§ 1011f. Disclosures of foreign gifts

(a) Disclosure report

Whenever any institution is owned or controlled by a foreign source or receives a gift from or enters into a contract with a foreign source, the value of which is $250,000 or more, considered alone or in combination with all other gifts from or contracts with that foreign source within a calendar year, the institution shall file a disclosure report with the Secretary on January 31 or July 31, whichever is sooner.

(b) Contents of report

Each report to the Secretary required by this section shall contain the following:

(1) For gifts received from or contracts entered into with a foreign source other than a foreign government, the aggregate dollar amount of such gifts and contracts attributable to a particular country. The country to which a gift is attributable is the country of citizenship, or if unknown, the principal residence for a foreign source who is a natural person, and the country of incorporation, or if unknown, the principal place of business, for a foreign source which is a legal entity.

(2) For gifts received from or contracts entered into with a foreign government, the aggregate amount of such gifts and contracts received from each foreign government.

(3) In the case of an institution which is owned or controlled by a foreign source, the identity of the foreign source, the date on
which the foreign source assumed ownership or control, and any changes in program or structure resulting from the change in ownership or control.

(c) Additional disclosures for restricted and conditional gifts
Notwithstanding the provisions of subsection (b), whenever any institution receives a restricted or conditional gift or contract from a foreign source, the institution shall disclose the following:

1. For such gifts received from or contracts entered into with a foreign source other than a foreign government, the amount, the date, and a description of such conditions or restrictions. The report shall also disclose the country of citizenship, or if unknown, the principal residence for a foreign source which is a natural person, and the country of incorporation, or if unknown, the principal place of business for a foreign source which is a legal entity.

2. For gifts received from or contracts entered into with a foreign government, the amount, the date, a description of such conditions or restrictions, and the name of the foreign government.

(d) Relation to other reporting requirements

1. State requirements
If an institution described under subsection (a) is within a State which has enacted requirements for public disclosure of gifts from or contracts with a foreign source that are substantially similar to the requirements of this section, a copy of the disclosure report filed with the State may be filed with the Secretary in lieu of a report required under subsection (a). The State in which the institution is located shall provide to the Secretary such assurances as the Secretary may require to establish that the institution has met the requirements for public disclosure under State law if the State report is filed.

2. Use of other Federal reports
If an institution receives a gift from, or enters into a contract with, a foreign source, where any other department, agency, or bureau of the executive branch requires a report containing requirements substantially similar to those required under this section, a copy of the report may be filed with the Secretary in lieu of a report required under subsection (a).

(e) Public inspection
All disclosure reports required by this section shall be public records open to inspection and copying during business hours.

(f) Enforcement

1. Court orders
Whenever it appears that an institution has failed to comply with the requirements of this section, including any rule or regulation promulgated under this section, a civil action may be brought by the Attorney General, at the request of the Secretary, in an appropriate district court of the United States, or the appropriate United States court of any territory or other place subject to the jurisdiction of the United States, to request such court to compel compliance with the requirements of this section.

2. Costs
For knowing or willful failure to comply with the requirements of this section, including any rule or regulation promulgated thereunder, an institution shall pay to the Treasury of the United States the full costs to the United States of obtaining compliance, including all associated costs of investigation and enforcement.

(g) Regulations
The Secretary may promulgate regulations to carry out this section.

§ 1011h. Binge drinking on college campuses

(a) Short title

This section may be cited as the “Collegiate Initiative To Reduce Binge Drinking and Illegal Alcohol Consumption”.

(b) Sense of Congress

It is the sense of Congress that, in an effort to change the culture of alcohol consumption on college campuses, all institutions of higher education should carry out the following:

(1) The president of the institution should appoint a task force consisting of school administrators, faculty, students, Greek system representatives, and others to conduct a full examination of student and academic life at the institution. The task force should make recommendations for a broad range of policy and program changes that would serve to reduce alcohol and other drug-related problems. The institution should provide resources to assist the task force in promoting the campus policies and proposed environmental changes that have been identified.

(2) The institution should provide maximum opportunities for students to live in an alcohol-free environment and to engage in stimulating, alcohol-free recreational and leisure activities.

(3) The institution should enforce a “zero tolerance” policy on the illegal consumption of alcohol by students at the institution.

(4) The institution should vigorously enforce the institution’s code of disciplinary sanctions for those who violate campus alcohol policies. Students with alcohol or other drug-related problems should be referred for assistance, including on-campus counseling programs if appropriate.

(5) The institution should adopt a policy to discourage alcoholic beverage-related sponsorship of on-campus activities. It should adopt policies limiting the advertisement and promotion of alcoholic beverages on campus.

(6) The institution should work with the local community, including local businesses, in a “Town/Gown” alliance to encourage responsible policies toward alcohol consumption and to address illegal alcohol use by students.
