

“(h) CONSTRUCTION REGARDING CERTAIN NOT-FOR-PROFIT ENTITIES.—The amendments made by subsections (a) and (b) [see Tables for classification] shall not be construed as modifying or superseding, nor as intended to impair or restrict, the applicability of the cost accounting standards described in section 26(f) of the Office of Federal Procurement Policy Act ([former] 41 U.S.C. 422(f)) [now 41 U.S.C. 1502(a), (b)] to—

“(1) any educational institution or federally funded research and development center that is associated with an educational institution in accordance with Office of Management and Budget Circular A-21, as in effect on January 1, 1999; or

“(2) any contract with a nonprofit entity that provides research and development and related products or services to the Department of Defense.

“(i) EFFECTIVE DATE.—The amendments made by subsections (a) and (b) [see Tables for classification] shall take effect 180 days after the date of enactment of this Act [Oct. 5, 1999], and shall apply with respect to—

“(1) contracts that are entered into on or after such effective date; and

“(2) determinations made on or after such effective date regarding whether a segment of a contractor or subcontractor is subject to the cost accounting standards under section 26(f) of the Office of Federal Procurement Policy Act ([former] 41 U.S.C. 422(f)) [now 41 U.S.C. 1502(a), (b)], regardless of whether the contracts on which such determinations are made were entered into before, on, or after such date.”

§ 1503. Contract price adjustment

(a) DISAGREEMENT CONSTITUTES A DISPUTE.—If the Federal Government and a contractor or subcontractor fail to agree on a contract price adjustment, including whether the contractor or subcontractor has complied with the applicable cost accounting standards, the disagreement will constitute a dispute under chapter 71 of this title.

(b) AMOUNT OF ADJUSTMENT.—A contract price adjustment undertaken under section 1502(f)(2) of this title shall be made, where applicable, on relevant contracts between the Federal Government and the contractor that are subject to the cost accounting standards so as to protect the Federal Government from payment, in the aggregate, of increased costs, as defined by the Cost Accounting Standards Board. The Federal Government may not recover costs greater than the aggregate increased cost to the Federal Government, as defined by the Board, on the relevant contracts subject to the price adjustment unless the contractor made a change in its cost accounting practices of which it was aware or should have been aware at the time of the price negotiation and which it failed to disclose to the Federal Government.

(c) INTEREST.—The interest rate applicable to a contract price adjustment is the annual rate of interest established under section 6621 of the Internal Revenue Code of 1986 (26 U.S.C. 6621) for the period. Interest accrues from the time payments of the increased costs were made to the contractor or subcontractor to the time the Federal Government receives full compensation for the price adjustment.
