## HISTORICAL AND REVISION NOTES

## LEGISLATIVE STATEMENTS

Section 104 represents a compromise between the House bill and the Senate amendment with respect to the adjustment of dollar amounts in title 11. The House amendment authorizes the Judicial Conference of the United States to transmit a recommendation for the uniform percentage of adjustment for each dollar amount in title 11 and in 28 U.S.C. 1930 to the Congress and to the President before May 1, 1985, and before May 1 of every sixth year thereafter. The requirement in the House bill that each such recommendation be based only on any change in the cost-of-living increase during the period immediately preceding the recommendation is deleted.

## SENATE REPORT NO. 95-989

This section requires that the Director of the Administrative Office of the U. S. Courts report to Congress and the President before Oct. 1, 1985, and before May 1 every 6 years thereafter a recommendation for adjustment in dollar amounts found in this title. The Committee feels that regular adjustment of the dollar amounts by the Director will conserve congressional time and yet assure that the relative dollar amounts used in the bill are maintained. Changes in the cost of living should be a significant, but not necessarily the only, factor considered by the Director. The fact that there has been an increase in the cost of living does not necessarily mean that an adjustment of dollar amounts would be needed or warranted.

## HOUSE REPORT NO. 95-595

This section requires the Judicial Conference to report to the Congress every four years after the effective date of the bankruptcy code any changes that have occurred in the cost of living during the preceding four years, and the appropriate adjustments to the dollar amounts in the bill. The dollar amounts are found primarily in the exemption section (11 U.S.C. 522), the

wage priority (11 U.S.C. 507), and the eligibility for chapter 13 (11 U.S.C. 109). This section requires that the Conference recommend uniform percentage changes in these amounts based solely on cost of living changes. The dollar amounts in the bill would not change on that recommendation, absent Congressional veto. Instead, Congress is required to take affirmative action, by passing a law amending the appropriate section, if it wishes to accomplish the change.

If the Judicial Conference has policy recommendations concerning the appropriate dollar amounts in the bankruptcy code based other than on cost of living considerations there are adequate channels through which it may communicate its views. This section is solely for the housekeeping function of maintaining the dollar amounts in the code at fairly constant real dollar levels.

HISTORICAL AND REVISION NOTES

SENATE REPORT NO. 95-989

Section 105 is derived from section 2a (15) of present law [section 11(a)(15) of former title 11], with two changes. First, the limitation on the power of a bankruptcy judge (the power to enjoin a court being reserved to the district judge) is removed as inconsistent with the increased powers and jurisdiction of the new bankruptcy court. Second, the bankruptcy judge is prohibited from appointing a receiver in a case under title
