In subsection (a), before clause (1), the words “Except as provided by another law” are substituted for “than as specially allowed by law” in 31:521 for clarity and consistency. The words “an official or agent of the United States Government having custody or possession of public money” are substituted for “The Treasurer of the United States, all assistant treasurers [subsequently changed to ‘all depositories designated in accordance with section 476 of this title’ because of 31:476], and those performing the duties of assistant treasurer, all collectors of the customs, all surveyors of the customs, acting also as collectors, all receivers of public moneys at the several land offices, all postmasters, and all public officers of whatsoever character . . . all the public money collected by them, or otherwise at any time placed in their possession and custody” to eliminate unnecessary words and for consistency in the revised title. The words “till the same is ordered, by the proper department or officer of the Government, to be transferred or paid out” are omitted as superseded by source provisions restated in the chapter. The text of 31:521(words after semicolon) is omitted as unnecessary because of the restatement.

In subsection (b), the words “any abatement or” are omitted as surplus. The words “for any charge or claim” are substituted for “on account of salary, fees, costs, charges, expenses, or claim of any description whatever”, and the words “shall deposit the money in the Treasury” are substituted for “The gross amount of all moneys received from whatever source for the use of the United States, . . . shall be paid . . . into the Treasury”, to eliminate unnecessary words. The reference to “952(g)(2)” in 31 App.:484 is incorrect and should be “952(f)(2)”.

1984 ACT (Pub. L. 98-216)

Section 3618 (1st sentence related to non-military deposits) of the Revised Statutes inadvertently was omitted as a source credit for 31:3302. Table 2A of H. Rep. 97-651 (p. 298) states that the sentence was omitted as superseded by various sections of title 10. Title 10 supersedes the sentence only as it applies to military deposits. However, the language of section 3618 (1st sentence related to non-military deposits) is subsumed in the broader language of section 3617 of the Revised Statutes, the source credit for 31:3302(b). Therefore, while section 3618 (1st sentence related to non-military deposits) should be a source credit for 31:3302(b), it is not necessary that the language of the sentence be re-stated.

In subsections (a) and (b), the words “Secretary of the Treasury” and “Secretary” are substituted for ref-

erences to the Division of Disbursement and a Chief Disbursing Officer because of the source provisions restated in section 321(c) of the revised title. The words “public money” are substituted for “moneys of the United States” for consistency with the other source provisions restated in the section and for consistency in the chapter.

Subsection (a) is substituted for section 4(1st paragraph) of Executive Order No. 6166 to omit executed words.

In subsection (b), the words “may require” and “as the interests of” are omitted as unnecessary. The words “to establish local offices” are omitted because of the authority of the Secretary of the Treasury as the head of the Department of the Treasury and the authority of the Secretary under section 321 of the revised title. The text of section 4(last paragraph) is omitted as superseded by section 3325 of the revised title.

In subsection (c), the text of 31:492-1(1st sentence) is applied only to the listed agencies because of subsection (a) and Executive Order 6728. The text of 31:492-1(last sentence) is omitted as superseded by section 2 of Reorganization Plan No. 18 of 1950 (eff. July 1, 1950, 64 Stat. 1270) and by 40:490. In clause (1), the words after “disbursement by United States marshals” and before the last proviso in section 3 of Reorganization Plan No. 4 of 1940 (eff. June 30, 1940, 54 Stat. 1234) are omitted as unnecessary because of 28:571 and sections 3512(a)-(c) and 3513(a) of the revised title. In clause (2), the word “pay” is substituted for “salaries” in Executive Order No. 6728 for consistency in the revised title and with other titles of the United States Code. The words “including the Marine Corps” are omitted as being included in “military departments”. The words “Panama Canal” are omitted because of the Panama Canal Treaty of 1977. The first proviso is omitted as unnecessary because of sections 3512 and 3513 of the revised title. Section 4 of Reorganization Plan No. 4 of 1940 is omitted because (1) the Post Office Department was abolished by the 1970 restatement of title 39, with all authority of the former Postmaster General being placed in the new United States Postal Service, (2) under 39:410 and 3604, the Postal Service and the Postal Rate Commission were exempt from all provisions of law related to budget and funds, and (3) the Postal Savings System and its Board of Trustees were abolished under section 5 of the Act of March 28, 1942 (ch. 205, 56 Stat. 189).

EX. ORD. NO. 13681. IMPROVING THE SECURITY OF CONSUMER FINANCIAL TRANSACTIONS

Ex. Ord. No. 13681, Oct. 17, 2014, 79 F.R. 63491, provided:

Given that identity crimes, including credit, debit, and other payment card fraud, continue to be a risk to U.S. economic activity, and given the economic consequences of data breaches, the United States must take further action to enhance the security of data in the financial marketplace. While the U.S. Government's credit, debit, and other payment card programs already include protections against fraud, the Govern-

ment must further strengthen the security of consumer data and encourage the adoption of enhanced safeguards nationwide in a manner that protects privacy and confidentiality while maintaining an efficient and innovative financial system.

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to improve the security of consumer financial transactions in both the private and public sectors, it is hereby ordered as follows:

SECTION 1. *Secure Government Payments.* In order to strengthen data security and thereby better protect citizens doing business with the Government, executive departments and agencies (agencies) shall, as soon as possible, transition payment processing terminals and credit, debit, and other payment cards to employ enhanced security features, including chip-and-PIN technology. In determining enhanced security features to employ, agencies shall consider relevant voluntary consensus standards and specifications, as appropriate, consistent with the National Technology Transfer and Advancement Act of 1995 and Office of Management and Budget Circular A-119.

(a) The Secretary of the Treasury shall take necessary steps to ensure that payment processing terminals acquired by agencies through the Department of the Treasury or through alternative means authorized by the Department of the Treasury have enhanced security features. No later than January 1, 2015, all new payment processing terminals acquired in these ways shall include hardware necessary to support such enhanced security features. By January 1, 2015, the Department of the Treasury shall develop a plan for agencies to install enabling software that supports enhanced security features.

(b) The Administrator of General Services shall take necessary steps to ensure that credit, debit, and other payment cards provided through General Services Administration (GSA) contracts have enhanced security features, and shall begin replacing credit, debit, and other payment cards without enhanced security features no later than January 1, 2015.

(c) The Secretary of the Treasury shall take necessary steps to ensure that Direct Express prepaid debit cards for administering Government benefits have enhanced security features, and by January 1, 2015, the Department of the Treasury shall develop a plan for the replacement of Direct Express prepaid debit cards without enhanced security features.

(d) By January 1, 2015, other agencies with credit, debit, and other payment card programs shall provide to the Office of Management and Budget (OMB) plans for ensuring that their credit, debit, and other payment cards have enhanced security features.

(e) Nothing in this order shall be construed to preclude agencies from adopting additional standards or upgrading to more effective technology and standards to improve the security of consumer financial transactions as technologies and threats evolve.

SEC. 2. *Improved Identity Theft Remediation.* To reduce the burden on consumers who have been victims of identity theft, including by substantially reducing the amount of time necessary for a consumer to remediate typical incidents:

(a) by February 15, 2015, the Attorney General, in coordination with the Secretary of Homeland Security, shall issue guidance to promote regular submissions, as appropriate and permitted by law, by Federal law enforcement agencies of compromised credentials to the National Cyber-Forensics and Training Alliance's Internet Fraud Alert System;

(b) the Department of Justice, the Department of Commerce, and the Social Security Administration shall identify all publicly available agency resources for victims of identity theft, and shall provide to the Federal Trade Commission (FTC) information about such resources no later than March 15, 2015, with updates thereafter as necessary. These agencies shall work in consultation with the FTC to streamline these resources and consolidate them wherever possible at the FTC's public Web site, IdentityTheft.gov; and

(c) OMB and GSA shall assist the FTC in enhancing the functionality of IdentityTheft.gov, including by coordinating with the credit bureaus to streamline the reporting and remediation process with credit bureaus' systems to the extent feasible, and in making the enhanced site available to the public by May 15, 2015.

SEC. 3. *Securing Federal Transactions Online.* To help ensure that sensitive data are shared only with the appropriate person or people, within 90 days of the date of this order, the National Security Council staff, the Office of Science and Technology Policy, and OMB shall present to the President a plan, consistent with the guidance set forth in the 2011 National Strategy for Trusted Identities in Cyberspace, to ensure that all agencies making personal data accessible to citizens through digital applications require the use of multiple factors of authentication and an effective identity proofing process, as appropriate. Within 18 months of the date of this order, relevant agencies shall complete any required implementation steps set forth in the plan prepared pursuant to this section.

SEC. 4. *General Provisions.* (a) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(b) Nothing in this order shall be construed to impair or otherwise affect:

- (i) the authority granted by law to an executive department, agency, or the head thereof; or
 - (ii) the functions of the Director of OMB relating to budgetary, administrative, or legislative proposals.
- (c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

BARACK OBAMA.

§ 3322. Disbursing officials

(a) The Secretary of the Treasury shall transfer public money to a disbursing official only by draft or warrant written on the Treasury. Except as provided in section 3716 and section 3720A of this title and subsection (b) of this section, a disbursing official shall—

- (1) deposit public money as required by section 3302 of this title; and
- (2) draw public money from the Treasury or a depository only—
 - (A) as necessary to make payments; and
 - (B) payable to persons to whom payment is to be made.

(b) In a place without a depository, the Secretary, on deciding it is essential to the public interest, may authorize specially in writing that public money be—

- (1) deposited in any other public depository; or
- (2) kept in another manner under regulations the Secretary decides are the safest and most effective in making a payment to a public creditor easier.

(c) A disbursing official is not liable for an overpayment provided under a United States Government bill of lading or transportation request when the overpayment is caused by the—

- (1) use of improper transportation rates or classifications if the Administrator of General Services has determined that verification by a prepayment audit conducted pursuant to section 3726(a) of this title for a particular mode or modes of transportation, or for an agency or subagency, will not adequately protect the interests of the Government; or
- (2) failure to deduct the proper amount under—

- (A) a land grant law; or
- (B) an equalization or other agreement.

HISTORICAL AND REVISION NOTES 1982 ACT

Revised Section	Source (U.S. Code)	Source (Statutes at Large)
3322(a)	31:492(a).	R.S. §3620(a); Feb. 27, 1877, ch. 69(7th complete par. on p. 249), 19 Stat. 249; Aug. 28, 1965, Pub. L. 89-145, §1(1), 79 Stat. 582.
3322(b)	31:82g(related to disbursing officers).	June 1, 1942, ch. 320(related to disbursing officers), 56 Stat. 306.

In the section, the words “disbursing official” are substituted for “disbursing officer” for consistency in the revised title.

In subsection (a), before clause (1), the words “Secretary of the Treasury” are substituted for “Treasurer of the United States” because of the source provisions restated in section 321(c) of the revised title. The words “or an assistant treasurer of the United States” in section 3620(a) of the Revised Statutes are omitted as obsolete because of the 1st-4th pars. under the heading “Independent Treasury” in the Act of May 29, 1920 (ch. 214, 41 Stat. 654). In clause (1), the words “as required by section 3302 of this title” are substituted for “with the Treasurer or some one of the assistant treasurers of the United States (subsequently changed to ‘or with one of the depositories of the United States mentioned in section 476 of this title’)” because of 31:476. In clause (2), the words “in pursuance of law” are omitted as surplus. The text of 31:492(a)(last sentence) is omitted because of section 3323(a) of the revised title.

In subsection (b), before clause (1), the words “On and after June 1, 1942” are omitted as executed. The words “of the United States” are omitted as unnecessary. The words “for transportation” are omitted as surplus.

1984 ACT

This is necessary because section 3620(a) (last sentence) of the Revised Statutes inadvertently was omitted from the codification of title 31 by section 1 of the Act of September 13, 1982 (Pub. L. 97-258, 96 Stat. 877).

In subsection (a), before clause (1), the words “Except as provided in subsection (b) of this section” are added because of the restatement.

In subsection (b), before clause (1), the word “however” is omitted as surplus. The words “treasurer or” are omitted as obsolete because of the 1st-4th pars. under the heading “Independent Treasury” in the Act of May 29, 1920 (ch. 214, 41 Stat. 654). In clause (2), the words “rules and” are omitted as surplus.

The words “it is established” are omitted as unnecessary. In clause (2), the words “Secretary or a depository” are substituted for “Treasurer” for consistency. In clause (3), the words “either directly or indirectly” are omitted as surplus.

The words “because of a forged check drawn on a designated depository” are added for clarity. The words “credited to” are substituted for “used, as required, to reimburse” for clar-

ity and to eliminate unnecessary words. The word “payment” is substituted for “settlement” for consistency. The words “under subsection (b) of this section” are added for clarity.

In subsection (e), the word “Secretary” is substituted for “Treasurer of the United States” because of the source provisions restated in section 321(c) of the revised title.

EX. ORD. NO. 13520. REDUCING IMPROPER PAYMENTS

Ex. Ord. No. 13520, Nov. 20, 2009, 74 F.R. 62201, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in the interest of reducing payment errors and eliminating waste, fraud, and abuse in Federal programs, it is hereby ordered as follows:

SECTION 1. Purpose. When the Federal Government makes payments to individuals and businesses as program beneficiaries, grantees, or contractors, or on behalf of program beneficiaries, it must make every effort to confirm that the right recipient is receiving the right payment for the right reason at the right time. The purpose of this order is to reduce improper payments by intensifying efforts to eliminate payment error, waste, fraud, and abuse in the major programs administered by the Federal Government, while continuing to ensure that Federal programs serve and provide access to their intended beneficiaries. No single step will fully achieve these goals. Therefore, this order adopts a comprehensive set of policies, including transparency and public scrutiny of significant payment errors throughout the Federal Government; a focus on identifying and eliminating the highest improper payments; accountability for reducing improper payments among executive branch agencies and officials; and coordinated Federal, State, and local government action in identifying and eliminating improper payments. Because this order targets error, waste, fraud, and abuse—not legitimate use of Government services—efforts to reduce improper payments under this order must protect access to Federal programs by their intended beneficiaries.

SEC. 2. Transparency and Public Participation.

(a) Within 90 days of the date of this order, the Director of the Office of Management and Budget (OMB) shall:

(i) identify Federal programs in which the highest dollar value or majority of Government-wide improper payments occur (high-priority programs);

(ii) establish, in coordination with the executive department or agency (agency) responsible for administering the high-priority program annual or semi-annual targets (or where such targets already exist, supplemental targets), as appropriate, for reducing improper payments associated with each high-priority program;

(iii) issue Government-wide guidance on the implementation of this order, including procedures for identifying and publicizing the list of entities described in subsection (b)(v) of this section and for administrative appeal of the decision to publish the identity of those entities, prior to publication; and

(iv) establish a working group consisting of Federal, State, and local officials to make recommendations to the Director of OMB designed to improve the Federal Government’s measurement of access to Federal programs by the programs’ intended beneficiaries. The working group’s recommendations shall be prepared in consultation with the Council of Inspectors General on Integrity and Efficiency (CIGIE) and submitted within 180 days of the date of this order, and the recommended measurements may be incorporated by the Secretary of the Treasury in the information published pursuant to subsection (b) of this section.

(b) Within 180 days of the date of this order, the Secretary of the Treasury in coordination with the Attorney General and the Director of OMB, shall publish on the Internet information about improper payments under high-priority programs. The information shall include, subject to Federal privacy policies and to the extent permitted by law:

(i) the names of the accountable officials designated under section 3 of this order;

(ii) current and historical rates and amounts of improper payments, including, where known and appropriate, causes of the improper payments;

(iii) current and historical rates and amounts of recovery of improper payments, where appropriate (or, where improper payments are identified solely on the basis of a sample, recovery rates and amounts estimated on the basis of the applicable sample);

(iv) targets for reducing as well as recovering improper payments, where appropriate; and

(v) the entities that have received the greatest amount of outstanding improper payments (or, where improper payments are identified solely on the basis of a sample, the entities that have received the greatest amount of outstanding improper payments in the applicable sample).

Information on entities that have received the greatest amount of outstanding improper payments shall not include any referrals the agency made or anticipates making to the Department of Justice, or any information provided in connection with such referrals.

(c) Within 180 days of the date of this order, the Secretary of the Treasury in coordination with the Attorney General and the Director of OMB and in consultation with the CIGIE, shall establish a central Internet-based method to collect from the public information concerning suspected incidents of waste, fraud, and abuse by an entity receiving Federal funds that have led or may lead to improper payments by the Federal Government.

(d) Agencies shall place a prominently displayed link to Internet-based resources for addressing improper payments, including the resources established under subsections (b) and (c) of this section, on their Internet home pages.

SEC. 3. *Agency Accountability and Coordination.*

(a) Within 120 days of the date of this order, the head of each agency responsible for operating a high-priority program shall designate an official who holds an existing Senate-confirmed position to be accountable for meeting the targets established under section 2 of this order without unduly burdening program access and participation by eligible beneficiaries. In those agencies where the majority of payments are isolated to a single component, the head of the agency shall name a second accountable official for that component whose sole responsibility would be for program integrity activities and, as appropriate, shall consolidate and coordinate all program integrity activities within the component.

(b) Within 180 days of the date of this order, each agency official designated under subsection (a) of this section, or otherwise designated by the Director of OMB, shall provide the agency's Inspector General a report containing:

(i) the agency's methodology for identifying and measuring improper payments by the agency's high-priority programs;

(ii) the agency's plans, together with supporting analysis, for meeting the reduction targets for improper payments in the agency's high-priority programs; and

(iii) the agency's plan, together with supporting analysis, for ensuring that initiatives undertaken pursuant to this order do not unduly burden program access and participation by eligible beneficiaries.

Following the receipt and review of this information, the agency Inspector General shall assess the level of risk associated with the applicable programs, determine the extent of oversight warranted, and provide the agency head with recommendations, if any, for modifying the agency's methodology, improper payment reduction plans, or program access and participation plans.

(c) If an agency fails to meet the targets established under section 2 of this order or implement the plan described in subsection (b)(iii) of this section for 2 consecutive years, that agency's accountable official designated under subsection (a) of this section shall submit to the agency head, Inspector General, and Chief Financial Officer a report describing the likely causes of the agency's failure and proposing a remedial plan. The agency head shall review this plan and, in con-

sultation with the Inspector General and Chief Financial Officer, forward the plan with any additional comments and analysis to the Director of OMB.

(d) Within 180 days of the date of this order, the Chief Financial Officers Council (CFOC) in consultation with the CIGIE, the Department of Justice, and program experts, shall make recommendations to the Director of OMB and the Secretary of the Treasury on actions (including actions related to forensic accounting and audits) agencies should take to more effectively tailor their methodologies for identifying and measuring improper payments to those programs, or components of programs, where improper payments are most likely to occur. Recommendations shall address the manner in which the recommended actions would affect program access and participation by eligible beneficiaries.

(e) Within 180 days of the date of this order, the Secretary of the Treasury and the Director of OMB in consultation with the CIGIE, the Department of Justice, and program experts, shall recommend to the President actions designed to reduce improper payments by improving information sharing among agencies and programs, and where applicable, State and local governments and other stakeholders. The recommendations shall address the ways in which information sharing may improve eligibility verification and pre-payment scrutiny, shall identify legal or regulatory impediments to effective information sharing, and shall address the manner in which the recommended actions would affect program access and participation by eligible beneficiaries.

(f) Within 180 days of the date of this order, and at least once every quarter thereafter, the head of each agency shall submit to the agency's Inspector General and the CIGIE, and make available to the public, a report on any high-dollar improper payments identified by the agency, subject to Federal privacy policies and to the extent permitted by law. The report shall describe any actions the agency has taken or plans to take to recover improper payments, as well as any actions the agency intends to take to prevent improper payments from occurring in the future. The report shall not include any referrals the agency made or anticipates making to the Department of Justice, or any information provided in connection with such referrals. Following the review of each report, the agency Inspector General and the CIGIE shall assess the level of risk associated with the applicable program, determine the extent of oversight warranted, and provide the agency head with recommendations, if any, for modifying the agency's plans.

SEC. 4. *Enhanced Focus on Contractors and Working with State and Local Stakeholders.*

(a) Within 180 days of the date of this order, the Federal Acquisition Regulatory Council, in coordination with the Director of OMB, and in consultation with the National Procurement Fraud Task Force (or its successor group), the CIGIE, and appropriate agency officials, shall recommend to the President actions designed to enhance contractor accountability for improper payments. The recommendations may include, but are not limited to, subjecting contractors to debarment, suspension, financial penalties, and identification through a public Internet website, subject to Federal privacy policies and to the extent permitted by law and where the identification would not interfere with or compromise an ongoing criminal or civil investigation, for knowingly failing timely to disclose credible evidence of significant overpayments received on Government contracts.

(b) Within 30 days of the date of this order, the Director of OMB shall establish a working group consisting of Federal and elected State and local officials to make recommendations to the Director of OMB designed to improve the effectiveness of single audits of State and local governments and non-profit organizations that are expending Federal funds. The Director of OMB may designate an appropriate official to serve as Chair of the working group to convene its meetings and direct its work. The working group's recommendations shall

be prepared in consultation with the CIGIE and submitted within 180 days of the date of this order. The recommendations shall address, among other things, the effectiveness of single audits in identifying improper payments and opportunities to streamline or eliminate single audit requirements where their value is minimal.

(c) Within 30 days of the date of this order, the Director of OMB shall establish a working group (which may be separate from the group established under subsection (b) of this section) consisting of Federal and elected State and local officials to make recommendations to the Director of OMB for administrative actions designed to improve the incentives and accountability of State and local governments, as well as other entities receiving Federal funds, for reducing improper payments. The Director of OMB may designate an appropriate official to serve as Chair of the working group to convene its meetings and direct its work. The working group's recommendations shall be prepared in consultation with the CIGIE and submitted within 180 days of the date of this order.

SEC. 5. *Policy Proposals.* The Director of OMB, in consultation with the appropriate agencies and the CIGIE, shall develop policy recommendations, including potential legislative proposals, designed to reduce improper payments, including those caused by error, waste, fraud, and abuse, across Federal programs without compromising program access, to be included, as appropriate, in the Budget of the United States Government for Fiscal Year 2011 and future years, or other Administration proposals.

SEC. 6. *General Provisions.*

(a) Nothing in this order shall be construed to impair or otherwise affect:

(i) authority granted by law to a department, agency, the head thereof, or any agency Inspector General; or

(ii) functions of the Director of OMB relating to budgetary, administrative, or legislative proposals.

(b) Nothing in this order shall be construed to require the disclosure of classified information, law enforcement sensitive information, or other information that must be protected in the interests of national security.

(c) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(d) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity, by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

FINDING AND RECAPTURING IMPROPER PAYMENTS

Memorandum of President of the United States, Mar. 10, 2010, 75 F.R. 12119, provided:

Memorandum for the Heads of Executive Departments and Agencies

My Administration is committed to reducing payment errors and eliminating waste, fraud, and abuse in Federal programs—a commitment reflected in Executive Order 13520 of November 20, 2009, Reducing Improper Payments. Executive departments and agencies should use every tool available to identify and subsequently reclaim the funds associated with improper payments. Thorough identification of improper payments promotes accountability at executive departments and agencies; it also makes the integrity of Federal spending transparent to taxpayers. Reclaiming the funds associated with improper payments is a critical component of the proper stewardship and protection of taxpayer dollars, and it underscores that waste, fraud, and abuse by entities receiving Federal payments will not be tolerated.

Today, to further intensify efforts to reclaim improper payments, my Administration is expanding the use of “Payment Recapture Audits,” which have proven to be effective mechanisms for detecting and recap-

turing payment errors. A Payment Recapture Audit is a process of identifying improper payments paid to contractors or other entities whereby highly skilled accounting specialists and fraud examiners use state-of-the-art tools and technology to examine payment records and uncover such problems as duplicate payments, payments for services not rendered, overpayments, and fictitious vendors. (A Payment Recapture Audit as used in this memorandum shall have the same meaning as the term “recovery audit” as defined in Appendix C to Office of Management and Budget Circular A-123.) One approach that has worked effectively is using professional and specialized auditors on a contingency basis, with their compensation tied to the identification of misspent funds.

Therefore, I hereby direct executive departments and agencies to expand their use of Payment Recapture Audits, to the extent permitted by law and where cost-effective. The Director of the Office of Management and Budget (OMB) shall develop guidance within 90 days of the date of this memorandum on actions executive departments and agencies must take to carry out the requirements of this memorandum. The guidance may require additional actions and strategies designed to improve the recapture of improper payments, including, as appropriate, agency-specific targets for increasing recoveries. The Director of the OMB shall further coordinate with the Council for Inspectors General on Integrity and Efficiency to identify an appropriate process for obtaining review by Inspectors General of the effectiveness of agency efforts under this memorandum. The agencies’ expanded use of Payment Recapture Audits does not preclude Offices of Inspectors General from performing any activities to identify and prevent improper payments.

Nothing in this memorandum shall be construed to require the disclosure of classified information, law enforcement sensitive information, or other information that must be protected in the interests of national security.

This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

The Director of the OMB is hereby authorized and directed to publish this memorandum in the Federal Register.

BARACK OBAMA.

ENHANCING PAYMENT ACCURACY THROUGH A “DO NOT PAY LIST”

Memorandum of President of the United States, June 18, 2010, 75 F.R. 35953, provided:

Memorandum for the Heads of Executive Departments and Agencies

My Administration is committed to eliminating waste, fraud, and abuse in Federal programs, including reducing and recapturing erroneous payments—a commitment I reinforced in Executive Order 13520 of November 20, 2009, and in a memorandum to the heads of executive departments and agencies (agencies) of March 10, 2010. While identifying and recapturing improper payments is important, prevention of payment errors before they occur should be the first priority in protecting taxpayer resources from waste, fraud, and abuse. In those cases where data available to agencies clearly shows that a potential recipient of a Federal payment is ineligible for it, subsequent payment to that recipient is unacceptable. We must ensure that such payments are not made.

Agencies maintain many databases containing information on a recipient’s eligibility to receive Federal benefits payments or Federal awards, such as grants and contracts. By checking these databases before making payments or awards, agencies can identify ineligible recipients and prevent certain improper payments from being made in the first place.

Therefore, I hereby direct agencies to review current pre-payment and pre-award procedures and ensure that a thorough review of available databases with relevant information on eligibility occurs before the release of any Federal funds, to the extent permitted by law. At a minimum, agencies shall, before payment and award, check the following existing databases (where applicable and permitted by law) to verify eligibility: the Social Security Administration's Death Master File, the General Services Administration's Excluded Parties List System, the Department of the Treasury's Debt Check Database, the Department of Housing and Urban Development's Credit Alert System or Credit Alert Interactive Voice Response System, and the Department of Health and Human Services' Office of Inspector General's List of Excluded Individuals/Entities. This network of databases, and additional databases so designated by the Director of the Office of Management and Budget (OMB) in consultation with agencies, shall be collectively known as the "Do Not Pay List." This memorandum requires agencies to review these databases with the recognition that there may be circumstances when the law nevertheless requires a payment or award to be made to a recipient listed in them. My Administration began coordination of the databases discussed in this memorandum in April 2010 by launching the Federal Awardee Performance and Integrity Information System (FAPIIS), which integrates various sources of information on the eligibility of Government contractors for award. No later than 120 days of the date of this memorandum, the Director of the OMB shall provide to the President a plan for completing integration for the remaining databases, to the extent permitted by law, so that agencies can access them through a single entry point.

Each agency shall, within 90 days of the date of this memorandum, submit to the OMB a plan that includes information on its current pre-payment and pre-award procedures and a list of databases that the agency checks pursuant to those procedures. Within 180 days of the date of this memorandum, the Director of the OMB shall issue guidance, to be developed in consultation with affected agencies and taking into account current agency pre-payment and pre-award practices, on actions agencies must take to carry out this memorandum's requirements. This guidance shall clarify that the head of each agency is responsible for ensuring an efficient and accurate process for determining whether the information provided on the "Do Not Pay List" is sufficient to stop a payment, consistent with applicable laws and regulations, and, if so, whether a payment should be stopped under the circumstances. In addition, this guidance shall identify best practices and databases that agencies should utilize to conduct pre-payment checks to ensure that only eligible recipients receive Government benefits or payments.

This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

The Director of the OMB is hereby authorized and directed to publish this memorandum in the Federal Register.

BARACK OBAMA.

§ 3352. Estimates of improper payments and reports on actions to reduce improper payments

(a) IDENTIFICATION OF SUSCEPTIBLE PROGRAMS AND ACTIVITIES.—

(1) IN GENERAL.—The head of each executive agency shall, in accordance with guidance prescribed by the Director of the Office of Management and Budget—

(A) periodically review all programs and activities that the head of the executive agency administers; and

(B) identify all programs and activities with outlays exceeding the statutory threshold dollar amount described in paragraph (3)(A)(i) that may be susceptible to significant improper payments.

(2) FREQUENCY.—A review under paragraph (1) shall be performed for each program and activity that the head of an executive agency administers not less frequently than once every 3 fiscal years.

(3) RISK ASSESSMENTS.—

(A) DEFINITION OF SIGNIFICANT.—In this paragraph, the term "significant" means that, in the preceding fiscal year, the sum of a program or activity's improper payments and payments whose propriety cannot be determined by the executive agency due to lacking or insufficient documentation may have exceeded—

(i) \$10,000,000 of all reported program or activity payments of the executive agency made during that fiscal year and 1.5 percent of program outlays; or

(ii) \$100,000,000.

(B) SCOPE.—In conducting a review under paragraph (1), the head of each executive agency shall take into account those risk factors that are likely to contribute to a susceptibility to significant improper payments, such as—

(i) whether the program or activity reviewed is new to the executive agency;

(ii) the complexity of the program or activity reviewed;

(iii) the volume of payments made through the program or activity reviewed;

(iv) whether payments or payment eligibility decisions are made outside of the executive agency, such as by a State or local government;

(v) recent major changes in program funding, authorities, practices, or procedures;

(vi) the level, experience, and quality of training for personnel responsible for making program eligibility determinations or certifying that payments are accurate;

(vii) significant deficiencies in the audit report of the executive agency or other relevant management findings that might hinder accurate payment certification;

(viii) similarities to other programs or activities that have reported improper payment estimates or been deemed susceptible to significant improper payments;

(ix) the accuracy and reliability of improper payment estimates previously reported for the program or activity, or other indicator of potential susceptibility to improper payments identified by the Inspector General of the executive agency, the Government Accountability Office, other audits performed by or on behalf of the Federal, State, or local government, disclosures by the executive agency, or any other means;

(x) whether the program or activity lacks information or data systems to confirm eligibility or provide for other payment integrity needs; and

(xi) the risk of fraud as assessed by the executive agency under the Standards for Internal Control in the Federal Government published by the Government Accountability Office (commonly known as the “Green Book”).

(C) ANNUAL REPORT.—Each executive agency shall publish an annual report that includes—

(i) a listing of each program or activity identified under paragraph (1), including the date on which the program or activity was most recently assessed for risk under paragraph (1); and

(ii) a listing of any program or activity for which the executive agency makes any substantial changes to the methodologies of the reviews conducted under paragraph (1).

(b) IMPROVING THE DETERMINATION OF IMPROPER PAYMENTS.—

(1) IN GENERAL.—The Director of the Office of Management and Budget shall on an annual basis—

(A) identify a list of high-priority Federal programs for greater levels of oversight and review—

(i) in which the highest dollar value or highest rate of improper payments occur; or

(ii) for which there is a higher risk of improper payments; and

(B) in coordination with the executive agency responsible for administering a high-priority program identified under subparagraph (A), establish annual targets and semi-annual or quarterly actions for reducing improper payments associated with the high-priority program.

(2) REPORT ON HIGH-PRIORITY IMPROPER PAYMENTS.—

(A) IN GENERAL.—Subject to Federal privacy policies and to the extent permitted by law, each executive agency with a program identified under paragraph (1)(A) shall on an annual basis submit to the Inspector General of the executive agency and the Office of Management and Budget, and make available to the public, including through a website, a report on that program.

(B) CONTENTS.—Each report submitted under subparagraph (A)—

(i) shall describe any action the executive agency—

(I) has taken or plans to take to recover improper payments; and

(II) intends to take to prevent future improper payments; and

(ii) shall not include—

(I) any referrals the executive agency made or anticipates making to the Department of Justice; or

(II) any information provided in connection with a referral described in subclause (I).

(C) PUBLIC AVAILABILITY ON CENTRAL WEBSITE.—The Office of Management and Budget shall make each report submitted

under subparagraph (A) available on a central website.

(D) AVAILABILITY OF INFORMATION TO INSPECTOR GENERAL.—Subparagraph (B)(ii) shall not prohibit any referral or information being made available to an Inspector General as otherwise provided by law.

(E) ASSESSMENT AND RECOMMENDATIONS.—The Inspector General of each executive agency that submits a report under subparagraph (A) shall, for each program of the executive agency that is identified under paragraph (1)(A)—

(i) review—

(I) the assessment of the level of risk associated with the program and the quality of the improper payment estimates and methodology of the executive agency relating to the program; and

(II) the oversight or financial controls to identify and prevent improper payments under the program; and

(ii) submit to the appropriate authorizing and appropriations committees of Congress recommendations, which may be included in another report submitted by the Inspector General to Congress, for modifying any plans of the executive agency relating to the program, including improvements for improper payments determination and estimation methodology.

(F) ANNUAL MEETING.—Not less frequently than once every year, the head of each executive agency with a program identified under paragraph (1)(A), or a designee of the head of the executive agency, shall meet with the Director of the Office of Management and Budget, or a designee of the Director, to report on actions taken during the preceding year and planned actions to prevent improper payments.

(c) ESTIMATION OF IMPROPER PAYMENTS.—

(1) ESTIMATION.—With respect to each program and activity identified under subsection (a)(1), the head of the relevant executive agency shall—

(A) produce a statistically valid estimate, or an estimate that is otherwise appropriate using a methodology approved by the Director of the Office of Management and Budget, of the improper payments made under the program or activity; and
