AMENDMENTS

1996—Subsec. (a). Pub. L. 104-333 amended subsec. (a) generally. Prior to amendment, subsec. (a) read as follows: “The Secretary of the Interior shall make a payment for each fiscal year to each unit of general local government in which entitlement land is located, as set forth in this chapter. A unit of general local government may use the payment for any governmental purpose.”

1994—Pub. L. 103-397 amended section generally. Prior to amendment, section read as follows:

“(a) The Secretary of the Interior shall make a payment for each fiscal year to each unit of general local government in which entitlement land is located. A unit may use the payment for any governmental purpose.

“(b) A unit of general local government may not receive a payment for land for which payment under this chapter otherwise may be received if the land was owned or administered by a State or unit and was exempt from real estate taxes when the land was conveyed to the United States Government. This subsection does not apply to payments for land a State or unit acquires from a private party to donate to the Government within 8 years of acquisition, nor does this subsection apply to payments for lands in Utah acquired by the United States if at the time of such acquisition units, under applicable State law, were entitled to receive payments from the State for such lands, but in such case no payment under this chapter with respect to such acquired lands shall exceed the payment that would have been made under State law if such lands had not been acquired.

“(c) A unit of general local government receiving payment for a fiscal year for land under the Act of August 28, 1937 (43 U.S.C. 1181a et seq.), or the Act of May 24, 1939 (ch. 144, 53 Stat. 753), may not receive a payment under this chapter for the land for that fiscal year. This chapter does not apply to either Act.

“(d) If the total payment to a unit of general local government for a fiscal year would be less than \$100, the Secretary may not make the payment.”

1993—Subsec. (b). Pub. L. 103-93 substituted “acquisition, nor does this subsection apply to payments for lands in Utah acquired by the United States if at the time of such acquisition units, under applicable State law, were entitled to receive payments from the State for such lands, but in such case no payment under this chapter with respect to such acquired lands shall exceed the payment that would have been made under State law if such lands had not been acquired” for “acquisition”.

PAYMENTS MADE PRIOR TO JANUARY 1, 1983

Pub. L. 98-63, title I, July 30, 1983, 97 Stat. 324, provided in part that: “The United States shall not be subject to any cause of action or any liability for distribu-

tion of payments made prior to January 1, 1983, under the Act of October 20, 1976 (90 Stat. 2662), as amended [Pub. L. 94-565, see 31 U.S.C. 6901 et seq.], or regulations pursuant thereto.”

§ 6904. Additional payments

(a) In addition to payments the Secretary of the Interior makes under section 6902 of this title, the Secretary shall make a payment for each fiscal year to a unit of general local government collecting and distributing real property taxes (including a unit in Alaska outside the boundaries of an organized borough) in which is located an interest in land that—

(1) the United States Government acquires for—

- (A) the National Park System; or
- (B) the National Forest Wilderness Areas; and

(2) was subject to local real property taxes within the 5-year period before the interest is acquired.

(b) The Secretary shall make payments only for the 5 fiscal years after the fiscal year in which the interest in land is acquired. Under guidelines the Secretary prescribes, the unit of general local government receiving the payment from the Secretary shall distribute payments proportionally to units and school districts that lost real property taxes because of the acquisition of the interest. A unit receiving a distribution may use a payment for any governmental purpose.

(c) Each yearly payment by the Secretary under this section is equal to one percent of the fair market value of the interest in land on the date the Government acquires the interest. However, a payment may not be more than the amount of real property taxes levied on the property during the last fiscal year before the fiscal year in which the interest is acquired. A decision on fair market value under this section may not include an increase in the value of an interest because the land is rezoned when the rezoning causes the increase after the date of enactment of a law authorizing the acquisition of an interest under subsection (a) of this section.

(d) The Secretary may prescribe regulations under which payments may be made to units of general local government when subsections (a) and (b) of this section will not carry out the purpose of subsections (a) and (b).
