(a) Definitions

When used in this subchapter, unless the context otherwise requires—

(1) The term "security" means any note, stock, treasury stock, security future, security-based swap, bond, debenture, evidence of indebtedness, certificate of interest or participation in any profit-sharing agreement, collateral-trust certificate, preorganization certificate or subscription, transferable share, investment contract, voting-trust certificate, certificate of deposit for a security, fractional undivided interest in oil, gas, or other mineral rights, any put, call, straddle, option, or privilege on any security, certificate of deposit, or

group or index of securities (including any interest therein or based on the value thereof), or any put, call, straddle, option, or privilege entered into on a national securities exchange relating to foreign currency, or, in general, any interest or instrument commonly known as a "security", or any certificate of interest or participation in, temporary or interim certificate for, receipt for, guarantee of, or warrant or right to subscribe to or purchase, any of the foregoing.

(2) The term "person" means an individual, a corporation, a partnership, an association, a joint-stock company, a trust, any unincorporated organization, or a government or political subdivision thereof. As used in this paragraph the term "trust" shall include only a trust where the interest or interests of the beneficiary or beneficiaries are evidenced by a security.

(3) The term "sale" or "sell" shall include every contract of sale or disposition of a security or interest in a security, for value. The term "offer to sell", "offer for sale", or "offer" shall include every attempt or offer to dispose of, or solicitation of an offer to buy, a security or interest in a security, for value. The terms defined in this paragraph and the term "offer to buy" as used in subsection (c) of section 77e of this title shall not include preliminary negotiations or agreements between an issuer (or any person directly or indirectly controlling or controlled by an issuer, or under direct or indirect common control with an issuer) and any underwriter or among underwriters who are or are to be in privity of contract with an issuer (or any person directly or indirectly controlling or controlled by an issuer, or under direct or indirect common control with an issuer). Any security given or delivered with, or as a bonus on account of, any purchase of securities or any other thing, shall be conclusively presumed to constitute a part of the subject of such purchase and to have been offered and sold for value. The issue or transfer of a right or privilege, when originally issued or transferred with a security, giving the holder of such security the right to convert such security into another security of the same issuer or of another person, or giving a right to subscribe to another security of the same issuer or of another person, which right cannot be exercised until some future date, shall not be deemed to be an offer or sale of such other security; but the issue or transfer of such other security upon the exercise of such right of conversion or subscription shall be deemed a sale of such other security. Any offer or sale of a security futures product by or on behalf of the issuer of the securities underlying the security futures product, an affiliate of the issuer, or an underwriter, shall constitute a contract for sale of, sale of, offer for sale, or offer to sell the underlying securities. Any offer or sale of a security-based swap by or on behalf of the issuer of the securities upon which such security-based swap is based or is referenced, an affiliate of the issuer, or an underwriter, shall constitute a contract for sale of, sale of, offer for sale, or offer to sell such securities. The publication or distribu-

As used in this paragraph, the term "research report" means a written, electronic, or oral communication that includes information, opinions, or recommendations with respect to securities of an issuer or an analysis of a security or an issuer, whether or not it provides information reasonably sufficient upon which to base an investment decision.

(10) The term "prospectus" means any prospectus, notice, circular, advertisement, letter, or communication, written or by radio or television, which offers any security for sale or confirms the sale of any security; except that (a) a communication sent or given after the effective date of the registration statement (other than a prospectus permitted under subsection (b) of section 77j of this title) shall not be deemed a prospectus if it is proved that prior to or at the same time with such communication a written prospectus meeting the requirements of subsection (a) of section 77j of this title at the time of¹ such communication was sent or given to the person to whom the communication was made, and (b) a notice, circular, advertisement, letter, or communication in respect of a security shall not be deemed to be a prospectus if it states from whom a written prospectus meeting the requirements of section 77j of this title may be obtained and, in addition, does no more than identify the security, state the price thereof, state by whom orders will be executed, and contain such other information as the Commission, by rules or regulations deemed necessary or appropriate in the public interest and for the protection of investors, and subject to such terms and conditions as may be prescribed therein, may permit.

The Commission, by rules and regulations or order, shall exempt from the provisions of section 77e of this title any interest or participation issued in connection with a stock bonus, pension, profit-sharing, or annuity plan which covers employees some or all of whom are employees within the meaning of section 401(c)(1) of title 26, if and to the extent that the Commission determines this to be necessary or ap-

propriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of this subchapter. For purposes of this paragraph, a security issued or guaranteed by a bank shall not include any interest or participation in any collective trust fund maintained by a bank; and the term "bank" means any national bank, or banking institution organized under the laws of any State, territory, or the District of Columbia, the business of which is substantially confined to banking and is supervised by the State or territorial banking commission or similar official; except that in the case of a common trust fund or similar fund, or a collective trust fund, the term "bank" has the same meaning as in the Investment Company Act of 1940 [15 U.S.C. 80a-1 et seq.];

(3) Any note, draft, bill of exchange, or banker's acceptance which arises out of a current transaction or the proceeds of which have been or are to be used for current transactions, and which has a maturity at the time of issuance of not exceeding nine months, exclusive of days of grace, or any renewal thereof of the maturity of which is likewise limited;

(4) Any security issued by a person organized and operated exclusively for religious, educational, benevolent, fraternal, charitable, or reformatory purposes and not for pecuniary profit, and no part of the net earnings of which inures to the benefit of any person, private stockholder, or individual, or any security of a fund that is excluded from the definition of an investment company under section 3(c)(10)(B) of the Investment Company Act of 1940 [15 U.S.C. 80a-3(c)(10)(B)];

(5) Any security issued (A) by a savings and loan association, building and loan association, cooperative bank, homestead association, or similar institution, which is supervised and examined by State or Federal authority having supervision over any such institution; or (B) by (i) a farmer's cooperative organization exempt from tax under section 521 of title 26, (ii) a corporation described in section 501(c)(16) of title 26 and exempt from tax under section 501(a) of title 26, or (iii) a corporation described in section 501(c)(2) of title 26 which is exempt from tax under section 501(a) of title 26 and is organized for the exclusive purpose of holding title to property, collecting income therefrom, and turning over the entire amount thereof, less expenses, to an organization or corporation described in clause (i) or (ii);

(6) Any interest in a railroad equipment trust. For purposes of this paragraph "interest in a railroad equipment trust" means any interest in an equipment trust, lease, conditional sales contract, or other similar arrangement entered into, issued, assumed, guaranteed by, or for the benefit of, a common carrier to finance the acquisition of rolling stock, including motive power;

(7) Certificates issued by a receiver or by a trustee or debtor in possession in a case under title 11, with the approval of the court;

tract, issued by a corporation subject to the supervision of the insurance commissioner, bank commissioner, or any agency or officer performing like functions, of any State or Territory of the United States or the District of Columbia;

(9) Except with respect to a security exchanged in a case under title 11, any security exchanged by the issuer with its existing security holders exclusively where no commission or other remuneration is paid or given directly or indirectly for soliciting such exchange;

(10) Except with respect to a security exchanged in a case under title 11, any security which is issued in exchange for one or more bona fide outstanding securities, claims or property interests, or partly in such exchange and partly for cash, where the terms and conditions of such issuance and exchange are approved, after a hearing upon the fairness of such terms and conditions at which all persons to whom it is proposed to issue securities in such exchange shall have the right to appear, by any court, or by any official or agency of the United States, or by any State or Territorial banking or insurance commission or other governmental authority expressly authorized by law to grant such approval;

(11) Any security which is a part of an issue offered and sold only to persons resident within a single State or Territory, where the issuer of such security is a person resident and doing business within or, if a corporation, incorporated by and doing business within, such State or Territory.

(12) Any equity security issued in connection with the acquisition by a holding company of a bank under section 1842(a) of title 12 or a savings association under section 1467a(e) of title 12, if—

(A) the acquisition occurs solely as part of a reorganization in which security holders exchange their shares of a bank or savings association for shares of a newly formed holding company with no significant assets other than securities of the bank or savings association and the existing subsidiaries of the bank or savings association;

(B) the security holders receive, after that reorganization, substantially the same proportional share interests in the holding company as they held in the bank or savings association, except for nominal changes in shareholders' interests resulting from lawful elimination of fractional interests and the exercise of dissenting shareholders' rights under State or Federal law;

(C) the rights and interests of security holders in the holding company are substantially the same as those in the bank or savings association prior to the transaction, other than as may be required by law; and

(D) the holding company has substantially the same assets and liabilities, on a consolidated basis, as the bank or savings association had prior to the transaction.

For purposes of this paragraph, the term "savings association" means a savings association (as defined in section 1813(b) of title 12) the deposits of which are insured by the Federal Deposit Insurance Corporation.

(13) Any security issued by or any interest or participation in any church plan, company or account that is excluded from the definition of an investment company under section 3(c)(14) of the Investment Company Act of 1940 [15 U.S.C. 80a-3(c)(14)].

(14) Any security futures product that is—

(A) cleared by a clearing agency registered under section 78q-1 of this title or exempt from registration under subsection (b)(7) of such section 78q-1; and

(B) traded on a national securities exchange or a national securities association registered pursuant to section 78o-3(a) of this title.

(b) Additional exemptions

The Commission may from time to time by its rules and regulations, and subject to such terms and conditions as may be prescribed therein, add any class of securities to the securities exempted as provided in this section, if it finds that the enforcement of this subchapter with respect to such securities is not necessary in the public interest and for the protection of investors by reason of the small amount involved or the limited character of the public offering; but no issue of securities shall be exempted under this subsection where the aggregate amount at which such issue is offered to the public exceeds \$5,000,000.

(2) Additional issues

The Commission shall by rule or regulation add a class of securities to the securities exempted pursuant to this section in accordance with the following terms and conditions:

including audited financial statements, a description of the issuer's business operations, its financial condition, its corporate governance principles, its use of investor funds, and other appropriate matters; and

(ii) disqualification provisions under which the exemption shall not be available to the issuer or its predecessors, affiliates, officers, directors, underwriters, or other related persons, which shall be substantially similar to the disqualification provisions contained in the regulations adopted in accordance with section 926 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (15 U.S.C. 77d note).

(3) Limitation

Only the following types of securities may be exempted under a rule or regulation adopted pursuant to paragraph (2): equity securities, debt securities, and debt securities convertible or exchangeable to equity interests, including any guarantees of such securities.

(4) Periodic disclosures

Upon such terms and conditions as the Commission determines necessary in the public interest and for the protection of investors, the Commission by rule or regulation may require an issuer of a class of securities exempted under paragraph (2) to make available to investors and file with the Commission periodic disclosures regarding the issuer, its business operations, its financial condition, its corporate governance principles, its use of investor funds, and other appropriate matters, and also may provide for the suspension and termination of such a requirement with respect to that issuer.

(5) Adjustment

Not later than 2 years after April 5, 2012,¹ and every 2 years thereafter, the Commission shall review the offering amount limitation described in paragraph (2)(A) and shall increase such amount as the Commission determines appropriate. If the Commission determines not to increase such amount, it shall report to the Committee on Financial Services of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate on its reasons for not increasing the amount.

(c) Securities issued by small investment company

TRANSFER OF FUNCTIONS

For transfer of functions of Securities and Exchange Commission, with certain exceptions, to Chairman of such Commission, see Reorg. Plan No. 10 of 1950, §§1, 2, eff. May 24, 1950, 15 F.R. 3175, 64 Stat. 1265, set out under section 78d of this title.

§ 77h. Taking effect of registration statements and amendments thereto

(a) Effective date of registration statement

Except as hereinafter provided, the effective date of a registration statement shall be the twentieth day after the filing thereof or such earlier date as the Commission may determine, having due regard to the adequacy of the information respecting the issuer theretofore available to the public, to the facility with which the nature of the securities to be registered, their relationship to the capital structure of the issuer and the rights of holders thereof can be understood, and to the public interest and the protection of investors. If any amendment to any such statement is filed prior to the effective date of such statement, the registration statement shall be deemed to have been filed when such amendment was filed; except that an amendment filed with the consent of the Commission, prior to the effective date of the registration statement, or filed pursuant to an order of the Commission, shall be treated as a part of the registration statement.

(b) Incomplete or inaccurate registration statement

If it appears to the Commission that a registration statement is on its face incomplete or inaccurate in any material respect, the Commission may, after notice by personal service or the sending of confirmed telegraphic notice not later than ten days after the filing of the registration statement, and opportunity for hearing (at a time fixed by the Commission) within ten days after such notice by personal service or the sending of such telegraphic notice, issue an order prior to the effective date of registration refusing to permit such statement to become effective until it has been amended in accordance with such order. When such statement has been amended in accordance with such order the Commission shall so declare and the registration shall become effective at the time provided in subsection (a) or upon the date of such declaration, whichever date is the later.

(c) Effective date of amendment to registration statement

An amendment filed after the effective date of the registration statement, if such amendment,

upon its face, appears to the Commission not to be incomplete or inaccurate in any material respect, shall become effective on such date as the Commission may determine, having due regard to the public interest and the protection of investors.

(d) Untrue statements or omissions in registration statement

If it appears to the Commission at any time that the registration statement includes any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading, the Commission may, after notice by personal service or the sending of confirmed telegraphic notice, and after opportunity for hearing (at a time fixed by the Commission) within fifteen days after such notice by personal service or the sending of such telegraphic notice, issue a stop order suspending the effectiveness of the registration statement. When such statement has been amended in accordance with such stop order, the Commission shall so declare and thereupon the stop order shall cease to be effective.

(e) Examination for issuance of stop order

The Commission is empowered to make an examination in any case in order to determine whether a stop order should issue under subsection (d). In making such examination the Commission or any officer or officers designated by it shall have access to and may demand the production of any books and papers of, and may administer oaths and affirmations to and examine, the issuer, underwriter, or any other person, in respect of any matter relevant to the examination, and may, in its discretion, require the production of a balance sheet exhibiting the assets and liabilities of the issuer, or its income statement, or both, to be certified to by a public or certified accountant approved by the Commission. If the issuer or underwriter shall fail to cooperate, or shall obstruct or refuse to permit the making of an examination, such conduct shall be proper ground for the issuance of a stop order.

(f) Notice requirements

Any notice required under this section shall be sent to or served on the issuer, or, in case of a foreign government or political subdivision thereof, to or on the underwriter, or, in the case of a foreign or Territorial person, to or on its duly authorized representative in the United States named in the registration statement, properly directed in each case of telegraphic notice to the address given in such statement.

TRANSFER OF FUNCTIONS

For transfer of functions of Securities and Exchange Commission, with certain exceptions, to Chairman of

such Commission, see Reorg. Plan No. 10 of 1950, §§ 1, 2, eff. May 24, 1950, 15 F.R. 3175, 64 Stat. 1265, set out under section 78d of this title.

§ 77h-1. Cease-and-desist proceedings

(a) Authority of Commission

If the Commission finds, after notice and opportunity for hearing, that any person is violating, has violated, or is about to violate any provision of this subchapter, or any rule or regulation thereunder, the Commission may publish its findings and enter an order requiring such person, and any other person that is, was, or would be a cause of the violation, due to an act or omission the person knew or should have known would contribute to such violation, to cease and desist from committing or causing such violation and any future violation of the same provision, rule, or regulation. Such order may, in addition to requiring a person to cease and desist from committing or causing a violation, require such person to comply, or to take steps to effect compliance, with such provision, rule, or regulation, upon such terms and conditions and within such time as the Commission may specify in such order. Any such order may, as the Commission deems appropriate, require future compliance or steps to effect future compliance, either permanently or for such period of time as the Commission may specify, with such provision, rule, or regulation with respect to any security, any issuer, or any other person.

(b) Hearing

The notice instituting proceedings pursuant to subsection (a) shall fix a hearing date not earlier than 30 days nor later than 60 days after service of the notice unless an earlier or a later date is set by the Commission with the consent of any respondent so served.

(c) Temporary order

(1) In general

Whenever the Commission determines that the alleged violation or threatened violation specified in the notice instituting proceedings pursuant to subsection (a), or the continuation thereof, is likely to result in significant dissipation or conversion of assets, significant harm to investors, or substantial harm to the public interest, including, but not limited to, losses to the Securities Investor Protection Corporation, prior to the completion of the proceedings, the Commission may enter a temporary order requiring the respondent to cease and desist from the violation or threatened violation and to take such action to prevent the violation or threatened violation and to prevent dissipation or conversion of assets, significant harm to investors, or substantial harm to the public interest as the Commission deems appropriate pending completion of such proceeding. Such an order shall be entered only after notice and opportunity for a hearing, unless the Commission determines that notice and hearing prior to entry would be impracticable or contrary to the public interest. A temporary order shall become effective upon service upon the respondent and, unless set aside, limited, or suspended by the Commission or a court of competent jurisdiction, shall

remain effective and enforceable pending the completion of the proceedings.

(2) Applicability

This subsection shall apply only to a respondent that acts, or, at the time of the alleged misconduct acted, as a broker, dealer, investment adviser, investment company, municipal securities dealer, government securities broker, government securities dealer, or transfer agent, or is, or was at the time of the alleged misconduct, an associated person of, or a person seeking to become associated with, any of the foregoing.

(d) Review of temporary orders

(1) Commission review

At any time after the respondent has been served with a temporary cease-and-desist order pursuant to subsection (c), the respondent may apply to the Commission to have the order set aside, limited, or suspended. If the respondent has been served with a temporary cease-and-desist order entered without a prior Commission hearing, the respondent may, within 10 days after the date on which the order was served, request a hearing on such application and the Commission shall hold a hearing and render a decision on such application at the earliest possible time.

(2) Judicial review

Within—

(A) 10 days after the date the respondent was served with a temporary cease-and-desist order entered with a prior Commission hearing, or

(B) 10 days after the Commission renders a decision on an application and hearing under paragraph (1), with respect to any temporary cease-and-desist order entered without a prior Commission hearing,

the respondent may apply to the United States district court for the district in which the respondent resides or has its principal place of business, or for the District of Columbia, for an order setting aside, limiting, or suspending the effectiveness or enforcement of the order, and the court shall have jurisdiction to enter such an order. A respondent served with a temporary cease-and-desist order entered without a prior Commission hearing may not apply to the court except after hearing and decision by the Commission on the respondent's application under paragraph (1) of this subsection.

(3) No automatic stay of temporary order

The commencement of proceedings under paragraph (2) of this subsection shall not, unless specifically ordered by the court, operate as a stay of the Commission's order.

(4) Exclusive review

Section 77i(a) of this title shall not apply to a temporary order entered pursuant to this section.

(e) Authority to enter order requiring accounting and disgorgement

In any cease-and-desist proceeding under subsection (a), the Commission may enter an order

requiring accounting and disgorgement, including reasonable interest. The Commission is authorized to adopt rules, regulations, and orders concerning payments to investors, rates of interest, periods of accrual, and such other matters as it deems appropriate to implement this subsection.

(f) Authority of the Commission to prohibit persons from serving as officers or directors

In any cease-and-desist proceeding under subsection (a), the Commission may issue an order to prohibit, conditionally or unconditionally, and permanently or for such period of time as it shall determine, any person who has violated section 77q(a)(1) of this title or the rules or regulations thereunder, from acting as an officer or director of any issuer that has a class of securities registered pursuant to section 78l of this title, or that is required to file reports pursuant to section 78o(d) of this title, if the conduct of that person demonstrates unfitness to serve as an officer or director of any such issuer.

(g) Authority to impose money penalties

(1) Grounds

In any cease-and-desist proceeding under subsection (a), the Commission may impose a civil penalty on a person if the Commission finds, on the record, after notice and opportunity for hearing, that—

(A) such person—

(i) is violating or has violated any provision of this subchapter, or any rule or regulation issued under this subchapter; or

(ii) is or was a cause of the violation of any provision of this subchapter, or any rule or regulation thereunder; and

(B) such penalty is in the public interest.

(2) Maximum amount of penalty

(A) First tier

The maximum amount of a penalty for each act or omission described in paragraph (1) shall be \$7,500 for a natural person or \$75,000 for any other person.

(B) Second tier

Notwithstanding subparagraph (A), the maximum amount of penalty for each such act or omission shall be \$75,000 for a natural person or \$375,000 for any other person, if the act or omission described in paragraph (1) involved fraud, deceit, manipulation, or deliberate or reckless disregard of a regulatory requirement.

(C) Third tier

Notwithstanding subparagraphs (A) and (B), the maximum amount of penalty for each such act or omission shall be \$150,000 for a natural person or \$725,000 for any other person, if—

(i) the act or omission described in paragraph (1) involved fraud, deceit, manipulation, or deliberate or reckless disregard of a regulatory requirement; and

(ii) such act or omission directly or indirectly resulted in—

(I) substantial losses or created a significant risk of substantial losses to other persons; or

(II) substantial pecuniary gain to the person who committed the act or omission.

(3) Evidence concerning ability to pay

In any proceeding in which the Commission may impose a penalty under this section, a respondent may present evidence of the ability of the respondent to pay such penalty. The Commission may, in its discretion, consider such evidence in determining whether such penalty is in the public interest. Such evidence may relate to the extent of the ability of the respondent to continue in business and the collectability of a penalty, taking into account any other claims of the United States or third parties upon the assets of the respondent and the amount of the assets of the respondent.

§ 77i. Court review of orders

(a) Any person aggrieved by an order of the Commission may obtain a review of such order in the court of appeals of the United States, within any circuit wherein such person resides or has his principal place of business, or in the United States Court of Appeals for the District of Columbia, by filing in such Court, within sixty days after the entry of such order, a written petition praying that the order of the Commission be modified or be set aside in whole or in part. A copy of such petition shall be forthwith transmitted by the clerk of the court to the Commission, and thereupon the Commission shall file in the court the record upon which the order complained of was entered, as provided in section 2112 of title 28. No objection to the order of the Commission shall be considered by the court unless such objection shall have been urged before the Commission. The finding of the Commission as to the facts, if supported by evidence, shall be conclusive. If either party shall apply to the court for leave to adduce additional evidence, and shall show to the satisfaction of the court that such additional evidence is material and that there were reasonable grounds for

failure to adduce such evidence in the hearing before the Commission, the court may order such additional evidence to be taken before the Commission and to be adduced upon the hearing in such manner and upon such terms and conditions as to the court may seem proper. The Commission may modify its findings as to the facts, by reason of the additional evidence so taken, and it shall file such modified or new findings, which, if supported by evidence, shall be conclusive, and its recommendation, if any, for the modification or setting aside of the original order. § 77j. Information required in prospectus

(a) Information in registration statement; documents not required

Except to the extent otherwise permitted or required pursuant to this subsection or subsections (c), (d), or (e)—

(1) a prospectus relating to a security other than a security issued by a foreign government or political subdivision thereof, shall contain the information contained in the registration statement, but it need not include the documents referred to in paragraphs (28) to (32), inclusive, of schedule A of section 77aa of this title;

(2) a prospectus relating to a security issued by a foreign government or political subdivision thereof shall contain the information contained in the registration statement, but it

need not include the documents referred to in paragraphs (13) and (14) of schedule B of section 77aa of this title;

(3) notwithstanding the provisions of paragraphs (1) and (2) of this subsection when a prospectus is used more than nine months after the effective date of the registration statement, the information contained therein shall be as of a date not more than sixteen months prior to such use, so far as such information is known to the user of such prospectus or can be furnished by such user without unreasonable effort or expense;

(4) there may be omitted from any prospectus any of the information required under this subsection which the Commission may by rules or regulations designate as not being necessary or appropriate in the public interest or for the protection of investors.

(b) Summarizations and omissions allowed by rules and regulations

In addition to the prospectus permitted or required in subsection (a), the Commission shall by rules or regulations deemed necessary or appropriate in the public interest or for the protection of investors permit the use of a prospectus for the purposes of subsection (b)(1) of section 77e of this title which omits in part or summarizes information in the prospectus specified in subsection (a). A prospectus permitted under this subsection shall, except to the extent the Commission by rules or regulations deemed necessary or appropriate in the public interest or for the protection of investors otherwise provides, be filed as part of the registration statement but shall not be deemed a part of such registration statement for the purposes of section 77k of this title. The Commission may at any time issue an order preventing or suspending the use of a prospectus permitted under this subsection, if it has reason to believe that such prospectus has not been filed (if required to be filed as part of the registration statement) or includes any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which such prospectus is or is to be used, not misleading. Upon issuance of an order under this subsection, the Commission shall give notice of the issuance of such order and opportunity for hearing by personal service or the sending of confirmed telegraphic notice. The Commission shall vacate or modify the order at any time for good cause or if such prospectus has been filed or amended in accordance with such order.

(c) Additional information required by rules and regulations

Any prospectus shall contain such other information as the Commission may by rules or regulations require as being necessary or appropriate in the public interest or for the protection of investors.

(d) Classification of prospectuses

In the exercise of its powers under subsections (a), (b), or (c), the Commission shall have authority to classify prospectuses according to the nature and circumstances of their use or the na-

ture of the security, issue, issuer, or otherwise, and, by rules and regulations and subject to such terms and conditions as it shall specify therein, to prescribe as to each class the form and contents which it may find appropriate and consistent with the public interest and the protection of investors.

(e) Information in conspicuous part of prospectus

The statements or information required to be included in a prospectus by or under authority of subsections (a), (b), (c), or (d), when written, shall be placed in a conspicuous part of the prospectus and, except as otherwise permitted by rules or regulations, in type as large as that used generally in the body of the prospectus.

(f) Prospectus consisting of radio or television broadcast

In any case where a prospectus consists of a radio or television broadcast, copies thereof shall be filed with the Commission under such rules and regulations as it shall prescribe. The Commission may by rules and regulations require the filing with it of forms and prospectuses used in connection with the offer or sale of securities registered under this subchapter.

TRANSFER OF FUNCTIONS

For transfer of functions of Securities and Exchange Commission, with certain exceptions, to Chairman of such Commission, see Reorg. Plan No. 10 of 1950, §§1, 2, eff. May 24, 1950, 15 F.R. 3175, 64 Stat. 1265, set out under section 78d of this title.

§ 77k. Civil liabilities on account of false registration statement

(a) Persons possessing cause of action; persons liable

In case any part of the registration statement, when such part became effective, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, any person acquiring such security (unless it is proved that at the

time of such acquisition he knew of such untruth or omission) may, either at law or in equity, in any court of competent jurisdiction, sue—

(1) every person who signed the registration statement;

(2) every person who was a director of (or person performing similar functions) or partner in the issuer at the time of the filing of the part of the registration statement with respect to which his liability is asserted;

(3) every person who, with his consent, is named in the registration statement as being or about to become a director, person performing similar functions, or partner;

(4) every accountant, engineer, or appraiser, or any person whose profession gives authority to a statement made by him, who has with his consent been named as having prepared or certified any part of the registration statement, or as having prepared or certified any report or valuation which is used in connection with the registration statement, with respect to the statement in such registration statement, report, or valuation, which purports to have been prepared or certified by him;

(5) every underwriter with respect to such security.

If such person acquired the security after the issuer has made generally available to its security holders an earning statement covering a period of at least twelve months beginning after the effective date of the registration statement, then the right of recovery under this subsection shall be conditioned on proof that such person acquired the security relying upon such untrue statement in the registration statement or relying upon the registration statement and not knowing of such omission, but such reliance may be established without proof of the reading of the registration statement by such person.

(b) Persons exempt from liability upon proof of issues

Notwithstanding the provisions of subsection (a) no person, other than the issuer, shall be liable as provided therein who shall sustain the burden of proof—

(1) that before the effective date of the part of the registration statement with respect to which his liability is asserted (A) he had resigned from or had taken such steps as are permitted by law to resign from, or ceased or refused to act in, every office, capacity, or relationship in which he was described in the registration statement as acting or agreeing to act, and (B) he had advised the Commission and the issuer in writing that he had taken such action and that he would not be responsible for such part of the registration statement; or

(2) that if such part of the registration statement became effective without his knowledge, upon becoming aware of such fact he forthwith acted and advised the Commission, in accordance with paragraph (1) of this subsection, and, in addition, gave reasonable public notice that such part of the registration statement had become effective without his knowledge; or

(3) that (A) as regards any part of the registration statement not purporting to be made

on the authority of an expert, and not purporting to be a copy of or extract from a report or valuation of an expert, and not purporting to be made on the authority of a public official document or statement, he had, after reasonable investigation, reasonable ground to believe and did believe, at the time such part of the registration statement became effective, that the statements therein were true and that there was no omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and (B) as regards any part of the registration statement purporting to be made upon his authority as an expert or purporting to be a copy of or extract from a report or valuation of himself as an expert, (i) he had, after reasonable investigation, reasonable ground to believe and did believe, at the time such part of the registration statement became effective, that the statements therein were true and that there was no omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or (ii) such part of the registration statement did not fairly represent his statement as an expert or was not a fair copy of or extract from his report or valuation as an expert; and (C) as regards any part of the registration statement purporting to be made on the authority of an expert (other than himself) or purporting to be a copy of or extract from a report or valuation of an expert (other than himself), he had no reasonable ground to believe and did not believe, at the time such part of the registration statement became effective, that the statements therein were untrue or that there was an omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or that such part of the registration statement did not fairly represent the statement of the expert or was not a fair copy of or extract from the report or valuation of the expert; and (D) as regards any part of the registration statement purporting to be a statement made by an official person or purporting to be a copy of or extract from a public official document, he had no reasonable ground to believe and did not believe, at the time such part of the registration statement became effective, that the statements therein were untrue, or that there was an omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or that such part of the registration statement did not fairly represent the statement made by the official person or was not a fair copy of or extract from the public official document.

(c) Standard of reasonableness

In determining, for the purpose of paragraph (3) of subsection (b) of this section, what constitutes reasonable investigation and reasonable ground for belief, the standard of reasonableness shall be that required of a prudent man in the management of his own property.

(d) Effective date of registration statement with regard to underwriters

If any person becomes an underwriter with respect to the security after the part of the reg-

istration statement with respect to which his liability is asserted has become effective, then for the purposes of paragraph (3) of subsection (b) of this section such part of the registration statement shall be considered as having become effective with respect to such person as of the time when he became an underwriter.

(e) Measure of damages; undertaking for payment of costs

The suit authorized under subsection (a) may be to recover such damages as shall represent the difference between the amount paid for the security (not exceeding the price at which the security was offered to the public) and (1) the value thereof as of the time such suit was brought, or (2) the price at which such security shall have been disposed of in the market before suit, or (3) the price at which such security shall have been disposed of after suit but before judgment if such damages shall be less than the damages representing the difference between the amount paid for the security (not exceeding the price at which the security was offered to the public) and the value thereof as of the time such suit was brought: *Provided*, That if the defendant proves that any portion or all of such damages represents other than the depreciation in value of such security resulting from such part of the registration statement, with respect to which his liability is asserted, not being true or omitting to state a material fact required to be stated therein or necessary to make the statements therein not misleading, such portion of or all such damages shall not be recoverable. In no event shall any underwriter (unless such underwriter shall have knowingly received from the issuer for acting as an underwriter some benefit, directly or indirectly, in which all other underwriters similarly situated did not share in proportion to their respective interests in the underwriting) be liable in any suit or as a consequence of suits authorized under subsection (a) for damages in excess of the total price at which the securities underwritten by him and distributed to the public were offered to the public. In any suit under this or any other section of this subchapter the court may, in its discretion, require an undertaking for the payment of the costs of such suit, including reasonable attorney's fees, and if judgment shall be rendered against a party litigant, upon the motion of the other party litigant, such costs may be assessed in favor of such party litigant (whether or not such undertaking has been required) if the court believes the suit or the defense to have been without merit, in an amount sufficient to reimburse him for the reasonable expenses incurred by him, in connection with such suit, such costs to be taxed in the manner usually provided for taxing of costs in the court in which the suit was heard.

(f) Joint and several liability; liability of outside director

(1) Except as provided in paragraph (2), all or any one or more of the persons specified in subsection (a) shall be jointly and severally liable, and every person who becomes liable to make any payment under this section may recover contribution as in cases of contract from any person who, if sued separately, would have been

liable to make the same payment, unless the person who has become liable was, and the other was not, guilty of fraudulent misrepresentation.

(2)(A) The liability of an outside director under subsection (e) shall be determined in accordance with section 78u-4(f) of this title.

(B) For purposes of this paragraph, the term “outside director” shall have the meaning given such term by rule or regulation of the Commission.

(g) Offering price to public as maximum amount recoverable

In no case shall the amount recoverable under this section exceed the price at which the security was offered to the public.

(3) Sales to qualified purchasers

A security is a covered security with respect to the offer or sale of the security to qualified purchasers, as defined by the Commission by rule. In prescribing such rule, the Commission may define the term “qualified purchaser” differently with respect to different categories of

(F) Commission rules or regulations issued under section 77d(2)¹ of this title, except that this subparagraph does not prohibit a State from imposing notice filing requirements that are substantially similar to those required by rule or regulation under section 77d(2)¹ of this title that are in effect on September 1, 1996; or

(G) section 77d(a)(7) of this title.

(ii) Schedule

The fees required by this subparagraph shall be paid, and all necessary supporting data on sales or offers for sales required under subparagraph (A), shall be reported on the same schedule as would have been applicable had the issuer not relied on the exemption provided in subsection (a).

(3) Enforcement of requirements

Nothing in this section shall prohibit the securities commission (or any agency or office performing like functions) of any State from suspending the offer or sale of securities within such State as a result of the failure to submit any filing or fee required under law and permitted under this section.

(d) Definitions

For purposes of this section, the following definitions shall apply:

(1) Offering document

The term “offering document”—

The Commission shall have authority from time to time to make, amend, and rescind such rules and regulations as may be necessary to carry out the provisions of this subchapter, in-

cluding rules and regulations governing registration statements and prospectuses for various classes of securities and issuers, and defining accounting, technical, and trade terms used in this subchapter. Among other things, the Commission shall have authority, for the purposes of this subchapter, to prescribe the form or forms in which required information shall be set forth, the items or details to be shown in the balance sheet and earning statement, and the methods to be followed in the preparation of accounts, in the appraisal or valuation of assets and liabilities, in the determination of depreciation and depletion, in the differentiation of recurring and nonrecurring income, in the differentiation of investment and operating income, and in the preparation, where the Commission deems it necessary or desirable, of consolidated balance sheets or income accounts of any person directly or indirectly controlling or controlled by the issuer, or any person under direct or indirect common control with the issuer. The rules and regulations of the Commission shall be effective upon publication in the manner which the Commission shall prescribe. No provision of this subchapter imposing any liability shall apply to any act done or omitted in good faith in conformity with any rule or regulation of the Commission, notwithstanding that such rule or regulation may, after such act or omission, be amended or rescinded or be determined by judicial or other authority to be invalid for any reason.

(b) Recognition of accounting standards

(1) In general

In carrying out its authority under subsection (a) and under section 13(b) of the Securities Exchange Act of 1934 [15 U.S.C. 78m(b)], the Commission may recognize, as "generally accepted" for purposes of the securities laws, any accounting principles established by a standard setting body—

(A) that—

- (i) is organized as a private entity;
- (ii) has, for administrative and operational purposes, a board of trustees (or equivalent body) serving in the public interest, the majority of whom are not, concurrent with their service on such board, and have not been during the 2-year period preceding such service, associated persons of any registered public accounting firm;
- (iii) is funded as provided in section 7219 of this title;
- (iv) has adopted procedures to ensure prompt consideration, by majority vote of its members, of changes to accounting principles necessary to reflect emerging accounting issues and changing business practices; and
- (v) considers, in adopting accounting principles, the need to keep standards current in order to reflect changes in the business environment, the extent to which international convergence on high quality accounting standards is necessary or appropriate in the public interest and for the protection of investors; and

(B) that the Commission determines has the capacity to assist the Commission in ful-

filling the requirements of subsection (a) and section 13(b) of the Securities Exchange Act of 1934 [15 U.S.C. 78m(b)], because, at a minimum, the standard setting body is capable of improving the accuracy and effectiveness of financial reporting and the protection of investors under the securities laws.

(2) Annual report

A standard setting body described in paragraph (1) shall submit an annual report to the Commission and the public, containing audited financial statements of that standard setting body.

(c) Production of evidence

For the purpose of all investigations which, in the opinion of the Commission, are necessary and proper for the enforcement of this subchapter, any member of the Commission or any officer or officers designated by it are empowered to administer oaths and affirmations, subpoena witnesses, take evidence, and require the production of any books, papers, or other documents which the Commission deems relevant or material to the inquiry. Such attendance of witnesses and the production of such documentary evidence may be required from any place in the United States or any Territory at any designated place of hearing.

(d) Federal and State cooperation

(1) The Commission is authorized to cooperate with any association composed of duly constituted representatives of State governments whose primary assignment is the regulation of the securities business within those States, and which, in the judgment of the Commission, could assist in effectuating greater uniformity in Federal-State securities matters. The Commission shall, at its discretion, cooperate, coordinate, and share information with such an association for the purposes of carrying out the policies and projects set forth in paragraphs (2) and (3).

(2) It is the declared policy of this subsection that there should be greater Federal and State cooperation in securities matters, including—

- (A) maximum effectiveness of regulation,
- (B) maximum uniformity in Federal and State regulatory standards,
- (C) minimum interference with the business of capital formation, and
- (D) a substantial reduction in costs and paperwork to diminish the burdens of raising investment capital (particularly by small business) and to diminish the costs of the administration of the Government programs involved.

(3) The purpose of this subsection is to engender cooperation between the Commission, any such association of State securities officials, and other duly constituted securities associations in the following areas:

- (A) the sharing of information regarding the registration or exemption of securities issues applied for in the various States;
- (B) the development and maintenance of uniform securities forms and procedures; and
- (C) the development of a uniform exemption from registration for small issuers which can be agreed upon among several States or between the States and the Federal Government.

The Commission shall have the authority to adopt such an exemption as agreed upon for Federal purposes. Nothing in this chapter shall be construed as authorizing preemption of State law.

(4) In order to carry out these policies and purposes, the Commission shall conduct an annual conference as well as such other meetings as are deemed necessary, to which representatives from such securities associations, securities self-regulatory organizations, agencies, and private organizations involved in capital formation shall be invited to participate.

(5) For fiscal year 1982, and for each of the three succeeding fiscal years, there are authorized to be appropriated such amounts as may be necessary and appropriate to carry out the policies, provisions, and purposes of this subsection. Any sums so appropriated shall remain available until expended.

(6) Notwithstanding any other provision of law, neither the Commission nor any other person shall be required to establish any procedures not specifically required by the securities laws, as that term is defined in section 3(a)(47) of the Securities Exchange Act of 1934 [15 U.S.C. 78c(a)(47)], or by chapter 5 of title 5, in connection with cooperation, coordination, or consultation with—

(A) any association referred to in paragraph (1) or (3) or any conference or meeting referred to in paragraph (4), while such association, conference, or meeting is carrying out activities in furtherance of the provisions of this subsection; or

(B) any forum, agency, or organization, or group referred to in section 80c-1 of this title, while such forum, agency, organization, or group is carrying out activities in furtherance of the provisions of such section 80c-1.

As used in this paragraph, the terms “association”, “conference”, “meeting”, “forum”, “agency”, “organization”, and “group” include any committee, subgroup, or representative of such entities.

(e) Evaluation of rules or programs

For the purpose of evaluating any rule or program of the Commission issued or carried out under any provision of the securities laws, as defined in section 3 of the Securities Exchange Act of 1934 (15 U.S.C. 78c), and the purposes of considering, proposing, adopting, or engaging in any such rule or program or developing new rules or programs, the Commission may—

(1) gather information from and communicate with investors or other members of the public;

(2) engage in such temporary investor testing programs as the Commission determines are in the public interest or would protect investors; and

(3) consult with academics and consultants, as necessary to carry out this subsection.

(f) Rule of construction

For purposes of the Paperwork Reduction Act (44 U.S.C. 3501 et seq.), any action taken under subsection (e) shall not be construed to be a collection of information.

(g) Funding for the GASB

(1) In general

The Commission may, subject to the limitations imposed by section 15B of the Securities Exchange Act of 1934 (15 U.S.C. 78o-4), require a national securities association registered under the Securities Exchange Act of 1934 [15 U.S.C. 78a et seq.] to establish—

(A) a reasonable annual accounting support fee to adequately fund the annual budget of the Governmental Accounting Standards Board (referred to in this subsection as the “GASB”); and

(B) rules and procedures, in consultation with the principal organizations representing State governors, legislators, local elected officials, and State and local finance officers, to provide for the equitable allocation, assessment, and collection of the accounting support fee established under subparagraph (A) from the members of the association, and the remittance of all such accounting support fees to the Financial Accounting Foundation.

(2) Annual budget

For purposes of this subsection, the annual budget of the GASB is the annual budget reviewed and approved according to the internal procedures of the Financial Accounting Foundation.

(3) Use of funds

Any fees or funds collected under this subsection shall be used to support the efforts of the GASB to establish standards of financial accounting and reporting recognized as generally accepted accounting principles applicable to State and local governments of the United States.

(4) Limitation on fee

The annual accounting support fees collected under this subsection for a fiscal year shall not exceed the recoverable annual budgeted expenses of the GASB (which may include operating expenses, capital, and accrued items).

(5) Rules of construction

(A) Fees not public monies

Accounting support fees collected under this subsection and other receipts of the GASB shall not be considered public monies of the United States.

(B) Limitation on authority of the Commission

Nothing in this subsection shall be construed to—

(i) provide the Commission or any national securities association direct or indirect oversight of the budget or technical agenda of the GASB; or

(ii) affect the setting of generally accepted accounting principles by the GASB.

(C) Noninterference with States

Nothing in this subsection shall be construed to impair or limit the authority of a State or local government to establish accounting and financial reporting standards.

(a) Federal and State courts; venue; service of process; review; removal; costs

The district courts of the United States and the United States courts of any Territory shall have jurisdiction of offenses and violations under this subchapter and under the rules and regulations promulgated by the Commission in respect thereto, and, concurrent with State and Territorial courts, except as provided in section 77p of this title with respect to covered class actions, of all suits in equity and actions at law brought to enforce any liability or duty created by this subchapter. Editorial Notes

REFERENCES IN TEXT

The Federal Rules of Civil Procedure, referred to in subsec. (a), are set out in the Appendix to Title 28, Judiciary and Judicial Procedure.

CODIFICATION

As originally enacted subsec. (a) contained references to the Supreme Court of the District of Columbia. Act June 25, 1936, substituted “the district court of the United States for the District of Columbia” for “the Supreme Court of the District of Columbia”, and act June 25, 1948, as amended by act May 24, 1949, substituted “United States District Court for the District of Columbia” for “district court of the United States for the District of Columbia”. Pub. L. 100-181 struck out reference to the United States District Court for the District of Columbia. Previously, such reference had been editorially eliminated as superfluous in view of section 132(a) of Title 28, Judiciary and Judicial Procedure, which provides that “There shall be in each ju-

dicial district a district court which shall be a court of record known as the United States District Court for the district”, and section 88 of Title 28 which provides that “the District of Columbia constitutes one judicial district”.

AMENDMENTS

2010—Subsec. (a). Pub. L. 111-203, §929E(a), inserted after second sentence “In any action or proceeding instituted by the Commission under this subchapter in a United States district court for any judicial district, a subpoena issued to compel the attendance of a witness or the production of documents or tangible things (or both) at a hearing or trial may be served at any place within the United States. Rule 45(c)(3)(A)(ii) of the Federal Rules of Civil Procedure shall not apply to a subpoena issued under the preceding sentence.”

Subsec. (c). Pub. L. 111-203, §929P(b)(1), added subsec. (c).

1998—Subsec. (a). Pub. L. 105-353 inserted “except as provided in section 77p of this title with respect to covered class actions,” after “Territorial courts,” in first sentence and substituted “Except as provided in section 77p(c) of this title, no case” for “No case” in penultimate sentence.

1987—Subsec. (a). Pub. L. 100-181 substituted “United States and” for “United States, the”, struck out “”, and the United States District Court for the District of Columbia” after “Territory”, and substituted “sections 1254, 1291, 1292, and 1294 of title 28” for “sections 128 and 240 of the Judicial Code, as amended (U.S.C., title 28, secs. 225 and 347)”. See Codification note above.

1970—Subsec. (c). Pub. L. 91-452 struck out subsec. (c) which related to immunity from prosecution of any individual compelled to testify or produce evidence, documentary or otherwise, after claiming his privilege against self-incrimination.

1954—Subsec. (a). Act Aug. 10, 1954, inserted “offer or” before “sale” in second sentence.

§ 77z-1. Private securities litigation

(a) Private class actions

(1) In general

The provisions of this subsection shall apply to each private action arising under this subchapter that is brought as a plaintiff class action pursuant to the Federal Rules of Civil Procedure.

(2) Certification filed with complaint

(A) In general

Each plaintiff seeking to serve as a representative party on behalf of a class shall provide a sworn certification, which shall be personally signed by such plaintiff and filed with the complaint, that—

(i) states that the plaintiff has reviewed the complaint and authorized its filing;

(ii) states that the plaintiff did not purchase the security that is the subject of the complaint at the direction of plaintiff's counsel or in order to participate in any private action arising under this subchapter;

(iii) states that the plaintiff is willing to serve as a representative party on behalf of a class, including providing testimony at deposition and trial, if necessary;

(iv) sets forth all of the transactions of the plaintiff in the security that is the subject of the complaint during the class period specified in the complaint;

(v) identifies any other action under this subchapter, filed during the 3-year period preceding the date on which the certification is signed by the plaintiff, in which the plaintiff has sought to serve, or served, as a representative party on behalf of a class; and

(vi) states that the plaintiff will not accept any payment for serving as a representative party on behalf of a class beyond the plaintiff's pro rata share of any recovery, except as ordered or approved by the court in accordance with paragraph (4).

(B) Nonwaiver of attorney-client privilege

The certification filed pursuant to subparagraph (A) shall not be construed to be a waiver of the attorney-client privilege.

(3) Appointment of lead plaintiff

(A) Early notice to class members

(i) In general

Not later than 20 days after the date on which the complaint is filed, the plaintiff

or plaintiffs shall cause to be published, in a widely circulated national business-oriented publication or wire service, a notice advising members of the purported plaintiff class—

(I) of the pendency of the action, the claims asserted therein, and the purported class period; and

(II) that, not later than 60 days after the date on which the notice is published, any member of the purported class may move the court to serve as lead plaintiff of the purported class.

(ii) Multiple actions

If more than one action on behalf of a class asserting substantially the same claim or claims arising under this subchapter is filed, only the plaintiff or plaintiffs in the first filed action shall be required to cause notice to be published in accordance with clause (i).

(iii) Additional notices may be required under Federal rules

Notice required under clause (i) shall be in addition to any notice required pursuant to the Federal Rules of Civil Procedure.

(B) Appointment of lead plaintiff

(i) In general

Not later than 90 days after the date on which a notice is published under subparagraph (A)(i), the court shall consider any motion made by a purported class member in response to the notice, including any motion by a class member who is not individually named as a plaintiff in the complaint or complaints, and shall appoint as lead plaintiff the member or members of the purported plaintiff class that the court determines to be most capable of adequately representing the interests of class members (hereafter in this paragraph referred to as the “most adequate plaintiff”) in accordance with this subparagraph.

(ii) Consolidated actions

If more than one action on behalf of a class asserting substantially the same claim or claims arising under this subchapter has been filed, and any party has sought to consolidate those actions for pretrial purposes or for trial, the court shall not make the determination required by clause (i) until after the decision on the motion to consolidate is rendered. As soon as practicable after such decision is rendered, the court shall appoint the most adequate plaintiff as lead plaintiff for the consolidated actions in accordance with this subparagraph.

(iii) Rebuttable presumption

(I) In general

Subject to subclause (II), for purposes of clause (i), the court shall adopt a presumption that the most adequate plaintiff in any private action arising under this subchapter is the person or group of persons that—

(aa) has either filed the complaint or made a motion in response to a notice under subparagraph (A)(i);

(bb) in the determination of the court, has the largest financial interest in the relief sought by the class; and

(cc) otherwise satisfies the requirements of Rule 23 of the Federal Rules of Civil Procedure.

(II) Rebuttal evidence

The presumption described in subclause (I) may be rebutted only upon proof by a member of the purported plaintiff class that the presumptively most adequate plaintiff—

(aa) will not fairly and adequately protect the interests of the class; or

(bb) is subject to unique defenses that render such plaintiff incapable of adequately representing the class.

(iv) Discovery

For purposes of this subparagraph, discovery relating to whether a member or members of the purported plaintiff class is the most adequate plaintiff may be conducted by a plaintiff only if the plaintiff first demonstrates a reasonable basis for a finding that the presumptively most adequate plaintiff is incapable of adequately representing the class.

(v) Selection of lead counsel

The most adequate plaintiff shall, subject to the approval of the court, select and retain counsel to represent the class.

(vi) Restrictions on professional plaintiffs

Except as the court may otherwise permit, consistent with the purposes of this section, a person may be a lead plaintiff, or an officer, director, or fiduciary of a lead plaintiff, in no more than 5 securities class actions brought as plaintiff class actions pursuant to the Federal Rules of Civil Procedure during any 3-year period.

(4) Recovery by plaintiffs

The share of any final judgment or of any settlement that is awarded to a representative party serving on behalf of a class shall be equal, on a per share basis, to the portion of the final judgment or settlement awarded to all other members of the class. Nothing in this paragraph shall be construed to limit the award of reasonable costs and expenses (including lost wages) directly relating to the representation of the class to any representative party serving on behalf of the class.

(5) Restrictions on settlements under seal

The terms and provisions of any settlement agreement of a class action shall not be filed under seal, except that on motion of any party to the settlement, the court may order filing under seal for those portions of a settlement agreement as to which good cause is shown for such filing under seal. For purposes of this paragraph, good cause shall exist only if publication of a term or provision of a settlement agreement would cause direct and substantial harm to any party.

(6) Restrictions on payment of attorneys' fees and expenses

Total attorneys' fees and expenses awarded by the court to counsel for the plaintiff class shall not exceed a reasonable percentage of the amount of any damages and prejudgment interest actually paid to the class.

(7) Disclosure of settlement terms to class members

Any proposed or final settlement agreement that is published or otherwise disseminated to the class shall include each of the following statements, along with a cover page summarizing the information contained in such statements:

(A) Statement of plaintiff recovery

The amount of the settlement proposed to be distributed to the parties to the action, determined in the aggregate and on an average per share basis.

(B) Statement of potential outcome of case**(i) Agreement on amount of damages**

If the settling parties agree on the average amount of damages per share that would be recoverable if the plaintiff prevailed on each claim alleged under this subchapter, a statement concerning the average amount of such potential damages per share.

(ii) Disagreement on amount of damages

If the parties do not agree on the average amount of damages per share that would be recoverable if the plaintiff prevailed on each claim alleged under this subchapter, a statement from each settling party concerning the issue or issues on which the parties disagree.

(iii) Inadmissibility for certain purposes

A statement made in accordance with clause (i) or (ii) concerning the amount of damages shall not be admissible in any Federal or State judicial action or administrative proceeding, other than an action or proceeding arising out of such statement.

(C) Statement of attorneys' fees or costs sought

If any of the settling parties or their counsel intend to apply to the court for an award of attorneys' fees or costs from any fund established as part of the settlement, a statement indicating which parties or counsel intend to make such an application, the amount of fees and costs that will be sought (including the amount of such fees and costs determined on an average per share basis), and a brief explanation supporting the fees and costs sought.

(D) Identification of lawyers' representatives

The name, telephone number, and address of one or more representatives of counsel for the plaintiff class who will be reasonably available to answer questions from class members concerning any matter contained in any notice of settlement published or otherwise disseminated to the class.

(E) Reasons for settlement

A brief statement explaining the reasons why the parties are proposing the settlement.

(F) Other information

Such other information as may be required by the court.

(8) Attorney conflict of interest

If a plaintiff class is represented by an attorney who directly owns or otherwise has a beneficial interest in the securities that are the subject of the litigation, the court shall make a determination of whether such ownership or other interest constitutes a conflict of interest sufficient to disqualify the attorney from representing the plaintiff class.

(b) Stay of discovery; preservation of evidence**(1) In general**

In any private action arising under this subchapter, all discovery and other proceedings shall be stayed during the pendency of any motion to dismiss, unless the court finds, upon the motion of any party, that particularized discovery is necessary to preserve evidence or to prevent undue prejudice to that party.

(2) Preservation of evidence

During the pendency of any stay of discovery pursuant to this subsection, unless otherwise ordered by the court, any party to the action with actual notice of the allegations contained in the complaint shall treat all documents, data compilations (including electronically recorded or stored data), and tangible objects that are in the custody or control of such person and that are relevant to the allegations, as if they were the subject of a continuing request for production of documents from an opposing party under the Federal Rules of Civil Procedure.

(3) Sanction for willful violation

A party aggrieved by the willful failure of an opposing party to comply with paragraph (2) may apply to the court for an order awarding appropriate sanctions.

(4) Circumvention of stay of discovery

Upon a proper showing, a court may stay discovery proceedings in any private action in a State court as necessary in aid of its jurisdiction, or to protect or effectuate its judgments, in an action subject to a stay of discovery pursuant to this subsection.

(c) Sanctions for abusive litigation**(1) Mandatory review by court**

In any private action arising under this subchapter, upon final adjudication of the action, the court shall include in the record specific findings regarding compliance by each party and each attorney representing any party with each requirement of Rule 11(b) of the Federal Rules of Civil Procedure as to any complaint, responsive pleading, or dispositive motion.

(2) Mandatory sanctions

If the court makes a finding under paragraph (1) that a party or attorney violated any requirement of Rule 11(b) of the Federal Rules of

Civil Procedure as to any complaint, responsive pleading, or dispositive motion, the court shall impose sanctions on such party or attorney in accordance with Rule 11 of the Federal Rules of Civil Procedure. Prior to making a finding that any party or attorney has violated Rule 11 of the Federal Rules of Civil Procedure, the court shall give such party or attorney notice and an opportunity to respond.

(3) Presumption in favor of attorneys' fees and costs

(A) In general

Subject to subparagraphs (B) and (C), for purposes of paragraph (2), the court shall adopt a presumption that the appropriate sanction—

(i) for failure of any responsive pleading or dispositive motion to comply with any requirement of Rule 11(b) of the Federal Rules of Civil Procedure is an award to the opposing party of the reasonable attorneys' fees and other expenses incurred as a direct result of the violation; and

(ii) for substantial failure of any complaint to comply with any requirement of Rule 11(b) of the Federal Rules of Civil Procedure is an award to the opposing party of the reasonable attorneys' fees and other expenses incurred in the action.

(B) Rebuttal evidence

The presumption described in subparagraph (A) may be rebutted only upon proof by the party or attorney against whom sanctions are to be imposed that—

(i) the award of attorneys' fees and other expenses will impose an unreasonable burden on that party or attorney and would be unjust, and the failure to make such an award would not impose a greater burden on the party in whose favor sanctions are to be imposed; or

(ii) the violation of Rule 11(b) of the Federal Rules of Civil Procedure was de minimis.

(C) Sanctions

If the party or attorney against whom sanctions are to be imposed meets its burden under subparagraph (B), the court shall award the sanctions that the court deems appropriate pursuant to Rule 11 of the Federal Rules of Civil Procedure.

(d) Defendant's right to written interrogatories

In any private action arising under this subchapter in which the plaintiff may recover money damages only on proof that a defendant acted with a particular state of mind, the court shall, when requested by a defendant, submit to the jury a written interrogatory on the issue of each such defendant's state of mind at the time the alleged violation occurred.
