1980—Subsec. (a). Pub. L. 96-517 in revising fee provisions required the Commissioner to establish fees based on recovery of estimated average cost of processing applications, performing services and providing material; authorized triennial adjustments; and prescribed an effective date for fees; deleted prior provisions containing statutory schedule covering fees for filing; applications for registration and renewals, affidavits, revival petitions for abandoned applications, opposition or application for cancellation, disclaimers, and notice of benefits for a mark to be published; and fees covering: appeals from examiners in charge of registration, certificates of amendment, certifying, printed copies of registered marks, and recordation of documents and papers relating to property in a registration or application.
