paragraph, except that under any such regulation a communication may not be exempted if it meets the requirements of this paragraph and is described in section 30101(20)(A)(iii) of this title.

(C) Targeting to relevant electorate

For purposes of this paragraph, a communication which refers to a clearly identified candidate for Federal office is “targeted to the relevant electorate” if the communication can be received by 50,000 or more persons—

(6) Coordination with other requirements

Any requirement to report under this subsection shall be in addition to any other reporting requirement under this Act.

(7) Coordination with title 26

Nothing in this subsection may be construed to establish, modify, or otherwise affect the definition of political activities or electioneering activities (including the definition of participating in, intervening in, or influencing or attempting to influence a political campaign on behalf of or in opposition to any candidate for public office) for purposes of title 26.

(1) Required disclosure

Each committee described in paragraph (6) shall include in the first report required to be filed under this section after each covered period (as defined in paragraph (2)) a separate schedule setting forth the name, address, and employer of each person reasonably known by the committee to be a person described in paragraph (7) who provided 2 or more bundled contributions to the committee in an aggregate amount greater than the applicable threshold (as defined in paragraph (3)) during the covered period, and the aggregate amount of the bundled contributions provided by each such person during the covered period.

(2) Covered period

In this subsection, a “covered period” means, with respect to a committee—

(A) the period beginning January 1 and ending June 30 of each year;

(B) the period beginning July 1 and ending December 31 of each year; and

(C) any reporting period applicable to the committee under this section during which any person described in paragraph (7) provided 2 or more bundled contributions to the committee in an aggregate amount greater than the applicable threshold.

(3) Applicable threshold

(A) In general

In this subsection, the “applicable threshold” is \$15,000, except that in determining whether the amount of bundled contributions provided to a committee by a person described in paragraph (7) exceeds the applicable threshold, there shall be excluded any contribution made to the committee by the person or the person’s spouse.
