CODIFICATION

Section was enacted as part of the American Energy Manufacturing Technical Corrections Act, and not as part of the Energy Policy and Conservation Act which comprises this chapter.

AMENDMENTS

PART D—OTHER FEDERAL ENERGY CONSERVATION MEASURES

Editorial Notes

CODIFICATION

This part, originally designated part E and subsequently redesignated part F by Pub. L. 95–619, title IV, § 691(b)(2), Nov. 9, 1978, 92 Stat. 3267, was changed to part D for purposes of codification.

§ 6361. Federal energy conservation programs

(a) Establishment and coordination of Federal agency actions

(1) The President shall, to the extent of his authority under other law, establish or coordinate Federal agency actions to develop mandatory standards with respect to energy conservation and energy efficiency to govern the procurement policies and decisions of the Federal Government and all Federal agencies, and shall take such steps as are necessary to cause such standards to be implemented.

(2) The President shall develop and, to the extent of his authority under other law, implement a 10-year plan for energy conservation with respect to buildings owned or leased by an agency of the United States. Such plan shall include mandatory lighting efficiency standards, mandatory thermal efficiency standards and insulation requirements, restrictions on hours of operation, thermostat controls, and other conditions of operation, and plans for replacing or retrofitting to meet such standards.

(b) Public education programs

(1) The Secretary shall establish and carry out a responsible public education program—

(A) to encourage energy conservation and energy efficiency; or

(B) to promote van pooling and carpooling arrangements.

(2) For purposes of this subsection:

(A) The term “van pooling” means any automobile which the Secretary determines is manufactured primarily for use in the transportation of not less than 8 individuals and not more than 15 individuals.

(B) The term “van pooling arrangement” means an arrangement for the transportation of employees between their residences or other designated locations and their place of employment on a nonprofit basis in which the operating costs of such arrangement are paid for by the employees utilizing such arrangement.

(c) Omitted

(d) Applicability of plan to Executive agencies

The plan developed by the President pursuant to subsection (a)(2) shall be applicable to Executive agencies as defined in section 105 of title 5 and to the United States Postal Service.

(e) Authorization of appropriations

In addition to funds authorized in any other law, there is authorized to be appropriated to the President for fiscal year 1978 not to exceed $50,000,000, and for fiscal year 1979 not to exceed $50,000,000, to carry out the purposes of subsection (a)(2).

Editorial Notes

CODIFICATION

Subsec. (c) of this section, which required the Secretary to include in the report required under section 6296(b) of this title the steps taken under subsec. (a) and (b) of this section, terminated, effective May 15, 2000, pursuant to section 3003 of Pub. L. 101–66, as amended, set out as a note under section 1113 of Title 31, Money and Finance. See, also, the 19th item on page 19 and the 3rd item on page 138 of House Document No. 103–7.

AMENDMENTS

1988—Subsec. (c). Pub. L. 100–615 amended subsec. (c) generally. Prior to amendment, subsec. (c) read as follows: “The President shall submit to the Congress an annual report concerning all steps taken under subsections (a) and (b) of this section.”

Subsecs. (d), (e). Pub. L. 95–619, §501, added subsecs. (d) and (e).

Statutory Notes and Related Subsidiaries

Executive Documents

§ 6362. Energy conservation policies and practices

(a) “Agency” defined

In this section, “agency” means—

(1) the Department of Transportation with respect to part A of subtitle VII of title 49, United States Code;

(2) the Interstate Commerce Commission;

(3) the Federal Maritime Commission; and

(4) the Federal Power Commission.

(b) Statement of probable impact of major regulatory action on energy efficiency

Except as provided in subsection (c), each of the agencies specified in subsection (a) shall, where practicable and consistent with the exercise of their authority under other law, include in any major regulatory action (as defined by rule by each such agency) taken by each such agency, a statement of the probable impact of such major regulatory action on energy efficiency and energy conservation.

(c) Application of provisions to authority exercised to protect public health and safety

Subsection (b) shall not apply to any authority exercised under any provision of law designed to protect the public health or safety.

§ 6362. Energy conservation policies and practices

President on the performance of the agencies in implementing the policies and actions contained in this Order. The report shall include (a) an assessment of each agency’s performance, including the reasonableness of its goals and the adequacy of its effort, (b) a comparison of private sector and State and local government ridesharing efforts with those of the Federal government, and (c) recommendations for additional actions necessary to remove barriers or to provide additional incentives to encourage more ridesharing by personnel at Federal facilities.
