§ 343. Appropriations; distribution; allotment and apportionment; Secretary of Agriculture; matching funds; cooperative extension activities

(a) There are authorized to be appropriated for the purposes of this subchapter such sums as Congress may from time to time determine to be necessary.

(b)(1) Out of such sums, each State and the Secretary of Agriculture shall be entitled to receive annually a sum of money equal to the sums available from Federal cooperative extension funds for the fiscal year 1962, and subject to the same requirements as to furnishing of equivalent sums by the State, except that amounts heretofore made available to the Secretary for allotment on the basis of special needs shall continue available for use on the same basis.

(2) There is authorized to be appropriated for the fiscal year ending June 30, 1971, and for each fiscal year thereafter, for payment to the Virgin Islands, Guam, and the Northern Mariana Islands, \$100,000 each, which sums shall be in addition to the sums appropriated for the several States of the United States and Puerto Rico under the provisions of this section. The amount paid by the Federal Government to the Virgin Islands and Guam pursuant to this paragraph shall not exceed during any fiscal year, except the fiscal years ending June 30, 1971, and June 30, 1972, when such amount may be used to pay the total cost of providing services pursuant to this subchapter, the amount available and budgeted for expenditure by the Virgin Islands and Guam for the purposes of this subchapter.

(3) There are authorized to be appropriated for the fiscal year ending June 30, 1996, and for each fiscal year thereafter, for payment on behalf of the 1994 Institutions (as defined in section 532 of the Equity in Educational Land-Grant Status Act of 1994), such sums as are necessary for the purposes set forth in section 342 of this title. The balance of any annual funds provided under the preceding sentence for a fiscal year that remains unexpended at the end of that fiscal year shall remain available without fiscal year limitation. Such sums shall be in addition to the

sums appropriated for the several States and Puerto Rico, the Virgin Islands, and Guam under the provisions of this section. Such sums shall be distributed on the basis of a competitive application process to be developed and implemented by the Secretary and paid by the Secretary to 1994 Institutions (in accordance with regulations that the Secretary may promulgate) and may be administered by the 1994 Institutions through cooperative agreements with colleges and universities eligible to receive funds under subchapters I and II of this chapter, including Tuskegee University, located in any State.

(4) ANNUAL APPROPRIATION FOR HISPANIC-SERVING AGRICULTURAL COLLEGES AND UNIVERSITIES.—

(A) AUTHORIZATION OF APPROPRIATIONS.—

There are authorized to be appropriated to the Secretary for payments to Hispanic-serving agricultural colleges and universities (as defined in section 3103 of this title) such sums as are necessary to carry out this paragraph for fiscal year 2008 and each fiscal year thereafter, to remain available until expended.

(B) ADDITIONAL AMOUNT.—Amounts made available under this paragraph shall be in addition to any other amounts made available under this section to States, the Commonwealth of Puerto Rico, Guam, or the United States Virgin Islands.

(2) Of the remainder so appropriated for each fiscal year 20 per centum shall be paid to the several States in equal proportions, 40 per centum shall be paid to the several States in the proportion that the rural population of each bears to the total rural population of the several States as determined by the census, and the balance shall be paid to the several States in the proportion that the farm population of each bears to the total farm population of the several States as determined by the census. Any appropriation made hereunder shall be allotted in the first and succeeding years on the basis of the decennial census current at the

time such appropriation is first made, and as to any increase, on the basis of decennial census current at the time such increase is first appropriated.

(d) The Secretary of Agriculture shall receive such additional amounts as Congress shall determine for administration, technical, and other services and for coordinating the extension work of the Department and the several States, Territories, and possessions. A college or university eligible to receive funds under subchapter II of this chapter, including Tuskegee University, may compete for and receive funds directly from the Secretary of Agriculture.
