approved State plans for new States, the unallocated amount shall be applied toward satisfying any unmet need of States whose State plans have been approved.

(iii) In any fiscal year, any funds that remain unallocated after satisfying the requirements of clauses (i) and (ii) shall be reallocated in the following fiscal year according to procedures established pursuant to paragraph (10)(B)(ii).

(7)(A) The value of the benefit received by any recipient under any program for which a grant is received under this subsection may not affect the eligibility or benefit levels for assistance under other Federal or State programs.

(B) Any programs for which a grant is received under this subsection shall be supplementary to the supplemental nutrition assistance program established pursuant to paragraph (10)(B)(ii).

(8) For each fiscal year, the Secretary shall collect from each State that receives a grant under this subsection information relating to—

(A) the number and type of recipients served by both Federal and non-Federal benefits under the program for which the grant is received;

(B) the rate of redemption of coupons distributed under the program;

(C) the average amount distributed in coupons to each recipient;

(D) the change in consumption of fresh fruits and vegetables by recipients, if the information is available;

(E) the effects of the program on farmers’ markets, if the information is available; and

(F) any other information determined to be necessary by the Secretary.

(9) FUNDING.—

(A) AUTHORIZATION OF APPROPRIATIONS.—

There are authorized to be appropriated to the supplemental nutrition assistance program carried out under the Food and Nutrition Act of 2008 (7 U.S.C. 2011 et seq.) and to any other Federal or State program under which foods are distributed to needy families in lieu of supplemental nutrition assistance program benefits.

(B) Any programs for which a grant is received under this subsection shall be supplementary to the supplemental nutrition assistance program carried out under the Food and Nutrition Act of 2008 (7 U.S.C. 2011 et seq.) and to any other Federal or State program under which foods are distributed to needy families in lieu of supplemental nutrition assistance program benefits.

(8) For each fiscal year, the Secretary shall collect from each State that receives a grant under this subsection information relating to—

(A) the number and type of recipients served by both Federal and non-Federal benefits under the program for which the grant is received;

(B) the rate of redemption of coupons distributed under the program;

(C) the average amount distributed in coupons to each recipient;

(D) the change in consumption of fresh fruits and vegetables by recipients, if the information is available;

(E) the effects of the program on farmers’ markets, if the information is available; and

(F) any other information determined to be necessary by the Secretary.

(9) FUNDING.—

(A) AUTHORIZATION OF APPROPRIATIONS.—

There are authorized to be appropriated to carry out this subsection such sums as are necessary for each of fiscal years 2010 through 2015.

(B) Each State shall return to the Secretary any funds made available to the State that are unobligated at the end of the fiscal year for which the funds were originally allocated. The unexpended funds shall be returned to the Secretary by February 1st of the following fiscal year.

(ii) Notwithstanding any other provision of this subsection, a total of not more than 5 percent of funds made available to a State for any fiscal year may be expended by the State to reimburse expenses incurred for a program assisted under this subsection during the preceding fiscal year.

(i) The Secretary shall establish procedures to reallocate funds that are returned under clause (i).

(ii) For purposes of this subsection:

(A) The term “coupon” means a coupon, voucher, or other negotiable financial instrument by which benefits under this section are transferred.

(B) The term “program” means—

(i) the State farmers’ market coupon nutrition program authorized by this subsection (as it existed on September 30, 1991); or

(ii) the farmers’ market nutrition program authorized by this subsection.

(C) The term “recipient” means a person or household, as determined by the State, who is chosen by a State to receive benefits under this subsection, or who is on a waiting list to receive such benefits.

(D) The term “State agency” has the meaning provided in subsection (b)(13), except that the term also includes the agriculture department of each State and any other agency approved by the chief executive officer of the State.

(n) Disqualification of vendors who are disqualified under supplemental nutrition assistance program

(1) In general

The Secretary shall issue regulations providing criteria for the disqualification under this section of an approved vendor that is disqualified from accepting benefits under the supplemental nutrition assistance program established under the Food and Nutrition Act of 2008 (7 U.S.C. 2011 et seq.).

(2) Terms

A disqualification under paragraph (1)—

(A) shall be for the same period as the disqualification from the program referred to in paragraph (1); and

(B) may begin at a later date than the disqualification from the program referred to in paragraph (1); and

(C) shall not be subject to judicial or administrative review.

(o) Disqualification of vendors convicted of trafficking or illegal sales

(1) In general

Except as provided in paragraph (4), a State agency shall permanently disqualify from participation in the program authorized under this section a vendor convicted of—

(A) trafficking in food instruments (including any voucher, draft, check, or access device (including an electronic benefit transfer card or personal identification number) issued in lieu of a food instrument under this section); or

(B) selling firearms, ammunition, explosives, or controlled substances (as defined in section 802 of title 21) in exchange for food instruments (including any item described in subparagraph (A) issued in lieu of a food instrument under this section).

(2) Notice of disqualification

The State agency shall—

(A) provide the vendor with notification of the disqualification; and

(B) make the disqualification effective on the date of receipt of the notice of disqualification.

(3) Prohibition of receipt of lost revenues

A vendor shall not be entitled to receive any compensation for revenues lost as a result of disqualification under this subsection.
§ 1786

subsection (C) the vendor would cause hardship to participants in the program authorized under this section; or—
(i) the amount of the civil penalty shall not exceed $10,000 for each violation; and
(ii) the amount of civil penalties imposed for violations investigated as part of a single investigation may not exceed $40,000.

(p) Criminal forfeiture

(1) In general

Notwithstanding any provision of State law and in addition to any other penalty authorized by law, a court may order a person that is convicted of a violation of a provision of law described in paragraph (2), with respect to food instruments (including any item described in subsection (o)(1)(A) issued in lieu of a food instrument under this section), funds, assets, or property that have a value of $100 or more and that are the subject of a grant or other form of assistance under this section, to forfeit to the United States all property described in paragraph (3).

(2) Applicable laws

A provision of law described in this paragraph is—
(A) section 1760(g) of this title; and
(B) any other Federal law imposing a penalty for embezzlement, willful misapplication, stealing, obtaining by fraud, or trafficking in food instruments (including any item described in subsection (o)(1)(A) issued in lieu of a food instrument under this section), funds, assets, or property.

(3) Property subject to forfeiture

The following property shall be subject to forfeiture under paragraph (1):
(A) All property, real and personal, used in a transaction or attempted transaction, to commit, or to facilitate the commission of, a violation described in paragraph (1).
(B) All property, real and personal, constituting, derived from, or traceable to any proceeds a person obtained directly or indirectly as a result of a violation described in paragraph (1).

(q) Provision of technical assistance to Secretary of Defense

The Secretary of Agriculture shall provide technical assistance to the Secretary of Defense, if so requested by the Secretary of Defense, for the purpose of carrying out the overseas special supplemental food program established under section 1060a(a) of title 10.

“(M)(i) The Secretary shall establish pilot projects in at least 1 State, with the consent of the State, to determine the feasibility and cost of requiring States to carry out a system for using universal product codes to assist retail food stores that are vendors under the program in providing the type of infant formula that the participants in the program are authorized to purchase.

“(M)(ii) In carrying out the projects, the Secretary shall determine whether the system reduces the incidence of incorrect redemptions of low-cost formula or brands of infant formula not authorized to be redeemed through the program, or both.

“(ii) The Secretary shall provide a notification to the Committee on Education and Labor of the House of Representatives and the Committee on Agriculture,
Nutrition, and Forestry of the Senate regarding whether the system is feasible, is cost-effective, reduces the incidence of incorrect redemptions described in clause (i), and results in any additional costs to States.

"(iii) The system shall not require a vendor under the program to obtain special equipment and shall not be applicable to a vendor that does not have equipment that can use universal product codes."

Subsec. (k)(3). Pub. L. 104–193, § 729(h), substituted "Council shall elect" for "Secretary shall designate".

(A) not later than March 1, 1999, proposed regulations to carry out section 17(f)(24) of the Child Nutrition Act of 1966 (42 U.S.C. 1766(f)(24)), as added by paragraph (1); and

(B) not later than March 1, 2000, final regulations to carry out section 17(f)(24) of that Act."
“(d) DEFINITIONS.—In this section:

“(1) LOCAL AGENCY.—The term ‘local agency’ has the meaning given the term in section 17(b) of the Child Nutrition Act of 1966 (42 U.S.C. 1786(b)).

“(2) NUTRITIONAL RISK.—The term ‘nutritional risk’ has the meaning given the term in section 17(b) of the Child Nutrition Act of 1966 (42 U.S.C. 1786(b)).

“(3) SECRETARY.—The term ‘Secretary’ means the Secretary of Agriculture.

“(4) STATE AGENCY.—The term ‘State agency’ has the meaning given the term in section 17(b) of the Child Nutrition Act of 1966 (42 U.S.C. 1786(b))."

ADMINISTRATIVE REQUIREMENTS WAIVER UNDER WIC

“(1) IN GENERAL.—The Comptroller General of the United States shall conduct a study that assesses—

“(A) the cost of delivering services under the special supplemental nutrition program for women, infants, and children, authorized under section 17 of the Child Nutrition Act of 1966 (42 U.S.C. 1786), including the costs of implementing and administering cost containment efforts;

“(B) the fixed and variable costs incurred by State and local governments for delivering the services and the extent to which those costs are charged to State agencies;

“(C) the quality of the services delivered, taking into account the effect of the services on the health of participants; and

“(D) the costs incurred for personnel, automation, central support, and other activities to deliver the services and whether the costs meet Federal audit standards for allowable costs under the program.

“(2) REPORT.—Not later than 3 years after the date of enactment of this Act (Oct. 31, 1998), the Comptroller General shall submit to the Secretary of Agriculture, the Committee on Education and the Workforce of the House of Representatives, and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report containing the results of the study conducted under paragraph (1).”

REFERENCE TO COMMUNITY, MIGRANT, PUBLIC HOUSING, OR HOMELESS HEALTH CENTER CONSIDERED REFERENCE TO HEALTH CENTER

Reference to community health center, migrant health center, public housing health center, or homeless health center considered reference to health center, see section 4(c) of Pub. L. 104–299, set out as a note under section 254b of this title.

PROMOTION BY SECRETARY OF USE OF FARMERS’ MARKETS

Pub. L. 103–448, title II, § 208(v)(12), Nov. 2, 1994, 108 Stat. 4746, provided that: “The Secretary of Agriculture shall promote the use of farmers’ markets by recipients of Federal nutrition programs administered by the Secretary.”

REFERENCES TO SPECIAL SUPPLEMENTAL FOOD PROGRAM

Pub. L. 103–448, title II, § 204(w)(3), Nov. 2, 1994, 108 Stat. 4746, provided that: “Any reference to the special supplemental food program established under section 17 of the Child Nutrition Act of 1966 (42 U.S.C. 1786) in any provision of law, regulation, document, record, or other paper of the United States shall be considered to be a reference to the special supplemental nutrition program established under such section.”

WIC INFANT FORMULA PROTECTION; FINDINGS AND PURPOSES

“(a) FINDINGS.—

“(1) the domestic infant formula industry is one of the most concentrated manufacturing industries in the United States;

“(2) only three pharmaceutical firms are responsible for almost all domestic infant formula production;

“(3) coordination of pricing and marketing strategies is a potential danger where only a very few companies compete regarding a given product;

“(4) improved competition among suppliers of infant formula to the special supplemental food program [special supplemental nutrition program] for women, infants, and children (WIC) can save substantial additional sums to be used to put thousands of additional eligible women, infants, and children on the WIC program; and

“(5) barriers exist in the infant formula industry that inhibit the entry of new firms and thus limit competition.”
“(b) Purposes.—It is the purpose of this title [amending this section and enacting provisions set out as notes under this section and section 1771 of this title] to enhance competition among infant formula manufacturers and to reduce the per unit costs of infant formula for the special supplemental nutrition program for women, infants, and children (WIC).”

STUDY OF INFANT FORMULA BID SOLICITATIONS
Pub. L. 102–912, title II, § 209, Apr. 24, 1992, 106 Stat. 3368, directed Secretary of Agriculture, not later than Apr. 1, 1994, to report to Congress on State agencies that request the Secretary of Agriculture to conduct bid solicitations for infant formula under 42 U.S.C. 1786(h)(8)(G)(i), cost reductions achieved by the solicitations, and other matters the Secretary determined to be appropriate regarding title II of Pub. L. 102–912.

WOMEN, INFANTS, AND CHILDREN FARMERS’ MARKET NUTRITION PROGRAM; CONGRESSIONAL STATEMENT OF PURPOSE
Pub. L. 102–314, § 2, July 2, 1992, 106 Stat. 280, provided that: “The purpose of this Act [amending this section and enacting provisions set out as notes under this section and section 1771 of this title] is to authorize grants to be made to State programs designed to—”

1. “(1) provide resources to women, infants, and children who are nutritionally at risk in the form of fresh nutritious unprepared foods (such as fruits and vegetables), from farmers’ markets; and
2. “(2) expand the awareness and use of farmers’ markets and increase sales at such markets.”

REVIEW OF PRIORITY SYSTEM: REPORTS TO CONGRESS
Pub. L. 101–147, title I, § 123(b), Nov. 10, 1989, 103 Stat. 904, directed Secretary of Agriculture to review relationship between nutritional risk criteria established under this section and priority system used under special supplemental food program under this section, especially as it affected pregnant women, and to submit preliminary and final reports to Congress on results of review by Oct. 1, 1990, and by July 1, 1991, respectively.

REPORT ON PIC FOOD PACKAGE
Pub. L. 101–147, title I, § 123(c), Nov. 10, 1989, 103 Stat. 904, directed Secretary of Agriculture to review appropriateness of foods eligible for purchase under special supplemental food program under this section and to submit preliminary and final reports to Congress on findings of review by June 30, 1991, and by June 30, 1992, respectively.

REPORT ON COSTS FOR NUTRITION SERVICES AND ADMINISTRATION
Pub. L. 101–147, title I, § 123(d), Nov. 10, 1989, 103 Stat. 905, directed Secretary of Agriculture to review effect on costs for nutrition services and administration incurred by State and local agencies of sections 123 and 213 of Pub. L. 101–447, and the amendments made by such sections, amending this section and enacting provisions set out as notes under this section (including effect of both increases and decreases in requirements imposed on such agencies), and to report results of such review to Congress not later than one year after Nov. 10, 1989.

PAPERWORK REDUCTION
Pub. L. 101–147, title I, § 123(e), Nov. 10, 1989, 103 Stat. 905, provided that: “In implementing and monitoring compliance with the provisions of the amendments made by this section [amending this section (other than the amendment made by subsection (a)(2) to section 17(d)(2) of the Child Nutrition Act of 1966 (42 U.S.C. 1786(d)(2)), the Secretary of Agriculture shall not impose any new requirement on a State or local agency that would require the State or local agency to place additional paperwork or documentation in a case file maintained by a local agency.”

FARMERS’ MARKET COUPONS DEMONSTRATION PROJECT
Pub. L. 100–435, title V, § 501(a), Sept. 19, 1988, 102 Stat. 1668, provided that: “The purpose of this section is to authorize the establishment of a grant program to encourage State demonstration projects designed to—”

1. “(1) provide resources to persons who are nutritionally at risk in the form of fresh nutritious unprepared foods (such as fruits and vegetables), from farmers’ markets; and
2. “(2) expand the awareness and use of farmers’ markets and increase sales at such markets.”

STUDY OF NUTRITION SERVICES AND ADMINISTRATION FUNDING
Pub. L. 100–237, § 10, Jan. 8, 1988, 101 Stat. 1741, directed Secretary of Agriculture to conduct a study of appropriateness of percentage of annual appropriation for the program required by 42 U.S.C. 1786(h)(1) to be made available for State and local agency costs for nutrition services and administration, and to report results of this study to Congress not later than Mar. 1, 1989, such study to include an analysis of the impact in future years on per participant administrative costs if a substantial number of States implement competitive bidding, rebate, direct distribution, or home delivery systems and to examine the impact of percentage provided for nutrition services and administration on quality of such services.

STUDY OF MEDICAID SAVINGS FOR NEWBORNS FROM WIC PROGRAM

ACCOUNTABILITY FOR MIGRANT SERVICES

§ 1788. Team nutrition network
(a) Purposes
The purposes of the team nutrition network are—
(1) to establish State systems to promote the nutritional health of school children of the United States through nutrition education and the use of team nutrition messages and material developed by the Secretary, and to encourage regular physical activity and other activities that support healthy lifestyles for children, including those based on the most recent Dietary Guidelines for Americans published under section 5341 of title 7;
(2) to provide assistance to States for the development of comprehensive and integrated nutrition education and active living programs in schools and facilities that participate in child nutrition programs;
(3) to provide training and technical assistance and disseminate team nutrition messages to States, school and community nutrition programs, and child nutrition food service professionals;  
(4) to coordinate and collaborate with other nutrition education and active living programs that share similar goals and purposes; and  
(5) to identify and share innovative programs with demonstrated effectiveness in helping children to maintain a healthy weight by enhancing student understanding of healthful eating patterns and the importance of regular physical activity.

(b) Definition of team nutrition network  
In this section, the term “team nutrition network” means a statewide multidisciplinary program for children to promote healthy eating and physical activity based on scientifically valid information and sound educational, social, and marketing principles.

(c) Grants  
(1) In general  
Subject to the availability of funds for use in carrying out this section, in addition to any other funds made available to the Secretary for team nutrition purposes, the Secretary, in consultation with the Secretary of Education, may make grants to State agencies for each fiscal year, in accordance with this section, to establish team nutrition networks to promote nutrition education through—  
(A) the use of team nutrition network messages and other scientifically based information; and  
(B) the promotion of active lifestyles.

(2) Form  
A portion of the grants provided under this subsection may be in the form of competitive grants.

(3) Funds from nongovernmental sources  
In carrying out this subsection, the Secretary may accept cash contributions from nongovernmental organizations made expressly to further the purposes of this section, to be managed by the Food and Nutrition Service, for use by the Secretary and the States in carrying out this section.

(d) Allocation  
Subject to the availability of funds for use in carrying out this section, the total amount of funds made available for a fiscal year for grants under this section shall equal not more than the sum of—  
(1) the product obtained by multiplying $\frac{3}{4}$ cent by the number of lunches reimbursed through food service programs under the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.) during the second preceding fiscal year in schools, institutions, and service institutions that participate in the food service programs; and  
(2) the total value of funds received by the Secretary in support of this section from nongovernmental sources.

(e) Requirements for State participation  
To be eligible to receive a grant under this section, a State agency shall submit to the Secretary a plan that—  
(1) is subject to approval by the Secretary; and  
(2) is submitted at such time and in such manner, and that contains such information, as the Secretary may require, including—  
(A) a description of the goals and proposed State plan for addressing the health and other consequences of children who are at risk of becoming overweight or obese;  
(B) an analysis of the means by which the State agency will use and disseminate the team nutrition messages and material developed by the Secretary;  
(C) an explanation of the ways in which the State agency will use the funds from the grant to work toward the goals required under subparagraph (A), and to promote healthy eating and physical activity and fitness in schools throughout the State;  
(D) a description of the ways in which the State team nutrition network messages and activities will be coordinated at the State level with other health promotion and education activities;  
(E) a description of the consultative process that the State agency employed in the development of the model nutrition and physical activity programs, including consultations with individuals and organizations with expertise in promoting public health, nutrition, or physical activity;  
(F) a description of how the State agency will evaluate the effectiveness of each program developed by the State agency;  
(G) an annual summary of the team nutrition network activities;  
(H) a description of the ways in which the total school environment will support healthy eating and physical activity; and  
(I) a description of how all communications to parents and legal guardians of students who are members of a household receiving or applying for assistance under the program shall be in an understandable and uniform format and, to the maximum extent practicable, in a language that parents and legal guardians can understand.

(f) State coordinator  
Each State that receives a grant under this section shall appoint a team nutrition network coordinator who shall—  
(1) administer and coordinate the team nutrition network within and across schools, school food authorities, and other child nutrition program providers in the State; and  
(2) coordinate activities of the Secretary, acting through the Food and Nutrition Service, and State agencies responsible for other children’s health, education, and wellness programs to implement a comprehensive, coordinated team nutrition network program.

(g) Authorized activities  
A State agency that receives a grant under this section may use funds from the grant—  
(1) (A) to collect, analyze, and disseminate data regarding the extent to which children
and youths in the State are overweight, physically inactive, or otherwise suffering from nutrition-related deficiencies or disease conditions; and

(B) to identify the programs and services available to meet those needs;

(2) to implement model elementary and secondary education curricula using team nutrition network messages and material developed by the Secretary to create a comprehensive, coordinated nutrition and physical fitness awareness and obesity prevention program;

(3) to implement pilot projects in schools to promote physical activity and to enhance the nutritional status of students;

(4) to improve access to local foods through farm-to-cafeteria activities that may include the acquisition of food and the provision of training and education;

(5) to implement State guidelines in health (including nutrition education and physical education guidelines) and to emphasize regular physical activity during school hours;

(6) to establish healthy eating and lifestyle policies in schools;

(7) to provide training and technical assistance to teachers and school food service professionals consistent with the purposes of this section;

(8) to collaborate with public and private organizations, including community-based organizations, State medical associations, and public health groups, to develop and implement nutrition and physical education programs targeting lower income children, ethnic minorities, and youth at a greater risk for obesity.

(h) Local nutrition and physical activity grants

(1) In general

Subject to the availability of funds to carry out this subsection, the Secretary, in consultation with the Secretary of Education, shall provide assistance to selected local educational agencies to create healthy school nutrition environments, promote healthy eating habits, and increase physical activity, consistent with the Dietary Guidelines for Americans published under section 5341 of title 7, among elementary and secondary education students.

(2) Selection of schools

In selecting local educational agencies for grants under this subsection, the Secretary—

(A) provide for the equitable distribution of grants among—

(i) urban, suburban, and rural schools; and

(ii) schools with varying family income levels;

(B) consider factors that affect need, including local educational agencies with significant minority or low-income student populations; and

(C) establish a process that allows the Secretary to conduct an evaluation of how funds were used.

(3) Requirement for participation

To be eligible to receive assistance under this subsection, a local educational agency shall, in consultation with individuals who possess education or experience appropriate for representing the general field of public health, including nutrition and fitness professionals, submit to the Secretary an application that shall include—

(A) a description of the need of the local educational agency for a nutrition and physical activity program, including an assessment of the nutritional environment of the school;

(B) a description of how the proposed project will improve health and nutrition through education and increased access to physical activity;

(C) a description of how the proposed project will be aligned with the local wellness policy required under section 204 of the Child Nutrition and WIC Reauthorization Act of 2004;

(D) a description of how funds under this subsection will be coordinated with other programs under this chapter, the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.), or other Acts, as appropriate, to improve student health and nutrition;

(E) a statement of the measurable goals of the local educational agency for nutrition and physical education programs and promotion;

(F) a description of the procedures the agency will use to assess and publicly report progress toward meeting those goals; and

(G) a description of how communications to parents and guardians of participating students regarding the activities under this subsection shall be in an understandable and uniform format, and, to the extent maximum practicable, in a language that parents can understand.

(4) Duration

Subject to the availability of funds made available to carry out this subsection, a local educational agency receiving assistance under this subsection shall conduct the project during a period of 3 successive school years beginning with the initial fiscal year for which the local educational agency receives funds.

(5) Authorized activities

An eligible applicant that receives assistance under this subsection—

(A) shall use funds provided to—

(i) promote healthy eating through the development and implementation of nutrition education programs and curricula based on the Dietary Guidelines for Americans published under section 5341 of title 7; and

(ii) increase opportunities for physical activity through after school programs, athletics, intramural activities, and recess; and

(B) may use funds provided to—

(i) educate parents and students about the relationship of a poor diet and inactivity to obesity and other health problems; and

(ii) develop and implement physical education programs that promote fitness and lifelong activity;
(iii) provide training and technical assistance to food service professionals to develop more appealing, nutritious menus and recipes;
(iv) incorporate nutrition education into physical education, health education, and after school programs, including athletics;
(v) involve parents, nutrition professionals, food service staff, educators, community leaders, and other interested parties in assessing the food options in the school environment and developing and implementing an action plan to promote a balanced and healthy diet;
(vi) provide nutrient content or nutrition information on meals served through the school lunch program established under the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.) and the school breakfast program established by section 1773 of this title and items sold a la carte during meal times;
(vii) encourage the increased consumption of a variety of healthy foods, including fruits, vegetables, whole grains, and low-fat dairy products, through new initiatives to creatively market healthful foods, such as salad bars and fruit bars;
(viii) offer healthy food choices outside program meals, including by making low-fat and nutrient dense options available in vending machines, school stores, and other venues; and
(ix) provide nutrition education, including sports nutrition education, for teachers, coaches, food service staff, athletic trainers, and school nurses.

(6) Report
Not later than 18 months after completion of the projects and evaluations under this subsection, the Secretary shall—
(A) submit to the Committee on Education and the Workforce of the House of Representatives and the Committee on Health, Education, Labor, and Pensions and the Committee on Agriculture, Nutrition and Forestry of the Senate a report describing the results of the evaluation under this subsection; and
(B) make the report available to the public, including through the Internet.

(i) Nutrition education support
In carrying out the purpose of this section to support nutrition education, the Secretary may provide for technical assistance and grants to improve the quality of school meals and access to local foods in schools and institutions.

(j) Limitation
Material prepared under this section regarding agricultural commodities, food, or beverages, must be factual and without bias.

(k) Team nutrition network independent evaluation
(1) In general
Subject to the availability of funds to carry out this subsection, the Secretary shall offer to enter into an agreement with an independent, nonpartisan, science-based research organization—
(A) to conduct a comprehensive independent evaluation of the effectiveness of the team nutrition initiative and the team nutrition network under this section; and
(B) to identify best practices by schools in—
(i) improving student understanding of healthful eating patterns;
(ii) engaging students in regular physical activity and improving physical fitness;
(iii) reducing diabetes and obesity rates in school children;
(iv) improving student nutrition behaviors on the school campus, including by increasing healthier meal choices by students, as evidenced by greater inclusion of fruits, vegetables, whole grains, and lean dairy and protein in meal and snack selections;
(v) providing training and technical assistance for food service professionals resulting in the availability of healthy meals that appeal to ethnic and cultural taste preferences;
(vi) linking meals programs to nutrition education activities;
(vii) successfully involving parents, school administrators, the private sector, public health agencies, nonprofit organizations, and other community partners;
(viii) ensuring the adequacy of time to eat during school meal periods; and
(ix) successfully generating revenue through the sale of food items, while providing healthy options to students through vending, student stores, and other venues.

(2) Report
Not later than 3 years after funds are made available to carry out this subsection, the Secretary shall submit to the Committee on Education and the Workforce of the House of Representatives, the Committee on Health, Education, Labor, and Pensions and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report describing the findings of the independent evaluation.

(l) Authorization of appropriations
There are authorized to be appropriated such sums as are necessary to carry out this section.

CODIFICATION

AMENDMENTS

2004—Pub. L. 108–265 amended section catchline and text generally. Prior to amendment, section consisted of a heading and pars. (1) to (3)(A) which provided for grants to States for nutrition education and training programs, which would include, but not be limited to, the development of comprehensive nutrition education and training programs, which would include, but not be limited to, the development of nutrition education, developing and using classroom materials and curricula, and providing information to parents and caregivers regarding the nutritional value of foods and the relationship between food and health, training child nutrition program personnel in the principles and practices of food service management, instructing teachers in principles of nutrition education, developing and using classroom materials and curricula, and providing information to parents and caregivers regarding the nutritional value of foods and the relationship between food and health.

1999—Subsec. (d). Pub. L. 106–78 made technical amendment to references in original act which appear in text as references to sections 1761 and 1769o–1 of this title.

1998—Subsec. (1). Pub. L. 105–336 inserted subsec. heading and par. (1)(A) and struck out former subsec. heading and pars. (1) to (3)(A) which provided for grants to States for nutrition education and information programs based on rate of 50 cents for each child enrolled in schools, minimum amounts to be received by States, and authorizations of appropriations; redesignated par. (3)(B) as (1)(B); and redesignated pars. (4) and (5) as (2) and (3), respectively.

1996—Subsec. (a). Pub. L. 104–193, §731(a)(1), substituted “that effective dissemination of scientifically valid information to children participating or eligible to participate in the school lunch and related child nutrition programs should be encouraged,” for “that—” and pars. (1) to (5) which related to priority of proper nutrition, lack of understanding of principles of good nutrition, training school employees, role of parents, and opportunities for children to learn about importance of good nutrition.

Subsec. (b). Pub. L. 104–193, §731(a)(2), substituted “establish” for “encourage effective dissemination of scientifically valid information to children participating or eligible to participate in the school lunch and related child nutrition programs by establishing”.

Subsec. (f)(1). Pub. L. 104–193, §731(b)(1)(B), struck out “(A)” before “The funds made available” in introductory provisions, redesignated cl. (i) to (vii) and (xx) as subpars. (A) to (H) and (1), respectively, added subpar. (J), and struck out cl. (ix) which related to use of funds for a nutrition component usable in consumer homemaking and health education programs, instructing staff on working with children from different backgrounds, developing means of providing nutrition education in materials to children through after-school programs, training about healthy and nutritious meals, creating instructional programming for school staff and parents, aspects of the Strategic Plan for Nutrition and Education, encouraging public service advertisements, coordinating and promoting nutrition activities in local school districts, contracting with public and private nonprofit educational institutions for nutrition education, increasing awareness of importance of breakfasts, and coordinating and promoting nutrition education under child nutrition programs.

Pub. L. 104–193, §731(b)(1)(A), struck out subpar. (B) which read as follows: “As used in this paragraph, the term ‘language appropriate’ used with respect to materials, programming, or advertisements means materials, programming, or advertisements, respectively, using a language other than the English language in a case in which the language is dominant for a large percentage of individuals participating in the program.”

Subsec. (f)(2), (3). Pub. L. 104–193, §731(b)(2), (3), redesignated par. (3) as (2) and struck out former par. (2) which read as follows: “Any State desiring to receive grants authorized by this section may, from the funds appropriated to carry out this section, receive a planning and assessment grant for the purposes of carrying out the responsibilities described in clauses (A), (B), (C), and (D) of paragraph (1) of this subsection. Any State receiving a planning and assessment grant may, during the first year of participation, be advanced a portion of the funds necessary to carry out such responsibilities: Provided, That in order to receive additional funding, the State must carry out such responsibilities.”

Subsec. (f)(4). Pub. L. 104–193, §731(b)(2), struck out par. (4) which read as follows: “Nothing in this section shall prohibit State or local educational agencies from making available or distributing to adults nutrition education materials, resources, activities, or programs authorized under this section.”

Subsec. (g)(1). Pub. L. 104–193, §731(c), substituted “be available at any reasonable time” for “at all times be available” in second sentence.

Subsec. (h)(1). Pub. L. 104–193, §731(d)(1), in second sentence, struck out “as provided in paragraph (2) of this subsection” after “needs in the State” and “as provided in paragraph (3) of this subsection” after “prepare a State plan”.

Subsec. (h)(2). Pub. L. 104–193, §731(d)(2), struck out at end “Such assessment shall include, but not be limited to, the identification and location of all students in need of nutrition education. The assessment shall also identify State and local individual, group, and institutional resources within the State for materials, facilities, staffs, and methods related to nutrition education.”

Subsec. (h)(3). Pub. L. 104–193, §731(d)(3), struck out par. (3) which related to comprehensive nutrition education plan to be submitted by State coordinator within 9 months of award of planning and assessment grant and reviews in light of plan.

Subsec. (i)(3) to (5). Pub. L. 104–193, §731(e)(2), (3), added par. (3) and redesignated former pars. (3) and (4) as (4) and (5), respectively.

Subsec. (j). Pub. L. 104–193, §731(f), struck out subsec. (j) which read as follows: “(1) The Secretary shall assess the nutrition education and training program carried out under this section to determine what nutrition education needs are for children participating under the National School Lunch Act in the school lunch program, the summer food service program, and the child care food program. “(2) The assessment required by paragraph (1) shall be completed not later than October 1, 1990.”

1994—Subsec. (b). Pub. L. 103–448, §206(a), substituted “education and training programs” for “information and education programs”.

Subsec. (d)(2). Pub. L. 101–147, §124(1)(B), 327(1)(A), substituted “recommendations of State educational agencies, the Department of Health and Human Services, and other” for “recommendation of the National Advisory Council on Child Nutrition; State educational agencies; the Department of Health and Human Services; and other”.

Pub. L. 101–147, §214, inserted at end “Each plan developed as required by this section shall be updated on an annual basis.”

Subsec. (i)(2). Pub. L. 101–147, §124(3), amended par. (2) generally. Prior to amendment, par. (2) read as follows:

“For the fiscal year ending September 30, 1980, and for each succeeding fiscal year ending on or before September 30, 1989, there is hereby authorized to be appropriated for grants to each State for the conduct of nutrition education and information programs, an amount equal to the higher of (A) 50 cents for each child enrolled in schools or in institutions within each State, or (B) $50,000 for each State. There is authorized to be appropriated for grants to each State for the conduct of nutrition education and information programs, an amount not to exceed $15,000,000 for each State enrolled in schools or in institutions within each State, except that no State shall receive an amount less than $50,000 for that year. If funds appropriated for such year are insufficient to pay the amount to which each State is entitled under the second preceding sentence, the amount of such grant shall be ratably reduced to the extent necessary so that the total of such amounts paid does not exceed the amount of appropriated funds.

Additional funds become available for making such payments, such amounts shall be increased on the same basis as they were reduced.”

1986—Subsec. (d)(2), (3), Pub. L. 99–591, §372(1)(A), added subpars. (2) and (3) identically, substituting “Health and Human Services” for “Health, Education, and Welfare” in one place in par. (2) and in two places in par. (3).

Subsec. (j)(2). Pub. L. 97–35, §806, struck out par. (6) relating to State prohibition on administration of program in nonprofit private schools and institutions.

Subsec. (j)(2). Pub. L. 97–35, §806, substituted provisions authorizing $15,000,000 for fiscal year 1961 and not more than $5,000,000 for each subsequent fiscal year for provisions authorizing $15,000,000 for the fiscal year beginning Oct. 1, 1980, and each subsequent fiscal year.

Subsec. (j)(2). Pub. L. 96–499 substituted “For the fiscal year ending September 30, 1980, and for each succeeding fiscal year ending on or before September 30, 1984” for “For the fiscal year beginning October 1, 1979” and “second preceding sentence” for “preceding sentence” and inserted provision authorizing appropriations for the fiscal year beginning October 1, 1980, and each succeeding fiscal year, for the grants referred to in the preceding sentence, not more than $15,000,000.

Effective Date of 1998 Amendment

§ 1789. Department of Defense overseas dependents' schools

(a) Purpose of program; availability of payments and commodities

For the purpose of obtaining Federal payments and commodities in conjunction with the provision of breakfasts to students attending Department of Defense dependents' schools which are located outside the United States, its territories or possessions, the Secretary of Agriculture shall make available to the Department of Defense, from funds appropriated for such purpose, the same payments and commodities as are provided to States for schools participating in the school breakfast program in the United States.

(b) Administration of program; eligibility determinations and regulations

The Secretary of Defense shall administer breakfast programs authorized by this section and shall determine eligibility for free and reduced-price breakfasts under the criteria published by the Secretary of Agriculture, except that the Secretary of Defense shall prescribe regulations governing computation of income eligibility standards for families of students participating in the school breakfast program under this section.

(c) Nutritional standards for meals; noncompliance with standards

The Secretary of Defense shall be required to offer meals meeting nutritional standards prescribed by the Secretary of Agriculture; however, the Secretary of Defense may authorize deviations from Department of Agriculture prescribed meal patterns and fluid milk requirements when local conditions preclude strict compliance or when such compliance is highly impracticable.

(d) Authorization of appropriations

Funds are hereby authorized to be appropriated for any fiscal year in such amounts as may be necessary for the administrative expenses of the Department of Defense under this section.

(e) Technical assistance for administration of program

The Secretary of Agriculture shall provide the Secretary of Defense with technical assistance in the administration of the school breakfast programs authorized by this section.

§ 1790. Breastfeeding promotion program

(a) In general

The Secretary, from amounts received under subsection (d), shall establish a breastfeeding promotion program to promote breastfeeding as the best method of infant nutrition, foster wider public acceptance of breastfeeding in the United States, and assist in the distribution of breastfeeding equipment to breastfeeding women.

(b) Conduct of program

In carrying out the program described in subsection (a), the Secretary may—

(1) develop or assist others to develop appropriate educational materials, including public service announcements, promotional publications, and press kits for the purpose of promoting breastfeeding;

(2) distribute or assist others to distribute such materials to appropriate public and private individuals and entities; and

(3) provide funds to public and private individuals and entities, including physicians, health professional organizations, hospitals, community based health organizations, and employers, for the purpose of assisting such entities in the distribution of breastpumps and similar equipment to breastfeeding women.

(c) Cooperative agreements

The Secretary is authorized to enter into cooperative agreements with Federal agencies, State and local governments, and other entities to carry out the program described in subsection (a).

(d) Gifts, bequests, and devises

(1) In general

The Secretary is authorized to solicit, accept, use, and dispose of gifts, bequests, or devises of services or property, both real and personal, for the purpose of establishing and
§ 1791. Bill Emerson Good Samaritan Food Donation Act

(a) Short title
This section may be cited as the “Bill Emerson Good Samaritan Food Donation Act”.

(b) Definitions
As used in this section:

(1) Apparently fit grocery product
The term “apparently fit grocery product” means a grocery product that meets all quality and labeling standards imposed by Federal, State, and local laws and regulations even though the product may not be readily marketable due to appearance, age, freshness, grade, size, surplus, or other conditions.

(2) Apparently wholesome food
The term “apparently wholesome food” means food that meets all quality and labeling standards imposed by Federal, State, and local laws and regulations even though the food may not be readily marketable due to appearance, age, freshness, grade, size, surplus, or other conditions.

(3) Donate
The term “donate” means to give without requiring anything of monetary value from the recipient, except that the term shall include giving by a nonprofit organization to another nonprofit organization, notwithstanding that the donor organization has charged a nominal fee to the donee organization, if the ultimate recipient or user is not required to give anything of monetary value.

(4) Food
The term “food” means any raw, cooked, processed, or prepared edible substance, ice, beverage, or ingredient used or intended for use in whole or in part for human consumption.

(5) Gleaner
The term “gleaner” means a person who harvests for free distribution to the needy, or for donation to a nonprofit organization for ultimate distribution to the needy, an agricultural crop that has been donated by the owner.

(6) Grocery product
The term “grocery product” means a nonfood grocery product, including a disposable paper or plastic product, household cleaning product, laundry detergent, cleaning product, or miscellaneous household item.

(7) Gross negligence
The term “gross negligence” means voluntary and conscious conduct (including a failure to act) by a person who, at the time of the conduct, knew that the conduct was likely to be harmful to the health or well-being of another person.

(8) Intentional misconduct
The term “intentional misconduct” means conduct by a person with knowledge (at the time of the conduct) that the conduct is harmful to the health or well-being of another person.

(9) Nonprofit organization
The term “nonprofit organization” means an incorporated or unincorporated entity that—

(A) is operating for religious, charitable, or educational purposes; and

(B) does not provide net earnings to, or operate in any other manner that inures to the benefit of, any officer, employee, or shareholder of the entity.

(10) Person
The term “person” means an individual, corporation, partnership, organization, association, or governmental entity, including a retail grocer, wholesaler, hotel, motel, manufacturer, restaurant, caterer, farmer, and nonprofit food distributor or hospital. In the case of a corporation, partnership, organization, association, or governmental entity, the term includes an officer, director, partner, deacon, trustee, council member, or other elected or appointed individual responsible for the governance of the entity.

(c) Liability for damages from donated food and grocery products

(1) Liability of person or gleaner
A person or gleaner shall not be subject to civil or criminal liability arising from the nature, age, packaging, or condition of apparently wholesome food or an apparently fit grocery product that the person or gleaner donates in good faith to a nonprofit organization for ultimate distribution to needy individuals.

(2) Liability of nonprofit organization
A nonprofit organization shall not be subject to civil or criminal liability arising from the nature, age, packaging, or condition of apparently wholesome food or an apparently fit grocery product that the nonprofit organization received as a donation in good faith from a person or gleaner for ultimate distribution to needy individuals.

(3) Exception
Paragraphs (1) and (2) shall not apply to an injury to or death of an ultimate user or re-
section if the nonprofit organization that receives the donated food or grocery products—

(1) is informed by the donor of the distressed or defective condition of the donated food or grocery products;

(2) agrees to recondition the donated food or grocery products to comply with all the quality and labeling standards prior to distribution; and

(3) is knowledgeable of the standards to properly recondition the donated food or grocery product.

(f) Construction

This section shall not be construed to create any liability. Nothing in this section shall be construed to supercede State or local health regulations.

§ 1792. Promoting Federal food donation

(a) In general

Not later than 180 days after June 20, 2008, the Federal Acquisition Regulation issued in accordance with section 1303 of title 41 shall be revised to require that all contracts above $25,000 for the provision, service, or sale of food in the United States, or for the lease or rental of Federal property to a private entity for events at which food is provided in the United States, shall include a clause that—

(1) encourages the donation of excess, apparently wholesome food to nonprofit organizations that provide assistance to food-insecure people in the United States; and

(2) states the terms and conditions described in subsection (b).

(b) Terms and conditions

(1) Costs

In any case in which a contractor enters into a contract with an executive agency under which apparently wholesome food is donated to food-insecure people in the United States, the head of the executive agency shall assume responsibility for the costs and logistics of collecting, transporting, maintaining the safety of, or distributing excess, apparently wholesome food to food-insecure people in the United States under this section.

(2) Liability

An executive agency (including an executive agency that enters into a contract with a contractor) and any contractor making donations pursuant to this section shall be exempt from civil and criminal liability to the extent provided under section 1791 of this title.
and section 1771 of this title] is to encourage executive agencies and contractors of executive agencies, to the maximum extent practicable and safe, to donate excess, apparently wholesome food to food-insecure people in the United States."

DEFINITIONS

Pub. L. 110–247, § 3, June 20, 2008, 122 Stat. 2314, provided that: “In this Act [enacting this section and provisions set out as notes under this section and section 1771 of this title]:

(1) APPARENTLY WHOLESALE FOOD.—The term ‘apparently wholesome food’ has the meaning given the term in section 2(b) [probably means subsec. (b) of the Bill Emerson Good Samaritan Food Donation Act (42 U.S.C. 1791(b)).

(2) Excess.—The term ‘excess’, when applied to food, means food that—

(A) is not required to meet the needs of executive agencies; and

(B) would otherwise be discarded.

(3) Food-Insecure.—The term ‘food-insecure’ means inconsistent access to sufficient, safe, and nutritious food.

(4) Nonprofit Organization.—The term ‘nonprofit organization’ means any organization that is—

(A) described in section 501(c) of the Internal Revenue Code of 1986 (26 U.S.C. 501(c)); and

(B) exempt from tax under section 501(a) of that Code (26 U.S.C. 501(a))."

§ 1793. Grants for expansion of school breakfast programs

(a) Definition of qualifying school

In this section, the term “qualifying school” means a school in severe need, as described in section 1773(d)(1) of this title.

(b) Establishment

Subject to the availability of appropriations provided in advance in an appropriations Act specifically for the purpose of carrying out this section, the Secretary shall establish a program under which the Secretary shall provide grants, on a competitive basis, to State educational agencies for the purpose of providing subgrants to local educational agencies for qualifying schools to establish, maintain, or expand the school breakfast program in accordance with this section.

(c) Grants to State educational agencies

(1) Application

To be eligible to receive a grant under this section, a State educational agency shall submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require.

(2) Administration

In carrying out this section, the Secretary shall—

(A) develop an appropriate competitive application process; and

(B) make information available to State educational agencies concerning the availability of funds under this section.

(3) Allocation

The amount of grants provided by the Secretary to State educational agencies for a fiscal year under this section shall not exceed the lesser of—

(A) the product obtained by multiplying—

(i) the number of qualifying schools receiving subgrants or other benefits under subsection (d) for the fiscal year; and

(ii) the maximum amount of a subgrant provided to a qualifying school under subsection (d)(4)(B); or

(B) $2,000,000.

(d) Subgrants to qualifying schools

(1) In general

A State educational agency receiving a grant under this section shall use funds made available under the grant to award subgrants to local educational agencies for a qualifying school or groups of qualifying schools to carry out activities in accordance with this section.

(2) Priority

In awarding subgrants under this subsection, a State educational agency shall give priority to local educational agencies with qualifying schools in which at least 75 percent of the students are eligible for free or reduced price school lunches under the school lunch program established under the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.).

(3) State and district training and technical support

A local educational agency or State educational agency may allocate a portion of each subgrant to provide training and technical assistance to the staff of qualifying schools to carry out the purposes of this section.

(4) Amount; term

(A) In general

Except as otherwise provided in this paragraph, a subgrant provided by a State educational agency to a local educational agency or qualifying school under this section shall be in such amount, and shall be provided for such term, as the State educational agency determines appropriate.

(B) Maximum amount

The amount of a subgrant provided by a State educational agency to a local educational agency or a group of qualifying schools under this subsection shall not exceed $10,000 for each school year.

(C) Maximum grant term

A local educational agency or State educational agency shall not provide subgrants to a qualifying school under this subsection for more than 2 fiscal years.

(e) Best practices

(1) In general

Prior to awarding grants under this section, the Secretary shall make available to State educational agencies information regarding the most effective mechanisms by which to increase school breakfast participation among eligible children at qualifying schools.

(2) Preference

In awarding subgrants under this section, a State educational agency shall give preference
to local educational agencies for qualifying schools or groups of qualifying schools that have adopted, or provide assurances that the subgrant funds will be used to adopt, the most effective mechanisms identified by the Secretary under paragraph (1).

(f) Use of funds

(1) In general

A qualifying school may use a grant provided under this section—

(A) to establish, promote, or expand a school breakfast program of the qualifying school under this section, which shall include a nutritional education component;

(B) to extend the period during which school breakfast is available at the qualifying school;

(C) to provide school breakfast to students of the qualifying school during the school day; or

(D) for other appropriate purposes, as determined by the Secretary.

(2) Requirement

Each activity of a qualifying school under this subsection shall be carried out in accordance with applicable nutritional guidelines and regulations issued by the Secretary.

(g) Maintenance of effort

Grants made available under this section shall not diminish or otherwise affect the expenditure of funds from State and local sources for the maintenance of the school breakfast program.

(h) Reports

Not later than 18 months following the end of a school year during which subgrants are awarded under this section, the Secretary shall submit to Congress a report describing the activities of the qualifying schools awarded subgrants.

(i) Evaluation

Not later than 180 days before the end of a grant term under this section, a local educational agency that receives a subgrant under this section shall—

(1) evaluate whether electing to provide universal free breakfasts under the school breakfast program in accordance with Provision 2 as established under subsections (b) through (k) of section 245.9 of title 7, Code of Federal Regulations (or successor regulations), would be cost-effective for the qualified schools based on estimated administrative savings and economies of scale; and

(2) submit the results of the evaluation to the State educational agency.

(j) Authorization of appropriations

There are authorized to be appropriated to carry out this section such sums as are necessary for each of fiscal years 2010 through 2015.

SUBCHAPTER I—PROTECTION OF UNITED STATES PROPERTY

§ 1856. Definitions

As used in this subchapter—

(a) The term “agency head” means the head of any executive department, military department, agency, or independent establishment in the executive branch of the Government;

(b) The term “fire protection” includes personal services and equipment required for fire prevention, the protection of life and property from fire, fire fighting, and emergency services, including basic medical support, basic and advanced life support, hazardous material containment and confinement, and special rescue events involving vehicular and water mishaps, and trench, building, and confined space extractions; and

(c) The term “fire organization” means any governmental entity or public or private corporation or association maintaining fire protection facilities within the United States, its Territories and possessions, and any governmental entity or public or private corporation or association which maintains fire protection facilities in any foreign country in the vicinity of any installation of the United States.

AMENDMENTS

2006—Subsec. (b). Pub. L. 109–163 substituted “fire fighting, and emergency services, including basic medical support, basic and advanced life support, hazardous material containment and confinement, and special rescue events involving vehicular and water mishaps, and trench, building, and confined space extractions” for “and fire fighting”.

§ 1856a. Authority to enter into reciprocal agreement; waiver of claims; reimbursement; ratification of prior agreements

(a) Each agency head charged with the duty of providing fire protection for any property of the United States is authorized to enter into a reciprocal agreement, with any fire organization maintaining fire protection facilities in the vicinity of such property, for mutual aid in furnishing fire protection for such property and for

1 So in original.
other property for which such organization normally provides fire protection. Each such agreement shall include a waiver by each party of all claims against every other party for compensation for any loss, damage, personal injury, or death occurring in consequence of the performance of such agreement. Any such agreement may provide for the reimbursement of any party for all or any part of the cost incurred by such party in furnishing fire protection for or on behalf of any other party.

(b) Any agreement heretofore executed which would have been authorized by this subchapter, if this subchapter had been in effect on the date of execution thereof, is ratified and confirmed.

(May 27, 1955, ch. 105, § 2, 69 Stat. 66.)

§ 1856a–1. Authority to enter into contracts with State and local governmental entities

Notwithstanding any other provision of law, in fiscal year 1992 and thereafter, the Secretary of the Interior, the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Army, and the Secretary of the Smithsonian Institution are authorized to enter into contracts with State and local governmental entities, including local fire districts, for procurement of services in the presuppression, detection, and suppression of fires on any units within their jurisdiction.

Codification

Section was enacted as part of the Department of the Interior and Related Agencies Appropriations Act, 1992, and not as part of act May 27, 1955, which comprises this subchapter.

Prior Provisions

Provisions similar to those in this section were contained in the following prior appropriation act: Pub. L. 101–312, title III, § 310, Nov. 5, 1990, 104 Stat. 1969.

Amendments

2007—Pub. L. 110–114 inserted “the Secretary of the Army,” after “the Secretary of Energy.”

§ 1856b. Emergency assistance

In the absence of any agreement authorized or ratified by section 1856a of this title, each agency head is authorized to render emergency assistance in extinguishing fires and in preserving life and property from fire, within the vicinity of any place at which such agency maintains fire-protection facilities, when the rendition of such assistance is determined, under regulations prescribed by the agency head, to be in the best interest of the United States.

(May 27, 1955, ch. 105, § 3, 69 Stat. 67.)

§ 1856c. Service in line of duty

Any service performed under section 1856a or section 1856b of this title, by any officer or employee of the United States or any member of any armed force of the United States shall constitute service rendered in line of duty in such office, employment, or force. The performance of such service by any other individual shall not constitute such individual an officer or employee of the United States for the purposes of subchapter I of chapter 81 of title 5.

(May 27, 1955, ch. 105, § 4, 69 Stat. 67.)

Codification

“Subchapter I of chapter 81 of title 5” substituted for “the Federal Employees’ Compensation Act, as amended” on authority of Pub. L. 89–554, § 7(b), Sept. 6, 1966, 80 Stat. 631, the first section of which enacted Title 5, Government Organization and Employees.

§ 1856d. Funds

(a) Funds available to any agency head for fire protection on installations or in connection with activities under the jurisdiction of such agency may be used to carry out the purposes of this subchapter. All sums received by any agency head for fire protection rendered pursuant to this subchapter shall be covered into the Treasury as miscellaneous receipts.

(b) Notwithstanding subsection (a), all sums received as reimbursements for costs incurred by any Department of Defense or Department of Agriculture activity for fire protection rendered pursuant to this subchapter shall be credited to the same appropriation or fund from which the expenses were paid or, if the period of availability for obligation for that appropriation has expired, to the appropriation or fund that is currently available to the activity for the same purpose. Amounts so credited shall be subject to the same provisions and restrictions as the appropriation or account to which credited.

Amendments

2014—Subsec. (b). Pub. L. 113–79 inserted “or Department of Agriculture” after “Department of Defense”.

2011—Subsec. (b). Pub. L. 112–81 amended subsec. (b) generally. Prior to amendment, subsec. (b) read as follows: “Notwithstanding the provisions of subsection (a), all sums received for any Department of Defense activity for fire protection rendered pursuant to this subchapter shall be credited to the appropriation fund or account from which the expenses were paid. Amounts so credited shall be merged with funds in such appropriation fund or account and shall be available for the same purposes and subject to the same limitations as the funds with which the funds are merged.”

2008—Pub. L. 110–181 designated existing provisions as subsec. (a) and added subsec. (b).

Effective Date of 2011 Amendment

Pub. L. 112–81, div. A, title III, § 364(b), Dec. 31, 2011, 125 Stat. 1380, provided that: “The amendment made by subsection (a) [amending this section] shall apply with respect to reimbursements for expenditures of funds appropriated after the date of the enactment of this Act [Dec. 31, 2011].”

§ 1856e. Reimbursement of fire funds

(a) Definition of State

In this section, the term “State” means—

(1) a State; and

(2) the Commonwealth of Puerto Rico.

(b) In general

If a State seeks reimbursement for amounts expended for resources and services provided to
another State for the management and suppression of a wildfire, the Secretary, subject to subsections (c) and (d)—
(1) may accept the reimbursement amounts from the other State; and
(2) shall pay those amounts to the State seeking reimbursement.

(c) Mutual assistance agreement

As a condition of seeking and providing reimbursement under subsection (b), the State seeking reimbursement and the State providing reimbursement must each have a mutual assistance agreement with the Forest Service or another Federal agency for providing and receiving wildfire management and suppression resources and services.

(d) Terms and conditions

The Secretary may prescribe the terms and conditions determined to be necessary to carry out subsection (b).

(e) Effect on prior reimbursements

Any acceptance of funds or reimbursements made by the Secretary before February 7, 2014, that otherwise would have been authorized under this section shall be considered to have been made in accordance with this section.

CODIFICATION

Section was enacted as part of the Agricultural Act of 2014, and not as part of act May 27, 1955, which comprises this subchapter.

In the absence of any agreement authorized under this section—

(1) the payment of—

(a) any judgment, settlement, fine, penalty, or cost assessment (including prevailing party legal fees) associated with the applicable litigation; and

(b) any cost incurred in handling the applicable litigation (including legal fees); and

(2) with respect to a Federal firefighter, arranging for, and paying the costs of, representation in the applicable litigation.

(2) Federal firefighter

The term “Federal firefighter” means an individual furnished by the Secretary of Agriculture or the Secretary of the Interior under an agreement entered into under section 1856n of this title.

(3) Foreign fire organization

The term “foreign fire organization” means any foreign governmental, public, or private entity that has wildfire protection resources.
(1) furnish emergency wildfire protection resources to any foreign nation when the furnishing of such resources is determined by such Secretary to be in the best interest of the United States; and
(2) accept emergency wildfire protection resources from any foreign fire organization when the acceptance of such resources is determined by such Secretary to be in the best interest of the United States.

(c) Reimbursement under agreements with Canada

Notwithstanding the preceding provisions of this section, reimbursement may be provided for the costs incurred by the Government of Canada or a Canadian organization in furnishing wildfire protection resources to the Government of the United States under—
(1) the memorandum entitled “Memorandum of Understanding Between the United States Department of Agriculture and Environment Canada on Cooperation in the Field of Forestry-Related Programs” dated June 25, 1982; and
(2) the arrangement entitled “Arrangement in the Form of an Exchange of Notes Between the Government of Canada and the Government of the United States of America” dated May 4, 1982.

(d) Service performed under this subchapter by Federal employees

(1) In general

Any service performed by any employee of the United States under an agreement or otherwise under this subchapter shall constitute service rendered in the line of duty in such employment.

(2) Effect

Except as provided in section 1856n-1 of this title, the performance of such service by any other individual shall not make such individual an employee of the United States.

(2011—Subsec. (a). Pub. L. 112–74, § 411(3)(A), inserted headings for subsec. (a) and pars. (1) and (2).
Subsec. (d). Pub. L. 112–74, §411(3)(D), inserted subsec. heading, designated first and second sentences as pars. (1) and (2), respectively, inserted par. headings, and substituted “Except as provided in section 1856n-1 of this title, the” for “The” in par. (2).

§ 1856n-1. Reciprocal agreements with liability coverage

(a) Protection from liability for foreign firefighters and foreign fire organizations

Subject to subsection (b), in an agreement with a foreign fire organization entered into under section 1856n of this title, the Secretary of Agriculture and the Secretary of the Interior may provide that—

(1) a foreign firefighter shall be considered to be an employee of the United States for purposes of tort liability while the foreign firefighter is acting within the scope of an official duty under the agreement; and
(2) any claim against the foreign fire organization or any legal organization associated with the foreign firefighter that arises out of an act or omission of the foreign firefighter in the performance of an official duty under the agreement, or that arises out of any other act, omission, or occurrence for which the foreign fire organization or legal organization associated with the foreign firefighter is legally responsible under applicable law, may be prosecuted only—
(A) against the United States; and
(B) as if the act or omission were the act or omission of an employee of the United States.

(b) Protection from liability for Federal firefighters and the Federal Government

The Secretary of Agriculture and the Secretary of the Interior may provide the protections under subsection (a) if the foreign fire organization agrees—

(1) to assume any and all liability for any legal action brought against the Federal firefighter for an act or omission of the Federal firefighter while acting within the scope of an official duty under the agreement; and
(2) to the extent the United States or any legal organization associated with the Federal firefighter is not entitled to immunity from the jurisdiction of the courts having jurisdiction over the foreign fire organization receiving the services of the Federal firefighters, to assume any and all liability for any legal action brought against the United States or the legal organization arising out of—
(A) an act or omission of the Federal firefighter in the performance of an official duty under the agreement; or
(B) any other act, omission, or occurrence for which the United States or the legal organization associated with the Federal firefighter is legally responsible under the laws applicable to the foreign fire organization.

PART II—NATIONAL SCIENCE FOUNDATION

SECTION 21. EXECUTIVE COMMITTEE

(a) There is hereby established the Executive Committee of the National Science Board, hereafter in this Part referred to as the Executive Committee, which shall be composed of five voting members. Four of the members shall be elected as hereinafter provided. The Director provided for in section 22 of this reorganization plan, ex officio, shall be the fifth member and the chairman of the Executive Committee.

(b) At its annual meeting held in 1964 and at each of its succeeding annual meetings the National Science Board, hereafter in this Part referred to as the Board, shall elect two of its members as members of the Executive Committee, and the Executive Committee members so elected shall hold office for two years from the date of their election. Any person who has been a member of the Executive Committee (established by this reorganization plan) for six consecutive years shall thereafter be ineligible for service as a member thereof during the two-year period following the expiration of such sixth year. For the purposes of this subsection, the period between any two consecutive annual meetings of the Board shall be deemed to be one year.

(c) At its first meeting held after the effective date of this section the Board shall elect four of its members as members of the Executive Committee. As designated by the Board, two of the Executive Committee members so elected shall hold office as such members until the date of the annual meeting of the Board held in 1964 and the other two members so elected shall hold such office until the annual meeting of the Board held in 1965.

(d) Any person elected as a member of the Executive Committee to fill a vacancy occurring prior to the expiration of the term for which his predecessor was elected shall be elected for the remainder of such term.

(e) The functions conferred upon the Executive Committee now existing under the provisions of the National Science Foundation Act of 1950 [42 U.S.C. 1861 et seq.], by the provisions of section 6 of the National Science Foundation Act of 1950 [42 U.S.C. 1865] or otherwise, are hereby transferred to the Executive Committee established by the provisions of this Part; and the authority of the National Science Board to assign its powers and functions to the existing Executive Committee, and statutory limitations upon such assignment, shall hereafter be applicable to the Execu-
(a) There is hereby established in the National Science Foundation a new office with the title of Director of the National Science Foundation. The Director of the National Science Foundation, hereafter in this Part referred to as the Director, shall be appointed by the President by and with the advice and consent of the Senate. Before any person is appointed as Director the President shall afford the Board an opportunity to make recommendations to him with respect to such appointment. The Director shall serve for a term of six years unless sooner removed by the President. The Director shall not engage in any business, vocation or employment other than that of serving as such Director, nor shall he, except with the approval of the Board, hold any office in, or act in any capacity for, any organization, agency, or institution with which the Foundation makes any contract or other arrangement under the proviso of section 23(b)(2) of the reorganization plan, all functions of the office of Director of the National Science Foundation abolished by the provisions of section 23(a)(2) hereof are hereby transferred to the office of Director established by the provisions of subsection (a) of this section.

(c) The Director, ex officio, shall be an additional member of the Board and, except in respect of compensation, pension and tenure, shall hold the same voting powers as the other members of the Board. He shall be a voting member of the Board and shall be eligible for election by the Board as chairman or vice chairman of the Board. [As amended Pub. L. 88–426, title III, §305(41)(C), Aug. 14, 1964, 78 Stat. 428.]

SEC. 23. ABOLITIONS

(a) The following agencies, now existing under the National Science Foundation Act of 1950 (42 U.S.C. 1861 et seq.), are hereby abolished:

(1) The Executive Committee of the National Science Board (section 6 of Act, 42 U.S.C. 1865).

(2) The office of Director of the National Science Foundation (sections 2 and 5 of Act; 42 U.S.C. 1861, 1864).

(b) There are also hereby abolished:

(1) The functions conferred upon the National Science Board by that part of section 6(a) of the National Science Foundation Act of 1950 (42 U.S.C. 1865(a)) which reads: "The Board is authorized to appoint from among its members an Executive Committee".

(2) The functions of the Director of the National Science Foundation provided for in sections 4(a) and 5(a) of the National Science Foundation Act of 1950 (42 U.S.C. 1863(a), 1864(a)) with respect to serving as a non-voting member of the Board and his functions with respect to serving as a nonvoting member of the Executive Committee provided for in section 6(b) of that Act (42 U.S.C. 1865(b)).

(3) So much of the functions conferred upon divisional committees by the provisions of section 8(d) of the National Science Foundation Act of 1950 (42 U.S.C. 1867(d)) as consists of making recommendations to, and advising and consulting with, the Board.

(c) The provisions of sections 23(a)(1) and 23(b)(1) hereof shall become effective on the date of the first meeting of the Board held after the effective date of the other provisions of this reorganization plan.

PART III. TRANSITIONAL PROVISIONS

SECTION 31. INCIDENTAL TRANSFERS

(a) So much of the personnel, property, records, and unexpended balances of appropriation, allocations, and other funds employed, held, used, available, or to be made available, in connection with the functions transferred by the provisions of section 3 of this reorganization plan as the Director of the Bureau of the Budget shall determine shall be transferred to the Office of Science and Technology at such time or times as the said Director shall direct.

(b) Such further measures and dispositions as the Director of the Bureau of the Budget shall deem to be necessary in order to effectuate the transfers provided for in subsection (a) of this section shall be carried out in such manner as he shall direct and by such agencies as he shall designate.

SEC. 32. INTERIM OFFICERS

(a) The President may authorize any person who immediately prior to the effective date of Part I of the reorganization plan holds a position in the Executive Office of the President to act as Director of the Office of Science and Technology until the office of Director is for the first time filled pursuant to the provisions of this reorganization plan or by recess appointment, as the case may be.

(b) The President may authorize any person who immediately prior to the effective date of section 22 of this reorganization plan holds any office existing under the provisions of the National Science Foundation Act of 1950 (42 U.S.C. 1861 et seq.) to act as Director of the National Science Foundation until the Office of Director is for the first time filled pursuant to the provisions of this reorganization plan or by recess appointment, as the case may be.

(c) The President may authorize any person who serves in an acting capacity under the foregoing provisions of this section to receive the compensation attached to the office in respect of which he so serves. Such compensation, if authorized, shall be in lieu of, but not in addition to, other compensation from the United States to which such person may be entitled.

[Amendments by Pub. L. 90–407, July 18, 1968, 82 Stat. 360, intended to continue in effect the existing offices, procedures, and organization of the National Science Foundation as provided by this chapter, part II of Reorg. Plan No. 2 of 1962, and Reorg. Plan No. 5 of 1965, but on and after July 18, 1968, part II of Reorg. Plan No. 2 of 1962, and Reorg. L. 90–407, set out as Continuation of Existing Offices, Procedures, and Organization of the National Science Foundation note under section 1602 of this title.]

MESSAGE OF THE PRESIDENT

To the Congress of the United States:

I transmit herewith Reorganization Plan No. 2 of 1962, prepared in accordance with the provisions of the Reorganization Act of 1949, as amended, and providing for certain reorganizations in the field of science and technology.

Part I of the reorganization plan establishes the Office of Science and Technology as a new unit within the Executive Office of the President; places at the head thereof a Director appointed by the President by and with the advice and consent of the Senate and makes provision for a Deputy Director similarly appointed; and transfers to the Director certain functions of the National Science Foundation under sections 3(a)(1) and 3(a)(6) of the National Science Foundation Act of 1950.

The new arrangements incorporated in part I of the reorganization plan will constitute an important development in executive branch organization for science and technology. Under those arrangements the President will have permanent staff resources capable of advising and assisting him on matters of national policy affected by or pertaining to science and technology. Considering the rapid growth and far-reaching scope of Federal activities in science and technology, it is imperative that the President have adequate staff support in developing policies and evaluating programs in order to assure that science and technology are used most ef-
fectively in the interests of national security and general welfare.

To this end it is contemplated that the Director will assist the President in discharging the responsibility of the President, for the proper coordination of Federal science and technology functions. More particularly, it is expected that he will advise and assist the President and the President may request with respect to—

(1) Major policies, plans, and programs of science and technology of the various agencies of the Federal Government, giving appropriate emphasis to the relationship of science and technology to national security and foreign policy, and measures for furthering science and technology in the Nation.

(2) Assessment of selected scientific and technical developments and programs in relation to their impact on national policies.

(3) Review, integration, and coordination of major Federal activities in science and technology, giving due consideration to the effects of such activities on non-Federal resources and institutions.

(4) Assuring that good close relations exist with the Nation’s scientific and engineering communities so as to further in every appropriate way their participation in strengthening science and technology in the United States and the free world.

(5) Such other matters consonant with law as may be assigned by the President to the Office.

The ever-growing significance and complexity of Federal programs in science and technology have in recent years necessitated the taking of several steps for improving the organizational arrangements of the executive branch in relation to science and technology:

(1) The National Science Foundation was established in 1950. The Foundation was created to meet a widely recognized need for an organization to develop and encourage a national policy for the promotion of basic research and education in the sciences, to support basic research, to evaluate research programs undertaken by Federal agencies, and to perform related functions.

(2) The Office of the Special Assistant to the President for Science and Technology was established in 1957. The Special Assistant serves as Chairman of both the President’s Science Advisory Committee and the Federal Council for Science and Technology, mentioned below.

(3) At the same time, the Science Advisory Committee, composed of eminent non-Government scientists and engineers, and located within the Office of Defense Mobilization, was reconstituted in the White House Office as the President’s Science Advisory Committee.

(4) The Federal Council for Science and Technology, composed of policy officials of the principal agencies engaged in scientific and technical activities, was established in 1959. The National Science Foundation has proved to be an effective instrument for administering sizable programs in support of basic research and education in the sciences and has set an example for other agencies through the administration of its own programs. However, the Foundation, being at the same organizational level as other agencies, cannot satisfactorily coordinate Federal science policies or evaluate programs of other agencies. Science policies, transcending agency lines, need to be coordinated and shaped at the level of the Executive Office of the President. The President is drawing upon many resources both within and outside of Government. Similarly, staff efforts at that higher level are required for the evaluation of Government programs in science and technology.

Thus, the further reforms contained in part I of the reorganization plan are now needed in order to meet most effectively new and expanding requirements brought about by the rapid and far-reaching growth of the Government’s research and development programs. These requirements call for the further strengthening of science organization at the Presidential level and for the adjustment of the Foundation’s role to reflect changed conditions. The Foundation will continue to originate policy proposals and recommendations concerning the support of basic research and education in the sciences, and the new office will look to the Foundation to provide studies and information on which sound national policies in science and technology can be based.

Part I of the reorganization plan will permit some strengthening of the staff and consultant resources now available to the President in respect of scientific and technical factors affecting executive branch policies and will also facilitate communication with the Congress.

Part II of the reorganization plan provides for certain reorganizations within the National Science Foundation which will strengthen the capability of the Director of the Foundation to exert leadership and otherwise further the effectiveness of administration of the Foundation. Specifically:

(1) There is established a new office of Director of the National Science Foundation and that Director, ex officio, is made a member of the National Science Board on a basis coordinate with that of other Board members.

(2) There is substituted for the now-existing Executive Committee of the National Science Board a new Executive Committee composed of the Director of the National Science Foundation, ex officio, as a voting member and Chairman of the Committee, and of four other members elected by the National Science Board from among its appointive members.

(3) Committees advisory to each of the divisions of the Foundation will make their recommendations to the Director only rather than to both the Director and the National Science Board.

After investigation I have found and hereby declare that each reorganization included in Reorganization Plan No. 2 of 1962 is necessary to accomplish one or more of the purposes set forth in section 2(a) of the Reorganization Act of 1949, as amended.

I have found and hereby declare that it is necessary to include in the reorganization plan, by reason of reorganizations made thereby, provisions for the appointment and compensation of the Director and Deputy Director of the Office of Science and Technology and of the Director of the National Science Foundation. The rate of compensation fixed for each of these officers is that which I have found to prevail in respect of comparable officers in the executive branch of the Government.

The functions abolished by the provisions of section 2(b) of the reorganization plan are provided for in sections 4(a), 5(a), 6(a), 6(b), and 8(d) of the National Science Foundation Act of 1950.

The taking effect of the reorganizations included in the reorganization plan will provide sound organizational arrangements and will make possible more effective and efficient administration of Government programs in science and technology. It is, however, impracticable to itemize at this time the reductions in expenditures which it is probable will be brought about by such taking effect.

I recommend that the Congress allow the reorganization plan to become effective.

JOHN F. KENNEDY.

§ 1862. Functions

(a) Initiation and support of studies and programs; scholarships; current register of scientific and engineering personnel

The Foundation is authorized and directed—

(1) to initiate and support basic scientific research and programs to strengthen scientific research potential and science education programs at all levels in the mathematical, physical, medical, biological, social, and other
(b) Contracts, grants, loans, etc., for scientific and engineering activities; financing of programs

The Foundation is authorized to initiate and support specific scientific and engineering activities in connection with matters relating to international cooperation, national security, and the effects of scientific and engineering applications upon society by making contracts or other arrangements (including grants, loans, and other forms of assistance) for the conduct of such activities. When initiated or supported pursuant to requests made by any other Federal department or agency, including the Office of Technology Assessment, such activities shall be financed whenever feasible from funds transferred to the Foundation by the requesting official as provided in section 1873(f) of this title, and any such activities shall be unclassified and shall be identified by the Foundation as being undertaken at the request of the appropriate official.

(c) Scientific and engineering research programs at academic and other nonprofit institutions; applied scientific and engineering research programs by Presidential directive; employment of consulting services; coordination of activities

In addition to the authority contained in subsections (a) and (b), the Foundation is authorized to initiate and support scientific and engineering research, including applied research, at academic and other nonprofit institutions. When so directed by the President, the Foundation is further authorized to support, through other appropriate organizations, applied scientific research and engineering research relevant to national problems involving the public interest. In exercising the authority contained in this subsection, the Foundation may employ by grant or contract such consulting services as it deems necessary for the purpose of such evaluations; and to take into consideration the results of such evaluations in correlating the research and educational programs undertaken or supported by the Foundation with programs, projects, and studies undertaken by agencies of the Federal Government, by individuals, and by public and private research groups;

(6) to provide a central clearinghouse for the collection, interpretation, and analysis of data on scientific and engineering resources and to provide a source of information for policy formulation by other agencies of the Federal Government;

(7) to initiate and maintain a program for the determination of the total amount of money for scientific and engineering research, including money allocated for the construction of the facilities wherein such research is conducted, received by each educational institution and appropriate nonprofit organization in the United States, by grant, contract, or other arrangement from agencies of the Federal Government, and to report annually thereon to the President and the Congress; and

(8) to take a leading role in fostering and supporting research and education activities to improve the security of networked information systems.

(e) Balancing of research and educational activities in the sciences and engineering

In exercising the authority and discharging the functions referred to in the foregoing subsections, it shall be an objective of the Foundation to strengthen research and education in the sciences and engineering, including independent research by individuals, throughout the United States, and to avoid undue concentration of such research and education.

(f) Annual report to the President and Congress

The Foundation shall render an annual report to the President for submission on or before the 15th day of April of each year to the Congress summarizing the activities of the Foundation and making such recommendations as it may deem appropriate. Such report shall include information as to the acquisition and disposition by the Foundation of any patents and patent rights.

(g) Support of access to computer networks

In carrying out subsection (a)(d), the Foundation is authorized to foster and support access by the research and education communities to computer networks which may be used substan-
tially for purposes in addition to research and education in the sciences and engineering, if the additional uses will tend to increase the overall capabilities of the networks to support such research and education activities.

AMENDMENTS

1992—Subsec. (g). Pub. L. 102–476 and Pub. L. 102–588 amended section identically, adding subsec. (g). Subsec. (a)(6). Pub. L. 99–383 amended subsec. (g) generally. Prior to amendment, par. (6) read as follows: “’...to maintain a current register of scientific and engineering personnel, and in other ways to provide a central clearinghouse for the collection, interpretation, and analysis of data on the availability of, and the current and projected need for, scientific and engineering resources in the United States, and to provide a source of information for policy formulation by other agencies of the Federal Government; and’.”

Subsec. (a)(2). Pub. L. 99–159, §110(a)(2), substituted “...for study and research in the sciences or in engineering...” for “...in the mathematical, physical, medical, biological, engineering, social, and other sciences...”

Subsec. (b). Pub. L. 99–159, §§109(e)(2), 110(a)(8), inserted reference to engineering in two places and substituted “1873(f)” for “1873(g)”.

Subsec. (d). Pub. L. 99–159, §110(a)(10), substituted “research and education in science and engineering” for “basic research and education in the sciences”.

1977—Subsec. (e). Pub. L. 95–99 substituted “an objective” for “one of the objectives”.

1972—Subsec. (a)(1). Pub. L. 92–372 inserted support of science education programs at all levels to the functions of the Foundation and substituted “scientific and educational activities” for “scientific activities”.

Subsec. (b). Pub. L. 92–484 inserted provisions authorizing the Foundation to initiate and support specific scientific activities in connection with matters relating to the effects of scientific applications upon society, and substituted provisions relating to the initiation or support pursuant to requests of activities by any other Federal department or agency, including the Office of Technology Assessment, for provisions relating to the initiation or support pursuant to requests of activities by the Secretary of State or Secretary of Defense.

1968—Subsec. (a)(1). Pub. L. 90–407 redesignated par. (2) as (1) and added social sciences to the enumerated list of sciences. Former par. (1) redesignated subsec. (d).

Subsec. (a)(2). Pub. L. 90–407 redesignated par. (4) as (2) and added social sciences to the enumerated list of sciences. Former par. (2) redesignated (1).

Subsec. (a)(5). Pub. L. 90–407 redesignated par. (6) as (5) and provided for the employment of consulting services, by grant or contract, to assist in the evaluation of the status and needs of the various sciences as evidenced by the programs and studies undertaken by agencies of the government, by individuals, and by public and private research groups, and provided for the consideration of the results of such evaluations in the correlation of the Foundation’s programs with those undertaken by agencies of the government, as well as those undertaken by individuals and by public and private research groups. Former par. (5) redesignated (3).

Subsec. (a)(6). Pub. L. 90–407 redesignated par. (8) as (6) and provided that the register of scientific and technical personnel shall be current, and authorized the Foundation to analyze and interpret the collected data on the availability of, and the current and projected need for, scientific and technical resources in the United States and to make such information available to other agencies of the government for policy formulation. Former par. (6) redesignated (5).

Subsec. (a)(7). Pub. L. 90–407 added par. (7). Former par. (7), which provided for the establishment of such special commissions as the Board may from time to time deem necessary for the purposes of this chapter, was struck out.

Subsec. (a)(9). Pub. L. 90–407 struck out par. (9) which authorized the Foundation to initiate and support a program of study, research, and evaluation in the field of weather modification, with particular emphasis on areas experiencing floods, drought, etc., and to report annually to the President and the Congress thereon.

Subsec. (b). Pub. L. 90–407 redesignated former subsec. (a)(3) as (b) and substituted provisions authorizing the Foundation to initiate and support specific scientific activities in matters related to international cooperation or national security for provisions authorizing the Foundation to initiate and support only scientific research activities, only in matters related to national defense and only when requested to do so by the Secretary of Defense, and inserted provisions specifying the manner of financing such scientific activities. Former subsec. (b) redesignated (e).

Subsec. (d). Pub. L. 90–407 redesignated former subsec. (a)(1) as (d) and substituted provisions authorizing the Board and the Director to recommend and encourage national policies promoting basic research and education in the sciences for provisions authorizing and directing the Foundation to develop and encourage such policies.

Subsec. (e). Pub. L. 90–407 redesignated former subsec. (b) as (e), substituted “the foregoing subsections” for “subsection (a) of this section”, “strengthen research” for “strengthen basic research”, and struck out ref-
erence to the territories and possessions of the United States.

Subsec. (i).

Pub. L. 96–407 redesignated former subsec. (c) as (f) and struck out provision requiring the report to include the minority views and recommendations if any, of members of the Board.

1988—Subsec. (a)(2).

Pub. L. 96–323 clarified the Foundation’s authority to support programs to strengthen scientific research potential.

1956—Subsec. (a)(9).

Pub. L. 85–510 added par. (9).

TRANSFER OF NATIONAL SCIENCE FOUNDATION PROGRAMS

For transfer of all programs relating to science education of the National Science Foundation or the Director thereof under this chapter, with certain exceptions, to the Secretary of Education, see section 3444 of Title 20, Education.

MANAGEMENT OF THE U.S. ANTARCTIC PROGRAM

Pub. L. 114–329, title I, § 112, Jan. 6, 2017, 130 Stat. 2992, provided that:

“(a) REVIEW.—

“(1) IN GENERAL.—The Director of the Foundation shall continue to review the efforts by the Foundation to sustain and strengthen scientific efforts in the face of logistical challenges for the United States Antarctic Program.

“(2) ISSUES TO BE EXAMINED.—In conducting the review, the Director shall examine, at a minimum, the following:

“(A) Implementation by the Foundation of issues and recommendations identified by—

“(i) the Inspector General of the National Science Foundation in audit reports and memoranda on the United States Antarctic Program in the last 4 years;

“(ii) the U.S. Antarctic Program Blue Ribbon Panel report, More and Better Science in Antarctica through Increased Logistical Effectiveness, issued July 23, 2012; and

“(iii) the National Research Council report, Future Science Opportunities in Antarctica and the Southern Ocean, issued September 2011.

“(B) Efforts by the Foundation to track its progress in addressing the issues and recommendations under subparagraph (A).

“(C) Efforts by the Foundation to address other opportunities and challenges, including efforts on scientific research, coordination with other Federal agencies and international partners, logistics and transportation, health and safety of participants, oversight and financial management of awardees and contractors, and resources and policy challenges.

“(B) BRIEFING.—Not later than 180 days after the date of enactment of this Act [Jan. 6, 2017], the Director shall brief the appropriate committees of Congress on the ongoing review, including findings and any recommendations.

[For definitions of terms used in section 112 of Pub. L. 114–329, set out above, see section 3444 of Title 20, Education.]

NSF STUDY AND REPORT ON THE “DIGITAL DIVIDE”

“(a) STUDY.—The National Science Foundation shall conduct a study of the divergence in access to high technology (commonly referred to as the ‘digital divide’) in the United States.

“(b) REPORT.—Not later than 18 months after the date of enactment of this Act [Oct. 17, 2000], the Director of the National Science Foundation shall submit a report to Congress setting forth the findings of the study conducted under subsection (a).”

IMPROVING UNITED STATES UNDERSTANDING OF SCIENCE, ENGINEERING, AND TECHNOLOGY IN EAST ASIA

STATUS OF SCIENTIFIC INSTRUMENTATION; CURRENT AND PROJECTED NEEDS FOR SCIENTIFIC AND TECHNOLOGICAL INSTRUMENTATION; DEVELOPMENT OF INDICATORS, CORRELATES, OR OTHER SUITABLE MEASURES OR INDICATORS

Pub. L. 96–44, § 7, Aug. 2, 1979, 93 Stat. 334, provided that: “In partial fulfillment of the established statutory requirement that the National Science Foundation evaluate the status of and current and projected need for scientific resources (section 3(a)(5) and (6) of Public Law 81–507, as amended [subsec. (a)(5) and (6) of this section]), the National Science Foundation shall develop indices, correlates, or other suitable measures or indicators of the status of scientific instrumentation in the United States and of the current and projected need for scientific and technological instrumentation.”

FLOOD HAZARD MITIGATION STUDY

AUTHORIZED USE OF FUNDS UNDER SCIENCE AND SOCIETY PROGRAM

Pub. L. 95–99, § 5, Aug. 15, 1977, 91 Stat. 832, provided that:

“(a) From the funds authorized under the program ‘Science and Society’, the National Science Foundation is authorized to provide support which is designed to—

“(1) improve public understanding of public policy issues involving science and technology;

“(2) facilitate the participation of qualified scientists and engineers and of undergraduate and graduate students in public activities aimed at the resolution of public policy issues having significant scientific and technical aspects; and

“(3) assist nonprofit, citizens, and bona fide public interest groups to acquire necessary scientific and technical expertise in order to improve their comprehension of scientific and technical aspects of public policy issues.

“(b) Awards made pursuant to this section shall, to the extent feasible, include support for—

“(1) qualified scientists and engineers to work on public policy issues with significant scientific and technical components in conjunction with units of State and local government, nonprofit organizations, or bona fide public interest groups;

“(2) internship programs for science and engineering undergraduate or graduate students to work on public policy issues with significant scientific and technical components in conjunction with units of State and local government, nonprofit organizations, or bona fide public interest groups as part of their academic training;

“(3) forums, conferences, and workshops on public policy issues with significant scientific and technical components;

“(4) training in the presentation of scientific and technical studies in a manner which (A) improves public understanding of the ways in which science and technology influence contemporary life, (B) improves public access to the results of scientific and technical research, (C) encourages and facilitates interaction between laypersons and scientists on public issues with important scientific and technological components, and (D) increases public knowledge and understanding of the ethical and value implications of scientific and technological developments;

“(5) new and existing programs using radio or television to increase public understanding of public policy issues with significant scientific and technical components; and

...
(6) bona fide public interest groups to acquire necessary scientific and technical expertise relating to the scientific and technical aspects of public policy issues and to enable such groups to bring together in appropriate forums experts whose research has been directed to the resolution of such issues.

Establishment of ‘Science for Citizens Program’ Conducted in Conjunction With ‘Public Understanding of Science Program’

Pub. L. 94–471, § 5, Oct. 11, 1976, 90 Stat. 2054, provided that:

(a) The National Science Foundation is authorized and directed to conduct an experimental ‘Science for Citizens Program’ and an augmented Public Understanding of Science Program under which funds will be available for pilot projects to:

1. Improve public understanding of science, engineering and technology and their impact on public policy issues;
2. Facilitate the participation of experienced scientists and engineers as well as graduate and undergraduate students in helping the public understand science, engineering and technology and their impact on public policies; and
3. Assist nationally recognized professional societies and groups serving important public purposes in conducting a limited number of forums, conferences, and workshops to increase public understanding of science and technology, and of their impact on public policy issues, after consideration of the following eligibility factors:
   (A) The extent to which the proposal of the society or group will contribute to the development of facts, issues, and arguments relevant to public policy issues having significant scientific and technical aspects, and
   (B) The ability of the society or group, using its own resources, to conduct such forums, conferences, and workshops.

(b) One or more review panels shall be established for the purpose of reviewing applications for awards under this section. The membership of each review panel shall have balanced representation from the scientific and nonscientific communities and the public and private sectors.

(c) No contract, grant or other arrangement shall be made under this section without the prior approval of the National Science Board.

(d) To assist the Congress in evaluating activities initiated pursuant to this section, the Director of the National Science Foundation, in consultation with a review panel having a balanced representation from the scientific and nonscientific community and the public and private sectors, is directed to prepare a comprehensive analysis and assessment of such activities to be submitted to the House Committee on Science and Technology (now Committee on Science, Space, and Technology) and the Senate Committee on Labor and Public Welfare (now Committee on Health, Education, Labor, and Pensions), not later than October 31, 1977. An interim report is required no later than March 1, 1977.

Development of Program Plan for Continuing Education in Science and Engineering

Pub. L. 94–471, § 6, Oct. 11, 1976, 90 Stat. 2055, provided the National Science Foundation to develop a program plan for continuing education in science and engineering and, not later than Oct. 31, 1977, provide specific committees of the House of Representatives and Senate a report on the plan developed with recommendations for implementation in fiscal year 1978.

Denial of Financial Assistance to Campus Disrupters

Pub. L. 93–96, § 7, Aug. 16, 1973, 87 Stat. 316, provided that:

(a) If an institution of higher education determines, after affording notice and opportunity for hearing to an individual attending, or employed by, such institution, that such individual has been convicted of any court of record of any crime which was committed after the date of enactment of this Act [Aug. 16, 1973] and which involved the use of (or assistance to others in the use of) force, disruption, or the seizure of property under control of any institution of higher education to prevent officials or students in such institution from engaging in their duties or pursuing their studies, and that such crime was of a serious nature and contributed to a substantial disruption of the administration of the institution with respect to which such crime was committed, then the institution which such individual attends, or is employed by, shall deny for a period of two years any further payment to, or for the direct benefit of, such individual under any of the programs specified in subsection (c). If an institution denies an individual assistance under the authority of the preceding sentence of this subsection, then any institution which such individual subsequently attends shall deny for the remainder of the two-year period any further payment to, or for the direct benefit of, such individual under any of the programs specified in subsection (c).

(b) If an institution of higher education determines, after affording notice and opportunity for hearing to an individual attending, or employed by, such institution, that such individual has wilfully refused to obey a lawful regulation or order of such institution after the date of enactment of this Act [Aug. 16, 1973], and that such refusal was of a serious nature and contributed to a substantial disruption of the administration of such institution, then such institution shall deny for a period of two years, any further payment to, or for the direct benefit of, such individual under any of the programs specified in subsection (c).

(c) The programs referred to in subsections (a) and (b) are as follows:

1. The programs authorized by the National Science Foundation Act of 1950 [this chapter]; and

(d) Nothing in this Act [Pub. L. 93–96], or any Act amended by this Act, shall be construed to prohibit any institution of higher education from refusing to award, continue, or extend any financial assistance under any such Act to any individual because of any misconduct which in its judgment bears adversely on his fitness for such assistance.

(2) Nothing in this section shall be construed as limiting or prejudicing the rights and prerogatives of any institution of higher education to institute and carry out an independent, disciplinary proceeding pursuant to existing authority, practice, and law.

(3) Nothing in this section shall be construed to limit the freedom of any student to verbal expression of individual views or opinions.

Similar provisions were contained in the following National Science Foundation Authorization Acts:

Continuation of Authorization for Weather Modification Programs; Repeal

Pub. L. 90–407, § 11(1), July 18, 1968, 82 Stat. 365, provided in part that the authorization for the programs initiated under former subsec. (a)(9) of this section shall continue in effect until Sept. 1, 1968 for the purposes of section 1872a of this title.

Continuation of Existing Officers, Procedures, and Organization of the National Science Foundation

Pub. L. 90–407, § 16, July 18, 1968, 82 Stat. 367, provided that: “Except as otherwise specifically provided therein, the amendments made by this Act [enacting section 1864A of this title, amending sections 1862 to 1866, 1868 to 1870, 1872 to 1875, and 1877 of this title, sections 5313,
3314, and 3316 of Title 5, Government Organization and Employees, repealing sections 1867 and 1872a of this title, and enacting provisions set out as a note under section 3313 of [Title 5] are intended to continue in effect under the National Science Foundation Act of 1950 [this chapter] the existing offices, procedures, and organization of the National Science Foundation as provided by such Act, (this chapter) part II of Reorganization Plan Numbered 2 of 1962, and Reorganization Plan Numbered 5 of 1965 [set out as a note under section 1861 of this title]. From and after the date of the enactment of this Act (July 18, 1968), part II of Reorganization Plan Numbered 2 of 1962, and Reorganization Plan Numbered 5 of 1965, shall be of no force or effect; but nothing in this Act shall alter or affect any transfers or modifications made by part I of such Reorganization Plan Numbered 2 of 1962."

INVESTIGATION OF NEED FOR GEOPHYSICAL INSTITUTE IN TERRITORY OF HAWAI'I

Act Aug. 1, 1956, ch. 865, 70 Stat. 922, directed the National Science Foundation to conduct an investigation into the need for and the feasibility and usefulness of a geophysical institute located in the Territory [now State] of Hawaii. The Foundation was required to report the results of its investigations, together with its recommendations based thereon, to the Congress not later than 9 months after Aug. 1, 1956.

EX. ORD. No. 10521. ADMINISTRATION OF SCIENTIFIC RESEARCH

SECTION 1. The National Science Foundation (hereinafter referred to as the Foundation) shall from time to time recommend to the President policies for the promotion and support of basic research and education in the sciences, including policies with respect to furnishing guidance toward defining the responsibilities of the Federal Government in the conduct and support of basic scientific research.

SEC. 2. The Foundation shall continue to make comprehensive studies and recommendations regarding the Nation’s scientific research effort and its resources for scientific activities, including facilities and scientific personnel, and its foreseeable scientific needs, with particular attention to the extent of the Federal Government’s activities and the resulting effects upon trained scientific personnel. In making such studies, the Foundation shall make full use of existing sources of information and research facilities within the Federal Government.

SEC. 3. The Foundation, in concert with each Federal agency concerned, shall review the basic scientific research programs and activities of the Federal Government in order, among other purposes, to formulate methods for strengthening the administration of such programs and activities by the responsible agencies, and to study areas of basic research where gaps or undesirable overlapping of support may exist, and shall recommend to the heads of agencies concerning the support given to basic research.

SEC. 4. As now or hereafter authorized or permitted by law, the Foundation shall be increasingly responsible for providing support by the Federal Government for general-purpose basic research through contracts and grants. The conduct and support by other Federal agencies of basic research in areas which are closely related to their missions is recognized as important and desirable, especially in response to current national needs, and shall continue.

SEC. 5. The Foundation, in consultation with educational institutions, the heads of Federal agencies, and the Commissioner of Education of the Department of Health, Education, and Welfare [now Secretary of Education], shall study the effect of the reorganizations of Federal policies and administration of contracts and grants for scientific research and development, and shall recommend policies and procedures which will promote the attainment of general national research objectives and realization of the research potential of the Nation, the strength and independence of the Nation’s institutions of learning.

SEC. 6. The head of each Federal agency engaged in scientific research shall make certain that effective executive, organizational, and fiscal practices exist to ensure (a) that the Foundation is consulted on policies concerning the support of basic research, (b) approved scientific research programs conducted by the agency are reviewed continuously in order to preserve priorities in research efforts and to adjust programs to meet changing conditions necessary added burdens on budgetary and other resources, (c) that applied research and development shall be undertaken with sufficient consideration of the underlying basic research and such other factors as relative urgency, project costs, and availability of manpower and facilities; and (d) that, subject to considerations of security and applicable law, adequate dissemination shall be made within the Federal Government of reports on the nature and progress of research projects as an aid to the efficiency and economy of the overall Federal scientific research program.

SEC. 7. Federal agencies supporting or engaging in scientific research shall, with the assistance of the Foundation, cooperate in an effort to improve the methods of classification and reporting of scientific research projects and activities, subject to the requirements of security of information.

SEC. 8. To facilitate the efficient use of scientific research equipment and facilities held by Federal agencies:

(a) the head of each such agency engaged in scientific research shall, to the extent practicable, encourage and facilitate the sharing with other Federal agencies of major equipment and facilities; and

(b) a Federal agency shall procure new major equipment or facilities for scientific research purposes only after taking suitable steps to ascertain that the need cannot be met adequately from existing inventories or facilities of its own or of other agencies; and

(c) the Interdepartmental Committee on Scientific Research and Development shall take necessary steps to ensure that each Federal agency engaged directly in scientific research is kept informed of selected major equipment and facilities which could serve the needs of more than one agency. Each Federal agency possessing such equipment and facilities shall maintain appropriate records to assist other agencies in arranging for their joint use or exchange.

SEC. 9. The heads of the respective Federal agencies shall make such reports concerning activities within the purview of this order as may be required by the President.

SEC. 10. The National Science Foundation shall provide leadership in the effective coordination of the scientific information activities of the Federal Government with a view to improving the availability and dissemination of scientific information. Federal agencies shall cooperate with and assist the National Science Foundation in the performance of this function, to the extent permitted by law.

EXECUTIVE ORDER No. 10807

§ 1862a. Findings and purpose

(a) The Congress finds that—

(1) the fundamental research and related education program supported by the Federal Government and conducted by the Nation’s universities and colleges are essential to our national security, and to our health, economic welfare, and general well-being;

(2) many national research and related education programs conducted by universities and colleges are now hindered by obsolete research buildings and equipment, and many institutions lack sufficient resources to repair, renovate, or replace their laboratories;

(3) the Nation’s capacity to conduct high quality research and educational programs and to maintain its competitive position at the forefront of modern science, engineering, and technology is threatened by this research capital deficit, which poses serious and adverse consequences to our future national security, health, welfare, and ability to compete in the international marketplace;

(4) a national effort to spur reinvestment in research facilities is needed, and national, State, and local policies and cooperative programs are required that will yield maximum return on the investment of scarce national resources and sustain a commitment to excellence in research and education; and

(5) the Foundation, as part of its responsibility for maintaining the vitality of the Nation’s academic research, and in partnership with the States, industry, and universities and colleges, must assist in enhancing the historic linkages between Federal investment in academic research and training and investment in the research capital base by reinvesting in the capital facilities which modern research and education programs require.

(b) It is the purpose of sections 1862a to 1862d of this title to assist in modernizing and revitalizing the Nation’s research facilities at institutions of higher education, independent non-profit research institutions and research museums, and consortia thereof, through capital investment.

§ 1862b. Establishment of Program

(a) Establishment; purpose

(1) To carry out sections 1862a to 1862d of this title, the Director shall establish and carry out a new Academic Research Facilities Modernization Program (hereafter in sections 1862a to 1862d of this title referred to as the “Program”), under which awards are made to institutions of higher education, independent nonprofit research institutions, and research museums, and consortia thereof, for the repair, renovation, or, in exceptional cases, replacement of obsolete science and engineering facilities primarily devoted to research.

(2) Such awards shall, consistent with the functions of the Foundation set forth in section 1862d of this title and through established Foundation selection procedures, serve to—

(A) promote the modernization of graduate academic science and engineering research laboratories and related facilities so as to facilitate and support research in the scientific and engineering disciplines;

(B) assist those academic institutions that historically have received relatively little Federal research and development funds to improve their academic science and engineering infrastructures and broaden and strengthen the Nation’s science and engineering base; and

(C) promote the modernization of undergraduate academic science and engineering research laboratories and related facilities so as to facilitate and support research in the scientific and engineering disciplines.

(b) Improvement projects; maximum amounts

(1) The Program shall be carried out through projects which involve the repair, renovation, or, in exceptional cases, replacement of specific science and engineering facilities devoted primarily to research at eligible institutions, or consortia thereof, and for which funds are awarded in response to specific proposals submitted by such eligible institutions or consortia in accordance with procedures prescribed by the Director pursuant to section 1862c of this title.

(2) Awards made under the Program shall not exceed $7,000,000 to any institution or consortium over any period of 5 years for the repair, renovation, or, in exceptional cases, replacement of academic research facilities.

(3) The Director shall, in making awards under the Program, consider the extent to which that institution or consortium has received funds for the repair, renovation, construction, or replacement of academic facilities from any other Federal funding source within the 5-year period im-

$1862c. Procedures, guidelines, and planning ac-
tivities
(a) Procedures
(1) The Director shall, consistent with the ob-
jectives of the Program and the criteria set
forth in section 1862b(c) of this title, set forth
procedures for the Program.
(2) The procedures so prescribed shall contain
such terms, conditions, and guidelines as may be
necessary in the light of Program objectives,
but shall in any event provide that—
(A) funds to carry out the Program will be
awarded only on the basis of merit after a
comprehensive review using established Foun-
dation procedures;
(B) the membership of merit review panels
that assess proposals will be broadly re-
presentative of eligible institutions, including
research universities and predominantly un-
dergraduate and minority institutions;
(C) the institution receiving an award shall
provide at least 50 percent of the cost, in cash
or in kind, fairly evaluated, of the repair, ren-
ovation, or replacement involved and shall
provide this contribution from private or non-
Federal public sources, except that the Direc-
tor may accept a match of less than 50 per-
cent, but at least 30 percent, for institutions
which are not ranked among the top 100 of the
institutions receiving Federal research and de-
velopment funding, as documented in the lat-
est annual report of the Foundation entitled
“Federal Support to Universities, Colleges,
and Selected Nonprofit Institutions”; and
(D) to the extent practicable, eligible institu-
tions of a given type will compete against
similar institutions for Program awards.
(b) Comprehensive planning activities
The Director shall conduct comprehensive
planning activities, including surveys of re-
search facility needs and other information-
gathering activities, necessary to implement the
Program and to develop the procedures called
for under subsection (a) of this section.
(c) Guidelines
Prior to the issuance of the comprehensive
plan required by subsection (d) of this section,
and consistent with the Program criteria set
forth in section 1862b(c) of this title, the Direc-
tor shall publish in the Federal Register pro-
posed Program guidelines for public review for a
comment period of 30 days. Such guidelines shall
provide detailed information on eligibility, cri-
tera, terms, and conditions and shall include,
but not be limited to—
(1) definitions for the terms “institutions of
higher education”, “private non-profit re-
search organizations”, “research museums”,
“consortia”, “facilities”, “facilities primarily
dedicated to research”, “instrumentation”,
“equipment”, “repair”, “renovation”, and “re-
placement”;
(2) selection criteria to be used by the Foun-
dation in evaluating proposals from institu-
tions and consortia thereof, including criteria
for evaluating scientific merit and for evalu-
ating the age and condition of existing re-
search facilities; and
(3) requirements for matching a Program
award with contributions from non-Federal
sources.
(d) Comprehensive plan

The Director, after gathering appropriate information and after considering comments on the proposed Program guidelines published in the Federal Register pursuant to subsection (c) of this section, shall develop a comprehensive plan for the Program that—

(1) defines the appropriate roles and responsibilities of the Federal Government, institutions of higher education, State governments, private foundations, and other appropriate organizations;

(2) states what procedures will be used to ensure that predominantly undergraduate institutions and colleges and universities that historically have received little Federal research and development funding will receive substantial percentages of the funds awarded under sections 1862a to 1862d of this title;

(3) states the estimated percentage of Program funds available for each category of eligible institutions, including predominantly undergraduate institutions and colleges and universities that historically have received little Federal research and development funding as well as research universities; and

(4) evaluates and addresses, to the maximum extent possible, a variety of factors which include—

(A) the unique circumstances and research facilities needs of research universities, undergraduate institutions, and other institutions whose enrollment includes substantial percentages of minorities underrepresented in science and engineering research;

(B) innovative approaches in the management of the Program that address both short-term and long-term aspects of the renovation, repair, and replacement of academic research facilities;

(C) programmatic approaches that recognize and support excellence, strengthen scientific and engineering research potential and, to the maximum extent possible and consistent with the purposes of this Act, assure an equitable distribution of resources with respect to institutions and geographical areas; and

(D) any recommendations necessary to improve the Program and further meet the purposes of sections 1862a to 1862d of this title.

(e) Report

The Director shall prepare and submit, not later than June 15, 1989, a report containing the comprehensive plan required by subsection (d) of this section to the Committee on Labor and Human Resources of Senate and the Committee on Science, Space, and Technology of the House of Representatives.

(f) Final guidelines

Final guidelines shall be published in the Federal Register not later than 45 days after the submission of the report required under subsection (e).

(g) Amount available for this section

The Director shall, from amounts available to the Foundation under section 101(b) of this Act for fiscal year 1989, make available an amount, not to exceed $1,000,000, to carry out the provisions of this section. None of the funds authorized to be appropriated in section 101 of this Act may be used for grant or contract awards under the Program prior to completion and submission to Congress of the comprehensive plan required by subsection (d) of this section.

(h) Consultation with Secretary of Education and heads of other agencies

In conducting the activities under the Program, the Director shall consult with the Secretary of Education and the heads of other related agencies.

PLANNING GRANTS

Pub. L. 107–368, §26, Dec. 19, 2002, 116 Stat. 3067, provided that: “The Director is authorized to accept planning proposals from applicants who are within .975 percentage points of the current eligibility level for the Experimental Program to Stimulate Competitive Research. Such proposals shall be reviewed by the Foundation to determine their merit for support under the Experimental Program to Stimulate Competitive Research or any other appropriate program.” [For definitions of terms used in section 26 of Pub. L. 107–368, set out above, see section 4 of Pub. L. 107–368, set out as a note under section 1862n of this title.]

§ 1862h. Congressional statement of findings and declaration of purposes respecting scientific and technical education and training

(a) Findings

The Congress finds that—

(1) the position of the United States in the world economy faces great challenges from highly trained foreign competition;

(2) the workforce of the United States must be better prepared for the technologically advanced, competitive, global economy;

(3) the improvement of our work force’s productivity and our international economic position depend upon the strengthening of our educational efforts in science, mathematics, and technology, especially at the associate-degree level;

(4) shortages of scientifically and technically trained workers in a wide variety of fields will best be addressed by collaboration among the Nation’s associate-degree-granting colleges and private industry to produce skilled, advanced technicians; and

(5) the National Science Foundation’s traditional role in developing model curricula, disseminating instructional materials, enhancing faculty development, and stimulating partnerships between educational institutions and industry, makes an enlarged role for the Foundation in scientific and technical education and training particularly appropriate.

(b) Purposes

It is the purpose of sections 1862h to 1862j of this title to—

(1) improve science and technical education at associate-degree-granting colleges;

(2) improve secondary school and postsecondary curricula in mathematics and science;

(3) improve the educational opportunities of postsecondary students by creating comprehensive articulation agreements and planning between 2-year and 4-year institutions; and

(4) promote outreach to secondary schools to improve mathematics and science instruction.

CODIFICATION

Section was enacted as part of the Scientific and Advanced-Technology Act of 1992, and not as part of the
§ 1862i. Scientific and technical education

(a) National advanced scientific and technical education program

The Director of the National Science Foundation (hereafter in sections 1862h to 1862j of this title referred to as the "Director") shall award grants to associate-degree-granting colleges, and consortia thereof, to assist them in providing education in advanced-technology fields, and to improve the quality of their core education courses in science and mathematics. The grant program shall place emphasis on the needs of students who have been in the workforce (including work in the home), and shall be designed to strengthen and expand the scientific and technical education and training capabilities of associate-degree-granting colleges through such methods as—

1. the development of model instructional programs in advanced-technology fields and in core science and mathematics courses;
2. the professional development of faculty and instructors, both full- and part-time, who provide instruction in science, mathematics, and advanced-technology fields;
3. the establishment of innovative partnership arrangements that—
   - involve associate-degree-granting colleges and other appropriate public and private sector entities;
   - provide for private sector donations, faculty opportunities to have short-term assignments with industry, sharing of program costs, equipment loans, and the cooperative use of laboratories, plants, and other facilities, and provision for state-of-the-art work experience opportunities for students enrolled in such programs; and
   - encourage participation of individuals identified in section 1885a or 1885b of this title;
4. the acquisition of state-of-the-art instrumentation essential to programs designed to prepare and upgrade students in scientific and advanced-technology fields; and
5. the development and dissemination of instructional materials in support of improving the advanced scientific and technical education and training capabilities of associate-degree-granting colleges, including programs for students who are not pursuing a science degree.

(b) National centers of scientific and technical education

The Director shall award grants for the establishment of centers of excellence, not to exceed 12 in number, among associate-degree-granting colleges. Centers shall meet one or both of the following criteria:

1. Exceptional instructional programs in advanced-technology fields.
2. Excellence in undergraduate education in mathematics and science.

The centers shall serve as national and regional clearinghouses and models for the benefit of both colleges and secondary schools, and shall provide seminars and programs to disseminate model curricula and model teaching methods and instructional materials to other associate-degree-granting colleges in the geographic region served by the center.

(c) Articulation partnerships

(1) Partnership grants

(A) The Director shall make grants to eligible partnerships to encourage students to pursue bachelor degrees in mathematics, science, engineering, or technology, and to assist students pursuing bachelor degrees in mathematics, science, engineering, or technology to make the transition from associate-degree-granting colleges to bachelor-degree-granting institutions, through such means as—
   - (i) examining curricula to ensure that academic credit earned at the associate-degree-granting college is transferable to bachelor-degree-granting institutions;
   - (ii) informing teachers from the associate-degree-granting college on the specific requirements of courses at the bachelor-degree-granting institution; and
   - (iii) providing summer educational programs for students from the associate-degree-granting college to encourage such students' subsequent matriculation at bachelor-degree-granting institutions.

(B) Each eligible partnership receiving a grant under this paragraph shall, at a minimum—
   - (i) counsel students, including students who have been in the workforce (including work in the home), about the requirements and course offerings of the bachelor-degree-granting institution;
   - (ii) conduct workshops and orientation sessions to ensure that students are familiar with programs, including laboratories and financial aid programs, at the bachelor-degree-granting institution;
   - (iii) provide students with research experiences at bachelor’s-degree-granting institutions participating in the partnership, including stipend support for students participating in summer programs; and
   - (iv) provide faculty mentors for students participating in activities under clause (iii), including summer salary support for faculty mentors.

Funds used by eligible partnerships to carry out clauses (i) and (ii) shall be from non-Federal sources. In-cash and in-kind resources used by eligible partnerships to carry out clauses (i) and (ii) shall be from non-Federal sources. In-cash and in-kind resources

(C) Any institution participating in a partnership that receives a grant under this paragraph shall be ineligible to receive assistance under part B of title I of the Higher Education Act of 1965 [20 U.S.C. 1011 et seq.] for the duration of the grant received under this paragraph.

(2) Outreach grants

The Director shall make grants to associate-degree-granting colleges with outstanding
mathematics and science programs to strengthen relationships with secondary schools in the community served by the college by improving mathematics and science education and encouraging the interest and aptitude of secondary school students for careers in science and advanced-technology fields through such means as developing agreements with local educational agencies to enable students to satisfy entrance and course requirements at the associate-degree-granting college.

(3) Mentor training grants

The Director shall—

(A) establish a program to encourage and make grants available to institutions of higher education that award associate degrees to recruit and train individuals from the fields of science, technology, engineering, and mathematics to mentor students who are described in section 1885a or 1885b of this title in order to assist those students in identifying, qualifying for, and entering higher-paying technical jobs in those fields; and

(B) make grants available to associate-degree-granting colleges to carry out the program identified in subsection (1).

(d) Grants for associate degree programs in STEM fields

(1) In-demand workforce grants

The Director shall award grants to junior or community colleges to develop or improve associate degree or certificate programs in STEM fields, with respect to the region in which the respective college is located, and an in-demand industry sector or occupation.

(2) Applications

In considering applications for grants under paragraph (1), the Director shall prioritize—

(A) applications that consist of a partnership identified in subsection (1).

(3) Mentor training grants

The Director shall—

(A) establish a program to encourage and make grants available to institutions of higher education that award associate degrees to recruit and train individuals from the fields of science, technology, engineering, and mathematics to mentor students who are described in section 1885a or 1885b of this title in order to assist those students in identifying, qualifying for, and entering higher-paying technical jobs in those fields; and

(B) make grants available to associate-degree-granting colleges to carry out the program identified in subsection (1).

(3) Applications

In considering applications for grants under paragraph (1), the Director shall prioritize—

(A) applicants that consist of a partnership identified in subsection (1).

(B) applications that demonstrate current and future workforce demand in occupations directly related to the identified STEM fields;

(C) applications that include outreach plans and goals for recruiting and enrolling women and other underrepresented populations in STEM fields;

(D) applications that describe how the institution of higher education will support the collection and information of data for purposes of the evaluation of identified STEM degree programs.

(e) Grants for STEM degree applied learning opportunities

(1) In general

The Director shall award grants to institutions of higher education partnering with private sector employers or private sector employer consortia, or industry or sector partnerships, that commit to offering apprenticeships, internships, research opportunities, or applied learning experiences to enrolled students in identified STEM baccalaureate degree programs.

(2) Purposes

Awards under this subsection may be used—

(A) to develop curricula and programs for apprenticeship, internships, research opportunities, or applied learning experiences; or

(B) to provide matching funds to incentivize partnership and participation by private sector employers and industry.

(f) Grants for computer-based and online STEM education courses

(1) In general

The Director of the National Science Foundation shall award competitive grants to institutions of higher education or nonprofit organizations to conduct research on student outcomes and determine best practices for STEM education and technical skills education through distance learning or in a simulated work environment.

(2) Research areas

The research areas eligible for funding under this subsection may include—

(A) post-secondary courses for technical skills development for STEM occupations;

(B) improving high-school level career and technical education in STEM subjects;

(C) encouraging and sustaining interest and achievement levels in STEM subjects among women and other populations historically underrepresented in STEM studies and careers; and

---

1 So in original. Probably should be “subparagraph”.

2 So in original.
(D) combining computer-based and online STEM education and skills development with traditional mentoring and other mentoring arrangements, apprenticeships, internships, and other applied learning opportunities.

(g) Coordination with other Federal departments

In carrying out this section, the Director shall consult, cooperate, and coordinate, to enhance program effectiveness and to avoid duplication, with the programs and policies of other relevant Federal agencies. In carrying out subsection (c), the Director shall coordinate activities with programs receiving assistance under part B of title I of the Higher Education Act of 1965 [20 U.S.C. 1011 et seq.].

(h) Funding

(1) Funding

The Director shall allocate out of amounts made available for the Education and Human Resources Directorate—

(A) up to $5,000,000 to carry out the activities under subsection (d) for each of fiscal years 2019 through 2022, subject to the availability of appropriations;

(B) up to $2,500,000 to carry out the activities under subsection (e) for each of fiscal years 2019 through 2022, subject to the availability of appropriations; and

(C) up to $2,500,000 to carry out the activities under subsection (f) for each of fiscal years 2019 through 2022, subject to the availability of appropriations.

(2) Limitation on funding

Amounts made available to carry out subsections (d), (e), and (f) shall be derived from amounts appropriated or otherwise made available to the National Science Foundation.

(3) Limitation on funding

To qualify for a grant under this section, an associate-degree-granting college, or consortium thereof, shall provide assurances adequate to the Director that it will not decrease its level of spending of funds from non-Federal sources on advanced scientific and technical education and training programs.

(i) Functions of Director

In carrying out sections 1862h to 1862j of this title, the Director shall—

(1) award grants on a competitive, merit basis;

(2) ensure an equitable geographic distribution of grant awards;

(3) ensure that an applicant for a grant awarded under subsection (a), (b), or (c)(1) will make an in-cash or in-kind contribution in an amount equal to at least 25 percent of the cost of the program, and for a grant awarded under subsection (c)(2) will make an in-cash or in-kind contribution in an amount at least equal to the amount of the grant award;

(4) establish and maintain a readily accessible inventory of the programs assisted under sections 1862h to 1862j of this title; and

(5) designate an officer of the National Science Foundation to serve as a liaison with associate-degree-granting institutions for the purpose of enhancing the role of such institutions in the activities of the Foundation.

(j) Definitions

As used in this section—

(1) the term “advanced-technology” includes advanced technical activities such as the modernization, miniaturization, integration, and computerization of electronic, hydraulic, pneumatic, laser, nuclear, chemical, telecommunication, fiber optic, robotic, and other technological applications to enhance productivity improvements in manufacturing, communication, transportation, commercial, and similar economic and national security activities;

(2) the term “associate-degree-granting college” means an institution of higher education (as determined under section 101 of the Higher Education Act of 1965 [20 U.S.C. 1001]) that—

(A) is a nonprofit institution that offers a 2-year associate-degree program or a 2-year certificate program; or

(B) is a proprietary institution that offers a 2-year associate-degree program;

(3) the term “bachelor-degree-granting institution” means an institution of higher education (as determined under section 101 of the Higher Education Act of 1965 [20 U.S.C. 1001]) that offers a baccalaureate degree program;

(4) the term “eligible partnership” means one or more associate-degree-granting colleges in partnership with one or more separate bachelor-degree-granting institutions;

(5) the term “in-demand industry sector or occupation” has the meaning given the term in section 3102 of title 29;

(6) the term “junior or community college” has the meaning given the term in section 312 of the Higher Education Act of 1965 (20 U.S.C. 1058);

(7) the term “local educational agency” has the meaning given such term in section 2891(12) of title 20;

(8) the term “region” means a labor market area, as that term is defined in section 3102 of title 29; and

(9) the terms “mathematics, science, engineering, or technology” or “STEM” mean science, technology, engineering, and mathematics, including computer science and cybersecurity.

AMENDMENTS

2018—Subsec. (a)(3)(A). Pub. L. 115–402, § 2, Dec. 31, 2018, 132 Stat. 5343, provided that: “(1) To remain competitive in the global economy, foster greater innovation, and provide a foundation for shared prosperity, the United States needs a workforce with the right mix of skills to meet the diverse needs of the economy. “(2) Evidence indicates that the returns on investments in technical skills in the labor market are strong when students successfully complete their education and gain credentials sought by employers. “(3) The responsibility for developing and sustaining a skilled technical workforce is fragmented across many groups, including educators, students, workers, employers, Federal, State, and local governments, civic associations, and other stakeholders. Such groups need to be able to coordinate and cooperate successfully with each other. “(4) Coordination among students, community colleges, secondary and post-secondary institutions, and employers would improve educational outcomes. “(5) Promising experiments currently underway may guide innovation and reform, but scalability of some of those experiments has not yet been tested. “(6) Evidence suggests that integration of academic education, technical skills development, and hands-on work experience improves outcomes and return on investment for students in secondary and post-secondary education and for skilled technical workers in different career stages. “(7) Outcomes show that mentoring can increase STEM student engagement and the rate of completion of STEM post-secondary degrees.”

§ 1862j. Authorization of appropriations

There are authorized to be appropriated, from sums otherwise authorized to be appropriated, to the Director for carrying out sections 1862h to 1862i of this title:

(1) $35,000,000 for fiscal year 1992; and

(2) $35,000,000 for fiscal year 1993.

§ 1862k. Findings; core strategies

(a) Findings

Congress finds the following:
(1) The United States depends upon its scientific and technological capabilities to preserve the military and economic security of the United States.

(2) America's leadership in the global marketplace is dependent upon a strong commitment to education, basic research, and development.

(3) A nation that is not technologically literate cannot compete in the emerging global economy.

(4) A coordinated commitment to mathematics and science instruction at all levels of education is a necessary component of successful efforts to produce technologically literate citizens.

(5) Professional development is a necessary component of efforts to produce system-wide improvements in mathematics, engineering, and science education in secondary, elementary, and postsecondary settings.

(B) The mission of the National Science Foundation is to provide Federal support for basic scientific and engineering research, and to be a primary contributor to mathematics, science, and engineering education at academic institutions in the United States.

(B) In accordance with such mission, the long-term goals of the National Science Foundation include providing leadership to—

(i) enable the United States to maintain a position of world leadership in all aspects of science, mathematics, engineering, and technology;

(ii) promote the discovery, integration, dissemination, and application of new knowledge in service to society; and

(iii) achieve excellence in United States science, mathematics, engineering, and technology education at all levels.

(b) Core strategies

In carrying out activities designed to achieve the goals described in subsection (a), the Foundation shall use the following core strategies:

(1) Develop intellectual capital, both people and ideas, with particular emphasis on groups and regions that traditionally have not participated fully in science, mathematics, and engineering.

(2) Strengthen the scientific infrastructure by investing in facilities planning and modernization, instrument acquisition, instrument design and development, and shared-use research platforms.

(3) Integrate research and education through activities that emphasize and strengthen the natural connections between learning and inquiry.

(4) Promote partnerships with industry, elementary and secondary schools, community colleges, colleges and universities, other agencies, State and local governments, and other institutions involved in science, mathematics, and engineering to enhance the delivery of math and science education and improve the technological literacy of the citizens of the United States.

"(a) MATCHING FUNDS.—Matching funds required pursuant to section 204(a)(2)(C) of the Academic Research Facilities Modernization Act of 1988 (42 U.S.C. 1862c(a)(2)(C)) shall not be considered facilities costs for purposes of determining indirect cost rates under Office of Management and Budget Circular A–21.

"(b) REPORT.—

"(1) IN GENERAL.—The Director of the Office of Science and Technology Policy, in consultation with other Federal agencies the Director deems appropriate, shall prepare a report—

"(A) analyzing the Federal indirect cost reimbursement rates (as the term is defined in Office of Management and Budget Circular A–21) for universities in comparison with Federal indirect cost reimbursement rates paid to other entities, such as industry, government laboratories, research hospitals, and nonprofit institutions;

"(B)(i) analyzing the distribution of the Federal indirect cost reimbursement rates by category (such as administration, facilities, utilities, and libraries), and by the type of entity; and

"(ii) determining what factors, including the type of research, influence the distribution;

"(C) analyzing the impact, if any, that changes in Office of Management and Budget Circular A–21 have had on—

"(i) the Federal indirect cost reimbursement rates, the rate of change of the Federal indirect cost reimbursement rates, the distribution by category of the Federal indirect cost reimbursement rates, and the distribution by type of entity of the Federal indirect cost reimbursement rates; and

"(ii) the Federal indirect cost reimbursement (as calculated in accordance with Office of Management and Budget Circular A–21), the rate of change of the Federal indirect cost reimbursement, the distribution by category of the Federal indirect cost reimbursement, and the distribution by type of entity of the Federal indirect cost reimbursement;

"(D) analyzing the impact, if any, of Federal and State law on the Federal indirect cost reimbursement rates;

"(E)(i) analyzing options to reduce or control the rate of growth of the Federal indirect cost reimbursement rates, including options such as benchmarking of facilities and equipment cost, elimination of cost studies, mandated percentage reductions in the Federal indirect cost reimbursement; and

"(ii) assessing the benefits and burdens of the options to the Federal Government, research institutions, and researchers; and

"(F) analyzing options for creating a database—

"(i) for tracking the Federal indirect cost reimbursement rates and the Federal indirect cost reimbursement; and

"(ii) for analyzing the impact that changes in policies with respect to Federal indirect cost reimbursement will have on the Federal Government, researchers, and research institutions.

"(2) REPORT TO CONGRESS.—The report prepared under paragraph (1) shall be submitted to Congress not later than 1 year after the date of enactment of this Act [July 29, 1998]."

NOTICE: ENHANCEMENT OF SCIENCE AND MATHEMATICS PROGRAMS

SEC. 205. NOTICE.

(a) Notice of Reprogramming.—If any funds appropriated pursuant to the amendments made by this Act [See Short Title of 1998 Amendment note set out under section 1861 of this title] are subject to a reprogramming action that requires notice to be provided to the Committees on Appropriations of the Senate and the House of Representatives, notice of that action shall concurrently be provided to the Committee on Commerce, Science, and Transportation of the Senate, the Committee on Appropriations of the House of Representatives and the Committees on Commerce, Science and Transportation, Labor and Human Resources [now Committee on Health, Education, Labor, and Pensions] of the Senate, and the Committee on Science [now Committee on Science, Space, and Technology] of the House of Representatives.

(b) Notice of Reorganization.—Not later than 15 days before any major reorganization of any program, project, or activity of the National Science Foundation, the Director of the National Science Foundation shall provide notice to the Committees on Science [now Science, Space, and Technology] and Appropriations of the House of Representatives and the Committees on Commerce, Science and Transportation, Labor and Human Resources [now Committee on Health, Education, Labor, and Pensions] of the Senate, and Appropriations of the Senate.

SEC. 206. ENHANCEMENT OF SCIENCE AND MATHEMATICS PROGRAMS.

(a) Definitions.—In this section:

(1) Educationally useful federal equipment.—The term ‘educationally useful Federal equipment’ means computers and related peripheral tools and research equipment that is appropriate for use in schools.

(2) School.—The term ‘school’ means a public or private educational institution that serves any of the grades of kindergarten through grade 12.

(3) Sense of the Congress.—It is the sense of the Congress that the Director should, to the greatest extent practicable and in a manner consistent with applicable Federal law (including Executive Order No. 12999 (40 U.S.C. 549 note)), donate educationally useful Federal equipment to schools in order to enhance the science and mathematics programs of those schools.

(b) Reports.—Not later than 1 year after the date of enactment of this Act [July 29, 1998], and annually thereafter, the Director shall prepare and submit to the President a report that meets the requirements of this paragraph. The President shall submit that report to Congress at the same time as the President submits a budget request to Congress under section 1105(a) of title 31, United States Code.

(1) In General.—The report prepared by the Director under this paragraph shall describe any donations of educationally useful Federal equipment to schools made during the period covered by the report.

DEFINITIONS

(1) DIRECTOR.—The term ‘Director’ means the Director of the National Science Foundation established under section 2 of the National Science Foundation Act of 1950 (42 U.S.C. 1861).’’

(2) FOUNDATION.—The term ‘Foundation’ means the National Science Foundation established under section 2 of the National Science Foundation Act of 1950 (42 U.S.C. 1861).’’

(3) Full Life-Cycle Cost.—The term ‘full life-cycle cost’ means all costs of planning, development, procurement, construction, operations and support, and shut-down costs, without regard to funding source and without regard to what entity manages the project or facility involved.

(4) BOARD.—The term ‘Board’ means the National Science Board established under section 2 of the National Science Foundation Act of 1950 (42 U.S.C. 1861).’’

(5) United States.—The term ‘United States’ means the several States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, and any other territory or possession of the United States.

(6) National Research Facility.—The term ‘national research facility’ means a research facility funded by the Foundation which is available, subject to appropriate policies allocating access, for use by all scientists and engineers affiliated with research institutions located in the United States.’’

§ 1862. National research facilities

(a) Facilities plan

(1) In general

The Director shall prepare, and include as part of the Foundation’s annual budget request to Congress, a plan for the proposed construction of, and repair and upgrades to, national research facilities, including full life-cycle cost information.

(2) Contents of the plan

The plan shall include—

(A) estimates of the costs for the construction, repairs, and upgrades described in paragraph (1), including costs for instrumentation development;

(B) estimates of the costs for the operation and maintenance of existing and proposed new facilities;

(C) in the case of proposed new construction and for major upgrades to existing facilities, funding profiles, by fiscal year, and milestones for major phases of the construction;

(D) for each project funded under the major research equipment and facilities construction account and for major upgrades of facilities in support of Antarctic research programs—

(i) estimates of the total project cost (from planning to commissioning); and

(ii) the source of funds, including Federal funding identified by appropriations category and non-Federal funding;

(E) estimates of the full life-cycle cost of each national research facility;

(F) information on any plans to retire national research facilities; and

(G) estimates of funding levels for grants supporting research that will be conducted using each national research facility.

(3) Special rule

The plan shall include cost estimates in the categories of construction, repair, and upgrades—

(A) for the year in which the plan is submitted to Congress; and

(B) for not fewer than the succeeding 4 years.

(b) Status of facilities under construction

The plan required under subsection (a) shall include a status report for each completed construction project included in current and previous plans. The status report shall include...
data on cumulative construction costs by project compared with estimated costs, and shall compare the current and original schedules for achievement of milestones for the major phases of the construction.

CODIFICATION

Section was enacted as part of the National Science Foundation Authorization Act of 1998, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

AMENDMENTS

2002—Subsec. (a)(1). Pub. L. 107–368, §14(b)(1), reenacted heading without change and amended text generally. Prior to amendment, text read as follows: “Not later than December 1 of each year, the Director shall, as part of the annual budget request, prepare and submit to Congress a plan for the proposed construction of, and repair and upgrades to, national research facilities.”

Subsec. (a)(2)(D) to (G). Pub. L. 107–368, §14(b)(2)(B)–(D), added subpars. (D) to (G).

§ 1862m. Financial disclosure

Persons temporarily employed by or at the Foundation shall be subject to the same financial disclosure requirements and related sanctions under the Ethics in Government Act of 1978 (5 U.S.C. App.) as are permanent employees of the Foundation in equivalent positions.

§ 1862m. Mathematics and science education part-
nerships

(a) Program authorized

(1) In general

(A) The Director shall carry out a program to award grants to institutions of higher education or eligible nonprofit organizations (or consortia of such institutions or organizations) to establish mathematics and science education partnership programs to improve elementary and secondary mathematics and science instruction.

(B) Grants shall be awarded under this subsection on a competitive, merit-reviewed basis.

(2) Partnerships

(A) In order to be eligible to receive a grant under this subsection, an institution of higher education or eligible nonprofit organization (or consortium of such institutions or organizations) shall enter into a partnership with one or more local educational agencies that may also include the department, college, or program of education at an institution of higher education, a State educational agency, or one or more businesses.

(B) A participating institution of higher education shall include mathematics, science, or engineering departments in the programs carried out through a partnership under this paragraph.

(3) Uses of funds

Grants awarded under this subsection shall be used for activities that draw upon the expertise of the partners to improve elementary or secondary education in mathematics or science and that are consistent with State mathematics and science student academic achievement standards, including—

(A) recruiting and preparing students for careers in elementary or secondary mathematics or science education;

(B) offering professional development programs, including—

(i) teacher institutes for the 21st century, as described in paragraph (10); and

(ii) academic year institutes or workshops that—

(I) are designed to strengthen the capabilities of mathematics and science teachers; and

(II) may include professional development activities to prepare mathematics and science teachers to teach challenging mathematics, science, and technology college-preparatory courses;

(C) offering innovative preservice and inservice programs that instruct teachers on using technology and laboratory experiences more effectively in teaching mathematics and science, including programs that recruit and train undergraduate and graduate students to provide technical and laboratory support to teachers;

(D) developing distance learning programs for teachers or students, including developing courses, curricular materials, and other resources for the in-service professional development of teachers that are made available to teachers through the Internet;

(E) developing a cadre of master teachers who will promote reform and improvement in schools;

(F) offering teacher preparation and certification programs for professional mathematicians, scientists, and engineers who wish to begin a career in teaching;

(G) developing tools to evaluate activities conducted under this subsection;

(H) developing or adapting elementary school and secondary school mathematics and science curricular materials that incorporate contemporary research on the science of learning;
(I) developing initiatives to increase and sustain the number, quality, and diversity of prekindergarten through grade 12 teachers of mathematics and science, including the use of induction programs, as defined in section 9813(h) of title 20, for teachers in their first 2 years of teaching, especially in underserved areas;

(J) using mathematicians, scientists, and engineers employed by private businesses to help recruit and train mathematics and science teachers;

(K) developing science, technology, engineering, and mathematics educational programs and materials and conducting science, technology, engineering, and mathematics enrichment programs for students, including after-school programs and summer programs, with an emphasis on including and serving students described in subsection (b)(2)(G);

(L) providing research opportunities in business or academia for students and teachers;

(M) bringing mathematicians, scientists, and engineers from business and academia into elementary school and secondary school classrooms; and

(N) any other activities the Director determines will accomplish the goals of this subsection.

(4) Master teachers
Activities carried out in accordance with paragraph (3)(E) shall—

(A) emphasize the training of master teachers who will improve the instruction of mathematics or science in kindergarten through grade 12;

(B) include training in both content and pedagogy; and

(C) provide training only to teachers who will be granted sufficient nonclassroom time to serve as master teachers, as demonstrated by assurances their employing school has provided to the Director, in such time and such manner as the Director may require.

(5) Science enrichment programs for girls
Activities carried out in accordance with paragraph (3)(K) and (L) shall include elementary school and secondary school programs to encourage the ongoing interest of girls in science, mathematics, engineering, and technology and to prepare girls to pursue undergraduate and graduate degrees and careers in science, mathematics, engineering, or technology. Funds made available through awards to partnerships for the purposes of this paragraph may support programs for—

(A) encouraging girls to pursue studies in science, mathematics, engineering, and technology and to major in such fields in post-secondary education;

(B) tutoring girls in science, mathematics, engineering, and technology;

(C) providing mentors for girls in person and through the Internet to support such girls in pursuing studies in science, mathematics, engineering, and technology;

(D) educating the parents of girls about the difficulties faced by girls to maintain an interest and desire to achieve in science, mathematics, engineering, and technology, and enlisting the help of parents in overcoming these difficulties; and

(E) acquainting girls with careers in science, mathematics, engineering, and technology and encouraging girls to plan for careers in such fields.

(6) Research in secondary schools
Activities carried out in accordance with paragraph (3)(K) may include support for research projects performed by students at secondary schools. Uses of funds made available through awards to partnerships for purposes of this paragraph may include—

(A) training secondary school mathematics and science teachers in the design of research projects for students;

(B) establishing a system for students and teachers involved in research projects funded under this subsection to exchange information about their projects and research results; and

(C) assessing the educational value of the student research projects by such means as tracking the academic performance and choice of academic majors of students conducting research.

(7) Stipends
Grants awarded under this subsection may be used to provide stipends for teachers or students participating in training or research activities that would not be part of their typical classroom activities.

(8) Mentors for teachers and students of challenging courses
Partnerships carrying out activities to prepare mathematics and science teachers to teach challenging mathematics, science, and technology college-preparatory courses in accordance with paragraph (3)(B) shall encourage companies employing scientists, technologists, engineers, or mathematicians to provide mentors to teachers and students and provide for the coordination of such mentoring activities.

(9) Innovation
Activities carried out in accordance with paragraph (3)(H) may include the development and dissemination of curriculum tools that will help foster inventiveness and innovation.

(10) Teacher institutes for the 21st century
(A) In general
Teacher institutes for the 21st century carried out in accordance with paragraph (3)(B) shall—

(i) be carried out in conjunction with a school served by the local educational agency in the partnership;

(ii) be science, technology, engineering, and mathematics focused institutes that provide professional development to elementary school and secondary school teachers;

(iii) serve teachers who—

1 See References in Text note below.
§ 1862n

Title 42—The Public Health and Welfare

(I) are considered highly qualified (as defined in section 9101 of the Elementary and Secondary Education Act of 1965 [20 U.S.C. 7801]);

(II) teach high-need subjects in science, technology, engineering, or mathematics; and

(III) teach in high-need schools (as described in section 1114(a)(1)(A));

(iv) focus on the priorities developed by the Director in consultation with a broad group of relevant educational organizations;

(v) be content-based and build on school year curricula that are experiment-oriented, content-based, and grounded in current research;

(vi) ensure that the pedagogy component is designed around specific strategies that are relevant to teaching the subject and content on which teachers are being trained, which may include training teachers in the essential components of reading instruction for adolescents in order to improve student reading skills within the subject areas of science, technology, engineering, and mathematics;

(vii) be a multiyear program that is conducted for a period of not less than 2 weeks per year;

(viii) provide for direct interaction between participants in and faculty of the teacher institute;

(ix) have a component that includes the use of the Internet;

(x) provide for followup training in the classroom during the academic year for a period of not less than 3 days, which may or may not be consecutive, for participants in the teacher institute, except that for teachers in rural local educational agencies, the followup training may be provided through the Internet;

(xi) provide teachers participating in the teacher institute with travel expense reimbursement and classroom materials related to the teacher institute, and may include providing stipends as necessary; and

(xii) establish a mechanism to provide supplemental support during the academic year for teacher institute participants to apply the knowledge and skills gained at the teacher institute.

(B) Optional members of the partnership

In addition to the partnership requirement under paragraph (2), an institution of higher education or eligible nonprofit organization (or consortium) desiring a grant for a teacher institute for the 21st century may also partner with a teacher organization, museum, or educational partnership organization.

(b) Selection process

(1) Application

An institution of higher education or an eligible nonprofit organization (or a consortium of such institutions or organizations) seeking funding under subsection (a) shall submit an application to the Director at such time, in such manner, and containing such information as the Director may require. The application shall include, at a minimum—

(A) a description of the partnership and the role that each member will play in implementing the proposal;

(B) a description of each of the activities to be carried out, including—

(i) how such activities will be aligned with State mathematics and science student academic achievement standards and with other activities that promote student achievement in mathematics and science;

(ii) how such activities will be based on a review of relevant research;

(iii) why such activities are expected to improve student performance and strengthen the quality of mathematics and science instruction; and

(iv) any activities that will encourage the interest of individuals identified in section 1885a or 1885b of this title in mathematics, science, engineering, and technology and will help prepare such individuals to pursue postsecondary studies in these fields;

(C) a description of the number, size, and nature of any stipends that will be provided to students or teachers and the reasons such stipends are needed;

(D) a description of how the partnership will serve as a catalyst for reform of mathematics and science education programs;

(E) a description of how the partnership will assess its success;

(F) a description of how the partnership will collaborate with the State educational agency to ensure that successful partnership activities may be replicated throughout the State; and

(G) a description of the manner in which the partnership will be continued after assistance under this section ends.

(2) Review of applications

In evaluating the applications submitted under paragraph (1), the Director shall consider, at a minimum—

(A) the ability of the partnership to carry out effectively the proposed programs;

(B) the extent to which the members of the partnership are committed to making the partnership a central organizational focus;

(C) the degree to which activities carried out by the partnership are based on relevant research and are likely to result in increased student achievement;

(D) the degree to which such activities are aligned with State mathematics and science student academic achievement standards;

(E) the extent to which the evaluation described in paragraph (1)(E) will be independent and based on objective measures;

(F) the likelihood that the partnership will demonstrate activities that can be widely implemented as part of larger scale reform efforts; and

(G) the extent to which the activities will encourage the interest of individuals identified in section 1885a or 1885b of this title in mathematics, science, engineering, and tech-
technology and will help prepare such individuals to pursue postsecondary studies in these fields.

(3) Awards
In awarding grants under this section, the Director shall—

(A) give priority to applications in which the partnership includes a high-need local educational agency or a high-need local educational agency in which at least one school does not make adequate yearly progress, as determined pursuant to part A of title I of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 6311 et seq.); and

(B) ensure that, to the extent practicable, a substantial number of the partnerships funded under this section include businesses.

(c) Accountability and dissemination

(1) Assessment required
The Director shall evaluate the program established under subsection (a). At a minimum, such evaluation shall—

(A) use a common set of benchmarks and assessment tools to identify best practices and materials developed and demonstrated by the partnerships; and

(B) to the extent practicable, compare the effectiveness of practices and materials developed and demonstrated by the partnerships authorized under this section with those of partnerships funded by other State or Federal agencies.

(2) Report on evaluations
Not later than 4 years after August 9, 2007, the Director shall transmit a report summarizing the evaluations required under subsection (b)(1)(E) of grants received under this program and describing any changes to the program recommended as a result of these evaluations to the Committee on Science and Technology and the Committee on Education and Labor of the House of Representatives and to the Committee on Commerce, Science, and Transportation and the Committee of Health, Education, Labor, and Pensions of the Senate. Such report shall be made widely available to the public.

(3) Annual meeting
The Director, in consultation with the Secretary of Education, shall convene an annual meeting of the partnerships participating under this section to foster greater national collaboration.

(4) Technical assistance
At the request of an eligible partnership or a State educational agency, the Director shall provide the partnership or agency with technical assistance in meeting any requirements of this section, including providing advice from experts on how to develop—

(A) a quality application for a grant; and

(B) quality activities from funds received from a grant under this section.

(d) Definitions
In this section—

(1) the term "mathematics and science teacher" means a science, technology, engineering, or mathematics teacher at the elementary school or secondary school level; and

(2) the term "science", in the context of elementary and secondary education, includes technology and pre-engineering.

REFERENCES IN TEXT

Section 9101 of the Elementary and Secondary Education Act of 1965, referred to in subsec. (a)(10)(A)(iii)(I), was amended by Pub. L. 114–95 and, as so amended, is now section 8101 of the Act and no longer defines "highly qualified". A reference in this section to "highly qualified", as defined in section 9101 of the Act, with respect to a teacher, means that the teacher meets applicable State certification and licensure requirements, including any requirements for certification obtained through alternative routes to certification. See section 9214(a)(2) of Pub. L. 114–95, set out as a Use of the Term "Highly Qualified" in Other Laws note under section 1070g–2 of Title 20, Education.

Section 1114(a)(1)(A), referred to in subsec. (a)(10)(A)(iii)(III), probably means section 1114(a)(1)(A) of the Elementary and Secondary Education Act of 1965, which is classified to section 6314(a)(1)(A) of Title 20, Education.

CODIFICATION
Section was enacted as part of the National Science Foundation Authorization Act of 2002, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

AMENDMENTS
2017—Subsec. (c)(4), (5). Pub. L. 114–329 redesignated par. (5) as (4) and struck out former par. (4). Prior to amendment, text of par. (4) read as follows: "The Director, in consultation with the Secretary of Education, shall provide an annual report to the Committee on Science of the House of Representatives, the Committee on Education and the Workforce of the House of Representatives, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Health, Education, Labor, and Pensions of the Senate describing how the program authorized under this section has been and will be coordinated with other programs with similar purposes. The report under this paragraph shall be submitted along with the President's annual budget request."

2015—Subsec. (a)(10)(A)(ii)(III). Pub. L. 114–95, §9215(ggg)(2)(A), which directed substitution of "(as described in section 1114(a)(1)(A))" for "(as described in section 1114(a)(1)(A))" was executed by making the substitution for "(as described in section 1114(a)(1)(A))" to reflect the probable intent of Congress.

2007—Subsec. (a)(2)(A). Pub. L. 110–69, §7028(1), substituted “the department, college, or program of education at an institution of higher education, a State educational agency,” for “a State educational agency”.

Subsec. (a)(3)(B). Pub. L. 110–69, §§7028(2), added subpar. (B) and struck out former subpar. (B) which read as follows: “offering professional development programs, including summer or academic year institutes or workshops, designed to strengthen the capabilities of mathematics and science teachers.”

Subsec. (a)(3)(C). Pub. L. 110–69, §7028(3), inserted “including the use of induction programs, as defined in section 9813(h) of title 20, for teachers in their first 2 years of teaching,” after “and science,”.

Subsec. (a)(3)(K). Pub. L. 110–69, §7028(4), inserted “including developing and offering mathematics or science enrichment programs for students, including after-school and summer programs;”.

Subsec. (a)(8). (9). Pub. L. 110–69, §7028(6), added paras. (8) and (9).

Subsec. (b)(2)(E) to (G). Pub. L. 110–69, §7028(7), added subpar. (E) and redesignated former subpars. (E) and (F) as (F) and (G), respectively.

Subsec. (c)(2). Pub. L. 110–69, §7028(8), added par. (2) and struck out former par. (2). Prior to amendment, text of par. (2) read as follows:

“(A) The results of the evaluation required under paragraph (1) shall be made available to the public and shall be provided to the Committee on Science of the House of Representatives, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Health, Education, Labor, and Pensions of the Senate.

“(B) Materials developed under the program established under subsection (a) of this section that are demonstrated to be effective shall be made widely available to the public.”

CHANGE OF NAME

Committee on Science of House of Representatives changed to Committee on Science and Technology of House of Representatives by House Resolution No. 6, One Hundred Tenth Congress, Jan. 5, 2007. Committee on Science and Technology of House of Representatives changed to Committee on Science, Space, and Technology of House of Representatives by House Resolution No. 5, One Hundred Twelfth Congress, Jan. 5, 2011.

EFFECTIVE DATE OF 2015 AMENDMENT

Amendment by Pub. L. 114–95 effective Dec. 10, 2015, except with respect to certain noncompetitive programs and competitive programs, see section 5 of Pub. L. 114–95, set out as a note under section 6301 of Title 20, Education.

FINDINGS

“(1) The National Science Foundation has made major contributions for more than 50 years to strengthen and sustain the Nation’s academic research enterprise that is the envy of the world.

“(2) The economic strength and national security of the United States and the quality of life of all Americans are grounded in the Nation’s scientific and technological capabilities.

“(3) The National Science Foundation carries out important functions in supporting basic research in all sciences and engineering and in supporting science, mathematics, engineering, and technology education at all levels.

“(4) The research and education activities of the National Science Foundation promote the discovery, integration, dissemination, and application of new knowledge in service to society and preservation of future generations of scientists, mathematicians, and engineers who will be necessary to ensure America’s leadership in the global marketplace.

“(5) The National Science Foundation must be provided with sufficient resources to enable it to carry out its responsibilities to develop intellectual capital, strengthen the scientific infrastructure, integrate research and education, enhance the delivery of mathematics and science education in the United States, and improve the technological literacy of all people in the United States.

“(6) The emerging global economic, scientific, and technical environment challenges long-standing assumptions about domestic and international policy, requiring the National Science Foundation to play a more proactive role in sustaining the competitive advantage of the United States through superior research capabilities.

“(7) Commercial application of the results of Federal investment in basic and computing science is consistent with longstanding United States technology transfer policy and is a critical national priority, particularly with regard to cybersecurity and other homeland security applications, because of the urgent needs of commercial, academic, and individual users as well as the Federal and State Governments.”

REPORT ON FOUNDATION BUDGETARY AND PROGRAMMATIC EXPANSION

DEFINITIONS

“(1) ACADEMIC UNIT.—The term ‘academic unit’ means a department, division, institute, school, college, or other subcomponent of an institution of higher education.

“(2) BOARD.—The term ‘Board’ means the National Science Board established under section 2 of the National Science Foundation Act of 1950 (42 U.S.C. 1861).

“(3) COMMUNITY COLLEGE.—The term ‘community college’ means an institution of higher education as defined in section 101 of the Higher Education Act of 1965 (20 U.S.C. 1001) that provides not less than a 2-year degree that is acceptable for full credit toward a bachelor’s degree, including institutions of higher education receiving assistance under the Tribally Controlled College or University Assistance Act of 1978 [probably means Pub. L. 95–471, 25 U.S.C. 1801 et seq.].

“(4) DIRECTOR.—The term ‘Director’ means the Director of the National Science Foundation established under section 2 of the National Science Foundation Act of 1950 (42 U.S.C. 1861).

“(5) ELEMENTARY SCHOOL.—The term ‘elementary school’ has the meaning given that term by section 8101 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 7801).

“(6) ELIGIBLE NONPROFIT ORGANIZATION.—The term ‘eligible nonprofit organization’ means a nonprofit research institute, or a nonprofit professional association, with demonstrated experience and effectiveness in mathematics or science education as determined by the Director.

“(7) FOUNDATION.—The term ‘Foundation’ means the National Science Foundation established under
§ 1862n–1. Robert Noyce Teacher Scholarship Program

(a) Scholarship program

(1) In general

The Director shall carry out a program to award grants to eligible entities to recruit and train mathematics and science teachers and to provide scholarships and stipends to individuals participating in the program. Such program shall be known as the “Robert Noyce Teacher Scholarship Program”.

(2) Merit review

Grants shall be provided under this section on a competitive, merit-reviewed basis.

(3) Use of grants

A grant provided under this section shall be used by the eligible entity—

(A) to develop and implement a program to recruit and prepare undergraduate students majoring in science, technology, engineering, and mathematics at the eligible entity (and participating institutions of higher education of the consortium, if applicable) to become qualified as mathematics and science teachers, through—

(i) administering scholarships in accordance with subsection (c);

(ii) offering academic courses and early clinical teaching experiences designed to prepare students participating in the program to teach in elementary schools and secondary schools, including such preparation as is necessary to meet requirements for teacher certification or licensing;

(iii) offering programs to students participating in the program, both before and after the students receive their baccalaureate degree, to enable the students to become better mathematics and science teachers, to fulfill the service requirements of this section, and to exchange ideas with others in the students’ fields; and

(iv) providing summer internships for freshman and sophomore students participating in the program, including research experiences at national laboratories and NASA centers; or

(B) to develop and implement a program to recruit and prepare science, technology, engineering, or mathematics professionals to become qualified as mathematics and science teachers, through—

(i) administering stipends in accordance with subsection (d);

(ii) offering academic courses and clinical teaching experiences designed to prepare stipend recipients to teach in elementary schools and secondary schools served by a high need local educational agency, including such preparation as is necessary to meet requirements for teacher certification or licensing; and

(iii) offering programs to stipend recipients, both during and after matriculation in the program for which the stipend is received, to enable recipients to become better mathematics and science teachers, to
fulfill the service requirements of this section, and to exchange ideas with others in the students’ fields.

(4) Eligibility requirement

(A) In general

To be eligible to receive a grant under this section, an eligible entity shall ensure that specific faculty members and staff from the science, technology, engineering, and mathematics departments and specific education faculty of the eligible entity (and participating institutions of higher education of the consortium, if applicable) are designated to carry out the development and implementation of the program.

(B) Inclusion of master teachers

An eligible entity (and participating institutions of higher education of the consortium, if applicable) receiving a grant under this section may also include master teachers in the development of the pedagogical content of the program and in the supervision of students participating in the program in their clinical teaching experiences.

(C) Active participants

No eligible entity (or participating institutions of higher education of the consortium, if applicable) shall be eligible for a grant under this section unless faculty from the science, technology, engineering, and mathematics departments of the eligible entity (and participating institutions of higher education of the consortium, if applicable) are active participants in the program.

(5) Awards

In awarding grants under this section, the Director shall ensure that the eligible entities (and participating institutions of higher education of the consortia, if applicable) represent a variety of types of institutions of higher education. In support of this goal, the Director shall broadly disseminate information about when and how to apply for grants under this section, including by conducting outreach to—

(A) historically Black colleges and universities that are part B institutions, as defined in section 322(2) of the Higher Education Act of 1965 (20 U.S.C. 1061(2));
(B) minority institutions, as defined in section 365(3) of the Higher Education Act of 1965 (20 U.S.C. 1067k(3)); and
(C) higher education programs that serve or support veterans.

(6) Supplement not supplant

Grant funds provided under this section shall be used to supplement, and not supplant, other Federal or State funds available for the type of activities supported by the grant.

(b) Selection process

(1) Application

An eligible entity seeking funding under this section shall submit an application to the Director at such time, in such manner, and containing such information as the Director may require. The application shall include, at a minimum—

(A) in the case of an applicant that is submitting an application on behalf of a consortium of institutions of higher education, a description of the participating institutions of higher education and the roles and responsibilities of each such institution;
(B) a description of the program that the applicant intends to operate, including the number of scholarships and summer internships or the size and number of stipends the applicant intends to award, the type of activities proposed for the recruitment of students to the program, and the selection process that will be used in awarding the scholarships or stipends;
(C) evidence that the applicant has the capability to administer the program in accordance with the provisions of this section, which may include a description of any existing programs at the applicant eligible entity (and participating institutions of higher education of the consortium, if applicable) that are targeted to the education of mathematics and science teachers and the number of teachers graduated annually from such programs;
(D) a description of the academic courses and clinical teaching experiences required under subparagraphs (A)(ii) and (B)(ii) of subsection (a)(3), as applicable, including—
(i) a description of the undergraduate program that will enable a student to graduate within 5 years with a major in science, technology, engineering, or mathematics and to obtain teacher certification or licensing;
(ii) a description of the clinical teaching experiences proposed; and
(iii) evidence of agreements between the applicant and the schools or local educational agencies that are identified as the locations at which clinical teaching experiences will occur;
(E) a description of the programs required under subparagraphs (A)(iii) and (B)(iii) of subsection (a)(3), including activities to assist new teachers in fulfilling the teachers’ service requirements under this section;
(F) an identification of the applicant eligible entity’s science, technology, engineering, and mathematics faculty and its education faculty (and such faculty of participating institutions of higher education of the consortium, if applicable) who will carry out the development and implementation of the program as required under subsection (a)(4); and
(G) a description of the process the applicant will use to fulfill the requirements of subsection (f).

(2) Review of applications

In evaluating the applications submitted under paragraph (1), the Director shall consider, at a minimum—

(A) the ability of the applicant (and the participating institutions of higher education of the consortium, if applicable) to effectively carry out the program;
(B) the extent to which the applicant’s science, technology, engineering, and mathe-
(c) Scholarship requirements

(1) In general

Scholarships under this section shall be available only to students who—
(A) are majoring in science, technology, engineering, or mathematics; and
(B) have attained at least junior status in a baccalaureate degree program.

(2) Selection

Individuals shall be selected to receive scholarships primarily on the basis of academic merit, with consideration given to financial need and to the goal of promoting the participation of individuals identified in section 1885a or 1885b of this title and veterans.

(3) Amount and duration

Scholarships under this section shall be not less than $10,000 per year, except that no individual shall receive for any year more than the cost of attendance at such individual's institution. Individuals may receive a maximum of 3 years. Part-time students may receive annual scholarships through the completion of a part-time program, such amount shall be prorated according to the length of the program.

(4) Service obligation

If an individual receives a scholarship under this section, such individual shall be required to complete, within 6 years after graduation from the program for which the scholarship was awarded, 2 years of service as a mathematics or science teacher. Service required under this paragraph shall be performed in a high need local educational agency.

(d) Stipends

(1) In general

Stipends under this section shall be available only to science, technology, engineering, or mathematics professionals who, while receiving the stipend, are enrolled in a program established under subsection (a)(3)(B).

(2) Selection

Individuals shall be selected to receive stipends under this section primarily on the basis of academic merit and professional achievement, with consideration given to financial need and to the goal of promoting the participation of individuals identified in section 1885a or 1885b of this title and veterans.

(3) Amount and duration

Stipends under this section shall be not less than $10,000 per year, except that no individual shall receive for any year more than the cost of attendance at such individual's institution. Individuals may receive a maximum of 1 year of stipend support, except that if an individual is enrolled in a part-time program, such amount shall be prorated according to the length of the program.

(4) Service obligation

If an individual receives a stipend under this section, such individual shall be required to complete, within 4 years after graduation from the program for which the stipend was awarded, 2 years of service as a mathematics or science teacher. Service required under this paragraph shall be performed in a high need local educational agency.

(e) Conditions of support

As a condition of acceptance of a scholarship or stipend under this section, a recipient of a scholarship or stipend shall enter into an agreement with the eligible entity—
(1) accepting the terms of the scholarship or stipend pursuant to subsection (c) or subsection (d);
(2) agreeing to provide the eligible entity with annual certification of employment and up-to-date contact information and to participate in surveys conducted by the eligible entity as part of an ongoing assessment program; and
(3) establishing that if the service obligation required under this section is not completed, all or a portion of the scholarship or stipend received under this section shall be repaid in accordance with subsection (g).

(f) Collection for noncompliance

(1) Monitoring compliance

An eligible entity receiving a grant under this section shall, as a condition of participating in the program, enter into an agreement with the Director to monitor the compliance of scholarship or stipend recipients with their respective service requirements.

(2) Collection of repayment

(A) In general

In the event that a scholarship or stipend recipient is required to repay the scholar-
§ 1862n–1  TITLE 42—THE PUBLIC HEALTH AND WELFARE

The individual under this section shall be repaid or such amount shall be treated as a loan to be repaid in accordance with subparagraph (C).

(C) Repayments

The loans described under subparagraphs (A) and (B) shall be payable to the Federal Government, consistent with the provisions of part B or D of title IV of the Higher Education Act of 1965 [20 U.S.C. 1071 et seq., 1087a et seq.], and shall be subject to repayment in accordance with terms and conditions specified by the Director (in consultation with the Secretary of Education) in regulations promulgated to carry out this paragraph.

(3) Exceptions

The Director may provide for the partial or total waiver or suspension of any service or payment obligation by an individual under this section whenever compliance by the individual with the obligation is impossible or would involve extreme hardship to the individual, or if enforcement of such obligation with respect to the individual would be unconscionable.

(h) Data collection

An eligible entity receiving a grant under this section shall supply to the Director any relevant statistical and demographic data on scholarship and stipend recipients the Director may request, including information on employment required under this section.

(i) Definitions

In this section—

(1) the term "cost of attendance" has the meaning given such term in section 472 of the Higher Education Act of 1965 (20 U.S.C. 1087ll);

(2) the term "eligible entity" means—

(A) an institution of higher education; or

(B) an institution of higher education that receives grant funds on behalf of a consortium of institutions of higher education;

(3) the term "fellowship" means an award to an individual under section 1862n–1a of this title;

(4) the term "high need local educational agency" has the meaning given such term in section 201 of the Higher Education Act of 1965 (20 U.S.C. 1021);

(5) the term "mathematics and science teacher" means a science, technology, engineering, mathematics, or computer science and artificial intelligence, including cybersecurity, teacher at the elementary school or secondary school level;

(6) the term "scholarship" means an award under subsection (c);

(7) the term "science, technology, engineering, or mathematics professional" means an individual who holds a baccalaureate, master's, or doctoral degree in science, technology, engineering, mathematics, or computer science, including cybersecurity, and is working in or had a career in such field or a related area; and

(8) the term "stipend" means an award under subsection (d).
(j) Mathematics and science scholarship gift fund

In accordance with section 1870(f) of this title, the Director is authorized to accept donations from the private sector to supplement but not supplant scholarships, stipends, internships, or fellowships associated with programs under this section or section 1862n–la of this title.

(k) Assessment of teacher service and retention

Not later than 4 years after August 9, 2007, the Director shall transmit to the Committee on Education, Labor, and Pensions of the Senate and the Committee on Science and Technology of the House of Representatives a report on the effectiveness of the programs carried out under this section and section 1862n–1a of this title. The report shall include the proportion of individuals receiving scholarships, stipends, or fellowships under the program who—
(1) fulfill the individuals’ service obligation required under this section or section 1862n–1a of this title;
(2) remain in the teaching profession beyond the individuals’ service obligation; and
(3) remain in the teaching profession in a high need local educational agency beyond the individuals’ service obligation.

(l) Evaluation

Not less than 2 years after August 9, 2007, the Director, in consultation with the Secretary of Education, shall conduct an evaluation to determine whether the scholarships, stipends, and fellowships authorized under this section and section 1862n–1a of this title have been effective in increasing the numbers of high-quality mathematics and science teachers teaching in high need local educational agencies and whether there continue to exist significant shortages of such teachers in high need local educational agencies.

Codification

Section 7090 of Pub. L. 110–69, which directed that "Section 10 of the National Science Foundation Authorization Act of 2002 (42 U.S.C. 1862n–2) is amended to read as follows:"
and then set out the text of sections 10 and 10A, was executed by generally amending section 10 and adding a new section 10A (42 U.S.C. 1862n–1a) after section 10, to reflect the probable intent of Congress.

Section was enacted as part of the National Science Foundation Authorization Act of 2002, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

Amendments

2021—Subsec. (1)(5). Pub. L. 116–283 inserted "and artificial intelligence" after "computer science;"
2017—Subsec. (1)(5). Pub. L. 115–91, § 1649C(1), amended par. (5) generally. Prior to amendment, par. (5) read as follows: "the term ‘mathematics and science teacher’ means a science, computer science, technology, engineering, or mathematics teacher at the elementary school or secondary school level;".
Subsec. (1)(7). Pub. L. 115–91, § 1649C(2), amended par. (7) generally. Prior to amendment, par. (7) read as follows: "the term ‘science, technology, engineering, or mathematics professional’ means a person who holds a baccalaureate, master’s, or doctoral degree in science, technology, engineering, or mathematics, and is working in or had a career in such field or a related area; and".

Change of Name

Committee on Science and Technology of House of Representatives changed to Committee on Science, Space, and Technology of House of Representatives by House Resolution No. 5, One Hundred Twelfth Congress, Jan. 5, 2011.

§ 1862n–1a. National Science Foundation Teaching Fellowships and Master Teaching Fellowships

(a) In general

(1) Grants

(A) In general

As part of the Robert Noyce Teacher Scholarship Program established under section 1862n–1 of this title, the Director shall establish a separate program to award grants to eligible entities to enable such entities to administer fellowships in accordance with this section.

(B) Definitions

The terms used in this section have the meanings given the terms in section 1862n–1 of this title.
(2) Fellowships

Fellowships under this section shall be available only to—

(A) science, technology, engineering, or mathematics professionals, including retiring professionals in those fields, who shall be referred to as “National Science Foundation Teaching Fellows” and who, in the first year of the fellowship, are enrolled in a master’s degree program leading to teacher certification or licensing; and

(B) mathematics and science teachers, who shall be referred to as “National Science Foundation Master Teaching Fellows” and who possess a master’s or bachelor’s degree in their field.

(b) Eligibility

In order to be eligible to receive a grant under this section, an eligible entity shall enter into a partnership that shall include—

(1) a department within an institution of higher education participating in the partnership that provides an advanced program of study in mathematics; and science;

(2)(A) a school or department within an institution of higher education participating in the partnership that provides a teacher preparation program; or

(B) a 2-year institution of higher education that has a teacher preparation offering or a dual enrollment program with an institution of higher education participating in the partnership;

(3) not less than 1 high need local educational agency and a public school or a consortium of public schools served by the agency; and

(4) 1 or more nonprofit organizations that have a demonstrated record of capacity to provide expertise or support to meet the purposes of this section.

(c) Use of grants

Grants awarded under this section shall be used by the eligible entity (and participating institutions of higher education of the consortium, if applicable) to develop and implement a program for National Science Foundation Teaching Fellows or National Science Foundation Master Teaching Fellows, through—

(1) administering fellowships in accordance with this section, including providing the teaching fellowship salary supplements described in subsection (f); (2) in the case of National Science Foundation Teaching Fellowships—

(A) offering academic courses and clinical teaching experiences leading to a master’s degree and designed to prepare individuals to teach in elementary schools and secondary schools, including such preparation as is necessary to meet the requirements for certification or licensing; and

(B) offering programs both during and after matriculation in the program for which the fellowship is received to enable fellows to become highly effective mathematics and science teachers, including mentoring, training, induction, and professional development activities, to fulfill the service requirements of this section, including the requirements of subsection (e), and to exchange ideas with others in their fields; and

(3) in the case of National Science Foundation Master Teaching Fellowships for teachers with master’s degrees in their field—

(A) offering academic courses leading to a master’s degree and leadership training to prepare individuals to become master teachers in elementary and secondary schools;

(B) offering programs both during and after matriculation in the program for which the fellowship is received to enable fellows to become highly effective mathematics and science teachers, including mentoring, training, induction, and professional development activities, to fulfill the service requirements of this section, including the requirements of subsection (e), and to exchange ideas with others in their fields; and

(4) in the case of National Science Foundation Master Teaching Fellowships for teachers with bachelor’s degrees in their field and working toward a master’s degree—

(A) offering academic courses leading to a master’s degree and leadership training to prepare individuals to become master teachers in elementary and secondary schools;

(B) offering programs both during and after matriculation in the program for which the fellowship is received to enable fellows to become highly effective mathematics and science teachers, including mentoring, training, induction, and professional development activities, to fulfill the service requirements of this section, including the requirements of subsection (e), and to exchange ideas with others in their fields; and

(C) providing internship opportunities for fellows, including research experiences at national laboratories and NASA Centers.

(d) Selection process

(1) Merit review

Grants shall be awarded under this section on a competitive, merit-reviewed basis.

(2) Applications

An eligible entity desiring a grant under this section shall submit an application to the Director at such time, in such manner, and containing such information as the Director may require. The application shall include, at a minimum—

(A) in the case of an applicant that is submitting an application on behalf of a consortium of institutions of higher education, a description of the participating institutions of higher education and the roles and responsibilities of each such institution;

(B) a description of the program that the applicant intends to operate, including the number of fellowships the applicant intends to award, the type of activities proposed for the recruitment of students to the program, and the amount of the teaching fellowship salary supplements to be provided in accordance with subsection (f); and

(C) evidence that the applicant has the capability to administer the program in ac-
cordance with the provisions of this section, which may include a description of any existing programs at the applicant eligible entity (and participating institutions of higher education of the consortium, if applicable) that are targeted to the education of mathematics and science teachers and the number of teachers graduated annually from such programs;

(D) in the case of National Science Foundation Teaching Fellowships, a description of—

(i) the selection process that will be used in awarding fellowships, including a description of the rigorous measures to be used, including the rigorous, nationally recognized assessments to be used, in order to determine whether individuals applying for fellowships have advanced content knowledge of science, technology, engineering, or mathematics;

(ii) the academic courses and clinical teaching experiences described in subsection (c)(2)(A), including—

(I) a description of an educational program that will enable a student to obtain a master’s degree and teacher certification or licensing within 1 year; and

(II) evidence of agreements between the applicant and the schools or local educational agencies that are identified as the locations at which clinical teaching experiences will occur;

(iii) a description of the programs described in subsection (c)(2)(B), including activities to assist individuals in fulfilling their service requirements under this section;

(E) evidence that the eligible entity will provide the teaching supplements required under subsection (f); and

(F) a description of the process the applicant will use to fulfill the requirements of section 1862n–1(f) of this title.

(3) Criteria

In evaluating the applications submitted under paragraph (2), the Director shall consider, at a minimum—

(A) the ability of the applicant (and participating institutions of higher education of the consortium, if applicable) to effectively carry out the program and to meet the requirements of subsection (f);

(B) the extent to which the mathematics, science, or engineering faculty and the education faculty at the eligible entity (and participating institutions of higher education of the consortium, if applicable) have demonstrated by their performance on an equivalent academic achievement in science, technology, engineering, or mathematics.

(C) the content knowledge of science, technology, engineering, or mathematics that will enable a student to obtain a master’s degree and teacher certification or licensing within 1 year; and

(D) the degree to which the proposed programming will enable participants to become highly effective mathematics and science teachers and prepare such participants to assume leadership roles in their schools, in addition to their regular classroom duties, including serving as mentor or master teachers, developing curriculum, and assisting in the development and implementation of professional development activities;

(E) the number and quality of the individuals that will be served by the program; and

(F) in the case of the National Science Foundation Teaching Fellowship, the ability of the applicant (and participating institutions of higher education of the consortium, if applicable) to recruit individuals who would otherwise not pursue a career in teaching, individuals identified in section 1885a or 1885b of this title, and veterans.

(4) Selection of fellows

(A) In general

Individuals shall be selected to receive fellowships under this section primarily on the basis of—

(i) professional achievement;

(ii) academic merit;

(iii) content knowledge of science, technology, engineering, or mathematics, as demonstrated by their performance on an assessment in accordance with paragraph (2)(D)(1); and

(iv) in the case of National Science Foundation Master Teaching Fellows, demonstrated success in improving student academic achievement in science, technology, engineering, or mathematics.

(B) Promoting participation of certain individuals

Among individuals demonstrating equivalent qualifications, consideration may be given to the goal of promoting the participation of individuals identified in section 1885a or 1885b of this title and veterans.

(c) Duties of National Science Foundation Teaching Fellows and Master Teaching Fellows

A National Science Foundation Teaching Fellow or a National Science Foundation Master Teaching Fellow, while fulfilling the service obligation under subsection (h) and in addition to regular classroom activities, shall take on a leadership role within the school or local educational agency in which the fellow is employed, as defined by the partnership according to such fellow’s expertise, including serving as a mentor or master teacher, developing curricula, and assisting in the development and implementation of professional development activities.

(f) Teaching fellowship salary supplements

(1) In general

An eligible entity receiving a grant under this section shall provide salary supplements to individuals who participate in the program under this section during the period of their service obligation under subsection (h). A local educational agency through which the service obligation is fulfilled shall agree not...
§ 1862n–1a

(2) Amount and duration

(A) Amount
Salary supplements provided under paragraph (1) shall be not less than $10,000 per year, except that, in the case of a National Science Foundation Teaching Fellow, while enrolled in the master’s degree program as described in subsection (c)(2)(A), such fellow shall receive not more than the cost of attendance at such fellow’s institution.

(B) Support while enrolled in master's degree program

A National Science Foundation Teaching Fellow may receive a maximum of 1 year of fellowship support while enrolled in a master’s degree program as described in subsection (c)(2)(A), except that if such fellow is enrolled in a part-time program, such amount shall be prorated according to the length of the program.

(C) Duration of support

An eligible entity receiving a grant under this section shall provide teaching fellowship salary supplements through the period of the fellow’s service obligation under subsection (h).

(g) Support for Master Teaching Fellows while enrolled in a master's degree program

A National Science Foundation Master Teaching Fellow may receive a maximum of 1 year of fellowship support while enrolled in a master’s degree program as described in subsection (c)(2)(A), except that if such fellow is enrolled in a part-time program, such amount shall be prorated according to the length of the program.

(h) Service obligation

An individual awarded a fellowship under this section shall serve as a mathematics or science teacher in an elementary school or secondary school served by a high need local educational agency for—

(1) in the case of a National Science Foundation Teaching Fellow, 4 years, to be fulfilled within 6 years of completing the master’s program described in subsection (c)(2)(A); and

(2) in the case of a National Science Foundation Master Teaching Fellow, 5 years, to be fulfilled within 7 years of the start of participation in the program under subsection (c)(3).

(i) Matching requirement

(1) In general
An eligible entity receiving a grant under this section shall provide, from non-Federal sources, to carry out the activities supported by the grant—

(A) in the case of grants in an amount of less than $1,500,000, an amount equal to at least 50 percent of the amount of the grant, at least one half of which shall be in cash; and

(B) in the case of grants in an amount of $1,500,000 or more, an amount equal to at least 50 percent of the amount of the grant, at least one half of which shall be in cash.

(2) Waiver

The Director may waive all or part of the matching requirement described in paragraph (1) for any fiscal year for an eligible entity receiving a grant under this section, if the Director determines that applying the matching requirement would result in serious hardship or inability to carry out the authorized activities described in this section.

(j) Conditions of support; collection for non-compliance; failure to complete service obligation; data collection

(1) In general

Except as provided in paragraph (2), subsections (e), (f), (g), and (h) of section 1862n–1 of this title shall apply to eligible entities and recipients of fellowships under this section, as applicable, in the same manner as such subsections apply to eligible entities and recipients of scholarships and stipends under section 1862n–1 of this title, as applicable.

(2) Amount of repayment

If a circumstance described in subparagraph (D) or (E) of section 1862n–1(g)(1) of this title occurs after the completion of 1 year of a service obligation under this section—

(A) for a National Science Foundation Teaching Fellow, the total amount of fellowship award received by the individual under this section while enrolled in the master’s degree program, reduced by one-fourth of the total amount for each year of service completed, plus one-half of the total teaching fellowship salary supplements received by such individual under this section, shall be repaid or such amount shall be treated as a loan to be repaid in accordance with section 1862n–1(g)(1)(C) of this title; and

(B) for a National Science Foundation Master Teaching Fellow, the total amount of teaching fellowship salary supplements received by the individual under this section, reduced by one-half, shall be repaid or such amount shall be treated as a loan to be repaid in accordance with section 1862n–1(g)(1)(C) of this title.

(k) STEM teacher service and retention

(1) In general

The Director shall develop and implement practices for increasing the proportion of individuals receiving fellowships under this section who—

(A) fulfill the service obligation required under subsection (h); and

(B) remain in the teaching profession in a high need local educational agency beyond the service obligation.

(2) Practices

The practices described under paragraph (1) may include—

(A) partnering with nonprofit or professional associations or with other government entities to provide individuals receiving fellowships under this section with opportunities for professional development, in-
including mentorship programs that pair those individuals with currently employed and recently retired science, technology, engineering, mathematics, or computer science professionals;

(B) increasing recruitment from high need districts;
(C) establishing a system to better collect, track, and respond to data on the career decisions of individuals receiving fellowships under this section;
(D) conducting research to better understand factors relevant to teacher service and retention, including factors specifically impacting the retention of teachers who are individuals identified in sections 1885a and 1885b of this title; and
(E) conducting pilot programs to improve teacher service and retention.

(2) Purpose

The purpose of the Centers shall be to conduct and evaluate research in cognitive science, education, and related fields and to develop ways in which the results of such research can be applied in elementary school and secondary school classrooms to improve the teaching of mathematics and science.

(3) Focus

(A) Each Center shall be focused on a different challenge faced by elementary school or secondary school teachers of mathematics and science. In determining the research focus of the Centers, the Director shall consult with the National Academy of Sciences and the Secretary of Education and take into account the extent to which other Federal programs support research on similar questions.

(B) The proposal solicitation issued by the Director shall focus the selection of Center and applicants shall apply for designation as a specific Center.

(C) At least one Center shall focus on developing ways in which the results of research described in paragraph (2) can be applied, duplicated, and scaled up for use in low-performing elementary schools and secondary schools to improve the teaching and student achievement levels in mathematics and science.

(D) To the extent practicable and relevant to its focus, every Center shall include, as part of its research, work designed to quantitatively assess and improve the ways that information technology is used in the teaching of mathematics and science.

(b) Selection process

(1) Application

An institution of higher education or an eligible nonprofit organization (or a consortium thereof) seeking funding under this section shall submit an application to the Director at such time, in such manner, and containing such information as the Director may require. The application shall include, at a minimum, a description of—

(A) the initial research projects that will be undertaken by the Center and the process by which new projects will be identified;

(B) how the Center will work with other research institutions and schools to broaden the national research agenda on learning and teaching;
(C) how the Center will promote active collaboration among physical, biological, and social science researchers;
(D) how the Center will promote active participation by elementary and secondary mathematics and science teachers and administrators; and
(E) how the results of the Center’s research can be incorporated into educational practices, and how the Center will assess the success of those practices.

(2) Review of applications
In evaluating the applications submitted under paragraph (1), the Director shall consider, at a minimum—
(A) the ability of the applicant to effectively carry out the research program, including the activities described in paragraph (1)(E);
(B) the experience of the applicant in conducting research on the science of teaching and learning and the capacity of the applicant to foster new multidisciplinary collaborations;
(C) the capacity of the applicant to attract elementary school and secondary school teachers from a diverse array of schools, and with diverse professional experiences, for participation in Center activities; and
(D) the capacity of the applicant to attract and provide adequate support for graduate students to pursue research at the intersection of educational practice and basic research on human cognition and learning.

(3) Awards
The Director shall ensure, to the extent practicable, that the Centers funded under this section conduct research and develop educational practices designed to improve the educational performance of a broad range of students, including individuals identified in section 1885a or 1885b of this title.

(c) Annual conference
The Director shall convene an annual meeting of the Centers to foster collaboration among the Centers and to further disseminate the results of the Centers’ activities.

(d) Coordination
The Director shall coordinate with the Secretary of Education in—
(1) disseminating the results of the research conducted pursuant to grants awarded under this section to elementary school teachers and secondary school teachers; and
(2) providing programming, guidance, and support to ensure that such teachers—
(A) understand the implications of the research disseminated under paragraph (1) for classroom practice; and
(B) can use the research to improve such teachers’ performance in the classroom.

CODIFICATION
Section was enacted as part of the National Science Foundation Authorization Act of 2002, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

AMENDMENTS
Subsec. (b)(1). Pub. L. 110–69, § 7006(b)(2), (3), in introductory provisions, inserted “or emerging nonprofit organization” and substituted “of such institutions” for “of such institutions”.

FUNDING FOR CENTERS

DEFINITIONS
For definitions of terms used in this section, see section 4 of Pub. L. 107–368, set out as a note under section 1862n of this title.

§ 1862n–3. Duplication of programs
(a) In general
The Director shall review the education programs of the Foundation that are in operation as of December 19, 2002, to determine whether any of such programs duplicate the programs authorized under this Act.

(b) Implementation
As programs authorized under this Act are implemented, the Director shall—
(1) terminate any duplicative program being carried out by the Foundation or merge the duplicative program into a program authorized under this Act; and
(2) not establish any new program that duplicates a program that has been implemented pursuant to this Act.

(c) Report
(1) Review
The Director of the Office of Science and Technology Policy shall review the education programs of the Foundation to ensure compliance with the provisions of this section.

(2) Submission
Not later than 1 year after December 19, 2002, and annually thereafter as part of the annual Office of Science and Technology Policy’s budget submission to Congress, the Director of the Office of Science and Technology Policy shall complete a report on the review carried out under this subsection and shall submit the report to the Committee on Science and the Committee on Appropriations of the House of Representatives, and to the Committee on Commerce, Science, and Transportation, the Committee on Health, Education, Labor, and Pensions, and the Committee on Appropriations of the Senate.

§ 1862n-4. Major research equipment and facilities construction plan

(a) Prioritization of proposed major research equipment and facilities construction

(1) Development of priorities

The Director shall—
(A) develop a list indicating by number the relative priority for funding under the major research equipment and facilities construction account that the Director assigns to each project the Board has approved for inclusion in a future budget request; and
(B) submit the list described in subparagraph (A) to the Board for approval.

(2) Criteria

The Director shall include in the criteria for developing the list under paragraph (1) the readiness of plans for construction and operation, including confidence in the estimates of the full life-cycle cost (as defined in section 2 of the National Science Foundation Authorization Act of 1998 (42 U.S.C. 1862k note)) and the proposed schedule of completion.

(3) Updates

The Director shall update the list prepared under paragraph (1) each time the Board approves a new project that would receive funding under the major research equipment and facilities construction account and periodically submit any updated list to the Board for approval.

(b) Project management

No national research facility project funded under the major research equipment and facilities construction account shall be managed by an individual whose appointment to the Foundation is temporary.

(c) Board approval of major research equipment and facilities projects

The Board shall explicitly approve any project to be funded out of the major research equipment and facilities construction account before any funds may be obligated from such account for such project.
shall examine the proposed and actual content of closed meetings and determine whether the closure of the meetings was consistent with section 552b of title 5.

(4) Report

Not later than February 15 of every third year, the Inspector General of the Foundation shall transmit to the Committee on Science of the House of Representatives, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Health, Education, Labor, and Pensions of the Senate the audit required under paragraph (3) along with recommendations for corrective actions that need to be taken to achieve fuller compliance with the requirements described in paragraph (2), and recommendations on how to ensure public access to the Board’s deliberations.

(5) Materials relating to closed portions of meetings

To facilitate the audit required under paragraph (3) of this subsection, the Office of the National Science Board shall maintain the General Counsel’s certificate, the presiding officer’s statement, and a transcript or recording of any closed meeting, for at least 3 years after such meeting.

(b), (c) Omitted

(d) Scholarship eligibility

The Director shall not exclude part-time students from eligibility for scholarships under the Computer Science, Engineering, and Mathematics Scholarship program.

(4) Report

For definitions of terms used in this section, see section 4 of Pub. L. 107–368, set out as a note under section 1862n of this title.

§ 1862n–6. Undergraduate education reform

(a) In general

The Director shall award grants, on a competitive, merit-reviewed basis, to institutions of higher education to expand previously implemented reforms of undergraduate science, mathematics, engineering, or technology education that have been demonstrated to have been successful in increasing the number and quality of students studying toward and completing associate’s or baccalaureate degrees in science, mathematics, engineering, or technology.

(b) Uses of funds

Activities supported by grants under this section may include—

(1) expansion of successful reform efforts beyond a single course or group of courses to achieve reform within an entire academic unit;

(2) expansion of successful reform efforts beyond a single academic unit to other science, mathematics, engineering, or technology academic units within an institution;

(3) creation of multidisciplinary courses or programs that formalize collaborations for the purpose of improved student recruitment and research in science, mathematics, engineering, and technology;

(4) expansion of undergraduate research opportunities beyond a particular laboratory, course, or academic unit to engage multiple academic units in providing multidisciplinary research opportunities for undergraduate students;

(5) expansion of innovative tutoring or mentoring programs proven to enhance student recruitment or persistence to degree completion in science, mathematics, engineering, or technology;

(6) improvement of undergraduate science, mathematics, engineering, and technology education for nonmajors, including education majors; and

(7) implementation of technology-driven reform efforts, including the installation of technology to facilitate such reform, that directly impact undergraduate science, mathematics, engineering, or technology instruction or research experiences.

(c) Selection process

(1) Applications

An institution of higher education seeking a grant under this section shall submit an application to the Director at such time, in such manner, and containing such information as the Director may require. The application shall include, at a minimum—

(A) a description of the proposed reform effort;
(B) a description of the previously implemented reform effort that will serve as the basis for the proposed reform effort and evidence of success of that previous effort, including data on student recruitment, persistence to degree completion, and academic achievement;

(C) evidence of active participation in the proposed project by individuals who were central to the success of the previously implemented reform effort; and

(D) evidence of institutional support for, and commitment to, the proposed reform effort, including a description of existing or planned institutional policies and practices regarding faculty hiring, promotion, tenure, and teaching assignment that reward faculty contributions to undergraduate education equal to, or greater than, scholarly scientific research.

(2) Review of applications

In evaluating applications submitted under paragraph (1), the Director shall consider at a minimum—

(A) the evidence of past success in implementing undergraduate education reform and the likelihood of success in undertaking the proposed expanded effort;

(B) the extent to which the faculty, staff, and administrators of the institution are committed to making the proposed institutional reform a priority of the participating academic unit;

(C) the degree to which the proposed reform will contribute to change in institutional culture and policy such that a greater value is placed on faculty engagement in undergraduate education, as evidenced through promotion and tenure policies; and

(D) the likelihood that the institution will sustain or expand the reform beyond the period of the grant.

(3) Grant distribution

The Director shall ensure, to the extent practicable, that grants awarded under this section are made to a variety of types of institutions of higher education.

CODIFICATION

Section was enacted as part of the National Science Foundation Authorization Act of 2002, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

DEFINITIONS

For definitions of terms used in this section, see section 4 of Pub. L. 107–368, set out as a note under section 1862n of this title.

§ 1862n–7. Reports

(a) Grant size and duration

Not later than 6 months after December 19, 2002, the Director shall transmit to the Committee on Science of the House of Representatives, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Health, Education, Labor, and Pensions of the Senate a report describing the impact that increasing the average grant size and duration would have on minority-serving institutions and on institutions located in States where the Foundation’s Experimental Program to Stimulate Competitive Research (established under section 1862g of this title) is carrying out activities.

(b) Faculty

Not later than 3 months after December 19, 2002, the Director shall enter into an arrangement with the National Academy of Sciences to assess gender differences in the careers of science and engineering faculty. This study shall build on the Academy’s work on gender differences in the carriers of doctoral scientists and engineers and examine issues such as faculty hiring, promotion, tenure, and allocation of resources including laboratory space. Upon completion, the results of this study shall be transmitted to the Committee on Science of the House of Representatives, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Health, Education, Labor, and Pensions of the Senate.

(c) Grant funding

Not later than 3 months after December 19, 2002, the Director shall enter into an agreement with an appropriate party to assess gender differences in the distribution of external Federal research and development funding. This study shall examine differences in amounts requested and awarded, by gender, in major Federal external grant programs. Upon completion, the results of this study shall be transmitted to the Committee on Science of the House of Representatives, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Health, Education, Labor, and Pensions of the Senate.

(d) Study of broadband network access for schools and libraries

(1) Report to Congress

The Director shall conduct a study of the issues described in paragraph (3), and not later than 1 year after December 19, 2002, transmit to the Committee on Science of the House of Representatives, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Health, Education, Labor, and Pensions of the Senate a report including recommendations to address those issues. Such report shall be updated annually for 4 additional years.

(2) Consultation

In preparing the reports under paragraph (1), the Director shall consult with Federal agencies and educational entities as the Director considers appropriate.

(3) Issues to be addressed

The reports shall—

(A) identify the availability of high-speed, large bandwidth capacity access to different demographic groups served by elementary schools, secondary schools, and libraries in the United States;

(B) identify how the provision of high-speed, large bandwidth capacity access to
the Internet to such schools and libraries can be effectively utilized within each school and library;
(C) consider the effect that specific or regional circumstances may have on the ability of such institutions to acquire high-speed, large bandwidth capacity access to achieve universal connectivity as an effective tool in the education process; and
(D) include options and recommendations to address the challenges and issues identified in the reports.

(e) Minority-serving institution funding

(1) Annual reporting required

The Director shall submit an annual report, along with the President’s annual budget request, to the Committee on Science of the House of Representatives, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Health, Education, Labor, and Pensions of the Senate on the amount of funding awarded by the Foundation to minority-serving institutions, including funding received as members of consortia. The report shall include information on such funding to minority-serving institutions—
(A) expressed as a percentage of funding to all institutions of higher education for each appropriations account within the Foundation’s budget; and
(B) for the preceding 10 years.

(2) Report on ways to improve funding

Within one year after December 19, 2002, the Director shall submit to the Committee on Science of the House of Representatives, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Health, Education, Labor, and Pensions of the Senate a report on recommendations on how the Foundation can improve funding to minority-serving institutions.

CODIFICATION
Section was enacted as part of the National Science Foundation Authorization Act of 2002, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

CHANGE OF NAME
Committee on Science of House of Representatives changed to Committee on Science and Technology of House of Representatives by House Resolution No. 6, One Hundred Tenth Congress, Jan. 5, 2007. § 1862n–8. Evaluations

(a) Education

(1) In general

The Director, through the Research, Evaluation and Communication Division of the Education and Human Resources Directorate of the Foundation, shall evaluate the effectiveness of all undergraduate science, mathematics, engineering, or technology education activities supported by the Foundation in increasing the number and quality of students, including individuals identified in section 1885a or 1885b of this title studying toward and completing associate’s or baccalaureate degrees in science, mathematics, engineering, and technology. In conducting the evaluation, the Director shall consider information on—
(A) the number of students enrolled in undergraduate science, mathematics, engineering, and technology programs;
(B) student academic achievement, including quantifiable measurements of students’ mastery of content and skills;
(C) persistence to degree completion, including students who transfer from science, mathematics, engineering, and technology programs to programs in other academic disciplines; and
(D) placement during the first year after degree completion in post-graduate education or career pathways.

(2) Assessment benchmarks and tools

The Director, through the Research, Evaluation and Communication Division of the Education and Human Resources Directorate of the Foundation, shall establish a common set of assessment benchmarks and tools, and shall enable every Foundation-sponsored project to incorporate the use of these benchmarks and tools in their project-based assessment activities.

(3) Reports to Congress

Not later than 3 years after December 19, 2002, and once every 3 years thereafter, the Director shall transmit to the Committee on Science of the House of Representatives, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Health, Education, Labor, and Pensions of the Senate a report containing the results of evaluations under paragraph (1).

(b) Awards

Notwithstanding any other provision of this Act, the Director shall annually evaluate a random sample of grants, contracts, or other awards made pursuant to this Act.

(c) Dissemination

The Director shall—
(1) provide for the dissemination of the results of the evaluations conducted pursuant to this section to the public; and
(2) provide notice to the public that such evaluations are available.

§ 1862n–9. Astronomy and Astrophysics Advisory Committee

(a) Establishment

The Foundation, the National Aeronautics and Space Administration, and the Department of Energy shall jointly establish an Astronomy and Astrophysics Advisory Committee (in this section referred to as the “Advisory Committee”).

(b) Duties

The Advisory Committee shall—

(1) assess, and make recommendations regarding, the coordination of astronomy and astrophysics programs of the Foundation, the National Aeronautics and Space Administration, and the Department of Energy;

(2) assess, and make recommendations regarding, the status of the activities of the Foundation, the National Aeronautics and Space Administration, and the Department of Energy as they relate to the recommendations contained in the National Research Council’s 2001 report entitled “Astronomy and Astrophysics in the New Millennium”, and the recommendations contained in subsequent National Research Council reports of a similar nature; and

(3) not later than March 15 of each year, transmit a report to the Director, the Administrator of the National Aeronautics and Space Administration, the Secretary of Energy, the Committee on Science of the House of Representatives, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Health, Education, Labor, and Pensions of the Senate on the Advisory Committee’s findings and recommendations under paragraphs (1) and (2).

(c) Membership

The Advisory Committee shall consist of 13 members, none of whom shall be a Federal employee, including—

(1) 4 members selected by the Director;

(2) 4 members selected by the Administrator of the National Aeronautics and Space Administration;

(3) 3 members selected by the Secretary of Energy; and

(4) 2 members selected by the Director of the Office of Science and Technology Policy.

(d) Selection process

Initial selections under subsection (c) shall be made within 3 months after December 19, 2002. Vacancies shall be filled in the same manner as provided in subsection (c).

(e) Chairperson

The Advisory Committee shall select a chairperson from among its members.

(f) Coordination

The Advisory Committee shall coordinate with other Federal advisory committees that advise Federal agencies that engage in related research activities.

(g) Compensation

The members of the Advisory Committee shall serve without compensation, but shall receive travel expenses, including per diem in lieu of subsistence, in accordance with sections 5702 and 5703 of title 5.

(h) Meetings

The Advisory Committee shall convene, in person or by electronic means, at least 4 times a year.

(i) Quorum

A majority of the members serving on the Advisory Committee shall constitute a quorum for purposes of conducting the business of the Advisory Committee.

(j) Duration

Section 14 of the Federal Advisory Committee Act shall not apply to the Advisory Committee.

§ 1862n–10. Minority-serving institutions undergraduate program

(a) In general

The Director is authorized to establish a new program to award grants on a competitive, merit-reviewed basis to Hispanic-serving institutions, Alaska Native-serving institutions, Native Hawaiian-serving institutions, and other institutions of higher education serving a substantial number of minority students to enhance the quality of undergraduate science, mathematics, and engineering education at such institutions and to increase the retention and graduation rates of students pursuing associate's or baccalaureate degrees in science, mathematics, engineering, or technology.

(b) Program components

Grants awarded under this section shall support—

(1) activities to improve courses and curriculum in science, mathematics, and engineering;

(2) faculty development;

(3) stipends for undergraduate students participating in research; and

(4) other activities consistent with subsection (a), as determined by the Director.

(c) Program coordination

This program shall be coordinated with and in addition to the ongoing Historically Black Colleges and Universities Undergraduate Program and the Tribal Colleges and Universities Program.

(d) Instrumentation

Funding for instrumentation is an allowed use of grants awarded under this section and under the ongoing Historically Black Colleges and Universities Undergraduate Program and the Tribal Colleges and Universities Program.

§ 1862o. Postdoctoral research fellows

(a) Mentoring

The Director shall require that all grant applications that include funding to support postdoctoral researchers include a description of the mentoring activities that will be provided for such individuals, and shall ensure that this part of the application is evaluated under the Foundation's broader impacts merit review criterion. Mentoring activities may include career counseling, training in preparing grant applications, guidance on ways to improve teaching skills, and training in research ethics.

(b) Reports

The Director shall require that annual reports and the final report for research grants that include funding to support postdoctoral researchers include a description of the mentoring activities provided to such researchers.

provisions set out as a note under section 1113 of Title 31:

"(1) Basic research.—The term ‘basic research’ has the meaning given such term in the Office of Management and Budget circular No. A-11.

"(2) Board.—The term ‘Board’ means the National Science Board established under section 2 of the National Science Foundation Act of 1950 (42 U.S.C. 1861).

"(3) Director.—The term ‘Director’ means the Director of the Foundation.

"(4) Elementary school.—The term ‘elementary school’ has the meaning given such term in section 1801 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 7801).

"(5) Foundation.—The term ‘Foundation’ means the National Science Foundation.

§ 1862o–4. Funding for successful science, technology, engineering, and mathematics education programs

(a) Evaluation of programs

The Director shall, on an annual basis, evaluate all of the Foundation’s grants that are scheduled to expire within 1 year and—

(1) that have the primary purpose of meeting the objectives of the Science and Engineering Equal Opportunity Act (42 U.S.C. 1885 et seq.); or

(2) that have the primary purpose of providing teacher professional development.

(b) Continuation of funding

For grants that are identified under subsection (a) and that are determined by the Director to be successful in meeting the objectives of the initial grant solicitation, the Director may extend the duration of those grants for not more than 3 additional years beyond their scheduled expiration without the requirement for a recompetition.

§ 1862o–5. Meeting critical national science needs

(a) In general

In addition to any other criteria, the Director shall include consideration of the degree to which awards and research activities that otherwise qualify for support by the Foundation may assist in meeting critical national needs in innovation, competitiveness, safety and security, the physical and natural sciences, technology, engineering, social sciences, and mathematics.

(b) Priority treatment

The Director shall give priority in the selection of awards and the allocation of Foundation resources to proposed research activities, and grants funded under the Foundation’s Research and Related Activities Account, that can be expected to make contributions in physical or natural science, technology, engineering, social sciences, or mathematics, or that enhance competitiveness, innovation, or safety and security in the United States.

(c) Limitation

Nothing in this section shall be construed to restrict or bias the grant selection process against funding other areas of research deemed by the Foundation to be consistent with its mandate nor to change the core mission of the Foundation.

**CODIFICATION**

Section was enacted as part of the America COMPETES Act, also known as the America Creating Opportunities to Meaningfully Promote Excellence in Technology, Education, and Science Act, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

§ 1862o–7. Cyberinfrastructure

In order to continue and expand efforts to ensure that research institutions throughout the Nation can fully participate in research programs of the Foundation and collaborate with colleagues throughout the Nation, the Director, not later than 180 days after August 9, 2007, shall develop and publish a plan that—

(1) describes the current status of broadband access for scientific research purposes at institutions in EPSCoR-eligible States, at institutions in rural areas, and at minority serving institutions; and

(2) outlines actions that can be taken to ensure that such connections are available to enable participation in those Foundation programs that rely heavily on high-speed networking and collaborations across institutions and regions.

§ 1862o–8. Pilot program of grants for new investigators

(a) In general

The Director shall carry out a pilot program to award 1-year grants to individuals to assist them in improving research proposals that were previously submitted to the Foundation but not selected for funding.

(b) Eligibility

To be eligible to receive a grant under this section, an individual—

(1) may not have previously received funding as the principal investigator of a research grant from the Foundation; and

(2) shall have submitted a proposal to the Foundation, which may include a proposal submitted to the Research in Undergraduate Institutions program, that was rated excellent under the Foundation’s competitive merit review process.

(c) Selection process

The Director shall make awards under this section based on the advice of the program officers of the Foundation.

(d) Use of funds

Grants awarded under this section shall be used to enable an individual to resubmit an up-
dated research proposal for review by the Foundation through the agency’s competitive merit review process. Uses of funds made available under this section may include the generation of new data and the performance of additional analysis.

(e) Program administration

The Director shall carry out this section through the Small Grants for Exploratory Research program.

(f) National Science Board review

The Board shall conduct a review and assessment of the pilot program under this section, including the number of new investigators funded, the distribution of awards by type of institution of higher education, and the success rate upon resubmittal of proposals by new investigators funded through such pilot program. Not later than 3 years after August 9, 2007, the Board shall summarize its findings and any recommendations regarding changes to, the termination of, or the continuation of the pilot program in a report to the Committee on Science and Technology of the House of Representatives and the Committee on Commerce, Science, and Transportation and the Committee on Health, Education, Labor, and Pensions of the Senate.

§ 1862o–9. Broader impacts merit review criterion

(a) In general

Among the types of activities that the Foundation shall consider as appropriate for meeting the requirements of its broader impacts criterion for the evaluation of research proposals are partnerships between academic researchers and industrial scientists and engineers that address research areas identified as having high importance for future national economic competitiveness, such as nanotechnology.

(b) Report on broader impacts criterion

Not later than 1 year after August 9, 2007, the Director shall transmit to Congress a report on the impact of the broader impacts grant criterion used by the Foundation. The report shall—

(1) identify the criteria that each division and directorate of the Foundation uses to evaluate the broader impacts aspects of research proposals;

(2) provide a breakdown of the types of activities by division that awardees have proposed to carry out to meet the broader impacts criterion;

(3) provide any evaluations performed by the Foundation to assess the degree to which the broader impacts aspects of research proposals were carried out and how effective they have been at meeting the goals described in the research proposals;

(4) describe what national goals, such as improving undergraduate science, technology, engineering, and mathematics education, improving kindergarten through grade 12 science and mathematics education, promoting university-industry collaboration, and broadening participation of underrepresented groups, the broader impacts criterion is best suited to promote; and

(5) describe what steps the Foundation is taking and should take to use the broader impacts criterion to improve undergraduate science, technology, engineering, and mathematics education.

CODIFICATION

§ 1862o–10. Advanced information and communications technology research

(1) In general

As part of the Program described in title I of the High-Performance Computing Act of 1991 (15 U.S.C. 5511 et seq.), the Foundation shall support basic research related to advanced information and communications technologies that will contribute to enhancing or facilitating the availability and affordability of advanced communications services for all people of the United States. Areas of research to be supported may include research on—

(A) affordable broadband access, including wireless technologies;

(B) network security and reliability;

(C) communications interoperability;

(D) networking protocols and architectures, including resilience to outages or attacks;

(E) trusted software;

(F) privacy;

(G) nanoelectronics for communications applications;

(H) low-power communications electronics;

(I) implementation of equitable access to national advanced fiber optic research and educational networks in noncontiguous States; and

(J) such other related areas as the Director finds appropriate.
(2) Centers

The Director shall award multiyear grants, subject to the availability of appropriations and on a merit-reviewed competitive basis, to institutions of higher education, nonprofit research institutions affiliated with institutions of higher education, or consortia of either type of institution to establish multidisciplinary Centers for Communications Research. The purpose of the Centers shall be to generate innovative approaches to problems in information and communications technology research, including the research areas described in paragraph (1). Institutions of higher education, nonprofit research institutions affiliated with institutions of higher education, or consortia receiving such grants may partner with 1 or more government laboratories, for-profit entities, or other institutions of higher education or nonprofit research institutions.

(3) Funding allocation

The Director shall increase funding for the basic research activities described in paragraph (1), which shall include support for the Centers described in paragraph (2), in proportion to the increase in the total amount appropriated to the Foundation for research and related activities for the fiscal years 2008 through 2010.

(4) Report to Congress

The Director shall transmit to Congress, as part of the President’s annual budget submission under section 1105 of title 31, a report on the amounts allocated for support of research under this section for the fiscal year during which such report is submitted and the levels proposed for the fiscal year with respect to which the budget submission applies.

§ 1862c–12. Hispanic-serving institutions undergraduate program

(a) In general

The Director shall award grants on a competitive, merit-reviewed basis to Hispanic-serving institutions (as defined in section 1101a of title 20) to enhance the quality of undergraduate STEM education at such institutions and to increase the retention and graduation rates of students pursuing associate’s or baccalaureate degrees in science, technology, engineering, and mathematics.

(b) Program components

Grants awarded under this section shall support—

(1) activities to improve courses and curriculum in science, technology, engineering, and mathematics;

(2) faculty development;

(3) stipends for undergraduate students participating in research;

(4) other activities consistent with subsection (a), as determined by the Director.

(c) Instrumentation

Funding for instrumentation is an allowed use of grants awarded under this section.

Section was enacted as part of the America COMPETES Act, also known as the America Creating Opportunities to Meaningfully Promote Excellence in Science, Technology, Education, and Science Act, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

AMENDMENTS

2017—Subsec. (a). Pub. L. 114–329 amended subsec. (a) generally. Prior to amendment, text read as follows: “The Director is authorized to establish a new program to award grants on a competitive, merit-reviewed basis to Hispanic-serving institutions (as defined in section 1101a of title 20) to enhance the quality of undergraduate science, technology, engineering, and mathematics education at such institutions and to increase the retention and graduation rates of students pursuing associate’s or baccalaureate degrees in science, technology, engineering, and mathematics.”

SAVINGS PROVISION

Pub. L. 114–329, title III, § 315(b), Jan. 6, 2017, 130 Stat. 3016, provided that: “The amendment made by subsection (a) of this section [amending this section] shall not affect any award of a grant or other form of financial assistance made under section 7033 of the America COMPETES Act (42 U.S.C. 1862c–12) before the date of enactment of this Act [Jan. 6, 2017]. Such awards shall continue to be subject to the requirements to which such funds were subject under that section before the date of enactment of this Act.”

DEFINITIONS

§ 1862c–13. Professional science master's degree programs

(a) Clearinghouse

(1) Development

The Director shall establish a clearinghouse, in collaboration with 4-year institutions of
higher education (including applicable graduate schools and academic departments), and industries and Federal agencies that employ science-trained personnel, to share program elements used in successful professional science master’s degree programs and other advanced degree programs related to science, technology, engineering, and mathematics.

(2) Availability

The Director shall make the clearinghouse of program elements developed under paragraph (1) available to institutions of higher education that are developing professional science master’s degree programs.

(b) Programs

(1) Programs authorized

The Director shall award grants to 4-year institutions of higher education to facilitate the institutions’ creation or improvement of professional science master’s degree programs that may include linkages between institutions of higher education and industries that employ science-trained personnel, with an emphasis on practical training and preparation for the workforce in high-need fields.

(2) Application

A 4-year institution of higher education desiring a grant under this section shall submit an application to the Director at such time, in such manner, and accompanied by such information as the Director may require. The application shall include—

(A) a description of the professional science master’s degree program that the institution of higher education will implement;

(B) a description of how the professional science master’s degree program at the institution of higher education will produce individuals for the workforce in high-need fields;

(C) the amount of funding from non-Federal sources, including from private industries, that the institution of higher education shall use to support the professional science master’s degree program; and

(D) an assurance that the institution of higher education shall develop performance benchmarks in the professional science master’s degree program to apply for all forms of Federal assistance available to such students, including applicable graduate fellowships and student financial assistance under titles IV and VII of the Higher Education Act of 1965 (20 U.S.C. 1070 et seq., 1133 et seq.).

(3) Preferences

The Director shall give preference in making awards to 4-year institutions of higher education seeking Federal funding to create or improve professional science master’s degree programs, to those applicants—

(A) located in States with low percentages of citizens with graduate or professional degrees, as determined by the Bureau of the Census, that demonstrate success in meeting the unique needs of the corporate, non-profit, and government communities in the State, as evidenced by providing internships for professional science master’s degree students or similar partnership arrangements; or

(B) that secure more than two-thirds of the funding for such professional science master’s degree programs from sources other than the Federal Government.

(4) Number of grants; time period of grants

(A) Number of grants

Subject to the availability of appropriated funds, the Director shall award grants under paragraph (1) to a maximum of 200 4-year institutions of higher education.

(B) Time period of grants

Grants awarded under this section shall be for one 3-year term. Grants may be renewed only once for a maximum of 2 additional years.

(5) Evaluation and reports

(A) Development of performance benchmarks

Prior to the start of the grant program, the Director, in consultation with 4-year institutions of higher education (including applicable graduate schools and academic departments), and industries and Federal agencies that employ science-trained personnel, shall develop performance benchmarks to evaluate the pilot programs assisted by grants under this section.

(B) Evaluation

For each year of the grant period, the Director, in consultation with 4-year institutions of higher education (including applicable graduate schools and academic departments), and industries and Federal agencies that employ science-trained personnel, shall complete an evaluation of each program assisted by grants under this section. Any program that fails to satisfy the performance benchmarks developed under subparagraph (A) shall not be eligible for further funding.

(C) Report

Not later than 180 days after the completion of an evaluation described in subparagraph (B), the Director shall submit a report to Congress that includes—

(i) the results of the evaluation; and

(ii) recommendations for administrative and legislative action that could optimize the effectiveness of the pilot programs, as the Director determines to be appropriate.

§ 1862. Limit on proposals

(a) Policy

For programs supported by the Foundation that require as part of the selection process for awards the submission of preproposals and that also limit the number of preproposals that may be submitted by an institution, the Director shall allow the subsequent submission of a full proposal based on each preproposal that is determined to have merit following the Foundation’s merit review process.

(b) Review and assessment of policies

The Board shall review and assess the effects on institutions of higher education of the policies of the Foundation regarding the imposition of limitations on the number of proposals that may be submitted by a single institution for programs supported by the Foundation. The Board shall determine whether current policies are well justified and appropriate for the types of programs that limit the number of proposal submissions. Not later than 1 year after August 9, 2007, the Board shall summarize the Board’s findings and any recommendations regarding changes to the current policy on the restriction of proposal submissions in a report to the Committee on Science and Technology of the House of Representatives and to the Committee on Commerce, Science, and Transportation and the Committee on Health, Education, Labor, and Pensions of the Senate.

CHANGE OF NAME

Committee on Science and Technology of House of Representatives changed to Committee on Science, Space, and Technology of House of Representatives by House Resolution No. 5, One Hundred Twelfth Congress, Jan. 5, 2011.

DEFINITIONS

For definitions of terms used in this section, see section 7001 of Pub. L. 110–69, set out as a note under section 1862c of this title.
science and engineering enterprise in the United States and other nations that is relevant and useful to practitioners, researchers, policymakers, and the public, including statistical data on—

(A) research and development trends;

(B) the science and engineering workforce;

(C) United States competitiveness in science, engineering, technology, and research and development; and

(D) the condition and progress of United States STEM education;

(2) support research using the data it collects, and on methodologies in areas related to the work of the Center; and

(3) support the education and training of researchers in the use of large-scale, nationally representative data sets.

(c) Statistical reports

The Director or the National Science Board, acting through the Center, shall issue regular, and as necessary, special statistical reports on topics related to the national and international science and engineering enterprise such as the biennial report required by section 1863(j)(1) of this title on indicators of the state of science and engineering in the United States.

CODIFICATION

Section was enacted as part of the America COMPETES Reauthorization Act of 2010, also known as the America Creating Opportunities to Meaningfully Promote Excellence in Technology, Education, and Science Authorization Act of 2010, and as part of the America COMPETES Reauthorization Act of 2010, and also as part of the National Science Foundation Authorization Act of 2010, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

RESEARCH ON EFFICIENCY OF SKILLED TECHNICAL LABOR MARKETS

“(a) EFFICIENCY OF SKILLED TECHNICAL LABOR MARKETS.—The Director of the National Science Foundation, working through the Directorate of Social, Behavioral & Economic Sciences, in coordination with the Secretary of Labor, shall support research on labor market analysis innovations, data and information sciences, electronic information tools and methodologies, and metrics.

“(b) SKILLED TECHNICAL WORKFORCE.—

“(1) REVIEW.—The National Center for Science and Engineering Statistics of the National Science Foundation shall consult and coordinate with other relevant Federal statistical agencies, including the Institute of Education Sciences of the Department of Education, and the Committee on Science, Technology, Engineering, and Mathematics Education of the National Science and Technology Council established under section 101 of the America COMPETES Reauthorization Act of 2010 (Public Law 111–358) [42 U.S.C. 6621], to explore the feasibility of expanding its surveys to include the collection of objective data on the skilled technical workforce.

“(2) REPORT.—Not later than 3 years after the date of enactment of this Act [Dec. 31, 2018], the Director of the National Science Foundation shall submit to Congress a report on the progress made in expanding the National Center for Science and Engineering Statistics surveys to include the skilled technical workforce, including a plan for multi-agency collaboration to improve data collection and reporting of data on the skilled technical workforce.

“(3) DEFINITION OF SKILLED TECHNICAL WORKFORCE.—The term ‘‘skilled technical workforce’’ [sic] means workers with high school diplomas and two-year technical training or certifications who employ significant levels of STEM knowledge in their jobs.’’

DEFINITIONS

For definition of “STEM” as used in this section, see section 2 of Pub. L. 111–358, set out as a note under section 6621 of this title.

“(1) DIRECTOR.—The term ‘Director’ means the Director of the National Science Foundation.

“(2) EPSCoR.—The term ‘EPSCoR’ means—

“(A) the Established Program to Stimulate Competitive Research established by the Foundation; or

“(B) a program similar to the Established Program to Stimulate Competitive Research at another Federal agency.

“(3) FOUNDATION.—The term ‘Foundation’ means the National Science Foundation established under section 2 of the National Science Foundation Act of 1950 (42 U.S.C. 1861).

“(4) INSTITUTION OF HIGHER EDUCATION.—The term ‘institution of higher education’ has the meaning given such term in section 101(a) of the Higher Education Act of 1965 (20 U.S.C. 1001(a)).

“(5) STATE.—The term ‘State’ means one of the several States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, or any other territory or possession of the United States.

“(6) UNITED STATES.—The term ‘United States’ means the several States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, and any other territory or possession of the United States.”

§ 1862p–1. National Science Foundation manufacturing research and education

(a) Manufacturing research

The Director shall carry out a program to award merit-reviewed, competitive grants to institutions of higher education to support fundamental research leading to transformative advances in manufacturing technologies, processes, and enterprises that will support United States manufacturing through improved performance, productivity, sustainability, and competitiveness. Research areas may include—

(1) nanomanufacturing;

(2) manufacturing and construction machines and equipment, including robotics, automation, and other intelligent systems;

(3) manufacturing enterprise systems;

(4) advanced sensing and control techniques;

(5) materials processing; and

(6) information technologies for manufacturing, including predictive and employ real-time models and simulations, and virtual manufacturing.

(b) Manufacturing education

In order to help ensure a well-trained manufacturing workforce, the Director shall award grants to strengthen and expand scientific and technical education and training in advanced
manufacturing, including through the Foundation’s Advanced Technological Education program.

CODIFICATION
Section was enacted as part of the America COMPETES Reauthorization Act of 2010, also known as the America Creating Opportunities to Meaningfully Promote Excellence in Technology, Education, and Science Reauthorization Act of 2010, and also as part of the National Science Foundation Authorization Act of 2010, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

DEFINITIONS
For definitions of terms used in this section, see section 502 of Pub. L. 111–358, set out as a note under section 1862p of this title.

§ 1862p–2. Partnerships for innovation
(a) In general
The Director shall carry out a program to award merit-reviewed, competitive grants to institutions of higher education to establish and expand partnerships that promote innovation and increase the impact of research by developing tools and resources to connect new scientific discoveries to practical uses.

(b) Partnerships
(1) In general
To be eligible for funding under this section, an institution of higher education must propose establishment of a partnership that—
   (A) includes at least one private sector entity; and
   (B) may include other institutions of higher education, public sector institutions, private sector entities, and nonprofit organizations.

(2) Priority
In selecting grant recipients under this section, the Director shall give priority to partnerships that include one or more institutions of higher education and at least one of the following:
   (A) A minority serving institution.
   (B) A primarily undergraduate institution.
   (C) A 2-year institution of higher education.

(c) Program
Proposals funded under this section shall seek—
   (1) to increase the impact of the most promising research at the institution or institutions of higher education that are members of the partnership through knowledge transfer or commercialization;
   (2) to increase the engagement of faculty and students across multiple disciplines and departments, including faculty and students in schools of business and other appropriate non-STEM fields and disciplines in knowledge transfer activities;
   (3) to enhance education and mentoring of students and faculty in innovation and entrepreneurship through networks, courses, and development of best practices and curricula;
   (4) to strengthen the culture of the institution or institutions of higher education to undertake and participate in activities related to innovation and leading to economic or social impact;
   (5) to broaden the participation of all types of institutions of higher education in activities to meet STEM workforce needs and promote innovation and knowledge transfer; and
   (6) to build lasting partnerships with local and regional businesses, local and State governments, and other relevant entities.

(d) Additional criteria
In selecting grant recipients under this section, the Director shall also consider the extent to which the applicants are able to demonstrate evidence of institutional support for, and commitment to—
   (1) achieving the goals of the program as described in subsection (c);
   (2) expansion to an institution-wide program if the initial proposal is not for an institution-wide program; and
   (3) sustaining any new innovation tools and resources generated from funding under this program.

(e) Limitation
No funds provided under this section may be used to construct or renovate a building or structure.

CODIFICATION
Section was enacted as part of the America COMPETES Reauthorization Act of 2010, also known as the America Creating Opportunities to Meaningfully Promote Excellence in Technology, Education, and Science Reauthorization Act of 2010, and also as part of the National Science Foundation Authorization Act of 2010, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

DEFINITIONS
For definitions of terms used in this section, see section 2 of Pub. L. 111–358, set out as a note under section 6621 of this title, and section 502 of Pub. L. 111–358, set out as a note under section 1862p of this title.

§ 1862p–3. Sustainable chemistry basic research
The Director shall establish a Green Chemistry Basic Research program to award competitive, merit-based grants to support research into green and sustainable chemistry which will lead to clean, safe, and economical alternatives to traditional chemical products and practices. The research program shall provide sustained support for green chemistry research, education, and technology transfer through—
   (1) merit-reviewed competitive grants to individual investigators and teams of investigators, including, to the extent practicable, young investigators, for research;
   (2) grants to fund collaborative research partnerships among universities, industry, and nonprofit organizations;
   (3) symposia, forums, and conferences to increase outreach, collaboration, and dissemination of green chemistry advances and practices; and
(4) education, training, and retraining of undergraduate and graduate students and professional chemists and chemical engineers, including through partnerships with industry, in green chemistry science and engineering. (Pub. L. 111–358, title V, § 509, Jan. 4, 2011, 124 Stat. 4009.)

CODIFICATION

Section was enacted as part of the America COMPETES Reauthorization Act of 2010, also known as the America Creating Opportunities to Meaningfully Promote Excellence in Technology, Education, and Science Reauthorization Act of 2010, and also as part of the National Science Foundation Authorization Act of 2010, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

COORDINATION OF SUSTAINABLE CHEMISTRY RESEARCH AND DEVELOPMENT

Pub. L. 114–328, title I, § 114, Jan. 6, 2017, 130 Stat. 2993, provided that:

“(a) IMPORTANCE OF SUSTAINABLE CHEMISTRY.—It is the sense of Congress that—

“(1) the science of chemistry is vital to improving the quality of human life and plays an important role in addressing critical global challenges, including water quality, energy, health care, and agriculture;

“(2) sustainable chemistry can reduce risks to human health and the environment, reduce waste, improve pollution prevention, promote safe and efficient manufacturing, and promote efficient use of resources in developing new materials, processes, and technologies that support viable long-term solutions to a significant number of challenges;

“(3) sustainable chemistry can stimulate innovation, encourage new and creative approaches to problems, create jobs, and save money; and

“(4) a coordinated effort on sustainable chemistry will allow for a greater return on research investment in this area.

“(b) SUSTAINABLE CHEMISTRY BASIC RESEARCH.—Subject to the availability of appropriated funds, the Director of the [National Science] Foundation may continue to carry out the Sustainable Chemistry Basic Research program authorized under section 509 of the National Science Foundation Authorization Act of 2010 (42 U.S.C. 1862p-3).”

DEFINITIONS

For definitions of terms used in this section, see section 509 of Pub. L. 111–358, set out as a note under section 1862p of this title.

§ 1862p–5. Research experiences for high school students

The Director shall permit specialized STEM high schools conducting research to participate in major data collection initiatives from universities, corporations, or government labs under a research grant from the Foundation, as part of the research proposal. (Pub. L. 111–358, title V, § 513, Jan. 4, 2011, 124 Stat. 4011.)

CODIFICATION

Section was enacted as part of the America COMPETES Reauthorization Act of 2010, also known as the America Creating Opportunities to Meaningfully Promote Excellence in Technology, Education, and Science Reauthorization Act of 2010, and also as part of the National Science Foundation Authorization Act of 2010, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

DEFINITIONS

For definitions of terms used in this section, see section 2 of Pub. L. 111–358, set out as a note under section 6621 of this title, and section 502 of Pub. L. 111–358, set out as a note under section 1862p of this title.

§ 1862p–6. Research experiences for undergraduates

(a) Research sites

The Director shall award grants, on a merit-reviewed, competitive basis, to institutions of higher education, nonprofit organizations, or consortia of such institutions and organizations, for sites designated by the Director to provide research experiences for 6 or more undergraduate STEM students for sites designated at primarily undergraduate institutions of higher education and 10 or more undergraduate STEM students for all other sites, with consideration given to the goal of promoting the participation of individuals identified in section 1885a or 1885b of this title. The Director shall ensure that—

(1) at least half of the students participating in a program funded by a grant under this subsection at each site shall be recruited from institutions of higher education where research opportunities in STEM are limited, including 2-year institutions;

(2) the awards provide undergraduate research experiences in a wide range of STEM disciplines;

(3) the awards support a variety of projects, including independent investigator-led projects, interdisciplinary projects, and multi-institutional projects (including virtual projects);

(4) students participating in each program funded have mentors, including during the academic year to the extent practicable, to help connect the students’ research experiences to the overall academic course of study and to help students achieve success in courses of study leading to a baccalaureate degree in a STEM field;

(5) mentors and students are supported with appropriate salary or stipends; and
§ 1862p–7  STEM industry internship programs

(a) In general

The Director may award grants, on a competitive, merit-reviewed basis, to institutions of higher education, or consortia thereof, to establish or expand partnerships with local or regional private sector entities, for the purpose of providing undergraduate students with integrated internship experiences that connect private sector internship experiences with the students’ STEM coursework. The partnerships may also include industry or professional associations.

(b) Internship program

The grants awarded under subsection (a) may include internship programs in the manufacturing sector.

(c) Use of grant funds

Grants under this section may be used—

(1) to develop and implement hands-on learning opportunities;
(2) to develop curricula and instructional materials related to industry, including the manufacturing sector;
(3) to perform outreach to secondary schools;
(4) to develop mentorship programs for students with partner organizations; and
(5) to conduct activities to support awareness of career opportunities and skill requirements.

(d) Priority

In awarding grants under this section, the Director shall give priority to institutions of higher education or consortia thereof that demonstrate significant outreach to and coordination with local or regional private sector entities and Regional Centers for the Transfer of Manufacturing Technology established by section 278k(a) of title 15 in developing academic courses designed to provide students with the skills or certifications necessary for employment in local or regional companies.

(e) Outreach to rural communities

The Foundation shall conduct outreach to institutions of higher education and private sector entities in rural areas to encourage those entities to participate in partnerships under this section.

(f) Cost-share

The Director shall require a 50 percent non-Federal cost-share from partnerships established or expanded under this section.

§ 1862p–8. Cyber-enabled learning for national challenges

The Director shall, in consultation with appropriate Federal agencies, identify ways to use cyber-enabled learning to create an innovative STEM workforce and to help retrain and retain our existing STEM workforce to address national challenges, including national security and competitiveness, and use technology to enhance or supplement laboratory based learning.

§ 1862p–9. Experimental Program to Stimulate Competitive Research

(a) Findings

The Congress finds that—

(1) the National Science Foundation Act of 1950 [42 U.S.C. 1861 et seq.] stated, "it shall be an objective of the Foundation to strengthen research and education in the sciences and engineering, including independent research by individuals, throughout the United States, and to avoid undue concentration of such research and education";

(2) National Science Foundation funding remains highly concentrated, with 28 States and jurisdictions, taken together, receiving only about 12 percent of all National Science Foundation research funding;

(3) each of the States described in paragraph (2) receives only a fraction of 1 percent of the Foundation’s research dollars each year;

(4) first established at the National Science Foundation in 1979, the Experimental Program to Stimulate Competitive Research (referred to in this section as “EPSCoR”) assists States and jurisdictions historically underserved by Federal research and development funding in strengthening their research and innovation capabilities;

(5) the EPSCoR structure requires each participating State to develop a science and technology plan suited to State and local research, education, and economic interests and objectives;

(6) EPSCoR has been credited with advancing the research competitiveness of participating States, improving awareness of science, promoting policies that link scientific investment and economic growth, and encouraging partnerships between government, industry, and academia;

(7) EPSCoR proposals are evaluated through a rigorous and competitive merit-review process to ensure that awarded research and development efforts meet high scientific standards; and

(8) according to the National Academy of Sciences, EPSCoR has strengthened the national research infrastructure and enhanced the educational opportunities needed to develop the science and engineering workforce.

(b) Continuation of program

The Director shall continue to carry out EPSCoR, with the objective of helping the eligible States develop the research infrastructure that will make them more competitive for Foundation and other Federal research funding. The program shall continue to increase as the National Science Foundation funding increases.

(c) Coordination of EPSCoR and similar Federal programs

(1) Another finding

The Congress finds that a number of Federal agencies have programs, such as EPSCoR and the National Institutes of Health Institutional Development Award program, designed to increase the capacity for and quality of science and technology research and training at academic institutions in States that historically have received relatively little Federal research and development funding.

(2) Coordination required

The EPSCoR Interagency Coordinating Committee, chaired by the National Science Foundation, shall—

(A) coordinate each EPSCoR to maximize the impact of Federal support for building competitive research infrastructure, and in order to achieve an integrated Federal effort;

(B) coordinate agency objectives with State and institutional goals, to obtain continued non-Federal support of science and technology research and training;

(C) develop metrics to assess gains in academic research quality and competitiveness, and in science and technology human resource development;

(D) conduct a cross-agency evaluation of each EPSCoR and accomplishments, including management, investment, and metrics, measuring strategies implemented by the different agencies aimed to increase the number of new investigators receiving peer-reviewed funding, broaden participation, and empower knowledge generation, dissemination, application, and national research and development competitiveness;

(E) coordinate the development and implementation of new, novel workshops, outreach activities, and follow-up mentoring activities among each EPSCoR for colleges and universities in EPSCoR States and territories in order to increase the number of proposals submitted and successfully funded and to enhance statewide coordination of each EPSCoR;

(F) coordinate the development of new, innovative solicitations and programs to facilitate collaborations, partnerships, and mentoring activities among faculty at all levels in non-EPSCoR and EPSCoR States and jurisdictions;
(G) conduct an evaluation of the roles, responsibilities and degree of autonomy that program officers or managers (or the equivalent position) have in executing each EPSCoR at the different Federal agencies and the impacts these differences have on the number of EPSCoR State and jurisdiction faculty participating in the peer review process and the percentage of successful awards by individual EPSCoR State jurisdiction and individual researcher; and

(H) conduct a survey of colleges and university faculty at all levels regarding their knowledge and understanding of EPSCoR, and their level of interaction with and knowledge about their respective State or Jurisdictional EPSCoR Committee.

(3) Meetings and reports

The Committee shall meet at least twice each fiscal year and shall submit an annual report to the appropriate committees of Congress describing progress made in carrying out paragraph (2).

(d) Federal agency reports

Each Federal agency that administers an EPSCoR shall submit to Congress, as part of its Federal budget submission—

(1) a description of the program strategy and objectives;

(2) a description of the awards made in the previous fiscal year, including—

(A) the total amount made available, by State, under EPSCoR;

(B) the total amount of agency funding made available to all institutions and entities within each EPSCoR State;

(C) the efforts and accomplishments to more fully integrate the EPSCoR States in major agency activities and initiatives;

(D) the percentage of EPSCoR reviewers from EPSCoR States; and

(E) the number of programs or large collaborator awards involving a partnership of organizations and institutions from EPSCoR and non-EPSCoR States; and

(3) an analysis of the gains in academic research quality and competitiveness, and in science and technology human resource development, achieved by the program over the last 5 fiscal years.

(e) National Academy of Sciences study

(1) In general

The Director shall contract with the National Academy of Sciences to conduct a study on all Federal agencies that administer an EPSCoR.

(2) Matters to be addressed

The study conducted under paragraph (1) shall include the following:

(A) A delineation of the policies of each Federal agency with respect to the awarding of grants to EPSCoR States.

(B) The effectiveness of each program.

(C) Recommendations for improvements for each agency to achieve EPSCoR goals.

(D) An assessment of the effectiveness of EPSCoR States in using awards to develop science and engineering research and education, and science and engineering infrastructure within their States.

(E) Such other issues that address the effectiveness of EPSCoR as the National Academy of Sciences considers appropriate.

(f) Award structure updates

In implementing the mandate to maximize the impact of Federal EPSCoR support on building competitive research infrastructure, and based on the inputs and recommendations of previous EPSCoR reviews, the head of each Federal agency administering an EPSCoR program shall—

(1) consider modifications to EPSCoR proposal solicitation, award type, and project evaluation—

(A) to more closely align with current agency priorities and initiatives;

(B) to focus EPSCoR funding on achieving critical scientific, infrastructure, and educational needs of that agency;

(C) to encourage collaboration between EPSCoR-eligible institutions and researchers, including with institutions and researchers in other States and jurisdictions;

(D) to improve communication between State and Federal agency proposal reviewers; and

(E) to continue to reduce administrative burdens associated with EPSCoR;

(2) consider modifications to EPSCoR award structures—

(A) to emphasize long-term investments in building research capacity, potentially through the use of larger, renewable funding opportunities; and

(B) to allow the agency, States, and jurisdictions to experiment with new research and development funding models; and

(3) consider modifications to the mechanisms used to monitor and evaluate EPSCoR awards—

(A) to increase collaboration between EPSCoR and agency staff, including by providing opportunities for mentoring young researchers and for the use of Federal facilities;

(B) to identify and disseminate best practices; and

(C) to harmonize metrics across participating Federal agencies, as appropriate.

§ 1862p–12. Cloud computing research enhancement
(a) Research focus area
The Director may support a national research agenda in key areas affected by the increased use of public and private cloud computing, including—
(1) new approaches, techniques, technologies, and tools for—
   (A) optimizing the effectiveness and efficiency of cloud computing environments; and
   (B) mitigating security, identity, privacy, reliability, and manageability risks in cloud-based environments, including as they differ from traditional data centers;
(2) new algorithms and technologies to define, assess, and establish large-scale, trustworthy, cloud-based infrastructures;
(3) models and advanced technologies to measure, assess, report, and understand the performance, reliability, energy consumption, and other characteristics of complex cloud environments; and
(4) advanced security technologies to protect sensitive or proprietary information in global-scale cloud environments.
(b) Establishment
(1) In general
Not later than 60 days after January 4, 2011, the Director shall initiate a review and assessment of cloud computing research opportunities and challenges, including research areas listed in subsection (a), as well as related issues such as—
   (A) the management and assurance of data that are the subject of Federal laws and regulations in cloud computing environments, which laws and regulations exist on January 4, 2011;
   (B) misappropriation of cloud services, privacy through cloud technologies, and other threats to the integrity of cloud services;
   (C) areas of advanced technology needed to enable trusted communications, processing, and storage; and
   (D) other areas of focus determined appropriate by the Director.
(2) Unsolicited proposals
The Director may accept unsolicited proposals that review and assess the issues described in paragraph (1). The proposals may be judged according to existing criteria of the National Science Foundation.
(c) Report
The Director shall provide an annual report for not less than 5 consecutive years to Congress on the outcomes of National Science Foundation investments in cloud computing research, recommendations for research focus and program improvements, or other related recommendations. The reports, including any interim findings or recommendations, shall be made publicly available on the website of the National Science Foundation.
(d) NIST support
The Director of the National Institute of Standards and Technology shall—
(1) collaborate with industry in the development of standards supporting trusted cloud computing infrastructures, metrics, interoperability, and assurance; and
(2) support standards development with the intent of supporting common goals.

§ 1862p–13. Tribal colleges and universities program
(a) In general
The Director shall continue to support a program to award grants on a competitive, merit-reviewed basis to tribal colleges and universities (as defined in section 1059c of title 20, including institutions described in section 10594 of title 20), to enhance the quality of undergraduate STEM education at such institutions and to increase the retention and graduation rates of Native American students pursuing associate’s or baccalaureate degrees in STEM.
(b) Program components
Grants awarded under this section shall support—
(1) activities to improve courses and curriculum in STEM;
(2) faculty development;
(3) stipends for undergraduate students participating in research; and
(4) other activities consistent with subsection (a), as determined by the Director.
(c) Instrumentation
Funding provided under this section may be used for laboratory equipment and materials.

DEFINITIONS
For definitions of terms used in this section, see section 522 of Pub. L. 111–358, set out as a note under section 1862p of this title.

§ 1862p–14. Other provisions
(a) In general
The Director shall—
(b) Establishment
(1) In general
(2) Unsolicited proposals
(3) Report
(4) NIST support
(5) Tribal colleges and universities program

(a) Goals

The Foundation shall apply a broader impacts review criterion to identify and demonstrate project support of the following goals:

(1) Increasing the economic competitiveness of the United States.
(2) Advancing the health and welfare of the American public.
(3) Supporting the national defense of the United States.
(4) Enhancing partnerships between academia and industry in the United States.
(5) Developing an American STEM workforce that is globally competitive through improved pre-kindergarten through grade 12 STEM education and teacher development, and improved undergraduate STEM education and instruction.
(6) Improving public scientific literacy and engagement with science and technology in the United States.
(7) Expanding participation of women and individuals from underrepresented groups in STEM.

(b) Policy

Not later than 6 months after January 4, 2011, the Director shall develop and implement a policy for the Broader Impacts Review Criterion that—

(1) provides for educating professional staff at the Foundation, merit review panels, and applicants for Foundation research grants on the policy developed under this subsection;
(2) clarifies that the activities of grant recipients undertaken to satisfy the Broader Impacts Review Criterion shall—
   (A) to the extent practicable employ proven strategies and models and draw on existing programs and activities; and
   (B) when novel approaches are justified, build on the most current research results;
(3) allows for some portion of funds allocated to broader impacts under a research grant to be used for assessment and evaluation of the broader impacts activity;
(4) encourages institutions of higher education and other nonprofit education or research organizations to develop and provide, either as individual institutions or in partnerships thereof, appropriate training and programs to assist Foundation-funded principal investigators at their institutions in achieving the goals of the Broader Impacts Review Criterion as described in subsection (a); and
(5) requires principal investigators applying for Foundation research grants to provide evidence of institutional support for the portion of the investigator’s proposal designed to satisfy the Broader Impacts Review Criterion, including evidence of relevant training, programs, and other institutional resources available to the investigator from either their home institution or organization or another institution or organization with relevant expertise.

§ 1862p–15. Twenty-first century graduate education

(a) In general

The Director shall award grants, on a competitive, merit-reviewed basis, to institutions of higher education to implement or expand research-based reforms in master’s and doctoral level STEM education that emphasize preparation for diverse careers utilizing STEM degrees, including at diverse types of institutions of higher education, in industry, and at government agencies and research laboratories.

(b) Uses of funds

Activities supported by grants under this section may include—

(1) creation of multidisciplinary or interdisciplinary courses or programs for the purpose of improved student instruction and research in STEM;
(2) expansion of graduate STEM research opportunities to include interdisciplinary research opportunities and research opportunities in industry, at Federal laboratories, and at international research institutions or research sites;
(3) development and implementation of future faculty training programs focused on improved instruction, mentoring, assessment of student learning, and support of undergraduate STEM students;
(4) support and training for graduate students to participate in instructional activities beyond the traditional teaching assistantship, and especially as part of ongoing educational

reform efforts, including at pre-K–12 schools, and primarily undergraduate institutions;

(5) creation, improvement, or expansion of innovative graduate programs such as science master’s degree programs;

(6) development and implementation of seminars, workshops, and other professional development activities that increase the ability of graduate students to engage in innovation, technology transfer, and entrepreneurship;

(7) development and implementation of seminars, workshops, and other professional development activities that increase the ability of graduate students to effectively communicate their research findings to technical audiences outside of their own discipline and to nontechnical audiences;

(8) expansion of successful STEM reform efforts beyond a single academic unit to other STEM academic units within an institution or to comparable academic units at other institutions; and

(9) research on teaching and learning of STEM at the graduate level related to the proposed reform effort, including assessment and evaluation of the proposed reform activities and research on scalability and sustainability of approaches to reform.

(c) Partnership

An institution of higher education may partner with one or more other nonprofit education or research organizations, including scientific and engineering societies, for the purposes of carrying out the activities authorized under this section.

(d) Selection process

(1) Applications

An institution of higher education seeking a grant under this section shall submit an application to the Director at such time, in such manner, and containing such information as the Director may require. The application shall include, at a minimum—

(A) a description of the proposed reform effort;

(B) in the case of applications that propose an expansion of a previously implemented reform effort at the applicant’s institution or at other institutions, a description of the previously implemented reform effort;

(C) evidence of institutional support for, and commitment to, the proposed reform effort, including long-term commitment to implement successful strategies from the current reform effort beyond the academic unit or units included in the grant proposal or to disseminate successful strategies to other institutions;

(D) a description of the plans for assessment and evaluation of the grant proposed reform activities.

(2) Review of applications

In selecting grant recipients under this section, the Director shall consider at a minimum—

(A) the likelihood of success in undertaking the proposed effort at the institution submitting the application, including the extent to which the faculty, staff, and administrators of the institution are committed to making the proposed institutional reform a priority of the participating academic unit or units;

(B) the degree to which the proposed reform will contribute to change in institutional culture and policy such that a greater value is placed on preparing graduate students for diverse careers utilizing STEM degrees;

(C) the likelihood that the institution will sustain or expand the reform beyond the period of the grant; and

(D) the degree to which scholarly assessment and evaluation plans are included in the design of the reform effort.

§ 1862q. Informal STEM education

(a) Grants

The Director of the National Science Foundation, through the Directorate for Education and Human Resources, shall continue to award competitive, merit-reviewed grants to support—

(1) research and development of innovative out-of-school STEM learning and emerging STEM learning environments in order to improve STEM learning outcomes and engagement in STEM;

(2) research that advances the field of informal STEM education; and

(3) a national partnership of institutions involved in informal STEM learning.

(b) Uses of funds

Activities supported by grants under this section may encompass a single STEM discipline, multiple STEM disciplines, or integrative STEM initiatives and shall include—

(1) research and development that improves our understanding of learning and engagement in informal environments, including the role of informal environments in broadening participation in STEM;

(2) design and testing of innovative STEM learning models, programs, and other resources for informal learning environments to improve STEM learning outcomes and increase engagement for K–12 students, K–12 teachers, and the general public, including design and testing of the scalability of models, programs, and other resources;

(3) fostering on-going partnerships between institutions involved in informal STEM learning, institutions of higher education, and education research centers; and
(4) developing, and making available informal STEM education activities and educational materials.

CODIFICATION

Section was enacted as part of the STEM Education Act of 2015, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

AMENDMENTS

Subsec. (b)(3), (4). Pub. L. 114–329, § 311(b), added pars. (3) and (4).

§ 1862r. Research in disabilities education

(a) Program

Nothing in this section and section 1862r–1 of this title alters the National Science Foundation’s Research in Disabilities Education program for fundamental and implementation research about learners (of all ages) with disabilities, including dyslexia, in science, technology, engineering, and mathematics (STEM). The National Science Foundation shall continue to encourage efforts to understand and address disability-based differences in STEM education and workforce participation, including differences for dyslexic learners.

(b) Line item

The Director of the National Science Foundation shall include the amount requested for the Research in Disabilities Education program in the Foundation’s annual congressional budget justification.

(Pub. L. 114–124, § 3, Feb. 18, 2016, 130 Stat. 120.)

CODIFICATION

Section was enacted as part of the Research Excellence and Advancements for Dyslexia Act or READ Act, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

FINDINGS

Pub. L. 114–124, § 2, Feb. 18, 2016, 130 Stat. 129, provided that: “The Congress finds the following:

“(1) As many as 1 out of 6, or 8,500,000, American school children may have dyslexia.

“(2) Since 1975, dyslexia has been included in the list of qualifying learning disabilities under the Education for All Handicapped Children Act of 1975 [see Short Title of 1975 Amendment note set out under section 1400 of Title 20, Education] and the Individuals with Disabilities Education Act [20 U.S.C. 1400 et seq.].”

§ 1862r–1. Dyslexia

(a) In general

Consistent with subsection (c), the National Science Foundation shall support multi-directorate, merit-reviewed, and competitively awarded research on the science of specific learning disability, including dyslexia, such as research on the early identification of children and students with dyslexia, professional development for teachers and administrators of students with dyslexia, curricula and educational tools needed for children with dyslexia, and implementation and scaling of successful models of dyslexia intervention. Research supported under this subsection shall be conducted with the goal of practical application.

(b) Awards

To promote development of early career researchers, in awarding funds under subsection (a) the National Science Foundation shall prioritize applications for funding submitted by early career researchers.

(c) Coordination

To prevent unnecessary duplication of research, activities under this this section and section 1862r of this title shall be coordinated with similar activities supported by other Federal agencies, including research funded by the Institute of Education Sciences and the National Institutes of Health.

(d) Funding

The National Science Foundation shall devote not less than $5,000,000 to research described in subsection (a), which shall include not less than $2,500,000 for research on the science of dyslexia, for each of fiscal years 2017 through 2021, subject to the availability of appropriations, to come from amounts made available for the Research and Related Activities account or the Education and Human Resources Directorate under subsection (e). This section shall be carried out using funds otherwise appropriated by law after February 18, 2016.

(e) Authorization

For each of fiscal years 2016 through 2021, there are authorized out of funds appropriated to the National Science Foundation, $5,000,000 to carry out the activities described in subsection (a).

(Pub. L. 114–124, § 4, Feb. 18, 2016, 130 Stat. 120.)

CODIFICATION

Section was enacted as part of the Research Excellence and Advancements for Dyslexia Act or READ Act, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

DEFINITION OF SPECIFIC LEARNING DISABILITY

Pub. L. 114–124, § 5, Feb. 18, 2016, 130 Stat. 121, provided that: “In this Act [see Short Title of 2016 Amendment note set out under section 1862 of this title], the term ‘specific learning disability’—

“(1) means a disorder in 1 or more of the basic psychological processes involved in understanding or in using language, spoken or written, which disorder may manifest itself in the imperfect ability to listen, think, speak, read, write, spell, or do mathematical calculations;

“(2) includes such conditions as perceptual difficulties, brain injury, minimal brain dysfunction, dyslexia, and developmental aphasia; and

“(3) does not include a learning problem that is primarily the result of visual, hearing, or motor disabilities, of intellectual disability, of emotional disturbance, or of environmental, cultural, or economic disadvantage.”

§ 1862s. Reaffirmation of merit-based peer review

(a) Sense of Congress

It is the sense of Congress that—

(1) sustained, predictable Federal funding of basic research is essential to United States leadership in science and technology;
(2) the Foundation’s intellectual merit and broader impacts criteria are appropriate for evaluating grant proposals, as concluded by the 2011 National Science Board Task Force on Merit Review;
(3) evaluating proposals on the basis of the Foundation’s intellectual merit and broader impacts criteria should be used to assure that the Foundation’s activities are in the national interest as these reviews can affirm that—
(A) the proposals funded by the Foundation are of high quality and advance scientific knowledge; and
(B) the Foundation’s grants address societal needs through basic research findings or through related activities; and
(4) as evidenced by the Foundation’s contributions to scientific advancement, economic growth, human health, and national security, its peer review and merit review processes have identified and funded scientifically and societally relevant basic research and should be preserved.

(b) Merit review criteria
The Foundation shall maintain the intellectual merit and broader impacts criteria, among other specific criteria as appropriate, as the basis for evaluating grant proposals in the merit review process.

c) Updates
If after January 6, 2017, a change is made to the merit-review process, the Director shall submit a report to the appropriate committees of Congress not later than 30 days after the date of the change.

DEFINITIONS
Pub. L. 114–329, § 2, Jan. 6, 2017, 130 Stat. 2970, provided that “In this Act (see Short Title of 2017 Amendment and Competitiveness Act, and not as part of the enterprises this chapter.

(a) Findings
(1) building the understanding of and confidence in investments in basic research is essential to public support for sustained, predictable Federal funding;
(2) the Foundation has improved transparency and accountability of the outcomes made through the merit review process, but additional transparency into individual grants is valuable in communicating and assuring the public value of federally funded research; and
(3) the Foundation should commit to transparency and accountability and to clear, consistent public communication regarding the national interest for each Foundation-awarded grant and cooperative agreement.

(b) Guidance
(1) In general
The Director of the Foundation shall issue and periodically update, as appropriate, policy guidance for both Foundation staff and other Foundation merit review process participants on the importance of transparency and accountability to the outcomes made through the merit review process.

(2) Requirements
The guidance under paragraph (1) shall require that each public notice of a Foundation-funded research project justify the expenditure of Federal funds by—
(A) describing how the project—
(i) reflects the statutory mission of the Foundation, as established in the National Science Foundation Act of 1950 (42 U.S.C. 1861 et seq.); and
(ii) addresses the Foundation’s intellectual merit and broader impacts criteria; and
(B) clearly identifying the research goals of the project in a manner that can be easily understood by both technical and non-technical audiences.

§ 1862s–2. Oversight of NSF major multi-user research facility projects

(a) Facilities oversight

(1) In general

The Director of the Foundation shall strengthen oversight and accountability over the full life-cycle of each major multi-user research facility project, including planning, development, procurement, construction, operations, and support, and shut-down of the facility, in order to maximize research investment.

(2) Requirements

In carrying out paragraph (1), the Director shall—

(A) prioritize the scientific outcomes of a major multi-user research facility project and the internal management and financial oversight of the major multi-user research facility project;

(B) clarify the roles and responsibilities of all organizations, including offices, panels, committees, and directorates, involved in supporting a major multi-user research facility project, including the role of the Major Research Equipment and Facilities Construction Panel;

(C) establish policies and procedures for the planning, management, and oversight of a major multi-user research facility project at each phase of the life-cycle of the major multi-user research facility project;

(D) ensure that policies for estimating and managing costs and schedules are consistent with the best practices described in the Government Accountability Office Cost Estimating and Assessment Guide, the Government Accountability Office Schedule Assessment Guide, and the Office of Management and Budget Uniform Guidance (2 C.F.R. Part 200);

(E) establish the appropriate project management and financial management expertise required for Foundation staff to oversee each major multi-user research facility project effectively, including by improving project management training and certification;

(F) coordinate the sharing of the best management practices and lessons learned from each major multi-user research facility project;

(G) continue to maintain a Large Facilities Office to support the research directorates in the development, implementation, and oversight of each major multi-user research facility project, including by—

(i) serving as the Foundation’s primary resource for all policy or process issues related to the development, implementation, and oversight of a major multi-user research facility project;

(ii) serving as a Foundation-wide resource on project management, including providing expert assistance on nonscientific and nontechnical aspects of project planning, budgeting, implementation, management, and oversight;

(iii) coordinating and collaborating with research directorates to share best management practices and lessons learned from prior major multi-user research facility projects; and

(iv) assessing each major multi-user research facility project for cost and schedule risk; and

(H) appoint a senior agency official whose responsibility is oversight of the development, construction, and operations of major multi-user research facilities across the Foundation.

(b) Facilities full life-cycle costs

(1) In general

Subject to subsection (c)(1), the Director of the Foundation shall require that any pre-award analysis of a major multi-user research facility project includes the development and consideration of the full life-cycle cost (as defined in section 2 of the National Science Foundation Authorization Act of 1998 (42 U.S.C. 1862k note)) in accordance with section 1862n–4 of this title.

(2) Implementation

Based on the pre-award analysis described in paragraph (1), the Director of the Foundation shall include projected operational costs within the Foundation’s out-years as part of the President’s annual budget submission to Congress under section 1105 of title 31.

(c) Cost oversight

(1) Pre-award analysis

(A) In general

The Director of the Foundation and the National Science Board may not approve or execute any agreement to start construction on any proposed major multi-user research facility project unless—

(i) an external analysis of the proposed budget has been conducted to ensure the proposal is complete and reasonable;

(ii) the analysis under clause (i) follows the Government Accountability Office Cost Estimating and Assessment Guide;

(iii) except as provided under subparagraph (C), an analysis of the accounting systems has been conducted;

(iv) an independent cost estimate of the construction of the project has been conducted using the same detailed technical information as the project proposal estimate to determine whether the estimate is well-supported and realistic; and

(v) the Foundation and the National Science Board have considered the analyses under clauses (i) and (iii) and the independent cost estimate under clause (iv) and resolved any major issues identified therein.

(B) Audits

An external analysis under subparagraph (A)(i) may include an audit.

(C) Exception

The Director of the Foundation, at the Director’s discretion, may waive the requirement under subparagraph (A)(iii) if a similar analysis of the accounting systems was conducted in the prior years.
(2) Construction oversight

The Director of the Foundation shall require for each major multi-user research facility project—

(A) periodic external reviews on project management and performance;

(B) adequate internal controls, policies, and procedures, and reliable accounting systems in preparation for the incurred cost audits under subparagraph (D);

(C) annual incurred cost submissions of financial expenditures; and

(D) an incurred cost audit of the major multi-user research facility project in accordance with Government Accountability Office Government Auditing Standards—

(i) at least once during construction at a time determined based on risk analysis and length of the award, except that the length of time between audits may not exceed 3 years; and

(ii) at the completion of the construction phase.

(3) Operations cost analysis

The Director of the Foundation shall require an independent cost analysis of the operational proposal for each major multi-user research facility project.

(d) Contingency

(1) In general

The Director of the Foundation shall strengthen internal controls to improve oversight of contingency on a major multi-user research facility project.

(2) Requirements

In carrying out paragraph (1), the Director of the Foundation shall—

(A) only include contingency amounts in an award in accordance with section 200.433 of title 2, Code of Federal Regulations (relating to contingency provisions), or any successor regulation;

(B) retain control over funds budgeted for contingency, except that the Director may disburse budgeted contingency funds incrementally to the awardee to ensure project stability and continuity;

(C) track contingency use; and

(D) ensure that contingency amounts allocated to the performance baseline are reasonable and allowable.

(e) Use of fees

(1) Sense of Congress

It is the sense of Congress that—

(A) the use of taxpayer-funded award fees should be transparent and explicable; and

(B) the Foundation should implement an award fee policy that ensures more transparency and accountability in the funding of necessary and appropriate expenses directly related to the construction and operation of major multi-user research facilities.

(2) Reporting and recordkeeping

The Director of the Foundation shall establish guidelines for awardees regarding inappropriate expenditures associated with all fee types used in cooperative agreements, including for alcoholic beverages, lobbying, meals or entertainment for non-business purposes, non-business travel, and any other purpose the Director determines is inappropriate.

(f) Oversight implementation progress

The Director of the Foundation shall—

(1) not later than 90 days after January 6, 2017, and periodically thereafter until the completion date, provide a briefing to the appropriate committees of Congress on the response to or progress made toward implementation of—

(A) this section;

(B) all of the issues and recommendations identified in cooperative agreement audit reports and memoranda issued by the Inspector General of the Foundation in the last 5 years; and

(C) all of the issues and recommendations identified by a panel of the National Academy of Public Administration in the December 2015 report entitled ‘‘National Science Foundation: Use of Cooperative Agreements to Support Large Scale Investment in Research’’; and

(2) not later than 1 year after January 6, 2017, notify the appropriate committees of Congress when the Foundation has implemented the recommendations identified in a panel of the National Academy of Public Administration report issued December 2015.

(g) Definitions

In this section:

(1) Appropriate committees of Congress

The term ‘‘appropriate committees of Congress’’ means the Committee on Commerce, Science, and Transportation and the Committee on Appropriations of the Senate and the Committee on Science, Space, and Technology and the Committee on Appropriations of the House of Representatives.

(2) Major multi-user research facility project

The term ‘‘major multi-user research facility project’’ means a science and engineering facility project that exceeds $100,000,000 in total construction, acquisition, or upgrade costs to the Foundation.

§ 1862s–3. Personnel oversight

(a) Conflicts of interest

The Director of the Foundation shall update the policy and procedure of the Foundation relating to conflicts of interest to improve documentation and management of any known conflict of interest of an individual on temporary assignment at the Foundation, including an individual on assignment under the Intergovernmental Personnel Act of 1970 (42 U.S.C. 4701 et seq.).

(b) Justifications

The Deputy Director of the Foundation shall submit annually to the appropriate committees of Congress written justification for each rotator employed under the Intergovernmental Personnel Act of 1970 (42 U.S.C. 4701 et seq.), or other rotator employed, by the Foundation that year that is paid at a rate that exceeds the maximum rate of pay for the Senior Executive Service, including, if applicable, the level of adjustment for the certified Senior Executive Service Performance Appraisal System.

(c) Report

Not later than 1 year after January 6, 2017, the Director of the Foundation shall submit to the appropriate committees of Congress a report on the Foundation’s efforts to control costs associated with employing rotators, including the results of and participation in the Foundation’s cost-sharing pilot program and the Foundation’s progress in responding to the findings and implementing the recommendations of the Office of Inspector General of the Foundation related to the employment of rotators.

§ 1862s–4. Brain Research through Advancing Innovative Neurotechnologies Initiative

(a) In general

The Foundation shall support research activities related to the interagency Brain Research through Advancing Innovative Neurotechnologies Initiative.

(b) Sense of Congress

It is the sense of Congress that the Foundation should work in conjunction with the Interagency Working Group on Neuroscience established by the National Science and Technology Council, Committee on Science to determine how to use the data infrastructure of the Foundation and other applicable Federal science agencies to help neuroscientists collect, standardize, manage, and analyze the large amounts of data that result from research attempting to understand how the brain functions.

§ 1862s–5. Programs to expand STEM opportunities

(a) Findings

Congress makes the following findings:

(1) Economic projections by the Bureau of Labor Statistics indicate that by 2018, there could be 2,400,000 unfilled STEM jobs.

(2) Women represent slightly more than half the United States population, and projections indicate that 54 percent of the population will be a member of a racial or ethnic minority group by 2050.

(3) Despite representing half the population, women comprise only about 30 percent of STEM workers according to a 2015 report by the National Center for Science and Engineering Statistics.

(4) A 2014 National Center for Education Statistics study found that underrepresented populations leave the STEM fields at higher rates than their counterparts.

(5) The representation of women in STEM drops significantly at the faculty level. Overall, women hold only 25 percent of all tenured and tenure-track positions and 17 percent of full professor positions in STEM fields in our Nation’s universities and 4-year colleges.

(6) Black and Hispanic faculty together hold about 6.5 percent of all tenured and tenure-track positions and 5 percent of full professor positions.

(7) Many of the numbers in the American Indian or Alaskan Native and Native Hawaiian or Other Pacific Islander categories for different faculty ranks were too small for the Foundation to report publicly without potentially compromising confidential information about the individuals being surveyed.

(b) Sense of Congress

It is the sense of Congress that—

(1) It is critical to our Nation’s economic leadership and global competitiveness that the United States educate, train, and retain more scientists, engineers, and computer scientists;
§ 1862s–5

STEM fields.

(c) Reaffirmation

The Director of the Foundation shall continue to support programs designed to broaden participation of underrepresented populations in STEM fields.

(d) Grants to broaden participation

(1) In general

The Director of the Foundation shall award grants on a competitive, merit-reviewed basis, to eligible entities to increase the participation of underrepresented populations in STEM fields, including individuals identified in section 1885a or section 1885b of this title.

(2) Center of excellence

(A) In general

Grants awarded under this subsection may include grants for the establishment of a Center of Excellence to collect, maintain, and disseminate information to increase participation of underrepresented populations in STEM fields.

(B) Purpose

The purpose of a Center of Excellence under this subsection is to promote diversity in STEM fields by building on the success of programs, providing technical assistance, maintaining best practices, and providing related training at federally funded academic institutions.

(3) Research

As a component of improving participation of women in STEM fields, research funded by a grant under this subsection may include research on—

(A) the role of teacher training and professional development, including effective incentive structures to encourage teachers to participate in such training and professional development, in encouraging or discouraging female students in prekindergarten through elementary school from participating in STEM activities;

(B) the role of teachers in shaping perceptions of STEM in female students in prekindergarten through elementary school from participating in STEM activities;

(C) the role of other facets of the learning environment on the willingness of female students in prekindergarten through elementary school to participate in STEM activities, including learning materials and textbooks, seating arrangements, use of media and technology, classroom culture, and composition of students during group work;

(D) the role of parents and other caregivers in encouraging or discouraging female students in prekindergarten through elementary school from participating in STEM activities;

(E) the types of STEM activities that encourage greater participation by female students in prekindergarten through elementary school;

(F) the role of mentorship and best practices in finding and utilizing mentors; and

(G) the role of informal and after-school STEM learning opportunities on the perception of and participation in STEM activities of female students in prekindergarten through elementary school.

(e) Accountability and dissemination

(1) Evaluation

(A) In general

Not later than 5 years after January 6, 2017, the Director of the Foundation shall evaluate the grants provided under this section.

(B) Requirements

In conducting the evaluation under subparagraph (A), the Director shall—

(i) use a common set of benchmarks and assessment tools to identify best practices and materials developed or demonstrated by the research; and

(ii) to the extent practicable, combine the research resulting from the grant activity under subsection (e) with the current research on serving underrepresented students in grades kindergarten through 8.

(2) Report on evaluations

Not later than 180 days after the completion of the evaluation under paragraph (1), the Director of the Foundation shall consult and cooperate with other relevant Federal agencies to avoid duplication with and enhance the effectiveness of the program.

(f) Coordination

In carrying out this section, the Director of the Foundation shall consult and cooperate with the programs and policies of other relevant Federal agencies to avoid duplication with and enhance the effectiveness of the program under this section.

INDICATION

Section was enacted as part of the American Innovation and Competitiveness Act, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

AMENDMENTS

FINDINGS

Pub. L. 116–102, §2, Dec. 24, 2019, 133 Stat. 3263, provided that: “Congress finds the following:

(1) The National Science Foundation is a large investor in STEM education and plays a key role in setting research and policy agendas.
"(2) While studies have found that children who engage in scientific activities from an early age develop positive attitudes toward science and are more likely to pursue STEM expertise and careers later on, the majority of current research focuses on increasing STEM opportunities for middle-school-aged children and older.

"(3) Women remain widely underrepresented in the STEM workforce, and this disparity extends down through all levels of education."

**Supporting Early Childhood and Elementary STEM Education Research**

Pub. L. 116–102, §3, Dec. 24, 2019, 133 Stat. 3263, provided that: "In awarding grants under the Discovery Research PreK–12 program, the Director of the National Science Foundation shall consider the age distribution of a STEM education research and development project to improve the focus of research and development on elementary and prekindergarten education."

**Definitions**

For definitions of terms used in this section, see section 2 of Pub. L. 114–329, set out as a note under section 1862s of this title.

§ 1862s–6. Presidential awards for excellence in STEM mentoring

(a) In general

The Director of the Foundation shall continue to administer awards on behalf of the Office of Science and Technology Policy to recognize outstanding mentoring in STEM fields.

(b) Annual award recipients

The Director of the Foundation shall provide Congress with a list of award recipients, including the name, institution, and a brief synopsis of the impact of the mentoring efforts.

**Citation**

Section was enacted as part of the American Innovation and Competitiveness Act, and not as part of the National Science Foundation Authorization Act of 1990 which comprises this chapter.

For definitions of terms used in this section, see section 2 of Pub. L. 114–329, set out as a note under section 1862s of this title.

**Presidential Awards for Educators and Mentors in Fields Relating to Cybersecurity**

Pub. L. 116–283, div. H, title XCIV, §9405(d), Jan. 1, 2021, 134 Stat. 4812, provided that: "The Director of the National Science Foundation shall ensure that educators and mentors in fields relating to cybersecurity can be considered for—

"(1) Presidential Awards for Excellence in Mathematics and Science Teaching made under section 117 of the National Science Foundation Authorization Act of 1988 (42 U.S.C. 1881b); and

"(2) Presidential Awards for Excellence in STEM Mentoring administered under section 307 of the American Innovation and Competitiveness Act (42 U.S.C. 1862s–6)."

§ 1862s–7. Computer science education research

(a) Findings

Congress finds that as the lead Federal agency for building the research knowledge base for computer science education, the Foundation is well positioned to make investments that will accelerate ongoing efforts to enable rigorous and engaging computer science throughout the Nation as an integral part of STEM education.

(b) Grant program

(1) In general

The Director of the Foundation shall award grants to eligible entities to research computer science and cybersecurity education and computational thinking.

(2) Research

The research described in paragraph (1) may include the development or adaptation, piloting or full implementation, and testing of—

(A) models of preservice preparation for teachers who will teach computer science and computational thinking;

(B) scalable and sustainable models of professional development and ongoing support for the teachers described in subparagraph (A);

(C) tools and models for teaching and learning aimed at supporting student success and inclusion in computing within and across diverse populations, particularly poor, rural, and tribal populations and other populations that have been historically underrepresented in computer science and STEM fields;

(D) high-quality learning opportunities for teaching computer science and, especially in poor, rural, or tribal schools at the elementary school and middle school levels, for integrating computational thinking into STEM teaching and learning; and

(E) tools and models for the integration of cybersecurity and other interdisciplinary efforts into computer science education and computational thinking at secondary and postsecondary levels of education.

(3) Uses of funds

The tools and models described in paragraph (2)(C) may include—

(A) offering training and professional development programs, including summer or academic year institutes or workshops, designed to strengthen the capabilities of prekindergarten and elementary school teachers and to familiarize such teachers with the role of bias against female students in the classroom;

(B) offering innovative pre-service and in-service programs that instruct teachers on female-inclusive practices for teaching computing concepts;

(C) developing distance learning programs for teachers or students, including developing curricular materials, play-based computing activities, and other resources for the in-service professional development of teachers that are made available to teachers through the Internet;

(D) developing or adapting prekindergarten and elementary school computer science curricular materials that incorporate contemporary research on the science of learning, particularly with respect to female inclusion;
§ 1862s–8. Innovation Corps

(a) Findings

Congress makes the following findings:

(1) The National Science Foundation Innovation Corps (referred to in this section as the “I-Corps”) was established to foster a national innovation ecosystem by encouraging institutions, scientists, engineers, and entrepreneurs to identify and explore the innovation and commercial potential of National Science Foundation-funded research well beyond the laboratory.

(2) Through I-Corps, the Foundation invests in entrepreneurship and commercialization education, training, and mentoring that can ultimately lead to the practical deployment of technologies, products, processes, and services that improve the Nation’s competitiveness, promote economic growth, and benefit society.

(3) By building networks of entrepreneurs, educators, mentors, institutions, and collaborations, and supporting specialized education and training, I-Corps is at the leading edge of a strong, lasting foundation for an American innovation ecosystem.

(4) By translating federally funded research to a commercial stage more quickly and efficiently, programs like the I-Corps create new jobs and companies, help solve societal problems, and provide taxpayers with a greater return on their investment in research.

(5) The I-Corps program model has a strong record of success that should be replicated at all Federal science agencies.

(b) Sense of Congress

It is the sense of Congress that—

(1) commercialization of federally funded research can improve the Nation’s competitiveness, grow the economy, and benefit society;

(2) I-Corps is a useful tool in promoting the commercialization of federally funded research by training researchers funded by the Foundation in entrepreneurship and commercialization;

(3) I-Corps should continue to build a network of entrepreneurs, educators, mentors, and institutions and support specialized education and training;

(4) researchers other than those funded by the Foundation may also benefit from the education and training described in paragraph (3);

(5) I-Corps should continue to promote a strong innovation system by investing in and supporting female entrepreneurs through mentorship, education, and training because they are historically underrepresented in entrepreneurial fields.

(c) I-Corps program

(1) In general

In order to promote a strong, lasting foundation for the national innovation ecosystem
and increase the positive economic and social impact of federally funded research, the Director of the Foundation shall set forth eligibility requirements and carry out a program to award grants for entrepreneurship and commercialization education, training, and mentoring.

(2) Expansion of I-Corps
   (A) In general
   The Director—
   (i) shall encourage the development and expansion of I-Corps and other training programs that focus on professional development, including education in entrepreneurship and commercialization; and
   (ii) may establish an agreement with another Federal science agency—
   (I) to make researchers, students, and institutions funded by that agency eligible to participate in the I-Corps program; or
   (II) to assist that agency with the design and implementation of its own program that is similar to the I-Corps program.
   (B) Partnership funding
   In negotiating an agreement with another Federal science agency under subparagraph (A)(ii), the Director shall require that Federal science agency to provide funding for—
   (i) the training for researchers, students, and institutions selected for the I-Corps program; and
   (ii) the locations that Federal science agency designates as regional and national infrastructure for science and engineering entrepreneurship.

(3) Follow-on grants
   (A) In general
   Subject to subparagraph (B), the Director, in consultation with the Director of the Small Business Innovation Research Program, shall make funds available for competitive grants, including to I-Corps participants, to help support—
   (i) prototype or proof-of-concept development; and
   (ii) such activities as the Director considers necessary to build local, regional, and national infrastructure for science and engineering entrepreneurship.
   (B) Limitation
   Grants under subparagraph (A) shall be limited to participants with innovations that because of the early stage of development are not eligible to participate in a Small Business Innovation Research Program or a Small Business Technology Transfer Program.
   (4) State and local partnerships
   The Director may engage in partnerships with State and local governments, economic development organizations, and nonprofit organizations to provide access to the I-Corps program to support entrepreneurship education and training for researchers, students, and institutions under this subsection.

(5) Reports
   The Director shall submit to the appropriate committees of Congress a biennial report on I-Corps program efficacy, including metrics on the effectiveness of the program. Each Federal science agency participating in the I-Corps program or that implements a similar program under paragraph (2)(A) shall contribute to the report.

(6) Definitions
   In this subsection, the terms "Small Business Innovation Research Program" and "Small Business Technology Transfer Program" have the meanings given those terms in section 638 of title 15.

DEFINITIONS

Section was enacted as part of the American Innovation and Competitiveness Act, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

For definitions of terms used in this section, see section 2 of Pub. L. 114–329, set out as a note under section 1862a of this title.

§ 1862s–9. Translational research grants

(a) Sense of Congress
   It is the sense of Congress that—
   (1) commercialization of federally funded research may benefit society and the economy; and
   (2) not-for-profit organizations support the commercialization of federally funded research by providing useful business and technical expertise to researchers.

(b) Commercialization promotion
   The Director of the Foundation shall continue to award grants on a competitive, merit-reviewed basis to eligible entities to promote the commercialization of federally funded research results.

(c) Use of funds
   Activities supported by grants under this section may include—
   (1) identifying Foundation-sponsored research and technologies that have the potential for accelerated commercialization;
   (2) supporting prior or current Foundation-sponsored investigators, institutions of higher education, and non-profit organizations that partner with an institution of higher education in undertaking proof-of-concept work, including development of prototypes of technologies that are derived from Foundation-sponsored research and have potential market value;
   (3) promoting sustainable partnerships between Foundation-funded institutions, industry, and other organizations within academia and the private sector with the purpose of accelerating the transfer of technology;
   (4) developing multi-disciplinary innovation ecosystems which involve and are responsive to specific needs of academia and industry; and
(5) providing professional development, mentoring, and advice in entrepreneurship, project management, and technology and business development to innovators.

(d) Eligibility

(1) In general

The following organizations may be eligible for grants under this section:

(A) Institutions of higher education.

(B) Public or nonprofit technology transfer organizations.

(C) A nonprofit organization that partners with an institution of higher education.

(D) A consortia of 2 or more of the organizations described under subparagraphs (A) through (C).

(2) Lead organizations

Any eligible organization under paragraph (1) may apply as a lead organization.

(e) Applications

An eligible entity seeking a grant under this section shall submit an application to the Director at such time, in such manner, and containing such information as the Director may require.

CODIFICATION

Section was enacted as part of the American Innovation and Competitiveness Act, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

DEFINITIONS

For definitions of terms used in this section, see section 2 of Pub. L. 114–329, set out as a note under section 1862s of this title.

§ 1862t. Supporting veterans in STEM education and computer science

(a) Supporting veteran involvement in scientific research and STEM education

The Director shall, through the research and education activities of the Foundation, encourage veterans to study and pursue careers in STEM and computer science, in coordination with other Federal agencies that serve veterans.

(b) Veteran outreach plan

Not later than 180 days after February 11, 2020, the Director shall submit to the Committee on Science, Space, and Technology of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a plan for how the Foundation can enhance its outreach efforts to veterans. Such plan shall—

(1) report on the Foundation’s existing outreach activities;

(2) identify the best method for the Foundation to leverage existing authorities and programs to facilitate and support veterans in STEM careers and studies, including teaching programs; and

(3) include options for how the Foundation could track veteran participation in research and education programs of the Foundation, and describe any barriers to collecting such information.

(c) National Science Board indicators report

The National Science Board shall provide in its annual report on indicators of the state of science and engineering in the United States any available and relevant data on veterans in science and engineering careers or education programs.

(d) to (g) Omitted

(h) Veterans and military families STEM education interagency working group

(1) In general

The Director of the Office of Science and Technology Policy shall establish, or designate, an interagency working group to improve veteran and military spouse equity and representation in STEM fields.

(2) Duties of interagency working group

An interagency working group established under paragraph (1) shall develop and facilitate the implementation by participating agencies of a strategic plan, which shall—

(A) specify and prioritize short- and long-term objectives;

(B) specify the common metrics that will be used by Federal agencies to assess progress toward achieving such objectives;

(C) identify barriers veterans face in reentering the workforce, including a lack of formal STEM education, career guidance, and the process of transferring military credits and skills to college credits;

(D) identify barriers military spouses face in establishing careers in STEM fields;

(E) describe the approaches that each participating agency will take to address administratively the barriers described in subparagraphs (C) and (D); and

(F) identify any barriers that require Federal or State legislative or regulatory changes in order to be addressed.

(3) Report

The Director of the Office of Science and Technology Policy shall—

(A) not later than 1 year after February 11, 2020, submit to Congress the strategic plan required under paragraph (2); and

(B) include in the annual report required by section 6621(d) of this title a description of any progress made in carrying out the activities described in paragraph (2) of this subsection.

(4) Sunset

An interagency working group established under paragraph (1) shall terminate on the date that is 3 years after the date that it is established.

CODIFICATION

Section was enacted as part of the Supporting Veterans in STEM Careers Act, and not as part of the Na-
sectional Science Foundation Act of 1950 which comprises this chapter.

DEFINITIONS

(1) Director.—The term ‘Director’ means the Director of the National Science Foundation.

(2) FOUNDATION.—The term ‘Foundation’ means the National Science Foundation.

(4) VETERAN.—The term ‘veteran’ has the meaning given the term in section 101 of title 38, United States Code.”

§ 1862a. NSF support of research on opioid addiction

The Director of the National Science Foundation, in consultation with the Director of the National Institutes of Health, shall support merit-reviewed and competitively awarded research on the science of opioid addiction.

CODIFICATION
Section was enacted as part of the Expanding Research to Prevent Suicide Act, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

FINDINGS
Pub. L. 116–335, §1(b), Jan. 13, 2021, 134 Stat. 5117, provided that: “Congress finds the following:

(1) The rate of Americans dying by suicide is on the rise, increasing 10.7 to 14.0 deaths per 100,000 people from 2001 to 2017.

(2) Suicide is the tenth-leading cause of death among people in the United States and the second-leading cause of death for young people between the ages of 15 and 34.

(3) The National Science Foundation funds research that is improving our basic understanding of factors with potential relevance to suicide, including potential relevance to prevention and treatment.

(4) Despite progress in mental health research, current gaps exist in scientific understanding and basic knowledge of human neural, genetic, cognitive, perceptual, behavioral, social, and environmental factors with potential relevance to suicide.”

§ 1863. National Science Board

(a) Composition; appointment; establishment of policies of the Foundation

The Board shall consist of twenty-four members to be appointed by the President and the Director ex officio. In addition to any powers and functions otherwise granted to it by this chapter, the Board shall establish the policies of the Foundation, within the framework of applicable national policies as set forth by the President and the Congress.

(b) Executive Committee; delegation of powers and functions

The Board shall have an Executive Committee as provided in section 1865 of this title, and may delegate to it or to the Director or both such of the powers and functions granted to the Board by this chapter as it deems appropriate.

(c) Meetings; nominations; quorum; notice

The persons nominated for appointment as members of the Board (1) shall be eminent in the fields of the basic, medical, or social sciences, engineering, agriculture, education, research management, or public affairs; (2) shall be selected solely on the basis of established records of distinguished service; and (3) shall be so selected as to provide representation of the views
of scientific and engineering leaders in all areas of the Nation. In making nominations under this section, the President shall give due regard to equitable representation of scientists and engineers who are women or who represent minority groups. The President is requested, in the making of nominations of persons for appointment as members, to give due consideration to any recommendations for nomination which may be submitted to him by the National Academy of Sciences, the National Academy of Engineering, the National Association of State Universities and Land Grant Colleges, the Association of American Universities, the Association of American Colleges, the Association of State Colleges and Universities, or by other scientific, engineering, or educational organizations.

(d) Term of office; reappointment

The term of office of each member of the Board shall be six years; except that any member appointed to fill a vacancy occurring prior to the expiration of the term for which his predecessor was appointed shall be appointed for the remainder of such term. Any person, other than the Director, who has been a member of the Board for twelve consecutive years shall thereafter be ineligible for appointment during the two-year period following the expiration of such twelfth year.

(e) Meetings; quorum; notice

The Board shall meet annually on the third Monday in May unless, prior to May 10 in any year, the Chairman has set the annual meeting for a day in May other than the third Monday, and at such other times as the Chairman may determine, but he shall also call a meeting whenever one-third of the members so request in writing. The Board shall adopt procedures governing the conduct of its meetings, including delivery of notice and a definition of a quorum, which in no case shall be less than one-half plus one of the confirmed members of the Board.

(f) Election of Chairman and Vice Chairman; vacancy

The election of the Chairman and Vice Chairman of the Board shall take place at each annual meeting occurring in an even-numbered year. The President shall elect the Vice Chairman to perform the duties of the Chairman in his absence. In case a vacancy occurs in the chairmanship or vice chairmanship, the Board shall elect a member to fill such vacancy.

(g) Appointment and assignment of staff; compensation; security requirements

The Board may, with the concurrence of a majority of its members, permit the appointment of a staff consisting of professional staff members, technical and professional personnel on leave of absence from academic, industrial, or research institutions for a limited term, and such operations and support staff members as may be necessary. Such staff shall be appointed by the Chairman and assigned at the direction of the Board. The professional members and limited term technical and professional personnel of such staff may be appointed without regard to the provisions of title 5 governing appointments in the competitive service, and the provisions of chapter 51 of such title relating to classification, and shall be compensated at a rate not exceeding the maximum rate payable under section 5376 of such title, as may be necessary to provide for the performance of such duties as may be prescribed by the Board in connection with the exercise of its powers and functions under this chapter. 

(h) Special commissions

The Board is authorized to establish such special commissions as it may from time to time deem necessary for the purposes of this chapter.

(i) Committees; survey and advisory functions

The Board is also authorized to appoint from among its members such committees as it deems necessary, and to assign to committees so appointed such survey and advisory functions as the Board deems appropriate to assist it in exercising its powers and functions under this chapter.

(j) Report to President; submittal to Congress

(1) The Board shall render to the President and the Congress no later than January 15 of each even numbered year, a report on indicators of the state of science and engineering in the United States.

(2) The Board shall render to the President and the Congress reports on specific, individual policy matters within the authority of the Foundation (or otherwise as requested by the Congress or the President) related to science and engineering and education in science and engineering, as the Board, the President, or the Congress determines the need for such reports.

(k) Closed meetings

Portions of Board meetings in which the Board considers proposed Foundation budgets for a particular fiscal year may be closed to the public until the President’s budget for that fiscal year has been submitted to the Congress.

(l) Financial disclosure report for Board members

Members of the Board shall be required to file a financial disclosure report under title II of the Ethics in Government Act of 1978 (5 U.S.C. App.; 92 Stat. 1836), except that such reports shall be held confidential and exempt from any law otherwise requiring their public disclosure.

 The Director, in his capacity as ex officio member of the Board, shall, except with respect to compensation and tenure, be coordinate with the other members of the Board. He shall be a voting member of the Board and shall be eligible for election by the Board as Chairman or Vice Chairman of the Board.

 Amendments

 1998—Subsec. (e)(2). Pub. L. 105–207 added par. (2) and struck out former par. (2), which read as follows: “Any delegation of authority or imposition of conditions under the preceding sentence shall be effective only for such period of time, not exceeding two years, as the Board may specify, and shall be promptly published in the Federal Register and reported to the Committees on Labor and Human Resources and Commerce, Science, and Transportation of the Senate and the Committee on Science, Space, and Technology of the House of Representatives. On October 1 of each odd-numbered year the Board shall submit to the Congress a concise report which explains and justifies any actions taken by the Board under this subsection to dele-
gate its authority or impose conditions within the preceding two years. The provisions of this subsection shall cease to be effective at the end of fiscal year 1989.

1989—Subsec. (e). Pub. L. 99–159 amended subsec. (e) generally. Prior to amendment, subsec. (e) read as follows: ‘‘The Director shall not make any contract, grant, or other arrangement pursuant to section 1879(c) of this title without the prior approval of the Board, except that a grant, contract, or other arrangement involving a total commitment of less than $2,000,000, or less than $500,000 in any one year, or a commitment of such lesser amount or amounts and subject to such other conditions as the Board in its discretion may from time to time determine to be appropriate and publish in the Federal Register, may be made if such action is taken pursuant to the terms and conditions set forth by the Board, and if each such action is reported to the Board at the Board meeting next following such action.’’

1969—Subsec. (a). Pub. L. 90–407 inserted provision prescribing the annual rate of compensation of the Director, and struck out provision authorizing the Director to serve as a nonvoting ex officio member of the Board and as the chief executive officer of the Foundation.

Subsec. (b). Pub. L. 90–407 substituted provisions authorizing the Director, except as otherwise provided, to exercise all of the authority granted to the Foundation by this chapter and to take action final and binding upon the Foundation for provisions authorizing the Director, in addition to the powers and duties specifically vested in him by this chapter, to exercise the powers granted by sections 1869 and 1876(c) of this title and such other powers and duties delegated by the Board to him, and the proviso that no action taken by the Director pursuant to section 1869 or 1876(c) shall be final unless in each instance the Board has reviewed and approved the action proposed to be taken, or such action is taken pursuant to the terms of a delegation of authority from the Board or the Executive Committee to the Director.

Subsecs. (c) to (f). Pub. L. 90–407 added subsecs. (c) to (f).

1969—Subsec. (b). Pub. L. 86–232 provided for delegation of authority from the Board or the Executive Committee to the Director.

CHANGE OF NAME

Committee on Labor and Human Resources of Senate changed to Committee on Health, Education, Labor, and Pensions of Senate by Senate Resolution No. 20, One Hundred Sixth Congress, Jan. 19, 1999.

Committee on Science of House of Representatives changed to Committee on Science and Technology of House of Representatives by House Resolution No. 6, One Hundred Tenth Congress, Jan. 5, 2007. Committee on Science and Technology of House of Representatives changed to Committee on Science, Space, and Technology of House of Representatives by House Resolution No. 5, One Hundred Twelfth Congress, Jan. 5, 2011.

EFFECTIVE DATE OF 1968 AMENDMENT

Amendment by Pub. L. 90–407, insofar as related to rates of basic pay, effective on first day of first calendar month which begins on or after July 18, 1968, see section 15(a)(4), set out as a note under section 5313 of Title 5, Government Organization and Employees.

TRANSFER OF FUNCTIONS

Authority of Director of National Science Foundation, from time to time, to make appropriate provisions authorizing performance by any other officer, or by any agency or employee, of National Science Foundation of any of his functions (delegated to him by National Science Board), see Reorg. Plan No. 5 of 1965, eff. July 27, 1965, 30 F.R. 9355, 79 Stat. 1233, set out in the Appendix to Title 5, Government Organization and Employees.

Office of Director of National Science Foundation established under provisions of this section was abolished and functions transferred to Director of National Science Foundation appointed pursuant to Reorg. Plan No. 2 of 1962, see section 22 (a), (b) of Reorg. Plan No. 2 of 1962, eff. June 8, 1962, 27 F.R. 5419, 76 Stat. 1233, set out as a note under section 1861 of this title.

STUDY ON RESEARCH AND DEVELOPMENT FUNDING DATA DISCREPANcies

Pub. L. 107–368, § 25, Dec. 19, 2002, 116 Stat. 3067, required the Director of the National Science Foundation to enter into an agreement with the National Academy of Sciences to conduct a comprehensive study to determine the source of discrepancies in Federal reports on obligations and actual expenditures of Federal research and development funding and to submit a report on the results of the study to committees of Congress within one year after Dec. 19, 2002, and required the Director of the Office of Science and Technology Policy to submit to those committees a plan for implementation of the recommendations of the study, within 6 months after the completion of the study.

RESEARCH PURPOSES OF GRANTS; BRIEF STATEMENT IN TITLES

Pub. L. 96–516, § 20, Dec. 12, 1980, 94 Stat. 3010, provided that: ‘‘(a) The Director of the National Science Foundation, in consultation with the Director of the Office of Science and Technology Policy, the Secretary of Energy, the Administrator of the National Aeronautics and Space Administration, and technical experts in public agencies, private organizations, and academic institutions, is authorized to determine the need to provide support under this Act for a study of the feasibility of transmitting solar energy to Earth by using orbital structures manufactured from lunar or asteroidal materials, and the impact of such a feasibility study, if any, on existing National Science Foundation programs.

‘‘(b)(1) If the Foundation determines that such a feasibility study is necessary, the Foundation is authorized to conduct such a study directly or by grants or contracts with public agencies, private organizations, or academic institutions.

‘‘(2) At the conclusion of any such study the Foundation shall prepare and submit to the President and to the Congress a report of the study, together with such recommendations as the Foundation deems appropriate.

Science for Citizens Program; Preparations and Submission of Plan to Committees of Congress

Pub. L. 94–86, § 3, Aug. 9, 1975, 89 Stat. 429, directed the Director of the National Science Foundation to prepare a comprehensive plan for the establishment and conduct of a "Science for Citizens Program" and, within six months from Aug. 9, 1975, submit the plan to specific committees of the House of Representatives and Senate. See section 5 of Pub. L. 94–471, set out as a note under section 1862 of this title.

Participation of Public in Conduct of Foundation Programs; Preparation and Submission of Plan to Committees of Congress

Pub. L. 94–86, § 4, Aug. 9, 1975, 89 Stat. 430, authorized the Director of the National Science Foundation to prepare a comprehensive plan to facilitate the participation of members of the public in the formulation, development, and conduct of National Science Foundation programs, policies, and priorities and to submit the resulting recommendations, plans, or other findings to specific committees of the House of Representatives and the Senate within 120 days from Aug. 9, 1975.

Continuation of Existing Offices, Procedures, and Organization of the National Science Foundation

Amendment by Pub. L. 90–407 intended to continue in effect the existing offices, procedures, and organization of the Foundation, see section 16 of Pub. L. 90–407, set out as a note under section 1862 of this title.

§ 1864a. Deputy Director of the Foundation

There shall be a Deputy Director of the Foundation (referred to in this chapter as the "Deputy Director"), who shall be appointed by the President, by and with the advice and consent of the Senate. Before any person is appointed as Deputy Director, the President shall afford the Board and the Director an opportunity to make recommendations to him with respect to such appointment. The Deputy Director shall receive basic pay at the rate provided for level III of the Executive Schedule under section 5314 of title 5, and shall perform such duties and exercise such powers as the Director may prescribe. The Deputy Director shall act for, and exercise the powers of, the Director during the absence or disability of the Director or in the event of a vacancy in the office of Director.

Amendments

1966—Pub. L. 99–383 struck out subsec. (a) designation and struck out subsec. (b) which provided for appointment of four Assistant Directors of the Foundation.

Effective Date

Section, insofar as related to rates of basic pay, effective on first day of first calendar month which begins on or after July 18, 1968, see section 15(a)(4) of Pub. L. 90–407, set out as an Effective Date of 1968 Amendment note under section 5313 of Title 5, Government Organization and Employees.

Continuation of Existing Offices, Procedures, and Organization of the National Science Foundation

Amendment by Pub. L. 90–407 intended to continue in effect the existing offices, procedures, and organization of the Foundation, see section 16 of Pub. L. 90–407, set out as a note under section 1862 of this title.

§ 1865. Executive Committee

(a) Composition; powers and functions; membership; chairman

There shall be an Executive Committee of the Board (referred to in this chapter as the "Executive Committee"), which shall be composed of five members and shall exercise such powers and functions as may be delegated to it by the Board. Four of the members shall be elected as provided in subsection (b), and the Director ex officio shall be the fifth member and the chairman of the Executive Committee.

(b) Election to membership; term of office; eligibility for reelection

At each of its annual meetings the Board shall elect two of its members as members of the Executive Committee, and the Executive Committee members so elected shall hold office for two years from the date of their election. Any person, other than the Director, who has been a member of the Executive Committee for six consecutive years shall thereafter be ineligible for service as a member thereof during the two-year period following the expiration of such sixth year. For the purposes of this subsection, the period between any two consecutive annual meetings of the Board shall be deemed to be one year.

(c) Term of vacancy appointment

Any person elected as a member of the Executive Committee to fill a vacancy occurring prior to the expiration of the term for which his predecessor was elected shall be elected for the remainder of such term.

(d) Reports; minority views

The Executive Committee shall render an annual report to the Board, and such other reports as it may deem necessary, summarizing its activities and making such recommendations as it may deem appropriate. Minority views and recommendations, if any, of members of the Executive Committee shall be included in such reports.

Amendments

1968—Subsec. (a). Pub. L. 90–407, § 5, made mandatory the organization of the Executive Committee, struck out prohibition that the Board may not assign to the Executive Committee the function of establishing policies, and inserted provisions setting forth the number of members, their manner of election, and the status of the Director.

Subsec. (b). Pub. L. 90–407, § 5, substituted provisions that Board elect two members as members of Executive Committee at its annual meeting, with period between any two consecutive annual meetings to be deemed one year, for provisions covering composition of Executive Committee, setting forth a special one year term of office for four members first elected after May 10, 1950, and directing that membership of Committee represent diverse interests and areas. Provisions of former subsections (b)(2)(A) and (b)(5) were redesignated as subsecs. (c) and (d), respectively.

Subsec. (c). Pub. L. 90–407, § 5, redesignated former subsection (b)(2)(A) as (c) and substituted "Any person elected as a member of the Executive Committee" for "any member elected". Former subsection (c), authorizing
the Board to appoint such additional committees as it deems necessary, and to delegate to such committees survey and advisory functions as it deems appropriate, was struck out.

Subsec. (d). Pub. L. 90–407, §5, redesignated former subsec. (b)(5) as (d) and substituted “The Executive Committee” for “Such Committee”.

1985—Subsec. (a). Pub. L. 96–222 struck out prohibition against assignment to Executive Committee of function of review and approval.

Subsec. (b)(1). Pub. L. 96–222 authorized Board to have an Executive Committee consisting of from five to nine members rather than fixed number of nine.

TRANSFER OF FUNCTIONS

Executive Committee of National Science Board appointed under provisions of this section abolished and functions conferred by this section transferred to Executive Committee of National Science Board established by Reorg. Plan No. 2 of 1962, see sections 21(e) and 23(a)(1) of Reorg. Plan No. 2 of 1962, eff. June 8, 1962, 27 F.R. 5419, 76 Stat. 1253, set out as a note under section 1861 of this title.

CONTINUATION OF EXISTING OFFICERS, PROCEDURES, AND ORGANIZATION OF THE NATIONAL SCIENCE FOUNDATION

Amendment by Pub. L. 90–407 intended to continue in effect the existing offices, procedures, and organization of the Foundation, see section 16 of Pub. L. 90–407, set out as a note under section 1862 of this title.

§ 1866. Divisions within Foundation

There shall be within the Foundation such Divisions as the Director, in consultation with the Board, may from time to time determine.

PRIOR PROVISIONS

A prior section 8 of act May 10, 1950, which was classified to section 1867 of this title, was repealed by Pub. L. 90–407, §4, July 18, 1968, 82 Stat. 363.

AMENDMENTS

1968—Pub. L. 90–407, §6, substituted provisions that there be within the Foundation such divisions as the Director, in consultation with the Board, may from time to time determine for provisions that, unless otherwise provided by the Board, there be within the Foundation a Division of Medical Research, a Division of Mathematical, Physical, and Engineering Sciences, a Division of Biological Sciences, a Division of Scientific Personnel and Education, and such other divisions as the Board deems necessary.

CONSOLIDATION OF DIRECTORATES

Pub. L. 96–516, §18, Dec. 12, 1980, 94 Stat. 3009, directed National Science Foundation to consolidate all Directorates, including Science Education Directorate, under one roof, in present location of central administrative offices, on or before Aug. 1, 1982.

CONTINUATION OF EXISTING OFFICES, PROCEDURES, AND ORGANIZATION OF THE NATIONAL SCIENCE FOUNDATION

Amendment by Pub. L. 90–407 intended to continue in effect the existing offices, procedures, and organization of the Foundation, see section 16 of Pub. L. 90–407, set out as a note under section 1862 of this title.

Section, act May 10, 1950, ch. 171, §8, 64 Stat. 152, authorized a committee for each division of the Foundation, and provided for the composition, terms of office, chairmanship, rules of procedure, and powers and duties of each divisional committee.

CONTINUATION OF EXISTING OFFICERS, PROCEDURES, AND ORGANIZATION OF THE NATIONAL SCIENCE FOUNDATION

Amendment by Pub. L. 90–407 intended to continue in effect the existing offices, procedures, and organization of the Foundation, see section 16 of Pub. L. 90–407, set out as a note under section 1862 of this title.

§ 1868. Special commissions

(a) Each special commission established under section 1863(h) of this title shall be appointed by the Board and shall consist of such members as the Board considers appropriate.

(b) Special commissions may be established to study and make recommendations to the Foundation on issues relating to research and education in science and engineering.

AMENDMENTS

1985—Pub. L. 99–159 amended section generally. Prior to amendment, section read as follows:

“(a) Each special commission established pursuant to section 1863(i) of this title shall consist of eleven members appointed by the Board, six of whom shall be eminent scientists and five of whom shall be persons other than scientists. Each special commission shall choose its own chairman and vice chairman.

“(b) It shall be the duty of each such special commission to make a comprehensive survey of research, both public and private, being carried on in its field, and to formulate and recommend to the Foundation at the earliest practicable date an over-all research program in its field.”

1968—Subsec. (a). Pub. L. 90–407 substituted “section 1863(i) of this title” for “section 1862(a)(7) of this title”.

CONTINUATION OF EXISTING OFFICERS, PROCEDURES, AND ORGANIZATION OF THE NATIONAL SCIENCE FOUNDATION

Amendment by Pub. L. 90–407 intended to continue in effect the existing offices, procedures, and organization of the Foundation, see section 16 of Pub. L. 90–407, set out as a note under section 1862 of this title.

§ 1869. Scholarships and graduate fellowships

(a) In general

The Foundation is authorized to award scholarships and graduate fellowships for study and research in the sciences or in engineering at nonprofit American or nonprofit foreign institutions selected by the recipient of such aid, for stated periods of time. Persons shall be selected for such scholarships and fellowships from among citizens, nationals or lawfully admitted permanent resident aliens of the United States, and such selections shall be made solely on the basis of ability; but in any case in which two or more applicants for scholarships or fellowships have equal ability, and there are not sufficient scholarships or fellowships, as the case may be, available to grant one to each of such applicants, the available scholarship or scholarships or fellowship or fellowships shall be awarded to the applicants in such manner as will tend to result in a wide distribution of scholarships and fellowships throughout the United States. Nothing contained in this chapter shall prohibit the Foundation from refusing or revoking a scholarship or fellowship award in whole or in part, in the case
of any applicant or recipient, if the Board is of the opinion that such award is not in the best interests of the United States.

(b) Amount

The Director shall establish for each year the amount to be awarded for scholarships and fellowships under this section for that year. Each such scholarship and fellowship shall include a cost of education allowance of $12,000, subject to any restrictions on the use of cost of education allowance as determined by the Director.

(5) § 1869a. Issuance of instructions to grantees of pre-college curriculum projects

The National Science Foundation is directed to issue instructions to grantees for pre-college curriculum projects covering the protection of pre-college students and procedures for involving such students in pre-college education research and development, pilot-testing, evaluation, and revision of experimental and innovative pre-college curriculum projects funded by the Foundation. These instructions shall require such grantees to obtain written approval of the school board or comparable authority responsible for the schools prior to the involvement of such students.
§ 1869c. Low-income scholarship program

(1) Establishment

The Director of the National Science Foundation (referred to in this section as the “Director”) shall award scholarships to low-income individuals to enable such individuals to pursue associate, undergraduate, or graduate level degrees in mathematics, engineering, computer science, or cybersecurity.

(2) Eligibility

(A) In general

To be eligible to receive a scholarship under this section, an individual—

(i) must be a citizen of the United States, a national of the United States (as defined in section 1101(a) of title 8), an alien admitted as a refugee under section 1157 of title 8, or an alien lawfully admitted to the United States for permanent residence;

(ii) shall prepare and submit to the Director an application at such time, in such manner, and containing such information as the Director may require; and

(iii) shall certify to the Director that the individual intends to use amounts received under the scholarship to enroll or continue enrollment at an institution of higher education (as defined in section 1001(a) of title 20) in order to pursue an associate, undergraduate, or graduate level degree in mathematics, engineering, computer science, cybersecurity, or other technology and science programs designated by the Director.

(B) Ability

Awards of scholarships under this section shall be made by the Director solely on the basis of the ability of the applicant, except that in any case in which 2 or more applicants for scholarships are deemed by the Director to be possessed of substantially equal ability, and there are not sufficient scholarships available to grant one to each of such applicants, the available scholarship or scholarships shall be awarded to the applicants in a manner that will tend to result in a geographically wide distribution throughout the United States of recipients’ places of permanent residence.

(3) Limitation

The amount of a scholarship awarded under this section shall be determined by the Director, except that the Director shall not award a scholarship in an amount exceeding $10,000 per year.

(4) Funding

The Director shall carry out this section only with funds made available under section 1356(s)(3) of title 8. The Director may use no more than 50 percent of such funds for undergraduate programs for curriculum development, professional and workforce development, and to advance technological education. Funds for these other programs may be used for purposes other than scholarships.

(5) Federal Register

Not later than 60 days after December 8, 2004, the Director shall publish in the Federal Register a list of eligible programs of study.

Amendments

2021—Par. (1). Pub. L. 116–283, § 9405(c)(1), substituted “computer science, or cybersecurity” for “or computer science”.

2004—Par. (2)(A)(iii). Pub. L. 108–447, § 429(a), substituted “computer science, or other technology and science programs designated by the Director” for “or computer science”.

Par. (3). Pub. L. 108–447, § 429(b), substituted “$10,000 per year” for “$3,125 per year”.

Par. (4). Pub. L. 108–447, § 429(c), inserted at end “The Director may use no more than 50 percent of such funds for undergraduate programs for curriculum development, professional and workforce development, and to advance technological education. Funds for these other programs may be used for purposes other than scholarships.”

2000—Par. (3). Pub. L. 106–313 substituted “$3,125 per year. The Director may renew scholarships for up to 4 years” for “$2,500 per year.”

Effective Date of 2004 Amendment

(c) to enter into contracts or other arrangements, or modifications thereof, for the carrying on, by organizations or individuals in the United States and foreign countries, including other government agencies of the United States and of foreign countries, of such scientific or engineering activities as the Foundation deems necessary to carry out the purposes of this chapter, and, at the request of the Secretary of State or Secretary of Defense, specific scientific or engineering activities in connection with matters relating to international cooperation or national security, and, when deemed appropriate by the Foundation, such contracts or other arrangements, or modifications thereof may be entered into without legal consideration, without performance or other bonds, and without regard to section 6101 of title 41;
(d) to make advance, progress, and other payments which relate to scientific or engineering activities without regard to the provisions of section 3324(a) and (b) of title 31;
(e) to acquire by purchase, lease, loan, gift, or condemnation, and to hold and dispose of by grant, sale, lease, or loan, real and personal property of all kinds necessary for, or resulting from, the exercise of authority granted by this chapter;
(f) to receive and use funds donated by others, if such funds are donated without restriction other than that they be used in furtherance of one or more of the general purposes of the Foundation, except that funds may be donated for specific prize competitions for "basic research" as defined in the Office of Management and Budget Circular No. A-11;
(g) to publish or arrange for the publication of scientific and engineering information so as to further the full dissemination of information of scientific or engineering value consistent with the national interest, without regard to the provisions of section 501 of title 44;
(h) to accept and utilize the services of voluntary and uncompensated personnel and to provide transportation and subsistence as authorized by section 5703 of title 5 for persons serving without compensation;
(i) to prescribe, with the approval of the Comptroller General of the United States, the extent to which vouchers for funds expended under contracts for scientific or engineering research shall be subject to itemization or substantiation prior to payment, without regard to the limitations of other laws relating to the expenditure of public funds and accounting therefor;
(j) to arrange with and reimburse the heads of other Federal agencies for the performance of any activity which the Foundation is authorized to conduct; and
(k) during the 5-year period beginning on August 21, 1986, to indemnify grantees, contractors, and subcontractors associated with the United States and of foreign countries, or modifications thereof, and certification required by such indemnification made by the Director.

Confinement

In subsec. (c), "section 6101 of title 41" substituted for "section 3709 of the Revised Statutes" on authority of Pub. L. 111-350, §6(c), Jan. 4, 2011, 124 Stat. 3854, which Act enacted Title 41, Public Contracts.

In subsec. (d), "section 3324(a) and (b) of title 31" substituted for "section 3648 of the Revised Statutes (31 U.S.C., sec. 529)", on authority of Pub. L. 97-234, §4(b), Sept. 13, 1982, 96 Stat. 1057, the first section of which enacted Title 31, Money and Finance.

Amendments

2007—Subsec. (f). Pub. L. 110-69 inserted before semicolon after "", except that funds may be donated for specific prize competitions for ‘‘basic research’’ as defined in the Office of Management and Budget Circular No. A-11”.

Subsec. (g). Pub. L. 99-159, §110(a)(14)(B), (C), substituted "‘engineering’" for "‘technical’ and inserted reference to engineering value.

1968—Subsec. (c). Pub. L. 90-407, §9(a), substituted "‘scientific activities’ for ‘‘basic scientific research activities’’ and ‘‘scientific research activities’’, ‘‘international cooperation or national security’’ for ‘‘national defense’’, and inserted ‘‘Secretary of State’’ after ‘‘at the request of the’’.

Subsec. (d). Pub. L. 90-407, §9(b), substituted "‘activities’ for ‘‘research’’.

Continuation of Existing Officers, Procedures, and Organization of the National Science Foundation

Amendment by Pub. L. 90-407 intended to continue in effect the existing offices, procedures, and organization of the Foundation, see section 16 of Pub. L. 90-407, set out as a note under section 1862 of this title.

Misrepresentation of Research Results

Pub. L. 114-329, title I, §115, Jan. 6, 2017, 130 Stat. 2994, provided that:

"(a) PROHIBITION.—The Director of the Foundation may revise the regulations under part 689 of title 45, Code of Federal Regulations (relating to research misconduct) to ensure that the findings and conclusions of any article authored by a principal investigator, using the results of research conducted under a Foundation grant, that is published in a peer-reviewed publication, made publicly available, or incorporated in an application for a research grant or grant extension from the Foundation, does not contain any falsification, fabrication, or plagiarism.

(b) INTERAGENCY COMMUNICATION.—Upon a finding that research misconduct has occurred, the Foundation shall, in addition to any possible final action under section 689.3 of title 45, Code of Federal Regulations, notify other Federal science agencies of the finding.” [For definitions of “Foundation” and “Federal science agency” as used in section 115 of Pub. L.
114–329, set out above, see section 2 of Pub. L. 114–329, set out as a note under section 1862s of this title.]

§ 1870a. Buy-American requirements

(a) Award of contracts

The Director shall, to the maximum extent practicable and consistent with current law, award to domestic firms any contracts for the purchase of goods and services intended for direct use by the Foundation.

(b) Report

The Director shall, as soon as possible after October 31, 1988, prepare a report on—

(1) the number of Foundation contracts entered into with foreign firms in fiscal year 1988;
(2) the number of such contracts entered into with domestic firms in that fiscal year;
(3) the number of contracts entered into with foreign firms where the Foundation also received a technically acceptable bid from a domestic firm; and
(4) any steps the Foundation will take to increase the number of contracts awarded to domestic firms.

Such report shall be submitted to the Committee on Science, Space, and Technology of the House of Representatives and the Committees on Labor and Human Resources and Commerce, Science, and Transportation of the Senate.

(c) Definitions

For the purposes of this section—

(1) the term “domestic firm” means a business entity which is organized under the laws of the United States or the laws of a State, district, commonwealth, territory, or possession of the United States, and which conducts business operations in the United States; and
(2) the term “foreign firm” means a business entity not described in paragraph (1).

Codification

Section was enacted as part of the National Science Foundation Authorization Act of 1988, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

Change of Name

Committee on Labor and Human Resources of Senate changed to Committee on Health, Education, Labor, and Pensions of Senate by Senate Resolution No. 20, One Hundred Sixth Congress, Jan. 19, 1999.

§ 1871. Disposition of inventions produced under contracts or other arrangements

Each contract or other arrangement executed pursuant to this chapter which relates to scientific or engineering research shall contain provisions governing the disposition of inventions produced thereunder in a manner calculated to protect the public interest and the equities of the individual or organization with which the contract or other arrangement is executed: Provided, however, That nothing in this chapter shall be construed to authorize the Foundation to enter into any contractual or other arrangement inconsistent with any provision of law affecting the issuance or use of patents.

Amendments

1985—Pub. L. 99–159 struck out subsec. (a) designation, inserted “or engineering” after “scientific”, and struck out subsec. (b) which prohibited Foundation officers and employees from acquiring, etc., patent rights in inventions.

§ 1872. International cooperation and coordination with foreign policy

(a) The Foundation is authorized to cooperate in any international scientific or engineering activities consistent with the purposes of this chapter and to expend for such international scientific or engineering activities such sums within the limit of appropriated funds as the Foundation may deem desirable. The Director may defray the expenses of representatives of Government agencies and other organizations and of individual scientists or engineers to accredited international scientific or engineering congresses and meetings whenever he deems it necessary in the promotion of the objectives of this chapter. In this connection, with the approval of the Secretary of State, the Foundation may undertake programs granting fellowships to, or making other similar arrangements with, foreign nationals for study and research in the sciences or in engineering in the United States without regard to section 1869 of this title or the affidavit of allegiance to the United States required by section 1874(d)(2) of this title.

(b)(1) The authority to enter into contracts or other arrangements with organizations or individuals in foreign countries and with agencies of foreign countries, as provided in section 1870(c) of this title, and the authority to cooperate in international scientific or engineering activities as provided in subsection (a) of this section, shall be exercised only with the approval of the Secretary of State, to the end that such authority shall be exercised in such manner as is consistent with the foreign policy objectives of the United States.

(2) If, in the exercise of the authority referred to in paragraph (1) of this subsection, negotiation with foreign countries or agencies thereof becomes necessary, such negotiation shall be carried on by the Secretary of State in consultation with the Director.

places appearing and "or engineers" after "scientists" and substituted "study and research in the sciences or in engineering" for "scientific study or scientific work".

1968—Subsec. (a). Pub. L. 90–407 struck out "", with the approval of the Board", and substituted "scientific study or scientific work in the United States." for "the provisions of this chapter. Except as provided in this section, the time spent in travel by any member of the Board and members of special commissions shall be deemed as time engaged in the business of the Foundation. Members of the Board and members of special commissions may waive compensation and reimbursement for transportation expenses to the same extent for an individual's residence at the time of selection or assignment to his or her duty station. The Foundation may pay such travel expenses and transportation expenses to the same extent for such an individual's return to the former place of residence from his or her duty station, upon separation from the Federal service following an agreed period of service. The Foundation may also pay a per diem allowance at a rate not to exceed the daily amounts prescribed under section 5702 of title 5 to such an individual, in lieu of transportation expenses of the immediate family and household goods and personal effects from that individual's residence at the time of selection or assignment to his or her duty station.

Subsec. (b)(1). Pub. L. 99–232 struck out ""research" from phrase "scientific research activities"'.

CONTINUATION OF EXISTING OFFICES, PROCEDURES, AND ORGANIZATION OF THE NATIONAL SCIENCE FOUNDATION Amendment by Pub. L. 90–407 intended to continue in effect the existing offices, procedures, and organization of the Foundation, see section 16 of Pub. L. 90–407, set out as a note under section 1862 of this title.

Section, act May 10, 1950, ch. 171, §14, as added July 11, 1958, Pub. L. 85–510, §2, 72 Stat. 353, authorized the Foundation, in carrying out a program of study, research, and evaluation in the field of weather modification, to consult with meteorologists and scientists, make contracts and grants, accept gifts, loan property, conduct hearings, and subpoena books and records.

EFFECTIVE DATE OF REPEAL

Pub. L. 90–407, §11(1), July 18, 1968, 82 Stat. 365, provided that the repeal of this section is effective Sept. 1, 1968, and that provisions authorizing Foundation to initiate and support programs in field of weather modification should remain in effect until Sept. 1, 1968, for purpose of this section.

CONTINUATION OF EXISTING OFFICES, PROCEDURES, AND ORGANIZATION OF THE NATIONAL SCIENCE FOUNDATION

Repeal by Pub. L. 90–407 intended to continue in effect the existing offices, procedures, and organization of the Foundation, see section 16 of Pub. L. 90–407, set out as a note under section 1862 of this title.

§ 1873. Employment of personnel

(a) Appointment; compensation; application of civil service provisions; technical and professional personnel; members of special commissions; temporary appointments; travel expenses

(1) The Director shall, in accordance with such policies as the Board shall from time to time prescribe, employ such technical and professional personnel and fix their compensation, without regard to such provisions, as he may deem necessary for the discharge of the responsibilities of the Foundation under this chapter. The members of the special commissions shall be appointed without regard to the provisions of title 5 governing appointments in the competitive service.

(2) The Director may, under the authority provided by paragraph (1) of this subsection and in accordance with such policies as the Board chooses to prescribe, appoint for a limited term, or on a temporary basis, scientists, engineers, and other technical and professional personnel on leave of absence from academic, industrial, or research institutions to work for the Foundation.

(3) The Foundation may pay, to the extent authorized for certain other Federal employees by section 5723 of title 5, travel expenses for any individual appointed for a limited term or on a temporary basis in scientific activities rather than scientific research activities, and to grant fellowships or make allowances for certain other Federal employees by section 5723 of title 5, travel expenses for any individual appointed for a limited term or on a temporary basis in scientific activities rather than scientific research activities, and to grant fellowships or make allowances for any such personnel as may be necessary to carry out the provisions of this chapter. Except as provided in section 1863(h) of this title, such appointments shall be made and such compensation shall be fixed in accordance with the provisions of title 5 governing appointments in the competitive service, and the provisions of chapter 51 and subchapter III of chapter 53 of title 5 relating to classification and General Schedule pay rates: Provided, That the Director may, in accordance with such policies as the Board shall from time to time prescribe, employ such technical and professional personnel and fix their compensation, without regard to such provisions, as he may deem necessary for the discharge of the responsibilities of the Foundation under this chapter. The members of the special commissions shall be appointed without regard to the provisions of title 5 governing appointments in the competitive service.

(b) Operation of laboratories and pilot plants

The Foundation shall not, itself, operate any laboratories or pilot plants.

(c) Compensation of members of Board and special commissions

The members of the Board and the members of each special commission shall be entitled to receive compensation for each day engaged in the business of the Foundation at a rate fixed by the Chairman but not exceeding the maximum rate payable under section 5776 of title 5 and shall be allowed travel expenses as authorized by section 5703 of title 5. For the purposes of determining the payment of compensation under this subsection, the time spent in travel by any member of the Board or any member of a special commission shall be deemed as time engaged in the business of the Foundation. Members of the Board and members of special commissions may waive compensation and reimbursement for traveling expenses.

(See References in Text note below.)
(d) Federal officers as members of special commissions; compensation

Persons holding other offices in the executive branch of the Federal Government may serve as members of special commissions, but they shall not receive remuneration for their services as such members during any period for which they receive compensation for their services in such other offices.

(e) Utilization of appropriations in making contracts

In making contracts or other arrangements for scientific or engineering research, the Foundation shall utilize appropriations available therefor in such manner as will in its discretion best realize the objectives of (1) having the work performed by organizations, agencies, and institutions therefor in the United States, (2) adding institutions, agencies, or organizations which, if aided, will advance scientific or engineering research, and (4) encouraging independent scientific or engineering research by individuals.

(f) Transfer of research and education funds of other Government departments or agencies

Funds available to any department or agency of the Government for scientific or engineering research or education, or the provision of facilities therefor, shall be available for transfer, with the approval of the head of the department or agency involved, in whole or in part, to the Foundation for such use as is consistent with the purposes for which such funds were provided, and funds so transferred shall be expendable by the Foundation for the purposes for which the transfer was made.

(g) “United States” defined

For purposes of this chapter, the term “United States” when used in a geographical sense means the States, the District of Columbia, the Commonwealth of Puerto Rico, and all territories and possessions of the United States.

(h) Expiration of authorization

Notwithstanding any other provision of law, the authorization of any appropriation to the Foundation shall expire (unless an earlier expiration is specifically provided) at the close of the second fiscal year following the fiscal year for which the authorization was enacted, to the extent that such appropriation has not theretofore actually been made.

(i) Public disclosure of information

(1)(A) Information supplied to the Foundation or a contractor of the Foundation in survey forms, questionnaires, or similar instruments for purposes of section 1862(a)(5) or (6) of this title by an individual, an industrial or commercial organization, or an educational, academic, or other nonprofit institution when the institution has received a pledge of confidentiality from the Foundation, shall not be disclosed to the public unless the information has been transformed into statistical or abstract formats that do not allow for the identification of the supplier.

(B) Information that has not been transformed into formats described in subparagraph (A) may be used only for statistical or research purposes.

(C) The identities of individuals, organizations, and institutions supplying information described in subparagraph (A) may not be disclosed to the public.

(2) In support of functions authorized by section 1862(a)(5) or (6) of this title, the Foundation may designate, at its discretion, authorized persons, including employees of Federal, State, or local agencies or instrumentalities (including local educational agencies) and employees of private organizations, to have access, for statistical or research purposes only, to information collected pursuant to section 1862(a)(5) or (6) of this title that allows for the identification of the supplier. No such person may—

(A) publish information collected pursuant to section 1862(a)(5) or (6) of this title in such a manner that either an individual, an industrial or commercial organization, or an educational, academic, or other nonprofit institution that has received a pledge of confidentiality from the Foundation can be specifically identified;

(B) permit anyone other than individuals authorized by the Foundation to examine data that allows for such identification relating to an individual, an industrial or commercial organization, or an academic, educational, or other nonprofit institution that has received a pledge of confidentiality from the Foundation; or

(C) knowingly and willfully request or obtain any nondisclosable information described in paragraph (1) from the Foundation under false pretenses.

(3) Violation of this subsection is punishable by a fine of not more than $10,000, imprisonment for not more than 5 years, or both.

EMPLOYMENT OF MINORITIES, WOMEN, AND HANDICAPPED INDIVIDUALS IN EXECUTIVE LEVEL POSITIONS

Pub. L. 94–471, §7, Oct. 11, 1976, 90 Stat. 2556, provided that:

"(a) The Director of the National Science Foundation shall initiate an intensive search for qualified women, members of minority groups, and handicapped individuals to fill executive level positions in the National Science Foundation. In carrying out the requirement of this subsection, the Director shall work closely with organizations which have been active in seeking greater recognition and utilization of the scientific and technical capabilities of minorities, women, and handicapped individuals. The Director shall improve the rep-
representation of minorities, women, and handicapped individuals on advisory committees, review panels, and all other mechanisms by which the scientific community provides assistance to the Foundation. The Director of the National Science Foundation shall report quarterly to the Congress on the status of minorities, women, and handicapped individuals and activities undertaken pursuant to this section.

“(b) Notwithstanding any other provision of this or any other Act, the National Science Foundation shall, with funds available from the program “Minorities, Women, and Handicapped Individuals in Science” conduct experimental forums, conferences, workshops or other activities designed to improve scientific literacy and to encourage and assist minorities, women, and handicapped individuals to undertake and to advance in careers in scientific research and science education.

“(c)(1) In order to promote increased participation by minorities in science and engineering, the National Science Foundation is authorized and directed to make available planning and study grants for programs including, but not limited to, Minority Centers for Graduate Education in Science and Engineering in accordance with this subsection.

“(2) The grants for Minority Centers for Graduate Education shall be used to determine the need for and feasibility of developing Centers to be established at geographically dispersed educational institutions which—

“(A) have substantial minority student enrollment;

“(B) are geographically located near minority population centers;

“(C) demonstrate a commitment to encouraging and assisting minority students, researchers, and faculty;

“(D) have an existing or developing capacity to offer doctoral programs in science and engineering;

“(E) will support basic research and the acquisition of necessary research facilities and equipment;

“(F) will serve as a regional resource in science and engineering for the minority community which the Center is designed to serve; and

“(G) will develop joint educational programs with nearby undergraduate institutions of higher education which have a substantial minority student enrollment.

“(3) The Director, in consultation with groups which have been active in seeking greater recognition of the scientific and technical capabilities of minorities, shall establish criteria for the award of the grants, and shall report to the Committee on Science, Space, and Technology of the Senate and to the House of Representatives [now Committee on Science, Space, and Technology] and the Committee on Labor and Public Welfare [now Committee on Health, Education, Labor, and Pensions] of the House of Representatives [now Committee on Science, Space, and Technology] and the Committee on Labor and Public Welfare [now Committee on Health, Education, Labor, and Pensions] of the Senate on the results of activities including an evaluation and assessment of the entire program carried out under this subsection, not later than March 1, 1977.”

CONTINUATION OF EXISTING OFFICES, PROCEDURES, AND ORGANIZATION OF THE NATIONAL SCIENCE FOUNDATION

Amendment by Pub. L. 90–407 intended to continue in effect the existing offices, procedures, and organization of the Foundation, see section 16 of Pub. L. 90–407, set out as a note under section 1862 of this title.

§ 1874. Security provisions

(a) Nuclear energy research and development

The Foundation shall not support any research or development activity in the field of nuclear energy, nor shall it exercise any authority pursuant to section 1870(e) of this title in respect to that field, without first having obtained the concurrence of the Secretary of Energy that such activity will not adversely affect the common defense and security. To the extent that such activity involves restricted data as defined in the Atomic Energy Act of 1954 [42 U.S.C. 2011 et seq.] the provisions of that Act regarding the control of the dissemination of restricted data and the security clearance of those individuals to be given access to restricted data shall be applicable. Nothing in this chapter shall supersede or modify any provision of the Atomic Energy Act of 1954.

(b) Research relating to national defense

(1) In the case of scientific or engineering research activities under this chapter in connection with matters relating to the national defense, with respect to which funds have been transferred to the Foundation from the Department of Defense in accordance with the provisions of section 1879(f) of this title, the Secretary of Defense shall establish such security requirements and safeguards, including restrictions with respect to access to information and property, as he deems necessary.

(2) In the case of scientific or engineering research activities under this chapter in connection with matters relating to the national defense other than research activities referred to in paragraph (1) of this subsection, the Foundation shall establish such security requirements and safeguards, including restrictions with respect to access to information and property, as it deems necessary.

(3) Any agency of the Government exercising investigatory functions is authorized to make such investigations and reports as may be requested by the Foundation in connection with the enforcement of security requirements and safeguards, including restrictions with respect to access to information and property, established under paragraph (1) or (2) of this subsection.

§1875. Appropriations

To enable the Foundation to carry out its powers and duties, only such sums may be appropriated as the Congress may authorize by law.

Amendments

1980—Pub. L. 96–516 amended subsec. (a) generally, striking out specific dollar amounts for fiscal years ending June 30, 1969, and June 30, 1970, reference to subsequent fiscal years, and provisions relating to sums as additional to sums under section 1122(b)(1) of title 33, and struck out subsec. (b) which related to availability of sums for obligation and expenditure.

1968—Subsec. (a). Pub. L. 90–407, §14, substituted provisions authorizing the appropriation of funds for the fiscal year ending June 30, 1969, June 30, 1970, and each subsequent fiscal year, such sums to be in addition to sums authorized by section 1122(b)(1) of title 33, for provisions authorizing the appropriation of such sums as may be necessary to carry out the provisions of this chapter out of any money in the Treasury not otherwise appropriated.

1963—Subsec. (a). Act Aug. 8, 1953, removed the $15 million limitation on the amount of the annual appropriations.
§ 1880. National Medal of Science

There is established a National Medal of Science (hereinafter referred to as the "medal"), which shall be of such design and materials and bear such inscriptions as the President, on the basis of recommendations submitted by the National Science Foundation, may prescribe, and shall be awarded as provided in section 1881 of this title.

§ 1881. Award of National Medal of Science

(a) Recommendations

The President shall from time to time award the medal, on the basis of recommendations received from the National Academy of Sciences or on the basis of such other information and evidence as he deems appropriate, to individuals who in his judgment are deserving of special recognition by reason of their outstanding contributions to knowledge in the physical, biological, mathematical, engineering, behavioral or social sciences.

(b) Number

Not more than twenty individuals may be awarded the medal in any one calendar year.

(c) Citizenship

An individual may not be awarded the medal unless at the time such award is made he—

(1) is a citizen or other national of the United States; or

(2) is an alien lawfully admitted to the United States for permanent residence who (A) has filed an application for petition for naturalization in the manner prescribed by section 1445(b) of title 8 and (B) is not permanently ineligible to become a citizen of the United States.

(d) Ceremonies

The presentation of the award shall be made by the President with such ceremonies as he may deem proper, including attendance by appropriate Members of Congress.

AMENDMENTS

EX. ORD. NO. 11287, AWARD AND PRESENTATION OF NATIONAL MEDAL OF SCIENCE

By virtue of the authority vested in me by the Act of August 25, 1959, entitled "An Act To Establish a National Medal of Science To Provide Recognition for Individuals Who Make Outstanding Contributions in the Physical, Biological, Mathematical, and Engineering Sciences," 73 Stat. 431 (hereinafter referred to as the Medal) established by the Act, the specifications of which are prescribed by Executive Order No. 10910 of January 17, 1961, as amended, on the basis of recommendations received pursuant to the provisions of this Order to individuals who in his judgment are deserving of special recognition by reason of their outstanding contributions to knowledge in the physical, biological, mathematical, or engineering sciences.

(b) The following-described criteria shall govern the award of the Medal—

(1) Not more than twenty individuals shall be awarded the Medal in any one calendar year.

(2) No individual shall be awarded the Medal unless, at the time such award is made, he:

(A) is a citizen or other national of the United States; or

(B) is an alien lawfully admitted to the United States for permanent residence who

(i) has filed a petition for naturalization in the manner prescribed by Section 334(b) of the Immigration and Nationality Act (8 U.S.C. 1445(b)), and (ii) is not permanently ineligible to become a citizen of the United States.

(3) Notwithstanding the provisions of paragraph (2) of this subsection, the Medal may be awarded posthumously, but only to individuals who, at the time of their death, met the conditions set forth in paragraph (2).

The Medal shall not be awarded to any individual after the fifth anniversary of the day of his death.

(e) Each Medal awarded shall be suitably inscribed.

Each individual awarded the Medal shall also receive a citation descriptive of the award.

(d) The presentation of the Medal shall be made in accordance with Section 2(d) of the Act.

Sic. 2. The President's Committee. (a) There is hereby established the President's Committee on the National Medal of Science (hereinafter referred to as the Committee), which shall be composed of twelve appointive members and two ex officio members and shall assist the President, as provided in this order, in connection with the carrying out of the Act.

(b) Each appointive member of the Committee shall be appointed by the President from among appropriately qualified citizens of the United States. Except as otherwise provided in subsection (e) of this Section, each such member shall be so appointed for a term of three years or for the balance of the unexpired term of his predecessor, whichever is appropriate. Members may be reappointed to serve one additional term of three years. As nearly as practicable, the appointive members of the Committee shall comprise a cross section of the major fields of science and engineering.

(c) The following shall be ex officio members of the Committee:

(1) The Science Adviser.

(2) The President of the National Academy of Sciences.

(d) The President shall from time to time designate one of the members of the Committee as Chairman thereof.

(e) Of the persons first designated as members of the Committee under the provisions of subsection (b) of this Section, four shall be designated to serve until December 31, 1966, four shall be designated to serve until December 31, 1967, and four shall be designated to serve until December 31, 1968.

Sic. 3. Preliminary Procedure. (a) The Committee shall receive, on behalf of the President, (1) the recommendations made by the National Academy of Sciences respecting the award of the Medal pursuant to the provisions of Section 2(a) of the Act [subsec. (a) of this section], and (2) such similar recommendations as may be
made by any other nationally representative scientific or engineering organization or other qualified source. Each such recommendation shall include or be accompanied by such appropriate supporting material as the Committee may from time to time specify.

(b) On the basis of such criteria, information, and evidence as it may deem appropriate, and subject to the provisions of Section 1 of this Order, the Committee shall designate, from among the individuals who are recommended in accordance with Section 3(a) of this Order, those individuals whom the Committee recommends for the award of the Medal and shall transmit the names of those individuals to the President, together with its recommendations. In so transmitting its recommendations the Committee (1) shall indicate the order of precedence in which the individuals involved deserve to receive the Medal, and (2) may arrange the names of all or some of the recommended individuals in a sequence deemed by it to indicate the order of precedence in which the individuals involved deserve to receive the Medal.

(c) Each recommendation respecting the award of the Medal to an individual which is transmitted to the President by the Committee shall be accompanied by a draft of a citation describing the contributions which are to be recognized by the award.

SIC. 4. Time of Awards and Recommendations. (a) Unless otherwise directed by the President, announcement of the award of the Medal shall be made during the last sixty days of such calendar year and ceremonies for the presentation of the Medal shall be held during the first ninety days of the calendar year following the announcement of the award.

(b) Recommendations for awards of the Medal shall be submitted to the Committee, pursuant to Section 3(a) of this Order, by the first day of July of the year in which it is proposed that they be announced by the President. Recommendations of the Committee shall be delivered to the President by the fifteenth day of October of the year in which they are to be announced. Such recommendations may be based upon recommendations of the Committee or upon such other information and evidence as the President deems appropriate.

SIC. 5. Services and Expenses. (a) The National Science Foundation is authorized to provide such assistance as may be necessary and appropriate to carry out the purposes of this Order.

(b) The members of the Committee shall serve without compensation, but the National Science Foundation is authorized to reimburse them for travel expenses and to pay them per diem in lieu of subsistence as authorized for persons serving without compensation (5 U.S.C. 73b–2) [see 5 U.S.C. 703].

SIC. 6. Prior Orders. (a) Subject to the provisions of this Order, the President’s Committee on the National Medal of Science established by Section 2 of this Order shall be deemed to continue the Committee of the same name established by Executive Order No. 10961 of August 31, 1961. The latter Order is hereby revoked.

(b) Executive Order No. 10910 of January 17, 1961, is hereby amended by deleting from its title the words “AND AWARD”, and by deleting the last two sentences of Section 1, and all of Section 2, thereof.

EXTENSION OF TERM OF PRESIDENT’S COMMITTEE ON THE NATIONAL MEDAL OF SCIENCE

§ 1881a. Alan T. Waterman Award

(a) Establishment; amounts; terms

The National Science Foundation is authorized to establish the Alan T. Waterman Award for research or advanced study in the mathematical, physical, medical, biological, engineering, behavioral, social, or other sciences. The award authorized by this section shall consist of a suitable medal and a grant to support further research or study by the recipient. The National Science Board will periodically establish the amounts and terms of such grants under this section.

(b) Purpose

Awards under this section shall be made to recognize and encourage the work of younger scientists whose capabilities and accomplishments show exceptional promise of significant future achievement.

(c) Number

Not more than three awards may be made under this section in any one fiscal year.

CODIFICATION

Section was enacted as part of the National Science Foundation Authorization Act, 1976, and not as part of
the National Science Foundation Act of 1950 which comprises this chapter.

AMENDMENTS

2007—Subsec. (c). Pub. L. 110–69 amended subsec. (c) generally. Prior to amendment, subsec. (c) read as follows: “No more than one award shall be made under this section in any one fiscal year.”

1965—Subsec. (a). Pub. L. 99–159 substituted provisions requiring the National Science Board to periodically establish amounts and terms of grants, for provisions limiting the grant awarded to $50,000 per year for a period not exceeding three years.

§ 1881b. Presidential awards for teaching excellence

(1)(A) The President is authorized to make Presidential Awards for Excellence in Mathematics and Science Teaching to kindergarten through grade 12 school teachers of mathematics and science who have demonstrated outstanding teaching ability in the field of teaching mathematics or science.

(B) Each year the President is authorized to make no fewer than 108 awards under subparagraph (A). In selecting teachers for an award authorized by this subsection, the President shall select at least two teachers—

(i) from each of the several States;

(ii) from the District of Columbia;

(iii) from the Commonwealth of Puerto Rico;

(iv) from among the Trust Territory of the Pacific Islands, the Commonwealth of the Northern Mariana Islands, and other commonwealths, territories, and possessions of the United States; and

(v) from schools established outside the several States and the District of Columbia by any agency of the Federal Government for dependents of the employees of such agency.

(2) The President shall carry out this subsection, including the establishment of the selection procedures, after consultation with the Director and other appropriate officials of Federal agencies.

(3)(A) Funds to carry out this subsection for any fiscal year shall be made available from amounts appropriated pursuant to annual authorization of appropriations for the Foundation for Education and Human Resources.

(B) Amounts made available pursuant to subparagraph (A) shall be available for making awards under this subsection, for administrative expenses, for necessary travel by teachers selected under this subsection, and for special activities related to carrying out this subsection.

§ 1882. Information furnished to Congressional committees

Notwithstanding any other provision of this or any other Act, the Director of the National Science Foundation and the National Science Board shall keep the Committee on Labor and Human Resources of the Senate and the Committee on Science, Space, and Technology of the House of Representatives fully and currently informed with respect to all of the activities of the National Science Foundation.

§ 1883. Office of Small Business Research and Development

The National Science Foundation is authorized and directed to establish an Office of Small Research and Development. The Foundation through the Office of Small Business Research and Development and in cooperation and consultation with the Small Business Administration shall—
(1) foster communication between the National Science Foundation and the small business community, and insure that the set-aside for small business concerns provided under this Act or any other Act authorizing appropriations for the National Science Foundation is fully and effectively utilized;

(2) collect, analyze, compile, and publish information concerning grants and contracts awarded to small business concerns by the Foundation, and the procedures for handling proposals submitted by small business concerns, and

(3) assist individual small business concerns in obtaining information regarding programs, policies, and procedures of the Foundation, and assure the expeditious processing of proposals by small business concerns based on scientific and technical merit; and

(4) recommend to the Director and to the National Science Board such changes in the procedures and practices of the Foundation as may be required to enable the Foundation to draw fully on the resources of the small business research and development community.

Codification

Section 269 was enacted as part of the Science and Engineering Equal Opportunities Act, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

Amendments

§ 1885. Congressional statement of findings and declaration of policy respecting equal opportunities in science and engineering

(a) The Congress finds that it is in the national interest to promote the full use of human resources in science and engineering and to insure the full development and use of the scientific and engineering talents and skills of men and women, equally, of all ethnic, racial, and economic backgrounds, including persons with disabilities.

(b) The Congress declares it is the policy of the United States to encourage men and women, equally, of all ethnic, racial, and economic backgrounds, including persons with disabilities, to acquire skills in science, engineering, and mathematics, to have equal opportunity in education, training, and employment in scientific and engineering fields, and thereby to promote scientific and engineering literacy and the full use of the human resources of the Nation in science and engineering. To this end, the Congress declares that the highest quality science and engineering over the long-term requires substantial support, from currently available research and educational funds, for increased participation in science and engineering by women, minorities, and persons with disabilities. The Congress further declares that the impact on women, minorities, and persons with disabilities which is produced by advances in science and engineering must be included as essential factors in national and international science, engineering, and economic policies.

SEVERABILITY OF SCIENCE AND ENGINEERING EQUAL OPPORTUNITIES ACT

Pub. L. 96–516, § 38, Dec. 12, 1980, 94 Stat. 3014, provided that: “If a provision of this Act [enacting sections 1885 to 1885d of this title and provisions set out as notes under sections 1861 and 1865 of this title] is held invalid, the validity of the other provisions of the Act shall not be affected. If an application of a provision of this Act to a person or circumstance is held invalid, the validity
of the application of the provisions to another person or circumstance shall not be affected.'"

REPORTS TO CONGRESS CONCERNING NATIONAL POLICY DEVELOPMENT OF PROMOTION, ETC., OF EQUAL OPPORTUNITY FOR WOMEN AND MINORITIES IN SCIENCE AND TECHNOLOGY, AND IMPACTS OF SCIENCE AND TECHNOLOGY ON WOMEN AND MINORITIES

Pub. L. 96–516, §35, Dec. 12, 1980, 94 Stat. 3012, directed President, with assistance of Director of Office of Science and Technology Policy and Director of Foundation, to prepare and transmit before Jan. 20, 1982, a report to Congress proposing a comprehensive national policy and program, including budgetary and legislative recommendations, for promotion of equal opportunity for women and minorities in science and technology, and directed President, with assistance of Director of Office of Science and Technology Policy, heads of appropriate executive departments, and Director of the Foundation to prepare and transmit before Jan. 1, 1983, a report to Congress proposing a comprehensive policy, including budgetary and legislative recommendations, concerning direct and indirect impacts of science and technology on women and minorities.

§1885a. Women in science and engineering; support of activities by Foundation for promotion, etc.

The Foundation is authorized to—

(1) support activities designed to—

(A) increase the participation of women in courses of study at the undergraduate, graduate, and postgraduate levels leading to degrees in scientific and engineering fields;

(B) encourage women to consider and prepare for careers in science and engineering; or

(C) provide traineeship and fellowship opportunities for women in science and engineering;

(2) support programs in science, engineering, and mathematics in elementary and secondary schools so as to stimulate the acquisition of knowledge, skills, and information by female students and to increase female student awareness of career opportunities requiring scientific and engineering skills;

(3) support activities in continuing education in science and engineering which provide opportunities for women who—

(A) are in the work force, or

(B) who are not in the work force because their careers have been interrupted, to acquire new knowledge, techniques, and skills in scientific and engineering fields;

(4) undertake a comprehensive research program designed to increase public understanding of (A) the potential contribution of women in science and engineering and (B) the means to facilitate the participation and advancement of women in scientific and engineering careers;

(5) establish a visiting women scientists and engineers program;

(6) support activities designed to improve the availability and quality of public information concerning the importance of the participation of women in careers in science and engineering;

(7) support activities of museums and science centers which demonstrate potential to interest and involve women in science and engineering;

(8) make grants, to be known as the National Research Opportunity Grants, to women scientists and engineers who (A) have received their doctorates within five years prior to the date of the award or (B) have received their doctorates, have had their careers interrupted, and are re-entering the work force within five years after such interruption;

(9) make grants to women eligible under paragraph (8) to assist such women in planning and developing a research project eligible for support under such paragraph;

(10) provide support to individuals or academic institutions for full-time or part-time visiting professorships for women in science and engineering;

(11) support demonstration project activities of individuals, public agencies, and private entities designed to encourage the employment and advancement of women in science and engineering; and

(12) encourage its entrepreneurial programs to recruit and support women to extend their focus beyond the laboratory and into the commercial world.

''SEC. 2. FINDINGS.
 Advancement of Women and Minorities in Science, Engineering, and Technology Development

''SECTION 1. SHORT TITLE.
 This Act may be cited as the 'Commission on the Advancement of Women and Minorities in Science, Engineering, and Technology Development Act.'

''SEC. 2. FINDINGS.
 "The Congress finds the following:
 (1) According to the National Science Foundation's 1996 report, Women, Minorities, and Persons with Disabilities in Science and Engineering—
 (A) women have historically been underrepresented in scientific and engineering occupations, and although progress has been made over the last several decades, there is still room for improvement;
 (B) female and minority students take fewer high-level mathematics and science courses in high school;
 (C) female students earn fewer bachelors, masters, and doctoral degrees in science and engineering;
 (D) among recent bachelor's degrees in science and bachelor's of engineering graduates, women are less likely to be in the labor force, to be employed full-time, and to be employed in their field than are men;
 (E) among doctoral scientists and engineers, women are far more likely to be employed at 2-year institutions, are far less likely to be employed in research universities, and are much more likely to teach part-time;
 (F) among university full-time faculty, women are less likely to chair departments or hold high-ranked positions;
 (G) a substantial salary gap exists between men and women with doctorates in science and engineering;
 (H) Blacks, Hispanics, and Native Americans continue to be seriously underrepresented in graduate science and engineering programs; and
 (I) Blacks, Hispanics, and Native Americans as a group are 23 percent of the population of the United States, but only 6 percent are scientists or engineers.

(2) According to the National Research Council's 1995 report, Women Scientists and Engineers Employed in Industry: Why So Few?
 "(A) limited access is the first hurdle faced by women seeking industrial jobs in science and engineering, and while progress has been made in recent years, common recruitment and hiring practices that make extensive use of traditional networks often overlook the available pool of women;
 (B) once on the job, many women find paternalism, sexual harassment, allegations of reverse discrimination, different standards for judging the work of men and women, lower salary relative to their male peers, inequitable job assignments, and other aspects of a male-oriented culture that are hostile to women; and
 (C) women to a greater extent than men find limited opportunities for advancement, particularly for moving into management positions, and the number of women who have achieved the top levels in corporations is much lower than would be expected, based on the pipeline model.

(3) The establishment of a commission to examine issues raised by the findings of these two reports would help—
 (A) to focus attention on the importance of eliminating artificial barriers to the recruitment, retention, and advancement of women and minorities in the fields of science, engineering, and technology, and in all employment sectors of the United States;
 (B) to promote work force diversity;
 (C) to sensitize employers to the need to recruit and retain women and minority scientists, engineers, and computer specialists; and
 (D) to encourage the replication of successful recruitment and retention programs by universities, corporations, and Federal agencies having difficulties in employing women or minorities in the fields of science, engineering, and technology.

"SEC. 3. ESTABLISHMENT.
 "There is established a commission to be known as the 'Commission on the Advancement of Women and Minorities in Science, Engineering, and Technology Development' (in this Act referred to as the 'Commission').

"SEC. 4. DUTY OF THE COMMISSION.
 "The Commission shall review available research, and, if determined necessary by the Commission, conduct additional research to—
 (1) identify the number of women, minorities, and individuals with disabilities in the United States in specific types of occupations in science, engineering, and technology development;
 (2) examine the preparedness of women, minorities, and individuals with disabilities to—
 (A) pursue careers in science, engineering, and technology development; and
 (B) advance to positions of greater responsibility within academia, industry, and government;
 (3) describe the practices and policies of employers and labor unions relating to the recruitment, retention, and advancement of women, minorities, and individuals with disabilities in the fields of science, engineering, and technology development;
 (4) identify the opportunities for, and artificial barriers to, the recruitment, retention, and advancement of women, minorities, and individuals with disabilities in the fields of science, engineering, and technology development in academia, industry, and government;
 (5) compile a synthesis of available research on lawful practices, policies, and programs that have successfully led to the recruitment, retention, and advancement of women, minorities, and individuals with disabilities in science, engineering, and technology development;
 (6) issue recommendations with respect to lawful policies that government (including Congress and appropriate Federal agencies), academia, and private industry can follow regarding the recruitment, retention, and advancement of women, minorities, and individuals with disabilities in science, engineering, and technology development;
 (7) identify the disincentives for women, minorities, and individuals with disabilities to continue graduate education in the fields of engineering, physics, and computer science;
 (8) identify university undergraduate programs that are successful in retaining women, minorities, and individuals with disabilities in the fields of science, engineering, and technology development;
 (9) identify the disincentives that lead to a disproportionate number of women, minorities, and individuals with disabilities leaving the fields of science, engineering, and technology development before completing their undergraduate education;
 (10) assess the extent to which the recommendations of the Task Force on Women, Minorities, and the Handicapped in Science and Technology established under section 8 of the National Science Foundation Authorization Act for Fiscal Year 1994 (Public Law 99–383; 42 U.S.C. 1885a note) have been implemented;
“(11) compile a list of all federally funded reports on the subjects of encouraging women, minorities, and individuals with disabilities to enter the fields of science and engineering and retaining women, minorities, and individuals with disabilities in the science and engineering workforce that have been issued since the date that the Taek Force described in paragraph (10) submitted its report to Congress;

“(12) assess the extent to which the recommendations contained in the reports described in paragraph (11) have been implemented; and

“(13) evaluate the benefits of family-friendly policies in order to assist recruiting, retaining, and advancing women in the fields of science, engineering, and technology such as the benefits or disadvantages of the Family and Medical Leave Act of 1993 (29 U.S.C. 2001 et seq. [see Short Title note set out under 29 U.S.C. 2001 of Title 29, Labor, and Tables]).

“SEC. 5. MEMBERSHIP.

“(a) NUMBER AND APPOINTMENT.—The Commission shall be composed of 11 members as follows:

“(1) One member appointed by the President from among for-profit entities that hire individuals in the fields of engineering, science, or technology development.

“(2) Two members appointed by the Speaker of the House of Representatives from among such entities.

“(3) One member appointed by the minority leader of the House of Representatives from among such entities.

“(4) Two members appointed by the majority leader of the Senate from among such entities.

“(5) One member appointed by the minority leader of the Senate from among such entities.

“(6) Two members appointed by the Chairman of the National Governors Association from among individuals in education or academia in the fields of life science, physical science, or engineering.

“(7) Two members appointed by the Vice Chairman of the National Governors Association from among such individuals.

“(b) INITIAL APPOINTMENTS.—Initial appointments shall be made under subsection (a) not later than 90 days after the date of the enactment of this Act (Oct. 14, 1998).

“(c) TERMS.—

“(1) IN GENERAL.—Each member shall be appointed for the life of the Commission.

“(2) VACANCIES.—A vacancy in the Commission shall be filled in the manner in which the original appointment was made.

“(d) PAY OF MEMBERS.—Members shall not be paid by reason of their service on the Commission.

“(e) TRAVEL, EXPENSES.—Each member shall receive travel expenses, including per diem in lieu of subsistence, in accordance with sections 5702 and 5703 of title 5, United States Code.

“(f) QUORUM.—A majority of the members of the Commission shall constitute a quorum for the transaction of business.

“(g) CHAIRPERSON.—The Chairperson of the Commission shall be elected by the members.

“(h) MEETINGS.—The Commission shall meet not fewer than 5 times in connection with and pending the completion of the report described in section 8. The Commission shall hold additional meetings for such purpose if the Chairperson or a majority of the members of the Commission requests the additional meetings in writing.

“(i) EMPLOYMENT STATUS.—Members of the Commission shall not be deemed to be employees of the Federal Government by reason of their work on the Commission except for the purposes of—

“(1) the tort claims provisions of chapter 171 of title 28, United States Code; and

“(2) subsection I of chapter 81 of title 5, United States Code, relating to compensation for work injuries.

“SEC. 6. DIRECTOR AND STAFF OF COMMISSION; EXPERTS AND CONSULTANTS.

“(a) DIRECTOR.—The Commission shall appoint a Director who shall be paid at a rate not to exceed the maximum annual rate of basic pay payable under section 5376 of title 5, United States Code.

“(b) STAFF.—The Commission may appoint and fix the pay of additional personnel as the Commission considers appropriate.

“(c) APPLICABILITY OF CERTAIN CIVIL SERVICE LAWS.—

“The Director and staff of the Commission may be appointed without regard to the provisions of title 5, United States Code, governing appointments in the competitive service, and may be paid without regard to the provisions of chapter 51 and subchapter III of chapter 53 of that title relating to classification and General Schedule pay rates, except that an individual so appointed may not receive pay in excess of the maximum annual rate of basic pay payable under section 5376 of title 5, United States Code.

“(d) EXPERTS AND CONSULTANTS.—The Commission may procure temporary and intermittent services under section 3109(b) of title 5, United States Code, at rates for individuals not to exceed the maximum annual rate of basic pay payable under section 5376 of title 5, United States Code.

“(e) STAFF OF FEDERAL AGENCIES.—Upon request of the Commission, the Director of the National Science Foundation or the head of any other Federal department or agency may detail, on a reimbursable basis, any of the personnel of that department or agency to the Commission to assist it in carrying out its duties under this Act.

“SEC. 7. POWERS OF COMMISSION.

“(a) HEARINGS AND SESSIONS.—The Commission may, for the purpose of carrying out this Act, hold hearings, sit and act at times and places, take testimony, and receive evidence as the Commission considers appropriate. The Commission may administer oaths or affirmations to witnesses appearing before it.

“(b) POWERS OF MEMBERS AND AGENTS.—Any member or agent of the Commission may, if authorized by the Commission, take any action which the Commission is authorized to take by this section.

“(c) OBTAINING OFFICIAL DATA.—The Commission may secure directly from any department or agency of the United States information necessary to enable it to carry out this Act. Upon request of the Chairperson of the Commission, the head of that department or agency shall furnish that information to the Commission.

“(d) MAILS.—The Commission may use the United States mails in the same manner and under the same conditions as other departments and agencies of the United States.

“(e) ADMINISTRATIVE SUPPORT SERVICES.—Upon the request of the Commission, the Administrator of General Services shall provide to the Commission, on a reimbursable basis, the administrative support services necessary for the Commission to carry out its responsibilities under this Act.

“(f) CONTRACT AUTHORITY.—To the extent provided in advance in appropriations Acts, the Commission may contract with and compensate Government and private agencies or persons for the purpose of conducting research or surveys necessary to enable the Commission to carry out its duties under this Act.

“SEC. 8. REPORT.

“Not later than 1 year after the date on which the initial appointments under section 5(a) are completed, the Commission shall submit to the President, the Congress, and the highest executive official of each State, a written report containing the findings, conclusions, and recommendations of the Commission resulting from the study conducted under section 4.

“SEC. 9. CONSTRUCTION; USE OF INFORMATION OBTAINED.

“(a) IN GENERAL.—Nothing in this Act shall be construed to require any non-Federal entity (such as a business, college or university, foundation, or research organization) to provide information to the Commission concerning such entity’s personnel policies, including salaries and benefits, promotion criteria, and affirmative action plans.
§ 1885b. Participation in science and engineering of minorities and persons with disabilities

(a) The Foundation is authorized (1) to undertake or support a comprehensive science and engineering education program to increase the participation of minorities in science and engineering, and (2) to support activities to initiate research at minority institutions.
The Committee may organize such standing or ad hoc subcommittees as the Committee finds appropriate.

(e) Biennial report

Every 2 years, the Committee shall prepare and submit to the Director a report on its activities during the previous 2 years and proposed activities for the next 2 years. The Director shall submit to Congress the report, unaltered, together with such comments as the Director considers appropriate, including—

(1) review data on the participation in Foundation activities of institutions serving populations that are underrepresented in STEM disciplines, including poor, rural, and tribal populations; and

(2) recommendations regarding how the Foundation could improve outreach and inclusion of these populations in Foundation activities.

§ 1885c. Committee on Equal Opportunities in Science and Engineering

(a) Establishment; purposes

There is established within the Foundation a Committee on Equal Opportunities in Science and Engineering (hereinafter referred to as the "Committee"). The Committee shall provide advice to the Foundation concerning (1) the implementation of the provisions of sections 1885 to 1885d of this title and (2) other policies and activities of the Foundation to encourage full participation of minorities in science and engineering.

(b) Membership; Chairperson; term of members

Each member of the Committee shall be appointed by the Director. In addition, the Chairman of the National Science Board may designate a member of the Board as a member of the Committee. Members of the Committee shall be appointed to serve for a three-year term, and may be reappointed to serve one additional term of three years.

(c) Responsibilities of Committee

The Committee shall be responsible for reviewing and evaluating all Foundation matters relating to opportunities for the participation in, and the advancement of, women, minorities, and persons with disabilities in education, training, and science and engineering research programs.

(d) Standing or ad hoc subcommittees

The Committee may organize such standing or ad hoc subcommittees as the Committee finds appropriate.

(e) Biennial report

Every 2 years, the Committee shall prepare and submit to the Director a report on its activities during the previous 2 years and proposed activities for the next 2 years. The Director shall submit to Congress the report, unaltered, together with such comments as the Director considers appropriate, including—

(1) review data on the participation in Foundation activities of institutions serving populations that are underrepresented in STEM disciplines, including poor, rural, and tribal populations; and

(2) recommendations regarding how the Foundation could improve outreach and inclusion of these populations in Foundation activities.

§ 1885c. Committee on Equal Opportunities in Science and Engineering

(a) Establishment; purposes

There is established within the Foundation a Committee on Equal Opportunities in Science and Engineering (hereinafter referred to as the "Committee"). The Committee shall provide advice to the Foundation concerning (1) the implementation of the provisions of sections 1885 to 1885d of this title and (2) other policies and activities of the Foundation to encourage full participation of minorities in science and engineering.

(b) Membership; Chairperson; term of members

Each member of the Committee shall be appointed by the Director. In addition, the Chairman of the National Science Board may designate a member of the Board as a member of the Committee. Members of the Committee shall be appointed to serve for a three-year term, and may be reappointed to serve one additional term of three years.

(c) Responsibilities of Committee

The Committee shall be responsible for reviewing and evaluating all Foundation matters relating to opportunities for the participation in, and the advancement of, women, minorities, and persons with disabilities in education, training, and science and engineering research programs.

(d) Standing or ad hoc subcommittees

The Committee may organize such standing or ad hoc subcommittees as the Committee finds appropriate.

(e) Biennial report

Every 2 years, the Committee shall prepare and submit to the Director a report on its activities during the previous 2 years and proposed activities for the next 2 years. The Director shall submit to Congress the report, unaltered, together with such comments as the Director considers appropriate, including—

(1) review data on the participation in Foundation activities of institutions serving populations that are underrepresented in STEM disciplines, including poor, rural, and tribal populations; and

(2) recommendations regarding how the Foundation could improve outreach and inclusion of these populations in Foundation activities.

§ 1885c. Committee on Equal Opportunities in Science and Engineering

(a) Establishment; purposes

There is established within the Foundation a Committee on Equal Opportunities in Science and Engineering (hereinafter referred to as the "Committee"). The Committee shall provide advice to the Foundation concerning (1) the implementation of the provisions of sections 1885 to 1885d of this title and (2) other policies and activities of the Foundation to encourage full participation of minorities in science and engineering.

(b) Membership; Chairperson; term of members

Each member of the Committee shall be appointed by the Director. In addition, the Chairman of the National Science Board may designate a member of the Board as a member of the Committee. Members of the Committee shall be appointed to serve for a three-year term, and may be reappointed to serve one additional term of three years.

(c) Responsibilities of Committee

The Committee shall be responsible for reviewing and evaluating all Foundation matters relating to opportunities for the participation in, and the advancement of, women, minorities, and persons with disabilities in education, training, and science and engineering research programs.
Women in Science and Engineering. The Subcommittee on Women in Science and Engineering shall have responsibility for all Committee matters relating to (1) the participation of women and minorities studying scientific and engineering fields, including mathematics and computer skills, at all educational levels; and (2) the impact of science and engineering on minorities. The Subcommittee shall be composed of all minority members of the Committee and such other members of the Committee as the Committee may designate.

Subsec. (d). Pub. L. 105–207, §202(d)(2)(F), struck out "additional" after "organize such".
Pub. L. 105–207, §202(d)(2)(C), (E), redesignated subsec. (e) as (d) and struck out former subsec. (d) which read as follows: "There shall be a subcommittee of the Committee which shall be known as the Subcommittee on Minorities in Science and Engineering. The Subcommittee on Minorities in Science and Engineering shall have responsibility for all Committee matters relating to (1) the participation in and opportunities for education, training, and research for minorities in science and engineering and (2) the impact of science and engineering on minorities. The Subcommittee shall be composed of all minority members of the Committee and such other members of the Committee as the Committee may designate."

1988—Subsec. (f). Pub. L. 100–570 amended subsec. (f) generally. Prior to amendment, subsec. (f) read as follows: "Each year the Committee shall prepare and transmit to the Director a report concerning its activities during the previous year and its proposed activities for the next year. The Director shall transmit to Congress the report, unaltered, along with comments."

Subsec. (a). Pub. L. 99–159 substituted "Engineering" for "Technology" and "scientific, engineering, and professional" for "scientific engineering, professional, and technical".

**Termination of Advisory Committees**

Advisory committees established after Jan. 5, 1973 to terminate not later than the expiration of the 2-year period beginning on the date of their establishment, unless, in the case of a committee established by the President or an officer of the Federal Government, such committee is renewed by appropriate action prior to the expiration of such 2-year period, or in the case of a committee established by the Congress, its duration is otherwise provided by law. See section 14 of Pub. L. 92–463, Oct. 6, 1972, 86 Stat. 776, set out in the Appendix to Title 5, Government Organization and Employees.

**Report by Committee on Equal Opportunities in Science and Engineering**

Pub. L. 107–368, §20, Dec. 19, 2002, 116 Stat. 3063, provided that: "As part of the first report required by section 36(a) of the Science and Engineering Equal Opportunities Act (42 U.S.C. 1885c(e)) transmitted to Congress after the date of enactment of this Act (Dec. 19, 2002), the Committee on Equal Opportunities in Science and Engineering shall include:"

"(1) a summary of its findings over the previous 10 years:"
"(2) a description of past and present policies and activities of the Foundation to encourage full participation of women, minorities, and persons with disabilities in science, mathematics, and engineering fields, including activities in support of minority-serving institutions; and"
"(3) an assessment of the trends in participation in Foundation activities, and an assessment of the success of Foundation policies and activities, along with proposals for new strategies or the broadening of existing successful strategies toward facilitating the goals of that Act [42 U.S.C. 1885 et seq.]."

For definitions of terms used in section 20 of Pub. L. 107–368, set out above, see section 4 of Pub. L. 107–368, set out as a note under section 1862n of this title.

**1885d. Biennial reports**

(a) By January 30 of each odd-numbered year, the Director shall simultaneously transmit a report to the Congress, the Attorney General, the Director of the Office of Science and Technology Policy, the Chairman of the Equal Employment Opportunity Commission, the Director of the Office of Personnel Management, the Secretary of Labor, the Secretary of Education, and the Secretary of Health and Human Services.

(b) The report required by subsection (a) shall contain—

(1) an accounting and comparison, by sex, race, and ethnic group and by discipline, of the participation of women and men in scientific and engineering positions, including—

(A) the number of individuals in permanent and temporary and in full-time and part-time scientific and engineering positions by appropriate level or similar category;

(B) the average salary of individuals in such scientific and engineering positions;

(C) the number and type of promotional opportunities realized by individuals in such scientific and engineering positions;

(D) the number of individuals serving as principal investigators in federally conducted or federally supported research and development; and

(E) the unemployment rate of individuals seeking scientific and engineering positions;

(2) an assessment, including quantitative and other data, of the proportion of women and minorities studying scientific and engineering fields, including mathematics and computer skills, at all educational levels; and

(3) such other data, analyses, and evaluations as the Director, acting on the advice of the Committee on Equal Opportunities in Science and Engineering, determines appropriate to carry out the Foundation’s functions as well as the policies and programs of sections 1885 to 1885d of this title.

**References in Text**

Sections 1885 to 1885d of this title, referred to in subsection (b)(3), was in the original "this Act", meaning sections 31 et seq. of Pub. L. 96–516, as amended, known as the Science and Engineering Equal Opportunities Act, which enacted sections 1885 to 1885d of this title and provisions set out as notes under sections 1861 and 1885 of this title. For complete classification of this Act to the Code, see Short Title of 1980 Amendment note set out under section 1863 of this title and Tables.

**Codification**

AMENDMENTS

§ 1886. Data collection and analysis

The National Science Foundation is authorized to design, establish, and maintain a data collection and analysis capability in the Foundation for the purpose of identifying and assessing the research facilities needs of universities. The needs of universities, by major field of science and engineering, for construction and modernization of research laboratories, including fixed equipment and major research equipment, shall be documented. University expenditures for the construction and modernization of research facilities, the sources of funds, and other appropriate data shall be collected and analyzed. The Foundation, in conjunction with other appropriate Federal agencies, shall conduct the necessary surveys every 2 years and report the results to the Congress. The first report shall be submitted to the Congress by September 1, 1986.

CODIFICATION

Section was enacted as part of the National Science Foundation Authorization Act for Fiscal Year 1986, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

§ 1886a. Data on specific fields of study

The National Science Foundation shall continue to collect statistically reliable data on the field of degree of college-educated individuals to fulfill obligations under section 1863(j)(1) of this title and the Science and Engineering Equal Opportunities Act [42 U.S.C. 1885 et seq.]. If the Director of the Foundation determines that there is a legal impediment to the continued collection of this data, he shall inform the Committee on Science of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate not later than 180 days after December 30, 2005.

§ 1887. Indemnification of grantees, contractors, and subcontractors under ocean drilling program; approvals and certifications by Director

The Foundation is on and after November 25, 1985, authorized to indemnify grantees, contractors, and subcontractors associated with the ocean drilling program under the provisions of section 2354 of Title 10, with all approvals and certifications required thereby made by the Director of the National Science Foundation.

CODIFICATION

Section was enacted as part of the appropriation act cited as the credit to this section, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

PRIOR PROVISIONS

Provisions similar to this section were contained in the following prior appropriation act: Pub. L. 98–371, title II, § 201, July 18, 1984, 98 Stat. 1228.

CHAPTER 16A—GRANTS FOR SUPPORT OF SCIENTIFIC RESEARCH

Section 1891, Pub. L. 85–934, § 1, Sept. 6, 1958, 72 Stat. 1793, authorized the head of each executive agency to make grants for support of scientific research with institutions of higher education, etc. See section 6301 et seq. of Title 31, Money and Finance.

Section 1892, Pub. L. 85–934, § 2, Sept. 6, 1958, 72 Stat. 1793, authorized the head of each executive agency to vest title to equipment, where feasible, in institutions of higher education, etc., involved in basic or applied scientific research pursuant to grants.

EFFECTIVE DATE OF REPEAL

Section 10(a) of Pub. L. 95–224 provided that sections 1891 and 1892 are repealed effective one year after the date of enactment of Pub. L. 95–224, which was approved Feb. 3, 1978.

REPEALS

Pub. L. 95–224, § 10(a), Feb. 3, 1978, 92 Stat. 6, which repealed these sections and provided for the effective date of that repeal was itself repealed by Pub. L. 97–258, § 5(b), Sept. 13, 1982, 96 Stat. 1063, 1083.

Section, Pub. L. 85–934, § 3, Sept. 6, 1958, 72 Stat. 1793; Pub. L. 94–273, § 2(34), Apr. 21, 1976, 90 Stat. 376, required a report to the appropriate committees of Congress by agencies or departments making grants for basic scientific research under this chapter.
§ 1900. Interior Department programs

(a) Authorization for research contracts

The Secretary of the Interior is authorized to enter into contracts with educational institutions, public or private agencies or organizations, or persons for the conduct of scientific or technological research into any aspect of the problems related to the programs of the Department of the Interior which are authorized by statute.

(b) Capabilities of prospective contractors; advice and assistance, coordination of research, lines of inquiry, and cooperation

The Secretary shall require a showing that the institutions, agencies, organizations, or persons with which he expects to enter into contracts pursuant to this section have the capability of doing effective work. He shall furnish such advice and assistance as he believes will best carry out the mission of the Department of the Interior, participate in coordinating all research initiated under this section, indicate the lines of inquiry which seem to him most important, and encourage and assist in the establishment and maintenance of cooperation by and between the institutions, agencies, organizations, or persons and between them and other research organizations, the United States Department of the Interior, and other Federal agencies.

(c) Research reports or publications

The Secretary may from time to time disseminate in the form of reports or publications to public or private agencies or organizations, or individuals such information as he deems desirable on the research carried out pursuant to this section.

§ 1900a. Rules and regulations

The Secretary shall prescribe such rules and regulations as he deems necessary to carry out the provisions of this chapter.

§ 1900b. Amendment, modification, or repeal of authorizations for execution of contracts for research

Nothing contained in this chapter is intended to amend, modify, or repeal any provisions of law administered by the Secretary of the Interior which authorize the making of contracts for research.

United States Employment Service, was transferred to section 49c–1 of Title 29.

Section 1913, acts July 26, 1946, ch. 672, title I, § 101, 60 Stat. 684; June 16, 1948, ch. 472, title I, § 101, 62 Stat. 446, which related to Federal employees employed in State and local employment service and their conditions of service, was transferred to section 49c–2 of Title 29 and subsequently omitted from the Code.

Section 1914, act July 26, 1946, ch. 672, title I, § 101, 60 Stat. 685, which related to refund of contributions to Federal Retirement System, was transferred to section 49c–3 of Title 29 and was repealed.

Section 1915, acts July 26, 1946, ch. 672, title I, § 101, 60 Stat. 685; July 8, 1947, ch. 210, title I, § 101, 61 Stat. 263; June 16, 1948, ch. 472, title I, § 101, 62 Stat. 446, which related to establishment and maintenance of personnel standards on merit basis, was transferred to section 49c–4 of Title 29 and subsequently omitted from the Code.

The Department of Justice shall also honor by a certificate of commendation presented to the recipient or recipients stating (a) the circumstances under which the act of bravery was performed, and (b) the city or county wherein it occurred, for and on behalf, and in the name of the President of the United States and the Congress of the United States of America.

(Aug. 3, 1950, ch. 520, § 4, 64 Stat. 398.)

§ 1924. Certificate of commendation accompanying awards; limitation on number of yearly awards

Accompanying such medals designated in this chapter there shall be an appropriate certificate of commendation presented to the recipient or recipients stating (a) the circumstances under which the act of bravery was performed, and (b) citing the outstanding recognition for character and service; Provided, That there shall not be awarded in any one calendar year in excess of four such medals, to wit, two for bravery and two for character and service, as herein authorized.

(Aug. 3, 1950, ch. 520, § 4, 64 Stat. 398.)

§ 1925. Omitted

CODEIFICATION

Section, Aug. 3, 1950, ch. 520, § 5, 64 Stat. 398, which required the Department of Justice to submit an annual report furnishing a list of the names of all those upon whom the President has conferred either the Young American Medal for Bravery or the Young American Medal for Service, terminated, effective May 15, 2000, pursuant to section 3003 of Pub. L. 104–66, as amended, set out as a note under section 1113 of Title 31, Money and Finance. See, also, item 6 on page 117 of House Document No. 103–7.

§ 1926. Authorization of appropriations

It shall also be the duty of the Department of Justice to list in its annual budget request the sum of money necessary to carry out the provisions of this chapter, which sum is authorized in a sum not to exceed $5,000 per annum.

(Aug. 3, 1950, ch. 520, § 6, 64 Stat. 398.)
§§ 1958a to 1958g

SUBCHAPTER III—SALINE WATER CONVERSION PROGRAM

Section 1959b, Pub. L. 92–60, § 4, July 29, 1971, 85 Stat. 160, set out additional duties of Secretary of the Interior in area of conversion of saline water, such as conducting preliminary investigations, exploring potential cooperative agreements, reporting to the President and Congress, utilizing Federal agencies’ expertise and accepting financial assistance from State and other public agencies. See section 7833 of this title.

Section 1959d, Pub. L. 92–60, § 6, July 29, 1971, 85 Stat. 161, provided for coordination of saline water conversion activities with Department of Defense, cooperation of Secretary of the Interior’s activities with the Environmental Protection Agency and other Federal agencies, availability of research information and developments, continued validity of patent rights, publication of rules in the Federal Register, disposal of water and byproducts, dispositions of moneys and non-alteration of existing water ownership and control laws. See sections 7877(a) and 7879 of this title.

Section 1959g, Pub. L. 92–60, § 9, July 29, 1971, 85 Stat. 162, defined terms used in this chapter. See section 7835 of this title.

Annual Authorization of Appropriations

Annual authorization for appropriations for the saline water conversion programs for fiscal years authorized by former section 1959h(b) of this title were contained in the following appropriations acts:

SHORT TITLE

ANNUAL AUTHORIZATION OF APPROPRIATIONS

Annual authorization for appropriations for the saline water conversion programs for fiscal years authorized by former section 1959h(b) of this title were contained in the following appropriations acts:

INVENTIONS—DEFINITION, TITLE, AND LICENSING
Pub. L. 94–316, § 3, June 22, 1976, 90 Stat. 694, which provided that relative to the definition of, title to, and licensing of inventions made or conceived in the course of or under any contract or grant pursuant to the Water Resources Research Act of 1964 (42 U.S.C. 1721 et seq.) or the Saline Water Conversion Act of 1971 (42 U.S.C. 1959 et seq.), and that notwithstanding any other
provision of law, the Secretary was to be governed by the provisions of sections 9 and 10 of the Federal Nonuclear Energy, Research, and Development Act of 1974 (42 U.S.C. 5900, 5906), provided, however, that subsecs. (l) and (m) of section 5908 of this title were not to apply to this act, was omitted in view of the repeal of the Water Resources Research Act of 1964 and the Saline Water Conversion Act of 1971 by Pub. L. 95–467, title IV, §410(a), Oct. 17, 1978, 92 Stat. 1316.

§1958i. Transferred

Codification

Section, Pub. L. 95–84, §2, Aug. 2, 1977, 91 Stat. 400, which related to desalting plants, was transferred to section 7836 of this title.

CHAPTER 19A—WATER RESOURCES RESEARCH PROGRAM

GENERAL PROVISIONS

Section, Pub. L. 88–379, §1(b), July 17, 1964, 78 Stat. 329, set out Congressional purpose in enacting water resources research program legislation. See section 7802 of this title.

SHORT TITLE

SUBCHAPTER I—STATE WATER RESOURCES RESEARCH INSTITUTE

Section 1961a–1, Pub. L. 88–379, title I, §101, July 17, 1964, 78 Stat. 330, authorized appropriations for specific water resources research projects, including regional projects. See sections 7813(a) and 7814 of this title.

SUBCHAPTER II—ADDITIONAL WATER RESOURCES RESEARCH PROGRAMS

SUBCHAPTER III—MISCELLANEOUS PROVISIONS

Section 1961c, Pub. L. 88–379, title III, §300, July 17, 1964, 78 Stat. 332, related to cooperation of Federal, State and private agencies with Secretary of the Interior who was directed to make information on relevant projects available. See section 7877(a) of this title.

Section 1961c–1, Pub. L. 88–379, title III, §301, July 17, 1964, 78 Stat. 332, related to lack of authority of Secretary of the Interior over water resources research of other Federal agencies and lack of effect that this chapter had on existing authorities and responsibilities of Federal agencies. See section 7881 of this title.

Section 1961c–3, Pub. L. 88–379, title III, §303, July 17, 1964, 78 Stat. 332, made expenditures of funds for scientific or technological research or development activity conditioned upon availability to public of resulting information and developments, and provided that background data rights would be unaffected. See section 7819 of this title.

CHAPTER 19B—WATER RESOURCES PLANNING

Sec. 1962. Congressional statement of policy.

1962–4. Implementation of water resources principles and requirements.

SUBCHAPTER I—WATER RESOURCES COUNCIL

1962a. Establishment; composition; other Federal agency participation; designation of Chairman.

1962a–1. Powers and duties.

1962a–3. Review of river basin commission plans; report to President and Congress.
§ 1962 Congressional statement of policy

In order to meet the rapidly expanding demands for water throughout the Nation, it is hereby declared to be the policy of the Congress to encourage the conservation, development, and utilization of water and related land resources of the United States on a comprehensive and coordinated basis by the Federal Government, States, localities, and private enterprise with the cooperation of all affected Federal agencies, States, local governments, individuals, corporations, business enterprises, and others concerned.

(Pub. L. 89-80, § 2, July 22, 1965, 79 Stat. 244.)

SHORT TITLE OF 1974 AMENDMENT

Pub. L. 93-251, title I, § 189, Mar. 1, 1974, 88 Stat. 49, provided that: "This Act (enacting sections 1962d–5 and 1962d–15 to 1962d–17 of this title, section 460–13 of Title 16, Conservation, and sections 50c–2, 50k, 579, 701b–11, and 1252a of Title 33, Navigation and Navigable Waters, amending section 460 of Title 16, section 275a of Title 22, Foreign Relations and Intercourse, and sections 701g, 701n, 701r, 701–1(c), 701s, 701u(b), and 1164a(d) of Title 33, and enacting provisions set out as notes under sections 1962d–5 and 1962d–7 of this title and section 460–13 of Title 16) may be cited as the 'Water Resources Development Act of 1974.'"

SHORT TITLE

Pub. L. 89–80, § 1, July 22, 1965, 79 Stat. 244, provided that: "This Act [enacting this chapter] may be cited as the 'Water Resources Planning Act.'"

UNITED STATES-MEXICO TRANSBOUNDARY AQUIFER ASSESSMENT

"This Act may be cited as the 'United States-Mexico Transboundary Aquifer Assessment Act.'"

"SEC. 2. PURPOSE.

"The purpose of this Act is to direct the Secretary of the Interior to establish a United States-Mexico Transboundary Aquifer Assessment Council to carry out the purposes of this Act, enter into agreements with the Mexican government to establish the United States-Mexico Transboundary Aquifer Assessment Council, and facilitate the cooperation of the Federal agencies and the States in carrying out this Act."

"The Federal agencies and the States concerned shall cooperate in carrying out this Act in accordance with the execution of the agreements with the Mexican government and the Council's performance of its functions and responsibilities under this Act."

"The Council shall conduct a joint study and make a joint report on the United States-Mexico transboundary aquifer."

"The purpose of the study and report is to critically evaluate the water resources and water use in the United States-Mexico transboundary aquifer and to make recommendations to the Mexican government and the Federal agencies for protection and conservation of the aquifer."

"The study and report shall include a summary of the aquifer and its characteristics, including a description of the water resources, water quality, and potential for water development in the United States-Mexico transboundary aquifer.

"The study and report shall also include a description of the water resources and water use in the United States-Mexico transboundary aquifer, including a summary of the uses and activities of the parties concerned, and an assessment of the risks and benefits of alternative actions.

"The study and report shall be developed in consultation with the Mexican government and the Federal agencies, and the Council shall consult with the Mexican government and the Federal agencies in the development of the study and report.

"The study and report shall be prepared by the Council, and the Council shall submit the study and report to the Congress.

"The Council shall also prepare a draft report on the implementation of the study and report, including recommendations for the protection and conservation of the aquifer, and submit the draft report to the Mexican government and the Federal agencies for review.

"The Council shall also prepare a draft report on the implementation of the study and report, including recommendations for the protection and conservation of the aquifer, and submit the draft report to the Mexican government and the Federal agencies for review.

"The Council shall submit the final report to the Mexican government and the Federal agencies for review.

"The Council shall also submit the final report to the Congress for consideration.
transboundary aquifer assessment program to system-
atically assess priority transboundary aquifers.

‘‘SEC. 3. DEFINITIONS.

‘‘In this Act:

‘‘(1) AQUIFER.—The term ‘aquifer’ means a sub-
surface water-bearing geologic formation from which
significant quantities of water may be extracted.

‘‘(2) IBWC.—The term ‘IBWC’ means the Inter-
national Boundary and Water Commission, an agency
of the Department of State.

‘‘(3) INDIAN TRIBE.—The term ‘Indian tribe’ means an
Indian tribe, band, nation, or other organized
group or community—

(A) that is recognized as eligible for the special
programs and services provided by the United
States to Indians because of their status as Indians; and

(B) the reservation of which includes a
transboundary aquifer within the exterior bound-
aries of the reservation.

‘‘(4) PARTICIPATING STATE.—The term ‘Participating
State’ means each of the States of Arizona, New Mex-
ico, and Texas.

‘‘(5) PRIORITY TRANSBOUNDARY AQUIFER.—The term
‘priority transboundary aquifer’ means a trans-
boundary aquifer that has been designated for
study and analysis under the program.

‘‘(6) PROGRAM.—The term ‘program’ means the
United States-Mexico transboundary aquifer assess-
ment program established under section 4(a).

‘‘(7) RESERVATION.—The term ‘reservation’ means
land that has been set aside or that has been ac-
knowledged as having been set aside by the United
States for the use of an Indian tribe, the exterior
boundaries of which are more particularly defined in
a final tribal treaty, agreement, executive order, Fed-
eral statute, secretarial order, or judicial determina-
tion.

‘‘(8) SECRETARY.—The term ‘Secretary’ means the
Secretary of the Interior, acting through the Director
of the United States Geological Survey.

‘‘(9) TRANSBOUNDARY AQUIFER.—The term
‘transboundary aquifer’ means an aquifer that
underlies the boundary between a Participating State
and Mexico.

‘‘(10) TRI-REGIONAL PLANNING GROUP.—The term
‘Tri-Regional Planning Group’ means the binational
planning group comprised of—

(A) the Junta Municipal de Agua y Saneamiento
de Ciudad Juarez;

(B) the El Paso Water Utilities Public Service
Board; and

(C) the Lower Rio Grande Water Users Organi-
zation.

‘‘(11) WATER RESOURCES RESEARCH INSTITUTES.—The
term ‘water resources research institutes’ means the
institutes within the Participating States established
under section 104 of the Water Resources Research

‘‘SEC. 4. ESTABLISHMENT OF PROGRAM.

‘‘(a) IN GENERAL.—The Secretary, in consultation and
cooperation with the Participating States, the water
resources research institutes, Sandia National Labora-
tories, and other appropriate entities in the United
States and Mexico, and the IBWC, as appropriate, shall
carry out the United States-Mexico transboundary aq-
uifer assessment program to characterize, map, and
model priority transboundary aquifers along the United
States-Mexico border at a level of detail determined to
be appropriate for the particular aquifer.

(b) OBJECTIVES.—The objectives of the program are
to—

(1) develop and implement an integrated scientific
approach to identify and assess priority
transboundary aquifers, including—

(A) for purposes of subsection (c)(2), specifying
priority transboundary aquifers for further analysis
by assessing—

(i) the proximity of a proposed priority
transboundary aquifer to areas of high population
density;

(ii) the extent to which a proposed priority
transboundary aquifer would be used;

(iii) the susceptibility of a proposed priority
transboundary aquifer to contamination; and

(iv) any other relevant criteria;

(B) evaluating all available data and publica-
tions as part of the development of study plans for
each priority transboundary aquifer; and

(C) creating a new, or enhancing an existing, ge-
ographic information system database to charac-
terize the spatial and temporal aspects of each pri-
ority transboundary aquifer; and

(D) using field studies, including support for and
expansion of ongoing monitoring and metering ef-
forts, to develop—

(i) the additional data necessary to adequately
define aquifer characteristics; and

(ii) scientifically sound groundwater flow mod-
els to assist with State and local water manage-
ment and administration, including modeling of
relevant groundwater and surface water inter-
actions;

(2) consider the expansion or modification of exist-
ing agreements, as appropriate, between the United
States Geological Survey, the Participating States,
the water resources research institutes, and appro-
riate authorities in the United States and Mexico,
to—

(A) conduct joint scientific investigations;

(B) archive and share relevant data; and

(C) carry out any other activities consistent with
the program; and

(3) produce scientific products for each priority
transboundary aquifer that—

(A) are capable of being broadly distributed; and

(B) provide the scientific information needed by
water managers and natural resource agencies on
both sides of the United States-Mexico border to ef-
effectively accomplish the missions of the managers
and agencies.

(c) DESIGNATION OF PRIORITY TRANSBOUNDARY
AQUIFERS.—

(1) IN GENERAL.—For purposes of the program, the
Secretary shall designate as priority transboundary
aquifers—

(A) the Hueco Bolson and Mesilla aquifers under-
living parts of Texas, New Mexico, and Mexico;

(B) the Santa Cruz River Valley aquifers under-
lying Arizona and Sonora, Mexico; and

(C) the San Pedro aquifers underlying Arizona
and Sonora, Mexico.

(2) ADDITIONAL AQUIFERS.—The Secretary may,
using the criteria under subsection (b)(1)(A), evaluate
and designate additional priority transboundary
aquifers which underlie New Mexico or Texas.

(d) COOPERATION WITH MEXICO.—To ensure a
comprehensive assessment of priority transboundary
aquifers, the Secretary shall, to the maximum extent
practicable, work with appropriate Federal agencies
and other organizations to develop partnerships with,
and receive input from, relevant organizations in Mex-
ico to carry out the program.

(e) GRANTS AND COOPERATIVE AGREEMENTS.—The
Secretary may provide grants or enter into cooperative
agreements and other agreements with the water
resources research institutes and other Participating
State entities to carry out the program.

SEC. 5. IMPLEMENTATION OF PROGRAM.

(1) COORDINATION WITH STATES, TRIBES, AND OTHER
ENTITIES.—The Secretary shall coordinate the activi-
ties carried out under the program with—

(1) the appropriate water resource agencies in the
Participating States;

(2) any affected Indian tribes;

(3) any other appropriate entities that are con-
ducting monitoring and metering activity with re-
spect to a priority transboundary aquifer; and

(4) the IBWC, as appropriate.

(b) NEW ACTIVITY.—After the date of enactment of
this Act [Dec. 22, 2006], the Secretary shall not initiate
any new field studies or analyses under the program before consulting with, and coordinating the activity with, any Participating State water resource agencies that have jurisdiction over the aquifer.

“(c) STUDY PLANS; COST ESTIMATES.—

“(1) IN GENERAL.—The Secretary shall work closely with appropriate Participating State water resource agencies, water resources research institutes, and other relevant entities to develop a study plan, timeline, and cost estimate for each priority transboundary aquifer to be studied under the program.

“(2) REQUIREMENTS.—A study plan developed under paragraph (1) shall, to the maximum extent practicable—

“(A) integrate existing data collection and analyses conducted with respect to the priority transboundary aquifer;

“(B) if applicable, improve and strengthen existing groundwater flow models developed for the priority transboundary aquifer; and

“(C) be consistent with appropriate State guidelines and goals.

“SEC. 6. EFFECT.

“(a) IN GENERAL.—Nothing in this Act affects—

“(1) the jurisdiction or responsibility of a Participating State with respect to managing surface or groundwater resources in the Participating State;

“(2) the water rights of any person or entity using water from a transboundary aquifer; or

“(3) State water law, or an interstate compact or international treaty governing water.

“(b) TREATY.—Nothing in this Act shall delay or alter the implementation or operation of any works constructed, modified, acquired, or used within the territorial limits of the United States relating to the waters governed by the Treaty Between the United States and Mexico Regarding Utilization of Waters of the Colorado and Tijuana Rivers and of the Rio Grande, Treaty Series 994 (59 Stat. 1219).

“SEC. 7. REPORTS.

“Not later than 5 years after the date of enactment of this Act [Dec. 22, 2006], and on completion of the program in fiscal year 2016, the Secretary shall submit to the appropriate water resource agency in the Participating States, an interim and final report, respectively, that describes—

“(1) any activities carried out under the program;

“(2) any conclusions of the Secretary relating to the status of priority transboundary aquifers; and

“(3) the level of participation in the program of entities in Mexico.

“SEC. 8. AUTHORIZATION OF APPROPRIATIONS.

“(a) IN GENERAL.—There are authorized to be appropriated to carry out this Act $50,000,000 for the period of fiscal years 2007 through 2016.

“(b) DISTRIBUTION OF FUNDS.—Of the amounts made available under subsection (a), 50 percent shall be made available to the water resources research institutes to provide funding to appropriate entities in the Participating States (including Sandia National Laboratories, State agencies, universities, the Tri-Regional Planning Group, and other relevant organizations) and to implement cooperative agreements entered into with appropriate entities in Mexico to conduct specific authorized activities in furtherance of the program, including the binational collection and exchange of scientific data.

“(c) CRITERIA.—Funding provided to an appropriate entity in Mexico pursuant to subsection (b) shall be contingent on that entity providing 50 percent of the necessary resources (including in-kind services) to further assist in carrying out the authorized activity.

“SEC. 9. SUNSET OF AUTHORITY.

“The authority of the Secretary to carry out any provisions of this Act shall terminate 10 years after the date of enactment of this Act (Dec. 22, 2006).”

WATERSHED PROTECTION AND FLOOD PREVENTION PROJECTS EXEMPT FROM REQUIREMENTS FOR INDEPENDENT WATER PROJECT REVIEW

Provisions exempting watershed projects under the Watershed Protection and Flood Prevention Act, Aug. 4, 1954, ch. 565, 68 Stat. 666, which is classified generally to chapter 18 (§1001 et seq.) of Title 16, Conservation, from the requirements of Executive Orders 12113 and 12141, formerly set out below, were contained in the following appropriation acts:

EXECUTIVE ORDER NO. 12113

EX. ORD. NO. 12322. WATER RESOURCES PROGRAMS AND PROJECTS REVIEW

By the authority vested in me as President by the Constitution and laws of the United States of America, and in order to ensure efficient and coordinated planning and review of water resources programs and projects, it is hereby ordered as follows:

SECTION 1. Before any agency or officer thereof submits to the Congress, or to any committee or member thereof, for approval, appropriations, or legislative action any report, proposal, or plan relating to a Federal or Federally assisted water and related land resources project or program, such report, proposal, or plan shall be submitted to the Director of the Office of Management and Budget.

SECTION 2. The Director of the Office of Management and Budget shall examine each report, proposal, or plan for consistency with, and shall advise the agency of the relationship of the project to, the following:

(a) the policy and programs of the President;

(b) the Economic and Environmental Principles and Guidelines for Water and Related Land Resources Implementation Studies or other such planning guidelines for water and related land resources planning, as shall hereafter be issued; and

(c) other applicable laws, regulations, and requirements relevant to the planning process.

SECTION 3. When such report, proposal, or plan is thereupon submitted to the Congress, or to any committee or member thereof, it shall include a statement of the advice received from the Office of Management and Budget.

SECTION 4. Executive Order No. 12113, as amended [formerly set out above], is revoked.

RONALD REAGAN.
Americans, fueling our economy, providing food for our citizens and the world, generating energy, protecting public health, supporting rich and diverse wildlife and plant species, and affording recreational opportunities. While America is blessed with abundant natural resources, those resources must be effectively managed, and our water infrastructure must be modernized to meet the needs of current and future generations.

Executive departments and agencies (agencies) that engage in water-related matters, including water storage and supply, water quality and restoration activities, water infrastructure, transportation on our rivers and inland waterways, and water forecasting, must work together where they have joint or overlapping responsibilities. This order will ensure that agencies do that more efficiently and effectively to improve our country’s water resource management, modernize our water infrastructure, and prioritize the availability of clean, safe, and reliable water supplies.

SEC. 3. Interagency Water Subcabinet. To promote efficient and effective coordination across agencies engaged in water-related matters, and to prioritize actions to modernize and safeguard our water resources and infrastructure, an interagency Water Policy Committee (to be known as the Water Subcabinet) is hereby established. The Water Subcabinet shall be co-chaired by the Secretary of the Interior and the Administrator of the Environmental Protection Agency (Co-Chairs), and shall include the Secretary of Agriculture, the Secretary of Commerce, the Secretary of Energy, the Secretary of Housing and Urban Development, the Secretary of the Interior, the Secretary of Transportation, the Administrator of the Environmental Protection Agency, and the Administrator of the National Oceanic and Atmospheric Administration.

(a) Reduce unnecessary duplication across the Federal Government by coordinating and consolidating existing water-related task forces, working groups, and other formal cross-agency initiatives, as appropriate;
(b) Efficiently and effectively manage America’s water resources and promote resilience of America’s water-related infrastructure;
(c) Ensure that more efficient, less expensive, and more effective water and wastewater infrastructure projects have priority among the Secretary of the Interior, the Secretary of Agriculture, the Secretary of Commerce, the Secretary of Energy, the Secretary of Housing and Urban Development, the Secretary of Transportation, the Administrator of the Environmental Protection Agency, and the Administrator of the National Oceanic and Atmospheric Administration.
(d) Actions to improve water storage, water supply reliability, and drought resiliency, including through:
(i) developing additional storage capacity, including an examination of operational changes and opportunities to update dam water control manuals for existing facilities during routine operations, maintenance, and safety assessments;
(ii) coordinating agency reviews when there are multi-agency permitting and other regulatory requirements;
(iii) increasing engagement with State, local, and tribal partners regarding the ongoing drought along the Colorado River and regarding irrigated agriculture in the Colorado Basin;
(iv) implementing the “Priority Actions Supporting Long-Term Drought Resilience” document issued on July 31, 2019, by the National Drought Resilience Partnership; and
(v) improving coordination among State, local, tribal, and territorial governments and rural communities, including farmers, ranchers, and landowners, to develop voluntary, market-based water and land management practices and programs that improve conservation efforts, economic viability, and water supply, sustainability, and security;
(e) Actions to improve water quality, source water protection, and management; to prioritize restoration activities; and to examine water quality challenges facing our Nation’s minority and low-income communities, including through:
(i) implementing the “Great Lakes Restoration Initiative (GLRI) Action Plan III” issued on October 22, 2019, by the EPA for the GLRI Interagency Task Force and Regional Working Group, established pursuant to the Water Resources Development Act of 1996 (Public Law 104-335), and implementing and completing the activities included in the Great Lakes Restoration Plan, established pursuant to the Water Resources Development Act of 2000 (Public Law 106-541); and
(ii) enhancing coordination among the Mississippi River/Gulf of Mexico Watershed Nutrient Task Force partners to support State implementation of nutrient reduction strategies;
(f) Actions to improve water systems, including for drinking water, desalination, water reuse, wastewater, and flood control, including through:
(i) finalizing and implementing, as appropriate and consistent with applicable law, the proposed rule entitled “National Primary Drinking Water Regulations: Proposed Lead and Copper Rule Revisions,” 84 Fed. Reg. 61684 (Nov. 13, 2019); and
(ii) implementing the “National Water Reuse Action Plan” issued on February 27, 2020, by the EPA; and
(g) coordinating with the Federal Interagency Floodplain Management Task Force, established pursuant to the National Flood Insurance Act of 1968 (title XIII of Public Law 90-448 (2 U.S.C. 4001 et seq.)), on Federal flood risk management policies and programs to better support community needs; and
(h) improving water data management, research, modeling, and forecasting, including through:
(i) aligning efforts and developing research plans among the Secretary of the Interior, the Secretary of Agriculture, the Administrator of the National Oceanic and Atmospheric Administration, and the Secretary of

SEC. 4. Reducing Inefficiencies and Duplication. Currently, hundreds of Federal water-related task forces, working groups, and other formal cross-agency initiatives (Federal interagency working groups) exist to address water resource management. Within 90 days of the date of this order (Oct. 13, 2020), the Water Subcabinet shall, to the extent practicable, identify all such Federal interagency working groups and provide recommendations to the Chairman of the Council on Environmental Quality (CEQ), the Director of the Office of Management and Budget (OMB), and the Director of the Office of Science and Technology Policy (OSTP) on coordinating and consolidating these Federal interagency working groups, as appropriate and consistent with applicable law.

SEC. 5. Improving Water Resource Management. Federal agencies engage in a wide range of activities relating to water resource management. Within 120 days of the date of this order, the Water Subcabinet shall submit to the Chairman of CEQ, the Director of OMB, and the Director of OSTP a report that recommends actions to address the issues described below, and for each recommendation identifies a lead agency, agencies, and agency milestones for fiscal years 2021 through 2025:
§ 1962–1

Economic Policy, and the Chairman of the Council of Economic Advisers.

Sec. 9. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented in a manner consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

DONALD J. TRUMP.

§ 1962–1. Effect on existing laws

Nothing in this chapter shall be construed—

(a) to expand or diminish either Federal or State jurisdiction, responsibility, or rights in the field of water resources planning, development, or control; nor to displace, supersed, limit or modify any interstate compact or the jurisdiction or responsibility of any legally established joint or common agency of two or more States, or of two or more States and the Federal Government; nor to limit the authority of Congress to authorize and fund projects;

(b) to change or otherwise affect the authority or responsibility of any Federal official in the discharge of the duties of his office except as required to carry out the provisions of this chapter with respect to the preparation and review of comprehensive regional or river basin plans and the formulation and evaluation of Federal water and related land resources projects;

(c) as superseding, modifying, or repealing existing laws applicable to the various Federal agencies which are authorized to develop or participate in the development of water and related land resources or to exercise licensing or regulatory functions in relation thereto, except as required to carry out the provisions of this chapter; nor to affect the jurisdiction, powers, or prerogatives of the International Joint Commission, United States and Canada, the Permanent Engineering Board and the United States Operating Entity or Entities established pursuant to the Columbia River Basin Treaty, signed at Washington, January 17, 1961, or the International Boundary and Water Commission, United States and Mexico;

(d) as authorizing any entity established or acting under the provisions hereof to study, plan, or recommend the transfer of waters between areas under the jurisdiction of more than one river basin commission or entity performing the function of a river basin commission.

REFERENCES IN TEXT

The International Joint Commission, United States and Canada, referred to in subsec. (c), was organized in 1911 pursuant to article VII of the treaty of January 11, 1909, with Great Britain, 36 Stat. 2348. Provisions relating to such Commission are contained in sections 267b and 268 of Title 22, Foreign Relations and Intercourse.
§ 1962–2. Congressional statement of objectives

It is the intent of Congress that the objectives of enhancing regional economic development, the quality of the total environment, including its protection and improvement, the well-being of the people of the United States, and the national economic development are the objectives of the Flood Control Act of 1970 and not as a part of the Water Resources and Environmental Development Act of 1996, 110 Stat. 3703.)

§ 1962–3. Water resources principles and guidelines

(a) National water resources planning policy

It is the policy of the United States that all water resources projects should reflect national priorities, encourage economic development, and protect the environment by—

(1) seeking to maximize sustainable economic development;
(2) seeking to avoid the unwise use of floodplains and flood-prone areas and minimizing adverse impacts and vulnerabilities in any case in which a floodplain or flood-prone area must be used; and
(3) protecting and restoring the functions of natural systems and mitigating any unavoidable damage to natural systems.

(b) Principles and guidelines

(1) Principles and guidelines defined

In this subsection, the term ‘principles and guidelines’ means the principles and guidelines contained in the document prepared by the Water Resources Council pursuant to section 1962a–2 of this title, entitled ‘Economic and Environmental Principles and Guidelines for Water and Related Land Resources Implementation Studies’, and dated March 10, 1983.

(2) In general

Not later than 2 years after November 8, 2007, the Secretary shall issue revisions, consistent with paragraph (3), to the principles and guidelines for use by the Secretary in the formulation, evaluation, and implementation of water resources projects.

(3) Considerations

In developing revisions to the principles and guidelines under paragraph (2), the Secretary shall evaluate the consistency of the principles and guidelines with, and ensure that the principles and guidelines address, the following:

(A) The use of best available economic principles and analytical techniques, including techniques in risk and uncertainty analysis.
(B) The assessment and incorporation of public safety in the formulation of alternatives and recommended plans.
(C) Assessment methods that reflect the value of projects for low-income communities and projects that use nonstructural approaches to water resources development and management.
(D) The assessment and evaluation of the interaction of a project with other water resource projects and programs within a region or watershed.
(E) The use of contemporary water resources paradigms, including integrated water resources management and adaptive management.
(F) Evaluation methods that ensure that water resources projects are justified by public benefits.

(4) Consultation and public participation

In carrying out paragraph (2), the Secretary shall—

(A) consult with the Secretary of the Interior, the Secretary of Agriculture, the Secretary of Commerce, the Secretary of Housing and Urban Development, the Secretary of Transportation, the Administrator of the Environmental Protection Agency, the Secretary of Energy, the Secretary of Homeland Security, the National Academy of Sciences, and the Council on Environmental Quality; and
(B) solicit and consider public and expert comments.

(5) Publication

The Secretary shall—

(A) submit to the Committee on Environment and Public Works of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives copies of—

(i) the revisions to the principles and guidelines for use by the Secretary; and
(ii) an explanation of the intent of each revision, how each revision is consistent with this section, and the probable impact of each revision on water resources projects carried out by the Secretary;

(B) make the revisions to the principles and guidelines for use by the Secretary available to the public, including on the Internet.

(6) Effect

Subject to the requirements of this subsection, the principles and guidelines as revised under this subsection shall apply to water resources projects carried out by the Secretary instead of the principles and guidelines for such projects in effect on the day before November 8, 2007.
§ 1962–4 Implementation of water resources principles and requirements

(a) In general

Not later than 180 days after December 27, 2020, the Secretary shall issue final agency-specific procedures necessary to implement the principles and requirements and the interagency guidelines.

(b) Development of future water resources development projects

The procedures required by subsection (a) shall ensure that the Secretary, in the formulation of future water resources development projects—

(1) develops such projects in accordance with—

(A) the guiding principles established by the principles and requirements; and

(B) the national water resources planning policy established by section 1962–3(a) of this title; and

(2) fully identifies and analyzes national economic development benefits, regional economic development benefits, environmental quality benefits, and other societal effects.

(c) Review and update

Every 5 years, the Secretary shall review and, where appropriate, revise the procedures required by subsection (a).

(d) Public review, notice, and comment

In issuing, reviewing, and revising the procedures required by this section, the Secretary shall—

(1) provide notice to interested non-Federal stakeholders of the Secretary's intent to revise the procedures;

(2) provide opportunities for interested non-Federal stakeholders to engage with, and provide input and recommendations to, the Secretary on the revision of the procedures; and

(3) solicit and consider public and expert comments.

(e) Definitions

In this section:

(1) Interagency guidelines

The term “interagency guidelines” means the interagency guidelines contained in the document finalized by the Council on Environmental Quality pursuant to section 1962–3 of this title in December 2014, to implement the principles and requirements.

(2) Principles and requirements

The term “principles and requirements” means the principles and requirements contained in the document prepared by the Council on Environmental Quality pursuant to section 1962–3 of this title, entitled “Principles and Requirements for Federal Investments in Water Resources”, and dated March 2013.

§ 1962a Establishment; composition; other Federal agency participation; designation of Chairman

There is hereby established a Water Resources Council (hereinafter referred to as the “Council”) which shall be composed of the Secretary of the Interior, the Secretary of Agriculture, the Secretary of the Army, the Secretary of Commerce, the Secretary of Housing and Urban Development, the Secretary of Transportation, the Administrator of the Environmental Protection Agency, and the Secretary of Energy. The Chairman of the Council shall request the heads of other Federal agencies to participate with the Council when matters affecting their responsibilities are considered by the Council. The Chairman of the Council shall be designated by the President.
The Council shall develop standards and criteria for economic evaluation of water resource projects. For the purpose of those standards and criteria, the primary direct navigation benefits of a water resource project are defined as the product of the savings to shippers using the waterway and the estimated traffic that would use the waterway. “Savings to shippers” means the difference between (1) the freight rates or charges prevailing at the time of the study for the movement by the alternative means, and (2) those which would be charged on the proposed waterway. Estimated traffic that would use the waterway will be based on those freight rates, taking into account projections of the economic growth of the area.

(b) Economic evaluation; primary criterion

The Council shall develop standards and criteria for economic evaluation of water resource projects. For the purpose of those standards and criteria, the primary direct navigation benefits of a water resource project are defined as the product of the savings to shippers using the waterway and the estimated traffic that would use the waterway. “Savings to shippers” means the difference between (1) the freight rates or charges prevailing at the time of the study for the movement by the alternative means, and (2) those which would be charged on the proposed waterway. Estimated traffic that would use the waterway will be based on those freight rates, taking into account projections of the economic growth of the area.

(b) Economic evaluation; primary criterion

The Council shall develop standards and criteria for economic evaluation of water resource projects. For the purpose of those standards and criteria, the primary direct navigation benefits of a water resource project are defined as the product of the savings to shippers using the waterway and the estimated traffic that would use the waterway. “Savings to shippers” means the difference between (1) the freight rates or charges prevailing at the time of the study for the movement by the alternative means, and (2) those which would be charged on the proposed waterway. Estimated traffic that would use the waterway will be based on those freight rates, taking into account projections of the economic growth of the area.

EX. ORD. NO. 11747. DELEGATION OF PRESIDENTIAL FUNCTIONS

By virtue of the authority vested in me by section 301 of title 3 of the United States Code, and as President of the United States, it is hereby ordered as follows:

The Chairman of the Water Resources Council is designated and empowered to exercise, without the approval, ratification, or other action of the President, the approval function for standards and procedures vested in the President by section 103 of the Water Resources Planning Act, as amended (42 U.S.C. 1962a–2).

§ 1962a–4. Administrative provisions

(a) Hearings, proceedings, evidence, reports; office space; use of mails; personnel; consultants; motor vehicles; necessary expenses; other powers

For the purpose of carrying out the provisions of this chapter, the Council may: (1) hold such hearings, sit and act at such times and places, take such testimony, receive such evidence, and print or otherwise reproduce and distribute so much of its proceedings and reports thereon as it may deem advisable; (2) acquire, furnish, and equip such office space as is necessary; (3) use the United States mails in the same manner and upon the same conditions as other departments and agencies of the United States; (4) employ and fix the compensation of such personnel as it deems advisable, in accordance with the civil service laws and chapter 51 and subchapter III of chapter 53 of title 5; (5) procure services as authorized by section 3109 of title 5, at rates not in excess of the daily equivalent of the rate prescribed for grade GS–18 under section 5332 of title 5 in the case of individual experts or consultants” for “not to exceed $100 per diem for individuals”.

(b) Oaths

Any member of the Council is authorized to administer oaths when it is determined by a majority of the Council that testimony shall be taken or evidence received under oath.

(c) Records; public inspection

To the extent permitted by law, all appropriate records and papers of the Council may be made available for public inspection during ordinary office hours.

(d) Information and personnel from other Federal agencies

Upon request of the Council, the head of any Federal department or agency is authorized (1) to furnish to the Council such information as may be necessary for carrying out its functions and as may be available to or procurable by such department or agency, and (2) to detail to temporary duty with such Council on a reimbursable basis such personnel within his administrative jurisdiction as it may need or believe to be useful for carrying out its functions, each such detail to be without loss of seniority, pay, or other employee status.

(e) Responsibility for personnel and funds

The Council shall be responsible for (1) the appointment and supervision of personnel, (2) the assignment of duties and responsibilities among such personnel, and (3) the use and expenditures of funds.

SUBCHAPTER II—RIVER BASIN COMMISSIONS

§ 1962b. Creation of commissions; powers and duties

(a) The President is authorized to declare the establishment of a river basin water and related land resources commission upon request therefor by the Council, or request addressed to the Council by a State within which all or part of the basin or basins concerned are located if the request by the Council or by a State (1) defines the area, river basin, or group of related river basins for which a commission is requested, (2) is made in writing by the Governor or in such manner as State law may provide, or by the Council, and (3) is concurred in by the Council and by not less than one-half of the States within which portions of the basin or basins concerned are located and, in the event the Upper Colorado River Basin is involved, by at least three of the four States of Colorado, New Mexico, Utah, and Wyoming or, in the event the Columbia River Basin is involved, by at least three of the four States of Idaho, Montana, Oregon, and Washington. Such concurrences shall be in writing.

(b) Each such commission for an area, river basin, or group of river basins shall, to the extent consistent with section 1962–1 of this title—
(1) serve as the principal agency for the coordination of Federal, State, interstate, local and nongovernmental plans for the development of water and related land resources in its area, river basin, or group of river basins; and prepare and keep up to date, to the extent practicable, a comprehensive, coordinated, joint plan for Federal, State, interstate, local and nongovernmental development of water and related resources: Provided, That the plan shall include an evaluation of all reasonable alternative means of achieving optimum development of water and related land resources of the basin or basins, and it may be prepared in stages, including recommendations with respect to individual projects; and (3) recommend long-range schedules of priorities for the collection and analysis of basic data and for investigation, planning, and construction of projects; and (4) foster and undertake such studies of water and related land resources problems in its area, river basin, or group of river basins as are necessary in the preparation of the plan described in clause (2) of this subsection. EX. ORD. No. 12319, TERMINATION OF CERTAIN RIVER BASIN COMMISSIONS
Ex. Ord. No. 12319, Sept. 9, 1981, 46 F.R. 45591, provided: By the authority vested in me as President by the Constitution and laws of the United States, in order to ensure the orderly termination of the six river basin commissions established pursuant to the Water Resources Planning Act (42 U.S.C. 1962 et seq.), it is hereby ordered as follows:

SECTION 1. In accord with the decision of the Water Resources Council pursuant to Section 203(a) of the Water Resources Planning Act (42 U.S.C. 1962 et seq.), the following river basin commissions shall terminate on the date indicated:

(a) Pacific Northwest River Basins Commission, terminated on September 30, 1981.
§ 1962b–1 Organization of commissions

Each river basin commission shall be composed of members appointed as follows:

(a) A chairman appointed by the President who shall also serve as chairman and coordinating officer of the Federal members of the commission and who shall represent the Federal Government in Federal-State relations on the commission and who shall not, during the period of his service on the commission, hold any other position as an officer or employee of the United States, except as a retired officer or retired civilian employee of the Federal Government;

(b) One member from each Federal department or independent agency determined by the President to have a substantial interest in the work to be undertaken by the commission, such member to be appointed by the head of such department or independent agency and to serve as the representative of such department or independent agency;

(c) One member from each State which lies wholly or partially within the area, river basin, or group of river basins for which the commission is established, and the appointment of each such member shall be made in accordance with the laws of the State which he represents. In the absence of governing provisions of State law, such State members shall be appointed and serve at the pleasure of the Governor;

(d) One member appointed by any interstate agency created by an interstate compact to which the consent of Congress has been given, and whose jurisdiction extends to the waters of the area, river basin, or group of river basins for which the river basin commission is created;

(e) When deemed appropriate by the President, one member, who shall be appointed by the President, from the United States section of any international commission created by a treaty to which the consent of the Senate has been given, and whose jurisdiction extends to the waters of the area, river basin, or group of river basins for which the river basin commission is established.

§ 1962b–2. Organization of commissions

(a) Commencement of functions; transfer of property, assets, and records upon termination of commission; availability of studies, data, and other materials to participants

Each river basin commission shall organize for the performance of its functions within ninety days after the President shall have declared the establishment of such commission, subject to the availability of funds for carrying on its work. A commission shall terminate upon decision of the Council or agreement of a majority of the States composing the commission. Upon such termination, all property, assets, and records of the commission shall thereafter be turned over to such agencies of the United States and the participating States as shall be appropriate in the circumstances: Provided, That studies, data, and other materials useful in water and related land resources planning purposes as the States acting through their representatives on the commissions may designate, to be used for such water and related land resources planning purposes as the States may decide among themselves. The terms and conditions for transfer of assets under this Section shall be subject to the approval of the Director of the Office of Management and Budget, or such Federal agency as he designates, before the transfer is effective.

(b) Vice chairman; State election; State representation

State members of each commission shall elect a vice chairman, who shall serve also as chairman and coordinating officer of the State members of the commission and who shall represent the State governments in Federal-State relations on the commission.

(c) Vacancies; alternates for chairman and vice chairman

Vacancies in a commission shall not affect its powers but shall be filled in the same manner in which the original appointments were made: Provided, That the chairman and vice chairman may designate alternates to act for them during temporary absences.

(d) Consensus of members on issues; opportunities for individual views; record of position of chairman and vice chairman; final authority on procedural questions

In the work of the commission every reasonable endeavor shall be made to arrive at a consensus of all members on all issues; but failing this, full opportunity shall be afforded each
member for the presentation and report of individual views: Provided, That at any time the commission fails to act by reason of absence of consensus, the position of the chairman, acting in behalf of the Federal members, and the vice chairman, acting upon instructions of the State members, shall be set forth in the record: Provided further, That the chairman, in consultation with the vice chairman, shall have the final authority, in the absence of an applicable by-law adopted by the commission or in the absence of a consensus, to fix the times and places for meetings, to set deadlines for the submission of annual and other reports, to establish subcommittees, and to decide such other procedural questions as may be necessary for the commission to perform its functions.

§ 1962b-3. Duties of commissions

Each river basin commission shall—

(1) engage in such activities and make such studies and investigations as are necessary and desirable in carrying out the policy set forth in section 1962c of this title and in accomplishing the purposes set forth in section 1962c(b) of this title;

(2) submit to the Council and the Governor of each participating State a report on its work at least once each year. Such report shall be transmitted through the President to the Congress. After such transmission, copies of any such report shall be sent to the heads of any such Federal, State, interstate, and intergovernmental agencies as the President or the Governors of the participating States may direct;

(3) submit to the Council for transmission to the President and by him to the Congress, and the Governors and the legislatures of the participating States a comprehensive, coordinated, joint plan, or any major portion thereof or necessary revisions thereof, for water and related land resources development in the area, river basin, or group of river basins for which such commission was established. Before the commission submits such a plan or major portion thereof or revision thereof to the Council, it shall transmit the proposed plan or revision to the head of each Federal department or agency, the Governor of each State, and each interstate agency, from which a member of the commission has been appointed, and to the head of the United States section of any international commission if the plan, portion or revision deals with a boundary water or a river crossing a boundary, or any tributary flowing into such boundary water or river, over which the international commission has jurisdiction or for which it has responsibility. Each such department and agency head, Governor, interstate agency, and United States section of an international commission shall have ninety days from the date of the receipt of the proposed plan, portion, or revision to report its views, comments, and recommendations to the commission. The commission may modify the plan, portion, or revision after considering the reports so submitted. The views, comments, and recommendations submitted by each Federal department or agency head, Governor, interstate agency, and United States section of an international commission shall be transmitted to the Council with the plan, portion, or revision; and

(4) submit to the Council at the time of submitting such plan, any recommendations it may have for continuing the functions of the commission and for implementing the plan, including means of keeping the plan up to date.

Termination of Reporting Requirements

For termination, effective May 15, 2000, of provisions in par. (2) of this section relating to transmittal of reports to Congress, see section 3683 of Pub. L. 101–66, as amended, set out as a note under section 1113 of Title 31, Money and Finance, and item 5 on page 40 of House Document No. 103–7.

Upper Mississippi River System Comprehensive Master Management Plan

§ 1962b-4. Administrative provisions

(a) Hearings, proceedings, evidence, reports; office space; use of mails; personnel, consultants, and professional service contracts; personnel from other agencies; retirement and employee benefit system for personnel without coverage; motor vehicles; necessary expenses; other powers

For the purpose of carrying out the provisions of this subchapter, each river basin commission may—

(1) hold such hearings, sit and act at such times and places, take such testimony, receive such evidence, and print or otherwise reproduce and distribute so much of its proceedings and reports thereon as it may deem advisable;

(2) acquire, furnish, and equip such office space as is necessary;

(3) use the United States mails in the same manner and upon the same conditions as departments and agencies of the United States;

(4) employ and compensate such personnel as it deems advisable, including consultants, at rates not in excess of the daily equivalent of the rate prescribed for grade GS–18 under section 5332 of title 5, and retain and compensate such professional or technical service firms as it deems advisable on a contract basis;

(5) arrange for the services of personnel from any State or the United States, or any subdivision or agency thereof, or any intergovernmental agency;

(6) make arrangements, including contracts, with any participating government, except the United States or the District of Columbia, for inclusion in a suitable retirement and em-
employee benefit system of such of its personnel as may not be eligible for or continuing in another governmental retirement or employee benefit system, or otherwise provide for such coverage of its personnel;

(7) purchase, hire, operate, and maintain passenger motor vehicles; and

(8) incur such necessary expenses and exercise such other powers as are consistent with and reasonably required to perform its functions under this chapter.

(b) Oaths

The chairman of a river basin commission, or any member of such commission designated by the chairman thereof for the purpose, is authorized to administer oaths when it is determined by a majority of the commission that testimony shall be taken or evidence received under oath.

(c) Records; public inspection

To the extent permitted by law, all appropriate records and papers of each river basin commission shall be made available for public inspection during ordinary office hours.

(d) Information and personnel from other Federal agencies

Upon request of the chairman of any river basin commission, or any member of such commission designated by the chairman thereof for the purpose, the head of any Federal department or agency is authorized (1) to furnish to such commission such information as may be necessary for carrying out its functions and as may be available to or procurable by such department or agency, and (2) to detail to temporary duty with such commission on a reimbursable basis such personnel within his administrative jurisdiction as it may need or believe to be useful for carrying out its functions, each such detail to be without loss of seniority, pay, or other employee status.

(e) Responsibility for personnel and funds

The chairman of each river basin commission shall, with the concurrence of the vice chairman, appoint the personnel employed by such commission, and the chairman shall, in accordance with the general policies of such commission with respect to the work to be accomplished by it and the timing thereof, be responsible for (1) the supervision of personnel employed by such commission, (2) the assignment of duties and responsibilities among such personnel, and (3) the use and expenditure of funds available to such commission.

References in laws to the rates of pay for GS–16, 17, or 18, or to maximum rates of pay under specified sections of Title 5, Government Organization and Employees, see section 5332 of Title 5.

$1962b–5. Compensation of members and chairmen

(a) Additional compensation prohibited to members appointed from Federal departments, agencies, and international commissions

Any member of a river basin commission appointed pursuant to section 1962b–1(b) and (e) of this title shall receive no additional compensation by virtue of his membership on the commission, but shall continue to receive, from appropriations made for the agency from which he is appointed, the salary of his regular position when engaged in the performance of the duties vested in the commission.

(b) Compensation of members from States and interstate agencies

Members of a commission, appointed pursuant to section 1962b–1(c) and (d) of this title, shall each receive such compensation as may be provided by the States or the interstate agency respectively, which they represent.

(c) Compensation of chairman

The per annum compensation of the chairman of each river basin commission shall be determined by the President, but when employed on a full-time annual basis shall not exceed the maximum scheduled rate for grade GS–18 or when engaged in the performance of the commission’s duties on an intermittent basis such compensation shall be not more than $100 per day and shall not exceed $12,000 in any year.

$1962b–6. Expenses of commissions

(a) Federal share; apportionment of remainder; annual budget; estimates of proposed Federal appropriations; advances against delayed State appropriations; credit to account in the Treasury

Each commission shall recommend what share of its expenses shall be borne by the Federal Government, but such share shall be subject to approval by the Council. The remainder of the commission’s expenses shall be otherwise apportioned as the commission may determine. Each commission shall prepare a budget annually and transmit it to the Council and the States. Estimates of proposed appropriations from the Federal Government shall be included in the budget estimates submitted by the Council under chapter 11 of title 31, and may include an amount for advance to a commission against State appropriations for which delay is anticipated by reason of later legislative sessions. All sums appro-
priated to or otherwise received by a commission shall be credited to the commission's account in the Treasury of the United States.

(b) Acceptance, reception, utilization, and disposal of appropriations, donations, and grants

A commission may accept for any of its purposes and functions appropriations, donations, and grants of money, equipment, supplies, materials, and services from any State or the United States or any subdivision or agency thereof, or intergovernmental agency, and may receive, utilize, and dispose of the same.

c) Accounts of receipts and disbursements; annual audit; inclusion in annual report

The commission shall keep accurate accounts of all receipts and disbursements. The accounts shall be audited at least annually in accordance with generally accepted auditing standards by independent certified or licensed public accountants, certified or licensed by a regulatory authority of a State, and the report of the audit shall be included in and become a part of the annual report of the commission.

d) Inspection of accounts

The accounts of the commission shall be open at all reasonable times for inspection by representatives of the jurisdictions and agencies which make appropriations, donations, or grants to the commission.

AMENDMENTS

1978—Subsec. (a). Pub. L. 95–404 substituted “$3,000,000 for fiscal year 1979” for “for fiscal years 1977 and 1978, $5,000,000 in each such year”.

INCREASES IN SALARY, PAY, RETIREMENT, OR OTHER BENEFITS FOR FEDERAL EMPLOYEES

For authority for payment of increases in salary and other Federal employee benefits, see section 1(e) of Pub. L. 95–404, set out as a note under section 1962d of this title.

§ 1962c–1. Allotments to States: basis, population and land area determinations; payments to States: amount

(a) From the sums appropriated pursuant to section 1962c of this title for any fiscal year the Council shall from time to time make allotments to the States, in accordance with its regulations, on the basis of (1) the population, (2) the land area, (3) the need for comprehensive water and related land resources planning programs, and (4) the financial need of the respective States. For the purposes of this section the population of the States shall be determined on the basis of the latest estimates available from the Department of Commerce and the land area of the States shall be determined on the basis of the official records of the United States Geological Survey.

(b) From each State’s allotment under this section for any fiscal year the Council shall pay to such State an amount which is not more than 50 per centum of the cost of carrying out its State program approved under section 1962c–2 of this title, including the cost of training personnel for carrying out such program and the cost of administering such program.

§ 1962c–2. State programs; approval by Council; submission; requirements; notice and hearing prior to disapproval

The Council shall approve any program for comprehensive water and related land resources planning which is submitted by a State, if such program—

(1) provides for comprehensive planning with respect to intrastate or interstate water resources, or both, in such State to meet the

needs for water and water-related activities taking into account prospective demands for all purposes served through or affected by water and related land resources development, with adequate provision for coordination with all Federal, State, and local agencies, and non-governmental entities having responsibilities in affected fields;

(2) provides, where comprehensive statewide development planning is being carried on with or without assistance under section 701 of the Housing Act of 1954 or under chapter 2003 of title 54, for full coordination between comprehensive water resources planning and other statewide planning programs and for assurances that such water resources planning will be in conformity with the general development policy in such State;

(3) designates a State agency (hereinafter referred to as the “State agency”) to administer the program;

(4) provides that the State agency will make such reports in such form and containing such information as the Council from time to time reasonably requires to carry out its functions under this subchapter;

(5) sets forth the procedure to be followed in carrying out the State program and in administering such program; and

(6) provides such accounting, budgeting, and other fiscal methods and procedures as are necessary for keeping appropriate accountability of the funds and for the proper and efficient administration of the program.

The Council shall not disapprove any program without first giving reasonable notice and opportunity for hearing to the State agency administering such program.

AMENDMENTS

§ 1962c–3. Noncompliance; curtailing of payments

Whenever the Council after reasonable notice and opportunity for hearing to a State agency finds that—

(a) the program submitted by such State and approved under section 1962c–2 of this title has been so changed that it no longer complies with a requirement of such section; or

(b) in the administration of the program there is a failure to comply substantially with such a requirement,

the Council shall notify such agency that no further payments will be made to the State under this subchapter until it is satisfied that there will no longer be any such failure. Until the Council is so satisfied, it shall make no further payments to such State under this subchapter.

§ 1962c–4. Payments to States; computation of amount

The method of computing and paying amounts pursuant to this subchapter shall be as follows:

(1) The Council shall, prior to the beginning of each calendar quarter or other period prescribed by it, estimate the amount to be paid to each State under the provisions of this subchapter for such period, such estimate to be based on such records of the State and information furnished by it, and such other investigation, as the Council may find necessary.

(2) The Council shall pay to the State, from the allotment available therefor, the amount so estimated by it for any period, reduced or increased, as the case may be, by any sum (not previously adjusted under this paragraph) by which it finds that its estimate of the amount to be paid such State for any prior period under this subchapter was greater or less than the amount which should have been paid to such State for such prior period under this subchapter. Such payments shall be made through the disbursing facilities of the Treasury Department, at such times and in such installments as the Council may determine.

§ 1962c–5. “State” defined

For the purpose of this subchapter the term “State” means a State, the District of Columbia, Puerto Rico, the Virgin Islands or Guam.

AMENDMENTS

§ 1962c–6. Records; audit and examination

(a) Each recipient of a grant under this chapter shall keep such records as the Chairman of the Council shall prescribe, including records which fully disclose the amount and disposition of the funds received under the grant, and the total cost of the project or undertaking in connection with which the grant was made and the amount and nature of that portion of the cost of the project or undertaking supplied by other sources, and such other records as will facilitate an effective audit.

(b) The Chairman of the Council and the Comptroller General of the United States, or any of their duly authorized representatives, shall have access for the purpose of audit and examination to any books, documents, papers, and records of the recipient of the grant that are pertinent to the determination that funds granted are used in accordance with this chapter.

SUBCHAPTER IV—MISCELLANEOUS PROVISIONS

§ 1962d. Authorization of appropriations to the Water Resources Council

There are authorized to be appropriated to the Water Resources Council:

(a) Limitation for single river basin commission

The sum of $2,886,000 for fiscal year 1979 for the Federal share of the expenses of administration and operation of river basin commissions, including salaries and expenses of the chairmen, but not including funds authorized by subsection (c) below: Provided, That not more than $750,000 annually shall be available under this subsection for any single river basin commission;

(b) Limitation on the expenses of the Water Resources Council

the sum of $2,668,000 for fiscal year 1979 for the expenses of the Water Resources Council in administering this chapter, not including funds authorized by subsection (c) below;

(c) Limitation on availability of funds for preparation of certain studies and for assessments and plans

The sum of $3,179,900 for fiscal year 1979 for preparation of assessments, and for directing and coordinating the preparation of such river basin plans as the Council determines are necessary and desirable in carrying out the policy of this chapter: Provided, That $828,900 shall be available under this subsection for preparation of the Columbia River Estuary Special Study: Provided further, That $308,000 shall be available under this subsection for completion of the New England Port and Harbor Study and $135,000 shall be available for completion of the Hudson River Basin Level B Study: Provided further, That $150,000 shall be available under this subsection for preparation of Case Studies of the Application of Cost Sharing Policy Options for Flood Plain Management in the Connecticut River Basin: Provided further, That not more than $2,500,000 shall be available under this subsection for the preparation of assessments: Provided further, That the Council may transfer funds authorized by this subsection to river basin commissions and to Federal and State agencies upon such terms and conditions as it determines are necessary and desirable to carry out the above functions in an economical, efficient, and timely manner, and that such commissions and agencies are hereby authorized to receive and expend such funds pursuant to this subsection.

AMENDMENTS

1978—Subsec. (a). Pub. L. 95–404, § 1(a), substituted “The sum of $2,886,000 for fiscal year 1979” for “not to exceed $6,000,000 for fiscal year 1978”. Subsec. (b). Pub. L. 92–27 substituted appropriation authorization of $6,000,000 annually for Federal share of expenses of administration and operation of river basin commissions, including salaries and expenses of chairman, for former provisions for annual appropriation authorization of $500,000; $6,000,000; and $400,000 for subchapters I, II, and III of this chapter and authorize appropriation of $1.5 million annually for administration expenses of Water Resources Council.

1968—Pub. L. 90–537 increased authorization for appropriations to carry out provisions of subchapter I of this chapter from not to exceed $300,000 annually to not to exceed $500,000 annually.

INCREASES IN SALARY, PAY, RETIREMENT, OR OTHER BENEFITS FOR FEDERAL EMPLOYEES

Pub. L. 95–404, § 1(e), Sept. 30, 1978, 92 Stat. 864, provided that: “Appropriations authorized by this Act [amending sections 1962c and 1962d of this title] for salary, pay, retirement, or other benefits for Federal employees may be increased by such additional or supplemental amounts as may be necessary for increases authorized by law.”

§ 1962d–1. Rules and regulations

The Council is authorized to make such rules and regulations as it may deem necessary or appropriate for carrying out those provisions of this chapter which are administered by it.

§ 1962d–2. Delegation of functions

The Council is authorized to delegate to any member or employee of the Council its administrative functions under section 1962a–4 of this title and the detailed administration of the grant program under subchapter III.

§ 1962d-3. Utilization of personnel

The Council may, with the consent of the head of any other department or agency of the United States, utilize such officers and employees of such agency on a reimbursable basis as are necessary to carry out the provisions of this chapter.

§ 1962d-4. Northeastern United States water supply

(a) Plans for Federal construction, operation, and maintenance of reservoir system within certain river basins and conveyance and purification facilities through cooperation of Secretary of the Army and government agencies; financial participation of States

Congress hereby recognizes that assuring adequate supplies of water for the great metropolitan centers of the United States has become a problem of such magnitude that the welfare and prosperity of this country require the Federal Government to assist in the solution of water supply problems. Therefore, the Secretary of the Army, acting through the Chief of Engineers, is authorized to cooperate with Federal, State, and local agencies in preparing plans in accordance with the Water Resources Planning Act (42 U.S.C. 1962 et seq.) to meet the long-range water needs of the northeastern United States. This plan may provide for the construction, operation, and maintenance by the United States of (1) a system of major reservoirs to be located within those river basins of the northeastern United States which drain into the Chesapeake Bay, those that drain into the Atlantic Ocean north of the Chesapeake Bay, those that drain into Lake Ontario, and those that drain into the Saint Lawrence River, (2) major conveyance facilities by which water may be exchanged between these river basins to the extent found desirable in the national interest, and (3) major purification facilities. Such plans shall provide for appropriate financial participation by the States, political subdivisions thereof, and other local interests.

(b) Construction, operation, and maintenance of reservoirs and conveyance and purification facilities

The Secretary of the Army, acting through the Chief of Engineers, shall construct, operate, and maintain those reservoirs, conveyance facilities, and purification facilities, which are recommended in the plan prepared in accordance with subsection (a) of this section, and which are specifically authorized by law enacted after October 27, 1965.

(c) Reservoirs as components of river basin and water supply plans

Each reservoir included in the plan authorized by this section shall be considered as a component of a comprehensive plan for the optimum development of the river basin in which it is situated, as well as a component of the plan established in accordance with this section.

Committee on Public Works and Transportation of House of Representatives treated as referring to Com-
mittee on Transportation and Infrastructure of House of Representatives by section 1(a) of Pub. L. 104–14, set out as a note preceding section 21 of Title 2, The Congress.

LOCAL COOPERATION, STUDY; REPORT TO CONGRESS

Pub. L. 93–231, title I, §24, Mar. 7, 1974, 88 Stat. 20, provided that the Secretary of the Army make a study of the items of local cooperation involving hold and save harmless provisions which have been required for water resource development projects under his jurisdiction and report on such study to Congress not later than June 30, 1975.

LAND AND WATER USE, STUDY; REPORT TO CONGRESS

Pub. L. 93–231, title I, §25, Mar. 7, 1974, 88 Stat. 20, provided that the Secretary of the Army conduct a study of land use practices and recreational uses at water resource development projects under his jurisdiction and report on such study to Congress not later than June 30, 1975.

NATIONAL STREAMBANK EROSION PREVENTION AND CONTROL DEMONSTRATION PROGRAM

Pub. L. 93–231, title I, §32, Mar. 7, 1974, 88 Stat. 21, as amended by Pub. L. 94–587, §§155, 161, Oct. 22, 1976, 90 Stat. 2932, 2933, known as the “Streambank Erosion Control Evaluation and Demonstration Act of 1974”, directed the Secretary of the Army, acting through the Chief of Engineers, to establish and conduct for a period of five fiscal years a national streambank erosion prevention and control demonstration program, to consist of an evaluation of the extent of streambank erosion on navigable rivers and their tributaries; development of new methods and techniques for bank protection, research on soil stability, and identification of the causes of erosion; a report to the Congress on the results of such studies and the recommendations of the Secretary of the Army on means for the prevention and correction of streambank erosion; and demonstration projects, including bank protection works. The final report to the Congress was to be made by Secretary of the Army no later than Dec. 31, 1981.

NATIONAL SHORELINE EROSION CONTROL, DEVELOPMENT AND DEMONSTRATION PROGRAM

Pub. L. 93–231, title I, §54, Mar. 7, 1974, 88 Stat. 26, known as the “Shoreline Erosion Control Demonstration Act of 1974”, directed the Secretary of the Army, acting through the Chief of Engineers, to establish and conduct for a period of five fiscal years a national shoreline erosion control development and demonstration program, to consist of planning, constructing, operating, evaluating, and demonstrating prototype shoreline erosion control devices, both engineered and vegetative, and to be carried out in cooperation with the Secretary of Agriculture, particularly with respect to vegetative means of preventing and controlling shoreline erosion, and in cooperation with Federal, State, and local agencies, private organizations, and the Shoreline Erosion Advisory Panel established pursuant to section 54(d) of Pub. L. 93–231. The Panel was to expire ninety days after termination of the five-year program. The Secretary of the Army was to submit to Congress a final report, sixty days after the fifth fiscal year of funding, such report to include a comprehensive evaluation of the national shoreline erosion control development and demonstration program.

TECHNICAL AND ENGINEERING ASSISTANCE FOR NON-DEVELOPMENT OF EROSION PREVENTION METHODS

Pub. L. 93–231, title I, §55, Mar. 7, 1974, 88 Stat. 28, provided that: “The Secretary of the Army, acting through the Chief of Engineers, is authorized to provide technical and engineering assistance to non-Federal public interests in developing structural and non-structural methods of preventing damages attributable to shore and streambank erosion.”

VISITOR PROTECTION SERVICES, STUDY; REPORT TO CONGRESS

Pub. L. 93–251, title I, §75, Mar. 7, 1974, 88 Stat. 32, directed Secretary of the Army to conduct a study on need for and means of providing visitor protection services at water resource development projects under jurisdiction of Department of the Army and report on such study to Congress not later than Dec. 31, 1974.

§ 19624–5a. Reimbursement to States

(a) Combination of reimbursement of installation costs and reduction in contributions; single project limitation

The Secretary of the Army, acting through the Chief of Engineers, may, when he determines it to be in the public interest, enter into agreements providing for reimbursement to States or political subdivisions thereof for work to be performed by such non-Federal public bodies at water resources development projects under his jurisdiction, including reductions in contributions, for such project may not exceed $7,000,000 in any fiscal year.

(b) Agreement provisions; termination of agreement for failure to commence work

Agreements entered into pursuant to this section shall (1) fully describe the work to be accomplished by the non-Federal public body, and be accompanied by an engineering plan if necessary thereof; (2) specify the manner in which such work shall be carried out; (3) provide for necessary review of design and plans, and inspection of the work by the Chief of Engineers or his designee; (4) state the basis on which the amount of reimbursement shall be determined; (5) state that such reimbursement shall be dependent upon the appropriation of funds applicable thereto or funds available therefor, and shall not take precedence over other pending projects of higher priority for improvements; and (6) specify that reimbursement or credit for non-Federal installation expenditures shall apply only to work undertaken on Federal projects after project authorization and execution of the agreement, and does not apply retroactively to past non-Federal work. Each such agreement shall expire three years after the date on which it is executed if the work to be undertaken by the non-Federal public body has not commenced before the expiration of that period. The time allowed for completion of the work will be determined by the Secretary of the Army, acting through the Chief of Engineers, and stated in the agreement.

(c) Certification of performance

No reimbursement shall be made, and no expenditure shall be credited, pursuant to this sec-
tion, unless and until the Chief of Engineers or his designee, has certified that the work for which reimbursement or credit is requested has been performed in accordance with the agreement.

(d) Beach erosion control projects

Reimbursement for work commenced by non-Federal public bodies no later than one year after August 13, 1968, to carry out or assist in carrying out projects for beach erosion control, may be made in accordance with the provisions of section 426f of title 33. Reimbursement for such work may, as an alternative, be made in accordance with the provisions of this section, provided that agreement required herein shall have been executed prior to commencement of the work. Expenditures for projects for beach erosion control commenced by non-Federal public bodies subsequent to one year after August 13, 1968, may be reimbursed by the Secretary of the Army, acting through the Chief of Engineers, only in accordance with the provisions of this section.

(e) Prohibition of construction for Federal assumption of responsibilities of non-Federal bodies or for Federal liability for unnecessary or inapplicable project work of such bodies

This section shall not be construed (1) as authorizing the United States to assume any responsibilities placed upon a non-Federal body by the conditions of project authorization, or (2) as committing the United States to reimburse non-Federal interests if the Federal project is not undertaken or is modified so as to make the work performed by the non-Federal Public body no longer applicable.

(f) Allotment limitation for any fiscal year; specific project reimbursement authorizations

The Secretary of the Army is authorized to allot from any appropriations hereafter made for civil works, not to exceed $10,000,000 for any one fiscal year, to carry out the provisions of this section. This limitation does not include specific project authorizations providing for reimbursement.

CODIFICATION

Section was enacted as part of the Flood Control Act of 1968, and not as part of the Water Resources Planning Act which comprises this chapter.

AMENDMENTS

2007—Subsec. (a). Pub. L. 110–161, which directed the substitution of "$7,000,000" for "$5,000,000" in last sentence, was executed by making the substitution for "$5,000,000" the second place it appeared, to reflect the probable intent of Congress.

1996—Subsec. (a). Pub. L. 104–303, in last sentence, substituted "$5,000,000" for "$3,000,000" before "or 1 percent" and "any fiscal year" for "any fiscal year on or after August 13, 1968.

1988—Subsec. (a). Pub. L. 100–676 inserted before period at end "or 1 percent of the total project cost, whichever is greater; except that the amount of actual Federal reimbursement, including reductions in contributions, for such project may not exceed $5,000,000 in any fiscal year."

1966—Subsec. (a). Pub. L. 99–662 substituted "$3,000,000" for "$1,000,000".

§ 1962d–5b. Written agreement requirement for water resources projects

(a) Cooperation of non-Federal interest

(1) In general

After December 31, 1970, the construction of any water resources project, or an acceptable separable element thereof, by the Secretary of the Army, acting through the Chief of Engineers, or by a non-Federal interest where such interest will be reimbursed for such construction under any provision of law, shall not be commenced until each non-Federal interest has entered into a written partnership agreement with the Secretary (or, where appropriate, the district engineer for the district in which the project will be carried out) under which each party agrees to carry out its responsibilities and requirements for implementation or construction of the project or the appropriate element of the project, as the case may be; except that no such agreement shall be required if the Secretary determines that the administrative costs associated with negotiating, executing, or administering the agreement would exceed the amount of the contribution required from the non-Federal interest and are less than $25,000.

(2) Liquidated damages

A partnership agreement described in paragraph (1) may include a provision for liquidated damages in the event of a failure of one or more parties to perform.

(3) Obligation of future appropriations

In any partnership agreement described in paragraph (1) and entered into by a State, or a body politic of the State which derives its powers from the State constitution, or a governmental entity created by the State legislature, the agreement may reflect that it does not obligate future appropriations for such performance and payment when obligating future appropriations would be inconsistent with constitutional or statutory limitations of the State or a political subdivision of the State.

(4) Credit for in-kind contributions

(A) In general

A partnership agreement described in paragraph (1) may provide with respect to a project that the Secretary shall credit toward the non-Federal share of the cost of the project, including a project implemented without specific authorization in law or a project under an environmental infrastructure assistance program, the value of in-kind contributions made by the non-Federal interest, including—

(i) the costs of planning (including data collection), design, management, mitigation, construction, and construction services that are provided by the non-Federal interest for implementation of the project;
(ii) the value of materials or services provided before execution of the partnership agreement, including efforts on constructed elements incorporated into the project; and

(iii) the value of materials and services provided after execution of the partnership agreement.

(B) Condition

The Secretary may credit an in-kind contribution under subparagraph (A) only if the Secretary determines that the material or service provided as an in-kind contribution is integral to the project.

(C) Work performed before partnership agreement

(i) Construction

In any case in which the non-Federal interest is to receive credit under subparagraph (A) for the cost of construction carried out by the non-Federal interest before execution of a partnership agreement and that construction has not been carried out as of November 8, 2007, the Secretary and the non-Federal interest shall enter into an agreement under which the non-Federal interest shall carry out such work and shall do so prior to the non-Federal interest initiating construction or issuing a written notice to proceed for the construction.

(ii) Planning

In any case in which the non-Federal interest is to receive credit under subparagraph (A) for the cost of planning carried out by the non-Federal interest before execution of a feasibility cost-sharing agreement, the Secretary and the non-Federal interest shall enter into an agreement under which the non-Federal interest shall carry out such work and shall do so prior to the non-Federal interest initiating that planning.

(D) Limitations

Credit authorized under this paragraph for a project—

(i) shall not exceed the non-Federal share of the cost of the project;

(ii) shall not alter any other requirement that a non-Federal interest provide lands, easements, relocations, rights-of-way, or areas for disposal of dredged material for the project;

(iii) shall not alter any requirement that a non-Federal interest pay a portion of the costs of construction of the project under sections 2211(a)(2) and 2213(a)(1)(A) of title 33; and

(iv) shall not exceed the actual and reasonable costs of the materials, services, or other things provided by the non-Federal interest, as determined by the Secretary.

(E) Analysis of costs and benefits

In the evaluation of the costs and benefits of a project, the Secretary shall not consider construction carried out by a non-Federal interest under this subsection as part of the future without project condition.

(F) Transfer of credit between separable elements of a project

Credit for in-kind contributions provided by a non-Federal interest that are in excess of the non-Federal cost share for an authorized separable element of a project may be applied toward the non-Federal cost share for a different authorized separable element of the same project.

(G) Application of credit

(i) In general

To the extent that credit for in-kind contributions, as limited by subparagraph (D), and credit for required land, easements, rights-of-way, dredged material disposal areas, and relocations provided by the non-Federal interest exceed the non-Federal share of the cost of construction of a project other than a navigation project, the Secretary, subject to the availability of funds, shall enter into a reimbursement agreement with the non-Federal interest, which shall be in addition to a partnership agreement under subparagraph (A), to reimburse the difference to the non-Federal interest.

(ii) Priority

If appropriated funds are insufficient to cover the full cost of all requested reimbursement agreements under clause (i), the Secretary shall enter into reimbursement agreements in the order in which requests for such agreements are received.

(H) Applicability

(i) In general

This paragraph shall apply to water resources projects authorized after November 16, 1986, including projects initiated after November 16, 1986, without specific authorization in law, and to water resources projects authorized prior to November 17, 1986, if correction of design deficiencies is necessary.

(ii) Authorization as addition to other authorizations

The authority of the Secretary to provide credit for in-kind contributions pursuant to this paragraph shall be in addi-
tion to any other authorization to provide credit for in-kind contributions and shall not be construed as a limitation on such other authorization. The Secretary shall apply the provisions of this paragraph, in lieu of provisions under other crediting authority, only if so requested by the non-Federal interest.

(b) Definition of non-Federal interest

The term "non-Federal interest" means—

(1) a legally constituted public body (including an Indian tribe and a tribal organization (as those terms are defined in section 5304 of title 25)); or

(2) a nonprofit entity with the consent of the affected local government, that has full authority and capability to perform the terms of its agreement and to pay damages, if necessary, in the event of failure to perform.

(c) Enforcement; jurisdiction

Every agreement entered into pursuant to this section shall be enforceable in the appropriate district court of the United States.

(d) Nonperformance of terms of agreement by non-Federal interest; notice; reasonable opportunity for performance; performance by Chief of Engineers

After commencement of construction of a project, the Chief of Engineers may undertake performance of those items of cooperation necessary to the functioning of the project for its purposes, if he has first notified the non-Federal interest of its failure to perform the terms of its agreement and has given such interest a reasonable time after such notification to so perform.

(e) Delegation of authority

Not later than June 30, 2008, the Secretary shall issue policies and guidelines for partnership agreements that delegate to the district engineers, at a minimum—

(1) the authority to approve any policy in a partnership agreement that has appeared in an agreement previously approved by the Secretary;

(2) the authority to approve any policy in a partnership agreement the specific terms of which are dictated by law or by a final feasibility study, final environmental impact statement, or other final decision document for a water resources project;

(3) the authority to approve any partnership agreement that complies with the policies and guidelines issued by the Secretary; and

(4) the authority to sign any partnership agreement for any water resources project unless, within 30 days of the date of authorization of the project, the Secretary notifies the district engineer in which the project will be carried out that the Secretary wishes to retain the prerogative to sign the partnership agreement for that project.

(f) Report to Congress

Not later than 2 years after November 8, 2007, and every year thereafter, the Secretary shall submit to Congress a report detailing the following:

(1) The number of partnership agreements signed by district engineers and the number of partnership agreements signed by the Secretary.

(2) For any partnership agreement signed by the Secretary, an explanation of why delegation to the district engineer was not appropriate.

(g) Public availability

Not later than 120 days after November 8, 2007, the Chief of Engineers shall—

(1) ensure that each district engineer has made available to the public, including on the Internet, all partnership agreements entered into under this section within the preceding 10 years and all partnership agreements for water resources projects currently being carried out in that district; and

(2) make each partnership agreement entered into after November 8, 2007, available to the public, including on the Internet, not later than 7 days after the date on which such agreement is entered into.

(h) Effective date

This section shall not apply to any project the construction of which was commenced before January 1, 1972, or to the assurances for future demands required by the Water Supply Act of 1958, as amended (43 U.S.C. 390b).

Amendments

2018—Subsec. (b)(1). Pub. L. 115–270 substituted "(including an Indian tribe and a tribal organization (as those terms are defined in section 5304 of title 25)); or" for "(including a federally recognized Indian tribe and, as defined in section 1602 of title 43, a Native village, Regional Corporation, and Village Corporation); or".

Subsec. (b)(1). Pub. L. 114–322 inserted "and, as defined in section 1602 of title 43, a Native village, Regional Corporation, and Village Corporation" after "Indian tribe".

Subsec. (a)(4)(C). Pub. L. 113–121, §1018(a)(2), added text of subpar. (C) and struck out text of former subpar. (C) which read as follows: "In any case in which
the non-Federal interest is to receive credit under subparagraph (A)(ii) for the cost of work carried out by the non-Federal interest and such work has not been carried out as of November 8, 2007, the Secretary and the non-Federal interest shall enter into an agreement under which the non-Federal interest shall carry out such work, and only work carried out following the execution of the agreement shall be eligible for credit.

Subsec. (a)(4)(E) to (H). Pub. L. 115–121, §1018(a)(4), (5), added subpars. (E) to (G) and redesignated former subpars. (E) as (H).

Subsec. (a)(4)(H)(i). Pub. L. 113–121, §1018(a)(6)(A), inserted “; and to water resources projects authorized prior to November 17, 1986, if correction of design deficiencies is necessary” before period at end.

Subsec. (a)(5). Pub. L. 115–121, §1018(a)(7), struck out former subsec. (a), which read as follows: “After December 31, 1970, the construction of any water resources project, or an acceptable separable element thereof, by the Secretary of the Army, acting through the Chief of Engineers, or by a non-Federal interest where such interest will be reimbursed for such construction under the provisions of section 19623–5a of this title or under any other provision of law, shall not be commenced until each non-Federal interest has entered into a written agreement with the Secretary of the Army to furnish its required cooperation for the project or the appropriate element of the project, as the case may be; except that no such agreement shall be required if the Secretary determines that the administrative costs associated with negotiating, executing, or administering the agreement would exceed the amount of the contribution required from the non-Federal share of the cost of a study for, or construction or operation and maintenance of, a water resources project, the specific provision of law shall apply instead of this paragraph.”

Subsec. (a). Pub. L. 110–114, §2003(a)(2), added subsec. (a) and struck out former subsec. (a), which read as follows: “After December 31, 1970, the construction of any water resources project, or an acceptable separable element thereof, by the Secretary of the Army, acting through the Chief of Engineers, or by a non-Federal interest where such interest will be reimbursed for such construction under the provisions of section 19623–5a of this title or under any other provision of law, shall not be commenced until each non-Federal interest has entered into a written agreement with the Secretary of the Army to furnish its required cooperation for the project or the appropriate element of the project, as the case may be; except that no such agreement shall be required if the Secretary determines that the administrative costs associated with negotiating, executing, or administering the agreement would exceed the amount of the contribution required from the non-Federal interest and are less than $25,000. In any such agreement entered into by a State, or a body politic of the State which derives its powers from the State constitution, or a governmental entity created by the State legislature, the agreement may reflect that it does not obligate future State legislative appropriations for such performance and payment when obligating future appropriations would be inconsistent with State constitutional or statutory limitations.”

Effective Date of 2014 Amendment
Pub. L. 113–121, title I, §1018(c), June 10, 2014, 128 Stat. 1226, provided that: “The amendments made by subsections (a) and (b) (amending this section and provisions set out as a note under this section) take effect on November 8, 2007.”

Effective Date of 2007 Amendment
Pub. L. 110–114, title II, §2003(e), Nov. 8, 2007, 121 Stat. 1707, as amended by Pub. L. 113–121, title I, §1018(b), June 10, 2014, 128 Stat. 1225, provided that: “The amendments made by subsections (a), (b), and (d) (amending this section and provisions set out as a note under this section) only apply to partnership agreements entered into after the date of enactment of this Act (Nov. 8, 2007); except that, at the request of a non-Federal interest for a project, the district engineer for the district in which the project is located may amend a project partnership agreement entered into on or before such date and under which construction on the project, or construction of design deficiency corrections on the project, has not been initiated, or under which construction of the project has not been completed and the work to be performed by the non-Federal interests has not been carried out and is creditable only toward any remaining non-Federal cost share, as of such date of enactment for the purpose of incorporating such amendments.”

LOCAL GOVERNMENT WATER MANAGEMENT PLANS
Pub. L. 115–270, title I, §1164, Oct. 23, 2018, 132 Stat. 3797, provided that: “With the consent of the non-Federal interest for a feasibility study for a water resources development project, the Secretary (of the Army) may enter into a written agreement under section 221(a) of the Flood Control Act of 1970 [42 U.S.C. 19624–5(b)(a)], with a unit of local government in the watershed that has adopted a local or regional water management plan, to allow the unit of local government to participate in the feasibility study to determine if there is an opportunity to include additional feasible elements in the project in order to help achieve the purposes identified in the local or regional water management plan.”

GUIDELINES
Pub. L. 113–121, title I, §1018(d), June 10, 2014, 128 Stat. 1226, provided that:

“(1) IN GENERAL.—Not later than 1 year after the date of enactment of this Act [June 10, 2014], the Secretary (of the Army) shall update any guidance or regulations for carrying out section 221(a)(4) of the Flood Control Act of 1970 [42 U.S.C. 19624–5(b)(4)] (as amended by subsection (a)) that are in effect on the date of enactment of this Act or issue new guidelines, as determined to be appropriate by the Secretary.”
“(2) INCLUSIONS.—Any guidance, regulations, or guidelines updated or issued under paragraph (1) shall include, at a minimum—

(A) the milestone for executing an in-kind memorandum of understanding for construction by a non-Federal interest;

(B) criteria and procedures for evaluating a request to execute an in-kind memorandum of understanding for construction by a non-Federal interest that is earlier than the milestone under subparagraph (A) for that execution; and

(C) criteria and procedures for determining whether work carried out by a non-Federal interest is integral to a project.

(3) PUBLIC AND STAKEHOLDER PARTICIPATION.—Before issuing any new or revised guidance, regulations, or guidelines or any subsequent updates to those documents, the Secretary shall—

(A) consult with affected non-Federal interests;

(B) publish the proposed guidelines developed under this subsection in the Federal Register; and

(C) provide the public with an opportunity to comment on the proposed guidelines.

OTHER CREDIT

Pub. L. 113–121, title I, §1018(c), June 10, 2014, 128 Stat. 1226, provided that: “Nothing in section 221(a)(4) of the Flood Control Act of 1970 (42 U.S.C. 1962d–5a(4)) (as amended by subsection (a)) affects any eligibility for credit under section 104 of the Water Resources Development Act of 1986 (33 U.S.C. 2214) that was approved by the Secretary of the Army prior to the date of enactment of this Act [June 10, 2014].”

PARTNERSHIP AND COOPERATION AGREEMENTS; REFERENCES

Pub. L. 110–114, title II, §2003(a), Nov. 8, 2007, 121 Stat. 1070, provided that:

“(1) IN GENERAL.—A goal of agreements entered into under section 221 of the Flood Control Act of 1970 (42 U.S.C. 1962d–5b) shall be to further partnership and cooperation, and the agreements shall be referred to as ‘partnership agreements’.

“(2) REFERENCES TO COOPERATION AGREEMENTS.—Any reference in a law, regulation, document, or other paper of the United States to a ‘cooperation agreement’ or ‘project cooperation agreement’ shall be deemed to be a reference to a ‘partnership agreement’ or a ‘project partnership agreement’, respectively.

“(3) REFERENCES TO PARTNERSHIP AGREEMENTS.—Any reference to a ‘partnership agreement’ or ‘project partnership agreement’ in this Act [see Short Title of 2007 Amendment note set out under section 2201 of Title 33, Navigation and Navigable Waters] (other than this section) shall be deemed to be a reference to a ‘cooperation agreement’ or a ‘project cooperation agreement’, respectively.

COMPLIANCE WITH COOPERATION REQUIREMENTS FOR NON-FEDERAL INTERESTS IN WATER RESOURCES PROJECTS

“(1) The Secretary may require compliance with any requirements pertaining to cooperation by non-Federal interests in carrying out any water resources project authorized before, on, or after the date of enactment of this Act [Nov. 17, 1986].

“(2) Whenever on the basis of any information available to the Secretary, the Secretary finds that any non-Federal interest is not providing cooperation required under subsection (a) [amending this section], the Secretary may issue an order requiring such non-Federal interest to provide such cooperation.

“(3) Non-Federal interests shall be liable for interest on any payments required pursuant to section 221 of the Flood Control Act of 1970 [this section] that may fall delinquent. The interest rate to be charged on any such delinquent payment shall be at a rate, to be determined by the Secretary of the Treasury, equal to 150 percent of the average bond equivalent rate of the thirteen-week Treasury bills auctioned immediately prior to the date on which such payment became delinquent, or auctioned immediately prior to the beginning of each additional three-month period if the period of delinquency exceeds three months.

“(4) The Secretary may request the Attorney General to bring a civil action for appropriate relief, including permanent or temporary injunction, for payment of damages or, for any violation of an order issued under this section, to recover any cost incurred by the Secretary in undertaking performance of any item of cooperation under section 221(d) of the Flood Control Act of 1970 (subsection (d) of this section), or to collect interest for which a non-Federal interest is liable under paragraph (3). Any action under this subsection may be brought in the district court of the United States for the district in which the defendant is located or resides, or is doing business, and such court shall have jurisdiction to restrain such violation, to require compliance, to require payment of any damages, and to require payment of any costs incurred by the Secretary in undertaking performance of any such item.

“(5) The Secretary is authorized to determine that no funds appropriated for operation and maintenance, including operation and maintenance of the project for flood control, Mississippi River and Tributaries, are to be used for the particular benefit of projects within the jurisdiction of any non-Federal interest when such non-Federal interest is in arrears for more than twenty-four months in the payment of charges due under an agreement entered into with the United States pursuant to section 221 of the Flood Control Act of 1970 (Public Law 91–611) [this section].”

§ 19624–5c. Non-Federal public bodies, installment construction payments

(a) Annual installments during period of construction in absence of other provision for extended repayment

In connection with any water resource development project, heretofore, herein, or hereafter authorized to be undertaken by the Secretary of the Army, the construction of which has not been initiated as of March 7, 1974, where authorization requires that non-Federal public bodies make an agreed-upon cash contribution as part of their reimbursement to the Federal Government for construction costs, or a specific portion of the construction costs, and where there exists no other provision of law which would permit extended repayment for the construction costs or such specific portion of the construction costs involved, such non-Federal public bodies may make such repayment in annual installments during the period of construction.

(b) Cost sharing; modification

Upon the request of affected non-Federal public bodies, the Secretary of the Army is authorized to modify existing cost sharing agreements in order to effectuate the provisions of subsection (a) of this section.

CONSTRUCTION

Section was enacted as part of the Water Resources Development Act of 1974, and not as part of the Water Resources Planning Act which comprises this chapter.
§ 1962d–5d. Authorization of Secretary of the Army to contract with States and political subdivisions for increased law enforcement services during peak visitation periods; authorization of appropriations

(a) The Secretary of the Army, acting through the Chief of Engineers, is authorized to contract with States and political subdivisions for the purpose of obtaining increased law enforcement services at water resources development projects under the jurisdiction of the Secretary of the Army to meet needs during peak visitation periods.

(b) There is authorized to be appropriated $10,000,000 per fiscal year for each fiscal year beginning after September 30, 1986, to carry out this section.

Codification

Section was enacted as part of the Water Resources Development Act of 1976, and not as part of the Water Resources Planning Act which comprises this chapter.

Amendments

1986—Subsec. (b). Pub. L. 99–662 amended subsec. (b) generally, substituting "$10,000,000 per fiscal year for each fiscal year beginning after September 30, 1986" for "$6,000,000 per fiscal year for the fiscal years ending September 30, 1978, and September 30, 1979".

§ 1962d–5e. Wetland areas

(a) Authorization of Secretary of the Army to plan and establish wetland areas; criteria for establishment

The Secretary of the Army, acting through the Chief of Engineers, is authorized to plan and establish wetland areas as part of an authorized water resources development project under his jurisdiction. Establishment of any wetland area in connection with the dredging required for such a water resources development project may be undertaken in any case where the Chief of Engineers in his judgment finds that—

(1) environmental, economic, and social benefits of the wetland area justify the increased cost thereof above the cost required for alternative methods of disposing of dredged material for such project; and

(2) the increased cost of such wetland area will not exceed $400,000; and

(3) there is reasonable evidence that the wetland area to be established will not be substantially altered or destroyed by natural or man-made causes.

(b) Reports to Congress

Whenever the Secretary of the Army, acting through the Chief of Engineers, submits to Congress a report on a water resources development project after October 22, 1976, such report shall include, where appropriate, consideration of the establishment of wetland areas.

(c) Cost

In the computation of benefits and cost of any water resources development project the benefits of establishing of any wetland area shall be deemed to be at least equal to the cost of establishing such area. All costs of establishing a wetland area shall be borne by the United States.

Codification

Section was enacted as part of the Water Resources Development Act of 1976, and not as part of the Water Resources Planning Act which comprises this chapter.

§ 1962d–5f. Beach nourishment

(a) In general

The Secretary of the Army, acting through the Chief of Engineers, is authorized to provide periodic beach nourishment in the case of each water resources development project where such nourishment has been authorized for a limited period for such additional period as he determines necessary but in no event shall such additional period extend beyond the fiftieth year which begins after the date of initiation of construction of such project.

(b) Review

(1) In general

Notwithstanding subsection (a), the Secretary shall, at the request of the non-Federal interest, carry out a study to determine the feasibility of extending the period of nourishment described in subsection (a) for a period not to exceed 15 additional years beyond the maximum period described in subsection (a).

(2) Timing

The 15 additional years provided under paragraph (1) shall begin on the date of initiation of construction of congressionally authorized nourishment.

(c) Plan for reducing risk to people and property

(1) In general

As part of the review described in subsection (b), the non-Federal interest shall submit to the Secretary a plan for reducing risk to people and property during the life of the project.

(2) Inclusion of plan in recommendation to Congress

The Secretary shall include the plan described in subsection (a) in the recommendations to Congress described in subsection (d).

(d) Report to Congress

Upon completion of the review described in subsection (b), the Secretary shall—

(1) submit to the Committee on Environment and Public Works of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives any recommendations of the Secretary related to the review; and

(2) include in the subsequent annual report to Congress required under section 2282d of title 33, any recommendations that require specific congressional authorization.

(e) Special rule

Notwithstanding any other provision of this section, for any existing authorized water resources development project for which the maximum period for nourishment described in subsection (a) will expire within the 10-year period
beginning on June 10, 2014, that project shall remain eligible for nourishment for an additional 6 years after the expiration of such period.

CODIFICATION

AMENDMENTS

§ 1962d–5g. Hydroelectric power resources
(a) Study; plan
The Secretary of the Army, acting through the Chief of Engineers, is authorized and directed to conduct a study of the most efficient methods of utilizing the hydroelectric power resources at water resource development projects under the jurisdiction of the Secretary of the Army and to prepare a plan based upon the findings of such study. Such study shall include, but not be limited to, an analysis of—

(1) the physical potential for hydroelectric development, giving consideration to the economic, social, environmental and institutional factors which will affect the realization of physical potential;

(2) the magnitude and regional distribution of needs for hydroelectric power;

(3) the integration of hydroelectric power generation with generation from other types of generating facilities;

(4) measures necessary to assure that generation from hydroelectric projects will efficiently contribute to meeting the national electric energy demands;

(5) the timing of hydroelectric development to properly coincide with changes in the demand for electric energy;

(6) conventional hydroelectric potential, both high head and low head projects utilizing run-of-rivers and possible advances in mechanical technology, and pumped storage hydroelectric potential at sites which evidence such potential;

(7) the feasibility of adding or reallocating storage and modifying operation rules to increase power production at corps projects with existing hydroelectric installations;

(8) measures deemed necessary or desirable to insure that the potential contribution of hydroelectric resources to the overall electric energy supply are realized to the maximum extent possible; and

(9) any other pertinent factors necessary to evaluate the development and operation of hydroelectric projects of the Corps of Engineers.

(b) Transmittal of plan to Congressional committees
Within three years after the date of the first appropriation of funds for the purpose of carrying out this section, the Secretary of the Army, acting through the Chief of Engineers, shall transmit the plan prepared pursuant to subsection (a) with supporting studies and documentation, together with the recommendations of the Secretary and the Chief of Engineers on such plan, to the Committee on Environment and Public Works of the Senate and the Committee on Public Works and Transportation of the House of Representatives.

(c) Authorization of appropriation
There is authorized to be appropriated to carry out subsections (a) and (b) of this section not to exceed $7,000,000.

(d) Feasibility studies of specific hydroelectric power installations; authorization of appropriations
The Secretary of the Army, acting through the Chief of Engineers, is authorized with respect to previously authorized projects to undertake feasibility studies of specific hydroelectric power installations that are identified in the course of the study authorized by this section, as having high potential for contribution toward meeting regional power needs. There is authorized to be appropriated to carry out this subsection not to exceed $5,000,000 per fiscal year for each of the fiscal years 1978 and 1979.

CODIFICATION
Section was enacted as part of the Water Resources Development Act of 1976, and not as part of the Water Resources Planning Act which comprises this chapter.

AMENDMENTS

CHANGE OF NAME
Committee on Public Works and Transportation of House of Representatives treated as referring to Committee on Transportation and Infrastructure of House of Representatives by section 1(a) of Pub. L. 104–14, set out as a note preceding section 21 of Title 2, The Congress.

FEDERAL HYDROELECTRIC POWER MODERNIZATION STUDY
Pub. L. 100–676, § 42, Nov. 17, 1988, 102 Stat. 4040, directed Secretary to conduct a study of need to modernize and upgrade federally owned and operated hydroelectric power system, and to submit a report, along with recommendations, to Congress not later than 2 years after Nov. 17, 1988.

WATER QUALITY EFFECTS OF HYDROELECTRIC FACILITIES
Pub. L. 100–676, § 43, Nov. 17, 1988, 102 Stat. 4040, directed Secretary, in cooperation with Administrator of Environmental Protection Agency, to undertake a
study of water quality effects of hydroelectric facilities owned and operated by Corps of Engineers, which was to be transmitted to Congress within 2 years of Nov. 17, 1966, and was to consider and include information for each such Corps of Engineers hydroelectric facility pertaining to: relevant water quality standards including dissolved oxygen; water quality monitoring data; possible options and projected costs of measures required to improve the quality of water released from each such facility where justified; and recommendations with respect to such study results.

§ 1962d-6. Feasibility studies; acceleration; advancement of costs by non-Federal sources

The Secretary may accelerate feasibility studies authorized by law when and to the extent that the costs of such studies shall have been advanced by non-Federal sources.

CODIFICATION

§ 1962d-7. Delmarva Peninsula hydrologic study; duties of Secretary of the Interior

The Secretary of the Interior (hereinafter referred to as the “Secretary”) is authorized and directed to make a comprehensive study and investigation of the water resources of the Delmarva Peninsula with a view to determining the availability of fresh water supplies needed to meet the anticipated future water requirements of the Delmarva Peninsula area, and with a view to determining the most effective means from the standpoint of hydrologic feasibility of protecting and developing fresh water sources so as to insure, insofar as practicable, the availability of adequate water supplies in the future. In carrying out such study and investigation with respect to the Delmarva Peninsula, the Secretary shall:

1. Appraise the water use, requirements, and trends, and determine the availability of water in the streams and underground sources for the entire peninsula;
2. Determine the depths, thicknesses, and permeabilities, the perennial yield, and the recharge characteristics of major aquifers, and the quality characteristics to be expected from each such major aquifer;
3. Determine with respect to ground water resources the continuity and extent of important water-bearing formations;
4. Determine the yield from stream systems under natural flow conditions and under varying degrees of storage and the amounts and quality of waters available from such systems during drought, flood, and intermediate conditions;
5. Determine whether sea water has moved inland into heavily pumped coastal aquifers;
6. Give special consideration to conditions which may invite the invasion of sea water into fresh-water supplies;
7. Compile and make available to appropriate State and local officials any results of this study and investigation that would be appropriate for their use in long-range planning, development, and management of water supplies;
8. Cooperate with State and local agencies for the purpose of using any information and data available to carry out the purposes of this study; and
9. Consider such other matters as the Secretary may deem appropriate to the study and investigation herein authorized.

WASHINGTOn METROPOLITAN AREA WATER NEEDS AND ESTUARIAL WATER SUPPLIES; STUDIES

Pub. L. 93–251, title I, §§ 85, Mar. 7, 1974, 88 Stat. 36, provided in part for a study of Washington Metropolitan Area Future Water Needs, coordinated with Northeastern United States Water Supply study, and for a study of Estuarial Water Supplies, including a Potomac Estuary Water Treatment Pilot Project, for review of scientific basis for study conclusions by National Academy of Sciences-National Academy of Engineering, and made further authorizations for Sixes Bridge Dam and Lake Project, Maryland dependent on such studies and review.

§ 1962d-8. Reports on Delmarva Peninsula hydrologic study

During the course of the study and investigation authorized by sections 1962d–7 to 1962d–11 of this title, the Secretary may submit to the President for transmission to the Congress such interim reports as the Secretary may consider desirable. The Secretary shall submit a final report to the President for transmission to the Congress not more than six years after October 4, 1966.

CODIFICATION

Section was not enacted as part of the Water Resources Planning Act which comprises this chapter.

§ 1962d-9. Information from Federal agencies for Delmarva Peninsula study

The Secretary is authorized to secure directly from any executive department, bureau, agency, board, commission, office, independent establishment, or instrumentality of the Federal Government, information, suggestions, estimates, and statistics for the purpose of sections 1962d–7 to 1962d–11 of this title, and each department, bureau, agency, board, commission, office, independent establishment, or instrumentality is authorized and directed to furnish such information, suggestions, estimates, and statistics, to the Secretary upon his or his designee’s request.

CODIFICATION

Section was not enacted as part of the Water Resources Planning Act which comprises this chapter.

§ 1962d-10. Cooperation with agencies on Delmarva Peninsula study

In carrying out the study and investigation authorized by sections 1962d–7 to 1962d–11 of this title, the Secretary is authorized to cooperate with other Federal, State, and local agencies
now engaged in comprehensive planning for water resource use and development in the Delmarva Peninsula area by making available to those agencies his findings and to cooperate with those agencies in the Northeastern United States Water Supply Study as authorized by section 1962d–4 of this title.

Codification
Section was not enacted as part of the Water Resources Planning Act which comprises this chapter.

§ 1962d–11. Authorization of appropriation for Delmarva Peninsula study

There is hereby authorized to be appropriated the sum of $500,000 to carry out the provisions of sections 1962d–7 to 1962d–11 of this title: Provided, That nothing in such sections shall prevent the expenditure of other funds appropriated to the United States Geological Survey for studies and activities performed under its general authority.

Change of Name

§ 1962d–11a. Potomac River water diversion structure

(a) Consent of Congress for construction; written agreement providing schedule for allocation among parties for withdrawal of waters

(1) Subject to paragraph (2) of this subsection, the consent of Congress is granted under section 401 of title 33 to the Washington Suburban Sanitary Commission to construct a water diversion structure, with an elevation not to exceed one hundred and fifty-nine feet above sea level, from the north shore of the Potomac River at the Washington Suburban Sanitary Commission water filtration plant to the north shore of Watkins Island.

(2) The structure authorized by paragraph (1) of this subsection, may not be constructed until the Secretary of the Army, acting through the Chief of Engineers, the State of Maryland, the Commonwealth of Virginia, the Washington Suburban Sanitary Commission, and such other governmental authorities as the Secretary of the Army, the State of Maryland, and the Commonwealth of Virginia deem desirable signatories enter into a written agreement providing an enforceable schedule for allocation among the parties to such agreement for the withdrawal of the waters of that portion of the Potomac River located between Little Falls Dam and the farthest upstream limit of the pool of water behind the Chesapeake and Ohio Canal Company rubble dam at Seneca, Maryland, during periods of low flow of such portion of such river.

(b) Authorization of Secretary of the Army to enter written agreement; amendments or revisions

The Secretary of the Army, acting through the Chief of Engineers, is authorized to enter into the agreement referred to in subsection (a)(2) of this section and any amendment to or revision of such agreement.

(c) Riparian rights or other authority of Maryland, Virginia, political subdivisions; authority of District of Columbia

Except as may be provided in the agreement referred to in subsection (a)(2) of this section, nothing in this section shall alter any riparian rights or other authority of the State of Maryland, or any political subdivision thereof, the Commonwealth of Virginia, or any political subdivision thereof, or the District of Columbia, or authority of the Corps of Engineers existing on October 22, 1976, relative to the appropriation of water from, or the use of, the Potomac River.

Codification
Section was enacted as part of the Water Resources Development Act of 1976, and not as part of the Water Resources Planning Act which comprises this chapter.

Amendments
1980—Subsec. (a)(2). Pub. L. 96–292 struck out cl. “(A)” designation and cl. (B) which prohibited construction of the Potomac River water diversion structure should such structure be in conflict with the report of the Secretary of the Army, acting through the Chief of Engineers, issued in connection with a study of water resources development.

§ 1962d–11b. Dalecarlia Reservoir; delivery of water to metropolitan Maryland; expenses; payments; purchase of water from State or local authorities in Maryland or Virginia

(a) The Secretary, on the recommendation of the Chief of Engineers, is authorized to permit the delivery of water from the District of Columbia water system at the Dalecarlia filtration plant, or at other points on the system, to any competent State or local authority in the Washington, District of Columbia, metropolitan area in Maryland. All of the expense of installing the connection or connections and appurtenances between the water supply systems and any subsequent changes therein shall be paid by the requesting entity, which shall also pay such charges for the use of the water as the Secretary may, from time to time in advance of delivery, determine to be reasonable. Payments shall be made at such time, and pursuant to such regulations, as the Secretary prescribes. The Secretary may revoke any permit for the use of water at any time.

(b) The Secretary is authorized to purchase water from any State or local authority in Maryland or Virginia that has, at the time of purchase, completed a connection with the District of Columbia water system. The Secretary is authorized to pay such charges for the use of the water as the Secretary has agreed upon in advance of delivery.

Section was enacted as part of the Water Resources Development Act of 1986, and not as part of the Water Resources Planning Act which comprises this chapter.

DEFINITIONS

Secretary means the Secretary of the Army, see section 2201 of Title 33, Navigation and Navigable Waters.

Section 1962d–12, act Aug. 9, 1955, ch. 682, § 1, 69 Stat. 618, authorized Secretary of the Interior to make investigations of projects for conservation, development, and utilization of Alaskan water resources and to report findings, with recommendations, to President and Congress.

Section 1962d–13, act Aug. 9, 1955, ch. 682, § 2, 69 Stat. 618, directed Secretary of the Interior, prior to transmission of report on Alaskan water resource projects to Congress, to transmit copies thereof for information and comment to Governor of Alaska and to heads of interested Federal departments and agencies, and to include copies of views of such officials along with transmission of Secretary's report to Congress.

Section 1962d–14, act Aug. 9, 1955, ch. 682, § 3, 69 Stat. 618, authorized to be appropriated not more than $250,000 in any one fiscal year for Alaskan water resource investigation.

§ 1962d–14a. Alaska hydroelectric power development

(a) Congressional findings and declaration

(1) The Congress finds that the expeditious development of hydroelectric power generating facilities in Alaska that are environmentally sound to assist the Nation in meeting existing and future energy demands is in the national interest.

(2) The Congress therefore declares that the expertise of the Chief of Engineers can and should be utilized for the benefit of local public bodies in the development of projects which yield 90 per centum or more of the benefits of the project are attributable to hydroelectric power generation when the project is fully operational.

(b) Establishment of fund; composition

To meet the goals of this section, there is hereby established in the Treasury of the United States an Alaska Hydroelectric Power Development Fund (hereafter referred to as the “fund”) to be and remain available for use by the Secretary of the Army (hereinafter referred to as the “Secretary”) to make expenditures authorized by this section. The fund shall consist of (1) all receipts and collections by the Secretary of repayments in accordance with subsection (e) of this section and payments by non-Federal public authorities to the Secretary to finance the cost of construction of projects in accordance with subsection (f) of this section, and which the Secretary is hereby directed to deposit in the fund as they are received, and (2) any appropriations made by the Congress to the fund.

(c) Authorization of appropriation

There is authorized to be appropriated to the Secretary for deposit in the fund established by subsection (b) of this section the sum of $25,000,000.

(d) Investments; deposits

(1) If the Secretary determines that moneys in the fund are in excess of current needs, he may request the investment of such amounts as he deems advisable by the Secretary of the Treasury in direct, general obligations of, or obligations guaranteed as to both principal and interest by, the United States.

(2) With the approval of the Secretary of the Treasury, the Secretary may deposit moneys of the fund in any Federal Reserve bank or other depository for funds of the United States, or in such other banks and financial institutions and under such terms and conditions as the Secretary and the Secretary of the Treasury may mutually agree.

(e) Expenditures for phase I design memorandum stage of advanced engineering and design; withholding of favorable report to Congress prior to repayment; expenditures from non-Federal funds

The Secretary is authorized to make expenditures from the fund for the phase I design memorandum stage of advanced engineering and design for any project in Alaska that meets the requirements of subsection (a)(2) of this section, if appropriate non-Federal public authorities, approved by the Secretary, agree with the Secretary, in writing, to repay the Secretary for all the separable and joint costs of preparing such design memorandum, if such report is favorable. Following the completion of the phase I design memorandum stage of advanced engineering and design under this subsection, the Secretary shall not transmit any favorable report to Congress prior to being repaid in full by the appropriate non-Federal public authorities for the costs incurred during such phase I. The Secretary is also authorized to make expenditures from non-Federal funds deposited in the fund as an advance against construction costs.

(f) Authorization to construct projects; expenditures

In connection with water resources development projects which meet the criteria established by subsection (a)(2) of this section and which are to be constructed by the Secretary, acting through the Chief of Engineers, in accordance with an authorization by Congress and a contract between the non-Federal public authorities and the Secretary, pursuant to subsection (g)(1) of this section occurring on or subsequent to October 22, 1976, the Secretary, acting through the Chief of Engineers, is authorized to construct such projects including activities for engineering and design land acquisition, site development, and off-site improvements necessary for the authorized construction by making expenditures from (1) the Fund established in subsection (b) of this section of funds deposited by non-Federal public authorities as payments for construction and (2) payments of non-Federal public authorities held by the Secretary as payment of construction costs for a project authorized by this section.
(g) Agreement with non-Federal public authorities and submittal to Congressional committees, payment of total non-Federal obligations; conditions of United States assumption of excess over costs fixed in agreement, payments subject to appropriations acts

(1) Prior to initiating any construction work under the authorities of this section, the Secretary and the appropriate non-Federal public authorities shall agree in writing, and submit such agreement to the Committees on Environment and Public Works and on Appropriations of the Senate and the Committees on Public Works and Transportation and on Appropriations of the House of Representatives for review and reporting to the Congress for its consideration and approval that the appropriate non-Federal public authorities will pay the full anticipated costs of constructing the project at the time such costs are incurred, together with normal contingencies and related administrative expenses of the Secretary, and such payments shall be deposited in the fund or held by the Secretary for payment of obligations incurred by the Secretary on an authorized project under this section. The agreement shall provide for an initial determination of feasibility and compliance by the project with law. The total non-Federal obligation shall be paid on or prior to the date the Chief of Engineers has estimated by agreement, that the project concern will be available for actual generation of all or a substantial portion of the authorized hydroelectric power of the project.

(2) In consideration of the obligations to be assumed by non-Federal public authorities under the provisions of this section and in recognition of the substantial investments which will be made by these authorities in reliance on the program established by this section, the United States shall assume the responsibility for paying for all costs over those fixed in the agreement with the non-Federal public authorities, if such costs are occasioned by acts of God, failure on the part of the Secretary, acting through the Chief of Engineers, to adhere to the agreed schedule of work or a failure of design: Provided, That payments by the Secretary of such costs shall be subject to appropriations acts.

(h) Conveyance of title, rights, and interests of United States; Federal requirements, reservations, and provisions

The Secretary is authorized and directed, pursuant to the agreement, to convey all title, rights, and interests of the United States to any project, its lands and water areas, and appurtenant facilities to the non-Federal public authorities which have agreed to assume ownership of the project and responsibility for its performance, operation, and maintenance, as well as necessary replacements in accordance with this section upon full payment by such non-Federal public authorities as required under subsection (g)(1) of this section. Such conveyance shall, pursuant to the agreement required by subsection (g) of this section, to the maximum extent possible, occur immediately upon the project’s availability for generation of all or a substantial portion of the authorized hydroelectric power of the project, and shall include such Federal requirements, reservations, and provisions for access rights to the project and its records as the Secretary finds advisable to complete any portion of project construction remaining at the time of conveyance and to assure that the project will be operated and maintained in a responsible and safe manner to accomplish, as nearly as may be possible, all of the authorized purposes of the project including, but not restricted to, hydroelectric power generation.

(i) Short title

This section shall be cited as the “Alaska Hydroelectric Power Development Act”.

§ 1962d–15. Protection of United States from liability for damages; exception of damages due to fault or negligence of United States

The requirement in any water resources development project under the jurisdiction of the Secretary of the Army, that non-Federal interests hold and save the United States free from damages due to the construction, operation, and maintenance of the project, does not include damages due to the fault or negligence of the United States or its contractors.

AMENDMENTS

CHANGE OF NAME

Committee on Public Works and Transportation of House of Representatives treated as referring to Committee on Transportation and Infrastructure of House of Representatives by section 1(a) of Pub. L. 104–14, set out as a note preceding section 21 of Title 2, The Congress.

§ 1962d–16. Comprehensive plans for development, utilization, and conservation of water and related resources

(a) Federal State cooperation

(1) Comprehensive plans

The Secretary of the Army, acting through the Chief of Engineers, is authorized to cooperate with any State, group of States, non-Federal interest working with a State or group of States, or regional coalition of governmental entities in the preparation of comprehensive plans for the development, utilization, and conservation of the water and re-
lated resources of drainage basins, watersheds, or ecosystems located within the boundaries of such State, interest, or entity, including plans to comprehensively address water resources challenges, and to submit to Congress reports and recommendations with respect to appropriate Federal participation in carrying out such plans.

(2) Technical assistance

(A) In general
At the request of a governmental agency or non-Federal interest, the Secretary may provide technical assistance to such agency or non-Federal interest in managing water resources.

(B) Types of assistance
Technical assistance under this paragraph may include provision and integration of hydrologic, economic, and environmental data and analyses.

(3) Institution of higher education
Notwithstanding section 236 of title 10, in carrying out this subsection, the Secretary may work with an institution of higher education, as determined appropriate by the Secretary.

(b) Fees

(1) Establishment and collection
For the purpose of recovering 50 percent of the total cost of providing assistance pursuant to subsection (a), the Secretary of the Army is authorized to establish appropriate fees, as determined by the Secretary, and to collect such fees from States and other non-Federal public bodies to whom assistance is provided under subsection (a).

(2) Contributed funds
The Secretary may accept and expend funds in excess of the fees established under paragraph (1) that are provided by a State or other non-Federal interest for assistance under this section.

(3) In-kind services
The non-Federal contribution for preparation of a plan subject to the cost sharing program under this subsection may be made by the provision of services, materials, supplies, or other in-kind services necessary to prepare the plan.

(4) Deposit and use
Fees collected under this subsection shall be deposited into the account in the Treasury of the United States entitled, "Contributions and Advances, Rivers and Harbors, Corps of Engineers (8862)" and shall be available until expended to carry out this section.

(c) Authorization of appropriations

(1) Federal and State cooperation
There is authorized to be appropriated not to exceed $30,000,000 annually to carry out subsection (a)(1), except that not more than $5,000,000 in Federal funds shall be expended in any one year in any one State. The Secretary may allow 2 or more States to combine all or a portion of the funds that the Secretary makes available to the States in carrying out subsection (a)(1).

(2) Technical assistance
There is authorized to be appropriated $15,000,000 annually to carry out subsection (a)(2), of which not more than $2,000,000 annually may be used by the Secretary to enter into cooperative agreements with nonprofit organizations to provide assistance to rural and small communities.

(d) Annual submission of proposed activities
Concurrent with the President's submission to Congress of the President's request for appropriations for the Civil Works Program for a fiscal year, the Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate a report describing the individual activities proposed for funding under subsection (a)(1) for that fiscal year.

(e) "State" defined
For the purposes of this section, the term "State" means the several States of the United States, Indian tribes, the Commonwealth of Puerto Rico, Guam, American Samoa, the Virgin Islands, the Commonwealth of the Northern Mariana Islands, and the Trust Territory of the Pacific Islands.

(f) Special rule
The cost-share for assistance under this section provided to Indian tribes, the Commonwealth of Puerto Rico, Guam, American Samoa, the Virgin Islands, the Commonwealth of the Northern Mariana Islands, and the Trust Territory of the Pacific Islands shall be as provided under section 2310 of title 33.

Prior to amendment, text read as follows: "The Secretary of the Army, acting through the Chief of Engineers, is authorized to cooperate with any State, group of States, or non-Federal interest working with a State or group of States in the preparation of comprehensive plans for the development, utilization, and conservation of the water and related resources of drainage basins, watersheds, or ecosystems located within the boundaries of such State or group of States, including plans to comprehensively address water resources challenges, and to submit to Congress reports and recommendations with respect to appropriate Federal participation in carrying out such plans."

CONCLUSION

Section was enacted as part of the Water Resources Development Act of 1974, and not as part of the Water Resources Planning Act which comprises this chapter.

AMENDMENTS

2018—Subsec. (a)(1). Pub. L. 115–270, § 1159(1), amended par. (1) generally. Prior to amendment, text read as follows: "The Secretary of the Army, acting through the Chief of Engineers, is authorized to cooperate with any State, group of States, or non-Federal interest working with a State or group of States in the preparation of comprehensive plans for the development, utilization, and conservation of the water and related resources of drainage basins, watersheds, or ecosystems located within the boundaries of such State or group of States, including plans to comprehensively address water resources challenges, and to submit to Congress reports and recommendations with respect to appropriate Federal participation in carrying out such plans."

Subsec. (c)(1). Pub. L. 114–322, §1128(2), inserted at end “The Secretary may allow 2 or more States to combine all or a portion of the funds that the Secretary makes available to the States in carrying out subsection (a)(1)”.

2014—Subsec. (a)(1). Pub. L. 113–121, §3015(1)(A), inserted “or other non-Federal interest working with a State” before “in any State” and “including plans to comprehensively address water resources challenges,” after “of such State”.

Subsec. (b)(2) to (4). Pub. L. 113–121, §3015(2)(B), (C), added par. (2) and redesignated former pars. (2) and (3) as (3) and (4), respectively.

Subsec. (c)(1). Pub. L. 113–121, §3015(3)(A), substituted “$10,000,000” for “$5,000,000” and “$5,000,000 in Federal funds” for “$2,000,000”.

Subsec. (c)(2). Pub. L. 113–121, §3015(3)(B), substituted “$15,000,000” for “$5,000,000”.

Subsec. (c). Pub. L. 110–114, §2013(5)(7), redesignated existing provisions as par. (1), inserted headings for subsec. (c) and par. (1), substituted “subsection (a)(1)” for “the provisions of this section” and “$2,000,000” for “$500,000”, and added par. (2).

Subsec. (d). (e). Pub. L. 110–114, §2013(8), (9), added subsec. (d) and redesignated former subsec. (d) as (e).

Subsec. (b)(2) to (4). Pub. L. 104–303, §221(2), redesignated pars. (3) and (4) as (2) and (3), respectively, and struck out heading and text of former par. (2). Text read as follows: “The Secretary shall phase in the cost sharing program under this subsection by recovering—

(A) approximately 10 percent of the total cost of providing assistance in fiscal year 1992;

(B) approximately 30 percent of the total cost in fiscal year 1992; and

(C) approximately 50 percent of the total cost in fiscal year 1993 and each succeeding fiscal year.”

Subsec. (c). Pub. L. 104–303, §221(2), substituted “‘$10,000,000’ for ‘$6,000,000’ and ‘$500,000’ for ‘$300,000’”.

Subsec. (b)(3). (4). Pub. L. 102–580, §208(1), added par. (3) and redesignated former par. (3) as (4).

1992—Subsec. (b)(3). Pub. L. 101–404, added subsec. (b) and redesignated former subsecs. (b) and (c) as (c) and (d), respectively.

1986—Subsec. (b). Pub. L. 99–662 substituted “$6,000,000” for “$4,000,000” and “$300,000” for “$200,000”.

1976—Subsec. (b). Pub. L. 94–567 increased limitation on annual appropriation authorization to $1,000,000 from $2,000,000.

RATES USED TO ASSESS RETURN ON FEDERAL GOVERNMENT'S INVESTMENT IN PROJECTS OF ARMY CORPS OF ENGINEERS AND BUREAU OF RECLAMATION

Pub. L. 95–28, title II, §204, May 13, 1977, 91 Stat. 121, provided that: “It is hereby reiterated that the interest rates or rates of discount to be used to assess the return on the Federal Government's investment in projects of the United States Army Corps of Engineers or the Department of the Interior Bureau of Reclamation, shall be those interest rates or rates of discount established by Public Law 93–251, the Water Resources Development Act of 1974 [see Short Title of 1974 Amendment note set out under section 1962d of this title or by any prior law authorizing projects of the United States Army Corps of Engineers or the Department of the Interior Bureau of Reclamation.”

§1962d–18. Study of depletion of natural resources of regions of Colorado, Kansas, New Mexico, Oklahoma, Texas, and Nebraska utilizing Ogallala aquifer; plans; reports to Congress; authorization of appropriation

In order to assure an adequate supply of food to the Nation and to promote the economic vitality of the High Plains Region, the Secretary of Commerce (hereinafter referred to in this section as the “Secretary”), acting through the Economic Development Administration, in cooperation with the Secretary of the Army, acting through the Chief of Engineers, and appropriate Federal, State, and local agencies, and the private sector, is authorized and directed to study the depletion of the natural resources of those regions of the States of Colorado, Kansas, New Mexico, Oklahoma, Texas, and Nebraska presently utilizing the declining water resources of the Ogallala aquifer,\(^1\) and to develop plans to increase water supplies in the area and report thereon to Congress, together with any recommendations for further congressional action. In formulating these plans, the Secretary is directed to consider all past and ongoing studies, plans, and work on depleted water resources in the region, and to examine the feasibility of various alternatives to provide adequate water supplies in the area including, but not limited to, the transfer of water from adjacent areas, such portion to be conducted by the Chief of Engineers to assure the continued economic growth and vitality of the region. The Secretary shall report on the costs of reasonably available options, the benefits of various options, and the costs of inaction. If water transfer is found to be a part of a reasonable solution, the Secretary, as part of his study, shall include a recommended plan for allocating and distributing water in an equitable fashion, taking into account existing water rights and the needs for future growth of all affected areas. An interim report, with recommendations, shall be transmitted to Congress no later than October 1, 1978, and a final report, with recommendations, shall be transmitted to Congress not later than July 1, 1980. A sum of $6,000,000 is authorized to be appropriated for the purposes of carrying out this section.

Codification

Section was enacted as part of the Water Resources Development Act of 1976, and not as part of the Water Resources Planning Act which comprises this chapter.

§1962d–19. Cooperation of Secretary of the Interior with State and local regulatory and law enforcement officials in enforcement of laws or ordinances in connection with Federal resource protection, etc.; water resources development project; funding

The Secretary of the Interior, in connection with Federal resource protection and the Federal administration of the use and occupancy of lands and waters within a water resource development project under his jurisdiction, is authorized to cooperate with the regulatory and law enforcement officials of any State or political subdivision thereof in the enforcement of the laws or ordinances of such State or political subdivision. Such cooperation may include the reimbursement of a State or its political subdivision for expenditures incurred in connection with such resource protection and administration. For purposes of complying with section 651 of title 2, the authorization provided under this section is subject to the availability of appropriations.

Codification

Section was not enacted as part of the Water Resources Planning Act which comprises this chapter.

§1962d–20. Prohibition on Great Lakes diversions

(a) Congressional findings and declarations

The Congress finds and declares that—

(1) the Great Lakes are a most important natural resource to the eight Great Lakes States and two Canadian provinces, providing water supply for domestic and industrial use, clean energy through hydropower production, an efficient transportation mode for moving products into and out of the Great Lakes region, and recreational uses for millions of United States and Canadian citizens;

(2) the Great Lakes need to be carefully managed and protected to meet current and future needs within the Great Lakes basin and Canadian provinces;

(3) any new diversions of Great Lakes water for use outside of the Great Lakes basin will...
have significant economic and environmental impacts, adversely affecting the use of this resource by the Great Lakes States and Canadian provinces; and

(4) four of the Great Lakes are international waters and are defined as boundary waters in the Boundary Waters Treaty of 1909 between the United States and Canada, and as such any new diversion of Great Lakes water in the United States would affect the relations of the Government of the United States with the Government of Canada.

(b) Congressional declaration of purpose and policy

It is therefore declared to be the purpose and policy of the Congress in this section—

(1) to take immediate action to protect the limited quantity of water available from the Great Lakes system for use by the Great Lakes States and in accordance with the Boundary Waters Treaty of 1909;

(2) to encourage the Great Lakes States, in consultation with the Provinces of Ontario and Quebec, to develop and implement a mechanism that provides a common conservation standard embodying the principles of water conservation and resource improvement for making decisions concerning the withdrawal and use of water from the Great Lakes Basin;

(3) to prohibit any diversion of Great Lakes water by any State, Federal agency, or private entity for use outside the Great Lakes basin unless such diversion is approved by the Governor of each of the Great Lakes States; and

(4) to prohibit any Federal agency from undertaking any studies that would involve the transfer of Great Lakes water for any purpose for use outside the Great Lakes basin.

(c) “Great Lakes State” defined

As used in this section, the term “Great Lakes State” means each of the States of Illinois, Indiana, Michigan, Minnesota, Ohio, Pennsylvania, New York, and Wisconsin.

(d) Approval by Governors for diversion of water

No water shall be diverted or exported from any portion of the Great Lakes within the United States, or from any tributary within the United States of any of the Great Lakes, for use outside the Great Lakes basin unless such diversion or export is approved by the Governor of each of the Great Lake States.

(e) Approval of Governors for diversion studies

No Federal agency may undertake any study, or expend any Federal funds to contract for any study, of the feasibility of diverting water from any portion of the Great Lakes within the United States, or from any tributary within the United States of any of the Great Lakes, for use outside the Great Lakes basin, unless such study or expenditure is approved by the Governor of each of the Great Lakes States. The prohibition of the preceding sentence shall not apply to any study or data collection effort performed by the Corps of Engineers or other Federal agency under the direction of the International Joint Commission in accordance with the Boundary Waters Treaty of 1909.

(f) Previously authorized diversions

This section shall not apply to any diversion of water from any of the Great Lakes which is authorized on November 17, 1986.

CODIFICATION

Section was enacted as part of the Water Resources Development Act of 1986, and as part of the Water Resources Planning Act which comprises this chapter.

AMENDMENTS

2000—Subsec. (b)(2) to (4). Pub. L. 106–541, §504(a), added par. (2) and redesignated former pars. (2) and (3) as (3) and (4), respectively.

Subsec. (d). Pub. L. 106–541, §504(b), inserted “or exported” after “diverted” and “or export” after “diversion”.

GREAT LAKES CONSUMPTIVE USE STUDY

Pub. L. 100–4, title V, §521, Feb. 4, 1987, 101 Stat. 88, provided that in recognition of the serious impacts on the Great Lakes environment that could occur as a result of increased consumption of Great Lakes water, including loss of wetlands and reduction of fish spawning and habitat areas, as well as serious economic losses to vital Great Lakes industries, the Secretary of the Army in cooperation with the Administrator, other interested departments, agencies, and instrumentalities of the United States, and the eight Great Lakes States, was authorized to conduct a study of the effects of Great Lakes water consumption on economic growth and environmental quality in the Great Lakes region and of control measures that could be implemented to reduce the quantity of water consumed, and further provided an appropriation of $750,000 for fiscal years beginning after Sept. 30, 1986, to carry out such study.

MEASUREMENTS OF LAKE MICHIGAN DIVERSIONS

“(a) Beginning October 1, 1987, the Secretary, in cooperation with the State of Illinois, shall carry out measurements and make necessary computations required by the decree of the United States Supreme Court (388 U.S. 426) relating to the diversion of water from Lake Michigan and shall coordinate the operation with downstate interests. The measurements and computations shall consist of all flow measurements, gauge records, hydraulic and hydrologic computations, including periodic field investigations and measuring device calibrations, necessary to compute the amount of water diverted from Lake Michigan by the State of Illinois and its municipalities, political subdivisions, agencies, and instrumentalities, not including water diverted or used by Federal installations.

“(b) There are authorized to be appropriated $1,250,000 for each of fiscal years 1999 through 2003 and $300,000 for each fiscal year beginning after September 30, 2003, to carry out this section, including those funds necessary to maintain the measurements and computations, as well as necessary capital construction costs associated with the installation of new flow measurement devices or structures declared necessary and appropriate by the Secretary.”
the future use, management, and protection of water resources and related resources of the Great Lakes basin.

(2) Report

(A) In general

As expeditiously as possible, but not later than 3 years after August 17, 1999, and every 2 years thereafter, the Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate a report outlining a strategic plan for Corps of Engineers programs and proposed Corps of Engineers projects in the Great Lakes basin.

(B) Contents

The plan shall include—

(i) details of projects in the Great Lakes region relating to—

(A) In general

(i) navigation improvements, maintenance, and operations for commercial and recreational vessels;

(ii) environmental restoration activities;

(iii) water level maintenance activities;

(iv) technical and planning assistance to States and remedial action planning committees;

(v) sediment transport analysis, sediment management planning, and activities to support prevention of excess sediment loadings;

(vi) flood damage reduction and shoreline erosion prevention; and

(vii) all other relevant activities of the Corps of Engineers; and

(ii) an analysis of factors limiting use of programs and authorities of the Corps of Engineers in existence on August 17, 1999, in the Great Lakes basin, including the need for new or modified authorities.

(3) Authorization of appropriations

There is authorized to be appropriated to carry out this section $1,000,000 for the period of fiscal years 2000 through 2003.

(b) Great Lakes biohydrological information

(1) Inventory

(A) In general

Not later than 90 days after August 17, 1999, the Secretary shall request each Federal agency that may possess information relevant to the Great Lakes biohydrological system to provide an inventory of all such information in the possession of the agency.

(B) Relevant information

For the purpose of subparagraph (A), relevant information includes information on—

(i) ground and surface water hydrology; 

(ii) natural and altered tributary dynamics; 

(iii) biological aspects of the system influenced by and influencing water quantity and water movement; 

(iv) meteorological projections and the impacts of weather conditions on Great Lakes water levels; and 

(v) other Great Lakes biohydrological system data relevant to sustainable water use management.

(2) Report

(A) In general

Not later than 18 months after August 17, 1999, the Secretary, in consultation with the States, Indian tribes, and Federal agencies, and after requesting information from the provinces and the federal government of Canada, shall—

(i) compile the inventories of information;

(ii) analyze the information for consistency and gaps; and

(iii) submit to Congress, the International Joint Commission, and the Great Lakes States a report that includes recommendations on ways to improve the information base on the biohydrological dynamics of the Great Lakes ecosystem as a whole, so as to support environmentally sound decisions regarding diversions and consumptive uses of Great Lakes water.

(B) Recommendations

The recommendations in the report under subparagraph (A) shall include recommendations relating to the resources and funds necessary for implementing improvement of the information base.

(C) Considerations

In developing the report under subparagraph (A), the Secretary, in cooperation with the Secretary of State, the Secretary of Transportation, and the heads of other agencies as appropriate, shall consider and report on the status of the issues described and recommendations made in—

(i) the Report of the International Joint Commission to the Governments of the United States and Canada under the 1977 reference issued in 1985; and

(ii) the 1993 Report of the International Joint Commission to the Governments of Canada and the United States on Methods of Alleviating Adverse Consequences of Fluctuating Water Levels in the Great Lakes St. Lawrence Basin.

(c) Great Lakes recreational boating

Not later than 18 months after August 17, 1999, the Secretary, using information and studies in existence on August 17, 1999, to the extent practicable, and in cooperation with the Great Lakes States, shall submit to Congress a report detailing the economic benefits of recreational boating in the Great Lakes basin, particularly at harbors benefiting from operation and maintenance projects of the Corps of Engineers.

(d) Cooperation

In undertaking activities under this section, the Secretary shall—

(1) encourage public participation; and

(2) cooperate, and, as appropriate, collaborate, with Great Lakes States, tribal governments, and Canadian federal, provincial, and tribal governments.

(e) Water use activities and policies

The Secretary may provide technical assistance to the Great Lakes States to develop inter-
state guidelines to improve the consistency and efficiency of State-level water use activities and policies in the Great Lakes basin.

(f) Cost sharing

The Secretary may seek and accept funds from non-Federal entities to be used to pay up to 25 percent of the cost of carrying out subsections (b), (c), (d), and (e).

(g) In-kind contributions for study

The non-Federal interest may provide up to 100 percent of the non-Federal share required under subsection (f) in the form of in-kind services and materials.

§ 1962d–22. Great Lakes fishery and ecosystem restoration

(a) Findings

Congress finds that—

(1) the Great Lakes comprise a nationally and internationally significant fishery and ecosystem;

(2) the Great Lakes fishery and ecosystem should be developed and enhanced in a coordinated manner; and

(3) the Great Lakes fishery and ecosystem provides a diversity of opportunities, experiences, and beneficial uses.

(b) Definitions

In this section, the following definitions apply:

(1) Great Lake

(A) In general

The term “Great Lake” means Lake Superior, Lake Michigan, Lake Huron (including Lake St. Clair), Lake Erie, and Lake Ontario (including the St. Lawrence River to the 45th parallel of latitude).

(B) Inclusions

The term “Great Lake” includes any connecting channel, historically connected tributary, and basin of a lake specified in subparagraph (A).

(2) Great Lakes Commission

The term “Great Lakes Commission” means the Great Lakes Commission established by the Great Lakes Basin Compact (82 Stat. 414).

(3) Great Lakes Fishery Commission

The term “Great Lakes Fishery Commission” has the meaning given the term “Commission” in section 931 of title 16.

(4) Great Lakes State

The term “Great Lakes State” means each of the States of Illinois, Indiana, Michigan, Minnesota, Ohio, Pennsylvania, New York, and Wisconsin.

(c) Great Lakes fishery and ecosystem restoration

(1) Support plan

(A) In general

Not later than 1 year after December 11, 2000, the Secretary shall develop a plan for activities of the Corps of Engineers that support the management of Great Lakes fisheries.

(B) Use of existing documents

To the maximum extent practicable, the plan shall make use of and incorporate documents that relate to the Great Lakes and are in existence on December 11, 2000, such as lakewide management plans and remedial action plans.

(C) Cooperation

The Secretary shall develop the plan in cooperation with—

(i) the signatories to the Joint Strategic Plan for Management of the Great Lakes Fisheries; and

(ii) other affected interests.

(2) Reconnaissance studies

Before planning, designing, or constructing a project under paragraph (3), the Secretary shall carry out a reconnaissance study—

(A) to identify methods of restoring the fishery, ecosystem, and beneficial uses of the Great Lakes; and

(B) to determine whether planning of a project under paragraph (3) should proceed.

(3) Projects

The Secretary shall plan, design, and construct projects to support the restoration of the fishery, ecosystem, and beneficial uses of the Great Lakes.

(4) Evaluation program

(A) In general

The Secretary shall develop a program to evaluate the success of the projects carried out under paragraph (3) in meeting fishery and ecosystem restoration goals.

(B) Studies

Evaluations under subparagraph (A) shall be conducted in consultation with the Great Lakes Fishery Commission and appropriate Federal, State, and local agencies.

(5) Recreation features

A project carried out pursuant to this subsection may include compatible recreation features as determined by the Secretary, except that the Federal costs of such features may not exceed 10 percent of the Federal ecosystem restoration costs of the project.

(d) Cooperative agreements

In carrying out this section, the Secretary may enter into a cooperative agreement with the Great Lakes Commission or any other agen-
cy established to facilitate active State participation in management of the Great Lakes.

(e) Relationship to other Great Lakes activities

No activity under this section shall affect the date of completion of any other activity relating to the Great Lakes that is authorized under other law.

(f) Cost sharing

(1) Development of plan

The Federal share of the cost of development of the plan under subsection (c)(1) shall be 65 percent.

(2) Project planning, design, construction, and evaluation

Except for reconnaissance studies, the Federal share of the cost of planning, design, construction, and evaluation of a project under paragraph (3) or (4) of subsection (c) shall be 65 percent.

(3) Non-Federal share

(A) Credit for land, easements, and right-of-way

The Secretary shall credit the non-Federal interest for the value of any land, easement, right-of-way, dredged material disposal area, or relocation provided for carrying out a project under subsection (c)(3).

(B) Form

The non-Federal interest may provide up to 100 percent of the non-Federal share required under paragraphs (1) and (2) in the form of services, materials, supplies, or other in-kind contributions.

(4) Operation and maintenance

The operation, maintenance, repair, rehabilitation, and replacement of projects carried out under this section shall be a non-Federal responsibility.

(5) Non-Federal interests

In accordance with section 19624-5b of this title, for any project carried out under this section, a non-Federal interest may include a private interest and a nonprofit entity.

CHAPTER 20A—CIVIL RIGHTS COMMISSION

Sec.
1975d. Termination.

CODIFICATION
A prior chapter 20A, which provided for the establishment of a Commission on Civil Rights in the executive branch, was comprised of part I (§§101–106) of Pub. L. 85–315, Sept. 9, 1957, 71 Stat. 634, and was omitted from the Code in view of the termination of the Commission 60 days after the submission of the Commission’s final report which was due not later than Sept. 30, 1983.

§ 1975. Establishment of Commission

(a) Generally

There is established the United States Commission on Civil Rights (hereinafter in this chapter referred to as the “Commission”).

(b) Membership

The Commission shall be composed of 8 members. Not more than 4 of the members shall at
any one time be of the same political party. The initial membership of the Commission shall be the members of the United States Commission on Civil Rights on September 30, 1994. Thereafter vacancies in the membership of the Commission shall continue to be appointed as follows:

(1) 4 members of the Commission shall be appointed by the President.

(2) 2 members of the Commission shall be appointed by the President pro tempore of the Senate, upon the recommendations of the majority leader and the minority leader, and of the members appointed not more than one shall be appointed from the same political party.

(3) 2 members of the Commission shall be appointed by the Speaker of the House of Representatives upon the recommendations of the majority leader and the minority leader, and of the members appointed not more than one shall be appointed from the same political party.

c) Terms
The term of office of each member of the Commission shall be 6 years. The term of each member of the Commission in the initial membership of the Commission shall expire on the date such term would have expired as of September 30, 1994.

d) Chairperson
(1) Except as provided in paragraphs (2) and (3), the individuals serving as Chairperson and Vice Chairperson of the United States Commission on Civil Rights on September 30, 1994 shall initially fill those roles on the Commission.

(2) Thereafter the President may, with the concurrence of a majority of the Commission’s members, designate a Chairperson or Vice Chairperson, as the case may be, from among the Commission’s members.

(3) The President shall, with the concurrence of a majority of the Commission’s members, fill a vacancy by designating a Chairperson or Vice Chairperson, as the case may be, from among the Commission’s members.

(4) The Vice Chairperson shall act in place of the Chairperson in the absence of the Chairperson.

e) Removal of members
The President may remove a member of the Commission only for neglect of duty or malfeasance in office.

(f) Quorum
5 members of the Commission constitute a quorum of the Commission.

Prior Provisions

Amendments
perts on issues affecting Black men and boys in the United States, including—
(A) education;
(B) justice and Civil Rights;
(C) healthcare;
(D) labor and employment; and
(E) housing.
(6) The Staff Director of the United States Commission on Civil Rights shall appoint one member from within the staff of the United States Commission on Civil Rights who is an expert in issues relating to Black men and boys.
(8) The Secretary of Education shall appoint one member from within the Department of Education who is an expert in urban education.
(9) The Attorney General shall appoint one member from within the Department of Justice who is an expert in racial disparities within the criminal justice system.
(10) The Secretary of Health and Human Services shall appoint one member from within the Department of Health and Human Services who is an expert in health issues facing Black men.
(11) The Secretary of Housing and Urban Development shall appoint one member from within the Department of Housing and Urban Development who is an expert in housing and development in urban communities.
(12) The Secretary of Labor shall appoint one member from within the Department of Labor who is an expert in labor issues impacting Black men.
(13) The President of the United States shall appoint 2 members who are not employed by the Federal Government and are experts on issues affecting Black men and boys in America.
(c) Membership by Political Party.—If after the Commission is appointed there is a partisan imbalance of Commission members, the congressional leaders of the political party with fewer members on the Commission shall jointly name additional members to create a partisan parity on the Commission.
SEC. 3. OTHER MATTERS RELATING TO APPOINTMENT; REMOVAL.
(a) Timing of Initial Appointments.—Each initial appointment to the Commission shall be made no later than 90 days after the Commission is established. If any appointing authorities fail to appoint a member to the Commission, their appointment shall be made by the Staff Director of the Commission on Civil Rights.
(b) Terms.—Except as otherwise provided in this section, the term of a member of the Commission shall be 4 years. For the purpose of providing staggered terms, the first term of those members initially appointed under paragraphs (1) through (5) of section 2 shall be appointed to 2-year terms with all other terms lasting 4 years. Members are eligible for consecutive reappointment.
(c) Removal.—A member of the Commission may be removed from the Commission at any time by the appointing authority should the member fail to meet Commission responsibilities. Once the seat becomes vacant, the appointing authority is responsible for filling the vacancy in the Commission before the next meeting.
(d) Vacancies.—The appointing authority of a member of the Commission shall either reappoint that member at the end of that member’s term or appoint another person meeting the qualifications for that appointment. In the event of a vacancy arising during a term, the appointing authority shall, before the next meeting of the Commission, appoint a replacement to finish that term.
SEC. 4. LEADERSHIP ELECTION.
At the first meeting of the Commission each year, the members shall elect a Chair and a Secretary. A vacancy in the Chair or Secretary shall be filled by vote of the remaining members. The Chair and Secretary are eligible for consecutive reappointment.
SEC. 5. COMMISSION DUTIES AND POWERS.
(a) Study.—
(1) In General.—The Commission shall conduct a systematic study of the conditions affecting Black men and boys, including homicide rates, arrest and incarceration rates, poverty, violence, fatherhood, mentorship, drug abuse, death rates, disparate income and wealth levels, school performance in all grade levels including postsecondary education and college, and health issues.
(2) Trends.—The Commission shall document trends regarding the topics described in paragraph (1) and report on the community impacts of relevant government programs within the scope of such topics, the law, recommendations for how to implement related policies, and recommendations for how to create, develop, or improve upon government programs.
(c) Suggestions and Comments.—The Commission shall accept suggestions or comments pertinent to the applicable issues from members of Congress, governmental agencies, public and private organizations, and private citizens.
(d) Staff and Administrative Support.—The Office of the Chief Executive Officer of the United States Commission on Civil Rights shall provide staff and administrative support to the Commission. All entities of the United States Government shall provide information that is otherwise a public record at the request of the Commission.
SEC. 6. COMMISSION MEETING REQUIREMENTS.
(a) First Meetings.—The first meeting of the Commission shall take place no later than 30 days after the initial members are all appointed. Meetings shall be focused on significant issues impacting Black men and boys, for the purpose of investigating the scope of such issues and delegating research tasks to Commission members to initiate the first annual report described in section 7.
(b) Quarterly Meetings.—The Commission shall meet quarterly. In addition to all quarterly meetings, the Commission shall meet at other times at the call of the Chair or as determined by a majority of Commission members.
(c) Quorum; Rule for Voting on Final Actions.—A majority of the members of the Commission constitute a quorum, and an affirmative vote of a majority of the members present is required for final action.
(d) Expectations for Attendance of Members.—Members are expected to attend all Commission meetings. In the case of an absence, members are expected to report to the Chair prior to the meeting and allowance may be made for an absent member to participate remotely. Members will be responsible for fulfilling prior commitments, regardless of attendance status. If a member is absent twice in a given year, he or she will be reviewed by the Chair and appointing authority and further action will be considered, including removal and replacement on the Commission.
(e) Minutes.—Minutes shall be taken at each meeting by the Secretary, or in that individual’s absence, the Chair shall select another Commission member to take minutes during that absence. The Commission shall make its minutes publicly available and accessible not later than one week after each meeting.
SEC. 7. ANNUAL REPORT GUIDELINES.
The Commission shall make an annual report, beginning the year of the first Commission meeting. The report shall address the current conditions affecting Black men and boys and make recommendations to address these issues. The report shall be submitted to the President, the Congress, members of the President’s Cabinet, and the chairs of the appropriate committees.
§ 1975a  TITLE 42—THE PUBLIC HEALTH AND WELFARE  Page 4904

of jurisdiction. The Commission shall make the report publicly available online on a centralized Federal website.

"SEC. 8. COMMISSION COMPENSATION."

"Members of the Commission shall serve on the Commission without compensation."

§ 1975a. Duties of Commission

(a) Generally

The Commission—

(1) shall investigate allegations in writing under oath or affirmation relating to deprivations—

(A) because of color, race, religion, sex, age, disability, or national origin or;

(B) as a result of any pattern or practice of fraud;

of the right of citizens of the United States to vote and have votes counted; and

(2) shall—

(A) study and collect information relating to;

(B) make appraisals of the laws and policies of the Federal Government with respect to;

(C) serve as a national clearinghouse for information relating to; and

(D) prepare public service announcements and advertising campaigns to discourage; discrimination or denials of equal protection of the laws under the Constitution of the United States because of color, race, religion, sex, age, disability, or national origin, or in the administration of justice.

(b) Limitations on investigatory duties

Nothing in this chapter or any other Act shall be construed as authorizing the Commission, its advisory committees, or any person under its supervision or control, to inquire into or investigate any membership practices or internal operations of any fraternal organization, any college or university fraternity or sorority, any private club, or any religious organization.

(c) Reports

(1) Annual report

The Commission shall submit to the President and Congress at least one report annually that monitors Federal civil rights enforcement efforts in the United States.

(2) Other reports generally

The Commission shall submit such other reports to the President and the Congress as the Commission, the Congress, or the President shall deem appropriate.

(d) Advisory committees

The Commission may constitute such advisory committees as it deems advisable. The Commission shall establish at least one such committee in each State and the District of Columbia composed of citizens of that State or District.

(e) Hearings and ancillary matters

(1) Power to hold hearings

The Commission, or on the authorization of the Commission, any subcommittee of two or more members of the Commission, at least one of whom shall be of each major political party, may, for the purpose of carrying out this chapter, hold such hearings and act at such times and places as the Commission or such authorized subcommittee deems advisable. Each member of the Commission shall have the power to administer oaths and affirmations in connection with the proceedings of the Commission. The holding of a hearing by the Commission or the appointment of a subcommittee to hold a hearing pursuant to this paragraph must be approved by a majority of the Commission, or by a majority of the members present at a meeting when a quorum is present.

(2) Power to issue subpoenas

The Commission may issue subpoenas for the attendance of witnesses and the production of written or other matter. Such a subpoena may not require the presence of a witness more than 100 miles outside the place wherein the witness is found or resides or is domiciled or transacts business, or has appointed an agent for receipt of service of process. In case of contumacy or refusal to obey a subpoena, the Attorney General may in a Federal court of appropriate jurisdiction obtain an appropriate order to enforce the subpoena.

(3) Witness fees

A witness attending any proceeding of the Commission shall be paid the same fees and mileage that are paid witnesses in the courts of the United States.

(4) Depositions and interrogatories

The Commission may use depositions and written interrogatories to obtain information and testimony about matters that are the subject of a Commission hearing or report.

(f) Limitation relating to abortion

Nothing in this chapter or any other Act shall be construed as authorizing the Commission, its advisory committees, or any other person under its supervision or control to study and collect, make appraisals of, or serve as a clearinghouse for any information about laws and policies of the Federal Government or any other governmental authority in the United States with respect to abortion.

Prior Provisions

Amendments

§ 1975b. Administrative provisions

(a) Staff

(1) Director

There shall be a full-time staff director for the Commission who shall—

(A) serve as the administrative head of the Commission; and

(B) be appointed by the President with the concurrence of a majority of the Commission.

(2) Other personnel

Within the limitation of its appropriations, the Commission may—

(A) appoint such other personnel as it deems advisable, under the civil service and classification laws; and

(B) procure services, as authorized in section 3109 of title 5, but at rates for individuals not in excess of the daily equivalent paid for positions at the maximum rate for GS-15 of the General Schedule under section 5332 of title 5.

(b) Compensation of members

(1) Generally

Each member of the Commission who is not otherwise in the service of the Government of the United States shall receive a sum equivalent to the compensation paid at level IV of the Executive Schedule under section 5315 of title 5, prorated on a daily basis for time spent in the work of the Commission.

(2) Persons otherwise in Government service

Each member of the Commission who is otherwise in the service of the Government of the United States shall serve without compensation in addition to that received for such other service, but while engaged in the work of the Commission shall be paid actual travel expenses and per diem in lieu of subsistence expenses when away from such member’s usual place of residence, under subchapter I of chapter 57 of title 5.

(c) Voluntary or uncompensated personnel

The Commission shall not accept or use the services of voluntary or uncompensated persons. This limitation shall apply with respect to services of members of the Commission as it does with respect to services by other persons.

(d) Rules

(1) Generally

The Commission may make such rules as are necessary to carry out the purposes of this chapter.

(2) Continuation of old rules

Except as inconsistent with this chapter, and until modified by the Commission, the rules of the Commission on Civil Rights in effect on September 30, 1994 shall be the initial rules of the Commission.

(e) Cooperation

All Federal agencies shall cooperate fully with the Commission to the end that it may effectively carry out its functions and duties.

AMENDMENTS

1991—Pub. L. 102–166 designated existing provisions as subsec. (a) and added subsecs. (b) and (c).

EFFECTIVE DATE OF 1991 AMENDMENT

Pub. L. 102–166, title IV, §402, Nov. 21, 1991, 105 Stat. 1059, provided that: "(a) In General.—Except as otherwise specifically provided, this Act [see Short Title of 1991 Amendment note below] and the amendments made by this Act shall take effect upon enactment [Nov. 21, 1991].

"(b) Certain Disparate Impact Cases.—Notwithstanding any other provision of this Act, nothing in this Act shall apply to any disparate impact case for which a complaint was filed before March 1, 1975, and for which an initial decision was rendered after October 30, 1983."

SHORT TITLE OF 1991 AMENDMENT

Pub. L. 102–166, §1, Nov. 21, 1991, 105 Stat. 1071, provided that: "This Act [enacting section 1981a of this title and sections 60 and 1201 to 1224 of Title 2, The
Congress, amending this section and sections 1988, 2000e, 2000e–1, 2000e–2, 2000e–4, 2000e–5, 2000e–16, 12111, 12112, and 12209 of this title, and section 626 of Title 29, Labor, and enacting provisions set out as notes under this section and sections 2000e and 2000e–4 of this title, and section 1a–5 of Title 16, Conservation] may be cited as the ‘Civil Rights Act of 1991.’

SHORT TITLE OF 1976 AMENDMENT

SECONDARY SOURCES

Pub. L. 102–166, title IV, § 1401, Nov. 21, 1991, 105 Stat. 1075, provided that: “Where appropriate and to the extent authorized by law, the use of alternative means of dispute resolution, including settlement negotiations, conciliation, facilitation, mediation, factfinding, minitrials, and arbitration, is encouraged to resolve disputes arising under the Acts or provisions of Federal law amended by this title [enacting section 1981a of this title and amending this section, sections 1986, 2000e, 2000e–1, 2000e–2, 2000e–4, 2000e–5, 2000e–16, 12111, and 12112 of this title, and section 626 of Title 29, Labor].”

CONGRESSIONAL FINDINGS

“(1) additional remedies under Federal law are needed to deter unlawful harassment and intentional discrimination in the workplace;

“(2) the decision of the Supreme Court in Wards Cove Packing Co. v. Atonio, 490 U.S. 642 (1989) has weakened the scope and effectiveness of Federal civil rights protections; and

“(3) legislation is necessary to provide additional protections against unlawful discrimination in employment.”

PURPOSES OF 1991 AMENDMENT

“(1) to provide appropriate remedies for intentional discrimination and unlawful harassment in the workplace;

“(2) to codify the concepts of ‘business necessity’ and ‘job related’ enunciated by the Supreme Court in Griggs v. Duke Power Co., 401 U.S. 424 (1971), and in the other Supreme Court decisions prior to Wards Cove Packing Co. v. Atonio, 490 U.S. 642 (1989);

“(3) to confirm statutory authority and provide statutory guidelines for the adjudication of disparate impact suits under title VII of the Civil Rights Act of 1964 (42 U.S.C. 2000e et seq.); and

“(4) to respond to recent decisions of the Supreme Court by expanding the scope of relevant civil rights statutes in order to provide adequate protection to victims of discrimination.”

LEGISLATIVE HISTORY FOR 1991 AMENDMENT

CONSTRUCTION OF 1991 AMENDMENT

ALTERNATIVE MEANS OF DISPUTE RESOLUTION

Pub. L. 102–166, title I, § 118, Nov. 21, 1991, 105 Stat. 1061, provided that: “Where appropriate and to the extent authorized by law, the use of alternative means of dispute resolution, including settlement negotiations, conciliation, facilitation, mediation, factfinding, minitrials, and arbitration, is encouraged to resolve disputes arising under the Acts or provisions of Federal law amended by this title [enacting section 1981a of this title and amending this section, sections 1986, 2000e, 2000e–1, 2000e–2, 2000e–4, 2000e–5, 2000e–16, 12111, and 12112 of this title, and section 626 of Title 29, Labor].”

EXECUTIVE ORDER NO. 13050

Ex. Ord. No. 13050, June 13, 1997, 62 F.R. 32987, which established the President’s Advisory Board on Race, was revoked by Ex. Ord. No. 13138, § 3(e), Sept. 30, 1999, 64 F.R. 53966, formerly set out as a note under section 14 of the Appendix to Title 5, Government Organization and Employees.
§ 1982

(b) Compensatory and punitive damages

(1) Determination of punitive damages

A complaining party may recover punitive damages under this section against a respondent (other than a government, government agency or political subdivision) if the complaining party demonstrates that the respondent engaged in a discriminatory practice or discriminatory practices with malice or with reckless indifference to the federally protected rights of an aggrieved individual.

(2) Exclusions from compensatory damages

Compensatory damages awarded under this section shall not include backpay, interest on backpay, or any other type of relief authorized under section 706(g) of the Civil Rights Act of 1964 (42 U.S.C. 2000e–5(g)).

(3) Limitations

The sum of the amount of compensatory damages awarded under this section for future pecuniary losses, emotional pain, suffering, inconvenience, mental anguish, loss of enjoyment of life, and other nonpecuniary losses, and the amount of punitive damages awarded under this section, shall not exceed, for each complaining party—

(A) in the case of a respondent who has more than 14 and fewer than 101 employees in each of 20 or more calendar weeks in the current or preceding calendar year, $50,000; and

(B) in the case of a respondent who has more than 100 and fewer than 201 employees in each of 20 or more calendar weeks in the current or preceding calendar year, $100,000; and

(C) in the case of a respondent who has more than 200 and fewer than 501 employees in each of 20 or more calendar weeks in the current or preceding calendar year, $200,000; and

(D) in the case of a respondent who has more than 500 employees in each of 20 or more calendar weeks in the current or preceding calendar year, $300,000.

(4) Construction

Nothing in this section shall be construed to limit the scope of, or the relief available under, section 1981 of this title.

(c) Jury trial

If a complaining party seeks compensatory or punitive damages under this section—

(1) any party may demand a trial by jury; and

(2) the court shall not inform the jury of the limitations described in subsection (b)(3).

(d) Definitions

As used in this section:

(1) Complaining party

The term "complaining party" means—

(A) in the case of a person seeking to bring an action under subsection (a)(1), the Equal Employment Opportunity Commission, the Attorney General, or a person who may bring an action or proceeding under title VII of the Civil Rights Act of 1964 (42 U.S.C. 2000e et seq.); or

(B) in the case of a person seeking to bring an action under subsection (a)(2), the Equal Employment Opportunity Commission, the Attorney General, a person who may bring an action or proceeding under section 794a(a)(1) of title 29, or a person who may bring an action or proceeding under title I of the Americans with Disabilities Act of 1990 (42 U.S.C. 12111 et seq.).

(2) Discriminatory practice

The term "discriminatory practice" means the discrimination described in paragraph (1), or the discrimination or the violation described in paragraph (2), of subsection (a).

Section effective Nov. 21, 1991, except as otherwise provided, see section 102 of Pub. L. 102–166, set out as an Effective Date of 1991 Amendment note under section 12101 of this title.

§ 1982. Property rights of citizens

All citizens of the United States shall have the same right, in every State and Territory, as is enjoyed by white citizens thereof to inherit, purchase, lease, sell, hold, and convey real and personal property.

(R.S. §1978.)

CODIFICATION

R.S. §1978 derived from act Apr. 9, 1866, ch. 31, §1, 14 Stat. 27.

Section was formerly classified to section 42 of Title 8, Aliens and Nationality.

EX. ORD. NO. 11063, EQUAL OPPORTUNITY IN HOUSING

§ 1982

required, to promote the abandonment of discriminatory practices with respect to residential property and related facilities heretofore provided with Federal financial assistance of the types referred to in Section 101(a)(1), (ii), (iii), and (iv).

PART II—IMPLEMENTATION BY DEPARTMENTS AND AGENCIES

SIC. 201. Each executive department and agency subject to this order is directed to submit to the President’s Committee on Equal Opportunity in Housing established pursuant to Part IV of this order (hereinafter sometimes referred to as the Committee), within thirty days from the date of this order, a report outlining all current programs administered by it which are affected by this order.

SIC. 202. Each such department and agency shall be primarily responsible for obtaining compliance with the purposes of this order as the order applies to programs administered by it; and is directed to cooperate with the Committee, to furnish it, in accordance with law, such information and assistance as it may request in the performance of its functions, and to report to it at such intervals as the Committee may require.

SIC. 203. Each such department and agency shall, within thirty days from the date of this order, issue such rules and regulations, adopt such procedures and policies, and make such exemptions and exceptions as may be consistent with law and necessary or appropriate to effectuate the purposes of this order. Each such department and agency shall consult with the Committee in order to achieve such consistency and uniformity as may be feasible.

PART III—ENFORCEMENT

SIC. 301. The Committee, any subcommittee thereof, and any officer or employee designated by any executive department or agency subject to this order may hold such hearings, public or private, as the Committee, department, or agency may deem advisable for compliance, enforcement, or educational purposes.

SIC. 302. If any executive department or agency subject to this order concludes that any person or firm (including but not limited to any individual, partnership, association, trust, or corporation) or any State or local public agency has violated any rule, regulation, or procedure issued or adopted pursuant to this order, or any nondiscrimination provision included in any agreement or contract pursuant to any such rule, regulation, or procedure, it shall endeavor to end and remedy such violation by informal means, including conference, conciliation, and persuasion unless similar efforts made by another Federal department or agency have been unsuccessful. In conformity with rules, regulations, procedures, or policies issued or adopted by it pursuant to Section 203 hereof, a department or agency may take such action as may be appropriate under its governing laws, including, but not limited to, the following:

It may—

(a) cancel or terminate in whole or in part any agreement or contract with such person, firm, or State or local public agency providing for a loan, grant, contribution, or other Federal aid, or for the payment of a commission or fee;

(b) refrain from extending any further aid under any program administered by it and affected by this order until it is satisfied that the affected person, firm, or State or local public agency will comply with the rules, regulations, and procedures issued or adopted pursuant to this order, and any nondiscrimination provisions included in any agreement or contract;

(c) refuse to approve a lending institution or any other lender as a beneficiary under any program administered by it which is affected by this order or revoke such approval if previously given.

SIC. 303. In appropriate cases, executive departments and agencies shall refer their good offices and the Attorney General violations of any rules, regulations, or procedures issued or adopted pursuant to this order, or violations of any
nondiscrimination provisions included in any agreement or contract, for such civil or criminal action as he may deem appropriate. The Attorney General is authorized to furnish legal advice concerning this order to the Committee and to any department or agency requesting such advice.

Sec. 304. Any executive department or agency affected by this order may also invoke the sanctions provided in Section 302 where any person or firm, including a lender, has violated the rules, regulations, or procedures issued or adopted pursuant to this order, or the nondiscrimination provisions included in any agreement or contract, with respect to any program affected by this order administered by any other executive department or agency.

PART IV—ESTABLISHMENT OF THE PRESIDENT'S COMMITTEE ON EQUAL OPPORTUNITY IN HOUSING

PART V—POWERS AND DUTIES OF THE PRESIDENT'S COMMITTEE ON EQUAL OPPORTUNITY IN HOUSING

Sec. 502. (a) The Committee shall take such steps as it deems necessary and appropriate to promote the coordination of the activities of departments and agencies under this order. In so doing, the Committee shall consider the overall objectives of Federal legislation relating to housing and the right of every individual to participate without discrimination because of race, color, religion (creed), sex, disability, familial status or national origin in the ultimate benefits of the Federal programs subject to this order.

(b) The Committee may confer with representatives of any department or agency, State or local public agency, civic, industry, or labor group, or any other group directly or indirectly affected by this order; examine the relevant rules, regulations, procedures, policies, and practices of any department or agency subject to this order and make such recommendations as may be necessary or desirable to achieve the purposes of this order.

(c) The Committee shall encourage educational programs by civic, educational, religious, industry, labor, and other nongovernmental groups to eliminate the basic causes of discrimination in housing and related facilities provided with Federal assistance.

PART VI—MISCELLANEOUS

Sec. 601. As used in this order, the term “departments and agencies” includes any wholly-owned or mixed-ownership Government corporation, and the term “State” includes the District of Columbia, the Commonwealth of Puerto Rico, and the territories of the United States.

Sec. 602. This order shall become effective immediately.

§ 1983. Civil action for deprivation of rights

Every person who, under color of any statute, ordinance, regulation, custom, or usage, of any State or Territory or the District of Columbia, subjects, or causes to be subjected, any citizen of the United States or other person within the jurisdiction thereof to the deprivation of any rights, privileges, or immunities secured by the Constitution and laws, shall be liable to the party injured in an action at law, suit in equity, or other proper proceeding for redress, except that in any action brought against a judicial officer for an act or omission taken in such officer’s judicial capacity, injunctive relief shall not be granted unless a declaratory decree was violated or declaratory relief was unavailable. For the purposes of this section, any Act of Congress applicable exclusively to the District of Columbia shall be considered to be a statute of the District of Columbia.

Codification

Section was formerly classified to section 43 of Title 8, Aliens and Nationality.

AMENDMENTS

1986—Pub. L. 104–317 inserted before period at end of first sentence “, except that in any action brought against a judicial officer for an act or omission taken in such officer’s judicial capacity, injunctive relief shall not be granted unless a declaratory decree was violated or declaratory relief was unavailable.”.

Effective Date of 1979 Amendment

Amendment by Pub. L. 96–170 applicable with respect to any deprivation of rights, privileges, or immunities secured by the Constitution and laws occurring after Dec. 29, 1979, see section 3 of Pub. L. 96–170, set out as a note under section 1345 of Title 28, Judiciary and Judicial Procedure.

§ 1984. Omitted

Codification

Section, act Mar. 1, 1875, ch. 114, §5, 18 Stat. 337, which was formerly classified to section 46 of Title 8, Aliens and Nationality, related to Supreme Court review of cases arising under act Mar. 1, 1875. Sections 1 and 2 of act Mar. 1, 1875 were declared unconstitutional in U.S. v. Singleton, 109 U.S. 3, and sections 3 and 4 of such act were repealed by act June 25, 1948, ch. 645, §21, 62 Stat. 862.

§ 1985. Conspiracy to interfere with civil rights

(1) Preventing officer from performing duties

If two or more persons in any State or Territory conspire to prevent, by force, intimidation, or threat, any person from accepting or holding any office, trust, or place of confidence under the United States, or from discharging any duties thereof; or to induce by like means any officer of the United States to leave any State, district, or place, where his duties as an officer are required to be performed, or to injure him in his person or property on account of his lawful discharge of the duties of his office, or while engaged in the lawful discharge thereof, or to injure his property so as to molest, interrupt, hinder, or impede him in the discharge of his official duties;

(2) Obstructing justice; intimidating party, witness, or juror

If two or more persons in any State or Territory conspire to deter, by force, intimidation, or
threat, any party or witness in any court of the United States from attending such court, or from testifying to any matter pending therein, freely, fully, and truthfully, or to injure such party or witness in his person or property on account of his having so attended or testified, or to influence the verdict, presentment, or indictment of any grand or petit juror in any such court, or to injure such juror in his person or property on account of any verdict, presentment, or indictment lawfully assented to by him, or of his being or having been such juror; or if two or more persons conspire for the purpose of impeding, hindering, obstructing, or defeating, in any manner, the due course of justice in any State or Territory, with intent to deny to any citizen the equal protection of the laws, or to injure him or his property for lawfully enforcing, or attempting to enforce, the right of any person, or class of persons, to the equal protection of the laws;

(3) Depriving persons of rights or privileges

If two or more persons in any State or Territory conspire or go in disguise on the highway or on the premises of another, for the purpose of depriving, either directly or indirectly, any person or class of persons of the equal protection of the laws, or of equal privileges and immunities under the laws; or for the purpose of preventing or hindering the constituted authorities of any State or Territory from giving or securing to all persons within such State or Territory the equal protection of the laws; or if two or more persons conspire to prevent by force, intimidation, or threat, any citizen who is lawfully entitled to vote, from giving his support or advocacy in a legal manner, toward or in favor of the election of any lawfully qualified person as an elector for President or Vice President, or as a Member of Congress of the United States; or to injure any citizen in person or property on account of such support or advocacy; in any case of conspiracy set forth in this section, if one or more persons engaged therein do, or cause to be done, any act in furtherance of the object of such conspiracy, whereby another is injured in his person or property, or deprived of having and exercising any right or privilege of a citizen of the United States, the party so injured or deprived may have an action for the recovery of damages occasioned by such injury or deprivation, against any one or more of the conspirators.

(R.S. §1980.)

Codification

Section was formerly classified to section 48 of Title 8, Aliens and Nationality.

§ 1987. Prosecution of violation of certain laws

The United States attorneys, marshals, and deputy marshals, the United States magistrate judges appointed by the district and territorial courts, with power to arrest, imprison, or bail offenders, and every other officer who is especially empowered by the President, are authorized and required, at the expense of the United States, to institute prosecutions against all persons violating any of the provisions of section 1990 of this title or of sections 5506 to 5516 and 5518 to 5532 of the Revised Statutes, and to cause such persons to be arrested, and imprisoned or bailed, for trial before the court of the United States or the territorial court having cognizance of the offense.

Section was formerly classified to section 49 of Title 8, Aliens and Nationality.

Change of Name

Act June 25, 1948, eff. Sept. 1, 1948, substituted "United States attorneys" for "district attorneys". See section 541 of Title 28, Judiciary and Judicial Procedure, and Historical and Revision Notes thereunder.

Reference to the district courts substituted for reference to the circuit courts on authority of act Mar. 3, 1911, ch. 231, § 291, 36 Stat. 1187.

§ 1988. Proceedings in vindication of civil rights

(a) Applicability of statutory and common law

The jurisdiction in civil and criminal matters conferred on the district courts by the provisions of titles 13, 24, and 70 of the Revised Statutes for the protection of all persons in the United States in their civil rights, and for their vindication, shall be exercised and enforced in conformity with the laws of the United States, so far as such laws are suitable to carry the same into effect; but in all cases where they are not adapted to the object, or are deficient in the provisions necessary to furnish suitable remedies and punish offenses against law, the common law, as modified and changed by the constitution and statutes of the State wherein the court having jurisdiction of such civil or criminal cause is held, so far as the same is not inconsistent with the Constitution and laws of the United States, shall be extended to and govern the said courts in the trial and disposition of the cause, and, if it is of a criminal nature, in the infliction of punishment on the party found guilty.

(b) Attorney's fees

In any action or proceeding to enforce a provision of sections 1981, 1981a, 1982, 1983, 1985, and 1996 of this title, title IX of Public Law 92–318 [20 U.S.C. 1681 et seq.], the Religious Freedom Restoration Act of 1993 [42 U.S.C. 2000bb et seq.], the Religious Land Use and Institutionalized Persons Act of 2000 [42 U.S.C. 2000cc et seq.], title VI of the Civil Rights Act of 1964 [42 U.S.C. 2000d et seq.], or section 12361 of title 34, the court, in its discretion, may allow the prevailing party, other than the United States, a reasonable attorney's fee as part of the costs, except that in any action brought against a judicial officer for an act or omission taken in such officer's judicial capacity such officer shall not be held liable for any costs, including attorney's fees, unless such action was clearly in excess of such officer's jurisdiction.

(c) Expert fees

In awarding an attorney's fee under subsection (b) in any action or proceeding to enforce a provision of section 1981 or 1983 of this title, the court, in its discretion, may include expert fees as part of the attorney's fee.

Section was formerly classified to section 50 of Title 42.

The district courts of the United States and the district courts of the Territories, from time to time, shall increase the number of United States magistrate judges, so as to afford a speedy and convenient means for the arrest and examination of persons charged with the crimes referred to in section 1897 of this title; and such magistrate judges are authorized and required to exercise all the powers and duties conferred on them herein with regard to such offenses in like manner as they are authorized by law to exercise with regard to other offenses against the laws of the United States. Said magistrate judges are empowered, within their respective counties, to appoint, in writing, under their hands, one or more suitable persons, from time to time, who shall execute all such warrants or other process, when directed to him, issued under the provisions of this section.

Every person appointed to execute process under section 1897 of this title shall be entitled to a fee of $5 for each party he may arrest and take before any United States magistrate judge, with such other fees as may be deemed reasonable by the magistrate judge for any additional services necessarily performed by him, such as attending at the examination, keeping the prisoner in custody, and providing him with food and lodging during his detention, and until the final determination of the magistrate judge; such fees to be made up in conformity with the fees usually charged by the officers of the courts of justice within the proper district or county, as near as may be practicable, and paid out of the Treasury of the United States on the certificate of the judge of the district within which the arrest is made, and to be recoverable from the defendant as part of the judgment in case of conviction.

Section was formerly classified to section 51 of Title 8, Aliens and Nationality.

\section*{1991. Fees; persons appointed to execute process}

Every person appointed to execute process under section 1897 of this title shall be entitled to a fee of $5 for each party he may arrest and take before any United States magistrate judge, with such other fees as may be deemed reasonable by the magistrate judge for any additional services necessarily performed by him, such as attending at the examination, keeping the prisoner in custody, and providing him with food and lodging during his detention, and until the final determination of the magistrate judge; such fees to be made up in conformity with the fees usually charged by the officers of the courts of justice within the proper district or county, as near as may be practicable, and paid out of the Treasury of the United States on the certificate of the judge of the district within which the arrest is made, and to be recoverable from the defendant as part of the judgment in case of conviction.

Section was formerly classified to section 53 of Title 8, Aliens and Nationality.

\section*{Change of Name}

"United States magistrate judge" and "magistrate judge" substituted in text for "magistrates" wherever appearing pursuant to section 321 of Pub. L. 101–650, set out as a note under section 631 of Title 28, Judiciary and Judicial Procedure.
§ 1992. Speedy trial

Whenever the President has reason to believe that offenses have been, or are likely to be committed against the provisions of section 1990 of this title or of section 5506 to 5516 and 5518 to 5532 of the Revised Statutes, within any judicial district, it shall be lawful for him, in his discretion, to direct the judge, marshal, and United States attorney of such district to attend at such place within the district, and for such time as he may designate, for the purpose of the more speedy arrest and trial of persons so charged, and it shall be the duty of every judge or other officer, when any such requisition is received by him to attend at the place and for the time therein designated.

Section, R.S. §1989, authorized President to employ land or naval forces to aid in execution of judicial process issued under sections 1981 to 1983 or 1985 to 1992 of this title, or to prevent violation and enforce due execution of sections 1981 to 1983 and 1985 to 1994 of this title. See section 232 of Title 10, Armed Forces.

§ 1994. Peonage abolished

The holding of any person to service or labor under the system known as peonage is abolished and forever prohibited in any Territory or State of the United States; and all acts, laws, resolutions, orders, regulations, or usages of any Territory or State, which have heretofore established, maintained, or enforced, or by virtue of which any attempt shall hereafter be made to establish, maintain, or enforce, directly or indirectly, the voluntary or involuntary service or labor of any persons as peons, in liquidation of any debt or obligation, or otherwise, are declared null and void.

(R.S. §1990.)

§ 1995. Criminal contempt proceedings; penalties; trial by jury

In all cases of criminal contempt arising under the provisions of this Act, the accused, upon conviction, shall be punished by fine or imprisonment or both: Provided however. That in case the accused is a natural person the fine to be paid shall not exceed the sum of $1,000, nor shall imprisonment exceed the term of six months: Provided further. That in any such proceeding for criminal contempt, at the discretion of the judge, the accused may be tried with or without a jury: Provided further, however. That in the event such proceeding for criminal contempt be tried before a judge without a jury and the sentence of the court upon conviction is a fine in excess of the sum of $300 or imprisonment in excess of forty-five days, the accused in said proceeding, upon demand therefore, shall be entitled to a trial de novo before a jury, which shall conform as near as may be to the practice in other criminal cases.

This section shall not apply to contempts committed in the presence of the court or so near thereto as to interfere directly with the administration of justice nor to the misbehavior, misconduct, or disobedience, of any officer of the court in respect to the writs, orders, or process of the court.

Nor shall anything herein or in any other provision of law be construed to deprive courts of their power, by civil contempt proceedings, without a jury, to secure compliance with or to prevent obstruction of, as distinguished from punishment for violations of, any lawful writ, process, order, rule, decree, or command of the court in accordance with the prevailing usages of law and equity, including the power of detention.

By the authority vested in me as President by the Constitution and the laws of the United States, in furtherance of Federal treaties, and in order to protect and preserve Indian religious practices, it is hereby ordered:

SECTION 1. Accommodation of Sacred Sites. (a) In managing Federal lands, each executive branch agency with statutory or administrative responsibility for the management of Federal lands shall, to the extent practicable, permit by law, and not clearly inconsistent with essential agency functions, (1) accommodate access to and ceremonial use of Indian sacred sites by Indian religious practitioners and (2) avoid adversely affecting the physical integrity of such sacred sites. Where appropriate, agencies shall maintain the confidentiality of sacred sites.

(b) For purposes of this order:
(i) “Federal lands” means any land or interests in land owned by the United States, except Indian trust lands;
(ii) “Indian tribe” means an Indian or Alaska Native tribe, band, nation, pueblo, village, or community that the Secretary of the Interior acknowledges to exist as an Indian tribe pursuant to Public Law No. 103–454, 108 Stat. 4791 (see 25 U.S.C. 5101, 5131), and “Indian” refers to a member of such an Indian tribe; and
(iii) “Sacred site” means any specific, discrete, narrowly delineated location on Federal land that is identified by an Indian tribe, or Indian individual determined to be an appropriately authoritative representative of an Indian religion, as sacred by virtue of its established religious significance to, or ceremonial use by, an Indian religion; provided that the tribe or appropriately authoritative representative of an Indian religion has informed the agency of the existence of such a site.

SEC. 2. Procedures. (a) Each executive branch agency with statutory or administrative responsibility for the management of Federal lands shall, as appropriate, promptly implement procedures for the purposes of carrying out the provisions of section 1 of this order, including, where practicable and appropriate, procedures to ensure reasonable notice is provided of proposed actions or land management policies that may restrict future access to or ceremonial use of, or adversely affect the physical integrity of, sacred sites. In all actions pursuant to this section, agencies shall comply with the Executive memorandum of April 29, 1994, “Government-to-Government Relations with Native American Tribal Governments” [26 U.S.C. 5301 note].

(b) Within 1 year of the effective date of this order, the head of each executive branch agency with statutory or administrative responsibility for the management of Federal lands shall report to the President, through the Assistant to the President for Domestic Policy, on the implementation of this order. Such a report shall address, among other things, (i) any changes necessary to accommodate access to and ceremonial use of Indian sacred sites; (ii) any changes necessary to avoid adversely affecting the physical integrity of Indian sacred sites; and (iii) procedures implemented or proposed to facilitate consultation with appropriate Indian tribes and religious leaders and the expeditious resolution of disputes relating to agency action on Federal lands that may adversely affect access to, ceremonial use of, or the physical integrity of sacred sites.

Sic. 3. Nothing in this order shall be construed to require a taking of vested property interests. Nor shall this order be construed to impair enforceable rights to use of Federal lands that have been granted to third parties through final agency action. For purposes of this order, “agency action” has the same meaning as in the Administrative Procedure Act (5 U.S.C. 551(13)).

Sic. 4. This order is intended only to improve the internal management of the executive branch and is not intended to, nor does it, create any right, benefit, or trust responsibility, substantive or procedural, enforceable at law or equity by any party against the United States, its agencies, offices, or any person.

WILLIAM J. CLINTON.

§ 1996a. Traditional Indian religious use of peyote

(a) Congressional findings and declarations

The Congress finds and declares that—

(1) for many Indian people, the traditional ceremonial use of the peyote cactus as a religious sacrament has for centuries been integral to a way of life, and significant in perpetuating Indian tribes and cultures;

(2) since 1963, this ceremonial use of peyote by Indians has been protected by Federal regulation;

(3) while at least 28 States have enacted laws which are similar to, or are in conformance with, the Federal regulation which protects the ceremonial use of peyote by Indian religious practitioners, 22 States have not done so, and this lack of uniformity has created hardship for Indian people who participate in such religious ceremonies;

(4) the Supreme Court of the United States, in the case of Employment Division v. Smith, 494 U.S. 872 (1990), held that the First Amendment does not protect Indian practitioners who use peyote in Indian religious ceremonies, and also raised uncertainty whether this religious practice would be protected under the compelling State interest standard; and

(5) the lack of adequate and clear legal protection for the religious use of peyote by Indians may serve to stigmatize and marginalize Indian tribes and cultures, and increase the risk that they will be exposed to discriminatory treatment.

(b) Use, possession, or transportation of peyote

(1) Notwithstanding any other provision of law, the use, possession, or transportation of peyote by an Indian for bona fide traditional ceremonial purposes in connection with the practice of a traditional Indian religion in lawful, and shall not be prohibited by the United States or any State. No Indian shall be penalized or discriminated against on the basis of such use, possession or transportation, including, but not
limited to denial of otherwise applicable benefits under public assistance programs.

(2) This section does not prohibit such reasonable regulation and registration by the Drug Enforcement Administration of those persons who cultivate, harvest, or distribute peyote as may be consistent with the purposes of this section and section 1996 of this title.

(3) This section does not prohibit application of the provisions of section 481.111(a) of Vernon's Texas Health and Safety Code Annotated, in effect on October 6, 1994, insofar as those provisions pertain to the cultivation, harvest, and distribution of peyote.

(4) Nothing in this section shall prohibit any Federal department or agency, in carrying out its statutory responsibilities and functions, from promulgating regulations establishing reasonable limitations on the use or ingestion of peyote prior to or during the performance of duties by sworn law enforcement officers or personnel directly involved in public transportation or any other safety-sensitive positions where the performance of such duties may be adversely affected by such use or ingestion. Such regulations shall be adopted only after consultation with representatives of traditional Indian religions for which the sacramental use of peyote is integral to their practice. Any regulation promulgated pursuant to this section shall be subject to the balancing test set forth in section 3 of the Religious Freedom Restoration Act (Pub. L. 103–141; 42 U.S.C. 2000bb–1).

(5) This section shall not be construed as requiring prison authorities to permit, nor shall it be construed to prohibit prison authorities from permitting, access to peyote by Indians while incarcerated within Federal or State prison facilities.

(6) Subject to the provisions of the Religious Freedom Restoration Act (Pub. L. 103–141; 42 U.S.C. 2000bb–1), this section shall not be construed to prohibit States from enacting or enforcing reasonable traffic safety laws or regulations.

(7) Subject to the provisions of the Religious Freedom Restoration Act (Pub. L. 103–141; 42 U.S.C. 2000bb–1), this section does not prohibit the Secretary of Defense from promulgating regulations establishing reasonable limitations on the use, possession, transportation, or distribution of peyote to promote military readiness, safety, or compliance with international law or laws of other countries. Such regulations shall be adopted only after consultation with representatives of traditional Indian religions for which the sacramental use of peyote is integral to their practice.

(c) Definitions

For purposes of this section—

(1) the term "Indian" means a member of an Indian tribe;

(2) the term "Indian tribe" means any tribe, band, nation, pueblo, or other organized group or community of Indians including any Alaskan Native village (as defined in, or established pursuant to, the Alaska Native Claims Settlement Act (43 U.S.C. 1601 et seq.), which is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians;

(3) the term "Indian religion" means any religion—

(A) which is practiced by Indians, and

(B) the origin and interpretation of which is from within a traditional Indian culture or community; and

(4) the term "State" means any State of the United States, and any political subdivision thereof.

(d) Protection of rights of Indians and Indian tribes

Nothing in this section shall be construed as abrogating, diminishing, or otherwise affecting—

(1) the inherent rights of any Indian tribe;

(2) the rights, express or implicit, of any Indian tribe which exist under treaties, Executive orders, and laws of the United States;

(3) the inherent right of Indians to practice their religions; and

(4) the right of Indians to practice their religions under any Federal or State law.

§ 1996b. Interethnic adoption

(1) Prohibited conduct

A person or government that is involved in adoption or foster care placements may not—

(A) deny to any individual the opportunity to become an adoptive or a foster parent, on the basis of the race, color, or national origin of the individual, or of the child, involved; or

(B) delay or deny the placement of a child for adoption or into foster care, on the basis of the race, color, or national origin of the adoptive or foster parent, or the child, involved.

(2) Enforcement

Noncompliance with paragraph (1) is deemed a violation of title VI of the Civil Rights Act of 1964 [42 U.S.C. 2000d et seq.].

(3) No effect on the Indian Child Welfare Act of 1978

This subsection shall not be construed to affect the application of the Indian Child Welfare Act of 1978 [25 U.S.C. 1901 et seq.].

SUBCHAPTER I–A—INSTITUTIONALIZED PERSONS

§ 1997. Definitions

As used in this subchapter—

(1) The term “institution” means any facility or institution—

(A) which is owned, operated, or managed by, or provides services on behalf of any State or political subdivision of a State; and

(B) which is—

(i) for persons who are mentally ill, disabled, or retarded, or chronically ill or handicapped;

(ii) a jail, prison, or other correctional facility;

(iii) a pretrial detention facility;

(iv) for juveniles—

(I) held awaiting trial;

(II) residing in such facility or institution for purposes of receiving care or treatment; or

(III) residing for any State purpose in such facility;

(v) providing skilled nursing, intermediate care, or custodial or residential care.

(2) Privately owned and operated facilities shall not be deemed “institutions” under this subchapter if—

(A) the licensing of such facility by the State constitutes the sole nexus between such facility and such State;

(B) the receipt by such facility, on behalf of persons residing in such facility, of payments under title XVI, XVIII [42 U.S.C. 1381 et seq., 1395 et seq.], or under a State plan approved under title XIX [42 U.S.C. 1396 et seq.], of the Social Security Act, constitutes the sole nexus between such facility and such State; or

(C) the licensing of such facility by the State, and the receipt by such facility, on behalf of persons residing in such facility, of payments under title XVI, XVIII [42 U.S.C. 1381 et seq., 1395 et seq.], or under a State plan approved under title XIX [42 U.S.C. 1396 et seq.], of the Social Security Act, constitutes the sole nexus between such facility and such State;

(3) The term “person” means an individual, a trust or estate, a partnership, an association, or a corporation;

(4) The term “State” means any of the several States, the District of Columbia, the Commonwealth of Puerto Rico, or any of the territories and possessions of the United States;

(5) The term “legislative days” means any calendar day on which either House of Congress is in session.

SHORT TITLE

§ 1997a. Initiation of civil actions

(a) Discretionary authority of Attorney General; preconditions

Whenever the Attorney General has reasonable cause to believe that any State or political subdivision of a State, official, employee, or agent thereof, or other person acting on behalf of a State or political subdivision of a State is subjecting persons residing in or confined to an institution, as defined in section 1997 of this title, to egregious or flagrant conditions which deprive such persons of any rights, privileges, or immunities, except that such deprivation is pursuant to a pattern or practice of resistance to the full enjoyment of such rights, privileges, or immunities, the Attorney General, for or in the name of the United States, may institute a civil action in any appropriate United States district court against such party for such equitable relief as may be appropriate to insure the minimum corrective measures necessary to insure the full enjoyment of such rights, privileges, or immunities, except that such equitable relief shall be available under this subchapter to persons residing in or confined to an institution as defined in section 1997(1)(B)(ii) of this title only insofar as such persons are subjected to conditions which deprive them of rights, privileges, or immunities secured or protected by the Constitution or laws of the United States causing such persons to suffer grievous harm, and that such deprivation is pursuant to a pattern or practice of resistance to the full enjoyment of such rights, privileges, or immunities, the Attorney General, for or in the name of the United States, may institute a civil action in any appropriate United States district court against such party for such equitable relief as may be appropriate to insure the minimum corrective measures necessary to insure the full enjoyment of such rights, privileges, or immunities.

(b) Discretionary award of attorney fees

In any action commenced under this section, the court may allow the prevailing party, other than the United States, a reasonable attorney’s fee against the United States as part of the costs.

(c) Attorney General to personally sign complaint

The Attorney General shall personally sign any complaint filed pursuant to this section.

AMENDMENTS
1996—Subsec. (c). Pub. L. 104-134 amended subsec. (c) generally. Prior to amendment, subsec. (c) read as follows: “Any complaint filed by the Attorney General pursuant to this section shall be personally signed by him.”

§ 1997a-1. Subpoena authority

(a) Authority

The Attorney General, or at the direction of the Attorney General, any officer or employee of the Department of Justice may require by subpoena access to any institution that is the subject of an investigation under this subchapter and to any document, record, material, file, report, memorandum, policy, procedure, investigation, video or audio recording, or quality assurance report relating to any institution that is the subject of an investigation under this subchapter to determine whether there are conditions which deprive persons residing in or confined to the institution of any rights, privileges, or immunities secured or protected by the Constitution or laws of the United States.

(b) Issuance and enforcement of subpoenas

(1) Issuance

Subpoenas issued under this section—

(A) shall bear the signature of the Attorney General or any officer or employee of the Department of Justice as designated by the Attorney General; and

(B) shall be served by any person or class of persons designated by the Attorney General or a designated officer or employee for that purpose.

(2) Enforcement

In the case of contumacy or failure to obey a subpoena issued under this section, the United States district court for the judicial district in which the institution is located may issue an order requiring compliance. Any failure to obey the order of the court may be punished by the court as a contempt that

(c) Protection of subpoenaed records and information

Any document, record, material, file, report, memorandum, policy, procedure, investigation, video or audio recording, or quality assurance report or other information obtained under a subpoena issued under this section—

(1) may not be used for any purpose other than to protect the rights, privileges, or immunities secured or protected by the Constitution or laws of the United States of persons who reside, have resided, or will reside in an institution; and

(2) may not be transmitted by or within the Department of Justice for any purpose other than to protect the rights, privileges, or immunities secured or protected by the Constitution or laws of the United States of persons who reside, have resided, or will reside in an institution; and

who shall be redacted, obscured, or otherwise altered if used in any publicly available manner so as to prevent the disclosure of any personally identifiable information.

§ 1997b. Certification requirements; Attorney General to personally sign certification

(a) At the time of the commencement of an action under section 1997a of this title the Attorney General shall certify to the court—

(1) that at least 49 calendar days previously the Attorney General has notified in writing the Governor or chief executive officer and attorney general or chief legal officer of the appropriate State or political subdivision and the director of the institution of—

(A) the alleged conditions which deprive rights, privileges, or immunities secured or protected by the Constitution or laws of the United States and the alleged pattern or practice of resistance to the full enjoyment of such rights, privileges, or immunities;

(B) the supporting facts giving rise to the alleged conditions and the alleged pattern or practice, including the dates or time period during which the alleged conditions and pattern or practice of resistance occurred; and

(C) the minimum measures which the Attorney General believes may remedy the alleged conditions and the alleged pattern or practice of resistance;

(2) that the Attorney General has notified in writing the Governor or chief executive officer and attorney general or chief legal officer of the appropriate State or political subdivision and the director of the institution of the Attorney General’s intention to commence an investigation of such institution, that such notice was delivered at least seven days prior to the commencement of such investigation and that between the time of such notice and the commencement of an action under section 1997a of this title—

(A) the Attorney General has made a reasonable good faith effort to consult with the Governor or chief executive officer and attorney general or chief legal officer of the appropriate State or political subdivision and the director of the institution, or their designees, regarding financial, technical, or other assistance which may be available from the United States and which the Attorney General believes may assist in the correction of such conditions and pattern or practice of resistance; and

(B) the Attorney General has encouraged the appropriate officials to correct the alleged conditions and pattern or practice of resistance through informal methods of con-

ference, conciliation and persuasion, including, to the extent feasible, discussion of the possible costs and fiscal impacts of alternative minimum corrective measures, and it is the Attorney General’s opinion that reasonable efforts at voluntary correction have not succeeded; and

(C) the Attorney General is satisfied that the appropriate officials have had a reasonable time to take appropriate action to correct such conditions and pattern or practice, taking into consideration the time required to remodel or make necessary changes in physical facilities or relocate residents, reasonable legal or procedural requirements, the urgency of the need to correct such conditions, and other circumstances involved in correcting such conditions; and

(3) that the Attorney General believes that such an action by the United States is of general public importance and will materially further the vindication of rights, privileges, or immunities secured or protected by the Constitution or laws of the United States.

(b) The Attorney General shall personally sign any certification made pursuant to this section.

(2) The Attorney General shall not file a motion to intervene under paragraph (1) before 90 days after the commencement of the action, except that if the court determines it would be in the interests of justice, the court may shorten or waive the time period.

(b) Certification requirements by Attorney General

(1) The Attorney General shall certify to the court in the motion to intervene filed under subsection (a)—

(A) that the Attorney General has notified in writing, at least fifteen days previously, the Governor or chief executive officer, attorney general or chief legal officer of the appropriate State or political subdivision, and the director of the institution of—

(i) the alleged conditions which deprive rights, privileges, or immunities secured or protected by the Constitution or laws of the United States and the alleged pattern or practice of resistance to the full enjoyment of such rights, privileges, or immunities;

(ii) the supporting facts giving rise to the alleged conditions, including the dates and time period during which the alleged conditions and pattern or practice of resistance occurred; and

(iii) to the extent feasible and consistent with the interests of other plaintiffs, the minimum measures which the Attorney General believes may remedy the alleged conditions and the alleged pattern or practice of resistance; and

(B) that the Attorney General believes that such intervention by the United States is of general public importance and will materially further the vindication of rights, privileges, or immunities secured or protected by the Constitution or laws of the United States.

(2) The Attorney General shall personally sign any certification made pursuant to this section.

(c) Attorney General to personally sign motion to intervene

The Attorney General shall personally sign any motion to intervene made pursuant to this section.

(d) Discretionary award of attorney fees; other award provisions unaffected

In any action in which the United States joins as an intervenor under this section, the court may allow the prevailing party, other than the United States, a reasonable attorney’s fee against the United States as part of the costs. Nothing in this subsection precludes the award of attorney’s fees available under any other provisions of the United States Code.

(2) The Attorney General shall not file a motion to intervene under paragraph (1) before 90 days after the commencement of the action, except that if the court determines it would be in the interests of justice, the court may shorten or waive the time period.

AMENDMENTS

(2) The Attorney General shall not file a motion to intervene under paragraph (1) before 90 days after the commencement of the action, except that if the court determines it would be in the interests of justice, the court may shorten or waive the time period.

AMENDMENTS

§ 1997d. Prohibition of retaliation

No person reporting conditions which may constitute the basis for an action under section 1983 of this title shall be subjected to retaliation in any manner for so reporting.

§ 1997e. Suits by prisoners

(a) Applicability of administrative remedies

No action shall be brought with respect to prison conditions under section 1983 of this title, or any other Federal law, by a prisoner confined in any jail, prison, or other correctional facility until such administrative remedies as are available are exhausted.

(b) Failure of State to adopt or adhere to administrative grievance procedure

The failure of a State to adopt or adhere to an administrative grievance procedure shall not constitute the basis for an action under section 1997a or 1997c of this title.

(c) Dismissal

(1) The court shall on its own motion or on the motion of a party dismiss any action brought with respect to prison conditions under section 1983 of this title, or any other Federal law, by a prisoner confined in any jail, prison, or other correctional facility if the court is satisfied that the action is frivolous, malicious, fails to state a claim upon which relief can be granted, or seeks monetary relief from a defendant who is immune from such relief.

(2) In the event that a claim is, on its face, frivolous, malicious, fails to state a claim upon which relief can be granted, or seeks monetary relief from a defendant who is immune from such relief, the court may dismiss the underlying claim without first requiring the exhaustion of administrative remedies.

(d) Attorney's fees

(1) In any action brought by a prisoner who is confined to any jail, prison, or other correctional facility, in which attorney's fees are authorized under section 1988 of this title, such fees shall not be awarded, except to the extent that—

(A) the fee was directly and reasonably incurred in enforcing the relief ordered for the violation.

(2) Whenever a monetary judgment is awarded in an action described in paragraph (1), a portion of the judgment (not to exceed 25 percent) shall be applied to satisfy the amount of attorney's fees awarded against the defendant. If the award of attorney's fees is not greater than 25 percent of the judgment, the excess shall be paid by the defendant.

(3) No award of attorney's fees in an action described in paragraph (1) shall be based on an hourly rate greater than 150 percent of the hourly rate established under section 3006A of title 18 for payment of court-appointed counsel.

(4) Nothing in this subsection shall prohibit a prisoner from entering into an agreement to pay an attorney's fee in an amount greater than the amount authorized under this subsection, if the fee is paid by the individual rather than by the defendant pursuant to section 1988 of this title.

(e) Limitation on recovery

No Federal civil action may be brought by a prisoner confined in a jail, prison, or other correctional facility, for mental or emotional injury suffered while in custody without a prior showing of physical injury or the commission of a sexual act (as defined in section 2246 of title 18).

(f) Hearings

(1) To the extent practicable, in any action brought with respect to prison conditions in Federal court pursuant to section 1983 of this title, or any other Federal law, by a prisoner confined in any jail, prison, or other correctional facility, pretrial proceedings in which the prisoner's participation is required or permitted shall be conducted by telephone, video conference, or other telecommunications technology without removing the prisoner from the facility in which the prisoner is confined.

(2) Subject to the agreement of the official of the Federal, State, or local unit of government with custody over the prisoner, hearings may be conducted at the facility in which the prisoner is confined. To the extent practicable, the court shall allow counsel to participate by telephone, video conference, or other communications technology in any hearing held at the facility.

(g) Waiver of reply

(1) Any defendant may waive the right to reply to any action brought by a prisoner confined in any jail, prison, or other correctional facility under section 1983 of this title or any other Federal law. Notwithstanding any other law or rule of procedure, such waiver shall not constitute an admission of the allegations contained in the complaint. No relief shall be granted to the plaintiff unless a reply has been filed.

(2) The court may require any defendant to reply to a complaint brought under this section if it finds that the plaintiff has a reasonable opportunity to prevail on the merits.

(h) “Prisoner” defined

As used in this section, the term “prisoner” means any person incarcerated or detained in any facility who is accused of, convicted of, sen-
sentenced for, or adjudicated delinquent for, violations of criminal law or the terms and conditions of parole, probation, pretrial release, or diversionary program.

Subsec. (c). Pub. L. 103–322, §20416(a)(2), inserted "or are otherwise fair and effective" before period at end of par. (2) and "or is no longer fair and effective" before period at end of par. (2).

Effective Date of 1994 Amendment

Nondisclosure of Information in Actions Brought by Prisoners

(1) the financial records of a person employed or formerly employed by the Federal, State, or local jail, prison, or correctional facility, shall not be subject to disclosure without the written consent of that person or pursuant to a court order, unless a verdict of liability has been entered against that person; and

(2) the home address, home phone number, social security number, identity of family members, personal tax returns, and personal banking information of a person described in paragraph (1), and any other records or information of a similar nature relating to that person, shall not be subject to disclosure without the written consent of that person, or pursuant to a court order."

References in Text

Section 1988 of this title, referred to in subsec. (d)(1)(B), was in the original a reference to section 2 of the Revised Statutes of the United States (42 U.S.C. 1983), and has been translated as reading section 722 of the Revised Statutes of the United States to reflect the probable intent of Congress. Section 2 of the Revised Statutes, which defined the term "county", was repealed and reenacted as section 2 of Title I, General Provisions, by act July 30, 1947, ch. 306, 61 Stat. 365, 466.

Amendments

1996—Subsec. (a). Pub. L. 104–134 amended section generally, substituting provisions relating to suits by prisoners, consisting of subsec. (a) to (d), for former provisions relating to exhaustion of remedies, consisting of subsecs. (a) to (d).

1994—Subsec. (a). Pub. L. 103–322, §20416(a)(1), substituted for "exceed 180 days" in par. (1) and inserted before period at end of par. (2) "or are otherwise fair and effective".

Subsec. (c). Pub. L. 103–322, §20416(a)(2), inserted "or are otherwise fair and effective" before period at end of par. (1) and "or is no longer fair and effective" before period at end of par. (2).

AMENDMENTS

§1997f. Report to Congress

The Attorney General shall include in the report to Congress on the business of the Department of Justice prepared pursuant to section 522 of title 28—

(1) a statement of the number, variety, and outcome of all actions instituted pursuant to this subchapter including the history of, precise reasons for, and procedures followed in initiation or intervention in each case in which action was commenced;

(2) a detailed explanation of the procedures by which the Department has received, reviewed and evaluated petitions or complaints regarding conditions in institutions;

(3) an analysis of the impact of actions instituted pursuant to this subchapter, including, when feasible, an estimate of the costs incurred by States and other political subdivisions;

(4) a statement of the financial, technical, or other assistance which has been made available from the United States to the State in order to assist in the correction of the conditions which are alleged to have deprived a person of rights, privileges, or immunities secured or protected by the Constitution or laws of the United States; and

(5) the progress made in each Federal institution toward meeting existing promulgated standards for such institutions or constitutionally guaranteed minima.

AMENDMENTS

§1997g. Priorities for use of funds

It is the intent of Congress that deplorable conditions in institutions covered by this subchapter amounting to deprivations of rights protected by the Constitution or laws of the United States be corrected, not only by litigation as contemplated in this subchapter, but also by the voluntary good faith efforts of agencies of Federal, State, and local governments. It is the further intention of Congress that where Federal funds are available for use in improving such institutions, priority should be given to the correction or elimination of such unconstitutional or illegal conditions which may exist. It is not the intent of this provision to require the redirection of funds from one program to another or from one State to another.

section 1997a of this title or of the notification of an intention to file a motion to intervene under section 1997c of this title, and if the relevant institution receives Federal financial assistance from the Department of Health and Human Services or the Department of Education, the Attorney General shall notify the appropriate Secretary of the action and the reasons for such action and shall consult with such officials. Following such consultation, the Attorney General may proceed with an action under this subchapter if the Attorney General is satisfied that such action is consistent with the policies and goals of the executive branch.

AMENDMENTS

1996—Pub. L. 104–134 substituted “the action” for “his action” and “the Attorney General is satisfied” for “he is satisfied”.

§ 1997i. Disclaimer respecting standards of care

Provisions of this subchapter shall not authorize promulgation of regulations defining standards of care.

§ 1997j. Disclaimer respecting private litigation

The provisions of this subchapter shall in no way expand or restrict the authority of parties other than the United States to enforce the legal rights which they may have pursuant to existing law with regard to institutionalized persons. In this regard, the fact that the Attorney General may be conducting an investigation or contemplating litigation pursuant to this subchapter shall not be grounds for delay of or prejudice to any litigation on behalf of parties other than the United States.

SUBCHAPTER II—PUBLIC ACCOMMODATIONS

§ 2000a. Prohibition against discrimination or segregation in places of public accommodation

(a) Equal access

All persons shall be entitled to the full and equal enjoyment of the goods, services, facilities, privileges, advantages, and accommodations of any place of public accommodation, as defined in this section, without discrimination or segregation on the ground of race, color, religion, or national origin.

(b) Establishments affecting interstate commerce or supported in their activities by State action as places of public accommodation; lodging; facilities principally engaged in selling food for consumption on the premises; gasoline stations; places of exhibition or entertainment; other covered establishments

Each of the following establishments which serves the public is a place of public accommodation within the meaning of this subchapter if its operations affect commerce, or if discrimination or segregation by it is supported by State action:

(1) any inn, hotel, motel, or other establishment which provides lodging to transient guests, other than an establishment located within a building which contains not more than five rooms for rent or hire and which is actually occupied by the proprietor of such establishment as his residence;

(2) any restaurant, cafeteria, lunchroom, lunch counter, soda fountain, or other facility principally engaged in selling food for consumption on the premises, including, but not limited to, any such facility located on the premises of any retail establishment; or any gasoline station;

(3) any motion picture house, theater, concert hall, sports arena, stadium or other place of exhibition or entertainment; and

(4) any establishment (A)(i) which is physically located within the premises of any establishment otherwise covered by this subchapter, or (ii) within the premises of which is physically located any such covered establishment, and (B) which holds itself out as serving patrons of such covered establishment.

(c) Operations affecting commerce; criteria; “commerce” defined

The operations of an establishment affect commerce within the meaning of this subchapter if (1) it is one of the establishments described in paragraph (1) of subsection (b); (2) in the case of an establishment described in paragraph (2) of subsection (b), it serves or offers to serve interstate travelers of a substantial portion of the food which it serves, or gasoline or other products which it sells, has moved in commerce; (3) in the case of an establishment described in paragraph (3) of subsection (b), it customarily presents films, performances, athletic teams, exhibitions, or other sources of entertainment which move in commerce; and (4) in the case of an establishment described in paragraph (4) of subsection (b), it is physically located within the premises of, or there is physically located within its premises, an establishment the operations of which affect commerce within the meaning of this subsection. For purposes of this section, “commerce” means travel, trade, traffic, commerce, transportation, or communication among the several States, or between the District of Columbia and any State, or between any foreign country or any territory or possession and any State or the District of Columbia, or between points in the same State but through any other State or the District of Columbia or a foreign country.

(d) Support by State action

Discrimination or segregation by an establishment is supported by State action within the meaning of this subchapter if such discrimination or segregation (1) is carried on under color of any law, statute, ordinance, or regulation; or (2) is carried on under color of any custom or usage required or enforced by officials of the State or political subdivision thereof; or (3) is required by action of the State or political subdivision thereof.
§ 2000a–1. Prohibition against discrimination or segregation required by any law, statute, ordinance, regulation, rule or order of a State or State agency

All persons shall be entitled to be free, at any establishment or place, from discrimination or segregation of any kind on the ground of race, color, religion, or national origin, if such discrimination or segregation is or purports to be required by any law, statute, ordinance, regulation, rule, or order of a State or any agency or political subdivision thereof.

§ 2000a–2. Prohibition against deprivation of, interference with, and punishment for exercising rights and privileges secured by section 2000a or 2000a–1 of this title

No person shall (a) withhold, deny, or attempt to withhold or deny, or deprive or attempt to deprive any person of any right or privilege secured by section 2000a or 2000a–1 of this title, or (b) intimidate, threaten, or coerce, or attempt to intimidate, threaten, or coerce any person with the purpose of interfering with any right or privilege secured by section 2000a or 2000a–1 of this title.

§ 2000a–3. Civil actions for injunctive relief

(a) Persons aggrieved; intervention by Attorney General; legal representation; commencement of action without payment of fees, costs, or security

Whenever any person has engaged or there are reasonable grounds to believe that any person is about to engage in any act or practice prohibited by section 2000a–2 of this title, a civil action for preventive relief, including an application for a permanent or temporary injunction, restraining order, or other order, may be instituted by the person aggrieved and, upon timely application, the court may, in its discretion, permit the Attorney General to intervene in such civil action if he certifies that the case is of general public importance. Upon application by the complaining person and in such circumstances as the court may deem just, the court may appoint an attorney for such complainant and may authorize the commencement of the civil action without the payment of fees, costs, or security.

(b) Attorney’s fees; liability of United States for costs

In any action commenced pursuant to this subchapter, the court, in its discretion, may allow the prevailing party, other than the United States, a reasonable attorney’s fee as part of the costs, and the United States shall be liable for costs the same as a private person.

(c) State or local enforcement proceedings; notification of State or local authority; stay of Federal proceedings

In the case of an alleged act or practice prohibited by this subchapter which occurs in a State, or political subdivision of a State, which has a State or local law prohibiting such act or practice and establishing or authorizing a State or local authority to grant or seek relief from such practice or to institute criminal proceedings with respect thereto upon receiving notice thereof, no civil action may be brought under subsection (a) before the expiration of thirty days after written notice of such alleged act or practice has been given to the appropriate State or local authority by registered mail or in person, provided that the court may stay proceedings in such civil action pending the termination of State or local enforcement proceedings.

(d) References to Community Relations Service to obtain voluntary compliance; duration of reference; extension of period

In the case of an alleged act or practice prohibited by this subchapter which occurs in a State, or political subdivision of a State, which has no State or local law prohibiting such act or practice, a civil action may be brought under subsection (a): Provided, That the court may refer the matter to the Community Relations Service for the purpose of obtaining voluntary compliance, in which case the reference may be continued for a period of not more than sixty days and the court may extend the reference for a further period of not more than sixty days, if the person aggrieved shall have been given notice thereof before the expiration of the first sixty-day period of such reference.
Service established by subchapter VIII of this chapter for as long as the court believes there is a reasonable possibility of obtaining voluntary compliance, but for not more than sixty days: Provided further. That upon expiration of such sixty-day period, the court may extend such period for an additional period, not to exceed a cumulative total of one hundred and twenty days, if it believes there then exists a reasonable possibility of securing voluntary compliance.

§ 2000a–4. Community Relations Service; investigations and hearings; executive session; release of testimony; duty to bring about voluntary settlements

The Service is authorized to make a full investigation of any complaint referred to it by the court under section 2000a–3(d) of this title and may hold such hearings with respect thereto as may be necessary. The Service shall conduct any hearings with respect to any such complaint in executive session, and shall not release any testimony given therein except by agreement of all parties involved in the complaint with the permission of the court, and the Service shall endeavor to bring about a voluntary settlement between the parties.

§ 2000a–5. Civil actions by the Attorney General

(a) Complaint

Whenever the Attorney General has reasonable cause to believe that any person or group of persons is engaged in a pattern or practice of resistance to the full enjoyment of any of the rights secured by this subchapter, and that the pattern or practice is of such a nature and is intended to deny the full exercise of the rights herein described, the Attorney General may bring a civil action in the appropriate district court of the United States by filing with it a complaint (1) signed by him (or in his absence the Acting Attorney General), (2) setting forth facts pertaining to such pattern or practice, and (3) requesting such preventive relief, including an application for a permanent or temporary injunction, restraining order or other order against the person or persons responsible for such pattern or practice, as he deems necessary to insure the full enjoyment of the rights herein described.

(b) Three-judge district court for cases of general public importance: hearing, determination, expedition of action, review by Supreme Court; single judge district court: hearing, determination, expedition of action

In any such proceeding the Attorney General may file with the clerk of such court a request that a court of three judges be convened to hear and determine the case. Such request by the Attorney General shall be accompanied by a certificate that, in his opinion, the case is of general public importance. A copy of the certificate and request for a three-judge court shall be immediately furnished by such clerk to the chief judge of the circuit (or in his absence, the presiding circuit judge) in which the case is pending. Upon receipt of the copy of such request it shall be the duty of the chief judge of the circuit or the presiding circuit judge, as the case may be, to designate immediately three judges in such circuit, of whom at least one shall be a circuit judge and another of whom shall be a district judge of the circuit in which the proceeding was instituted, to hear and determine such case, and it shall be the duty of the judges so designated to assign the case for hearing at the earliest practicable date, to participate in the hearing and determination thereof, and to cause the case to be in every way expedited. An appeal from the final judgment of such court will lie to the Supreme Court.

In the event the Attorney General fails to file such a request in any such proceeding, it shall be the duty of the chief judge of the district (or in his absence, the acting chief judge) in which the case is pending immediately to designate a judge in such district to hear and determine the case. In the event that no judge in the district is available to hear and determine the case, the chief judge of the district, or the acting chief judge, as the case may be, shall certify this fact to the chief judge of the circuit (or in his absence, the acting chief judge) who shall then designate a district or circuit judge of the circuit to hear and determine the case.

It shall be the duty of the judge designated pursuant to this section to assign the case for hearing at the earliest practicable date and to cause the case to be in every way expedited.

§ 2000a–6. Jurisdiction; exhaustion of other remedies; exclusiveness of remedies; assertion of rights based on other Federal or State laws and pursuit of remedies for enforcement of such rights

(a) The district courts of the United States shall have jurisdiction of proceedings instituted pursuant to this subchapter and shall exercise the same without regard to whether the aggrieved party shall have exhausted any administrative or other remedies that may be provided by law.

(b) The remedies provided in this subchapter shall be the exclusive means of enforcing the rights based on this subchapter, but nothing in this subchapter shall preclude any individual or any State or local agency from asserting any right based on any other Federal or State law not inconsistent with this subchapter, including any statute or ordinance requiring nondiscrimination in public establishments or accommodations, or from pursuing any remedy, civil or criminal, which may be available for the vindication or enforcement of such right.

§ 2000b. Civil actions by the Attorney General

(a) Complaint; certification; institution of civil action; relief requested; jurisdiction; impleading additional parties as defendants

Whenever the Attorney General receives a complaint in writing signed by an individual to the effect that he is being deprived of or threatened with the loss of his right to the equal protection of the laws, on account of his race, color, religion, or national origin, by being denied equal utilization of any public facility which is owned, operated, or managed by or on behalf of any State or subdivision thereof, other than a public school or public college as defined in section 2000c of this title, and the Attorney General believes the complaint is meritorious and certifies that the signer or signers of such complaint are unable, in his judgment, to initiate and maintain appropriate legal proceedings for relief and that the institution of an action will materially further the orderly progress of desegregation in public facilities, the Attorney General is authorized to institute for or in the name of the United States a civil action in any appropriate district court of the United States against such parties and for such relief as may be appropriate, and such court shall have and shall exercise jurisdiction of proceedings instituted pursuant to this section. The Attorney General may implead as defendants such additional parties as are or become necessary to the grant of effective relief hereunder.

(b) Persons unable to initiate and maintain legal proceedings

The Attorney General may deem a person or persons unable to initiate and maintain appropriate legal proceedings within the meaning of subsection (a) of this section when such person or persons are unable, either directly or through other interested persons or organizations, to bear the expense of the litigation or to obtain effective legal representation; or whenever he is satisfied that the institution of such litigation would jeopardize the personal safety, employment, or economic standing of such person or persons, their families, or their property.

§ 2000b–1. Liability of United States for costs and attorney's fee

In any action or proceeding under this subchapter the United States shall be liable for costs, including a reasonable attorney's fee, the same as a private person.

§ 2000b–2. Personal suits for relief against discrimination in public facilities

Nothing in this subchapter shall affect adversely the right of any person to sue for or obtain relief in any court against discrimination in any facility covered by this subchapter.

§ 2000b–3. “Complaint” defined

A complaint as used in this subchapter is a writing or document within the meaning of section 1001, title 18.

SUBCHAPTER IV—PUBLIC EDUCATION

§ 2000c. Definitions

As used in this subchapter—

(a) “Secretary” means the Secretary of Education.

(b) “Desegregation” means the assignment of students to public schools and within such schools without regard to their race, color, religion, sex or national origin, but “desegregation” shall not mean the assignment of students to public schools in order to overcome racial imbalance.

(c) “Public school” means any elementary or secondary educational institution, and “public college” means any institution of higher education or any technical or vocational school above the secondary school level, provided that such public school or public college is operated by a State, subdivision of a State, or governmental agency within a State, or operated wholly or predominantly from or through the use of governmental funds or property, or funds or property derived from a governmental source.

(d) “School board” means any agency or agencies which administer a system of one or more public schools and any other agency which is responsible for the assignment of students to or within such system.

AMENDMENTS

TRANSFER OF FUNCTIONS

“Secretary means the Secretary of Education” substituted for “Commissioner means the Commissioner of Education” in subsec. (a) pursuant to sections 341(a)(1) and 507 of Pub. L. 96–88, which are classified to sections 341(a)(1) and 507 of Title 20, Education, and which transferred all functions of Commissioner of Education of Department of Health, Education, and Welfare to Secretary of Education.

§ 2000c–1. Omitted

CODIFICATION

Section, Pub. L. 88–352, title IV, §402, July 2, 1964, 78 Stat. 247, authorized the Commissioner to conduct a survey and make a report to the President and the Congress within two years of July, 1964 concerning the availability of educational opportunities for minority group members.

§ 2000c–2. Technical assistance in preparation, adoption, and implementation of plans for desegregation of public schools

The Secretary is authorized, upon the application of any school board, State, municipality,
school district, or other governmental unit legally responsible for operating a public school or schools, to render technical assistance to such applicant in the preparation, adoption, and implementation of plans for the desegregation of public schools. Such technical assistance may, among other activities, include making available to such agencies information regarding effective methods of coping with special educational problems occasioned by desegregation, and making available to such agencies personnel of the Department of Education or other persons specially equipped to advise and assist them in coping with such problems.

**Transfer of Functions**

“Secretary”, meaning the Secretary of Education, and “Department of Education” substituted in text for “Commissioner” and “Office of Education”, respectively, pursuant to sections 301(a)(1), (b)(2) and 507 of Pub. L. 96–88, which are classified to sections 3441(a)(1), (b)(2) and 3507 of Title 20, Education, and which transferred all functions of Commissioner of Education to Secretary of Education and transferred Office of Education to the Department of Education.

§ 2000c–3. Training institutes; stipends; travel allowances

The Secretary is authorized to arrange, through grants or contracts, with institutions of higher education for the operation of short-term or regular session institutes for special training designed to improve the ability of teachers, supervisors, counselors, and other elementary or secondary school personnel to deal effectively with special educational problems occasioned by desegregation. Individuals who attend such an institute in amounts specified by the Secretary with the approval of the Department of Education shall be paid, in whole or in part, the cost of—

(a) The Secretary is authorized, upon application of a school board, to make grants to such board to pay, in whole or in part, the cost of—

(1) giving to teachers and other school personnel inservice training in dealing with problems incident to desegregation;

(2) employing specialists to advise in problems incident to desegregation;

(b) In determining whether to make a grant, and in fixing the amount thereof and the terms and conditions on which it will be made, the Secretary shall take into consideration the amount available for grants under this section and the other applications which are pending before him; the financial condition of the applicant and the other resources available to him; the nature, extent, and gravity of its problems incident to desegregation; and such other factors as he finds relevant.

**Transfer of Functions**

“Secretary”, meaning the Secretary of Education, substituted in text for “Commissioner” pursuant to sections 301(a)(1) and 507 of Pub. L. 96–88, which are classified to sections 3441(a)(1) and 3507 of Title 20, Education, and which transferred all functions of Commissioner of Education to Secretary of Education.

§ 2000c–5. Payments; adjustments; advances or reimbursement; installments

Payments pursuant to a grant or contract under this subchapter may be made (after necessary adjustments on account of previously made overpayments or underpayments) in advance or by way of reimbursement, and in such installments, as the Secretary may determine.

**Transfer of Functions**

“Secretary”, meaning the Secretary of Education, substituted in text for “Commissioner” pursuant to sections 301(a)(1) and 507 of Pub. L. 96–88, which are classified to sections 3441(a)(1) and 3507 of Title 20, Education, and which transferred all functions of Commissioner of Education to Secretary of Education.

§ 2000c–6. Civil actions by the Attorney General

(a) Complaint; certification; notice to school board or college authority; institution of civil action; relief requested; jurisdiction; transportation of pupils to achieve racial balance; judicial power to insure compliance with constitutional standards; impleading additional parties as defendants

Whenever the Attorney General receives a complaint in writing—

(1) signed by a parent or group of parents to the effect that his or their minor children, as members of a class of persons similarly situated, are being deprived by a school board of the equal protection of the laws, or

(2) signed by an individual, or his parent, to the effect that he has been denied admission to or not permitted to continue in attendance at a public college by reason of race, color, religion, sex or national origin,

and the Attorney General believes the complaint is meritorious and certifies that the signer or signers of such complaint are unable, in his judgment, to initiate and maintain appropriate legal proceedings for relief and that the institution of an action will materially further the orderly achievement of desegregation in public education, the Attorney General is authorized, after giving notice of such complaint to the ap-
§ 2000c-7. Liability of United States for costs

In any action or proceeding under this subchapter the United States shall be liable for costs the same as a private person.

§ 2000c-8. Personal suits for relief against discrimination in public education

Nothing in this subchapter shall affect adversely the right of any person to sue for or obtain relief in any court against discrimination in public education.

§ 2000c-9. Classification and assignment

Nothing in this subchapter shall prohibit classification and assignment for reasons other than race, color, religion, sex or national origin.

AMENDMENTS

1972—Pub. L. 92-318 inserted “sex” after “religion.”.

SUBCHAPTER V—FEDERALLY ASSISTED PROGRAMS

§ 2000d. Prohibition against exclusion from participation in, denial of benefits of, and discrimination under federally assisted programs on ground of race, color, or national origin

No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

COORDINATION OF IMPLEMENTATION AND ENFORCEMENT OF PROVISIONS

For provisions relating to the coordination of implementation and enforcement of the provisions of this subchapter by the Attorney General, see section 1-201 of Ex. Ord. No. 12250, Nov. 2, 1980, 45 F.R. 72965, set out as a note under section 2000d-1 of this title.

EX. ORD. NO. 13160. NONDISCRIMINATION ON THE BASIS OF RACE, SEX, COLOR, NATIONAL ORIGIN, DISABILITY, RELIGION, AGE, SEXUAL ORIENTATION, AND STATUS AS A PARENT IN FEDERALLY CONDUCTED EDUCATION AND TRAINING PROGRAMS

Ex. Ord. No. 13160, June 23, 2000, 65 F.R. 39775, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, including sections 921-932 of title 20, United States Code; section 2164 of title 10, United States Code; section 2901 et seq., of title 25, United States Code; section 7301 of title 5, United States Code; and section 301 of title 3, United States Code, and to achieve equal opportunity in Federally conducted education and training programs and activities, it is hereby ordered as follows:

SECTION 1. Statement of policy on education programs and activities conducted by executive departments and agencies.

1-101. The Federal Government must hold itself to at least the same principles of nondiscrimination in educational opportunities as it applies to the education programs and activities of State and local governments, and to private institutions receiving Federal financial assistance. Existing laws and regulations prohibit certain forms of discrimination in Federally conducted education and training programs and activities—including discrimination against people with disabilities, prohibited by the Rehabilitation Act of 1973, 29 U.S.C. 701 et seq., as amended, employment discrimination on the basis of race, color, national origin, sex, or religion, prohibited by Title VII of the Civil Rights Act of 1964, 42 U.S.C. 2000e-17 [42 U.S.C. 2000e et seq.], as amended, discrimination on the basis of race, color, national origin, or religion in educational programs receiving Federal assistance, under Title VI of the Civil Rights Acts of 1964, 42 U.S.C. 2000d et seq., and sex-
based discrimination in education programs receiving Federal assistance under Title IX of the Education Amendments of 1972, 20 U.S.C. 1681 et seq. Through this Executive Order, discrimination on the basis of race, sex, color, national origin, disability, religion, age, sexual orientation, and status as a parent will be prohibited in Federally conducted education and training programs and activities. 

1–102. No individual, on the basis of race, sex, color, national origin, disability, religion, age, sexual orientation, or status as a parent, shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination in, a Federally conducted education or training program or activity.

SISC. 2. Definitions.

2–201. "Federally conducted education and training programs and activities" includes programs and activities conducted, operated, or undertaken by an executive department or agency.

2–202. "Education and training programs and activities" include, but are not limited to, formal schools, extracurricular activities, academic programs, occupational training, scholarships and fellowships, student internships, training for industry members, summer enrichment camps, and teacher training programs.

2–203. The Attorney General is authorized to make a final determination as to whether a program falls within the scope of education and training programs and activities covered by this order, under subsection 2–202, or is otherwise, under section 3. 2–204. "Military education or training programs" are those education and training programs conducted by the Department of Defense or, where the Coast Guard is concerned, the Department of Transportation, for the primary purpose of educating or training members of the armed forces or meeting a statutory requirement to educate or train Federal, State, or local civilian law enforcement officials pursuant to 10 U.S.C. Chapter 41.

2–205. "Armed Forces" means the Armed Forces of the United States.

2–206. "Status as a parent" refers to the status of an individual who, with respect to an individual who is under the age of 18 or who is 18 or older but is incapable of self-care because of a physical or mental disability, is:

(a) a biological parent;
(b) an adoptive parent;
(c) a foster parent;
(d) a stepparent;
(e) a custodian of a legal ward;
(f) in loco parentis over such an individual; or
(g) actively seeking legal custody or adoption of such an individual.

SISC. 3. Exemption from coverage.

3–301. This order does not apply to members of the armed forces, military education or training programs, or authorized intelligence activities. Members of the armed forces, including students at military academies, shall continue to be covered by regulations that currently bar specified forms of discrimination that are now enforced by the Department of Defense and the individual service branches. The Department of Defense shall develop procedures to protect the rights of and to provide redress to civilians not otherwise protected by existing Federal law from discrimination on the basis of race, sex, color, national origin, disability, religion, age, sexual orientation, or status as a parent and who participate in military education or training programs or activities conducted by the Department of Defense.

3–302. This order does not apply to, affect, interfere with, or modify the operation of any otherwise lawful affirmative action plan or program.

3–303. An individual shall not be deemed subjected to discrimination by reason of his or her exclusion from the benefits of a program established consistent with federal law or limited by Federal law to individuals of a particular race, sex, color, disability, national origin, age, religion, sexual orientation, or status as a parent different from his or her own.

3–304. This order does not apply to ceremonial or similar education or training programs or activities of schools conducted by the Department of the Interior, Bureau of Indian Affairs, that are culturally relevant to the children represented in the school. "Culturally relevant" refers to any cultural practice that is fundamental to a tribe's culture, customs, traditions, heritage, or religion.

3–305. This order does not apply to (a) selections based on national origin of foreign nationals to participate in covered education or training programs, if such programs primarily concern national security or foreign policy matters; or (b) selections or other decisions regarding participation in covered education or training programs made by entities outside the executive branch. It shall be the policy of the executive branch that education or training programs or activities shall not be available to entities that select persons for participation in violation of Federal or State law.

3–306. The prohibition on discrimination on the basis of age provided in this order does not apply to age-based admissions of participants to education or training programs, if such programs have traditionally been age-specific or must be age-limited for reasons related to health or national security.

SISC. 4. Administrative enforcement.

4–401. Any person who believes himself or herself to be aggrieved by a violation of this order or its implementing regulations, rules, policies, or guidance personally or through a representative, file a written complaint with the agency that such person believes is in violation of this order or its implementing regulations, rules, policies, or guidance. Pursuant to procedures to be established by the Attorney General, each executive department or agency shall conduct an investigation of any complaint by one of its employees alleging a violation of this Executive Order.

4–402. (a) If the office within an executive department or agency that is designated to investigate complaints for violations of this order or its implementing rules, regulations, policies, or guidance concludes that an employee has not complied with this order or any of its implementing rules, regulations, policies, or guidance, such office shall complete a report and refer a copy of the report and any relevant findings or supporting evidence to an appropriate agency official. The appropriate agency official shall review such material and determine what, if any, disciplinary action is appropriate.

(b) In addition, the designated investigating office may provide appropriate agency officials with a recommendation for any corrective and/or remedial action. The appropriate officials shall consider such recommendations and implement corrective and/or remedial action by the agency, when appropriate. Nothing in this order authorizes monetary relief to the complainant as a form of remedial or corrective action by an executive department or agency.

4–403. Any action to discipline an employee who violates this order or its implementing rules, regulations, policies, or guidance, including removal from employment, where appropriate, shall be taken in compliance with otherwise applicable procedures, including the Civil Service Reform Act of 1978, Public Law No. 95–444, 92 Stat. 1111 [see Tables for classification].

SISC. 5. Implementation and Agency Responsibilities.

5–501. The Attorney General shall publish in the Federal Register such rules, regulations, policies, or guidance, as the Attorney General deems appropriate, to be followed by all executive departments and agencies. The Attorney General shall address:

(a) which programs and activities fall within the scope of education and training programs and activities covered by this order, under subsection 2–202, or excluded from coverage, under section 3 of this order;
(b) examples of discriminatory conduct;
(c) applicable legal principles;
(d) enforcement procedures with respect to complaints against employees; and
(e) remedies.

f. requirements for agency annual and tri-annual reports as set forth in section 6 of this order; and
§ 2000d–1

TITLE 42—THE PUBLIC HEALTH AND WELFARE

Page 4900

g. such other matters as deemed appropriate.

5–502. Within 90 days of the publication of final rules, regulations, policies, or guidance by the Attorney General, each executive department and agency shall establish a procedure to receive and address complaints regarding its Federally conducted education and training programs and activities. Each executive department and agency shall take all necessary steps to effectuate any subsequent rules, regulations, policies, or guidance issued by the Attorney General within 90 days of issuance.

5–503. The head of each executive department and agency shall be responsible for ensuring compliance with this order.

5–504. Each executive department and agency shall cooperate with the Attorney General and provide such information and assistance as the Attorney General may require in the performance of the Attorney General’s functions under this order.

5–505. Upon request and to the extent practicable, the Attorney General shall provide technical advice and assistance to executive departments and agencies to assist in full compliance with this order.

Ssc. 6. Reporting Requirements.

6–601. Consistent with the regulations, rules, policies, or guidance issued by the Attorney General, each executive department and agency shall submit to the Attorney General a report that summarizes the number and nature of complaints filed with the agency and the disposition of such complaints. For the first 3 years after the date of this order, such reports shall be submitted annually within 90 days of the end of the preceding year’s activities. Subsequent reports shall be submitted every 3 years and within 90 days of the end of each 3-year period.

Ssc. 7. General Provisions.

7–701. Nothing in this order shall limit the authority of the Attorney General to provide for the coordinated enforcement of nondiscrimination requirements in Federal assistance programs under Executive Order 12250 [42 U.S.C. 2000d–1 note].

Ssc. 8. Judicial Review.

8–801. This order is not intended, and should not be construed, to create any right or benefit, substantive or procedural, enforceable at law by a party against the United States, its agencies, its officers, or its employees. This order is not intended, however, to preclude judicial review of final decisions in accordance with the Administrative Procedure Act, 5 U.S.C. 701, et seq.

WILLIAM J. CLINTON.

EX. ORD. NO. 13899. COMBATING ANTI-SEMITISM

Ex. Ord. No. 13899, Dec. 11, 2019, 84 F.R. 68779, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

SECTION 1. Policy. My Administration is committed to combating the rise of anti-Semitism and anti-Semitic incidents in the United States and around the world. Anti-Semitic incidents have increased since 2013, and students, in particular, continue to face anti-Semitic harassment in schools and on university and college campuses.

Title VI of the Civil Rights Act of 1964 (Title VI), 42 U.S.C. 2000d et seq., prohibits discrimination on the basis of race, color, and national origin in programs and activities receiving Federal financial assistance. While Title VI does not cover discrimination based on religion, individuals who face discrimination on the basis of race, color, or national origin do not lose protection under Title VI for also being a member of a group that shares common religious practices. Discrimination against Jews may give rise to a Title VI violation when the discrimination is based on an individual’s race, color, or national origin.

It shall be the policy of the executive branch to enforce Title VI against prohibited forms of discrimination rooted in anti-Semitism as vigorously as against all other forms of discrimination prohibited by Title VI.

§ 2000d–1. Federal authority and financial assistance to programs or activities by way of grant, loan, or contract other than contract of insurance or guaranty; rules and regulations; approval by President; compliance with requirements; reports to Congressional committees; effective date of administrative action

Each Federal department and agency which is empowered to extend Federal financial assistance to any program or activity, by way of grant, loan, or contract, other than contract of insurance or guaranty, is authorized and directed to effectuate the provisions of section 2000d of this title with respect to such program or activity by issuing rules, regulations, or or-
orders of general applicability which shall be con-
sistent with achievement of the objectives of the
statute authorizing the financial assistance in
connection with which the action is taken. No
such rule, regulation, or order shall become ef-
fective unless and until approved by the Presi-
dent. Compliance with any requirement adopted
pursuant to this section may be effected (1) by
the termination of or refusal to grant or to con-
tinue assistance under such program or activity
to any recipient as to whom there has been an
express finding on the record, after opportunity
for hearing, of a failure to comply with such re-
quirement, but such termination or refusal shall
be limited to the particular political entity, or
part thereof, or other recipient as to whom such
a finding has been made and, shall be limited in
its effect to the particular program, or part
thereof, in which such noncompliance has been
so found, or (2) by any other means authorized
by law: Provided, however, That no such action
shall be taken until the department or agency
concerned has advised the appropriate person or
persons of the failure to comply with the re-
quirement and has determined that compliance
cannot be secured by voluntary means. In the
case of any action terminating, or refusing to
grant or continue, assistance because of failure
to comply with a requirement imposed pursuant
to this section, the head of the Federal depart-
ment or agency shall file with the committees of
the House and Senate having legislative juris-
diction over the program or activity involved a
full written report of the circumstances and the
grounds for such action. No such action shall be
come effective until thirty days have elapsed
after the filing of such report.

EX. Ord. No. 12250. LEADERSHIP AND COORDINATION OF
IMPLEMENTATION AND ENFORCEMENT OF NON-
DISCRIMINATION LAWS
Ex. Ord. No. 12250, Nov. 2, 1980, 45 F.R. 72995, provided:
By the authority vested in me as President by the
Constitution and statutes of the United States of
America, including section 602 of the Civil Rights Act
of 1964 (42 U.S.C. 2000d–1), Section 902 of the Education
Amendments of 1972 (20 U.S.C. 1682), and Section 301 of
Title 3 of the United States Code, and in order to pro-
vide, under the leadership of the Attorney General, for
the consistent and effective implementation of various
laws prohibiting discriminatory practices in Federal
programs and programs receiving Federal financial as-
stance, it is hereby ordered as follows:

1–1. DELEGATION OF FUNCTION

1–101. The function vested in the President by Section
relating to the approval of rules, regulations, and orders
of general applicability, is hereby delegated to the At-
torney General.

1–102. The function vested in the President by Section
902 of the Education Amendments of 1972 (20 U.S.C.
1682), relating to the approval of rules, regulations, and
orders of general applicability, is hereby delegated to the
Attorney General.

1–2. COORDINATION OF NONDISCRIMINATION PROVISIONS

1–201. The Attorney General shall coordinate the im-
plementation and enforcement by Executive agencies
of various nondiscrimination provisions of the fol-
lowing laws:

(a) Title VI of the Civil Rights Act of 1964 (42 U.S.C.
2000d et seq.),
(b) Title IX of the Education Amendments of 1972 (20
U.S.C. 1681 et seq.),
(c) Section 504 of the Rehabilitation Act of 1973, as
(d) Any other provision of Federal statutory law
which provides, in whole or in part, that no person in
the United States shall, on the ground of race, color,
national origin, handicap, religion, or sex, be excluded
from participation in, be denied the benefits of, or be
subject to discrimination under any program or activ-
ity receiving Federal financial assistance.

1–202. In furtherance of the Attorney General’s re-
sponsibility for the coordination of the implementation
and enforcement of the nondiscrimination provisions of
laws covered by this Order, the Attorney General shall
review the existing and proposed rules, regulations, and
orders of general applicability of the Executive agen-
cies in order to identify those which are inadequate,
unclear or unnecessarily inconsistent.

1–203. The Attorney General shall develop standards
and procedures for taking enforcement actions and for
conducting investigations and compliance reviews.

1–204. The Attorney General shall issue guidelines for
establishing reasonable time limits on efforts to secure
voluntary compliance, on the initiation of sanctions,
and for referral to the Department of Justice for en-
forcement where there is noncompliance.

1–205. The Attorney General shall establish and im-
plement a schedule for the review of the agencies’ regu-
lations which implement the various nondiscrimina-
tion laws covered by this Order.

1–206. The Attorney General shall establish guidelines
and standards for the development of consistent and ef-
fective recordkeeping and reporting requirements by
Executive agencies; for the sharing and exchange by
agencies of compliance records, findings, and sup-
porting documentation; for the development of com-
prehensive employee training programs; for the devel-
opment of effective information programs; and for
the development of cooperative programs with State
and local agencies, including sharing of information, de-
fering of enforcement activities, and providing technical
assistance.

1–207. The Attorney General shall initiate cooperative
programs between and among agencies, including the
development of sample memoranda of understanding,
designed to improve the coordination of the laws cov-
ered by this Order.

1–3. IMPLEMENTATION BY THE ATTORNEY GENERAL

1–301. In consultation with the affected agencies, the
Attorney General shall promptly prepare a plan for the
implementation of this Order. This plan shall be submitted to the Director of the Office of Management and Budget.

1–302. The Attorney General shall periodically evaluate the implementation of the nondiscrimination provisions of the laws covered by this Order, and advise the heads of the agencies concerned on the results of such evaluations as to recommendations for improved improvement in implementation or enforcement.

1–303. The Attorney General shall carry out his functions under this Order, including the issuance of such regulations as he deems necessary, in consultation with affected agencies.

1–304. The Attorney General shall annually report to the President through the Director of the Office of Management and Budget on the progress in achieving the purposes of this Order. This report shall include any recommendations for changes in the implementation or enforcement of the nondiscrimination provisions of the laws covered by this Order.

1–4. AGENCY IMPLEMENTATION

1–401. Each Executive agency shall cooperate with the Attorney General in the performance of the Attorney General’s functions under this Order and shall, unless prohibited by law, furnish such reports and information as the Attorney General may request.

1–402. Each Executive agency responsible for implementing a nondiscrimination provision of a law covered by this Order shall issue appropriate implementing directives (whether in the nature of regulations or policy guidance). To the extent permitted by law, they shall be consistent with the requirements prescribed by the Attorney General pursuant to this Order and shall be subject to the approval of the Attorney General, who may require that some or all of them be submitted for approval before taking effect.

1–403. Within 60 days after a date set by the Attorney General, Executive agencies shall submit to the Attorney General their plans for implementing their responsibilities under this Order.

1–5. GENERAL PROVISIONS

1–501. Executive Order No. 11764 is revoked. The present regulations of the Attorney General relating to the coordination of enforcement of Title VI of the Civil Rights Act of 1964 (this subchapter) shall continue in effect until revoked or modified (28 CFR 42.401 to 42.415).

1–502. Executive Order No. 11914 is revoked. The present regulations of the Secretary of Health and Human Services relating to the coordination of the implementation of Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794), shall be deemed to have been issued by the Attorney General pursuant to this Order and shall continue in effect until revoked or modified by the Attorney General.

1–503. Nothing in this Order shall vest the Attorney General with the authority to coordinate the implementation and enforcement by Executive agencies of statutory provisions relating to equal employment.

1–504. Existing agency regulations implementing the nondiscrimination provisions of laws covered by this Order shall continue in effect until revoked or modified.

EX. ORD. NO. 13166. IMPROVING ACCESS TO SERVICES FOR PERSONS WITH LIMITED ENGLISH PROFICIENCY

Ex. Ord. No. 13166, Aug. 11, 2000, 65 F.R. 50121, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, and to improve access to federally conducted and federally assisted programs and activities for persons who, as a result of national origin, are limited in their English proficiency (LEP), it is hereby ordered as follows:

SECTION 1. Goals.

The Federal Government provides and funds an array of services that can be made accessible to otherwise eligible persons who are not proficient in the English language. The Federal Government is committed to improving the accessibility of these services to LEP persons, a goal that reinforces its equally important commitment to promoting programs and activities designed to help individuals learn English. To this end, each Federal agency shall examine the services it provides and develop and implement a system by which LEP persons can meaningfully access those services consistent with, and without unduly burdening, the fundamental mission of the agency. Each Federal agency shall also work to ensure that recipients of Federal financial assistance (recipients) provide meaningful access to their LEP applicants and beneficiaries. To assist the agencies with this endeavor, the Department of Justice has today issued a general guidance document (LEP Guidance), which sets forth the compliance standards that recipients must follow to ensure access to their programs and activities by LEP persons.

SEC. 2. Federally Conducted Programs and Activities.

Each Federal agency shall prepare a plan to improve access to its federally conducted programs and activities by eligible LEP persons. Each plan shall be consistent with the standards set forth in the LEP Guidance and shall include the steps the agency will take to ensure that eligible LEP persons can meaningfully access the agency’s programs and activities. Agencies shall develop and begin to implement these plans within 120 days of the date of this order, and shall send copies of their plans to the Department of Justice, which shall serve as the central repository of the agencies’ plans.

SEC. 3. Federally Assisted Programs and Activities.

Each agency providing Federal financial assistance shall draft title VI guidance specifically tailored to its recipients that is consistent with the LEP Guidance issued by the Department of Justice. This agency-specific guidance shall detail how the general standards established in the LEP Guidance will be applied to the agency’s recipients. The agency-specific guidance shall take into account the types of services provided by the recipients, the individuals served by the recipients, and other factors set out in the LEP Guidance. Agencies that already have developed title VI guidance that is consistent with the LEP Guidance shall examine their existing guidance, as well as their programs and activities, to determine if additional guidance is necessary to comply with this order. The Department of Justice shall consult with the agencies in creating their guidance and, within 120 days of the date of this order, each agency shall submit its specific guidance to the Department of Justice for review and approval. Following approval by the Department of Justice, each agency shall publish its guidance document in the Federal Register for public comment.

In carrying out this order, agencies shall ensure that stakeholders, such as LEP persons and their representatives, organizations, recipients, and other appropriate individuals or entities, have an adequate opportunity to provide input. Agencies will evaluate the particular needs of the LEP persons they and their recipients serve and the burdens of compliance on the agency and its recipients. This input from stakeholders will assist the agencies in developing an approach to ensuring meaningful access by LEP persons that is practical and
Any department or agency action taken pursuant to section 2000d–1 of this title shall be subject to such judicial review as may otherwise be provided by law for similar action taken by such department or agency on other grounds. In the case of action, not otherwise subject to judicial review, terminating or refusing to grant or to continue financial assistance upon a finding of failure to comply with any requirement imposed pursuant to section 2000d–1 of this title, any person aggrieved (including any State or political subdivision thereof and any agency of either) may obtain judicial review of such action in accordance with chapter 7 of Title 5, and such action shall not be deemed committed to unreviewable agency discretion within the meaning of that chapter.

§ 2000d–3. Construction of provisions not to authorize administrative action with respect to employment practices except where primary objective of Federal financial assistance is to provide employment

Nothing contained in this subchapter shall be construed to authorize action under this subchapter by any department or agency with respect to any employment practice of any employer, employment agency, or labor organization except where a primary objective of the Federal financial assistance is to provide employment.

§ 2000d–4. Federal authority and financial assistance to programs or activities by way of contract of insurance or guaranty

Nothing in this subchapter shall add to or detract from any existing authority with respect to any program or activity under which Federal financial assistance is extended by way of a contract of insurance or guaranty.

§ 2000d–4a. “Program or activity” and “program” defined

For the purposes of this subchapter, the term “program or activity” and the term “program” mean all of the operations of—

1. (A) a department, agency, special purpose district, or other instrumentality of a State or of a local government; or

2. (A) a college, university, or other postsecondary institution, or a public system of higher education; or

(B) a local educational agency (as defined in section 7801 of title 20), system of vocational education, or other school system;

3. (A) an entire corporation, partnership, or other private organization, or an entire sole proprietorship—

   (i) if assistance is extended to such corporation, partnership, private organization, or sole proprietorship as a whole; or

   (ii) which is principally engaged in the business of providing education, health care, housing, social services, or parks and recreation; or

4. (B) the entire plant or other comparable, geographically separate facility to which Federal financial assistance is extended, in the case of any other corporation, partnership, private organization, or sole proprietorship; or

(A) any other entity which is established by two or more of the entities described in paragraph (1), (2), or (3);

B) any part of which is extended Federal financial assistance.

AMENDMENTS

EFFECTIVE DATE OF 2015 AMENDMENT

Amendment by Pub. L. 114–95 effective Dec. 10, 2015, except with respect to certain noncompetitive programs and competitive programs, see section 5 of Pub. L. 114–95, set out as a note under section 6301 of Title 20, Education.

EFFECTIVE DATE OF 2002 AMENDMENT

Amendment by Pub. L. 107–110 effective Jan. 8, 2002, except with respect to certain noncompetitive programs and competitive programs, see section 5 of Pub. L. 107–110, set out as an Effective Date note under section 6301 of Title 20, Education.

EXCLUSION FROM COVERAGE

This section not to be construed to extend application of Civil Rights Act of 1964 [42 U.S.C. 2000a et seq.]
to ultimate beneficiaries of Federal financial assistance excluded from coverage before Mar. 22, 1988, see section 7 of Pub. L. 100–259, set out as a Construction note under section 1687 of Title 20, Education.

**ABORTION NEUTRALITY**

This section not to be construed to force or require any individual or hospital or any other institution, program, or activity receiving Federal funds to perform or pay for an abortion, see section 8 of Pub. L. 100–259, set out as a note under section 1688 of Title 20, Education.

§ 2000d-5. Prohibited deferral of action on applications by local educational agencies seeking Federal funds for alleged noncompliance with Civil Rights Act

The Secretary of Education shall not defer action or order action deferred on any application by a local educational agency for funds authorized to be appropriated by this Act, by the Elementary and Secondary Education Act of 1965 [20 U.S.C. 6301 et seq.], by the Act of September 30, 1950 (Public Law 815, Eighty-first Congress) or by the Cooperative Research Act [20 U.S.C. 331 et seq.], on the basis of alleged noncompliance with the provisions of title VI of the Civil Rights Act of 1964 [42 U.S.C. 2000d et seq.] for more than sixty days after notice is given to such local agency of such deferral unless such local agency is given the opportunity for a hearing as provided in section 602 of title VI of the Civil Rights Act of 1964 [42 U.S.C. 2000d–1], such hearing to be held within sixty days of such notice, unless the time for such hearing is extended by mutual consent of such local agency and the Secretary, and such deferral shall not continue for more than thirty days after the close of any such hearing unless there has been an express finding on the record of such hearing that such local educational agency has failed to comply with the provisions of title VI of the Civil Rights Act of 1964: Provided, That, for the purpose of determining whether a local educational agency is in compliance with title VI of the Civil Rights Act of 1964 (Public Law 88–352), compliance by such agency with a final order or judgment of a Federal court for the desegregation of the school or school system operated by such agency shall be deemed to be compliance with such title VI, insofar as the matters covered in the order or judgment are concerned.

(Pub. L. 89–750, title I, § 191, Nov. 3, 1966, 80 Stat. 1210, provided that: “The provisions of this title [enacting this section and sections 241m, 871 to 880, and 886 of Title 20, Education, amending sections 241b, 241c, 241e, 241f, 241g, 241h, 241i, 241j, 241k, 241l, 241m, 241n, 322a, 322b, 821, 822, 823, 841, 842, 843, 844, 861, 862, 863, 864, 883, and 884 of Title 20, repealing section 241d of Title 20, and enacting provisions set out as notes under sections 241a, 241b, and 241c of Title 20] shall be effective with respect to fiscal years beginning after June 30, 1966, except as specifically provided otherwise.”)

**TRANSFER OF FUNCTIONS**

“Secretary of Education” and “Secretary” substituted in text for “Commissioner of Education” and “Commissioner”, respectively, pursuant to sections 30(a)(1) and 307 of Pub. L. 96–88, which transferred all functions of Commissioner of Education of Department of Health, Education, and Welfare to Secretary of Education.

§ 2000d-6. Policy of United States as to application of nondiscrimination provisions in schools of local educational agencies

(a) Declaration of uniform policy

It is the policy of the United States that guidelines and criteria established pursuant to title VI of the Civil Rights Act of 1964 [42 U.S.C. 2000d et seq.] and section 182 of the Elementary and Secondary Education Amendments of 1966 [42 U.S.C. 2000d–5] dealing with conditions of segregation by race, whether de jure or de facto, in the schools of the local educational agencies of any State shall be applied uniformly in all regions of the United States whatever the origin or cause of such segregation.

(b) Nature of uniformity

Such uniformity refers to one policy applied uniformly to de jure segregation wherever found

1 See References in Text note below.
and such other policy as may be provided pursuant to law applied uniformly to de facto segregation wherever found.

(c) Prohibition of construction for diminution of obligation for enforcement or compliance with nondiscrimination requirements

Nothing in this section shall be construed to diminish the obligation of responsible officials to enforce or comply with such guidelines and criteria in order to eliminate discrimination in federally assisted programs and activities as required by title VI of the Civil Rights Act of 1964 [42 U.S.C. 2000d et seq.].

(d) Additional funds

It is the sense of the Congress that the Department of Justice and the Secretary of Education should request such additional funds as may be necessary to apply the policy set forth in this section throughout the United States.

TRANSFER OF FUNCTIONS

“Secretary of Education” substituted for “Department of Health, Education, and Welfare” in subsec. (d) pursuant to sections 341 and 3507 of Pub. L. 96–88, which are classified to sections 341 and 3507 of Title 20, Education, and which transferred functions and offices (relating to education) of Department and Secretary of Health, Education, and Welfare to Secretary of Education.

§ 2000d–7. Civil rights remedies equalization

(a) General provision

(2) In a suit against a State for a violation of a statute referred to in paragraph (1), remedies (including remedies both at law and in equity) are available for such a violation to the same extent as such remedies are available for such a violation in the suit against any public or private entity other than a State.

(b) Effective date

The provisions of subsection (a) shall take effect with respect to violations that occur in whole or in part after October 21, 1986.

CODIFICATION

Section was enacted as part of the Rehabilitation Act Amendments of 1986, and not as part of the Civil Rights Act of 1964, title VI of which comprises this subchapter.

SUBCHAPTER VI—EQUAL EMPLOYMENT OPPORTUNITIES

§ 2000e. Definitions

For the purposes of this subchapter—

(a) The term “person” includes one or more individuals, governments, governmental agencies, political subdivisions, labor unions, partnerships, associations, corporations, legal representatives, mutual companies, joint-stock companies, trusts, unincorporated organizations, trustees, trustees in cases under title 11, or receivers.

(b) The term “employer” means a person engaged in an industry affecting commerce who has fifteen or more employees for each working day in each of twenty or more calendar weeks in the current or preceding calendar year, and any agent of such a person, but such term does not include (1) the United States, a corporation wholly owned by the Government of the United States, an Indian tribe, or any department or agency of the District of Columbia subject by statute to procedures of the competitive service (as defined in section 2102 of title 5), or (2) a bona fide private membership club (other than a labor organization) which is exempt from taxation under section 501(c) of title 26, except that during the first year after March 24, 1972, persons having fewer than twenty-five employees (and their agents) shall not be considered employers.

(c) The term “employment agency” means any person regularly undertaking with or without compensation to procure employees for an employer or to procure for employees opportunities to work for an employer and includes an agent of such a person.

(d) The term “labor organization” means a labor organization engaged in an industry affecting commerce, and any agent of such an organization, and includes any organization of any kind, any agency, or employee representa-
tion committee, group, association, or plan so engaged in which employees participate and which exists for the purpose, in whole or in part, of dealing with employers concerning grievances, labor disputes, wages, rates of pay, hours, or other terms or conditions of employment, and any conference, general committee, joint or system board, or joint council so engaged which is subordinate to a national or international labor organization.

(e) A labor organization shall be deemed to be engaged in an industry affecting commerce if (1) it maintains or operates a hiring hall or hiring office which procures employees for an employer or procures for employees opportunities to work for an employer; or (2) the number of its members (or, where it is a labor organization composed of other labor organizations or their representatives, if the aggregate number of the members of such other labor organization) is (A) twenty-five or more during the first year after March 24, 1972, or (B) fifteen or more thereafter, and such labor organization—

(1) is the certified representative of employees under the provisions of the National Labor Relations Act, as amended [29 U.S.C. 151 et seq.], or the Railway Labor Act, as amended [45 U.S.C. 151 et seq.];

(2) although not certified, is a national or international labor organization or a local labor organization recognized or acting as the representative of employees of an employer or employers engaged in an industry affecting commerce; or

(3) has chartered a local labor organization or subsidiary body which is representing or actively seeking to represent employees of employers within the meaning of paragraph (1) or (2); or

(4) has been chartered by a labor organization representing or actively seeking to represent employees within the meaning of paragraph (1) or (2) as the local or subordinate body through which such employees may enjoy membership or become affiliated with such labor organization; or

(5) is a conference, general committee, joint or system board, or joint council subordinate to a national or international labor organization, which includes a labor organization engaged in an industry affecting commerce within the meaning of any of the preceding paragraphs of this subsection.

(f) The term "employee" means an individual employed by an employer, except that the term "employee" shall not include any person elected to public office in any State or political subdivision of any State by the qualified voters thereof, or any person chosen by such officer to be on such officer's personal staff, or an appointee on the policy making level or an immediate adviser with respect to the exercise of the constitutional or legal powers of the office. The exemption set forth in the preceding sentence shall not include employees subject to the civil service laws of a State government, governmental agency or political subdivision. With respect to employment in a foreign country, such term includes an individual who is a citizen of the United States.

(g) The term "commerce" means trade, traffic, commerce, transportation, transmission, or communication among the several States; or between a State and any place outside thereof; or within the District of Columbia, or a possession of the United States; or between points in the same State but through a point outside thereof.

(h) The term "industry affecting commerce" means any activity, business, or industry in commerce or in which a labor dispute would hinder or obstruct commerce or the free flow of commerce and includes any activity or industry "affecting commerce" within the meaning of the Labor-Management Reporting and Disclosure Act of 1959 [29 U.S.C. 401 et seq.], and further includes any governmental industry, business, or activity.

(i) The term "State" includes a State of the United States, the District of Columbia, Puerto Rico, the Virgin Islands, American Samoa, Guam, Wake Island, the Canal Zone, and Outer Continental Shelf lands defined in the Outer Continental Shelf Lands Act [43 U.S.C. 1331 et seq.].

(j) The term "religion" includes all aspects of religious observance and practice, as well as belief, unless an employer demonstrates that he is unable to reasonably accommodate to an employee's or prospective employee's religious observance or practice without undue hardship on the conduct of the employer's business.

(k) The terms "because of sex" or "on the basis of sex" include, but are not limited to, because of or on the basis of pregnancy, childbirth, or related medical conditions; and women affected by pregnancy, childbirth, or related medical conditions shall be treated the same for all employment-related purposes, including receipt of benefits under fringe benefit programs, as other persons not so affected but similar in their ability or inability to work, and nothing in section 2000e-2(h) of this title shall be interpreted to permit otherwise. This subsection shall not require an employer to pay for health insurance benefits for abortion, except where the life of the mother would be endangered if the fetus were carried to term, or except where medical complications have arisen from an abortion: Provided, That nothing herein shall preclude an employer from providing abortion benefits or otherwise affect bargaining agreements in regard to abortion.

(l) The term "complaining party" means the Commission, the Attorney General, or a person who may bring an action or proceeding under this subchapter.

(m) The term "demonstrates" means meets the burdens of production and persuasion.

(n) The term "respondent" means an employer, employment agency, labor organization, joint labor-management committee controlling apprenticeship or other training or retraining program, including an on-the-job training program, or Federal entity subject to section 2000e–16 of this title.
after the effective date of this section, seventy-five or more during the second year after such date, fifty or more during the third year after such date, and twenty-five or more thereafter.

Subsec. (h). Pub. L. 92–261, § 2(6), inserted “, and further includes any governmental industry, business, or activity” after “Labor-Management Reporting and Disclosure Act of 1959”.

1966—Subsec. (b). Pub. L. 89–554 struck out proviso which stated that it shall be the policy of the United States to insure equal employment opportunities for Federal employees without discrimination because of race, color, religion, sex, or national origin and directed the President to utilize his existing authority to effectuate this policy.

And provided further, that nothing in this section shall prevent the readjustment of benefits or compensation for reasons unrelated to compliance with this Act."

EXECUTIVE ORDER NO. 11246

PART I—NONDISCRIMINATION IN GOVERNMENT EMPLOYMENT

PART II—NONDISCRIMINATION IN EMPLOYMENT BY GOVERNMENT CONTRACTORS AND SUBCONTRACTORS

SUBPART A—DUTIES OF THE SECRETARY OF LABOR

SEC. 201. The Secretary of Labor shall be responsible for the administration and enforcement of Parts II and III of this Order. The Secretary shall adopt such rules and regulations and issue such orders as are deemed necessary and appropriate to achieve the purposes of Parts II and III of this Order.

SUBPART B—CONTRACTORS’ AGREEMENTS

SEC. 202. Except in contracts exempted in accordance with Section 204 of this Order, all Government contracting agencies shall include in every Government contract hereafter entered into the following provisions:

“During the performance of this contract, the contractor agrees as follows:

“(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, age, or disability.

“(2) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, age, or disability.

“(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of other employees or applicants as a part of such employee’s or applicant’s essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor’s legal duty to furnish information.

“(4) The contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers’ representative of the contractor’s commitments under this Executive Order.

“(5) The contractor will comply with all provisions of Executive Order No. 11246 of Sept. 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

“(6) The contractor will furnish all information and reports required by Executive Order No. 11246 of Sept. 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

“(7) In the event of the contractor’s noncompliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be cancelled, terminated or suspended as a whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order No. 11246 of Sept. 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order No. 11246 of Sept. 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

“(8) The contractor will include the provisions of paragraphs (1) through (7) in every subcontract or pur-
chase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of September 24, 1965 (section 204 of this Order) so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the contractor may request the United States to enter into such litigation to protect the interests of the United States.'

SIC 203. (a) Each contractor having a contract containing the provisions prescribed in Section 202 shall file, and shall cause each of his subcontractors to file, Compliance Reports with the contracting agency or the Secretary of Labor as may be directed. Compliance Reports shall be filed within such times and shall contain such information as to the practices, policies, programs, and employment statistics of the contractor and each subcontractor, and shall be in such form, as the Secretary of Labor may prescribe.

(b) Bidders or prospective contractors or subcontractors may be required to state whether they have participated in any previous contract subject to the provisions of this Order, or any preceding similar Executive order, and in that event to submit, on behalf of themselves and their proposed subcontractors, Compliance Reports prior to or as an initial part of their bid or negotiation of a contract.

(c) Whenever the contractor or subcontractor has a collective bargaining agreement or other contract or understanding with a labor union or an agency referring workers or providing or supervising apprenticeship or training for such workers, the Compliance Report shall include such information as to such labor union's or agency's practices and policies affecting compliance as the Secretary of Labor may prescribe: Provided, That to the extent such information is within the exclusive possession of a labor union or any agency referring workers or providing or supervising apprenticeship or training and such labor union or agency shall refuse to furnish such information to the contractor, the contractor shall so certify to the Secretary of Labor as part of its Compliance Report and shall set forth what efforts he has made to obtain such information.

(d) The Secretary of Labor may direct that any bidder or prospective contractor or subcontractor shall submit, as part of his Compliance Report, a statement in writing, signed by an authorized officer or agent on behalf of any labor union or any agency referring workers or providing or supervising apprenticeship or other training, with which the bidder or prospective contractor deals, with supporting information, to the effect that the signers' practices and policies do not discriminate on the grounds of race, color, religion, sex, sexual orientation, gender identity, or national origin, and that the signer either will affirmatively cooperate in the implementation of the policy and provisions of this order or that it consents and agrees that recruitment, employment, and the terms and conditions of employment under the proposed contract shall be in accordance with the purposes and provisions of the order. In the event that the union, or the agency shall refuse to execute such a statement, the Compliance Report shall so certify and set forth what efforts have been made to secure such a statement and such additional factual material as the Secretary of Labor may require.

SIC 204. (a) The Secretary of Labor may, when the Secretary deems that special circumstances in the national interest so require, exempt a contracting agency from the requirement of including any or all of the provisions of Section 202 of this Order in any specific contract, subcontract, or purchase order.

(b) The Secretary of Labor may, by rule or regulation, exempt certain classes of contracts, subcontracts, or purchase orders (1) whenever work is to be or has been performed outside the United States and no recruitment of workers within the limits of the United States is involved; (2) for procurement of standard commercial supplies, materials, or raw materials; (3) involving less than specified amounts of money or specified numbers of workers; or (4) to the extent that they involve subcontractors below a specified tier.

(c) Section 202 of this Order shall not apply to a Government contractor or subcontractor that is a religious corporation, association, educational institution, or society, with respect to the employment of individuals of a particular religion to perform work connected with the carrying on by such corporation, association, educational institution, or society, of education, employment, and the terms and conditions of employment, with which the bidder or prospective contractor or subcontractor shall so certify as part of its Compliance Report and shall set forth what efforts he has made to obtain such information.

(d) The Secretary of Labor may also provide, by rule, regulation, or order, for the exemption of facilities of a contractor that are in all respects separate and distinct from activities of the contractor related to the purposes of this Order. Any contracting agencies shall comply with the terms of this Order and any implementing rules, regulations, or orders of the Secretary of Labor. Contracting agencies shall cooperate with the Secretary of Labor and shall furnish such information and assistance as the Secretary may require.

SIC 205. (a) The Secretary of Labor may investigate the employment practices of any Government contractor or subcontractor that is a religious corporation, association, educational institution, or society, with respect to the employment of individuals of a particular religion to perform work connected with the carrying on by such corporation, association, educational institution, or society, of education, employment, and the terms and conditions of employment, with which the bidder or prospective contractor or subcontractor shall so certify as part of its Compliance Report and shall set forth what efforts he has made to obtain such information.

(b) The Secretary of Labor may receive and investigate complaints by employees or prospective employees that allege discrimination contrary to the contractual provisions specified in Section 202 of this Order.

SIC 206. The Secretary of Labor shall use his best efforts, directly and through interested Federal, State, and local agencies, contractors, and all other available instrumentalities to cause any labor union engaged in work under Government contracts or any agency referring workers or providing or supervising apprenticeship or training for or in the course of such work to cooperate in the implementation of the purposes of this Order.

SIC 207. The Secretary of Labor shall certify to the extent such information is within the exclusive possession of a labor union or any agency referring workers or providing or supervising apprenticeship or other training and such labor union or agency shall refuse to furnish such information to the contractor, such contractor shall so certify as part of his Compliance Report as required by Section 204 of this Order.
§ 2000e

SUBPART D—SANCTIONS AND PENALTIES

SIC. 209. (a) In accordance with such rules, regulations, or orders as the Secretary of Labor may issue or adopt, the Secretary may:

(1) Publish, or cause to be published, the name of contractors or unions which it has concluded have complied or have failed to comply with the provisions of this Order or of the rules, regulations, and orders of the Secretary of Labor.

(2) Recommend to the Department of Justice that, in cases in which there is substantial or material violation or the threat of substantial or material violation of the contractual provisions set forth in Section 202 of this order, appropriate proceedings be brought to enforce those provisions, including the enjoining, within the limitations of applicable law, of organizations, individuals, or groups which prevent directly or indirectly, or prevent directly or indirectly, compliance with the provisions of this Order.

(3) Recommend to the Equal Employment Opportunity Commission or the Department of Justice that appropriate proceedings be instituted under Title VII of the Civil Rights Act of 1964 [this subchapter].

(4) Recommend to the Department of Justice that criminal proceedings be brought for the furnishing of false information to any contracting agency or to the Secretary of Labor as the case may be.

(5) After consulting with the contracting agency, direct the contracting agency to cancel, terminate, suspend, or cause to be cancelled, terminated, or suspended, any contract, or any portion or portions thereof, for failure of the contractor or subcontractor to comply with equal employment opportunity provisions of the contract. Contracts may be cancelled, terminated, or suspended absolutely or contumaciously, or contracts may be conditioned upon a program for future compliance approved by the Secretary of Labor.

(b) Pursuant to rules and regulations prescribed by the Secretary of Labor, the Secretary shall make reasonable efforts, within a reasonable time limitation, to secure compliance with the contract provisions of this Order by methods of conference, conciliation, mediation, or persuasion before proceedings shall be instituted under subsection (a)(2) of this Section, or before a contract shall be cancelled or terminated in whole or in part under subsection (a)(5) of this Section.

SIC. 210. Whenever the Secretary of Labor makes a determination under Section 209, the Secretary shall promptly notify the appropriate agency. The agency shall take the action directed by the Secretary and shall report the results of the action it has taken to the Secretary of Labor within such time as the Secretary shall specify. If the contracting agency fails to take the action directed within thirty days, the Secretary may take the action directly.

SIC. 211. If the Secretary of Labor shall so direct, contracting agencies shall not enter into contracts with any bidder or prospective contractor unless the bidder or prospective contractor has satisfactorily complied with the provisions of this Order or submits a program for compliance acceptable to the Secretary of Labor.

SIC. 212. When a contract has been cancelled or terminated under Section 209(a)(5) or a contractor has been debarred from further Government contracts under Section 209(a)(6) of this Order, because of noncompliance with the contract provisions specified in Section 202 of this Order, the Secretary of Labor shall promptly notify the Comptroller General of the United States.

SUBPART E—CERTIFICATES OF MERIT

SIC. 213. The Secretary of Labor may provide for issuance of a United States Government Certificate of Merit to employers or labor unions, or other agencies which are or may hereafter be engaged in work under Government contracts, if the Secretary is satisfied that the personnel and employment practices of the employer, or that the personnel, training, apprenticeship, membership, grievance and representation, and other practices, and policies of the labor union or other agency conform to the purposes and provisions of this Order.

SIC. 214. Any Certificate of Merit may at any time be suspended or revoked by the Secretary of Labor if the holder thereof, in the judgment of the Secretary, has failed to comply with the provisions of this Order.

SIC. 215. The Secretary of Labor may provide for the exemption of any employer, labor union, or other agency from any reporting requirements imposed under or pursuant to this Order if such employer, labor union, or other agency has been awarded a Certificate of Merit which has not been suspended or revoked.

PART III—NONDISCRIMINATION PROVISIONS IN FEDERALLY ASSISTED CONSTRUCTION CONTRACTS

SIC. 301. Each executive department and agency which administers a program involving Federal financial assistance shall require as a condition for approval of any grant, contract, loan, insurance, or guarantee thereunder, which may involve a construction contract, that the applicant for Federal assistance undertake and agree to incorporate, or cause to be incorporated, into all construction contracts paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to such grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any other Federal program involving such grant, contract, loan, insurance, or guarantee, the provisions prescribed for Government contracts by Section 202 of this Order or such modification thereof, preserving in substance the contractor’s obligations thereunder, as may be approved by the Secretary of Labor; together with such additional provisions as the Secretary deems appropriate to establish and protect the interest of the United States in the enforcement of those obligations.

Each such applicant shall also undertake and agree (1) to assist and cooperate actively with the Secretary of Labor in obtaining the compliance of contractors and subcontractors with those contract provisions and with the rules, regulations and relevant orders of the Secretary, (2) to obtain and to furnish to the Secretary of Labor such information as the Secretary may require for the supervision of such compliance, (3) to carry out such sanctions and penalties for violation of such obligations imposed upon contractors and subcontractors by the Secretary of Labor pursuant to Part II, Subpart D, of this Order, and (4) to refrain from entering into any contract subject to this Order, or extensions thereof, or modifications thereof, or modification of such a contract with a contractor debarred from Government contracts under Part II, Subpart D, of this Order.

SIC. 302. (a) “Construction contract,” as used in this Order means any contract for the construction, rehabilitation, alteration, conversion, extension, or repair of buildings, highways, or other improvements to real property.

(b) The provisions of Part II of this Order shall apply to such construction contracts, and for purposes of such application the administering department or agency shall be considered the contracting agency referred to therein.

(c) The term “applicant” as used in this Order means an applicant for Federal assistance or, as determined by agency regulation, other program participant, with respect to whom an application for any grant, contract, loan, insurance, or guarantee is not finally acted upon prior to the effective date of this Part, and it includes such an applicant after he becomes a recipient of such Federal assistance.
S. 303(a). The Secretary of Labor shall be responsible for obtaining the compliance of such applicants with their undertakings under this Order. Each administering department and agency is directed to cooperate with the Secretary of Labor and to furnish the Secretary such information and assistance as the Secretary may require in the performance of the Secretary's functions under this Order.

(b) In the event an applicant fails and refuses to comply with the applicant's undertakings pursuant to this Order, the Secretary of Labor may, after consulting with the administering department or agency, take any or all of the following actions: (1) direct any administering department or agency to cancel, terminate, or suspend, in whole or in part, such undertaking, or any other arrangement with such applicant with respect to which the failure or refusal occurred; (2) direct any administering department or agency to refrain from extending any further assistance to the applicant under the program with respect to which the failure or refusal occurred until satisfactory assurance of future compliance has been received by the Secretary of Labor from such applicant; and (3) refer the case to the Department of Justice or the Equal Employment Opportunity Commission for appropriate law enforcement or other proceedings.

(b) In no case shall action be taken with respect to an applicant pursuant to clause (1) or (2) of subsection (b) without notice and opportunity for hearing.

Any executive department or agency which imposes by rule, regulation, or order requirements of nondiscrimination in employment, other than requirements imposed pursuant to this Order, may delegate to the Secretary of Labor by agreement such responsibilities with respect to compliance standards, reports, and procedures as would tend to bring the administration of such requirements into conformity with the administration of requirements imposed under this Order: Provided, That actions to effect compliance by recipients of Federal financial assistance with requirements imposed pursuant to Title VI of the Civil Rights Act of 1964 [sections 2000d to 2000d-4 of this title] shall be taken in conformity with the procedures and limitations prescribed in Section 602 thereof [section 2000d-1 of this title] and the regulations of the administering department or agency issued thereunder.

PART IV—MISCELLANEOUS

S. 401. The Secretary of Labor may delegate to any officer, agency, or employee in the Executive branch of the Government, any function or duty of the Secretary under Parts II and III of this Order.

(a) The Secretary of Labor shall provide administrative support for the execution of the program known as the "Plans for Progress, ..." by the Secretary of Labor, and any other programs which are employment opportunities for all employees or applicants for employment within their jurisdiction in accordance with the policy set forth in section 1. It is the responsibility of each department and agency head, to the maximum extent possible, to provide sufficient resources to administer such a program in a positive and effective manner; assure that recruitment activities reach all sources of job candidates; utilize to the fullest extent the present skills of each employee; provide the maximum feasible opportunity to employees to enhance their skills so they may perform at their highest potential and advance in accordance with their abilities; provide training and advice to managers and supervisors to assure their understanding and implementation of the policy expressed in this Order; assure participation at the local level with other employers, schools, and public or private groups in cooperative efforts to improve community conditions; and provide sufficient resources to administer such a program within the department or agency for periodically evaluating the effectiveness with which the policy of this Order is being carried out.

S. 3. The Equal Employment Opportunity Commission shall be responsible for directing and furthering the implementation of the policy of the Government of the United States to provide equal opportunity in Federal employment for all employees or applicants for employment (except with regard to aliens employed outside the limits of the United States) and to prohibit discrimination in employment because of race, color, religion, sex, national origin, handicap, age, or status as a parent, [sic] and to promote the full realization of equal employment opportunity through a continuing affirmative program in each executive department and agency. This policy of equal opportunity applies to and must be an integral part of every aspect of personnel policy and practice in every employment, development, advancement, and treatment of civilian employees of the Federal Government, to the extent permitted by law.

(b) Nothing in this Order shall be deemed to relieve any person of any obligation assumed or imposed under or pursuant to any Executive Order superseded by this Order. All rules, regulations, orders, instructions, designations, and other directives issued by the President's Committee on Equal Employment Opportunity and any rules issued by the head of a department or agency under or pursuant to any of the Executive orders superseded by this Order, shall, to the extent that they are not inconsistent with this Order, remain in force and effect and until revoked or superseded by appropriate authority. References in such directives to provisions of the superseded orders shall be deemed to be references to the comparable provisions of this Order.

(b) The Equal Employment Opportunity Commission shall have the power to carry out its functions under this Order and of the rules and regulations of the Secretary of Labor.

S. 404. The General Services Administration shall take appropriate action to revise the standard Government contract forms to accord with the provisions of this Order and of the rules and regulations of the Secretary of Labor.

S. 405. This Order shall become effective thirty days after the date of this Order.

S. 409. This Order shall become effective thirty days after the date of this Order.
§ 2000e  TITLE 42—THE PUBLIC HEALTH AND WELFARE  Page 4942

Sec. 6. “Status as a parent” refers to the status of an individual who, with respect to an individual who is under the age of 18 or who is 18 or older but is incapable of self-care because of a physical or mental disability, is:

(a) a biological parent;
(b) an adoptive parent;
(c) a foster parent;
(d) a stepparent;
(e) a custodian of a legal ward;
(f) in loco parentis over such an individual; or
(g) actively seeking legal custody or adoption of such an individual.

Sec. 7. The Office of Personnel Management shall be authorized to develop guidance on the provisions of this order prohibiting discrimination on the basis of an individual’s sexual orientation or status as a parent.

Sec. 8. This Order applies (a) to military departments as defined in section 102 of title 5, United States Code, and executive agencies (other than the General Accounting Office [now Government Accountability Office]) as defined in section 105 of title 5, United States Code, and to the employees thereof (including employees paid from nonappropriated funds), and (b) to those portions of the legislative and judicial branches of the Federal Government and of the Government of the District of Columbia having positions in the competitive service and to the employees in those positions. This Order does not apply to aliens employed outside the limits of the United States.

Sec. 9. Part I of Executive Order No. 11246 of September 24, 1965, and those parts of Executive Order No. 11375 of October 13, 1967, which apply to Federal employment, are hereby superseded.

Sec. 10. This Order shall be applicable to the United States Postal Service and to the Postal Rate Commission established by the Postal Reorganization Act of 1970 (Title 39, Postal Service).

Sec. 11. This Executive Order does not confer any right or benefit enforceable in law or equity against the United States or its representatives.

Executive Order No. 12050

Ex. Ord. No. 12067, Coordination of Federal Equal Employment Opportunity Programs

By virtue of the authority vested in me as President of the United States by the Constitution and statutes of the United States, including Section 9 of Reorganization Plan Number 1 of 1978 (43 F.R. 19807) [set out under section 2000e-4 of this title and in the Appendix to Title 5, Government Organizations and Employees], it is ordered as follows:

1–1. Implementation of Reorganization Plan

1–101. The transfer to the Equal Employment Opportunity Commission of all the functions of the Equal Employment Opportunity Coordinating Council, and the termination of that Council, as provided by Section 6 of Reorganization Plan Number 1 of 1978 (43 FR 19807) [set out under section 2000e-4 of this title and in the Appendix to Title 5, Government Organization and Employees] shall be effective on July 1, 1978.

1–2. Responsibilities of Equal Employment Opportunity Commission

1–201. The Equal Employment Opportunity Commission shall provide leadership and coordination to the efforts of Federal departments and agencies to enforce all Federal statutes, Executive orders, regulations, and policies which require equal employment opportunity without regard to race, color, religion, sex, national origin, age or handicap. It shall strive to maximize effort, promote efficiency, and eliminate conflict, duplication and inconsistency among the operations, functions and jurisdictions of the Federal departments and agencies having responsibility for enforcing such statutes, Executive orders, regulations and policies.

1–202. In carrying out its functions under this order the Equal Employment Opportunity Commission shall consult with and utilize the special expertise of Federal departments and agencies with equal employment opportunity responsibilities. The Equal Employment Opportunity Commission shall cooperate with such departments and agencies in the discharge of their equal employment responsibilities.

1–203. All Federal departments and agencies shall cooperate with and assist the Equal Employment Opportunity Commission in the performance of its functions under this order and shall furnish the Commission such reports and information as it may request.

1–3. Specific Responsibilities

1–301. To implement its responsibilities under Section 1–2, the Equal Employment Opportunity Commission shall, where feasible:

(a) develop uniform standards, guidelines, and policies defining the nature of employment discrimination on the ground of race, color, religion, sex, national origin, age or handicap under all Federal statutes, Executive orders, regulations, and policies which require equal employment opportunity;
(b) develop uniform standards and procedures for investigations and compliance reviews to be conducted by Federal departments and agencies under any Federal statute, Executive order, regulation or policy requiring equal employment opportunity;
(c) develop procedures with the affected agencies, including the use of memoranda of understanding, to minimize duplicative investigations or compliance reviews of particular employers or classes of employers or others covered by Federal statutes, Executive orders, regulations or policies requiring equal employment opportunity;
(d) ensure that Federal departments and agencies develop their own standards and procedures for undertaking enforcement actions when compliance with equal employment opportunity requirements of any Federal statute, Executive order, regulation or policy cannot be secured by voluntary means;
(e) develop uniform record-keeping and reporting requirements concerning employment practices to be utilized by all Federal departments and agencies having equal employment enforcement responsibilities;
(f) provide for the sharing of compliance records, findings, and supporting documentation among Federal departments and agencies responsible for ensuring equal employment opportunity;
(g) develop uniform training programs for the staff of Federal departments and agencies with equal employment opportunity responsibilities;
(h) assist all Federal departments and agencies with equal employment opportunity responsibilities in developing programs to provide appropriate publications and other information for those covered and those protected by Federal equal employment opportunity statutes, Executive orders, regulations, and policies; and
(i) initiate cooperative programs, including the development of memoranda of understanding between agencies, designed to improve the coordination of equal employment opportunity compliance and enforcement.

1–303. The Equal Employment Opportunity Commission shall issue such rules, regulations, policies, procedures or orders as it deems necessary to carry out its responsibilities under this order. It shall advise and offer to consult with the affected Federal departments and agencies during the development of any proposed rules, regulations, policies, procedures or orders and shall formally submit such proposed issuances to affected departments and agencies at least 15 working days prior to public announcement. The Equal Employment Opportunity Commission shall use its best efforts to reach agreement with the agencies on matters in dispute. Departments and agencies shall comply with all final rules, regulations, policies, procedures or orders of the Equal Employment Opportunity Commission.

1–304. All Federal departments and agencies shall advise and offer to consult with the Equal Employment Opportunity Commission during the development of any proposed rules, regulations, policies, procedures or orders concerning equal employment opportunity. Departments and agencies shall formally submit such proposed issuances to the Equal Employment Opportunity Commission and other interested Federal departments and agencies at least 15 working days prior to public announcement. The Equal Employment Opportunity Commission shall review such proposed rules, regulations, policies, procedures or orders to ensure consistency among the operations of the various Federal departments and agencies. Issuances related to internal management and administration are exempt from this clearance process. Case handling procedures unique to a single program also are exempt, although the Equal Employment Opportunity Commission may review such procedures in order to assure maximum consistency within the Federal equal employment opportunity program.

1–305. Before promulgating significant rules, regulations, policies, procedures or orders involving equal employment opportunity, the Commission and affected departments and agencies shall afford the public an opportunity to comment.

1–306. The Equal Employment Opportunity Commission may make recommendations concerning staff size and resource needs of the Federal departments and agencies having equal employment opportunity responsibilities to the Office of Management and Budget.

1–307. (a) It is the intent of this order that disputes between or among agencies concerning matters covered by this order shall be resolved through good faith efforts of the affected agencies to reach mutual agreement. Use of the dispute resolution mechanism contained in Subsections (b) and (c) of this Section should be resorted to only in extraordinary circumstances.

(b) Whenever a dispute which cannot be resolved through good faith efforts arises between the Equal Employment Opportunity Commission and another Federal department or agency concerning the issuance of an equal employment opportunity rule, regulation, policy, procedure, order, or any matter covered by this Order, the Chairman of the Equal Employment Opportunity Commission or the head of the affected department or agency may refer the matter to the Executive Office of the President. Such reference must be in writing and may not be made later than 15 working days following receipt of the initiating agency’s notice of intent publicly to announce an equal employment opportunity rule, regulation, policy, procedure or order. If no reference is made within the 15 day period, the decision of the agency which initiated the proposed issuance will become effective.

(c) Following reference of a disputed matter to the Executive Office of the President, the Assistant to the President for Domestic Affairs and Policy (or such other official as the President may designate) shall designate an official within the Executive Office of the President to meet with the affected agencies to resolve the dispute within a reasonable time.

1–401. The Equal Employment Opportunity Commission shall include in the annual report transmitted to the President and the Congress pursuant to Section 715 of Title VII of the Civil Rights Act of 1964, as amended (42 U.S.C. 2000e–14), a statement of the progress that has been made in achieving the purpose of this order. The Equal Employment Opportunity Commission shall provide Federal departments and agencies an opportunity to comment on the report prior to formal submission.

1–5. GENERAL PROVISIONS

1–501. Nothing in this order shall relieve or lessen the responsibilities or obligations imposed upon any person or entity by Federal equal employment law, Executive order, regulation or policy.

1–502. Nothing in this order shall limit the Attorney General’s role as legal adviser to the Executive Branch.

JIMMY CARTER.
§ 2000e  

(b) Paragraph (7) of the contract clauses specified in Section 202 of Executive Order No. 11246, as amended, is amended to read:

`The contractor will include the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the contractor may request the United States to enter into such litigation to protect the interests of the United States.'

1–203. In both the beginning and end of subsection (d) of Section 203 of Executive Order No. 11246, as amended, delete “contracting agency or the” in the phrase “contracting agency or the Secretary”.

1–204. Section 205 of Executive Order No. 11246, as amended, is amended by deleting the last two sentences, which dealt with agency designation of compliance officers, and revising the rest of that Section to read:

`SEC. 205. The Secretary of Labor shall be responsible for securing compliance by all Government contractors and subcontractors with this Order and any implementing rules or regulations. All contracting agencies shall comply with the terms of this Order and any implementing rules, regulations, or orders of the Secretary of Labor. Contracting agencies shall cooperate with the Secretary of Labor and shall furnish such information and assistance as the Secretary may require.'

1–205. In order to delete references to the contracting agencies conducting investigations, Section 206 of Executive Order No. 11246, as amended, is amended to read:

`SEC. 206. (a) The Secretary of Labor may investigate the employment practices of any Government contractor or subcontractor with this Order and any implementing rules or regulations. All contracting agencies shall comply with the terms of this Order and any implementing rules, regulations, or orders of the Secretary of Labor. Contracting agencies shall cooperate with the Secretary of Labor and shall furnish such information and assistance as the Secretary may require.'

1–206. In Section 207 of Executive Order No. 11246, as amended, delete “contracting agencies, other” in the first sentence.

1–207. The introductory clause in Section 209(a) of Executive Order No. 11246, as amended, is amended by deleting “or the appropriate contracting agency” from “in accordance with such rules, regulations, or orders as the Secretary of Labor may issue or adopt, the Secretary or the appropriate contracting agency may.”

1–208. In paragraph (5) of Section 209(a) of Executive Order No. 11246, as amended, insert at the beginning the phrase “After consulting with the contracting agency, direct the contracting agency to”, and at the end of paragraph (5) delete “contracting agency” and substitute therefor “Secretary of Labor” so that paragraph (5) is amended to read:

“(5) After consulting with the contracting agency, direct the contracting agency to cancel, terminate, suspend, or cause to be cancelled, terminated, or suspended any contract, or any portion or portions thereof, for failure of the contractor or subcontractor to comply with equal employment opportunity provisions of the contract. Contracts may be cancelled, terminated, or suspended absolutely or continuance of contracts may be conditioned upon a program for future compliance approved by the Secretary of Labor.”

1–209. In order to reflect the transfer from the agencies to the Secretary of Labor of the enforcement functions, substitute “Secretary of Labor” for “each contracting agency” in Section 209(b) of Executive Order No. 11246, as amended, so that Section 209(b) is amended to read:

“(b) Pursuant to rules and regulations prescribed by the Secretary of Labor, the Secretary shall make reasonable efforts, within a reasonable time limitation, to secure compliance with the contract provisions of this Order by methods of conference, conciliation, mediation, and persuasion before proceedings shall be instituted under subsection (a)(2) of this Section, or before a contract shall be cancelled or terminated in whole or in part under subsection (a)(5) of this Section.”

1–210. In order to reflect the responsibility of the contracting agencies for prompt compliance with the directions of the Secretary of Labor, Sections 210 and 211 of Executive Order No. 11246, as amended, are amended to read:

`SEC. 210. Whenever the Secretary of Labor makes a determination under Section 209, the Secretary shall promptly notify the appropriate agency. The agency shall take the action directed by the Secretary and shall report the results of the action it has taken to the Secretary of Labor within such time as the Secretary shall specify. If the contracting agency fails to take the action directed within thirty days, the Secretary may take the action directly.”

1–211. Section 212 of Executive Order No. 11246, as amended, is amended to read:

`SEC. 212. When a contract has been cancelled or terminated under Section 209(a)(6) of this Order, because of noncompliance with the contract provisions specified in Section 202 of this Order, the Secretary of Labor shall promptly notify the Comptroller General of the United States.”

1–212. In order to reflect the transfer of enforcement responsibility to the Secretary of Labor, references to the administering department or agency are deleted in clauses (1), (2), and (3) of Section 301 of Executive Order No. 11246, as amended, and those clauses are amended to read:

“(1) to assist and cooperate actively with the Secretary of Labor in obtaining the compliance of contractors and subcontractors with those contract provisions and with the rules, regulations and relevant orders of the Secretary, (2) to obtain and to furnish to the Secretary of Labor such information as the Secretary may require for the supervision of such compliance, (3) to carry out sanctions and penalties for violation of such obligations imposed upon contractors and subcontractors by the Secretary of Labor pursuant to Part II, Subpart D, of this Order.”

1–213. In order to reflect the transfer from the agencies to the Secretary of Labor of the enforcement functions “Secretary of Labor” shall be substituted for “administering department or agency” in Section 303 of Executive Order No. 11246, as amended, and Section 303 is amended to read:

`SEC. 303(a). The Secretary of Labor shall be responsible for obtaining the compliance of such applicants with their undertakings under this Order. Each administering department and agency is directed to cooperate with the Secretary of Labor and to furnish the Secretary such information and assistance as the Secretary may require in the performance of the Secretary’s functions under this Order.”
“(b) In the event an applicant fails and refuses to comply with the applicant’s undertakings pursuant to this Order, the Secretary of Labor may, after consultation with the administering department or agency, take any or all of the following actions: (1) direct any administering department or agency to cancel, terminate, or suspend in whole or in part the agreement, contract or other arrangement with such applicant with respect to which the failure or refusal occurred; (2) direct any administering department or agency to refrain from extending any further assistance to the applicant under the program with respect to which the failure or refusal occurred until satisfactory assurance of future compliance has been received by the Secretary of Labor from such applicant; and (3) refer the case to the Department of Justice or the Equal Employment Opportunity Commission for appropriate law enforcement or other proceedings.”.

“(c) In no case shall action be taken with respect to an applicant pursuant to clause (1) or (2) of subsection (b) without notice and opportunity for hearing.”.

1–214. Section 401 of Executive Order No. 11246, as amended, is amended to read:

“SEC. 401. The Secretary of Labor may delegate to any officer, agency, or employee in the Executive branch of the Government, any function or duty of the Secretary under Parts II and III of this Order.”.

1–3. GENERAL PROVISIONS

1–301. The transfers or reassignments provided by Section 1–1 of this Order shall take effect at such time or times as the Director of the Office of Management and Budget shall determine. The Director shall ensure that all such transfers or reassignments take effect within 60 days.

1–302. The conforming amendments provided by Section 1–2 of this Order shall take effect on October 8, 1978, except that, with respect to those agencies identified in Section 1–101 of this Order, the conforming amendments shall be effective on the effective date of the transfer or reassignment of functions as specified pursuant to Section 1–301 of this Order.

EXECUTIVE ORDER NO. 12135

Ex. Ord. No. 12135, May 9, 1979, 44 F.R. 27639, which established the President’s Advisory Committee for Women, was revoked by Ex. Ord. No. 12336, Dec. 21, 1981, 46 F.R. 62239, set out below.

EX. ORD. NO. 12336, TASK FORCE ON LEGAL EQUITY FOR WOMEN

By the authority vested in me as President by the Constitution of the United States of America, and in order to provide for the systematic elimination of regulatory and procedural barriers which have unfairly precluded women from receiving equal treatment from Federal activities, it is hereby ordered as follows:

SECTION 1. Establishment. (a) There is established the Task Force on Legal Equity for Women.

(b) The Task Force members shall be appointed by the President from among nominees by the heads of the following Executive agencies, each of which shall have one representative on the Task Force.

(1) Department of State.
(2) Department of The Treasury.
(3) Department of Defense.
(4) Department of Justice.
(5) Department of The Interior.
(6) Department of Agriculture.
(7) Department of Commerce.
(8) Department of Labor.
(9) Department of Health and Human Services.
(10) Department of Housing and Urban Development.
(11) Department of Transportation.
(12) Department of Energy.
(13) Department of Education.
(14) Agency for International Development.
(15) Veterans Administration [now Department of Veterans Affairs].
(16) Office of Management and Budget.
(17) International Communication Agency.
(18) Office of Personnel Management.
(19) Environmental Protection Agency.
(20) ACTION [now Corporation for National and Community Service].

(21) Small Business Administration.

(c) The President shall designate one of the members to chair the Task Force. Other agencies may be invited to participate in the functions of the Task Force.

SIC. 2. Functions. (a) The members of the Task Force shall be responsible for coordinating and facilitating in their respective agencies, under the direction of the head of their agency, the implementation of changes ordered by the President in sex-discriminatory Federal regulations, policies, and practices.

(b) The Task Force shall periodically report to the President on the progress made throughout the Government in implementing the President’s directives.

(c) The Attorney General shall complete the review of Federal laws, regulations, policies, and practices which contain language that unjustifiably differentiates, or which effectively discriminates, on the basis of sex. The Attorney General or his designee shall, on a quarterly basis, report his findings to the President through the Cabinet Council on Legal Policy.

SIC. 3. Administration. (a) The head of each Executive agency shall, to the extent permitted by law, provide the Task Force with such information and advice as the Task Force may identify as being useful to fulfill its functions.

(b) The agency with its representative chairing the Task Force shall, to the extent permitted by law, provide the Task Force with such administrative support as may be necessary for the effective performance of its functions.

(c) The head of each agency represented on the Task Force shall, to the extent permitted by law, furnish its representative such administrative support as is necessary and appropriate.

SIC. 4. General Provisions. (a) Section 1–101(b) of Executive Order No. 12258, as amended, is revoked.

(b) Executive Order No. 12135 is revoked.

(c) Section 6 of Executive Order No. 12050, as amended, is revoked.

RONALD REAGAN.

EX. ORD. NO. 13171, HISPANIC EMPLOYMENT IN THE FEDERAL GOVERNMENT

Ex. Ord. No. 13171, Oct. 12, 2000, 65 F.R. 61251, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to improve the representation of Hispanics in Federal employment, within merit system principles and consistent with the application of appropriate veterans’ preference criteria, to achieve a Federal workforce drawn from all segments of society, it is hereby ordered as follows:

SECTION 1. Policy. It is the policy of the executive branch to recruit qualified individuals from appropriate sources in an effort to achieve a workforce drawn from all segments of society. Pursuant to this policy, this Administration notes that Hispanics remain underrepresented in the Federal workforce: they make up only 6.4 percent of the Federal civilian work-
force, roughly half of their total representation in the civilian labor force. This Executive Order, therefore, affirms ongoing policies and recommends additional policies to eliminate the underrepresentation (sic) of Hispanics in the Federal workforce.

Sec. 2. Responsibilities of Executive Departments and Agencies. The head of each executive department and agency (agency) shall establish and maintain a program for the recruitment and career development of Hispanics in Federal employment. In its program, each agency shall:

(a) provide a plan for recruiting Hispanics that creates a fully diverse workforce for the agency in the 21st century;
(b) assess and eliminate any systemic barriers to the effective recruitment and consideration of Hispanics, including but not limited to:
(1) broadening the area of consideration to include applicants from all appropriate sources;
(2) ensuring that selection factors are appropriate and achieve the broadest consideration of applicants and do not impose barriers to selection based on nonmerit factors; and
(3) considering the appointment of Hispanic Federal executives to rating, selection, performance review, and executive resources panels and boards;
(c) improve outreach efforts to include organizations outside the Federal Government in order to increase the number of Hispanic candidates in the selection pool for the Senior Executive Service;
(d) promote participation of Hispanic employees in management, leadership, and career development programs;
(e) ensure that performance plans for senior executives, managers, and supervisors include specific language related to significant accomplishments on diversity recruitment and career development and that accountability is predicated on those plans;
(f) establish appropriate agency advisory councils that include Hispanic Employment Program Managers;
(g) implement the goals of the Government-wide Hispanic Employment Initiatives (later issued by the Office of Personnel Management (OPM) in September 1997 (Nine-Point Plan), and the Report to the President’s Management Council on Hispanic Employment in the Federal Government of March 1999;
(h) ensure that managers and supervisors receive periodic training in diversity management in order to carry out their responsibilities to maintain a diverse workforce; and
(i) reflect a continuing priority for eliminating Hispanic underrepresentation in the Federal workforce and incorporate actions under this order as strategies for achieving workforce diversity goals in the agency’s Government Performance and Results Act (GPRA) Annual Performance Plan.

Sec. 3. Cooperation. All efforts taken by heads of agencies under sections 1 and 2 of this order shall, as appropriate, consult with and seek information and advice from experts in the areas of special targeted recruitment and diversity in employment.

Sec. 4. Responsibilities of the Office of Personnel Management. The Office of Personnel Management is required by law and regulations to undertake a Government-wide minority recruitment effort. Pursuant to that on-going effort and in implementation of this order, the Director of OPM shall:
(a) provide Federal human resources management policy guidance to address Hispanic underrepresentation where it occurs;
(b) take the lead in promoting diversity to executive agencies for such actions as deemed appropriate to promote equal employment opportunity;
(c) within 180 days from the date of this order, prescribe such regulations as may be necessary to carry out the purposes of this order;
(d) within 60 days from the date of this order, establish an Interagency Task Force, chaired by the Director and composed of agency officials at the Deputy Secretary level, or the equivalent. This Task Force shall meet semi-annually to:
(1) review best practices in strategic human resources management planning, including alignment with agency GPRA plans;
(2) assess overall executive branch progress in complying with the requirements of this order;
(3) provide advice on ways to increase Hispanic community involvement; and
(4) recommend any further actions, as appropriate, in eliminating the underrepresentation of Hispanics in the Federal workforce where it occurs; and
(e) issue an annual report with findings and recommendations to the President on matters related to this order. The first annual report shall be issued no later than 1 year from the date of this order.

Sec. 5. Judicial Review. This order is intended only to improve the internal management of the executive branch. It does not create any right or benefit, substantive or procedural, enforceable in law or equity except as may be identified in existing laws and regulations, by a party against the United States, its agencies, its officers or employees, or any other person.

William J. Clinton.

EX. ORD. No. 13506. ESTABLISHING A WHITE HOUSE COUNCIL ON WOMEN AND GIRLS

Ex. Ord. No. 13506, Mar. 11, 2009, 74 F.R. 1271, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, I hereby order as follows:

Section 1. Policy. Over the past generation, our society has made tremendous progress in eradicating barriers to women’s success. A record number of women are attending college and graduate school. Women make up a growing share of our workforce, and more women are corporate executives and business owners than ever before, helping boost the U.S. economy and foster U.S. competitiveness around the world. Today, women are serving at the highest levels of all branches of our Government.

Despite this progress, certain inequalities continue to persist. On average, American women continue to earn only about 78 cents for every dollar men make, and women are still significantly underrepresented in the science, engineering, and technology fields. Far too many women lack health insurance, and many are unable to take time off to care for a new baby or an ailing family member. Violence against women and girls remains a global epidemic. The challenge of ensuring equal educational opportunities for women and girls endures. As the current economic crisis has swept across our Nation, women have been seriously affected.

These issues do not concern just women. When jobs do not offer family leave, that affects men who wish to help care for their families. When women earn less than men for the same work, that affects families who have to work harder to make ends meet. When our daughters do not have the same educational and career opportunities as our sons, that affects entire communities, our economy, and our future as a Nation.

The purpose of this order is to establish a coordinated Federal response to issues that particularly impact the lives of women and girls and to ensure that Federal programs and policies address and take into account the distinctive concerns of women and girls, including women of color and those with disabilities.

Sec. 2. White House Council on Women and Girls. There is established within the Executive Office of the President a White House Council on Women and Girls (Council).

Judicial Review. This order is intended only to improve the internal management of the executive branch. It does not create any right or benefit, substantive or procedural, enforceable in law or equity except as may be identified in existing laws and regulations, by a party against the United States, its agencies, its officers or employees, or any other person.
(a) Membership of the Council. The Council shall consist of the following members:

1. the Senior Advisor and Assistant to the President for Intergovernmental Affairs and Public Liaison, who shall serve as Chair of the Council;
2. the Secretary of State;
3. the Secretary of the Treasury;
4. the Secretary of Defense;
5. the Attorney General;
6. the Secretary of the Interior;
7. the Secretary of Agriculture;
8. the Secretary of Commerce;
9. the Secretary of Labor;
10. the Secretary of Health and Human Services;
11. the Secretary of Housing and Urban Development;
12. the Secretary of Transportation;
13. the Secretary of Energy;
14. the Secretary of Education;
15. the Secretary of Veterans Affairs;
16. the Secretary of Homeland Security;
17. the Representative of the United States of America to the United Nations;
18. the United States Trade Representative;
19. the Director of the Office of Management and Budget;
20. the Administrator of the Environmental Protection Agency;
21. the Chair of the Council of Economic Advisers;
22. the Director of the Office of Personnel Management;
23. the Administrator of the Small Business Administration;
24. the Assistant to the President and Director of the Domestic Policy Council;
25. the Assistant to the President for Economic Policy and Director of the National Economic Council; and
26. the heads of such other executive branch departments, agencies, and offices as the President may, from time to time, designate.

A member of the Council may designate, to perform the Council functions of the member, a senior-level official who is a part of the member’s department, agency, or office, and who is a full-time officer or employee of the Federal Government. At the direction of the Chair, the Council may establish subgroups consisting exclusively of Council members or their designees under this section, as appropriate.

(b) Administration of the Council. The Department of Commerce shall provide funding and administrative support for the Council to the extent permitted by law and within existing appropriations. The Chair shall convene regular meetings of the Council, determine its agenda, and direct its work. The Chair shall designate an Executive Director of the Council, who shall coordinate the work of the Council and head any staff assigned to the Council.

SIRC. 3. Mission and Functions of the Council. The Council shall work across executive departments and agencies to provide a coordinated Federal response to issues that have a distinct impact on the lives of women and girls, including assisting women-owned businesses to compete internationally and working to increase the participation of women in the science, engineering, and technology workforce, and to ensure that Federal programs and policies adequately take those impacts into account. The Council shall be responsible for providing recommendations to the President on the effects of pending legislation and executive branch policy proposals; for suggesting changes to Federal programs or policies to address issues of special importance to women and girls; for reviewing and recommending changes to policies that have a distinct impact on women in the Federal workforce; and for assisting in the development of legislative and policy proposals of special importance to women and girls. The functions of the Council are advisory only.

SIRC. 4. Outreach. Consistent with the objectives set out in this order, the Council, in accordance with applicable law, in addition to regular meetings, shall conduct outreach with representatives of nonprofit organizations, State and local government agencies, elected officials, and other interested persons that will assist with the Council’s development of a detailed set of recommendations.

SIRC. 5. Federal Interagency Plan. The Council shall, within 150 days of the date of this order, develop and submit to the President a Federal interagency plan with recommendations for interagency action consistent with the goals of this order. The Federal interagency plan shall include an assessment by each member executive department, agency, or office of the status and scope of its efforts to further the progress and advancement of women and girls. Such an assessment shall include a report on the status of any offices or programs that have been created to develop, implement, or monitor targeted initiatives concerning women or girls. The Federal interagency plan shall also include recommendations for issues, programs, or initiatives that should be further evaluated or studied by the Council. The Council shall review and update the Federal interagency plan periodically, as appropriate, and shall present to the President any updated recommendations or findings.

SIRC. 6. General Provisions. (a) The heads of executive departments and agencies shall assist and provide information to the Council, consistent with applicable law, as may be necessary to carry out the functions of the Council. Each executive department and agency shall bear its own expense for participating in the Council.

(b) Nothing in this order shall be construed to impair or otherwise affect:

(1) authority granted by law to an executive department, agency, or the head thereof; or
(2) functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(c) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(d) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

BARACK OBAMA.

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to further the Federal Government as a model of equal opportunity, diversity, and inclusion, it is hereby ordered as follows:

Section 1. Policy. Our Nation derives strength from the diversity of its population and from its commitment to equal opportunity for all. We are at our best when we draw on the talents of all parts of our society, and our greatest accomplishments are achieved when diverse perspectives are brought to bear to overcome our greatest challenges.

A commitment to equal opportunity, diversity, and inclusion is critical for the Federal Government as an employer. By law, the Federal Government’s recruitment policies should “endeavor to achieve a workforce from all segments of society.” (5 U.S.C. 2301(b)(1)). As the Nation’s largest employer, the Federal Government has a special obligation to lead by example. Attaining a diverse, qualified workforce is one of the cornerstones of the merit-based civil service.

Prior Executive Orders, including but not limited to those listed below, have taken a number of steps to address the leadership role and obligations of the Federal Government as an employer. For example, Executive
Order 13171 of October 12, 2000 (Hispanic Employment in the Federal Government), directed executive departments and agencies to implement programs for recruiting, hiring, and training Hispanic employees and established a mechanism for identifying best practices in doing so. Executive Order 13158 of November 9, 2000 (Employment of Veterans in the Federal Government) required the establishment of a Veterans Employment Initiative. Executive Order 13548 of July 26, 2010 (Increasing Federal Employment of Individuals With Disabilities), and its related predecessors, Executive Order 13613 of July 26, 2009 (Increasing the Opportunity for Individuals With Disabilities to be Employed in the Federal Government), and Executive Order 13078 of March 13, 1998 (Increasing Employment of Adults With Disabilities), sought to tap the skills of the millions of Americans living with disabilities.

To realize more fully the goal of using the talents of all segments of society, the Federal Government must continue to challenge itself to enhance its ability to recruit, hire, promote, and retain a more diverse workforce. Further, the Federal Government must create a culture that encourages collaboration, flexibility, and fairness to enable individuals to participate to their full potential.

Wherever possible, the Federal Government must also seek to consolidate compliance efforts established through related or overlapping statutory mandates, directions from Executive Orders, and regulatory requirements. By this order, I am directing executive departments and agencies (agencies) to develop and implement a more comprehensive, integrated, and strategic focus on diversity and inclusion as a key component of their human resources strategies. This approach should include a continuing effort to identify and adopt best practices, implemented in an integrated manner, to promote diversity and remove barriers to equal employment opportunity, consistent with merit system principles and applicable law.

Sect. 2. Government-Wide Diversity and Inclusion Initiative and Strategic Plan. The Director of the Office of Personnel Management (OPM) and the Deputy Director for Management of the Office of Management and Budget (OMB), in coordination with the President’s Management Council (PMC) and the Chair of the Equal Employment Opportunity Commission (EEOC), shall:

(a) establish a coordinated Government-wide initiative to promote diversity and inclusion in the Federal workforce;

(b) within 90 days of the date of this order:

(i) and issue a Government-wide Diversity and Inclusion Strategic Plan (Government-wide Plan), to be updated as appropriate and at a minimum every 4 years, focusing on workforce diversity, workplace inclusion, and agency accountability and leadership. The Government-wide Plan shall highlight comprehensive strategies for agencies to identify and remove barriers to equal employment opportunity that may exist in the Federal Government’s recruitment, hiring, promotion, retention, professional development, and training policies and practices;

(ii) review applicable directives to agencies related to the development or submission of agency human capital and other workforce plans and reports in connection with recruitment, hiring, promotion, retention, professional development, and training policies and practices, and develop a strategy for consolidating such agency plans and reports where appropriate and permitted by law; and

(iii) provide guidance to agencies concerning formula- tion of agency-specific Diversity and Inclusion Strategic Plans prepared pursuant to section 3(b) of this order;

(c) identify appropriate practices to improve the effectiveness of each agency’s efforts to recruit, hire, promote, retain, develop, and train a diverse and inclusive workforce, consistent with merit system principles and applicable law; and

(d) establish a system for reporting regularly on agencies’ progress in implementing their agency-spe-

fic Diversity and Inclusion Strategic Plans and in meeting the objectives of this order.

Sect. 3. Responsibilities of Executive Departments and Agencies. All agencies shall implement the Government-wide Plan prepared pursuant to section 2 of this order, and shall, as appropriate, submit for review to the Director of OPM and Deputy Director for Management of OMB an agency-specific Diversity and Inclusion Strategic Plan for recruiting, hiring, training, developing, advancing, promoting, and retaining a diverse workforce consistent with applicable law, the Government-wide Plan, merit system principles, the agency’s overall strategic plan, its human capital plan prepared pursuant to Title 5 of the Code of Federal Regulations, and other applicable workforce planning strategies and initiatives;

(c) implement the agency-specific Diversity and Inclusion Strategic Plan after incorporating it into the agency’s human capital plan; and

(d) provide information as specified in the reporting requirements developed under section 2(d).

Sect. 4. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) authority granted to a department or agency or the head thereof, including the authority granted to EEOC by other Executive Orders (including Executive Order 12067) or any agency’s authority to establish an independent Diversity and Inclusion Office; or

(ii) functions of the Director of OMB relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

Barack Obama.

EX. ORD. No. 13665. NON-RETALIATION FOR DISCLOSURE OF COMPENSATION INFORMATION

EX. ORD. No. 13665, Apr. 8, 2014, 79 F.R. 20749, provided: By the authority vested in me as President by the Constitution and the laws of the United States of America, including the Federal Property and Administrative Services Act [of 1949], 40 U.S.C. 101 et seq., and in order to take further steps to promote economy and efficiency in Federal Government procurement, it is hereby ordered as follows:

SECTION 1. Policy. This order is designed to promote economy and efficiency in Federal Government procurement. It is the policy of the executive branch to enforce vigorously the civil rights laws of the United States, including those laws that prohibit discriminatory practices with respect to compensation. Federal contractors that employ such practices and are subject to enforcement action, increasing the risk of disruption, delay, and increased expense in Federal contracting. Compensation discrimination also can lead to labor disputes that are burdensome and costly.

When employees are prohibited from inquiring about, disclosing, or discussing their compensation with fel-
low workers, compensation discrimination is much more difficult to discover and remediate, and more likely to persist. Such prohibitions (either express or tacit) also restrict the amount of information available to participants in the Federal contracting labor pool, which tends to diminish market efficiency and decrease the likelihood that the most qualified and productive workers are hired at the market efficient price. Ensuring that employees of Federal contractors may discuss their compensation without fear of adverse action will enhance the ability of Federal contractors and their employees to detect and remediate unlawful discriminatory practices, which will contribute to a more efficient market in Federal contracting.

SEC. 2. [Amended Ex. Ord. No. 11246, set out above.]

Regulations. Within 180 days of the date of this order, the Secretary of Labor shall propose regulations to implement the requirements of this order.

SEC. 4. Severability. If any provision of this order, or the application of such provision or amendment to any person or circumstance, is held to be invalid, the remainder of this order and the application of the provisions of such to any person or circumstances shall not be affected thereby.

SEC. 5. General Provisions. (a) Nothing in this order shall be construed to limit the rights of an employee or applicant for employment provided under any provision of law. It also shall not be construed to prevent a Federal contractor covered by this order from pursuing a defense, as long as the defense is not based on a rule, policy, practice, agreement, or other instrument that prohibits employees or applicants from discussing or disclosing their compensation or the compensation of other employees or applicants, subject to paragraph (3) of section 202 of Executive Order 11246, as added by this order.

(b) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to a department, agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(c) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(d) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

SEC. 6. Effective Date. This order shall become effective immediately, and shall apply to contracts entered into on or after the effective date of rules promulgated by the Department of Labor under section 3 of this order.

BARACK OBAMA.

EX. ORD. NO. 13672. FURTHER AMENDMENTS TO EXECUTIVE ORDER 11478, EQUAL EMPLOYMENT OPPORTUNITY IN THE FEDERAL GOVERNMENT, AND EXECUTIVE ORDER 11246, EQUAL EMPLOYMENT OPPORTUNITY

Ex. Ord. No. 13672, July 21, 2014, 79 F.R. 42971, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, including 40 U.S.C. 121, and in order to provide for a uniform policy for the Federal Government to prohibit discrimination and take further steps to promote economy and efficiency in Federal Government procurement by prohibiting discrimination based on sexual orientation and gender identity, it is hereby ordered as follows:

SECTION 1. [Amended Ex. Ord. No. 11478, set out above.]

SEC. 2. [Amended Ex. Ord. No. 11246, set out above.]

SEC. 5. Regulations. Within 90 days of the date of this order, the Secretary of Labor shall implement the requirements of section 2 of this order.

SEC. 4. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an agency or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

SEC. 5. Effective Date. This order shall become effective immediately, and section 2 of this order shall apply to contracts entered into on or after the effective date of rules promulgated by the Department of Labor under section 3 of this order.

EMENDED COLLECTION OF RELEVANT DATA AND STATISTICS RELATING TO WOMEN

Memorandum of President of the United States, Mar. 4, 2011, 76 F.R. 12823, provided:

Memorandum for the Heads of Executive Departments and Agencies

I am proud to work with the White House Council on Women and Girls, the Office of Management and Budget, and the Department of Commerce on this week’s release of Women in America, a report detailing the status of American women in the areas of families and income, health, employment, education, violence, and crime. This report provides a snapshot of the status of American women today, serving as a valuable resource for Government officials, academics, members of non-profit, nongovernmental, and news organizations, and others.

My Administration is committed to ensuring that Federal programs achieve policy goals in the most cost-effective manner. The Women in America report, together with the accompanying website collection of relevant data, will assist Government officials in crafting policies in light of available statistical evidence. It will also assist the work of the nongovernmental sector, including journalists, public policy analysts, and academic researchers, by providing data that allow greater understanding of policies and programs.

Preparation of this report revealed the vast data resources of the Federal statistical agencies. It also revealed some gaps in data collection. Gathering and analyzing additional data to fill in the gaps could help policymakers gather a more accurate and comprehensive view of the status and needs of American women.

Accordingly, I hereby delegate the heads of Executive departments and agencies, where possible within existing collections of data and in light of budgetary constraints, to identify and to seek to fill in gaps in statistics and improve survey methodology relating to women wherever appropriate, including in the broad areas covered by the Women in America report: families and income, health, employment, education, and violence and crime.

Examples of some of the efforts that could be undertaken by departments and agencies with respect to the gathering or design of comprehensive data related to women include the following:

(a) Maternal Mortality. I encourage the National Center for Health Statistics (NCHS) to continue to work with States and other registration areas to complete the expeditious adoption of the most current standards for the collection of information on vital events, as well as the transition to electronic reporting systems. Maternal mortality is an important indicator of women’s health both internationally and nationally. In the United States, maternal mortality statistics are based upon information recorded on death certificates and collected by State and local vital records offices. The NCHS compiles the data across the States and other registration areas. Due to concerns about data quality in the ascertainment of maternal mor-
tality statistics, the 2003 revision of the standard death certificate introduced improved standards for collecting data. Until all 50 States and registration areas adopt the new data standards, formatting a national-level maternal mortality ratio remains difficult.

(b) Women in Leadership in Corporate America. Women participate in every sector of the workforce. Their current role in corporate leadership is an important indicator of their progress. I encourage the Chair of the Securities and Exchange Commission to seek to supplement the information it already collects by seeking to collect, among other data, information on the presence of women in governance positions in corporations, in order to shed further light on the role of women in corporate America.

(c) Women in Leadership in Public Service. I encourage the Corporation for National and Community Service to include statistics about the role of women in diverse aspects of public service within its planned work on women in the workforce.

This memorandum shall be carried out to the extent permitted by law, consistent with the legal authorities of executive departments and agencies and subject to the availability of appropriations. Nothing in this memorandum shall be construed to impair or otherwise affect the authority granted by law to a department or agency, or the head thereof, or the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

The Director of the Office of Management and Budget is hereby authorized and directed to publish this memorandum in the Federal Register.

BARACK OBAMA.

MEMORANDUM FOR THE HEADS OF EXECUTIVE DEPARTMENTS AND AGENCIES

Promoting Diversity and Inclusion in the National Security Workforce

Memorandum of President of the United States, Oct. 5, 2016, 81 FR 69993, provided:

Memorandum for the Heads of Executive Departments and Agencies

Our greatest asset in protecting the homeland and advancing our interests abroad is the talent and diversity of our national security workforce. Under my Administration, we have made important progress toward harnessing the extraordinary range of backgrounds, cultures, perspectives, skills, and experiences of the U.S. population toward keeping our country safe and strong. As the United States becomes more diverse and the challenges we face more complex, we must continue to invest in policies to recruit, retain, and develop the best and brightest from all segments of our population. Research has shown that diverse groups are more effective at problem solving than homogeneous groups, and policies that promote diversity and inclusion will enhance our ability to draw from the broadest possible pool of talent, solve our toughest challenges, maximize employee engagement and innovation, and lead by example by setting a high standard for providing access to opportunity to all segments of our society.

The purpose of this memorandum is to provide guidance to the national security workforce in order to strengthen the talent and diversity of their respective organizations. That workforce, which comprises more than 3 million people, includes the following departments, agencies, offices, and other entities (agencies) that are primarily engaged in diplomatic, development, defense, intelligence, law enforcement, and homeland security: 1) Department of State: Civil Service and Foreign Service; 2) United States Agency for International Development (USAID): Civil Service and Foreign Service; 3) Department of Defense; 4) Department of Homeland Security; 5) Department of Justice: National Security Division and Federal Bureau of Investigation; and 7) Department of Veterans Affairs.

The data collected by these agencies do not capture the full range of diversity in the national security workforce. For example, while data do not indicate that agencies in this workforce are less diverse on average than the rest of the Federal Government. For example, as of 2015, only the Department of State and the USAID Civil Service were more diverse in terms of gender, race, and ethnicity than the Federal workforce as a whole. When comparing the agencies' workforces to their leadership personnel (Senior Executive Service (SES) or its equivalent), all agencies' leadership staffs were less diverse than their respective workforces in terms of gender, and all but the DOD enlisted personnel and the USAID Civil Service had less diverse leadership in terms of race and ethnicity. While these data do not necessarily indicate the existence of barriers to equal employment opportunity, we can do more to promote diversity in the national security workforce, consistent with merit system principles and applicable law.

When I issued Executive Order 13580 of August 18, 2011 (Establishing a Coordinated Government-wide Initiative to Promote Diversity and Inclusion in the Federal Workforce), I directed all departments and agencies to develop and implement a more comprehensive, integrated, and strategic focus on diversity and inclusion.

This memorandum supports that effort by providing guidance that 1) emphasizes a data-driven approach in order to increase transparency and accountability at all levels; 2) takes into account leading practices, research, and experience from the private and public sectors; and 3) complements ongoing actions that agencies are taking pursuant to Executive Order 13583 and under the leadership of the Diversity and Inclusion in Government Council, including but not limited to efforts related to gender, race, ethnicity, disability status, veterans, sexual orientation and gender identity, and other demographic categories. This memorandum also supports Executive Order 13714 of December 15, 2015 (Strengthening the Senior Executive Service), by directing agencies to take additional steps to expand the pipeline of diverse talent into senior positions.

This memorandum also aligns with congressional efforts to promote the diversity of the national security workforce, which have been reflected in legislation such as:

• FOREIGN SERVICE ACT OF 1980, which urged the Department of State to develop policies to encourage the entry into and advancement in the Foreign Service by persons from all segments of American society; 
• INTELLIGENCE REFORM AND TERRORISM PREVENTION ACT OF 2004, which called on the Intelligence Community to prescribe personnel policies and programs that ensure its personnel “are sufficiently diverse for purposes of the collection and analysis of intelligence through the recruitment and training of women, minorities, and individuals with diverse ethnic, cultural, and linguistic backgrounds”; and 
• NATIONAL DEFENSE AUTHORIZATION ACT FOR FISCAL YEAR 2013, which mandated that the U.S. military develop and implement a plan to accurately measure the efforts of the military to “achieve a dynamic, sustainable level of members of the armed forces (including reserve components) that, among both commissioned officers and senior enlisted personnel of each armed force, will reflect the diverse population of the United States eligible to serve in the armed forces, including gender specific, racial, and ethnic populations.”

Promoting diversity and inclusion within the national security workforce must be a joint effort and requires engagement by senior leadership, managers, and the entire workforce, as well as effective collaboration among those responsible for human resources and employment opportunity, and diversity and inclusion issues. In implementing the guidance in this memo-
random, agencies shall ensure their diversity and inclusion practices are fully integrated into broader succession planning efforts and supported by sufficient resources. This process shall involve identifying and prioritizing programs that invest in personnel development and engagement. Where appropriate, they shall also support, coordinate, and encourage research and other efforts by the Federal Government to expand the knowledge base of best practices for broadening participation and understanding the impact of diversity and inclusion on national security, including in the fields of science and technology.

Therefore, by the authority vested in me as President by the Constitution and the laws of the United States of America, I hereby direct the following:

SECTION 1. Collection, Analysis, and Dissemination of Workforce Data. Although collected data do not necessarily indicate the existence of barriers to equal employment opportunity, the collection and analysis of metrics allows agencies to assess their workforce talent gaps, as well as the effectiveness of their diversity and inclusion efforts and the adequacy of their resources to address these gaps. The dissemination of data to the public and to agency personnel may increase the transparency and accountability of their efforts. Accordingly, agencies in the national security workforce shall:

1. Make aggregate demographic data and other information available to the public and broader workforce. Agencies shall make available to the general public information on the state of diversity and inclusion in their workforce. That information, which shall be updated at least once a year, shall include aggregate demographic data by workforce or service and grade or rank; attrition and promotion demographic data; validated inclusion metrics such as the New Inclusion Quotient (New IQ) index score; demographic comparisons to the relevant civilian labor force; and unclassified reports and barrier analyses related to diversity and inclusion. Agencies may publish data in proportions or percent-ages to account for classification concerns, and the Intelligence Community may publish a community-wide report with the data outlined in this section. In addition, agencies shall provide to their workforce, including senior leadership at the Secretary or Director level, a report that includes demographic data and information on the status of diversity and inclusion efforts no later than 90 days after the date of this memorandum and on an annual basis thereafter (or in line with existing annual reporting requirements related to these issues, if any).

2. Expand the collection and analysis of voluntary applicant flow data. Applicant flow data tracks the selection rate variances for job positions among different demographic categories and in examining the fairness and inclusiveness of their recruitment efforts. Agencies shall develop a system to collect and analyze applicant flow data for as many positions as practicable in order to identify future areas for improvement in attracting diverse talent, with particular attention to senior and management positions. The collection of data may be implemented in a phased approach commensurate with agency resources. Agencies shall include such analysis, including the percentage and level of positions for which data are collected, and any resulting policy changes or recommendations in the report required by section 1(a) of this memorandum.

3. Identify additional categories for voluntary data collection of current employees. The Federal Government will make the minimum reporting requirements for collecting race and ethnicity information in the Office of Management and Budget’s (OMB) Statistical Policy Directive “Standards for Maintaining, Collecting, and Presenting Federal Data on Race and Ethnicity,” and that standard also encourages agencies to collect more detailed data, which can be compared by aggregating such data into minimum categories when necessary. For example, agencies may choose to collect additional demograph ic data, such as information regarding sexual orientation or gender identity. No later than 90 days after the date of this memorandum, agencies shall determine whether they recommend the voluntary collection of more detailed demographic data on additional categories or allocate close consultation with internal stakeholders, such as employee resource or affinity groups; clear communication with the workforce to explain the purpose of, legal protections relating to, and anticipated use of such data; and provide notice to relevant standards and guidance issued by the Federal Government. Any determinations shall be submitted to OMB, the Office of Personnel Management (OPM), the Equal Employment Opportunity Commission, and the Department of Labor for consideration.

SNC. 2. Provision of Professional Development Opportunities and Tools Consistent with Merit System Principles. An inclusive work environment enhances agencies’ ability to retain and sustain a strong workforce by allowing all employees to perform at their full potential and maximize their talent. Professional development opportunities and tools are key to fostering that potential, and each agency should make it a priority to ensure that all employees have access to them consistent with merit system principles. Agencies in the national security workforce shall therefore:

(a) Conduct stay and exit interviews or surveys. Agencies shall conduct periodic interviews with a represent-ative cross-section of personnel to understand reasons for staying with their organization, as well as to receive feedback on workplace policies, professional development opportunities, and other issues affecting their workforce. Survey results shall also provide an opportunity for exit interviews or surveys of all departing personnel to understand better their reasons for leaving. Agencies shall include analysis from the interviews or surveys in and how the results of the interviews differ by gender, race and national origin, sexual orientation, gender identity, disability status, and other demographic variables—and any resulting policy changes or recommendations in the report required by section 1(a) of this memorandum.

(b) Expand provision of professional development and career advancement opportunities. Agencies shall prioritize resources to expand professional development opportuni-ties that support mission needs, such as academic programs, private-public exchanges, and detail assignments to relevant positions in private or international organizations; State, local, and tribal governments; or other branches of the Federal Government. In addition, agencies in the national security workforce shall offer, or sponsor employees to participate in, an SES Candidate Development Program (CDP) or other programs that train employees to gain the skills required for senior-level agency appointments. In determining which personnel are granted professional development assist agencies in the national security workforce shall offer, or sponsor employees to participate in, an SES Candidate Development Program (CDP) or other programs that train employees to gain the skills required for senior-level agency appointments. In determining which personnel are granted professional development assistance, agencies shall consider the number of expected senior-level vacancies as a factor in determining the number of candidates to select for such programs. Agencies shall track the demographics of program participants as well as the rate of placement into senior-level positions for participants in such programs, evaluate such data on an annual basis to look for ways to improve outreach and recruitment for these programs consistent with merit system principles, and include such data in the report required by section 1(a) of this memorandum.

(c) Institute a review process for security and counterintelligence determinations that result in assignment restrictions. For agencies in the national security workforce that place assignment restrictions on personnel or otherwise prohibit certain geographic assignments due to a security determination, these agencies shall ensure a review process exists consistent with the Ad judicative Guidelines for Determining Eligibility for Access to Classified Information, as well as applicable regulations. Agencies shall also consider whether current security restrictions on personnel are informed of the right to seek review and the process for doing so.
§ 2000e

The purpose of this memorandum is to ensure that all agencies are strongly encouraged to consider implementing performance and advancement requirements that reward and recognize senior leaders' and supervisors' efforts in fostering an inclusive environment and cultivating talent consistent with merit system principles, such as through participation in mentoring programs or sponsorship initiatives, recruitment events, and other opportunities. They are also encouraged to create opportunities for senior leadership and supervisors to participate in outreach events and to discuss issues related to diversity and inclusion with the workforce on a regular basis, including with employee resource groups.

(b) Collect and disseminate voluntary demographic data of external advisory committees and boards. For agencies in the national security workforce that have external advisory committees or boards to which their senior leadership appointees members, they are strongly encouraged to collect voluntary demographic data from these members of advisory committees or boards, and to include such data in the information and report required by section 1(a) of this memorandum.

(c) Expand training on unconscious bias, inclusion, and flexible work policies. Agencies shall expand their provision of training on implicit or unconscious bias, inclusion, and flexible work policies and make implicit or unconscious bias training mandatory for senior leadership and management positions, as well as for those responsible for outreach, recruitment, hiring, career development, promotion, and security clearance adjudication.

(d) The Director of OPM is hereby authorized and directed to publish this memorandum in the Federal Register.

BARACK OBAMA.
Therefore, by the authority vested in me as President by the Constitution and the laws of the United States of America, I hereby direct the following:

1. Diversity and Inclusion in the Federal Workforce. The quality and integrity of our National Parks, National Forests, and other public lands and waters depend on the public servants who steward them for the benefit of current and future generations. To ensure we are managing these resources responsibly, we must have a diverse and inclusive Federal workforce practicing public land management that recognizes the challenges facing communities across the Nation and creates a more welcoming experience for all Americans, no matter their background or where they live, and encourages engagement with Federal agencies on the management and future of our public lands and waters. Consistent with existing authorities, each covered agency shall prioritize building a more diverse and inclusive Federal workforce reflective of our Nation and its citizens.

Federal agencies are subject to existing authorities aimed at addressing the leadership role and obligations of the Federal Government as an employer. For example, Executive Order 13583 of August 18, 2011 (Establishing a Coordinated Government-wide Initiative to Promote Diversity and Inclusion in the Federal Workforce), requires Federal agencies to take action to promote equal opportunity, diversity, and inclusion in the Federal workforce. Federal agencies also are required by section 717 of title VII of the Civil Rights Act of 1964 to take proactive steps to ensure equal opportunity for all Federal employees and applicants for Federal employment. This memorandum directs each of the covered agencies to pursue additional actions that create and maintain a diverse and inclusive Federal workforce. Toward that end, each covered agency shall integrate the following activities in its efforts to comply with related statutory mandates, Executive Orders, regulatory requirements, and individual agency policies:

(a) Provide professional development opportunities and tools. A diverse and inclusive work environment enhances the ability of each covered agency to create, retain, and sustain a strong workforce by allowing all employees to perform to their full potential and talent. Professional development opportunities and tools are key to fostering that potential, and ensuring that all employees have access to them should be a priority for all agencies, consistent with merit system principles. Accordingly, each covered agency shall:

(i) Provide a mechanism to conduct periodic interviews with a voluntary representative cross-section of its workforce to gain a more complete understanding of the perspectives that employees have of their organizations, as well as to receive feedback on workplace policies, professional development opportunities, and leverage opportunities;

(ii) Provide optional exit interviews or surveys for all departing personnel;

(iii) Collect information as needed to identify methods for attracting applicants to Federal employment and retaining diverse workplace talent through existing workforce programs and initiatives;

(iv) Prioritize resources, as appropriate, to expand professional development opportunities that support mission needs, such as academic and fellowship programs, private-public exchanges, and detail assignments to private or international organizations, State, local and tribal governments, or other branches of the Federal Government;

(v) Offer, or sponsor employees to participate in, a Senior Executive Service Candidate Development Program (SECDEV or other program that trains employees to gain the skills required for senior-level appointments. Each covered agency shall consider the number of expected senior-level vacancies as one factor in determining the number of candidates to select for such programs. In the selection process for these programs, each covered agency shall consider redacting personal information, including applicant names, from all materials provided for review to reduce the potential for unconscious bias. Each covered agency also shall evaluate on a retroactive basis the placement rate of program graduates into senior-level positions, including available demographic data, on an annual basis to look for ways to improve outreach and recruitment for these programs and careers. Each covered agency shall consult with the Office of Personnel Management (OPM) on the development or enhancement of data-collection tools to conduct these evaluations; and

(vi) Seek additional opportunities for the development and implementation of upward mobility programs.

(b) Strengthen leadership engagement and accountability. Senior leadership and supervisors play an important role in fostering diversity and inclusion in the workforce they lead and setting an example for cultivating this and future generations of talent. Toward that end, each covered agency shall:

(i) Reward and recognize efforts to promote diversity and inclusion in the workforce. Consistent with merit system principles, each covered agency is strongly encouraged to consider implementing performance and advancement requirements that reward and recognize senior leaders' and supervisors' success in fostering diverse and inclusive environments. This can include, for example, cultivating talent, such as through participation in mentoring programs or sponsorship initiatives, recruitment events, and other opportunities. Each covered agency also is encouraged to identify opportunities for senior leadership and supervisors to participate in outreach events and discuss issues related to promoting diversity and inclusion in its workforce on a regular basis with support from any existing employee resource group, as appropriate; and

(ii) Expand training on unconscious bias, diversity and inclusion, and flexible work policies. Each covered agency shall expand its provision of training on unconscious bias, diversity and inclusion, and flexible work policies and make unconscious bias training mandatory for senior leadership and management positions, including for employees responsible for outreach, recruitment, hiring, career development, promotion, and law enforcement. The provision of training may be implemented in a phased approach commensurate with agency resources. Each covered agency shall also make available training on a 2-year cycle for bureaus, directorates, or divisions for which inclusion scores, such as those measured by the New IQ index, demonstrate no improvement since the previous training cycle. Each covered agency shall:

(i) Develop a mechanism to conduct periodic interviews with a representative sample of employees to gain an understanding of the perspectives employees have of their organizations, as well as to receive feedback on workplace policies, professional development opportunities, and leverage opportunities;

(ii) Expand training on unconscious bias, diversity and inclusion, and flexible work policies for employees, including unconscious bias, diversity and inclusion, and flexible work policies for employees, and make unconscious bias training mandatory for senior leadership and management positions, including for employees responsible for outreach, recruitment, hiring, career development, promotion, and law enforcement. The provision of training may be implemented in a phased approach commensurate with agency resources. Each covered agency shall also make available training on a 2-year cycle for bureaus, directorates, or divisions for which inclusion scores, such as those measured by the New IQ index, demonstrate no improvement since the previous training cycle. Each covered agency shall:

(iii) Prioritize resources, as appropriate, to expand professional development opportunities that support mission needs, such as academic and fellowship programs, private-public exchanges, and detail assignments to private or international organizations, State, local and tribal governments, or other branches of the Federal Government;

(iv) Offer, or sponsor employees to participate in, a Senior Executive Service Candidate Development Program (SECDEV or other program that trains employees to gain the skills required for senior-level appointments. Each covered agency shall consider the number of expected senior-level vacancies as one factor in determining the number of candidates to select for such programs. In the selection process for these programs, each covered agency shall consider redacting personal information, including applicant names, from all materials provided for review to reduce the potential for unconscious bias. Each covered agency also shall evaluate on a retroactive basis the placement rate of program graduates into senior-level positions, including available demographic data, on an annual basis to look for ways to improve outreach and recruitment for these programs and careers. Each covered agency shall consult with the Office of Personnel Management (OPM) on the development or enhancement of data-collection tools to conduct these evaluations; and

(v) Seek additional opportunities for the development and implementation of upward mobility programs.

2. Diversity and Inclusion in the Management of Public Land and Water. Consistent with existing authorities, each covered agency shall prioritize building a more diverse and inclusive Federal workforce that recognizes the unique role and importance of the Federal Government in stewarding the Nation’s public lands and waters. Toward that end, each covered agency shall:

(i) Prioritize resources, as appropriate, to expand professional development opportunities that support mission needs, such as academic and fellowship programs, private-public exchanges, and detail assignments to private or international organizations, State, local and tribal governments, or other branches of the Federal Government;

(ii) Offer, or sponsor employees to participate in, a Senior Executive Service Candidate Development Program (SECDEV or other program that trains employees to gain the skills required for senior-level appointments. Each covered agency shall consider the number of expected senior-level vacancies as one factor in determining the number of candidates to select for such programs. In the selection process for these programs, each covered agency shall consider redacting personal information, including applicant names, from all materials provided for review to reduce the potential for unconscious bias. Each covered agency also shall evaluate on a retroactive basis the placement rate of program graduates into senior-level positions, including available demographic data, on an annual basis to look for ways to improve outreach and recruitment for these programs and careers. Each covered agency shall consult with the Office of Personnel Management (OPM) on the development or enhancement of data-collection tools to conduct these evaluations; and

(iii) Seek additional opportunities for the development and implementation of upward mobility programs.

3. Management of Public Land and Water. Consistent with existing authorities, each covered agency shall prioritize building a more diverse and inclusive Federal workforce that recognizes the unique role and importance of the Federal Government in stewarding the Nation’s public lands and waters. Toward that end, each covered agency shall:

(i) Prioritize resources, as appropriate, to expand professional development opportunities that support mission needs, such as academic and fellowship programs, private-public exchanges, and detail assignments to private or international organizations, State, local and tribal governments, or other branches of the Federal Government;

(ii) Offer, or sponsor employees to participate in, a Senior Executive Service Candidate Development Program (SECDEV or other program that trains employees to gain the skills required for senior-level appointments. Each covered agency shall consider the number of expected senior-level vacancies as one factor in determining the number of candidates to select for such programs. In the selection process for these programs, each covered agency shall consider redacting personal information, including applicant names, from all materials provided for review to reduce the potential for unconscious bias. Each covered agency also shall evaluate on a retroactive basis the placement rate of program graduates into senior-level positions, including available demographic data, on an annual basis to look for ways to improve outreach and recruitment for these programs and careers. Each covered agency shall consult with the Office of Personnel Management (OPM) on the development or enhancement of data-collection tools to conduct these evaluations; and

(iii) Seek additional opportunities for the development and implementation of upward mobility programs.
identify methods for attracting and retaining talent from diverse populations, with particular attention to senior and management positions. Each covered agency shall consult with OPM on the development or enhancement of data-collection tools to collect this information; and
(iii) OPM shall continue to review covered agency-specific diversity and inclusion plans and provide recommended modifications for agency consideration, including recommendations on strategies to promote diversity and inclusion in agency workforces and potential improvements to the use of existing agency hiring authorities.

SNC. 2. Enhancing Opportunities for all Americans to Experience Public Lands and Waters. (a) Recognizing that our public lands belong to all Americans, it is critical that all Americans can experience Federal lands and waters and the benefits they provide, and that diverse populations are able to provide input to inform the management and stewardship of these important resources. In order to achieve this goal, each covered agency shall:
(i) Identify site-specific opportunities. As each covered agency periodically updates or develops new management plans for its lands and waters, it shall evaluate specific barriers and opportunities, as appropriate, to improve visitation, access, and recreational opportunities for diverse populations;
(ii) Update policies to ensure engagement with diverse constituencies. As policy manuals and handbooks are updated, each covered agency shall ensure that these materials reflect the importance of engaging with diverse populations in resource protection, land and water management, and program planning and decisionmaking, as appropriate;
(iii) Establish internal policies for recipients of Federal funding. Each covered agency shall ensure that State, local, tribal, and private sector recipients of Federal funding are taking action to improve visitation, access, and recreational opportunities for diverse populations;
(iv) Identify public liaisons. Within 90 days of the issuance of this memorandum, each covered agency shall identify multiple public liaisons with a diversity of backgrounds and perspectives to be charged with facilitating input from and engaging with diverse populations in land and water management processes;
(v) Identify opportunities on advisory councils and stakeholder committees. Within 120 days of the issuance of this memorandum, each covered agency shall identify opportunities to promote participation by diverse populations in advisory councils and stakeholder committees established to support public land or water management; environmental, public health, or energy development planning; and other relevant decisionmaking; and
(vi) Develop an action plan. Within 1 year of the issuance of this memorandum, each covered agency shall provide a publicly available action plan to the Chair of the White House Council on Environmental Quality identifying specific actions the agency will take to (1) improve access for diverse populations—particularly for minority, low-income, and disabled populations and tribal communities—to experience and enjoy our Federal lands and waters, and (2) address barriers to their participation in the protection and management of important historic, cultural, or natural areas. Each covered agency shall identify in its action plan any critical barriers to achieving both of these goals. This barrier evaluation should draw on internal staff input as well as external perspectives, including interviews, surveys, and engagement with non-governmental entities, as appropriate and as resources allow. Each action plan should include specific steps that the covered agency will take to address identified barriers, including national as well as regional strategies, and, where appropriate, site-specific initiatives. Each covered agency should work through the Federal Recreation Council (FRC) to assist with the development of this action plan and use the FRC to share best practices and recommendations regarding specific programs and initiatives.
(b) In identifying actions to improve opportunities for all Americans to experience our Federal lands and waters, each covered agency should consider a range of actions including the following:
(i) Conducting active outreach to diverse populations—particularly minority, low-income, and disabled populations and tribal communities; enhancing awareness about specific programs and opportunities;
(ii) Focusing on the mentoring of new environmental, outdoor recreation, and preservation leaders to increase diverse representation in these areas and on our public lands;
(iii) Forging new partnerships with State, local, tribal, private, and non-profit partners to expand access for diverse populations, particularly those in the immediate vicinity of a protected area;
(iv) Identifying and making improvements to existing programs to increase visitation and access by diverse populations—particularly minority, low-income, and disabled populations and tribal communities;
(v) Creating new programs, especially those that could address certain gaps that are identified;
(vi) Expanding the use of multilingual and culturally appropriate materials, including American Sign Language, in public communications and educational strategies, including through social media strategies, as appropriate, that target diverse populations;
(vii) Continuing coordinated, interagency efforts to promote youth engagement and empowerment, including fostering new partnerships with diversity- and youth-serving organizations and new partnerships with urban areas and programs; and
(viii) Identifying possible staff liaisons to diverse populations, particularly those in the immediate vicinity of a given protected area.
(c) In identifying actions to improve opportunities for all Americans to participate in the protection and management of important historic, cultural, and natural areas, each covered agency shall consider a range of actions including the following:
(i) Considering recommendations and proposals from diverse populations to protect at-risk historic, cultural, and natural sites;
(ii) Improving the availability and distribution of relevant information about ongoing land and water management planning and policy revisions;
(iii) Identifying agency staff charged with outreach to diverse populations;
(iv) Identifying opportunities to facilitate public participation from interested diverse populations facing financial barriers, including through partnerships, where appropriate, with philanthropic organizations and tribal, State, and local governments; and
(v) Taking other actions to increase opportunities for diverse populations to provide input and recommendations on protecting, improving access to, or otherwise managing important historic, cultural, or natural areas, with an emphasis on stakeholders facing significant barriers to participation.

SNC. 3. General Provisions. (a) Nothing in this memorandum shall be construed to impair or otherwise affect:
(i) the authority granted by law to an executive department or agency, or the head thereof, or the status of that department or agency within the Federal Government; or
(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.
(b) This memorandum shall be implemented consistent with applicable law, and subject to the availability of appropriations.
(c) The Secretary of the Interior is hereby authorized and directed to publish this memorandum in the Federal Register.

Barack Obama.
§ 2000e–1. Exemption

(a) Inapplicability of subchapter to certain aliens and employees of religious entities

This subchapter shall not apply to an employer with respect to the employment of aliens outside any State, or to a religious corporation, association, educational institution, or society with respect to the employment of individuals of a particular religion to perform work connected with the carrying on by such corporation, association, educational institution, or society of its activities.

(b) Compliance with statute as violative of foreign law

It shall not be unlawful under section 2000e–2 or 2000e–3 of this title for an employer (or a corporation controlled by an employer), labor organization, employment agency, or joint labor-management committee controlling apprenticeship or other training or retraining (including on-the-job training programs) to take any action otherwise prohibited by such section, with respect to an employee in a workplace in a foreign country if compliance with such section would cause such employer (or such corporation), such organization, such agency, or such committee to violate the law of the foreign country in which such workplace is located.

(c) Control of corporation incorporated in foreign country

(1) If an employer controls a corporation whose place of incorporation is a foreign country, any practice prohibited by section 2000e–2 or 2000e–3 of this title engaged in by such corporation shall be presumed to be engaged in by such employer.

(2) Sections 2000e–2 and 2000e–3 of this title shall not apply with respect to the foreign operations of an employer that is a foreign person not controlled by an American employer.

(3) For purposes of this subsection, the determination of whether an employer controls a corporation shall be based on—

(A) the interrelation of operations;

(B) the common management;

(C) the centralized control of labor relations; and

(D) the common ownership or financial control,

of the employer and the corporation.

AMENDMENTS

1991—Pub. L. 102–166 designated existing provisions as subsec. (a) and added subsecs. (b) and (c).

1972—Pub. L. 92–261 reenacted section catchline without change and amended text generally. Prior to amendment, text read as follows: “This subchapter shall not apply to an employer with respect to the employment of aliens outside any State, or to a religious corporation, association, or society with respect to the employment of individuals of a particular religion to perform work connected with the carrying on by such corporation, association, or society of its religious activities or to an educational institution with respect to the employment of individuals to perform work connected with the educational activities of such institution.”

EFFECTIVE DATE OF 1991 AMENDMENT

Amendment by Pub. L. 102–166 inapplicable to conduct occurring before Nov. 21, 1991, see section 109(c) of Pub. L. 102–166, set out as a note under section 2000e of this title.

§ 2000e–2. Unlawful employment practices

(a) Employer practices

It shall be an unlawful employment practice for an employer—

(1) to fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to the compensation, terms, conditions, or privileges of employment, because of such individual’s race, color, religion, sex, or national origin; or

(2) to limit, segregate, or classify his employees or applicants for employment in any way which would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect his status as an employee, because of such individual’s race, color, religion, sex, or national origin.

(b) Employment agency practices

It shall be an unlawful employment practice for an employment agency to fail or refuse to refer for employment, or otherwise to discriminate against, any individual because of his race, color, religion, sex, or national origin, or to classify or refer for employment any individual on the basis of his race, color, religion, sex, or national origin.

(c) Labor organization practices

It shall be an unlawful employment practice for a labor organization—

(1) to exclude or to expel from its membership, or otherwise to discriminate against, any individual because of his race, color, religion, sex, or national origin;

(2) to limit, segregate, or classify its membership or applicants for membership, or to classify or fail or refuse to refer for employment any individual, in any way which would deprive or tend to deprive any individual of employment opportunities, or would limit such employment opportunities or otherwise adversely affect his status as an employee or as an applicant for employment, because of such individual’s race, color, religion, sex, or national origin; or

(3) to cause or attempt to cause an employer to discriminate against an individual in violation of this section.

(d) Training programs

It shall be an unlawful employment practice for any employer, labor organization, or joint labor-management committee controlling apprenticeship or other training or retraining, including on-the-job training programs to discriminate against any individual because of his race, color, religion, sex, or national origin in admission to, or employment in, any program established to provide apprenticeship or other training.
(e) Businesses or enterprises with personnel qualified on basis of religion, sex, or national origin; educational institutions with personnel of particular religion

Notwithstanding any other provision of this subchapter, (1) it shall not be an unlawful employment practice for an employer to hire and employ employees, for an employment agency to classify, or refer for employment any individual, for a labor organization to classify its membership or to classify or refer for employment any individual, or for an employer, labor organization, or joint labor-management committee controlling apprenticeship or other training or retraining programs to admit or employ any individual in any such program, on the basis of his religion, sex, or national origin in those certain instances where religion, sex, or national origin is a bona fide occupational qualification reasonably necessary to the normal operation of that particular business or enterprise, and (2) it shall not be an unlawful employment practice for a school, college, university, or other educational institution or institution of learning to hire and employ employees of a particular religion if such school, college, university, or other educational institution or institution of learning is, in whole or in substantial part, owned, supported, controlled, or managed by a particular religion or by a particular religious corporation, association, or society, or if the curriculum of such school, college, university, or other educational institution or institution of learning is directed toward the propagation of a particular religion.

(f) Members of Communist Party or Communist-action or Communist-front organizations

As used in this subchapter, the phrase “unlawful employment practice” shall not be deemed to include any action or measure taken by an employer, labor organization, joint labor-management committee, or employment agency with respect to an individual who is a member of the Communist Party of the United States or of any organization required to register as a Communist-action or Communist-front organization by final order of the Subversive Activities Control Board pursuant to the Subversive Activities Control Act of 1950 [50 U.S.C. 781 et seq.].

(g) National security

Notwithstanding any other provision of this subchapter, it shall not be an unlawful employment practice for an employer to fail or refuse to hire and employ any individual for any position, for an employer to discharge any individual from any position, or for an employment agency to fail or refuse to refer any individual for employment in any position, or for a labor organization to fail or refuse to refer any individual for employment in any position, if—

(1) the occupancy of such position, or access to the premises in or upon which any part of the duties of such position is performed or is to be performed, is subject to any requirement imposed in the interest of the national security of the United States under any security program in effect pursuant to or administered under any statute of the United States or any Executive order of the President; and

(2) such individual has not fulfilled or has ceased to fulfill that requirement.

(h) Seniority or merit system; quantity or quality of production; ability tests; compensation based on sex and authorized by minimum wage provisions

Notwithstanding any other provision of this subchapter, it shall not be an unlawful employment practice for an employer to apply different standards of compensation, or different terms, conditions, or privileges of employment pursuant to a bona fide seniority or merit system, or a system which measures earnings by quantity or quality of production or to employees who work in different locations, provided that such differences are not the result of an intention to discriminate because of race, color, religion, sex, or national origin, nor shall it be an unlawful employment practice for an employer to give and to act upon the results of any professionally developed ability test provided that such test, its administration or action upon the results is not designed, intended or used to discriminate because of race, color, religion, sex or national origin. It shall not be an unlawful employment practice under this subchapter for any employer to differentiate upon the basis of sex in determining the amount of the wages or compensation paid or to be paid to employees of such employer if such differentiation is authorized by the provisions of section 206(d) of title 29.

(i) Businesses or enterprises extending preferential treatment to Indians

Nothing contained in this subchapter shall apply to any business or enterprise on or near an Indian reservation with respect to any publicly announced employment practice of such business or enterprise under which a preferential treatment is given to any individual because he is an Indian living on or near a reservation.

(j) Preferential treatment not to be granted on account of existing number or percentage imbalance

Nothing contained in this subchapter shall be interpreted to require any employer, employment agency, labor organization, or joint labor-management committee subject to this subchapter to grant preferential treatment to any individual or to any group because of the race, color, religion, sex, or national origin of such individual or group on account of an imbalance which may exist with respect to the total number or percentage of persons of any race, color, religion, sex, or national origin employed by any employer, referred or classified for employment by any employment agency or labor organization, admitted to membership or classified by any labor organization, or admitted to, or employed in, any apprenticeship or other training program, in comparison with the total number or percentage of persons of such race, color, religion, sex, or national origin in any community, State, section, or other area.

(k) Burden of proof in disparate impact cases

(1)(A) An unlawful employment practice based on disparate impact is established under this subchapter only if—
(i) a complaining party demonstrates that a respondent uses a particular employment practice that causes a disparate impact on the basis of race, color, religion, sex, or national origin and the respondent fails to demonstrate that the challenged practice is job related for the position in question and consistent with business necessity; or

(ii) the complaining party makes the demonstration described in subparagraph (A)(i), the complaining party shall demonstrate that each particular challenged employment practice causes a disparate impact, except that if the complaining party can demonstrate to the court that the elements of a respondent’s decisionmaking process are not capable of separation for analysis, the decisionmaking process may be analyzed as one employment practice.

(ii) If the respondent demonstrates that a specific employment practice does not cause the disparate impact, the respondent shall not be required to demonstrate that such practice is required by business necessity.

(C) The demonstration referred to by subparagraph (A)(ii) shall be in accordance with the law as it existed on June 4, 1989, with respect to the concept of “alternative employment practice.”

(2) A demonstration that an employment practice is required by business necessity; or

(2) Nothing in this subsection shall be construed to—

(A) alter the standards for intervention under rule 24 of the Federal Rules of Civil Procedure or apply to the rights of parties who have successfully intervened pursuant to such rule in the proceeding in which the parties intervened;

(B) apply to the rights of parties to the action in which a litigated or consent judgment or order was entered, or of members of a class represented or sought to be represented in such action, or of members of a group on whose behalf relief was sought in such action by the Federal Government;

(C) prevent challenges to a litigated or consent judgment or order on the ground that such judgment or order was obtained through collusion or fraud, or is transparently invalid or was entered by a court lacking subject matter jurisdiction; or

(D) authorize or permit the denial to any person of the due process of law required by the Constitution.

(3) Notwithstanding any other provision of this subsection, a rule barring the employment of an individual who currently and knowingly uses or possesses a controlled substance, as defined in schedules I and II of section 102(6) of the Controlled Substances Act [21 U.S.C. 802(6)], other than the use or possession of a drug taken under the supervision of a licensed health care professional, or any other use or possession authorized by the Controlled Substances Act [21 U.S.C. 801 et seq.] or any other provision of Federal law, shall be considered an unlawful employment practice under this subchapter only if such rule is adopted or applied with an intent to discriminate because of race, color, religion, sex, or national origin.

(I) Prohibition of discriminatory use of test scores

It shall be an unlawful employment practice for a respondent, in connection with the selection or referral of applicants or candidates for employment or promotion, to adjust the scores of, use different cutoff scores for, or otherwise alter the results of, employment related tests on the basis of race, color, religion, sex, or national origin.

(m) Impermissible consideration of race, color, religion, sex, or national origin in employment practices

Except as otherwise provided in this subchapter, an unlawful employment practice is established when the complaining party demonstrates that race, color, religion, sex, or national origin was a motivating factor for any employment practice, even though other factors also motivated the practice.

SUBVERSIVE ACTIVITIES CONTROL BOARD

§ 2000e–3. Other unlawful employment practices

(a) Discrimination for making charges, testifying, assisting, or participating in enforcement proceedings

It shall be an unlawful employment practice for an employer to discriminate against any one of his employees or applicants for employment, for an employment agency, or joint labor-management committee controlling apprenticeship or other training or retraining, including on-the-job training programs, to print or publish or cause to be printed or published any notice or advertisement relating to employment by such an employer or membership in or any classification or referral for employment by such a labor organization, or relating to any classification or employment agency, or relating to admission to, or employment in, any program established to provide apprenticeship or other training by such a joint labor-management committee, indicating any preference, limitation, specification, or discrimination, based on race, color, religion, sex, or national origin, except that such a notice or advertisement may indicate a preference, limitation, specification, or discrimination based on religion, sex, or national origin when religion, sex, or national origin is a bona fide occupational qualification for employment.

(b) Printing or publication of notices or advertisements indicating prohibited preference, limitation, specification, or discrimination; occupational qualification exception

It shall be an unlawful employment practice for an employer, labor organization, employment agency, or joint labor-management committee controlling apprenticeship or other training or retraining, including on-the-job training programs, to print or publish or cause to be printed or published any notice or advertisement relating to employment by such an employer or membership in or any classification or referral for employment by such a labor organization, or relating to any classification or re-
mission, and, except as provided in subsection (b), shall appoint, in accordance with the provisions of title 5 governing appointments in the competitive service, such officers, agents, attorneys, administrative law judges, and employees as he deems necessary to assist it in the performance of its functions and to fix their compensation in accordance with the provisions of chapter 51 and subchapter III of chapter 53 of title 5, relating to classification and General Schedule pay rates: Provided, That assignment, removal, and compensation of administrative law judges shall be in accordance with sections 3105, 3344, 5372, and 7521 of title 5.

(b) General Counsel; appointment; term; duties; representation by attorneys and Attorney General

(1) There shall be a General Counsel of the Commission appointed by the President, by and with the advice and consent of the Senate, for a term of four years. The General Counsel shall have responsibility for the conduct of litigation as provided in sections 2000e-5 and 2000e-6 of this title. The General Counsel shall have such other duties as the Commission may prescribe or as may be provided by law and shall concur with the Chairman of the Commission on the appointment and supervision of regional attorneys. The General Counsel of the Commission on the effective date of this Act shall continue in such position and perform the functions specified in this subsection until a successor is appointed and qualified.

(2) Attorneys appointed under this section may, at the direction of the Commission, appear for and represent the Commission in any case in court, provided that the Attorney General shall conduct all litigation to which the Commission is a party in the Supreme Court pursuant to this subchapter.

(c) Exercise of powers during vacancy; quorum

A vacancy in the Commission shall not impair the right of the remaining members to exercise all the powers of the Commission and three members thereof shall constitute a quorum.

(d) Seal; judicial notice

The Commission shall have an official seal which shall be judicially noticed.

(e) Reports to Congress and the President

The Commission shall at the close of each fiscal year report to the Congress and to the President concerning the action it has taken and the moneys it has disbursed. It shall make such further reports on the cause of and means of eliminating discrimination and such recommendations for further legislation as may appear desirable.

(f) Principal and other offices

The principal office of the Commission shall be in or near the District of Columbia, but it may meet or exercise any or all its powers at any other place. The Commission may establish such regional or State offices as it deems necessary to accomplish the purpose of this subchapter.

(g) Powers of Commission

The Commission shall have power—

1. to cooperate with and, with their consent, utilize regional, State, local, and other agencies, both public and private, and individuals;

2. to pay to witnesses whose depositions are taken or who are summoned before the Commission or any of its agents the same witness and mileage fees as are paid to witnesses in the courts of the United States;

3. to furnish to persons subject to this subchapter such technical assistance as they may request to further their compliance with this subchapter or an order issued thereunder;

4. upon the request of (i) any employer, whose employees or some of them, or (ii) any labor organization, whose members or some of them, refuse or threaten to refuse to cooperate in effectuating the provisions of this subchapter, to assist in such effectuation by conciliation or such other remedial action as is provided by this subchapter;

5. to make such technical studies as are appropriate to effectuate the purposes and policies of this subchapter and to make the results of such studies available to the public;

6. to intervene in a civil action brought under section 2000e-5 of this title by an aggrieved party against a respondent other than a government, governmental agency or political subdivision.

(h) Cooperation with other departments and agencies in performance of educational or promotional activities; outreach activities

(1) The Commission shall, in any of its educational or promotional activities, cooperate with other departments and agencies in the performance of such educational and promotional activities.

(2) In exercising its powers under this subchapter, the Commission shall carry out educational and outreach activities (including dissemination of information in languages other than English) targeted to—

(A) individuals who historically have been victims of employment discrimination and have not been equitably served by the Commission; and

(B) individuals on whose behalf the Commission has authority to enforce any other law prohibiting employment discrimination, concerning rights and obligations under this subchapter or such law, as the case may be.

(i) Personnel subject to political activity restrictions

All officers, agents, attorneys, and employees of the Commission shall be subject to the provisions of section 7324 of title 5, notwithstanding any exemption contained in such section.

(j) Technical Assistance Training Institute

(1) The Commission shall establish a Technical Assistance Training Institute, through which the Commission shall provide technical assistance and training regarding the laws and regulations enforced by the Commission.

(2) An employer or other entity covered under this subchapter shall not be excused from com-

1 See References in Text note below.
pliance with the requirements of this subchapter because of any failure to receive technical assistance under this subsection.

(3) There are authorized to be appropriated to carry out this subsection such sums as may be necessary for fiscal year 1992.

(k) EEOC Education, Technical Assistance, and Training Revolving Fund

(1) There is hereby established in the Treasury of the United States a revolving fund to be known as the “EEOC Education, Technical Assistance, and Training Revolving Fund” (hereinafter in this subsection referred to as the “Fund”) and to pay the cost (including administrative and personnel expenses) of providing education, technical assistance, and training relating to laws administered by the Commission. Monies in the Fund shall be available without fiscal year limitation to the Commission for such purposes.

(2)(A) The Commission shall charge fees in accordance with the provisions of this paragraph to offset the costs of education, technical assistance, and training provided with monies in the Fund. Such fees for any education, technical assistance, or training—

(i) shall be imposed on a uniform basis on persons and entities receiving such education, assistance, or training,

(ii) shall not exceed the cost of providing such education, assistance, or training, and

(iii) with respect to each person or entity receiving such education, assistance, or training, shall bear a reasonable relationship to the cost of providing such education, assistance, or training to such person or entity.

(B) Fees received under subparagraph (A) shall be deposited in the Fund by the Commission.

(C) The Commission shall include in each report made under subsection (e) information with respect to the operation of the Fund, including information, presented in the aggregate, relating to—

(i) the number of persons and entities to which the Commission provided education, technical assistance, or training with monies in the Fund, in the fiscal year for which such report is prepared,

(ii) the cost to the Commission to provide such education, technical assistance, or training to such persons and entities, and

(iii) the amount of any fees received by the Commission from such persons and entities for such education, technical assistance, or training.

(3) The Secretary of the Treasury shall invest the portion of the Fund not required to satisfy current expenditures from the Fund, as determined by the Commission, in obligations of the United States or obligations guaranteed as to principal by the United States, Investment proceeds shall be deposited in the Fund.

(4) There is hereby transferred to the Fund $1,000,000 from the Salaries and Expenses appropriation of the Commission.

**EQUAL EMPLOYMENT OPPORTUNITY**

**SECTION 1. TRANSFER OF EQUAL PAY ENFORCEMENT FUNCTIONS**

All functions related to enforcing or administering Section 6(d) of the Fair Labor Standards Act, as amended, (29 U.S.C. 206(d)) are hereby transferred to the Equal Employment Opportunity Commission. Such functions include, but shall not be limited to, the functions relating to equal pay administration and enforcement now vested in the Secretary of Labor, the Administrator of the Wage and Hour Division of the Department of Labor, and the Civil Service Commission pursuant to Sections 4(d)(1); 4(f); 9; 11(a), (b), and (c); 16(b) and (c) and 17 of the Fair Labor Standards Act, as amended, (29 U.S.C. 204(d)(1); 204(f); 207; 211(a), (b), and (c); 216(b) and (c) and 217) and Section 18(b)(1) of the Portal-to-Portal Act of 1947, as amended, (29 U.S.C. 259).

**SEC. 2. TRANSFER OF AGE DISCRIMINATION ENFORCEMENT FUNCTIONS**

All functions vested in the Secretary of Labor or in the Civil Service Commission pursuant to Sections 2, 4, 7, 8, 9, 10, 11, 12, 13, 14, and 15 of the Age Discrimination in Employment Act of 1967, as amended, (29 U.S.C. 621, 623, 625, 627, 628, 629, 630, 631, 632, 633, and 633a) are hereby transferred to the Equal Employment Opportunity Commission. All functions related to age discrimination administration and enforcement pursuant to Sections 6 and 16 of the Age Discrimination in Employment Act of 1967, as amended, (29 U.S.C. 625 and 634) are hereby transferred to the Equal Employment Opportunity Commission.

**SEC. 3. TRANSFER OF EQUAL OPPORTUNITY IN FEDERAL EMPLOYMENT ENFORCEMENT FUNCTIONS**

(a) All equal opportunity in Federal employment enforcement and related functions vested in the Civil Service Commission pursuant to Section 717(b) and (c) of the Civil Rights Act of 1964, as amended, (42 U.S.C. 2000e-16(b) and (c)), are hereby transferred to the Equal Employment Opportunity Commission.

(b) The Equal Employment Opportunity Commission may delegate to the Civil Service Commission or its successor the function of making a preliminary determination on the issue of discrimination whenever, as a part of a complaint or appeal before the Civil Service Commission on other grounds, a Federal employee alleges a violation of Section 717 of the Civil Rights Act of 1964, as amended, (42 U.S.C. 2000e-16) provided that the Equal Employment Opportunity Commission retains the function of making the final determination concerning such issue of discrimination.

**SEC. 4. TRANSFER OF FEDERAL EMPLOYMENT OF HANDICAPPED INDIVIDUALS ENFORCEMENT FUNCTIONS**

All Federal employment of handicapped individuals enforcement functions and related functions vested in the Civil Service Commission pursuant to Section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791) are hereby transferred to the Equal Employment Opportunity Commission. The function of being co-chairman of the Interagency Committee on Handicapped Employees now vested in the Chairman of the Civil Service Commission pursuant to Section 501 is hereby transferred to the Chairman of the Equal Employment Opportunity Commission.

**SEC. 5. TRANSFER OF PUBLIC SECTOR 707 FUNCTIONS**

**SEC. 6. TRANSFER OF FUNCTIONS AND ABOLITION OF THE EQUAL EMPLOYMENT OPPORTUNITY COORDINATING COUNCIL**

All functions of the Equal Employment Opportunity Coordinating Council, which was established pursuant to Section 715 of the Civil Rights Act of 1964, as amended, (42 U.S.C. 2000e-14), are hereby transferred to the Equal Employment Opportunity Commission. The Equal Employment Opportunity Coordinating Council is hereby abolished.

**SEC. 7. SAVINGS PROVISION**

Administrative proceedings including administrative appeals from the acts of an executive agency (as defined by Section 105 of Title 5 of the United States Code) commenced or being conducted by or against such executive agency will not abate by reason of the taking effect of this Plan. Consistent with the provisions of this Plan, all such proceedings shall continue before the Equal Employment Opportunity Commission otherwise unaffected by the transfers provided by this Plan. Consistent with the provisions of this Plan, the Equal Employment Opportunity Commission shall accept appeals from those executive agency actions and events that occurred prior to the effective date of this Plan in accordance with law and regulations in effect on such ef-
effective date. Nothing herein shall affect any right of any person to judicial review under applicable law.

SEC. 8. INCIDENTAL TRANSFERS

So much of the personnel, property, records and un-expended balances of appropriations, allocations and other funds employed, used, held, available, or to be made available in connection with the functions transferred under this Plan, as the Director of the Office of Management and Budget shall determine, shall be transferred to the appropriate department, agency, or component at such time or times as the Director of the Office of Management and Budget shall provide, except that no such unexpended balances transferred shall be used for purposes other than those for which the appropriation was originally made. The Director of the Office of Management and Budget shall provide for terminating the affairs of the Council abolished herein and for such further measures and dispositions as such Director deems necessary to effectuate the purposes of this Reorganization Plan.

SEC. 9. EFFECTIVE DATE

This Reorganization Plan shall become effective at such time or times, on or before October 1, 1979, as the President shall specify, but not sooner than the earliest time allowable under Section 906 of Title 5 of the United States Code.

Pursuant to Ex. Ord. No. 12106, Dec. 26, 1978, 44 F.R. 1033, the transfer to the Equal Employment Opportunity Commission of certain functions of the Civil Service Commission relating to enforcement of equal employment opportunity programs as provided by sections 1 to 4 of this Reorg. Plan is effective Jan. 1, 1979.

MESSAGE OF THE PRESIDENT

To the Congress of the United States:

I am submitting to you today Reorganization Plan No. 1 of 1979. This Plan makes the Equal Employment Opportunity Commission the principal Federal agency in full employment enforcement. Together with actions I shall take by Executive Order, it consolidates Federal equal employment opportunity activities and lays for the first time, the foundation of a unified, coherent Federal structure to combat job discrimination in all its forms.

In 1940 President Roosevelt issued the first Executive Order forbidding discrimination in employment by the Federal government. Since that time the Congress, the courts and the Executive Branch—spurred by the courage and sacrifice of many people and organizations—have taken historic steps to extend equal employment opportunity protection throughout the private as well as public sector. But each new prohibition against discrimination unfortunately has brought with it a further dispersal of Federal equal employment opportunity responsibility. This fragmentation of authority among a number of Federal agencies has meant confusion and ineffective enforcement for employers, regulatory duplication and needless expense for employers.

Fair employment is too vital for haphazard enforcement. My Administration will aggressively enforce our civil rights laws. Although discrimination in any area has severe consequences, limiting economic opportunity affects access to education, housing and health care. I, therefore, ask you to join with me to reorganize administration of the civil rights laws and to begin that effort by reorganizing the enforcement of those laws which ensure an equal opportunity to a job.

Eighteen government units now exercise important responsibilities under statutes, Executive Orders and regulations relating to equal employment opportunity: The Equal Employment Opportunity Commission (EEOC) enforces Title VII of the Civil Rights Act of 1964, [section 2000e et seq. of this title] which bans employment discrimination based on race, national origin, sex or religion. The EEOC acts as a case by case investigator and also initiates private sector cases involving a "pattern or practice" of discrimination.

The Department of Labor and 11 other agencies enforce Executive Order 11246 [set out as a note under section 2000e of this title]. This prohibits discrimination in employment on the basis of race, national origin, sex, or religion and requires affirmative action by government contractors. While the Department now coordinates enforcement of this "contract compliance" program, it is actually administered by eleven other departments and agencies. The Department also administers those statutes requiring contractors to take affirmative action to employ handicapped people, disabled veterans and Vietnam veterans.

In addition, the Labor Department enforces the Equal Pay Act of 1963 [section 206(d) of Title 29, Labor], which prohibits employers from paying unequal wages based on sex, and the Age Discrimination in Employment Act of 1967 [section 621 et seq. of Title 29], which forbids age discrimination against persons between the ages of 40 and 65.

The Department of Justice litigates Title VII cases involving public sector employers—State and local governments. The Department also represents the Federal government in lawsuits against Federal contractors and grant recipients who are in violation of Federal nondiscrimination prohibitions.

The Civil Service Commission (CSC) enforces Title VII and all other nondiscrimination and affirmative action requirements for Federal employment. The CSC rules on complaints filed by individuals and monitors affirmative action plans submitted annually by other Federal agencies.

The Equal Employment Opportunity Coordinating Council includes representatives from EEOC, Labor, Justice, CSC and the Civil Rights Commission. It is charged with coordinating the Federal equal employment opportunity enforcement effort and with eliminating overlap and inconsistent standards.

In addition to these major government units, other agencies enforce various equal employment opportunity requirements which apply to specific grant programs. The Department of the Treasury, for example, administers the anti-discrimination prohibitions applicable to recipients of revenue sharing funds. These programs have had only limited success. Some of the past deficiencies include:

— inconsistent standards of compliance;
— duplicative, inconsistent paperwork requirements and investigative efforts;
— conflicts within agencies between their program responsibilities and their responsibility to enforce the civil rights laws;
— confusion on the part of workers about how and where to seek redress;
— lack of accountability.

I am proposing today a series of steps to bring coherence to the equal employment enforcement effort. These steps, to be accomplished by the Reorganization Plan and Executive Orders, constitute an important step toward consolidation of equal employment opportunity enforcement. They will be implemented over the next two years, so that the agencies involved may continue their internal reform.

Its experience and broad scope make the EEOC suitable for the role of principal Federal agency in fair employment enforcement. Located in the Executive Branch and responsible to the President, the EEOC has developed considerable expertise in the field of employment discrimination. Congress created it by the Civil Rights Act of 1964 [section 2000e-4 of this title]. The Commission has played a pioneer role in defining
both employment discrimination and its appropriate remedies. While it has had management problems in past administrations, the EEOC is making substantial progress in correcting them. In the last seven months the Commission has redesigned its internal structures and adopted proven management techniques. Early experience with these procedures indicates a high degree of success in reducing and expediting new cases. At my direction, the Office of Management and Budget is actively assisting the EEOC to ensure that these reforms continue.

The Reorganization Plan I am submitting will accomplish the following:

1. On July 1, 1976, abolish the Equal Employment Opportunity Coordinating Council (42 U.S.C. 2000e–14) and transfer its duties to the EEOC (no positions or funds shifted).

2. On October 1, 1976, shift enforcement of equal employment opportunity for Federal employees from the CSC to the EEOC (100 positions and $6.5 million shifted).

3. On July 1, 1978, shift responsibility for enforcing both the Equal Pay Act and the Age Discrimination in Employment Act from the Labor Department to the EEOC (198 positions and $3.3 million shifted for Equal Pay; 119 positions and $3.5 million for Age Discrimination).

Each element of my Plan is important to the success of the entire proposal.

On July 1, 1978, I am abolishing the Equal Employment Opportunity Coordinating Council and transferring its responsibilities to the EEOC, this plan places the Commission at the center of equal employment opportunity enforcement. With these new responsibilities, the EEOC can give coherence and direction to the government’s efforts by developing strong uniform enforcement standards to apply throughout the government: standardized data collection procedures, joint training programs, programs to ensure the sharing of enforcement related data among agencies, and methods and priorities for complaint and compliance reviews. Such direction has been absent in the Equal Employment Opportunity Coordinating Council.

It should be stressed, however, that affected agencies will be consulted before EEOC takes any action. When the Plan has been approved, I intend to issue an Executive Order which will provide for consultation, as well as a procedure for reviewing major disputed issues within the Executive Office of the President. The Attorney General’s responsibility to advise the Executive Branch on legal issues will also be preserved.

Transfer of the Civil Service Commission’s equal employment opportunity responsibilities to EEOC is needed to ensure that (1) Federal employees have the same rights and remedies as those in the private sector and in State and local government; (2) Federal agencies meet the same standards as are required of other employers; and (3) potential conflicts between an agency’s equal employment opportunity and personnel management functions are minimized. The Federal government must not fall below the standard of performance it expects of private employers.

The Civil Service Commission has in the past been lethargic in enforcing fair employment requirements within the Federal government. While the Chairman and other Commissioners I have appointed have already demonstrated their personal commitment to expanding equal employment opportunity, responsibility for ensuring fair employment for Federal employees should rest ultimately with the EEOC.

We must ensure that the transfer in no way under-mines the important objectives of the comprehensive civil service reorganization which will be submitted to Congress in the near future. When the two plans take effect, I will direct the EEOC and the CSC to coordinate their procedures to prevent any duplication and overlap.

The Equal Pay Act now administered by the Labor Department, prohibits employers from paying unequal wages based on sex. Title VII of the Civil Rights Act, which is enforced by EEOC, contains a broader ban on sex discrimination. The transfer of Equal Pay responsibility from the Labor Department to the EEOC will minimize overlap and centralize enforcement of statutory prohibitions against sex discrimination in employment.

The transfer will strengthen efforts to combat sex discrimination. Such efforts would be enhanced still further by passage of the legislation pending before you, which I support, that would prohibit employers from excluding women disabled by pregnancy from participating in disability programs.

There is now virtually complete overlap in the employment, labor organizations, and employment agencies covered by Title VII and by the Age Discrimination in Employment Act. This overlap is burdensome to employers and confusing to victims of discrimination. The proposed transfer of the age discrimination program from the Labor Department to the EEOC will eliminate the duplication.

The Plan I am proposing will not affect the Attorney General’s responsibility to enforce Title VII against State or local governments or to represent the Federal government in suits against Federal contractors and grant recipients. In 1972, the Congress determined that the Attorney General should be involved in suits against State and local governments. This proposal re-inforces that judgment and clarifies the Attorney General’s authority to initiate litigation against State or local governments engaged in a pattern or practice of discrimination. This in no way diminishes the EEOC’s existing authority to investigate complaints filed against State or local governments and, where appropriate, to refer them to the Attorney General. The Justice Department and the EEOC will cooperate so that the Department sues on valid referrals, as well as on its own “pattern or practice” cases.

A critical element of my proposals will be accomplished by Executive Order rather than by the Reorganization Plan. This involves consolidation in the Labor Department of the responsibility to ensure that Federal contractors comply with Executive Order program and those statutes requiring equal employment opportunity. Consolidation will achieve the following: promote consistent standards, procedures, and reporting requirements; remove contractors from the jurisdiction of multiple agencies; prevent an agency’s equal employment objectives from being outweighed by its procurement and construction objectives; and produce more effective law enforcement through unification of plans, training, and sanctions. By 1981, after I have had an opportunity to review the manner in which both the EEOC and the Labor Department are exercising their new responsibilities, I will determine whether further action is appropriate.

Finally, the responsibility for enforcing grant-related equal employment provisions will remain with the agencies administering the grant programs. With the EEOC acting as coordinator of Federal equal employment programs, we will be able to bring overlap and duplication to a minimum. We will be able, for example, to see that a university’s employment practices are not subject to duplicative investigations under both Title IX of the Education Amendments of 1972 [section 1681 et seq. of Title 20, Education] and the contract compliance program. Because of the similarities between the Executive Order program and these statutes and regulations, Federal contractors to take affirmative action to employ handicapped individuals and disabled and Vietnam
veterans, I have determined that enforcement of these statues should remain in the Labor Department.

Each of the changes set forth in the Reorganization Plan accompanying this message is necessary to accomplish one or more of the purposes set forth in Section 901(a) of Title 5 of the United States Code. I have taken care to determine that all functions abolished by this Plan are done only under the statutory authority provided by Section 901(b) of Title 5 of the United States Code.

I do not anticipate that the reorganizations contained in this Plan will result in any significant change in expenditures. They will result in a more efficient and manageable enforcement program.

The Plan I am submitting is moderate and measured. It gives the Equal Employment Opportunity Commission—an agency dedicated solely to this purpose—the primary Federal responsibility in the area of job discrimination, but it is designed to give this agency sufficient time to absorb its new responsibilities. This reorganization will produce consistent agency standards, as well as increased accountability. Combined with the intense commitment of those charged with these responsibilities, it will become possible for us to accelerate this nation's progress in ensuring equal job opportunities for all our people.

JIMMY CARTER.

EX. ORD. NO. 12106, TRANSFER OF CERTAIN EQUAL EMPLOYMENT ENFORCEMENT FUNCTIONS

Ex. Ord. No. 12106, Dec. 26, 1978, 44 F.R. 1053, provided: By the authority vested in me as President of the United States of America by Section 9 of Reorganization Plan No. 1 of 1978 (43 FR 19807) [set out above], I hereby order that the transfer of certain functions relating to the enforcement of equal employment programs, and in order to make certain technical amendments in other Orders to reflect this transfer of functions, it is hereby ordered as follows:

1–101. The transfer to the Equal Employment Opportunity Commission of certain functions of the Civil Service Commission, relating to enforcement of equal employment opportunity programs as provided by Sections 1, 2, 3 and 4 of Reorganization Plan No. 1 of 1978 (43 FR 19807) shall be effective on January 1, 1979.

1–102. Executive Order No. 11478, as amended [set out as a note under section 2000e of this title], is further amended by deleting the preamble, by substituting "national origin, handicap, or age" for "or national origin," in the first sentence of Section 1, and revising Sections 3, 4, and 5 to read as follows:

"SEC. 3. The Equal Employment Opportunity Commission shall be responsible for directing and furthering the implementation of the policy of the Government of the United States to provide equal opportunity in Federal employment for all employees or applicants for employment (except with regard to aliens employed outside the limits of the United States) and to prohibit discrimination in employment because of race, color, religion, sex, national origin, handicap, or age.

"SEC. 4. The Equal Employment Opportunity Commission, after consultation with all affected departments and agencies, shall issue such rules, regulations, orders, and instructions and request such information from the affected departments and agencies as it deems necessary and appropriate to carry out this Order.

"SEC. 5. All departments and agencies shall cooperate with the Equal Employment Opportunity Commission in the performance of its functions under this Order and shall furnish the Commission such reports and information as it may request. The head of each department or agency shall comply with rules, regulations, orders and instructions issued by the Equal Employment Opportunity Commission pursuant to Section 4 of this Order."

1–103. Executive Order No. 11022, as amended [set out as a note under section 3001 of this title], is further amended by revising Section 1(b) to read as follows:

"(b) The Council shall be composed of the Secretary of Health, Education, and Welfare [now Health and Human Services], who shall be Chairman, the Secretary of the Treasury, the Secretary of Agriculture, the Secretary of Commerce, the Secretary of Labor, the Secretary of Housing and Urban Development, the Secretary of Transportation, the Administrator of Veterans Affairs, the Director of the Office of Personnel Management, the Director of the Community Services Administration, and the Chairman of the Equal Employment Opportunity Commission."

1–104. Executive Order No. 11480 of September 9, 1969 [set out as a note under section 791 of Title 29, Labor], is amended by deleting "and the Chairman of the United States Civil Service Commission" in Section 4 and substituting therefor "Director of the Office of Personnel Management, and the Chairman of the Equal Employment Opportunity Commission."

1–105. Executive Order No. 11830 of January 9, 1975 [set out as a note under section 791 of Title 29, Labor], is amended by deleting Section 2 and revising Section 1 to read as follows:

"In accord with Section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791) and Section 4 of Reorganization Plan No. 1 of 1978 (43 FR 19807) the Interagency Committee on Handicapped Employees is enlarged and composed of the following, or their designees whose positions are Executive level IV or higher:

"(1) Secretary of Defense.

"(2) Secretary of Labor.

"(3) Secretary of Health, Education, and Welfare [now Health and Human Services], Co-Chairman.

"(4) Director of the Office of Personnel Management.

"(5) Administrator of Veterans Affairs.

"(6) Administrator of General Services.

"(7) Chairman of the Federal Communications Commission.

"(8) Chairman of the Equal Employment Opportunity Commission, Co-Chairman.

"(9) Such other members as the President may designate."

1–106. This Order shall be effective on January 1, 1979.

JIMMY CARTER.

EX. ORD. NO. 12144, TRANSFER OF CERTAIN EQUAL PAY AND AGE DISCRIMINATION IN EMPLOYMENT ENFORCEMENT FUNCTIONS

Ex. Ord. No. 12144, June 22, 1979, 44 F.R. 37193, provided:

By the authority vested in me as President of the United States of America by the Constitution and laws of the United States, including Section 9 of Reorganization Plan No. 1 of 1978 (43 FR 19807) [set out above], in order to effectuate the transfer of certain functions relating to the enforcement of equal pay and age discrimination in employment programs from the Department of Labor to the Equal Employment Opportunity Commission, it is hereby ordered as follows:

1–101. Sections 1 and 2 of Reorganization Plan No. 1 of 1978 (43 FR 19807) [set out as a note above] shall become effective on July 1, 1979, with the exception of the transfer of functions from the Civil Service Commission, already effective January 1, 1979 (Executive Order No. 12106 [set out above]).

1–102. The records, property, personnel and positions, and unexpended balances of appropriations or funds, available or to be made available, which relate to the functions transferred as provided in this Order are hereby transferred from the Department of Labor to the Equal Employment Opportunity Commission.

1–103. The Director of the Office of Management and Budget shall make such determinations, issue such Orders, and take all actions necessary or appropriate to effectuate the transfers provided in this Order, including the transfer of funds, records, property, and personnel.

1–104. This Order shall be effective July 1, 1979.

JIMMY CARTER.
§ 2000e–5. Enforcement provisions

(a) Power of Commission to prevent unlawful employment practices

The Commission is empowered, as hereinafter provided, to prevent any person from engaging in any unlawful employment practice as set forth in section 2000e–2 or 2000e–3 of this title.

(b) Charges by persons aggrieved or member of Commission of unlawful employment practices by employers, etc.; filing; allegations; notice to respondent; contents of notice; investigation by Commission; contents of charges; prohibition on disclosure of charges; determination of reasonable cause; conference, conciliation, and persuasion for elimination of unlawful practices; prohibition on disclosure of informal endeavors to end unlawful practices; use of evidence in subsequent proceedings; penalties for disclosure of information; time for determination of reasonable cause

Whenever a charge is filed by or on behalf of a person claiming to be aggrieved, or by a member of the Commission, alleging that an employer, employment agency, labor organization, or joint labor-management committee controlling apprenticeship or other training, including on-the-job training programs, has engaged in an unlawful employment practice, the Commission shall serve a notice of the charge (including the date, place and circumstances of the alleged unlawful employment practice) on such employer, employment agency, labor organization, or joint labor-management committee (hereinafter referred to as the “respondent”) within ten days, and shall make an investigation thereof. Charges shall be in writing under oath or affirmation and shall contain such information and be in such form as the Commission requires. Charges shall not be made public by the Commission. If the Commission determines after such investigation that there is not reasonable cause to believe that the charge is true, it shall dismiss the charge and promptly notify the person claiming to be aggrieved and the respondent of its action. In determining whether reasonable cause exists, the Commission shall accord substantial weight to final findings and orders made by State or local authorities in proceedings commenced under State or local law pursuant to the requirements of subsections (c) and (d). If the Commission determines after such investigation that there is reasonable cause to believe that the charge is true, the Commission shall endeavor to eliminate any such alleged unlawful employment practice by informal methods of conference, conciliation, and persuasion. Nothing said or done during and as part of such informal endeavors may be made public by the Commission, its officers or employees, or used as evidence in a subsequent proceeding without the written consent of the persons concerned. Any person who makes public information in violation of this subsection shall be fined not more than $1,000 or imprisoned for not more than one year, or both. The Commission shall make its determination on reasonable cause as promptly as possible and, so far as practicable, not later than one hundred and twenty days from the filing of the charge or, where applicable under subsection (c) or (d), from the date upon which the Commission is authorized to take action with respect to the charge.

(c) State or local enforcement proceedings; notification of State or local authority; time for filing charges with Commission; commencement of proceedings

In the case of an alleged unlawful employment practice occurring in a State, or political subdivision of a State, which has a State or local law prohibiting the unlawful employment practice alleged and establishing or authorizing a State or local authority to grant or seek relief from such practice or to institute criminal proceedings with respect thereto upon receiving notice thereof, no charge may be filed under subsection (a) by the person aggrieved before the expiration of sixty days after proceedings have been commenced under the State or local law, unless such proceedings have been earlier terminated, provided that such sixty-day period shall be extended to one hundred and twenty days during the first year after the effective date of such State or local law. If any requirement for the commencement of such proceedings is imposed by a State or local authority other than a requirement of the filing of a written and signed statement of the facts upon which the proceeding is based, the proceeding shall be deemed to have been commenced for the purposes of this subsection at the time such statement is sent by registered mail to the appropriate State or local authority.

(d) State or local enforcement proceedings; notification of State or local authority; time for action on charges by Commission

In the case of any charge filed by a member of the Commission alleging an unlawful employment practice occurring in a State or political subdivision of a State which has a State or local law prohibiting the practice alleged and establishing or authorizing a State or local authority to grant or seek relief from such practice or to institute criminal proceedings with respect thereto upon receiving notice thereof, the Commission shall, before taking any action with respect to such charge, notify the appropriate State or local officials and, upon request, afford them a reasonable time, but not less than sixty days (provided that such sixty-day period shall be extended to one hundred and twenty days during the first year after the effective day of such State or local law), unless a shorter period is requested, to act under such State or local law to remedy the practice alleged.

(e) Time for filing charges; time for service of notice of charge on respondent; filing of charge by Commission with State or local agency; seniority system

(1) A charge under this section shall be filed within one hundred and eighty days after the alleged unlawful employment practice occurred and notice of the charge (including the date, place and circumstances of the alleged unlawful employment practice) shall be served upon the

1 So in original. Probably should be subsection "(b)".
person against whom such charge is made within ten days thereafter, except that in a case of an unlawful employment practice with respect to which the person aggrieved has initially instituted proceedings with a State or local agency with authority to grant or seek relief from such practice or to institute criminal proceedings with respect thereto upon receiving notice thereof, such charge shall be filed by or on behalf of the person aggrieved within three hundred days after the alleged unlawful employment practice occurred, or within thirty days after receiving notice that the State or local agency has terminated the proceedings under the State or local law, whichever is earlier, and a copy of such charge shall be filed by the Commission with the State or local agency.

(2) For purposes of this section, an unlawful employment practice occurs, with respect to a seniority system that has been adopted for an intentionally discriminatory purpose in violation of this subchapter (whether or not that discriminatory purpose is apparent on the face of the seniority provision), when the seniority system is adopted, when an individual becomes subject to the seniority system, or when a person aggrieved is injured by the application of the seniority system or provision of the system.

(3)(A) For purposes of this section, an unlawful employment practice occurs, with respect to discrimination in compensation in violation of this subchapter, when a discriminatory compensation decision or other practice is adopted, when an individual becomes subject to a discriminatory compensation decision or other practice, or when an individual is affected by application of a discriminatory compensation decision or other practice, including each time wages, benefits, or other compensation is paid, resulting in whole or in part from such a decision or other practice.

(B) In addition to any relief authorized by section 1981a of this title, liability may accrue and an aggrieved person may obtain relief as provided in subsection (g)(1), including recovery of back pay for up to two years preceding the filing of the charge, where the unlawful employment practices that have occurred during the charge filing period are similar or related to unlawful employment practices with regard to discrimination in compensation that occurred outside the time for filing a charge.

(f) Civil action by Commission, Attorney General, or person aggrieved; preconditions; procedure; appointment of attorney; payment of fees, costs, or security; intervention; stay of Federal proceedings; action for appropriate temporary or preliminary relief pending final disposition of charge; jurisdiction and venue of United States courts; designation of judge to hear and determine case; assignment of case for hearing; expedition of case; appointment of master

(1) If within thirty days after a charge is filed with the Commission or within thirty days after expiration of any period of reference under subsection (c) or (d), the Commission has been unable to secure from the respondent a conciliation agreement acceptable to the Commission, the Commission may bring a civil action against any respondent not a government, governmental agency, or political subdivision named in the charge. In the case of a respondent which is a government, governmental agency, or political subdivision, if the Commission has been unable to secure from the respondent a conciliation agreement acceptable to the Commission, the Commission shall take no further action and shall refer the case to the Attorney General who may bring a civil action against such respondent in the appropriate United States district court.

The person or persons aggrieved shall have the right to intervene in a civil action brought by the Commission or the Attorney General in a case involving a government, governmental agency, or political subdivision. If a charge filed with the Commission pursuant to subsection (b), is dismissed by the Commission, or if within one hundred and eighty days from the filing of such charge the expiration of any period of reference under subsection (c) or (d), whichever is later, the Commission has not filed a civil action under this section or the Attorney General has not filed a civil action in a case involving a government, governmental agency, or political subdivision, or the Commission has not entered into a conciliation agreement to which the person aggrieved is a party, the Commission, or the Attorney General in a case involving a government, governmental agency, or political subdivision, shall so notify the person aggrieved and within ninety days after the giving of such notice a civil action may be brought against the respondent named in the charge (A) by the person claiming to be aggrieved or (B) if such charge was filed by a member of the Commission, by any person whom the charge alleges was aggrieved by the alleged unlawful employment practice. Upon application by the complainant and in such circumstances as the court may deem just, the court may appoint an attorney for such complainant and may authorize the commencement of the action without the payment of fees, costs, or security. Upon timely application, the court may, in its discretion, permit the Commission, or the Attorney General in a case involving a government, governmental agency, or political subdivision, to intervene in such civil action on certification to the court that the case is of general public importance. Upon request, the court may, in its discretion, stay further proceedings for not more than sixty days pending the termination of State or local proceedings described in subsection (c) or (d) of this section or further efforts of the Commission to obtain voluntary compliance.

(2) Whenever a charge is filed with the Commission and the Commission concludes on the basis of a preliminary investigation that prompt judicial action is necessary to carry out the purposes of this Act, the Commission, or the Attorney General in a case involving a government, governmental agency, or political subdivision, may bring an action for appropriate temporary or preliminary relief pending final disposition of such charge. Any temporary restraining order or other order granting preliminary or temporary relief shall be issued in accordance with rule 65 of the Federal Rules of Civil Procedure. It shall be the duty of a court having jurisdiction over proceedings under this section to assign cases for hearing at the earliest practicable date and
to cause such cases to be in every way expeditious.

(3) Each United States district court and each United States court of a place subject to the jurisdiction of the United States shall have jurisdiction of actions brought under this subchapter. Such an action may be brought in any judicial district in the State in which the unlawful employment practice is alleged to have been committed, in the judicial district in which the employment records relevant to such practice are maintained and administered, or in the judicial district in which the aggrieved person would have worked but for the alleged unlawful employment practice, but if the respondent is not found within any such district, such an action may be brought within the judicial district in which the respondent has his principal office. For purposes of sections 1404 and 1406 of title 28, the judicial district in which the respondent has his principal office shall in all cases be considered a district in which the action might have been brought.

(4) It shall be the duty of the chief judge of the district (or in his absence, the acting chief judge) in which the case is pending immediately to designate a judge in such district to hear and determine the case. In the event that no judge in the district is available to hear and determine the case, the chief judge of the district, or the acting chief judge, as the case may be, shall certify this fact to the chief judge of the circuit (or in his absence, the acting chief judge) who shall then designate a district or circuit judge of the circuit to hear and determine the case.

(5) It shall be the duty of the judge designated pursuant to this subsection to assign the case for hearing at the earliest practicable date and to cause the case to be in every way expedited. If such judge has not scheduled the case for trial within one hundred and twenty days after the issue has been joined, that judge may appoint a master pursuant to rule 53 of the Federal Rules of Civil Procedure.

(g) Injunctions; appropriate affirmative action; equitable relief; accrual of back pay; reduction of back pay; limitations on judicial orders

(1) If the court finds that the respondent has intentionally engaged in or is intentionally engaging in an unlawful employment practice charged in the complaint, the court may enjoin the respondent from engaging in such unlawful employment practice, and order such affirmative action as may be appropriate, which may include, but is not limited to, reinstatement or hiring of employees, with or without back pay (payable by the employer, employment agency, or labor organization, as the case may be, responsible for the unlawful employment practice), or any other equitable relief as the court deems appropriate. Back pay liability shall not accrue from a date more than two years prior to the filing of a charge with the Commission. Interim earnings or amounts earnable with reasonable diligence by the person or persons discriminated against shall operate to reduce the back pay otherwise allowable.

(2)(A) No order of the court shall require the admission or reinstatement of an individual as a member of a union, or the hiring, reinstatement, or promotion of an individual as an employee, or the payment to him of any back pay, if such individual was refused admission, suspended, or expelled, or was refused employment or advancement or was suspended or discharged for any reason other than discrimination on account of race, color, religion, sex, or national origin or in violation of section 2000e–3(a) of this title.

(B) On a claim in which an individual proves a violation under section 2000e–2(m) of this title and a respondent demonstrates that the respondent would have taken the same action in the absence of the impermissible motivating factor, the court—

(i) may grant declaratory relief, injunctive relief (except as provided in clause (ii)), and attorney's fees and costs demonstrated to be directly attributable only to the pursuit of a claim under section 2000e–2(m) of this title; and

(ii) shall not award damages or issue an order requiring any admission, reinstatement, hiring, promotion, or payment, described in subparagraph (A).

(h) Provisions of chapter 6 of title 29 not applicable to civil actions for prevention of unlawful practices

The provisions of chapter 6 of title 29 shall not apply with respect to civil actions brought under this section.

(i) Proceedings by Commission to compel compliance with judicial orders

In any case in which an employer, employment agency, or labor organization fails to comply with an order of a court issued in a civil action brought under this section, the Commission may commence proceedings to compel compliance with such order.

(j) Appeals

Any civil action brought under this section and any proceedings brought under subsection (i) shall be subject to appeal as provided in sections 1291 and 1292, title 28.

(k) Attorney's fee; liability of Commission and United States for costs

In any action or proceeding under this subchapter the court, in its discretion, may allow the prevailing party, other than the Commission or the United States, a reasonable attorney's fee (including expert fees) as part of the costs, and the Commission and the United States shall be liable for costs the same as a private person.

(d) as (e), extended from ninety to one hundred and eighty days after the occurrence of the alleged unlawful employment practice the time for filing charges under this section and from two hundred and ten to three hundred days the time for filing such charges where the person aggrieved initially instituted proceedings with a State or local agency, and inserted requirement that notice of the charge be served on the respondent within ten days after filing. Former subsec. (e) redesignated (f)(1).

Subsec. (f). Pub. L. 92-261, §4(a), redesignated former subsec. (e) as par. (3), substituted “aggregated person” for “plaintiff”, and added pars. (4) and (5).

Subsec. (g). Pub. L. 92-261, §4(a), inserted provisions which authorized the court to order affirmative action not limited solely to the enumerated affirmative acts and such other equitable relief as deemed appropriate, and provisions which set forth the accrual date for back pay.

Subsecs. (1), (j). Pub. L. 92-261, §4(b)(1), (2), substituted “this section” for “subsection (e) of this section”.

EFFECTIVE DATE OF 2009 AMENDMENT

EFFECTIVE DATE OF 1991 AMENDMENT

EFFECTIVE DATE OF 1972 AMENDMENT

Pub. L. 92-261, §14, Mar. 24, 1972, 86 Stat. 113, provided that: “The amendments made by this Act to section 706 of the Civil Rights Act of 1964 [this section] shall be applicable with respect to charges pending with the Commission on the date of enactment of this Act [Mar. 24, 1972] and all charges filed thereafter.”

FINDINGS

Pub. L. 111-2, §2, Jan. 29, 2009, 123 Stat. 5, provided that: “Congress finds the following:

“(1) The Supreme Court in Ledbetter v. Goodyear Tire & Rubber Co., 550 U.S. 618 (2007), significantly impairs statutory protections against discrimination in compensation that Congress established and that have been bedrock principles of American law for decades. The Ledbetter decision undermines those statutory protections by unduly restricting the time period in which victims of discrimination can challenge and recover for discriminatory compensation decisions or other practices, contrary to the intent of Congress.

“(2) The limitation imposed by the Court on the filing of discriminatory compensation claims ignores the reality of wage discrimination and is at odds with the robust application of the civil rights laws that Congress intended.

“(3) With regard to any charge of discrimination under any law, nothing in this Act [amending this section and section 2000e-16 of this title and sections 626, 633a, and 794a of Title 29, Labor, and enacting provisions set out as notes under this section and section 2000a of this title] is intended to preclude or limit an aggrieved person’s right to introduce evidence of an unlawful employment practice that has occurred outside the time for filing a charge of discrimination.

“(4) Nothing in this Act is intended to change current law treatment of when pension distributions are considered paid.”

APPLICATION TO OTHER LAWS

Pub. L. 111-2, §5(a), (b), Jan. 29, 2009, 123 Stat. 6, provided that:

“(a) AMERICANS WITH DISABILITIES ACT OF 1990.—The amendments made by section 3 [amending this section] shall apply to claims of discrimination in compensation brought under title I and section 503 of the Americans with Disabilities Act of 1990 (42 U.S.C. 12111 et seq., 12203), pursuant to section 107(a) of such Act (42 U.S.C. 12117(a)), which adopts the standards applied under title I of the Americans with Disabilities Act of 1990 (42 U.S.C. 12111 et seq.) for determining whether a violation has occurred in a complaint alleging employment discrimination; and
§ 2000e–6. Civil actions by the Attorney General

(a) Complaint

Whenever the Attorney General has reasonable cause to believe that any person or group of persons is engaged in a pattern or practice of resistance to the full enjoyment of any of the rights secured by this subchapter, and that the pattern or practice is of such a nature and is so injurious to the public that it may be necessary to invoke the jurisdiction of the federal courts in order to prevent irreparable injury to the public or other citizens, he shall institute in the appropriate district court of the United States a civil action to enjoin such pattern or practice, or requesting such relief, including an application for a permanent or temporary injunction, restraining order or other order against the person or persons responsible for such pattern or practice, as he deems necessary to insure the full enjoyment of the rights therein described.

(b) Jurisdiction; three-judge district court for cases of general public importance; hearing, determination, expedited action, review by Supreme Court; single judge district court; hearing, determination, expedited action

The district courts of the United States shall have and shall exercise jurisdiction of proceedings instituted pursuant to this section, and in any such proceeding the Attorney General may file with the clerk of such court a request that a court of three judges be convened to hear and determine the case. Such request by the Attorney General shall be accompanied by a certificate that, in his opinion, the case is of general public importance. A copy of the certificate and request for a three-judge court shall be immediately furnished by such clerk to the chief judge of the circuit (or in his absence, the presiding circuit judge) in which the case is pending. Upon receipt of such request it shall be the duty of the chief judge of the circuit or the presiding circuit judge, as the case may be, to designate immediately three judges in such circuit, of whom at least one shall be a circuit judge and another of whom shall be a district judge of the court in which the proceeding was instituted, to hear and determine such case, and it shall be the duty of the judges so designated to assign the case for hearing at the earliest practicable date, to participate in the hearing and determination thereof, and to cause the case to be in every way expedited. An appeal from the final judgment of such court will lie to the Supreme Court.

In the event the Attorney General fails to file such a request in any such proceeding, it shall be the duty of the chief judge of the district (or in his absence, the acting chief judge) in which the case is pending immediately to designate a judge in such district to hear and determine the case. In the event that no judge in the district is available to hear and determine the case, the chief judge of the district, or the acting chief judge, as the case may be, shall certify this fact to the chief judge of the circuit (or in his absence, the acting chief judge) who shall then designate a district or circuit judge of the circuit to hear and determine the case.

It shall be the duty of the judge designated pursuant to this section to assign the case for hearing at the earliest practicable date and to cause the case to be in every way expedited.

(c) Transfer of functions, etc., to Commission; effective date; prerequisite to transfer; execution of functions by Commission

Effective two years after March 24, 1972, the functions of the Attorney General under this section shall be transferred to the Commission, together with such personnel, property, records, and unexpended balances of appropriations, allocations, and other funds employed, used, held, available, or to be made available in connection with such functions unless the President submits, and neither House of Congress vetoes, a reorganization plan pursuant to chapter 9 of title 5, inconsistent with the provisions of this subsection. The Commission shall carry out such functions in accordance with subsections (d) and (e) of this section.

(d) Transfer of functions, etc., not to affect suits commenced pursuant to this section prior to date of transfer

Upon the transfer of functions provided for in subsection (c) of this section, in all suits commenced pursuant to this section prior to the date of such transfer, proceedings shall continue without abatement, all court orders and decrees shall remain in effect, and the Commission shall be substituted as a party for the United States of America, the Attorney General, or the Acting Attorney General, as appropriate.

(e) Investigation and action by Commission pursuant to filing of charge of discrimination; procedure

Subsequent to March 24, 1972, the Commission shall have authority to investigate and act on a charge of a pattern or practice of discrimination, whether filed by or on behalf of a person claiming to be aggrieved or by a member of the Commission. All such actions shall be conducted in accordance with the procedures set forth in section 2000e–5 of this title.

AMENDMENTS

1972—Subsecs. (c) to (e). Pub. L. 92–261 added subsecs. (c) to (e).

TRANSFER OF FUNCTIONS

Any function of the Equal Employment Opportunity Commission concerning initiation of litigation with respect to State or local government, or political subdivisions under this section, and all necessary functions related thereto, including investigation, findings, notice and an opportunity to resolve the matter without contested litigation, were transferred to the Attorney General, to be exercised by him in accordance with procedures consistent with this subchapter, and with the Attorney General authorized to delegate any function under this section to any officer or employee of the Department of Justice, by Reorg. Plan No. 1 of 1978, § 5, 43 F.R. 19807, 92 Stat. 3781, set out as a note under section 2000e–4 of this title.
(a) Examination and copying of evidence related to unlawful employment practices

In connection with any investigation of a charge filed under section 2000e-5 of this title, the Commission or its designated representative shall at all reasonable times have access to, for the purposes of examination, and the right to copy any evidence of any person being investigated or proceeded against that relates to unlawful employment practices covered by this subchapter and is relevant to the charge under investigation.

(b) Cooperation with State and local agencies administering State fair employment practices laws; participation in and contribution to research and other projects; utilization of services; payment in advance or reimbursement; agreements and rescission of agreements

The Commission may cooperate with State and local agencies charged with the administration of State fair employment practices laws and, with the consent of such agencies, may, for the purpose of carrying out its functions and duties under this subchapter and within the limitation of funds appropriated specifically for such purpose, engage in and contribute to the cost of research and other projects of mutual interest undertaken by such agencies, and utilize the services of such agencies and their employees, and, notwithstanding any other provision of law, pay by advance or reimbursement such agencies and their employees for services rendered to assist the Commission in carrying out this subchapter. In furtherance of such cooperative efforts, the Commission may enter into agreements with such State or local agencies and such agreements may include provisions under which the Commission shall refrain from processing a charge in any cases or class of cases specified in such agreements or under which the Commission shall relieve any person or class of persons in such State or locality from requirements imposed under this section. The Commission shall rescind any such agreement whenever it determines that the agreement no longer serves the interest of effective enforcement of this subchapter.

(c) Execution, retention, and preservation of records; reports to Commission; training program records; appropriate relief from regulation or order for undue hardship; procedure for exemption; judicial action to compel compliance

Every employer, employment agency, and labor organization subject to this subchapter shall (1) make and keep such records relevant to the determinations of whether unlawful employment practices have been or are being committed, (2) preserve such records for such periods, and (3) make such reports therefrom as the Commission shall prescribe by regulation or order, after public hearing, as reasonable, necessary, or appropriate for the enforcement of this subchapter or the regulations or orders thereunder. The Commission shall, by regulation, require each employer, labor organization, and joint labor-management committee subject to this subchapter which controls an apprenticeship or other training program to maintain such records as are reasonably necessary to carry out the purposes of this subchapter, including, but not limited to, a list of applicants who wish to participate in such program, including the chronological order in which applications were received, and to furnish to the Commission upon request, a detailed description of the manner in which persons are selected to participate in the apprenticeship or other training program. Any employer, employment agency, labor organization, or joint labor-management committee which believes that the application to it of any regulation or order issued under this section would result in undue hardship may apply to the Commission for an exemption from the application of such regulation or order, and, if such application for an exemption is denied, bring a civil action in the United States district court for the district where such records are kept. If the Commission or the court, as the case may be, finds that the application of the regulation or order to the employer, employment agency, or labor organization in question would impose an undue hardship, the Commission or the court, as the case may be, may grant appropriate relief. If any person required to comply with the provisions of this subsection fails or refuses to do so, the United States district court for the district in which such person is found, resides, or transacts business, shall, upon application of
the Commission, or the Attorney General in a case involving a government, governmental agency or political subdivision, have jurisdiction to issue to such person an order requiring him to comply.

(d) Consultation and coordination between Commission and interested State and Federal agencies in prescribing recordkeeping and reporting requirements; availability of information furnished pursuant to recordkeeping and reporting requirements; conditions on availability

In prescribing requirements pursuant to subsection (c) of this section, the Commission shall consult with other interested State and Federal agencies and shall endeavor to coordinate its requirements with those adopted by such agencies. The Commission shall furnish upon request and without cost to any State or local agency charged with the administration of a fair employment practice law information obtained pursuant to subsection (c) of this section from any employer, employment agency, labor organization, or joint labor-management committee subject to the jurisdiction of such agency. Such information shall be furnished on condition that it not be made public by the recipient agency prior to the institution of a proceeding under State or local law involving such information. If this condition is violated by a recipient agency, the Commission may decline to honor subsequent requests pursuant to this subsection.

(e) Prohibited disclosures; penalties

It shall be unlawful for any officer or employee of the Commission to make public in any manner whatever any information obtained by the Commission pursuant to its authority under this subchapter and information pertaining to any proceeding under this subchapter involving such information. Any officer or employee of the Commission who shall make public in any manner whatever any information in violation of this subsection shall be guilty of a misdemeanor and upon conviction thereof, shall be fined not more than $1,000, or imprisoned not more than one year.

Subsec. (d). Pub. L. 92–261 substituted provisions requiring consultation and coordination between Federal and State agencies in prescribing recordkeeping and reporting requirements pursuant to subsection (c) of this section, and authorizing the Commission to furnish information obtained pursuant to subsection (c) of this section to interested State and local agencies, for provisions exempting from recordkeeping and reporting requirements employers, etc., required to keep records and make reports under State or local fair employment practice laws, except for the maintenance of notations by such employers, etc., which reflect the differences in coverage or enforcement between State or local laws and the provisions of this subchapter, and dispensing with recordkeeping and reporting requirements where the employer reports under some Executive Order prescribing fair employment practices for Government contractors or subcontractors.

§ 2000e–9. Conduct of hearings and investigations pursuant to section 161 of title 29

For the purpose of all hearings and investigations conducted by the Commission or its duly authorized agents or agencies, section 161 of title 29 shall apply.

Subsec. (d). Pub. L. 92–261 substituted provisions making applicable section 161 of title 29 to all hearings and investigations conducted by the Commission or its authorized agents or agencies, for provisions enumerating the investigatory powers of the Commission and the procedure for their enforcement.

§ 2000e–10. Posting of notices; penalties

(a) Every employer, employment agency, and labor organization, as the case may be, shall post and keep posted in conspicuous places upon its premises where notices to employees, applicants for employment, and members are customarily posted a notice to be prepared or approved by the Commission setting forth excerpts, from or, summaries of, the pertinent provisions of this subchapter and information pertinent to the filing of a complaint.

(b) A willful violation of this section shall be punishable by a fine of not more than $100 for each separate offense.

Subsec. (d). Pub. L. 92–261 substituted provisions making applicable section 161 of title 29 to all hearings and investigations conducted by the Commission or its authorized agents or agencies, for provisions enumerating the investigatory powers of the Commission and the procedure for their enforcement.

§ 2000e–11. Veterans' special rights or preference

Nothing contained in this subchapter shall be construed to repeal or modify any Federal, State, territorial, or local law creating special rights or preference for veterans.

Subsec. (d). Pub. L. 92–261 substituted provisions making applicable section 161 of title 29 to all hearings and investigations conducted by the Commission or its authorized agents or agencies, for provisions enumerating the investigatory powers of the Commission and the procedure for their enforcement.

§ 2000e–12. Regulations; conformity of regulations with administrative procedure provisions; reliance on interpretations and instructions of Commission

(a) The Commission shall have authority from time to time to issue, amend, or rescind suitable procedural regulations to carry out the provi-
vions of this subchapter. Regulations issued under this section shall be in conformity with the standards and limitations of subchapter II of chapter 5 of title 5.

(b) In any action or proceeding based on any alleged unlawful employment practice, no person shall be subject to any liability or punishment for or on account of (1) the commission by such person of an unlawful employment practice if he pleads and proves that the act or omission complained of was in good faith, in conformity with, and in reliance on any written interpretation or opinion of the Commission, or (2) the failure of such person to publish and file any information required by any provision of this subchapter if he pleads and proves that he failed to publish and file such information in good faith, in conformity with the instructions of the Commission issued under this subchapter regarding the filing of such information. Such a defense, if established, shall be a bar to the action or proceeding, notwithstanding that (A) after such act or omission, such interpretation or opinion is modified or rescinded or is determined by judicial authority not to be in conformity with the requirements of this subchapter, or (B) after publishing or filing the description and annual reports, such publication or filing is determined by judicial authority not to be in conformity with the requirements of this subchapter.

CODIFICATION

In subsec. (a), “subchapter II of chapter 5 of title 5” substituted for “the Administrative Procedure Act” on authority of Pub. L. 89–554, §7(b), Sept. 6, 1966, 80 Stat. 631, the first section of which enacted Title 5, Government Organization and Employees.

EQUAL EMPLOYMENT OPPORTUNITY COMMISSION GUIDELINES ON RELIGIOUS HARASSMENT

Pub. L. 112–55, div. B, title V, § 506, Nov. 26, 2011, 125 Stat. 408, provided that: “During the current fiscal year and in each fiscal year thereafter, none of the funds made available in this or any other Act may be used to implement, administer, or enforce any guidelines of the Equal Employment Opportunity Commission covering harassment based on religion, when it is made known to the Federal entity or official to which such funds are made available that such funds are made available that such guidelines do not differ in any respect from the proposed guidelines published by the Commission on October 1, 1993 (58 Fed. Reg. 51,266).”

Similar provisions were contained in the following prior appropriation acts:

“(a) FINDINGS.—The Congress finds that—

“(1) the liberties protected by our Constitution include religious liberty protected by the first amendment;

“(2) citizens of the United States profess the beliefs of almost every conceivable religion;

“(3) Congress has historically protected religious expression even from governmental action not intended to be hostile to religion;

“(4) the Supreme Court has written that ‘the free exercise of religion means, first and foremost, the right to believe and profess whatever religious doctrine one desires’;

“(5) the Supreme Court has firmly settled that under our Constitution the public expression of ideas may not be prohibited merely because the content of the ideas is offensive to some;

“(6) Congress enacted the Religious Freedom Restoration Act of 1993 [42 U.S.C. 2000bb et seq.] to restate and make clear again our intent and position that religious liberty is and should forever be granted protection from unwarranted and unjustified government intrusions and burdens;

“(7) the Equal Employment Opportunity Commission has written proposed guidelines to title VII of the Civil Rights Act of 1964 [42 U.S.C. 2000e et seq.], published in the Federal Register on October 1, 1993, that expand the definition of religious harassment beyond established legal standards set forth by the Supreme Court, and that may result in the infringement of religious liberty;

“(8) such guidelines do not appropriately resolve issues related to religious liberty and religious expression in the workplace;

“(9) properly drawn guidelines for the determination of religious harassment should provide appropriate guidance to employers and employees and assist in the continued preservation of religious liberty as guaranteed by the first amendment;

“(10) the Commission states in its proposed guidelines that it retains wholly separate guidelines for the determination of sexual harassment because the Commission believes that sexual harassment raises issues about human interaction that are to some extent unique; and

“(11) the subject of religious harassment also raises issues about human interaction that are to some extent unique in comparison to other harassment.

“(1) the category of religion shall be withdrawn from the proposed guidelines at this time;

“(2) any new guidelines for the determination of religious harassment shall be drafted so as to make explicitly clear that symbols or expressions of religious belief consistent with the first amendment and the Religious Freedom Restoration Act of 1993 [42 U.S.C. 2000bb et seq.] are not to be restricted and do not constitute proof of harassment;

“(3) the Commission shall hold public hearings on such new proposed guidelines; and

“(4) the Commission shall receive additional public comment before issuing similar new regulations.”

§ 2000e–13. Application to personnel of Commission of sections 111 and 1114 of title 18; punishment for violation of section 1114 of title 18

The provisions of sections 111 and 1114, title 18, shall apply to officers, agents, and employees of the Commission in the performance of their official duties. Notwithstanding the provisions of sections 111 and 1114 of title 18, whoever in violation of the provisions of section 1114 of such title kills a person while engaged in or on account of the performance of his official functions under this Act shall be punished by imprisonment for any term of years or for life.

REFERENCES IN TEXT

This Act, referred to in text, means Pub. L. 88–352, July 2, 1964, 78 Stat. 241, as amended, known as the
Civil Rights Act of 1964, which is classified principally to subchapters II to IX of this chapter (§2003a et seq.). For complete classification of this Act to the Code, see Short Title note set out under section 2000a of this title and Tables.

AMENDMENTS

1972—Pub. L. 92–361 inserted provisions which made section 1114 of title 18 applicable to officers, etc., of the Commission and set forth punishment for violation of such section 1114.

§ 2000e–14. Equal Employment Opportunity Coordinating Council; establishment; composition; duties; report to President and Congress

The Equal Employment Opportunity Commission shall have the responsibility for developing and implementing agreements, policies and practices designed to maximize effort, promote efficiency, and eliminate conflict, competition, duplication and inconsistency among the operations, functions and jurisdictions of the various departments, agencies and branches of the Federal Government responsible for the implementation and enforcement of equal employment opportunity legislation, orders, and policies. On or before October 1 of each year, the Equal Employment Opportunity Commission shall transmit to the President and to the Congress a report of its activities, together with such recommendations for legislative or administrative changes as it concludes are desirable to further promote the purposes of this section. (Pub. L. 88–352, title VII, §715, July 2, 1964. 78 Stat. 265; Pub. L. 92–261, §10, Mar. 24, 1972. 86 Stat. 111; Pub. L. 94–273, §3(24), Apr. 21, 1976. 90 Stat. 377; 1978 Reorg. Plan No. 1, §6, eff. CODIFICATION

The first sentence of this section, which read ‘’There shall be established an Equal Employment Opportunity Coordinating Council (hereinafter referred to in this section as the Council) composed of the Secretary of Labor, the Chairwoman of the Equal Employment Opportunity Commission, the Attorney General, the Chairman of the United States Civil Service Commission, and the Chairman of the United States Civil Rights Commission, or their respective delegates’ was omitted pursuant to Reorg. Plan No. 1 of 1978. §6, 43 F.R. 19807. 92 Stat. 3781, set out as a note under section 2000e–4 of this title, which abolished Equal Employment Opportunity Coordinating Council and transferred its functions to Equal Employment Opportunity Commission, effective July 1, 1978, as provided by section 1–101 of Ex. Ord. No. 12067, June 30, 1978. 43 F.R. 28967, set out as a note under section 2000e of this title. See Transfer of Functions note below.

AMENDMENTS

1972—Pub. L. 92–261 substituted provisions which established the Equal Employment Opportunity Coordinating Council and set forth the composition, powers, and duties of the Council for provisions which directed the Secretary of Labor to make a report to the Congress not later than June 30, 1965 concerning discrimination in employment because of age.

TERMINATION OF REPORTING REQUIREMENTS

For termination, effective May 15, 2000, of provisions in this section relating to transmittal of a report and recommendations to Congress, see section 3003 of Pub. L. 104–66, as amended, set out as a note under section 1113 of Title 31, Money and Finance, and item 19 on page 165 of House Document No. 103–7.

TRANSFER OF FUNCTIONS

SUBMISSION OF SPECIFIC LEGISLATIVE RECOMMENDATIONS TO CONGRESS BY JANUARY 1, 1967, TO IMPLEMENT REPORT ON AGE DISCRIMINATION

Pub. L. 89–601, title VI, §606, Sept. 23, 1966. 80 Stat. 446, directed the Secretary of Labor to submit to the Congress not later than Jan. 1, 1967 his specific legislative recommendations for implementing the conclusions and recommendations contained in his report on age discrimination in employment made pursuant to provisions of this section prior to its amendment in 1972.

§ 2000e–15. Presidential conferences; acquaintance of leadership with provisions for employment rights and obligations; plans for fair administration; membership

The President shall, as soon as feasible after July 2, 1964, convene one or more conferences for the purpose of enabling the leaders of groups whose members will be affected by this subchapter to become familiar with the rights afforded and obligations imposed by its provisions, and for the purpose of making plans which will result in the fair and effective administration of this subchapter when all of its provisions become effective. The President shall invite the participation in such conference or conferences of (1) the members of the President’s Committee on Equal Employment Opportunity, (2) the members of the Commission on Civil Rights, (3) representatives of State and local agencies engaged in furthering equal employment opportunity, (4) representatives of private agencies engaged in furthering equal employment opportunity, and (5) representatives of employers, labor organizations, and employment agencies who will be subject to this subchapter.

EXECUTIVE ORDER NO. 11197

§ 2000e–16. Discriminatory practices prohibited; employers or applicants for employment subject to overtime

All personnel actions affecting employees or applicants for employment (except with regard to aliens employed outside the limits of the United States) in military departments as defined in section 102 of title 5, in executive agencies as defined in section 105 of title 5 (including
employees and applicants for employment who are paid from nonappropriated funds), in the United States Postal Service and the Postal Regulatory Commission, in those units of the Government of the District of Columbia having positions in the competitive service, and in those units of the judicial branch of the Federal Government having positions in the competitive service, in the Smithsonian Institution, and in the Government Publishing Office, the Government Accountability Office, and the Library of Congress shall be made free from any discrimination based on race, color, religion, sex, or national origin.

(b) Equal Employment Opportunity Commission; enforcement powers; issuance of rules, regulations, etc.; annual review and approval of national and regional equal employment opportunity plans; review and evaluation of equal employment opportunity programs and publication of progress reports; consultations with interested parties; compliance with rules, regulations, etc.; contents of national and regional equal employment opportunity plans; authority of Librarian of Congress

Except as otherwise provided in this subsection, the Equal Employment Opportunity Commission shall have authority to enforce the provisions of subsection (a) through appropriate remedies, including reinstatement or hiring of employees with or without back pay, as will effectuate the policies of this section, and shall issue such rules, regulations, orders and instructions as it deems necessary and appropriate to carry out its responsibilities under this section. The Equal Employment Opportunity Commission shall—

(1) be responsible for the annual review and approval of a national and regional equal employment opportunity plan which each department and agency and each appropriate unit referred to in subsection (a) of this section shall submit in order to maintain an affirmative program of equal employment opportunity for all such employees and applicants for employment;

(2) be responsible for the review and evaluation of the operation of all agency equal employment opportunity programs, periodically obtaining and publishing (on at least a semiannual basis) progress reports from each such department, agency, or unit; and

(3) consult with and solicit the recommendations of interested individuals, groups, and organizations relating to equal employment opportunity.

The head of each such department, agency, or unit shall comply with such rules, regulations, orders, and instructions which shall include a provision that an employee or applicant for employment shall be notified of any final action taken on any complaint of discrimination filed by him thereunder. The plan submitted by each department, agency, and unit shall include, but not be limited to—

(1) provision for the establishment of training and education programs designed to provide a maximum opportunity for employees to advance so as to perform at their highest potential; and

(2) a description of the qualifications in terms of training and experience relating to equal employment opportunity for the principal and operating officials of each such department, agency, or unit responsible for carrying out the equal employment opportunity program and of the allocation of personnel and resources proposed by such department, agency, or unit to carry out its equal employment opportunity program.

With respect to employment in the Library of Congress, authorities granted in this subsection to the Equal Employment Opportunity Commission shall be exercised by the Librarian of Congress.

(c) Civil action by employee or applicant for employment for redress of grievances; time for bringing of action; head of department, agency, or unit as defendant

Within 90 days of receipt of notice of final action taken by a department, agency, or unit referred to in subsection (a), or by the Equal Employment Opportunity Commission upon an appeal from a decision or order of such department, agency, or unit on a complaint of discrimination based on race, color, religion, sex or national origin, brought pursuant to subsection (a) of this section, Executive Order 11478 or any succeeding Executive orders, or after one hundred and eighty days from the filing of the initial charge with the department, agency, or unit or with the Equal Employment Opportunity Commission on appeal from a decision or order of such department, agency, or unit until such time as final action may be taken by a department, agency, or unit, an employee or applicant for employment, if aggrieved by the final disposition of his complaint, or by the failure to take final action on his complaint, may file a civil action as provided in section 2000e–5 of this title, in which civil action the head of the department, agency, or unit, as appropriate, shall be the defendant.

(d) Section 2000e–5(f) through (k) of this title applicable to civil actions

The provisions of section 2000e–5(f) through (k) of this title, as applicable, shall govern civil actions brought hereunder, and the same interest to compensate for delay in payment shall be available as in cases involving nonpublic parties.\(^1\)

(e) Government agency or official not relieved of responsibility to assure nondiscrimination in employment or equal employment opportunity

Nothing contained in this Act shall relieve any Government agency or official of its or his primary responsibility to assure nondiscrimination in employment as required by the Constitution and statutes or of its or his responsibilities under Executive Order 11478 relating to equal employment opportunity in the Federal Government.

\(^1\) So in original.
(f) Section 2000e–5(e)(3) of this title applicable to compensation discrimination

Section 2000e–5(e)(3) of this title shall apply to complaints of discrimination in compensation under this section.

TRANSFER OF FUNCTIONS

“Equal Employment Opportunity Commission” substituted for “Civil Service Commission” in subsecs. (b) and (c) pursuant to Reorg. Plan No. 1 of 1978, §3, 43 F.R. 18807, 92 Stat. 3781, set out as a note under section 2000e–4 of this title, which transferred all equal opportunity in Federal employment enforcement and related functions vested in Civil Service Commission by subsecs. (b) and (c) of this section to Equal Employment Opportunity Commission, with certain authority delegable to Director of Office of Personnel Management, effective Jan. 1, 1979, as provided by section 113–101 of Ex. Ord. No. 12106, Dec. 28, 1978, 44 F.R. 1053, set out as a note under section 2000e–4 of this title.

EX. ORD. NO. 13145. TO PROHIBIT DISCRIMINATION IN FEDERAL EMPLOYMENT BASED ON GENETIC INFORMATION

Ex. Ord. No. 13145, Feb. 8, 2000, 65 F.R. 6877, provided:

By the authority vested in me as President of the United States by the Constitution and the laws of the United States of America, it is ordered as follows:

SECTION 1. Nondiscrimination in Federal Employment on the Basis of Protected Genetic Information.

1–101. It is the policy of the Government of the United States to provide equal employment opportunity in Federal employment for all qualified persons and to prohibit discrimination against employees based on protected genetic information, or information about a request for or the receipt of genetic services. This policy of equal opportunity applies to every aspect of Federal employment.

1–102. The head of each Executive department and agency shall extend the policy set forth in section 1101 to all its employees covered by section 717 of Title VII of the Civil Rights Act of 1964, as amended (42 U.S.C. 2000e–16).

1–103. Executive departments and agencies shall carry out the provisions of this order to the extent permitted by law and consistent with their statutory and regulatory authorities, and their enforcement mechanisms.

The Equal Employment Opportunity Commission shall be responsible for coordinating the policy of the Government of the United States to prohibit discrimination against employees in Federal employment based on protected genetic information, or information about a request for or the receipt of genetic services.

sec. 2. Requirements Applicable to Employing Departments and Agencies.

1–201. Definitions.

(a) The term “employee” shall include an employee, applicant for employment, or former employee covered by section 717 of the Civil Rights Act of 1964, as amended (42 U.S.C. 2000e–16).

(b) Genetic monitoring means the periodic examination of employees to evaluate acquired modifications to their genetic material, such as chromosomal damage or evidence of increased occurrence of mutations, that may have developed in the course of
employment due to exposure to toxic substances in the workplace, in order to identify, evaluate, respond to the effects of, or control adverse environmental exposures in the workplace.

(c) Genetic services means health services, including genetic tests, provided to obtain, assess, or interpret genetic information for diagnostic or therapeutic purposes, or for genetic education or counseling.

(d) Genetic test means the analysis of human DNA, RNA, chromosomes, proteins, or certain metabolites in order to detect disease-related genotypes or mutations. Tests for metabolites fall within the definition of "genetic tests" when an excess or deficiency of the metabolites indicates the presence of a mutation or mutations. The conducting of metabolic tests by a department or agency that are not intended to reveal the presence of a mutation shall not be considered a violation of this order, regardless of the results of the tests. Test results revealing a mutation shall, however, be subject to the provisions of this order.

(e) Protected genetic information means:

(A) Information about an individual's genetic tests;

(B) Information about the genetic tests of an individual's family members; or

(C) Information about the occurrence of a disease, or medical condition or disorder in family members of the individual.

Information about an individual's current health status (including information about sex, age, physical exams, and chemical, blood, or urine analyses) is not protected genetic information unless it is described in subparagraph (1)–(4). In discharging their responsibilities under this order, departments and agencies shall implement the following nondiscrimination requirements.

(a) The employing department or agency shall not discharge, fail or refuse to hire, or otherwise discriminate against any employee with respect to the compensation, terms, conditions, or privileges of employment of that employee, because of protected genetic information with respect to the employee, or because of information about a request for or the receipt of genetic services by such employee.

(b) The employing department or agency shall not limit, segregate, or classify employees in any way that would deprive or tend to deprive any employee of employment opportunities or otherwise adversely affect that employee's status, because of protected genetic information with respect to the employee, or because of information about a request for or the receipt of genetic services by such employee.

(c) The employing department or agency shall not request, require, collect, or purchase protected genetic information with respect to an employee, or information about a request for or the receipt of genetic services by such employee.

(d) The employing department or agency shall not disclose protected genetic information with respect to an employee, or information about a request for or the receipt of genetic services by an employee except:

(1) to the employee who is the subject of the information, at his or her request;

(2) to an occupational or other health researcher, if the research conducted complies with the regulations and protections provided for under part 46 of title 45, of the Code of Federal Regulations;

(3) if required by a Federal statute, congressional subpoena, or an order issued by a court of competent jurisdiction, except that if the subpoena or court order was secured without the knowledge of the individual to whom the information refers, the employer shall provide the individual with adequate notice to challenge the subpoena or court order, unless the subpoena or court order also imposes confidentiality requirements; or

(4) to executive branch officials investigating compliance with this order, if the information is relevant to the investigation.

(e) The employing department or agency shall not maintain protected genetic information or information about a request for or the receipt of genetic services in any personnel files in a form or format that makes the information readily accessible by unauthorized persons.

(f) The employer shall protect the identity of the employee, and any genetic information of the employee, by maintaining information separate from personnel files.

(g) The using department or agency shall not maintain protected genetic information or information about a request for or the receipt of genetic services in general personnel files in a form or format that makes the information readily accessible by unauthorized persons.

(h) The employer shall protect the identity of the employee, and any genetic information of the employee, by maintaining information separate from personnel files.

(i) The employing department or agency shall not disclose protected genetic information with respect to an employee, or any information about a request for or receipt of genetic services by such employee.

(j) The employing department or agency shall not disclose protected genetic information with respect to an employee, or any information about a request for or receipt of genetic services by such employee.

(k) The employing department or agency shall not maintain protected genetic information or information about a request for or the receipt of genetic services in any personnel files in a form or format that makes the information readily accessible by unauthorized persons.

(l) The employer shall protect the identity of the employee, and any genetic information of the employee, by maintaining information separate from personnel files.

(m) The employing department or agency shall not maintain protected genetic information or information about a request for or the receipt of genetic services in any personnel files in a form or format that makes the information readily accessible by unauthorized persons.

(n) The employer shall protect the identity of the employee, and any genetic information of the employee, by maintaining information separate from personnel files.

(o) The employing department or agency shall not maintain protected genetic information or information about a request for or the receipt of genetic services in any personnel files in a form or format that makes the information readily accessible by unauthorized persons.

(p) The employer shall protect the identity of the employee, and any genetic information of the employee, by maintaining information separate from personnel files.

(q) The employing department or agency shall not maintain protected genetic information or information about a request for or the receipt of genetic services in any personnel files in a form or format that makes the information readily accessible by unauthorized persons.

(r) The employer shall protect the identity of the employee, and any genetic information of the employee, by maintaining information separate from personnel files.

(s) The employing department or agency shall not maintain protected genetic information or information about a request for or the receipt of genetic services in any personnel files in a form or format that makes the information readily accessible by unauthorized persons.

(t) The employer shall protect the identity of the employee, and any genetic information of the employee, by maintaining information separate from personnel files.

(u) The employing department or agency shall not maintain protected genetic information or information about a request for or the receipt of genetic services in any personnel files in a form or format that makes the information readily accessible by unauthorized persons.

(v) The employer shall protect the identity of the employee, and any genetic information of the employee, by maintaining information separate from personnel files.

(w) The employing department or agency shall not maintain protected genetic information or information about a request for or the receipt of genetic services in any personnel files in a form or format that makes the information readily accessible by unauthorized persons.

(x) The employer shall protect the identity of the employee, and any genetic information of the employee, by maintaining information separate from personnel files.

(y) The employing department or agency shall not maintain protected genetic information or information about a request for or the receipt of genetic services in any personnel files in a form or format that makes the information readily accessible by unauthorized persons.

(z) The employer shall protect the identity of the employee, and any genetic information of the employee, by maintaining information separate from personnel files.
toring only in aggregate terms that do not disclose the identity of specific employees.

(e) This order does not limit the statutory authority of a Federal department or agency to:
(1) promulgate or enforce workplace safety and health laws and regulations;
(2) conduct or sponsor occupational or other health research that is conducted in compliance with regulations at part 46 of title 45, of the Code of Federal Regulations; or
(3) collect protected genetic information as a part of a lawful program, the primary purpose of which is to carry out identification purposes.

S t i c k . 4. Miscellaneous.

1–801. The head of each department and agency shall take appropriate action to disseminate this policy and, to this end, shall designate a high level official responsible for carrying out its responsibilities under this order.

1–802. Nothing in this order shall be construed to:
(a) limit the rights or protections of an individual under the Rehabilitation Act of 1973 (29 U.S.C. 701, et seq.), the Privacy Act of 1974 (5 U.S.C. 552a), or other applicable law; or
(b) require specific benefits for an employee or dependent under the Federal Employees Health Benefits Program or similar program.

1–803. This order clarifies and makes uniform Administration policy and does not create any right or benefit, substantive or procedural, enforceable at law by a party against the United States, its officers or employees, or any other person.

WILLIAM J. CLINTON.

§ 2000e–16a. Short title; purpose; definition

(a) Short title

Sections 2000e–16a to 2000e–16c of this title may be cited as the “Government Employee Rights Act of 1991”.

(b) Purpose

The purpose of sections 2000e–16a to 2000e–16c of this title is to provide procedures to protect the rights of certain government employees, with respect to their public employment, to be free of discrimination on the basis of race, color, religion, sex, national origin, age, or disability.

(c) “Violation” defined

For purposes of sections 2000e–16a to 2000e–16c of this title, the term “violation” means a practice that violates section 2000e–16b(a) of this title.

REFERENCES IN TEXT

Sections 2000e–16a to 2000e–16c of this title, referred to in text, was in the original “this title”, meaning title III of Pub. L. 102–166, which is classified generally to sections 2000e–16a to 2000e–16c of this title. For complete classification of title III to the Code, see Tables.

CODIFICATION

Section was formerly classified to section 1201 of Title 2, The Congress.

AMENDMENTS

1994—Subsec. (c)(1)(B) to (D). Pub. L. 103–283, which directed the amendment of subsec. (c) by striking out subpar. (B), redesignating subpars. (C) and (D) as (B) and (C), respectively, and striking out “or (B)” after “described in subparagraph (A)” in subpars. (B) and (C), was executed by making the amendment to subsec. (c)(1) to reflect the probable intent of Congress. Prior to amendment, subpar. (B) read as follows: “any employee of the Architect of the Capitol who is assigned to the Senate Restaurants or to the Superintendent of the Senate Office Buildings.”

EFFECTIVE DATE

Section effective Nov. 21, 1991, except as otherwise provided, see section 402 of Pub. L. 102–166, set out as an Effective Date of 1991 Amendment note under section 1981 of this title.

§ 2000e–16b. Discriminatory practices prohibited

(a) Practices

All personnel actions affecting the Presidential appointees described in section 1219 of title 2 or the State employees described in section 2000e–16c of this title shall be made free from any discrimination based on—
(1) race, color, religion, sex, or national origin, within the meaning of section 2000e–16 of this title;
(2) age, within the meaning of section 633a of title 29; or
(3) disability, within the meaning of section 633a of title 29.

(b) Remedies

The remedies referred to in sections 1219(a)(1) of title 2 and 2000e–16c(a) of this title—
(1) may include, in the case of a determination that a violation of subsection (a)(1) or (a)(3) has occurred, such remedies as would be appropriate if awarded under sections 2000e–5(g), 2000e–5(k), and 2000e–16(d) of this title, and such compensatory damages as would be appropriate if awarded under sections 1981 or sections 1981(a)(a) and 1981(a)(2) of this title;
(2) may include, in the case of a determination that a violation of subsection (a)(2) has occurred, such remedies as would be appropriate if awarded under section 633a(c) of title 29; and
(3) may not include punitive damages.

§ 2000e–16c. Coverage of previously exempt State employees

(a) Application

The rights, protections, and remedies provided pursuant to section 2000e–16b of this title shall apply with respect to employment of any individual chosen or appointed, by a person elected to public office in any State or political subdivision of any State by the qualified voters thereof—

(1) to be a member of the elected official’s personal staff;

(2) to serve the elected official on the policy-making level; or

(3) to serve the elected official as an immediate advisor with respect to the exercise of the constitutional or legal powers of the office.

(b) Enforcement by administrative action

(1) In general

Any individual referred to in subsection (a) may file a complaint alleging a violation, not later than 180 days after the occurrence of the alleged violation, with the Equal Employment Opportunity Commission, which, in accordance with the principles and procedures set forth in sections 554 through 557 of title 5, shall determine whether a violation has occurred and shall set forth its determination in a final order. If the Equal Employment Opportunity Commission determines that a violation has occurred, the final order shall also provide for appropriate relief.

(2) Referral to State and local authorities

(A) Application

Section 2000e–5(d) of this title shall apply with respect to any proceeding under this section.

(B) Definition

For purposes of the application described in subparagraph (A), the term “any charge filed by a member of the Commission alleging an unlawful employment practice means a complaint filed under this section.

(c) Judicial review

Any party aggrieved by a final order under section 791 of title 29 may obtain a review of such order under chapter 158 of title 28. For the purpose of this review, the Equal Employment Opportunity Commission shall be an “agency” as that term is used in chapter 158 of title 28.

(d) Standard of review

To the extent necessary to decision and when presented, the reviewing court shall decide all relevant questions of law and interpret constitutional and statutory provisions. The court shall set aside a final order under subsection (b) if it is determined that the order was—

(1) arbitrary, capricious, an abuse of discretion, or otherwise not consistent with law;

(2) not made consistent with required procedures; or

(3) unsupported by substantial evidence.

In making the foregoing determinations, the court shall review the whole record or those parts of it cited by a party, and due account shall be taken of the rule of prejudicial error.

(e) Attorney’s fees

If the individual referred to in subsection (a) is the prevailing party in a proceeding under this subsection, attorney’s fees may be allowed by the court in accordance with the standards prescribed under section 2000e–5(k) of this title.

SUBCHAPTER VII—REGISTRATION AND VOTING STATISTICS

§ 2000f. Survey for compilation of registration and voting statistics; geographical areas; scope; application of census provisions; voluntary disclosure; advising of right not to furnish information

The Secretary of Commerce shall promptly conduct a survey to compile registration and voting statistics in such geographic areas as may be recommended by the Commission on Civil Rights. Such a survey and compilation shall, to the extent recommended by the Commission on Civil Rights, only include a count of persons of voting age by race, color, and national origin, and determination of the extent to which such persons are registered to vote, and have voted in any statewide primary or general election in which the Members of the United States House of Representatives are nominated or elected, since January 1, 1960. Such information shall also be collected and compiled in connection with the Nineteenth Decennial Census, and at such other times as the Congress may prescribe. The provisions of section 9 and chapter 7 of title 13 shall apply to any survey, collection, or compilation of registration and voting statistics carried out under this subchapter: Provided, however, That no person shall be compelled to disclose his race, color, national origin, or questioned about his political party affiliation, how he voted, or the reasons therefore, nor shall any penalty be imposed for his failure or refusal to make such disclosure. Every person interrogated orally, by written survey or questionnaire or by any other means with respect to such information shall be fully advised with respect to his right to fail or refuse to furnish such information.

SUBCHAPTER VIII—COMMUNITY RELATIONS SERVICE

§ 2000g. Establishment of Service; Director of Service: appointment, term; personnel

There is hereby established in and as a part of the Department of Commerce a Community Relations Service (hereinafter referred to as the “Service”), which shall be headed by a Director who shall be appointed by the President with the advice and consent of the Senate for a term of four years. The Director is authorized to appoint, subject to the civil service laws and regulations, such other personnel as may be necessary to enable the Service to carry out its functions and duties, and to fix their compensation in accordance with chapter 51 and subchapter III of chapter 53 of title 5.

CODIFICATION

References to “chapter 51 and subchapter III of chapter 53 of title 5” and “section 3109 of title 5” substituted in text for “the Classification Act of 1949, as amended” and “section 15 of the Act of August 2, 1946 (60 Stat. 810; 5 U.S.C. 55a)”, respectively, on authority of Pub. L. 89–554, §7(b), Sept. 6, 1966, 80 Stat. 631, the first section of which enacted Title 5, Government Organization and Employees.

AMENDMENTS

1978—Pub. L. 95–624 struck out provision authorizing the Director to procure the services of experts and consultants at rates for individuals not in excess of $75 per diem.

REORGANIZATION PLAN NO. 1 OF 1966

Prepared by the President and transmitted to the Senate and the House of Representatives in Congress assembled, February 10, 1966, pursuant to the provisions of the Reorganization Act of 1949, 63 Stat. 203, as amended [see 5 U.S.C. 901 et seq.];

COMMUNITY RELATIONS SERVICE

SECTION 1. TRANSFER OF SERVICE

Subject to the provisions of this reorganization plan, the Community Relations Service now existing in the Department of Commerce under the Civil Rights Act of 1964 (Pub. L. No. 88–352, July 2, 1964) [see Short Title note under 42 U.S.C. 2000a], including the office of Director thereof, is hereby transferred to the Department of Justice.

SECTION 2. TRANSFER OF FUNCTIONS

All functions of the Community Relations Service, and all functions of the Director of the Community Relations Service, together with all functions of the Secretary of Commerce and the Department of Commerce with respect thereto, are hereby transferred to the Attorney General.

SECTION 3. INCIDENTAL TRANSFERS

(a) Section 1 hereof shall be deemed to transfer to the Department of Justice the personnel, property, and records of the Community Relations Service and the uncompensated balances of appropriations, allocations, and other funds available or to be made available to the Service.

(b) Such further measures and dispositions as the Director of the Bureau of the Budget shall deem to be necessary in order to effectuate the transfers referred to in subsection (a) of this section shall be carried out in such manner as he shall direct and by such agencies as he shall designate.

MESSAGE OF THE PRESIDENT

To the Congress of the United States:

I transmit herewith Reorganization Plan No. 1 of 1966, prepared in accordance with the Reorganization Act of 1949, as amended, and providing for reorganization of community relations functions in the area of civil rights.

After a careful review of the activities of the Federal agencies involved in the field of civil rights, it became clear that the elimination of duplication and undesirable overlap required the consolidation of certain functions.

As a first step, I issued Executive Orders 11246 and 11247 on September 24, 1965.

Executive Order 11246 simplified and clarified executive branch assignments of responsibility for enforcing civil rights policies and placed responsibility for the Government-wide coordination of the enforcement activities of executive agencies in the Secretary of Labor with respect to employment by Federal contractors and in the Civil Service Commission with respect to employment by Federal agencies.
Executive Order 11247 directed the Attorney General to assist Federal agencies in coordinating their enforcement activities with respect to title VI of the Civil Rights Act of 1964, which prohibits discrimination in federally assisted programs. As a further step for strengthening the operation and coordination of our civil rights programs, I now recommend the transfer of the functions of the Community Relations Service, established in the Department of Commerce under title X of the Civil Rights Act of 1964, to the Attorney General and transfer of the Service, including the Office of Director, to the Department of Justice. The Community Relations Service was located in the Department of Commerce by the Congress on the assumption that a primary need would be the conciliation of disputes arising out of the public accommodations title of the act. That decision was appropriate on the basis of information available at that time. The need for conciliation in this area has not been as great as anticipated because of the voluntary progress that has been made by businessmen and business organizations.

To be effective, assistance to communities in the identification and conciliation of disputes should be closely and tightly coordinated. Thus, in any particular situation that arises within a community, representatives of Federal agencies whose programs are involved should coordinate their efforts through a single agency. In recent years, the Civil Rights Division of the Justice Department has played such a coordinating role in many situations, and has done so with great effectiveness.

Place the Community Relations Service within the Justice Department will enhance the ability of the Justice Department to mediate and conciliate and will assure that the Federal Government speaks with a unified voice in those tense situations where the good offices of the Federal Government are called upon to assist.

In this, as in other areas of Federal operations, we will move more surely and rapidly toward our objectives if we improve Federal organization and the arrangements for interagency coordination. The accompanying reorganization plan has that purpose.

The present distribution of Federal civil rights responsibilities clearly indicates that the activities of the Community Relations Service will fit most appropriately in the Department of Justice.

The Department of Justice has primary program responsibilities in civil rights matters and deep and broad experience in the conciliation of civil rights disputes. Congress has assigned it a major role in the implementation of civil rights Acts of 1957, 1960, and 1964, and the Voting Rights Act of 1965. The Department of Justice performs related functions under other acts of Congress. Most of these responsibilities require not only litigation, but also efforts at persuasion, negotiation, and explanation, especially with local governments and law enforcement authorities. In addition, under the Law Enforcement Assistance Act the Department will be supporting local programs in the area of police-community relations.

The test of the effectiveness of an enforcement agency is not how many legal actions are initiated and won, but whether there is compliance with the law. Thus, every such agency necessarily engages in extensive efforts to obtain compliance with the law and the avoidance of disputes. In fact, title VI of the Civil Rights Act of 1964 requires each agency concerned to attempt to obtain compliance by voluntary means before taking further action.

Among the heads of Cabinet departments the President looks principally to the Attorney General for advice and judgment on civil rights issues. The latter is expected to be familiar with civil rights problems in all parts of the Nation and to make recommendations for executive and legislative action.

The Attorney General already has responsibility with respect to a major portion of Federal conciliation efforts in the civil rights field. Under Executive Order 11247, he coordinates the Government-wide enforcement of title VI of the Civil Rights Act of 1964, which relies heavily on the achievement of compliance through persuasion and negotiation.

In the light of these facts, the accompanying reorganization plan would transfer the functions of the Community Relations Service and of its Director to the Attorney General. In so providing, the plan, of course, follows the established pattern of Federal organization by vesting all the transferred powers in the head of the department. The Attorney General will provide for the organization of the Community Relations Service as a separate unit within the Department of Justice.

The functions transferred by the reorganization plan would be carried out with full regard for the provisions of section 1003 of title X of the Civil Rights Act of 1964 relating to (1) cooperation with appropriate State or local, public, or private agencies; (2) the confidentiality of information acquired with the understanding that it would be so held; and (3) the limitation on the performance of investigative or prosecutive functions by personnel of the Service.

This transfer will benefit both the Department of Justice and the Community Relations Service in the fulfillment of their existing functions.

The Attorney General will benefit in his role as the President's adviser by obtaining an opportunity to anticipate and meet problems before the need for legal action arises.

The Community Relations Service, brought into closer relationship with the Attorney General and the Civil Rights Division of the Department of Justice, will gain by becoming a primary resource in a coordinated effort in civil rights under the leadership of the Attorney General. The Community Relations Service will have direct access to the extensive information, experience, staff, and facilities within the Department and in other Federal agencies.

Finally, the responsibility for coordinating major Government activities under the Civil Rights Act aimed at voluntary and peaceful resolution of discriminatory practices will be centered in one department. Thus, the reorganization will permit the most efficient and effective utilization of resources in this field. Together the Service and the Department will have a larger capacity for accomplishment than they do apart.

Although the reorganizations provided for in the reorganization plan will not of themselves result in immediate savings, the improvement achieved in administration will permit a fuller and more effective utilization of manpower and will in the future allow the performance of the affected functions at lower costs than would otherwise be possible.

After investigation I have found and hereby declare that each organization included in Reorganization Plan No. 1 of 1966 is necessary to accomplish one or more of the purposes set forth in section 2(a) of the Reorganization Act of 1949, as amended.

I recommend that the Congress allow the reorganization plan to become effective.

community involved are threatened thereby, and it may offer its services either upon its own motion or upon the request of an appropriate State or local official or other interested person.

§ 2000g–2. Cooperation with other agencies; conciliation assistance in confidence and without publicity; information as confidential; restriction on performance of investigative or prosecuting functions; violations and penalties

(a) The Service shall, whenever possible, in performing its functions, seek and utilize the cooperation of appropriate State or local, public, or private agencies.

(b) The activities of all officers and employees of the Service in providing conciliation assistance shall be conducted in confidence and without publicity, and the Service shall hold confidential any information acquired in the regular performance of its duties upon the understanding that it would be so held. No officer or employee of the Service shall participate in the performance of investigative or prosecuting functions of any department or agency in any litigation arising out of a dispute in which he acted on behalf of the Service. Any officer or other employee of the Service, who shall make public in any manner whatever any information in violation of this subsection, shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be fined not more than $1,000 or imprisoned not more than one year.

§ 2000g–3. Reports to Congress

Subject to the provisions of sections 2000a–4 and 2000g–2(b) of this title, the Director shall, on or before January 31 of each year, submit to the Congress a report of the activities of the Service during the preceding fiscal year.

SUBCHAPTER IX—MISCELLANEOUS PROVISIONS

§ 2000h. Criminal contempt proceedings; trial by jury, criminal practice, penalties, exceptions, intent; civil contempt proceedings

In any proceeding for criminal contempt arising under title II, III, IV, V, VI, or VII of this Act, the accused, upon demand therefor, shall be entitled to a trial by jury, which shall conform as near as may be to the practice in criminal cases. Upon conviction, the accused shall not be fined more than $1,000 or imprisoned for more than six months.

This section shall not apply to contempt committed in the presence of the court, or so near thereto as to obstruct the administration of justice, nor to the misbehavior, misconduct, or disobedience of any officer of the court in respect to writs, orders, or process of the court. No person shall be convicted of criminal contempt hereunder unless the act or omission constituting such contempt shall have been intentional, as required in other cases of criminal contempt.

Nor shall anything herein be construed to deprive courts of their power, by civil contempt proceedings, without a jury, to secure compliance with or to prevent obstruction of, as distinguished from punishment for violations of, any lawful writ, process, order, decree, or command of the court in accordance with the prevailing usages of law and equity, including the power of detention.

§ 2000h–1. Double jeopardy; specific crimes and criminal contempts

No person should be put twice in jeopardy under the laws of the United States for the same act or omission. For this reason, an acquittal or conviction in a proceeding for a specific crime under the laws of the United States shall bar a proceeding for criminal contempt, which is based upon the same act or omission and which arises under the provisions of this Act; and an acquittal or conviction in a proceeding for criminal contempt, which arises under the provisions of this Act, shall bar a prosecution for a specific crime under the laws of the United States based upon the same act or omission.

withholding of such materials or the information contained therein (but such a search or seizure may be conducted under the provisions of this paragraph if the offense consists of the receipt, possession, or communication of information relating to the national defense, classified information, or restricted data under the provisions of section 793, 794, 797, or 798 of title 18, or section 2274, 2275, or 2277 of this title, or section 783 of title 50, or if the offense involves the production, possession, receipt, mailing, sale, distribution, shipment, or transportation of child pornography, the sexual exploitation of children, or the sale or purchase of children under section 2251, 2251A, 2252, or 2252A of title 18); or

(2) there is reason to believe that the immediate seizure of such materials is necessary to prevent the death of, or serious bodily injury to, a human being.

(b) Other documents

Notwithstanding any other law, it shall be unlawful for a government officer or employee, in connection with the investigation or prosecution of a criminal offense, to search for or seize documentary materials, other than work product materials, possessed by a person in connection with a purpose to disseminate to the public a newspaper, book, broadcast, or other similar form of public communication, in or affecting interstate or foreign commerce; but this provision shall not impair or affect the ability of any government officer or employee, pursuant to otherwise applicable law, to search for or seize such materials, if—

(1) there is probable cause to believe that the person possessing such materials has committed or is committing the criminal offense to which the materials relate: Provided, however, That a government officer or employee may not search for or seize such materials under the provisions of this paragraph if the offense to which the materials relate consists of the receipt, possession, communication, or withholding of such materials or the information contained therein (but such a search or seizure may be conducted under the provisions of this paragraph if the offense consists of the receipt, possession, or communication of information relating to the national defense, classified information, or restricted data under the provisions of section 793, 794, 797, or 798 of title 18, or section 2274, 2275, or 2277 of this title, or section 783 of title 50, or if the offense involves the production, possession, receipt, mailing, sale, distribution, shipment, or transportation of child pornography, the sexual exploitation of children, or the sale or purchase of children under section 2251, 2251A, 2252, or 2252A of title 18); or

(2) there is reason to believe that the immediate seizure of such materials is necessary to prevent the death of, or serious bodily injury to, a human being;

(A) all appellate remedies have been exhausted; or

(B) there is reason to believe that the delay in an investigation or trial occasioned by further proceedings relating to the subpoena would threaten the interests of justice.

(c) Objections to court ordered subpoenas; affidavits

In the event a search warrant is sought pursuant to paragraph (4)(B) of subsection (b), the person possessing the materials shall be afforded adequate opportunity to submit an affidavit setting forth the basis for any contention that the materials sought are not subject to seizure.

**Part B—Remedies, Exceptions, and Definitions**

§ 2000aa–5. Border and customs searches

This chapter shall not impair or affect the ability of a government officer or employee, pursuant to otherwise applicable law, to conduct searches and seizures at the borders of, or at international points of, entry into the United States in order to enforce the customs laws of the United States.

**Effective Date**

Section effective Jan. 1, 1981, except that insofar as such provisions are applicable to a State or any governmental unit other than the United States, the section is effective one year from Oct. 13, 1980, see section 106 of Pub. L. 96–440, set out as a note under section 2000aa of this title.
§ 2000aa–6. Civil actions by aggrieved persons
(a) Right of action
A person aggrieved by a search for or seizure of materials in violation of this chapter shall have a civil cause of action for damages for such search or seizure—

(1) against the United States, against a State which has waived its sovereign immunity under the Constitution to a claim for damages resulting from a violation of this chapter, or against any other governmental unit, all of which shall be liable for violations of this chapter by their officers or employees while acting within the scope or under color of their office or employment; and

(2) against an officer or employee of a State who has violated this chapter while acting within the scope or under color of his office or employment, if such State has not waived its sovereign immunity as provided in paragraph (1).

(b) Good faith defense
It shall be a complete defense to a civil action brought under paragraph (2) of subsection (a) that the officer or employee had a reasonable good faith belief in the lawfulness of his conduct.

(c) Official immunity
The United States, a State, or any other governmental unit liable for violations of this chapter under subsection (a)(1), may not assert as a defense to a claim arising under this chapter the immunity of the officer or employee whose violation is complained of or his reasonable good faith belief in the lawfulness of his conduct, except that such a defense may be asserted if the violation complained of is that of a judicial officer.

(d) Exclusive nature of remedy
The remedy provided by subsection (a)(1) against the United States, a State, or any other governmental unit is exclusive of any other civil action or proceeding for conduct constituting a violation of this chapter, against the officer or employee whose violation gave rise to the claim, or against the estate of such officer or employee.

(e) Admissibility of evidence
Evidence otherwise admissible in a proceeding shall not be excluded on the basis of a violation of this chapter.

(f) Damages; costs and attorneys’ fees
A person having a cause of action under this section shall be entitled to recover actual damages but not less than liquidated damages of $1,000, and such reasonable attorneys’ fees and other litigation costs reasonably incurred as the court, in its discretion, may award: Provided, however, That the United States, a State, or any other governmental unit shall not be liable for interest prior to judgment.

(g) Attorney General; claims settlement; regulations
The Attorney General may settle a claim for damages brought against the United States under this section, and shall promulgate regulations to provide for the commencement of an administrative inquiry following a determination of a violation of this chapter by an officer or employee of the United States and for the imposition of administrative sanctions against such officer or employee, if warranted.

(h) Jurisdiction
The district courts shall have original jurisdiction of all civil actions arising under this section.

Effective Date
Section effective Jan. 1, 1981, except that insofar as such provisions are applicable to a State or any governmental unit other than the United States, the section is effective one year from Oct. 13, 1980, see section 108 of Pub. L. 96–446, set out as a note under section 2000aa of this title.

§ 2000aa–7. Definitions
(a) “Documentary materials”, as used in this chapter, means materials upon which information is recorded, and includes, but is not limited to, written or printed materials, photographs, motion picture films, negatives, video tapes, audio tapes, and other mechanically, magnetically or electronically recorded cards, tapes, or discs, but does not include contraband or the fruits of a crime or things otherwise criminally possessed, or property designed or intended for use, or which is or has been used as, the means of committing a criminal offense.

(b) “Work product materials”, as used in this chapter, means materials, other than contraband or the fruits of a crime or things otherwise criminally possessed, or property designed or intended for use, or which is or has been used, as the means of committing a criminal offense, and—

(1) in anticipation of communicating such materials to the public, are prepared, produced, authored, or created, whether by the person in possession of the materials or by any other person;

(2) are possessed for the purposes of communicating such materials to the public; and

(3) include mental impressions, conclusions, opinions, or theories of the person who prepared, produced, authored, or created such material.

(c) “Any other governmental unit”, as used in this chapter, includes the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, and any local government, unit of local government, or any unit of State government.

Effective Date
Section effective Jan. 1, 1981, except that insofar as such provisions are applicable to a State or any governmental unit other than the United States, the section is effective one year from Oct. 13, 1980, see section 108 of Pub. L. 96–446, set out as a note under section 2000aa of this title.

1 So in original. Probably should be “magnetically”.

1880.)

Effective Date
Section effective Jan. 1, 1981, except that insofar as such provisions are applicable to a State or any governmental unit other than the United States, the section is effective one year from Oct. 13, 1980, see section 108 of Pub. L. 96–446, set out as a note under section 2000aa of this title.
§ 2000aa–11. Guidelines for Federal officers and employees

(a) Procedures to obtain documentary evidence; protection of certain privacy interests

The Attorney General shall, within six months of October 13, 1980, issue guidelines for the procedures to be employed by any Federal officer or employee, in connection with the investigation or prosecution of an offense, to obtain documentary materials in the private possession of a person when the person is not reasonably believed to be a suspect in such offense or related by blood or marriage to such a suspect, and when the materials sought are not contraband or the fruits or instrumentalities of an offense. The Attorney General shall incorporate in such guidelines—

(1) a recognition of the personal privacy interests of the person in possession of such documentary materials;
(2) a requirement that the least intrusive method or means of obtaining such materials be used which do not substantially jeopardize the availability or usefulness of the materials sought to be obtained;
(3) a recognition of special concern for privacy interests in cases in which a search or seizure for such documents would intrude upon a known confidential relationship such as that which may exist between clergyman and parishioner; lawyer and client; or doctor and patient; and
(4) a requirement that an application for a warrant to conduct a search governed by this subchapter be approved by an attorney for the government, except that in an emergency situation the application may be approved by another appropriate supervisory official if within 24 hours of such emergency the appropriate United States Attorney is notified.

(b) Use of search warrants; reports to Congress

The Attorney General shall collect and compile information on, and report annually to the Committees on the Judiciary of the Senate and the House of Representatives on the use of search warrants by Federal officers and employees for documentary materials described in subsection (a)(3).

§ 2000aa–12. Binding nature of guidelines; disciplinary actions for violations; legal proceedings for non-compliance prohibited

Guidelines issued by the Attorney General under this subchapter shall have the full force and effect of Department of Justice regulations and any violation of these guidelines shall make the employee or officer involved subject to appropriate administrative disciplinary action. However, an issue relating to the compliance, or the failure to comply, with guidelines issued pursuant to this subchapter may not be litigated, and a court may not entertain such an issue as the basis for the suppression or exclusion of evidence.

CHAPTER 21B—RELIGIOUS FREEDOM RESTORATION

Sec. 2000bb. Congressional findings and declaration of purposes.

§ 2000bb. Congressional findings and declaration of purposes

(a) Findings

The Congress finds that—

(1) the framers of the Constitution, recognizing free exercise of religion as an unalienable right, secured its protection in the First Amendment to the Constitution;
(2) laws "neutral" toward religion may burden religious exercise as surely as laws intended to interfere with religious exercise;
(3) governments should not substantially burden religious exercise without compelling justification;
(4) in Employment Division v. Smith, 494 U.S. 872 (1990) the Supreme Court virtually eliminated the requirement that the government justify burdens on religious exercise imposed by laws neutral toward religion; and
(5) the compelling interest test as set forth in prior Federal court rulings is a workable test for striking sensible balances between religious liberty and competing prior governmental interests.

(b) Purposes

The purposes of this chapter are—

(1) to restore the compelling interest test as set forth in Sherbert v. Verner, 374 U.S. 398 (1963) and Wisconsin v. Yoder, 406 U.S. 205 (1972) and to guarantee its application in all cases where free exercise of religion is substantially burdened; and
(2) to provide a claim or defense to persons whose religious exercise is substantially burdened by government.

Constitutionality

Short Title

Pub. L. 103–141, §1, Nov. 16, 1993, 107 Stat. 1488, provided that: "This Act [enacting this chapter and amending section 1988 of this title and section 504 of Title 5, Government Organization and Employees] may be cited as the 'Religious Freedom Restoration Act of 1993'.”
§ 2000bb–1. Free exercise of religion protected
(a) In general

Government shall not substantially burden a person’s exercise of religion even if the burden results from a rule of general applicability, except as provided in subsection (b).

(b) Exception

Government may substantially burden a person’s exercise of religion only if it demonstrates that application of the burden to the person—

(1) is in furtherance of a compelling governmental interest; and

(2) is the least restrictive means of furthering that compelling governmental interest.

(c) Judicial relief

A person whose religious exercise has been burdened in violation of this section may assert that violation as a claim or defense in a judicial proceeding and obtain appropriate relief against a government. Standing to assert a claim or defense under this section shall be governed by the general rules of standing under article III of the Constitution.

§ 2000bb–2. Definitions

As used in this chapter—

(1) the term ‘‘government’’ includes a branch, department, agency, instrumentality, and official (or other person acting under color of law) of the United States, or of a covered entity;

(2) the term ‘‘covered entity’’ means the District of Columbia, the Commonwealth of Puerto Rico, and each territory and possession of the United States;

(3) the term ‘‘demonstrates’’ means meets the burdens of going forward with the evidence and of persuasion; and

(4) the term ‘‘exercise of religion’’ means religious exercise, as defined in section 2000cc–5 of this title.

AMENDMENTS

2000—Par. (1). Pub. L. 106–274, §7(a)(1), substituted ‘‘or of a covered entity’’ for ‘‘a State, or a subdivision of a State’’.

Par. (2). Pub. L. 106–274, §7(a)(2), substituted ‘‘term ‘‘covered entity’’ means for ‘‘term ‘‘State’’ includes’’.

Par. (4). Pub. L. 106–274, §7(a)(3), substituted ‘‘religious exercise, as defined in section 2000cc–5 of this
title" for “the exercise of religion under the First Amendment to the Constitution”.

§ 2000bb–3. Applicability

(a) In general
This chapter applies to all Federal law, and the implementation of that law, whether statutory or otherwise, and whether adopted before or after November 16, 1993.

(b) Rule of construction
Federal statutory law adopted after November 16, 1993, is subject to this chapter unless such law explicitly excludes such application by reference to this chapter.

(c) Religious belief unaffected
Nothing in this chapter shall be construed to authorize any government to burden any religious belief.

AMENDMENTS

§ 2000bb–4. Establishment clause unaffected

Nothing in this chapter shall be construed to affect, interpret, or in any way address that portion of the First Amendment prohibiting laws respecting the establishment of religion (referred to in this section as the “Establishment Clause”). Granting government funding, benefits, or exemptions, to the extent permissible under the Establishment Clause, shall not constitute a violation of this chapter. As used in this section, the term “granting”, used with respect to government funding, benefits, or exemptions, does not include the denial of government funding, benefits, or exemptions.

CHAPTER 21C—PROTECTION OF RELIGIOUS EXERCISE IN LAND USE AND BY INSTITUTIONALIZED PERSONS

Sec. 2000cc. Protection of land use as religious exercise.

§ 2000cc. Protection of land use as religious exercise

(a) Substantial burdens

(1) General rule
No government shall impose or implement a land use regulation in a manner that imposes a substantial burden on the religious exercise of a person, including a religious assembly or institution, unless the government demonstrates that imposition of the burden on that person, assembly, or institution—
(A) is in furtherance of a compelling governmental interest; and
(B) is the least restrictive means of furthering that compelling governmental interest.

(2) Scope of application
This subsection applies in any case in which—
(A) the substantial burden is imposed in a program or activity that receives Federal financial assistance, even if the burden results from a rule of general applicability;
(B) the substantial burden affects, or removal of that substantial burden would affect, commerce with foreign nations, among the several States, or with Indian tribes, even if the burden results from a rule of general applicability; or
(C) the substantial burden is imposed in the implementation of a land use regulation or system of land use regulations, under which a government makes, or has in place formal or informal procedures or practices that permit the government to make, individualized assessments of the proposed uses for the property involved.

(b) Discrimination and exclusion

(1) Equal terms
No government shall impose or implement a land use regulation in a manner that treats a religious assembly or institution on less than equal terms with a nonreligious assembly or institution.

(2) Nondiscrimination
No government shall impose or implement a land use regulation that discriminates against any assembly or institution on the basis of religion or religious denomination.

(3) Exclusions and limits
No government shall impose or implement a land use regulation that—
(A) totally excludes religious assemblies from a jurisdiction; or
(B) unreasonably limits religious assemblies, institutions, or structures within a jurisdiction.

SHORT TITLE
§ 2000cc–1. Protection of religious exercise of institutionalized persons

(a) General rule

No government shall impose a substantial burden on the religious exercise of a person residing in or confined to an institution, as defined in section 1997 of this title, even if the burden results from a rule of general applicability, unless the government demonstrates that imposition of the burden on that person—

(1) is in furtherance of a compelling governmental interest; and

(2) is the least restrictive means of furthering that compelling governmental interest.

(b) Scope of application

This section applies in any case in which—

(1) the substantial burden is imposed in a program or activity that receives Federal financial assistance; or

(2) the substantial burden affects, or removal of that substantial burden would affect, commerce with foreign nations, among the several States, or with Indian tribes.

§ 2000cc–2. Judicial relief

(a) Cause of action

A person may assert a violation of this chapter as a claim or defense in a judicial proceeding and obtain appropriate relief against a government. Standing to assert a claim or defense under this section shall be governed by the general rules of standing under article III of the Constitution.

(b) Burden of persuasion

If a plaintiff produces prima facie evidence to support a claim alleging a violation of the Free Exercise Clause or a violation of section 2000cc of this title, the government shall bear the burden of persuasion on any element of the claim, except that the plaintiff shall bear the burden of persuasion on whether the law (including a regulation) or government practice that is challenged by the claim substantially burdens the plaintiff’s exercise of religion.

(c) Full faith and credit

Adjudication of a claim of a violation of section 2000cc of this title in a non-Federal forum shall not be entitled to full faith and credit in a Federal court unless the claimant had a full and fair adjudication of that claim in the non-Federal forum.

(d) Omitted

(e) Prisoners

Nothing in this chapter shall be construed to amend or repeal the Prison Litigation Reform Act of 1995 (including provisions of law amended by that Act).

(f) Authority of United States to enforce this chapter

The United States may bring an action for injunctive or declaratory relief to enforce compliance with this chapter. Nothing in this subsection shall be construed to deny, impair, or otherwise affect any right or authority of the Attorney General, the United States, or any agency, officer, or employee of the United States, acting under any law other than this subsection, to institute or intervene in any proceeding.

(g) Limitation

If the only jurisdictional basis for applying a provision of this chapter is a claim that a substantial burden by a government on religious exercise affects, or that removal of that substantial burden would affect, commerce with foreign nations, among the several States, or with Indian tribes, the provision shall not apply if the government demonstrates that all substantial burdens on, or the removal of all substantial burdens from, similar religious exercise throughout the Nation would not lead in the aggregate to a substantial effect on commerce with foreign nations, among the several States, or with Indian tribes.

CODIFICATION

Section is comprised of section 4 of Pub. L. 106–274. Subsec. (d) of section 4 of Pub. L. 106–274 amended section 1988(b) of this title.

(a) Religious belief unaffected

Nothing in this chapter shall be construed to authorize any government to burden any religious belief.

(b) Religious exercise not regulated

Nothing in this chapter shall create any basis for restricting or burdening religious exercise or for claims against a religious organization including any religiously affiliated school or university, not acting under color of law.

(c) Claims to funding unaffected

Nothing in this chapter shall create or preclude a right of any religious organization to receive funding or other assistance from a government, or of any person to receive government funding for a religious activity, but this chapter may require a government to incur expenses in its own operations to avoid imposing a substantial burden on religious exercise.

(d) Other authority to impose conditions on funding unaffected

Nothing in this chapter shall—

(1) authorize a government to regulate or affect, directly or indirectly, the activities or policies of a person other than a government
as a condition of receiving funding or other assistance; or
(2) restrict any authority that may exist under other law to so regulate or affect, except as provided in this chapter.

(e) Governmental discretion in alleviating burdens on religious exercise
A government may avoid the preemptive force of any provision of this chapter by changing the policy or practice that results in a substantial burden on religious exercise, by retaining the policy or practice and exempting the substantially burdened religious exercise, by providing exemptions from the policy or practice for applications that substantially burden religious exercise, or by any other means that eliminates the substantial burden.

(f) Effect on other law
With respect to a claim brought under this chapter, proof that a substantial burden on a person’s religious exercise affects, or removal of that burden would affect, commerce with foreign nations, among the several States, or with Indian tribes, shall not establish any inference or presumption that Congress intends that any religious exercise is, or is not, subject to any law other than this chapter.

(g) Broad construction
This chapter shall be construed in favor of a broad protection of religious exercise, to the maximum extent permitted by the terms of this chapter and the Constitution.

(h) No preemption or repeal
Nothing in this chapter shall be construed to preempt State law, or repeal Federal law, that is equally as protective of religious exercise as, or more protective of religious exercise than, this chapter.

(i) Severability
If any provision of this chapter or of an amendment made by this chapter, or any application of such provision to any person or circumstance, is held to be unconstitutional, the remainder of this chapter, the amendments made by this chapter, and the application of the provision to any other person or circumstance shall not be affected.

EX. ORD. NO. 13491. ENSURING LAWFUL INTERROGATIONS
Ex. No. 13491, Jan. 22, 2009, 74 F.R. 4893, provided:
By the authority vested in me by the Constitution and the laws of the United States of America, in order to improve the effectiveness of human intelligence-gathering, to promote the safe, lawful, and humane treatment of individuals in United States custody and of United States personnel who are detained in armed conflicts, to ensure compliance with the treaty obligations of the United States, including the Geneva Conventions, and to take care that the laws of the United States are faithfully executed, I hereby order as follows:

SECTION 1. Revocation. Executive Order 13440 of July 20, 2007, is revoked. All executive directives, orders, and regulations inconsistent with this order, including but not limited to those issued to or by the Central Intelligence Agency (CIA) from September 11, 2001, to January 20, 2009, concerning detention or the interrogation of detained individuals, are revoked to the extent of their inconsistency with this order. Heads of departments and agencies shall take all necessary steps to ensure that all directives, orders, and regulations of their respective departments or agencies are consistent with this order. Upon request, the Attorney General shall provide guidance about which directives, orders, and regulations are inconsistent with this order.

SIC 2. Definitions. As used in this order:
(a) “Army Field Manual 2-22.3” means FM 2-22.3, Human Intelligence Collector Operations, issued by the Department of the Army on September 6, 2006.
(c) “Common Article 3” means Article 3 of each of the Geneva Conventions.
(e) “Geneva Conventions” means:
(i) the Convention for the Amelioration of the Condition of the Wounded and Sick in Armed Forces in the Field, August 12, 1914 (14 U.S.T. 3556, 49 Stat. 3372);
(ii) the Convention for the Amelioration of the Condition of Wounded, Sick and Shipwrecked Members of Armed Forces at Sea, August 12, 1929 (6 U.S.T. 3217);
(iii) the Convention Relative to the Treatment of Civilian Persons in Time of War, August 12, 1949 (6 U.S.T. 3556); and
(iv) the Convention Relative to the Protection of Civilian Persons in Time of War, August 12, 1949 (6 U.S.T. 3556).
(f) “Treated humanely,” “violence to life and person,” “murder of all kinds,” “mutilation,” “cruel treatment,” “torture,” “outrages upon personal dignity,” and “humiliating and degrading treatment” refer to, and have the same meaning as, those same terms in Common Article 3.

3. The terms “detention facility” and “detention facility” in section 4(a) of this order do not refer to facilities used only to hold people on a short-term, transitory basis.

4. Standards and Practices for Interrogation of Individuals in the Custody or Control of the United States in Armed Conflicts.

(a) Common Article 3 Standards as a Minimum Baseline. Consistent with the requirements of the Federal torture statute, 18 U.S.C. 2340-2340A, section 1003 of the Detainee Treatment Act of 2005, 42 U.S.C. 2000dd, the Convention Against Torture, Common Article 3, and other laws regulating the treatment and interrogation of individuals detained in any armed conflict, such persons shall in all circumstances be treated humanely and shall not be subjected to violence to life and person (including murder of all kinds, mutilation, cruel treatment, and torture), nor to outrages upon personal dignity (including humiliating and degrading treatment), whenever such individuals are in the custody or under the effective control of an officer, employee, or other agent of the United States Government or detained within a facility owned, operated, or controlled by a department or agency of the United States.

(b) Interrogation Techniques and Interrogation-Related Treatment. Effective immediately, an individual in the custody or under the effective control of an officer, employee, or other agent of the United States Government, or detained within a facility owned, operated, or controlled by a department or agency of the United States, shall not be subjected to any interrogation technique or approach, or any treatment related to interrogation, that is not authorized by and listed in Army Field Manual 2-22.3 (Manual). Interrogation techniques, approaches, and treatments described in the Manual shall be implemented strictly in accord with the principles, processes, conditions, and limitations the Manual prescribes. Where processes required by the Manual, such as a requirement of approval by specified Department of Defense officials, are inapposite to a department or an agency other than the Department of Defense, such a department or agency shall use processes that are substantially equivalent to the processes the Manual prescribes for the Department of Defense. Nothing in this section shall preclude the Federal Bureau of Investigation, or other Federal law enforcement agencies, from using authorized, non-coercive techniques of interrogation that are designed to elicit voluntary statements and do not involve the use of force, threats, or promises.

(a) CIA Detention. The CIA shall close as expeditiously as possible any detention facilities that it currently operates and shall not operate any such detention facility in the future.

(b) International Committee of the Red Cross Access to Detained Individuals. All departments and agencies of the Federal Government shall provide the International Committee of the Red Cross with notice of, and timely access to, any individual detained in any armed conflict in the custody or under the effective control of an officer, employee, or other agent of the United States Government or detained within a facility owned, operated, or controlled by a department or agency of the United States Government, consistent with Department of Defense regulations and policies.

SIC 5. Special Interagency Task Force on Interrogation and Transfer Policies.

(a) Establishment of Special Interagency Task Force. There shall be established a Special Task Force on Interrogation and Transfer Policies (Special Task Force) to review interrogation and transfer policies.

(b) Membership. The Special Task Force shall consist of the following members, or their designees:
(i) the Attorney General, who shall serve as Chair;
(ii) the Director of National Intelligence, who shall serve as Co-Chair;
(iii) the Secretary of Defense, who shall serve as Co-Chair;
(iv) the Secretary of State;
(v) the Secretary of Homeland Security;
(vi) the Director of the Central Intelligence Agency;
(vii) the Chairman of the Joint Chiefs of Staff; and
§ 2000dd–0. Additional prohibition on cruel, inhuman, or degrading treatment or punishment

(1) In general

No individual in the custody or under the physical control of the United States Government, regardless of nationality or physical location, shall be subject to cruel, inhuman, or degrading treatment or punishment.

(2) Cruel, inhuman, or degrading treatment or punishment defined

In this section, the term “cruel, inhuman, or degrading treatment or punishment” means cruel, unusual, and inhumane treatment or punishment prohibited by the Fifth, Eighth, and Fourteenth Amendments to the Constitution of the United States, as defined in the United States Reservations, Declarations and Understandings to the United Nations Convention Against Torture and Other Forms of Cruel, Inhuman or Degrading Treatment or Punishment done at New York, December 10, 1984.

(3) Compliance

The President shall take action to ensure compliance with this section, including through the establishment of administrative rules and procedures.

Construction with Other Laws

Section was enacted as part of the Military Commissions Act of 2006, and not as part of the Detainee Treatment Act of 2005 which comprises this chapter.

§ 2000dd–1. Protection of United States Government personnel engaged in authorized interrogations

(a) Protection of United States Government personnel

In any civil action or criminal prosecution against an officer, employee, member of the Armed Forces, or other agent of the United States Government who is a United States person, arising out of the officer, employee, member of the Armed Forces, or other agent’s engaging in specific operational practices, that involve detention and interrogation of aliens who the President or his designees have determined are believed to be engaged in or associated with international terrorist activity that poses a serious, continuing threat to the United States, its interests, or its allies, and that were officially authorized and determined to be lawful at the time that they were conducted, it shall be a defense that such officer, employee, member of the Armed Forces, or other agent did not know that the practices were unlawful and a person of ordinary sense and understanding would not know the practices were unlawful. Good faith reliance on advice of counsel should be an important factor, among others, to consider in assessing whether a person of ordinary sense and understanding would have known the practices to
be unlawful. Nothing in this section shall be construed to limit or extinguish any defense or protection otherwise available to any person or entity from suit, civil or criminal liability, or damages, or to provide immunity from prosecution for any criminal offense by the proper authorities.

(b) Counsel

The United States Government shall provide or employ counsel, and pay counsel fees, court costs, bail, and other expenses incident to the representation of an officer, employee, member of the Armed Forces, or other agent described in subsection (a), with respect to any civil action or criminal prosecution or investigation arising out of practices described in that subsection, whether before United States courts or agencies, foreign courts or agencies, or international courts or agencies, under the same conditions, and to the same extent, to which such services and payments are authorized under section 1007 of title 10.

§ 2000dd–2. Limitation on interrogation techniques

(a) Limitation on interrogation techniques to those in the Army Field Manual

(1) Army Field Manual 2–22.3 defined

In this subsection, the term “Army Field Manual 2–22.3” means the Army Field Manual 2–22.3 entitled “Human Intelligence Collector Operations” in effect on November 25, 2015, or any similar successor Army Field Manual.

(2) Restriction

(A) In general

An individual described in subparagraph (B) shall not be subjected to any interrogation technique or approach, or any treatment related to interrogation, that is not authorized by and listed in the Army Field Manual 2–22.3.

(B) Individual described

An individual described in this subparagraph is an individual who is—

(i) in the custody or under the effective control of an officer, employee, or other agent of the United States Government; or

(ii) detained within a facility owned, operated, or controlled by a department or agency of the United States, in any armed conflict.

(3) Implementation

Interrogation techniques, approaches, and treatments described in Army Field Manual 2–22.3 shall be implemented strictly in accord with the principles, processes, conditions, and limitations prescribed by Army Field Manual 2–22.3.

(4) Agencies other than the Department of Defense

If a process required by Army Field Manual 2–22.3, such as a requirement of approval by a specified Department of Defense official, is inapposite to a department or an agency other than the Department of Defense, the head of such department or agency shall ensure that a process that is substantially equivalent to the process prescribed by Army Field Manual 2–22.3 for the Department of Defense is utilized by all officers, employees, or other agents of such department or agency.

(5) Interrogation by Federal law enforcement

The limitations in this subsection shall not apply to officers, employees, or agents of the Federal Bureau of Investigation, the Department of Homeland Security, or other Federal law enforcement entities.

(6) Update of the Army Field Manual

(A) Requirement to update

(i) In general

Not sooner than three years after November 25, 2015, and once every three years thereafter, the Secretary of Defense, in consultation with the Attorney General, the Director of the Federal Bureau of In-
investigation, and the Director of National Intelligence, shall complete a thorough review of Army Field Manual 2–22.3, and revise Army Field Manual 2–22.3, as necessary to ensure that Army Field Manual 2–22.3 complies with the legal obligations of the United States and the practices for interrogation described therein do not involve the use or threat of force.

(ii) Availability to the public

Army Field Manual 2–22.3 shall remain available to the public and any revisions to the Army Field Manual 2–22.3 adopted by the Secretary of Defense shall be made available to the public 30 days prior to the date the revisions take effect.

(B) Report on best practices of interrogations

(i) Requirement for report

Not later than 120 days after November 25, 2015, the interagency body established pursuant to Executive Order 13491 (commonly known as the High-Value Detainee Interrogation Group) shall submit to the Secretary of Defense, the Director of National Intelligence, the Attorney General, and other appropriate officials a report on best practices for interrogation that do not involve the use of force.

(ii) Recommendations

The report required by clause (i) may include recommendations for revisions to Army Field Manual 2–22.3 based on the body of research commissioned by the High-Value Detainee Interrogation Group.

(iii) Availability to the public

Not later than 30 days after the report required by clause (i) is submitted such report shall be made available to the public.

(b) International Committee of the Red Cross access to detainees

(1) Requirement

The head of any department or agency of the United States Government shall provide the International Committee of the Red Cross with notification of, and prompt access to, any individual detained in any armed conflict in the custody or under the effective control of an officer, employee, contractor, subcontractor, or other agent of the United States Government or detained within a facility owned, operated, or effectively controlled by a department, agency, contractor, or subcontractor of the United States Government, consistent with Department of Defense regulations and policies.

(2) Construction

Nothing in this subsection shall be construed—

(A) to create or otherwise imply the authority to detain; or

(B) to limit or otherwise affect any other individual rights or state obligations which may arise under United States law or international agreements to which the United States is a party, including the Geneva Conventions, or to state all of the situations under which notification to and access for the International Committee of the Red Cross is required or allowed.

(c) Purpose

The Board shall—

(1) analyze and review actions the executive branch takes to protect the Nation from terrorism, ensuring that the need for such actions is balanced with the need to protect privacy and civil liberties; and

(2) ensure that liberty concerns are appropriately considered in the development and
implementation of laws, regulations, and policies related to efforts to protect the Nation against terrorism.

(d) Functions

(1) Advice and counsel on policy development and implementation

The Board shall—

(A) review proposed legislation, regulations, and policies related to efforts to protect the Nation from terrorism, including the development and adoption of information sharing guidelines under subsections (d) and (f) of section 485 of title 6;

(B) review the implementation of new and existing legislation, regulations, and policies related to efforts to protect the Nation from terrorism, including the implementation of information sharing guidelines under subsections (d) and (f) of section 485 of title 6;

(C) advise the President and the departments, agencies, and elements of the executive branch to ensure that privacy and civil liberties are appropriately considered in the development and implementation of such legislation, regulations, policies, and guidelines; and

(D) in providing advice on proposals to retain or enhance a particular governmental power, consider whether the department, agency, or element of the executive branch has established—

(i) that the need for the power is balanced with the need to protect privacy and civil liberties;

(ii) that there is adequate supervision of the use by the executive branch of the power to ensure protection of privacy and civil liberties; and

(iii) that there are adequate guidelines and oversight to properly confine its use.

(2) Oversight

The Board shall continually review—

(A) the regulations, policies, and procedures, and the implementation of the regulations, policies, and procedures, of the departments, agencies, and elements of the executive branch relating to efforts to protect the Nation from terrorism to ensure that privacy and civil liberties are protected;

(B) the information sharing practices of the departments, agencies, and elements of the executive branch relating to efforts to protect the Nation from terrorism to determine whether they appropriately protect privacy and civil liberties and adhere to the information sharing guidelines issued or developed under subsections (d) and (f) of section 485 of title 6 and to other governing laws, regulations, and policies regarding privacy and civil liberties; and

(C) other actions by the executive branch relating to efforts to protect the Nation from terrorism to determine whether such actions—

(i) appropriately protect privacy and civil liberties; and

(ii) are consistent with governing laws, regulations, and policies regarding privacy and civil liberties.

(3) Relationship with privacy and civil liberties officers

The Board shall—

(A) receive and review reports and other information from privacy officers and civil liberties officers under section 2000ee–1 of this title;

(B) when appropriate, make recommendations to such privacy officers and civil liberties officers regarding their activities; and

(C) when appropriate, coordinate the activities of such privacy officers and civil liberties officers on relevant interagency matters.

(4) Testimony

The members of the Board shall appear and testify before Congress upon request.

(e) Reports

(1) In general

The Board shall—

(A) receive and review reports from privacy officers and civil liberties officers under section 2000ee–1 of this title; and

(B) periodically submit, not less than semiannually, reports—

(i)(I) to the appropriate committees of Congress, including the Committee on the Judiciary of the Senate, the Committee on the Judiciary of the House of Representatives, the Committee on Homeland Security and Governmental Affairs of the Senate, the Committee on Homeland Security of the House of Representatives, the Committee on Oversight and Government Reform of the House of Representatives, the Select Committee on Intelligence of the Senate, and the Permanent Select Committee on Intelligence of the House of Representatives; and

(ii) to the President; and

(ii) which shall be in unclassified form to the greatest extent possible, with a classified annex where necessary.

(2) Contents

Not less than 2 reports submitted each year under paragraph (1)(B) shall include—

(A) a description of the major activities of the Board during the preceding period;

(B) information on the findings, conclusions, and recommendations of the Board resulting from its advice and oversight functions under subsection (d);

(C) the minority views on any findings, conclusions, and recommendations of the Board resulting from its advice and oversight functions under subsection (d);

(D) each proposal reviewed by the Board under subsection (d)(1) that—

(i) the Board advised against implementation; and

(ii) notwithstanding such advice, actions were taken to implement; and

(E) for the preceding period, any requests submitted under subsection (g)(1)(D) for the issuance of subpoenas that were modified or denied by the Attorney General.

(f) Informing the public

The Board—
(1) shall make its reports, including its reports to Congress, available to the public to the greatest extent that is consistent with the protection of classified information and applicable law; and
(2) shall hold public hearings and otherwise inform the public of its activities, as appropriate and in a manner consistent with the protection of classified information and applicable law, but may, notwithstanding section 552b of title 5, meet or otherwise communicate in any number to confer or deliberate in a manner that is closed to the public.

(g) Access to information

(1) Authorization
If determined by the Board to be necessary to carry out its responsibilities under this section, the Board is authorized to—
(A) have access from any department, agency, or element of the executive branch, or any Federal officer or employee of any such department, agency, or element, to all relevant records, reports, audits, reviews, documents, papers, recommendations, or other relevant material, including classified information consistent with applicable law;
(B) interview, take statements from, or take public testimony from personnel of any department, agency, or element of the executive branch, or any Federal officer or employee of any such department, agency, or element;
(C) request information or assistance from any State, tribal, or local government; and
(D) at the direction of a majority of the members of the Board, submit a written request to the Attorney General of the United States that the Attorney General require, by subpoena, persons (other than departments, agencies, and elements of the executive branch) to produce any relevant information, documents, papers, recommendations, or other documentary or testimonial evidence.

(2) Review of subpoena request

(A) In general
Not later than 30 days after the date of receipt of a request by the Board under paragraph (1)(D), the Attorney General shall—
(i) issue the subpoena as requested; or
(ii) provide the Board, in writing, with an explanation of the grounds on which the subpoena request has been modified or denied.

(B) Notification
If a subpoena request is modified or denied under subparagraph (A)(ii), the Attorney General shall, not later than 30 days after the date of that modification or denial, notify the Committee on the Judiciary of the Senate and the Committee on the Judiciary of the House of Representatives.

(3) Enforcement of subpoena
In the case of contumacy or failure to obey a subpoena issued pursuant to paragraph (1)(D), the United States district court for the judicial district in which the subpoenaed person resides, is served, or may be found may issue an order requiring such person to produce the evidence required by such subpoena.

(4) Agency cooperation
Whenever information or assistance requested under subparagraph (A) or (B) of paragraph (1) is, in the judgment of the Board, unreasonably refused or not provided, the Board shall report the circumstances to the head of the department, agency, or element concerned without delay. The head of the department, agency, or element concerned shall ensure that the Board is given access to the information, assistance, material, or personnel the Board determines to be necessary to carry out its functions.

(5) Access
Nothing in this section shall be construed to authorize the Board, or any agent thereof, to gain access to information regarding an activity covered by section 3009(a) of title 50.

(h) Membership

(1) Members
The Board shall be composed of a full-time chairman and 4 additional members, who shall be appointed by the President, by and with the advice and consent of the Senate.

(2) Qualifications
Members of the Board shall be selected solely on the basis of their professional qualifications, achievements, public stature, expertise in civil liberties and privacy, and relevant experience, and without regard to political affiliation, but in no event shall more than 3 members of the Board be members of the same political party. The President shall, before appointing an individual who is not a member of the same political party as the President, consult with the leadership of that party, if any, in the Senate and House of Representatives.

(3) Incompatible office
An individual appointed to the Board may not, while serving on the Board, be an elected official, officer, or employee of the Federal Government, other than in the capacity as a member of the Board.

(4) Term
Each member of the Board shall serve a term of 6 years, except that—
(A) a member appointed to a term of office after the commencement of such term may serve under such appointment only for the remainder of such term; and
(B) upon the expiration of the term of office of a member, the member shall continue to serve until the member’s successor has been appointed and qualified, except that no member may serve under this subparagraph—
(i) for more than 60 days when Congress is in session unless a nomination to fill the vacancy shall have been submitted to the Senate; or
(ii) after the adjournment sine die of the session of the Senate in which such nomination is submitted.

(5) Quorum and meetings
The Board shall meet upon the call of the chairman or a majority of its members. Three
members of the Board shall constitute a quorum.

(i) Compensation and travel expenses

(1) Compensation

(A) Chairman

The chairman of the Board shall be compensated at the rate of pay payable for a position at level III of the Executive Schedule under section 5314 of title 5.

(B) Members

Each member of the Board shall be compensated at a rate of pay payable for a position at level IV of the Executive Schedule under section 5315 of title 5 for each day during which that member is engaged in the actual performance of the duties of the Board.

(2) Travel expenses

Members of the Board shall be allowed travel expenses, including per diem in lieu of subsistence, at rates authorized for persons employed intermittently by the Government under section 5703(b)¹ of title 5, while away from their homes or regular places of business in the performance of services for the Board.

(j) Staff

(1) Appointment and compensation

The chairman of the Board, in accordance with rules agreed upon by the Board, shall appoint and fix the compensation of a full-time executive director and such other personnel as may be necessary to enable the Board to carry out its functions, without regard to the provisions of title 5 governing appointments in the competitive service, and without regard to the provisions of chapter 51 and subchapter III of chapter 53 of title 5, while away from the performance of the duties of the Board.

(2) Appointment in absence of chairman

If the position of chairman of the Board is vacant, during the period of the vacancy, the Board, at the direction of the unanimous vote of the serving members of the Board, may exercise the authority of the chairman under paragraph (1).

(3) Detailees

Any Federal employee may be detailed to the Board without reimbursement from the Board, and such detailee shall retain the rights, status, and privileges of the detailee’s regular employment without interruption.

(4) Consultant services

The Board may procure the temporary or intermittent services of experts and consultants in accordance with section 3109 of title 5, at rates that do not exceed the daily rate paid to a person occupying a position at level IV of the Executive Schedule under section 5315 of such title.

(k) Security clearances

(1) In general

The appropriate departments, agencies, and elements of the executive branch shall cooperate with the Board to expeditiously provide the Board members and staff with appropriate security clearances to the extent possible under existing procedures and requirements.

(2) Rules and procedures

After consultation with the Secretary of Defense, the Attorney General, and the Director of National Intelligence, the Board shall adopt rules and procedures of the Board for physical, communications, computer, document, personnel, and other security relating to carrying out the functions of the Board.

(l) Treatment as agency, not as advisory committee

The Board—

(1) is an agency (as defined in section 551(1) of title 5); and

(2) is not an advisory committee (as defined in section 3(2) of the Federal Advisory Committee Act (5 U.S.C. App.)).

(m) Authorization of appropriations

There are authorized to be appropriated to carry out this section amounts as follows:

(1) For fiscal year 2008, $5,000,000.

(2) For fiscal year 2009, $6,650,000.

(3) For fiscal year 2010, $8,300,000.

(4) For fiscal year 2011, $10,000,000.

(5) For fiscal year 2012 and each subsequent fiscal year, such sums as may be necessary.

EX. ORD. NO. 13353. ESTABLISHING THE PRESIDENT'S BOARD ON SAFEGUARDING AMERICANS' CIVIL LIBERTIES
Ex. Ord. No. 13353, Aug. 27, 2004, 69 F.R. 53585, provided: By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to further strengthen protections for the rights of Americans in the effective performance of national security and homeland security functions, it is hereby ordered as follows:

SECTION 1. Policy. The United States Government has a solemn obligation, and shall continue fully, to protect the legal rights of all Americans, including freedoms, civil liberties, and information privacy guaranteed by Federal law, in the effective performance of national security and homeland security functions.

SEC. 2. Establishment of Board. To advance the policy set forth in section 1 of this order (Policy), there is hereby established the President’s Board on Safeguarding Americans’ Civil Liberties (Board). The Board shall be part of the Department of Justice for administrative purposes.

SEC. 3. Functions. The Board shall:

(a)(i) advise the President on effective means to implement the Policy, and (ii) keep the President informed of the implementation of the Policy;

(b) periodically request reports from Federal departments and agencies relating to policies and procedures that ensure implementation of the Policy;

(c) recommend to the President policies, guidelines and other administrative actions, technologies, and legislation, as necessary to implement the Policy;

(d) at the request of the head of any Federal department or agency, unless the Chair, after consultation with the Vice Chair, declines the request, promptly review and provide advice on a policy or action of that department or agency that implicates the Policy;

(e) obtain information and advice relating to the Policy from representatives of entities or individuals outside the executive branch of the Federal Government in a manner that seeks their individual advice and does not involve collective judgment or consensus advice or deliberation;

(f) refer, consistent with section 535 of title 28, United States Code, credible information pertaining to possible violations of law relating to the Policy by any Federal employee or official to the appropriate office for prompt investigation;

(g) take steps to enhance cooperation and coordination among Federal departments and agencies in the implementation of the Policy, including but not limited to working with the Director of the Office of Management and Budget and other officers of the United States to review and assist in the coordination of guidelines and policies concerning national security and homeland security efforts, such as information collection and sharing; and

(h) undertake other efforts to protect the legal rights of all Americans, including freedoms, civil liberties, and information privacy guaranteed by Federal law, as the President may direct.

Upon the recommendation of the Board, the Attorney General or the Secretary of Homeland Security may establish one or more committees that include individuals from outside the executive branch of the Federal Government, in accordance with applicable law, to advise the Board on specific issues relating to the Policy. Any such committee shall carry out its functions separately from the Board.

SEC. 4. Membership and Operation. The Board shall consist exclusively of the following:

(a) the Deputy Attorney General, who shall serve as Chair;

(b) the Under Secretary for Border and Transportation Security, Department of Homeland Security, who shall serve as Vice Chair;

(c) the Assistant Attorney General (Civil Rights Division);

(d) the Assistant Attorney General (Office of Legal Policy);

(e) the Counsel for Intelligence Policy, Department of Justice;

(f) the Chair of the Privacy Council, Federal Bureau of Investigation;

(g) the Assistant Secretary for Information Analysis, Department of Homeland Security;

(h) the Assistant Secretary (Policy), Directorate of Border and Transportation Security, Department of Homeland Security;

(i) the Officer for Civil Rights and Civil Liberties, Department of Homeland Security;

(j) the Privacy Officer, Department of Homeland Security;
(k) the Under Secretary for Enforcement, Department of the Treasury;
(l) the Assistant Secretary (Terrorist Financing), Department of the Treasury;
(m) the General Counsel, Office of Management and Budget;
(n) the Deputy Director of Central Intelligence for Community Management;
(o) the General Counsel, Central Intelligence Agency;
(p) the General Counsel, National Security Agency;
(q) the Under Secretary of Defense for Intelligence;
(r) the General Counsel of the Department of Defense;
(s) the Legal Adviser, Department of State;
(t) the Director, Terrorist Threat Integration Center; and
(u) such other officers of the United States as the Deputy Attorney General may from time to time designate.

A member of the Board may designate, to perform the Board or Board subgroup functions of the member, any person who is part of such member’s department or agency and who is either (i) an officer of the United States appointed by the President, or (ii) a member of the Senior Executive Service or the Senior Intelligence Service. The Chair, after consultation with the Vice Chair, shall convene and preside at meetings of the Board, determine its agenda, direct its work, and, as appropriate to deal with particular subject matters, establish and direct subgroups of the Board that shall consist exclusively of members of the Board. The Chair may invite, in his discretion, officers or employees of other departments or agencies to participate in the work of the Board. The Chair shall convene the first meeting of the Board within 20 days after the date of this order and shall thereafter convene meetings of the Board at such times as the Chair, after consultation with the Vice Chair, deems appropriate. The Deputy Attorney General shall designate an official of the Department of Justice to serve as the Executive Director of the Board.

SEC. 5. Cooperation. To the extent permitted by law, all Federal departments and agencies shall cooperate with the Board and provide the Board with such information, support, and assistance as the Board, through the Chair, may request.

SEC. 6. Administration. Consistent with applicable law and subject to the availability of appropriations, the Department of Justice shall provide the funding and administrative support for the Board necessary to implement this order.

SEC. 7. General Provisions. (a) This order shall not be construed to impair or otherwise affect the authorities of any department, agency, instrumentality, officer, or employee of the United States under applicable law, including the functions of the Director of the Office of Management and Budget relating to budget, administrative, or legislative proposals.

(b) This order shall be implemented in a manner consistent with applicable laws and Executive Orders concerning protection of information, including those for the protection of intelligence sources and methods, law enforcement information, and classified national security information, and the Privacy Act of 1974, as amended (5 U.S.C. 552a).

(c) This order is intended only to improve the interdepartmental management of the Federal Government and is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity, by a party against the United States, or any of its departments, agencies, instrumentality, entities, officers, employees, or agents, or any other person.

GEORGE W. BUSH.

§ 2000ee–1. Privacy and civil liberties officers

(a) Designation and functions

The Attorney General, the Secretary of Defense, the Secretary of State, the Secretary of the Treasury, the Secretary of Health and Human Services, the Secretary of Homeland Security, the Director of National Intelligence, the Director of the Central Intelligence Agency, the Director of the National Security Agency, the Director of the Federal Bureau of Investigation, and the head of any other department, agency, or element of the executive branch designated by the Privacy and Civil Liberties Oversight Board under section 2000ee of this title to be appropriate for coverage under this section shall designate not less than 1 senior officer to serve as the principal advisor to—

(1) assist the head of such department, agency, or element and other officials of such department, agency, or element in appropriately considering privacy and civil liberties concerns when such officials are proposing, developing, or implementing laws, regulations, policies, procedures, or guidelines related to efforts to protect the Nation against terrorism;

(2) periodically investigate and review department, agency, or element actions, policies, procedures, guidelines, and related laws and their implementation to ensure that such department, agency, or element is adequately considering privacy and civil liberties in its actions;

(3) ensure that such department, agency, or element has adequate procedures to receive, investigate, respond to, and redress complaints from individuals who allege such department, agency, or element has violated their privacy or civil liberties; and

(4) in providing advice on proposals to retain or enhance a particular governmental power the officer shall consider whether such department, agency, or element has established—

(A) that the need for the power is balanced with the need to protect privacy and civil liberties;

(B) that there is adequate supervision of the use by such department, agency, or element of the power to ensure protection of privacy and civil liberties; and

(C) that there are adequate guidelines and oversight to properly confine its use.

(b) Exception to designation authority

(1) Privacy officers

In any department, agency, or element referred to in subsection (a) or designated by the Privacy and Civil Liberties Oversight Board, which has a statutorily created privacy officer, such officer shall perform the functions specified in subsection (a) with respect to privacy.

(2) Civil liberties officers

In any department, agency, or element referred to in subsection (a) or designated by the Board, which has a statutorily created civil liberties officer, such officer shall perform the functions specified in subsection (a) with respect to civil liberties.

(c) Supervision and coordination

Each privacy officer or civil liberties officer described in subsection (a) or (b) shall—

(1) report directly to the head of the department, agency, or element concerned; and

(2) coordinate their activities with the Inspector General of each department, agency, or element to avoid duplication of effort.
(d) Agency cooperation

The head of each department, agency, or element shall ensure that each privacy officer and civil liberties officer—

(1) has the information, material, and resources necessary to fulfill the functions of such officer;
(2) is advised of proposed policy changes;
(3) is consulted by decision makers; and
(4) is given access to material and personnel the officer determines to be necessary to carry out the functions of such officer.

(e) Reprisal for making complaint

No action constituting a reprisal, or threat of reprisal, for making a complaint or for disclosing information to a privacy officer or civil liberties officer described in subsection (a) or (b), or to the Privacy and Civil Liberties Oversight Board, that indicates a possible violation of privacy protections or civil liberties in the administration of the programs and operations of the Federal Government relating to efforts to protect the Nation from terrorism shall be taken by any Federal employee in a position to take such action, unless the complaint was made or the information was disclosed with the knowledge that it was false or with willful disregard for its truth or falsity.

(f) Periodic reports

(1) In general

The privacy officers and civil liberties officers of each department, agency, or element referred to or described in subsection (a) or (b) shall periodically, but not less than semiannually, submit a report on the activities of such officers—

(A)(i) to the appropriate committees of Congress, including the Committee on the Judiciary of the Senate, the Committee on the Judiciary of the House of Representatives, the Committee on Homeland Security and Governmental Affairs of the Senate, the Committee on Oversight and Government Reform of the House of Representatives, the Select Committee on Intelligence of the Senate, and the Permanent Select Committee on Intelligence of the House of Representatives;
(ii) to the head of such department, agency, or element; and
(iii) to the Privacy and Civil Liberties Oversight Board; and

(B) which shall be in unclassified form to the greatest extent possible, with a classified annex where necessary.

(2) Contents

Each report submitted under paragraph (1) shall include information on the discharge of each of the functions of the officer concerned, including—

(A) information on the number and types of reviews undertaken;
(B) the type of advice provided and the response given to such advice;
(C) the number and nature of the complaints received by the department, agency, or element concerned for alleged violations; and

(D) a summary of the disposition of such complaints, the reviews and inquiries conducted, and the impact of the activities of such officer.

(g) Informing the public

Each privacy officer and civil liberties officer shall—

(1) make the reports of such officer, including reports to Congress, available to the public to the greatest extent that is consistent with the protection of classified information and applicable law; and
(2) otherwise inform the public of the activities of such officer, as appropriate and in a manner consistent with the protection of classified information and applicable law.

(h) Savings clause

Nothing in this section shall be construed to limit or otherwise supplant any other authorities or responsibilities provided by law to privacy officers or civil liberties officers.

§ 2000ee–2. Privacy and data protection policies and procedures

(a) Privacy Officer

Each agency shall have a Chief Privacy Officer to assume primary responsibility for privacy and data protection policy, including—

(1) assuring that the use of technologies sustain, and do not erode, privacy protections relating to the use, collection, and disclosure of information in an identifiable form;
(2) assuring that technologies used to collect, use, store, and disclose information in identifiable form allow for continuous auditing of compliance with stated privacy policies and practices governing the collection, use and distribution of information in the operation of the program;
(3) assuring that personal information contained in Privacy Act systems of records is handled in full compliance with fair information practices as defined in the Privacy Act of 1974 (5 U.S.C. 552a);
(4) evaluating legislative and regulatory proposals involving collection, use, and disclosure of personal information by the Federal Government;
(5) conducting a privacy impact assessment of proposed rules of the Department on the privacy of information in an identifiable form, including the type of personally identifiable information collected and the number of people affected;
(6) preparing a report to Congress on an annual basis on activities of the Department that affect privacy, including complaints of privacy violations, implementation of section 552a of title 5, 11 internal controls, and other relevant matters;
(7) ensuring that the Department protects information in an identifiable form and information systems from unauthorized access, use, disclosure, disruption, modification, or destruction;
(8) training and educating employees on privacy and data protection policies to promote awareness of and compliance with established privacy and data protection policies; and
(9) ensuring compliance with the Departments2 established privacy and data protection policies.
(b) Establishing privacy and data protection procedures and policies

(1) In general

Within 12 months of December 8, 2004, each agency shall establish and implement comprehensive privacy and data protection procedures governing the agency’s collection, use, sharing, disclosure, transfer, storage and security of information in an identifiable form relating to the agency employees and the public. Such procedures shall be consistent with legal and regulatory guidance, including OMB regulations, the Privacy Act of 1974 [5 U.S.C. 552a], and section 208 of the E-Government Act of 2002.

(c) Recording

Each agency shall prepare a written report of its use of information in an identifiable form, along with its privacy and data protection policies and procedures and record it with the Inspector General of the agency to serve as a benchmark for the agency. Each report shall be signed by the agency privacy officer to verify that the agency intends to comply with the procedures in the report. By signing the report the privacy officer also verifies that the agency is only using information in identifiable form as detailed in the report.

(d) Inspector General review

The Inspector General of each agency shall periodically conduct a review of the agency’s implementation of this section and shall report the results of its review to the Committees on Appropriations of the House of Representatives and the Senate, the House Committee on Oversight and Government Reform, and the Senate Committee on Homeland Security and Governmental Affairs. The report required by this review may be incorporated into a related report to Congress otherwise required by law including, but not limited to, section 3545 of title 44, the Federal Information Security Management Act of 2002. The Inspector General may contract with an independent, third party organization to conduct the review.

(e) Report

(1) In general

Upon completion of a review, the Inspector General of an agency shall submit to the head of that agency a detailed report on the review, including recommendations for improvements or enhancements to management of information in identifiable form, and the privacy and data protection procedures of the agency.

(2) Internet availability

Each agency shall make each independent third party review, and each report of the Inspector General relating to that review available to the public.

(f) Definition

In this section, the definition of “identifiable form” is consistent with Public Law 107–347, the E-Government Act of 2002, and means any representation of information that permits the identity of an individual to whom the information applies to be reasonably inferred by either direct or indirect means.

CHANGE OF NAME

Committee on Oversight and Government Reform of House of Representatives changed to Committee on Oversight and Government Reform of House of Representatives by House Resolution No. 6, One Hundred Sixteenth Congress, Jan. 9, 2019.

EX. ORD. NO. 13719, ESTABLISHMENT OF THE FEDERAL PRIVACY COUNCIL

Ex. Ord. No. 13719, Feb. 9, 2016, 81 F.R. 7961, provided: By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

SECTION 1. Policy. The mission of the United States Government is to serve its people. In order to accomplish its mission, the Government lawfully collects, maintains, and uses large amounts of information about people in a wide range of contexts. Protecting privacy in the collection and handling of this information is fundamental to the successful accomplishment of the Government’s mission. The proper functioning of Government requires the public’s trust, and to maintain that trust the Government must strive to uphold the highest standards for collecting, maintaining, and using personal data. Privacy has been at the heart of our democracy from its inception, and we need it now more than ever.

Executive departments and agencies (agencies) already take seriously their mission to protect privacy and have been working diligently to advance that mission through existing interagency mechanisms. Today’s challenges, however, require that we find even more effective and innovative ways to improve the Government’s efforts. Our efforts to meet these new challenges and preserve our core value of privacy, while delivering better and more effective Government services for the American people, demand leadership and enhanced coordination and collaboration among a diverse group of stakeholders and experts.

Therefore, it shall be the policy of the United States Government that agencies shall establish an interagency support structure that: builds on existing interagency efforts to protect privacy and provides expertise and assistance to agencies; expands the skill and career development opportunities of agency privacy professionals; improves the management of agency privacy programs by identifying and sharing lessons learned and best practices; and promotes and preserves the appropriate privacy safeguards; and among agency privacy professionals to reduce unnecessary duplication of efforts and to ensure the effective, efficient, and consistent implementation of privacy policy Government-wide.

SISC. 2. Policy on Senior Agency Officials for Privacy. Within 120 days of the date of this order, the Director of the Office of Management and Budget (Director) shall issue a revised policy on the role and designation of the Senior Agency Officials for Privacy. The policy shall provide guidance on the Senior Agency Official for Privacy’s responsibilities at their agencies, required level of expertise, adequate level of resources, and other matters as determined by the Director. Agencies shall implement the requirements of the policy within a reasonable time frame as prescribed by the Director and consistent with applicable law.

SISC. 3. Responsibilities of Agency Heads. The head of each agency, consistent with guidance to be issued by the Director as required in section 2 of this order, shall designate or re-designate a Senior Agency Official for Privacy with the experience and skills necessary to manage an agency-wide privacy program. In addition, the head of each agency, to the extent permitted by law and consistent with applicable law, shall issue a revised policy on the role and responsibilities of the Senior Agency Official for Privacy, consistent with applicable law, which shall be consistent with this order.

SISC. 4. The Federal Privacy Council. (a) Establishment. There is hereby established the Federal Privacy Council (Privacy Council) as the principal interagency forum to improve the Government privacy practices of agencies and entities acting on their behalf. The establishment of the Privacy Council will help Senior Agency Officials for Privacy at agencies better coordinate and collaborate, educate the Federal workforce, and exchange best practices. The activities of the Privacy Council will reinforce the essential work that agency privacy officials undertake every day to protect privacy.

(b) Membership. The Chair of the Privacy Council shall be the Deputy Director for Management of the Office of Management and Budget. The Chair may designate a Vice Chair, establish working groups, and assign responsibilities for operations of the Privacy Council as he or she deems necessary. In addition to the Chair, the Privacy Council shall be composed of the Senior Agency Officials for Privacy at the following agencies:

(i) Department of State;
(ii) Department of the Treasury;
(iii) Department of Defense;
(iv) Department of Justice;
(v) Department of the Interior;
(vi) Department of Agriculture;
(vii) Department of Commerce;
(viii) Department of Labor;
(ix) Department of Health and Human Services;
(x) Department of Homeland Security;
(xi) Department of Housing and Urban Development;
(xii) Department of Transportation;
(xiii) Department of Energy;
(xiv) Department of Education;
(xv) Department of Veterans Affairs;
(xvi) Environmental Protection Agency;
(xvii) Office of the Director of National Intelligence;
(xviii) Small Business Administration;
(xix) National Aeronautics and Space Administration;
(xx) Agency for International Development;
(xxi) General Services Administration;
(xxii) National Science Foundation;
(xxiii) Office of Personnel Management; and
(xxiv) National Archives and Records Administration.

The Privacy Council may also include other officials from agencies and offices, as the Chair may designate, and the Chair may invite the participation of officials from such independent agencies as he or she deems appropriate.

(c) Functions. The Privacy Council shall:

(i) develop recommendations for the Office of Management and Budget on federal Government privacy policies and requirements;
(ii) coordinate and share ideas, best practices, and approaches for protecting privacy and implementing appropriate privacy safeguards;
(iii) assess and recommend how best to address the hiring, training, and professional development needs of the Federal Government with respect to privacy matters; and
(iv) perform other privacy-related functions, consistent with law, as designated by the Chair.

(d) Coordination.

(i) The Chair and the Privacy Council shall coordinate with the Federal Chief Information Officers Council (CIO Council) to promote consistency and efficiency across the executive branch when addressing privacy and information security issues. In addition, the Chairs of the Privacy Council and the CIO Council shall coordinate to ensure that the work of the two councils is complementary and not duplicative.

(ii) The Chair and the Privacy Council should coordinate, as appropriate, with such other interagency councils and councils and offices within the Executive Office of the President, as appropriate, including the President’s Management Council, the Chief Financial Officers Council, the President’s Council on Integrity and Efficiency, the National Science and Technology
§ 2000ee–3. Federal agency data mining reporting

(a) Short title

This section may be cited as the “Federal Agency Data Mining Reporting Act of 2007”.

(b) Definitions

In this section:

(1) Data mining

The term “data mining” means a program involving pattern-based queries, searches, or other analyses of 1 or more electronic databases, where—

(A) a department or agency of the Federal Government, or a non-Federal entity acting on behalf of the Federal Government, is conducting the queries, searches, or other analyses to discover or locate a predictive pattern or anomaly indicative of terrorist or criminal activity on the part of any individual or individuals;

(B) the queries, searches, or other analyses are not subject-based and do not use personal identifiers of a specific individual, or inputs associated with a specific individual or group of individuals, to retrieve information from the database or databases; and

(C) the purpose of the queries, searches, or other analyses is not solely—

(i) the detection of fraud, waste, or abuse in a Government agency or program; or

(ii) the security of a Government computer system.

(2) Database

The term “database” does not include telephone directories, news reporting, information publicly available to any member of the public without payment of a fee, or databases of judicial and administrative opinions or other legal research sources.

(c) Reports on data mining activities by Federal agencies

(1) Requirement for report

The head of each department or agency of the Federal Government that is engaged in any activity to use or develop data mining shall submit a report to Congress on all such activities of the department or agency under the jurisdiction of that official. The report shall be produced in coordination with the privacy officer of that department or agency, if applicable, and shall be made available to the public, except for an annex described in subparagraph (C).1

(2) Content of report

Each report submitted under subparagraph (A)2 shall include, for each activity to use or develop data mining, the following information:

(A) A thorough description of the data mining activity, its goals, and, where appropriate, the target dates for the deployment of the data mining activity.

(B) A thorough description of the data mining technology that is being used or will be used, including the basis for determining whether a particular pattern or anomaly is indicative of terrorist or criminal activity.

(C) A thorough description of the data sources that are being or will be used.

(D) An assessment of the efficacy or likely impact of the implementation of the data mining activity on the privacy and civil liberties of individuals, including a thorough description of the actions that are being taken or will be taken with regard to the property, privacy, or other rights or privileges of any individual or individuals as a result of the implementation of the data mining activity.

(E) An assessment of the impact or likely impact of the implementation of the data mining activity on the privacy and civil liberties of individuals, including a thorough description of the actions that are being taken or will be taken with regard to the property, privacy, or other rights or privileges of any individual or individuals as a result of the implementation of the data mining activity.

(F) A list and analysis of the laws and regulations that govern the information being or to be collected, reviewed, gathered, analyzed, or used in conjunction with the data mining activity, to the extent applicable in the context of the data mining activity.

(G) A thorough discussion of the policies, procedures, and guidelines that are in place or that are to be developed and applied in the use of such data mining activity in order to—

(i) protect the privacy and due process rights of individuals, such as redress procedures; and

(ii) ensure that only accurate and complete information is collected, reviewed, gathered, analyzed, or used, and guard against any harmful consequences of potential inaccuracies.

(3) Annex

(A) In general

A report under subparagraph (A) shall include in an annex any necessary—

(i) classified information;

(ii) law enforcement sensitive information;

(B) In specific data mining activity

In any annex described in subparagraph (C) of paragraph (1) of this section, a report under subparagraph (A)

1 So in original. Probably should be “paragraph (3)".

2 So in original. Probably should be “paragraph (1)".
(iii) proprietary business information; or (iv) trade secrets (as that term is defined in section 1839 of title 18).

(B) Availability

Any annex described in clause (i)—

(i) shall be available, as appropriate, and consistent with the National Security Act of 1947 [50 U.S.C. 3001 et seq.], to the Committee on Homeland Security and Governmental Affairs, the Committee on the Judiciary, the Select Committee on Intelligence, the Committee on Appropriations, and the Committee on Banking, Housing, and Urban Affairs of the Senate and the Committee on the Judiciary, the Permanent Select Committee on Intelligence, the Committee on Appropriations, and the Committee on Financial Services of the House of Representatives; and 

(ii) shall not be made available to the public.

(4) Time for report

Each report required under subparagraph (A) shall be—

(A) submitted not later than 180 days after August 3, 2007; and

(B) updated not less frequently than annually thereafter, to include any activity to use or develop data mining engaged in after the date of the prior report submitted under subparagraph (A).2

REPRESENTATIONS IN TEXT

The National Security Act of 1947, referred to in subsec. (c)(3)(B)(i), is act July 26, 1947, ch. 343, 61 Stat. 495, which was formerly classified principally to chapter 15 (§ 401 et seq.) of Title 50, War and National Defense, prior to editorial reclassification in Title 50, and is now classified principally to chapter 44 (§ 3001 et seq.) of Title 50. For complete classification of this Act to the Code, see Tables.

CHAPTER 21F—PROHIBITING EMPLOYMENT DISCRIMINATION ON THE BASIS OF GENETIC INFORMATION

Sec.

2000ff-1. Employer practices.

2000ff-4. Training programs.

2000ff-6. Remedies and enforcement.

2000ff-9. Medical information that is not genetic information.

§ 2000ff. Definitions

In this chapter:

(1) Commission

The term “Commission” means the Equal Employment Opportunity Commission as created by section 2000e–4 of this title.

(2) Employee; employer; employment agency; labor organization; member

(A) In general

The term “employee” means—

(i) an employee (including an applicant), as defined in section 2000e(f) of this title; 

(ii) a State employee (including an applicant) described in section 2000e–16c(a) of this title; 

(iii) a covered employee (including an applicant), as defined in section 1301 of title 2; 

(iv) a covered employee (including an applicant), as defined in section 411(c) of title 3; or 

(v) an employee or applicant to which section 2000e–16(a) of this title applies.

(B) Employer

The term “employer” means—

(i) an employer (as defined in section 2000e(b) of this title); 

(ii) an entity employing a State employee described in section 2000e–16c(a) of this title; 

(iii) an employing office, as defined in section 1301 of title 2; 

(iv) an employing office, as defined in section 411(c) of title 3; or 

(v) an entity to which section 2000e–16(a) of this title applies.

(C) Employment agency; labor organization

The terms “employment agency” and “labor organization” have the meanings given the terms in section 2000e of this title.

(D) Member

The term “member”, with respect to a labor organization, includes an applicant for membership in a labor organization.

(3) Family member

The term “family member” means, with respect to an individual—

(A) a dependent (as such term is used for purposes of section 1181(f)(2) of title 29) of such individual, and 

(B) any other individual who is a first-degree, second-degree, third-degree, or fourth-degree relative of such individual or of an individual described in subparagraph (A).

(4) Genetic information

(A) In general

The term “genetic information” means, with respect to any individual, information about—

(i) such individual’s genetic tests, 

(ii) the genetic tests of family members of such individual, and 

(iii) the manifestation of a disease or disorder in family members of such individual.

(B) Inclusion of genetic services and participation in genetic research

Such term includes, with respect to any individual, any request for, or receipt of, genetic services, or participation in clinical research which includes genetic services, by such individual or any family member of such individual.
(C) Exclusions

The term "genetic information" shall not include information about the sex or age of any individual.

(5) Genetic monitoring

The term "genetic monitoring" means the periodic examination of employees to evaluate acquired modifications to their genetic material, such as chromosomal damage or evidence of increased occurrence of mutations, that may have developed in the course of employment due to exposure to toxic substances in the workplace, in order to identify, evaluate, and respond to the effects of or control adverse environmental exposures in the workplace.

(6) Genetic services

The term "genetic services" means—

(A) a genetic test;

(B) genetic counseling (including obtaining, interpreting, or assessing genetic information); or

(C) genetic education.

(7) Genetic test

(A) in general

The term "genetic test" means an analysis of human DNA, RNA, chromosomes, proteins, or metabolites, that detects genotypes, mutations, or chromosomal changes.

(B) exceptions

The term "genetic test" does not mean an analysis of proteins or metabolites that does not detect genotypes, mutations, or chromosomal changes.

Short Title

Pub. L. 110–233, title II, §213, May 21, 2008, 122 Stat. 920, provided that: "This Act [enacting this chapter] takes effect on the date that is 18 months after the date of enactment of this Act [May 21, 2008]."

(1) Deciphering the sequence of the human genome and other advances in genetics open major new opportunities for medical progress. New knowledge about the genetic basis of illness will allow for earlier detection before symptoms become apparent. Genetic testing can allow individuals to take steps to reduce the likelihood that they will contract a particular disorder. New knowledge about genetics may allow for the development of better therapies that are more effective against disease or have fewer side effects than current treatments. These advances give rise to the potential misuse of genetic information to discriminate in health insurance and employment.

(2) The early science of genetics became the basis of State laws that provided for the sterilization of persons having presumed genetic 'defects' such as intellectual disabilities, mental disease, epilepsy, blindness, and hearing loss, among other conditions. The first sterilization law was enacted in the State of Indiana in 1907. By 1981, a majority of States adopted sterilization laws to 'correct' apparent genetic traits or tendencies. Many of these State laws have since been repealed, and many have been modified to include essential constitutional requirements of due process and equal protection. However, the current explosion in the science of genetics, and the history of sterilization laws by the States based on early genetic science, compels Congressional action in this area.

(3) Although genes are facially neutral markers, many genetic conditions and disorders are associated with particular racial and ethnic groups and gender. Because some genetic traits are most prevalent in particular groups, members of a particular group may be stigmatized or discriminated against as a result of that genetic information. This form of discrimination was evident in the 1970s, which saw the advent of programs to screen and identify carriers of sickle cell anemia, a disease which afflicts African-Americans. Once again, State legislatures began to enact discriminatory laws in the area, and in the early 1970s began mandating genetic screening of all African-Americans for sickle cell anemia, leading to discrimination and unnecessary fear. To alleviate some of this stigma, Congress in 1972 passed the National Sickle Cell Anemia Control Act (Pub. L. 92–294, see Tables for classification), which withholds Federal funding from States unless sickle cell testing is voluntary.

(4) Congress has been informed of examples of genetic discrimination in the workplace. These include the use of pre-employment genetic screening at Lawrence Berkeley Laboratory, which led to a court decision in favor of the employees in that case [sic] Norman-Bloodsaw v. Lawrence Berkeley Laboratory (135 F.3d 1360, 1269 (9th Cir. 1998)). Congress clearly has a compelling public interest in relieving the fear of discrimination and in prohibiting its actual practice in employment and health insurance.

(5) Federal law addressing genetic discrimination in health insurance and employment is incomplete in both the scope and depth of its protections. Moreover, while many States have enacted some type of genetic non-discrimination law, these laws vary widely with respect to their approach, application, and level of protection. Congress has collected substantial evidence that the American public and the medical community find the existing patchwork of State and Federal laws to be confusing and inadequate to protect them from discrimination. Therefore Federal legislation establishing a national and uniform basic standard is necessary to fully protect the public from discrimination and allay their concerns about the potential for discrimination, thereby allowing individuals to take advantage of genetic testing, technologies, research, and new therapies.

For meaning of references to an intellectual disability and to individuals with intellectual disabilities...

§ 2000ff–1. Employer practices

(a) Discrimination based on genetic information

It shall be an unlawful employment practice for an employer—

(1) to fail or refuse to hire, or to discharge, any employee, or otherwise to discriminate against any employee with respect to the compensation, terms, conditions, or privileges of employment of the employee, because of genetic information with respect to the employee; or

(2) to limit, segregate, or classify the employees of the employer in any way that would deprive or tend to deprive any employee of employment opportunities or otherwise adversely affect the status of the employee as an employee, because of genetic information with respect to the employee.

(b) Acquisition of genetic information

It shall be an unlawful employment practice for an employer to request, require, or purchase—

(A) health or genetic services are offered by the employer, including such services offered as part of a wellness program;

(B) the employee provides prior, knowing, voluntary, and written authorization;

(C) only the employee (or family member if the family member is receiving genetic services) and the licensed health care professional or board certified genetic counselor involved in providing such services receive individually identifiable information concerning the results of such services; and

(D) any individually identifiable genetic information provided under subparagraph (C) in connection with the services provided under subparagraph (A) is only available for purposes of such services and shall not be disclosed to the employer except in aggregate terms that do not disclose the identity of specific employees;

(3) where an employer requests or requires family medical history from the employee to comply with the certification provisions of section 2013 of title 29 or such requirements under State family and medical leave laws;

(4) where an employer purchases documents that are commercially and publicly available (including newspapers, magazines, periodicals, and books, but not including medical databases or court records) that include family medical history;

(5) where the information involved is to be used for genetic monitoring of the biological effects of toxic substances in the workplace, but only if—

(A) the employer provides written notice of the genetic monitoring to the employee;

(B)(i) the employee provides prior, knowing, voluntary, and written authorization; or

(ii) the genetic monitoring is required by Federal or State law;

(C) the employee is informed of individual monitoring results;

(D) the monitoring is in compliance with—

(i) any Federal genetic monitoring regulations, including any such regulations that may be promulgated by the Secretary of Labor pursuant to the Occupational Safety and Health Act of 1970 (29 U.S.C. 651 et seq.), the Federal Mine Safety and Health Act of 1977 (30 U.S.C. 801 et seq.), or the Atomic Energy Act of 1954 (42 U.S.C. 2011 et seq.); or

(ii) State genetic monitoring regulations, in the case of a State that is implementing genetic monitoring regulations under the authority of the Occupational Safety and Health Act of 1970 (29 U.S.C. 651 et seq.); and

(E) the employer, excluding any licensed health care professional or board certified genetic counselor that is involved in the genetic monitoring program, receives the results of the monitoring only in aggregate terms that do not disclose the identity of specific employees; or

(6) where the employer conducts DNA analysis for law enforcement purposes as a forensic laboratory or for purposes of human remains identification, and requests or requires genetic information of such employer’s employees, but only to the extent that such genetic information is used for analysis of DNA identification markers for quality control to detect sample contamination.

(c) Preservation of protections

In the case of information to which any of paragraphs (1) through (6) of subsection (b) applies, such information may not be used in violation of paragraph (1) or (2) of subsection (a) or treated or disclosed in a manner that violates section 2000ff–5 of this title.

§ 2000ff-2. Employment agency practices

(a) Discrimination based on genetic information

It shall be an unlawful employment practice for an employment agency—
(1) to fail or refuse to refer for employment, or otherwise to discriminate against, any individual because of genetic information with respect to the individual;
(2) to limit, segregate, or classify individuals or fail or refuse to refer for employment any individual in any way that would deprive or tend to deprive any individual of employment opportunities, or otherwise adversely affect the status of the individual as an employee, because of genetic information with respect to the individual; or
(3) to cause or attempt to cause an employer to discriminate against an individual in violation of this chapter.

(b) Acquisition of genetic information

It shall be an unlawful employment practice for an employment agency to request, require, or purchase genetic information with respect to an individual or a family member of the individual except—
(1) where an employment agency inadvertently requests or requires family medical history of the individual or family member of the individual;
(2) where—
(A) health or genetic services are offered by the employment agency, including such services offered as part of a wellness program;
(B) the individual provides prior, knowing, voluntary, and written authorization;
(C) only the individual (or family member if the family member is receiving genetic services) and the licensed health care professional or board certified genetic counselor involved in providing such services receive individually identifiable information concerning the results of such services; and
(D) any individually identifiable genetic information provided under subparagraph (C) in connection with the services provided under subparagraph (A) is only available for purposes of such services and shall not be disclosed to the employment agency except in aggregate terms that do not disclose the identity of specific individuals.
(3) where an employment agency requests or requires family medical history from the individual to comply with the certification provisions of section 2613 of title 29 or such requirements under State family and medical leave laws;
(4) where an employment agency purchases documents that are commercially and publicly available (including newspapers, magazines, periodicals, and books, but not including medical databases or court records) that include family medical history; or
(5) where the information involved is to be used for genetic monitoring of the biological effects of toxic substances in the workplace, but only if—
(A) the employment agency provides written notice of the genetic monitoring to the individual;
(B)(i) the individual provides prior, knowing, voluntary, and written authorization; or
(ii) the genetic monitoring is required by Federal or State law;
(C) the individual is informed of individual monitoring results;
(D) the monitoring is in compliance with—
(i) any Federal genetic monitoring regulations, including any such regulations that may be promulgated by the Secretary of Labor pursuant to the Occupational Safety and Health Act of 1970 (29 U.S.C. 651 et seq.), the Federal Mine Safety and Health Act of 1977 (30 U.S.C. 801 et seq.), or the Atomic Energy Act of 1954 (42 U.S.C. 2136 et seq.); or
(ii) State genetic monitoring regulations, in the case of a State that is implementing genetic monitoring regulations under the authority of the Occupational Safety and Health Act of 1970 (29 U.S.C. 651 et seq.); and
(E) the employment agency, excluding any licensed health care professional or board certified genetic counselor that is involved in the genetic monitoring program, receives the results of the monitoring only in aggregate terms that do not disclose the identity of specific individuals.

(c) Preservation of protections

In the case of information to which any of paragraphs (1) through (5) of subsection (b) applies, such information may not be used in violation of paragraph (1), (2), or (3) of subsection (a) or treated or disclosed in a manner that violates section 2000ff-5 of this title.

§ 2000ff-3. Labor organization practices

(a) Discrimination based on genetic information

It shall be an unlawful employment practice for a labor organization—
(1) to exclude or to expel from the membership of the organization, or otherwise to dis-
criminate against, any member because of genetic information with respect to the member;
(2) to limit, segregate, or classify the members of the organization, or fail or refuse to refer for employment any member, in any way that would deprive or tend to deprive any member of employment opportunities, or otherwise adversely affect the status of the member as an employee, because of genetic information with respect to the member; or
(3) to cause or attempt to cause an employer to discriminate against a member in violation of this chapter.

(b) Acquisition of genetic information

It shall be an unlawful employment practice for a labor organization to request, require, or purchase genetic information with respect to a member or a family member of the member except—
(1) where a labor organization inadvertently requests or requires family medical history of the member or family member of the member;
(2) where—
(A) health or genetic services are offered by the labor organization, including such services offered as part of a wellness program;
(B) the member provides prior, knowing, voluntary, and written authorization;
(C) only the member (or family member if the family member is receiving genetic services) and the licensed health care professional or board certified genetic counselor involved in providing such services receive individually identifiable information concerning the results of such services; and
(D) any individually identifiable genetic information provided under subparagraph (A) is only available for purposes of such services and shall not be disclosed to the labor organization except in aggregate terms that do not disclose the identity of specific members;
(3) where a labor organization requests or requires family medical history from the members to comply with the certification provisions of section 2013 of title 29 or such requirements under State family and medical leave laws;
(4) where a labor organization purchases documents that are commercially and publicly available (including newspapers, magazines, periodicals, and books, but not including medical databases or court records) that include family medical history; or
(5) where the information involved is to be used for genetic monitoring of the biological effects of toxic substances in the workplace, but only if—
(A) the labor organization provides written notice of the genetic monitoring to the member;
(B)(i) the member provides prior, knowing, voluntary, and written authorization; or
(ii) the genetic monitoring is required by Federal or State law;
(C) the member is informed of individual monitoring results;
(D) the monitoring is in compliance with—
(i) any Federal genetic monitoring regulations, including any such regulations that may be promulgated by the Secretary of Labor pursuant to the Occupational Safety and Health Act of 1970 (29 U.S.C. 651 et seq.), the Federal Mine Safety and Health Act of 1977 (30 U.S.C. 801 et seq.), or the Atomic Energy Act of 1954 (42 U.S.C. 2011 et seq.); or
(ii) State genetic monitoring regulations, in the case of a State that is implementing genetic monitoring regulations under the authority of the Occupational Safety and Health Act of 1970 (29 U.S.C. 651 et seq.); and
(E) the labor organization, excluding any licensed health care professional or board certified genetic counselor that is involved in the genetic monitoring program, receives the results of the monitoring only in aggregate terms that do not disclose the identity of specific members.

(c) Preservation of protections

In the case of information to which any of paragraphs (1) through (5) of subsection (b) applies, such information may not be used in violation of paragraph (1), (2), or (3) of subsection (a) or treated or disclosed in a manner that violates section 2000ff–5 of this title.

§ 2000ff–4. Training programs

(a) Discrimination based on genetic information

It shall be an unlawful employment practice for any employer, labor organization, or joint labor-management committee controlling apprenticeship or other training or retraining, including on-the-job training programs—
(1) to discriminate against any individual because of genetic information with respect to the individual in admission to, or employment in, any program established to provide apprenticeship or other training or retraining;
(2) to limit, segregate, or classify the applicants or participants in such apprenticeship or other training or retraining, or fail or refuse to refer for employment any individual, in any way that would deprive or tend to deprive any individual of employment opportunities, or otherwise adversely affect the status of the individual as an employee, because of genetic information with respect to the individual; or

(3) to cause or attempt to cause an employer to discriminate against an applicant for or a participant in such apprenticeship or other training or retraining in violation of this chapter.

(b) Acquisition of genetic information

It shall be an unlawful employment practice for an employer, labor organization, or joint labor-management committee described in subsection (a) to request, require, or purchase genetic information with respect to an individual or a family member of the individual except—

(1) where the employer, labor organization, or joint labor-management committee inadvertently requests or requires family medical history of the individual or family member of the individual;

(2) where—

(A) health or genetic services are offered by the employer, labor organization, or joint labor-management committee, including such services offered as part of a wellness program;

(B) the individual provides prior, knowing, voluntary, and written authorization;

(C) only the individual (or family member if the family member is receiving genetic services) and the licensed health care professional or board certified genetic counselor involved in providing such services receive individually identifiable information concerning the results of such services; and

(D) any individually identifiable genetic information provided under subparagraph (C) in connection with the services provided under subparagraph (A) is only available for purposes of such services and shall not be disclosed to the employer, labor organization, or joint labor-management committee except in aggregate terms that do not disclose the identity of specific individuals;

(3) where the employer, labor organization, or joint labor-management committee requests or requires family medical history from the individual to comply with the certification provisions of section 2613 of title 29 or such requirements under State family and medical leave laws;

(4) where the employer, labor organization, or joint labor-management committee purchases documents that are commercially and publicly available (including newspapers, magazines, periodicals, and books, but not including medical databases or court records) that include family medical history;

(5) where the information involved is to be used for genetic monitoring of the biological effects of toxic substances in the workplace, but only if—

(A) the employer, labor organization, or joint labor-management committee provides written notice of the genetic monitoring to the individual;

(B)(i) the individual provides prior, knowing, voluntary, and written authorization; or

(ii) the genetic monitoring is required by Federal or State law;

(C) the individual is informed of individual monitoring results;

(D) the monitoring is in compliance with—

(i) any Federal genetic monitoring regulations, including any such regulations that may be promulgated by the Secretary of Labor pursuant to the Occupational Safety and Health Act of 1970 (29 U.S.C. 651 et seq.), the Federal Mine Safety and Health Act of 1977 (30 U.S.C. 801 et seq.); or

(ii) State genetic monitoring regulations, in the case of a State that is implementing genetic monitoring regulations under the authority of the Occupational Safety and Health Act of 1970 (29 U.S.C. 651 et seq.); and

(E) the employer, labor organization, or joint labor-management committee, excluding any licensed health care professional or board certified genetic counselor that is involved in the genetic monitoring program, receives the results of the monitoring only in aggregate terms that do not disclose the identity of specific individuals; or

(6) where the employer conducts DNA analysis for law enforcement purposes as a forensic laboratory or for purposes of human remains identification, and requests or requires genetic information of such employer’s apprentices or trainees, but only to the extent that such genetic information is used for analysis of DNA identification markers for quality control to detect sample contamination.

(c) Preservation of protections

In the case of information to which any of paragraphs (1) through (6) of subsection (b) applies, such information may not be used in violation of paragraph (1), (2), or (3) of subsection (a) or treated or disclosed in a manner that violates section 2000ff–5 of this title.

§ 2000ff-5. Confidentiality of genetic information

(a) Treatment of information as part of confidential medical record

If an employer, employment agency, labor organization, or joint labor-management committee possesses genetic information about an employee or member, such information shall be maintained on separate forms and in separate medical files and be treated as a confidential medical record with respect to the employee or member. An employer, employment agency, labor organization, or joint labor-management committee shall be considered to be in compliance with the maintenance of information requirements of this subsection with respect to genetic information subject to this subsection that is maintained with and treated as a confidential medical record under section 12112(d)(3)(B) of this title.

(b) Limitation on disclosure

An employer, employment agency, labor organization, or joint labor-management committee shall not disclose genetic information concerning an employee or member except—

(1) to the employee or member of a labor organization (or family member if the family member is receiving the genetic services) at the written request of the employee or member of such organization;

(2) to an occupational or other health researcher if the research is conducted in compliance with the regulations and protections provided for under part 46 of title 45, Code of Federal Regulations;

(3) in response to an order of a court, except that—

(A) the employer, employment agency, labor organization, or joint labor-management committee may disclose only the genetic information expressly authorized by such order; and

(B) if the court order was secured without the knowledge of the employee or member to whom the information refers, the employer, employment agency, labor organization, or joint labor-management committee shall inform the employee or member of the court order and any genetic information that was disclosed pursuant to such order;

(4) to government officials who are investigating compliance with this chapter if the information is relevant to the investigation;

(5) to the extent that such disclosure is made in connection with the employee’s compliance with the certification provisions of section 2613 of title 29 or such requirements under State family and medical leave laws; or

(6) to a Federal, State, or local public health agency only with regard to information that is described in section 2000ff(d)(A)(iii) of this title and that concerns a contagious disease that presents an imminent hazard of death or life-threatening illness, and that the employee whose family member or family members is or are the subject of a disclosure under this paragraph is notified of such disclosure.

(c) Relationship to HIPAA regulations

With respect to the regulations promulgated by the Secretary of Health and Human Services under part C of title XI of the Social Security Act (42 U.S.C. 1320d et seq.) and section 264 of the Health Insurance Portability and Accountability Act of 1996 (42 U.S.C. 1320d–2 note), this chapter does not prohibit a covered entity under such regulations from any use or disclosure of health information that is authorized for the covered entity under such regulations. The previous sentence does not affect the authority of such Secretary to modify such regulations.

§ 2000ff-6. Remedies and enforcement

(a) Employees covered by title VII of the Civil Rights Act of 1964

(1) In general

The powers, procedures, and remedies provided in sections 705, 706, 707, 708, 710, and 711 of the Civil Rights Act of 1964 [42 U.S.C. 2000e–4 to 2000e–6, 2000e–8 to 2000e–10] to the Commission, the Attorney General, or any person, alleging a violation of title VII of that Act (42 U.S.C. 2000e et seq.) shall be the powers, procedures, and remedies this chapter provides to the Commission, the Attorney General, or any person, respectively, alleging an unlawful employment practice in violation of this chapter against an employee described in section 2000ff(2)(A)(i) of this title, except as provided in paragraphs (2) and (3).

(2) Costs and fees

The powers, remedies, and procedures provided in subsections (b) and (c) of section 1988 of this title, shall be powers, remedies, and procedures this chapter provides to the Commission, the Attorney General, or any person, alleging such a practice.

(3) Damages

The powers, remedies, and procedures provided in section 1981a of this title, including

1 So in original. The comma probably should not appear.
the limitations contained in subsection (b)(3) of such section 1981a, shall be powers, remedies, and procedures this chapter provides to the Commission, the Attorney General, or any person, alleging such a practice (not an employment practice specifically excluded from coverage under section 1981a(a)(1) of this title).

(b) Employees covered by Government Employee Rights Act of 1991

(1) In general

The powers, remedies, and procedures provided in sections 302 and 304 of the Government Employee Rights Act of 1991 (42 U.S.C. 2000e–16b, 2000e–16c) to the Commission, or any person, alleging a violation of section 302(a)(1) of that Act (42 U.S.C. 2000e–16b(a)(1)) shall be the powers, remedies, and procedures this chapter provides to the Commission, or any person, respectively, alleging an unlawful employment practice in violation of this chapter against an employee described in section 2000ff(2)(A)(ii) of this title, except as provided in paragraphs (2) and (3).

(2) Costs and fees

The powers, remedies, and procedures provided in subsections (b) and (c) of section 1988 of this title, including the limitations contained in subsection (b)(3) of such section 1981a, shall be powers, remedies, and procedures this chapter provides to the Commission, or any person, alleging such a practice (not an employment practice specifically excluded from coverage under section 1981a(a)(1) of this title).

(c) Employees covered by Congressional Accountability Act of 1995

(1) In general

The powers, remedies, and procedures provided in the Congressional Accountability Act of 1995 (2 U.S.C. 1301 et seq.) to the Board (as defined in section 101 of that Act (2 U.S.C. 1311(a)(1))) of such section 1981a, shall be powers, remedies, and procedures this chapter provides to the Commission, or any person, alleging an unlawful employment practice in violation of this chapter against an employee described in section 2000ff(2)(A)(iv) of this title, except as provided in paragraphs (2) and (3).

(2) Costs and fees

The powers, remedies, and procedures provided in subsections (b) and (c) of section 1988 of this title, including the limitations contained in subsection (b)(3) of such section 1981a, shall be powers, remedies, and procedures this chapter provides to the President, the Commission, such Board, or any person, alleging such a practice.

(3) Damages

The powers, remedies, and procedures provided in section 1981a of this title, including the limitations contained in subsection (b)(3) of such section 1981a, shall be powers, remedies, and procedures this chapter provides to the President, the Commission, such Board, or any person, alleging such a practice.

(d) Employees covered by chapter 5 of title 3

(1) In general

The powers, remedies, and procedures provided in chapter 5 of title 3 to the President, the Commission, the Merit Systems Protection Board, or any person, alleging a violation of section 411(a)(1) of that title, shall be the powers, remedies, and procedures this chapter provides to the President, the Commission, such Board, or any person, respectively, alleging an unlawful employment practice in violation of this chapter against an employee described in section 2000ff(2)(A)(vi) of this title, except as provided in paragraphs (2) and (3).

(2) Costs and fees

The powers, remedies, and procedures provided in subsections (b) and (c) of section 1988 of this title, including the limitations contained in subsection (b)(3) of such section 1981a, shall be powers, remedies, and procedures this chapter provides to the President, the Commission, such Board, or any person, alleging such a practice.

(e) Employees covered by section 717 of the Civil Rights Act of 1964

(1) In general

The powers, remedies, and procedures provided in section 717 of the Civil Rights Act of 1964 (42 U.S.C. 2000e–16) to the Commission, the Attorney General, the Librarian of Congress, or any person, alleging a violation of that section shall be the powers, remedies, and procedures this chapter provides to the Commission, the Attorney General, the Librarian of Congress, or any person, respectively, alleging an unlawful employment practice in violation of this chapter against an employee or applicant described in section 2000ff(2)(A)(v) of this title, except as provided in paragraphs (2) and (3).

(2) Costs and fees

The powers, remedies, and procedures provided in subsections (b) and (c) of section 1988
of this title, shall be powers, remedies, and procedures this chapter provides to the Commission, the Attorney General, the Librarian of Congress, or any person, alleging such a practice.

(3) Damages

The powers, remedies, and procedures provided in section 2001a of this title, including the limitations contained in subsection (b)(3) of such section 2001a, shall be powers, remedies, and procedures this chapter provides to the Commission, the Attorney General, the Librarian of Congress, or any person, alleging such a practice (not an employment practice specifically excluded from coverage under section 2001a(a)(1) of this title).

(f) Prohibition against retaliation

No person shall discriminate against any individual because such individual has opposed any act or practice made unlawful by this chapter or because such individual made a charge, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this chapter. The remedies and procedures otherwise provided for under this section shall be available to aggrieved individuals with respect to violations of this subsection.

(g) Definition

In this section, the term “Commission” means the Equal Employment Opportunity Commission.

EFFECTIVE DATE

Section effective 18 months after May 21, 2008, see section 213 of Pub. L. 110-233, set out as a note under section 2000ff of this title.

§ 2000ff-7. Disparate impact

(a) General rule

Notwithstanding any other provision of this Act, “disparate impact”, as that term is used in section 2000e-2(k) of this title, on the basis of genetic information does not establish a cause of action under this Act.

(b) Commission

On the date that is 6 years after May 21, 2008, there shall be established a commission, to be known as the Genetic Nondiscrimination Study Commission (referred to in this section as the “Commission”) to review the developing science of genetics and to make recommendations to Congress regarding whether to provide a disparate impact cause of action under this Act.

(c) Membership

(1) In general

The Commission shall be composed of 8 members, of which—

(A) 1 member shall be appointed by the Majority Leader of the Senate;

(B) 1 member shall be appointed by the Minority Leader of the Senate;

(C) 1 member shall be appointed by the Chairman of the Committee on Health, Education, Labor, and Pensions of the Senate;

(D) 1 member shall be appointed by the ranking minority member of the Committee on Health, Education, Labor, and Pensions of the Senate;

(E) 1 member shall be appointed by the Speaker of the House of Representatives;

(F) 1 member shall be appointed by the Minority Leader of the House of Representatives;

(G) 1 member shall be appointed by the Chairman of the Committee on Education and Labor of the House of Representatives; and

(H) 1 member shall be appointed by the ranking minority member of the Committee on Education and Labor of the House of Representatives.

(2) Compensation and expenses

The members of the Commission shall not receive compensation for the performance of services for the Commission, but shall be allowed travel expenses, including per diem in lieu of subsistence, at rates authorized for employees of agencies under subchapter I of chapter 57 of title 5, while away from their homes or regular places of business in the performance of services for the Commission.

(d) Administrative provisions

(1) Location

The Commission shall be located in a facility maintained by the Equal Employment Opportunity Commission.

(2) Detail of Government employees

Any Federal Government employee may be detailed to the Commission without reimbursement, and such detail shall be without interruption or loss of civil service status or privilege.

(3) Information from Federal agencies

The Commission may secure directly from any Federal department or agency such information as the Commission considers necessary to carry out the provisions of this section. Upon request of the Commission, the head of such department or agency shall furnish such information to the Commission.

(4) Hearings

The Commission may hold such hearings, sit and act at such times and places, take such
testimony, and receive such evidence as the Commission considers advisable to carry out the objectives of this section, except that, to the extent possible, the Commission shall use existing data and research.

(5) Postal services

The Commission may use the United States mails in the same manner and under the same conditions as other departments and agencies of the Federal Government.

(e) Report

Not later than 1 year after all of the members are appointed to the Commission under subsection (c)(1), the Commission shall submit to Congress a report that summarizes the findings of the Commission and makes such recommendations for legislation as are consistent with this Act.

(f) Authorization of appropriations

There are authorized to be appropriated to the Equal Employment Opportunity Commission such sums as may be necessary to carry out this section.

§ 2000ff–8. Construction

(a) In general

Nothing in this chapter shall be construed to—

(1) limit the rights or protections of an individual under any other Federal or State statute that provides equal or greater protection to an individual than the rights or protections provided for under this chapter, including the protections of an individual under the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.) (including coverage afforded to individuals under section 102 of such Act (42 U.S.C. 1212)), or under the Rehabilitation Act of 1973 (29 U.S.C. 701 et seq.);

(2)(A) limit the rights or protections of an individual to bring an action under this chapter against an employer, employment agency, labor organization, or joint labor-management committee for a violation of this chapter; or

(B) provide for enforcement of, or penalties for violation of, any requirement or prohibition applicable to any employer, employment agency, labor organization, or joint labor-management committee subject to enforcement for a violation under—

(i) the amendments made by title I of this Act;

(ii) subsection (a) of section 1181 of title 29 as such section applies with respect to genetic information pursuant to subsection (b)(1)(B) of such section;

(II) section 1182(a)(1)(F) of title 29; or

(III) section 1182(b)(1) of title 29 as such section applies with respect to genetic information as a health status-related factor;

(iii) subsection (a) of section 2701 of the Public Health Service Act as such section applies with respect to genetic information pursuant to subsection (b)(1)(B) of such section;

(II) section 2702(a)(1)(F) of such Act; or

(III) section 2702(b)(1) of such Act as such section applies with respect to genetic information as a health status-related factor; or

(iv) subsection (a) of section 9801 of title 26 as such section applies with respect to genetic information pursuant to subsection (b)(1)(B) of such section;

(II) section 9802(a)(1)(F) of title 26; or

(III) section 9802(b)(1) of title 26 as such section applies with respect to genetic information as a health status-related factor;

(3) apply to the Armed Forces Repository of Specimen Samples for the Identification of Remains;

(4) limit or expand the protections, rights, or obligations of employees or employers under applicable workers’ compensation laws;

(5) limit the authority of a Federal department or agency to conduct or sponsor occupational or other health research that is conducted in compliance with the regulations contained in part 46 of title 45, Code of Federal Regulations (or any corresponding or similar regulation or rule);

(6) limit the statutory or regulatory authority of the Occupational Safety and Health Administration or the Mine Safety and Health Administration to promulgate or enforce workplace safety and health laws and regulations; or

(7) require any specific benefit for an employee or member or a family member of an employee or member under any group health plan or health insurance issuer offering group health insurance coverage in connection with a group health plan.

(b) Genetic information of a fetus or embryo

Any reference in this chapter to genetic information concerning an individual or family member of an individual shall—

(1) with respect to such an individual or family member of an individual who is a pregnant woman, include genetic information of any embryo legally held by the individual or family member utilizing an assisted reproductive technology, include genetic information of any embryo legally held by the individual or family member.

(c) Relation to authorities under title I

With respect to a group health plan, or a health insurance issuer offering group health insurance coverage in connection with a group health plan, this chapter does not prohibit any activity of such plan or issuer that is authorized for the plan or issuer under any provision of law referred to in clauses (i) through (iv) of subsection (a)(2)(B).

SUBCHAPTER I—MAINTENANCE AND OPERATION

§ 2001. Hospitals and health facilities transferred to Public Health Service; restriction on closing hospitals

(a) All functions, responsibilities, authorities, and duties of the Department of the Interior, the Bureau of Indian Affairs, Secretary of the Interior, and the Commissioner of Indian Affairs relating to the maintenance and operation of hospital and health facilities for Indians, and the conservation of the health of Indians, are transferred to, and shall be administered by, the Surgeon General of the United States Public Health Service, under the supervision and direction of the Secretary of Health and Human Services: Provided, That hospitals now in operation for a specific tribe or tribes of Indians shall not be closed prior to July 1, 1956, without the consent of the governing body of the tribe or its organized council.

(b) In carrying out his functions, responsibilities, authorities, and duties under this sub-
chapter, the Secretary is authorized, with the consent of the Indian people served, to contract with private or other non-Federal health agencies or organizations for the provision of health services to such people on a fee-for-service basis or on a prepayment or other similar basis. (Aug. 5, 1954, ch. 658, § 1, 68 Stat. 674; Pub. L. 93–222, § 6(a), Dec. 29, 1973, 87 Stat. 935; Pub. L. 96–88, title V, § 509(b), Oct. 17, 1979, 93 Stat. 695.)

TRANSFER OF FUNCTIONS

§ 2002. Transfer of hospitals and facilities to State or private institutions; conditions and restrictions; failure to meet requirements
Whenever the health needs of the Indians can be better met thereby, the Secretary of Health and Human Services is authorized in his discretion to enter into contracts with any State, Territory, or political subdivision thereof, or any private nonprofit corporation, agency or institution providing for the transfer by the United States Public Health Service of Indian hospitals or health facilities, including initial operating equipment and supplies. It shall be a condition of such transfer that all facilities transferred shall be available to meet the health needs of the Indians and that such health needs shall be given priority over those of the non-Indian population. No hospital or health facility that has been constructed or maintained for a specific tribe of Indians, or for a specific group of tribes, shall be transferred by the Secretary of Health and Human Services to a non-Indian entity or organization under this subchapter unless such action has been approved by the governing body of the tribe, or by the governing bodies of a majority of the tribes, for which such hospital or health facility has been constructed or maintained: Provided, That if, following such transfer by the United States Public Health Service, the Secretary of Health and Human Services finds the hospital or health facility transferred under this section is not thereafter serving the need of the Indians, the Secretary of Health and Human Services shall notify those charged with management thereof, setting forth needed improvements, and in the event such improvements are not made within a time to be specified, shall immediately assume management and operation of such hospital or health facility. (Aug. 5, 1954, ch. 658, § 2, 68 Stat. 674; Pub. L. 96–88, title V, § 509(b), Oct. 17, 1979, 93 Stat. 695.)

§ 2004a  TITLE 42—THE PUBLIC HEALTH AND WELFARE

Functions of Public Health Service, Surgeon General of Public Health Service, and all other officers and employees of Public Health Service, and functions of all agencies of or in Public Health Service transferred to Secretary of Health, Education, and Welfare by Reorg. Plan No. 3 of 1966, eff. June 25, 1966, 31 F.R. 8855, 80 Stat. 1610, set out as a note under section 202 of this title. Secretary and Department of Health, Education, and Welfare redesignated Secretary and Department of Health and Human Services by section 509(b) of Pub. L. 96-88, which is classified to section 5308(b) of Title 20, Education.

§ 2004a. Sanitation facilities

(a) Powers of Surgeon General

In carrying out his functions under this subchapter with respect to the provision of sanitation facilities and services, the Surgeon General is authorized—

(1) to construct, improve, extend, or otherwise provide and maintain, by contract or otherwise, essential sanitation facilities, including domestic and community water supplies and facilities, drainage facilities, and sewage and waste-disposal facilities, together with necessary appurtenances and fixtures, for Indian homes, communities, and lands;

(2) to acquire lands, or rights or interests therein, including sites, rights-of-way, and easements, and to acquire rights to the use of water, by purchase, lease, gift, exchange, or otherwise, when necessary for the purposes of this section, except that no lands or rights or interests therein may be acquired from an Indian tribe, band, group, community, or individual other than by gift or for nominal consideration, if the facility for which such lands or rights or interests therein are acquired is for the exclusive benefit of such tribe, band, group, community, or individual, respectively;

(3) to make such arrangements and agreements with appropriate public authorities and nonprofit organizations or agencies and with the Indians to be served by such sanitation facilities (and any other person so served) regarding contributions toward the construction, improvement, extension and provision thereof, and responsibilities for maintenance thereof, as in his judgment are equitable and will best assure the future maintenance of facilities in an effective and operating condition; and

(4) to transfer any facilities provided under this section, together with appurtenant interests in land, with or without a money consideration, and under such terms and conditions as in his judgment are appropriate, having regard to the contributions made and the maintenance responsibilities undertaken, and the special health needs of the Indians concerned, to any State or Territory or subdivision or public authority thereof, or to any Indian tribe, group, band, or community or, in the case of domestic appurtenances and fixtures, to any one or more of the occupants of the Indian home served thereby.

(b) Transfer and reversion of lands

The Secretary of the Interior is authorized to transfer to the Surgeon General for use in carrying out the purposes of this section such interest and rights in federally owned lands under the jurisdiction of the Department of the Interior, and in Indian-owned lands that either are held by the United States in trust for Indians or are subject to a restriction against alienation imposed by the United States, including appurtenances and improvements thereto, as may be requested by the Surgeon General. Any land or interest therein, including appurtenances and improvements to such land, so transferred shall be subject to disposition by the Surgeon General in accordance with paragraph (4) of subsection (a): Provided, That in any case where a beneficial interest in such land is in any Indian, or Indian tribe, band, or group, the consent of such beneficial owner to any such transfer or disposition shall first be obtained: Provided further, That where deemed appropriate by the Secretary of the Interior provisions shall be made for a reversion of title to such land if it ceases to be used for the purpose for which it is transferred or disposed.

(c) Project consultation and participation

The Surgeon General shall consult with, and encourage the participation of, the Indians concerned, States and political subdivisions thereof, in carrying out the provisions of this section.

TRANSFER OF FUNCTIONS

§ 2004b. Implementation of education, hospital and health facility, etc., contracts and grants by Public Health Service personnel; request for detail of personnel

In accordance with subsection (d) of section 215 of this title, upon the request of any Indian tribe, band, group, or community, commissioned officers of the Service may be assigned by the Secretary for the purpose of assisting such Indian tribe, group, band, or community in carrying out the provisions of contracts with, or grants to, tribal organizations pursuant to sections 5321 and 5322 of title 25.

AMENDMENTS

1988—Pub. L. 100-472, which directed amendment of this section by substituting reference to sections 5321
and 5322 of title 25 for reference to section 5321, former section 450g, “and” section 5322 of title 25, was executed by making the substitution for reference to section 5321, former section 450g, “or” section 5322 of title 25, to reflect the probable intent of Congress.

SUBCHAPTER II—CONSTRUCTION OF HEALTH FACILITIES AND COMMUNITY HOSPITALS

§ 2005. Financial assistance by Surgeon General

Whenever the Surgeon General of the Public Health Service, in carrying out his functions under subchapter I of this chapter with respect to the provision of health services to Indians in any particular area, determines, after consultation with such Indians, that the provision of financial assistance to one or more public or other nonprofit agencies or organizations for the construction of a community hospital constitutes a method of making needed hospital facilities available for such Indians which is more desirable and effective than direct Federal construction, he may provide such financial assistance from funds available for the construction of Indian health facilities for such Indians.

(Pub. L. 85–151, § 1, Aug. 16, 1957, 71 Stat. 370.)

TRANSFER OF FUNCTIONS

§ 2005a. Amount of assistance; determination of costs

The amount of such financial assistance shall not exceed that portion of the reasonable cost of the construction project which is attributable to the Indian health needs, as determined by the Surgeon General: Provided, That in determining, for the purposes of this subchapter, the portion of the cost of the construction project attributable to Indian health needs, the Surgeon General shall take into account only those categories of Indians for which hospital and medical care, including outpatient care and field health services, is being provided by or at the expense of the Public Health Service on August 16, 1957.

TRANSFER OF FUNCTIONS

§ 2005b. Conditions of assistance

As a condition to providing assistance under section 2005 of this title, the Surgeon General shall—

(a) require plans and specifications meeting such standards of construction and equipment as he may prescribe, and

(b) obtain such assurances and agreements as in his judgment are equitable in the light of the financial assistance provided under this subchapter and are necessary to assure the availability of the facility for the provision of hospital and medical care to Indians and to assure that the hospital is operated in compliance with State standards for operation and maintenance of hospitals which receive Federal aid under title VI of the Public Health Service Act [42 U.S.C. 291 et seq.].

REFERENCES IN TEXT

The Public Health Service Act, referred to in par. (b), is act July 1, 1944, ch. 373, 58 Stat. 682, as amended. Title VI of the Act is classified generally to subchapter IV (§ 291 et seq.) of chapter 6A of this title. For complete classification of this Act to the Code, see Short Title note set out under section 201 of this title and Tables.

TRANSFER OF FUNCTIONS

§ 2005c. Payments

The Surgeon General shall make payments under section 2005 of this title in advance or by way of reimbursement and in such installments consistent with construction progress, as he may determine.

TRANSFER OF FUNCTIONS

§ 2005d. Eligibility of assisted project for aid under other acts; excluded costs

Neither assistance provided under this subchapter for meeting part of the cost of construction of a hospital project, nor the giving of any assurance required as a condition of such assistance, shall be construed as affecting in any way the eligibility of such project for aid under title VI of the Public Health Service Act [42 U.S.C. 291 et seq.] or any other Federal Act authorizing financial aid in the construction of such project, but construction costs met with Federal funds made available under this subchapter shall not be included in the cost of construction in which the Federal Government shares under such title VI or other Federal Act.

§ 2005e. Definitions

As used in this subchapter:

(a) “Hospital” includes diagnostic or treatment centers and general hospitals, and related facilities, such as laboratories, outpatient departments, nurses’ home and training facilities, and central service facilities operated in connection with hospitals, but does not include any hospital furnishing primarily domiciliary care;

(b) “Diagnostic or treatment center” means a facility for the diagnosis or diagnosis and treatment of ambulatory patients—

(1) which is operated in connection with a hospital, or

(2) in which patient care is under the professional supervision of persons licensed to practice medicine or surgery in the State, or, in the case of dental diagnosis or treatment, under the professional supervision of persons licensed to practice dentistry in the State.

(c) “Nonprofit” means owned or operated by one or more corporations or associations no part of the net earnings of which inures, or may lawfully inure, to the benefit of any private shareholder or individual.

(d) “Construction” means construction of new buildings, expansion, remodeling, and alteration of existing buildings, and initial equipment of any such buildings (including medical transportation facilities), including architects and engineering fees, but excluding legal fees, the cost of off-site improvements and the cost of the acquisition of land.

§ 2005f. Supervision or control of assisted hospitals

Except as otherwise specifically provided, nothing in this subchapter shall be construed as conferring on any Federal officer or employee the right to exercise any supervision or control over the administration, personnel, maintenance, or operation of any hospital, with respect to which any funds have been or may be expended under this subchapter.

The Atomic Energy Act of 1954, which is classified principally to this chapter, is act Aug. 1, 1946, ch. 724. It was originally enacted as the Atomic Energy Act of 1946, act Aug. 1, 1946, ch. 724, 60 Stat. 755, which consisted of sections 1 to 21 and was classified generally to chapter 14 (§1801 et seq.) of this title. The Atomic Energy Act of 1946 was renamed the Atomic Energy Act of 1954 and amended generally by act Aug. 30, 1954, ch. 1073, §1, 68 Stat. 919, and was subsequently transferred to this chapter. Sections that were enacted as part of the 1954 general amendment are shown herein as having been added to act Aug. 1, 1946, and not as amending it, due to the extensive revision and restatement of the 1946 Act’s provisions by the 1954 Act. Sections added to the Act after the 1954 general amendment are shown as being added directly to act Aug. 1, 1946, without reference in their source credits to act Aug. 30, 1954.

Division A—Atomic Energy

SUBCHAPTER I—GENERAL PROVISIONS

§ 2011. Congressional declaration of policy

Atomic energy is capable of application for peaceful as well as military purposes. It is therefore declared to be the policy of the United States that—

(a) the development, use, and control of atomic energy shall be directed so as to make the maximum contribution to the general welfare, subject at all times to the paramount objective of making the maximum contribution to the common defense and security; and

(b) the development, use, and control of atomic energy shall be directed so as to promote world peace, improve the general welfare, increase the standard of living, and strengthen free competition in private enterprise.

Prior Provisions

A prior section 1 of act Aug. 1, 1946, ch. 724, 60 Stat. 755, which related to declaration of policy and purpose of former chapter 14 of this title, was classified to section 1801 of this title, prior to the general amendment and renumbering of act Aug. 1, 1946, by act Aug. 30, 1954.

Short Title of 2019 Amendment

Pub. L. 115–439, §1(a), Jan. 14, 2019, 132 Stat. 5565, provided that: “This Act [enacting section 2215 of this title, amending sections 2134 and 2214 of this title, repealing section 2211 of this title, and enacting provisions set out as notes under sections 2133, 2134, 2135, and 2215 of this title] may be cited as the ‘Nuclear Energy Innovation and Modernization Act.’”

Short Title of 2015 Amendment

Short Title of 2013 Amendment

Short Title of 2005 Amendment

Short Title of 2000 Amendment

Pub. L. 106–245, §1, July 10, 2000, 114 Stat. 501, provided that: “This Act [enacting section 285a–9 of this title and enacting and amending provisions set out as notes under section 2210 of this title] may be cited as...
the ‘Radiation Exposure Compensation Act Amendments of 2000’.

**Short Title of 1996 Amendment**

**Short Title of 1988 Amendment**

Pub. L. 100–408, §1, Aug. 20, 1988, 102 Stat. 1066, provided that: “This Act (enacting section 2282a of this title, amending sections 2014, 2210, and 2273 of this title, and enacting provisions set out as notes under sections 2014 and 2210 of this title) may be cited as the ‘Price-Anderson Amendments Act of 1988’.

**Short Title of 1964 Amendment**

**Short Title of 1958 Amendment**

Pub. L. 85–846, §1, Aug. 23, 1958, 72 Stat. 1084, provided that: “That this Act (enacting sections 2291 to 2296 of this title) may be cited as the ‘EURATOM Cooperation Act of 1958’.

**Short Title**

**Separability**

Act Aug. 1, 1946, ch. 724, title I, §291, as added by act Aug. 30, 1954, §1; renumbered title I, Oct. 24, 1992, Pub. L. 102–486, title IX, §902(a)(8), 106 Stat. 2944, provided that: “If any provision of this Act [see Short Title note above] or the application of such provision to any person or circumstances, is held invalid, the remainder of this Act or the application of such provision to persons or circumstances other than those as to which it is held invalid, shall not be affected thereby.”

**Transfer of Functions**

Atomic Energy Commission abolished and functions transferred by sections 5814 and 5841 of this title. See also Transfer of Functions notes set out under those sections.

§ 2012. Congressional findings

The Congress of the United States makes the following findings concerning the development, use, and control of atomic energy:

(a) The development, utilization, and control of atomic energy for military and for all other purposes are vital to the common defense and security.

(c) The processing and utilization of source, byproduct, and special nuclear material affect interstate and foreign commerce and must be regulated in the national interest.

(d) The processing and utilization of source, byproduct, and special nuclear material must be regulated in the national interest and in order to provide for the common defense and security and to protect the health and safety of the public.

(e) Source and special nuclear material, production facilities, and utilization facilities are affected with the public interest, and regulation by the United States of the production and utilization of atomic energy and of the facilities used in connection therewith is necessary in the national interest to assure the common defense and security and to protect the health and safety of the public.

(f) The necessity for protection against possible interstate damage occurring from the operation of facilities for the production or utilization of source or special nuclear material places the operation of those facilities in interstate commerce for the purposes of this chapter.

(g) Funds of the United States may be provided for the development and use of atomic energy under conditions which will provide for the common defense and security and promote the general welfare.

(i) In order to protect the public and to encourage the development of the atomic energy industry, in the interest of the general welfare and of the common defense and security, the United States may make funds available for a portion of the damages suffered by the public from nuclear incidents, and may limit the liability of those persons liable for such losses.

**References in Text**

This chapter, referred to in subsec. (f), was in the original “this Act”, meaning act Aug. 1, 1946, ch. 724, as added by act Aug. 30, 1954, ch. 1073, §1, 68 Stat. 919, known as the Atomic Energy Act of 1954, which is classified principally to this chapter. For complete classification of this Act to the Code, see Short Title note set out under section 2011 of this title and Tables.

**Prior Provisions**

A prior section 2 of act Aug. 1, 1946, ch. 724, 60 Stat. 756, which related to establishment of Atomic Energy Commission, its membership, tenure, compensation, and appointment of certain officers and committees, was classified to section 1902 of this title, prior to the general amendment of act Aug. 1, 1946, by act Aug. 30, 1954.

**Amendments**

1964—Subsec. (b). Pub. L. 88–489, §1, struck out subsec. (b) which found that use of United States property by others must be regulated in national interest and in order to provide for common defense and security and to protect health and safety of public.

Subsec. (h). Pub. L. 88–489, §2, struck out subsec. (h) which found it essential to common defense and security that title to all special nuclear material be in United States while such special nuclear material is within United States.
§ 2013. Purpose of chapter

It is the purpose of this chapter to effectuate the policies set forth above by providing for—
(a) a program of conducting, assisting, and fostering research and development in order to encourage maximum scientific and industrial progress;
(b) a program for the dissemination of unclassified scientific and technical information and for the control, dissemination, and declassification of Restricted Data, subject to appropriate safeguards, so as to encourage scientific and industrial progress;
(c) a program for Government control of the possession, use, and production of atomic energy and special nuclear material, whether owned by the Government or others, so directed as to make the maximum contribution to the common defense and security and the national welfare, and to provide continued assurance of the Government’s ability to enter into and enforce agreements with nations or groups of nations for the control of special nuclear materials and atomic weapons;
(d) a program to encourage widespread participation in the development and utilization of atomic energy for peaceful purposes to the maximum extent consistent with the common defense and security and with the health and safety of the public;
(e) a program of international cooperation to promote the common defense and security and to make available to cooperating nations the benefits of peaceful applications of atomic energy as widely as expanding technology and considerations of the common defense and security will permit; and
(f) a program of administration which will be consistent with the foregoing policies and programs, with international arrangements, and with agreements for cooperation, which will enable the Congress to be currently informed so as to take further legislative action as may be appropriate.

§ 2014

TITLE 42—THE PUBLIC HEALTH AND WELFARE

the process of producing or utilizing special nuclear material;
(2) the tailings or wastes produced by the extraction or concentration of uranium or thorium from any ore processed primarily for its special nuclear material content;
(3)(A) any discrete source of radium-226 that is produced, extracted, or converted after extraction, before, on, or after August 8, 2005, for use for a commercial, medical, or research activity; or
(B) any material that—
(i) has been made radioactive by use of a particle accelerator; and
(ii) is produced, extracted, or converted after extraction, before, on, or after August 8, 2005, for use for a commercial, medical, or research activity; and
(4) any discrete source of naturally occurring radioactive material, other than source material, that—
(A) the Commission, in consultation with the Administrator of the Environmental Protection Agency, the Secretary of Energy, the Secretary of Homeland Security, and the head of any other appropriate Federal agency, determines would pose a threat similar to the threat posed by a discrete source of radium-226 to the public health and safety or the common defense and security; and
(B) before, on, or after August 8, 2005, is extracted or converted after extraction for use in a commercial, medical, or research activity.

(f) The term “Commission” means the Atomic Energy Commission.

(g) The term “common defense and security” means the common defense and security of the United States.

(h) The term “defense information” means any information in any category determined by any Government agency authorized to classify information, as being information respecting, relating to, or affecting the national defense.

(i) The term “design” means (1) specifications, plans, drawings, blueprints, and other items of like nature; (2) the information contained therein; or (3) the research and development data pertinent to the information contained therein.

(j) The term “extraordinary nuclear occurrence” means any event causing a discharge or dispersal of source, special nuclear, or byproduct material from its intended place of confinement in amounts offsite, or causing radiation levels offsite, which the Nuclear Regulatory Commission or the Secretary of Energy, as appropriate, determines to be substantial, and which the Nuclear Regulatory Commission or the Secretary of Energy, as appropriate, determines has resulted or will probably result in substantial damages to persons offsite or property offsite. Any determination by the Nuclear Regulatory Commission or the Secretary of Energy, as appropriate, of such an event has, or has not, occurred shall be final and conclusive, and no other official or any court shall have power or jurisdiction to review any such determination. The Nuclear Regulatory Commission or the Secretary of Energy, as appropriate, shall establish criteria in writing setting forth the basis upon which such determination shall be made. As used in this subsection, “offsite” means away from “the location” or “the contract location” as defined in the applicable Nuclear Regulatory Commission or the Secretary of Energy, as appropriate, indemnity agreement, entered into pursuant to section 2210 of this title.

(k) The term “financial protection” means the ability to respond in damages for public liability and to meet the costs of investigating and defending claims and settling suits for such damages.

(l) The term “Government agency” means any executive department, commission, independent establishment, corporation, wholly or partly owned by the United States of America which is an instrumentality of the United States, or any board, bureau, division, service, office, officer, authority, administration, or other establishment in the executive branch of the Government.

(m) The term “indemnitor” means (1) any insurer with respect to his obligations under a policy of insurance furnished as proof of financial protection; (2) any licensee, contractor or other person who is obligated under any other form of financial protection, with respect to such obligations; and (3) the Nuclear Regulatory Commission or the Secretary of Energy, as appropriate, with respect to any obligation undertaken by it in indemnity agreement entered into pursuant to section 2210 of this title.

(n) The term “international arrangement” means any international agreement hereafter approved by the Congress or any treaty during the time such agreement or treaty is in full force and effect, but does not include any agreement for cooperation.

(o) The term “Energy Committees” means the Committee on Energy and Natural Resources of the Senate and the Committee on Energy and Commerce of the House of Representatives.

(p) The term “licensed activity” means an activity licensed pursuant to this chapter and covered by the provisions of section 2210(a) of this title.

(q) The term “nuclear incident” means any occurrence, including an extraordinary nuclear occurrence, within the United States causing, within or outside the United States, bodily injury, sickness, disease, or death, or loss of or damage to property, or loss of use of property, arising out of or resulting from the radioactive, toxic, explosive, or other hazardous properties of source, special nuclear, or byproduct material: Provided, however, That as the term is used in section 2210(l) of this title, it shall include any such occurrence outside the United States: And provided further, That as the term is used in section 2210(d) of this title, it shall include any such occurrence outside the United States if such occurrence involves source, special nuclear, or byproduct material owned by, and used by or under contract with, the United States: And provided further, That as the term is used in section 2210(c) of this title, it shall include any such occurrence outside both the United States and any other nation if such occurrence arises out of or results from the radioactive, toxic, explosive, or other hazardous properties of source, special nuclear, or byproduct material licensed pursuant
(t) The term "person indemnified" means (1) any individual, corporation, partnership, firm, association, trust, estate, public or private institution, group, Government agency other than the Commission, any State or any political subdivision of, or any political entity within a State, any foreign government or nation or any political subdivision of any such government or nation, or any other entity; and (2) any legal successor, representative, agent, or agency of the foregoing.

(u) The term "produce", when used in relation to special nuclear material, means (1) to manufacture, make, produce, or refine special nuclear material; (2) to separate special nuclear material from other substances in which such material may be contained; or (3) to make or to produce new special nuclear material.

(v) The term "production facility" means (1) any equipment or device determined by rule of the Commission to be capable of the production of special nuclear material in such quantity as to be of significance to the common defense and security, or in such manner as to affect the health and safety of the public; or (2) any important component part especially designed for such equipment or device as determined by the Commission. Except with respect to the export of a uranium enrichment production facility, such term as used in subchapters IX and XV of a uranium enrichment production facility, or which moves outside the territorial limits of the United States in transit from one person licensed by the Nuclear Regulatory Commission to another person licensed by the Nuclear Regulatory Commission.

(w) The term "public liability" means any legal liability arising out of or resulting from a nuclear incident or precautionary evacuation (including all reasonable additional costs incurred by a State, or a political subdivision of a State, in the course of responding to a nuclear incident or a precautionary evacuation), except: (i) claims under State or Federal workmen's compensation acts of persons indemnified who are employed at the site of and in connection with the activity where the nuclear incident occurs; (ii) claims arising out of an act of war; and (iii) whenever used in subsections (a), (c), and (k) of section 2210 of this title, claims for loss of, or damage to, or loss of use of property which is located at the site of and used in connection with the licensed activity where the nuclear incident occurs. “Public liability” also includes damage to property of persons indemnified: Provided, That such property is covered under the terms of the financial protection required, except property which is located at the site of and used in connection with the activity where the nuclear incident occurs.

(x) The term "research and development" means (1) theoretical analysis, exploration, or experimentation; or (2) the extension of investigative findings and theories of a scientific or technical nature into practical application for experimental and demonstration purposes, including the experimental production and testing of models, devices, equipment, materials, and processes.

(y) The term "Restricted Data" means all data concerning (1) design, manufacture, or utilization of atomic weapons; (2) the production of special nuclear material; or (3) the use of special nuclear material in the production of energy, but shall not include data declassified or removed from the Restricted Data category pursuant to section 2162 of this title.

(z) The term "source material" means (1) uranium, thorium, or any other material which is determined by the Commission pursuant to the provisions of section 2091 of this title to be source material; or (2) ores containing one or more of the foregoing materials, in such concentration as the Commission may by regulation determine from time to time.

(aa) The term "special nuclear material" means (1) plutonium, uranium enriched in the isotope 233 or in the isotope 235, and any other material which the Commission, pursuant to the provisions of section 2071 of this title, determines to be special nuclear material, but does not include source material; or (2) any material artificially enriched by any of the foregoing, but does not include source material.

(bb) The term "United States" when used in a geographical sense includes all territories and possessions of the United States, the Canal Zone and Puerto Rico.

(cc) The term "utilization facility" means (1) any equipment or device, except an atomic weapon, determined by rule of the Commission to be capable of making use of special nuclear material in such quantity as to be of significance to the common defense and security, or in such manner as to affect the health and safety of the public, or peculiarly adapted for making use of atomic energy in such quantity as to be of significance to the common defense and security, or in such manner as to affect the health and safety of the public; or (2) any important...
(dd) The terms “high-level radioactive waste” and “spent nuclear fuel” have the meanings given such terms in section 1001 of this title.

(ee) The term “transuranic waste” means material contaminated with elements that have an atomic number greater than 92, including neptunium, plutonium, americium, and curium, and that are in concentrations greater than 10 nanocuries per gram, or in such other concentrations as the NRC may prescribe to protect the public health and safety.

(ff) The term “nuclear waste activities”, as used in section 2210 of this title, means activities subject to an agreement of indemnification under subsection (d) of such section, that the Secretary of Energy is authorized to undertake, under this chapter or any other law, involving the storage, handling, transportation, treatment, or disposal of, or research and development on, spent nuclear fuel, high-level radioactive waste, or transuranic waste, including (but not limited to) activities authorized to be carried out under the Waste Isolation Pilot Project under section 213 of Public Law 96-164 (93 Stat. 1265).

(gg) The term “precautionary evacuation” means an evacuation of the public within a specified area near a nuclear facility, or the transportation route in the case of an accident involving transportation of source material, special nuclear material, byproduct material, high-level radioactive waste, spent nuclear fuel, or transuranic waste to or from a production or utilization facility, if the evacuation is—

(1) the result of any event that is not classified as a nuclear incident but that poses imminent danger of bodily injury or property damage from the radiological properties of source material, special nuclear material, byproduct material, high-level radioactive waste, spent nuclear fuel, or transuranic waste, and causes an evacuation; and

(2) initiated by an official of a State or a political subdivision of a State, who is authorized by State law to initiate such an evacuation and who reasonably determined that such an evacuation was necessary to protect the public health and safety.

(hh) The term “public liability action”, as used in section 2210 of this title, means any suit used in section 2210 of this title, means any suit used in section 2210 of this title, means any suit used in section 2210 of this title, means any suit used in section 2210 of this title, means—

Prior Provisions

A prior section 11 of act Aug. 1, 1946, ch. 724, 60 Stat. 768, which related to patents and inventions, was classified to section 1811 of this title, prior to the general amendment of act Aug. 1, 1946, by act Aug. 30, 1954.

Sections 12 to 19 of act Aug. 1, 1946, ch. 724, 60 Stat. 770-775, which related to authority, powers and duties of Atomic Energy Commission; compensation for acquisition of private property; judicial review; Joint Committee of Congress on Atomic Energy; penalties for violation of certain provisions of chapter 14 of this title, injunctions, subpoenas of witnesses, and production of documents; reports and recommendations to Congress; definitions; and authorization of appropriations, were classified to sections 1812 to 1819, respectively, of this title, and section 20 of act Aug. 1, 1946, ch. 724, 60 Stat. 775, which related to separability of provisions of the act, was set out as a note under section 1801 of this title, prior to the general amendment of act Aug. 1, 1946, by act Aug. 30, 1954. Section numbers 12 to 20 were not repeated in the general amendment of act Aug. 1, 1946.

Amendments

2005—Subsec. (e). Pub. L. 109-58 substituted “means— for “means”, realigned margins of pars. (1) and (2), and added pars. (3) and (4).

1996—Subsec. (v). Pub. L. 104-134, which directed the amendment of subsec. (v) by striking out “or the construction and operation of a uranium enrichment facility using Atomic Vapor Laser Isotope Separation technology” and struck out “or the construction and operation of a uranium enrichment production facility using Atomic Vapor Laser Isotope Separation technology before “such term as used”, to reflect the probable intent of Congress.

1994—Subsec. (o). Pub. L. 103-347 substituted “Energy Committee” means the Committee on Energy and Natural Resources of the Senate and the Committee on Energy and Commerce of the House of Representatives” for “Joint Committee” means the Joint Committee on Atomic Energy”.

1 So in original. No subsec. (ii) has been enacted.
1992—Subsec. (v). Pub. L. 102–486 amended last sentence generally. Prior to amendment, last sentence read as follows: “Except with respect to the export of a uranium enrichment production facility, such term as used in subchapters IX and XV shall not include any equipment or device (or important component part especially designed for such equipment or device) capable of separating the isotopes of uranium or enriching uranium in the isotope 235.”

1990—Subsec. (v). Pub. L. 101–575 inserted at end “Except with respect to the export of a uranium enrichment production facility, such term as used in subchapters IX and XV shall not include any equipment or device (or important component part especially designed for such equipment or device) capable of separating the isotopes of uranium or enriching uranium in the isotope 235.”

1988—Subsecs. (j), (m). Pub. L. 100–408, § 16(b)(1), substituted “Nuclear Regulatory Commission or the Secretary of Energy, as appropriate,” for “Commission” wherever appearing.

Subsec. (q). Pub. L. 100–408, § 16(d)(1), substituted “section” for “subsection” in three places, which for purposes of codification was translated as “section,” thus requiring no change in text.

Subsec. (t). Pub. L. 100–408, § 16(d)(2), substituted “section” for “subsection” in two places, which for purposes of codification was translated as “section,” thus requiring no change in text.

Subsecs. (k) to (m). Pub. L. 85–256, redesignated former subsecs. (j) to (l) as (k) to (m), respectively.

Former subsec. (m) redesignated (p).

Subsec. (p). Pub. L. 85–256 redesignated former subsecs. (m) and (n) as (p) and (q), respectively. Former subsecs. (p) and (q) redesignated (t) and (u), respectively.

Subsecs. (s), (t). Pub. L. 85–256 redesignated former subsecs. (o) and (p) as (s) and (t), respectively. Former subsecs. (s) and (t) redesignated (x) and (y), respectively.

Subsec. (v) to (aa). Pub. L. 85–256 redesignated former subsecs. (q) to (v) as (v) to (aa), respectively.

1956—Subsec. (u). Act Aug. 6, 1956, substituted “the Canal Zone and Puerto Rico” for “and the Canal Zone”.

CHANGE OF NAME

EFFECTIVE DATE OF 1988 AMENDMENT

Pub. L. 100–408, § 20, Aug. 20, 1988, 102 Stat. 1084, provided that:

“(a) Except as provided in subsection (b), the amendments made by this Act [enacting section 2282a of this title and amending this section and sections 2210 and 2273 of this title] shall become effective on the date of the enactment of this Act.

“(b) The amendments made by section 11 [amending this section and section 2210 of this title] shall apply to nuclear incidents occurring on or after such date.”

“(2)(A) Section 234A of the Atomic Energy Act of 1954 [section 2282a of this title] shall not apply to any viola-
tion occurring before the date of the enactment of this Act.

“(B) Section 223 c. of the Atomic Energy Act of 1954 [section 2273(c) of this title] shall not apply to any violation occurring before the date of enactment of this Act.”

§ 2015. Transfer of property

Nothing in this chapter shall be deemed to repeal, modify, amend, or alter the provisions of section 9(a) of the Atomic Energy Act of 1946, as heretofore amended.

REFERENCES IN TEXT

This chapter, referred to in text, was in the original “this Act”, meaning act Aug. 1, 1946, ch. 724, as added by act Aug. 30, 1954, ch. 1073, §1, 68 Stat. 919, known as the Atomic Energy Act of 1954, which is classified principally to this chapter. Section 9(a) of the Atomic Energy Act of 1946, as heretofore amended, referred to in text, which was formerly classified to section 1809(a) of this title, provided that: “The President shall directly the transfer to the Commission of all interests owned by the United States or any Government agency in the following property:

“(1) all fissionable material; all atomic weapons and parts thereof; all facilities, equipment, and materials for the processing, production, or utilization of fissionable material or atomic energy; all processes and technical information of any kind, and the source thereof (including data, drawings, specifications, patents, patent applications, and other sources relating to the processing, production, or utilization of fissionable material or atomic energy; and all contracts, agreements, leases, patents, applications for patents, inventions and discoveries (whether patented or unpatented), and other rights of any kind concerning any such items;

“(2) all facilities, equipment, and materials, devoted primarily to atomic energy research and development; and

“(3) such other property owned by or in the custody or control of the Manhattan Engineer District or other Government agencies as the President may determine.”

PRIOR PROVISIONS

Provisions similar to those comprising this section were contained in section 9 of act Aug. 1, 1946, ch. 724, 60 Stat. 765, which was classified to section 1809 of this title, prior to the complete amendment and renumbering of act Aug. 1, 1946, by act Aug. 30, 1954.

§ 2015a. Cold standby

The Secretary is authorized to expend such funds as may be necessary for the purposes of maintaining enrichment capability at the Portsmouth, Ohio, facility.

§ 2015b. Scholarship and fellowship program

(a) Scholarship program

To enable students to study, for at least 1 academic semester or equivalent term, science, engineering, or another field of study that the Commission determines is in a critical skill area related to the regulatory mission of the Commission, the Commission may carry out a program to—

(1) award scholarships to undergraduate students who—

(A) are United States citizens; and

(B) enter into an agreement under subsection (c) to be employed by the Commission in the area of study for which the scholarship is awarded.

(b) Fellowship program

To enable students to pursue education in science, engineering, or another field of study that the Commission determines is in a critical skill area related to its regulatory mission, in a graduate or professional degree program offered by an institution of higher education in the United States, the Commission may carry out a program to—

(1) award fellowships to graduate students who—

(A) are United States citizens; and

(B) enter into an agreement under subsection (c) to be employed by the Commission in the area of study for which the fellowship is awarded.

(c) Requirements

(1) In general

As a condition of receiving a scholarship or fellowship under subsection (a) or (b), a recipient of the scholarship or fellowship shall enter into an agreement with the Commission under which, in return for the assistance, the recipient shall—

(A) maintain satisfactory academic progress in the studies of the recipient, as determined by criteria established by the Commission;

(B) agree that failure to maintain satisfactory academic progress shall constitute grounds on which the Commission may terminate the assistance;

(C) on completion of the academic course of study in connection with which the assistance was provided, and in accordance with criteria established by the Commission, engage in employment by the Commission for a period specified by the Commission, that shall be not less than 1 time and not more than 3 times the period for which the assistance was provided; and

(D) if the recipient fails to meet the requirements of subparagraph (A), (B), or (C), reimburse the United States Government for—

1 So in original. No par. (2) has been enacted.
(i) the entire amount of the assistance provided the recipient under the scholarship or fellowship; and
(ii) interest at a rate determined by the Commission.

(2) Waiver or suspension

The Commission may establish criteria for the partial or total waiver or suspension of any obligation of service or payment incurred by a recipient of a scholarship or fellowship under this section.

(d) Competitive process

Recipients of scholarships or fellowships under this section shall be selected through a competitive process primarily on the basis of academic merit and such other criteria as the Commission may establish, with consideration given to financial need and the goal of promoting the participation of individuals identified in section 1885a or 1885b of this title.

(e) Direct appointment

The Commission may appoint directly, with no further competition, public notice, or consideration of any other potential candidate, an individual who has—

(1) received a scholarship or fellowship awarded by the Commission under this section; and
(2) completed the academic program for which the scholarship or fellowship was awarded.

§ 2015c. Partnership program with institutions of higher education

(a) Definitions

In this section:

(1) Hispanic-serving institution

The term “Hispanic-serving institution” has the meaning given the term in section 1101a(a) of title 20.

(2) Historically Black college and university

The term “historically Black college or university” has the meaning given the term “part B institution” in section 1061 of title 20.

(3) Tribal college

The term “Tribal college” has the meaning given the term “tribally controlled college or university” in section 1801(a) of title 25.

(b) Partnership program

The Commission may establish and participate in activities relating to research, mentoring, instruction, and training with institutions of higher education, including Hispanic-serving institutions, historically Black colleges or universities, and Tribal colleges, to strengthen the capacity of the institutions—

(1) to conduct research in the field of science, engineering, or law, or any other field that the Commission determines is important to the work of the Commission.

§ 2017. Authorization of appropriations

(a) Congressional authorization

No appropriation shall be made to the Commission, nor shall the Commission waive charges for the use of materials under the Cooperative Power Reactor Demonstration Program, unless previously authorized by legislation enacted by the Congress.

(b) Accounting

Any Act appropriating funds to the Commission may appropriate specified portions thereof to be accounted for upon the certification of the Commission only.

(c) Restoration or replacement of facilities

Notwithstanding the provisions of subsection (a), funds are hereby authorized to be appropriated for the restoration or replacement of any plant or facility destroyed or otherwise seriously damaged, and the Commission is authorized to use available funds for such purposes.

(d) Substituted construction projects

Funds authorized to be appropriated for any construction project to be used in connection with the development or production of special nuclear material or atomic weapons may be used to start another construction project not otherwise authorized if the substituted construction project is within the limit of cost of the construction project for which substitution is to be made, and the Commission certifies that—

(1) the substituted project is essential to the common defense and security;
(2) the substituted project is required by changes in weapon characteristics or weapon logistic operations; and
(3) the Commission is unable to enter into a contract with any person on terms satisfactory to it to furnish from a privately owned plant or facility the product or services to be provided by the new project.

§ 2017a

Prior Provisions

Provisions similar to those comprising this section were contained in section 19 of act Aug. 1, 1946, ch. 724, 60 Stat. 775, which was classified to section 1819 of this title, prior to the general amendment and renumbering of act Aug. 1, 1946, by act Aug. 30, 1954.

Amendments

1963—Subsec. (a). Pub. L. 88–72 required legislative authorization of appropriations to the Commission and waiver of charges for use of materials under the Cooperative Power Reactor Demonstration Program. Former provisions of subsec. (a) authorized appropriations necessary and appropriate to carry out the provisions and purposes of this chapter, excepting in par. (1) sums necessary for acquisition of real property or facility acquisition, construction or expansion (and deeming under certain conditions a nonmilitary experimental reactor to be a facility) and in par. (2) sums necessary to carry out cooperative programs for development and construction of reactors for demonstration of their use in production of electrical power or process heat, or for propulsion, or for commercial provision of byproduct material, irradiation or other special service, for civilian use, by arrangements providing for payment of funds, rendering of services and undertaking of research and development without full reimbursement, the waiver of charges accompanying such arrangement or the provision of other financial assistance pursuant to such arrangement or the acquisition of real property or facility acquisition, construction or expansion undertaken by the Commission as part of such arrangement.

Subsec. (b). Pub. L. 88–72 substituted “Any act appropriating funds to the Commission” for “The acts appropriating such sums.”

Subsec. (c). Pub. L. 88–72 struck out authorization of funds provision for advance planning, construction design and architectural services in connection with any plant or facility and inserted “Notwithstanding” phrase.

Subsec. (d). Pub. L. 88–72 struck out “hereafter” after “Funds” and inserted “construction” before “project” wherever appearing.

1962—Subsecs. (c), (d). Pub. L. 87–615 added subsecs. (c) and (d).

1957—Pub. L. 85–79 designated first sentence as introductory clause of subsec. (a) and as (a)(1), inserted proviso to (a)(1), added (a)(2), by designating second sentence as subsec. (b), and struck out former sentence which provided that “Funds appropriated to the Commission shall, if obligated by contract during the fiscal year for which such appropriation is available, remain available for expenditure for four years following the expiration of the fiscal year for which appropriated.”.

Effective Date of 1963 Amendment

§ 2017a–1. Omitted

Codification

Section, Pub. L. 86–39, title III, §304, June 3, 1977, 91 Stat. 189, which authorized the Administrator of the Energy Research and Development Administration to perform construction design services for any Administration construction project whenever the Administrator made certain determinations, was from an Act authorizing appropriations for fiscal year 1977 to the Energy Research and Development Administration, and was not enacted as part of the Atomic Energy Act of 1954 which comprises this chapter. See section 5821(c) of this title.

Similar provisions were contained in the following prior appropriation authorization acts:

§ 2017b. Omitted

Codification

Section, act Sept. 26, 1962, Pub. L. 87–701, §104, 76 Stat. 601, which authorized appropriations for the Atomic Energy Commission for restoration or replacement of facilities, was from an Act authorizing appropriations for the Atomic Energy Commission, and was not enacted as part of the Atomic Energy Act of 1954 which comprises this chapter. See section 2017c of this title.

Similar provisions were contained in the following prior appropriation authorization acts:

§ 2018. Agency Jurisdiction

Nothing in this chapter shall be construed to affect the authority or regulations of any Federal, State, or local agency with respect to the generation, sale, or transmission of electric power produced through the use of nuclear facilities licensed by the Commission: Provided, That this section shall not be deemed to confer upon any Federal, State, or local agency any authority to regulate, control, or restrict any activities of the Commission.

AMENDMENTS

1965—Pub. L. 89–135 inserted “produced through the use of nuclear facilities licensed by the Commission: Provided, That this section shall not be deemed to confer upon any Federal, State, or local agency any authority to regulate, control, or restrict any activities of the Commission.”

§ 2019. Applicability of Federal Power Act

Every licensee under this chapter who holds a license from the Commission for a utilization or production facility for the generation of commercial electric energy under section 2133 of this title and who transmits such electric energy in interstate commerce or sells it at wholesale in interstate commerce shall be subject to the regulatory provisions of the Federal Power Act [16 U.S.C. 791a et seq.].

§ 2021. Cooperation with States

(a) Purpose

It is the purpose of this section—

(1) to recognize the interests of the States in the peaceful uses of atomic energy, and to clarify the respective responsibilities under this chapter of the States and the Commission with respect to the regulation of byproduct, source, and special nuclear materials;

(2) to recognize the need, and establish programs for, cooperation between the States and the Commission with respect to control of radiation hazards associated with use of such materials;

(3) to promote an orderly regulatory pattern between the Commission and State governments with respect to nuclear development and use and regulation of byproduct, source, and special nuclear materials;

(4) to establish procedures and criteria for discontinuance of certain of the Commission’s regulatory responsibilities with respect to byproduct, source, and special nuclear materials, and the assumption thereof by the States;

(5) to provide for coordination of the development of radiation standards for the guidance of Federal agencies and cooperation with the States; and

(6) to recognize that, as the States improve their capabilities to regulate effectively such materials, additional legislation may be desirable.

(b) Agreements with States

Except as provided in subsection (c), the Commission is authorized to enter into agreements with the Governor of any State for the discontinuance of the regulatory authority of the Commission under subchapters V, VI, and VII of this division, and section 2201 of this title, with respect to any or all of the following materials within the State:

(1) Byproduct materials (as defined in section 2014(e) of this title).

(2) Source materials.

(3) Special nuclear materials in quantities not sufficient to form a critical mass.

During the duration of such an agreement it is recognized that the State shall have authority to regulate the materials covered by the agreement for the protection of the public health and safety from radiation hazards.

(c) Commission regulation of certain activities

No agreement entered into pursuant to subsection (b) shall provide for discontinuance of any authority and the Commission shall retain authority and responsibility with respect to regulation of—

(1) the construction and operation of any production or utilization facility or any uranium enrichment facility;

(2) the export from or import into the United States of byproduct, source, or special nuclear material, or of any production or utilization facility;

(3) the disposal into the ocean or sea of byproduct, source, or special nuclear waste materials as defined in regulations or orders of the Commission;

(4) the disposal of such other byproduct, source, or special nuclear material as the Commission determines by regulation or order should, because of the hazards or potential hazards thereof, not be so disposed of without a license from the Commission.
The Commission shall also retain authority under any such agreement to make a determination that all applicable standards and requirements have been met prior to termination of a license for byproduct material, as defined in section 2014(e)(2) of this title. Notwithstanding any agreement between the Commission and any State pursuant to subsection (b), the Commission is authorized by rule, regulation, or order to require that the manufacturer, processor, or producer of any equipment, device, commodity, or other product containing source, byproduct, or special nuclear material shall not transfer possession or control of such product except pursuant to a license issued by the Commission.

(d) Conditions

The Commission shall enter into an agreement under subsection (b) of this section with any State if—

(1) The Governor of that State certifies that the State has a program for the control of radiation hazards adequate to protect the public health and safety with respect to the materials within the State covered by the proposed agreement, and that the State desires to assume regulatory responsibility for such materials; and

(2) the Commission finds that the State program is in accordance with the requirements of subsection (o) and in all other respects compatible with the Commission’s program for the regulation of such materials, and that the State program is adequate to protect the public health and safety with respect to the materials covered by the proposed agreement.

(e) Publication in Federal Register; comment of interested persons

(1) Before any agreement under subsection (b) is signed by the Commission, the terms of the proposed agreement and of proposed exemptions pursuant to subsection (f) shall be published once each week for four consecutive weeks in the Federal Register; and such opportunity for comment by interested persons on the proposed agreement and exemptions shall be allowed as the Commission determines by regulation or order to be appropriate.

(2) Each proposed agreement shall include the proposed effective date of such proposed agreement or exemptions. The agreement and exemptions shall be published in the Federal Register within thirty days after signature by the Commission and the Governor.

(f) Exemptions

The Commission is authorized and directed, by regulation or order, to grant such exemptions from the licensing requirements contained in subchapters V, VI, and VII, and from its regulations applicable to licensees as the Commission finds necessary or appropriate to carry out any agreement entered into pursuant to subsection (b) of this section.

(g) Compatible radiation standards

The Commission is authorized and directed to cooperate with the States in the formulation of standards for protection against hazards of radiation to assure that State and Commission programs for protection against hazards of radiation will be coordinated and compatible.

(h) Consultative, advisory, and miscellaneous functions of Administrator of Environmental Protection Agency

The Administrator of the Environmental Protection Agency shall consult qualified scientists and experts in radiation matters, including the President of the National Academy of Sciences, the Chairman of the National Committee on Radiation Protection and Measurement, and qualified experts in the field of biology and medicine and in the field of health physics. The Special Assistant to the President to Sollyse a. Technology, or his designee, is authorized to attend meetings with, participate in the deliberations of, and to advise the Administrator. The Administrator shall advise the President with respect to radiation matters, directly or indirectly affecting health, including guidance for all Federal agencies in the formulation of radiation standards and in the establishment and execution of programs of cooperation with States. The Administrator shall also perform such other functions as the President may assign to him by Executive order.

(i) Inspections and other functions; training and other assistance

The Commission in carrying out its licensing and regulatory responsibilities under this chapter is authorized to enter into agreements with any State, or group of States, to perform inspections or other functions on a cooperative basis as the Commission deems appropriate. The Commission is also authorized to provide training, with or without charge, to the States and to such other assistance as to, any State or political subdivision thereof or group of States as the Commission deems appropriate. Any such provision or assistance by the Commission shall take into account the additional expenses that may be incurred by a State as a consequence of the State’s entering into an agreement with the Commission pursuant to subsection (b).

(j) Reserve power to terminate or suspend agreements; emergency situations; State nonaction on causes of danger; authority exercisable only during emergency and commensurate with danger

(1) The Commission, upon its own initiative after reasonable notice and opportunity for hearing to the State with which an agreement under subsection (b) has become effective, or upon request of the Governor of such State, may terminate or suspend all or part of its agreement with the State and reassert the licensing and regulatory authority vested in it under this chapter, if the Commission finds that (1) such termination or suspension is required to protect the public health and safety, or (2) the State has not complied with one or more of the requirements of this section. The Commission shall periodically review such agreements and actions taken by the States under the agreements to ensure compliance with the provisions of this section.

(2) The Commission, upon its own motion or upon request of the Governor of any State, may,
after notifying the Governor, temporarily suspend all or part of its agreement with the State without notice or hearing if, in the judgment of the Commission:

(A) an emergency situation exists with respect to any material covered by such an agreement creating danger which requires immediate action to protect the health or safety of persons either within or outside the State, and

(B) the State has failed to take steps necessary to contain or eliminate the cause of the danger within a reasonable time after the situation arose.

A temporary suspension under this paragraph shall remain in effect only for such time as the emergency situation exists and shall authorize the Commission to exercise its authority only to the extent necessary to contain or eliminate the danger.

(k) State regulation of activities for certain purposes

Nothing in this section shall be construed to affect the authority of any State or local agency to regulate activities for purposes other than protection against radiation hazards.

(l) Commission regulated activities; notice of filing; hearing

With respect to each application for Commission license authorizing an activity as to which the Commission’s authority is continued pursuant to subsection (c), the Commission shall give prompt notice to the State or States in which the activity will be conducted of the filing of the license application; and shall afford reasonable opportunity for State representatives to offer evidence, interrogate witnesses, and advise the Commission as to the application without requiring such representatives to take a position for or against the granting of the application.

(m) Limitation of agreements and exemptions

No agreement entered into under subsection (b), and no exemption granted pursuant to subsection (f), shall affect the authority of the Commission under section 2201 or 2073 of this title to issue rules, regulations, or orders to protect the common defense and security, to protect restricted data or to guard against the loss or diversion of special nuclear material. For purposes of section 2201 or 2073 of this title, activities covered by exemptions granted pursuant to subsection (f) shall be deemed to constitute activities authorized pursuant to the Commission’s ability to protect and regulate such activities. Federal agencies, including alternative sites and engineering methods, to the activities to be conducted pursuant to such license; and

(iv) consideration of the long-term impacts, including decommissioning, decontamination, and reclamation impacts, associated with activities to be conducted

(o) State compliance requirements: compliance with section 2113(b) of this title and health and environmental protection standards; procedures for licenses, rulemaking, and license impact analysis; amendment of agreements for transfer of State collected funds; proceedings duplication restriction; alternative requirements

In the licensing and regulation of byproduct material, as defined in section 2014(e)(2) of this title, or of any activity which results in the production of byproduct material as so defined under an agreement entered into pursuant to subsection (b), a State shall require—

(1) compliance with the requirements of subsection (b) of section 2113 of this title (respecting ownership of byproduct material and land), and

(2) compliance with standards which shall be adopted by the State for the protection of the public health, safety, and the environment from hazards associated with such material which are equivalent, to the extent practicable, or more stringent than, standards adopted and enforced by the Commission for the same purpose, including requirements and standards promulgated by the Commission and the Administrator of the Environmental Protection Agency pursuant to sections 2113, 2114, and 2022 of this title, and

(3) procedures which—

(A) in the case of licenses, provide procedures under State law which include—

(i) an opportunity, after public notice, for written comments and a public hearing, with a transcript,

(ii) a written determination which is based upon findings included in such determination and upon the evidence presented during the public comment period and which is subject to judicial review;

(B) in the case of rulemaking, provide an opportunity for public participation through written comments or a public hearing and provide for judicial review of the rule;

(C) require for each license which has a significant impact on the human environment a written analysis (which shall be available to the public before the commencement of any such proceedings) of the impact of such license, including any activities conducted pursuant thereto, on the environment, which analysis shall include—

(i) an assessment of the radiological and nonradiological impacts to the public health of the activities to be conducted pursuant to such license;

(ii) an assessment of any impact on any waterway and groundwater resulting from such activities;

(iii) consideration of alternatives, including alternative sites and engineering methods, to the activities to be conducted pursuant to such license; and

(iv) consideration of the long-term impacts, including decommissioning, decontamination, and reclamation impacts, associated with activities to be conducted
pursuant to such license, including the management of any byproduct material, as defined by section 2014(e)(2) of this title; and

(D) prohibit any major construction activity with respect to such material prior to complying with the provisions of subparagraph (C).

If any State under such agreement imposes upon any licensee any requirement for the payment of funds to such State for the reclamation or long-term maintenance and monitoring of such material, and if transfer to the United States of such material is required in accordance with section 2113(b) of this title, such agreement shall be amended by the Commission to provide that such State shall transfer to the United States upon termination of the license issued to such licensee the total amount collected by such State from such licensee for such purpose. If such payments are required, they must be sufficient to ensure compliance with the standards established by the Commission pursuant to section 2201(x) of this title. No State shall be required under paragraph (3) to conduct proceedings concerning any license or regulation which would duplicate proceedings conducted by the Commission. In adopting requirements pursuant to paragraph (2) of this subsection with respect to sites at which ores are processed primarily for their source material content or which are used for the disposal of byproduct material as defined in section 2014(e)(2) of this title, the State may adopt alternatives (including, where appropriate, site-specific alternatives) to the requirements adopted and enforced by the Commission for the same purpose if, after notice and opportunity for public hearing, the Commission determines that such alternatives will achieve a level of stabilization and containment of the sites concerned, and a level of protection for public health, safety, and the environment from radiological and nonradiological hazards associated with such sites, which is equivalent to, to the extent practicable, or more stringent than the level which would be achieved by standards and requirements adopted and enforced by the Commission for the same purpose and any final standards promulgated by the Administrator of the Environmental Protection Agency in accordance with section 2022 of this title. Such alternative State requirements may take into account local or regional conditions, including geology, topography, hydrology and meteorology.

**AMENDMENTS**

2005—Subsec. (b). Pub. L. 109–58 substituted “State—” for “State—” in introductory provisions, added pars. (1) to (3), and struck out former pars. (1) to (4) which read as follows:

“(1) byproduct materials as defined in section 2014(e)(1) of this title;

(2) byproduct materials as defined in section 2014(e)(2) of this title;

(3) source materials;

(4) special nuclear materials in quantities not sufficient to form a critical mass.”

1992—Subsec. (c)(1). Pub. L. 102–486, § 902(a)(6), inserted before semicolon at end “or any uranium enrichment facility”.

1978—Subsec. (b). Pub. L. 95–604, § 204(a), inserted in par. (1) “as defined in section 2014(e)(1) of this title” after “byproduct materials”, added par. (2), and redesignated former pars. (2) and (3) as (3) and (4), respectively.

Subsec. (c). Pub. L. 95–604, § 204(f), required the Commission to retain authority under the agreement to make a determination that all applicable standards and requirements have been met prior to termination of a license for byproduct material as defined in section 2014(e)(2) of this title.

Subsec. (d)(2). Pub. L. 95–604, § 204(b), inserted “in accordance with the requirements of subsection (o) and in all other respects” before “compatible”.

Subsec. (j). Pub. L. 95–604, § 204(d), inserted “all or part of” after “suspend”, designated provision requiring termination or suspension be necessary to protect the public health and safety as cl. (1), added cl. (2), and inserted provision requiring the Commission to periodically review the agreements and actions taken by the States under the agreements to ensure compliance with the provisions of this section.

Subsec. (n). Pub. L. 95–604, § 204(c), inserted definition of “agreement”.

**EFFECTIVE DATE OF 1978 AMENDMENT**

Section 204(e)(2) of Pub. L. 95–604, as added by Pub. L. 96–106, § 22(d), Nov. 9, 1979, 93 Stat. 800, provided that: “The provisions of the amendment made by paragraph (1) of this subsection (which adds a new subsection o to section 274 of the Atomic Energy Act of 1954 [this section]) shall apply only to the maximum extent prac-
ticable during the three-year period beginning on the

STATE AUTHORITIES AND AGREEMENTS RESPECTING BY-
PRODUCT MATERIAL; ENTRY AND EFFECTIVE DATES OF 
AGREEMENTS

“(g) Nothing in any amendment made by this section [amending this section] shall preclude any State from exercising any other authority as permitted under the Atomic Energy Act of 1954 [this chapter] respecting any byproduct material, as defined in section 11 e. (2) of the Atomic Energy Act of 1954 [section 2014(e)(2) of this title].

“(h) During the three-year period beginning on the
date of the enactment of this Act [Nov. 8, 1978], not-
withstanding any other provision of this title [See Ef-
fective Date of 1978 Amendment note set out under sec-
tion 2014 of this title], any State may exercise any au-
thority under State law [including authority exercised
pursuant to an agreement entered into pursuant to sec-
tion 274 of the Atomic Energy Act of 1954 [this section]]
respecting (A) byproduct material, as defined in section
11 e. (2) of the Atomic Energy Act of 1954 [section
2014(e)(2) of this title], or (B) any activity which results
in the production of byproduct material as so defined,
in the same manner and to the same extent as per-
mitted before the date of the enactment of this Act, ex-
cept that such State authority shall be exercised in a
manner which, to the extent practicable, is consistent
with the requirements of section 274 o. of the Atomic
Energy Act of 1954 [as added by section 2014(e) of
this Act] [subsec. (o) of this section]. The Commission
shall have the authority to ensure that such section 274 o. is
implemented by any such State to the extent prac-
ticable during the three-year period beginning on the
date of the enactment of this Act. Nothing in this sec-
tion shall be construed to preclude the Commission
or the Administrator of the Environmental Protection
Agency from taking such action under section 275 of
the Atomic Energy Act of 1954 [section 2022 of this
title] as may be necessary to implement title I of this
Act [section 7911 et seq. of this title].

“(2) An agreement entered into with any State as
permitted under section 274 of the Atomic Energy Act
of 1954 [this section] with respect to byproduct material
as defined in section 11 e. (2) of such Act [section
2014(e)(2) of this title], may be entered into at any time
after the date of the enactment of this Act [Nov. 8, 1978]
but no such agreement may take effect before the date
three years after the date of the enactment of this Act.
“Nothing in any other provision of this title
[See Effective Date of 1978 Amendment note set out
under section 2014 of this title], where a State assumes
or has assumed, pursuant to an agreement entered into
under section 274 b. of the Atomic Energy Act of 1954
[subsec. (b) of this section], authority over any activity
which results in the production of byproduct material,
as defined in section 11 e. (2) of such Act [section
2014(e)(2) of this title], the Commission shall not, until
the end of the three-year period beginning on the date
of the enactment of this Act [Nov. 8, 1978], have licens-
ing authority over such byproduct material produced in
any activity covered by such agreement, unless the
agreement is terminated, suspended, or amended to
provide for such Federal licensing. If, at the end of such
three-year period, a State has not entered into such an
agreement with respect to byproduct material, as so
defined in section 11 e. (2) of the Atomic Energy Act of
1954, the Commission shall have authority over such
byproduct material: Provided, however, That, in the
case of a State which has exercised any authority
under State law pursuant to an agreement entered into
under section 274 of the Atomic Energy Act of 1954 [this
section], the State authority over such byproduct ma-
terial may be terminated, and the State authority over such material may be exercised, only after
agreement to comply with the Commission with the same proce-
dures as are applicable in the case of termination of agreements under section 274j. of the Atomic Energy Act of 1954 [subsec. (j) of this section].”

EXECUTIVE ORDER NO. 12192

Ex. Ord. No. 12192, Feb. 12, 1982, 45 F.R. 9727, which estab-
lished the State Planning Council on Radioactive Waste Management and provided for its membership, functions, etc., was revoked by Ex. Ord. No. 12379, §13, Aug. 17, 1982, 47 F.R. 36099, set out as a note under sec-
tion 14 of the Federal Advisory Committee Act in the
Appendix to Title 5, Government Organization and Em-
ployees.

§ 201a. Storage or disposal facility planning

(a) Any person, agency, or other entity pro-
posing to develop a storage or disposal facility,
including a test disposal facility, for high-level
radioactive wastes, non-high-level radioactive
wastes including transuranium contaminated
wastes, or irradiated nuclear reactor fuel, shall
notify the Commission as early as possible after
the commencement of planning for a particular
proposed facility. The Commission shall in turn
notify the Governor and the State legislature of
the State of proposed sites whenever the Com-
mission has knowledge of such proposal.

(b) The Commission is authorized and directed
to prepare a report on means for improving the
opportunities for State participation in the
process for siting, licensing, and developing nu-
clear waste storage or disposal facilities. Such
report shall include detailed consideration of a
program to provide grants through the Commis-
ion to any State, and the advisability of such a
program, for the purpose of conducting an inde-
pendent State review of any proposal to develop
a nuclear waste storage or disposal facility iden-
tified in subsection (a) within such State. Before
March 1, 1979, the Commission shall sub-
mit the report to the Congress including rec-
ommendations for improving the opportunities
for State participation together with any nec-
essary legislative proposals.

REFERENCES IN TEXT

Commission, referred to in text, probably means the Nuclear Regulatory Commission in view of the fact
that this section was enacted as part of the act author-
izing appropriations for the Nuclear Regulatory Com-
mision for fiscal year 1979.

CODIFICATION

Section was enacted as part of an act authorizing ap-
propriations to the Nuclear Regulatory Commission for
fiscal year 1979, and not as part of the Atomic Energy
Commission Act of 1954, which comprises this chapter.

PLAN FOR PERMANENT DISPOSAL OF WASTE FROM
ATOMIC ENERGY DEFENSE ACTIVITIES; SUBMISSION OF
PLAN TO CONGRESS NOT LATER THAN JUNE 30, 1983

directed President to submit to Committees on Armed
Services of Senate and of House of Representatives not later than June 30, 1983, a report setting forth his plans for permanent disposal of high-level and transuranic waste resulting from atomic energy defense activities. Such report to include, but not be limited to, for each State in which such wastes are stored in interim storage facilities on Dec. 4, 1981, specific estimates of amounts planned for expenditure in each of the next five fiscal years to achieve the permanent disposal of such wastes and general estimates of amounts planned for expenditure in fiscal years thereafter to achieve such purpose, and a thorough and detailed program management plan for the disposal of such wastes.

WEST VALLEY DEMONSTRATION PROJECT; RADIOACTIVE WASTE MANAGEMENT; PROJECT ACTIVITIES; PUBLIC HEARINGS; REVIEW OF PROJECT AND CONSULTATIONS; AUTHORIZATION OF APPROPRIATIONS; REPORT TO CONGRESS

Pub. L. 107–66, title III, Nov. 12, 2001, 115 Stat. 503, provided in part: "That funding for the West Valley Demonstration Project shall be reduced in subsequent fiscal years to the minimum necessary to maintain the project in a safe and stable condition, unless, not later than September 30, 2002, the Secretary: (1) provides written notification to the Committees on Appropriations of the House of Representatives and the Senate that agreement has been reached with the State of New York on the final scope of Federal activities at the West Valley site and on the respective Federal and State cost shares for those activities; (2) submits a written copy of that agreement to the Committees on Appropriations of the House of Representatives and the Senate; and (3) provides a written certification that the Federal actions proposed in the agreement will be in full compliance with all relevant Federal statutes and are in the best interest of the Federal Government."

The Secretary shall:

(1) The Secretary shall hold in the vicinity of the Center public hearings to inform the residents of the area in which the Center is located of the activities proposed to be undertaken under the project and to receive their comments on the project.

(2) The Secretary shall consider the various technologies available for the solidification and handling of high level radioactive waste taking into account the unique characteristics of such waste at the Center.

(3) The Secretary shall:

(A) undertake detailed engineering and cost estimates for the project,

(B) prepare a plan for the safe removal of the high level radioactive waste at the Center for the purposes of solidification and include in the plan provisions respecting the safe breaching of the tanks in which the waste is stored, operating equipment to accomplish the removal, and sluicing techniques.

(C) conduct appropriate safety analyses of the project, and

(D) prepare required environmental impact analyses of the project.

(4) The Secretary shall enter into a cooperative agreement with the State in accordance with the Federal Grant and Cooperative Agreement Act [see section 6301 et seq. of Title 31, Money and Finance] under which the State will carry out the following:

(A) The State will make available to the Secretary the facilities of the Center and the high level radioactive waste at the Center which are necessary for the completion of the project. The facilities and the waste shall be made available without the transfer of title and for such period as may be required for completion of the project.

(B) The Secretary shall provide technical assistance in securing required license amendments.

(C) The State shall pay 10 percent of the costs of the project, as determined by the Secretary. In determining the costs of the project, the Secretary shall consider the value of the use of the Center for the project. The State may not use Federal funds to pay its share of the cost of the project, but may use the perpetual care fund to pay such share.

(D) Submission jointly by the Department of Energy and the State of New York of an application for a licensing amendment as soon as possible with the Nuclear Regulatory Commission providing for the demonstration.

(c) Within one year from the date of the enactment of this Act [Oct. 1, 1980], the Secretary shall enter into an agreement with the Commission to establish arrangements for review and consultation by the Commission with respect to the project: Provided, That review and consultation by the Commission pursuant to this subsection shall be conducted informally by the Commission and shall not include nor require formal procedures or actions by the Commission pursuant to the Atomic Energy Act of 1954, as amended [this chapter], the Energy Reorganization Act of 1974, as amended [section 5801 et seq. of this title], or any other law. The agreement shall provide for the following:

(1) The Secretary shall submit to the Commission, for its review and comment, a plan for the solidification of the high level radioactive waste at the Center, the removal of the waste for purposes of its solidification, the preparation of the waste for disposal, and the decontamination of the facilities to be used in solidifying the waste. In preparing its comments on the plan, the Commission shall specify with precision its objections to any provision of the plan. Upon submission of a plan to the Commission, the Secretary shall publish a notice in the Federal Register of the submission of the plan and of its availability for public inspection, and, upon receipt of the comments of the Commission respecting a plan, the Secretary shall publish a notice in the Federal Register of the receipt
of the comments and of the availability of the comments for public inspection. If the Secretary does not revise the plan to meet objections specified in the comments of the Commission, the Secretary shall publish in the Federal Register a detailed statement for not so revising the plan.

"(2) The Secretary shall consult with the Commission with respect to the amount in which the high level radioactive waste at the Center shall be solidified and the containers to be used in the permanent disposal of such waste.

"(3) The Secretary shall submit to the Commission safety analysis reports and such other information as the Commission may require to identify any danger to the public health and safety which may be presented by the project.

"(4) The Secretary shall afford the Commission access to the Center to enable the Commission to monitor the activities under the project for the purpose of assuring the public health and safety.

"(d) In carrying out the project, the Secretary shall consult with the Administrator of the Environmental Protection Agency, the Secretary of Transportation, the Director of the United States Geological Survey, and the commercial operator of the Center.

SEC. 3. (a) There are authorized to be appropriated to the Secretary for the project not more than $75,000,000 for each of fiscal years 2020 through 2026.

"(b) The total amount obligated for the project by the Secretary shall be 90 per cent of the costs of the project.

"(c) The authority of the Secretary to enter into contracts under this Act shall be effective for any fiscal year only to such extent or in such amounts as are provided in advance by appropriation Acts.

"SEC. 4. Not later than February 1, 1981, and on February 1 of each calendar year thereafter during the term of the project, the Secretary shall transmit to the Speaker of the House of Representatives and the President pro tempore of the Senate an up-to-date report containing a detailed description of the activities of the Secretary in carrying out the project, including agreements entered into and the costs incurred during the period reported on and the activities to be undertaken in the next fiscal year and the estimated costs thereof.

"SEC. 5. (a) Other than the costs and responsibilities established by this Act for the project, nothing in this Act shall be construed as affecting any rights, obligations, or liabilities of the commercial operator of the Center, the State, or any person, as is appropriate, arising under the Atomic Energy Act of 1954 (this chapter) or under any other law, contract, or agreement for the operation, maintenance, or decontamination of any facility or property at the Center or for any wastes at the Center. Nothing in this Act shall be construed as affecting any applicable licensing requirement of the Atomic Energy Commission, the Department of Energy, or any other federal or state agency. This Act shall not apply or be extended to any facility or property at the Center which is not used in conducting the project. This Act may not be construed to expand or diminish the rights of the Federal Government.

"(b) This Act does not authorize the Federal Government to acquire title to any high level radioactive waste at the Center or to the Center or any portion thereof.

"SEC. 6. For purposes of this Act:

"(1) The term ‘Secretary’ means the Secretary of Energy.

"(2) The term ‘Commission’ means the Nuclear Regulatory Commission.

"(3) The term ‘State’ means the State of New York.

"(4) The term ‘high level radioactive waste’ means the high level radioactive waste which was produced by the reprocessing at the Center of spent nuclear fuel. Such term includes both liquid wastes which are produced directly in reprocessing, dry solid material derived from such liquid waste, and such other material as the Commission designates as high level radioactive waste for purposes of protecting the public health and safety.

"(5) The term ‘transuranic waste’ means material contaminated with elements which have an atomic number greater than 92, including neptunium, plutonium, americium, and curium, and which are in concentrations greater than 10 nanocuries per gram, or in such other concentrations as the Commission may prescribe to protect the public health and safety.

"(6) The term ‘low level radioactive waste’ means radioactive waste not classified as high level radioactive waste, transuranic waste, or byproduct material as defined in section 11e. (2) of the Atomic Energy Act of 1954 (section 2014(e)(2) of this title).

"(7) The term ‘project’ means the project prescribed by section 2(a).

"(8) The term ‘Center’ means the Western New York Service Center in West Valley, New York.”

For purposes of sections 2021b to 2021j of this title:

(1) Agreement State

The term “agreement State” means a State that—

(A) has entered into an agreement with the Nuclear Regulatory Commission under section 2021 of this title; and

(B) has authority to regulate the disposal of low-level radioactive waste under such agreement.

(2) Allocation

The term "allocation" means the assignment of a specific amount of low-level radioactive waste disposal capacity to a commercial nuclear power reactor for which access is required to be provided by sited States subject to the conditions specified under sections 2021b to 2021j of this title.

(3) Commercial nuclear power reactor

The term “commercial nuclear power reactor” means any unit of a civilian light-water moderated utilization facility required to be licensed under section 2133 or 2134(b) of this title.

(4) Compact

The term “compact” means a compact entered into by two or more States pursuant to sections 2021b to 2021j of this title.

(5) Compact commission

The term “compact commission” means the regional commission, committee, or board established in a compact to administer such compact.

(6) Compact region

The term “compact region” means the area consisting of all States that are members of a compact.

(7) Disposal

The term “disposal” means the permanent isolation of low-level radioactive waste pursu-
§ 2021c  TITLE 42—THE PUBLIC HEALTH AND WELFARE

ant to the requirements established by the Nuclear Regulatory Commission under applicable laws, or by an agreement State if such isolation occurs in such agreement State.

(8) Generate

The term “generate”, when used in relation to low-level radioactive waste, means to produce low-level radioactive waste.

(9) Low-level radioactive waste

(A) In general

The term “low-level radioactive waste” means radioactive material that—

(1) is not high-level radioactive waste, spent nuclear fuel, or byproduct material (as defined in section 2014(e)(2) of this title); and

(2) the Nuclear Regulatory Commission, consistent with existing law and in accordance with paragraph (A), classifies as low-level radioactive waste.

(B) Exclusion

The term “low-level radioactive waste” does not include byproduct material (as defined in paragraphs (3) and (4) of section 2014(e) of this title).

(10) Non-sited compact region

The term “non-sited compact region” means any compact region that is not a sited compact region.

(11) Regional disposal facility

The term “regional disposal facility” means a non-Federal low-level radioactive waste disposal facility in operation on January 1, 1985, or subsequently established and operated under a compact.

(12) Secretary

The term “Secretary” means the Secretary of Energy.

(13) Sited compact region

The term “sited compact region” means a compact region in which there is located one of the regional disposal facilities at Barnwell, in the State of South Carolina; Richland, in the State of Washington; or Beatty, in the State of Nevada.

(14) State

The term “State” means any State of the United States, the District of Columbia, and the Commonwealth of Puerto Rico.

SHORT TITLE

§ 2021c. Responsibilities for disposal of low-level radioactive waste

(a)(1) Each State shall be responsible for providing, either by itself or in cooperation with other States, for the disposal of—

(A) low-level radioactive waste generated within the State (other than by the Federal Government) that consists of or contains class A, B, or C radioactive waste as defined by section 61.55 of title 10, Code of Federal Regulations, as in effect on January 26, 1983;

(B) low-level radioactive waste described in subparagraph (A) that is generated by the Federal Government except such waste that is—

(i) owned or generated by the Department of Energy;

(ii) owned or generated by the United States Navy as a result of the decommissioning of vessels of the United States Navy; or

(iii) owned or generated as a result of any research, development, testing, or production of any atomic weapon; and

(C) low-level radioactive waste described in subparagraphs (A) and (B) that is generated outside of the State and accepted for disposal in accordance with sections 1 2021e or 2021f of this title.

(2) No regional disposal facility may be required to accept for disposal any material—

(A) that is not low-level radioactive waste as defined by section 61.55 of title 10, Code of Federal Regulations, as in effect on January 26, 1983;

(B) identified under the Formerly Utilized Sites Remedial Action Program.

Nothing in this paragraph shall be deemed to prohibit a State, subject to the provisions of its compact, or a compact region from accepting for disposal any material identified in subparagraph (A) or (B).

(b)(1) The Federal Government shall be responsible for the disposal of—

(A) low-level radioactive waste owned or generated by the Department of Energy;

1 So in original. Probably should be “section”.

(2) No regional disposal facility may be required to accept for disposal any material—
(B) low-level radioactive waste owned or generated by the United States Navy as a result of the decommissioning of vessels of the United States Navy;

(C) low-level radioactive waste owned or generated by the Federal Government as a result of any research, development, testing, or production of any atomic weapon; and

(D) any other low-level radioactive waste with concentrations of radionuclides that exceed the limits established by the Commission for class C radioactive waste, as defined by section 61.55 of title 10, Code of Federal Regulations, as in effect on January 26, 1983.

(2) All radioactive waste designated a Federal responsibility pursuant to subparagraph (b)(1)(D) that results from activities licensed by the Nuclear Regulatory Commission under the Atomic Energy Act of 1954, as amended, shall be disposed of in a facility licensed by the Nuclear Regulatory Commission that the Commission determines is adequate to protect the public health and safety.

(3) Not later than 12 months after January 15, 1986, the Secretary shall submit to the Congress a comprehensive report setting forth the recommendations of the Secretary for ensuring the safe disposal of all radioactive waste designated a Federal responsibility pursuant to subparagraph (b)(1)(D). Such report shall include—

(A) an identification of the radioactive waste involved, including the source of such waste, and the volume, concentration, and other relevant characteristics of such waste;

(B) an identification of the Federal and non-Federal options for disposal of such radioactive waste;

(C) a description of the actions proposed to ensure the safe disposal of such radioactive waste;

(D) a description of the projected costs of undertaking such actions;

(E) an identification of the options for ensuring that the beneficiaries of the activities resulting in the generation of such radioactive wastes bear all reasonable costs of disposing of such wastes; and

(F) an identification of any statutory authority required for disposal of such waste.

(4) The Secretary may not dispose of any radioactive waste designated a Federal responsibility pursuant to paragraph (b)(1)(D) that becomes a Federal responsibility for the first time pursuant to such paragraph until ninety days after the report prepared pursuant to paragraph (3) has been submitted to the Congress.

(B) to regulate health, safety, or environmental hazards from source material, by-product material, or special nuclear material;
(C) to inspect the facilities of licensees of the Nuclear Regulatory Commission;
(D) to inspect security areas or operations at the site of the generation of any low-level radioactive waste by the Federal Government, or to inspect classified information related to such areas or operations; or
(E) to require indemnification pursuant to the provisions of chapter 171 of title 28 (commonly referred to as the Federal Tort Claims Act), or section 2210 of this title, whichever is applicable.

(4) Federal authority
Except as expressly provided in sections 2021b to 2021j of this title, nothing contained in sections 2021b to 2021j of this title or any compact may be construed to limit the applicability of any Federal law or to diminish or otherwise impair the jurisdiction of any Federal agency, or to alter, amend, or otherwise affect any Federal law governing the judicial review of any action taken pursuant to any compact.

(5) State authority preserved
Except as expressly provided in sections 2021b to 2021j of this title, nothing contained in sections 2021b to 2021j of this title expands, diminishes, or otherwise affects State law.

(c) Restricted use of regional disposal facilities
Any authority in a compact to restrict the use of the regional disposal facilities under the compact to the disposal of low-level radioactive waste generated within the compact region shall not take effect before each of the following occurs:
(1) January 1, 1986; and
(2) the Congress by law consents to the compact.

(d) Congressional review
Each compact shall provide that every 5 years after the compact has taken effect the Congress may by law withdraw its consent.

PRIOR PROVISIONS

TEXAS LOW-LEVEL RADIOACTIVE WASTE DISPOSAL COMPACT CONSENT ACT

"SECTION 1. SHORT TITLE.
"This Act may be cited as the ‘Texas Low-Level Radioactive Waste Disposal Compact Consent Act’.

"SEC. 2. CONGRESSIONAL FINDING.
"The Congress finds that the compact set forth in section 5 is in furtherance of the Low-Level Radioactive Waste Policy Act (42 U.S.C. 2021b et seq.).

"SEC. 3. CONDITIONS OF CONSENT TO COMPACT.
"The consent of the Congress to the compact set forth in section 5—
"(1) shall become effective on the date of the enactment of this Act [Sept. 20, 1998];
"(2) is granted subject to the provisions of the Low-Level Radioactive Waste Policy Act (42 U.S.C. 2021b et seq.); and
"(3) is granted only for so long as the regional commission established in the compact complies with all of the provisions of such Act.

"SEC. 4. CONGRESSIONAL REVIEW.
"The Congress may alter, amend, or repeal this Act with respect to the compact set forth in section 5 after the expiration of the 10-year period following the date of the enactment of this Act [Sept. 20, 1998], and at such intervals thereafter as may be provided in such compact.

"SEC. 5. TEXAS LOW-LEVEL RADIOACTIVE WASTE COMPACT.
"(a) CONSENT OF CONGRESS.—In accordance with section 4(a)(2) of the Low-Level Radioactive Waste Policy Act (42 U.S.C. 2021d(a)(2)), the consent of Congress is given to the States of Texas, Maine, and Vermont to enter into the compact set forth in subsection (b).

"SEC. 5. SOUTHWESTERN LOW-LEVEL RADIOACTIVE WASTE COMPACT.
"In accordance with section 4(a)(2) of the Low-Level Radioactive Waste Policy Act (42 U.S.C. 2021d(a)(2)), the consent of Congress is given to the States of Arizona, California, and any eligible states, as defined in article VII of the Southwestern Low-Level Radioactive Waste Disposal Compact, to enter into such compact. Such compact is substantially as follows: [Text of compact appears at 102 Stat. 4773]."
APPALACHIAN STATES LOW-LEVEL RADIOACTIVE WASTE COMPACT CONSENT ACT

Pub. L. 100–319, May 19, 1988, 102 Stat. 471, provid that:

“SECOND. SHORT TITLE.

“This Act may be cited as the `Appalachian States Low-Level Radioactive Waste Compact Consent Act’.

“SECOND. CONGRESSIONAL FINDING.

“SECOND. CONDITIONS OF CONSENT TO COMPACT.

“The consent of the Congress to the compact set forth in section 5 is in furtherance of the Low-Level Radioactive Waste Policy Act [42 U.S.C. 2021b–2021j], and

“(3) is granted only for so long as the Appalachian States Low-Level Radioactive Waste Commission, advisory committees, and regional boards established in the compact comply with all the provisions of such Act.

“SECOND. CONGRESSIONAL REVIEW.

“The Congress may alter, amend, or repeal this Act with respect to the compact set forth in section 5 after the expiration of the 10-year period following the date of the enactment of this Act [May 19, 1988], and at such intervals thereafter as may be provided for in such compact.

“SECOND. APPALACHIAN STATES LOW-LEVEL RADIOACTIVE WASTE COMPACT.

“In accordance with section 4(a)(2) of the Low-Level Radioactive Waste Policy Act [(42 U.S.C. 2021b(a)(2))] the consent of Congress is hereby given to the States of Pennsylvania, West Virginia, and any eligible States as defined in Article 5(A) of the Appalachian States Low-Level Radioactive Waste Compact to enter into such compact. Such compact is substantially as follows: [Text of compact appears at 102 Stat. 471].

OMNIBUS LOW-LEVEL RADIOACTIVE WASTE INTERSTATE COMPACT CONSENT ACT

“SECOND. SHORT TITLE.

“This Title may be cited as the `Omnibus Low-Level Radioactive Waste Interstate Compact Consent Act’.

“SECOND. GENERAL PROVISIONS.

“SECOND. CONDITIONS OF CONSENT TO COMPACTS.

“(1) shall become effective on the date of the enactment of this Act [Jan. 15, 1986];

“(2) is granted subject to the provisions of the Low-Level Radioactive Waste Policy Act [42 U.S.C. 2021b–2021j]; and

“(3) is granted only for so long as the Appalachian States Low-Level Radioactive Waste Commission, advisory committees, and regional boards established in the compact comply with all the provisions of such Act.

“SECOND. CONGRESSIONAL REVIEW.

“The Congress may alter, amend, or repeal this Act with respect to any compact set forth in title II after the expiration of the 10-year period following the date of the enactment of this Act [Jan. 15, 1986], and at such intervals thereafter as may be provided in such compact.

“Second. NORTHWEST INTERSTATE COMPACT ON LOW-LEVEL RADIOACTIVE WASTE MANAGEMENT.

“The consent of Congress is hereby given to the States of Alaska, Hawaii, Idaho, Montana, Oregon, Utah, Washington, and Wyoming to enter into the Northwest Interstate Low-Level Radioactive Waste Management Compact, and to each and every part and article thereof. Such compact reads substantially as follows: [Text of compact appears at 99 Stat. 1859].

“SECOND. CENTRAL INTERSTATE LOW-LEVEL RADIOACTIVE WASTE COMPACT.

“The consent of Congress is hereby given to the states of Alabama, Florida, Georgia, Mississippi, North Carolina, South Carolina, Tennessee, and Virginia to enter into the Central Interstate Low-Level Radioactive Waste Management Compact. Such compact is substantially as follows: [Text of compact appears at 99 Stat. 1863].

“SECOND. SOUTHEAST INTERSTATE LOW-LEVEL RADIOACTIVE WASTE MANAGEMENT COMPACT.

“In accordance with section 4(a)(2) of the Low-Level Radioactive Waste Policy Act [(42 U.S.C. 2021b(a)(2))], the consent of Congress is hereby given to the States of Alabama, Florida, Georgia, Mississippi, North Carolina, South Carolina, Tennessee, and Virginia to enter into the Southeast Interstate Low-Level Radioactive Waste Management Compact. Such compact is substantially as follows: [Text of compact appears at 99 Stat. 1863].

“SECOND. CENTRAL MIDWEST INTERSTATE LOW-LEVEL RADIOACTIVE WASTE COMPACT.

“In accordance with section 4(a)(2) of the Low-Level Radioactive Waste Policy Act [(42 U.S.C. 2021b(a)(2))], the consent of Congress is hereby given to the States of Illinois and Indiana to enter into the Central Midwest Interstate Low-Level Radioactive Waste Compact. Such compact is substantially as follows: [Text of compact appears at 99 Stat. 1871; 103 Stat. 1283].

“SECOND. CENTRAL MIDWEST INTERSTATE LOW-LEVEL RADIOACTIVE WASTE MANAGEMENT COMPACT.

“The consent of Congress is hereby given to the States of Iowa, Indiana, Michigan, Minnesota, Missouri, Ohio, and Wisconsin to enter into the Midwest Interstate Compact on Low-Level Radioactive Waste Management. Such compact is as follows: [Text of compact appears at 99 Stat. 1871; 103 Stat. 1283].

“SECOND. MIDWEST INTERSTATE LOW-LEVEL RADIOACTIVE WASTE MANAGEMENT COMPACT.

“The consent of Congress is hereby given to the States of Arizona, Colorado, Nevada, New Mexico, Utah, and Wyoming to enter into the Rocky Mountain Interstate Low-Level Radioactive Waste Compact. Such compact is substantially as follows: [Text of compact appears at 99 Stat. 1880; 108 Stat. 4067].

“SECOND. ROCKY MOUNTAIN LOW-LEVEL RADIOACTIVE WASTE COMPACT.

“In accordance with section 4(a)(2) of the Low-Level Radioactive Waste Policy Act [(42 U.S.C. 2021b(a)(2))], the consent of Congress is hereby given to the States of Connecticut, New Jersey, Delaware, and Maryland to enter into the Northeast Interstate Low-Level Radioactive Waste Management Compact. Such compact is substantially as follows: [Text of compact appears at 99 Stat. 1910].”
§ 2021e. Limited availability of certain regional disposal facilities during transition and licensing periods

(a) Availability of disposal capacity

(1) Pressurized water and boiling water reactors

During the seven-year period beginning January 1, 1986 and ending December 31, 1992, subject to the provisions of subsections (b) through (g), each State in which there is located a regional disposal facility referred to in paragraphs (1) through (3) of subsection (b) shall make disposal capacity available for low-level radioactive waste generated by pressurized water and boiling water commercial nuclear power reactors in accordance with the allocations established in subsection (c).

(2) Other sources of low-level radioactive waste

During the seven-year period beginning January 1, 1986 and ending December 31, 1992, subject to the provisions of subsections (b) through (g), each State in which there is located a regional disposal facility referred to in paragraphs (1) through (3) of subsection (b) shall make disposal capacity available for low-level radioactive waste generated by any source not referred to in paragraph (1).

(3) Allocation of disposal capacity

(A) During the seven-year period beginning January 1, 1986 and ending December 31, 1992, low-level radioactive waste generated within a sited compact region shall be accorded priority under this section in the allocation of available disposal capacity at a regional disposal facility referred to in paragraphs (1) through (3) of subsection (b) and located in the sited compact region in which such waste is generated.

(B) Any State in which a regional disposal facility referred to in paragraphs (1) through (3) of subsection (b) is located may, subject to the provisions of its compact, prohibit the disposal at such facility of low-level radioactive waste generated outside of the compact region if the disposal of such waste in any given calendar year, together with all other low-level radioactive waste disposed of at such facility within the same calendar year, would result in that facility disposing of a total annual volume of low-level radioactive waste in excess of 100 per centum of the average annual volume for such facility designated in subsection (b): Provided, however, That in the event that all three States in which regional disposal facilities referred to in paragraphs (1) through (3) of subsection (b) act to prohibit the disposal of low-level radioactive waste pursuant to this subparagraph, each such State shall, in accordance with any applicable procedures of its compact, permit, as necessary, the disposal of additional quantities of such waste in increments of 10 per centum of the average annual volume for each such facility designated in subsection (b).

(C) Nothing in this paragraph shall require any disposal facility or State referred to in paragraphs (1) through (3) of subsection (b) to accept for disposal low-level radioactive waste in excess of the total amounts designated in subsection (b).

(4) Cessation of operation of low-level radioactive waste disposal facility

No provision of this section shall be construed to obligate any State referred to in paragraphs (1) through (3) of subsection (b) to accept low-level radioactive waste from any source in the event that the regional disposal facility located in such State ceases operations.

(b) Limitations

The availability of disposal capacity for low-level radioactive waste from any source shall be subject to the following limitations:

(1) Barnwell, South Carolina

The State of South Carolina, in accordance with the provisions of its compact, may limit the volume of low-level radioactive waste accepted for disposal at the regional disposal facility located at Barnwell, South Carolina to a total of 8,400,000 cubic feet of low-level radioactive waste during the 7-year period beginning January 1, 1986, and ending December 31, 1992 (as based on an average annual volume of 1,200,000 cubic feet of low-level radioactive waste).

(2) Richland, Washington

The State of Washington, in accordance with the provisions of its compact, may limit the volume of low-level radioactive waste accepted for disposal at the regional disposal facility located at Richland, Washington to a total of 9,800,000 cubic feet of low-level radioactive waste during the 7-year period beginning January 1, 1986, and ending December 31, 1992 (as based on an average annual volume of 1,400,000 cubic feet of low-level radioactive waste).

(3) Beatty, Nevada

The State of Nevada, in accordance with the provisions of its compact, may limit the volume of low-level radioactive waste accepted for disposal at the regional disposal facility located at Beatty, Nevada to a total of 1,400,000 cubic feet of low-level radioactive waste during the 7-year period beginning January 1, 1986, and ending December 31, 1992 (as based on an average annual volume of 200,000 cubic feet of low-level radioactive waste).

(c) Commercial nuclear power reactor allocations

(1) Amount

Subject to the provisions of subsections (a) through (g) each commercial nuclear power reactor shall upon request receive an allocation of low-level radioactive waste disposal capacity (in cubic feet) at the facilities referred to in subsection (b) during the 4-year transition period beginning January 1, 1986, and ending December 31, 1989, and during the 3-year licensing period beginning January 1, 1990, and ending December 31, 1992, in an amount calculated by multiplying the appropriate number from the following table by the number of months remaining in the applicable period as determined under paragraph (2).
(2) Method of calculation

For purposes of calculating the aggregate amount of disposal capacity available to a commercial nuclear power reactor under this subsection, the number of months shall be computed beginning with the first month of the applicable period, or the sixteenth month after receipt of a full power operating license, whichever occurs later.

(3) Unused allocations

Any unused allocation under paragraph (1) received by a reactor during the transition period or the licensing period may be used at any time after such reactor receives its full power license or after the beginning of the pertinent period, whichever is later, but not in any event after December 31, 1992, or after commencement of operation of a regional disposal facility in the compact region or State in which such reactor is located, whichever occurs first.

(4) Transferability

Any commercial nuclear power reactor in a State or compact region that is in compliance with the requirements of subsection (e) may assign any disposal capacity allocated to it under this subsection to any other person in each State or compact region. Such assignment may be for valuable consideration and shall be in writing, copies of which shall be filed at the affected compact commissions and States, along with the assignor’s unconditional written waiver of the disposal capacity being assigned.

(5) Unusual volumes

(A) The Secretary may, upon petition by the owner or operator of any commercial nuclear power reactor, allocate to such reactor disposal capacity in excess of the amount calculated under paragraph (1) if the Secretary finds and states in writing his reasons for so finding that making additional capacity available for such reactor through this paragraph is required to permit unusual or unexpected operating, maintenance, repair or safety activities.

(B) The Secretary may not make allocations pursuant to subparagraph (A) that would result in the acceptance for disposal of more than 800,000 cubic feet of low-level radioactive waste or would result in the total of the allocations made pursuant to this subsection exceeding 11,900,000 cubic feet over the entire seven-year interim access period.

(6) Limitation

During the seven-year interim access period referred to in subsection (a), the disposal facilities referred to in subsection (b) shall not be required to accept more than 11,900,000 cubic feet of low-level radioactive waste generated by commercial nuclear power reactors.

(d) Use of surcharge funds for milestone incentives; consequences of failure to meet disposal deadline

(1) Surcharges

The disposal of any low-level radioactive waste under this section (other than low-level radioactive waste generated in a sited compact region) may be charged a surcharge by the State in which the applicable regional disposal facility is located, in addition to the fees and surcharges generally applicable for disposal of low-level radioactive waste in the regional disposal facility involved. Except as provided in subsection (e)(2), such surcharges shall not exceed—

(A) in 1986 and 1987, $10 per cubic foot of low-level radioactive waste;

(B) in 1988 and 1989, $20 per cubic foot of low-level radioactive waste; and

(2) Milestone incentives

(A) Escrow account

Twenty-five per centum of all surcharge fees received by a State pursuant to paragraph (1) during the seven-year period referred to in subsection (a) shall be transferred on a monthly basis to an escrow account held by the Secretary. The Secretary shall deposit all funds received in a special escrow account. The funds so deposited shall not be the property of the United States. The Secretary shall act as trustee for such funds and shall invest them in interest-bearing United States Government Securities with the highest available yield. Such funds shall be held by the Secretary until—

(i) paid or repaid in accordance with subparagraph (B) or (C); or

(ii) paid to the State collecting such fees in accordance with subparagraph (F).

(B) Payments

(i) July 1, 1986.—The twenty-five per centum of any amount collected by a State under paragraph (1) for low-level radioactive waste disposed of under this section during the period beginning on January 1, 1986, and ending June 30, 1986, and transferred to the Secretary under subparagraph (A), shall be paid by the Secretary in accordance with subparagraph (D) if the milestone described in subsection (e)(1)(A) is met by the State in which such waste originated.

(ii) January 1, 1988.—The twenty-five per centum of any amount collected by a State under paragraph (1) for low-level radioactive waste disposed of under this section during the period beginning July 1, 1986 and ending December 31, 1987, and transferred to the Secretary under subparagraph (A), shall be paid by the Secretary in accordance with subparagraph (D) if the milestone described in subsection (e)(1)(B) is met by the State in which such waste originated (or its compact region, where applicable).

(iii) January 1, 1990.—The twenty-five per centum of any amount collected by a
State under paragraph (1) for low-level radioactive waste disposed of under this section during the period beginning January 1, 1988 and ending December 31, 1989, and transferred to the Secretary under subparagraph (A), shall be paid by the Secretary in accordance with subparagraph (D) if the milestone described in subsection (e)(1)(C) is met by the State in which such waste originated (or its compact region, where applicable).

(iii) The twenty-five per centum of any amount collected by a State under paragraph (1) for low-level radioactive waste disposed of under this section during the period beginning January 1, 1990 and ending December 31, 1992, and transferred to the Secretary under subparagraph (A), shall be paid by the Secretary in accordance with subparagraph (D) if, by January 1, 1993, the State in which such waste originated (or its compact region, where applicable) is able to provide for the disposal of all such radioactive waste generated within such State or compact region.

(C) Failure to meet January 1, 1993 deadline

If, by January 1, 1993, a State (or, where applicable, a compact region) in which low-level radioactive waste is generated is unable to provide for the disposal of all such waste generated within such State or compact region—

(i) each State in which such waste is generated, upon the request of the generator or owner of the waste, shall take title to the waste, shall be obligated to take possession of the waste, and shall be liable for all damages directly or indirectly incurred by such generator or owner as a consequence of the failure of the State to take possession of the waste as soon after January 1, 1993 as the generator or owner notifies the State that the waste is available for shipment; or

(ii) if such State elects not to take title to, take possession of, and assume liability for such waste, pursuant to clause (i), twenty-five per centum of any amount collected by a State under paragraph (1) for low-level radioactive waste disposed of under this section during the period beginning January 1, 1990 and ending December 31, 1992 shall be repaid, with interest, to each generator from whom such surcharge was collected. Repayments made pursuant to this clause shall be made on a monthly basis, with the first such repayment beginning on February 1, 1993, in an amount equal to one thirty-sixth of the total amount required to be repaid pursuant to this clause, and shall continue until the State (or, where applicable, compact region) in which such low-level radioactive waste is generated is able to provide for the disposal of all such waste generated within such State or compact region or until January 1, 1996, whichever is earlier.

If a State in which low-level radioactive waste is generated elects to take title to, take possession of, and assume liability for such waste pursuant to clause (i), such State shall be paid such amounts as are designated in subparagraph (B) (iv). If a State (or, where applicable, a compact region) in which low-level radioactive waste is generated provides for the disposal of such waste at any time after January 1, 1993 and prior to January 1, 1996, such State (or, where applicable, compact region) shall be paid in accordance with subparagraph (D) a lump sum amount equal to twenty-five per centum of any amount collected by a State under paragraph (1): Provided, however, That such payment shall be adjusted to reflect the remaining number of months between January 1, 1993 and January 1, 1996 for which such State (or, where applicable, compact region) provides for the disposal of such waste. If a State (or, where applicable, a compact region) in which low-level radioactive waste is generated is unable to provide for the disposal of all such waste generated within such State or compact region by January 1, 1996, each State in which such waste is generated, upon the request of the generator or owner of the waste, shall take title to the waste, be obligated to take possession of the waste, and shall be liable for all damages directly or indirectly incurred by such generator or owner as a consequence of the failure of the State to take possession of the waste as soon after January 1, 1996, as the generator or owner notifies the State that the waste is available for shipment.

(D) Recipients of payments

The payments described in subparagraphs (B) and (C) shall be paid within thirty days after the applicable date—

(i) if the State in which such waste originated is not a member of a compact region, to such State;

(ii) if the State in which such waste originated is a member of the compact region, to the compact commission serving such State.

(E) Uses of payments

(i) Limitations

Any amount paid under subparagraphs (B) or (C) may only be used to—

(I) establish low-level radioactive waste disposal facilities;

(II) mitigate the impact of low-level radioactive waste disposal facilities on the host State;

(III) regulate low-level radioactive waste disposal facilities; or

(IV) ensure the decommissioning, closure, and care during the period of institutional control of low-level radioactive waste disposal facilities.

(ii) Reports

(I) Recipient

Any State or compact commission receiving a payment under subparagraphs (B) or (C) shall, on December 31 of each
year in which any such funds are expended, submit a report to the Department of Energy itemizing any such expenditures.

(II) Department of Energy

Not later than six months after receiving the reports under subclause (I), the Secretary shall submit to the Congress a summary of all such reports that shall include an assessment of the compliance of each such State or compact commission with the requirements of clause (I).

(F) Payment to States

Any amount collected by a State under paragraph (1) that is placed in escrow under subparagraph (A) and not paid to a State or compact commission under subparagraph (B) and (C) or not repaid to a generator under subparagraph (C) shall be paid from such escrow account to such State collecting such payment under paragraph (1). Such payment shall be made not later than 30 days after a determination of ineligibility for a refund is made.

(G) Penalty surcharges

No rebate shall be made under this subsection of any surcharge or penalty surcharge paid during a period of noncompliance with subsection (e)(1).

(e) Requirements for access to regional disposal facilities

(1) Requirements for non-sited compact regions and non-member States

Each non-sited compact region, or State that is not a member of a compact region that does not have an operating disposal facility, shall comply with the following requirements:

(A) By July 1, 1986, each such non-member State shall ratify compact legislation or, by the enactment of legislation or the certification of the Governor, indicate its intent to develop a site for the location of a low-level radioactive waste disposal facility within such State.

(B) By January 1, 1988

(i) each non-sited compact region shall identify the State in which its low-level radioactive waste disposal facility is to be located, or shall have selected the developer for such facility and the site to be developed, and each compact region or the State in which its low-level radioactive waste disposal facility is to be located shall develop a siting plan for such facility providing detailed procedures and a schedule for establishing a facility location and preparing a facility license application and shall delegate authority to implement such plan;

(ii) each non-member State shall develop a siting plan providing detailed procedures and a schedule for establishing a facility location and preparing a facility license application for a low-level radioactive waste disposal facility and shall delegate authority to implement such plan; and

(iii) The siting plan required pursuant to this paragraph shall include a description of the optimum way to attain operation of the low-level radioactive waste disposal facility involved, within the time period specified in sections 2021b to 2021j of this title. Such plan shall include a description of the objectives and a sequence of deadlines for all entities required to take action to implement such plan, including, to the extent practicable, an identification of the activities in which a delay in the start, or completion, of such activities will cause a delay in beginning facility operation. Such plan shall also identify, to the extent practicable, the process for (1) screening for broad siting areas; (2) identifying and evaluating specific candidate sites; and (3) characterizing the preferred site(s), completing all necessary environmental assessments, and preparing a license application for submission to the Nuclear Regulatory Commission or an Agreement State.

(C) By January 1, 1990

(i) a complete application (as determined by the Nuclear Regulatory Commission or the appropriate agency of an agreement State) shall be filed for a license to operate a low-level radioactive waste disposal facility within each non-sited compact region or within each non-member State; or

(ii) the Governor (or, for any State without a Governor, the chief executive officer) of any State that is not a member of a compact region in compliance with clause (i), or has not complied with such clause by its own actions, shall provide a written certification to the Nuclear Regulatory Commission, that such State will be capable of providing for, and will provide for, the storage, disposal, or management of any low-level radioactive waste generated within such State and requiring disposal after December 31, 1992, and include a description of the actions that will be taken to ensure that such capacity exists.

(D) By January 1, 1992, a complete application (as determined by the Nuclear Regulatory Commission or the appropriate agency of an agreement State) shall be filed for a license to operate a low-level radioactive waste disposal facility within each non-sited compact region or within each non-member State.

(E) The Nuclear Regulatory Commission shall transmit any certification received under subparagraph (C) to the Congress and publish any such certification in the Federal Register.

(F) Any State may, subject to all applicable provisions, if any, of any applicable compact, enter into an agreement with the compact commission of a region in which a regional disposal facility is located to provide for the disposal of all low-level radioactive waste generated within such State, and, by virtue of such agreement, may, with the approval of the State in which the regional disposal facility is located, be deemed to be in compliance with subparagraphs (A), (B), (C), and (D).
(2) Penalties for failure to comply

(A) By July 1, 1986

If any State fails to comply with subparagraph (1)(A)—

(i) any generator of low-level radioactive waste within such region or non-member State shall, for the period beginning July 1, 1986, and ending December 31, 1986, be charged 2 times the surcharge otherwise applicable under subsection (d); and

(ii) on or after January 1, 1987, any low-level radioactive waste generated within such region or non-member State may be denied access to the regional disposal facilities referred to in paragraphs (1) through (3) of subsection (b).

(B) By January 1, 1988

If any non-sited compact region or non-member State fails to comply with paragraph (1)(B)—

(i) any generator of low-level radioactive waste within such region or non-member State shall—

(I) for the period beginning January 1, 1988, and ending June 30, 1988, be charged 2 times the surcharge otherwise applicable under subsection (d); and

(II) for the period beginning July 1, 1988, and ending December 31, 1988, be charged 4 times the surcharge otherwise applicable under subsection (d); and

(ii) on or after January 1, 1989, any low-level radioactive waste generated within such region or non-member State may be denied access to the regional disposal facilities referred to in paragraphs (1) through (3) of subsection (b).

(C) By January 1, 1990

If any non-sited compact region or non-member State fails to comply with paragraph (1)(C), any low-level radioactive waste generated within such region or non-member State may be denied access to the regional disposal facilities referred to in paragraphs (1) through (3) of subsection (b).

(D) By January 1, 1992

If any non-sited compact region or non-member State fails to comply with paragraph (1)(D), any generator of low-level radioactive waste within such region or non-member State shall, for the period beginning January 1, 1992 and ending upon the filing of the application described in paragraph (1)(D), be charged 3 times the surcharge otherwise applicable under subsection (d).

(3) Denial of access

No denial or suspension of access to a regional disposal facility under paragraph (2) may be based on the source, class, or type of low-level radioactive waste.

(4) Restoration of suspended access; penalties for failure to comply

Any access to a regional disposal facility that is suspended under paragraph (2) shall be restored after the non-sited compact region or non-member State involved complies with such requirement. Any payment of surcharge penalties pursuant to paragraph (2) for failure to comply with the requirements of this subsection shall be terminated after the non-sited compact region or non-member State involved complies with such requirements.

(f) Monitoring of compliance and denial of access to non-Federal facilities for non-compliance; information requirements of certain States; proprietary information

(1) Administration

Each State and compact commission in which a regional disposal facility referred to in paragraphs (1) through (3) of subsection (b) is located shall have authority—

(A) to monitor compliance with the limitations, allocations, and requirements established in this section; and

(B) to deny access to any non-Federal low-level radioactive waste disposal facilities within its borders to any low-level radioactive waste that—

(i) is in excess of the limitations or allocations established in this section; or

(ii) is not required to be accepted due to the failure of a compact region or State to comply with the requirements of subsection (e)(1).

(2) Availability of information during interim access period

(A) The States of South Carolina, Washington, and Nevada may require information from disposal facility operators, generators, intermediate handlers, and the Department of Energy that is reasonably necessary to monitor the availability of disposal capacity, the use and assignment of allocations and the applicability of surcharges.

(B) The States of South Carolina, Washington, and Nevada may, after written notice followed by a period of at least 30 days, deny access to disposal capacity to any generator or intermediate handler who fails to provide information under subparagraph (A).

(C) PROPRIETARY INFORMATION—

(i) Trade secrets, proprietary and other confidential information shall be made available to a State under this subsection upon request only if such State—

(I) consents in writing to restrict the dissemination of the information to those who are directly involved in monitoring under subparagraph (A) and who have a need to know;

(II) accepts liability for wrongful disclosure; and

(III) demonstrates that such information is essential to such monitoring.

(ii) The United States shall not be liable for the wrongful disclosure by any individual or State of any information provided to such individual or State under this subsection.

(iii) Whenever any individual or State has obtained possession of information under this subsection, the individual shall be subject to the same provisions of law with respect to the disclosure of such information as would apply to an officer or employee of the United States or of any department or agency thereof and the State shall be sub-
ject to the same provisions of law with re-
spect to the disclosure of such information
as would apply to the United States or any
department or agency thereof. No State or
State officer or employee who receives trade
secrets, proprietary information, or other
confidential information under sections
2021b to 2021j of this title may be required to
disclose such information under State law.

(g) Nondiscrimination

Except as provided in subsections (b) through
(e), low-level radioactive waste disposed of
under this section shall be subject without dis-
crimination to all applicable legal requirements
of the compact region and State in which the
disposal facility is located as if such low-level
radioactive waste were generated within such
compact region.

CODIFICATION

Section was enacted as part of the Low-Level Radio-
active Waste Policy Act, and not as part of the Atomic
Energy Act of 1954 which comprises this chapter.

CONSTITUTIONALITY

For constitutionality of section 102 of Pub. L. 99–240,
see Congressional Research Service, The Constitution
of the United States of America: Analysis and Interpre-
tation, Appendix I, Acts of Congress Held Unconstitu-
tional in Whole or in Part by the Supreme Court of the
United States.

§ 2021f. Emergency access

(a) In general

The Nuclear Regulatory Commission may
grant emergency access to any regional disposal
facility or any non-Federal disposal facility within a
State that is not a member of a compact for spe-
cific low-level radioactive waste, if necessary to
eliminate an immediate and serious threat to the
public health and safety or the common de-
fense and security. The procedure for granting
emergency access shall be as provided in this
section.

(b) Request for emergency access

Any generator of low-level radioactive waste,
or any Governor (or, for any State without a
Governor, the chief executive officer of the
State) on behalf of any generator or generators
located in his or her State, may request that the
Nuclear Regulatory Commission grant emer-
gency access to a regional disposal facility or a
non-Federal disposal facility within a State that
is not a member of a compact for specific low-
level radioactive waste. Any such request shall
contain any information and certifications the
Nuclear Regulatory Commission may require.

(c) Determination of Nuclear Regulatory Com-
mission

(1) Required determination

Not later than 45 days after receiving a re-
quest under subsection (b), the Nuclear Regu-
latory Commission shall determine whether—

(A) emergency access is necessary because of
an immediate and serious threat to the
public health and safety or the common de-
fense and security; and

(B) the threat cannot be mitigated by any
alternative consistent with the public health
and safety, including storage of low-level ra-
dioactive waste at the site of generation or
in a storage facility obtaining access to a
disposal facility by voluntary agreement,
purchasing disposal capacity available for
assignment pursuant to section 2021e(c) of
this title or ceasing activities that generate
low-level radioactive waste.

(2) Required notification

If the Nuclear Regulatory Commission
makes the determinations required in para-
graph (1) in the affirmative, it shall designate
an appropriate non-Federal disposal facility or
facilities, and notify the Governor (or chief ex-
ecutive officer) of the State in which such fa-
cility is located and the appropriate compact
commission that emergency access is required.
Such notification shall specifically describe the
low-level radioactive waste as to source,
physical and radiological characteristics and
the minimum volume and duration, not ex-
ceeding 180 days, necessary to alleviate the
immediate threat to public health and safety or
the common defense and security. The Nu-
clear Regulatory Commission shall also notify the
Governor (or chief executive officer) of the
State in which the low-level radioactive waste
requiring emergency access was generated that
emergency access has been granted and that,
pursuant to subsection (e), no extension of
emergency access may be granted absent
diligent State action during the period of the
initial grant.

(d) Temporary emergency access

Upon determining that emergency access is
necessary because of an immediate and serious
threat to the public health and safety or the
common defense and security, the Nuclear Regu-
latory Commission may at its discretion grant
temporary emergency access, pending its deter-
mination whether the threat could be mitigated
by any alternative consistent with the public
health and safety. In granting access under this
subsection, the Nuclear Regulatory Commission
shall provide the same notification and informa-
tion required under subsection (c). Absent a de-
termination that an alternative consistent with
the public health and safety would mitigate the
threat, access granted under this subsection
shall expire 45 days after the granting of tem-
porary emergency access under this subsection.

(e) Extension of emergency access

The Nuclear Regulatory Commission may
grant one extension of emergency access beyond
the period provided in subsection (c), if it deter-
mines that emergency access continues to be
necessary because of an immediate and serious
threat to the public health and safety or the
common defense and security that cannot be
mitigated by any alternative consistent with
the public health and safety, and that the gener-
ator of low-level radioactive waste granted
emergency access and the State in which the
low-level radioactive waste was generated have
diligently though unsuccessfully acted during
the period of the initial grant to eliminate the
need for emergency access. Any extension grant-
ed under this subsection shall be for the minimum volume and duration the Nuclear Regulatory Commission finds necessary to eliminate the immediate threat to public health and safety or the common defense and security, and shall not in any event exceed 180 days.

(f) Reciprocal access

Any compact region or State not a member of a compact that provides emergency access to non-Federal disposal facilities within its borders shall be entitled to reciprocal access to any subsequently operating non-Federal disposal facility that serves the State or compact region in which low-level radioactive waste granted emergency access was generated. The compact commission or State having authority to approve importation of low-level radioactive waste to the disposal facility to which emergency access was granted shall designate for reciprocal access an equal volume of low-level radioactive waste having similar characteristics to that provided emergency access not later than 15 days after receiving notification from the appropriate authority under subsection (f).

(g) Approval by compact commission

Any grant of access under this section shall be submitted to the compact commission for the region in which the designated disposal facility is located for such approval as may be required under the terms of its compact. Any such compact commission shall act to approve emergency access not later than 15 days after receiving notification from the Nuclear Regulatory Commission, or reciprocal access not later than 15 days after receiving notification from the appropriate authority under subsection (f).

(h) Limitations

No State shall be required to provide emergency or reciprocal access to any regional disposal facility within its borders for low-level radioactive waste not meeting criteria established by the license or license agreement of such facility, or in excess of the approved capacity of such facility, or to delay the closing of any such facility pursuant to plans established before receiving a request for emergency or reciprocal access. No State shall, during any 12-month period, be required to provide emergency or reciprocal access to any regional disposal facility within its borders for more than 20 percent of the total volume of low-level radioactive waste accepted for disposal at such facility during the previous calendar year.

(i) Volume reduction and surcharges

Any low-level radioactive waste delivered for disposal under this section shall be reduced in volume to the maximum extent practicable and shall be subject to surcharges established in sections 2021b to 2021j of this title.

(j) Deduction from allocation

Any volume of low-level radioactive waste granted emergency or reciprocal access under this section, if generated by any commercial nuclear power reactor, shall be deducted from the disposal under this section, if granted emergency or reciprocal access under this section, if generated by any commercial nuclear power reactor, shall be deducted from the disposal under this section.
vide to the Commission in order to pursue such methods, together with the technical requirements that such facilities must meet, in the judgment of the Commission, if pursued as an alternative to shallow land burial. Such technical information and requirements shall include, but need not be limited to, site suitability, site design, facility operation, disposal site closure, and environmental monitoring, as necessary to meet the performance objectives established by the Commission for a licensed low-level radioactive waste disposal facility. The Commission shall specify and publish such requirements in a manner and form deemed appropriate by the Commission.

CODIFICATION

Section was enacted as part of the Low-Level Radioactive Waste Policy Act, and not as part of the Atomic Energy Act of 1954 which comprises this chapter.

§ 2021i. Licensing review and approval

In order to ensure the timely development of new low-level radioactive waste disposal facilities, the Nuclear Regulatory Commission or, as appropriate, agreement States, shall consider an application for a disposal facility license in accordance with the laws applicable to such application, except that the Commission and the agreement state[1] shall—

(1) not later than 12 months after January 15, 1986, establish procedures and develop the technical capability for processing applications for such licenses;

(2) to the extent practicable, complete all activities associated with the review and processing of any application for such a license (except for public hearings) no later than 15 months after the date of receipt of such application; and

(3) to the extent practicable, consolidate all required technical and environmental reviews and public hearings.

CODIFICATION

Section was enacted as part of the Low-Level Radioactive Waste Policy Act, and not as part of the Atomic Energy Act of 1954 which comprises this chapter.

§ 2021j. Radioactive waste below regulatory concern

(a) Not later than 6 months after January 15, 1986, the Commission shall establish standards and procedures, pursuant to existing authority, and develop the technical capability for considering and acting upon petitions to exempt specific radioactive waste streams from regulation by the Commission due to the presence of radionuclides in such waste streams in sufficiently low concentrations or quantities as to be below regulatory concern.

(b) The standards and procedures established by the Commission pursuant to subsection (a) shall set forth all information required to be submitted to the Commission by licensees in support of such petitions, including, but not limited to—

(1) a detailed description of the waste materials, including their origin, chemical composition, physical state, volume, and mass; and

(2) the concentration or contamination levels, half-lives, and identities of the radionuclides present.

Such standards and procedures shall provide that, upon receipt of a petition to exempt a specific radioactive waste stream from regulation by the Commission, the Commission shall determine in an expeditious manner whether the concentration or quantity of radionuclides present in such waste stream requires regulation by the Commission in order to protect the public health and safety. Where the Commission determines that regulation of a radioactive waste stream is not necessary to protect the public health and safety, the Commission shall take such steps as may be necessary, in an expeditious manner, to exempt the disposal of such radioactive waste from regulation by the Commission.

CODIFICATION

Section was enacted as part of the Low-Level Radioactive Waste Policy Act, and not as part of the Atomic Energy Act of 1954 which comprises this chapter.

§ 2022. Health and environmental standards for uranium mill tailings

(a) Promulgation and revision of rules for protection from hazards at inactive or depository sites

As soon as practicable, but not later than October 1, 1982, the Administrator of the Environmental Protection Agency (hereinafter referred to in this section as the “Administrator”) shall, by rule, promulgate standards of general application (including standards applicable to licenses under section 104(h) of the Uranium Mill Tailings Radiation Control Act of 1978 [42 U.S.C. 7914(h)]) for the protection of the public health, safety, and the environment from radiological and nonradiological hazards associated with residual radioactive materials (as defined in section 101 of the Uranium Mill Tailings Radiation Control Act of 1978 [42 U.S.C. 7911]) located at inactive uranium mill tailings sites and depository sites for such materials selected by the Secretary of Energy, pursuant to title I of the Uranium Mill Tailings Radiation Control Act of 1978 [42 U.S.C. 7911 et seq.]. Standards promulgated pursuant to this subsection shall, to the maximum extent practicable, be consistent with the requirements of the Solid Waste Disposal Act, as amended [42 U.S.C. 6901 et seq.]. In establishing such standards, the Administrator shall consider the risk to the public health, safety, and the environment, the environmental and economic costs of applying such standards, and such other factors as the Administrator determines to be appropriate. The Administrator may periodically revise any standard promulgated pursuant to this subsection. After October 1,
1982, if the Administrator has not promulgated standards in final form under this subsection, any action of the Secretary of Energy under title I of the Uranium Mill Tailings Radiation Control Act of 1978 which is required to comply with or be taken in accordance with, standards promulgated by the Administrator shall comply with, or be taken in accordance with, the standards proposed by the Administrator under this subsection until such time as the Administrator promulgates such standards in final form.

(b) Promulgation and revision of rules for protection from hazards at processing or disposal sites

(1) As soon as practicable, but not later than October 31, 1982, the Administrator shall, by rule, propose, and within 11 months thereafter promulgate in final form, standards of general application for the protection of the public health, safety, and the environment from radiological and nonradiological hazards associated with the processing and with the possession, transfer, and disposal of byproduct material, as defined in section 2014(e)(2) of this title, at sites at which ores are processed primarily for their source material content or which are used for the disposal of such byproduct material. If the Administrator fails to promulgate standards in final form under this subsection by October 1, 1983, the authority of the Administrator to promulgate such standards shall terminate, and the Commission may take actions under this chapter requiring such actions to comply with, or be taken in accordance with, standards promulgated by the Administrator. In any such case, the Commission shall promulgate, and from time to time revise, any such standards of general application which the Commission deems necessary to carry out its responsibilities in the conduct of its licensing activities under this chapter. Requirements established by the Commission under this chapter with respect to byproduct material as defined in section 2014(e)(2) of this title shall conform to such standards.

Any requirements adopted by the Commission respecting byproduct material before promulgation of the Commission's standards promulgated pursuant to subsection (b) of this title pending promulgation by the Commission of any such standard of general application shall be amended as the Commission deems necessary to conform to such standards in the same manner as provided in subsection (f)(3). Nothing in this subsection shall be construed to prohibit or suspend the implementation or enforcement by the Commission of any requirement of the Commission respecting byproduct material as defined in section 2014(e)(2) of this title pending promulgation by the Commission of any such standard of general application. In establishing such standards, the Administrator shall consider the risk to the public health, safety, and the environment, the environmental and economic costs of applying such standards, and such other factors as the Administrator determines to be appropriate.

(2) Such generally applicable standards promulgated pursuant to this subsection for nonradiological hazards shall provide for the protection of human health and the environment consistent with the standards required under subtitle C of the Solid Waste Disposal Act, as amended [42 U.S.C. 6921 et seq.], which are applicable to such hazards: Provided, however, That no permit issued by the Administrator is required under this chapter or the Solid Waste Disposal Act, as amended [42 U.S.C. 6901 et seq.], for the processing, possession, transfer, or disposal of byproduct material, as defined in section 2014(e)(2) of this title. The Administrator may periodically revise any standard promulgated pursuant to this subsection. Within three years after such revision of any such standard, the Commission and any State permitted to exercise authority under section 2021(b)(2) of this title shall apply such revised standard in the case of any license for byproduct material as defined in section 2014(e)(2) of this title or any revision thereof.

(c) Publication in Federal Register; notice and hearing; consultations; judicial review; there for petition; venue; copy to Administrator; record; administrative jurisdiction; review by Supreme Court; effective date of rule

(1) Before the promulgation of any rule pursuant to this section, the Administrator shall publish the proposed rule in the Federal Register, together with a statement of the research, analysis, and other available information in support of such proposed rule, and provide a period of public comment of at least thirty days for written comments thereon and an opportunity, after such comment period and after public notice, for any interested person to present oral data, views, and arguments at a public hearing. There shall be a transcript of any such hearing. The Administrator shall consult with the Commission and the Secretary of Energy before promulgation of any such rule.

(2) Judicial review of any rule promulgated under this section may be obtained by any interested person only upon such person filing a petition for review within sixty days after such promulgation in the United States court of appeals for the Federal judicial circuit in which such person resides or has his principal place of business. A copy of the petition shall be forthwith transmitted by the clerk of court to the Administrator. The Administrator thereupon shall file in the court the written submissions to, and transcript of, the written or oral proceedings on which such rule was based as provided in section 2112 of title 28. The court shall have jurisdiction to review the rule in accordance with chapter 7 of title 5 and to grant appropriate relief as provided in such chapter. The judgement of the court confirming, modifying, or setting aside, in whole or in part, any such rule shall be final, subject to judicial review by the Supreme Court of the United States upon certiorari or certificata as provided in section 1254 of title 28.

(3) Any rule promulgated under this section shall not take effect earlier than sixty calendar days after such promulgation.

(d) Federal and State implementation and enforcement

Implementation and enforcement of the standards promulgated pursuant to subsection (b) of this section shall be the responsibility of the Commission in the conduct of its licensing activities under this chapter. States exercising authority pursuant to section 2021(b)(2) of this
title shall implement and enforce such standards in accordance with subsection (o) of such section.

(e) Other authorities of Administrator unaffected

Nothing in this chapter applicable to byproduct material, as defined in section 2014(e)(2) of this title, shall affect the authority of the Administrator under the Clean Air Act of 1970, as amended [32 U.S.C. 7501 et seq.], or the Federal Water Pollution Control Act, as amended [33 U.S.C. 1251 et seq.].

(f) Implementation or enforcement of Uranium Mill Licensing Requirements

(1) Prior to January 1, 1983, the Commission shall not implement or enforce the provisions of the Uranium Mill Licensing Requirements published as final rules at 45 Federal Register 65321 to 65538 on October 3, 1980 (hereinafter in this subsection referred to as the “October 3 regulations”). After December 31, 1982, the Commission is authorized to implement and enforce the provisions of such October 3 regulations (and any subsequent modifications or additions to such regulations which may be adopted by the Commission), except as otherwise provided in paragraphs (2) and (3) of this subsection.

(2) Following the proposal by the Administrator of standards under subsection (b), the Commission shall review the October 3 regulations, and, not later than 90 days after the date of such proposal, suspend implementation and enforcement of any provision of such regulations which the Commission determines after notice and opportunity for public comment to require a major action or major commitment by licensees which would be unnecessary if—

(A) the standards proposed by the Administrator are promulgated in final form without modification, and

(B) the Commission’s requirements are modified to conform to such standards.

Such suspension shall terminate on the earlier of April 1, 1983 or the date on which the Commission amends the October 3 regulations to conform to final standards promulgated by the Administrator under subsection (b). During the period of such suspension, the Commission shall continue to regulate byproduct material (as defined in section 2014(e)(2) of this title) under this chapter on a licensee-by-licensee basis as the Commission deems necessary to protect public health, safety, and the environment.

(3) Not later than 6 months after the date on which the Administrator promulgates final standards pursuant to subsection (b) of this section, the Commission shall, after notice and opportunity for public comment, amend the October 3 regulations, and adopt such modifications, as the Commission deems necessary to conform to such final standards of the Administrator.

(4) Nothing in this subsection may be construed as affecting the responsibility of the Commission under section 2114 of this title to promulgate regulations to protect the public health and safety and the environment.

§ 2023. State authority to regulate radiation below level of regulatory concern of Nuclear Regulatory Commission

(a) In general

No provision of this chapter, or of the Low-Level Radioactive Waste Policy Act [42 U.S.C. 2021b et seq.], may be construed to prohibit or otherwise restrict the authority of any State to regulate, on the basis of radiological hazard, the disposal or off-site incineration of low-level radioactive waste, if the Nuclear Regulatory Commission, after October 24, 1992, exempts such waste from regulation.

(b) Relation to other State authority

This section may not be construed to imply preemption of existing State authority. Except as expressly provided in subsection (a), this section may not be construed to confer on any State any additional authority to regulate activities licensed by the Nuclear Regulatory Commission.

(c) Definitions

For purposes of this section:

(1) The term "low-level radioactive waste" means radioactive material classified by the Nuclear Regulatory Commission as low-level radioactive waste on October 24, 1992.

(2) The term "off-site incineration" means any incineration of radioactive materials at a facility that is located off the site where such materials were generated.

(3) The term "State" means each of the several States, the District of Columbia, and any commonwealth, territory, or possession of the United States.

SUBCHAPTER II—ORGANIZATION

Provisions similar to section 2031 were contained in section 1802(a)(2) of this title prior to the general amendment and renumbering of act Aug. 1, 1946, by act Aug. 30, 1954, ch. 1073, §1, 68 Stat. 919.

Another prior section 21 of act Aug. 1, 1946, ch. 724, § 775, which provided that act Aug. 1, 1946, could be cited as the Atomic Energy Act of 1946, was set out as a note under section 1801 of this title prior to the general amendment and renumbering of act Aug. 1, 1946, by act Aug. 30, 1954, ch. 1073, §1, 68 Stat. 919.

Provisions similar to section 2032 were contained in section 1802(a)(2) of this title prior to the general amendment and renumbering of act Aug. 1, 1946, by act Aug. 30, 1954, ch. 1073, §1, 68 Stat. 919.
5. Each Government agency shall supply the Atomic Energy Commission with a report on, and an accounting and inventory of, all interests and property, described in paragraphs 1, 2 and 4 above, owned by or in the possession, custody, or control of such Government agency, the form and detail of such report, accounting and inventory, to be determined by mutual agreement, or, in case of nonagreement, by the Director of the Bureau of the Budget.

6. (a) There also are transferred to the Atomic Energy Commission, all civilian officers and employees of the Manhattan Engineer District, War Department, except that the Commission and the Secretary of War may by mutual agreement exclude any of such personnel from transfer to the Commission.

(b) The military and naval personnel herefore assigned or detailed to the Manhattan Engineer District, War Department, shall continue to be made available to the Commission, for military and naval duty, in similar manner, without prejudice, to the military or naval status of such personnel, for such periods of time as may be agreed mutually by the Commission and the Secretary of War or the Secretary of the Navy.

7. The assistance and the services, personal or other, including the use of property, heretofore made available by any Government agency to the Manhattan Engineer District, War Department, shall be made available to the Atomic Energy Commission for the same purposes as heretofore and under the arrangements now existing until terminated after 30 days notice given by the Commission or by the Government agency concerned in each case.

8. The Commission is authorized to exercise all of the powers and functions vested in the Secretary of War by Executive Order No. 9001, of December 27, 1941, as amended, in so far as they relate to contracts hereofore made by or hereby transferred to the Commission.

9. Such further measures and dispositions as may be determined by the Atomic Energy Commission and any Government agency concerned to be necessary to effectuate the transfers authorized or directed by this order shall be carried out in such manner as the Director of the Bureau of the Budget may direct and by such agencies as he may designate.

10. This order shall be effective as of midnight, December 31, 1946.

Ex. Ord. No. 9616, was amended by Ex. Ord. No. 10657, Feb. 15, 1956, 21 F.R. 1063, and Ex. Ord. No. 11105, Apr. 19, 1957, 28 F.R. 8909, formerly set out as notes under section 2313 of this title, to the extent that it may be inconsistent with such Executive orders.

EX. ORD. NO. 9829. EXTENSION OF EXECUTIVE ORDER NO. 9177 TO ATOMIC ENERGY COMMITTEE

Ex. Ord. No. 9829, eff. Feb. 21, 1947, 12 F.R. 1259, provided:

By virtue of the authority vested in me by the Constitution and laws of the United States, and particularly by Title I of the First War Powers Act, 1941, approved December 18, 1941 (55 Stat. 838), and in the interest of the internal management of the Government, I hereby extend the provisions of Executive Order No. 9177 of May 30, 1942 (7 F.R. 4185), to the United States Atomic Energy Commission; and, subject to the limitations contained in that order, I hereby authorize the United States Atomic Energy Commission to perform and exercise all of the functions and powers vested in and granted to the Secretary of War, the Secretary of the Treasury, the Secretary of Agriculture, and the Reconstruction Finance Corporation by that order.

This order shall be applicable to articles entered for consumption, or withdrawn from warehouse for consumption, on or after January 1, 1947.

§ 2033. Principal office

The principal office of the Commission shall be in or near the District of Columbia, but the Commission or any duly authorized representative may exercise any or all of its powers in any place; however, the Commission shall maintain an office for the service of process and papers within the District of Columbia.

PRIOR PROVISIONS

Provisions similar to this section were contained in section 1802(a)(3) of this title, prior to the general amendment and renumbering of act Aug. 1, 1946, by act Aug. 30, 1954.

EXPENSES FOR MOVE TO NEW PRINCIPAL OFFICE

§ 2034. General Manager, Deputy and Assistant General Managers

There is established within the Commission—

(a) General Manager; chief executive officer; duties; appointment; removal

a General Manager, who shall be the chief executive officer of the Commission, and who shall discharge such of the administrative and executive functions of the Commission as the Commission may direct. The General Manager shall be appointed by the Commission, shall serve at the pleasure of the Commission and shall be removable by the Commission.

(b) Deputy General Manager; duties; appointment; removal

a Deputy General Manager, who shall act in the stead of the General Manager during his absence when so directed by the General Manager, and who shall perform such other administrative and executive functions as the General Manager shall direct. The Deputy General Manager shall be appointed by the General Manager with the approval of the Commission, shall serve at the pleasure of the General Manager, and shall be removable by the General Manager.

(c) Assistant General Managers; duties; appointment; removal

Assistant General Managers, or their equivalents (not to exceed a total of three positions), who shall perform such administrative and executive functions as the General Manager shall direct. They shall be appointed by the General Manager with the approval of the Commission, shall serve at the pleasure of the General Manager, and shall be removable by the General Manager.

PRIOR PROVISIONS

Provisions similar to this section were contained in section 1802(a)(4)(A) of this title, prior to the general
§ 2035. Divisions, offices, and positions

There is established within the Commission—

(a) Program divisions; appointment and powers of Assistant General Manager and Division Directors

(a) Program divisions; appointment and powers of Assistant General Manager and Division Directors

a Division of Military Application and such other program divisions (not to exceed ten in number) as the Commission may determine to the necessary to the discharge of its responsibilities, including a division or divisions the primary responsibilities of which include the development and application of civilian uses of atomic energy. The Division of Military Application shall be under the direction of an Assistant General Manager for Military Application, who shall be appointed by the Commission and shall be an active commissioned officer of the Armed Forces serving in general or flag officer rank or grade, as appropriate. Each other program division shall be under the direction of a Director who shall be appointed by the Commission. The Commission shall require each such division to exercise such of its responsibilities. Such positions shall be established by the General Manager as the chief executive officer of the Commission, and shall be removable by the General Manager.

(b) General Counsel

an Office of the General Counsel under the direction of the General Counsel who shall be appointed by the Commission; and

(c) Inspection Division; duties

an Inspection Division under the direction of a Director who shall be appointed by the Commission. The Inspection Division shall be responsible for gathering information to show whether or not the contractors, licensees, and officers and employees of the Commission are complying with the provisions of this chapter (except those provisions for which the Federal Bureau of Investigation is responsible) and the appropriate rules and regulations of the Commission.

(d) Executive management positions; appointment; removal

such other executive management positions (not to exceed six in number) as the Commission may determine to be necessary to the discharge of its responsibilities. Such positions shall be established by the General Manager with the approval of the Commission. They shall be appointed by the General Manager with the approval of the Commission, and shall be removable by the General Manager.

Effective Date of 1964 Amendment

This chapter, referred to in subsec. (c), was in the original “this Act”, meaning act Aug. 1, 1946, ch. 724, as added by Pub. L. 80–350, Sept. 7, 1948, 62 Stat. 1684, which is classified principally to this chapter. For complete classification of this Act to the Code, see Short Title note set out under section 2031 of this title and Tables.

Prior Provisions

Provisions similar to this section were contained in section 1802(a)(4)(B) of this title, prior to the general amendment and renumbering of act Aug. 1, 1946, by act Aug. 30, 1954.

Amendments

1967—Subsec. (a). Pub. L. 90–190 substituted an Assistant General Manager for Military Application, who would be appointed by the Commission, for the Director of the Division of Military Application as the head of the Division of Military Application, inserted requirement that the Assistant General Manager be a commissioned officer of the Armed Forces serving in general or flag officer rank or grade, as appropriate, and substituted “other program division” for “such division”.

Subsec. (c). Pub. L. 88–426, § 306(f)(3), struck out provisions which prescribed the compensation of the Assistant General Managers. Such compensation is now prescribed by section 5316 of Title 5, Government Organization and Employees.

1957—Subsec. (a). Pub. L. 85–287 designated existing provisions as subsec. (a), designated the General Manager as the chief executive officer of the Commission, and increased his compensation from $20,000 to $22,000 per annum.

Subsecs. (b), (c). Pub. L. 85–287 added subsecs. (b) and (c).

Amendments

Subsec. (c). Pub. L. 88–426, § 306(f)(3), struck out provisions which prescribed the compensation of the Assistant General Managers. Such compensation is now prescribed by section 5316 of Title 5, Government Organization and Employees.

1957—Subsec. (a). Pub. L. 85–287 designated existing provisions as subsec. (a), designated the General Manager as the chief executive officer of the Commission, and increased his compensation from $20,000 to $22,000 per annum.

Subsecs. (b), (c). Pub. L. 85–287 added subsecs. (b) and (c).

Transfer of Functions

Divisions of Military Application and Naval Reactors, both established under this section, transferred to Department of Energy by section 7158 of this title, with such organizational units to be deemed organizational units established by chapter 94 (§7101 et seq.) of this title. Energy Research and Development Administration terminated pursuant to sections 7151(a) and 7293 of this title.

Atomic Energy Commission abolished and functions transferred by sections 5814 and 5841 of this title. Divisions of Military Application and Naval Reactors established under this section transferred to Energy Research and Development Administration and functions of Atomic Energy Commission with respect thereto transferred to Administrator by section 5814(d) of this title. See also Transfer of Functions notes set out under sections 5814 and 5841 of this title.

Section, act Aug. 1, 1946, ch. 724, § 26, as added Aug. 30, 1954, ch. 1073, § 1, 68 Stat. 926, established a General Advisory Committee to advise the Atomic Energy Commission on scientific and technical matters relating to materials, production, and research and development. Provisions similar to this section were contained in section 1802(d) of this title prior to the general amendment and renumbering of act Aug. 1, 1946, by act Aug. 30, 1954.

Prior Provisions

Provisions similar to this section were contained in section 1602(d) of this title, prior to the general amendment and renumbering of act Aug. 1, 1946, by act Aug. 30, 1954.

Amendments

1967—Pub. L. 90–190 substituted “the officer of the Army, Navy, or Air Force serving” for “any active officer of the Army, Navy, or Air Force may serve” and Assistant General Manager for Military Application for “Director of the Division of Military Application” wherever appearing, provided for reimbursement by the Commission to the service of the Assistant General Manager for the pay and allowances received by him from his service while he is serving as Assistant General Manager, and struck out references to sections 2211 and 2213 of former title 5.

1964—Pub. L. 88–448 substituted provisions permitting a retired officer serving as Chairman of the Military Liaison Committee to receive the compensation fixed for such Chairman and his retired pay, subject to section 3102 of former title 5, for provisions which permitted a retired officer serving as Chairman to receive in addition to his retired pay, an amount equal to the difference between his retired pay and the compensation prescribed for the Chairman.

1964—Pub. L. 88–426 substituted “and the compensation established for this position pursuant to section 2211 or 2213 of title 5” for “and the compensation prescribed in section 2035 of this title”.

Effective Date of 1964 Amendments

Amendment by Pub. L. 88–448 effective on first day of first month which begins later than the ninetieth day following Aug. 19, 1964, see section 466 of Pub. L. 88–448.

§ 2039. Advisory Committee on Reactor Safeguards; composition; tenure; duties; compensation

There is established an Advisory Committee on Reactor Safeguards consisting of a maximum of fifteen members appointed by the Commission for terms of four years each. The Committee shall review safety studies and facility license applications referred to it and shall make reports thereon, shall advise the Commission with regard to the hazards of proposed or existing reactor facilities and the adequacy of proposed reactor safety standards, and shall perform such other duties as the Commission may

such pay and allowances, including special and incentive pays, and the compensation fixed for such Chairman. Any such retired officer serving as Chairman of the Military Liaison Committee shall receive the compensation fixed for such Chairman and his retired pay.

request. One member shall be designated by the Committee as its Chairman. The members of the Committee shall receive a per diem compensation for each day spent in meetings or conferences, or other work of the Committee, and all members shall receive their necessary traveling or other expenses while engaged in the work of the Committee. The provisions of section 2203 of this title shall be applicable to the Committee.

**AMENDMENTS**

1998—Pub. L. 105–362 struck out at end “In addition to its other duties under this section, the committee, making use of all available sources, shall undertake a study of reactor safety research and prepare and submit annually to the Congress a report containing the results of such study. The first such report shall be submitted to the Congress not later than December 31, 1977.”

1977—Pub. L. 95–209 inserted provisions which called for a study of reactor safety research and an annual report on results of study.

**Termination of Advisory Committees**

Advisory committees in existence on Jan. 5, 1973, to terminate not later than the expiration of the 2-year period following Jan. 5, 1973, unless, in the case of a committee established by the President or an officer of the Federal Government, such committee is renewed by appropriate action prior to the expiration of such 2-year period, or in the case of a committee established by the Congress, its duration is otherwise provided by law. See section 14 of Pub. L. 92–463, Oct. 6, 1972, 86 Stat. 776, set out in the Appendix to Title 5, Government Organization and Employees.
