§ 1421i. Income tax

(a) Applicability of Federal laws; separate tax

The income-tax laws in force in the United States of America and those which may hereafter be enacted shall be held to be likewise in force in Guam: *Provided*, That notwithstanding any other provision of law, the Legislature of Guam may levy a separate tax on all taxpayers in an amount not to exceed 10 per centum of their annual income tax obligation to the Government of Guam.

(b) Guam Territorial income tax

The income-tax laws in force in Guam pursuant to subsection (a) of this section shall be deemed to impose a separate Territorial income tax, payable to the government of Guam, which tax is designated the “Guam Territorial income tax”.

(c) Enforcement of tax

The administration and enforcement of the Guam Territorial income tax shall be performed by or under the supervision of the Governor. Any function needful to the administration and enforcement of the income-tax laws in force in Guam pursuant to subsection (a) of this section shall be performed by any officer or employee of the government of Guam duly authorized by the Governor (either directly, or indirectly by one or more redelegations of authority) to perform such function.

(d) “Income-tax laws” defined; administration and enforcement; rules and regulations

(1) The income-tax laws in force in Guam pursuant to subsection (a) of this section include but are not limited to the following provisions of the Internal Revenue Code of 1986, where not manifestly inapplicable or incompatible with the intent of this section: Subtitle A [26 U.S.C. 1 et seq.] (not including chapter 2 [26 U.S.C. 1401 et seq.] and section 931 [26 U.S.C. 931]); chapters 24 and 25 of subtitle C [26 U.S.C. 3401 et seq. and 3501 et seq.], with reference to the collection of income tax at source on wages; and all provisions of subtitle F [26 U.S.C. 6001 et seq.] which apply to the income tax, including provisions as to crimes, other offenses, and forfeitures contained in chapter 75 [26 U.S.C. 7201 et seq.]. For the period after 1950 and prior to the effective date of the repeal of any provision of the Internal Revenue Code of 1939 which corresponds to one or more of those provisions of the Internal Revenue Code of 1986 which are included in the income-tax laws in force in Guam pursuant to subsection (a) of this section, such income-tax laws include but are not limited to such provisions of the Internal Revenue Code of 1939.

(2) The Governor or his delegate shall have the same administrative and enforcement powers and remedies with regard to the Guam Territorial income tax as the Secretary of the Treasury, and other United States officials of the executive branch, have with respect to the United States income tax. Needful rules and regulations not inconsistent with the regulations prescribed under section 7654(e) of the Internal Revenue Code of 1986 [26 U.S.C. 7654(e)] for enforcement of the Guam Territorial income tax shall be prescribed by the Governor. The Governor or his delegate shall have authority to issue, from time to time, in whole or in part, the text of the income-tax laws in force in Guam pursuant to subsection (a) of this section.

(3) In applying as the Guam Territorial income tax the income-tax laws in force in Guam pursuant to subsection (a) of this section, the rate of tax under sections 871, 881, 884, 1441, 1442, 1443, 1445, and 1446 of the Internal Revenue Code of 1986 [26 U.S.C. 871, 881, 884, 1441, 1442, 1443, 1445, and 1446] on any item of income from sources within Guam shall be the same as the rate which would apply with respect to such item were Guam treated as part of the United States for purposes of the treaty obligations of the United States. The preceding sentence shall not apply to determine the rate of tax on any item of income received from a Guam payor if, for any taxable year, the taxes of the Guam payor were rebated under Guam law. For purposes of this subsection, the term “Guam payor” means the person from whom the item of income would be deemed to be received for purposes of claiming treaty benefits were Guam treated as part of the United States.

(e) Substitution of terms

In applying as the Guam Territorial income tax the income-tax laws in force in Guam pursuant to subsection (a) of this section, except where it is manifestly otherwise required, the applicable provisions of the Internal Revenue Codes of 1986 and 1939, shall be read so as to substitute “Guam” for “United States”, “Governor or his delegate” for “Secretary or his delegate”, “Governor or his delegate” for “Commissioner of Internal Revenue” and “Collector of Internal Revenue”, “District Court of Guam” for “district court” and with other changes in nomenclature and other language, including the omission of inapplicable language, where necessary to effect the intent of this section.

(f) Criminal offenses; prosecution

Any act or failure to act with respect to the Guam Territorial income tax which constitutes a criminal offense under chapter 75 of subtitle F of the Internal Revenue Code of 1986 [26 U.S.C. 7201 et seq.], or the corresponding provisions of the Internal Revenue Code of 1939, as included in the income-tax laws in force in Guam pursuant to subsection (a) of this section, shall be an offense against the government of Guam and may be prosecuted in the name of the government of Guam by the appropriate officers thereof.

(g) Liens

The government of Guam shall have a lien with respect to the Guam Territorial income tax in the same manner and with the same effect,

and subject to the same conditions, as the United States has a lien with respect to the United States income tax. Such lien in respect of the Guam Territorial income tax shall be enforceable in the name of and by the government of Guam. Where filing of a notice of lien is prescribed by the income-tax laws in force in Guam pursuant to subsection (a) of this section, such notice shall be filed in the Office of the Clerk of the District Court of Guam.

(h) Jurisdiction of District Court; suits for recovery or collection of taxes; payment of judgment

(1) Notwithstanding any provision of section 1424 of this title or any other provision of law to the contrary, the District Court of Guam shall have exclusive original jurisdiction over all judicial proceedings in Guam, both criminal and civil, regardless of the degree of the offense or of the amount involved, with respect to the Guam Territorial income tax.

(2) Suits for the recovery of any Guam Territorial income tax alleged to have been erroneously or illegally assessed or collected, or of any penalty claimed to have been collected without authority, or of any sum alleged to have been excessive or in any manner wrongfully collected, under the income-tax laws in force in Guam, pursuant to subsection (a) of this section, may, regardless of the amount of claim, be maintained against the government of Guam subject to the same statutory requirements as are applicable to suits for the recovery of such amounts maintained against the United States in the United States district courts with respect to the United States income tax. When any judgment against the government of Guam under this paragraph has become final, the Governor shall order the payment of such judgments out of any unencumbered funds in the treasury of Guam.

(3) Execution shall not issue against the Governor or any officer or employee of the government of Guam on a final judgment in any proceeding against him for any acts or for the recovery of money exacted by or paid to him and subsequently paid into the treasury of Guam, in performing his official duties under the income-tax laws in force in Guam pursuant to subsection (a) of this section, if the court certifies that—

(A) probable cause existed; or

(B) such officer or employee acted under the directions of the Governor or his delegate.

When such certificate has been issued, the Governor shall order the payment of such judgment out of any unencumbered funds in the treasury of Guam.

(4) A civil action for the collection of the Guam Territorial income tax, together with fines, penalties, and forfeitures, or for the recovery of any erroneous refund of such tax, may be brought in the name of and by the government of Guam in the District Court of Guam or in any district court of the United States or in any court having the jurisdiction of a district court of the United States.

(5) The jurisdiction conferred upon the District Court of Guam by this subsection shall not be subject to transfer to any other court by the

legislature, notwithstanding section 1424(a) of this title.

cast. The first election for Governor and Lieutenant Governor shall be held on November 3, 1970. Thereafter, beginning with the year 1974, the Governor and Lieutenant Governor shall be elected every four years at the general election. No person who has been elected Governor for two full successive terms shall again be eligible to hold that office until one full term has intervened.

The term of the elected Governor and Lieutenant Governor shall commence on the first Monday of January following the date of election.

No person shall be eligible for election to the office of Governor or Lieutenant Governor unless he is an eligible voter and has been for five consecutive years immediately preceding the election a citizen of the United States and a bona fide resident of Guam and will be, at the time of taking office, at least thirty years of age. He may, in case of rebellion or invasion, or imminent danger thereof, when the public safety requires it, proclaim the island, insofar as it is under the jurisdiction of the government of Guam, to be under martial law. The members of the legislature shall meet forthwith on their own initiative and may, by a two-thirds vote, revoke such proclamation.

The Governor shall prepare, publish, and submit to the Congress and the Secretary of the Interior a comprehensive annual financial report in conformance with the standards of the National Council on Governmental Accounting within one hundred and twenty days after the close of the fiscal year. The comprehensive annual financial report shall include statistical data as set forth in the standards of the National Council on Governmental Accounting relating to the physical, economic, social, and political characteristics of the government, and any other information required by the Congress.

The Governor shall also make such other reports at such other times as may be required by the Congress or under applicable Federal law. 1966—Pub. L. 89-552 authorized election of senators in whole or in part from legislative districts if the laws of Guam so directed, provided that the legislators be called senators, prohibited any districting or apportionment which denied equal protection of the laws to any person in Guam, required that electors be permitted to vote for the whole number of candidates to be elected both within his district and at large, prohibited reapportionment oftener than at 10-year intervals, and required that any redistricting be based upon the latest Federal census.

Until the laws of Guam shall make such provision the method of electing the legislature shall remain as it is upon the date of enactment of this Act."

§ 1423a. Power of legislature; limitation on indebtedness of Guam; bond issues; guarantees for purchase by Federal Financing Bank of Guam Power Authority bonds or other obligations; interest rates; default

The legislative power of Guam shall extend to all rightful subjects of legislation not inconsistent with the provisions of this chapter and the laws of the United States applicable to Guam. Taxes and assessments on property, internal revenues, sales, license fees, and royalties for franchises, privileges, and concessions may be imposed for purposes of the government of Guam as may be uniformly provided by the Legislature of Guam, and when necessary to anticipate taxes and revenues, bonds and other obligations may be issued by the government of Guam: *Provided, however*, That no public indebtedness of Guam shall be authorized or allowed in excess of 10 per centum of the aggregate tax valuation of the property in Guam. Bonds or other obligations of the government of Guam payable solely from revenues derived from any public improvement or undertaking shall not be considered public indebtedness of Guam within the meaning of this section. All bonds issued by the government of Guam or by its authority shall be exempt, as to principal and interest, from taxation by the Government of the United States or by the government of Guam, or by any State or Territory or any political subdivision thereof, or by the District of Columbia. The Secretary of the Interior (hereafter in this section referred to as "Secretary") is authorized to guarantee for purchase by the Federal Financing Bank bonds or other obligations of the Guam Power Authority maturing on or before December 31, 1978, which shall be issued in order to refinance short-term notes due or existing on June 1, 1976 and other indebtedness not evidenced by bonds or notes in an aggregate amount of not more than \$36 million, and such bank, in addition to its other powers, is authorized to purchase, receive or otherwise acquire these same. The interest rate on obligations purchased by the Federal Financing Bank shall be not less than a rate determined by the Secretary of the Treasury taking into consideration the current average market yield on outstanding marketable obligations of the United States of comparable maturities, adjusted to the nearest one-eighth of 1 per centum, plus 1 per centum per annum. The Secretary, with the concurrence of the Secretary of the Treasury, may extend the guarantee provision of the previous sentence until December 31, 1980. The Secretary, upon determining that the Guam Power Authority is unable to refinance on rea-

sonable terms the obligations purchased by the Federal Financing Bank under the fifth sentence of this section by December 31, 1980, may, with the concurrence of the Secretary of the Treasury, guarantee for purchase by the Federal Financing Bank; and such bank is authorized to purchase, obligations of the Guam Power Authority issued to refinance the principal amount of the obligations guaranteed under the fifth sentence of this section. The obligations that refinance such principal amount shall mature not later than December 31, 1990, and shall bear interest at a rate determined in accordance with section 2285 of title 12. At the request of the Board of Directors of the Guam Power Authority for a second refinancing agreement and conditioned on the approval of the Government of Guam pursuant to the law of Guam, and conditioned on the establishment of an independent rate-making authority by the Government of Guam, the Secretary may guarantee for purchase by the Federal Financing Bank, on or before December 31, 1984, according to an agreement that shall provide for—

(a) substantially equal semiannual installments of principal and interest;

(b) maturity of obligations no later than December 31, 2004;

(c) authority for the Secretary, should there be a violation of a provision of this legislation, or covenants or stipulations contained in the refinancing document and after giving sixty days notice of such violation to the Guam Power Authority and the Governor of Guam, to dismiss members of the Board of Directors or the general manager of the Guam Power Authority, and (1) appoint in their place members or a general manager who shall serve at the pleasure of the Secretary, or (2) contract for the management of the Guam Power Authority; and

(d) an annual simple interest rate of seven per centum; and

the Federal Financing Bank shall purchase such Guam Power Authority obligations if such Guam Power Authority obligations are issued to refinance the principal amount scheduled to mature on December 31, 1990. Should such second refinancing occur, (1) the independent rate-making authority to be established by the Government of Guam, or in its absence, the Board of Directors of the Guam Power Authority, shall establish rates sufficient to satisfy all financial obligations and future capital investment needs of the Guam Power Authority that shall be consistent with generally accepted rate-making practices of public utilities, and (2) the Government of Guam shall not modify the requirements of such refinancing agreement without agreement of the Secretary. There are authorized to be appropriated to the Secretary of the Interior for payment to the Federal Financing Bank such sums as are necessary to pay (1) the repurchase payment required under the fifth paragraph of the December 31, 1980, note from the Guam Power Authority to the Federal Financing Bank and any subsequent repurchase payments required under the second refinancing agreement, and (2) the interest rate differential between the seven per centum to be paid by the Guam Power Authority and the second refi-

nancing agreement and the interest rate that would otherwise be determined in accordance with the above cited section 2285 of title 12. Should the Guam Power Authority fail to pay in full any installment of interest or principal when due on the bonds or other obligations guaranteed under this section, the Secretary of the Treasury, upon notice from the Secretary shall deduct and pay to the Federal Financing Bank or the Secretary, according to their respective interests, such unpaid amounts from sums collected and payable pursuant to section 1421h of this title. Notwithstanding any other provision of law, Acts making appropriations may provide for the withholding of any payments from the United States to the government of Guam which may be or may become due pursuant to any law and offset the amount of such withheld payments against any claim the United States may have against the government of Guam or the Guam Power Authority pursuant to this guarantee. For the purpose of this chapter, under section 3713(a) of title 31 the term "person" includes the government of Guam and the Guam Power Authority. The Secretary may place such stipulations as he deems appropriate on the bonds or other obligations he guarantees.
