Prior Provisions

PART B—NURSE PRACTITIONERS, NURSE MIDWIVES, NURSE ANESTHETISTS, AND OTHER ADVANCED EDUCATION NURSES

§ 296j. Advanced education nursing grants

(a) In general

The Secretary may award grants to and enter into contracts with eligible entities to meet the costs of—

(1) projects that support the enhancement of advanced nursing education and practice; and

(2) traineeships for individuals in advanced nursing education programs.

(b) Definition of advanced education nurses

For purposes of this section, the term "advanced education nurses" means individuals trained in advanced degree programs including individuals in combined R.N./graduate degree programs, post-nursing master’s certificate programs, or, in the case of nurse midwives, in certificate programs in existence on the date that is one day prior to November 13, 1998, to serve as nurse practitioners, clinical nurse specialists, nurse midwives, nurse anesthetists, nurse educators, nurse administrators, clinical nurse educators, or public health nurses, or in other nurse specialties determined by the Secretary to require advanced education.

(c) Authorized nurse practitioner

Nurse practitioner programs eligible for support under this section are educational programs for registered nurses (irrespective of the type of school of nursing in which the nurses received their training) that—

(1) meet guidelines prescribed by the Secretary; and

(2) have as their objective the education of nurses who will upon completion of their studies in such programs, be qualified to effectively provide primary health care, including primary health care in homes and in ambulatory care facilities, long-term care facilities, acute care, and other health care settings.

(d) Authorized nurse-midwifery programs

Midwifery programs that are eligible for support under this section are educational programs that—

(1) have as their objective the education of midwives; and

85 Stat. 465, which related to loan guarantees and interest subsidies for construction of training facilities by nonprofit nursing schools, was transferred to section 296f of this title prior to repeal by Pub. L. 94–63 and transferred to section 296g of this title prior to renumbering by Pub. L. 105–392.
(2) are accredited by the American College of Nurse-Midwives Accreditation Commission for Midwifery Education.

(e) Authorized nurse anesthesia programs

Nurse anesthesia programs eligible for support under this section are education programs that—

(1) provide registered nurses with full-time anesthetist education; and

(2) are accredited by the Council on Accreditation of Nurse Anesthesia Educational Programs.

(f) Authorized clinical nurse specialist programs

Clinical nurse specialist programs eligible for support under this section are education programs that—

(1) provide registered nurses with full-time clinical nurse specialist education; and

(2) have as their objective the education of clinical nurse specialists who will, upon completion of such a program, be qualified to effectively provide care through the wellness and illness continuum to inpatients and outpatients experiencing acute and chronic illness.

(g) Other authorized educational programs

The Secretary shall prescribe guidelines as appropriate for other advanced nurse education programs eligible for support under this section.

(h) Traineeships

(1) In general

The Secretary may not award a grant to an applicant under subsection (a) unless the applicant involved agrees that traineeships provided with the grant will only pay all or part of the costs of—

(A) the tuition, books, and fees of the program of advanced nurse education with respect to which the traineeship is provided; and

(B) the reasonable living expenses of the individual during the period for which the traineeship is provided.

(2) Special consideration

In making awards of grants and contracts under subsection (a)(2), the Secretary shall give special consideration to an eligible entity that agrees to expend the award to train advanced education nurses who will practice in health professional shortage areas designated under section 254e of this title.

§ 296j–1 Demonstration grants for family nurse practitioner training programs

(a) Establishment of program

The Secretary of Health and Human Services (referred to in this section as the “Secretary”) shall establish a training demonstration program for family nurse practitioners (referred to in this section as the “program”) to employ and provide 1-year training for nurse practitioners who have graduated from a nurse practitioner program for careers as primary care providers in Federally qualified health centers (referred to in this section as “FQHCs”) and nurse-managed health clinics (referred to in this section as “NMHCs”).

(b) Purpose

The purpose of the program is to enable each grant recipient to—

(1) provide new nurse practitioners with clinical training to enable them to serve as primary care providers in FQHCs and NMHCs;

(2) train new nurse practitioners to work under a model of primary care that is consistent with the principles set forth by the Institute of Medicine and the needs of vulnerable populations; and

(3) create a model of FQHC and NMHC training for nurse practitioners that may be replicated nationwide.

(c) Grants

The Secretary shall award 3-year grants to eligible entities that meet the requirements established by the Secretary, for the purpose of operating the nurse practitioner primary care programs described in subsection (a) in such entities.

(d) Eligible entities

To be eligible to receive a grant under this section, an entity shall—

(1)(A) be a FQHC as defined in section 1395x(aa) of this title; or

(B) be a nurse-managed health clinic, as defined in section 330A–1 of the Public Health...
