(8) Evaluation
The Secretary may establish requirements for program evaluations and require grant recipients to submit annual reports that evaluate the progress and performance of students participating in programs assisted under this subsection.

(b) Programs of national significance
The Secretary may also award grants to public and private nonprofit agencies and organizations, including professional and scholarly associations, whenever the Secretary determines such grants will make an especially significant contribution to improving undergraduate international studies and foreign language programs.

c) Funding support
(1) In general
The Secretary may use not more than 20 percent of the total amount appropriated for this part for carrying out the purposes of this section.

(2) Grantees
Of the total amount of grant funds awarded to a grantee under this section, the grantee may use not more than ten percent of such funds for the activity described in subsection (a)(2)(I).

(9) Evaluation
The Secretary may establish requirements for the activity described in subsection (a)(2)(I).

The Secretary may use not more than ten percent of such funds for the activity described in subsection (a)(2)(I).

AMENDMENTS

§ 1126. Technological innovation and cooperation for foreign information access

(a) Authority

(1) In general

The Secretary is authorized to make grants to institutions of higher education, public or nonprofit private libraries, or partnerships between such institutions and other such institutions, libraries, or nonprofit educational organizations, to develop innovative techniques or programs using electronic technologies to collect, organize, preserve, and widely disseminate information from foreign sources on world regions and countries other than the United States that address our Nation’s teaching and research needs in international education and foreign languages.

(2) Grant recipients

The Secretary may award grants under this section to carry out the activities authorized under this section to the following:

(A) An institution of higher education.

(B) A public or nonprofit private library.

(C) A partnership of an institution of higher education and one or more of the following:

(i) Another institution of higher education.

(ii) A library.

(iii) A nonprofit educational organization.

(b) Authorized activities

Grants under this section may be used—

(1) to acquire, facilitate access to, or preserve foreign information resources in print or electronic forms;

(2) to develop new means of immediate, full-text document delivery for information and scholarship from abroad;

(3) to develop new means of or standards for shared electronic access to international data;

(4) to support collaborative projects of indexing, cataloging, and other means of bibliographic access for scholars to important research materials published or distributed outside the United States;

(5) to develop methods for the wide dissemination of resources written in non-Roman language alphabets;

(6) to assist teachers of less commonly taught languages in acquiring, via electronic and other means, materials suitable for classroom use;

(7) to promote collaborative technology based projects in foreign languages, area studies, and international studies among grant recipients under this subchapter;

(8) to establish linkages to facilitate carrying out the activities described in this subsection between—

(A) the institutions of higher education, libraries, and partnerships receiving grants under this section; and

(B) institutions of higher education, non-profit educational organizations, and libraries overseas; and

(9) to carry out other activities that the Secretary determines are consistent with the purpose of the grants awarded under this section.

(c) Application

Each institution of higher education, library, or partnership desiring a grant under this section shall submit an application to the Secretary at such time, in such manner, and accompanied by such information and assurances as the Secretary may reasonably require.

(d) Match required

The Federal share of the total cost of carrying out a program supported by a grant under this
