§ 577. Urban and other high risk area communications capabilities

(a) In general

The Secretary, in consultation with the Chairman of the Federal Communications Commission and the Secretary of Defense, and with appropriate State, local, and tribal government officials, shall provide technical guidance, training, and other assistance, as appropriate, to support the rapid establishment of consistent, secure, and effective interoperable emergency communications capabilities in the event of an emergency in urban and other areas determined by the Secretary to be at consistently high levels of risk from natural disasters, acts of terrorism, and other man-made disasters.

(b) Minimum capabilities

The interoperable emergency communications capabilities established under subsection (a) shall ensure the ability of all levels of government, emergency response providers, the private sector, and other organizations with emergency response capabilities—

(1) to communicate with each other in the event of an emergency;

(2) to have appropriate and timely access to the Information Sharing Environment described in section 485 of this title; and

(3) to be consistent with any applicable State or Urban Area homeland strategy or plan.

(Pub. L. 107-296, title XVIII, § 1807, as added Pub. L. 109-295, title VI, § 671(b), Oct. 4, 2006, 120 Stat. 1441.)

§ 578. Definition

In this subchapter, the term “interoperable” has the meaning given the term “interoperable communications” under section 194(g)(1) of this title.

(Pub. L. 107-296, title XVIII, § 1808, as added Pub. L. 109-295, title VI, § 671(b), Oct. 4, 2006, 120 Stat. 1441.)

§ 579. Interoperable Emergency Communications Grant Program

(a) Establishment

The Secretary shall establish the Interoperable Emergency Communications Grant Pro-

gram to make grants to States to carry out initiatives to improve local, tribal, statewide, regional, national and, where appropriate, international interoperable emergency communications, including communications in collective response to natural disasters, acts of terrorism, and other man-made disasters.

(b) Policy

The Assistant Director for Emergency Communications shall ensure that a grant awarded to a State under this section is consistent with the policies established pursuant to the responsibilities and authorities of the Emergency Communications Division under this subchapter, including ensuring that activities funded by the grant—

(1) comply with the statewide plan for that State required by section 194(f) of this title; and

(2) comply with the National Emergency Communications Plan under section 572 of this title, when completed.

(c) Administration

(1) In general

The Administrator of the Federal Emergency Management Agency shall administer the Interoperable Emergency Communications Grant Program pursuant to the responsibilities and authorities of the Administrator under subchapter V.

(2) Guidance

In administering the grant program, the Administrator shall ensure that the use of grants is consistent with guidance established by the Assistant Director for Emergency Communications pursuant to section 194(a)(1)(H) of this title.

(d) Use of funds

A State that receives a grant under this section shall use the grant to implement that State's Statewide Interoperability Plan required under section 194(f) of this title and approved under subsection (e), and to assist with activities determined by the Secretary to be integral to interoperable emergency communications.

(e) Approval of plans

(1) Approval as condition of grant

Before a State may receive a grant under this section, the Assistant Director for Emergency Communications shall approve the State's Statewide Interoperable Communications Plan required under section 194(f) of this title.

(2) Plan requirements

In approving a plan under this subsection, the Assistant Director for Emergency Communications shall ensure that the plan—

(A) is designed to improve interoperability at the city, county, regional, State and interstate level;

(B) considers any applicable local or regional plan; and

(C) complies, to the maximum extent practicable, with the National Emergency Communications Plan under section 572 of this title.

¹ So in original. Subsection (b) of this section does not contain a paragraph (1).
