§ 2108. Tribal right to develop mineral resources

Nothing in this chapter shall impair any right of an Indian tribe organized under section 16 or 17 of the Act of June 18, 1934 (48 Stat. 987), as amended [25 U.S.C. 5123, 5124], to develop their mineral resources as may be provided in any constitution or charter adopted by such tribe pursuant to that Act [25 U.S.C. 5101 et seq.].

REFERENCES IN TEXT

The Indian Reorganization Act, referred to in par. (2)(B), is act June 18, 1934, ch. 576, 48 Stat. 984, which was classified generally to subchapter V (§ 461 et seq.) of chapter 14 of this title prior to editorial reclassification as chapter 45 (§ 5101 et seq.) of this title. CONGRESSIONAL FINDINGS

Pub. L. 108-374, §2, Oct. 27, 2004, 118 Stat. 1773, provided that: “Congress finds that—

“(1) the Act of February 8, 1887 (commonly known as the ‘Indian General Allotment Act’) (25 U.S.C. 331 et seq.), which authorized the allotment of Indian reservations, did not permit Indian allotment owners to provide for the testamentary disposition of the land that was allotted to them;

“(2) that Act provided that allotments would descend according to State law of intestate succession based on the location of the allotment;

“(3) the reliance of the Federal Government on the State law of intestate succession with respect to the descent of allotments has resulted in numerous problems affecting Indian tribes, members of Indian tribes, and the Federal Government, including—

“(A) the increasingly fractionated ownership of trust and restricted land as that land is inherited by successive generations of owners as tenants in common;

“(B) the application of different rules of intestate succession to each interest of a decedent in or to trust or restricted land if that land is located within the boundaries of more than 1 State, which application—

“(i) makes probate planning unnecessarily difficult; and

“(ii) impedes efforts to provide probate planning assistance or advice;

“(C) the absence of a uniform general probate code for trust and restricted land, which makes it difficult for Indian tribes to work cooperatively to develop tribal probate codes; and

“(D) the failure of Federal law to address or provide for many of the essential elements of general probate law, either directly or by reference, which—

“(i) is unfair to the owners of trust and restricted land (and heirs and devisees of owners); and

“(ii) makes probate planning more difficult;

“(4) a uniform Federal probate code would likely—

“(A) reduce the number of fractionated interests in trust or restricted land;

“(B) facilitate efforts to provide probate planning assistance and advice and create incentives for owners of trust and restricted land to engage in estate planning;

“(C) facilitate intertribal efforts to produce tribal probate codes in accordance with section 206 of the Indian Land Consolidation Act (25 U.S.C. 2205); and

“(D) provide essential elements of general probate law that are not applicable on the date of enactment of this Act [Oct. 27, 2004] to interests in trust or restricted land; and

“(5) the provisions of a uniform Federal probate code and other forth [sic] in this Act [see Short Title of 2004 Amendment note above] should operate to further the policy of the United States as stated in the Indian Land Consolidated Act Amendments of 2000, Public Law 106-462, [§]102, November 7, 2000, 114 Stat. 1992 [set out as a note below].”

Pub. L. 106-462, title I, §101, Nov. 7, 2000, 114 Stat. 1991, provided that: “Congress finds that—

“(1) in the 1800’s and early 1900’s, the United States sought to assimilate Indian people into the surrounding non-Indian culture by allotting tribal lands to individual members of Indian tribes;

“(2) as a result of the allotment Acts and related Federal policies, over 90,000,000 acres of land have passed from tribal ownership;

“(3) many trust allotments were taken out of trust status, often without their owner’s consent;

“(4) without restrictions on alienation, allotment owners were subject to exploitation and their allotments were often sold or disposed of without any tangible or enduring benefit to their owners;

“(5) the trust periods for trust allotments have been extended indefinitely;

“(6) because of the inheritance provisions in the original treaties or allotment Acts, the ownership of many of the trust allotments that have remained in

trust status has become fractionated into hundreds or thousands of undivided interests, many of which represent 2 percent or less of the total interests;

“(7) Congress has authorized the acquisition of lands in trust for individual Indians, and many of those lands have also become fractionated by subsequent inheritance;

“(8) the acquisitions referred to in paragraph (7) continue to be made;

“(9) the fractional interests described in this section often provide little or no return to the beneficial owners of those interests and the administrative costs borne by the United States for those interests are inordinately high;

“(10) in *Babbitt v. Youpee* (117 S.[.] Ct. 727 (1997)), the United States Supreme Court found the application of section 207 of the Indian Land Consolidation Act (25 U.S.C. 2206) to the facts presented in that case to be unconstitutional, forcing the Department of the Interior to address the status of thousands of undivided interests in trust and restricted lands;

“(11)(A) on February 19, 1999, the Secretary of the Interior issued a Secretarial Order which officially reopened the probate of all estates where an interest in land was ordered to escheat to an Indian tribe pursuant to section 207 of the Indian Land Consolidation Act (25 U.S.C. 2206); and

“(B) the Secretarial Order also directed appropriate officials of the Bureau of Indian Affairs to distribute such interests ‘to the rightful heirs and beneficiaries without regard to 25 U.S.C. 2206’;

“(12) in the absence of comprehensive remedial legislation, the number of the fractional interests will continue to grow exponentially;

“(13) the problem of the fractionation of Indian lands described in this section is the result of a policy of the Federal Government, cannot be solved by Indian tribes, and requires a solution under Federal law.[.]

“(14) any devise or inheritance of an interest in trust or restricted Indian lands is a matter of Federal law; and

“(15) consistent with the Federal policy of tribal self-determination, the Federal Government should encourage the recognized tribal government that exercises jurisdiction over a reservation to establish a tribal probate code for that reservation.”

DECLARATION OF POLICY

Pub. L. 106-462, title I, §102, Nov. 7, 2000, 114 Stat. 1992, provided that: “It is the policy of the United States—

“(1) to prevent the further fractionation of trust allotments made to Indians;

“(2) to consolidate fractional interests and ownership of those interests into usable parcels;

“(3) to consolidate fractional interests in a manner that enhances tribal sovereignty;

“(4) to promote tribal self-sufficiency and self-determination; and

“(5) to reverse the effects of the allotment policy on Indian tribes.”

AUTHORIZATION OF APPROPRIATIONS

Pub. L. 106-462, title I, §105, Nov. 7, 2000, 114 Stat. 2007, provided that: “There are authorized to be appropriated not to exceed \$8,000,000 for fiscal year 2001 and each subsequent fiscal year to carry out the provisions of this title [enacting sections 2205, 2206, and 2212 to 2219 of this title, amending this section and sections 348, 372, 373, 2204, 2207, and 5107 of this title, repealing sections 331 to 333, 2205, and 2206 of this title, and enacting provisions set out as notes under this section and section 2206 of this title] (and the amendments made by this title) that are not otherwise funded under the authority provided for in any other provision of Federal law.”

§ 2202. Other applicable provisions

The provisions of section 5108 of this title shall apply to all tribes notwithstanding the

provisions of section 5125 of this title: *Provided*, That nothing in this section is intended to supersede any other provision of Federal law which authorizes, prohibits, or restricts the acquisition of land for Indians with respect to any specific tribe, reservation, or state(s).

(Pub. L. 97-459, title II, §203, Jan. 12, 1983, 96 Stat. 2517.)

§ 2203. Adoption of land consolidation plan with approval of Secretary

(a) Statement of purpose; sales or exchanges: terms and conditions

Notwithstanding any other provision of law, any tribe, acting through its governing body, is authorized, with the approval of the Secretary to adopt a land consolidation plan providing for the sale or exchange of any tribal lands or interest in lands for the purpose of eliminating undivided fractional interests in Indian trust or restricted lands or consolidating its tribal landholdings: *Provided*, That—

(1) except as provided by subsection (c), the sale price or exchange value received by the tribe for land or interests in land covered by this section shall be no less than within 10 percentum of the fair market value as determined by the Secretary;

(2) if the tribal land involved in an exchange is of greater or lesser value than the land for which it is being exchanged, the tribe may accept or give cash in such exchange in order to equalize the values of the property exchanged;

(3) any proceeds from the sale of land or interests in land or proceeds received by the tribe to equalize an exchange made pursuant to this section shall be used exclusively for the purchase of other land or interests in land;

(4) the Secretary shall maintain a separate trust account for each tribe selling or exchanging land pursuant to this section consisting of the proceeds of the land sales and exchanges and shall release such funds only for the purpose of buying lands under this section; and

(5) any tribe may retain the mineral rights to such sold or exchanged lands and the Secretary shall assist such tribe in determining the value of such mineral rights and shall take such value into consideration in determining the fair market value of such lands.

(b) Conveyancing requirement; specific findings for nonexecution

The Secretary must execute such instrument of conveyance needed to effectuate a sale or exchange of tribal lands made pursuant to an approved tribal land consolidation plan unless he makes a specific finding that such sale or exchange is not in the best interest of the tribe or is not in compliance with the tribal land consolidation plan.

(c) Below market value conveyance of Cherokee Nation of Oklahoma homesites

The Secretary may execute instruments of conveyance for less than fair market value to effectuate the transfer of lands used as homesites held, on December 17, 1991, by the United States in trust for the Cherokee Nation of Oklahoma. Only the lands used as homesites, and described

in the land consolidation plan of the Cherokee Nation of Oklahoma approved by the Secretary on February 6, 1987, shall be subject to this subsection.

(Pub. L. 97-459, title II, § 204, Jan. 12, 1983, 96 Stat. 2517; Pub. L. 98-608, § 1(1), Oct. 30, 1984, 98 Stat. 3171; Pub. L. 102-238, § 3, Dec. 17, 1991, 105 Stat. 1908.)

Editorial Notes

L. 97-459, the text of which had a portion of section 204 appearing in section 206 (classified to section 2205 of this title) as the result of inadvertent error in the execution of committee amendments (see House Report No. 97-908, Sept. 30, 1982) to the bill. (b) as part of section 206(b) of Pub. L. 97-459 and ended it with “tribal land consolidation plan—”.

(1) any Indian owning any undivided interest, and in actual use and possession of such

tract for at least three years preceding the tribal initiative, may purchase such tract by matching the tribal offer;

(2) if at any time within five years following the date of acquisition of such land by an individual pursuant to this section, such property is offered for sale or a petition is filed with the Secretary for removal of the property from trust or restricted status, the tribe shall have 180 days from the date it is notified of such offer or petition to acquire such property by paying to the owner the fair market value as determined by the Secretary; and

(3) the approval of the Secretary shall be required for a land sale initiated under this section, except that such approval shall not be required with respect to a land sale transaction initiated by an Indian tribe that has in effect a land consolidation plan that has been approved by the Secretary under section 2203 of this title.

(c) Partition of highly fractionated Indian lands

(1) Applicability

This subsection shall be applicable only to parcels of land (including surface and subsurface interests, except with respect to a subsurface interest that has been severed from the surface interest, in which case this subsection shall apply only to the surface interest) which the Secretary has determined, pursuant to paragraph (2)(B),¹ to be parcels of highly fractionated Indian land.

(2) Requirements

Each partition action under this subsection shall be conducted by the Secretary in accordance with the following requirements:

(A) Application

Upon receipt of any payment or bond required under subparagraph (B), the Secretary shall commence a process for partitioning a parcel of land by sale in accordance with the provisions of this subsection upon receipt of an application by—

(i) the Indian tribe with jurisdiction over the subject land that owns an undivided interest in the parcel of land; or

(ii) any person owning an undivided interest in the parcel of land who is eligible to bid at the sale of the parcel pursuant to subclause (II), (III), or (IV) of subparagraph (I)(i);

provided that no such application shall be valid or considered if it is received by the Secretary prior to the date that is 1 year after the date on which notice is published pursuant to section 8(a)(4) of the American Indian Probate Reform Act of 2004.

(B) Costs of serving notice and publication

The costs of serving and publishing notice under subparagraph (F) shall be borne by the applicant. Upon receiving written notice from the Secretary, the applicant must pay to the Secretary an amount determined by the Secretary to be the estimated costs of such service of notice and publication, or

¹ So in original. Probably should be paragraph “(2)(C).”.

furnish a sufficient bond for such estimated costs within the time stated in the notice, failing which, unless an extension is granted by the Secretary, the Secretary shall not be required to commence the partition process under subparagraph (A) and may deny the application. The Secretary shall have the discretion and authority in any case to waive either the payment or the bond (or any portion of such payment or bond) otherwise required by this subparagraph, upon making a determination that such waiver will further the policies of this chapter.

(C) Determination

Upon receipt of an application pursuant to subparagraph (A), the Secretary shall determine whether the subject parcel meets the requirements set forth in section 2201(6) of this title to be classified as a parcel of highly fractionated Indian land.

(D) Consent requirements

(i) In general

A parcel of land may be partitioned under this subsection only if the applicant obtains the written consent of—

(I) the Indian tribe with jurisdiction over the subject land if such Indian tribe owns an undivided interest in the parcel;

(II) any owner who, for the 3-year period immediately preceding the date on which the Secretary receives the application, has

(aa) continuously maintained a bona fide residence on the parcel; or

(bb) operated a bona fide farm, ranch, or other business on the parcel; and

(III) the owners (including parents of minor owners and legal guardians of incompetent owners) of at least 50 percent of the undivided interests in the parcel, but only in cases where the Secretary determines that, based on the final appraisal prepared pursuant to subparagraph (F), any 1 owner's total undivided interest in the parcel (not including the interest of an Indian tribe or that of the owner requesting the partition) has a value in excess of \$1,500.

Any consent required by this clause must be in writing and acknowledged before a notary public (or other official authorized to make acknowledgments), and shall be approved by the Secretary unless the Secretary has reason to believe that the consent was obtained as a result of fraud or undue influence.

(ii) Consent by the Secretary on behalf of certain individuals

For the purposes of clause (i)(III), the Secretary may consent on behalf of—

(I) undetermined heirs of trust or restricted interests and owners of such interests who are minors and legal incompetents having no parents or legal guardian; and

(II) missing owners or owners of trust or restricted interests whose where-

abouts are unknown, but only after a search for such owners has been completed in accordance with the provisions of this subsection.

(E) Appraisal

After the Secretary has determined that the subject parcel is a parcel of highly fractionated Indian land pursuant to subparagraph (C), the Secretary shall cause to be made, in accordance with the provisions of this chapter for establishing fair market value, an appraisal of the fair market value of the subject parcel.

(F) Notice to owners on completion of appraisal

Upon completion of the appraisal, the Secretary shall give notice of the requested partition and appraisal to all owners of undivided interests in the parcel, in accordance with principles of due process. Such notice shall include the following requirements:

(i) Written notice

The Secretary shall attempt to give each owner written notice of the partition action stating the following:

(I) That a proceeding to partition the parcel of land by sale has been commenced.

(II) The legal description of the subject parcel.

(III) The owner's ownership interest in the subject parcel as evidenced by the Secretary's records as of the date that owners are determined in accordance with clause (i).

(IV) The results of the appraisal.

(V) The owner's right to receive a copy of the appraisal upon written request.

(VI) The owner's right to comment on or object to the proposed partition and the appraisal.

(VII) That the owner must timely comment on or object in writing to the proposed partition or the appraisal, in order to receive notice of approval of the appraisal and right to appeal.

(VIII) The date by which the owner's written comments or objections must be received, which shall not be less than 90 days after the date that the notice is mailed under this clause or last published under clause (ii)(II).

(IX) The address for requesting copies of the appraisal and for submitting written comments or objections.

(X) The name and telephone number of the official to be contacted for purposes of obtaining information regarding the proceeding, including the time and date of the auction of the land and the date for submitting sealed bids.

(XI) Any other information the Secretary deems to be appropriate.

(ii) Manner of service

(I) Service by certified mail

The Secretary shall use due diligence to provide all owners of interests in the subject parcel, as evidenced by the Sec-

retary's records at the time of the determination under subparagraph (C), with actual notice of the partition proceedings by mailing a copy of the written notice described in clause (i) by certified mail, restricted delivery, to each such owner at the owner's last known address. For purposes of this subsection, owners shall be determined from the Secretary's land title records as of the date of the determination under subparagraph (C) or a date that is not more than 90 days prior to the date of mailing under this clause, whichever is later. In the event the written notice to an owner is returned undelivered, the Secretary shall attempt to obtain a current address for such owner by conducting a reasonable search (including a reasonable search of records maintained by local, State, Federal and tribal governments and agencies) and by inquiring with the Indian tribe with jurisdiction over the subject parcel, and, if different from that tribe, the Indian tribe of which the owner is a member, and, if successful in locating any such owner, send written notice by certified mail in accordance with this subclause.

(II) Notice by publication

The Secretary shall give notice by publication of the partition proceedings to all owners that the Secretary was unable to serve pursuant to subclause (I), and to unknown heirs and assigns by—

(aa) publishing the notice described in clause (i) at least 2 times in a newspaper of general circulation in the county or counties where the subject parcel of land is located or, if there is an Indian tribe with jurisdiction over the parcel of land and that tribe publishes a tribal newspaper or newsletter at least once every month, 1 time in such newspaper of general circulation and 1 time in such tribal newspaper or newsletter;

(bb) posting such notice in a conspicuous place in the tribal headquarters or administration building (or such other tribal building determined by the Secretary to be most appropriate for giving public notice) of the Indian tribe with jurisdiction over the parcel of land, if any; and

(cc) in addition to the foregoing, in the Secretary's discretion, publishing notice in any other place or means that the Secretary determines to be appropriate.

(G) Review of comments on appraisal

(i) In general

After reviewing and considering comments or information timely submitted by any owner of an interest in the parcel in response to the notice required under subparagraph (F), the Secretary may, consistent with the provisions of this chapter for establishing fair market value—

- (I) order a new appraisal; or
- (II) approve the appraisal;

provided that if the Secretary orders a new appraisal under subclause (I), notice of the new appraisal shall be given as specified in clause (ii).

(ii) Notice

Notice shall be given—

(I) in accordance with subparagraph (H), where the new appraisal results in a value of the land that is equal to or greater than that of the earlier appraisal; or

(II) in accordance with subparagraph (F)(ii), where the new appraisal results in a lower valuation of the land.

(H) Notice to owners of approval of appraisal and right to appeal

Upon making the determination under subparagraph (G), the Secretary shall provide to the Indian tribe with jurisdiction over the subject land and to all persons who submitted written comments on or objections to the proposed partition or appraisal, a written notice to be served on such tribe and persons by certified mail. Such notice shall state—

- (i) the results of the appraisal;
- (ii) that the owner has the right to review a copy of the appraisal upon request;
- (iii) that the land will be sold for not less than the appraised value, subject to the consent requirements under paragraph (2)(D);
- (iv) the time of the sale or for submitting bids under subparagraph (I);
- (v) that the owner has the right, under the Secretary's regulations governing administrative appeals, to pursue an administrative appeal from—

(I) the determination that the land may be partitioned by sale under the provisions of this section; and

(II) the Secretary's order approving the appraisal;

(vi) the date by which an administrative appeal must be taken, a citation to the provisions of the Secretary's regulations that will govern the owner's appeal, and any other information required by such regulations to be given to parties affected by adverse decisions of the Secretary;

(vii) in cases where the Secretary determines that any person's undivided trust or restricted interest in the parcel exceeds \$1,500 pursuant to paragraph (2)(D)(iii), that the Secretary has authority to consent to the partition on behalf of undetermined heirs of trust or restricted interests in the parcel and owners of such interests whose whereabouts are unknown; and

(viii) any other information the Secretary deems to be appropriate.

(I) Sale to eligible purchaser

(i) In general

Subject to clauses (ii) and (iii) and the consent requirements of paragraph (2)(D), the Secretary shall, after providing notice

to owners under subparagraph (H), including the time and place of sale or for receiving sealed bids, at public auction or by sealed bid (whichever of such methods of sale the Secretary determines to be more appropriate under the circumstances) sell the parcel of land by competitive bid for not less than the final appraised fair market value to the highest bidder from among the following eligible bidders:

(I) The Indian tribe, if any, with jurisdiction over the trust or restricted interests in the parcel being sold.

(II) Any person who is a member, or is eligible to be a member, of the Indian tribe described in subclause (I).

(III) Any person who is a member, or is eligible to be a member, of an Indian tribe but not of the tribe described in subclause (I), but only if such person already owns an undivided interest in the parcel at the time of sale.

(IV) Any lineal descendent of the original allottee of the parcel who is a member or is eligible to be a member of an Indian tribe or, with respect to a parcel located in the State of California that is not within an Indian tribe's reservation or not otherwise subject to the jurisdiction of an Indian tribe, who is a member, or eligible to be a member, of an Indian tribe or owns a trust or restricted interest in the parcel.

(ii) Right to match highest bid

If the highest bidder is a person who is only eligible to bid under clause (i)(III), the Indian tribe that has jurisdiction over the parcel, if any, shall have the right to match the highest bid and acquire the parcel, but only if—

(I) prior to the date of the sale, the governing body of such tribe has adopted a tribal law or resolution reserving its right to match the bids of such non-member bidders in partition sales under this subsection and delivered a copy of such law or resolution to the Secretary; and

(II) the parcel is not acquired under clause (iii).

(iii) Right to purchase

Any person who is a member, or eligible to be a member, of the Indian tribe with jurisdiction over the trust or restricted interests in the parcel being sold and is, as of the time of sale under this subparagraph, the owner of the largest undivided interest in the parcel shall have a right to purchase the parcel by tendering to the Secretary an amount equal to the highest sufficient bid submitted at the sale, less that amount of the bid attributable to such owner's share, but only if—

(I) the owner submitted a sufficient bid at the sale;

(II) the owner's total undivided interest in the parcel immediately prior to the sale was—

(aa) greater than the undivided interest held by any other co-owners, except

where there are 2 or more co-owners whose interests are of equal size but larger than the interests of all other co-owners and such owners of the largest interests have agreed in writing that 1 of them may exercise the right of purchase under this clause; and

(bb) equal to or greater than 20 percent of the entire undivided ownership of the parcel;

(III) within 3 days following the date of the auction or for receiving sealed bids, and in accordance with the regulations adopted to implement this section (if any), the owner delivers to the Secretary a written notice of intent to exercise the owner's rights under this clause; and

(IV) such owner tenders the amount of the purchase price required under this clause—

(aa) not more than 30 days after the date of the auction or time for receiving sealed bids; and

(bb) in accordance with any requirements of the regulations promulgated under paragraph (5).

(iv) Interest acquired

A purchaser of a parcel of land under this subparagraph shall acquire title to the parcel in trust or restricted status, free and clear of any and all claims of title or ownership of all persons or entities (not including the United States) owning or claiming to own an interest in such parcel prior to the time of sale.

(J) Proceeds of sale

(i) Subject to clauses (ii) and (iii), the Secretary shall distribute the proceeds of sale of a parcel of land under the provisions of this section to the owners of interests in such parcel in proportion to their respective ownership interests.

(ii) Proceeds attributable to the sale of trust or restricted interests shall be maintained in accounts as trust property.

(iii) Proceeds attributable to the sale of interests of owners whose whereabouts are unknown, of undetermined heirs, and of other persons whose ownership interests have not been recorded shall be held by the Secretary until such owners, heirs, or other persons have been determined, at which time such proceeds shall be distributed in accordance with clauses (i) and (ii).

(K) Lack of bids or consent

(i) Lack of bids

If no bidder described in subparagraph (I) presents a bid that equals or exceeds the final appraised value, the Secretary may either—

(I) purchase the parcel of land for its appraised fair market value on behalf of the Indian tribe with jurisdiction over the land, subject to the lien and procedures provided under section 2213(b) of this title; or

(II) terminate the partition process.

(ii) Lack of consent

If an applicant fails to obtain any applicable consent required under the provisions of subparagraph (D) by the date established by the Secretary prior to the proposed sale, the Secretary may either extend the time for obtaining any such consent or deny the request for partition.

(3) Enforcement**(A) In general**

If a partition is approved under this subsection and an owner of an interest in the parcel of land refuses to surrender possession in accordance with the partition decision, or refuses to execute any conveyance necessary to implement the partition, then any affected owner or the United States may—

(i) commence a civil action in the United States district court for the district in which the parcel of land is located; and

(ii) request that the court issue an order for ejectment or any other appropriate remedy necessary for the partition of the land by sale.

(B) Federal role

With respect to any civil action brought under subparagraph (A)—

(i) the United States—

(I) shall receive notice of the civil action; and

(II) may be a party to the civil action; and

(ii) the civil action shall not be dismissed, and no relief requested shall be denied, on the ground that the civil action is against the United States or that the United States is a necessary and indispensable party.

(4) Grants and loans

The Secretary may provide grants and low interest loans to successful bidders at sales authorized by this subsection, provided that—

(A) the total amount of such assistance in any such sale shall not exceed 20 percent of the appraised value of the parcel of land sold; and

(B) the grant or loan funds provided shall only be applied toward the purchase price of the parcel of land sold.

(5) Regulations

The Secretary is authorized to adopt such regulations as may be necessary to implement the provisions of this subsection. Such regulations may include provisions for giving notice of sales to prospective purchasers eligible to submit bids at sales conducted under paragraph (2)(I).

(i) In general

Paragraph (1) shall not apply to an interest in trust or restricted land if—

(I) while the decedent's estate is pending before the Secretary, the non-Indian devisee renounces the interest in favor of an Indian person; or

(II)(aa) the interest is part of a family farm that is devised to a member of the family of the decedent; and

As used in this subsection, "heir by killing" means any person who knowingly participates, either as a principal or as an accessory before the fact, in the willful and unlawful killing of the decedent.

(2) No acquisition of property by killing

Subject to any applicable Federal law relating to the devise or descent of trust or restricted land, no heir by killing shall in any way acquire any trust or restricted interests in land or interests in trust personalty as the result of the death of the decedent, but such property shall pass in accordance with this subsection.

(3) Descent, distribution, and right of survivorship

The heir by killing shall be deemed to have predeceased the decedent as to decedent's trust or restricted interests in land or trust personalty which would have passed from the decedent or his estate to such heir—

- (A) under intestate succession under this section;
- (B) under a tribal probate code, unless otherwise provided for;
- (C) as the surviving spouse;
- (D) by devise;
- (E) as a reversion or a vested remainder;
- (F) as a survivorship interest; and
- (G) as a contingent remainder or executory or other future interest.

(4) Joint tenants, joint owners, and joint obligees

(A) Any trust or restricted land or trust personalty held by only the heir by killing and the decedent as joint tenants, joint owners, or joint obligees shall pass upon the death of the decedent to his or her estate, as if the heir by killing had predeceased the decedent.

(B) As to trust or restricted land or trust personalty held jointly by 3 or more persons, including both the heir by killing and the decedent, any income which would have accrued to the heir by killing as a result of the death of the decedent shall pass to the estate of the decedent as if the heir by killing had pre-

deceased the decedent and any surviving joint tenants.

(C) Notwithstanding any other provision of this subsection, the decedent's trust or restricted interest in land or trust personalty that is held in a joint tenancy with the right of survivorship shall be severed from the joint tenancy as though the property held in the joint tenancy were to be severed and distributed equally among the joint tenants and the decedent's interest shall pass to his estate; the remainder of the interests shall remain in joint tenancy with right of survivorship among the surviving joint tenants.

(5) Life estate for the life of another

If the estate is held by a third person whose possession expires upon the death of the decedent, it shall remain in such person's hands for the period of time following the decedent's death equal to the life expectancy of the decedent but for the killing.

(6) Preadjudication rule**(A) In general**

If a person has been charged, whether by indictment, information, or otherwise by the United States, a tribe, or any State, with voluntary manslaughter or homicide in connection with a decedent's death, then any and all trust or restricted land or trust personalty that would otherwise pass to that person from the decedent's estate shall not pass or be distributed by the Secretary until the charges have been resolved in accordance with the provisions of this paragraph.

(B) Dismissal or withdrawal

Upon dismissal or withdrawal of the charge, or upon a verdict of not guilty, such land and personalty shall pass as if no charge had been filed or made.

(C) Conviction

Upon conviction of such person, and the exhaustion of all appeals, if any, the trust and restricted land and trust personalty in the estate shall pass in accordance with this subsection.

(7) Broad construction; policy of subsection

This subsection shall not be considered penal in nature, but shall be construed broadly in order to effect the policy that no person shall be allowed to profit by his own wrong, wherever committed.

(j) General rules governing probate**(1) Scope**

Except as provided under applicable Federal law or a tribal probate code approved under section 2205 of this title, the provisions of this subsection shall govern the probate of estates containing trust and restricted interests in land or trust personalty.

(2) Pretermitted spouses and children**(A) Spouses****(i) In general**

Except as provided in clause (ii), if the surviving spouse of a testator married the testator after the testator executed the

will of the testator, the surviving spouse shall receive the intestate share in the decedent's trust or restricted land and trust personalty that the spouse would have received if the testator had died intestate.

(ii) Exception

Clause (i) shall not apply to a trust or restricted interest in land where—

(I) the will of a testator is executed before the date that is 1 year after the date on which the Secretary publishes a notice of certification under section 8(a)(4) of the American Indian Probate Reform Act of 2004 (25 U.S.C. 2201 note; Public Law 108-374);

(II)(aa) the spouse of a testator is a non-Indian; and

(bb) the testator devised the interests in trust or restricted land of the testator to 1 or more Indians;

(III) it appears, based on an examination of the will or other evidence, that the will was made in contemplation of the marriage of the testator to the surviving spouse;

(IV) the will expresses the intention that the will is to be effective notwithstanding any subsequent marriage; or

(V)(aa) the testator provided for the spouse by a transfer of funds or property outside the will; and

(bb) an intent that the transfer be in lieu of a testamentary provision is demonstrated by statements of the testator or through a reasonable inference based on the amount of the transfer or other evidence.

(iii) Spouses married at the time of the will

Should the surviving spouse of the testator be omitted from the will of the testator, the surviving spouse shall be treated, for purposes of trust or restricted land or trust personalty in the testator's estate, in accordance with subsection (a)(2)(A), as though there was no will but only if—

(I) the testator and surviving spouse were continuously married without legal separation for the 5-year period preceding the decedent's death;

(II) the testator and surviving spouse have a surviving child who is the child of the testator;

(III) the surviving spouse has made substantial payments toward the purchase of, or improvements to, the trust or restricted land in such estate; or

(IV) the surviving spouse is under a binding obligation to continue making loan payments for the trust or restricted land for a substantial period of time;

except that, if there is evidence that the testator adequately provided for the surviving spouse and any minor children by a transfer of funds or property outside of the will, this clause shall not apply.

(B) Children

(i) In general

If a testator executed the will of the testator before the birth or adoption of 1 or

more children of the testator, and the omission of the children from the will is a product of inadvertence rather than an intentional omission, the children shall share in the trust or restricted interests in land and trust personalty as if the decedent had died intestate.

(ii) Adopted heirs

Any person recognized as an heir by virtue of adoption under the Act of July 8, 1940 (25 U.S.C. 372a), shall be treated as the child of a decedent under this subsection.

(iii) Adopted-out children

(I) In general

For purposes of this chapter, an adopted person shall not be considered the child or issue of his natural parents, except in distributing the estate of a natural kin, other than the natural parent, who has maintained a family relationship with the adopted person. If a natural parent shall have married the adopting parent, the adopted person for purposes of inheritance by, from and through him shall also be considered the issue of such natural parent.

(II) Eligible heir pursuant to other Federal law or tribal law

Notwithstanding the provisions of subparagraph (B)(iii)(I), other Federal laws and laws of the Indian tribe with jurisdiction over the trust or restricted interest in land may otherwise define the inheritance rights of adopted-out children.

(3) Divorce

(A) Surviving spouse

(i) In general

An individual who is divorced from a decedent, or whose marriage to the decedent has been annulled, shall not be considered to be a surviving spouse unless, by virtue of a subsequent marriage, the individual is married to the decedent at the time of death of the decedent.

(ii) Separation

A decree of separation that does not dissolve a marriage, and terminate the status of husband and wife, shall not be considered a divorce for the purpose of this subsection.

(iii) No effect on adjudications

Nothing in clause (i) shall prevent the Secretary from giving effect to a property right settlement relating to a trust or restricted interest in land or an interest in trust personalty if 1 of the parties to the settlement dies before the issuance of a final decree dissolving the marriage of the parties to the property settlement.

(B) Effect of subsequent divorce on a will or devise

(i) In general

If, after executing a will, a testator is divorced or the marriage of the testator is annulled, as of the effective date of the di-

voiced or annulment, any disposition of trust or restricted interests in land or of trust personalty made by the will to the former spouse of the testator shall be considered to be revoked unless the will expressly provides otherwise.

(ii) Property

Property that is prevented from passing to a former spouse of a decedent under clause (i) shall pass as if the former spouse failed to survive the decedent.

(iii) Provisions of wills

Any provision of a will that is considered to be revoked solely by operation of this subparagraph shall be revived by the remarriage of a testator to the former spouse of the testator.

(4) After-born heirs

A child in gestation at the time of decedent's death will be treated as having survived the decedent if the child lives at least 120 hours after its birth.

(5) Advancements of trust personalty during lifetime; effect on distribution of estate

(A) The trust personalty of a decedent who dies intestate as to all or a portion of his or her estate, given during the decedent's lifetime to a person eligible to be an heir of the decedent under subsection (b)(2)(B), shall be treated as an advancement against the heir's inheritance, but only if the decedent declared in a contemporaneous writing, or the heir acknowledged in writing, that the gift is an advancement or is to be taken into account in computing the division and distribution of the decedent's intestate estate.

(B) For the purposes of this section, trust personalty advanced during the decedent's lifetime is valued as of the time the heir came into possession or enjoyment of the property or as of the time of the decedent's death, whichever occurs first.

(C) If the recipient of the trust personalty predeceases the decedent, the property shall not be treated as an advancement or taken into account in computing the division and distribution of the decedent's intestate estate unless the decedent's contemporaneous writing provides otherwise.

(6) Heirs related to decedent through 2 lines; single share

A person who is related to the decedent through 2 lines of relationship is entitled to only a single share of the trust or restricted land or trust personalty in the decedent's estate based on the relationship that would entitle such person to the larger share.

(7) Notice

(A) In general

To the maximum extent practicable, the Secretary shall notify each owner of trust and restricted land of the provisions of this chapter.

(B) Combined notices

The notice under subparagraph (A) may, at the discretion of the Secretary, be provided

with the notice required under subsection (a) of section 8 of the American Indian Probate Reform Act of 2004.

(8) Renunciation or disclaimer of interests

(A) In general

Any person 18 years of age or older may renounce or disclaim an inheritance of a trust or restricted interest in land or in trust personalty through intestate succession or devise, either in full or subject to the reservation of a life estate (where the interest is an interest in land), in accordance with subparagraph (B), by filing a signed and acknowledged declaration with the probate decisionmaker prior to entry of a final probate order. No interest so renounced or disclaimed shall be considered to have vested in the renouncing or disclaiming heir or devisee, and the renunciation or disclaimer shall not be considered to be a transfer or gift of the renounced or disclaimed interest.

(B) Eligible recipients of renounced or disclaimed interests; notice to recipients

(i) Interests in land

A trust or restricted interest in land may be renounced or disclaimed only in favor of—

(I) an eligible heir;

(II) any person who would have been eligible to be a devisee of the interest in question pursuant to subsection (b)(1)(A) (but only in cases where the renouncing person is a devisee of the interest under a valid will); or

(III) the Indian tribe with jurisdiction over the interest in question;

and the interest so renounced shall pass to its recipient in trust or restricted status.

(ii) Trust personalty

An interest in trust personalty may be renounced or disclaimed in favor of any person who would be eligible to be a devisee of such an interest under subsection (b)(3) and shall pass to the recipient in accordance with the provisions of that subsection.

(iii) Unauthorized renunciations and disclaimers

Unless renounced or disclaimed in favor of a person or Indian tribe eligible to receive the interest in accordance with the provisions of this subparagraph, a renounced or disclaimed interest shall pass as if the renunciation or disclaimer had not been made.

(C) Acceptance of interest

A renunciation or disclaimer of an interest filed in accordance with this paragraph shall be considered accepted when implemented in a final order by a decisionmaker, and shall thereafter be irrevocable. No renunciation or disclaimer of an interest shall be included in such order unless the recipient of the interest has been given notice of the renunciation or disclaimer and has not refused to accept the interest. All disclaimers and renunciations filed and implemented in probate or-

ders made effective prior to October 27, 2004, are hereby ratified.

(D) Rule of construction

Nothing in this paragraph shall be construed to allow the renunciation of an interest that is subject to subsection (a)(2)(D) in favor of more than 1 person.

(9) Consolidation agreements

(A) In general

During the pendency of probate, the decisionmaker is authorized to approve written consolidation agreements effecting exchanges or gifts voluntarily entered into between the decedent's eligible heirs or devisees, to consolidate interests in any tract of land included in the decedent's trust inventory. Such agreements may provide for the conveyance of interests already owned by such heirs or devisees in such tracts, without having to comply with the Secretary's rules and requirements otherwise applicable to conveyances by deed of trust or restricted interests in land.

(B) Effective

An agreement approved under subparagraph (A) shall be considered final when implemented in an order by a decisionmaker. The final probate order shall direct any changes necessary to the Secretary's land records, to reflect and implement the terms of the approved agreement.

(C) Effect on purchase option at probate

Any interest in trust or restricted land that is subject to a consolidation agreement under this paragraph or subsection (e) shall not be available for purchase under subsection (o) unless the decisionmaker determines that the agreement should not be approved.

(k) Notification to landowners

After receiving a written request by any owner of a trust or restricted interest in land, the Secretary shall provide to such landowner the following information with respect to each tract of trust or restricted land in which the landowner has an interest:

- (1) The location of the tract of land involved.
- (2) The identity of each other co-owner of interests in the parcel of land.
- (3) The percentage of ownership of each owner of an interest in the tract.

(l) Pilot project for the management of trust assets of Indian families and relatives

(1) Development pilot project

The Secretary shall consult with tribes, individual landowner organizations, Indian advocacy organizations, and other interested parties to—

- (A) develop a pilot project for the creation of legal entities such as private or family trusts, partnerships corporations, or other organizations to improve, facilitate, and assist in the efficient management of interests in trust or restricted lands or funds owned by Indian family members and relatives; and
- (B) develop proposed rules, regulations, and guidelines to implement the pilot project, including—

- (i) the criteria for establishing such legal entities;

- (ii) reporting and other requirements that the Secretary determines to be appropriate for administering such entities; and

- (iii) provisions for suspending or revoking the authority of an entity to engage in activities relating to the management of trust or restricted assets under the pilot project in order to protect the interests of the beneficial owners of such assets.

(2) Primary purposes; limitation; approval of transactions; payments by Secretary

(A) Purposes

The primary purpose of any entity organized under the pilot project shall be to improve, facilitate, and assist in the management of interests in trust or restricted land, held by 1 or more persons, in furtherance of the purposes of this chapter.

(B) Limitation

The organization or activities of any entity under the pilot project shall not be construed to impair, impede, replace, abrogate, or modify in any respect the trust duties or responsibilities of the Secretary, nor shall anything in this subsection or in any rules, regulations, or guidelines developed under this subsection enable any private or family trustee of trust or restricted interests in land to exercise any powers over such interests greater than that held by the Secretary with respect to such interests.

(C) Secretarial approval of transactions

Any transaction involving the lease, use, mortgage or other disposition of trust or restricted land or other trust assets administered by or through an entity under the pilot project shall be subject to approval by the Secretary in accordance with applicable Federal law.

(D) Payments

The Secretary shall have the authority to make payments of income and revenues derived from trust or restricted land or other trust assets administered by or through an entity participating in the pilot project directly to the entity, in accordance with requirements of the regulations adopted pursuant to this subsection.

(3) Limitations on pilot project

(A) Number of organizations

The number of entities established under the pilot project authorized by this subsection shall not exceed 30.

(B) Regulations required

No entity shall commence activities under the pilot project authorized by this subsection until the Secretary has adopted final rules and regulations under paragraph (1)(B).

(4) Report to Congress

Prior to the expiration of the pilot project provided for under this subsection, the Secretary shall submit a report to Congress stating—

- (A) a description of the Secretary's consultation with Indian tribes, individual land-

owner associations, Indian advocacy organizations, and other parties consulted with regarding the development of rules and regulations for the creation and management of interests in trust and restricted lands under the pilot project;

(B) the feasibility of accurately monitoring the performance of legal entities such as those involved in the pilot project, and the effectiveness of such entities as mechanisms to manage and protect trust assets;

(C) the impact that the use of entities such as those in the pilot project may have with respect to the accomplishment of the goals of this chapter; and

(D) any recommendations that the Secretary may have regarding whether to adopt a permanent program as a management and consolidation measure for interests in trust or restricted lands.

(m) Notice to heirs

Prior to holding a hearing to determine the heirs to trust or restricted property, or making a decision determining such heirs, the Secretary shall seek to provide actual written notice of the proceedings to all heirs. Such efforts shall include—

(1) a search of publicly available records and Federal records, including telephone and address directories and including electronic search services or directories;

(2) an inquiry with family members and co-heirs of the property;

(3) an inquiry with the tribal government of which the owner is a member, and the tribal government with jurisdiction over the property, if any; and

(4) if the property is of a value greater than \$2,000, engaging the services of an independent firm to conduct a missing persons search.

(n) Missing heirs

(1) For purposes of this subsection and subsection (m), an heir may be presumed missing if—

(A) such heir's whereabouts remain unknown 60 days after completion of notice efforts under subsection (m); and

(B) in the proceeding to determine a decedent's heirs, the Secretary finds that the heir has had no contact with other heirs of the decedent, if any, or with the Department relating to trust or restricted land or other trust assets at any time during the 6-year period preceding the hearing to determine heirs.

(2) Before the date for declaring an heir missing, any person may request an extension of time to locate such heir. The Secretary shall grant a reasonable extension of time for good cause.

(3) An heir shall be declared missing only after a review of the efforts made in the heirship proceeding and a finding has been made that this subsection has been complied with.

(4) An heir determined to be missing pursuant to this subsection shall be deemed to have predeceased the decedent for purposes of descent and devise of trust or restricted land and trust personalty within that decedent's estate.

(o) Purchase option at probate

(1) In general

The trust or restricted interests in a parcel of land in the decedent's estate may be purchased at probate in accordance with the provisions of this subsection.

(2) Sale of interest at fair market value

Subject to paragraph (3), the Secretary is authorized to sell trust or restricted interests in land subject to this subsection, including the interest that a surviving spouse would otherwise receive under subparagraph (A) or (D) of subsection (a)(2), at no less than fair market value, as determined in accordance with the provisions of this chapter, to any of the following eligible purchasers:

(A) Any other eligible heir taking an interest in the same parcel of land by intestate succession or the decedent's other devisees of interests in the same parcel who are eligible to receive a devise under subsection (b)(1)(A).

(B) All persons who own undivided trust or restricted interests in the same parcel of land involved in the probate proceeding.

(C) The Indian tribe with jurisdiction over the interest, or the Secretary on behalf of such Indian tribe.

(3) Request to purchase; consent requirements; multiple requests to purchase

(A) In general

No sale of an interest in probate shall occur under this subsection unless—

(i) an eligible purchaser described in paragraph (2) submits a written request to purchase prior to the distribution of the interest to heirs or devisees of the decedent and in accordance with any regulations of the Secretary; and

(ii) except as provided in paragraph (5), the heirs or devisees of such interest, and the decedent's surviving spouse, if any, receiving a life estate under subparagraph (A) or (D) of subsection (a)(2) consent to the sale.

(B) Multiple requests to purchase

Except for interests purchased pursuant to paragraph (5), if the Secretary receives a request with respect to an interest from more than 1 eligible purchaser under paragraph (2), the Secretary shall sell the interest to the eligible purchaser that is selected by the applicable heir, devisee, or surviving spouse.

(4) Appraisal and notice

Prior to the sale of an interest pursuant to this subsection, the Secretary shall—

(A) appraise the interest at its fair market value in accordance with this chapter; and

(B) provide eligible heirs, other devisees, and the Indian tribe with jurisdiction over the interest with written notice, sent by first class mail, that the interest is available for purchase in accordance with this subsection.

(5) Small undivided interests in Indian lands

(A) In general

Subject to subparagraph (B), the consent of a person who is an heir or surviving

spouse otherwise required under paragraph (3)(A)(ii) shall not be required for the sale of an interest at probate under this subsection if—

(i) the interest is passing by intestate succession;

(ii) prior to the sale the Secretary determines in the probate proceeding that, at the time of death of the applicable decedent, the interest of the decedent in the land represented less than 5 percent of the entire undivided ownership of the parcel of land as evidenced by the Secretary's records as of the time the determination is made; and

(iii)(I) the Secretary is purchasing the interest under the program authorized under section 2212(a)(1) of this title; or

(II) after receiving a notice under paragraph (4)(B), the Indian tribe with jurisdiction over the interest is proposing to purchase the interest from an heir or surviving spouse who is not residing on the property in accordance with clause (i), and who is not a member, and is not eligible to become a member, of that Indian tribe.

(B) Exception

Notwithstanding subparagraph (A), the consent of such heir or surviving spouse shall be required for the sale at probate of the interest of the heir or surviving spouse if, at the time of the decedent's death, the heir or surviving spouse was residing on the parcel of land of which the interest to be sold was a part.

(6) Distribution of proceeds

(A) In general

Proceeds from the sale of interests under this subsection shall be distributed to the heirs, devisees, or spouse whose interest was sold in accordance with the values of their respective interests.

Nothing in this section shall be construed to limit or otherwise affect the application of any Federal law requiring the Secretary to approve mineral leases or other agreements for the development of the mineral interest in trust or restricted land.

(c) Owner management

(1) In general

Notwithstanding any provision of Federal law requiring the Secretary to approve individual Indian leases of individual Indian trust or restricted land, where the owners of all of the undivided trust or restricted interests in a parcel of land have submitted applications to the Secretary pursuant to subsection (a), and the Secretary has approved such applications under subsection (d), such owners may, without further approval by the Secretary, enter into a lease of the parcel for agricultural purposes for a term not to exceed 10 years.

(2) Rule of construction

No such lease shall be effective until it has been executed by the owners of all undivided trust or restricted interests in the parcel.

(d) Approval of applications for owner management

(1) In general

Subject to the provisions of paragraph (2), the Secretary shall approve an application for

owner management submitted by a qualified applicant pursuant to this section unless the Secretary has reason to believe that the applicant is submitting the application as the result of fraud or undue influence. No such application shall be valid or considered if it is received by the Secretary prior to the date that is 1 year after the date on which notice is published pursuant to section 8(a)(4) of the American Indian Probate Reform Act of 2004.

(2) Commencement of owner-managed status

Notwithstanding the approval of 1 or more applications pursuant to paragraph (1), no trust or restricted interest in a parcel of land shall acquire owner-managed status until applications for all of the trust or restricted interests in such parcel of land have been submitted to and approved by the Secretary pursuant to this section.

(e) Validity of leases

No lease of trust or restricted interests in a parcel of land that is owner-managed under this section shall be valid or enforceable against the owners of such interests, or against the land, the interest or the United States, unless such lease—

(2) has been approved by the Secretary in accordance with other Federal laws applicable to the leasing of trust or restricted land.

(f) Lease revenues

The Secretary shall not be responsible for the collection of, or accounting for, any lease revenues accruing to any interests under a lease authorized by subsection (e), so long as such interest is in owner-managed status under the provisions of this section.

(g) Jurisdiction

(1) Jurisdiction unaffected by status

The Indian tribe with jurisdiction over an interest in trust or restricted land that becomes owner-managed pursuant to this section shall continue to have jurisdiction over the interest to the same extent and in all respects that such tribe had prior to the interest acquiring owner-managed status.

(2) Revocation

Owner-managed status of an interest may be revoked upon written request of the owners (including the parents or legal guardians of minors or incompetent owners) of all trust or restricted interests in the parcel, submitted to the Secretary in accordance with regulations adopted under subsection (l).¹ The revocation shall become effective as of the date on which the last of all such requests has been delivered to the Secretary.
