§ 6501. Purposes

It is the purpose of this chapter—
(1) to establish national standards governing the marketing of certain agricultural products as organically produced products;
(2) to assure consumers that organically produced products meet a consistent standard; and
(3) to facilitate interstate commerce in fresh and processed food that is organically produced.

§ 6502. Definitions

As used in this chapter:
(1) Agricultural product
The term “agricultural product” means any agricultural commodity or product, whether raw or processed, including any commodity or product derived from livestock that is marketed in the United States for human or livestock consumption.
(2) Botanical pesticides
The term “botanical pesticides” means natural pesticides derived from plants.
(3) Certifying agent
(A) In general
The term “certifying agent” means the chief executive officer of a State or, in the case of a State that provides for the Statewide election of an official to be responsible solely for the administration of the agricultural operations of the State, such official, and any person (including private entities) who is accredited by the Secretary as a certifying agent for the purpose of certifying a farm or handling operation as a certified organic farm or handling operation in accordance with this chapter.
(B) Foreign operations
When used in the context of a certifying agent operating in a foreign country, the term “certifying agent” includes any person (including a private entity)—
(i) accredited in accordance with section 6514(d) of this title; or
(ii) accredited by a foreign government that acted under an equivalency agreement negotiated between the United States and the foreign government from which the agricultural product is imported.
(4) Certified organic farm
The term “certified organic farm” means a farm, or portion of a farm, or site where agricultural products or livestock are produced, that is certified by the certifying agent under this chapter as utilizing a system of organic farming as described by this chapter.
(5) Certified organic handling operation
The term “certified organic handling operation” means any operation, or portion of any handling operation, that is certified by the certifying agent under this chapter as utilizing a system of organic handling as described under this chapter.
(6) Crop year
The term “crop year” means the normal growing season for a crop as determined by the Secretary.
(7) Governing State official
The term “governing State official” means the chief executive official of a State or, in the case of a State that provides for the Statewide election of an official to be responsible solely for the administration of the agricultural operations of the State, such official, who administers an organic certification program under this chapter.
(8) Handle
The term “handle” means to sell, process or package agricultural products.
(9) Handler
The term “handler” means any person engaged in the business of handling agricultural products, except such term shall not include final retailers of agricultural products that do not process agricultural products.
(10) Handling operation
The term “handling operation” means any operation or portion of an operation (except final retailers of agricultural products that do not process agricultural products) that—
(A) receives or otherwise acquires agricultural products; and
