

§ 727. Improvements to information technology systems

(a) Measures to improve information technology systems

The Administrator, in coordination with the Chief Information Officer of the Department, shall take appropriate measures to update and improve the information technology systems of the Agency, including measures to—

- (1) ensure that the multiple information technology systems of the Agency (including the National Emergency Management Information System, the Logistics Information Management System III, and the Automated Deployment Database) are, to the extent practicable, fully compatible and can share and access information, as appropriate, from each other;
- (2) ensure technology enhancements reach the headquarters and regional offices of the Agency in a timely fashion, to allow seamless integration;
- (3) develop and maintain a testing environment that ensures that all system components are properly and thoroughly tested before their release;
- (4) ensure that the information technology systems of the Agency have the capacity to track disaster response personnel, mission assignments task orders, commodities, and supplies used in response to a natural disaster, act of terrorism, or other man-made disaster;
- (5) make appropriate improvements to the National Emergency Management Information System to address shortcomings in such system on October 4, 2006; and
- (6) provide training, manuals, and guidance on information technology systems to personnel, including disaster response personnel, to help ensure employees can properly use information technology systems.

(b) Report

Not later than 270 days after October 4, 2006, the Administrator shall submit to the appropriate committees of Congress a report describing the implementation of this section, including a description of any actions taken, improvements made, and remaining problems and a description of any additional funding needed to make necessary and appropriate improvements to the information technology systems of the Agency.

(Pub. L. 109–295, title VI, §640, Oct. 4, 2006, 120 Stat. 1423.)

§ 728. Disclosure of certain information to law enforcement agencies

In the event of circumstances requiring an evacuation, sheltering, or mass relocation, the Administrator may disclose information in any individual assistance database of the Agency in accordance with section 552a(b) of title 5 (commonly referred to as the “Privacy Act”) to any law enforcement agency of the Federal Government or a State, local, or tribal government in order to identify illegal conduct or address public safety or security issues, including compliance with sex offender notification laws.

SUBCHAPTER II—COMPREHENSIVE PREPAREDNESS SYSTEM

PART A—NATIONAL PREPAREDNESS SYSTEM

§ 741. Definitions

In this part:

(1) Capability

The term “capability” means the ability to provide the means to accomplish one or more tasks under specific conditions and to specific performance standards. A capability may be achieved with any combination of properly planned, organized, equipped, trained, and exercised personnel that achieves the intended outcome.

(2) Credentialed; credentialing

The terms “credentialed” and “credentialing” have the meanings given those terms in section 311 of this title.

(3) Hazard

The term “hazard” has the meaning given that term under section 5195a(a)(1) of title 42.

(4) Mission assignment

The term “mission assignment” means a work order issued to a Federal agency by the Agency, directing completion by that agency of a specified task and setting forth funding, other managerial controls, and guidance.

(5) National preparedness goal

The term “national preparedness goal” means the national preparedness goal established under section 743 of this title.

(6) National preparedness system

The term “national preparedness system” means the national preparedness system established under section 744 of this title.

(7) National training program

The term “national training program” means the national training program established under section 748(a) of this title.

(8) Operational readiness

The term “operational readiness” means the capability of an organization, an asset, a system, or equipment to perform the missions or functions for which it is organized or designed.

(9) Performance measure

The term “performance measure” means a quantitative or qualitative characteristic used to gauge the results of an outcome compared to its intended purpose.

(10) Performance metric

The term “performance metric” means a particular value or characteristic used to measure the outcome that is generally expressed in terms of a baseline and a target.

(11) Prevention

The term “prevention” means any activity undertaken to avoid, prevent, or stop a threatened or actual act of terrorism.

(12) Resources

The term “resources” has the meaning given that term in section 311 of this title.

(13) Type

The term “type” means a classification of resources that refers to the capability of a resource.

(14) Typed; typing

The terms “typed” and “typing” have the meanings given those terms in section 311 of this title.

(Pub. L. 109–295, title VI, §641, Oct. 4, 2006, 120 Stat. 1424; Pub. L. 110–53, title IV, §401(b), Aug. 3, 2007, 121 Stat. 302.)

Editorial Notes**AMENDMENTS**

2007—Pars. (2) to (14). Pub. L. 110–53 added pars. (2) and (12) to (14) and redesignated former pars. (2) to (10) as (3) to (11), respectively.

§ 742. National preparedness

In order to prepare the Nation for all hazards, including natural disasters, acts of terrorism, and other man-made disasters, the President, consistent with the declaration of policy under section 5195 of title 42 and title V of the Homeland Security Act of 2002 (6 U.S.C. 311 et seq.), as amended by this Act, shall develop a national preparedness goal and a national preparedness system.

(Pub. L. 109–295, title VI, §642, Oct. 4, 2006, 120 Stat. 1425.)

Editorial Notes**REFERENCES IN TEXT**

The Homeland Security Act of 2002, referred to in text, is Pub. L. 107–296, Nov. 25, 2002, 116 Stat. 2135. Title V of the Act is classified generally to subchapter V (§311 et seq.) of chapter 1 of this title. For complete classification of this Act to the Code, see Short Title note set out under section 101 of this title and Tables.

This Act, referred to in text, means title VI of Pub. L. 109–295, Oct. 4, 2006, 120 Stat. 1394, known as the Post-Katrina Emergency Management Reform Act of 2006. For complete classification of this Act to the Code, see Short Title and References in Pub. L. 109–295 notes set out under section 701 of this title and Tables.

§ 743. National preparedness goal**(a) Establishment**

The President, acting through the Administrator, shall complete, revise, and update, as necessary, a national preparedness goal that defines the target level of preparedness to ensure the Nation’s ability to prevent, respond to, recover from, and mitigate against natural disasters, acts of terrorism, and other man-made disasters.

(b) National Incident Management System and National Response Plan

The national preparedness goal, to the greatest extent practicable, shall be consistent with the National Incident Management System and the National Response Plan.

(Pub. L. 109–295, title VI, §643, Oct. 4, 2006, 120 Stat. 1425.)

§ 744. Establishment of national preparedness system**(a) Establishment**

The President, acting through the Administrator, shall develop a national preparedness system to enable the Nation to meet the national preparedness goal.

(b) Components

The national preparedness system shall include the following components:

- (1) Target capabilities and preparedness priorities.
- (2) Equipment and training standards.
- (3) Training and exercises.
- (4) Comprehensive assessment system.
- (5) Remedial action management program.
- (6) Federal response capability inventory.
- (7) Reporting requirements.
- (8) Federal preparedness.

(c) National planning scenarios

The national preparedness system may include national planning scenarios.

(Pub. L. 109–295, title VI, §644, Oct. 4, 2006, 120 Stat. 1425.)

§ 745. National planning scenarios**(a) In general**

The Administrator, in coordination with the heads of appropriate Federal agencies and the National Advisory Council, may develop planning scenarios to reflect the relative risk requirements presented by all hazards, including natural disasters, acts of terrorism, and other man-made disasters, in order to provide the foundation for the flexible and adaptive development of target capabilities and the identification of target capability levels to meet the national preparedness goal.

(b) Development

In developing, revising, and replacing national planning scenarios, the Administrator shall ensure that the scenarios—

- (1) reflect the relative risk of all hazards and illustrate the potential scope, magnitude, and complexity of a broad range of representative hazards; and
- (2) provide the minimum number of representative scenarios necessary to identify and define the tasks and target capabilities required to respond to all hazards.

(Pub. L. 109–295, title VI, §645, Oct. 4, 2006, 120 Stat. 1425.)

§ 746. Target capabilities and preparedness priorities**(a) Establishment of guidelines on target capabilities**

Not later than 180 days after October 4, 2006, the Administrator, in coordination with the heads of appropriate Federal agencies, the National Council on Disability, and the National Advisory Council, shall complete, revise, and update, as necessary, guidelines to define risk-based target capabilities for Federal, State, local, and tribal government preparedness that will enable the Nation to prevent, respond to,

recover from, and mitigate against all hazards, including natural disasters, acts of terrorism, and other man-made disasters.

(b) Distribution of guidelines

The Administrator shall ensure that the guidelines are provided promptly to the appropriate committees of Congress and the States.

(c) Objectives

The Administrator shall ensure that the guidelines are specific, flexible, and measurable.

(d) Terrorism risk assessment

With respect to analyzing and assessing the risk of acts of terrorism, the Administrator shall consider—

(1) the variables of threat, vulnerability, and consequences related to population (including transient commuting and tourist populations), areas of high population density, critical infrastructure, coastline, and international borders; and

(2) the most current risk assessment available from the Chief Intelligence Officer of the Department of the threats of terrorism against the United States.

(e) Preparedness priorities

In establishing the guidelines under subsection (a), the Administrator shall establish preparedness priorities that appropriately balance the risk of all hazards, including natural disasters, acts of terrorism, and other man-made disasters, with the resources required to prevent, respond to, recover from, and mitigate against the hazards.

(f) Mutual aid agreements

The Administrator may provide support for the development of mutual aid agreements within States.

(Pub. L. 109-295, title VI, §646, Oct. 4, 2006, 120 Stat. 1426.)

§ 747. Equipment and training standards

(a) Equipment standards

(1) In general

The Administrator, in coordination with the heads of appropriate Federal agencies and the National Advisory Council, shall support the development, promulgation, and updating, as necessary, of national voluntary consensus standards for the performance, use, and validation of equipment used by Federal, State, local, and tribal governments and nongovernmental emergency response providers.

(2) Requirements

The national voluntary consensus standards shall—

(A) be designed to achieve equipment and other capabilities consistent with the national preparedness goal, including the safety and health of emergency response providers;

(B) to the maximum extent practicable, be consistent with existing national voluntary consensus standards;

(C) take into account, as appropriate, threats that may not have been contemplated when the existing standards were developed; and

(D) focus on maximizing operability, interoperability, interchangeability, durability, flexibility, efficiency, efficacy, portability, sustainability, and safety.

(b) Training standards

The Administrator shall—

(1) support the development, promulgation, and regular updating, as necessary, of national voluntary consensus standards for training; and

(2) ensure that the training provided under the national training program is consistent with the standards.

(c) Consultation with standards organizations

In carrying out this section, the Administrator shall consult with representatives of relevant public and private sector national voluntary consensus standards development organizations.

(Pub. L. 109-295, title VI, §647, Oct. 4, 2006, 120 Stat. 1426.)

§ 748. Training and exercises

(a) National training program

(1) In general

Beginning not later than 180 days after October 4, 2006, the Administrator, in coordination with the heads of appropriate Federal agencies, the National Council on Disability, and the National Advisory Council, shall carry out a national training program to implement the national preparedness goal, National Incident Management System, National Response Plan, and other related plans and strategies.

(2) Training partners

In developing and implementing the national training program, the Administrator shall—

(A) work with government training facilities, academic institutions, private organizations, and other entities that provide specialized, state-of-the-art training for emergency managers or emergency response providers; and

(B) utilize, as appropriate, training courses provided by community colleges, State and local public safety academies, State and private universities, and other facilities.

(b) National exercise program

(1) In general

Beginning not later than 180 days after October 4, 2006, the Administrator, in coordination with the heads of appropriate Federal agencies, the National Council on Disability, and the National Advisory Council, shall carry out a national exercise program to test and evaluate the national preparedness goal, National Incident Management System, National Response Plan, and other related plans and strategies.

(2) Requirements

The national exercise program—

(A) shall be—

(i) as realistic as practicable, based on current risk assessments, including credible and emerging threats, vulnerabilities,

and consequences, and designed to stress the national preparedness system;

(ii) designed, as practicable, to simulate the partial or complete incapacitation of a State, local, or tribal government;

(iii) carried out, as appropriate, with a minimum degree of notice to involved parties regarding the timing and details of such exercises, consistent with safety considerations;

(iv) designed to provide for the systematic evaluation of readiness and enhance operational understanding of the incident command system and relevant mutual aid agreements;

(v) designed to address the unique requirements of populations with special needs, including the elderly; and

(vi) designed to promptly develop after-action reports and plans for quickly incorporating lessons learned into future operations; and

(B) shall include a selection of model exercises that State, local, and tribal governments can readily adapt for use and provide assistance to State, local, and tribal governments with the design, implementation, and evaluation of exercises (whether a model exercise program or an exercise designed locally) that—

(i) conform to the requirements under subparagraph (A);

(ii) are consistent with any applicable State, local, or tribal strategy or plan; and

(iii) provide for systematic evaluation of readiness.

(3) National level exercises

The Administrator shall periodically, but not less than biennially, perform national exercises for the following purposes:

(A) To test and evaluate the capability of Federal, State, local, and tribal governments to detect, disrupt, and prevent threatened or actual catastrophic acts of terrorism, especially those involving weapons of mass destruction.

(B) To test and evaluate the readiness of Federal, State, local, and tribal governments to respond and recover in a coordinated and unified manner to catastrophic incidents.

(Pub. L. 109–295, title VI, §648, Oct. 4, 2006, 120 Stat. 1427; Pub. L. 110–53, title IV, §§402, 403, Aug. 3, 2007, 121 Stat. 302, 303; Pub. L. 116–64, §3, Oct. 9, 2019, 133 Stat. 1123.)

Editorial Notes

AMENDMENTS

2019—Subsec. (b)(2)(A)(i). Pub. L. 116–64 inserted “and emerging” after “credible”.

2007—Subsec. (b)(2)(A)(iv) to (vi). Pub. L. 110–53, §402, added cls. (iv) to (vi) and struck out former cls. (iv) and (v) which read as follows:

“(iv) designed to provide for systematic evaluation of readiness; and

“(v) designed to address the unique requirements of populations with special needs; and”.

Subsec. (b)(2)(B). Pub. L. 110–53, §403, in introductory provisions, substituted “shall include a selection of model exercises that State, local, and tribal govern-

ments can readily adapt for use and provide assistance to State, local, and tribal governments with the design, implementation, and evaluation of exercises (whether a model exercise program or an exercise designed locally)” for “shall provide assistance to State, local, and tribal governments with the design, implementation, and evaluation of exercises”.

§ 748a. Prioritization of facilities

Not later than 180 days after October 5, 2018, the Administrator shall provide guidance and training on an annual basis to State, local, and Indian tribal governments, first responders, and utility companies on—

(1) the need to prioritize assistance to hospitals, nursing homes, and other long-term care facilities to ensure that such health care facilities remain functioning or return to functioning as soon as practicable during power outages caused by natural hazards, including severe weather events;

(2) how hospitals, nursing homes and other long-term care facilities should adequately prepare for power outages during a major disaster or emergency, as those terms are defined in section 5122 of title 42; and

(3) how State, local, and Indian tribal governments, first responders, utility companies, hospitals, nursing homes, and other long-term care facilities should develop a strategy to coordinate emergency response plans, including the activation of emergency response plans, in anticipation of a major disaster, including severe weather events.

(Pub. L. 115–254, div. D, §1208, Oct. 5, 2018, 132 Stat. 3441.)

Editorial Notes

CODIFICATION

Section was enacted as part of the Disaster Recovery Reform Act of 2018 and also as part of the FAA Reauthorization Act of 2018, and not as part of the Post-Katrina Emergency Management Reform Act of 2006 which comprises this chapter.

Statutory Notes and Related Subsidiaries

DEFINITIONS

For definitions of “Administrator” and “State” as used in this section, see section 1203 of Pub. L. 115–254, set out as a note under section 5122 of Title 42, The Public Health and Welfare.

§ 749. Comprehensive assessment system

(a) Establishment

The Administrator, in coordination with the National Council on Disability and the National Advisory Council, shall establish a comprehensive system to assess, on an ongoing basis, the Nation’s prevention capabilities and overall preparedness, including operational readiness.

(b) Performance metrics and measures

The Administrator shall ensure that each component of the national preparedness system, National Incident Management System, National Response Plan, and other related plans and strategies, and the reports required under section 752 of this title is developed, revised, and updated with clear and quantifiable performance metrics, measures, and outcomes.

(c) Contents

The assessment system established under subsection (a) shall assess—

- (1) compliance with the national preparedness system, National Incident Management System, National Response Plan, and other related plans and strategies;
- (2) capability levels at the time of assessment against target capability levels defined pursuant to the guidelines established under section 746(a) of this title;
- (3) resource needs to meet the desired target capability levels defined pursuant to the guidelines established under section 746(a) of this title; and
- (4) performance of training, exercises, and operations.

(Pub. L. 109–295, title VI, §649, Oct. 4, 2006, 120 Stat. 1428.)

§ 750. Remedial action management program

The Administrator, in coordination with the National Council on Disability and the National Advisory Council, shall establish a remedial action management program to—

- (1) analyze training, exercises, and real-world events to identify and disseminate lessons learned and best practices;
- (2) generate and disseminate, as appropriate, after action reports to participants in exercises and real-world events; and
- (3) conduct remedial action tracking and long-term trend analysis.

(Pub. L. 109–295, title VI, §650, Oct. 4, 2006, 120 Stat. 1428.)

§ 751. Federal response capability inventory**(a) In general**

In accordance with section 5196(h)(1)(C) of title 42, the Administrator shall accelerate the completion of the inventory of Federal response capabilities.

(b) Contents

For each Federal agency with responsibilities under the National Response Plan, the inventory shall include—

- (1) for each capability—
 - (A) the performance parameters of the capability;
 - (B) the timeframe within which the capability can be brought to bear on an incident; and
 - (C) the readiness of the capability to respond to all hazards, including natural disasters, acts of terrorism, and other man-made disasters;
- (2) a list of personnel credentialed in accordance with section 320 of this title;
- (3) a list of resources typed in accordance with section 320 of this title; and
- (4) emergency communications assets maintained by the Federal Government and, if appropriate, State, local, and tribal governments and the private sector.

(c) Department of Defense

The Administrator, in coordination with the Secretary of Defense, shall develop a list of or-

ganizations and functions within the Department of Defense that may be used, pursuant to the authority provided under the National Response Plan and sections 5170a, 5170b, and 5192 of title 42, to provide support to civil authorities during natural disasters, acts of terrorism, and other man-made disasters.

(d) Database

The Administrator shall establish an inventory database to allow—

- (1) real-time exchange of information regarding—
 - (A) capabilities;
 - (B) readiness;
 - (C) the compatibility of equipment;
 - (D) credentialed personnel; and
 - (E) typed resources;
- (2) easy identification and rapid deployment of capabilities, credentialed personnel, and typed resources during an incident; and
- (3) the sharing of the inventory described in subsection (a) with other Federal agencies, as appropriate.

(Pub. L. 109–295, title VI, §651, Oct. 4, 2006, 120 Stat. 1429; Pub. L. 110–53, title IV, §405, Aug. 3, 2007, 121 Stat. 303.)

Editorial Notes**AMENDMENTS**

2007—Subsec. (b). Pub. L. 110–53, §405(1)(A), substituted “For each Federal agency with responsibilities under the National Response Plan, the inventory” for “The inventory” in introductory provisions.

Subsec. (b)(2) to (4). Pub. L. 110–53, §405(1)(B)–(D), added pars. (2) and (3) and redesignated former par. (2) as (4).

Subsec. (d)(1). Pub. L. 110–53, §405(2)(A), substituted “regarding—” for “regarding capabilities, readiness, or the compatibility of equipment;” in introductory provisions and added subpars. (A) to (E).

Subsec. (d)(2). Pub. L. 110–53, §405(2)(B), inserted “of capabilities, credentialed personnel, and typed resources” after “rapid deployment”.

Subsec. (d)(3). Pub. L. 110–53, §405(2)(C), substituted “the inventory described in subsection (a)” for “inventories”.

§ 752. Reporting requirements**(a) Federal preparedness report****(1) In general**

Not later than 12 months after October 4, 2006, and annually thereafter, the Administrator, in coordination with the heads of appropriate Federal agencies, shall submit to the appropriate committees of Congress a report on the Nation’s level of preparedness for all hazards, including natural disasters, acts of terrorism, and other man-made disasters.

(2) Contents

Each report shall include—

- (A) an assessment of how Federal assistance supports the national preparedness system;
- (B) the results of the comprehensive assessment carried out under section 749 of this title;
- (C) a review of the inventory described in section 751 of this title, including the number and type of credentialed personnel in

each category of personnel trained and ready to respond to a natural disaster, act of terrorism, or other man-made disaster;

(D) an assessment of resource needs to meet preparedness priorities established under section 746(e) of this title, including—

(i) an estimate of the amount of Federal, State, local, and tribal expenditures required to attain the preparedness priorities; and

(ii) the extent to which the use of Federal assistance during the preceding fiscal year achieved the preparedness priorities;

(E) an evaluation of the extent to which grants administered by the Department, including grants under title XX of the Homeland Security Act of 2002 [6 U.S.C. 601 et seq.]—

(i) have contributed to the progress of State, local, and tribal governments in achieving target capabilities; and

(ii) have led to the reduction of risk from natural disasters, acts of terrorism, or other man-made disasters nationally and in State, local, and tribal jurisdictions; and

(F) a discussion of whether the list of credentialed personnel of the Agency described in section 751(b)(2) of this title—

(i) complies with the strategic human capital plan developed under section 10102 of title 5; and

(ii) is sufficient to respond to a natural disaster, act of terrorism, or other man-made disaster, including a catastrophic incident.

(b) Catastrophic resource report

(1) In general

The Administrator shall develop and submit to the appropriate committees of Congress annually an estimate of the resources of the Agency and other Federal agencies needed for and devoted specifically to developing the capabilities of Federal, State, local, and tribal governments necessary to respond to a catastrophic incident.

(2) Contents

Each estimate under paragraph (1) shall include the resources both necessary for and devoted to—

(A) planning;

(B) training and exercises;

(C) Regional Office enhancements;

(D) staffing, including for surge capacity during a catastrophic incident;

(E) additional logistics capabilities;

(F) other responsibilities under the catastrophic incident annex and the catastrophic incident supplement of the National Response Plan;

(G) State, local, and tribal government catastrophic incident preparedness; and

(H) covering increases in the fixed costs or expenses of the Agency, including rent or property acquisition costs or expenses, taxes, contributions to the working capital fund of the Department, and security costs for the year after the year in which such estimate is submitted.

(c) State preparedness report

(1) In general

Not later than 15 months after October 4, 2006, and annually thereafter, a State receiving Federal preparedness assistance administered by the Department shall submit a report to the Administrator on the State's level of preparedness.

(2) Contents

Each report shall include—

(A) an assessment of State compliance with the national preparedness system, National Incident Management System, National Response Plan, and other related plans and strategies;

(B) an assessment of current capability levels and a description of target capability levels; and

(C) a discussion of the extent to which target capabilities identified in the applicable State homeland security plan and other applicable plans remain unmet and an assessment of resources needed to meet the preparedness priorities established under section 746(e) of this title, including—

(i) an estimate of the amount of expenditures required to attain the preparedness priorities; and

(ii) the extent to which the use of Federal assistance during the preceding fiscal year achieved the preparedness priorities.

(Pub. L. 109-295, title VI, §652, Oct. 4, 2006, 120 Stat. 1429; Pub. L. 110-53, title I, §103, title IV, §406, Aug. 3, 2007, 121 Stat. 293, 304.)

AMENDMENTS

2007—Subsec. (a)(2)(C). Pub. L. 110-53, §406(1), substituted “section 751 of this title, including the number and type of credentialed personnel in each category of personnel trained and ready to respond to a natural disaster, act of terrorism, or other man-made disaster” for “section 751(a) of this title”.

Subsec. (a)(2)(E). Pub. L. 110-53, §103(a), added subpar. (E).

Subsec. (a)(2)(F). Pub. L. 110-53, §406(2)–(4), added subpar. (F).

Subsec. (c)(2)(C). Pub. L. 110-53, §103(b), which directed amendment of subpar. (D) by substituting “a discussion of the extent to which target capabilities identified in the applicable State homeland security plan and other applicable plans remain unmet and an assessment of resources needed” for “an assessment of resource needs”, was executed by making the substitution in subpar. (C) to reflect the probable intent of Congress.

§ 753. Federal preparedness

(a) Agency responsibility

In support of the national preparedness system, the President shall ensure that each Fed-

eral agency with responsibilities under the National Response Plan—

(1) has the operational capability to meet the national preparedness goal, including—

(A) the personnel to make and communicate decisions;

(B) organizational structures that are assigned, trained, and exercised for the missions of the agency;

(C) sufficient physical resources; and

(D) the command, control, and communication channels to make, monitor, and communicate decisions;

(2) complies with the National Incident Management System, including credentialing of personnel and typing of resources likely needed to respond to a natural disaster, act of terrorism, or other man-made disaster in accordance with section 320 of this title;

(3) develops, trains, and exercises rosters of response personnel to be deployed when the agency is called upon to support a Federal response;

(4) develops deliberate operational plans and the corresponding capabilities, including crisis planning, to respond effectively to natural disasters, acts of terrorism, and other man-made disasters in support of the National Response Plan to ensure a coordinated Federal response; and

(5) regularly updates, verifies the accuracy of, and provides to the Administrator the information in the inventory required under section 751 of this title.

(b) Operational plans

An operations plan developed under subsection (a)(4) shall meet the following requirements:

(1) The operations plan shall be coordinated under a unified system with a common terminology, approach, and framework.

(2) The operations plan shall be developed, in coordination with State, local, and tribal government officials, to address both regional and national risks.

(3) The operations plan shall contain, as appropriate, the following elements:

(A) Concepts of operations.

(B) Critical tasks and responsibilities.

(C) Detailed resource and personnel requirements, together with sourcing requirements.

(D) Specific provisions for the rapid integration of the resources and personnel of the agency into the overall response.

(4) The operations plan shall address, as appropriate, the following matters:

(A) Support of State, local, and tribal governments in conducting mass evacuations, including—

(i) transportation and relocation;

(ii) short- and long-term sheltering and accommodation;

(iii) provisions for populations with special needs, keeping families together, and expeditious location of missing children; and

(iv) policies and provisions for pets.

(B) The preparedness and deployment of public health and medical resources, includ-

ing resources to address the needs of evacuees and populations with special needs.

(C) The coordination of interagency search and rescue operations, including land, water, and airborne search and rescue operations.

(D) The roles and responsibilities of the Senior Federal Law Enforcement Official with respect to other law enforcement entities.

(E) The protection of critical infrastructure.

(F) The coordination of maritime salvage efforts among relevant agencies.

(G) The coordination of Department of Defense and National Guard support of civilian authorities.

(H) To the extent practicable, the utilization of Department of Defense, National Air and Space Administration, National Oceanic and Atmospheric Administration, and commercial aircraft and satellite remotely sensed imagery.

PART B—ADDITIONAL PREPAREDNESS

§ 761. Emergency Management Assistance Compact grants

(a) In general

The Administrator may make grants to administer the Emergency Management Assistance Compact consented to by the Joint Resolution entitled “Joint Resolution granting the consent of Congress to the Emergency Management Assistance Compact” (Public Law 104-321; 110 Stat. 3877).

(b) Uses

A grant under this section shall be used—

(1) to carry out recommendations identified in the Emergency Management Assistance Compact after-action reports for the 2004 and 2005 hurricane season;

(2) to administer compact operations on behalf of all member States and territories;

(3) to continue coordination with the Agency and appropriate Federal agencies;

(4) to continue coordination with State, local, and tribal government entities and their respective national organizations; and

(5) to assist State and local governments, emergency response providers, and organizations representing such providers with credentialing emergency response providers and the typing of emergency response resources.

(c) Coordination

The Administrator shall consult with the Administrator of the Emergency Management Assistance Compact to ensure effective coordination of efforts in responding to requests for assistance.

(d) Authorization

There is authorized to be appropriated to carry out this section \$4,000,000 for each of fiscal years 2018 through 2022. Such sums shall remain available until expended.

§ 762. Emergency management performance grants program

(a) Definitions

In this section—

(1) the term “program” means the emergency management performance grants program described in subsection (b); and

(2) the term “State” has the meaning given that term in section 102 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5122).

(b) In general

The Administrator of the Federal Emergency Management Agency shall continue implementation of an emergency management performance grants program, to make grants to States to assist State, local, and tribal governments in preparing for all hazards, as authorized by the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.).

(c) Federal share

Except as otherwise specifically provided by title VI of the Robert T. Stafford Disaster Relief and Emergency Assistance Act [42 U.S.C. 5195 et seq.], the Federal share of the cost of an activity carried out using funds made available under the program shall not exceed 50 percent.

(d) Apportionment

For fiscal year 2008, and each fiscal year thereafter, the Administrator shall apportion the amounts appropriated to carry out the program among the States as follows:

(1) Baseline amount

The Administrator shall first apportion 0.25 percent of such amounts to each of American Samoa, the Commonwealth of the Northern Mariana Islands, Guam, and the Virgin Islands and 0.75 percent of such amounts to each of the remaining States.

(2) Remainder

The Administrator shall apportion the remainder of such amounts in the ratio that—

- (A) the population of each State; bears to
- (B) the population of all States.
