

tion related to the supply chain with the private sector entities determined appropriate by the Secretary.

(c) Consultation

In developing the system under subsection (b), the Secretary shall consult with the Commercial Operations Advisory Committee and a broad range of public and private sector entities likely to utilize the system, including importers, exporters, carriers, customs brokers, and freight forwarders, among other parties.

(d) Independently obtained information

Nothing in this section shall be construed to limit or otherwise affect the ability of a Federal, State, or local government entity, under applicable law, to obtain supply chain security information, including any information lawfully and properly disclosed generally or broadly to the public and to use such information in any manner permitted by law.

(e) Authority to issue warnings

The Secretary may provide advisories, alerts, and warnings to relevant companies, targeted sectors, other governmental entities, or the general public regarding potential risks to the supply chain as appropriate. In issuing a warning, the Secretary shall take appropriate actions to protect from disclosure—

(1) the source of any voluntarily submitted supply chain security information that forms the basis for the warning; and

(2) information that is proprietary, business sensitive, relates specifically to the submitting person or entity, or is otherwise not appropriately in the public domain.

Executive Documents

EX. ORD. NO. 13416. STRENGTHENING SURFACE TRANSPORTATION SECURITY

Ex. Ord. No. 13416, Dec. 5, 2006, 71 F.R. 71033, provided: By the authority vested in me as President by the Constitution and the laws of the United States of America, and to strengthen the security of the Nation’s surface transportation systems and thereby enhance the protection of the people, property, and territory of the United States of America against terrorist attacks, it is hereby ordered as follows:

SECTION 1. *Policy.* The security of our Nation’s surface transportation systems is a national priority, vital to our economy, and essential to the security of our Nation. Federal, State, local, and tribal governments, the private sector, and the public share responsibility for the security of surface transportation. It is the policy of the United States to protect the people, property, and territory of the United States by facilitating the implementation of a comprehensive, coordinated, and efficient security program to protect surface transportation systems within and adjacent to the United States against terrorist attacks.

SEC. 2. *Definitions.* For purposes of this order:

(a) “agencies” means those executive departments enumerated in 5 U.S.C. 101, independent establishments as defined by 5 U.S.C. 104(1), government corporations as defined by 5 U.S.C. 103(1), and the United States Postal Service;

(b) “Secretary” means the Secretary of Homeland Security;

(c) “security guideline” means any security-related guidance that the Secretary recommends, for imple-
