CONGRESSIONAL FINDINGS

Pub. L. 104-193, title I, §101, Aug. 22, 1996, 110 Stat. 2110, provided that: "The Congress makes the following findings:

"(1) Marriage is the foundation of a successful society.

"(2) Marriage is an essential institution of a successful society which promotes the interests of children.

"(3) Promotion of responsible fatherhood and motherhood is integral to successful child rearing and the well-being of children.

"(4) In 1992, only 54 percent of single-parent families with children had a child support order established and, of that 54 percent, only about one-half received the full amount due. Of the cases enforced through the public child support enforcement system, only 18 percent of the caseload has a collection.

"(5) The number of individuals receiving aid to families with dependent children (in this section referred to as 'AFDC') has more than tripled since 1965. More than two-thirds of these recipients are children. Eighty-nine percent of children receiving AFDC benefits now live in homes in which no father is present.

"(A)(i) The average monthly number of children receiving AFDC benefits—

"(I) was 3,300,000 in 1965;

"(II) was 6,200,000 in 1970;

"(III) was 7,400,000 in 1980; and

"(IV) was 9,300,000 in 1992.

"(ii) While the number of children receiving AFDC benefits increased nearly threefold between 1965 and 1992, the total number of children in the United States aged 0 to 18 has declined by 5.5 percent.

"(B) The Department of Health and Human Services has estimated that 12,000,000 children will receive AFDC benefits within 10 years.

"(C) The increase in the number of children receiving public assistance is closely related to the increase in births to unmarried women. Between 1970 and 1991, the percentage of live births to unmarried women increased nearly threefold, from 10.7 percent to 29.5 percent.

"(6) The increase of out-of-wedlock pregnancies and births is well documented as follows:

"(A) It is estimated that the rate of nonmarital teen pregnancy rose 23 percent from 54 pregnancies per 1,000 unmarried teenagers in 1976 to 66.7 pregnancies in 1991. The overall rate of nonmarital pregnancy rose 14 percent from 90.8 pregnancies per 1,000 unmarried women in 1980 to 103 in both 1991 and 1992. In contrast, the overall pregnancy rate for married couples decreased 7.3 percent between 1980 and 1991, from 126.9 pregnancies per 1,000 married women in 1980 to 117.6 pregnancies in 1991.

"(B) The total of all out-of-wedlock births between 1970 and 1991 has risen from 10.7 percent to 29.5 percent and if the current trend continues, 50 percent of all births by the year 2015 will be out-of-wedlock.

"(7) An effective strategy to combat teenage pregnancy must address the issue of male responsibility, including statutory rape culpability and prevention. The increase of teenage pregnancies among the youngest girls is particularly severe and is linked to predatory sexual practices by men who are significantly older.

"(A) It is estimated that in the late 1980's, the rate for girls age 14 and under giving birth increased 26 percent.

"(B) Data indicates that at least half of the children born to teenage mothers are fathered by adult men. Available data suggests that almost 70 percent of births to teenage girls are fathered by men over age 20.

"(C) Surveys of teen mothers have revealed that a majority of such mothers have histories of sexual and physical abuse, primarily with older adult men.

"(8) The negative consequences of an out-of-wedlock birth on the mother, the child, the family, and society are well documented as follows:

"(A) Young women 17 and under who give birth outside of marriage are more likely to go on public assistance and to spend more years on welfare once enrolled. These combined effects of 'younger and longer' increase total AFDC costs per household by 25 percent to 30 percent for 17-year-olds.

"(B) Children born out-of-wedlock have a substantially higher risk of being born at a very low or moderately low birth weight.

"(C) Children born out-of-wedlock are more likely to experience low verbal cognitive attainment, as well as more child abuse, and neglect.

"(D) Children born out-of-wedlock were more likely to have lower cognitive scores, lower educational aspirations, and a greater likelihood of becoming teenage parents themselves.

"(E) Being born out-of-wedlock significantly reduces the chances of the child growing up to have an intact marriage.

"(F) Children born out-of-wedlock are 3 times more likely to be on welfare when they grow up.

"(9) Currently 35 percent of children in single-parent homes were born out-of-wedlock, nearly the same percentage as that of children in single-parent homes whose parents are divorced (37 percent). While many parents find themselves, through divorce or tragic circumstances beyond their control, facing the difficult task of raising children alone, nevertheless, the negative consequences of raising children in single-parent homes are well documented as follows:

"(A) Only 9 percent of married-couple families with children under 18 years of age have income below the national poverty level. In contrast, 46 percent of female-headed households with children under 18 years of age are below the national poverty level.

"(B) Among single-parent families, nearly ½ of the mothers who never married received AFDC while only ¼ of divorced mothers received AFDC.

"(C) Children born into families receiving welfare assistance are 3 times more likely to be on welfare when they reach adulthood than children not born into families receiving welfare.

"(D) Mothers under 20 years of age are at the greatest risk of bearing low birth weight babies.

"(E) The younger the single-parent mother, the less likely she is to finish high school.

"(F) Young women who have children before finishing high school are more likely to receive welfare assistance for a longer period of time.

"(G) Between 1985 and 1990, the public cost of births to teenage mothers under the aid to families with dependent children program, the food stamp program, and the medicaid program has been estimated at \$120,000,000,000.

"(H) The absence of a father in the life of a child has a negative effect on school performance and peer adjustment.

"(I) Children of teenage single parents have lower cognitive scores, lower educational aspirations, and a greater likelihood of becoming teenage parents themselves.

"(J) Children of single-parent homes are 3 times more likely to fail and repeat a year in grade school than are children from intact 2-parent families.

"(K) Children from single-parent homes are almost 4 times more likely to be expelled or suspended from school.

"(L) Neighborhoods with larger percentages of youth aged 12 through 20 and areas with higher percentages of single-parent households have higher rates of violent crime.

"(M) Of those youth held for criminal offenses within the State juvenile justice system, only 29.3 percent lived primarily in a home with both parents. In contrast to these incarcerated youth, 73.9 percent of the 62,800,000 children in the Nation's resident population were living with both parents.

“(10) Therefore, in light of this demonstration of the crisis in our Nation, it is the sense of the Congress that prevention of out-of-wedlock pregnancy and reduction in out-of-wedlock birth are very important Government interests and the policy contained in part A of title IV of the Social Security Act [42 U.S.C. 601 et seq.] (as amended by section 103(a) of this Act) is intended to address the crisis.”

§ 602. Eligible States; State plan

(a) In general

As used in this part, the term “eligible State” means, with respect to a fiscal year, a State that, during the 27-month period ending with the close of the 1st quarter of the fiscal year, has submitted to the Secretary a plan that the Secretary has found includes the following:

(1) Outline of family assistance program

(A) General provisions

A written document that outlines how the State intends to do the following:

(i) Conduct a program, designed to serve all political subdivisions in the State (not necessarily in a uniform manner), that provides assistance to needy families with (or expecting) children and provides parents with job preparation, work, and support services to enable them to leave the program and become self-sufficient.

(ii) Require a parent or caretaker receiving assistance under the program to engage in work (as defined by the State) once the State determines the parent or caretaker is ready to engage in work, or once the parent or caretaker has received assistance under the program for 24 months (whether or not consecutive), whichever is earlier, consistent with section 607(e)(2) of this title.

(iii) Ensure that parents and caretakers receiving assistance under the program engage in work activities in accordance with section 607 of this title.

(iv) Take such reasonable steps as the State deems necessary to restrict the use and disclosure of information about individuals and families receiving assistance under the program attributable to funds provided by the Federal Government.

(v) Establish goals and take action to prevent and reduce the incidence of out-of-

wedlock pregnancies, with special emphasis on teenage pregnancies, and establish numerical goals for reducing the illegitimacy ratio of the State (as defined in section 603(a)(2)(C)(iii)¹ of this title) for calendar years 1996 through 2005.

(vi) Conduct a program, designed to reach State and local law enforcement officials, the education system, and relevant counseling services, that provides education and training on the problem of statutory rape so that teenage pregnancy prevention programs may be expanded in scope to include men.

(vii) Implement policies and procedures as necessary to prevent access to assistance provided under the State program funded under this part through any electronic fund transaction in an automated teller machine or point-of-sale device located in a place described in section 608(a)(12) of this title, including a plan to ensure that recipients of the assistance have adequate access to their cash assistance.

(viii) Ensure that recipients of assistance provided under the State program funded under this part have access to using or withdrawing assistance with minimal fees or charges, including an opportunity to access assistance with no fee or charges, and are provided information on applicable fees and surcharges that apply to electronic fund transactions involving the assistance, and that such information is made publicly available.

(B) Special provisions

(i) The document shall indicate whether the State intends to treat families moving into the State from another State differently than other families under the program, and if so, how the State intends to treat such families under the program.

(ii) The document shall indicate whether the State intends to provide assistance under the program to individuals who are not citizens of the United States, and if so, shall include an overview of such assistance.

(iii) The document shall set forth objective criteria for the delivery of benefits and the determination of eligibility and for fair and equitable treatment, including an explanation of how the State will provide opportunities for recipients who have been adversely affected to be heard in a State administrative or appeal process.

(iv) Not later than 1 year after August 22, 1996, unless the chief executive officer of the State opts out of this provision by notifying the Secretary, a State shall, consistent with the exception provided in section 607(e)(2) of this title, require a parent or caretaker receiving assistance under the program who, after receiving such assistance for 2 months is not exempt from work requirements and is not engaged in work, as determined under section 607(c) of this title, to participate in community service employment, with min-

imum hours per week and tasks to be determined by the State.

(v) The document shall indicate whether the State intends to assist individuals to train for, seek, and maintain employment—

(I) providing direct care in a long-term care facility (as such terms are defined under section 1397j of this title); or

(II) in other occupations related to elder care determined appropriate by the State for which the State identifies an unmet need for service personnel,

and, if so, shall include an overview of such assistance.

(2) Certification that the State will operate a child support enforcement program

A certification by the chief executive officer of the State that, during the fiscal year, the State will operate a child support enforcement program under the State plan approved under part D.

(3) Certification that the State will operate a foster care and adoption assistance program

A certification by the chief executive officer of the State that, during the fiscal year, the State will operate a foster care and adoption assistance program under the State plan approved under part E, and that the State will take such actions as are necessary to ensure that children receiving assistance under such part are eligible for medical assistance under the State plan under subchapter XIX.

(4) Certification of the administration of the program

A certification by the chief executive officer of the State specifying which State agency or agencies will administer and supervise the program referred to in paragraph (1) for the fiscal year, which shall include assurances that local governments and private sector organizations—

(A) have been consulted regarding the plan and design of welfare services in the State so that services are provided in a manner appropriate to local populations; and

(B) have had at least 45 days to submit comments on the plan and the design of such services.

(5) Certification that the State will provide Indians with equitable access to assistance

A certification by the chief executive officer of the State that, during the fiscal year, the State will provide each member of an Indian tribe, who is domiciled in the State and is not eligible for assistance under a tribal family assistance plan approved under section 612 of this title, with equitable access to assistance under the State program funded under this part attributable to funds provided by the Federal Government.

(6) Certification of standards and procedures to ensure against program fraud and abuse

A certification by the chief executive officer of the State that the State has established and is enforcing standards and procedures to ensure against program fraud and abuse, includ-

ing standards and procedures concerning nepotism, conflicts of interest among individuals responsible for the administration and supervision of the State program, kickbacks, and the use of political patronage.

(7) Optional certification of standards and procedures to ensure that the State will screen for and identify domestic violence

(A) In general

At the option of the State, a certification by the chief executive officer of the State that the State has established and is enforcing standards and procedures to—

(i) screen and identify individuals receiving assistance under this part with a history of domestic violence while maintaining the confidentiality of such individuals;

(ii) refer such individuals to counseling and supportive services; and

(iii) waive, pursuant to a determination of good cause, other program requirements such as time limits (for so long as necessary) for individuals receiving assistance, residency requirements, child support cooperation requirements, and family cap provisions, in cases where compliance with such requirements would make it more difficult for individuals receiving assistance under this part to escape domestic violence or unfairly penalize such individuals who are or have been victimized by such violence, or individuals who are at risk of further domestic violence.

(B) “Domestic violence” defined

For purposes of this paragraph, the term “domestic violence” has the same meaning as the term “battered or subjected to extreme cruelty”, as defined in section 608(a)(7)(C)(iii) of this title.

(b) Plan amendments

Within 30 days after a State amends a plan submitted pursuant to subsection (a), the State shall notify the Secretary of the amendment.

L. 106-554, § 1(a)(1) [title VI, §§ 602-607(a), 608(a), 609, 610], Dec. 21, 2000, 114 Stat. 2763, 2763A-74 to 2763A-76; Pub. L. 107-110, title VII, § 702(h), Jan. 8, 2002, 115 Stat. 1947; Pub. L. 114-95, title IX, § 9215(l), Dec. 10, 2015, 129 Stat. 2168, provided that:

“SEC. 401. SHORT TITLE.

“This title may be cited as the ‘Assets for Independence Act’.

“SEC. 402. FINDINGS.

“Congress makes the following findings:

“(1) Economic well-being does not come solely from income, spending, and consumption, but also requires savings, investment, and accumulation of assets because assets can improve economic independence and stability, connect individuals with a viable and hopeful future, stimulate development of human and other capital, and enhance the welfare of offspring.

“(2) Fully ½ of all Americans have either no, negligible, or negative assets available for investment, just as the price of entry to the economic mainstream, the cost of a house, an adequate education,

and starting a business, is increasing. Further, the household savings rate of the United States lags far behind other industrial nations, presenting a barrier to economic growth.

“(3) In the current tight fiscal environment, the United States should invest existing resources in high-yield initiatives. There is reason to believe that the financial returns, including increased income, tax revenue, and decreased welfare cash assistance, resulting from individual development accounts will far exceed the cost of investment in those accounts.

“(4) Traditional public assistance programs concentrating on income and consumption have rarely been successful in promoting and supporting the transition to increased economic self-sufficiency. Income-based domestic policy should be complemented with asset-based policy because, while income-based policies ensure that consumption needs (including food, child care, rent, clothing, and health care) are met, asset-based policies provide the means to achieve greater independence and economic well-being.

“SEC. 403. PURPOSES.

“The purposes of this title are to provide for the establishment of demonstration projects designed to determine—

“(1) the social, civic, psychological, and economic effects of providing to individuals and families with limited means an incentive to accumulate assets by saving a portion of their earned income;

“(2) the extent to which an asset-based policy that promotes saving for postsecondary education, homeownership, and microenterprise development may be used to enable individuals and families with limited means to increase their economic self-sufficiency; and

“(3) the extent to which an asset-based policy stabilizes and improves families and the community in which the families live.

“SEC. 404. DEFINITIONS.

§ 604a. Services provided by charitable, religious, or private organizations

(a) In general

(1) State options

A State may—

(A) administer and provide services under the programs described in subparagraphs (A) and (B)(i) of paragraph (2) through contracts with charitable, religious, or private organizations; and

(B) provide beneficiaries of assistance under the programs described in subparagraphs (A) and (B)(ii) of paragraph (2) with certificates, vouchers, or other forms of disbursement which are redeemable with such organizations.

(2) Programs described

The programs described in this paragraph are the following programs:

(A) A State program funded under this part (as amended by section 103(a) of this Act).

(B) Any other program established or modified under title I or II of this Act, that—

(i) permits contracts with organizations; or

(ii) permits certificates, vouchers, or other forms of disbursement to be provided to beneficiaries, as a means of providing assistance.

(b) Religious organizations

The purpose of this section is to allow States to contract with religious organizations, or to allow religious organizations to accept certificates, vouchers, or other forms of disbursement under any program described in subsection (a)(2), on the same basis as any other nongovernmental provider without impairing the religious character of such organizations, and without diminishing the religious freedom of beneficiaries of assistance funded under such program.

(c) Nondiscrimination against religious organizations

In the event a State exercises its authority under subsection (a), religious organizations are eligible, on the same basis as any other private organization, as contractors to provide assistance, or to accept certificates, vouchers, or

other forms of disbursement, under any program described in subsection (a)(2) so long as the programs are implemented consistent with the Establishment Clause of the United States Constitution. Except as provided in subsection (k), neither the Federal Government nor a State receiving funds under such programs shall discriminate against an organization which is or applies to be a contractor to provide assistance, or which accepts certificates, vouchers, or other forms of disbursement, on the basis that the organization has a religious character.

(d) Religious character and freedom

(1) Religious organizations

A religious organization with a contract described in subsection (a)(1)(A), or which accepts certificates, vouchers, or other forms of disbursement under subsection (a)(1)(B), shall retain its independence from Federal, State, and local governments, including such organization's control over the definition, development, practice, and expression of its religious beliefs.

(2) Additional safeguards

Neither the Federal Government nor a State shall require a religious organization to—

(A) alter its form of internal governance; or

(B) remove religious art, icons, scripture, or other symbols;

in order to be eligible to contract to provide assistance, or to accept certificates, vouchers, or other forms of disbursement, funded under a program described in subsection (a)(2).

(e) Rights of beneficiaries of assistance

(1) In general

If an individual described in paragraph (2) has an objection to the religious character of the organization or institution from which the individual receives, or would receive, assistance funded under any program described in subsection (a)(2), the State in which the individual resides shall provide such individual (if otherwise eligible for such assistance) within a reasonable period of time after the date of such objection with assistance from an alternative provider that is accessible to the individual and the value of which is not less than the value of the assistance which the individual would have received from such organization.

(2) Individual described

An individual described in this paragraph is an individual who receives, applies for, or requests to apply for, assistance under a program described in subsection (a)(2).

(f) Employment practices

A religious organization's exemption provided under section 2000e-1 of this title regarding employment practices shall not be affected by its participation in, or receipt of funds from, programs described in subsection (a)(2).

(g) Nondiscrimination against beneficiaries

Except as otherwise provided in law, a religious organization shall not discriminate against an individual in regard to rendering as-

sistance funded under any program described in subsection (a)(2) on the basis of religion, a religious belief, or refusal to actively participate in a religious practice.

(h) Fiscal accountability

(1) In general

Except as provided in paragraph (2), any religious organization contracting to provide assistance funded under any program described in subsection (a)(2) shall be subject to the same regulations as other contractors to account in accord with generally accepted auditing principles for the use of such funds provided under such programs.

(2) Limited audit

If such organization segregates Federal funds provided under such programs into separate accounts, then only the financial assistance provided with such funds shall be subject to audit.

(i) Compliance

Any party which seeks to enforce its rights under this section may assert a civil action for injunctive relief exclusively in an appropriate State court against the entity or agency that allegedly commits such violation.

(j) Limitations on use of funds for certain purposes

No funds provided directly to institutions or organizations to provide services and administer programs under subsection (a)(1)(A) shall be expended for sectarian worship, instruction, or proselytization.

(k) Preemption

Nothing in this section shall be construed to preempt any provision of a State constitution or State statute that prohibits or restricts the expenditure of State funds in or by religious organizations.

ance under the State program funded under this part or any other State program funded with qualified State expenditures (as defined in section 609(a)(7)(B)(i) of this title):

If the fiscal year is:	The minimum participation rate is:
1997	25
1998	30
1999	35
2000	40
2001	45
2002 or thereafter	50.

(2) 2-parent families

A State to which a grant is made under section 603 of this title for a fiscal year shall achieve the minimum participation rate specified in the following table for the fiscal year with respect to 2-parent families receiving assistance under the State program funded under this part or any other State program funded with qualified State expenditures (as defined in section 609(a)(7)(B)(i) of this title):

If the fiscal year is:	The minimum participation rate is:
1997	75
1998	75
1999 or thereafter	90.

(b) Calculation of participation rates

(1) All families

(A) Average monthly rate

For purposes of subsection (a)(1), the participation rate for all families of a State for a fiscal year is the average of the participation rates for all families of the State for each month in the fiscal year.

(B) Monthly participation rates

The participation rate of a State for all families of the State for a month, expressed as a percentage, is—

- (i) the number of families receiving assistance under the State program funded under this part or any other State program funded with qualified State expenditures (as defined in section 609(a)(7)(B)(i) of this title) that include an adult or a minor child head of household who is engaged in work for the month; divided by

(ii) the amount by which—

(I) the number of families receiving such assistance during the month that include an adult or a minor child head of household receiving such assistance; exceeds

(II) the number of families receiving such assistance that are subject in such month to a penalty described in subsection (e)(1) but have not been subject to such penalty for more than 3 months within the preceding 12-month period (whether or not consecutive).

(2) 2-parent families

(A) Average monthly rate

For purposes of subsection (a)(2), the participation rate for 2-parent families of a State for a fiscal year is the average of the

participation rates for 2-parent families of the State for each month in the fiscal year.

(B) Monthly participation rates

The participation rate of a State for 2-parent families of the State for a month shall be calculated by use of the formula set forth in paragraph (1)(B), except that in the formula the term “number of 2-parent families” shall be substituted for the term “number of families” each place such latter term appears.

(C) Family with a disabled parent not treated as a 2-parent family

A family that includes a disabled parent shall not be considered a 2-parent family for purposes of subsections (a) and (b) of this section.

(3) Pro rata reduction of participation rate due to caseload reductions not required by Federal law and not resulting from changes in State eligibility criteria

(A) In general

The Secretary shall prescribe regulations for reducing the minimum participation rate otherwise required by this section for a fiscal year by the number of percentage points equal to the number of percentage points (if any) by which—

(i) the average monthly number of families receiving assistance during the immediately preceding fiscal year under the State program funded under this part or any other State program funded with qualified State expenditures (as defined in section 609(a)(7)(B)(i) of this title) is less than

(ii) the average monthly number of families that received assistance under any State program referred to in clause (i) during fiscal year 2005.

The minimum participation rate shall not be reduced to the extent that the Secretary determines that the reduction in the number of families receiving such assistance is required by Federal law.

(B) Eligibility changes not counted

The regulations required by subparagraph (A) shall not take into account families that are diverted from a State program funded under this part as a result of differences in eligibility criteria under a State program funded under this part and the eligibility criteria in effect during fiscal year 2005. Such regulations shall place the burden on the Secretary to prove that such families were diverted as a direct result of differences in such eligibility criteria.

(4) State option to include individuals receiving assistance under a tribal family assistance plan or tribal work program

For purposes of paragraphs (1)(B) and (2)(B), a State may, at its option, include families in the State that are receiving assistance under a tribal family assistance plan approved under section 612 of this title or under a tribal work program to which funds are provided under this part.

(5) State option for participation requirement exemptions

For any fiscal year, a State may, at its option, not require an individual who is a single custodial parent caring for a child who has not attained 12 months of age to engage in work, and may disregard such an individual in determining the participation rates under subsection (a) for not more than 12 months.

pated in such an activity for 6 weeks (or, if the unemployment rate of the State is at least 50 percent greater than the unemployment rate of the United States or the State is a needy State (within the meaning of section 603(b)(5) of this title), 12 weeks), or if the participation is for a week that immediately follows 4 consecutive weeks of such participation.

(ii) Limited authority to count less than full week of participation

For purposes of clause (i) of this subparagraph, on not more than 1 occasion per individual, the State shall consider participation of the individual in an activity described in subsection (d)(6) for 3 or 4 days during a week as a week of participation in the activity by the individual.

(B) Single parent or relative with child under age 6 deemed to be meeting work participation requirements if parent or relative is engaged in work for 20 hours per week

For purposes of determining monthly participation rates under subsection (b)(1)(B)(i), a recipient who is the only parent or caretaker relative in the family of a child who has not attained 6 years of age is deemed to be engaged in work for a month if the recipient is engaged in work for an average of at least 20 hours per week during the month.

subject to such good cause and other exceptions as the State may establish.

(2) Exception

Notwithstanding paragraph (1), a State may not reduce or terminate assistance under the State program funded under this part or any other State program funded with qualified State expenditures (as defined in section 609(a)(7)(B)(i) of this title) based on a refusal of an individual to engage in work required in accordance with this section if the individual is a single custodial parent caring for a child who has not attained 6 years of age, and the individual proves that the individual has a demonstrated inability (as determined by the State) to obtain needed child care, for 1 or more of the following reasons:

Nothing in this subsection shall preempt or supersede any provision of State or local law that provides greater protection for employees from displacement.

(h) Sense of Congress that States should impose certain requirements on noncustodial, non-supporting minor parents

It is the sense of the Congress that the States should require noncustodial, nonsupporting parents who have not attained 18 years of age to fulfill community work obligations and attend appropriate parenting or money management classes after school.

The regulations referred to in clause (i) may be effective and final immediately on an interim basis as of the date of publication of the regulations. If the Secretary provides for an interim final regulation, the Secretary shall provide for a period of public comment on the regulation after the date of publication. The Secretary may change or revise the regulation after the public comment period.

(B) Oversight of State procedures

The Secretary shall review the State procedures established in accordance with paragraph (2) to ensure that such procedures are consistent with the regulations promulgated under subparagraph (A) and are adequate to ensure an accurate measurement of work participation under the State programs funded under this part and any other State programs funded with qualified State expenditures (as so defined).

(2) Requirement for States to establish and maintain work participation verification procedures

Not later than September 30, 2006, a State to which a grant is made under section 603 of this title shall establish procedures for determining, with respect to recipients of assistance under the State program funded under this part or under any State programs funded with qualified State expenditures (as so defined), whether activities may be counted as work activities, how to count and verify reported hours of work, and who is a work-eligible individual, in accordance with the regulations promulgated pursuant to paragraph (1)(A)(i) and shall establish internal controls to ensure compliance with the procedures.

(1) Deeming of sponsor's income and resources

For a period of 3 years after a non-213A alien enters the United States:

(C) Sponsors of multiple non-213A aliens

If a person is a sponsor of 2 or more non-213A aliens who are living in the same home, the income and resources of the sponsor and any spouse of the sponsor that would be deemed income and resources of any such alien under subparagraph (A) shall be divided into a number of equal shares equal to the number of such aliens, and the State shall deem the income and resources of each such alien to include 1 such share.

(2) Ineligibility of non-213A aliens sponsored by agencies; exception

A non-213A alien whose sponsor is or was a public or private agency shall be ineligible for assistance under a State program funded under this part, during a period of 3 years after the alien enters the United States, unless the State agency administering the program determines that the sponsor either no longer exists or has become unable to meet the alien's needs.

(5) Inapplicability to alien minor sponsored by a parent

This subsection shall not apply to an alien who is a minor child if the sponsor of the alien or any spouse of the sponsor is a parent of the alien.

(II) in the case of the report required under section 611(c)(1)(A)(ii) of this title, September 15, 2011.

(iii) Penalty based on severity of failure

The Secretary shall impose a reduction under clause (i) with respect to a fiscal

year based on the degree of noncompliance.

(3) Failure to satisfy minimum participation rates

(A) In general

If the Secretary determines that a State to which a grant is made under section 603 of this title for a fiscal year has failed to comply with section 607(a) of this title for the fiscal year, the Secretary shall reduce the grant payable to the State under section 603(a)(1) of this title for the immediately succeeding fiscal year by an amount equal to the applicable percentage of the State family assistance grant.

(B) “Applicable percentage” defined

As used in subparagraph (A), the term “applicable percentage” means, with respect to a State—

- (II) 21 percent.

(C) Penalty based on severity of failure

The Secretary shall impose reductions under subparagraph (A) with respect to a fiscal year based on the degree of noncompliance, and may reduce the penalty if the noncompliance is due to circumstances that caused the State to become a needy State (as defined in section 603(b)(5) of this title) during the fiscal year or if the noncompliance is due to extraordinary circumstances such as a natural disaster or regional recession. The Secretary shall provide a written report to Congress to justify any waiver or penalty reduction due to such extraordinary circumstances.

(4) Failure to participate in the income and eligibility verification system

If the Secretary determines that a State program funded under this part is not participating during a fiscal year in the income and eligibility verification system required by section 1320b-7 of this title, the Secretary shall reduce the grant payable to the State under section 603(a)(1) of this title for the immediately succeeding fiscal year by an amount equal to not more than 2 percent of the State family assistance grant.

(5) Failure to comply with paternity establishment and child support enforcement requirements under part D

Notwithstanding any other provision of this chapter, if the Secretary determines that the State agency that administers a program funded under this part does not enforce the

penalties requested by the agency administering part D against recipients of assistance under the State program who fail to cooperate in establishing paternity or in establishing, modifying, or enforcing a child support order in accordance with such part and who do not qualify for any good cause or other exception established by the State under section 654(29) of this title, the Secretary shall reduce the grant payable to the State under section 603(a)(1) of this title for the immediately succeeding fiscal year (without regard to this section) by not more than 5 percent.

If the Secretary determines that a State has failed to repay any amount borrowed from the Federal Loan Fund for State Welfare Programs established under section 606 of this title within the period of maturity applicable to the loan, plus any interest owed on the loan, the Secretary shall reduce the grant payable to the State under section 603(a)(1) of this title for the immediately succeeding fiscal year quarter (without regard to this section) by the outstanding loan amount, plus the interest owed on the outstanding amount. The Secretary shall not forgive any outstanding loan amount or interest owed on the outstanding amount.

(7) Failure of any State to maintain certain level of historic effort

(A) In general

The Secretary shall reduce the grant payable to the State under section 603(a)(1) of this title for a fiscal year by the amount (if any) by which qualified State expenditures for the then immediately preceding fiscal year are less than the applicable percentage of historic State expenditures with respect to such preceding fiscal year.

- (bb) Child care assistance.

(III) Exclusion of amounts expended to replace penalty grant reductions

Such term does not include any amount expended in order to comply with paragraph (12).

(IV) Eligible families

As used in subclause (I), the term “eligible families” means families eligible for assistance under the State program funded under this part, families that would be eligible for such assistance but for the application of section 608(a)(7) of this title, and families of aliens lawfully present in the United States that would be eligible for such assistance but for the application of title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 [8 U.S.C. 1601 et seq.].

(V) Counting of spending on certain pro-family activities

(iii) Historic State expenditures

The term “historic State expenditures” means, with respect to a State, the lesser of—

(I) the expenditures by the State under parts A and F (as in effect during fiscal year 1994) for fiscal year 1994; or

¹ See References in Text note below.

this title, that the State program failed to achieve the paternity establishment percentages (as defined in section 652(g)(2) of this title), or to meet other performance measures that may be established by the Secretary;

(II) on the basis of the results of an audit or audits conducted under section 652(a)(4)(C)(i) of this title that the State data submitted pursuant to section 654(15)(B) of this title is incomplete or unreliable; or

(III) on the basis of the results of an audit or audits conducted under section 652(a)(4)(C) of this title that a State failed to substantially comply with 1 or more of the requirements of part D (other than paragraph (24), or subparagraph (A) or (B)(i) of paragraph (27), of section 654 of this title); and

(i) that, with respect to the succeeding fiscal year—

(I) the State failed to take sufficient corrective action to achieve the appropriate performance levels or compliance as described in subparagraph (A)(i); or

(ii) not less than 2 nor more than 3 percent, if the finding is the 2nd consecutive finding made pursuant to subparagraph (A); or

(iii) not less than 3 nor more than 5 percent, if the finding is the 3rd or a subsequent consecutive such finding.

(C) Disregard of noncompliance which is of a technical nature

For purposes of this section and section 652(a)(4) of this title, a State determined as a result of an audit—

(i) to have failed to have substantially complied with 1 or more of the requirements of part D shall be determined to have achieved substantial compliance only if the Secretary determines that the extent of the noncompliance is of a technical nature which does not adversely affect the performance of the State's program under part D; or

(ii) to have submitted incomplete or unreliable data pursuant to section 654(15)(B)

of this title shall be determined to have submitted adequate data only if the Secretary determines that the extent of the incompleteness or unreliability of the data is of a technical nature which does not adversely affect the determination of the level of the State's paternity establishment percentages (as defined under section 652(g)(2) of this title) or other performance measures that may be established by the Secretary.

(9) Failure to comply with 5-year limit on assistance

If the Secretary determines that a State has not complied with section 608(a)(7) of this title during a fiscal year, the Secretary shall reduce the grant payable to the State under section 603(a)(1) of this title for the immediately succeeding fiscal year by an amount equal to 5 percent of the State family assistance grant.

(10) Failure of State receiving amounts from Contingency Fund to maintain 100 percent of historic effort

If, at the end of any fiscal year during which amounts from the Contingency Fund for State Welfare Programs have been paid to a State, the Secretary finds that the qualified State expenditures (as defined in paragraph (7)(B)(i) (other than the expenditures described in subclause (I)(bb) of that paragraph)) under the State program funded under this part for the fiscal year are less than 100 percent of historic State expenditures (as defined in paragraph (7)(B)(iii) of this subsection), excluding any amount expended by the State for child care under subsection (g) or (i) of section 602 of this title (as in effect during fiscal year 1994) for fiscal year 1994, the Secretary shall reduce the grant payable to the State under section 603(a)(1) of this title for the immediately succeeding fiscal year by the total of the amounts so paid to the State that the State has not remitted under section 603(b)(6) of this title.

(11) Failure to maintain assistance to adult single custodial parent who cannot obtain child care for child under age 6

(B) Penalty based on severity of failure

The Secretary shall impose reductions under subparagraph (A) with respect to a fiscal year based on the degree of noncompliance.

(12) Requirement to expend additional State funds to replace grant reductions; penalty for failure to do so

duced by reason of this subsection, the State shall, during the immediately succeeding fiscal year, expend under the State program funded under this part an amount equal to the total amount of such reductions. If the State fails during such succeeding fiscal year to make the expenditure required by the preceding sentence from its own funds, the Secretary may reduce the grant payable to the State under section 603(a)(1) of this title for the fiscal year that follows such succeeding fiscal year by an amount equal to the sum of—

- (A) not more than 2 percent of the State family assistance grant; and
- (B) the amount of the expenditure required by the preceding sentence.

(13) Penalty for failure of State to maintain historic effort during year in which welfare-to-work grant is received

If a grant is made to a State under section 603(a)(5)(A) of this title for a fiscal year and paragraph (7) of this subsection requires the grant payable to the State under section 603(a)(1) of this title to be reduced for the immediately succeeding fiscal year, then the Secretary shall reduce the grant payable to the State under section 603(a)(1) of this title for such succeeding fiscal year by the amount of the grant made to the State under section 603(a)(5)(A) of this title for the fiscal year.

(14) Penalty for failure to reduce assistance for recipients refusing without good cause to work

(A) In general

If the Secretary determines that a State to which a grant is made under section 603 of this title in a fiscal year has violated section 607(e) of this title during the fiscal year, the Secretary shall reduce the grant payable to the State under section 603(a)(1) of this title for the immediately succeeding fiscal year by an amount equal to not less than 1 percent and not more than 5 percent of the State family assistance grant.

(B) Penalty based on severity of failure

The Secretary shall impose reductions under subparagraph (A) with respect to a fiscal year based on the degree of noncompliance.

(B) Penalty based on severity of failure

The Secretary shall impose reductions under subparagraph (A) with respect to a fiscal year based on the degree of noncompliance.

(16) Penalty for failure to enforce spending policies

(A) In general

If, within 2 years after February 22, 2012, any State has not reported to the Secretary on such State's implementation of the policies and practices required by section 608(a)(12) of this title, or the Secretary determines, based on the information provided in State reports, that any State has not implemented and maintained such policies and practices, the Secretary shall reduce, by an amount equal to 5 percent of the State family assistance grant, the grant payable to such State under section 603(a)(1) of this title for—

- (i) the fiscal year immediately succeeding the year in which such 2-year period ends; and
- (ii) each succeeding fiscal year in which the State does not demonstrate that such State has implemented and maintained such policies and practices.

Fraudulent activity by any individual in an attempt to circumvent the policies and practices required by section 608(a)(12) of this title shall not trigger a State penalty under subparagraph (A).

(b) Reasonable cause exception

(1) In general

The Secretary may not impose a penalty on a State under subsection (a) with respect to a requirement if the Secretary determines that the State has reasonable cause for failing to comply with the requirement.

(2) Exception

Paragraph (1) of this subsection shall not apply to any penalty under paragraph (6), (7), (8), (10), (12), or (13) of subsection (a) and, with respect to the penalty under paragraph (2)(B) of subsection (a), shall only apply to the extent the Secretary determines that the reasonable cause for failure to comply with a requirement of that paragraph is as a result of a one-time, unexpected event, such as a widespread data system failure or a natural or man-made disaster.

(c) Corrective compliance plan

(1) In general

(A) Notification of violation

Before imposing a penalty against a State under subsection (a) with respect to a violation of this part, the Secretary shall notify the State of the violation and allow the State the opportunity to enter into a corrective compliance plan in accordance with this subsection which outlines how the State will correct or discontinue, as appropriate, the violation and how the State will insure continuing compliance with this part.

(B) 60-day period to propose a corrective compliance plan

(D) Acceptance of plan

A corrective compliance plan submitted by a State in accordance with subparagraph (B) is deemed to be accepted by the Secretary if the Secretary does not accept or reject the plan during 60-day period that begins on the date the plan is submitted.

(2) Effect of correcting or discontinuing violation

(3) Effect of failing to correct or discontinue violation

The Secretary shall assess some or all of a penalty imposed on a State under subsection (a) with respect to a violation if the State does not, in a timely manner, correct or discontinue, as appropriate, the violation pursuant to a State corrective compliance plan accepted by the Secretary.

(4) Inapplicability to certain penalties

This subsection shall not apply to the imposition of a penalty against a State under paragraph (2)(B), (6), (7), (8), (10), (12), (13), or (16) of subsection (a).

§ 618. Funding for child care

(a) General child care entitlement

(1) General entitlement

Subject to the amount appropriated under paragraph (3), each State shall, for the purpose of providing child care assistance, be entitled to payments under a grant under this subsection for a fiscal year in an amount equal to the greater of—

(A) the total amount required to be paid to the State under section 603 of this title for fiscal year 1994 or 1995 (whichever is greater) with respect to expenditures for child care under subsections (g) and (i) of section 602 of this title (as in effect before October 1, 1995); or

(B) the average of the total amounts required to be paid to the State for fiscal years 1992 through 1994 under the subsections referred to in subparagraph (A).

(2) Remainder

(A) Grants

The Secretary shall use any amounts appropriated for a fiscal year under paragraph (3)(A), after grants are awarded under paragraph (1), to make grants to States under this paragraph.

(B) Allotments to States

The total amount available for payments to States under this paragraph, as determined under subparagraph (A), shall be allotted among the States based on the formula used for determining the amount of Federal payments to each State under section 603(n) of this title (as in effect before October 1, 1995).

(C) Federal matching of State expenditures exceeding historical expenditures

The Secretary shall pay to each eligible State for a fiscal year an amount equal to the lesser of the State's allotment under subparagraph (B) or the Federal medical assistance percentage for the State for the fiscal year (as defined in section 1396d(b) of this title, as such section was in effect on September 30, 1995) of so much of the State's expenditures for child care in that fiscal year as exceed the total amount of expenditures by the State (including expenditures from amounts made available from Federal funds) in fiscal year 1994 or 1995 (whichever is greater) for the programs described in paragraph (1)(A).

(D) Redistribution

(i) In general

With respect to any fiscal year, if the Secretary determines (in accordance with

clause (ii)) that any amounts allotted to a State under this paragraph for such fiscal year will not be used by such State during such fiscal year for carrying out the purpose for which such amounts are allotted, the Secretary shall make such amounts available in the subsequent fiscal year for carrying out such purpose to one or more States which apply for such funds to the extent the Secretary determines that such States will be able to use such additional amounts for carrying out such purpose. Such available amounts shall be redistributed to a State pursuant to section 603(n) of this title (as such section was in effect before October 1, 1995) by substituting “the number of children residing in all States applying for such funds” for “the number of children residing in the United States in the second preceding fiscal year”.

(ii) Time of determination and distribution

The determination of the Secretary under clause (i) for a fiscal year shall be made not later than the end of the first quarter of the subsequent fiscal year. The redistribution of amounts under clause (i) shall be made as close as practicable to the date on which such determination is made. Any amount made available to a State from an appropriation for a fiscal year in accordance with this subparagraph shall, for purposes of this part, be regarded as part of such State’s payment (as determined under this subsection) for the fiscal year in which the redistribution is made.

(3) Appropriation

For grants under this section, there are appropriated \$3,550,000,000 for each fiscal year, of which—

(A) \$3,375,000,000 shall be available for grants to States;

(B) \$100,000,000 shall be available for grants to Indian tribes and tribal organizations; and

(C) \$75,000,000 shall be available for grants to territories.

(4) Territories

(A) Grants

The Secretary shall use the amounts made available by paragraph (3)(C) to make grants to the territories under this paragraph.

(B) Allotments

The amount described in subparagraph (A) shall be allotted among the territories in proportion to their respective needs.

(C) Redistribution

The 1st sentence of clause (i) and clause (ii) of paragraph (2)(D) shall apply with respect to the amounts allotted to the territories under this paragraph, except that the 2nd sentence of paragraph (2)(D) shall not apply and the amounts allotted to the territories that are available for redistribution for a fiscal year shall be redistributed to each territory that applies for the additional amounts, to the extent that the Secretary determines that the territory will be able to

use the additional amounts to provide child care assistance, in an amount that bears the same ratio to the amount so available for redistribution as the amount allotted to the territory for the fiscal year bears to the total amount allotted to all the territories receiving redistributed funds under this paragraph for the fiscal year.

(D) Inapplicability of payment limitation

Section 1308(a) of this title shall not apply with respect to any amount paid under this paragraph.

(E) Territory

In this paragraph, the term “territory” means the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.

(5) Data used to determine State and Federal shares of expenditures

In making the determinations concerning expenditures required under paragraphs (1) and (2)(C), the Secretary shall use information that was reported by the State on ACF Form 231 and available as of the applicable dates specified in clauses (i)(I), (ii), and (iii)(III) of section 603(a)(1)(D)¹ of this title.

(b) Use of funds

(1) In general

Amounts received by a State under this section shall only be used to provide child care assistance. Amounts received by a State under a grant under subsection (a)(1) shall be available for use by the State without fiscal year limitation.

(2) Use for certain populations

A State shall ensure that not less than 70 percent of the total amount of funds received by the State in a fiscal year under this section are used to provide child care assistance to families who are receiving assistance under a State program under this part, families who are attempting through work activities to transition off of such assistance program, and families who are at risk of becoming dependent on such assistance program.

(c) Application of Child Care and Development Block Grant Act of 1990

Notwithstanding any other provision of law, amounts provided to a State under this section shall be transferred to the lead agency under the Child Care and Development Block Grant Act of 1990 [42 U.S.C. 9857 et seq.], integrated by the State into the programs established by the State under such Act, and be subject to requirements and limitations of such Act.

FINDINGS

Pub. L. 109-288, § 2, Sept. 28, 2006, 120 Stat. 1233, provided that: “The Congress finds as follows:

“(1) For Federal fiscal year 2004, child protective services (CPS) staff nationwide reported investigating or assessing an estimated 3,000,000 allegations of child maltreatment, and determined that 872,000 children had been abused or neglected by their parents or other caregivers.

“(2) Combined, the Child Welfare Services (CWS) and Promoting Safe and Stable Families (PSSF) programs provide States about \$700,000,000 per year, the largest source of targeted Federal funding in the child protection system for services to ensure that children are not abused or neglected and, whenever possible, help children remain safely with their families.

“(3) A 2003 report by the Government Accountability Office (GAO) reported that little research is available on the effectiveness of activities supported by CWS funds—evaluations of services supported by PSSF funds have generally shown little or no effect.

“(4) Further, the Department of Health and Human Services recently completed initial Child and Family Service Reviews (CFSRs) in each State. No State was in full compliance with all measures of the CFSRs. The CFSRs also revealed that States need to work to prevent repeat abuse and neglect of children, improve services provided to families to reduce the risk of future harm (including by better monitoring the participation of families in services), and strengthen up-front services provided to families to prevent unnecessary family break-up and protect children who remain at home.

“(5) Federal policy should encourage States to invest their CWS and PSSF funds in services that promote and protect the welfare of children, support strong, healthy families, and reduce the reliance on out-of-home care, which will help ensure all children are raised in safe, loving families.

“(6) CFSRs also found a strong correlation between frequent caseworker visits with children and positive outcomes for these children, such as timely achievement of permanency and other indicators of child well-being.

“(7) However, a December 2005 report by the Department of Health and Human Services Office of Inspector General found that only 20 States were able to produce reports to show whether caseworkers actually visited children in foster care on at least a monthly basis, despite the fact that nearly all States had written standards suggesting monthly visits were State policy.

“(8) A 2003 GAO report found that the average tenure for a child welfare caseworker is less than 2 years and this level of turnover negatively affects safety and permanency for children.

“(9) Targeting CWS and PSSF funds to ensure children in foster care are visited on at least a monthly basis will promote better outcomes for vulnerable children, including by preventing further abuse and neglect.

“(10) According to the Office of Applied Studies of the Substance Abuse and Mental Health Services Administration, the annual number of new uses of Methamphetamine, also known as ‘meth,’ has increased 72 percent over the past decade. According to a study conducted by the National Association of Counties which surveyed 500 county law enforcement agencies in 45 states, 88 percent of the agencies surveyed reported increases in meth related arrests starting 5 years ago.

“(11) According to the 2004 National Survey on Drug Use and Health, nearly 12,000,000 Americans have tried methamphetamine. Meth making operations have been uncovered in all 50 states, but the most wide-spread abuse has been concentrated in the western, southwestern, and Midwestern United States.

“(12) Methamphetamine abuse is on the increase, particularly among women of child-bearing age. This is having an impact on child welfare systems in many States. According to a survey administered by the National Association of Counties (‘The Impact of Meth on Children’), conducted in 300 counties in 13 states, meth is a major cause of child abuse and neglect. Forty percent of all the child welfare officials in the survey reported an increase in out-of-home placements because of meth in 2005.

“(13) It is appropriate also to target PSSF funds to address this issue because of the unique strain the meth epidemic puts on child welfare agencies. Outcomes for children affected by meth are enhanced when services provided by law enforcement, child welfare and substance abuse agencies are integrated.”

Division A of subchapter XX, referred to in subsec. (b)(1), (2), was in the original a reference to subtitle 1 of title XX, which was translated as if referring to subtitle A of title XX of the Social Security Act, to reflect the probable intent of Congress. Title XX of the Act, enacting subchapter XX of this chapter, does not contain a subtitle 1.

Section 103(d) of the Adoption Assistance and Child Welfare Act of 1980, referred to in subsec. (b)(1), is section 103(d) of Pub. L. 96-272, which is set out as a note below.

The Indian Child Welfare Act, referred to in subsec. (b)(9), probably means the Indian Child Welfare Act of 1978, Pub. L. 95-608, Nov. 8, 1978, 92 Stat. 3069, which is classified principally to chapter 21 (§ 1901 et seq.) of Title 25, Indians. § 623. Allotments to States

The sum appropriated pursuant to section 625 of this title for each fiscal year shall be allotted by the Secretary for use by cooperating State public welfare agencies which have plans developed jointly by the State agency and the Secretary as follows: The Secretary shall first allot \$70,000 to each State, and shall then allot to each State an amount which bears the same ratio to the remainder of such sum as the product of (1) the population of the State under the age of twenty-one and (2) the allotment percentage of the State (as determined under this section) bears to the sum of the corresponding products of all the States.

(b) Determination of State allotment percentages

The “allotment percentage” for any State shall be 100 percent less the State percentage; and the State percentage shall be the percentage which bears the same ratio to 50 percent as the per capita income of such State bears to the per capita income of the United States; except that (1) the allotment percentage shall in no case be less than 30 percent or more than 70 percent, and (2) the allotment percentage shall be 70 percent in the case of Puerto Rico, the Virgin Islands, Guam, and American Samoa.

(B) will be able to so use such excess sums during the fiscal year.

(2) Considerations

The Secretary shall make the reallotments on the basis of the State plans so developed, after taking into consideration—

(A) the population under 21 years of age;

(C) the per capita income of all such other States with respect to which such a determination by the Secretary has been made.

(3) Amounts reallotted to a State deemed part of State allotment

Any amount so reallotted to a State is deemed part of the allotment of the State under this section.

The Secretary shall evaluate and report to the Congress biennially on the effectiveness of the programs carried out pursuant to this subpart in accomplishing the purposes of this subpart, and may evaluate any other Federal, State, or local program, regardless of whether federally assisted, that is designed to achieve the same purposes as the program under this subpart, in accordance with criteria established in accordance with paragraph (2).

(2) Criteria to be used

In developing the criteria to be used in evaluations under paragraph (1), the Secretary shall consult with appropriate parties, such as—

(b) Coordination of evaluations

The Secretary shall develop procedures to coordinate evaluations under this section, to the extent feasible, with evaluations by the States of the effectiveness of programs under this subpart.

(c) Evaluation, research, and technical assistance with respect to targeted program resources

Of the amount reserved under section 629f(b)(1) of this title for a fiscal year, the Secretary shall use not less than—

(1) \$1,000,000 for evaluations, research, and providing technical assistance with respect to supporting monthly caseworker visits with children who are in foster care under the responsibility of the State, in accordance with section 629f(b)(4)(B)(i) of this title; and

(3) implement programs with well-articulated theories of how the intervention will result in desired changes among families at risk;

(4) establish mechanisms to ensure that service provision matches the treatment model; and

(5) establish mechanisms to ensure that postadoption services meet the needs of the individual families and develop models to reduce the disruption rates of adoption.

(e) Family recovery and reunification program replication project

(1) Purpose

The purpose of this subsection is to provide resources to the Secretary to support the conduct and evaluation of a family recovery and reunification program replication project (referred to in this subsection as the “project”) and to determine the extent to which such programs may be appropriate for use at different intervention points (such as when a child is at risk of entering foster care or when a child is living with a guardian while a parent is in treatment). The family recovery and reunification program conducted under the project shall use a recovery coach model that is designed to help reunify families and protect children by working with parents or guardians with a substance use disorder who have temporarily lost custody of their children.

(2) Program components

The family recovery and reunification program conducted under the project shall adhere closely to the elements and protocol determined to be most effective in other recovery coaching programs that have been rigorously evaluated and shown to increase family reunification and protect children and, consistent with such elements and protocol, shall provide such items and services as—

(A) assessments to evaluate the needs of the parent or guardian;

(B) assistance in receiving the appropriate benefits to aid the parent or guardian in recovery;

(C) services to assist the parent or guardian in prioritizing issues identified in assessments, establishing goals for resolving such issues that are consistent with the goals of the treatment provider, child welfare agency, courts, and other agencies involved with the parent or guardian or their children, and making a coordinated plan for achieving such goals;

(D) home visiting services coordinated with the child welfare agency and treatment provider involved with the parent or guardian or their children;

(E) case management services to remove barriers for the parent or guardian to participate and continue in treatment, as well as to re-engage a parent or guardian who is not participating or progressing in treatment;

(F) access to services needed to monitor the parent’s or guardian’s compliance with program requirements;

(G) frequent reporting between the treatment provider, child welfare agency, courts, and other agencies involved with the parent or guardian or their children to ensure appropriate information on the parent’s or guardian’s status is available to inform decision-making; and

(H) assessments and recommendations provided by a recovery coach to the child welfare caseworker responsible for documenting the parent’s or guardian’s progress in treatment and recovery as well as the status of other areas identified in the treatment plan for the parent or guardian, including a recommendation regarding the expected safety of the child if the child is returned to the custody of the parent or guardian that can be used by the caseworker and a court to make permanency decisions regarding the child.

(3) Responsibilities of the Secretary

(A) In general

The Secretary shall, through a grant or contract with 1 or more entities, conduct and evaluate the family recovery and reunification program under the project.

(B) Requirements

In identifying 1 or more entities to conduct the evaluation of the family recovery and reunification program, the Secretary shall—

(i) determine that the area or areas in which the program will be conducted have

sufficient substance use disorder treatment providers and other resources (other than those provided with funds made available to carry out the project) to successfully conduct the program;

(ii) determine that the area or areas in which the program will be conducted have enough potential program participants, and will serve a sufficient number of parents or guardians and their children, so as to allow for the formation of a control group, evaluation results to be adequately powered, and preliminary results of the evaluation to be available within 4 years of the program's implementation;

(iii) provide the entity or entities with technical assistance for the program design, including by working with 1 or more entities that are or have been involved in recovery coaching programs that have been rigorously evaluated and shown to increase family reunification and protect children so as to make sure the program conducted under the project adheres closely to the elements and protocol determined to be most effective in such other recovery coaching programs;

(iv) assist the entity or entities in securing adequate coaching, treatment, child welfare, court, and other resources needed to successfully conduct the family recovery and reunification program under the project; and

(v) ensure the entity or entities will be able to monitor the impacts of the program in the area or areas in which it is conducted for at least 5 years after parents or guardians and their children are randomly assigned to participate in the program or to be part of the program's control group.

(4) Evaluation requirements

(A) In general

The Secretary, in consultation with the entity or entities conducting the family recovery and reunification program under the project, shall conduct an evaluation to determine whether the program has been implemented effectively and resulted in improvements for children and families. The evaluation shall have 3 components: a pilot phase, an impact study, and an implementation study.

(B) Pilot phase

The pilot phase component of the evaluation shall consist of the Secretary providing technical assistance to the entity or entities conducting the family recovery and reunification program under the project to ensure—

(i) the program's implementation adheres closely to the elements and protocol determined to be most effective in other recovery coaching programs that have been rigorously evaluated and shown to increase family reunification and protect children; and

(ii) random assignment of parents or guardians and their children to be participants in the program or to be part of the

program's control group is being carried out.

The impact study component of the evaluation shall determine the impacts of the family recovery and reunification program conducted under the project on the parents and guardians and their children participating in the program. The impact study component shall—

(i) be conducted using an experimental design that uses a random assignment research methodology;

(ii) consistent with previous studies of other recovery coaching programs that have been rigorously evaluated and shown to increase family reunification and protect children, measure outcomes for parents and guardians and their children over multiple time periods, including for a period of 5 years; and

(iii) include measurements of family stability and parent, guardian, and child safety for program participants and the program control group that are consistent with measurements of such factors for participants and control groups from previous studies of other recovery coaching programs so as to allow results of the impact study to be compared with the results of such prior studies, including with respect to comparisons between program participants and the program control group regarding—

(I) safe family reunification;

(II) time to reunification;

(III) permanency (such as through measures of reunification, adoption, or placement with guardians);

(IV) safety (such as through measures of subsequent maltreatment);

(V) parental or guardian treatment persistence and engagement;

(VI) parental or guardian substance use;

(VII) juvenile delinquency;

(VIII) cost; and

(IX) other measurements agreed upon by the Secretary and the entity or entities operating the family recovery and reunification program under the project.

(D) Implementation study

The implementation study component of the evaluation shall be conducted concurrently with the conduct of the impact study component and shall include, in addition to such other information as the Secretary may determine, descriptions and analyses of—

(i) the adherence of the family recovery and reunification program conducted under the project to other recovery coaching programs that have been rigorously evaluated and shown to increase family reunification and protect children; and

(ii) the difference in services received or proposed to be received by the program participants and the program control group.

(E) Report

The Secretary shall publish on an internet website maintained by the Secretary the following information:

(i) A report on the pilot phase component of the evaluation.

(ii) A report on the impact study component of the evaluation.

(iii) A report on the implementation study component of the evaluation.

(iv) A report that includes—

(I) analyses of the extent to which the program has resulted in increased reunifications, increased permanency, case closures, net savings to the State or States involved (taking into account both costs borne by States and the Federal government), or other outcomes, or if the program did not produce such outcomes, an analysis of why the replication of the program did not yield such results;

(II) if, based on such analyses, the Secretary determines the program should be replicated, a replication plan; and

(III) such recommendations for legislation and administrative action as the Secretary determines appropriate.

(5) Appropriation

In addition to any amounts otherwise made available to carry out this subpart, out of any money in the Treasury of the United States not otherwise appropriated, there are appropriated \$15,000,000 for fiscal year 2019 to carry out the project, which shall remain available through fiscal year 2026.

§ 629i. Grants for programs for mentoring children of prisoners

(a) Findings and purposes

(1) Findings

(A) In the period between 1991 and 1999, the number of children with a parent incarcerated in a Federal or State correctional facility increased by more than 100 percent, from approximately 900,000 to approximately 2,000,000. In 1999, 2.1 percent of all children in the United States had a parent in Federal or State prison.

(B) Prior to incarceration, 64 percent of female prisoners and 44 percent of male prisoners in State facilities lived with their children.

(C) Nearly 90 percent of the children of incarcerated fathers live with their mothers, and 79 percent of the children of incarcerated mothers live with a grandparent or other relative.

(D) Parental arrest and confinement lead to stress, trauma, stigmatization, and separation problems for children. These problems are coupled with existing problems that include poverty, violence, parental substance abuse, high-crime environments, intrafamilial abuse, child abuse and neglect, multiple care givers, and/or prior separations. As a result, these children often exhibit a broad variety of behavioral, emotional, health, and educational problems that are often compounded by the pain of separation.

(E) Empirical research demonstrates that mentoring is a potent force for improving children’s behavior across all risk behaviors affecting health. Quality, one-on-one relationships that provide young people with caring role models for future success have profound, life-changing potential. Done right, mentoring markedly advances youths’ life prospects. A widely cited 1995 study by Public/Private Ventures measured the impact of one Big Brothers Big Sisters program and found significant effects in the lives of youth—cutting first-time drug use by almost half and first-time alcohol use by about a third, reducing school absenteeism by half, cutting assaultive behavior by a third, improving parental and peer relationships, giving youth greater confidence in their school work, and improving academic performance.

(2) Purposes

The purposes of this section are to authorize the Secretary—

(A) to make competitive grants to applicants in areas with substantial numbers of children of incarcerated parents, to support the establishment or expansion and operation of programs using a network of public and private community entities to provide mentoring services for children of prisoners; and

(B) to enter into on a competitive basis a cooperative agreement to conduct a service delivery demonstration project in accordance with the requirements of subsection (g).

(b) Definitions

In this section:

(1) Children of prisoners

The term “children of prisoners” means children one or both of whose parents are incarcerated in a Federal, State, or local correctional facility. The term is deemed to include children who are in an ongoing mentoring relationship in a program under this section at the time of their parents’ release from prison, for purposes of continued participation in the program.

(2) Mentoring

The term “mentoring” means a structured, managed program in which children are appropriately matched with screened and trained adult volunteers for one-on-one relationships, involving meetings and activities on a regular basis, intended to meet, in part, the child’s need for involvement with a caring and supportive adult who provides a positive role model.

(3) Mentoring services

The term “mentoring services” means those services and activities that support a structured, managed program of mentoring, including the management by trained personnel of outreach to, and screening of, eligible children; outreach to, education and training of, and liaison with sponsoring local organizations; screening and training of adult volunteers; matching of children with suitable adult volunteer mentors; support and oversight of the mentoring relationship; and establishment of goals and evaluation of outcomes for mentored children.

In awarding grants under this section, the Secretary shall take into consideration—

(1) the qualifications and capacity of applicants and networks of organizations to effectively carry out a mentoring program under this section;

(b) Certification of child support obligations to Secretary of the Treasury for collection

The Secretary shall, upon the request of any State having in effect a State plan approved under this part, certify to the Secretary of the Treasury for collection pursuant to the provisions of section 6305 of the Internal Revenue Code of 1986 the amount of any child support obligation (including any support obligation with respect to the parent who is living with the child and receiving assistance under the State program funded under part A) which is assigned to such State or is undertaken to be collected by such State pursuant to section 654(4) of this title. No amount may be certified for collection under this subsection except the amount of the delinquency under a court or administrative order for support and upon a showing by the State that such State has made diligent and reasonable efforts to collect such amounts utilizing its own collection mechanisms, and upon an agreement that the State will reimburse the Secretary of the Treasury for any costs involved in making the collection. All reimbursements shall be credited to the appropriation accounts which bore all or part of the costs involved in making the collections. The Secretary after consultation with the Secretary of the Treasury may, by regulation, establish criteria for accept-

ing amounts for collection and for making certification under this subsection including imposing such limitations on the frequency of making such certifications under this subsection.

(c) Payment of child support collections to States

The Secretary of the Treasury shall from time to time pay to each State for distribution in accordance with the provisions of section 657 of this title the amount of each collection made on behalf of such State pursuant to subsection (b).

(d) Child support management information system

(1) Except as provided in paragraph (3), the Secretary shall not approve the initial and annually updated advance automated data processing planning document, referred to in section 654(16) of this title, unless he finds that such document, when implemented, will generally carry out the objectives of the management system referred to in such subsection, and such document—

(A) provides for the conduct of, and reflects the results of, requirements analysis studies, which include consideration of the program mission, functions, organization, services, constraints, and current support, of, in, or relating to, such system,

(B) contains a description of the proposed management system referred to in section 654(16) of this title, including a description of information flows, input data, and output reports and uses,

(C) sets forth the security and interface requirements to be employed in such management system,

(D) describes the projected resource requirements for staff and other needs, and the resources available or expected to be available to meet such requirements,

(E) contains an implementation plan and backup procedures to handle possible failures,

(F) contains a summary of proposed improvement of such management system in terms of qualitative and quantitative benefits, and

(G) provides such other information as the Secretary determines under regulation is necessary.

(2)(A) The Secretary shall through the separate organizational unit established pursuant to subsection (a), on a continuing basis, review, assess, and inspect the planning, design, and operation of, management information systems referred to in section 654(16) of this title, with a view to determining whether, and to what extent, such systems meet and continue to meet requirements imposed under paragraph (1) and the conditions specified under section 654(16) of this title.

(B) If the Secretary finds with respect to any statewide management information system referred to in section 654(16) of this title that there is a failure substantially to comply with criteria, requirements, and other undertakings, prescribed by the advance automated data processing planning document theretofore approved by the Secretary with respect to such system, then the Secretary shall suspend his approval of such document until there is no longer any such

failure of such system to comply with such criteria, requirements, and other undertakings so prescribed.

(3) The Secretary may waive any requirement of paragraph (1) or any condition specified under section 654(16) of this title, and shall waive the single statewide system requirement under sections 654(16) and 654a of this title, with respect to a State if—

(A) the State demonstrates to the satisfaction of the Secretary that the State has or can develop an alternative system or systems that enable the State—

(i) for purposes of section 609(a)(8) of this title, to achieve the paternity establishment percentages (as defined in subsection (g)(2)) and other performance measures that may be established by the Secretary;

(ii) to submit data under section 654(15)(B) of this title that is complete and reliable;

(iii) to substantially comply with the requirements of this part; and

(iv) in the case of a request to waive the single statewide system requirement, to—

(I) meet all functional requirements of sections 654(16) and 654a of this title;

(II) ensure that calculation of distributions meets the requirements of section 657 of this title and accounts for distributions to children in different families or in different States or sub-State jurisdictions, and for distributions to other States;

(III) ensure that there is only one point of contact in the State which provides seamless case processing for all interstate case processing and coordinated, automated intrastate case management;

(IV) ensure that standardized data elements, forms, and definitions are used throughout the State;

(V) complete the alternative system in no more time than it would take to complete a single statewide system that meets such requirement; and

(VI) process child support cases as quickly, efficiently, and effectively as such cases would be processed through a single statewide system that meets such requirement;

(B)(i) the waiver meets the criteria of paragraphs (1), (2), and (3) of section 1315(c) of this title; or

(ii) the State provides assurances to the Secretary that steps will be taken to otherwise improve the State's child support enforcement program; and

(C) in the case of a request to waive the single statewide system requirement, the State has submitted to the Secretary separate estimates of the total cost of a single statewide system that meets such requirement, and of any such alternative system or systems, which shall include estimates of the cost of developing and completing the system and of operating and maintaining the system for 5 years, and the Secretary has agreed with the estimates.

(e) Technical assistance to States

The Secretary shall provide such technical assistance to States as he determines necessary to

assist States to plan, design, develop, or install and provide for the security of, the management information systems referred to in section 654(16) of this title.

(f) Regulations

The Secretary shall issue regulations to require that State agencies administering the child support enforcement program under this part enforce medical support included as part of a child support order whenever health care coverage is available to the noncustodial parent at a reasonable cost. A State agency administering the program under this part may enforce medical support against a custodial parent if health care coverage is available to the custodial parent at a reasonable cost, notwithstanding any other provision of this part. Such regulation shall also provide for improved information exchange between such State agencies and the State agencies administering the State medicaid programs under subchapter XIX with respect to the availability of health insurance coverage. For purposes of this part, the term "medical support" may include health care coverage, such as coverage under a health insurance plan (including payment of costs of premiums, copayments, and deductibles) and payment for medical expenses incurred on behalf of a child.

(g) Performance standards for State paternity establishment programs

(1) A State's program under this part shall be found, for purposes of section 609(a)(8) of this title, not to have complied substantially with the requirements of this part unless, for any fiscal year beginning on or after October 1, 1994, its paternity establishment percentage for such fiscal year is based on reliable data and (rounded to the nearest whole percentage point) equals or exceeds—

(A) 90 percent;

(B) for a State with a paternity establishment percentage of not less than 75 percent but less than 90 percent for such fiscal year, the paternity establishment percentage of the State for the immediately preceding fiscal year plus 2 percentage points;

(C) for a State with a paternity establishment percentage of not less than 50 percent but less than 75 percent for such fiscal year, the paternity establishment percentage of the State for the immediately preceding fiscal year plus 3 percentage points;

(D) for a State with a paternity establishment percentage of not less than 45 percent but less than 50 percent for such fiscal year, the paternity establishment percentage of the State for the immediately preceding fiscal year plus 4 percentage points;

(E) for a State with a paternity establishment percentage of not less than 40 percent but less than 45 percent for such fiscal year, the paternity establishment percentage of the State for the immediately preceding fiscal year plus 5 percentage points; or

(F) for a State with a paternity establishment percentage of less than 40 percent for such fiscal year, the paternity establishment percentage of the State for the immediately preceding fiscal year plus 6 percentage points.

In determining compliance under this section, a State may use as its paternity establishment

percentage either the State's IV-D paternity establishment percentage (as defined in paragraph (2)(A)) or the State's statewide paternity establishment percentage (as defined in paragraph (2)(B)).

(2) For purposes of this section—

(A) the term "IV-D paternity establishment percentage" means, with respect to a State for a fiscal year, the ratio (expressed as a percentage) that the total number of children—

(i) who have been born out of wedlock,

(ii)(I) except as provided in the last sentence of this paragraph, with respect to whom assistance is being provided under the State program funded under part A in the fiscal year or, at the option of the State, as of the end of such year, or (II) with respect to whom services are being provided under the State's plan approved under this part in the fiscal year or, at the option of the State, as of the end of such year pursuant to an application submitted under section 654(4)(A)(ii) of this title, and

(iii) the paternity of whom has been established or acknowledged,

bears to the total number of children born out of wedlock and (except as provided in such last sentence) with respect to whom assistance was being provided under the State program funded under part A as of the end of the preceding fiscal year or with respect to whom services were being provided under the State's plan approved under this part as of the end of the preceding fiscal year pursuant to an application submitted under section 654(4)(A)(ii) of this title;

(B) the term "statewide paternity establishment percentage" means, with respect to a State for a fiscal year, the ratio (expressed as a percentage) that the total number of minor children—

(i) who have been born out of wedlock, and

(ii) the paternity of whom has been established or acknowledged during the fiscal year,

bears to the total number of children born out of wedlock during the preceding fiscal year; and

(C) the term "reliable data" means the most recent data available which are found by the Secretary to be reliable for purposes of this section.

For purposes of subparagraphs (A) and (B), the total number of children shall not include any child with respect to whom assistance is being provided under the State program funded under part A by reason of the death of a parent unless paternity is established for such child or any child with respect to whom an applicant or recipient is found by the State to qualify for a good cause or other exception to cooperation pursuant to section 654(29) of this title.

(3)(A) The Secretary may modify the requirements of this subsection to take into account such additional variables as the Secretary identifies (including the percentage of children in a State who are born out of wedlock or for whom support has not been established) that affect the ability of a State to meet the requirements of this subsection.

(B) The Secretary shall submit an annual report to the Congress that sets forth the data upon which the paternity establishment percentages for States for a fiscal year are based, lists any additional variables the Secretary has identified under subparagraph (A), and describes State performance in establishing paternity.

(h) Prompt State response to requests for child support assistance

The standards required by subsection (a)(1) shall include standards establishing time limits governing the period or periods within which a State must accept and respond to requests (from States, jurisdictions thereof, or individuals who apply for services furnished by the State agency under this part or with respect to whom an assignment pursuant to section 608(a)(3) of this title is in effect) for assistance in establishing and enforcing support orders, including requests to locate noncustodial parents, establish paternity, and initiate proceedings to establish and collect child support awards.

(i) Prompt State distribution of amounts collected as child support

The standards required by subsection (a)(1) shall include standards establishing time limits governing the period or periods within which a State must distribute, in accordance with section 657 of this title, amounts collected as child support pursuant to the State's plan approved under this part.

(j) Training of Federal and State staff, research and demonstration programs, and special projects of regional or national significance

Out of any money in the Treasury of the United States not otherwise appropriated, there is hereby appropriated to the Secretary for each fiscal year an amount equal to 1 percent of the total amount paid to the Federal Government pursuant to a plan approved under this part during the immediately preceding fiscal year (as determined on the basis of the most recent reliable data available to the Secretary as of the end of the third calendar quarter following the end of such preceding fiscal year) or the amount appropriated under this paragraph¹ for fiscal year 2002, whichever is greater, which shall be available for use by the Secretary, either directly or through grants, contracts, or interagency agreements, for—

(1) information dissemination and technical assistance to States, training of State and Federal staff, staffing studies, and related activities needed to improve programs under this part (including technical assistance concerning State automated systems required by this part); and

(2) research, demonstration, and special projects of regional or national significance relating to the operation of State programs under this part.

The amount appropriated under this subsection shall remain available until expended.

(k) Denial of passports for nonpayment of child support

(1) If the Secretary receives a certification by a State agency in accordance with the require-

¹ So in original. Probably should be "subsection".

ments of section 654(31) of this title that an individual owes arrearages of child support in an amount exceeding \$2,500, the Secretary shall transmit such certification to the Secretary of State for action (with respect to denial, revocation, or limitation of passports) pursuant to paragraph (2).

(2) The Secretary of State shall, upon certification by the Secretary transmitted under paragraph (1), refuse to issue a passport to such individual, and may revoke, restrict, or limit a passport issued previously to such individual.

(3) The Secretary and the Secretary of State shall not be liable to an individual for any action with respect to a certification by a State agency under this section.

(l) Facilitation of agreements between State agencies and financial institutions

The Secretary, through the Federal Parent Locator Service, may aid State agencies providing services under State programs operated pursuant to this part and financial institutions doing business in two or more States in reaching agreements regarding the receipt from such institutions, and the transfer to the State agencies, of information that may be provided pursuant to section 666(a)(17)(A)(i) of this title, except that any State that, as of July 16, 1998, is conducting data matches pursuant to section 666(a)(17)(A)(i) of this title shall have until January 1, 2000, to allow the Secretary to obtain such information from such institutions that are operating in the State. For purposes of section 3413(d) of title 12, a disclosure pursuant to this subsection shall be considered a disclosure pursuant to a Federal statute.

(m) Comparisons with insurance information

(1) In general

The Secretary, through the Federal Parent Locator Service, may—

(A) compare information concerning individuals owing past-due support with information maintained by insurers (or their agents) concerning insurance claims, settlements, awards, and payments; and

(B) furnish information resulting from the data matches to the State agencies responsible for collecting child support from the individuals.

(2) Liability

An insurer (including any agent of an insurer) shall not be liable under any Federal or State law to any person for any disclosure provided for under this subsection, or for any other action taken in good faith in accordance with this subsection.

(n) Compliance with multilateral child support conventions

The Secretary shall use the authorities otherwise provided by law to ensure the compliance of the United States with any multilateral child support convention to which the United States is a party.

(o) Data exchange standards for improved interoperability

(1) Designation

The Secretary shall, in consultation with an interagency work group established by the Of-

fice of Management and Budget and considering State government perspectives, by rule, designate data exchange standards to govern, under this part—

(A) necessary categories of information that State agencies operating programs under State plans approved under this part are required under applicable Federal law to electronically exchange with another State agency; and

(B) Federal reporting and data exchange required under applicable Federal law.

(2) Requirements

The data exchange standards required by paragraph (1) shall, to the extent practicable—

(A) incorporate a widely accepted, non-proprietary, searchable, computer-readable format, such as the eXtensible Markup Language;

(B) contain interoperable standards developed and maintained by intergovernmental partnerships, such as the National Information Exchange Model;

(C) incorporate interoperable standards developed and maintained by Federal entities with authority over contracting and financial assistance;

(D) be consistent with and implement applicable accounting principles;

(E) be implemented in a manner that is cost-effective and improves program efficiency and effectiveness; and

(F) be capable of being continually upgraded as necessary.

(3) Rule of construction

Nothing in this subsection shall be construed to require a change to existing data exchange standards found to be effective and efficient.

(B) assure that the fee will be collected in addition to, and only after full payment of, the overdue support, and that the imposition of the late payment fee shall not directly or indirectly result in a decrease in the amount of the support which is paid to the child (or spouse) to whom, or on whose behalf, it is owed;

(22) in order for the State to be eligible to receive any incentive payments under section 658a of this title, provide that, if one or more political subdivisions of the State participate in the costs of carrying out activities under the State plan during any period, each such subdivision shall be entitled to receive an appropriate share (as determined by the State) of any such incentive payments made to the State for such period, taking into account the efficiency and effectiveness of the activities carried out under the State plan by such political subdivision;

“(c) It shall be the function of each State Commission to examine, investigate, and study the operation of the State’s child support system for the primary purpose of determining the extent to which such system has been successful in securing support and parental involvement both for children who are eligible for aid under a State plan approved under part A of title IV of such Act [42 U.S.C. 601 et seq.] and for children who are not eligible for such aid, giving particular attention to such specific problems (among others) as visitation, the establishment of appropriate objective standards for support, the enforcement of interstate obligations, the availability, cost, and effectiveness of services both to children who are eligible for such aid and to children who are not, and the need for additional State or Federal legislation to obtain support for all children.

“(f) If the Secretary determines, at the request of any State on the basis of information submitted by the State and such other information as may be available to the Secretary, that such State—

“(1) has placed in effect and is implementing objective standards for the determination and enforcement of child support obligations,

“(2) has established within the five years prior to the enactment of this Act [Aug. 16, 1984] a commission or council with substantially the same functions as the State Commissions provided for under this section, or

(1) In general

In order for a State to meet the requirements of this section, the State agency must establish and operate a unit (which shall be known as the “State disbursement unit”) for the collection and disbursement of payments under support orders—

(A) in all cases being enforced by the State pursuant to section 654(4) of this title; and

(B) in all cases not being enforced by the State under this part in which the support order is initially issued in the State on or after January 1, 1994, and in which the income of the noncustodial parent is subject

(3) Linking of local disbursement units

The State disbursement unit may be established by linking local disbursement units through an automated information network, subject to this section, if the Secretary agrees that the system will not cost more nor take more time to establish or operate than a centralized system. In addition, employers shall be given 1 location to which income withholding is sent.

(b) Required procedures

The State disbursement unit shall use automated procedures, electronic processes, and computer-driven technology to the maximum extent feasible, efficient, and economical, for the collection and disbursement of support payments, including procedures—

(2) for accurate identification of payments;

(3) to ensure prompt disbursement of the custodial parent's share of any payment; and

(4) to furnish to any parent, upon request, timely information on the current status of support payments under an order requiring payments to be made by or to the parent, except that in cases described in subsection (a)(1)(B), the State disbursement unit shall not be required to convert and maintain in automated form records of payments kept pursuant to section 666(a)(8)(B)(iii) of this title before the effective date of this section.

(c) Timing of disbursements

(1) In general

Except as provided in paragraph (2), the State disbursement unit shall distribute all amounts payable under section 657(a) of this title within 2 business days after receipt from the employer or other source of periodic income, if sufficient information identifying the payee is provided. The date of collection for amounts collected and distributed under this part is the date of receipt by the State disbursement unit, except that if current support is withheld by an employer in the month when due and is received by the State disbursement unit in a month other than the month when due, the date of withholding may be deemed to be the date of collection.

(2) Permissive retention of arrearages

The State disbursement unit may delay the distribution of collections toward arrearages

until the resolution of any timely appeal with respect to such arrearages.

(d) "Business day" defined

As used in this section, the term "business day" means a day on which State offices are open for regular business.

§ 655. Payments to States

(a) Amounts payable each quarter

(1) From the sums appropriated therefor, the Secretary shall pay to each State for each quarter an amount—

(A) equal to the percent specified in paragraph (2) of the total amounts expended by such State during such quarter for the operation of the plan approved under section 654 of this title,

(B) equal to the percent specified in paragraph (3) of the sums expended during such quarter that are attributable to the planning, design, development, installation or enhancement of an automatic data processing and in-

formation retrieval system (including in such sums the full cost of the hardware components of such system); and¹

(C) equal to 66 percent of so much of the sums expended during such quarter as are attributable to laboratory costs incurred in determining paternity, and

(D) equal to 66 percent of the sums expended by the State during the quarter for an alternative statewide system for which a waiver has been granted under section 652(d)(3) of this title, but only to the extent that the total of the sums so expended by the State on or after July 16, 1998, does not exceed the least total cost estimate submitted by the State pursuant to section 652(d)(3)(C) of this title in the request for the waiver;

except that no amount shall be paid to any State on account of amounts expended from amounts paid to the State under section 658a of this title or to carry out an agreement which it has entered into pursuant to section 663 of this title. In determining the total amounts expended by any State during a quarter, for purposes of this subsection, there shall be excluded an amount equal to the total of any fees collected or other income resulting from services provided under the plan approved under this part.

(2) The percent applicable to quarters in a fiscal year for purposes of paragraph (1)(A) is—

(A) 70 percent for fiscal years 1984, 1985, 1986, and 1987,

(B) 68 percent for fiscal years 1988 and 1989, and

(C) 66 percent for fiscal year 1990 and each fiscal year thereafter.

(3)(A) The Secretary shall pay to each State, for each quarter in fiscal years 1996 and 1997, 90 percent of so much of the State expenditures described in paragraph (1)(B) as the Secretary finds are for a system meeting the requirements specified in section 654(16) of this title (as in effect on September 30, 1995) but limited to the amount approved for States in the advance planning documents of such States submitted on or before September 30, 1995.

(B)(i) The Secretary shall pay to each State or system described in clause (iii), for each quarter in fiscal years 1996 through 2001, the percentage specified in clause (ii) of so much of the State or system expenditures described in paragraph (1)(B) as the Secretary finds are for a system meeting the requirements of sections 654(16) and 654a of this title.

(ii) The percentage specified in this clause is 80 percent.

(iii) For purposes of clause (i), a system described in this clause is a system that has been approved by the Secretary to receive enhanced funding pursuant to the Family Support Act of 1988 (Public Law 100-485; 102 Stat. 2343) for the purpose of developing a system that meets the requirements of sections 654(16) of this title (as in effect on and after September 30, 1995) and 654a of this title, including systems that have received funding for such purpose pursuant to a waiver under section 1315(a) of this title.

(4)(A)(i) If—

(I) the Secretary determines that a State plan under section 654 of this title would (in the absence of this paragraph) be disapproved for the failure of the State to comply with a particular subparagraph of section 654(24) of this title, and that the State has made and is continuing to make a good faith effort to so comply; and

(II) the State has submitted to the Secretary a corrective compliance plan that describes how, by when, and at what cost the State will achieve such compliance, which has been approved by the Secretary,

then the Secretary shall not disapprove the State plan under section 654 of this title, and the Secretary shall reduce the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the fiscal year by the penalty amount.

(ii) All failures of a State during a fiscal year to comply with any of the requirements referred to in the same subparagraph of section 654(24) of this title shall be considered a single failure of the State to comply with that subparagraph during the fiscal year for purposes of this paragraph.

(B) In this paragraph:

(i) The term “penalty amount” means, with respect to a failure of a State to comply with a subparagraph of section 654(24) of this title—

(I) 4 percent of the penalty base, in the case of the first fiscal year in which such a failure by the State occurs (regardless of whether a penalty is imposed under this paragraph with respect to the failure);

(II) 8 percent of the penalty base, in the case of the second such fiscal year;

(III) 16 percent of the penalty base, in the case of the third such fiscal year;

(IV) 25 percent of the penalty base, in the case of the fourth such fiscal year; or

(V) 30 percent of the penalty base, in the case of the fifth or any subsequent such fiscal year.

(ii) The term “penalty base” means, with respect to a failure of a State to comply with a subparagraph of section 654(24) of this title during a fiscal year, the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the preceding fiscal year.

(C)(i) The Secretary shall waive a penalty under this paragraph for any failure of a State to comply with section 654(24)(A) of this title during fiscal year 1998 if—

(I) on or before August 1, 1998, the State has submitted to the Secretary a request that the Secretary certify the State as having met the requirements of such section;

(II) the Secretary subsequently provides the certification as a result of a timely review conducted pursuant to the request; and

(III) the State has not failed such a review.

(ii) If a State with respect to which a reduction is made under this paragraph for a fiscal year with respect to a failure to comply with a subparagraph of section 654(24) of this title achieves compliance with such subparagraph by the beginning of the succeeding fiscal year, the

¹ So in original. The “; and” probably should be a comma.

Secretary shall increase the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the succeeding fiscal year by an amount equal to 90 percent of the reduction for the fiscal year.

(iii) The Secretary shall reduce the amount of any reduction that, in the absence of this clause, would be required to be made under this paragraph by reason of the failure of a State to achieve compliance with section 654(24)(B) of this title during the fiscal year, by an amount equal to 20 percent of the amount of the otherwise required reduction, for each State performance measure described in section 658a(b)(4) of this title with respect to which the applicable percentage under section 658a(b)(6) of this title for the fiscal year is 100 percent, if the Secretary has made the determination described in section 658a(b)(5)(B) of this title with respect to the State for the fiscal year.

(D) The Secretary may not impose a penalty under this paragraph against a State with respect to a failure to comply with section 654(24)(B) of this title for a fiscal year if the Secretary is required to impose a penalty under this paragraph against the State with respect to a failure to comply with section 654(24)(A) of this title for the fiscal year.

(5)(A)(i) If—

(I) the Secretary determines that a State plan under section 654 of this title would (in the absence of this paragraph) be disapproved for the failure of the State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title, and that the State has made and is continuing to make a good faith effort to so comply; and

(II) the State has submitted to the Secretary, not later than April 1, 2000, a corrective compliance plan that describes how, by when, and at what cost the State will achieve such compliance, which has been approved by the Secretary,

then the Secretary shall not disapprove the State plan under section 654 of this title, and the Secretary shall reduce the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the fiscal year by the penalty amount.

(ii) All failures of a State during a fiscal year to comply with any of the requirements of section 654B of this title shall be considered a single failure of the State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title during the fiscal year for purposes of this paragraph.

(B) In this paragraph:

(i) The term “penalty amount” means, with respect to a failure of a State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title—

(I) 4 percent of the penalty base, in the case of the 1st fiscal year in which such a failure by the State occurs (regardless of whether a penalty is imposed in that fiscal year under this paragraph with respect to the failure), except as provided in subparagraph (C)(ii) of this paragraph;

(II) 8 percent of the penalty base, in the case of the 2nd such fiscal year;

(III) 16 percent of the penalty base, in the case of the 3rd such fiscal year;

(IV) 25 percent of the penalty base, in the case of the 4th such fiscal year; or

(V) 30 percent of the penalty base, in the case of the 5th or any subsequent such fiscal year.

(ii) The term “penalty base” means, with respect to a failure of a State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title during a fiscal year, the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the preceding fiscal year.

(C)(i) The Secretary shall waive all penalties imposed against a State under this paragraph for any failure of the State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title if the Secretary determines that, before April 1, 2000, the State has achieved such compliance.

(ii) If a State with respect to which a reduction is required to be made under this paragraph with respect to a failure to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title achieves such compliance on or after April 1, 2000, and on or before September 30, 2000, then the penalty amount applicable to the State shall be 1 percent of the penalty base with respect to the failure involved.

(D) The Secretary may not impose a penalty under this paragraph against a State for a fiscal year for which the amount otherwise payable to the State under paragraph (1)(A) of this subsection is reduced under paragraph (4) of this subsection for failure to comply with section 654(24)(A) of this title.

(b) Estimate of amounts payable; installment payments

(1) Prior to the beginning of each quarter, the Secretary shall estimate the amount to which a State will be entitled under subsection (a) for such quarter, such estimates to be based on (A) a report filed by the State containing its estimate of the total sum to be expended in such quarter in accordance with the provisions of such subsection, and stating the amount appropriated or made available by the State and its political subdivisions for such expenditures in such quarter, and if such amount is less than the State’s proportionate share of the total sum of such estimated expenditures, the source or sources from which the difference is expected to be derived, and (B) such other investigation as the Secretary may find necessary.

(2) Subject to subsection (d), the Secretary shall then pay, in such installments as he may determine, to the State the amount so estimated, reduced or increased to the extent of any overpayment or underpayment which the Secretary determines was made under this section to such State for any prior quarter and with respect to which adjustment has not already been made under this subsection.

(3) Upon the making of any estimate by the Secretary under this subsection, any appropriations available for payments under this section shall be deemed obligated.

(c) Repealed. Pub. L. 97-248, title I, § 174(b), Sept. 3, 1982, 96 Stat. 403**(d) State reports**

Notwithstanding any other provision of law, no amount shall be paid to any State under this section for any quarter, prior to the close of such quarter, unless for the period consisting of all prior quarters for which payment is authorized to be made to such State under subsection (a), there shall have been submitted by the State to the Secretary, with respect to each quarter in such period (other than the last two quarters in such period), a full and complete report (in such form and manner and containing such information as the Secretary shall prescribe or require) as to the amount of child support collected and disbursed and all expenditures with respect to which payment is authorized under subsection (a).

(e) Special project grants for interstate enforcement; appropriations

(1) In order to encourage and promote the development and use of more effective methods of enforcing support obligations under this part in cases where either the children on whose behalf the support is sought or their noncustodial parents do not reside in the State where such cases are filed, the Secretary is authorized to make grants, in such amounts and on such terms and conditions as the Secretary determines to be appropriate, to States which propose to undertake new or innovative methods of support collection in such cases and which will use the proceeds of such grants to carry out special projects designed to demonstrate and test such methods.

(2) A grant under this subsection shall be made only upon a finding by the Secretary that the project involved is likely to be of significant assistance in carrying out the purpose of this subsection; and with respect to such project the Secretary may waive any of the requirements of this part which would otherwise be applicable, to such extent and for such period as the Secretary determines is necessary or desirable in order to enable the State to carry out the project.

(3) At the time of its application for a grant under this subsection the State shall submit to the Secretary a statement describing in reasonable detail the project for which the proceeds of the grant are to be used, and the State shall from time to time thereafter submit to the Secretary such reports with respect to the project as the Secretary may specify.

(4) Amounts expended by a State in carrying out a special project assisted under this section shall be considered, for purposes of section 658(b)² of this title (as amended by section 5(a) of the Child Support Enforcement Amendments of 1984), to have been expended for the operation of the State's plan approved under section 654 of this title.

(5) There is authorized to be appropriated the sum of \$7,000,000 for fiscal year 1985, \$12,000,000 for fiscal year 1986, and \$15,000,000 for each fiscal year thereafter, to be used by the Secretary in making grants under this subsection.

(f) Direct Federal funding to Indian tribes and tribal organizations

The Secretary may make direct payments under this part to an Indian tribe or tribal organization that demonstrates to the satisfaction of the Secretary that it has the capacity to operate a child support enforcement program meeting the objectives of this part, including establishment of paternity, establishment, modification, and enforcement of support orders, and location of absent parents. The Secretary shall promulgate regulations establishing the requirements which must be met by an Indian tribe or tribal organization to be eligible for a grant under this subsection.

(i) In general

Notwithstanding paragraph (1), in the case of a family that receives assistance from the State, a State shall not be required to pay to the Federal Government the Federal share of the excepted portion (as defined in clause (ii)) of any amount collected on behalf of such family during a month to the extent that—

(I) the State pays the excepted portion to the family; and

(II) the excepted portion is disregarded in determining the amount and type of assistance provided to the family under such program.

For purposes of this subparagraph, the term “excepted portion” means that portion of the amount collected on behalf of a family during a month that does not exceed \$100 per month, or in the case of a family that includes 2 or more children, that does not exceed an amount established by the State that is not more than \$200 per month.

(b) Continuation of assignments

(1) State option to discontinue pre-1997 support assignments

(A) In general

Any rights to support obligations assigned to a State as a condition of receiving assist-

ance from the State under part A and in effect on September 30, 1997 (or such earlier date on or after August 22, 1996, as the State may choose), may remain assigned after such date.

(B) Distribution of amounts after assignment discontinuation

If a State chooses to discontinue the assignment of a support obligation described in subparagraph (A), the State may treat amounts collected pursuant to the assignment as if the amounts had never been assigned and may distribute the amounts to the family in accordance with subsection (a)(4).

(2) State option to discontinue post-1997 assignments

(A) In general

Any rights to support obligations accruing before the date on which a family first receives assistance under part A that are assigned to a State under that part and in effect before the implementation date of this section may remain assigned after such date.

(B) Distribution of amounts after assignment discontinuation

If a State chooses to discontinue the assignment of a support obligation described in subparagraph (A), the State may treat amounts collected pursuant to the assignment as if the amounts had never been assigned and may distribute the amounts to the family in accordance with subsection (a)(4).

(c) Definitions

As used in subsection (a):

(1) Assistance

(e) Amounts collected for child for whom foster care maintenance payments are made

Notwithstanding the preceding provisions of this section, amounts collected by a State as child support for months in any period on behalf of a child for whom a public agency is making foster care maintenance payments under part E of this subchapter—

(1) shall be retained by the State to the extent necessary to reimburse it for the foster care maintenance payments made with respect to the child during such period (with appropriate reimbursement of the Federal Government to the extent of its participation in the financing);

(2) shall be paid to the public agency responsible for supervising the placement of the child to the extent that the amounts collected exceed the foster care maintenance payments made with respect to the child during such period but not the amounts required by a court or administrative order to be paid as support on behalf of the child during such period; and the responsible agency may use the payments in the manner it determines will serve the best interests of the child, including setting such payments aside for the child's future needs or making all or a part thereof available to the person responsible for meeting the child's day-to-day needs; and

(3) shall be retained by the State, if any portion of the amounts collected remains after making the payments required under paragraphs (1) and (2), to the extent that such portion is necessary to reimburse the State (with appropriate reimbursement to the Federal Government to the extent of its participation in the financing) for any past foster care maintenance payments (or payments of assistance under the State program funded under part A) which were made with respect to the child (and with respect to which past collections have not previously been retained);

Ex. Ord. No. 12953, Feb. 27, 1995, 60 F.R. 11013, provided:

Children need and deserve the emotional and financial support of both their parents.

The Federal Government requires States and, through them, public and private employers to take actions necessary to ensure that monies in payment of child support obligations are withheld and transferred to the child's caretaker in an efficient and expeditious manner.

The Federal Government, through its civilian employees and Uniformed Services members, is the Nation's largest single employer and as such should set an example of leadership and encouragement in ensuring that all children are properly supported.

NOW, THEREFORE, by the authority vested in me as President by the Constitution and the laws of the United States of America, including section 301 of title 3, United States Code, it is hereby ordered as follows:

PART 1—PURPOSE

SECTION 101. This executive order: (a) Establishes the executive branch of the Federal Government, through its civilian employees and Uniformed Services members, as a model employer in promoting and facilitating the establishment and enforcement of child support.

(b) Requires all Federal agencies, including the Uniformed Services, to cooperate fully in efforts to establish paternity and child support orders and to enforce the collection of child and medical support in all situations where such actions may be required.

(c) Requires each Federal agency, including the Uniformed Services, to provide information to its employees and members about actions that they should take and services that are available to ensure that their children are provided the support to which they are legally entitled.

(b) Beginning no later than July 1, 1995, the Director of the Office of Personnel Management (OPM) shall publish annually in the Federal Register the list of agents (and their addresses) designated to receive service of withholding notices for Federal employees.

SEC. 302. *Service of Legal Process.* Every Federal agency shall assist in the service of legal process in civil actions pursuant to orders of courts of States to establish paternity and establish or enforce a support obligation by making Federal employees and members of the Uniformed Services stationed outside the United States available for the service of process. Each agency shall designate an official who shall be responsible for facilitating a Federal employee's or member's availability for service of process, regardless of the location of the employee's workplace or member's duty station. The OPM shall publish a list of these officials annually in the Federal Register, beginning no later than July 1, 1995.

The list of matches shall be forwarded to the appropriate State child support enforcement agency to determine, in each instance, whether wage withholding or other enforcement actions should be commenced. All matches will be performed in accordance with 5 U.S.C. 552a(o)-(u).

provided financial and medical support in the same manner and within the same time frames as is mandated for all other children due such support. This review shall include, but not be limited to, issues related to withholding non-custodial parents' wages, service of legal process, activities to locate parents and their income and assets, release time to attend civil paternity and support proceedings, and health insurance coverage under the Civilian Health and Medical Program of the Uniformed Services (CHAMPUS). All relevant existing statutes, including the Soldiers['] and Sailors['] Civil Relief Act of 1940 [now Servicemembers Civil Relief Act] [50 U.S.C. 3901 et seq.], the Uniformed Services Former Spouses['] Protection Title of 1982 Amendment note set out under section 1401 of Title 10, Armed Forces], and the Tax Equity and Fiscal Responsibility Act of 1982 [Pub. (b) Within 180 days of the date of this order, DOD shall submit to OMB a report based on this review. The report shall recommend additional policy, regulatory and legislative changes that would improve and enhance the Federal Government's commitment to ensuring parental support for all children.

SEC. 402. *Additional Federal Agency Actions.* (a) OPM and HHS shall jointly study and prepare recommendations concerning additional administrative, regulatory, and legislative improvements in the policies and procedures of Federal agencies affecting child support enforcement. Other agencies shall be included in the development of recommendations for specific items as appropriate. The recommendations shall address, among other things:

(i) any changes that would be needed to ensure that Federal employees comply with child support orders that require them to provide health insurance coverage for their children;

(ii) changes needed to ensure that more accurate and up-to-date data about civilian and uniformed personnel who are being sought in conjunction with State paternity or child support actions can be obtained from Federal agencies and their payroll and personnel records, to improve efforts to locate noncustodial parents and their income and assets;

(iii) changes needed for selecting Federal agencies to test and evaluate new approaches to the establishment and enforcement of child support obligations;

(iv) proposals to improve service of process for civilian employees and members of the Uniformed Services stationed outside the United States, including the possibility of serving process by certified mail in establishment and enforcement cases or of designating an agent for service of process that would have the same effect and bind employees to the same extent as actual service upon the employees;

(v) strategies to facilitate compliance with Federal and State child support requirements by quasi-governmental agencies, advisory groups, and commissions; and

(vi) analysis of whether compliance with support orders should be a factor used in defining suitability for Federal employment.

(b) The recommendations are due within 180 days of the date of this order. The recommendations are to be submitted in writing to the Office of Management and Budget.

SEC. 501. *Internal Management.* This order is intended only to improve the internal management of the executive branch with regard to child support enforcement and shall not be interpreted to create any right or benefit, substantive or procedural, enforceable at law by a party against the United States, its officers, or any other person.

SEC. 502. *Sovereignty of the United States Government.* This order is intended only to provide that the Federal Government has elected to require Federal agencies to adhere to the same standards as are applicable to all other employers in the Nation and shall not be interpreted as subjecting the Federal Government to any

SEC. 503. *Defense and Security.*

This order is not intended to require any action that would compromise the defense or national security interest of the United States.

§ 664. Collection of past-due support from Federal tax refunds

(a) Procedures applicable; distribution

(1) Upon receiving notice from a State agency administering a plan approved under this part that a named individual owes past-due support which has been assigned to such State pursuant to section 608(a)(3) or section 671(a)(17) of this title, the Secretary of the Treasury shall determine whether any amounts, as refunds of Federal taxes paid, are payable to such individual (regardless of whether such individual filed a tax return as a married or unmarried individual). If the Secretary of the Treasury finds that any such amount is payable, he shall withhold from such refunds an amount equal to the past-due support, shall concurrently send notice to such individual that the withholding has been made (including in or with such notice a notification to any other person who may have filed a joint return with such individual of the steps which such other person may take in order to secure his or her proper share of the refund), and shall pay such amount to the State agency (together with notice of the individual’s home address) for distribution in accordance with section 657 of this title. This subsection may be executed by the disbursing official of the Department of the Treasury.

(2)(A) Upon receiving notice from a State agency administering a plan approved under this part that a named individual owes past-due support which such State has agreed to collect under paragraph (4)(A)(ii) or (32) of section 654 of this title, and that the State agency has sent notice to such individual in accordance with paragraph (3)(A), the Secretary of the Treasury shall determine whether any amounts, as refunds of Federal taxes paid, are payable to such individual (regardless of whether such individual

filed a tax return as a married or unmarried individual). If the Secretary of the Treasury finds that any such amount is payable, he shall withhold from such refunds an amount equal to such past-due support, and shall concurrently send notice to such individual that the withholding has been made, including in or with such notice a notification to any other person who may have filed a joint return with such individual of the steps which such other person may take in order to secure his or her proper share of the refund. The Secretary of the Treasury shall pay the amount withheld to the State agency, and the State shall pay to the Secretary of the Treasury any fee imposed by the Secretary of the Treasury to cover the costs of the withholding and any required notification. The State agency shall, subject to paragraph (3)(B), distribute such amount to or on behalf of the child to whom the support was owed in accordance with section 657 of this title. This subsection may be executed by the Secretary of the Department of the Treasury or his designee.

(B) This paragraph shall apply only with respect to refunds payable under section 6402 of the Internal Revenue Code of 1986 after December 31, 1985.

(3)(A) Prior to notifying the Secretary of the Treasury under paragraph (1) or (2) that an individual owes past-due support, the State shall send notice to such individual that a withholding will be made from any refund otherwise payable to such individual. The notice shall also (i) instruct the individual owing the past-due support of the steps which may be taken to contest the State's determination that past-due support is owed or the amount of the past-due support, and (ii) provide information, as may be prescribed by the Secretary of Health and Human Services by regulation in consultation with the Secretary of the Treasury, with respect to procedures to be followed, in the case of a joint return, to protect the share of the refund which may be payable to another person.

(B) If the Secretary of the Treasury determines that an amount should be withheld under paragraph (1) or (2), and that the refund from which it should be withheld is based upon a joint return, the Secretary of the Treasury shall notify the State that the withholding is being made from a refund based upon a joint return, and shall furnish to the State the names and addresses of each taxpayer filing such joint return. In the case of a withholding under paragraph (2), the State may delay distribution of the amount withheld until the State has been notified by the Secretary of the Treasury that the other person filing the joint return has received his or her proper share of the refund, but such delay may not exceed six months.

(C) If the other person filing the joint return with the named individual owing the past-due support takes appropriate action to secure his or her proper share of a refund from which a withholding was made under paragraph (1) or (2), the Secretary of the Treasury shall pay such share to such other person. The Secretary of the Treasury shall deduct the amount of such payment from amounts subsequently payable to the State agency to which the amount originally withheld from such refund was paid.

(D) In any case in which an amount was withheld under paragraph (1) or (2) and paid to a State, and the State subsequently determines that the amount certified as past-due support was in excess of the amount actually owed at the time the amount withheld is to be distributed to or on behalf of the child, the State shall pay the excess amount withheld to the named individual thought to have owed the past-due support (or, in the case of amounts withheld on the basis of a joint return, jointly to the parties filing such return).

(b) Regulations; contents, etc.

(1) The Secretary of the Treasury shall issue regulations, approved by the Secretary of Health and Human Services, prescribing the time or times at which States must submit notices of past-due support, the manner in which such notices must be submitted, and the necessary information that must be contained in or accompany the notices. The regulations shall be consistent with the provisions of subsection (a)(3), shall specify the minimum amount of past-due support to which the offset procedure established by subsection (a) may be applied, and the fee that a State must pay to reimburse the Secretary of the Treasury for the full cost of applying the offset procedure, and shall provide that the Secretary of the Treasury will advise the Secretary of Health and Human Services, not less frequently than annually, of the States which have furnished notices of past-due support under subsection (a), the number of cases in each State with respect to which such notices have been furnished, the amount of support sought to be collected under this subsection by each State, and the amount of such collections actually made in the case of each State. Any fee paid to the Secretary of the Treasury pursuant to this subsection may be used to reimburse appropriations which bore all or part of the cost of applying such procedure.

(2) In the case of withholdings made under subsection (a)(2), the regulations promulgated pursuant to this subsection shall include the following requirements:

(A) The withholding shall apply only in the case where the State determines that the amount of the past-due support which will be owed at the time the withholding is to be made, based upon the pattern of payment of support and other enforcement actions being pursued to collect the past-due support, is equal to or greater than \$500. The State may limit the \$500 threshold amount to amounts of past-due support accrued since the time that the State first began to enforce the child support order involved under the State plan, and may limit the application of the withholding to past-due support accrued since such time.

(B) The fee which the Secretary of the Treasury may impose to cover the costs of the withholding and notification may not exceed \$25 per case submitted.

(c) "Past-due support" defined

In this part the term "past-due support" means the amount of a delinquency, determined under a court order, or an order of an administrative process established under State law, for support and maintenance of a child (whether or

not a minor), or of a child (whether or not a minor) and the parent with whom the child is living.

§ 665. Allotments from pay for child and spousal support owed by members of uniformed services on active duty

(a) Mandatory allotment; notice upon failure to make; amount of allotment; adjustment or discontinuance; consultation

(1) In any case in which child support payments or child and spousal support payments are owed by a member of one of the uniformed services (as defined in section 101(3) of title 37) on active duty, such member shall be required to make allotments from his pay and allowances (under chapter 13 of title 37) as payment of such support, when he has failed to make periodic payments under a support order that meets the criteria specified in section 1673(b)(1)(A) of title 15 and the resulting delinquency in such payments is in a total amount equal to the support payable for two months or longer. Failure to make such payments shall be established by notice from an authorized person (as defined in subsection (b)) to the designated official in the appropriate uniformed service. Such notice (which shall in turn be given to the affected member) shall also specify the person to whom the allotment is to be payable. The amount of the allotment shall be the amount necessary to comply with the order (which, if the order so provides, may include arrearages as well as amounts for current support), except that the amount of the allotment, together with any other amounts withheld for support from the wages of the member, as a percentage of his pay from the uniformed service, shall not exceed the limits prescribed in sections¹ 1673(b) and (c) of title 15. An allotment under this subsection shall be adjusted or discontinued upon notice from the authorized person.

(2) Notwithstanding the preceding provisions of this subsection, no action shall be taken to require an allotment from the pay and allowances of any member of one of the uniformed services under such provisions (A) until such member has had a consultation with a judge advocate of the service involved (as defined in section 801(13) of title 10), or with a judge advocate (as defined in section 801(11)² of such title) in the case of the Coast Guard, or with a legal officer designated by the Secretary concerned (as defined in section 101(5) of title 37) in any other case, in person, to discuss the legal and other factors involved with respect to the member's support obligation and his failure to make payments thereon, or (B) until 30 days have elapsed after the notice described in the second sentence of paragraph (1) is given to the affected member in any case where it has not been possible, despite continuing good faith efforts, to arrange such a consultation.

(b) "Authorized person" defined

For purposes of this section the term "authorized person" with respect to any member of the uniformed services means—

(1) any agent or attorney of a State having in effect a plan approved under this part who has the duty or authority under such plan to

seek to recover any amounts owed by such member as child or child and spousal support (including, when authorized under the State plan, any official of a political subdivision); and

(2) the court which has authority to issue an order against such member for the support and maintenance of a child, or any agent of such court.

(c) Regulations

The Secretary of Defense, in the case of the Army, Navy, Air Force, and Marine Corps, and the Secretary concerned (as defined in section 101(5) of title 37) in the case of each of the other uniformed services, shall each issue regulations applicable to allotments to be made under this section, designating the officials to whom notice of failure to make support payments, or notice to discontinue or adjust an allotment, should be given, prescribing the form and content of the notice and specifying any other rules necessary for such Secretary to implement this section.

(2) Expedited administrative and judicial procedures (including the procedures specified in subsection (c)) for establishing paternity and for establishing, modifying, and enforcing support obligations. The Secretary may waive the provisions of this paragraph with respect to one or more political subdivisions within the State on the basis of the effectiveness and timeliness of support order issuance and enforcement or paternity establishment within the political subdivision (in accordance with the general rule for exemptions under subsection (d)).

(3) Procedures under which the State child support enforcement agency shall request, and the State shall provide, that for the purpose of enforcing a support order under any State plan approved under this part—

(A) any refund of State income tax which would otherwise be payable to a noncustodial parent will be reduced, after notice has been sent to that noncustodial parent of the proposed reduction and the procedures to be followed to contest it (and after full compliance with all procedural due process requirements of the State), by the amount of any overdue support owed by such noncustodial parent;

(B) the amount by which such refund is reduced shall be distributed in accordance with section 657 of this title in the case of overdue support assigned to a State pursuant to section 608(a)(3) or 671(a)(17) of this title, or, in any other case, shall be distributed, after deduction of any fees imposed by the State to cover the costs of collection, to the child or parent to whom such support is owed; and

(C) notice of the noncustodial parent's social security account number (or numbers, if he has more than one such number) and home address shall be furnished to the State agency requesting the refund offset, and to the State agency enforcing the order.

(4) LIENS.—Procedures under which—

(A) liens arise by operation of law against real and personal property for amounts of overdue support owed by a noncustodial parent who resides or owns property in the State; and

(B) the State accords full faith and credit to liens described in subparagraph (A) arising in another State, when the State agency, party, or other entity seeking to enforce such a lien complies with the procedural rules relating to recording or serving liens that arise within the State, except that such rules may not require judicial notice or hearing prior to the enforcement of such a lien.

(5) PROCEDURES CONCERNING PATERNITY ESTABLISHMENT.—

(A) ESTABLISHMENT PROCESS AVAILABLE FROM BIRTH UNTIL AGE 18.—

(i) Procedures which permit the establishment of the paternity of a child at any time before the child attains 18 years of age.

(ii) As of August 16, 1984, clause (i) shall also apply to a child for whom paternity has not been established or for whom a paternity action was brought but dismissed because a statute of limitations of less than 18 years was then in effect in the State.

(B) PROCEDURES CONCERNING GENETIC TESTING.—

(i) GENETIC TESTING REQUIRED IN CERTAIN CONTESTED CASES.—Procedures under which the State is required, in a contested paternity case (unless otherwise barred by State law) to require the child and all other parties (other than individuals found under section 654(29) of this title to have good cause and other exceptions for refusing to cooperate) to submit to genetic tests upon the request of any such party, if the request is supported by a sworn statement by the party—

(I) alleging paternity, and setting forth facts establishing a reasonable possibility of the requisite sexual contact between the parties; or

(II) denying paternity, and setting forth facts establishing a reasonable possibility of the nonexistence of sexual contact between the parties.

(ii) OTHER REQUIREMENTS.—Procedures which require the State agency, in any case in which the agency orders genetic testing—

(I) to pay costs of such tests, subject to recoupment (if the State so elects) from the alleged father if paternity is established; and

(II) to obtain additional testing in any case if an original test result is contested, upon request and advance payment by the contestant.

(C) VOLUNTARY PATERNITY ACKNOWLEDGMENT.—

(i) SIMPLE CIVIL PROCESS.—Procedures for a simple civil process for voluntarily acknowledging paternity under which the State must provide that, before a mother and a putative father can sign an acknowledgment of paternity, the mother and the putative father must be given notice, orally, or through the use of video or audio equipment, and in writing, of the alternatives to, the legal consequences of, and the rights (including, if 1 parent is a minor, any rights afforded due to minority status) and responsibilities that arise from, signing the acknowledgment.

(ii) HOSPITAL-BASED PROGRAM.—Such procedures must include a hospital-based program for the voluntary acknowledgment of paternity focusing on the period immediately before or after the birth of a child.

(iii) PATERNITY ESTABLISHMENT SERVICES.—

(I) STATE-OFFERED SERVICES.—Such procedures must require the State agency responsible for maintaining birth records to offer voluntary paternity establishment services.

(II) REGULATIONS.—

(aa) SERVICES OFFERED BY HOSPITALS AND BIRTH RECORD AGENCIES.—The Secretary shall prescribe regulations governing voluntary paternity establishment services offered by hospitals and birth record agencies.

(bb) SERVICES OFFERED BY OTHER ENTITIES.—The Secretary shall prescribe regulations specifying the types of other entities that may offer voluntary paternity establishment services, and governing the provision of such services, which shall include a requirement that such an entity must use the same notice provisions used by, use the same materials used by, provide the personnel providing such services with the same training provided by, and evaluate the provision of such services in the same manner as the provision of such services is evaluated by, voluntary paternity establishment programs of hospitals and birth record agencies.

(iv) USE OF PATERNITY ACKNOWLEDGMENT AFFIDAVIT.—Such procedures must require the State to develop and use an affidavit for the voluntary acknowledgment of paternity which includes the minimum requirements of the affidavit specified by the Secretary under section 652(a)(7) of this title for the voluntary acknowledgment of paternity, and to give full faith and credit to such an affidavit signed in any other State according to its procedures.

(D) STATUS OF SIGNED PATERNITY ACKNOWLEDGMENT.—

(i) INCLUSION IN BIRTH RECORDS.—Procedures under which the name of the father shall be included on the record of birth of the child of unmarried parents only if—

(I) the father and mother have signed a voluntary acknowledgment of paternity; or

(II) a court or an administrative agency of competent jurisdiction has issued an adjudication of paternity.

Nothing in this clause shall preclude a State agency from obtaining an admission of paternity from the father for submission in a judicial or administrative proceeding, or prohibit the issuance of an order in a judicial or administrative proceeding which bases a legal finding of paternity on an admission of paternity by the father and any other additional showing required by State law.

(ii) LEGAL FINDING OF PATERNITY.—Procedures under which a signed voluntary acknowledgment of paternity is considered a legal finding of paternity, subject to the right of any signatory to rescind the acknowledgment within the earlier of—

(I) 60 days; or

(II) the date of an administrative or judicial proceeding relating to the child (including a proceeding to establish a support order) in which the signatory is a party.

(iii) CONTEST.—Procedures under which, after the 60-day period referred to in clause (ii), a signed voluntary acknowledgment of paternity may be challenged in court only on the basis of fraud, duress, or material mistake of fact, with the burden of proof upon the challenger, and under which the legal responsibilities (including child support obligations) of any signatory arising from the acknowledgment may not be suspended during the challenge, except for good cause shown.

(E) BAR ON ACKNOWLEDGMENT RATIFICATION PROCEEDINGS.—Procedures under which judicial or administrative proceedings are not required or permitted to ratify an unchallenged acknowledgment of paternity.

(i) requiring the admission into evidence, for purposes of establishing paternity, of the results of any genetic test that is—

(I) of a type generally acknowledged as reliable by accreditation bodies designated by the Secretary; and

(II) performed by a laboratory approved by such an accreditation body;

(ii) requiring an objection to genetic testing results to be made in writing not later than a specified number of days before any hearing at which the results may be introduced into evidence (or, at State option, not later than a specified number of days after receipt of the results); and

(iii) making the test results admissible as evidence of paternity without the need for foundation testimony or other proof of authenticity or accuracy, unless objection is made.

(G) PRESUMPTION OF PATERNITY IN CERTAIN CASES.—Procedures which create a rebuttable or, at the option of the State, conclusive presumption of paternity upon genetic testing results indicating a threshold probability that the alleged father is the father of the child.

(H) DEFAULT ORDERS.—Procedures requiring a default order to be entered in a paternity case upon a showing of service of process on the defendant and any additional showing required by State law.

(I) NO RIGHT TO JURY TRIAL.—Procedures providing that the parties to an action to establish paternity are not entitled to a trial by jury.

(J) TEMPORARY SUPPORT ORDER BASED ON PROBABLE PATERNITY IN CONTESTED CASES.—Procedures which require that a temporary order be issued, upon motion by a party, requiring the provision of child support pending an administrative or judicial determination of parentage, if there is clear and convincing evidence of paternity (on the basis of genetic tests or other evidence).

(K) PROOF OF CERTAIN SUPPORT AND PATERNITY ESTABLISHMENT COSTS.—Procedures under which bills for pregnancy, childbirth, and genetic testing are admissible as evidence without requiring third-party foundation testimony, and shall constitute prima facie evidence of amounts incurred for such services or for testing on behalf of the child.

(L) STANDING OF PUTATIVE FATHERS.—Procedures ensuring that the putative father has a reasonable opportunity to initiate a paternity action.

(M) FILING OF ACKNOWLEDGMENTS AND ADJUDICATIONS IN STATE REGISTRY OF BIRTH RECORDS.—Procedures under which voluntary acknowledgments and adjudications of paternity by judicial or administrative processes are filed with the State registry of birth records for comparison with information in the State case registry.

(7) REPORTING ARREARAGES TO CREDIT BUREAUS.—

(A) IN GENERAL.—Procedures (subject to safeguards pursuant to subparagraph (B)) requiring the State to report periodically to consumer reporting agencies (as defined in section 1681a(f) of title 15) the name of any noncustodial parent who is delinquent in the payment of support, and the amount of overdue support owed by such parent.

(B) SAFEGUARDS.—Procedures ensuring that, in carrying out subparagraph (A), information with respect to a noncustodial parent is reported—

(i) only after such parent has been afforded all due process required under State law, including notice and a reasonable opportunity to contest the accuracy of such information; and

(ii) only to an entity that has furnished evidence satisfactory to the State that the entity is a consumer reporting agency (as so defined).

(8)(A) Procedures under which all child support orders not described in subparagraph (B) will include provision for withholding from income, in order to assure that withholding as a means of collecting child support is available if arrearages occur without the necessity of filing application for services under this part.

(B) Procedures under which all child support orders which are initially issued in the State on or after January 1, 1994, and are not being enforced under this part will include the following requirements:

(i) The income of a noncustodial parent shall be subject to withholding, regardless of whether support payments by such parent are in arrears, on the effective date of the order; except that such income shall not be subject to withholding under this clause in

any case where (I) one of the parties demonstrates, and the court (or administrative process) finds, that there is good cause not to require immediate income withholding, or (II) a written agreement is reached between both parties which provides for an alternative arrangement.

(ii) The requirements of subsection (b)(1) (which shall apply in the case of each non-custodial parent against whom a support order is or has been issued or modified in the State, without regard to whether the order is being enforced under the State plan).

(iii) The requirements of paragraphs (2), (5), (6), (7), (8), (9), and (10) of subsection (b), where applicable.

(iv) Withholding from income of amounts payable as support must be carried out in full compliance with all procedural due process requirements of the State.

(9) Procedures which require that any payment or installment of support under any child support order, whether ordered through the State judicial system or through the expedited processes required by paragraph (2), is (on and after the date it is due)—

(A) a judgment by operation of law, with the full force, effect, and attributes of a judgment of the State, including the ability to be enforced,

(B) entitled as a judgment to full faith and credit in such State and in any other State, and

(C) not subject to retroactive modification by such State or by any other State;

except that such procedures may permit modification with respect to any period during which there is pending a petition for modification, but only from the date that notice of such petition has been given, either directly or through the appropriate agent, to the obligee or (where the obligee is the petitioner) to the obligor.

(10) REVIEW AND ADJUSTMENT OF SUPPORT ORDERS UPON REQUEST.—

(A) 3-YEAR CYCLE.—

(i) IN GENERAL.—Procedures under which every 3 years (or such shorter cycle as the State may determine), upon the request of either parent or if there is an assignment under part A, the State shall with respect to a support order being enforced under this part, taking into account the best interests of the child involved—

(I) review and, if appropriate, adjust the order in accordance with the guidelines established pursuant to section 667(a) of this title if the amount of the child support award under the order differs from the amount that would be awarded in accordance with the guidelines;

(II) apply a cost-of-living adjustment to the order in accordance with a formula developed by the State; or

(III) use automated methods (including automated comparisons with wage or State income tax data) to identify orders eligible for review, conduct the review, identify orders eligible for adjustment,

and apply the appropriate adjustment to the orders eligible for adjustment under any threshold that may be established by the State.

(ii) OPPORTUNITY TO REQUEST REVIEW OF ADJUSTMENT.—If the State elects to conduct the review under subclause (II) or (III) of clause (i), procedures which permit either party to contest the adjustment, within 30 days after the date of the notice of the adjustment, by making a request for review and, if appropriate, adjustment of the order in accordance with the child support guidelines established pursuant to section 667(a) of this title.

(iii) NO PROOF OF CHANGE IN CIRCUMSTANCES NECESSARY IN 3-YEAR CYCLE REVIEW.—Procedures which provide that any adjustment under clause (i) shall be made without a requirement for proof or showing of a change in circumstances.

(B) PROOF OF SUBSTANTIAL CHANGE IN CIRCUMSTANCES NECESSARY IN REQUEST FOR REVIEW OUTSIDE 3-YEAR CYCLE.—Procedures under which, in the case of a request for a review, and if appropriate, an adjustment outside the 3-year cycle (or such shorter cycle as the State may determine) under clause (i), the State shall review and, if the requesting party demonstrates a substantial change in circumstances, adjust the order in accordance with the guidelines established pursuant to section 667(a) of this title.

(C) NOTICE OF RIGHT TO REVIEW.—Procedures which require the State to provide notice not less than once every 3 years to the parents subject to the order informing the parents of their right to request the State to review and, if appropriate, adjust the order pursuant to this paragraph. The notice may be included in the order.

(11) Procedures under which a State must give full faith and credit to a determination of paternity made by any other State, whether established through voluntary acknowledgment or through administrative or judicial processes.

(12) LOCATOR INFORMATION FROM INTERSTATE NETWORKS.—Procedures to ensure that all Federal and State agencies conducting activities under this part have access to any system used by the State to locate an individual for purposes relating to motor vehicles or law enforcement.

(13) RECORDING OF SOCIAL SECURITY NUMBERS IN CERTAIN FAMILY MATTERS.—Procedures requiring that the social security number of—

(A) any applicant for a professional license, driver's license, occupational license, recreational license, or marriage license be recorded on the application;

(B) any individual who is subject to a divorce decree, support order, or paternity determination or acknowledgment be placed in the records relating to the matter; and

(C) any individual who has died be placed in the records relating to the death and be recorded on the death certificate.

For purposes of subparagraph (A), if a State allows the use of a number other than the so-

cial security number to be used on the face of the document while the social security number is kept on file at the agency, the State shall so advise any applicants.

(14) HIGH-VOLUME, AUTOMATED ADMINISTRATIVE ENFORCEMENT IN INTERSTATE CASES.—

(A) IN GENERAL.—Procedures under which—

(i) the State shall use high-volume automated administrative enforcement, to the same extent as used for intrastate cases, in response to a request made by another State to enforce support orders, and shall promptly report the results of such enforcement procedure to the requesting State;

(ii) the State may, by electronic or other means, transmit to another State a request for assistance in enforcing support orders through high-volume, automated administrative enforcement, which request—

(I) shall include such information as will enable the State to which the request is transmitted to compare the information about the cases to the information in the data bases of the State; and

(II) shall constitute a certification by the requesting State—

(aa) of the amount of support under an order the payment of which is in arrears; and

(bb) that the requesting State has complied with all procedural due process requirements applicable to each case;

(iii) if the State provides assistance to another State pursuant to this paragraph with respect to a case, neither State shall consider the case to be transferred to the caseload of such other State (but the assisting State may establish a corresponding case based on such other State's request for assistance); and

(iv) the State shall maintain records of—

(I) the number of such requests for assistance received by the State;

(II) the number of cases for which the State collected support in response to such a request; and

(III) the amount of such collected support.

(B) HIGH-VOLUME AUTOMATED ADMINISTRATIVE ENFORCEMENT.—In this part, the term "high-volume automated administrative enforcement", in interstate cases, means, on request of another State, the identification by a State, through automated data matches with financial institutions and other entities where assets may be found, of assets owned by persons who owe child support in other States, and the seizure of such assets by the State, through levy or other appropriate processes.

(15) PROCEDURES TO ENSURE THAT PERSONS OWING OVERDUE SUPPORT WORK OR HAVE A PLAN FOR PAYMENT OF SUCH SUPPORT.—Procedures under which the State has the authority, in any case in which an individual owes overdue

support with respect to a child receiving assistance under a State program funded under part A, to issue an order or to request that a court or an administrative process established pursuant to State law issue an order that requires the individual to—

(A) pay such support in accordance with a plan approved by the court, or, at the option of the State, a plan approved by the State agency administering the State program under this part; or

(B) if the individual is subject to such a plan and is not incapacitated, participate in such work activities (as defined in section 607(d) of this title) as the court, or, at the option of the State, the State agency administering the State program under this part, deems appropriate.

(16) **AUTHORITY TO WITHHOLD OR SUSPEND LICENSES.**—Procedures under which the State has (and uses in appropriate cases) authority to withhold or suspend, or to restrict the use of driver's licenses, professional and occupational licenses, and recreational and sporting licenses of individuals owing overdue support or failing, after receiving appropriate notice, to comply with subpoenas or warrants relating to paternity or child support proceedings.

(17) **FINANCIAL INSTITUTION DATA MATCHES.**—

(A) **IN GENERAL.**—Procedures under which the State agency shall enter into agreements with financial institutions doing business in the State—

(i) to develop and operate, in coordination with such financial institutions, and the Federal Parent Locator Service in the case of financial institutions doing business in two or more States, a data match system, using automated data exchanges to the maximum extent feasible, in which each such financial institution is required to provide for each calendar quarter the name, record address, social security number or other taxpayer identification number, and other identifying information for each noncustodial parent who maintains an account at such institution and who owes past-due support, as identified by the State by name and social security number or other taxpayer identification number; and

(ii) in response to a notice of lien or levy, encumber or surrender, as the case may be, assets held by such institution on behalf of any noncustodial parent who is subject to a child support lien pursuant to paragraph (4).

(B) **REASONABLE FEES.**—The State agency may pay a reasonable fee to a financial institution for conducting the data match provided for in subparagraph (A)(i), not to exceed the actual costs incurred by such financial institution.

(C) **LIABILITY.**—A financial institution shall not be liable under any Federal or State law to any person—

(i) for any disclosure of information to the State agency under subparagraph (A)(i);

(ii) for encumbering or surrendering any assets held by such financial institution in

response to a notice of lien or levy issued by the State agency as provided for in subparagraph (A)(ii); or

(iii) for any other action taken in good faith to comply with the requirements of subparagraph (A).

(D) **DEFINITIONS.**—For purposes of this paragraph—

(i) **FINANCIAL INSTITUTION.**—The term “financial institution” has the meaning given to such term by section 669A(d)(1) of this title.

(ii) **ACCOUNT.**—The term “account” means a demand deposit account, checking or negotiable withdrawal order account, savings account, time deposit account, or money-market mutual fund account.

(18) **ENFORCEMENT OF ORDERS AGAINST PATER-
NAL OR MATERNAL GRANDPARENTS.**—Procedures under which, at the State's option, any child support order enforced under this part with respect to a child of minor parents, if the custodial parent of such child is receiving assistance under the State program under part A, shall be enforceable, jointly and severally, against the parents of the noncustodial parent of such child.

(19) **HEALTH CARE COVERAGE.**—Procedures under which—

(A) effective as provided in section 401(c)(3) of the Child Support Performance and Incentive Act of 1998, all child support orders enforced pursuant to this part shall include a provision for medical support for the child to be provided by either or both parents, and shall be enforced, where appropriate, through the use of the National Medical Support Notice promulgated pursuant to section 401(b) of the Child Support Performance and Incentive Act of 1998 (and referred to in section 609(a)(5)(C) of the Employee Retirement Income Security Act of 1974 [29 U.S.C. 1169(a)(5)(C)] in connection with group health plans covered under title I of such Act [29 U.S.C. 1001 et seq.], in section 401(e) of the Child Support Performance and Incentive Act of 1998 in connection with State or local group health plans, and in section 401(f) of such Act in connection with church group health plans);

(B) unless alternative coverage is allowed for in any order of the court (or other entity issuing the child support order), in any case in which a parent is required under the child support order to provide such health care coverage and the employer of such parent is known to the State agency—

(i) the State agency uses the National Medical Support Notice to transfer notice of the provision for the health care coverage of the child to the employer;

(ii) within 20 business days after the date of the National Medical Support Notice, the employer is required to transfer the Notice, excluding the severable employer withholding notice described in section 401(b)(2)(C) of the Child Support Performance and Incentive Act of 1998, to the appropriate plan providing any such health care coverage for which the child is eligible;

(iii) in any case in which the parent is a newly hired employee entered in the State Directory of New Hires pursuant to section 653a(e) of this title, the State agency provides, where appropriate, the National Medical Support Notice, together with an income withholding notice issued pursuant to subsection (b), within two days after the date of the entry of such employee in such Directory; and

(iv) in any case in which the employment of the parent with any employer who has received a National Medical Support Notice is terminated, such employer is required to notify the State agency of such termination; and

(C) any liability of the obligated parent to such plan for employee contributions which are required under such plan for enrollment of the child is effectively subject to appropriate enforcement, unless the obligated parent contests such enforcement based on a mistake of fact.

Notwithstanding section 654(20)(B) of this title, the procedures which are required under paragraphs (3), (4), (6), (7), and (15) need not be used or applied in cases where the State determines (using guidelines which are generally available within the State and which take into account the payment record of the noncustodial parent, the availability of other remedies, and other relevant considerations) that such use or application would not carry out the purposes of this part or would be otherwise inappropriate in the circumstances.

(b) Withholding from income of amounts payable as support

The procedures referred to in subsection (a)(1)(A) (relating to the withholding from income of amounts payable as support) must provide for the following:

(1) In the case of each noncustodial parent against whom a support order is or has been issued or modified in the State, and is being enforced under the State plan, so much of such parent's income must be withheld, in accordance with the succeeding provisions of this subsection, as is necessary to comply with the order and provide for the payment of any fee to the employer which may be required under paragraph (6)(A), up to the maximum amount permitted under section 1673(b) of title 15. If there are arrearages to be collected, amounts withheld to satisfy such arrearages, when added to the amounts withheld to pay current support and provide for the fee, may not exceed the limit permitted under such section 1673(b), but the State need not withhold up to the maximum amount permitted under such section in order to satisfy arrearages.

(2) Such withholding must be provided without the necessity of any application therefor in the case of a child (whether or not eligible for assistance under a State program funded under part A) with respect to whom services are already being provided under the State plan under this part, and must be provided in accordance with this subsection on the basis of an application for services under the State

plan in the case of any other child in whose behalf a support order has been issued or modified in the State. In either case such withholding must occur without the need for any amendment to the support order involved or for any further action (other than those actions required under this part) by the court or other entity which issued such order.

(3)(A) The income of a noncustodial parent shall be subject to such withholding, regardless of whether support payments by such parent are in arrears, in the case of a support order being enforced under this part that is issued or modified on or after the first day of the 25th month beginning after October 13, 1988, on the effective date of the order; except that such income shall not be subject to such withholding under this subparagraph in any case where (i) one of the parties demonstrates, and the court (or administrative process) finds, that there is good cause not to require immediate income withholding, or (ii) a written agreement is reached between both parties which provides for an alternative arrangement.

(B) The income of a noncustodial parent shall become subject to such withholding, in the case of income not subject to withholding under subparagraph (A), on the date on which the payments which the noncustodial parent has failed to make under a support order are at least equal to the support payable for one month or, if earlier, and without regard to whether there is an arrearage, the earliest of—

(i) the date as of which the noncustodial parent requests that such withholding begin,

(ii) the date as of which the custodial parent requests that such withholding begin, if the State determines, in accordance with such procedures and standards as it may establish, that the request should be approved, or

(iii) such earlier date as the State may select.

(4)(A) Such withholding must be carried out in full compliance with all procedural due process requirements of the State, and the State must send notice to each noncustodial parent to whom paragraph (1) applies—

(i) that the withholding has commenced;

and

(ii) of the procedures to follow if the noncustodial parent desires to contest such withholding on the grounds that the withholding or the amount withheld is improper due to a mistake of fact.

(B) The notice under subparagraph (A) of this paragraph shall include the information provided to the employer under paragraph (6)(A).

(5) Such withholding must be administered by the State through the State disbursement unit established pursuant to section 654b of this title, in accordance with the requirements of section 654b of this title.

(6)(A)(i) The employer of any noncustodial parent to whom paragraph (1) applies, upon being given notice as described in clause (ii), must be required to withhold from such noncustodial parent's income the amount speci-

fied by such notice (which may include a fee, established by the State, to be paid to the employer unless waived by such employer) and pay such amount (after deducting and retaining any portion thereof which represents the fee so established) to the State disbursement unit within 7 business days after the date the amount would (but for this subsection) have been paid or credited to the employee, for distribution in accordance with this part. The employer shall withhold funds as directed in the notice, except that when an employer receives an income withholding order issued by another State, the employer shall apply the income withholding law of the State of the obligor's principal place of employment in determining—

- (I) the employer's fee for processing an income withholding order;
- (II) the maximum amount permitted to be withheld from the obligor's income;
- (III) the time periods within which the employer must implement the income withholding order and forward the child support payment;
- (IV) the priorities for withholding and allocating income withheld for multiple child support obligees; and
- (V) any withholding terms or conditions not specified in the order.

An employer who complies with an income withholding notice that is regular on its face shall not be subject to civil liability to any individual or agency for conduct in compliance with the notice.

(ii) The notice given to the employer shall be in a standard format prescribed by the Secretary, and contain only such information as may be necessary for the employer to comply with the withholding order.

(iii) As used in this subparagraph, the term "business day" means a day on which State offices are open for regular business.

(B) Methods must be established by the State to simplify the withholding process for employers to the greatest extent possible, including permitting any employer to combine all withheld amounts into a single payment to each appropriate agency or entity (with the portion thereof which is attributable to each individual employee being separately designated).

(C) The employer must be held liable to the State for any amount which such employer fails to withhold from income due an employee following receipt by such employer of proper notice under subparagraph (A), but such employer shall not be required to vary the normal pay and disbursement cycles in order to comply with this paragraph.

(D) Provision must be made for the imposition of a fine against any employer who—

- (i) discharges from employment, refuses to employ, or takes disciplinary action against any noncustodial parent subject to income withholding required by this subsection because of the existence of such withholding and the obligations or additional obligations which it imposes upon the employer; or
- (ii) fails to withhold support from income or to pay such amounts to the State dis-

bursement unit in accordance with this subsection.

(7) Support collection under this subsection must be given priority over any other legal process under State law against the same income.

(8) For purposes of subsection (a) and this subsection, the term "income" means any periodic form of payment due to an individual, regardless of source, including wages, salaries, commissions, bonuses, worker's compensation, disability, payments pursuant to a pension or retirement program, and interest.

(9) The State must extend its withholding system under this subsection so that such system will include withholding from income derived within such State in cases where the applicable support orders were issued in other States, in order to assure that child support owed by noncustodial parents in such State or any other State will be collected without regard to the residence of the child for whom the support is payable or of such child's custodial parent.

(10) Provision must be made for terminating withholding.

(11) Procedures under which the agency administering the State plan approved under this part may execute a withholding order without advance notice to the obligor, including issuing the withholding order through electronic means.

(c) Expedited procedures

The procedures specified in this subsection are the following:

(1) Administrative action by State agency

Procedures which give the State agency the authority to take the following actions relating to establishment of paternity or to establishment, modification, or enforcement of support orders, without the necessity of obtaining an order from any other judicial or administrative tribunal, and to recognize and enforce the authority of State agencies of other States to take the following actions:

(A) Genetic testing

To order genetic testing for the purpose of paternity establishment as provided in subsection (a)(5).

(B) Financial or other information

To subpoena any financial or other information needed to establish, modify, or enforce a support order, and to impose penalties for failure to respond to such a subpoena.

(C) Response to State agency request

To require all entities in the State (including for-profit, nonprofit, and governmental employers) to provide promptly, in response to a request by the State agency of that or any other State administering a program under this part, information on the employment, compensation, and benefits of any individual employed by such entity as an employee or contractor, and to sanction failure to respond to any such request.

(D) Access to information contained in certain records

To obtain access, subject to safeguards on privacy and information security, and subject to the nonliability of entities that afford such access under this subparagraph, to information contained in the following records (including automated access, in the case of records maintained in automated data bases):

(i) Records of other State and local government agencies, including—

(I) vital statistics (including records of marriage, birth, and divorce);

(II) State and local tax and revenue records (including information on residence address, employer, income and assets);

(III) records concerning real and titled personal property;

(IV) records of occupational and professional licenses, and records concerning the ownership and control of corporations, partnerships, and other business entities;

(V) employment security records;

(VI) records of agencies administering public assistance programs;

(VII) records of the motor vehicle department; and

(VIII) corrections records.

(ii) Certain records held by private entities with respect to individuals who owe or are owed support (or against or with respect to whom a support obligation is sought), consisting of—

(I) the names and addresses of such individuals and the names and addresses of the employers of such individuals, as appearing in customer records of public utilities and cable television companies, pursuant to an administrative subpoena authorized by subparagraph (B); and

STRENGTHENING ABUSE AND NEGLECT COURTS

Pub. L. 106-314, Oct. 17, 2000, 114 Stat. 1266, provided that:

"SECTION 1. SHORT TITLE.

"This Act may be cited as the 'Strengthening Abuse and Neglect Courts Act of 2000'.

"SEC. 2. FINDINGS.

"Congress finds the following:

"(1) Under both Federal and State law, the courts play a crucial and essential role in the Nation's child welfare system and in ensuring safety, stability, and permanence for abused and neglected children under the supervision of that system.

"(2) The Adoption and Safe Families Act of 1997 (Public Law 105-89; 111 Stat. 2115) [see Short Title of 1997 Amendment note set out under section 1305 of this title] establishes explicitly for the first time in Federal law that a child's health and safety must be the paramount consideration when any decision is made regarding a child in the Nation's child welfare system.

"(3) The Adoption and Safe Families Act of 1997 promotes stability and permanence for abused and neglected children by requiring timely decision-making in proceedings to determine whether children can safely return to their families or whether they should be moved into safe and stable adoptive homes or other permanent family arrangements outside the foster care system.

"(4) To avoid unnecessary and lengthy stays in the foster care system, the Adoption and Safe Families Act of 1997 specifically requires, among other things, that States move to terminate the parental rights of the parents of those children who have been in foster care for 15 of the last 22 months.

"(5) While essential to protect children and to carry out the general purposes of the Adoption and Safe Families Act of 1997, the accelerated timelines for the termination of parental rights and the other requirements imposed under that Act increase the pressure

on the Nation's already overburdened abuse and neglect courts.

"(6) The administrative efficiency and effectiveness of the Nation's abuse and neglect courts would be substantially improved by the acquisition and implementation of computerized case-tracking systems to identify and eliminate existing backlogs, to move abuse and neglect caseloads forward in a timely manner, and to move children into safe and stable families. Such systems could also be used to evaluate the effectiveness of such courts in meeting the purposes of the amendments made by, and provisions of, the Adoption and Safe Families Act of 1997.

"(7) The administrative efficiency and effectiveness of the Nation's abuse and neglect courts would also be improved by the identification and implementation of projects designed to eliminate the backlog of abuse and neglect cases, including the temporary hiring of additional judges, extension of court hours, and other projects designed to reduce existing caseloads.

"(8) The administrative efficiency and effectiveness of the Nation's abuse and neglect courts would be further strengthened by improving the quality and availability of training for judges, court personnel, agency attorneys, guardians ad litem, volunteers who participate in court-appointed special advocate (CASA) programs, and attorneys who represent the children and the parents of children in abuse and neglect proceedings.

"(9) While recognizing that abuse and neglect courts in this country are already committed to the quality administration of justice, the performance of such courts would be even further enhanced by the development of models and educational opportunities that reinforce court projects that have already been developed, including models for case-flow procedures, case management, representation of children, automated interagency interfaces, and 'best practices' standards.

"(10) Judges, magistrates, commissioners, and other judicial officers play a central and vital role in ensuring that proceedings in our Nation's abuse and neglect courts are run efficiently and effectively. The performance of those individuals in such courts can only be further enhanced by training, seminars, and an ongoing opportunity to exchange ideas with their peers.

"(11) Volunteers who participate in court-appointed special advocate (CASA) programs play a vital role as the eyes and ears of abuse and neglect courts in proceedings conducted by, or under the supervision of, such courts and also bring increased public scrutiny of the abuse and neglect court system. The Nation's abuse and neglect courts would benefit from an expansion of this program to currently underserved communities.

"(12) Improved computerized case-tracking systems, comprehensive training, and development of, and education on, model abuse and neglect court systems, particularly with respect to underserved areas, would significantly further the purposes of the Adoption and Safe Families Act of 1997 by reducing the average length of an abused and neglected child's stay in foster care, improving the quality of decision-making and court services provided to children and families, and increasing the number of adoptions.

"SEC. 3. DEFINITIONS.

EX. ORD. NO. 13930. STRENGTHENING THE CHILD WELFARE SYSTEM FOR AMERICA'S CHILDREN

Ex. Ord. No. 13930, June 24, 2020, 85 F.R. 38741, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

SECTION 1. *Purpose.* Every child deserves a family. Our States and communities have both a legal obligation, and the privilege, to care for our Nation's most vulnerable children.

The best foster care system is one that is not needed in the first place. My Administration has been focused on prevention strategies that keep children safe while strengthening families so that children do not enter foster care unnecessarily. Last year, and for only the second time since 2011, the number of children in the foster care system declined, and for the third year in a

row, the number of children entering foster care has declined.

But challenges remain. Too many young people who are in our foster care system wait years before finding the permanency of family. More than 400,000 children are currently in foster care. Of those, more than 124,000 children are waiting for adoption, with nearly 6 out of 10 (58.4 percent) having already become legally eligible for adoption.

More than 50 percent of the children waiting for adoption have been in foster care—without the security and constancy of a permanent family—for 2 years or more. The need for stability and timely permanency is particularly acute for children 9 years and older, children in sibling groups, and those with intellectual or physical disabilities.

Even worse, too many young men and women age out of foster care having never found a permanent, stable family. In recent years, approximately 20,000 young people have aged out of foster care each year in the United States. Research has shown that young people who age out of the foster care system are likely to experience significant, and significantly increased, life challenges—40 percent of such young people studied experienced homelessness; 50 percent were unemployed at age 24; 25 percent experienced post-traumatic stress disorder; and 71 percent became pregnant by age 21. These are unacceptable outcomes.

Several factors have contributed to the number of children who wait in foster care for extended periods. First, State and local child welfare agencies often do not have robust partnerships with private community organizations, including faith-based organizations. Second, those who step up to be resource families for children in foster care—including kin, guardians, foster parents, and adoptive parents—may lack adequate support. Third, too often the processes and systems meant to help children and families in crisis have instead created bureaucratic barriers that make it more difficult for these children and families to get the help they need.

It is the goal of the United States to promote a child welfare system that reduces the need to place children into foster care; achieves safe permanency for those children who must come into foster care, and does so more quickly and more effectively; places appropriate focus on children who are waiting for adoption, especially those who are 9 years and older, are in sibling groups, or have disabilities; and decreases the proportion of young adults who age out of the foster care system.

Children from all backgrounds have the potential to become successful and thriving adults. Yet without a committed, loving family that can provide encouragement, stability, and a lifelong connection, some children may never receive the support needed to realize that potential.

This order will help to empower families who answer the call to open their hearts and homes to children who need them. My Administration is committed to helping give as many children as possible the stability and support that family provides by dramatically improving our child welfare system.

SEC. 2. *Encouraging Robust Partnerships Between State Agencies and Public, Private, Faith-based, and Community Organizations.* (a) In order to facilitate close partnerships between State agencies and nongovernmental organizations, including public, private, faith-based, and community groups, the Secretary of Health and Human Services (the “Secretary”) shall provide increased public access to accurate, up-to-date information relevant to strengthening the child welfare system, including by:

(i) Publishing data to aid in the recruitment of community support. Within 1 year of the date of this order [June 24, 2020] and each year thereafter, the Secretary shall submit to the President, through the Assistant to the President for Domestic Policy, a report that provides information about typical patterns of entry, recent available counts of children in foster care, and

counts of children waiting for adoption. To the extent appropriate and consistent with applicable law, including all privacy laws, this data will be disaggregated by county or other sub-State level, child age, placement type, and prior time in care.

(ii) Collecting needed data to preserve sibling connections.

(A) Within 2 years of the date of this order, the Secretary shall collect information from appropriate State and local agencies on the number of children in foster care who have siblings in foster care and who are not currently placed with their siblings.

(B) Within 3 years of the date of this order, to support the goal of keeping siblings together (42 U.S.C. 671(a)(31)(A)), the Secretary shall develop data analysis methods to report on the experience of children entering care in sibling groups, and the extent to which they are placed together. The Secretary’s analysis shall also assess the extent to which siblings who are legally eligible for adoption achieve permanency together.

(iii) Expanding the number of homes for children and youth.

(A) Within 2 years of the date of this order, the Secretary shall develop a more rigorous and systematic approach to collecting State administrative data as part of the Child and Family Services Review required by section 1123A of the Social Security Act (the “Act”) (42 U.S.C. 1320a–2a). Data collected shall include:

(1) demographic information for children in foster care and waiting for adoption;

(2) the number of currently available foster families and their demographic information;

(3) the average foster parent retention rate and average length of time foster parents remain certified;

(4) a target number of foster homes needed to meet the needs of children in foster care; and

(5) the average length of time it takes to complete foster and adoptive home certification.

(B) The Secretary shall ensure, to the extent consistent with applicable law, that States report to the Secretary regarding strategies for coordinating with nongovernmental organizations, including faith-based and community organizations, to recruit and support foster and adoptive families.

(b) Within 1 year of the date of this order, the Secretary shall issue guidance to Federal, State, and local agencies on partnering with nongovernmental organizations. This guidance shall include best practices for information sharing, providing needed services to families to support prevention of children entering foster care, family preservation, foster and adoptive home recruitment and retention, respite care, post-placement family support, and support for older youth. This guidance shall also make clear that faith-based organizations are eligible for partnerships under title IV–E [probably means part E of title IV] of the Act (42 U.S.C. 670 *et seq.*), on an equal basis, consistent with the First Amendment to the Constitution.

SEC. 3. *Improving Access to Adequate Resources for Caregivers and Youth.* While many public, private, faith-based, and community resources and other sources of support exist, many American caregivers still lack connection with and access to adequate resources. Within 1 year of the date of this order, the Secretary shall equip caregivers and those in care to meet their unique challenges, by:

(a) Expanding educational options. To the extent practicable, the Secretary shall use all existing technical assistance resources to promote dissemination and State implementation of the National Training and Development Curriculum, including, when appropriate, in non-classroom environments.

(b) Increasing the availability of trauma-informed training. The Secretary shall provide an enhanced, web-based, learning-management platform to house the information generated by the National Adoption Competency Mental Health Training Initiative. Access to

this web-based training material will be provided free of charge for all child welfare and mental health practitioners.

(c) Supporting guardianship. The Secretary shall provide information to States regarding the importance and availability of funds to increase guardianship through the title IV-E Guardianship Assistance Program (42 U.S.C. 673), which provides Federal reimbursement for payments to guardians and for associated administrative costs. This information shall include which States have already opted into the program.

(d) Enhancing support for kinship care and youth exiting foster care. The Secretary shall establish a plan to address barriers to accessing existing Federal assistance and benefits for eligible individuals.

SEC. 4. Ensuring Equality of Treatment and Access for all Families. The Howard M. Metzenbaum Multiethnic Placement Act of 1994 (the “Multiethnic Placement Act”) (Public Law 103-382[, title V, part E, subpart 1 (§551 et seq.); see Tables for classification]), as amended, prohibits agencies from denying to any person the opportunity to become an adoptive or a foster parent on the basis of race, color, or national origin (42 U.S.C. 671(a)(18)(A)); prohibits agencies from delaying or denying the placement of a child for adoption or into foster care on the basis of race, color, or national origin (*id.* 671(a)(18)(B)); and requires agencies to diligently recruit a diverse base of foster and adoptive parents to better reflect the racial and ethnic makeup of children in out-of-home care (*id.* 662(b)(7)). To further the goals of the Multiethnic Placement Act, the Secretary shall:

(a) within 6 months of the date of this order, initiate a study regarding the implementation of these requirements nationwide;

(b) within 1 year of the date of this order, update guidance, as necessary, regarding implementation of the Multiethnic Placement Act; and

(c) within 1 year of the date of this order, publish guidance regarding the rights of parents, prospective parents, and children with disabilities (including intellectual, developmental, or physical disabilities).

SEC. 5. Improving Processes to Prevent Unnecessary Removal and Secure Permanency for Children. (a) Federal Review of Reasonable Effort Determinations and Timeliness Requirements.

(i) Within 2 years of the date of this order, the Secretary shall require that both the title IV-E reviews conducted pursuant to 45 CFR 1356.71 and the Child and Family Services Reviews conducted pursuant to 45 CFR 1355.31-1355.36 specifically and adequately assess the following requirements:

(A) reasonable efforts to prevent removal;

(B) filing a petition for Termination of Parental Rights within established statutory timelines and court processing of such petition, unless statutory exemptions apply;

(C) reasonable efforts to finalize permanency plans; and

(D) completion of relevant required family search and notifications and how such efforts are reviewed by courts.

(ii) In cases in which it is determined that statutorily required timelines and efforts have not been satisfied, the Secretary shall make use of existing authority in making eligibility determinations and disallowances consistent with section 1123A(b)(3)(4) of the Act (42 U.S.C. 1320a-2a(b)(3)(4)) [probably means 42 U.S.C. 1320a-2a(b)(3) and (4)].

(iii) Within 2 years of the date of this order, the Secretary shall develop metrics to track permanency outcomes in each State and measure State performance over time.

(iv) Within 6 months of the date of this order, the Secretary shall provide guidance to States regarding flexibility in the use of Federal funds to support and encourage high-quality legal representation for parents and children, including pre-petition representation, in their efforts to prevent the removal of children from their families, safely reunify children and parents, finalize permanency, and ensure that their voices are

heard and their rights are protected. The Secretary shall also ensure collection of data regarding State use of Federal funds for this purpose.

(b) Risk and Safety Assessments.

(i) Within 18 months of the date of this order, the Secretary shall collect States’ individual standards for conducting risk and safety assessments required under section 106(b)(2)(B)(iv) of the Child Abuse Prevention and Treatment Act (42 U.S.C. 5106(b)(2)(B)(iv)) [probably means 42 U.S.C. 5106a(b)(2)(B)(iv)].

(ii) Within 2 years of the date of this order, the Secretary shall outline reasonable best practice standards for risk and safety assessments, including how to address domestic violence and substance abuse.

SEC. 6. Indian Child Welfare Act. Nothing in this order shall alter the implementation of the Indian Child Welfare Act [of 1978; 25 U.S.C. 1901 et seq.] or replace the tribal consultation process.

SEC. 7. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

DONALD J. TRUMP.

(8) subject to subsection (c), provides safeguards which restrict the use of or disclosure of information concerning individuals assisted under the State plan to purposes directly connected with (A) the administration of the plan of the State approved under this part, the plan or program of the State under part A, B, or D of this subchapter or under subchapter I, V, X, XIV, XVI (as in effect in Puerto Rico, Guam, and the Virgin Islands), XIX, or XX, the program established by subchapter II, or the supplemental security income program established by subchapter XVI, (B) any investigation, prosecution, or criminal or civil proceeding, conducted in connection with the administration of any such plan or program, (C) the administration of any other Federal or federally assisted program which provides assistance, in cash or in kind, or services, directly to individuals on the basis of need, (D) any audit or similar activity conducted in connection with the administration of any such plan or program by any governmental agency which is authorized by law to conduct such audit or activity, and (E) reporting and providing information pursuant to paragraph (9) to appropriate authorities with respect to known or suspected child abuse or neglect; and the safeguards so provided shall prohibit disclosure, to any committee or legislative body (other than an agency referred to in clause (D) with respect to an activity referred to in such clause), of any information which identifies by name or address any such applicant or recipient; except that nothing contained herein shall preclude a State from providing standards which restrict disclosures to purposes more limited than those specified herein, or which, in the case of adoptions, prevent disclosure entirely;

(9) provides that the State agency will—

(A) report to an appropriate agency or official, known or suspected instances of physical or mental injury, sexual abuse or exploitation, or negligent treatment or maltreatment of a child receiving aid under part B or this part under circumstances which indicate that the child's health or welfare is threatened thereby;

(C) not later than—

(i) 1 year after September 29, 2014, demonstrate to the Secretary that the State agency has developed, in consultation with State and local law enforcement, juvenile justice systems, health care providers, education agencies, and organizations with experience in dealing with at-risk children and youth, policies and procedures (including relevant training for caseworkers) for identifying, documenting in agency records, and determining appropriate services with respect to—

(I) any child or youth over whom the State agency has responsibility for placement, care, or supervision and who the State has reasonable cause to believe is, or is at risk of being, a sex trafficking victim (including children for whom a State child welfare agency has an open case file but who have not been removed from the home, children who have run away from foster care and who have not attained 18 years of age or such older age as the State has elected under section 675(8) of this title, and youth who are not in foster care but are receiving services under section 677 of this title); and

(II) at the option of the State, any individual who has not attained 26 years of age, without regard to whether the individual is or was in foster care under the responsibility of the State; and

(10) provides—

(A) for the establishment or designation of a State authority or authorities that shall be responsible for establishing and maintaining standards for foster family homes and child care institutions which are reasonably in accord with recommended standards of national organizations concerned with standards for the institutions or homes, including standards related to admission policies, safety, sanitation, and protection of civil rights, and which shall permit use of the reasonable and prudent parenting standard;

(B) that the standards established pursuant to subparagraph (A) shall be applied by the State to any foster family home or child care institution receiving funds under this part or part B and shall require, as a condition of each contract entered into by a child care institution to provide foster care, the presence on-site of at least 1 official who, with respect to any child placed at the child care institution, is designated to be the caregiver who is authorized to apply the reasonable and prudent parent standard to decisions involving the participation of the child in age or developmentally-appropriate activities, and who is provided with training in how to use and apply the reasonable and prudent parent standard in the same manner as prospective foster parents are provided the training pursuant to paragraph (24);

(C) that the standards established pursuant to subparagraph (A) shall include policies related to the liability of foster parents and private entities under contract by the State involving the application of the reasonable and prudent parent standard, to ensure appropriate liability for caregivers when a child participates in an approved activity and the caregiver approving the activity acts in accordance with the reasonable and prudent parent standard; and

(D) that a waiver of any standards established pursuant to subparagraph (A) may be made only on a case-by-case basis for non-safety standards (as determined by the State) in relative foster family homes for specific children in care;

(11) provides for periodic review of the standards referred to in the preceding paragraph and amounts paid as foster care maintenance payments and adoption assistance to assure their continuing appropriateness;

(13) provides that the State shall arrange for a periodic and independently conducted audit of the programs assisted under this part and part B of this subchapter, which shall be conducted no less frequently than once every three years;

(14) provides (A) specific goals (which shall be established by State law on or before October 1, 1982) for each fiscal year (commencing with the fiscal year which begins on October 1, 1983) as to the maximum number of children (in absolute numbers or as a percentage of all children in foster care with respect to whom assistance under the plan is provided during such year) who, at any time during such year, will remain in foster care after having been in such care for a period in excess of twenty-four months, and (B) a description of the steps which will be taken by the State to achieve such goals;

(15) provides that—

(A) in determining reasonable efforts to be made with respect to a child, as described in this paragraph, and in making such reasonable efforts, the child's health and safety shall be the paramount concern;

(B) except as provided in subparagraph (D), reasonable efforts shall be made to preserve and reunify families—

(i) prior to the placement of a child in foster care, to prevent or eliminate the need for removing the child from the child's home; and

(ii) to make it possible for a child to safely return to the child's home;

(C) if continuation of reasonable efforts of the type described in subparagraph (B) is determined to be inconsistent with the permanency plan for the child, reasonable efforts shall be made to place the child in a timely manner in accordance with the permanency plan (including, if appropriate, through an interstate placement), and to complete

whatever steps are necessary to finalize the permanent placement of the child;

(D) reasonable efforts of the type described in subparagraph (B) shall not be required to be made with respect to a parent of a child if a court of competent jurisdiction has determined that—

(i) the parent has subjected the child to aggravated circumstances (as defined in State law, which definition may include but need not be limited to abandonment, torture, chronic abuse, and sexual abuse);

(ii) the parent has—

(I) committed murder (which would have been an offense under section 1111(a) of title 18, if the offense had occurred in the special maritime or territorial jurisdiction of the United States) of another child of the parent;

(II) committed voluntary manslaughter (which would have been an offense under section 1112(a) of title 18, if the offense had occurred in the special maritime or territorial jurisdiction of the United States) of another child of the parent;

(III) aided or abetted, attempted, conspired, or solicited to commit such a murder or such a voluntary manslaughter; or

(IV) committed a felony assault that results in serious bodily injury to the child or another child of the parent; or

(iii) the parental rights of the parent to a sibling have been terminated involuntarily;

(E) if reasonable efforts of the type described in subparagraph (B) are not made with respect to a child as a result of a determination made by a court of competent jurisdiction in accordance with subparagraph (D)—

(i) a permanency hearing (as described in section 675(5)(C) of this title), which considers in-State and out-of-State permanent placement options for the child, shall be held for the child within 30 days after the determination; and

(ii) reasonable efforts shall be made to place the child in a timely manner in accordance with the permanency plan, and to complete whatever steps are necessary to finalize the permanent placement of the child; and

(F) reasonable efforts to place a child for adoption or with a legal guardian, including identifying appropriate in-State and out-of-State placements² may be made concurrently with reasonable efforts of the type described in subparagraph (B);

(16) provides for the development of a case plan (as defined in section 675(1) of this title and in accordance with the requirements of section 675a of this title) for each child receiving foster care maintenance payments under the State plan and provides for a case review system which meets the requirements de-

scribed in sections 675(5) and 675a of this title with respect to each such child;

(17) provides that, where appropriate, all steps will be taken, including cooperative efforts with the State agencies administering the program funded under part A and plan approved under part D, to secure an assignment to the State of any rights to support on behalf of each child receiving foster care maintenance payments under this part;

(18) not later than January 1, 1997, provides that neither the State nor any other entity in the State that receives funds from the Federal Government and is involved in adoption or foster care placements may—

(A) deny to any person the opportunity to become an adoptive or a foster parent, on the basis of the race, color, or national origin of the person, or of the child, involved; or

(B) delay or deny the placement of a child for adoption or into foster care, on the basis of the race, color, or national origin of the adoptive or foster parent, or the child, involved;

(19) provides that the State shall consider giving preference to an adult relative over a non-related caregiver when determining a placement for a child, provided that the relative caregiver meets all relevant State child protection standards;

(20)(A) provides procedures for criminal records checks, including fingerprint-based checks of national crime information databases (as defined in section 534(f)(3)(A) of title 28), for any prospective foster or adoptive parent before the foster or adoptive parent may be finally approved for placement of a child regardless of whether foster care maintenance payments or adoption assistance payments are to be made on behalf of the child under the State plan under this part, including procedures requiring that—

(i) in any case involving a child on whose behalf such payments are to be so made in which a record check reveals a felony conviction for child abuse or neglect, for spousal abuse, for a crime against children (including child pornography), or for a crime involving violence, including rape, sexual assault, or homicide, but not including other physical assault or battery, if a State finds that a court of competent jurisdiction has determined that the felony was committed at any time, such final approval shall not be granted; and

(ii) in any case involving a child on whose behalf such payments are to be so made in which a record check reveals a felony conviction for physical assault, battery, or a drug-related offense, if a State finds that a court of competent jurisdiction has determined that the felony was committed within the past 5 years, such final approval shall not be granted;

(B) provides that the State shall—

(i) check any child abuse and neglect registry maintained by the State for information on any prospective foster or adoptive parent and on any other adult living in the

home of such a prospective parent, and request any other State in which any such prospective parent or other adult has resided in the preceding 5 years, to enable the State to check any child abuse and neglect registry maintained by such other State for such information, before the prospective foster or adoptive parent may be finally approved for placement of a child, regardless of whether foster care maintenance payments or adoption assistance payments are to be made on behalf of the child under the State plan under this part;

(ii) comply with any request described in clause (i) that is received from another State; and

(iii) have in place safeguards to prevent the unauthorized disclosure of information in any child abuse and neglect registry maintained by the State, and to prevent any such information obtained pursuant to this subparagraph from being used for a purpose other than the conducting of background checks in foster or adoptive placement cases;

(C) provides procedures for criminal records checks, including fingerprint-based checks of national crime information databases (as defined in section 534(f)(3)(A) of title 28), on any relative guardian, and for checks described in subparagraph (B) of this paragraph on any relative guardian and any other adult living in the home of any relative guardian, before the relative guardian may receive kinship guardianship assistance payments on behalf of the child under the State plan under this part; and

(D) provides procedures for any child-care institution, including a group home, residential treatment center, shelter, or other congregate care setting, to conduct criminal records checks, including fingerprint-based checks of national crime information databases (as defined in section 534(f)(3)(A) of title 28), and checks described in subparagraph (B) of this paragraph, on any adult working in a child-care institution, including a group home, residential treatment center, shelter, or other congregate care setting, unless the State reports to the Secretary the alternative criminal records checks and child abuse registry checks the State conducts on any adult working in a child-care institution, including a group home, residential treatment center, shelter, or other congregate care setting, and why the checks specified in this subparagraph are not appropriate for the State;

(21) provides for health insurance coverage (including, at State option, through the program under the State plan approved under subchapter XIX) for any child who has been determined to be a child with special needs, for whom there is in effect an adoption assistance agreement (other than an agreement under this part) between the State and an adoptive parent or parents, and who the State has determined cannot be placed with an adoptive parent or parents without medical assistance because such child has special needs for medical, mental health, or rehabilitative care, and that with respect to the provision of such health insurance coverage—

(A) such coverage may be provided through 1 or more State medical assistance programs;

(B) the State, in providing such coverage, shall ensure that the medical benefits, including mental health benefits, provided are of the same type and kind as those that would be provided for children by the State under subchapter XIX;

(C) in the event that the State provides such coverage through a State medical assistance program other than the program under subchapter XIX, and the State exceeds its funding for services under such other program, any such child shall be deemed to be receiving aid or assistance under the State plan under this part for purposes of section 1396a(a)(10)(A)(i)(I) of this title; and

(D) in determining cost-sharing requirements, the State shall take into consideration the circumstances of the adopting parent or parents and the needs of the child being adopted consistent, to the extent coverage is provided through a State medical assistance program, with the rules under such program;

(22) provides that, not later than January 1, 1999, the State shall develop and implement standards to ensure that children in foster care placements in public or private agencies are provided quality services that protect the safety and health of the children;

(23) provides that the State shall not—

(A) deny or delay the placement of a child for adoption when an approved family is available outside of the jurisdiction with responsibility for handling the case of the child; or

(B) fail to grant an opportunity for a fair hearing, as described in paragraph (12), to an individual whose allegation of a violation of subparagraph (A) of this paragraph is denied by the State or not acted upon by the State with reasonable promptness;

(24) includes a certification that, before a child in foster care under the responsibility of the State is placed with prospective foster parents, the prospective foster parents will be prepared adequately with the appropriate knowledge and skills to provide for the needs of the child, that the preparation will be continued, as necessary, after the placement of the child, and that the preparation shall include knowledge and skills relating to the reasonable and prudent parent standard for the participation of the child in age or developmentally-appropriate activities, including knowledge and skills relating to the developmental stages of the cognitive, emotional, physical, and behavioral capacities of a child, and knowledge and skills relating to applying the standard to decisions such as whether to allow the child to engage in social, extracurricular, enrichment, cultural, and social activities, including sports, field trips, and overnight activities lasting 1 or more days, and to decisions involving the signing of permission slips and arranging of transportation for the child to and from extracurricular, enrichment, and social activities;

(25) provides that the State shall have in effect procedures for the orderly and timely interstate placement of children, which, in the case of a State other than the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam, or American Samoa, not later than October 1, 2027, shall include the use of an electronic interstate case-processing system; and procedures implemented in accordance with an interstate compact, if incorporating with the procedures prescribed by paragraph (26), shall be considered to satisfy the requirement of this paragraph;

(26) provides that—

(A)(i) within 60 days after the State receives from another State a request to conduct a study of a home environment for purposes of assessing the safety and suitability of placing a child in the home, the State shall, directly or by contract—

(I) conduct and complete the study; and

(II) return to the other State a report on the results of the study, which shall address the extent to which placement in the home would meet the needs of the child; and

(ii) in the case of a home study begun on or before September 30, 2008, if the State fails to comply with clause (i) within the 60-day period as a result of circumstances beyond the control of the State (such as a failure by a Federal agency to provide the results of a background check, or the failure by any entity to provide completed medical forms, requested by the State at least 45 days before the end of the 60-day period), the State shall have 75 days to comply with clause (i) if the State documents the circumstances involved and certifies that completing the home study is in the best interests of the child; except that

(iii) this subparagraph shall not be construed to require the State to have completed, within the applicable period, the parts of the home study involving the education and training of the prospective foster or adoptive parents;

(B) the State shall treat any report described in subparagraph (A) that is received from another State or an Indian tribe (or from a private agency under contract with another State) as meeting any requirements imposed by the State for the completion of a home study before placing a child in the home, unless, within 14 days after receipt of the report, the State determines, based on grounds that are specific to the content of the report, that making a decision in reliance on the report would be contrary to the welfare of the child; and

(C) the State shall not impose any restriction on the ability of a State agency administering, or supervising the administration of, a State program operated under a State plan approved under this part to contract with a private agency for the conduct of a home study described in subparagraph (A);

(ii) in which a child in foster care has been placed in the care of an individual, who resides with the child and who has been licensed or approved by the State to be a foster parent—

(I) that the State deems capable of adhering to the reasonable and prudent parent standard;

(II) that provides 24-hour substitute care for children placed away from their parents or other caretakers; and

(III) that provides the care for not more than six children in foster care.

(B) State flexibility

The number of foster children that may be cared for in a home under subparagraph (A) may exceed the numerical limitation in subparagraph (A)(ii)(III), at the option of the State, for any of the following reasons:

(i) To allow a parenting youth in foster care to remain with the child of the parenting youth.

(ii) To allow siblings to remain together.

(iii) To allow a child with an established meaningful relationship with the family to remain with the family.

(iv) To allow a family with special training or skills to provide care to a child who has a severe disability.

(C) Rule of construction

Subparagraph (A) shall not be construed as prohibiting a foster parent from renting the home in which the parent cares for a foster child placed in the parent's care.

(2) Child-care institution

(A) In general

The term “child-care institution” means a private child-care institution, or a public child-care institution which accommodates no more than 25 children, which is licensed by the State in which it is situated or has been approved by the agency of the State responsible for licensing or approval of institutions of this type as meeting the standards established for the licensing.

(B) Supervised settings

In the case of a child who has attained 18 years of age, the term shall include a supervised setting in which the individual is living independently, in accordance with such conditions as the Secretary shall establish in regulations.

(C) Exclusions

The term shall not include detention facilities, forestry camps, training schools, or any other facility operated primarily for the detention of children who are determined to be delinquent.

(d) Children removed from their homes pursuant to voluntary placement agreements

Notwithstanding any other provision of this subchapter, Federal payments may be made under this part with respect to amounts ex-

pending by any State as foster care maintenance payments under this section, in the case of children removed from their homes pursuant to voluntary placement agreements as described in subsection (a), only if (at the time such amounts were expended) the State has fulfilled all of the requirements of section 622(b)(8) of this title.

(e) Placements in best interest of child

No Federal payment may be made under this part with respect to amounts expended by any State as foster care maintenance payments under this section, in the case of any child who was removed from his or her home pursuant to a voluntary placement agreement as described in subsection (a) and has remained in voluntary placement for a period in excess of 180 days, unless there has been a judicial determination by a court of competent jurisdiction (within the first 180 days of such placement) to the effect that such placement is in the best interests of the child.

(f) “Voluntary placement” and “voluntary placement agreement” defined

For the purposes of this part and part B of this subchapter, (1) the term “voluntary placement” means an out-of-home placement of a minor, by or with participation of a State agency, after the parents or guardians of the minor have requested the assistance of the agency and signed a voluntary placement agreement; and (2) the term “voluntary placement agreement” means a written agreement, binding on the parties to the agreement, between the State agency, any other agency acting on its behalf, and the parents or guardians of a minor child which specifies, at a minimum, the legal status of the child and the rights and obligations of the parents or guardians, the child, and the agency while the child is in placement.

(g) Revocation of voluntary placement agreement

In any case where—

(1) the placement of a minor child in foster care occurred pursuant to a voluntary placement agreement entered into by the parents or guardians of such child as provided in subsection (a), and

(2) such parents or guardians request (in such manner and form as the Secretary may prescribe) that the child be returned to their home or to the home of a relative,

the voluntary placement agreement shall be deemed to be revoked unless the State agency opposes such request and obtains a judicial determination, by a court of competent jurisdiction, that the return of the child to such home would be contrary to the child’s best interests.

(h) Aid for dependent children; assistance for minor children in needy families

(1) For purposes of subchapter XIX, any child with respect to whom foster care maintenance payments are made under this section is deemed to be a dependent child as defined in section 606 of this title (as in effect as of July 16, 1996) and deemed to be a recipient of aid to families with dependent children under part A of this subchapter (as so in effect). For purposes of division

A¹ of subchapter XX, any child with respect to whom foster care maintenance payments are made under this section is deemed to be a minor child in a needy family under a State program funded under part A of this subchapter and is deemed to be a recipient of assistance under such part.

(2) For purposes of paragraph (1), a child whose costs in a foster family home or child care institution are covered by the foster care maintenance payments being made with respect to the child’s minor parent, as provided in section 675(4)(B) of this title, shall be considered a child with respect to whom foster care maintenance payments are made under this section.

(i) Administrative costs associated with otherwise eligible children not in licensed foster care settings

Expenditures by a State that would be considered administrative expenditures for purposes of section 674(a)(3) of this title if made with respect to a child who was residing in a foster family home or child-care institution shall be so considered with respect to a child not residing in such a home or institution—

(1) in the case of a child who has been removed in accordance with subsection (a) of this section from the home of a relative specified in section 606(a) of this title (as in effect on July 16, 1996), only for expenditures—

(A) with respect to a period of not more than the lesser of 12 months or the average length of time it takes for the State to license or approve a home as a foster home, in which the child is in the home of a relative and an application is pending for licensing or approval of the home as a foster family home; or

(B) with respect to a period of not more than 1 calendar month when a child moves from a facility not eligible for payments under this part into a foster family home or child care institution licensed or approved by the State; and

(2) in the case of any other child who is potentially eligible for benefits under a State plan approved under this part and at imminent risk of removal from the home, only if—

(A) reasonable efforts are being made in accordance with section 671(a)(15) of this title to prevent the need for, or if necessary to pursue, removal of the child from the home; and

(B) the State agency has made, not less often than every 6 months, a determination (or redetermination) as to whether the child remains at imminent risk of removal from the home.

(j) Children placed with a parent residing in a licensed residential family-based treatment facility for substance abuse

(1) In general

Notwithstanding the preceding provisions of this section, a child who is eligible for foster care maintenance payments under this section, or who would be eligible for the payments if the eligibility were determined with-

¹ See References in Text note below.

out regard to paragraphs (1)(B) and (3) of subsection (a), shall be eligible for the payments for a period of not more than 12 months during which the child is placed with a parent who is in a licensed residential family-based treatment facility for substance abuse, but only if—

(A) the recommendation for the placement is specified in the child's case plan before the placement;

(B) the treatment facility provides, as part of the treatment for substance abuse, parenting skills training, parent education, and individual and family counseling; and

(C) the substance abuse treatment, parenting skills training, parent education, and individual and family counseling is provided under an organizational structure and treatment framework that involves understanding, recognizing, and responding to the effects of all types of trauma and in accordance with recognized principles of a trauma-informed approach and trauma-specific interventions to address the consequences of trauma and facilitate healing.

(2) Application

With respect to children for whom foster care maintenance payments are made under paragraph (1), only the children who satisfy the requirements of paragraphs (1)(B) and (3) of subsection (a) shall be considered to be children with respect to whom foster care maintenance payments are made under this section for purposes of subsection (h) or section 673(b)(3)(B) of this title.

(k) Limitation on Federal financial participation

(1) In general

Beginning with the third week for which foster care maintenance payments are made under this section on behalf of a child placed in a child-care institution, no Federal payment shall be made to the State under section 674(a)(1) of this title for amounts expended for foster care maintenance payments on behalf of the child unless—

(A) the child is placed in a child-care institution that is a setting specified in paragraph (2) (or is placed in a licensed residential family-based treatment facility consistent with subsection (j)); and

(B) in the case of a child placed in a qualified residential treatment program (as defined in paragraph (4)), the requirements specified in paragraph (3) and section 675a(c) of this title are met.

(2) Specified settings for placement

The settings for placement specified in this paragraph are the following:

(A) A qualified residential treatment program (as defined in paragraph (4)).

(B) A setting specializing in providing prenatal, post-partum, or parenting supports for youth.

(C) In the case of a child who has attained 18 years of age, a supervised setting in which the child is living independently.

(D) A setting providing high-quality residential care and supportive services to children and youth who have been found to be,

or are at risk of becoming, sex trafficking victims, in accordance with section 671(a)(9)(C) of this title.

(3) Assessment to determine appropriateness of placement in a qualified residential treatment program

(A) Deadline for assessment

In the case of a child who is placed in a qualified residential treatment program, if the assessment required under section 675a(c)(1) of this title is not completed within 30 days after the placement is made, no Federal payment shall be made to the State under section 674(a)(1) of this title for any amounts expended for foster care maintenance payments on behalf of the child during the placement.

(B) Deadline for transition out of placement

If the assessment required under section 675a(c)(1) of this title determines that the placement of a child in a qualified residential treatment program is not appropriate, a court disapproves such a placement under section 675a(c)(2) of this title, or a child who has been in an approved placement in a qualified residential treatment program is going to return home or be placed with a fit and willing relative, a legal guardian, or an adoptive parent, or in a foster family home, Federal payments shall be made to the State under section 674(a)(1) of this title for amounts expended for foster care maintenance payments on behalf of the child while the child remains in the qualified residential treatment program only during the period necessary for the child to transition home or to such a placement. In no event shall a State receive Federal payments under section 674(a)(1) of this title for amounts expended for foster care maintenance payments on behalf of a child who remains placed in a qualified residential treatment program after the end of the 30-day period that begins on the date a determination is made that the placement is no longer the recommended or approved placement for the child.

(4) Qualified residential treatment program

For purposes of this part, the term "qualified residential treatment program" means a program that—

(A) has a trauma-informed treatment model that is designed to address the needs, including clinical needs as appropriate, of children with serious emotional or behavioral disorders or disturbances and, with respect to a child, is able to implement the treatment identified for the child by the assessment of the child required under section 675a(c) of this title;

(B) subject to paragraphs (5) and (6), has registered or licensed nursing staff and other licensed clinical staff who—

(i) provide care within the scope of their practice as defined by State law;

(ii) are on-site according to the treatment model referred to in subparagraph (A); and

(iii) are available 24 hours a day and 7 days a week;

(C) to extent appropriate, and in accordance with the child's best interests, facilitates participation of family members in the child's treatment program;

(D) facilitates outreach to the family members of the child, including siblings, documents how the outreach is made (including contact information), and maintains contact information for any known biological family and fictive kin of the child;

(E) documents how family members are integrated into the treatment process for the child, including post-discharge, and how sibling connections are maintained;

(F) provides discharge planning and family-based aftercare support for at least 6 months post-discharge; and

(G) is licensed in accordance with section 671(a)(10) of this title and is accredited by any of the following independent, not-for-profit organizations:

- (ii) The Joint Commission on Accreditation of Healthcare Organizations (JCAHO).
- (iii) The Council on Accreditation (COA).
- (iv) Any other independent, not-for-profit accrediting organization approved by the Secretary.

(5) Administrative costs

The prohibition in paragraph (1) on Federal payments under section 674(a)(1) of this title shall not be construed as prohibiting Federal payments for administrative expenditures incurred on behalf of a child placed in a child-care institution and for which payment is available under section 674(a)(3) of this title.

(6) Rule of construction

The requirements in paragraph (4)(B) shall not be construed as requiring a qualified residential treatment program to acquire nursing and behavioral health staff solely through means of a direct employer to employee relationship.

(a) Agreements with adoptive parents of children with special needs; State payments; qualifying children; amount of payments; changes in circumstances; placement period prior to adoption; nonrecurring adoption expenses

(1)(A) Each State having a plan approved under this part shall enter into adoption assistance agreements (as defined in section 675(3) of this title) with the adoptive parents of children with special needs.

(B) Under any adoption assistance agreement entered into by a State with parents who adopt a child with special needs, the State—

(i) shall make payments of nonrecurring adoption expenses incurred by or on behalf of such parents in connection with the adoption of such child, directly through the State agency or through another public or nonprofit private agency, in amounts determined under paragraph (3), and

(ii) in any case where the child meets the requirements of paragraph (2), may make adoption assistance payments to such parents, directly through the State agency or through another public or nonprofit private agency, in amounts so determined.

(2)(A) For purposes of paragraph (1)(B)(ii), a child meets the requirements of this paragraph if—

(i) in the case of a child who is not an applicable child for the fiscal year (as defined in subsection (e)), the child—

(I)(aa)(AA) was removed from the home of a relative specified in section 606(a) of this title (as in effect on July 16, 1996) and placed in foster care in accordance with a voluntary placement agreement with respect to which Federal payments are provided under section 674 of this title (or section 603 of this title, as such section was in effect on July 16, 1996), or in accordance with a judicial determination to the effect that continuation in the home would be contrary to the welfare of the child; and

(BB) met the requirements of section 672(a)(3) of this title with respect to the home referred to in subitem (AA) of this item;

(bb) meets all of the requirements of subchapter XVI with respect to eligibility for supplemental security income benefits; or

(cc) is a child whose costs in a foster family home or child-care institution are covered by the foster care maintenance payments being made with respect to the minor parent of the child as provided in section 675(4)(B) of this title; and

(II) has been determined by the State, pursuant to subsection (c)(1) of this section, to be a child with special needs; or

(ii) in the case of a child who is an applicable child for the fiscal year (as so defined), the child—

(I)(aa) at the time of initiation of adoption proceedings was in the care of a public or licensed private child placement agency or Indian tribal organization pursuant to—

(AA) an involuntary removal of the child from the home in accordance with a judicial determination to the effect that continuation in the home would be contrary to the welfare of the child; or

(BB) a voluntary placement agreement or voluntary relinquishment;

(bb) meets all medical or disability requirements of subchapter XVI with respect to eligibility for supplemental security income benefits; or

(cc) was residing in a foster family home or child care institution with the child's minor parent, and the child's minor parent was in such foster family home or child care institution pursuant to—

(AA) an involuntary removal of the child from the home in accordance with a judicial determination to the effect that continuation in the home would be contrary to the welfare of the child; or

(BB) a voluntary placement agreement or voluntary relinquishment; and

(II) has been determined by the State, pursuant to subsection (c)(2), to be a child with special needs.

(B) Section 672(a)(4) of this title shall apply for purposes of subparagraph (A) of this paragraph, in any case in which the child is an alien described in such section.

(C) A child shall be treated as meeting the requirements of this paragraph for the purpose of paragraph (1)(B)(ii) if—

(i) in the case of a child who is not an applicable child for the fiscal year (as defined in subsection (e)), the child—

(I) meets the requirements of subparagraph (A)(i)(II);

(II) was determined eligible for adoption assistance payments under this part with respect to a prior adoption;

(III) is available for adoption because—

(aa) the prior adoption has been dissolved, and the parental rights of the adoptive parents have been terminated; or

(bb) the child's adoptive parents have died; and

(IV) fails to meet the requirements of subparagraph (A)(i) but would meet such requirements if—

(aa) the child were treated as if the child were in the same financial and other circumstances the child was in the last time the child was determined eligible for adoption assistance payments under this part; and

(bb) the prior adoption were treated as never having occurred; or

(ii) in the case of a child who is an applicable child for the fiscal year (as so defined), the child meets the requirements of subparagraph (A)(ii)(II), is determined eligible for adoption assistance payments under this part with respect to a prior adoption (or who would have been determined eligible for such payments had the Adoption and Safe Families Act of 1997 been in effect at the time that such determination would have been made), and is available for adoption because the prior adoption

has been dissolved and the parental rights of the adoptive parents have been terminated or because the child's adoptive parents have died.

(D) In determining the eligibility for adoption assistance payments of a child in a legal guardianship arrangement described in section 671(a)(28) of this title, the placement of the child with the relative guardian involved and any kinship guardianship assistance payments made on behalf of the child shall be considered never to have been made.

(3) The amount of the payments to be made in any case under clauses (i) and (ii) of paragraph (1)(B) shall be determined through agreement between the adoptive parents and the State or local agency administering the program under this section, which shall take into consideration the circumstances of the adopting parents and the needs of the child being adopted, and may be readjusted periodically, with the concurrence of the adopting parents (which may be specified in the adoption assistance agreement), depending upon changes in such circumstances. However, in no case may the amount of the adoption assistance payment made under clause (ii) of paragraph (1)(B) exceed the foster care maintenance payment which would have been paid during the period if the child with respect to whom the adoption assistance payment is made had been in a foster family home.

(4)(A) Notwithstanding any other provision of this section, a payment may not be made pursuant to this section to parents or relative guardians with respect to a child—

(i) who has attained—

(I) 18 years of age, or such greater age as the State may elect under section 675(8)(B)(iii) of this title; or

(II) 21 years of age, if the State determines that the child has a mental or physical handicap which warrants the continuation of assistance;

(ii) who has not attained 18 years of age, if the State determines that the parents or relative guardians, as the case may be, are no longer legally responsible for the support of the child; or

(iii) if the State determines that the child is no longer receiving any support from the parents or relative guardians, as the case may be.

(B) Parents or relative guardians who have been receiving adoption assistance payments or kinship guardianship assistance payments under this section shall keep the State or local agency administering the program under this section informed of circumstances which would, pursuant to this subsection, make them ineligible for the payments, or eligible for the payments in a different amount.

(5) For purposes of this part, individuals with whom a child (who has been determined by the State, pursuant to subsection (c), to be a child with special needs) is placed for adoption in accordance with applicable State and local law shall be eligible for such payments, during the period of the placement, on the same terms and subject to the same conditions as if such individuals had adopted such child.

(6)(A) For purposes of paragraph (1)(B)(i), the term "nonrecurring adoption expenses" means

reasonable and necessary adoption fees, court costs, attorney fees, and other expenses which are directly related to the legal adoption of a child with special needs and which are not incurred in violation of State or Federal law.

(B) A State's payment of nonrecurring adoption expenses under an adoption assistance agreement shall be treated as an expenditure made for the proper and efficient administration of the State plan for purposes of section 674(a)(3)(E) of this title.

(7)(A) Notwithstanding any other provision of this subsection, no payment may be made to parents with respect to any applicable child for a fiscal year that—

- (i) would be considered a child with special needs under subsection (c)(2);
- (ii) is not a citizen or resident of the United States; and
- (iii) was adopted outside of the United States or was brought into the United States for the purpose of being adopted.

(B) Subparagraph (A) shall not be construed as prohibiting payments under this part for an applicable child described in subparagraph (A) that is placed in foster care subsequent to the failure, as determined by the State, of the initial adoption of the child by the parents described in subparagraph (A).

(8)(A) A State shall calculate the savings (if any) resulting from the application of paragraph (2)(A)(ii) to all applicable children for a fiscal year, using a methodology specified by the Secretary or an alternate methodology proposed by the State and approved by the Secretary.

(B) A State shall annually report to the Secretary—

- (i) the methodology used to make the calculation described in subparagraph (A), without regard to whether any savings are found;
- (ii) the amount of any savings referred to in subparagraph (A); and
- (iii) how any such savings are spent, accounting for and reporting the spending separately from any other spending reported to the Secretary under part B or this part.

(C) The Secretary shall make all information reported pursuant to subparagraph (B) available on the website of the Department of Health and Human Services in a location easily accessible to the public.

(D)(i) A State shall spend an amount equal to the amount of the savings (if any) in State expenditures under this part resulting from the application of paragraph (2)(A)(ii) to all applicable children for a fiscal year, to provide to children of families any service that may be provided under part B or this part. A State shall spend not less than 30 percent of any such savings on post-adoption services, post-guardianship services, and services to support and sustain positive permanent outcomes for children who otherwise might enter into foster care under the responsibility of the State, with at least $\frac{2}{3}$ of the spending by the State to comply with such 30 percent requirement being spent on post-adoption and post-guardianship services.

(ii) Any State spending required under clause (i) shall be used to supplement, and not supplant, any Federal or non-Federal funds used to provide any service under part B or this part.

(b) Aid for dependent children; assistance for minor children in needy families

(1) For purposes of subchapter XIX, any child who is described in paragraph (3) is deemed to be a dependent child as defined in section 606 of this title (as in effect as of July 16, 1996) and deemed to be a recipient of aid to families with dependent children under part A of this subchapter (as so in effect) in the State where such child resides.

(2) For purposes of division A¹ of subchapter XX, any child who is described in paragraph (3) is deemed to be a minor child in a needy family under a State program funded under part A of this subchapter and deemed to be a recipient of assistance under such part.

(3) A child described in this paragraph is any child—

(A)(i) who is a child described in subsection (a)(2), and

(ii) with respect to whom an adoption assistance agreement is in effect under this section (whether or not adoption assistance payments are provided under the agreement or are being made under this section), including any such child who has been placed for adoption in accordance with applicable State and local law (whether or not an interlocutory or other judicial decree of adoption has been issued),

(B) with respect to whom foster care maintenance payments are being made under section 672 of this title, or

(C) with respect to whom kinship guardianship assistance payments are being made pursuant to subsection (d).

(4) For purposes of paragraphs (1) and (2), a child whose costs in a foster family home or child-care institution are covered by the foster care maintenance payments being made with respect to the child's minor parent, as provided in section 675(4)(B) of this title, shall be considered a child with respect to whom foster care maintenance payments are being made under section 672 of this title.

(c) Children with special needs

For purposes of this section—

(1) in the case of a child who is not an applicable child for a fiscal year, the child shall not be considered a child with special needs unless—

(A) the State has determined that the child cannot or should not be returned to the home of his parents; and

(B) the State had first determined (A) that there exists with respect to the child a specific factor or condition (such as his ethnic background, age, or membership in a minority or sibling group, or the presence of factors such as medical conditions or physical, mental, or emotional handicaps) because of which it is reasonable to conclude that such child cannot be placed with adoptive parents without providing adoption assistance under this section or medical assistance under subchapter XIX, and (B) that, except where it would be against the best interests of the child because of such factors as the exist-

ence of significant emotional ties with prospective adoptive parents while in the care of such parents as a foster child, a reasonable, but unsuccessful, effort has been made to place the child with appropriate adoptive parents without providing adoption assistance under this section or medical assistance under subchapter XIX; or

(2) in the case of a child who is an applicable child for a fiscal year, the child shall not be considered a child with special needs unless—

(A) the State has determined, pursuant to a criterion or criteria established by the State, that the child cannot or should not be returned to the home of his parents;

(B)(i) the State has determined that there exists with respect to the child a specific factor or condition (such as ethnic background, age, or membership in a minority or sibling group, or the presence of factors such as medical conditions or physical, mental, or emotional handicaps) because of which it is reasonable to conclude that the child cannot be placed with adoptive parents without providing adoption assistance under this section and medical assistance under subchapter XIX; or

(ii) the child meets all medical or disability requirements of subchapter XVI with respect to eligibility for supplemental security income benefits; and

(C) the State has determined that, except where it would be against the best interests of the child because of such factors as the existence of significant emotional ties with prospective adoptive parents while in the care of the parents as a foster child, a reasonable, but unsuccessful, effort has been made to place the child with appropriate adoptive parents without providing adoption assistance under this section or medical assistance under subchapter XIX.

(D) No effect on Federal reimbursement

Nothing in subparagraph (B)(iv) shall be construed as affecting the ability of the State to obtain reimbursement from the Federal Government for costs described in that subparagraph.

(2) Limitations on amount of kinship guardianship assistance payment

A kinship guardianship assistance payment on behalf of a child shall not exceed the foster care maintenance payment which would have been paid on behalf of the child if the child had remained in a foster family home.

A child is eligible for a kinship guardianship assistance payment under this subsection if the State agency determines the following:

propriateness of the arrangement for the siblings; and
(ii) kinship guardianship assistance payments may be paid on behalf of each sibling so placed.

(C) Eligibility not affected by replacement of guardian with a successor guardian

In the event of the death or incapacity of the relative guardian, the eligibility of a child for a kinship guardianship assistance payment under this subsection shall not be affected by reason of the replacement of the relative guardian with a successor legal guardian named in the kinship guardianship assistance agreement referred to in paragraph (1) (including in any amendment to the agreement), notwithstanding subparagraph (A) of this paragraph and section 671(a)(28) of this title.

FINDINGS

Pub. L. 108-145, § 2, Dec. 2, 2003, 117 Stat. 1879, provided that: "The Congress finds the following:

"(1) In 1997, the Congress passed the Adoption and Safe Families Act of 1997 [Pub. L. 105-89; see Short Title of 1997 Amendment note set out under section 1305 of this title] to promote comprehensive child welfare reform to ensure that consideration of children's safety is paramount in child welfare decisions, and to provide a greater sense of urgency to find every child a safe, permanent home.

"(2) The Adoption and Safe Families Act of 1997 also created the Adoption Incentives program, which authorizes incentive payments to States to promote adoptions, with additional incentives provided for the adoption of foster children with special needs.

"(3) Since 1997, all States, the District of Columbia, and Puerto Rico have qualified for incentive payments for their work in promoting adoption of foster children.

"(4) Between 1997 and 2002, adoptions increased by 64 percent, and adoptions of children with special needs increased by 63 percent; however, 542,000 children remain in foster care, and 126,000 are eligible for adoption.

"(5) Although substantial progress has been made to promote adoptions, attention should be focused on promoting adoption of older children. Recent data suggest that half of the children waiting to be adopted are age 9 or older."

(b) Quarterly estimates of State's entitlement for next quarter; payments; United States' pro rata share of amounts recovered as overpayment; allowance, disallowance, or deferral of claim

(1) The Secretary shall, prior to the beginning of each quarter, estimate the amount to which a

State will be entitled under subsection (a) for such quarter, such estimates to be based on (A) a report filed by the State containing its estimate of the total sum to be expended in such quarter in accordance with subsection (a), and stating the amount appropriated or made available by the State and its political subdivisions for such expenditures in such quarter, and if such amount is less than the State's proportionate share of the total sum of such estimated expenditures, the source or sources from which the difference is expected to be derived, (B) records showing the number of children in the State receiving assistance under this part, and (C) such other investigation as the Secretary may find necessary.

(2) The Secretary shall then pay to the State, in such installments as he may determine, the amounts so estimated, reduced or increased to the extent of any overpayment or underpayment which the Secretary determines was made under this section to such State for any prior quarter and with respect to which adjustment has not already been made under this subsection.

(3) The pro rata share to which the United States is equitably entitled, as determined by the Secretary, of the net amount recovered during any quarter by the State or any political subdivision thereof with respect to foster care and adoption assistance furnished under the State plan shall be considered an overpayment to be adjusted under this subsection.

(c) Automated data collection expenditures

The Secretary shall treat as necessary for the proper and efficient administration of the State plan all expenditures of a State necessary in order for the State to plan, design, develop, install, and operate data collection and information retrieval systems described in subsection (a)(3)(C), without regard to whether the systems may be used with respect to foster or adoptive children other than those on behalf of whom foster care maintenance payments or adoption assistance payments may be made under this part.

(e) Discretionary grants for educational and training vouchers for youths aging out of foster care

From amounts appropriated pursuant to section 677(h)(2) of this title, the Secretary may make a grant to a State with a plan approved under this part, for a calendar quarter, in an amount equal to the lesser of—

(1) If the Secretary finds that a State has failed to submit to the Secretary data, as re-

quired by regulation, for the data collection system implemented under section 679 of this title, the Secretary shall, within 30 days after the date by which the data was due to be so submitted, notify the State of the failure and that payments to the State under this part will be reduced if the State fails to submit the data, as so required, within 6 months after the date the data was originally due to be so submitted.

(2) If the Secretary finds that the State has failed to submit the data, as so required, by the end of the 6-month period referred to in paragraph (1) of this subsection, then, notwithstanding subsection (a) of this section and any regulations promulgated under section 1320a-2a(b)(3) of this title, the Secretary shall reduce the amounts otherwise payable to the State under this part, for each quarter ending in the 6-month period (and each quarter ending in each subsequent consecutively occurring 6-month period until the Secretary finds that the State has submitted the data, as so required), by—

(A) $\frac{1}{6}$ of 1 percent of the total amount expended by the State for administration of foster care activities under the State plan approved under this part in the quarter so ending, in the case of the 1st 6-month period during which the failure continues; or

(B) $\frac{1}{4}$ of 1 percent of the total amount so expended, in the case of the 2nd or any subsequent such 6-month period.

(B) A plan for assuring that the child receives safe and proper care and that services are provided to the parents, child, and foster parents in order to improve the conditions in the parents’ home, facilitate return of the

child to his own safe home or the permanent placement of the child, and address the needs of the child while in foster care, including a discussion of the appropriateness of the services that have been provided to the child under the plan. With respect to a child who has attained 14 years of age, the plan developed for the child in accordance with this paragraph, and any revision or addition to the plan, shall be developed in consultation with the child and, at the option of the child, with up to 2 members of the case planning team who are chosen by the child and who are not a foster parent of, or caseworker for, the child. A State may reject an individual selected by a child to be a member of the case planning team at any time if the State has good cause to believe that the individual would not act in the best interests of the child. One individual selected by a child to be a member of the child’s case planning team may be designated to be the child’s advisor and, as necessary, advocate, with respect to the application of the reasonable and prudent parent standard to the child.

(E) In the case of a child with respect to whom the permanency plan is adoption or placement in another permanent home, documentation of the steps the agency is taking to find an adoptive family or other permanent living arrangement for the child, to place the child with an adoptive family, a fit and willing relative, a legal guardian, or in another planned permanent living arrangement, and to finalize the adoption or legal guardianship. At a minimum, such documentation shall include child specific recruitment efforts such as the use of State, regional, and national adoption exchanges including electronic exchange systems to facilitate orderly and timely in-State and interstate placements.

(F) In the case of a child with respect to whom the permanency plan is placement with a relative and receipt of kinship guardianship assistance payments under section 673(d) of this title, a description of—

(v) the efforts the agency has made to discuss adoption by the child's relative foster parent as a more permanent alternative to legal guardianship and, in the case of a relative foster parent who has chosen not to pursue adoption, documentation of the reasons therefor; and

(vi) the efforts made by the State agency to discuss with the child's parent or parents the kinship guardianship assistance arrangement, or the reasons why the efforts were not made.

(G) A plan for ensuring the educational stability of the child while in foster care, including—

(i) assurances that each placement of the child in foster care takes into account the appropriateness of the current educational setting and the proximity to the school in which the child is enrolled at the time of placement; and

(ii)(I) an assurance that the State agency has coordinated with appropriate local educational agencies (as defined under section 7801 of title 20) to ensure that the child remains in the school in which the child is enrolled at the time of each placement; or

(II) if remaining in such school is not in the best interests of the child, assurances by the State agency and the local educational agencies to provide immediate and appropriate enrollment in a new school, with all of the educational records of the child provided to the school.

(2) The term "parents" means biological or adoptive parents or legal guardians, as determined by applicable State law.

(3) The term "adoption assistance agreement" means a written agreement, binding on the parties to the agreement, between the State agency, other relevant agencies, and the prospective adoptive parents of a minor child which at a minimum (A) specifies the nature and amount of any payments, services, and assistance to be provided under such agreement, and (B) stipulates that the agreement shall remain in effect regardless of the State of which the adoptive parents are residents at any given time. The agreement shall contain provisions for the protection (under an interstate compact approved by the Secretary or otherwise) of the interests of the child in cases where the adoptive parents and child move to another State while the agreement is effective.

(4)(A) The term "foster care maintenance payments" means payments to cover the cost of (and the cost of providing) food, clothing, shelter, daily supervision, school supplies, a

(5) The term "case review system" means a procedure for assuring that—

(A) each child has a case plan designed to achieve placement in a safe setting that is the least restrictive (most family like) and most appropriate setting available and in close proximity to the parents' home, consistent with the best interest and special needs of the child, which—

(i) if the child has been placed in a foster family home or child-care institution a substantial distance from the home of the parents of the child, or in a State different from the State in which such home is located, sets forth the reasons why such placement is in the best interests of the child, and

(ii) if the child has been placed in foster care outside the State in which the home of the parents of the child is located, requires that, periodically, but not less frequently than every 6 months, a caseworker on the staff of the State agency of the State in which the home of the parents of the child is located, of the State in which the child has been placed, or of a private agency under contract with either such State, visit such child in such home or institution and submit a report on such visit to the State agency of the State in which the home of the parents of the child is located,²

(B) the status of each child is reviewed periodically but no less frequently than once every six months by either a court or by administrative review (as defined in paragraph (6)) in order to determine the safety of the child, the continuing necessity for and appropriateness of the placement, the extent of compliance with the case plan, and the extent of progress which has been made toward

(C) with respect to each such child, (i) procedural safeguards will be applied, among other things, to assure each child in foster care under the supervision of the State of a permanency hearing to be held, in a family or juvenile court or another court (including a tribal court) of competent jurisdiction, or by an administrative body appointed or approved by the court, no later than 12 months after the date the child is considered to have entered foster care (as determined under subparagraph (F)) (and not less frequently than every 12 months thereafter during the continuation of foster care), which hearing shall determine the permanency plan for the child that includes whether, and if applicable when, the child will be returned to the parent, placed for adoption and the State will file a petition for termination of parental rights, or referred for legal guardianship, or only in the case of a child who has attained 16 years of age (in cases where the State agency has documented to the State court a compelling reason for determining, as of the date of the hearing, that it would not be in the best interests of the child to return home, be referred for termination of parental rights, or be placed for adoption, with a fit and willing relative, or with a legal guardian) placed in another planned permanent living arrangement, subject to section 675a(a) of this title, in the case of a child who will not be returned to the parent, the hearing shall consider in-State and out-of-State placement options, and, in the case of a child described in subparagraph (A)(ii), the hearing shall determine whether the out-of-State placement continues to be appropriate and in the best interests of the child, and, in the case of a child who has attained age 14, the services needed to assist the child to make the transition from foster care to a successful adulthood; (ii) procedural safeguards shall be applied with respect to parental rights pertaining to the removal of the child from the home of his parents, to a change in the child's placement, and to any determination affecting visitation privileges of parents; (iii) procedural safeguards shall be applied to assure that in any permanency hearing held with respect to the child, including any hearing regarding the transition of the child from foster care to a successful

(D) a child's health and education record (as described in paragraph (1)(A)) is reviewed and updated, and a copy of the record is supplied to the foster parent or foster care provider with whom the child is placed, at the time of each placement of the child in foster care, and is supplied to the child at no cost at the time the child leaves foster care if the child is leaving foster care by reason of having attained the age of majority under State law;

(E) in the case of a child who has been in foster care under the responsibility of the State for 15 of the most recent 22 months, or, if a court of competent jurisdiction has determined a child to be an abandoned infant (as defined under State law) or has made a determination that the parent has committed murder of another child of the parent, committed voluntary manslaughter of another child of the parent, aided or abetted, attempted, conspired, or solicited to commit such a murder or such a voluntary manslaughter, or committed a felony assault that has resulted in serious bodily injury to the child or to another child of the parent, the State shall file a petition to terminate the parental rights of the child's parents (or, if such a petition has been filed by another party, seek to be joined as a party to the petition), and, concurrently, to identify, recruit, process, and approve a qualified family for an adoption, unless—

(i) at the option of the State, the child is being cared for by a relative;

(ii) a State agency has documented in the case plan (which shall be available for court review) a compelling reason for determining that filing such a petition would not be in the best interests of the child; or

(iii) the State has not provided to the family of the child, consistent with the time period in the State case plan, such services as the State deems necessary for the safe return of the child to the child's home, if reasonable efforts of the type described in section 671(a)(15)(B)(ii) of this title are required to be made with respect to the child;

(F) a child shall be considered to have entered foster care on the earlier of—

(i) the date of the first judicial finding that the child has been subjected to child abuse or neglect; or

(ii) the date that is 60 days after the date on which the child is removed from the home;

(G) the foster parents (if any) of a child and any preadoptive parent or relative providing care for the child are provided with notice of, and a right to be heard in, any proceeding to be held with respect to the child, except that this subparagraph shall not be construed to require that any foster parent, preadoptive parent, or relative providing care for the child be made a party to such a proceeding solely on the basis of such notice and right to be heard;

§ 675a. Additional case plan and case review system requirements

(a) Requirements for another planned permanent living arrangement

In the case of any child for whom another planned permanent living arrangement is the permanency plan determined for the child under section 675(5)(C) of this title, the following requirements shall apply for purposes of approving the case plan for the child and the case system review procedure for the child:

(1) Documentation of intensive, ongoing, unsuccessful efforts for family placement

At each permanency hearing held with respect to the child, the State agency documents the intensive, ongoing, and, as of the date of the hearing, unsuccessful efforts made by the State agency to return the child home or secure a placement for the child with a fit and willing relative (including adult siblings), a legal guardian, or an adoptive parent, including through efforts that utilize search technology (including social media) to find biological family members for the children.

(2) Redetermination of appropriateness of placement at each permanency hearing

The State agency shall implement procedures to ensure that, at each permanency hearing held with respect to the child, the court or administrative body appointed or approved by the court conducting the hearing on the permanency plan for the child does the following:

(A) Ask the child about the desired permanency outcome for the child.

(B) Make a judicial determination explaining why, as of the date of the hearing, another planned permanent living arrangement is the best permanency plan for the child and provide compelling reasons why it continues to not be in the best interests of the child to—

- (i) return home;
- (ii) be placed for adoption;
- (iii) be placed with a legal guardian; or
- (iv) be placed with a fit and willing relative.

(3) Demonstration of support for engaging in age or developmentally-appropriate activities and social events

At each permanency hearing held with respect to the child, the State agency shall document the steps the State agency is taking to ensure that—

(A) the child’s foster family home or child care institution is following the reasonable and prudent parent standard; and

(B) the child has regular, ongoing opportunities to engage in age or developmentally appropriate activities (including by consulting with the child in an age-appropriate manner about the opportunities of the child to participate in the activities).

(b) List of rights

The case plan for any child in foster care under the responsibility of the State who has attained 14 years of age shall include—

(1) a document that describes the rights of the child with respect to education, health, visitation, and court participation, the right to be provided with the documents specified in section 675(5)(I) of this title in accordance with that section, and the right to stay safe and avoid exploitation; and

(2) a signed acknowledgment by the child that the child has been provided with a copy of the document and that the rights contained in the document have been explained to the child in an age-appropriate way.

(c) Assessment, documentation, and judicial determination requirements for placement in a qualified residential treatment program

In the case of any child who is placed in a qualified residential treatment program (as defined in section 672(k)(4) of this title), the following requirements shall apply for purposes of approving the case plan for the child and the case system review procedure for the child:

(1)(A) Within 30 days of the start of each placement in such a setting, a qualified individual (as defined in subparagraph (D)) shall—

(i) assess the strengths and needs of the child using an age-appropriate, evidence-based, validated, functional assessment tool approved by the Secretary;

(ii) determine whether the needs of the child can be met with family members or through placement in a foster family home or, if not, which setting from among the settings specified in section 672(k)(2) of this title would provide the most effective and appropriate level of care for the child in the least restrictive environment and be consistent with the short- and long-term goals for the child, as specified in the permanency plan for the child; and

(iii) develop a list of child-specific short- and long-term mental and behavioral health goals.

(B)(i) The State shall assemble a family and permanency team for the child in accordance with the requirements of clauses (ii) and (iii). The qualified individual conducting the assessment required under subparagraph (A) shall work in conjunction with the family of, and permanency team for, the child while conducting and making the assessment.

(ii) The family and permanency team shall consist of all appropriate biological family members, relative, and fictive kin of the child, as well as, as appropriate, professionals who are a resource to the family of the child, such as teachers, medical or mental health providers who have treated the child, or clergy. In the case of a child who has attained age 14, the family and permanency team shall include the members of the permanency planning team for the child that are selected by the child in accordance with section 675(5)(C)(iv) of this title.

(iii) The State shall document in the child’s case plan—

(I) the reasonable and good faith effort of the State to identify and include all the in-

dividuals described in clause (ii) on the child's family and permanency team;

(II) all contact information for members of the family and permanency team, as well as contact information for other family members and fictive kin who are not part of the family and permanency team;

(III) evidence that meetings of the family and permanency team, including meetings relating to the assessment required under subparagraph (A), are held at a time and place convenient for family;

(IV) if reunification is the goal, evidence demonstrating that the parent from whom the child was removed provided input on the members of the family and permanency team;

(V) evidence that the assessment required under subparagraph (A) is determined in conjunction with the family and permanency team;

(VI) the placement preferences of the family and permanency team relative to the assessment that recognizes children should be placed with their siblings unless there is a finding by the court that such placement is contrary to their best interest; and

(VII) if the placement preferences of the family and permanency team and child are not the placement setting recommended by the qualified individual conducting the assessment under subparagraph (A), the reasons why the preferences of the team and of the child were not recommended.

(C) In the case of a child who the qualified individual conducting the assessment under subparagraph (A) determines should not be placed in a foster family home, the qualified individual shall specify in writing the reasons why the needs of the child cannot be met by the family of the child or in a foster family home. A shortage or lack of foster family homes shall not be an acceptable reason for determining that the needs of the child cannot be met in a foster family home. The qualified individual also shall specify in writing why the recommended placement in a qualified residential treatment program is the setting that will provide the child with the most effective and appropriate level of care in the least restrictive environment and how that placement is consistent with the short- and long-term goals for the child, as specified in the permanency plan for the child.

(D)(i) Subject to clause (ii), in this subsection, the term "qualified individual" means a trained professional or licensed clinician who is not an employee of the State agency and who is not connected to, or affiliated with, any placement setting in which children are placed by the State.

(ii) The Secretary may approve a request of a State to waive any requirement in clause (i) upon a submission by the State, in accordance with criteria established by the Secretary, that certifies that the trained professionals or licensed clinicians with responsibility for performing the assessments described in subparagraph (A) shall maintain objectivity with respect to determining the most effective and appropriate placement for a child.

(2) Within 60 days of the start of each placement in a qualified residential treatment program, a family or juvenile court or another court (including a tribal court) of competent jurisdiction, or an administrative body appointed or approved by the court, independently, shall—

(A) consider the assessment, determination, and documentation made by the qualified individual conducting the assessment under paragraph (1);

(B) determine whether the needs of the child can be met through placement in a foster family home or, if not, whether placement of the child in a qualified residential treatment program provides the most effective and appropriate level of care for the child in the least restrictive environment and whether that placement is consistent with the short- and long-term goals for the child, as specified in the permanency plan for the child; and

(C) approve or disapprove the placement.

(3) The written documentation made under paragraph (1)(C) and documentation of the determination and approval or disapproval of the placement in a qualified residential treatment program by a court or administrative body under paragraph (2) shall be included in and made part of the case plan for the child.

(4) As long as a child remains placed in a qualified residential treatment program, the State agency shall submit evidence at each status review and each permanency hearing held with respect to the child—

(A) demonstrating that ongoing assessment of the strengths and needs of the child continues to support the determination that the needs of the child cannot be met through placement in a foster family home, that the placement in a qualified residential treatment program provides the most effective and appropriate level of care for the child in the least restrictive environment, and that the placement is consistent with the short- and long-term goals for the child, as specified in the permanency plan for the child;

(B) documenting the specific treatment or service needs that will be met for the child in the placement and the length of time the child is expected to need the treatment or services; and

(C) documenting the efforts made by the State agency to prepare the child to return home or to be placed with a fit and willing relative, a legal guardian, or an adoptive parent, or in a foster family home.

(5) In the case of any child who is placed in a qualified residential treatment program for more than 12 consecutive months or 18 non-consecutive months (or, in the case of a child who has not attained age 13, for more than 6 consecutive or nonconsecutive months), the State agency shall submit to the Secretary—

(A) the most recent versions of the evidence and documentation specified in paragraph (4); and

(B) the signed approval of the head of the State agency for the continued placement of the child in that setting.

FINDINGS

Pub. L. 106-169, title I, §101(a), Dec. 14, 1999, 113 Stat. 1823, provided that: “The Congress finds the following:

“(1) States are required to make reasonable efforts to find adoptive families for all children, including older children, for whom reunification with their biological family is not in the best interests of the child. However, some older children will continue to live in foster care. These children should be enrolled in an Independent Living program designed and conducted by State and local government to help prepare them for employment, postsecondary education, and successful management of adult responsibilities.

“(2) Older children who continue to be in foster care as adolescents may become eligible for Independent Living programs. These Independent Living programs are not an alternative to adoption for these children. Enrollment in Independent Living programs can occur concurrent with continued efforts to locate and achieve placement in adoptive families for older children in foster care.

“(3) About 20,000 adolescents leave the Nation’s foster care system each year because they have reached 18 years of age and are expected to support themselves.

“(4) Congress has received extensive information that adolescents leaving foster care have significant difficulty making a successful transition to adulthood; this information shows that children aging out of foster care show high rates of homelessness, non-marital childbearing, poverty, and delinquent or criminal behavior; they are also frequently the target of crime and physical assaults.

“(5) The Nation’s State and local governments, with financial support from the Federal Government, should offer an extensive program of education, training, employment, and financial support for young adults leaving foster care, with participation in such program beginning several years before high school graduation and continuing, as needed, until the young adults emancipated from foster care establish independence or reach 21 years of age.”

STUDY AND REPORT EVALUATING EFFECTIVENESS OF PROGRAMS

“(1) STUDY.—The Secretary of Health and Human Services shall study the programs authorized under section 477 of the Social Security Act [42 U.S.C. 677] for the purposes of evaluating the effectiveness of the programs. The study shall include a comparison of outcomes of children who participated in the programs and a comparable group of children who did not participate in the programs.

“(2) REPORT.—Upon completion of the study, the Secretary shall issue a report to the Committee on Finance of the Senate and the Committee on Ways and Means of the House of Representatives.”

§ 678. Rule of construction

Nothing in this part shall be construed as precluding State courts from exercising their discretion to protect the health and safety of children in individual cases, including cases other than those described in section 671(a)(15)(D) of this title.
