(1) cover the operations of the entire non-Federal entity; or

(2) at the option of such non-Federal entity such audit shall include a series of audits that cover departments, agencies, and other organizational units which expended or otherwise administered Federal awards during such fiscal year provided that each such audit shall encompass the financial statements and schedule

(B) for fiscal years beginning after the period specified in subparagraph (A), 9 months after the end of the period audited, or within a longer timeframe authorized by the Federal agency, determined under criteria issued under section 7504, when the 9-month timeframe would place an undue burden on the non-Federal entity.

(i) If an audit conducted pursuant to this section discloses any audit findings, as defined by the Director, including material noncompliance with individual compliance requirements for a major program by, or reportable conditions in the internal controls of, the non-Federal entity with respect to the matters described in subsection (e), the non-Federal entity shall submit to Federal officials designated by the Director, a plan for corrective action to eliminate such audit findings or reportable conditions or a statement describing the reasons that corrective action is not necessary. Such plan shall be consistent with the audit resolution standard promulgated by the Comptroller General (as part of the standards for internal controls in the Federal Government) pursuant to section 3512(c).

§ 7503. Relation to other audit requirements

(a) An audit conducted in accordance with this chapter shall be in lieu of any financial audit of Federal awards which a non-Federal entity is required to undergo under any other Federal law or regulation. To the extent that such audit provides a Federal agency with the information it requires to carry out its responsibilities under Federal law or regulation, a Federal agency shall rely upon and use that information.

(b) Notwithstanding subsection (a), a Federal agency may conduct or arrange for additional audits which are necessary to carry out its responsibilities under Federal law or regulation. The provisions of this chapter do not authorize

Any such additional audits shall be coordinated with the Federal agency determined under criteria issued under section 7504 to preclude duplication of the audits conducted pursuant to this chapter or other additional audits.

(f) Upon request by a Federal agency or the Comptroller General, any independent auditor conducting an audit pursuant to this chapter shall make the auditor's working papers available to the Federal agency or the Comptroller General as part of a quality review, to resolve audit findings, or to carry out oversight responsibilities consistent with the purposes of this chapter. AMENDMENTS

1996—Pub. L. 104-156 substituted “Federal agency responsibilities and relations with non-Federal entities” for “Cognizant agency responsibilities” in section catchline and amended text generally. Prior to amendment, text read as follows:

“(a) The Director shall designate cognizant agencies for audits conducted pursuant to this chapter.

“(b) A cognizant agency shall—

“(1) ensure that audits are made in a timely manner and in accordance with the requirements of this chapter;

“(2) ensure that the audit reports and corrective action plans made pursuant to section 7502 of this title are transmitted to the appropriate Federal officials; and

“(3)(A) coordinate, to the extent practicable, audits done by or under contract with Federal agencies that are in addition to the audits conducted pursuant to this chapter; and (B) ensure that such additional audits build upon the audits conducted pursuant to this chapter.”

§ 7505. Regulations

(a) The Director, after consultation with the Comptroller General, and appropriate officials from Federal, State, and local governments and nonprofit organizations shall prescribe guidance to implement this chapter. Each Federal agency shall promulgate such amendments to its regulations as may be necessary to conform such regulations to the requirements of this chapter and of such guidance.

(b)(1) The guidance prescribed pursuant to subsection (a) shall include criteria for determining the appropriate charges to Federal awards for the cost of audits. Such criteria shall prohibit a non-Federal entity from charging to any Federal awards—

(A) the cost of any audit which is—

(i) not conducted in accordance with this chapter; or

(ii) conducted in accordance with this chapter when expenditures of Federal awards are less than amounts cited in section 7502(a)(1)(A) or specified by the Director under section 7502(a)(3), except that the Director may allow the cost of limited scope audits to monitor subrecipients in accordance with section 7502(f)(2)(B); and

(B) more than a reasonably proportionate share of the cost of any such audit that is conducted in accordance with this chapter.

(2) The criteria prescribed pursuant to paragraph (1) shall not, in the absence of documentation demonstrating a higher actual cost, permit the percentage of the cost of audits performed pursuant to this chapter charged to Federal awards, to exceed the ratio of total Federal awards expended by such non-Federal entity during the applicable fiscal year or years, to such non-Federal entity's total expenditures during such fiscal year or years.

(c) Such guidance shall include such provisions as may be necessary to ensure that small business concerns, qualified HUBZone small business concerns, and business concerns owned and controlled by socially and economically disadvantaged individuals will have the opportunity to participate in the performance of contracts awarded to fulfill the audit requirements of this chapter.

(d) Such guidance shall require audit-related information reported under this chapter to be reported in an electronic form in accordance with the data standards established under chapter 64.
