A recomputation under the preceding sentence shall be effective for and after the first month for which the last previous recomputation of such individual's primary insurance amount under such section 215 [42 U.S.C. 415] was effective, but in no event for any month prior to the twenty-fourth month before the month in which the application for a recomputation is filed under the preceding sentence.''

(7) The term ''surviving divorced parent'' means a surviving divorced mother as defined in paragraph (3) of this subsection or a surviving divorced father as defined in paragraph (6).

(8) The terms ''divorce'' and ''divorced'' refer to a divorce a vinculo matrimonii.

(e) Child

The term ''child'' means (1) the child or legally adopted child of an individual, (2) a stepchild who has been such stepchild for not less than one year immediately preceding the day on which application for child's insurance benefits is filed or (if the insured individual is deceased) not less than nine months immediately preceding the day on which such individual died, and (3) a person who is the grandchild or stepgrandchild of an individual or his spouse, but only if (A) there was no natural or adoptive parent (other than such a parent who was under a disability, as defined in section 423(d) of this title) of such person living at the time (i) such individual became entitled to old-age insurance benefits or disability insurance benefits or died, or (ii) if such individual had a period of disability which continued until such individual became entitled to old-age insurance benefits or disability insurance benefits, or died, at the time such period of disability began, or (B) such person was legally adopted after the death of such individual by such individual's surviving spouse in an adoption that was decreed by a court of competent jurisdiction within the United States and such person's natural or adopting parent or stepparent was not living in such individual's household and making regular contributions toward such person's support at the time such individual died. For purposes of clause (1), a person shall be deemed, as of the date of death of an individual, to be the legally adopted child of such individual if such person was either living with or receiving at least one-half of his support from such individual at the time of such individual's death and was legally adopted by such individual's surviving spouse after such individual's death but only if (A) proceedings for the adoption of the child had been instituted by such individual before his death, or (B) such child was adopted by such individual's surviving spouse before the end of two years after (i) the day on which such individual died or (ii) August 28, 1958. For purposes of clause (2), a person who is not the stepchild of an individual shall be deemed the stepchild of such individual if such individual was not the mother or adopting mother or the father or adopting father of such person and such individual and the mother or adopting mother, or the father or adopting father, as the case may be, of such person went through a marriage ceremony resulting in a purported marriage between them which, but for a legal impediment described in the last sentence of subsection (h)(1)(B), would have been a valid marriage. For purposes of clause (2), a child shall be deemed to have been the stepchild of an individual for a period of one year throughout the month in which occurs the expiration of such one year. For purposes of clause (3), a person shall be deemed to have no natural or adoptive parent living (other than a parent who was under a disability) throughout the most recent month in which a natural or adoptive parent (not under a disability) dies.

(f) Husband

The term ''husband'' means the husband of an individual, but only if (1) he is the father of her

son or daughter, (2) he was married to her for a period of not less than one year immediately preceding the day on which his application is filed, or (3) in the month prior to the month of his marriage to her (A) he was entitled to, or on application therefor and attainment of age 62 in such prior month would have been entitled to, benefits under subsection (c), (f) or (h) of section 402 of this title, (B) he had attained age eighteen and was entitled to, or on application therefor would have been entitled to, benefits under subsection (d) of such section (subject, however, to section 402(s) of this title), or (C) he was entitled to, or upon application therefor and attainment of the required age (if any) he would have been entitled to, a widower's, child's (after attainment of age 18), or parent's insurance annuity under section 231a of title 45. For purposes of clause (2), a husband shall be deemed to have been married to an individual for a period of one year throughout the month in which occurs the first anniversary of his marriage to her. For purposes of subparagraph (C) of section 402(c)(1) of this title, a divorced husband shall be deemed not to be married throughout the month which he becomes divorced.

(g) Widower

(1) The term ''widower'' (except when used in the first sentence of section 402(i) of this title) means the surviving husband of an individual, but only if (A) he is the father of her son or daughter, (B) he legally adopted her son or daughter while he was married to her and while such son or daughter was under the age of eighteen, (C) she legally adopted his son or daughter while he was married to her and while such son or daughter was under the age of eighteen, (D) he was married to her at the time both of them legally adopted a child under the age of eighteen, (E) except as provided in paragraph (2), he was married to her for a period of not less than nine months immediately prior to the day on which she died, or (F) in the month before the month of his marriage to her (i) he was entitled to, or on application therefor and attainment of age 62 in such prior month would have been entitled to, benefits under subsection (c), (f) or (h) of section 402 of this title, (ii) he had attained age eighteen and was entitled to, or on application therefor would have been entitled to, benefits under subsection (d) of such section (subject, however, to section 402(s) of this title), or (iii) he was entitled to, or on application therefor and attainment of the required age (if any) he would have been entitled to, a widower's, child's (after attainment of age 18), or parent's insurance annuity under section 231a of title 45.

(2) The requirements of paragraph (1)(E) in connection with the surviving husband of an individual shall be treated as satisfied if—

(A) the individual had been married prior to the individual's marriage to the surviving husband,

(B) the prior husband was institutionalized during the individual's marriage to the prior husband due to mental incompetence or similar incapacity,

(C) during the period of the prior husband's institutionalization, the individual would have divorced the prior husband and married the surviving husband, but the individual did not do so because such divorce would have been unlawful, by reason of the prior husband's institutionalization, under the laws of the State in which the individual was domiciled at the time (as determined based on evidence satisfactory to the Commissioner of Social Security),

(D) the prior husband continued to remain institutionalized up to the time of his death, and

(E) the individual married the surviving husband within 60 days after the prior husband's death.

(h) Determination of family status

(1)(A)(i) An applicant is the wife, husband, widow, or widower of a fully or currently insured individual for purposes of this subchapter if the courts of the State in which such insured individual is domiciled at the time such applicant files and application, or, if such insured individual is dead, the courts of the State in which he was domiciled at the time of death, or, if such insured individual is or was not so domiciled in any State, the courts of the District of Columbia, would find that such applicant and such insured individual were validly married at the time such applicant files such application or, if such insured individual is dead, at the time he died.

(ii) If such courts would not find that such applicant and such insured individual were validly married at such time, such applicant shall, nevertheless be deemed to be the wife, husband, widow, or widower, as the case may be, of such insured individual if such applicant would, under the laws applied by such courts in determining the devolution of intestate personal property, have the same status with respect to the taking of such property as a wife, husband, widow, or widower of such insured individual.

(B)(i) In any case where under subparagraph (A) an applicant is not (and is not deemed to be) the wife, widow, husband, or widower of a fully or currently insured individual, or where under subsection (b), (c), (d), (f), or (g) such applicant is not the wife, divorced wife, widow, surviving divorced wife, husband, divorced husband, widower, or surviving divorced husband of such individual, but it is established to the satisfaction of the Commissioner of Social Security that such applicant in good faith went through a marriage ceremony with such individual resulting in a purported marriage between them which, but for a legal impediment not known to the applicant at the time of such ceremony, would have been a valid marriage, then, for purposes of subparagraph (A) and subsections (b), (c), (d), (f), and (g), such purported marriage shall be deemed to be a valid marriage. Notwithstanding the preceding sentence, in the case of any person who would be deemed under the preceding sentence a wife, widow, husband, or widower of the insured individual, such marriage shall not be deemed to be a valid marriage unless the applicant and the insured individual were living in the same household at the time of the death of the insured individual or (if the insured individual is living) at the time the applicant files the application. A marriage that is

deemed to be a valid marriage by reason of the preceding sentence shall continue to be deemed a valid marriage if the insured individual and the person entitled to benefits as the wife or husband of the insured individual are no longer living in the same household at the time of the death of such insured individual.

(ii) The provisions of clause (i) shall not apply if the Commissioner of Social Security determines, on the basis of information brought to the Commissioner's attention, that such applicant entered into such purported marriage with such insured individual with knowledge that it would not be a valid marriage.

(iii) The entitlement to a monthly benefit under subsection (b) or (c) of section 402 of this title, based on the wages and self-employment income of such insured individual, of a person who would not be deemed to be a wife or husband of such insured individual but for this subparagraph, shall end with the month before the month in which such person enters into a marriage, valid without regard to this subparagraph, with a person other than such insured individual.

(iv) For purposes of this subparagraph, a legal impediment to the validity of a purported marriage includes only an impediment (I) resulting from the lack of dissolution of a previous marriage or otherwise arising out of such previous marriage or its dissolution, or (II) resulting from a defect in the procedure followed in connection with such purported marriage.

(2)(A) In determining whether an applicant is the child or parent of a fully or currently insured individual for purposes of this subchapter, the Commissioner of Social Security shall apply such law as would be applied in determining the devolution of intestate personal property by the courts of the State in which such insured individual is domiciled at the time such applicant files application, or, if such insured individual is dead, by the courts of the State in which he was domiciled at the time of his death, or, if such insured individual is or was not so domiciled in any State, by the courts of the District of Columbia. Applicants who according to such law would have the same status relative to taking intestate personal property as a child or parent shall be deemed such.

(B) If an applicant is a son or daughter of a fully or currently insured individual but is not (and is not deemed to be) the child of such insured individual under subparagraph (A), such applicant shall nevertheless be deemed to be the child of such insured individual if such insured individual and the mother or father, as the case may be, of such applicant went through a marriage ceremony resulting in a purported marriage between them which, but for a legal impediment described in the last sentence of paragraph (1)(B), would have been a valid marriage.

(3) An applicant who is the son or daughter of a fully or currently insured individual, but who is not (and is not deemed to be) the child of such insured individual under paragraph (2) of this subsection, shall nevertheless be deemed to be the child of such insured individual if:

(A) in the case of an insured individual entitled to old-age insurance benefits (who was not, in the month preceding such entitlement, entitled to disability insurance benefits)—

(i) such insured individual—

(I) has acknowledged in writing that the applicant is his or her son or daughter,

(II) has been decreed by a court to be the mother or father of the applicant, or

(III) has been ordered by a court to contribute to the support of the applicant because the applicant is his or her son or daughter,

and such acknowledgment, court decree, or court order was made not less than one year before such insured individual became entitled to old-age insurance benefits or attained retirement age (as defined in subsection (*l*)), whichever is earlier; or

(ii) such insured individual is shown by evidence satisfactory to the Commissioner of Social Security to be the mother or father of the applicant and was living with or contributing to the support of the applicant at the time such applicant's application for benefits was filed;

(B) in the case of an insured individual entitled to disability insurance benefits, or who was entitled to such benefits in the month preceding the first month for which he or she was entitled to old-age insurance benefits—

(i) such insured individual—

(I) has acknowledged in writing that the applicant is his or her son or daughter,

(II) has been decreed by a court to be the mother or father of the applicant, or

(III) has been ordered by a court to contribute to the support of the applicant because the applicant is his or her son or daughter,

and such acknowledgment, court decree, or court order was made before such insured individual's most recent period of disability began; or

(ii) such insured individual is shown by evidence satisfactory to the Commissioner of Social Security to be the mother or father of the applicant and was living with or contributing to the support of that applicant at the time such applicant's application for benefits was filed;

(C) in the case of a deceased individual—

(i) such insured individual—

(I) had acknowledged in writing that the applicant is his or her son or daughter,

(II) had been decreed by a court to be the mother or father of the applicant, or

(III) had been ordered by a court to contribute to the support of the applicant because the applicant was his or her son or daughter,

and such acknowledgment, court decree, or court order was made before the death of such insured individual, or

(ii) such insured individual is shown by evidence satisfactory to the Commissioner of Social Security to have been the mother or father of the applicant, and such insured individual was living with or contributing to the support of the applicant at the time such insured individual died.

For purposes of subparagraphs (A)(i) and (B)(i), an acknowledgement, court decree, or court

order shall be deemed to have occurred on the first day of the month in which it actually occurred.

(i) Disability; period of disability

(1) Except for purposes of sections 402(d), 402(e), 402(f), 423, and 425 of this title, the term ''disability'' means (A) inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months, or (B) blindness; and the term ''blindness'' means central visual acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered for purposes of this paragraph as having a central visual acuity of 20/200 or less. The provisions of paragraphs (2)(A), (2)(B), (3), (4), (5), and (6) of section 423(d) of this title shall be applied for purposes of determining whether an individual is under a disability within the meaning of the first sentence of this paragraph in the same manner as they are applied for purposes of paragraph (1) of such section. Nothing in this subchapter shall be construed as authorizing the Commissioner of Social Security or any other officer or employee of the United States to interfere in any way with the practice of medicine or with relationships between practitioners of medicine and their patients, or to exercise any supervision or control over the administration or operation of any hospital.

(2)(A) The term ''period of disability'' means a continuous period (beginning and ending as hereinafter provided in this subsection) during which an individual was under a disability (as defined in paragraph (1)), but only if such period is of not less than five full calendar months' duration or such individual was entitled to benefits under section 423 of this title for one or more months in such period.

(B) No period of disability shall begin as to any individual unless such individual files an application for a disability determination with respect to such period; and no such period shall begin as to any individual after such individual attains retirement age (as defined in subsection (*l*)). In the case of a deceased individual, the requirement of an application under the preceding sentence may be satisfied by an application for a disability determination filed with respect to such individual within 3 months after the month in which he died.

(C) A period of disability shall begin—

(i) on the day the disability began, but only if the individual satisfies the requirements of paragraph (3) on such day; or

(ii) if such individual does not satisfy the requirements of paragraph (3) on such day, then on the first day of the first quarter thereafter in which he satisfies such requirements.

(D) A period of disability shall end with the close of whichever of the following months is the earlier: (i) the month preceding the month in which the individual attains retirement age (as defined in subsection (*l*)), or (ii) the month preceding (I) the termination month (as defined in section 423(a)(1) of this title), or, if earlier (II) the first month for which no benefit is payable by reason of section 423(e) of this title, where no benefit is payable for any of the succeeding months during the 36-month period referred to in such section. The provisions set forth in section 423(f) of this title with respect to determinations of whether entitlement to benefits under this subchapter or subchapter XVIII based on the disability of any individual is terminated (on the basis of a finding that the physical or mental impairment on the basis of which such benefits are provided has ceased, does not exist, or is not disabling) shall apply in the same manner and to the same extent with respect to determinations of whether a period of disability has ended (on the basis of a finding that the physical or mental impairment on the basis of which the finding of disability was made has ceased, does not exist, or is not disabling).

(E) Except as is otherwise provided in subparagraph (F), no application for a disability determination which is filed more than 12 months after the month prescribed by subparagraph (D) as the month in which the period of disability ends (determined without regard to subparagraph (B) and this subparagraph) shall be accepted as an application for purposes of this paragraph.

(F) An application for a disability determination which is filed more than 12 months after the month prescribed by subparagraph (D) as the month in which the period of disability ends (determined without regard to subparagraphs (B) and (E)) shall be accepted as an application for purposes of this paragraph if—

(i) in the case of an application filed by or on behalf of an individual with respect to a disability which ends after January 1968, such application is filed not more than 36 months after the month in which such disability ended, such individual is alive at the time the application is filed, and the Commissioner of Social Security finds in accordance with regulations prescribed by the Commissioner that the failure of such individual to file an application for a disability determination within the time specified in subparagraph (E) was attributable to a physical or mental condition of such individual which rendered him incapable of executing such an application, and

(ii) in the case of an application filed by or on behalf of an individual with respect to a period of disability which ends in or before January 1968—

(I) such application is filed not more than 12 months after January 1968,

(II) a previous application for a disability determination has been filed by or on behalf of such individual (1) in or before January 1968, and (2) not more than 36 months after the month in which his disability ended, and

(III) the Commissioner of Social Security finds in accordance with regulations prescribed by the Commissioner, that the failure of such individual to file an application within the then specified time period was attributable to a physical or mental condition of such individual which rendered him incapable of executing such an application.

In making a determination under this subsection, with respect to the disability or period of disability of any individual whose application for a determination thereof is accepted solely by reason of the provisions of this subparagraph (F), the provisions of this subsection (other than the provisions of this subparagraph) shall be applied as such provisions are in effect at the time such determination is made.

(G) An application for a disability determination filed before the first day on which the applicant satisfies the requirements for a period of disability under this subsection shall be deemed a valid application (and shall be deemed to have been filed on such first day) only if the applicant satisfies the requirements for a period of disability before the Commissioner of Social Security makes a final decision on the application and no request under section 405(b) of this title for notice and opportunity for a hearing thereon is made or, if such a request is made, before a decision based upon the evidence adduced at the hearing is made (regardless of whether such decision becomes the final decision of the Commissioner of Social Security).

(3) The requirements referred to in clauses (i) and (ii) of paragraph (2)(C) of this subsection are satisfied by an individual with respect to any quarter only if—

(A) he would have been a fully insured individual (as defined in section 414 of this title) had he attained age 62 and filed application for benefits under section 402(a) of this title on the first day of such quarter; and

(B)(i) he had not less than 20 quarters of coverage during the 40-quarter period which ends with such quarter, or

(ii) if such quarter ends before he attains (or would attain) age 31, not less than one-half (and not less than 6) of the quarters during the period ending with such quarter and beginning after he attained the age of 21 were quarters of coverage, or (if the number of quarters in such period is less than 12) not less than 6 of the quarters in the 12-quarter period ending with such quarter were quarters of coverage, or

(iii) in the case of an individual (not otherwise insured under clause (i)) who, by reason of clause (ii), had a prior period of disability that began during a period before the quarter in which he or she attained age 31, not less than one-half of the quarters beginning after such individual attained age 21 and ending with such quarter are quarters of coverage, or (if the number of quarters in such period is less than 12) not less than 6 of the quarters in the 12-quarter period ending with such quarter are quarters of coverage;

except that the provisions of subparagraph (B) of this paragraph shall not apply in the case of an individual who is blind (within the meaning of ''blindness'' as defined in paragraph (1)). For purposes of subparagraph (B) of this paragraph, when the number of quarters in any period is an odd number, such number shall be reduced by one, and a quarter shall not be counted as part of any period if any part of such quarter was included in a prior period of disability unless such quarter was a quarter of coverage.

(j) Periods of limitation ending on nonwork days

Where this subchapter, any provision of another law of the United States (other than the Internal Revenue Code of 1986) relating to or changing the effect of this subchapter, or any regulation issued by the Commissioner of Social Security pursuant thereto provides for a period within which an act is required to be done which affects eligibility for or the amount of any benefit or payment under this subchapter or is necessary to establish or protect any rights under this subchapter, and such period ends on a Saturday, Sunday, or legal holiday, or on any other day all or part of which is declared to be a nonwork day for Federal employees by statute or Executive order, then such act shall be considered as done within such period if it is done on the first day thereafter which is not a Saturday, Sunday, or legal holiday or any other day all or part of which is declared to be a nonwork day for Federal employees by statute or Executive order. For purposes of this subsection, the day on which a period ends shall include the day on which an extension of such period, as authorized by law or by the Commissioner of Social Security pursuant to law, ends. The provisions of this subsection shall not extend the period during which benefits under this subchapter may (pursuant to section 402(j)(1) or 423(b) of this title) be paid for months prior to the day application for such benefits is filed, or during which an application for benefits under this subchapter may (pursuant to section 402(j)(2) or 423(b) of this title) be accepted as such.

(k) Waiver of nine-month requirement for widow, stepchild, or widower in case of accidental death or in case of serviceman dying in line of duty, or in case of remarriage to same individual

The requirement in clause (E) of subsection (c)(1) or clause (E) of subsection (g)(1) that the surviving spouse of an individual have been married to such individual for a period of not less than nine months immediately prior to the day on which such individual died in order to qualify as such individual's widow or widower, and the requirement in subsection (e) that the stepchild of a deceased individual have been such stepchild for not less than nine months immediately preceding the day on which such individual died in order to qualify as such individual's child, shall be deemed to be satisfied, where such individual dies within the applicable nine-month period, if—

(1) his death—

(A) is accidental, or

(B) occurs in line of duty while he is a member of a uniformed service serving on active duty (as defined in section 410(*l*)(2) of this title),

unless the Commissioner of Social Security determines that at the time of the marriage involved the individual could not have reasonably been expected to live for nine months, or

(2)(A) the widow or widower of such individual had been previously married to such individual and subsequently divorced and such requirement would have been satisfied at the time of such divorce if such previous marriage

had been terminated by the death of such individual at such time instead of by divorce; or

(B) the stepchild of such individual had been the stepchild of such individual during a previous marriage of such stepchild's parent to such individual which ended in divorce and such requirement would have been satisfied at the time of such divorce if such previous marriage had been terminated by the death of such individual at such time instead of by divorce;

except that paragraph (2) of this subsection shall not apply if the Commissioner of Social Security determines that at the time of the marriage involved the individual could not have reasonably been expected to live for nine months. For purposes of paragraph (1)(A) of this subsection, the death of an individual is accidental if he receives bodily injuries solely through violent, external, and accidental means and, as a direct result of the bodily injuries and independently of all other causes, loses his life not later than three months after the day on which he receives such bodily injuries.

(*l*) Retirement age

(1) The term ''retirement age'' means—

(A) with respect to an individual who attains early retirement age (as defined in paragraph (2)) before January 1, 2000, 65 years of age;

(B) with respect to an individual who attains early retirement age after December 31, 1999, and before January 1, 2005, 65 years of age plus the number of months in the age increase factor (as determined under paragraph (3)) for the calendar year in which such individual attains early retirement age;

(C) with respect to an individual who attains early retirement age after December 31, 2004, and before January 1, 2017, 66 years of age;

(D) with respect to an individual who attains early retirement age after December 31, 2016, and before January 1, 2022, 66 years of age plus the number of months in the age increase factor (as determined under paragraph (3)) for the calendar year in which such individual attains early retirement age; and

(E) with respect to an individual who attains early retirement age after December 31, 2021, 67 years of age.

(2) The term ''early retirement age'' means age 62 in the case of an old-age, wife's, or husband's insurance benefit, and age 60 in the case of a widow's or widower's insurance benefit.

(3) The age increase factor for any individual who attains early retirement age in a calendar year within the period to which subparagraph (B) or (D) of paragraph (1) applies shall be determined as follows:

(A) With respect to an individual who attains early retirement age in the 5-year period consisting of the calendar years 2000 through 2004, the age increase factor shall be equal to two-twelfths of the number of months in the period beginning with January 2000 and ending with December of the year in which the individual attains early retirement age.

(B) With respect to an individual who attains early retirement age in the 5-year period consisting of the calendar years 2017 through 2021, the age increase factor shall be equal to two-twelfths of the number of months in the period beginning with January 2017 and ending with December of the year in which the individual attains early retirement age.

§ 417. Benefits for veterans

(a) Determination of benefits

(1) For purposes of determining entitlement to and the amount of any monthly benefit for any month after August 1950, or entitlement to and the amount of any lump-sum death payment in case of a death after such month, payable under this subchapter on the basis of the wages and self-employment income of any World War II veteran, and for purposes of section 416(i)(3) of this title, such veteran shall be deemed to have been paid wages (in addition to the wages, if any, actually paid to him) of $160 in each month during any part of which he served in the active military or naval service of the United States during World War II. This subsection shall not be applicable in the case of any monthly benefit or lump-sum death payment if—

(A) a larger such benefit or payment, as the case may be, would be payable without its application; or

(B) a benefit (other than a benefit payable in a lump sum unless it is a commutation of, or a substitute for, periodic payments) which is based, in whole or in part, upon the active military or naval service of such veteran during World War II is determined by any agency or wholly owned instrumentality of the United States (other than the Department of Veterans Affairs) to be payable by it under any other law of the United States or under a system established by such agency or instrumentality.

The provisions of clause (B) of this paragraph shall not apply in the case of any monthly benefit or lump-sum death payment under this subchapter if its application would reduce by $0.50 or less the primary insurance amount (as computed under section 415 of this title prior to any recomputation thereof pursuant to section 415(f) of this title) of the individual on whose wages and self-employment income such benefit or payment is based. The provisions of clause (B) of this paragraph shall also not apply for purposes of section 416(i)(3) of this title.

(2) Upon application for benefits or a lump-sum death payment on the basis of the wages and self-employment income of any World War II veteran, the Commissioner of Social Security shall make a decision without regard to clause (B) of paragraph (1) of this subsection unless the Commissioner has been notified by some other agency or instrumentality of the United States that, on the basis of the military or naval service of such veteran during World War II, a benefit described in clause (B) of paragraph (1) of this subsection has been determined by such agency or instrumentality to be payable by it. If the Commissioner has not been so notified, the Commissioner of Social Security shall then ascertain whether some other agency or wholly owned instrumentality of the United States has decided that a benefit described in clause (B) of paragraph (1) of this subsection is payable by it. If any such agency or instrumentality has decided, or thereafter decides, that such a benefit is payable by it, it shall so notify the Commissioner of Social Security, and the Commissioner of Social Security shall certify no further benefits for payment or shall recompute the amount of any further benefits payable, as may be required by paragraph (1) of this subsection.

(3) Any agency or wholly owned instrumentality of the United States which is authorized by any law of the United States to pay benefits, or has a system of benefits which are based, in whole or in part, on military or naval service during World War II shall, at the request of the Commissioner of Social Security, certify to the Commissioner, with respect to any veteran, such information as the Commissioner of Social Security deems necessary to carry out the Commissioner's functions under paragraph (2) of this subsection.

(b) Determination of insurance status

(1) Subject to paragraph (3), any World War II veteran who died during the period of three years immediately following his separation from the active military or naval service of the United States shall be deemed to have died a fully insured individual whose primary insur-

ance amount is the amount determined under section 415(c) of this title as in effect in December 1978. Notwithstanding section 415(d) of this title as in effect in December 1978, the primary insurance benefit (for purposes of section 415(c) of this title as in effect in December 1978) of such veteran shall be determined as provided in this subchapter as in effect prior to August 28, 1950, except that the 1 per centum addition provided for in section 409(a)(4)(B) of this title as in effect prior to August 28, 1950, shall be applicable only with respect to calendar years prior to 1951. This subsection shall not be applicable in the case of any monthly benefit or lump-sum death payment if—

(A) a larger such benefit or payment, as the case may be, would be payable without its application;

(B) any pension or compensation is determined by the Secretary of Veterans Affairs to be payable by him on the basis of the death of such veteran;

(C) the death of the veteran occurred while he was in the active military or naval service of the United States; or

(D) such veteran has been discharged or released from the active military or naval service of the United States subsequent to July 26, 1951.

(2) Upon an application for benefits or a lump-sum death payment on the basis of the wages and self-employment income of any World War II veteran, the Commissioner of Social Security shall make a decision without regard to paragraph (1)(B) of this subsection unless the Commissioner has been notified by the Secretary of Veterans Affairs that pension or compensation is determined to be payable by that Secretary by reason of the death of such veteran. The Commissioner of Social Security shall thereupon report such decision to the Secretary of Veterans Affairs. If the Secretary of Veterans Affairs in any such case has made an adjudication or thereafter makes an adjudication that any pension or compensation is payable under any law administered by it, the Secretary of Veterans Affairs shall notify the Commissioner of Social Security, and the Commissioner of Social Security shall certify no further benefits for payment, or shall recompute the amount of any further benefits payable, as may be required by paragraph (1) of this subsection. Any payments theretofore certified by the Commissioner of Social Security on the basis of paragraph (1) of this subsection to any individual, not exceeding the amount of any accrued pension or compensation payable to him by the Secretary of Veterans Affairs, shall (notwithstanding the provisions of section 5301 of title 38) be deemed to have been paid to him by that Secretary on account of such accrued pension or compensation. No such payment certified by the Commissioner of Social Security, and no payment certified by the Commissioner for any month prior to the first month for which any pension or compensation is paid by the Secretary of Veterans Affairs shall be deemed by reason of this subsection to have been an erroneous payment.

(3)(A) The preceding provisions of this subsection shall apply for purposes of determining the entitlement to benefits under section 402 of this title, based on the primary insurance amount of the deceased World War II veteran, of any surviving individual only if such surviving individual makes application for such benefits before the end of the 18-month period after November 1990.

(B) Subparagraph (A) shall not apply if any person is entitled to benefits under section 402 of this title based on the primary insurance amount of such veteran for the month preceding the month in which such application is made.

(c) Filing proof of support

In the case of any World War II veteran to whom subsection (a) is applicable, proof of support required under section 402(h) of this title may be filed by a parent at any time prior to July 1951 or prior to the expiration of two years after the date of the death of such veteran, whichever is the later.

(d) Definitions

For the purposes of this section—

(1) The term ''World War II'' means the period beginning with September 16, 1940, and ending at the close of July 24, 1947.

(2) The term ''World War II veteran'' means any individual who served in the active military or naval service of the United States at any time during World War II and who, if discharged or released therefrom, was so discharged or released under conditions other than dishonorable after active service of ninety days or more or by reason of a disability or injury incurred or aggravated in service in line of duty; but such term shall not include any individual who died while in the active military or naval service of the United States if his death was inflicted (other than by an enemy of the United States) as lawful punishment for a military or naval offense.

(e) Determination based on wages and self-employment

(1) For purposes of determining entitlement to and the amount of any monthly benefit or lump-sum death payment payable under this subchapter on the basis of wages and self-employment income of any veteran (as defined in paragraph (4) of this subsection), and for purposes of section 416(i)(3) of this title, such veteran shall be deemed to have been paid wages (in addition to the wages, if any, actually paid to him) of $160 in each month during any part of which he served in the active military or naval service of the United States on or after July 25, 1947, and prior to January 1, 1957. This subsection shall not be applicable in the case of any monthly benefit or lump-sum death payment if—

(A) a larger such benefit or payment, as the case may be, would be payable without its application; or

(B) a benefit (other than a benefit payable in a lump sum unless it is a commutation of, or a substitute for, periodic payments) which is based, in whole or in part, upon the active military or naval service of such veteran on or after July 25, 1947, and prior to January 1, 1957, is determined by any agency or wholly owned instrumentality of the United States (other than the Department of Veterans Affairs) to be payable by it under any other law of the

United States or under a system established by such agency or instrumentality.

The provisions of clause (B) of this paragraph shall not apply in the case of any monthly benefit or lump-sum death payment under this subchapter if its application would reduce by $0.50 or less the primary insurance amount (as computed under section 415 of this title prior to any recomputation thereof pursuant to subsection (f) of section 415 of this title) of the individual on whose wages and self-employment income such benefit or payment is based. The provisions of clause (B) of this paragraph shall also not apply for purposes of section 416(i)(3) of this title. In the case of monthly benefits under this subchapter for months after December 1956 (and any lump-sum death payment under this subchapter with respect to a death occurring after December 1956) based on the wages and self-employment income of a veteran who performed service (as a member of a uniformed service) to which the provisions of section 410(*l*)(1) of this title are applicable, wages which would, but for the provisions of clause (B) of this paragraph, be deemed under this subsection to have been paid to such veteran with respect to his active military or naval service performed after December 1950 shall be deemed to have been paid to him with respect to such service notwithstanding the provisions of such clause, but only if the benefits referred to in such clause which are based (in whole or in part) on such service are payable solely by the Army, Navy, Air Force, Marine Corps, Coast Guard, Coast and Geodetic Survey, National Oceanic and Atmospheric Administration Corps, or Public Health Service.

(2) Upon application for benefits or a lump-sum death payment on the basis of the wages and self-employment income of any veteran, the Commissioner of Social Security shall make a decision without regard to clause (B) of paragraph (1) of this subsection unless the Commissioner has been notified by some other agency or instrumentality of the United States that, on the basis of the military or naval service of such veteran on or after July 25, 1947, and prior to January 1, 1957, a benefit described in clause (B) of paragraph (1) of this subsection has been determined by such agency or instrumentality to be payable by it. If the Commissioner has not been so notified, the Commissioner of Social Security shall then ascertain whether some other agency or wholly owned instrumentality of the United States has decided that a benefit described in clause (B) of paragraph (1) of this subsection is payable by it. If any such agency or instrumentality has decided, or thereafter decides, that such a benefit is payable by it, it shall so notify the Commissioner of Social Security, and the Commissioner of Social Security shall certify no further benefits for payment or shall recompute the amount of any further benefits payable, as may be required by paragraph (1) of this subsection.

(3) Any agency or wholly owned instrumentality of the United States which is authorized by any law of the United States to pay benefits, or has a system of benefits which are based, in whole or in part, on military or naval service on or after July 25, 1947, and prior to January 1, 1957, shall, at the request of the Commissioner of Social Security, certify to the Commissioner, with respect to any veteran, such information as the Commissioner of Social Security deems necessary to carry out the Commissioner's functions under paragraph (2) of this subsection.

(4) For the purposes of this subsection, the term ''veteran'' means any individual who served in the active military or naval service of the United States at any time on or after July 25, 1947, and prior to January 1, 1957, and who, if discharged or released therefrom, was so discharged or released under conditions other than dishonorable after active service of ninety days or more or by reason of a disability or injury incurred or aggravated in service in line of duty; but such term shall not include any individual who died while in the active military or naval service of the United States if his death was inflicted (other than by an enemy of the United States) as lawful punishment for a military or naval offense.

(f) Right to annuity; waiver

(1) In any case where a World War II veteran (as defined in subsection (d)(2)) or a veteran (as defined in subsection (e)(4)) has died or shall hereafter die, and his or her surviving spouse or child is entitled under subchapter III of chapter 83 of title 5 to an annuity in the computation of which his or her active military or naval service was included, clause (B) of subsection (a)(1) or clause (B) of subsection (e)(1) shall not operate (solely by reason of such annuity) to make such subsection inapplicable in the case of any monthly benefit under section 402 of this title which is based on his or her wages and self-employment income; except that no such surviving spouse or child shall be entitled under section 402 of this title to any monthly benefit in the computation of which such service is included by reason of this subsection (A) unless such surviving spouse or child after December 1956 waives his or her right to receive such annuity, or (B) for any month prior to the first month with respect to which the Director of the Office of Personnel Management certifies to the Commissioner of Social Security that (by reason of such waiver) no further annuity will be paid to such surviving spouse or child under such subchapter III on the basis of such veteran's military or civilian service. Any such waiver shall be irrevocable.

(2) Whenever a surviving spouse waives his or her right to receive such annuity such waiver shall constitute a waiver on his or her own behalf; a waiver by a legal guardian or guardians, or, in the absence of a legal guardian, the person (or persons) who has the child in his or her care, of the child's right to receive such annuity shall constitute a waiver on behalf of such child. Such a waiver with respect to an annuity based on a veteran's service shall be valid only if the surviving spouse and all children, or, if there is no surviving spouse, all the children, waive their rights to receive annuities under subchapter III of chapter 83 of title 5 based on such veteran's military or civilian service.

(g) Appropriation to trust funds

(1) Within thirty days after April 20, 1983, the Commissioner of Social Security shall determine the amount equal to the excess of—

(A) the actuarial present value as of April 20, 1983, of the past and future benefit payments from the Federal Old-Age and Survivors Insurance Trust Fund, the Federal Disability Insurance Trust Fund, and the Federal Hospital Insurance Trust Fund under this subchapter and subchapter XVIII, together with associated administrative costs, resulting from the operation of this section (other than this subsection) and section 410 of this title as in effect before the enactment of the Social Security Amendments of 1950,[1] over

(B) any amounts previously transferred from the general fund of the Treasury to such Trust Funds pursuant to the provisions of this subsection as in effect immediately before April 20, 1983.

Such actuarial present value shall be based on the relevant actuarial assumptions set forth in the report of the Board of Trustees of each such Trust Fund for 1983 under sections 401(c) and 1395i(b) of this title. Within thirty days after April 20, 1983, the Secretary of the Treasury shall transfer the amount determined under this paragraph with respect to each such Trust Fund to such Trust Fund from amounts in the general fund of the Treasury not otherwise appropriated.

(2) The Commissioner of Social Security shall revise the amount determined under paragraph (1) with respect to each such Trust Fund in 1985 and each fifth year thereafter through 2010, as determined appropriate by the Commissioner of Social Security from data which becomes available to the Commissioner after the date of the determination under paragraph (1) on the basis of the amount of benefits and administrative expenses actually paid from such Trust Fund under this subchapter or subchapter XVIII and the relevant actuarial assumptions set forth in the report of the Board of Trustees of such Trust Fund for such year under section 401(c) or 1395i(b) of this title. The Secretary of Health and Human Services shall revise the amount determined under paragraph (1) with respect to the Federal Hospital Insurance Trust Fund under subchapter XVIII in 2015 and each fifth year thereafter through such date, and using such data, as the Secretary determines appropriate on the basis of the amount of benefits and administrative expenses actually paid from such Trust Fund under subchapter XVIII and the relevant actuarial assumptions set forth in the report of the Board of Trustees of such Trust Fund for such year under section 1395i(b) of this title. Within 30 days after any such revision, the Secretary of the Treasury, to the extent provided in advance in appropriation Acts, shall transfer to such Trust Fund, from amounts in the general fund of the Treasury not otherwise appropriated, or from such Trust Fund to the general fund of the Treasury, such amounts as the Secretary of the Treasury determines necessary to take into account such revision.

(h) Determination of veterans status

(D) had resided in the United States for a period or periods aggregating four years during the five-year period ending on the day of, and was domiciled in the United States on the day of, such entrance into such active service; and

(E)(i) was discharged or released from such service under conditions other than dishonorable after active service of ninety days or more or by reason of a disability or injury incurred or aggravated in service in line of duty, or

(ii) died while in such service,

shall be considered a World War II veteran (as defined in subsection (d)(2)) and such service shall be considered to have been performed in the active military or naval service of the United States.

(2) In the case of any individual to whom paragraph (1) applies, proof of support required under section 402(f) or (h) of this title may be filed at any time prior to the expiration of two years after the date of such individual's death or August 28, 1958, whichever is the later.

§ 418. Voluntary agreements for coverage of State and local employees

(a) Purpose of agreement

(1) The Commissioner of Social Security shall, at the request of any State, enter into an agreement with such State for the purpose of extending the insurance system established by this subchapter to services performed by individuals as employees of such State or any political subdivision thereof. Each such agreement shall contain such provisions, not inconsistent with the provisions of this section, as the State may request.

(2) Notwithstanding section 410(a) of this title, for the purposes of this subchapter the term ''employment'' includes any service included under an agreement entered into under this section.

(b) Definitions

For the purposes of this section—

(1) The term ''State'' does not include the District of Columbia, Guam, or American Samoa.

(2) The term ''political subdivision'' includes an instrumentality of (A) a State, (B) one or more political subdivisions of a State, or (C) a State and one or more of its political subdivisions.

(3) The term ''employee'' includes an officer of a State or political subdivision.

(4) The term ''retirement system'' means a pension, annuity, retirement, or similar fund or system established by a State or by a political subdivision thereof.

(5) The term ''coverage group'' means (A) employees of the State other than those engaged in performing service in connection with a proprietary function; (B) employees of a political subdivision of a State other than those engaged in performing service in connection with a proprietary function; (C) employees of a State engaged in performing service in connection with a single proprietary function; or (D) employees of a political subdivision of a State engaged in performing service in connection with a single proprietary function. If under the preceding sentence an employee would be included in more than one coverage group by reason of the fact that he performs service in connection with two or more proprietary functions or in connection with both a proprietary function and a nonproprietary function, he shall be included in only one such coverage group. The determination of the coverage group in which such employee shall be included shall be made in such manner as may be specified in the agreement. Persons employed under section 709 of title 32, who elected under section 6 of the National Guard Technicians Act of 1968 to remain covered by an employee retirement system of, or plan sponsored by, a State or the Commonwealth of Puerto Rico, shall, for the purposes of this chapter, be employees of the State or the Commonwealth of Puerto Rico and (notwithstanding the preceding provisions of this paragraph), shall be deemed to be a separate coverage group. For purposes of this section, individuals employed pursuant to an agreement, entered into pursuant to section 1624 of title 7 or section 499n of title 7, between a State and the United States Department of Agriculture to perform services as inspectors of agricultural products may be deemed, at the option of the State, to be employees of the State and (notwithstanding the preceding provisions of this paragraph) shall be deemed to be a separate coverage group.

(c) Services covered

(1) An agreement under this section shall be applicable to any one or more coverage groups designated by the State.

(2) In the case of each coverage group to which the agreement applies, the agreement must include all services (other than services excluded by or pursuant to subsection (d) or paragraph (3), (5), or (6) of this subsection) performed by individuals as members of such group.

(3) Such agreement shall, if the State requests it, exclude (in the case of any coverage group) any one or more of the following:

(A) All services in any class or classes of (i) elective positions, (ii) part-time positions, or (iii) positions the compensation for which is on a fee basis;

(B) All services performed by individuals as members of a coverage group in positions covered by a retirement system on the date such agreement is made applicable to such coverage group, but only in the case of individuals who, on such date (or, if later, the date on which they first occupy such positions), are not eligible to become members of such system and whose services in such positions have not already been included under such agreement pursuant to subsection (d)(3).

(4) The Commissioner of Social Security shall, at the request of any State, modify the agreement with such State so as to (A) include any

coverage group to which the agreement did not previously apply, or (B) include, in the case of any coverage group to which the agreement applies, services previously excluded from the agreement; but the agreement as so modified may not be inconsistent with the provisions of this section applicable in the case of an original agreement with a State. A modification of an agreement pursuant to clause (B) of the preceding sentence may apply to individuals to whom paragraph (3)(B) of this subsection is applicable (whether or not the previous exclusion of the service of such individuals was pursuant to such paragraph), but only if such individuals are, on the effective date specified in such modification, ineligible to be members of any retirement system or if the modification with respect to such individuals is pursuant to subsection (d)(3).

(5) Such agreement shall, if the State requests it, exclude (in the case of any coverage group) any agricultural labor, or service performed by a student, designated by the State. This paragraph shall apply only with respect to service which is excluded from employment by any provision of section 410(a) of this title other than paragraph (7) of such section and service the remuneration for which is excluded from wages by subparagraph (B) of section 409(a)(7) of this title.

(6) Such agreement shall exclude—

(A) service performed by an individual who is employed to relieve him from unemployment,

(B) service performed in a hospital, home, or other institution by a patient or inmate thereof,

(C) covered transportation service (as determined under section 410(k) of this title),

(D) service (other than agricultural labor or service performed by a student) which is excluded from employment by any provision of section 410(a) of this title other than paragraph (7) of such section,

(E) service performed by an individual as an employee serving on a temporary basis in case of fire, storm, snow, earthquake, flood, or other similar emergency, and

(F) service described in section 410(a)(7)(F) of this title which is included as ''employment'' under section 410(a) of this title.

(7) No agreement may be made applicable (either in the original agreement or by any modification thereof) to service performed by any individual to whom paragraph (3)(B) of this subsection is applicable unless such agreement provides (in the case of each coverage group involved) either that the service of any individual to whom such paragraph is applicable and who is a member of such coverage group shall continue to be covered by such agreement in case he thereafter becomes eligible to be a member of a retirement system, or that such service shall cease to be so covered when he becomes eligible to be a member of such a system (but only if the agreement is not already applicable to such system pursuant to subsection (d)(3)), whichever may be desired by the State.

(8)(A) Notwithstanding any other provision of this section, the agreement with any State entered into under this section may at the option of the State be modified at any time to exclude service performed by election officials or election workers if the remuneration paid in a calendar year for such service is less than $1,000 with respect to service performed during any calendar year commencing on or after January 1, 1995, ending on or before December 31, 1999, and the adjusted amount determined under subparagraph (B) for any calendar year commencing on or after January 1, 2000, with respect to service performed during such calendar year. Any modification of an agreement pursuant to this paragraph shall be effective with respect to services performed in and after the calendar year in which the modification is mailed or delivered by other means to the Commissioner of Social Security.

(B) For each year after 1999, the Commissioner of Social Security shall adjust the amount referred to in subparagraph (A) at the same time and in the same manner as is provided under section 415(a)(1)(B)(ii) of this title with respect to the amounts referred to in section 415(a)(1)(B)(i) of this title, except that—

(i) for purposes of this subparagraph, 1997 shall be substituted for the calendar year referred to in section 415(a)(1)(B)(ii)(II) of this title, and

(ii) such amount as so adjusted, if not a multiple of $100, shall be rounded to the next higher multiple of $100 where such amount is a multiple of $50 and to the nearest multiple of $100 in any other case.

The Commissioner of Social Security shall determine and publish in the Federal Register each adjusted amount determined under this subparagraph not later than November 1 preceding the year for which the adjustment is made.

(d) Positions covered by retirement systems

(1) No agreement with any State may be made applicable (either in the original agreement or by any modification thereof) to any service performed by employees as members of any coverage group in positions covered by a retirement system either (A) on the date such agreement is made applicable to such coverage group, or (B) on September 1, 1954 (except in the case of positions which are, by reason of action by such State or political subdivision thereof, as may be appropriate, taken prior to September 1, 1954, no longer covered by a retirement system on the date referred to in clause (A), and except in the case of positions excluded by paragraph (5)(A) of this subsection). The preceding sentence shall not be applicable to any service performed by an employee as a member of any coverage group in a position (other than a position excluded by paragraph (5)(A) of this subsection) covered by a retirement system on the date an agreement is made applicable to such coverage group if, on such date (or, if later, the date on which such individual first occupies such position), such individual is ineligible to be a member of such system.

(2) It is declared to be the policy of the Congress in enacting the succeeding paragraphs of this subsection that the protection afforded employees in positions covered by a retirement system on the date an agreement under this section is made applicable to service performed in such

positions, or receiving periodic benefits under such retirement system at such time, will not be impaired as a result of making the agreement so applicable or as a result of legislative enactment in anticipation thereof.

(3) Notwithstanding paragraph (1) of this subsection, an agreement with a State may be made applicable (either in the original agreement or by any modification thereof) to service performed by employees in positions covered by a retirement system (including positions specified in paragraph (4) of this subsection but not including positions excluded by or pursuant to paragraph (5)), if the governor of the State, or an official of the State designated by him for the purpose, certifies to the Commissioner of Social Security that the following conditions have been met:

(A) A referendum by secret written ballot was held on the question of whether service in positions covered by such retirement system should be excluded from or included under an agreement under this section;

(B) An opportunity to vote in such referendum was given (and was limited) to eligible employees;

(C) Not less than ninety days' notice of such referendum was given to all such employees;

(D) Such referendum was conducted under the supervision of the governor or an agency or individual designated by him; and

(E) A majority of the eligible employees voted in favor of including service in such positions under an agreement under this section.

An employee shall be deemed an ''eligible employee'' for purposes of any referendum with respect to any retirement system if, at the time such referendum was held, he was in a position covered by such retirement system and was a member of such system, and if he was in such a position at the time notice of such referendum was given as required by clause (C) of the preceding sentence; except that he shall not be deemed an ''eligible employee'' if, at the time the referendum was held, he was in a position to which the State agreement already applied, or if he was in a position excluded by or pursuant to paragraph (5). No referendum with respect to a retirement system shall be valid for purposes of this paragraph unless held within the two-year period which ends on the date of execution of the agreement or modification which extends the insurance system established by this subchapter to such retirement system, nor shall any referendum with respect to a retirement system be valid for purposes of this paragraph if held less than one year after the last previous referendum held with respect to such retirement system.

(4) For the purposes of subsection (c) of this section, the following employees shall be deemed to be a separate coverage group—

(A) all employees in positions which were covered by the same retirement system on the date the agreement was made applicable to such system (other than employees to whose services the agreement already applied on such date);

(B) all employees in positions which became covered by such system at any time after such date; and

(C) all employees in positions which were covered by such system at any time before such date and to whose services the insurance system established by this subchapter has not been extended before such date because the positions were covered by such retirement system (including employees to whose services the agreement was not applicable on such date because such services were excluded pursuant to subsection (c)(3)(B)).

(5)(A) Nothing in paragraph (3) of this subsection shall authorize the extension of the insurance system established by this subchapter to service in any policeman's or fireman's position.

(B) At the request of the State, any class or classes of positions covered by a retirement system which may be excluded from the agreement pursuant to paragraph (3) or (5) of subsection (c), and to which the agreement does not already apply, may be excluded from the agreement at the time it is made applicable to such retirement system; except that, notwithstanding the provisions of paragraph (3)(B) of such subsection, such exclusion may not include any services to which such paragraph (3)(B) is applicable. In the case of any such exclusion, each such class so excluded shall, for purposes of this subsection, constitute a separate retirement system in case of any modification of the agreement thereafter agreed to.

(6)(A) If a retirement system covers positions of employees of the State and positions of employees of one or more political subdivisions of the State, or covers positions of employees of two or more political subdivisions of the State, then, for purposes of the preceding paragraphs of this subsection, there shall, if the State so desires, be deemed to be a separate retirement system with respect to any one or more of the political subdivisions concerned and, where the retirement system covers positions of employees of the State, a separate retirement system with respect to the State or with respect to the State and any one or more of the political subdivisions concerned. Where a retirement system covering positions of employees of a State and positions of employees of one or more political subdivisions of the State, or covering positions of employees of two or more political subdivisions of the State, is not divided into separate retirement systems pursuant to the preceding sentence or pursuant to subparagraph (C), then the State may, for purposes of subsection (e) only, deem the system to be a separate retirement system with respect to any one or more of the political subdivisions concerned and, where the retirement system covers positions of employees of the State, a separate retirement system with respect to the State or with respect to the State and any one or more of the political subdivisions concerned.

(B) If a retirement system covers positions of employees of one or more institutions of higher learning, then, for purposes of such preceding paragraphs there shall, if the State so desires, be deemed to be a separate retirement system for the employees of each such institution of higher learning. For the purposes of this subparagraph, the term ''institutions of higher learning'' includes junior colleges and teachers

colleges. If a retirement system covers positions of employees of a hospital which is an integral part of a political subdivision, then, for purposes of the preceding paragraphs there shall, if the State so desires, be deemed to be a separate retirement system for the employees of such hospital.

(C) For the purposes of this subsection, any retirement system established by the State of Alaska, California, Connecticut, Florida, Georgia, Illinois, Kentucky, Louisiana, Massachusetts, Minnesota, Nevada, New Jersey, New Mexico, New York, North Dakota, Pennsylvania, Rhode Island, Tennessee, Texas, Vermont, Washington, Wisconsin, or Hawaii, or any political subdivision of any such State, which, on, before, or after August 1, 1956, is divided into two divisions or parts, one of which is composed of positions of members of such system who desire coverage under an agreement under this section and the other of which is composed of positions of members of such system who do not desire such coverage, shall, if the State so desires and if it is provided that there shall be included in such division or part composed of members desiring such coverage the positions of individuals who become members of such system after such coverage is extended, be deemed to be a separate retirement system with respect to each such division or part. If, in the case of a separate retirement system which is deemed to exist by reason of subparagraph (A) and which has been divided into two divisions or parts pursuant to the first sentence of this subparagraph, individuals become members of such system by reason of action taken by a political subdivision after coverage under an agreement under this section has been extended to the division or part thereof composed of positions of individuals who desire such coverage, the positions of such individuals who become members of such retirement system by reason of the action so taken shall be included in the division or part of such system composed of positions of members who do not desire such coverage if (i) such individuals, on the day before becoming such members, were in the division or part of another separate retirement system (deemed to exist by reason of subparagraph (A)) composed of positions of members of such system who do not desire coverage under an agreement under this section, and (ii) all of the positions in the separate retirement system of which such individuals so become members and all of the positions in the separate retirement system referred to in clause (i) would have been covered by a single retirement system if the State had not taken action to provide for separate retirement systems under this paragraph.

(D)(i) The position of any individual which is covered by any retirement system to which subparagraph (C) is applicable shall, if such individual is ineligible to become a member of such system on August 1, 1956, or, if later, the day he first occupies such position, be deemed to be covered by the separate retirement system consisting of the positions of members of the division or part who do not desire coverage under the insurance system established under this subchapter.

(ii) Notwithstanding clause (i), the State may, pursuant to subsection (c)(4)(B) and subject to the conditions of continuation or termination of coverage provided for in subsection (c)(7), modify its agreement under this section to include services performed by all individuals described in clause (i) other than those individuals to whose services the agreement already applies. Such individuals shall be deemed (on and after the effective date of the modification) to be in positions covered by the separate retirement system consisting of the positions of members of the division or part who desire coverage under the insurance system established under this subchapter.

(E) An individual who is in a position covered by a retirement system to which subparagraph (C) is applicable and who is not a member of such system but is eligible to become a member thereof shall, for purposes of this subsection (other than paragraph (8) of this subsection), be regarded as a member of such system; except that, in the case of any retirement system a division or part of which is covered under the agreement (either in the original agreement or by a modification thereof), which coverage is agreed to prior to 1960, the preceding provisions of this subparagraph shall apply only if the State so requests and any such individual referred to in such preceding provisions shall, if the State so requests, be treated, after division of the retirement system pursuant to such subparagraph (C), the same as individuals in positions referred to in subparagraph (F).

(F) In the case of any retirement system divided pursuant to subparagraph (C), the position of any member of the division or part composed of positions of members who do not desire coverage may be transferred to the separate retirement system composed of positions of members who desire such coverage if it is so provided in a modification of such agreement which is mailed, or delivered by other means, to the Commissioner of Social Security prior to 1970 or, if later, the expiration of two years after the date on which such agreement, or the modification thereof making the agreement applicable to such separate retirement system, as the case may be, is agreed to, but only if, prior to such modification or such later modification, as the case may be, the individual occupying such position files with the State a written request for such transfer. Notwithstanding subsection (e)(1), any such modification or later modification, providing for the transfer of additional positions within a retirement system previously divided pursuant to subparagraph (C) to the separate retirement system composed of positions of members who desire coverage, shall be effective with respect to services performed after the same effective date as that which was specified in the case of such previous division.

(G) For the purposes of this subsection, in the case of any retirement system of the State of Florida, Georgia, Minnesota, North Dakota, Pennsylvania, Washington, or Hawaii which covers positions of employees of such State who are compensated in whole or in part from grants made to such State under subchapter III, there shall be deemed to be, if such State so desires, a separate retirement system with respect to any of the following:

(i) the positions of such employees;

(ii) the positions of all employees of such State covered by such retirement system who are employed in the department of such State in which the employees referred to in clause (i) are employed; or

(iii) employees of such State covered by such retirement system who are employed in such department of such State in positions others than those referred to in clause (i).

(7) The certification by the governor (or an official of the State designated by him for the purpose) required under paragraph (3) of this subsection shall be deemed to have been made, in the case of a division or part (created under subparagraph (C) of paragraph (6) of this subsection or the corresponding provision of prior law) consisting of the positions of members of a retirement system who desire coverage under the agreement under this section, if the governor (or the official so designated) certifies to the Commissioner of Social Security that—

(A) an opportunity to vote by written ballot on the question of whether they wish to be covered under an agreement under this section was given to all individuals who were members of such system at the time the vote was held;

(B) not less than ninety days' notice of such vote was given to all individuals who were members of such system on the date the notice was issued;

(C) the vote was conducted under the supervision of the governor or an agency or individual designated by him; and

(D) such system was divided into two parts or divisions in accordance with the provisions of subparagraphs (C) and (D) of paragraph (6) of this subsection or the corresponding provision of prior law.

For purposes of this paragraph, an individual in a position to which the State agreement already applied or in a position excluded by or pursuant to paragraph (5) of this subsection shall not be considered a member of the retirement system.

(8)(A) Notwithstanding paragraph (1) of this subsection, if under the provisions of this subsection an agreement is, after December 31, 1958, made applicable to service performed in positions covered by a retirement system, service performed by an individual in a position covered by such a system may not be excluded from the agreement because such position is also covered under another retirement system.

(B) Subparagraph (A) shall not apply to service performed by an individual in a position covered under a retirement system if such individual, on the day the agreement is made applicable to service performed in positions covered by such retirement system, is not a member of such system and is a member of another system.

(C) If an agreement is made applicable, prior to 1959, to service in positions covered by any retirement system, the preceding provisions of this paragraph shall be applicable in the case of such system if the agreement is modified to so provide.

(D) Except in the case of State agreements modified as provided in subsection (*l*) and agreements with interstate instrumentalities, nothing in this paragraph shall authorize the application of an agreement to service in any policeman's or fireman's position.

(e) Effective date of agreement; retroactive coverage

(1) Any agreement or modification of an agreement under this section shall be effective with respect to services performed after an effective date specified in such agreement or modification; except that such date may not be earlier than the last day of the sixth calendar year preceding the year in which such agreement or modification, as the case may be, is mailed or delivered by other means to the Commissioner of Social Security.

(2) In the case of service performed by members of any coverage group—

(A) to which an agreement under this section is made applicable, and

(B) with respect to which the agreement, or modification thereof making the agreement so applicable, specifies an effective date earlier than the date of execution of such agreement and such modification, respectively,

the agreement shall, if so requested by the State, be applicable to such services (to the extent the agreement was not already applicable) performed before such date of execution and after such effective date by any individual as a member of such coverage group if he is such a member on a date, specified by the State, which is earlier than such date of execution, except that in no case may the date so specified be earlier than the date such agreement or such modification, as the case may be, is mailed, or delivered by other means, to the Commissioner of Social Security.

(3) Notwithstanding the provisions of paragraph (2) of this subsection, in the case of services performed by individuals as members of any coverage group to which an agreement under this section is made applicable, and with respect to which there were timely paid in good faith to the Secretary of the Treasury amounts equivalent to the sum of the taxes which would have been imposed by sections 3101 and 3111 of the Internal Revenue Code of 1986 had such services constituted employment for purposes of chapter 21 of such Code at the time they were performed, and with respect to which refunds were not obtained, such individuals may, if so requested by the State, be deemed to be members of such coverage group on the date designated pursuant to paragraph (2).

(f) Duration of agreement

No agreement under this section may be terminated, either in its entirety or with respect to any coverage group, on or after April 20, 1983.

(g) Instrumentalities of two or more States

(1) The Commissioner of Social Security may, at the request of any instrumentality of two or more States, enter into an agreement with such instrumentality for the purpose of extending the insurance system established by this subchapter to services performed by individuals as employees of such instrumentality. Such agreement, to the extent practicable, shall be governed by the provisions of this section applicable in the case of an agreement with a State.

(2) In the case of any instrumentality of two or more States, if—

(A) employees of such instrumentality are in positions covered by a retirement system of

such instrumentality or of any of such States or any of the political subdivisions thereof, and

(B) such retirement system is (on, before, or after August 30, 1957) divided into two divisions or parts, one of which is composed of positions of members of such system who are employees of such instrumentality and who desire coverage under an agreement under this section and the other of which is composed of positions of members of such system who are employees of such instrumentality and who do not desire such coverage, and

(C) it is provided that there shall be included in such division or part composed of the positions of members desiring such coverage the positions of employees of such instrumentality who become members of such system after such coverage is extended,

then such retirement system shall, if such instrumentality so desires, be deemed to be a separate retirement system with respect to each such division or part. An individual who is in a position covered by a retirement system divided pursuant to the preceding sentence and who is not a member of such system but is eligible to become a member thereof shall, for purposes of this subsection, be regarded as a member of such system. Coverage under the agreement of any such individual shall be provided under the same conditions, to the extent practicable, as are applicable in the case of the States to which the provisions of subsection (d)(6)(C) apply. The position of any employee of any such instrumentality which is covered by any retirement system to which the first sentence of this paragraph is applicable shall, if such individual is ineligible to become a member of such system on August 30, 1957, or, if later, the day he first occupies such position, be deemed to be covered by the separate retirement system consisting of the positions of members of the division or part who do not desire coverage under the insurance system established under this subchapter. Services in positions covered by a separate retirement system created pursuant to this subsection (and consisting of the positions of members who desire coverage under an agreement under this section) shall be covered under such agreement on compliance, to the extent practicable, with the same conditions as are applicable to coverage under an agreement under this section of services in positions covered by a separate retirement system created pursuant to subparagraph (C) of subsection (d)(6) or the corresponding provision of prior law (and consisting of the positions of members who desire coverage under such agreement).

(3) Any agreement with any instrumentality of two or more States entered into pursuant to this chapter may, notwithstanding the provisions of subsection (d)(5)(A) and the references thereto in subsections (d)(1) and (d)(3), apply to service performed by employees of such instrumentality in any policeman's or fireman's position covered by a retirement system, but only upon compliance, to the extent practicable, with the requirements of subsection (d)(3). For the purpose of the preceding sentence, a retirement system which covers positions of policemen or firemen or both, and other positions shall, if the instrumentality concerned so desires, be deemed to be a separate retirement system with respect to the positions of such policemen or firemen, or both, as the case may be.

(h) Delegation of functions

The Commissioner of Social Security is authorized, pursuant to agreement with the head of any Federal agency, to delegate any of the Commissioner's functions under this section to any officer or employee of such agency and otherwise to utilize the services and facilities of such agency in carrying out such functions, and payment therefor shall be in advance or by way of reimbursement, as may be provided in such agreement.

(i) Wisconsin Retirement Fund

(1) Notwithstanding paragraph (1) of subsection (d), the agreement with the State of Wisconsin may, subject to the provisions of this subsection, be modified so as to apply to service performed by employees in positions covered by the Wisconsin retirement fund or any successor system.

(2) All employees in positions covered by the Wisconsin retirement fund at any time on or after January 1, 1951, shall, for the purposes of subsection (c) only, be deemed to be a separate coverage group; except that there shall be excluded from such separate coverage group all employees in positions to which the agreement applies without regard to this subsection.

(3) The modification pursuant to this subsection shall exclude (in the case of employees in the coverage group established by paragraph (2) of this subsection) service performed by any individual during any period before he is included under the Wisconsin retirement fund.

(4) The modification pursuant to this subsection shall, if the State of Wisconsin requests it, exclude (in the case of employees in the coverage group established by paragraph (2) of this subsection) all service performed in policemen's positions, all service performed in firemen's positions, or both.

(j) Certain positions no longer covered by retirement systems

Notwithstanding subsection (d), an agreement with any State entered into under this section prior to September 1, 1954 may, prior to January 1, 1958, be modified pursuant to subsection (c)(4) so as to apply to services performed by employees, as members of any coverage group to which such agreement already applies (and to which such agreement applied on September 1, 1954), in positions (1) to which such agreement does not already apply, (2) which were covered by a retirement system on the date such agreement was made applicable to such coverage group, and (3) which, by reason of action by such State or political subdivision thereof, as may be appropriate, taken prior to September 1, 1954, are no longer covered by a retirement system on the date such agreement is made applicable to such services.

(k) Certain employees of State of Utah

Notwithstanding the provisions of subsection (d), the agreement with the State of Utah entered into pursuant to this section may be modi-

fied pursuant to subsection (c)(4) so as to apply to services performed for any of the following, the employees performing services for each of which shall constitute a separate coverage group: Weber Junior College, Carbon Junior College, Dixie Junior College, Central Utah Vocational School, Salt Lake Area Vocational School, Center for the Adult Blind, Union High School (Roosevelt, Utah), Utah High School Activities Association, State Industrial School, State Training School, State Board of Education, and Utah School Employees Retirement Board. Any modification agreed to prior to January 1, 1955, may be made effective with respect to services performed by employees as members of any of such coverage groups after an effective date specified therein, except that in no case may any such date be earlier than December 31, 1950. Coverage provided for in this subsection shall not be affected by a subsequent change in the name of a group.

(*l*) Policemen and firemen in certain States

Any agreement with a State entered into pursuant to this section may, notwithstanding the provisions of subsection (d)(5)(A) and the references thereto in subsections (d)(1) and (d)(3), be modified pursuant to subsection (c)(4) to apply to service performed by employees of such State or any political subdivision thereof in any policeman's or fireman's position covered by a retirement system in effect on or after August 1, 1956, but only upon compliance with the requirements of subsection (d)(3). For the purposes of the preceding sentence, a retirement system which covers positions of policemen or firemen, or both, and other positions shall, if the State concerned so desires, be deemed to be a separate retirement system with respect to the positions of such policemen or firemen, or both, as the case may be.

(m) Positions compensated solely on a fee basis

(1) Notwithstanding any other provision in this section, an agreement entered into under this section may be made applicable to service performed after 1967 in any class or classes of positions compensated solely on a fee basis to which such agreement did not apply prior to 1968 only if the State specifically requests that its agreement be made applicable to such service in such class or classes of positions.

(2) Notwithstanding any other provision in this section, an agreement entered into under this section may be modified, at the option of the State, at any time after 1967, so as to exclude services performed in any class or classes of positions compensation for which is solely on a fee basis.

(3) Any modification made under this subsection shall be effective with respect to services performed after the last day of the calendar year in which the modification is mailed or delivered by other means to the Commissioner of Social Security.

(4) If any class or classes of positions have been excluded from coverage under the State agreement by a modification agreed to under this subsection, the Commissioner of Social Security and the State may not thereafter modify such agreement so as to again make the agreement applicable with respect to such class or classes of positions.

(n) Optional medicare coverage of current employees

(1) The Commissioner of Social Security shall, at the request of any State, enter into or modify an agreement with such State under this section for the purpose of extending the provisions of subchapter XVIII, and sections 426 and 426–1 of this title, to services performed by employees of such State or any political subdivision thereof who are described in paragraph (2).

(2) This subsection shall apply only with respect to employees—

(A) whose services are not treated as employment as that term applies under section 410(p) of this title by reason of paragraph (3) of such section; and

(B) who are not otherwise covered under the State's agreement under this section.

(3) For purposes of sections 426 and 426–1 of this title, services covered under an agreement pursuant to this subsection shall be treated as ''medicare qualified government employment''.

(4) Except as otherwise provided in this subsection, the provisions of this section shall apply with respect to services covered under the agreement pursuant to this subsection.

If the Commissioner of Social Security once makes the finding described in clause (A) of the preceding sentence, or the State gives the notice referred to in clause (B) of such sentence, the Commissioner of Social Security may thereafter determine whether (and, if so, beginning with which month and under what conditions) the State may again make disability determinations under this paragraph.

In addition, the Commissioner of Social Security shall promulgate regulations specifying, in such detail as the Commissioner deems appropriate, performance standards and administrative requirements and procedures to be followed in performing the disability determination function in order to assure effective and uniform administration of the disability insurance program throughout the United States. (D) fiscal control procedures that the State agency may be required to adopt, and

(E) the submission of reports and other data, in such form and at such time as the Commissioner of Social Security may require, concerning the State agency's activities relating to the disability determination.

Nothing in this section shall be construed to authorize the Commissioner of Social Security to take any action except pursuant to law or to regulations promulgated pursuant to law.

Thereafter, the Commissioner of Social Security shall make the disability determinations referred to in subsection (a)(1).

(3)(A) The Commissioner of Social Security shall develop and initiate all appropriate procedures to implement a plan with respect to any partial or complete assumption by the Commissioner of Social Security of the disability determination function from a State agency, as provided in this section, under which employees of the affected State agency who are capable of performing duties in the disability determination process for the Commissioner of Social Security shall, notwithstanding any other provision of law, have a preference over any other individual in filling an appropriate employment position with the Commissioner of Social Security (subject to any system established by the Commissioner of Social Security for determining hiring priority among such employees of the State agency) unless any such employee is the administrator, the deputy administrator, or assistant administrator (or his equivalent) of the State agency, in which case the Commissioner of Social Security may accord such priority to such employee.

(B) The Commissioner of Social Security shall not make such assumption of the disability determination function until such time as the Secretary of Labor determines that, with respect to employees of such State agency who will be displaced from their employment on account of such assumption by the Commissioner of Social Security and who will not be hired by the Commissioner of Social Security to perform duties in the disability determination process, the State has made fair and equitable arrangements to protect the interests of employees so displaced. Such protective arrangements shall include only those provisions which are provided under all applicable Federal, State and local statutes including, but not limited to, (i) the preservation of rights, privileges, and benefits (including continuation of pension rights and benefits) under existing collective-bargaining agreements; (ii) the continuation of collective-bargaining rights; (iii) the assignment of affected employees to other jobs or to retraining programs; (iv) the protection of individual employees against a worsening of their positions with respect to their employment; (v) the protection of health benefits and other fringe benefits; and (vi) the provision of severance pay, as may be necessary.

(c) Review of determination by Commissioner

(1) The Commissioner of Social Security may on the Commissioner's own motion or as required under paragraphs (2) and (3) review a determination, made by a State agency under this section, that an individual is or is not under a disability (as defined in section 416(i) or 423(d) of this title) and, as a result of such review, may modify such agency's determination and determine that such individual either is or is not under a disability (as so defined) or that such individual's disability began on a day earlier or later than that determined by such agency, or that such disability ceased on a day earlier or later than that determined by such agency. A review by the Commissioner of Social Security on the Commissioner's own motion of a State agency determination under this paragraph may be made before or after any action is taken to implement such determination.

(2) The Commissioner of Social Security (in accordance with paragraph (3)) shall review determinations, made by State agencies pursuant to this section, that individuals are under disabilities (as defined in section 416(i) or 423(d) of this title). Any review by the Commissioner of Social Security of a State agency determination under this paragraph shall be made before any action is taken to implement such determination.

(3)(A) In carrying out the provisions of paragraph (2) with respect to the review of determinations made by State agencies pursuant to this section that individuals are under disabilities (as defined in section 416(i) or 423(d) of this title), the Commissioner of Social Security shall review—

(i) at least 50 percent of all such determinations made by State agencies on applications for benefits under this subchapter, and

(ii) other determinations made by State agencies pursuant to this section to the extent necessary to assure a high level of accuracy in such other determinations.

(B) In conducting reviews pursuant to subparagraph (A), the Commissioner of Social Security shall, to the extent feasible, select for review those determinations which the Commissioner of Social Security identifies as being the most likely to be incorrect.

(C) Not later than April 1, 1992, and annually thereafter, the Commissioner of Social Security shall submit to the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate a written report setting forth the number of reviews conducted under subparagraph (A)(ii) during the preceding fiscal year and the findings of the Commissioner of Social Security based on such reviews of the accuracy of the determinations made by State agencies pursuant to this section.

(d) Hearings and judicial review

Any individual dissatisfied with any determination under subsection (a), (b), (c), or (g) shall be entitled to a hearing thereon by the Commissioner of Social Security to the same extent as is provided in section 405(b) of this title with respect to decisions of the Commissioner of Social Security, and to judicial review of the Commissioner's final decision after such hearing as is provided in section 405(g) of this title.

(e) State's right to cost from Trust Funds

Each State which is making disability determinations under subsection (a)(1) shall be entitled to receive from the Trust Funds, in advance or by way of reimbursement, as determined by the Commissioner of Social Security, the cost to the State of making disability determinations under subsection (a)(1). The Commissioner of Social Security shall from time to time certify

such amount as is necessary for this purpose to the Managing Trustee, reduced or increased, as the case may be, by any sum (for which adjustment hereunder has not previously been made) by which the amount certified for any prior period was greater or less than the amount which should have been paid to the State under this subsection for such period; and the Managing Trustee, prior to audit or settlement by the Government Accountability Office, shall make payment from the Trust Funds at the time or times fixed by the Commissioner of Social Security, in accordance with such certification. Appropriate adjustments between the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund with respect to the payments made under this subsection shall be made in accordance with paragraph (1) of subsection (g) of section 401 of this title (but taking into account any refunds under subsection (f) of this section) to insure that the Federal Disability Insurance Trust Fund is charged with all expenses incurred which are attributable to the administration of section 423 of this title and the Federal Old-Age and Survivors Insurance Trust Fund is charged with all other expenses.

(f) Use of funds

All money paid to a State under this section shall be used solely for the purposes for which it is paid; and any money so paid which is not used for such purposes shall be returned to the Treasury of the United States for deposit in the Trust Funds.

(g) Regulations governing determinations in certain cases

In the case of individuals in a State which does not undertake to perform disability determinations under subsection (a)(1), or which has been found by the Commissioner of Social Security to have substantially failed to make disability determinations in a manner consistent with the Commissioner's regulations and guidelines, in the case of individuals outside the United States, and in the case of any class or classes of individuals for whom no State undertakes to make disability determinations, the determinations referred to in subsection (a) shall be made by the Commissioner of Social Security in accordance with regulations prescribed by the Commissioner.

(h) Evaluation of impairments by qualified medical professionals

An initial determination under subsection (a), (c), (g), or (i) shall not be made until the Commissioner of Social Security has made every reasonable effort to ensure—

(2) in any case where there is evidence which indicates the existence of a physical impairment, that a qualified physician has completed the medical portion of the case review and any applicable residual functional capacity assessment.

(1) In any case where an individual is or has been determined to be under a disability, the case shall be reviewed by the applicable State agency or the Commissioner of Social Security (as may be appropriate), for purposes of continuing eligibility, at least once every 3 years, subject to paragraph (2); except that where a finding has been made that such disability is permanent, such reviews shall be made at such times as the Commissioner of Social Security determines to be appropriate. Reviews of cases under the preceding sentence shall be in addition to, and shall not be considered as a substitute for, any other reviews which are required or provided for under or in the administration of this subchapter.

(2) The requirement of paragraph (1) that cases be reviewed at least every 3 years shall not apply to the extent that the Commissioner of Social Security determines, on a State-by-State basis, that such requirement should be waived to insure that only the appropriate number of such cases are reviewed. The Commissioner of Social Security shall determine the appropriate number of cases to be reviewed in each State after consultation with the State agency performing such reviews, based upon the backlog of pending reviews, the projected number of new applications for disability insurance benefits, and the current and projected staffing levels of the State agency, but the Commissioner of Social Security shall provide for a waiver of such requirement only in the case of a State which makes a good faith effort to meet proper staffing requirements for the State agency and to process case reviews in a timely fashion. The Commissioner of Social Security shall report annually to the Committee on Finance of the Senate and the Committee on Ways and Means of the House of Representatives with respect to the determinations made by the Commissioner of Social Security under the preceding sentence.

(3) The Commissioner of Social Security shall report annually to the Committee on Finance of the Senate and the Committee on Ways and Means of the House of Representatives with respect to the number of reviews of continuing disability carried out under paragraph (1), the number of such reviews which result in an initial termination of benefits, the number of requests for reconsideration of such initial termination or for a hearing with respect to such termination under subsection (d), or both, and the number of such initial terminations which are overturned as the result of a reconsideration or hearing.

(4) In any case in which the Commissioner of Social Security initiates a review under this subsection of the case of an individual who has been determined to be under a disability, the Commissioner of Social Security shall notify such individual of the nature of the review to be carried out, the possibility that such review could result in the termination of benefits, and the right of the individual to provide medical evidence with respect to such review.

(5) For suspension of reviews under this subsection in the case of an individual using a tick-

et to work and self-sufficiency, see section 1320b–19(i) of this title.

(j) Rules and regulations; consultative examinations

The Commissioner of Social Security shall prescribe regulations which set forth, in detail—

(2) standards for the type of referral to be made; and

(3) procedures by which the Commissioner of Social Security will monitor both the referral processes used and the product of professionals to whom cases are referred.

Nothing in this subsection shall be construed to preclude the issuance, in accordance with section 553(b)(A) of title 5, of interpretive rules, general statements of policy, and rules of agency organization relating to consultative examinations if such rules and statements are consistent with such regulations.

(k) Establishment of uniform standards for determination of disability

(1) The Commissioner of Social Security shall establish by regulation uniform standards which shall be applied at all levels of determination, review, and adjudication in determining whether individuals are under disabilities as defined in section 416(i) or 423(d) of this title.

(2) Regulations promulgated under paragraph (1) shall be subject to the rulemaking procedures established under section 553 of title 5.

(*l*) Special notice to blind individuals with respect to hearings and other official actions

(1) In any case where an individual who is applying for or receiving benefits under this subchapter on the basis of disability by reason of blindness is entitled to receive notice from the Commissioner of Social Security of any decision or determination made or other action taken or proposed to be taken with respect to his or her rights under this subchapter, such individual shall at his or her election be entitled either (A) to receive a supplementary notice of such decision, determination, or action, by telephone, within 5 working days after the initial notice is mailed, (B) to receive the initial notice in the form of a certified letter, or (C) to receive notification by some alternative procedure established by the Commissioner of Social Security and agreed to by the individual.

(2) The election under paragraph (1) may be made at any time, but an opportunity to make such an election shall in any event be given, to every individual who is an applicant for benefits under this subchapter on the basis of disability by reason of blindness, at the time of his or her application. Such an election, once made by an individual, shall apply with respect to all notices of decisions, determinations, and actions which such individual may thereafter be entitled to receive under this subchapter until such time as it is revoked or changed.

(m) Work activity as basis for review

(1) In any case where an individual entitled to disability insurance benefits under section 423 of this title or to monthly insurance benefits under section 402 of this title based on such individual's disability (as defined in section 423(d) of this title) has received such benefits for at least 24 months—

(A) no continuing disability review conducted by the Commissioner may be scheduled for the individual solely as a result of the individual's work activity;

(B) no work activity engaged in by the individual may be used as evidence that the individual is no longer disabled; and

(C) no cessation of work activity by the individual may give rise to a presumption that the individual is unable to engage in work.

(2) An individual to which paragraph (1) applies shall continue to be subject to—

(A) continuing disability reviews on a regularly scheduled basis that is not triggered by work; and

(B) termination of benefits under this subchapter in the event that the individual has earnings that exceed the level of earnings established by the Commissioner to represent substantial gainful activity.

§ 422. Rehabilitation services

(a), (b) Repealed. Pub. L. 106–170, title I, § 101(b)(1)(B), (C), Dec. 17, 1999, 113 Stat. 1873

(c) "Period of trial work" defined

(1) The term ''period of trial work'', with respect to an individual entitled to benefits under section 423, 402(d), 402(e), or 402(f) of this title, means a period of months beginning and ending as provided in paragraphs (3) and (4).

(2) For purposes of sections 416(i) and 423 of this title, any services rendered by an individual during a period of trial work shall be deemed not to have been rendered by such individual in determining whether his disability has ceased in a month during such period. For purposes of this subsection the term ''services'' means activity (whether legal or illegal) which is performed for remuneration or gain or is determined by the Commissioner of Social Security to be of a type normally performed for remuneration or gain.

(3) A period of trial work for any individual shall begin with the month in which he becomes entitled to disability insurance benefits, or, in the case of an individual entitled to benefits under section 402(d) of this title who has attained the age of eighteen, with the month in which he becomes entitled to such benefits or the month in which he attains the age of eighteen, whichever is later, or, in the case of an individual entitled to widow's or widower's insurance benefits under section 402(e) or (f) of this title who became entitled to such benefits prior to attaining age 60, with the month in which such individual becomes so entitled. Notwithstanding the preceding sentence, no period of trial work may begin for any individual prior to the beginning of the month following September 1960; and no such period may begin for an individual in a period of disability of such individual in which he had a previous period of trial work.

(4) A period of trial work for any individual shall end with the close of whichever of the following months is the earlier:

(A) the ninth month, in any period of 60 consecutive months, in which the individual renders services (whether or not such nine months are consecutive); or

(B) the month in which his disability (as defined in section 423(d) of this title) ceases (as determined after application of paragraph (2) of this subsection).

(5) Upon conviction by a Federal court, or the imposition of a civil monetary penalty under section 1320a–8 of this title, that an individual has fraudulently concealed work activity during a period of trial work from the Commissioner of Social Security by—

(A) providing false information to the Commissioner of Social Security as to whether the individual had earnings in or for a particular period, or as to the amount thereof;

(B) receiving disability insurance benefits under this subchapter while engaging in work activity under another identity, including under another social security account number or a number purporting to be a social security account number; or

(C) taking other actions to conceal work activity with an intent fraudulently to secure payment in a greater amount than is due or when no payment is authorized,

no benefit shall be payable to such individual under this subchapter with respect to a period of disability for any month before such conviction during which the individual rendered services during the period of trial work with respect to which the fraudulently concealed work activity occurred, and amounts otherwise due under this subchapter as restitution, penalties, assessments, fines, or other repayments shall in all cases be in addition to any amounts for which

such individual is liable as overpayments by reason of such concealment.

(d) Cost of rehabilitation services from trust funds

(1) For purposes of making vocational rehabilitation services more readily available to disabled individuals who are—

(A) entitled to disability insurance benefits under section 423 of this title,

(B) entitled to child's insurance benefits under section 402(d) of this title after having attained age 18 (and are under a disability),

(C) entitled to widow's insurance benefits under section 402(e) of this title prior to attaining age 60, or

(D) entitled to widower's insurance benefits under section 402(f) of this title prior to attaining age 60,

to the end that savings will accrue to the Trust Funds as a result of rehabilitating such individuals, there are authorized to be transferred from the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund each fiscal year such sums as may be necessary to enable the Commissioner of Social Security to reimburse the State for the reasonable and necessary costs of vocational rehabilitation services furnished such individuals (including services during their waiting periods), under a State plan for vocational rehabilitation services approved under title I of the Rehabilitation Act of 1973 [29 U.S.C. 720 et seq.], (i) in cases where the furnishing of such services results in the performance by such individuals of substantial gainful activity for a continuous period of nine months, (ii) in cases where such individuals receive benefits as a result of section 425(b) of this title (except that no reimbursement under this paragraph shall be made for services furnished to any individual receiving such benefits for any period after the close of such individual's ninth consecutive month of substantial gainful activity or the close of the month in which his or her entitlement to such benefits ceases, whichever first occurs), and (iii) in cases where such individuals, without good cause, refuse to continue to accept vocational rehabilitation services or fail to cooperate in such a manner as to preclude their successful rehabilitation. The determination that the vocational rehabilitation services contributed to the successful return of an individual to substantial gainful activity, the determination that an individual, without good cause, refused to continue to accept vocational rehabilitation services or failed to cooperate in such a manner as to preclude successful rehabilitation, and the determination of the amount of costs to be reimbursed under this subsection shall be made by the Commissioner of Social Security in accordance with criteria formulated by the Commissioner.

(2) In the case of any State which is unwilling to participate or does not have a plan which meets the requirements of paragraph (1), the Commissioner of Social Security may provide such services in such State by agreement or contract with other public or private agencies, organizations, institutions, or individuals. The provision of such services shall be subject to the same conditions as otherwise apply under paragraph (1).

(3) Payments under this subsection shall be made in advance or by way of reimbursement, with necessary adjustments for overpayments and underpayments.

(4) Money paid from the Trust Funds under this subsection for the reimbursement of the costs of providing services to individuals who are entitled to benefits under section 423 of this title (including services during their waiting periods), or who are entitled to benefits under section 402(d) of this title on the basis of the wages and self-employment income of such individuals, shall be charged to the Federal Disability Insurance Trust Fund, and all other money paid from the Trust Funds under this subsection shall be charged to the Federal Old-Age and Survivors Insurance Trust Fund. The Commissioner of Social Security shall determine according to such methods and procedures as the Commissioner may deem appropriate—

(A) the total amount to be reimbursed for the cost of services under this subsection, and

(B) subject to the provisions of the preceding sentence, the amount which should be charged to each of the Trust Funds.

(5) For purposes of this subsection the term ''vocational rehabilitation services'' shall have the meaning assigned to it in title I of the Rehabilitation Act of 1973 [29 U.S.C. 720 et seq.], except that such services may be limited in type, scope, or amount in accordance with regulations of the Commissioner of Social Security designed to achieve the purpose of this subsection.

(e) Treatment referrals for individuals with alcoholism or drug addiction condition

In the case of any individual whose benefits under this subchapter are paid to a representative payee pursuant to section 405(j)(1)(B) of this title, the Commissioner of Social Security shall refer such individual to the appropriate State agency administering the State plan for substance abuse treatment services approved under subpart II of part B of title XIX of the Public Health Service Act (42 U.S.C. 300x–21 et seq.).

§ 423. Disability insurance benefit payments

(a) Disability insurance benefits

(1) Every individual who—

(A) is insured for disability insurance benefits (as determined under subsection (c)(1)),

(B) has not attained retirement age (as defined in section 416(*l*) of this title),

(C) if not a United States citizen or national—

(i) has been assigned a social security account number that was, at the time of assignment, or at any later time, consistent with the requirements of subclause (I) or (III) of section 405(c)(2)(B)(i) of this title; or

(ii) at the time any quarters of coverage are earned—

(I) is described in subparagraph (B) or (D) of section 1101(a)(15) of title 8,

(II) is lawfully admitted temporarily to the United States for business (in the case of an individual described in such subparagraph (B)) or the performance as a crewman (in the case of an individual described in such subparagraph (D)), and

(III) the business engaged in or service as a crewman performed is within the scope of the terms of such individual's admission to the United States.[1]

(D) has filed application for disability insurance benefits, and

(E) is under a disability (as defined in subsection (d))

shall be entitled to a disability insurance benefit (i) for each month beginning with the first month after his waiting period (as defined in subsection (c)(2)) in which he becomes so entitled to such insurance benefits, (ii) in the case of an individual who has been medically determined to have amyotrophic lateral sclerosis, for each month beginning with the first month during all of which the individual is under a disability and in which the individual becomes entitled to such insurance benefits, or (iii) for each month beginning with the first month during all of which he is under a disability and in which he becomes so entitled to such insurance benefits, but only if he was entitled to disability insurance benefits which terminated, or had a period of disability (as defined in section 416(i) of this title) which ceased, within the 60-month period preceding the first month in which he is under such disability, and ending with the month preceding whichever of the following months is the earliest: the month in which he dies, the month in which he attains retirement age (as defined in section 416(*l*) of this title), or, subject to subsection (e), the termination month. For purposes of the preceding sentence, the termination month for any individual shall be the third month following the month in which his disability ceases; except that, in the case of an individual who has a period of trial work which ends as determined by application of section 422(c)(4)(A) of this title, the termination month shall be the earlier of (I) the third month following the earliest month after the end of such period of trial work with respect to which such individual is determined to no longer be suffering from a disabling physical or mental impairment, or (II) the third month following the earliest month in which such individual engages or is determined able to engage in substantial gainful activity, but in no event earlier than the first month occurring after the 36 months following such period of trial work in which he engages or is determined able to engage in substantial gainful activity. No payment under this paragraph may be made to an individual who would not meet the definition of disability in subsection (d) except for paragraph (1)(B) thereof for any month in which he engages in substantial gainful activity, and no payment may be made for such month under subsection (b), (c), or (d) of section 402 of this title to any person on the basis of the wages and self-employment income of such individual. In the case of a deceased individual, the requirement of subparagraph (C) may be satisfied by an application for benefits filed with respect to such individual within 3 months after the month in which he died.

(2) Except as provided in section 402(q) of this title and section 415(b)(2)(A)(ii) of this title, such individual's disability insurance benefit for any month shall be equal to his primary insurance amount for such month determined under section 415 of this title as though he had attained age 62 in—

(A) the first month of his waiting period, or

(B) in any case in which clause (ii) of paragraph (1) of this subsection is applicable, the first month for which he becomes entitled to such disability insurance benefits,

and as though he had become entitled to old-age insurance benefits in the month in which the application for disability insurance benefits was filed and he was entitled to an old-age insurance benefit for each month for which (pursuant to subsection (b)) he was entitled to a disability insurance benefit. For the purposes of the pre-

ceding sentence, in the case of an individual who attained age 62 in or before the first month referred to in subparagraph (A) or (B) of such sentence, as the case may be, the elapsed years referred to in section 415(b)(3) of this title shall not include the year in which he attained age 62, or any year thereafter.

(b) Filing application

An application for disability insurance benefits filed before the first month in which the applicant satisfies the requirements for such benefits (as prescribed in subsection (a)(1)) shall be deemed a valid application (and shall be deemed to have been filed in such first month) only if the applicant satisfies the requirements for such benefits before the Commissioner of Social Security makes a final decision on the application and no request under section 405(b) of this title for notice and opportunity for a hearing thereon is made, or if such a request is made, before a decision based upon the evidence adduced at the hearing is made (regardless of whether such decision becomes the final decision of the Commissioner of Social Security). An individual who would have been entitled to a disability insurance benefit for any month had he filed application therefor before the end of such month shall be entitled to such benefit for such month if such application is filed before the end of the 12th month immediately succeeding such month.

(c) Definitions; insured status; waiting period

For purposes of this section—

(1) An individual shall be insured for disability insurance benefits in any month if—

(A) he would have been a fully insured individual (as defined in section 414 of this title) had he attained age 62 and filed application for benefits under section 402(a) of this title on the first day of such month, and

(B)(i) he had not less than 20 quarters of coverage during the 40-quarter period which ends with the quarter in which such month occurred, or

(ii) if such month ends before the quarter in which he attains (or would attain) age 31, not less than one-half (and not less than 6) of the quarters during the period ending with the quarter in which such month occurred and beginning after he attained the age of 21 were quarters of coverage, or (if the number of quarters in such period is less than 12) not less than 6 of the quarters in the 12-quarter period ending with such quarter were quarters of coverage, or

(iii) in the case of an individual (not otherwise insured under clause (i)) who, by reason of section 416(i)(3)(B)(ii) of this title, had a prior period of disability that began during a period before the quarter in which he or she attained age 31, not less than one-half of the quarters beginning after such individual attained age 21 and ending with the quarter in which such month occurs are quarters of coverage, or (if the number of quarters in such period is less than 12) not less than 6 of the quarters in the 12-quarter period ending with such quarter are quarters of coverage;

except that the provisions of subparagraph (B) of this paragraph shall not apply in the case of an individual who is blind (within the meaning of ''blindness'' as defined in section 416(i)(1) of this title). For purposes of subparagraph (B) of this paragraph, when the number of quarters in any period is an odd number, such number shall be reduced by one, and a quarter shall not be counted as part of any period if any part of such quarter was included in a period of disability unless such quarter was a quarter of coverage.

(2) The term ''waiting period'' means, in the case of any application for disability insurance benefits, the earliest period of five consecutive calendar months—

(A) throughout which the individual with respect to whom such application is filed has been under a disability, and

(B)(i) which begins not earlier than with the first day of the seventeenth month before the month in which such application is filed if such individual is insured for disability insurance benefits in such seventeenth month, or (ii) if he is not so insured in such month, which begins not earlier than with the first day of the first month after such seventeenth month in which he is so insured.

Notwithstanding the preceding provisions of this paragraph, no waiting period may begin for any individual before January 1, 1957.

(d) "Disability" defined

(1) The term ''disability'' means—

(A) inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months; or

(B) in the case of an individual who has attained the age of 55 and is blind (within the meaning of ''blindness'' as defined in section 416(i)(1) of this title), inability by reason of such blindness to engage in substantial gainful activity requiring skills or abilities comparable to those of any gainful activity in which he has previously engaged with some regularity and over a substantial period of time.

(2) For purposes of paragraph (1)(A)—

(A) An individual shall be determined to be under a disability only if his physical or mental impairment or impairments are of such severity that he is not only unable to do his previous work but cannot, considering his age, education, and work experience, engage in any other kind of substantial gainful work which exists in the national economy, regardless of whether such work exists in the immediate area in which he lives, or whether a specific job vacancy exists for him, or whether he would be hired if he applied for work. For purposes of the preceding sentence (with respect to any individual), ''work which exists in the national economy'' means work which exists in significant numbers either in the region where such individual lives or in several regions of the country.

(B) In determining whether an individual's physical or mental impairment or impair-

ments are of a sufficient medical severity that such impairment or impairments could be the basis of eligibility under this section, the Commissioner of Social Security shall consider the combined effect of all of the individual's impairments without regard to whether any such impairment, if considered separately, would be of such severity. If the Commissioner of Social Security does find a medically severe combination of impairments, the combined impact of the impairments shall be considered throughout the disability determination process.

(C) An individual shall not be considered to be disabled for purposes of this subchapter if alcoholism or drug addiction would (but for this subparagraph) be a contributing factor material to the Commissioner's determination that the individual is disabled.

(3) For purposes of this subsection, a ''physical or mental impairment'' is an impairment that results from anatomical, physiological, or psychological abnormalities which are demonstrable by medically acceptable clinical and laboratory diagnostic techniques.

(4)(A) The Commissioner of Social Security shall by regulations prescribe the criteria for determining when services performed or earnings derived from services demonstrate an individual's ability to engage in substantial gainful activity. No individual who is blind shall be regarded as having demonstrated an ability to engage in substantial gainful activity on the basis of earnings that do not exceed an amount equal to the exempt amount which would be applicable under section 403(f)(8) of this title, to individuals described in subparagraph (D) thereof, if section 102 of the Senior Citizens' Right to Work Act of 1996 had not been enacted. Notwithstanding the provisions of paragraph (2), an individual whose services or earnings meet such criteria shall, except for purposes of section 422(c) of this title, be found not to be disabled. In determining whether an individual is able to engage in substantial gainful activity by reason of his earnings, where his disability is sufficiently severe to result in a functional limitation requiring assistance in order for him to work, there shall be excluded from such earnings an amount equal to the cost (to such individual) of any attendant care services, medical devices, equipment, prostheses, and similar items and services (not including routine drugs or routine medical services unless such drugs or services are necessary for the control of the disabling condition) which are necessary (as determined by the Commissioner of Social Security in regulations) for that purpose, whether or not such assistance is also needed to enable him to carry out his normal daily functions; except that the amounts to be excluded shall be subject to such reasonable limits as the Commissioner of Social Security may prescribe.

(B) In determining under subparagraph (A) when services performed or earnings derived from services demonstrate an individual's ability to engage in substantial gainful activity, the Commissioner of Social Security shall apply the criteria described in subparagraph (A) with respect to services performed by any individual without regard to the legality of such services.

(C)(i) Subject to clause (ii), in determining when earnings derived from services demonstrate an individual's ability to engage in substantial gainful activity, such earnings shall be presumed to have been earned—

(I) in making a determination of initial entitlement on the basis of disability, in the month in which the services were performed from which such earnings were derived; and

(II) in any other case, in the month in which such earnings were paid.

(ii) A presumption made under clause (i) shall not apply to a determination described in such clause if—

(I) the Commissioner can reasonably establish, based on evidence readily available at the time of such determination, that the earnings were earned in a different month than when paid; or

(II) in any case in which there is a determination that no benefit is payable due to earnings, after the individual is notified of the presumption made and provided with an opportunity to submit additional information along with an explanation of what additional information is needed, the individual shows to the satisfaction of the Commissioner that such earnings were earned in another month.

(5)(A) An individual shall not be considered to be under a disability unless he furnishes such medical and other evidence of the existence thereof as the Commissioner of Social Security may require. An individual's statement as to pain or other symptoms shall not alone be conclusive evidence of disability as defined in this section; there must be medical signs and findings, established by medically acceptable clinical or laboratory diagnostic techniques, which show the existence of a medical impairment that results from anatomical, physiological, or psychological abnormalities which could reasonably be expected to produce the pain or other symptoms alleged and which, when considered with all evidence required to be furnished under this paragraph (including statements of the individual or his physician as to the intensity and persistence of such pain or other symptoms which may reasonably be accepted as consistent with the medical signs and findings), would lead to a conclusion that the individual is under a disability. Objective medical evidence of pain or other symptoms established by medically acceptable clinical or laboratory techniques (for example, deteriorating nerve or muscle tissue) must be considered in reaching a conclusion as to whether the individual is under a disability. Any non-Federal hospital, clinic, laboratory, or other provider of medical services, or physician not in the employ of the Federal Government, which supplies medical evidence required and requested by the Commissioner of Social Security under this paragraph shall be entitled to payment from the Commissioner of Social Security for the reasonable cost of providing such evidence.

(B) In making any determination with respect to whether an individual is under a disability or continues to be under a disability, the Commissioner of Social Security shall consider all evidence available in such individual's case record,

and shall develop a complete medical history of at least the preceding twelve months for any case in which a determination is made that the individual is not under a disability. In making any determination the Commissioner of Social Security shall make every reasonable effort to obtain from the individual's treating physician (or other treating health care provider) all medical evidence, including diagnostic tests, necessary in order to properly make such determination, prior to evaluating medical evidence obtained from any other source on a consultative basis.

(C)(i) In making any determination with respect to whether an individual is under a disability or continues to be under a disability, the Commissioner of Social Security may not consider (except for good cause as determined by the Commissioner) any evidence furnished by—

(I) any individual or entity who has been convicted of a felony under section 408 of this title or under section 1383a of this title;

(II) any individual or entity who has been excluded from participation in any Federal health care program under section 1320a–7 of this title; or

(III) any person with respect to whom a civil money penalty or assessment has been imposed under section 1320a–8 of this title for the submission of false evidence.

(ii) To the extent and at such times as is necessary for the effective implementation of clause (i) of this subparagraph—

(I) the Inspector General of the Social Security Administration shall transmit to the Commissioner information relating to persons described in subclause (I) or (III) of clause (i);[2]

(II) the Secretary of Health and Human Services shall transmit to the Commissioner information relating to persons described in subclause (II) of clause (i); and[3]

(6)(A) Notwithstanding any other provision of this subchapter, any physical or mental impairment which arises in connection with the commission by an individual (after October 19, 1980) of an offense which constitutes a felony under applicable law and for which such individual is subsequently convicted, or which is aggravated in connection with such an offense (but only to the extent so aggravated), shall not be considered in determining whether an individual is under a disability.

(B) Notwithstanding any other provision of this subchapter, any physical or mental impairment which arises in connection with an individual's confinement in a jail, prison, or other penal institution or correctional facility pursuant to such individual's conviction of an offense (committed after October 19, 1980) constituting a felony under applicable law, or which is aggravated in connection with such a confinement (but only to the extent so aggravated), shall not be considered in determining whether such individual is under a disability for purposes of benefits payable for any month during which such individual is so confined.

(e) Engaging in substantial gainful activity

(1) No benefit shall be payable under subsection (d)(1)(B)(ii), (d)(6)(A)(ii), (d)(6)(B), (e)(1)(B)(ii), or (f)(1)(B)(ii) of section 402 of this title or under subsection (a)(1) of this section to an individual for any month, after the third month, in which he engages in substantial gainful activity during the 36-month period following the end of his trial work period determined by application of section 422(c)(4)(A) of this title.

(2) No benefit shall be payable under section 402 of this title on the basis of the wages and self-employment income of an individual entitled to a benefit under subsection (a)(1) of this section for any month for which the benefit of such individual under subsection (a)(1) is not payable under paragraph (1).

(f) Standard of review for termination of disability benefits

A recipient of benefits under this subchapter or subchapter XVIII based on the disability of any individual may be determined not to be entitled to such benefits on the basis of a finding that the physical or mental impairment on the basis of which such benefits are provided has ceased, does not exist, or is not disabling only if such finding is supported by—

(1) substantial evidence which demonstrates that—

(A) there has been any medical improvement in the individual's impairment or combination of impairments (other than medical improvement which is not related to the individual's ability to work), and

(B) the individual is now able to engage in substantial gainful activity; or

(2) substantial evidence which—

(A) consists of new medical evidence and a new assessment of the individual's residual functional capacity, and demonstrates that—

(i) although the individual has not improved medically, he or she is nonetheless a beneficiary of advances in medical or vocational therapy or technology (related to the individual's ability to work), and

(ii) the individual is now able to engage in substantial gainful activity, or

(B) demonstrates that—

(i) although the individual has not improved medically, he or she has undergone vocational therapy (related to the individual's ability to work), and

(ii) the individual is now able to engage in substantial gainful activity; or

(3) substantial evidence which demonstrates that, as determined on the basis of new or improved diagnostic techniques or evaluations, the individual's impairment or combination of impairments is not as disabling as it was considered to be at the time of the most recent prior decision that he or she was under a disability or continued to be under a disability, and that therefore the individual is able to engage in substantial gainful activity; or

(4) substantial evidence (which may be evidence on the record at the time any prior determination of the entitlement to benefits

based on disability was made, or newly obtained evidence which relates to that determination) which demonstrates that a prior determination was in error.

Nothing in this subsection shall be construed to require a determination that a recipient of benefits under this subchapter or subchapter XVIII based on an individual's disability is entitled to such benefits if the prior determination was fraudulently obtained or if the individual is engaged in substantial gainful activity, cannot be located, or fails, without good cause, to cooperate in a review of the entitlement to such benefits or to follow prescribed treatment which would be expected to restore his or her ability to engage in substantial gainful activity. In making for purposes of the preceding sentence any determination relating to fraudulent behavior by any individual or failure by any individual without good cause to cooperate or to take any required action, the Commissioner of Social Security shall specifically take into account any physical, mental, educational, or linguistic limitation such individual may have (including any lack of facility with the English language). Any determination under this section shall be made on the basis of all the evidence available in the individual's case file, including new evidence concerning the individual's prior or current condition which is presented by the individual or secured by the Commissioner of Social Security. Any determination made under this section shall be made on the basis of the weight of the evidence and on a neutral basis with regard to the individual's condition, without any initial inference as to the presence or absence of disability being drawn from the fact that the individual has previously been determined to be disabled. For purposes of this subsection, a benefit under this subchapter is based on an individual's disability if it is a disability insurance benefit, a child's, widow's, or widower's insurance benefit based on disability, or a mother's or father's insurance benefit based on the disability of the mother's or father's child who has attained age 16.

(g) Continued payment of disability benefits during appeal

(1) In any case where—

(A) an individual is a recipient of disability insurance benefits, or of child's, widow's, or widower's insurance benefits based on disability,

(B) the physical or mental impairment on the basis of which such benefits are payable is found to have ceased, not to have existed, or to no longer be disabling, and as a consequence such individual is determined not to be entitled to such benefits, and

(C) a timely request for a hearing under section 421(d) of this title, or for an administrative review prior to such hearing, is pending with respect to the determination that he is not so entitled,

such individual may elect (in such manner and form and within such time as the Commissioner of Social Security shall by regulations prescribe) to have the payment of such benefits, the payment of any other benefits under this subchapter based on such individual's wages and self-employment income, the payment of mother's or father's insurance benefits to such individual's mother or father based on the disability of such individual as a child who has attained age 16, and the payment of benefits under subchapter XVIII based on such individual's disability, continued for an additional period beginning with the first month beginning after January 12, 1983, for which (under such determination) such benefits are no longer otherwise payable, and ending with the earlier of (i) the month preceding the month in which a decision is made after such a hearing, or (ii) the month preceding the month in which no such request for a hearing or an administrative review is pending.

(2)(A) If an individual elects to have the payment of his benefits continued for an additional period under paragraph (1), and the final decision of the Commissioner of Social Security affirms the determination that he is not entitled to such benefits, any benefits paid under this subchapter pursuant to such election (for months in such additional period) shall be considered overpayments for all purposes of this subchapter, except as otherwise provided in subparagraph (B).

(B) If the Commissioner of Social Security determines that the individual's appeal of his termination of benefits was made in good faith, all of the benefits paid pursuant to such individual's election under paragraph (1) shall be subject to waiver consideration under the provisions of section 404 of this title. In making for purposes of this subparagraph any determination of whether any individual's appeal is made in good faith, the Commissioner of Social Security shall specifically take into account any physical, mental, educational, or linguistic limitation such individual may have (including any lack of facility with the English language).

(h) Interim benefits in cases of delayed final decisions

(1) In any case in which an administrative law judge has determined after a hearing as provided under section 405(b) of this title that an individual is entitled to disability insurance benefits or child's, widow's, or widower's insurance benefits based on disability and the Commissioner of Social Security has not issued the Commissioner's final decision in such case within 110 days after the date of the administrative law judge's determination, such benefits shall be currently paid for the months during the period beginning with the month preceding the month in which such 110-day period expires and ending with the month preceding the month in which such final decision is issued.

(2) For purposes of paragraph (1), in determining whether the 110-day period referred to in paragraph (1) has elapsed, any period of time for which the action or inaction of such individual or such individual's representative without good cause results in the delay in the issuance of the Commissioner's final decision shall not be taken into account to the extent that such period of time exceeds 20 calendar days.

(3) Any benefits currently paid under this subchapter pursuant to this subsection (for the

months described in paragraph (1)) shall not be considered overpayments for any purpose of this subchapter (unless payment of such benefits was fraudulently obtained), and such benefits shall not be treated as past-due benefits for purposes of section 406(b)(1) of this title.

(i) Reinstatement of entitlement

(1)(A) Entitlement to benefits described in subparagraph (B)(i)(I) shall be reinstated in any case where the Commissioner determines that an individual described in subparagraph (B) has filed a request for reinstatement meeting the requirements of paragraph (2)(A) during the period prescribed in subparagraph (C). Reinstatement of such entitlement shall be in accordance with the terms of this subsection.

(B) An individual is described in this subparagraph if—

(i) prior to the month in which the individual files a request for reinstatement—

(I) the individual was entitled to benefits under this section or section 402 of this title on the basis of disability pursuant to an application filed therefor; and

(II) such entitlement terminated due to the performance of substantial gainful activity;

(ii) the individual is under a disability and the physical or mental impairment that is the basis for the finding of disability is the same as (or related to) the physical or mental impairment that was the basis for the finding of disability that gave rise to the entitlement described in clause (i); and

(iii) the individual's disability renders the individual unable to perform substantial gainful activity.

(C)(i) Except as provided in clause (ii), the period prescribed in this subparagraph with respect to an individual is 60 consecutive months beginning with the month following the most recent month for which the individual was entitled to a benefit described in subparagraph (B)(i)(I) prior to the entitlement termination described in subparagraph (B)(i)(II).

(ii) In the case of an individual who fails to file a reinstatement request within the period prescribed in clause (i), the Commissioner may extend the period if the Commissioner determines that the individual had good cause for the failure to so file.

(2)(A)(i) A request for reinstatement shall be filed in such form, and containing such information, as the Commissioner may prescribe.

(ii) A request for reinstatement shall include express declarations by the individual that the individual meets the requirements specified in clauses (ii) and (iii) of paragraph (1)(B).

(B) A request for reinstatement filed in accordance with subparagraph (A) may constitute an application for benefits in the case of any individual who the Commissioner determines is not entitled to reinstated benefits under this subsection.

(3) In determining whether an individual meets the requirements of paragraph (1)(B)(ii), the provisions of subsection (f) shall apply.

(4)(A)(i) Subject to clause (ii), entitlement to benefits reinstated under this subsection shall commence with the benefit payable for the month in which a request for reinstatement is filed.

(ii) An individual whose entitlement to a benefit for any month would have been reinstated under this subsection had the individual filed a request for reinstatement before the end of such month shall be entitled to such benefit for such month if such request for reinstatement is filed before the end of the twelfth month immediately succeeding such month.

(B)(i) Subject to clauses (ii) and (iii), the amount of the benefit payable for any month pursuant to the reinstatement of entitlement under this subsection shall be determined in accordance with the provisions of this subchapter.

(ii) For purposes of computing the primary insurance amount of an individual whose entitlement to benefits under this section is reinstated under this subsection, the date of onset of the individual's disability shall be the date of onset used in determining the individual's most recent period of disability arising in connection with such benefits payable on the basis of an application.

(iii) Benefits under this section or section 402 of this title payable for any month pursuant to a request for reinstatement filed in accordance with paragraph (2) shall be reduced by the amount of any provisional benefit paid to such individual for such month under paragraph (7).

(C) No benefit shall be payable pursuant to an entitlement reinstated under this subsection to an individual for any month in which the individual engages in substantial gainful activity.

(D) The entitlement of any individual that is reinstated under this subsection shall end with the benefits payable for the month preceding whichever of the following months is the earliest:

(i) The month in which the individual dies.

(ii) The month in which the individual attains retirement age.

(iii) The third month following the month in which the individual's disability ceases.

(5) Whenever an individual's entitlement to benefits under this section is reinstated under this subsection, entitlement to benefits payable on the basis of such individual's wages and self-employment income may be reinstated with respect to any person previously entitled to such benefits on the basis of an application if the Commissioner determines that such person satisfies all the requirements for entitlement to such benefits except requirements related to the filing of an application. The provisions of paragraph (4) shall apply to the reinstated entitlement of any such person to the same extent that they apply to the reinstated entitlement of such individual.

(6) An individual to whom benefits are payable under this section or section 402 of this title pursuant to a reinstatement of entitlement under this subsection for 24 months (whether or not consecutive) shall, with respect to benefits so payable after such twenty-fourth month, be deemed for purposes of paragraph (1)(B)(i)(I) and the determination, if appropriate, of the termination month in accordance with subsection (a)(1) of this section, or subsection (d)(1), (e)(1), or (f)(1) of section 402 of this title, to be entitled

to such benefits on the basis of an application filed therefor.

(7)(A) An individual described in paragraph (1)(B) who files a request for reinstatement in accordance with the provisions of paragraph (2)(A) shall be entitled to provisional benefits payable in accordance with this paragraph, unless the Commissioner determines that the individual does not meet the requirements of paragraph (1)(B)(i) or that the individual's declaration under paragraph (2)(A)(ii) is false. Any such determination by the Commissioner shall be final and not subject to review under subsection (b) or (g) of section 405 of this title.

(B) The amount of a provisional benefit for a month shall equal the amount of the last monthly benefit payable to the individual under this subchapter on the basis of an application increased by an amount equal to the amount, if any, by which such last monthly benefit would have been increased as a result of the operation of section 415(i) of this title.

(C)(i) Provisional benefits shall begin with the month in which a request for reinstatement is filed in accordance with paragraph (2)(A).

(ii) Provisional benefits shall end with the earliest of—

(I) the month in which the Commissioner makes a determination regarding the individual's entitlement to reinstated benefits;

(II) the fifth month following the month described in clause (i);

(III) the month in which the individual performs substantial gainful activity; or

(IV) the month in which the Commissioner determines that the individual does not meet the requirements of paragraph (1)(B)(i) or that the individual's declaration made in accordance with paragraph (2)(A)(ii) is false.

(D) In any case in which the Commissioner determines that an individual is not entitled to reinstated benefits, any provisional benefits paid to the individual under this paragraph shall not be subject to recovery as an overpayment unless the Commissioner determines that the individual knew or should have known that the individual did not meet the requirements of paragraph (1)(B).

(j) Limitation on payments to prisoners

For provisions relating to limitation on payments to prisoners, see section 402(x) of this title.

Statutory Notes and Related Subsidiaries

EFFECTIVE DATE OF REPEAL

Repeal applicable with respect to monthly benefits under this subchapter for August 1958 and succeeding months, see section 207(a) of Pub. L. 85–840, set out as an Effective Date of 1958 Amendment note under section 416 of this title.

§ 424a. Reduction of disability benefits

(a) Conditions for reduction; computation

If for any month prior to the month in which an individual attains retirement age (as defined in section 416(*l*)(1) of this title)—

(1) such individual is entitled to benefits under section 423 of this title, and

(2) such individual is entitled for such month to—

(A) periodic benefits on account of his or her total or partial disability (whether or not permanent) under a workmen's compensation law or plan of the United States or a State, or

(B) periodic benefits on account of his or her total or partial disability (whether or not permanent) under any other law or plan of the United States, a State, a political subdivision (as that term is used in section 418(b)(2) of this title), or an instrumentality of two or more States (as that term is used in section 418(g) of this title), other than (i) benefits payable under title 38, (ii) benefits payable under a program of assistance which is based on need, (iii) benefits based on service all or substantially all of which was included under an agreement entered into by a State and the Commissioner of Social Security under section 418 of this title, and (iv) benefits under a law or plan of the United States based on service all or substantially all of which is employment as defined in section 410 of this title,

the total of his benefits under section 423 of this title for such month and of any benefits under section 402 of this title for such month based on his wages and self-employment income shall be reduced (but not below zero) by the amount by which the sum of—

(3) such total of benefits under sections 423 and 402 of this title for such month, and

(4) such periodic benefits payable (and actually paid) for such month to such individual under such laws or plans,

exceeds the higher of—

(5) 80 per centum of his ''average current earnings'', or

(6) the total of such individual's disability insurance benefits under section 423 of this title for such month and of any monthly insurance benefits under section 402 of this title for such month based on his wages and self-employment income, prior to reduction under this section.

In no case shall the reduction in the total of such benefits under sections 423 and 402 of this title for a month (in a continuous period of months) reduce such total below the sum of—

(7) the total of the benefits under sections 423 and 402 of this title, after reduction under this section, with respect to all persons entitled to benefits on the basis of such individual's wages and self-employment income for such month which were determined for such individual and such persons for the first month for which reduction under this section was made (or which would have been so determined if all of them had been so entitled in such first month), and

(8) any increase in such benefits with respect to such individual and such persons, before reduction under this section, which is made effective for months after the first month for which reduction under this section is made.

For purposes of clause (5), an individual's average current earnings means the largest of (A) the average monthly wage (determined under section 415(b) of this title as in effect prior to January 1979) used for purposes of computing his benefits under section 423 of this title, (B) one-sixtieth of the total of his wages and self-employment income (computed without regard to the limitations specified in sections 409(a)(1) and

411(b)(1) of this title) for the five consecutive calendar years after 1950 for which such wages and self-employment income were highest, or (C) one-twelfth of the total of his wages and self-employment income (computed without regard to the limitations specified in sections 409(a)(1) and 411(b)(1) of this title) for the calendar year in which he had the highest such wages and income during the period consisting of the calendar year in which he became disabled (as defined in section 423(d) of this title) and the five years preceding that year.

(b) Reduction where benefits payable on other than monthly basis

If any periodic benefit for a total or partial disability under a law or plan described in subsection (a)(2) is payable on other than a monthly basis (excluding a benefit payable as a lump sum except to the extent that it is a commutation of, or a substitute for, periodic payments), the reduction under this section shall be made at such time or times and in such amounts as the Commissioner of Social Security finds will approximate as nearly as practicable the reduction prescribed by subsection (a).

(c) Reductions and deductions under other provisions

Reduction of benefits under this section shall be made after any reduction under subsection (a) of section 403 of this title, but before deductions under such section and under section 422(b)[1] of this title.

(d) Exception

The reduction of benefits required by this section shall not be made if the law or plan described in subsection (a)(2) under which a periodic benefit is payable provides for the reduction thereof when anyone is entitled to benefits under this subchapter on the basis of the wages and self-employment income of an individual entitled to benefits under section 423 of this title, and such law or plan so provided on February 18, 1981.

(e) Conditions for payment

If it appears to the Commissioner of Social Security that an individual may be eligible for periodic benefits under a law or plan which would give rise to reduction under this section, the Commissioner may require, as a condition of certification for payment of any benefits under section 423 of this title to any individual for any month and of any benefits under section 402 of this title for such month based on such individual's wages and self-employment income, that such individual certify (i) whether he has filed or intends to file any claim for such periodic benefits, and (ii) if he has so filed, whether there has been a decision on such claim. The Commissioner of Social Security may, in the absence of evidence to the contrary, rely upon such a certification by such individual that he has not filed and does not intend to file such a claim, or that he has so filed and no final decision thereon has been made, in certifying benefits for payment pursuant to section 405(i) of this title.

[1] See References in Text note below.

(f) Redetermination of reduction

(1) In the second calendar year after the year in which reduction under this section in the total of an individual's benefits under section 423 of this title and any benefits under section 402 of this title based on his wages and self-employment income was first required (in a continuous period of months), and in each third year thereafter, the Commissioner of Social Security shall redetermine the amount of such benefits which are still subject to reduction under this section; but such redetermination shall not result in any decrease in the total amount of benefits payable under this subchapter on the basis of such individual's wages and self-employment income. Such redetermined benefit shall be determined as of, and shall become effective with, the January following the year in which such redetermination was made.

(2) In making the redetermination required by paragraph (1), the individual's average current earnings (as defined in subsection (a)) shall be deemed to be the product of—

(A) his average current earnings as initially determined under subsection (a); and

(B) the ratio of (i) the national average wage index (as defined in section 409(k)(1) of this title) for the calendar year before the year in which such redetermination is made to (ii) the national average wage index (as so defined) for the calendar year before the year in which the reduction was first computed (but not counting any reduction made in benefits for a previous period of disability).

Any amount determined under this paragraph which is not a multiple of $1 shall be reduced to the next lower multiple of $1.

(g) Proportionate reduction; application of excess

Whenever a reduction in the total of benefits for any month based on an individual's wages and self-employment income is made under this section, each benefit, except the disability insurance benefit, shall first be proportionately decreased, and any excess of such reduction over the sum of all such benefits other than the disability insurance benefits shall then be applied to such disability insurance benefit.

(h) Furnishing of information

(1) Notwithstanding any other provision of law, the head of any Federal agency shall provide such information within its possession as the Commissioner of Social Security may require for purposes of making a timely determination of the amount of the reduction, if any, required by this section in benefits payable under this subchapter, or verifying other information necessary in carrying out the provisions of this section.

(2) The Commissioner of Social Security is authorized to enter into agreements with States, political subdivisions, and other organizations that administer a law or plan subject to the provisions of this section, in order to obtain such information as the Commissioner may require to carry out the provisions of this section.

§ 425. Additional rules relating to benefits based on disability

(a) Suspension of benefits

If the Commissioner of Social Security, on the basis of information obtained by or submitted to the Commissioner, believes that an individual entitled to benefits under section 423 of this title, or that a child who has attained the age of eighteen and is entitled to benefits under section 402(d) of this title, or that a widow or surviving divorced wife who has not attained age 60 and is entitled to benefits under section 402(e) of this title, or that a widower or surviving divorced husband who has not attained age 60 and is entitled to benefits under section 402(f) of this title, may have ceased to be under a disability, the Commissioner of Social Security may suspend the payment of benefits under such section 402(d), 402(e), 402(f), or 423 of this title until it is determined (as provided in section 421 of this title) whether or not such individual's disability has ceased or until the Commissioner of Social Security believes that such disability has not ceased. In the case of any individual whose disability is subject to determination under an agreement with a State under section 421(b) of this title, the Commissioner of Social Security shall promptly notify the appropriate State of the Commissioner's action under this subsection and shall request a prompt determination of whether such individual's disability has ceased. For purposes of this subsection, the term ''disability'' has the meaning assigned to such term in section 423(d) of this title. Whenever the benefits of an individual entitled to a disability insurance benefit are suspended for any month, the benefits of any individual entitled thereto under subsection (b), (c), or (d) of section 402 of this title, on the basis of the wages and self-employment income of such individual, shall be suspended for such month. The first sentence of this subsection shall not apply to any child entitled to benefits under section 402(d) of this title, if he has attained the age of 18 but has not attained the age of 22, for any month during which he is a full-time student (as defined and determined under section 402(d) of this title).

(A) various alternative methods of treating the work activity of individuals entitled to disability insurance benefits under section 423 of this title or to monthly insurance benefits under section 402 of this title based on such individual's disability (as defined in section 423(d) of this title), including such methods as a reduction in benefits based on earnings, designed to encourage the return to work of such individuals;

(B) altering other limitations and conditions applicable to such individuals (including lengthening the trial work period (as defined in section 422(c) of this title), altering the 24-month waiting period for hospital insurance benefits under section 426 of this title, altering the manner in which the program under this subchapter is administered, earlier referral of such individuals for rehabilitation, and greater use of employers and others to develop, perform, and otherwise stimulate new forms of rehabilitation); and

(C) implementing sliding scale benefit offsets using variations in—

(i) the amount of the offset as a proportion of earned income;

(ii) the duration of the offset period; and

(iii) the method of determining the amount of income earned by such individuals,

to the end that savings will accrue to the Trust Funds, or to otherwise promote the objectives or facilitate the administration of this subchapter.

(2) Authority for expansion of scope

The Commissioner may expand the scope of any such experiment or demonstration project to include any group of applicants for benefits under the program established under this subchapter with impairments that reasonably may be presumed to be disabling for purposes of such demonstration project, and may limit any such demonstration project to any such group of applicants, subject to the terms of such demonstration project which shall define the extent of any such presumption.

(b) Requirements

The experiments and demonstration projects developed under subsection (a) shall be of sufficient scope and shall be carried out on a wide enough scale to permit a thorough evaluation of the alternative methods under consideration while giving assurance that the results derived from the experiments and projects will obtain generally in the operation of the disability insurance program under this subchapter without committing such program to the adoption of any particular system either locally or nationally.

(c) Authority to waive compliance with benefits requirements

In the case of any experiment or demonstration project initiated under subsection (a) on or before December 30, 2021, the Commissioner may

waive compliance with the benefit requirements of this subchapter and the requirements of section 1320b–19 of this title as they relate to the program established under this subchapter, and the Secretary may (upon the request of the Commissioner) waive compliance with the benefits requirements of subchapter XVIII, insofar as is necessary for a thorough evaluation of the alternative methods under consideration. No such experiment or project shall be actually placed in operation unless at least 90 days prior thereto a written report, prepared for purposes of notification and information only and containing a full and complete description thereof, including the objectives of the experiment or demonstration project, the expected annual and total costs, and the dates on which the experiment or demonstration project is expected to start and finish, has been transmitted by the Commissioner to the Committee on Ways and Means of the House of Representatives and to the Committee on Finance of the Senate. Periodic reports on the progress of such experiments and demonstration projects shall be submitted by the Commissioner to such committees. When appropriate, such reports shall include detailed recommendations for changes in administration or law, or both, to carry out the objectives stated in subsection (a).

(d) Reports

(1) Interim reports

On or before September 30 of each year, the Commissioner shall submit to the Committee on Ways and Means of the House of Representatives and to the Committee on Finance of the Senate an annual interim report on the progress of the experiments and demonstration projects carried out under this subsection[1] together with any related data and materials that the Commissioner may consider appropriate.

(2) Termination and final report

The authority to initiate projects under the preceding provisions of this section shall terminate on December 31, 2021, and the authority to carry out such projects shall terminate on December 31, 2022. Not later than 90 days after the termination of any experiment or demonstration project carried out under this section, the Commissioner shall submit to the Committee on Ways and Means of the House of Representatives and to the Committee on Finance of the Senate a final report with respect to that experiment or demonstration project.

(e) Additional requirements

In developing and carrying out any experiment or demonstration project under this section, the Commissioner may not require any individual to participate in such experiment or demonstration project and shall ensure—

(1) that the voluntary participation of individuals in such experiment or demonstration project is obtained through informed written consent which satisfies the requirements for informed consent established by the Commissioner for use in such experiment or demonstration project in which human subjects are at risk;

(2) that any individual's voluntary agreement to participate in any such experiment or demonstration project may be revoked by such individual at any time; and

(3) that such experiment or demonstration project is expected to yield statistically significant results.

(f) Promoting opportunity demonstration project

(1) In general

The Commissioner shall carry out a demonstration project under this subsection as described in paragraph (2) during a 5-year period beginning not later than January 1, 2017.

(2) Benefit offset

Under the demonstration project described in this paragraph, with respect to any individual participating in the project who is otherwise entitled to a benefit under section 423(a)(1) of this title for a month—

(A) any such benefit otherwise payable to the individual for such month (other than a benefit payable for any month prior to the 1st month beginning after the date on which the individual's entitlement to such benefit is determined) shall be reduced by $1 for each $2 by which the individual's earnings derived from services paid during such month exceeds an amount equal to the individual's impairment-related work expenses for such month (as determined under paragraph (3)), except that such benefit may not be reduced below $0;

(B) no benefit shall be payable under section 402 of this title on the basis of the wages and self-employment income of the individual for any month for which the benefit of such individual under section 423(a)(1) of this title is reduced to $0 pursuant to subparagraph (A);

(C) entitlement to any benefit described in subparagraph (A) or (B) shall not terminate due to earnings derived from services except following the first month for which such benefit has been reduced to $0 pursuant to subparagraph (A) (and the trial work period (as defined in section 422(c) of this title) and extended period of eligibility shall not apply to any such individual for any such month); and

(D) in any case in which such an individual is entitled to hospital insurance benefits under part A of subchapter XVIII by reason of section 426(b) of this title and such individual's entitlement to a benefit described in subparagraph (A) or (B) or status as a qualified railroad retirement beneficiary is terminated pursuant to subparagraph (C), such individual shall be deemed to be entitled to such benefits or to occupy such status (notwithstanding the termination of such entitlement or status) for the period of consecutive months throughout all of which the physical or mental impairment, on which such entitlement or status was based, continues, and throughout all of which such individual would have been entitled to monthly insurance benefits under subchapter II or as a qualified railroad retirement beneficiary had such termination of entitlement

or status not occurred, but not in excess of 93 such months.

(3) Impairment-related work expenses

(A) In general

For purposes of paragraph (2)(A) and except as provided in subparagraph (C), the amount of an individual's impairment-related work expenses for a month is deemed to be the minimum threshold amount.

(B) Minimum threshold amount

In this paragraph, the term ''minimum threshold amount'' means an amount, to be determined by the Commissioner, which shall not exceed the amount sufficient to demonstrate that an individual has rendered services in a month, as determined by the Commissioner under section 422(c)(4)(A) of this title. The Commissioner may test multiple minimum threshold amounts.

(C) Exception for itemized impairment-related work expenses

(i) In general

Notwithstanding subparagraph (A), in any case in which the amount of such an individual's itemized impairment-related work expenses (as defined in clause (ii)) for a month is greater than the minimum threshold amount, the amount of the individual's impairment-related work expenses for the month shall be equal to the amount of the individual's itemized impairment-related work expenses (as so defined) for the month.

(ii) Definition

In this subparagraph, the term ''itemized impairment-related work expenses'' means the amount excluded under section 423(d)(4)(A) of this title from an individual's earnings for a month in determining whether an individual is able to engage in substantial gainful activity by reason of such earnings in such month, except that such amount does not include the cost to the individual of any item or service for which the individual does not provide to the Commissioner a satisfactory itemized accounting.

(D) Limitation

Notwithstanding the other provisions of this paragraph, for purposes of paragraph (2)(A), the amount of an individual's impairment-related work expenses for a month shall not exceed the amount of earnings derived from services, prescribed by the Commissioner under regulations issued pursuant to section 423(d)(4)(A) of this title, sufficient to demonstrate an individual's ability to engage in substantial gainful activity.

(a) Certification of amounts

The Secretary of Labor shall from time to time certify to the Secretary of the Treasury for payment to each State which has an unemployment compensation law approved by the Secretary of Labor under the Federal Unemployment Tax Act, such amounts as the Secretary of Labor determines to be necessary for the proper and efficient administration of such law during the fiscal year for which such payment is to be made, including 100 percent of so much of the reasonable expenditures of the State as are attributable to the costs of the implementation and operation of the immigration status verification system described in section 1320b–7(d) of this title. The Secretary of Labor's determination shall be based on (1) the population of the State; (2) an estimate of the num-

The Secretary of Labor (in this section referred to as the ''Secretary'') shall award grants under this section for a fiscal year to eligible States to conduct a program of reemployment services and eligibility assessments for individuals referred to reemployment services as described in section 503(j) of this title for weeks in such fiscal year for which such individuals receive unemployment compensation.

(b) Purposes

The purposes of this section are to accomplish the following goals:

(1) To improve employment outcomes of individuals that receive unemployment compensation and to reduce the average duration of receipt of such compensation through employment.

(2) To strengthen program integrity and reduce improper payments of unemployment compensation by States through the detection and prevention of such payments to individuals who are not eligible for such compensation.

(3) To promote alignment with the broader vision of the Workforce Innovation and Opportunity Act (29 U.S.C. 3101 et seq.) of increased program integration and service delivery for job seekers, including claimants for unemployment compensation.

(4) To establish reemployment services and eligibility assessments as an entry point for individuals receiving unemployment compensation into other workforce system partner programs.

(c) Evidence-based standards

(1) In general

In carrying out a State program of reemployment services and eligibility assessments using grant funds awarded to the State under this section, a State shall use such funds only for interventions demonstrated to reduce the number of weeks for which program participants receive unemployment compensation by improving employment outcomes for program participants.

(2) Expanding evidence-based interventions

In addition to the requirement imposed by paragraph (1), a State shall—

(A) for fiscal years 2023 and 2024, use no less than 25 percent of the grant funds awarded to the State under this section for interventions with a high or moderate causal evidence rating that show a demonstrated capacity to improve employment and earnings outcomes for program participants;

(B) for fiscal years 2025 and 2026, use no less than 40 percent of such grant funds for interventions described in subparagraph (A); and

(C) for fiscal years beginning after fiscal year 2026, use no less than 50 percent of such grant funds for interventions described in subparagraph (A).

(d) Evaluations

(1) Required evaluations

Any intervention without a high or moderate causal evidence rating used by a State in carrying out a State program of reemployment services and eligibility assessments under this section shall be under evaluation at the time of use.

section to conduct or cause to be conducted evaluations of interventions used in carrying out a program under this section (including evaluations conducted pursuant to paragraph (1)).

(e) State plan

(1) In general

As a condition of eligibility to receive a grant under this section for a fiscal year, a State shall submit to the Secretary, at such time and in such manner as the Secretary may require, a State plan that outlines how the State intends to conduct a program of reemployment services and eligibility assessments under this section, including—

(A) assurances that, and a description of how, the program will provide—

(i) proper notification to participating individuals of the program's eligibility conditions, requirements, and benefits, including the issuance of warnings and simple, clear notifications to ensure that participating individuals are fully aware of the consequences of failing to adhere to such requirements, including policies related to non-attendance or non-fulfillment of work search requirements; and

(ii) reasonable scheduling accommodations to maximize participation for eligible individuals;

(B) assurances that, and a description of how, the program will conform with the purposes outlined in subsection (b) and satisfy the requirement to use evidence-based standards under subsection (c), including—

(i) a description of the evidence-based interventions the State plans to use to speed reemployment;

(ii) an explanation of how such interventions are appropriate to the population served; and

(iii) if applicable, a description of the evaluation structure the State plans to use for interventions without at least a moderate or high causal evidence rating, which may include national evaluations conducted by the Department of Labor or by other entities; and

(C) a description of any reemployment activities and evaluations conducted in the prior fiscal year, and any data collected on—

(i) characteristics of program participants;

(ii) the number of weeks for which program participants receive unemployment compensation; and

(iii) employment and other outcomes for program participants consistent with State performance accountability measures provided by the State unemployment compensation program and in section 116(b) of the Workforce Innovation and Opportunity Act (29 U.S.C. 3141(b)).

(2) Approval

The Secretary shall approve any State plan, that is timely submitted to the Secretary, in such manner as the Secretary may require, that satisfies the conditions described in paragraph (1).

(3) Disapproval and revision

If the Secretary determines that a State plan submitted pursuant to this subsection fails to satisfy the conditions described in paragraph (1), the Secretary shall—

(A) disapprove such plan;

(B) provide to the State, not later than 30 days after the date of receipt of the State plan, a written notice of such disapproval that includes a description of any portion of the plan that was not approved and the reason for the disapproval of each such portion; and

Such outcome payments shall be paid to States conducting reemployment services and eligibility assessments under this section that, during the previous fiscal year, met or exceeded the outcome goals provided in subsection (b)(1) related to reducing the average duration of receipt of unemployment compensation by improving employment outcomes.

(B) Outcome reservation percentage

For purposes of subparagraph (A), the term ''outcome reservation percentage'' means—

(i) for fiscal years 2021 through 2026, 10 percent; and

(B) make publicly available the allocation formula and criteria developed pursuant to subclause (A).

(g) Notification to Congress

Not later than 90 days prior to making any changes to the allocation formula or the criteria developed pursuant to subsection (f)(5)(A), the Secretary shall submit to Congress, including to the Committee on Ways and Means and the Committee on Appropriations of the House of Representatives and the Committee on Finance and the Committee on Appropriations of the Senate, a notification of any such change.

(h) Supplement not supplant

Funds made available to carry out this section shall be used to supplement the level of Federal, State, and local public funds that, in the absence of such availability, would be expended to provide reemployment services and eligibility assessments to individuals receiving unemployment compensation, and in no case to supplant such Federal, State, or local public funds.

CONGRESSIONAL FINDINGS

Pub. L. 104–193, title I, § 101, Aug. 22, 1996, 110 Stat. 2110, provided that: ''The Congress makes the following findings:

''(1) Marriage is the foundation of a successful society.

''(2) Marriage is an essential institution of a successful society which promotes the interests of children.

''(3) Promotion of responsible fatherhood and motherhood is integral to successful child rearing and the well-being of children.

''(4) In 1992, only 54 percent of single-parent families with children had a child support order established and, of that 54 percent, only about one-half received the full amount due. Of the cases enforced through the public child support enforcement system, only 18 percent of the caseload has a collection.

''(5) The number of individuals receiving aid to families with dependent children (in this section referred to as 'AFDC') has more than tripled since 1965. More than two-thirds of these recipients are children. Eighty-nine percent of children receiving AFDC benefits now live in homes in which no father is present.

''(A)(i) The average monthly number of children receiving AFDC benefits—

''(I) was 3,300,000 in 1965;

''(II) was 6,200,000 in 1970;

''(III) was 7,400,000 in 1980; and

''(IV) was 9,300,000 in 1992.

''(ii) While the number of children receiving AFDC benefits increased nearly threefold between 1965 and 1992, the total number of children in the United States aged 0 to 18 has declined by 5.5 percent.

''(B) The Department of Health and Human Services has estimated that 12,000,000 children will receive AFDC benefits within 10 years.

''(C) The increase in the number of children receiving public assistance is closely related to the increase in births to unmarried women. Between 1970 and 1991, the percentage of live births to unmarried women increased nearly threefold, from 10.7 percent to 29.5 percent.

''(6) The increase of out-of-wedlock pregnancies and births is well documented as follows:

''(A) It is estimated that the rate of nonmarital teen pregnancy rose 23 percent from 54 pregnancies per 1,000 unmarried teenagers in 1976 to 66.7 pregnancies in 1991. The overall rate of nonmarital pregnancy rose 14 percent from 90.8 pregnancies per 1,000 unmarried women in 1980 to 103 in both 1991 and 1992. In contrast, the overall pregnancy rate for married couples decreased 7.3 percent between 1980 and 1991, from 126.9 pregnancies per 1,000 married women in 1980 to 117.6 pregnancies in 1991.

''(B) The total of all out-of-wedlock births between 1970 and 1991 has risen from 10.7 percent to 29.5 percent and if the current trend continues, 50 percent of all births by the year 2015 will be out-of-wedlock.

''(7) An effective strategy to combat teenage pregnancy must address the issue of male responsibility, including statutory rape culpability and prevention. The increase of teenage pregnancies among the youngest girls is particularly severe and is linked to predatory sexual practices by men who are significantly older.

''(A) It is estimated that in the late 1980's, the rate for girls age 14 and under giving birth increased 26 percent.

''(B) Data indicates that at least half of the children born to teenage mothers are fathered by adult men. Available data suggests that almost 70 percent of births to teenage girls are fathered by men over age 20.

''(C) Surveys of teen mothers have revealed that a majority of such mothers have histories of sexual and physical abuse, primarily with older adult men.

''(8) The negative consequences of an out-of-wedlock birth on the mother, the child, the family, and society are well documented as follows:

''(A) Young women 17 and under who give birth outside of marriage are more likely to go on public assistance and to spend more years on welfare once enrolled. These combined effects of 'younger and longer' increase total AFDC costs per household by 25 percent to 30 percent for 17-year-olds.

''(B) Children born out-of-wedlock have a substantially higher risk of being born at a very low or moderately low birth weight.

''(C) Children born out-of-wedlock are more likely to experience low verbal cognitive attainment, as well as more child abuse, and neglect.

''(D) Children born out-of-wedlock were more likely to have lower cognitive scores, lower educational aspirations, and a greater likelihood of becoming teenage parents themselves.

''(E) Being born out-of-wedlock significantly reduces the chances of the child growing up to have an intact marriage.

''(F) Children born out-of-wedlock are 3 times more likely to be on welfare when they grow up.

''(9) Currently 35 percent of children in single-parent homes were born out-of-wedlock, nearly the same percentage as that of children in single-parent homes whose parents are divorced (37 percent). While many parents find themselves, through divorce or tragic circumstances beyond their control, facing the difficult task of raising children alone, nevertheless, the negative consequences of raising children in single-parent homes are well documented as follows:

''(A) Only 9 percent of married-couple families with children under 18 years of age have income below the national poverty level. In contrast, 46 percent of female-headed households with children under 18 years of age are below the national poverty level.

''(B) Among single-parent families, nearly ½ of the mothers who never married received AFDC while only ⅕ of divorced mothers received AFDC.

''(C) Children born into families receiving welfare assistance are 3 times more likely to be on welfare when they reach adulthood than children not born into families receiving welfare.

''(D) Mothers under 20 years of age are at the greatest risk of bearing low birth weight babies.

''(E) The younger the single-parent mother, the less likely she is to finish high school.

''(F) Young women who have children before finishing high school are more likely to receive welfare assistance for a longer period of time.

''(G) Between 1985 and 1990, the public cost of births to teenage mothers under the aid to families with dependent children program, the food stamp program, and the medicaid program has been estimated at $120,000,000,000.

''(H) The absence of a father in the life of a child has a negative effect on school performance and peer adjustment.

''(I) Children of teenage single parents have lower cognitive scores, lower educational aspirations, and a greater likelihood of becoming teenage parents themselves.

''(J) Children of single-parent homes are 3 times more likely to fail and repeat a year in grade school than are children from intact 2-parent families.

''(K) Children from single-parent homes are almost 4 times more likely to be expelled or suspended from school.

''(L) Neighborhoods with larger percentages of youth aged 12 through 20 and areas with higher percentages of single-parent households have higher rates of violent crime.

''(M) Of those youth held for criminal offenses within the State juvenile justice system, only 29.8 percent lived primarily in a home with both parents. In contrast to these incarcerated youth, 73.9 percent of the 62,800,000 children in the Nation's resident population were living with both parents.

''(10) Therefore, in light of this demonstration of the crisis in our Nation, it is the sense of the Congress that prevention of out-of-wedlock pregnancy and reduction in out-of-wedlock birth are very impor-

tant Government interests and the policy contained in part A of title IV of the Social Security Act [42 U.S.C. 601 et seq.] (as amended by section 103(a) of this Act) is intended to address the crisis.''

APPROPRIATION BY STATE LEGISLATURES

Pub. L. 104–193, title IX, § 901, Aug. 22, 1996, 110 Stat. 2347, provided that:

''(a) IN GENERAL.—Any funds received by a State under the provisions of law specified in subsection (b) shall be subject to appropriation by the State legislature, consistent with the terms and conditions required under such provisions of law.

''(b) PROVISIONS OF LAW.—The provisions of law specified in this subsection are the following:

''(1) Part A of title IV of the Social Security Act [42 U.S.C. 601 et seq.] (relating to block grants for temporary assistance for needy families).

''(2) The Child Care and Development Block Grant Act of 1990 [42 U.S.C. 9857 et seq.] (relating to block grants for child care).''

§ 602. Eligible States; State plan

(a) In general

As used in this part, the term ''eligible State'' means, with respect to a fiscal year, a State that, during the 27-month period ending with the close of the 1st quarter of the fiscal year, has submitted to the Secretary a plan that the Secretary has found includes the following:

(1) Outline of family assistance program

(A) General provisions

A written document that outlines how the State intends to do the following:

(i) Conduct a program, designed to serve all political subdivisions in the State (not necessarily in a uniform manner), that provides assistance to needy families with (or expecting) children and provides parents with job preparation, work, and support services to enable them to leave the program and become self-sufficient.

(ii) Require a parent or caretaker receiving assistance under the program to engage in work (as defined by the State) once the State determines the parent or caretaker is ready to engage in work, or once the parent or caretaker has received assistance under the program for 24 months (whether or not consecutive), whichever is earlier, consistent with section 607(e)(2) of this title.

(iii) Ensure that parents and caretakers receiving assistance under the program engage in work activities in accordance with section 607 of this title.

(iv) Take such reasonable steps as the State deems necessary to restrict the use and disclosure of information about individuals and families receiving assistance under the program attributable to funds provided by the Federal Government.

(v) Establish goals and take action to prevent and reduce the incidence of out-of-wedlock pregnancies, with special emphasis on teenage pregnancies, and establish numerical goals for reducing the illegitimacy ratio of the State (as defined in section 603(a)(2)(C)(iii)[1] of this title) for calendar years 1996 through 2005.

(vi) Conduct a program, designed to reach State and local law enforcement officials, the education system, and relevant counseling services, that provides education and training on the problem of statutory rape so that teenage pregnancy prevention programs may be expanded in scope to include men.

(vii) Implement policies and procedures as necessary to prevent access to assistance provided under the State program funded under this part through any electronic fund transaction in an automated teller machine or point-of-sale device located in a place described in section 608(a)(12) of this title, including a plan to ensure that recipients of the assistance have adequate access to their cash assistance.

(viii) Ensure that recipients of assistance provided under the State program funded under this part have access to using or withdrawing assistance with minimal fees or charges, including an opportunity to access assistance with no fee or charges, and are provided information on applicable fees and surcharges that apply to electronic fund transactions involving the assistance, and that such information is made publicly available.

(B) Special provisions

(i) The document shall indicate whether the State intends to treat families moving into the State from another State differently than other families under the program, and if so, how the State intends to treat such families under the program.

(ii) The document shall indicate whether the State intends to provide assistance under the program to individuals who are not citizens of the United States, and if so, shall include an overview of such assistance.

(iii) The document shall set forth objective criteria for the delivery of benefits and the determination of eligibility and for fair and equitable treatment, including an explanation of how the State will provide opportunities for recipients who have been adversely affected to be heard in a State administrative or appeal process.

(iv) Not later than 1 year after August 22, 1996, unless the chief executive officer of the State opts out of this provision by notifying the Secretary, a State shall, consistent with the exception provided in section 607(e)(2) of this title, require a parent or caretaker receiving assistance under the program who, after receiving such assistance for 2 months is not exempt from work requirements and is not engaged in work, as determined under section 607(c) of this title, to participate in community service employment, with minimum hours per week and tasks to be determined by the State.

[1] See References in Text note below.

(v) The document shall indicate whether the State intends to assist individuals to train for, seek, and maintain employment—

(I) providing direct care in a long-term care facility (as such terms are defined under section 1397j of this title); or

(II) in other occupations related to elder care determined appropriate by the State for which the State identifies an unmet need for service personnel,

and, if so, shall include an overview of such assistance.

(2) Certification that the State will operate a child support enforcement program

A certification by the chief executive officer of the State that, during the fiscal year, the State will operate a child support enforcement program under the State plan approved under part D.

(3) Certification that the State will operate a foster care and adoption assistance program

A certification by the chief executive officer of the State that, during the fiscal year, the State will operate a foster care and adoption assistance program under the State plan approved under part E, and that the State will take such actions as are necessary to ensure that children receiving assistance under such part are eligible for medical assistance under the State plan under subchapter XIX.

(4) Certification of the administration of the program

A certification by the chief executive officer of the State specifying which State agency or agencies will administer and supervise the program referred to in paragraph (1) for the fiscal year, which shall include assurances that local governments and private sector organizations—

(5) Certification that the State will provide Indians with equitable access to assistance

A certification by the chief executive officer of the State that, during the fiscal year, the State will provide each member of an Indian tribe, who is domiciled in the State and is not eligible for assistance under a tribal family assistance plan approved under section 612 of this title, with equitable access to assistance under the State program funded under this part attributable to funds provided by the Federal Government.

(6) Certification of standards and procedures to ensure against program fraud and abuse

A certification by the chief executive officer of the State that the State has established and is enforcing standards and procedures to ensure against program fraud and abuse, including standards and procedures concerning nepotism, conflicts of interest among individuals responsible for the administration and supervision of the State program, kickbacks, and the use of political patronage.

(7) Optional certification of standards and procedures to ensure that the State will screen for and identify domestic violence

(A) In general

At the option of the State, a certification by the chief executive officer of the State that the State has established and is enforcing standards and procedures to—

(i) screen and identify individuals receiving assistance under this part with a history of domestic violence while maintaining the confidentiality of such individuals;

(ii) refer such individuals to counseling and supportive services; and

(iii) waive, pursuant to a determination of good cause, other program requirements such as time limits (for so long as necessary) for individuals receiving assistance, residency requirements, child support cooperation requirements, and family cap provisions, in cases where compliance with such requirements would make it more difficult for individuals receiving assistance under this part to escape domestic violence or unfairly penalize such individuals who are or have been victimized by such violence, or individuals who are at risk of further domestic violence.

(B) "Domestic violence" defined

For purposes of this paragraph, the term ''domestic violence'' has the same meaning as the term ''battered or subjected to extreme cruelty'', as defined in section 608(a)(7)(C)(iii) of this title.

(ii) ensure that case workers and other agency personnel responsible for administering the State program funded under this part are trained in—

(I) the nature and dynamics of sexual harassment and domestic violence, sexual assault, and stalking;

(II) State standards and procedures relating to the prevention of, and assistance for, individuals who are victims of sexual harassment or survivors of domestic violence, sexual assault, or stalking; and

ASSETS FOR INDEPENDENCE

L. 107–110, title VII, §702(h), Jan. 8, 2002, 115 Stat. 1947; Pub. L. 114–95, title IX, §9215(*l*), Dec. 10, 2015, 129 Stat. 2168, provided that:

''SEC. 401. SHORT TITLE.

''This title may be cited as the 'Assets for Independence Act'.

''SEC. 402. FINDINGS.

''Congress makes the following findings:

''(1) Economic well-being does not come solely from income, spending, and consumption, but also requires savings, investment, and accumulation of assets because assets can improve economic independence and stability, connect individuals with a viable and hopeful future, stimulate development of human and other capital, and enhance the welfare of offspring.

''(2) Fully ½ of all Americans have either no, negligible, or negative assets available for investment, just as the price of entry to the economic mainstream, the cost of a house, an adequate education,

and starting a business, is increasing. Further, the household savings rate of the United States lags far behind other industrial nations, presenting a barrier to economic growth.

''(3) In the current tight fiscal environment, the United States should invest existing resources in high-yield initiatives. There is reason to believe that the financial returns, including increased income, tax revenue, and decreased welfare cash assistance, resulting from individual development accounts will far exceed the cost of investment in those accounts.

''(4) Traditional public assistance programs concentrating on income and consumption have rarely been successful in promoting and supporting the transition to increased economic self-sufficiency. Income-based domestic policy should be complemented with asset-based policy because, while income-based policies ensure that consumption needs (including food, child care, rent, clothing, and health care) are met, asset-based policies provide the means to achieve greater independence and economic well-being.

''SEC. 403. PURPOSES.

''The purposes of this title are to provide for the establishment of demonstration projects designed to determine—

''(1) the social, civic, psychological, and economic effects of providing to individuals and families with limited means an incentive to accumulate assets by saving a portion of their earned income;

''(2) the extent to which an asset-based policy that promotes saving for postsecondary education, homeownership, and microenterprise development may be used to enable individuals and families with limited means to increase their economic self-sufficiency; and

''(3) the extent to which an asset-based policy stabilizes and improves families and the community in which the families live.

''SEC. 404. DEFINITIONS.

§ 604a. Services provided by charitable, religious, or private organizations

(a) In general

(1) State options

A State may—

(A) administer and provide services under the programs described in subparagraphs (A) and (B)(i) of paragraph (2) through contracts with charitable, religious, or private organizations; and

(B) provide beneficiaries of assistance under the programs described in subparagraphs (A) and (B)(ii) of paragraph (2) with certificates, vouchers, or other forms of disbursement which are redeemable with such organizations.

(2) Programs described

The programs described in this paragraph are the following programs:

(A) A State program funded under this part (as amended by section 103(a) of this Act).

(B) Any other program established or modified under title I or II of this Act, that—

(i) permits contracts with organizations; or

(ii) permits certificates, vouchers, or other forms of disbursement to be provided to beneficiaries, as a means of providing assistance.

(b) Religious organizations

The purpose of this section is to allow States to contract with religious organizations, or to allow religious organizations to accept certificates, vouchers, or other forms of disbursement under any program described in subsection (a)(2), on the same basis as any other nongovernmental provider without impairing the religious character of such organizations, and without diminishing the religious freedom of beneficiaries of assistance funded under such program.

(c) Nondiscrimination against religious organizations

In the event a State exercises its authority under subsection (a), religious organizations are eligible, on the same basis as any other private organization, as contractors to provide assistance, or to accept certificates, vouchers, or other forms of disbursement, under any program described in subsection (a)(2) so long as the programs are implemented consistent with the Establishment Clause of the United States Constitution. Except as provided in subsection (k), neither the Federal Government nor a State receiving funds under such programs shall discriminate against an organization which is or applies to be a contractor to provide assistance, or which accepts certificates, vouchers, or other forms of disbursement, on the basis that the organization has a religious character.

(d) Religious character and freedom

(1) Religious organizations

A religious organization with a contract described in subsection (a)(1)(A), or which accepts certificates, vouchers, or other forms of disbursement under subsection (a)(1)(B), shall retain its independence from Federal, State, and local governments, including such organization's control over the definition, development, practice, and expression of its religious beliefs.

(2) Additional safeguards

Neither the Federal Government nor a State shall require a religious organization to—

(A) alter its form of internal governance; or

(B) remove religious art, icons, scripture, or other symbols;

in order to be eligible to contract to provide assistance, or to accept certificates, vouchers, or other forms of disbursement, funded under a program described in subsection (a)(2).

(e) Rights of beneficiaries of assistance

(1) In general

If an individual described in paragraph (2) has an objection to the religious character of the organization or institution from which the individual receives, or would receive, assistance funded under any program described in subsection (a)(2), the State in which the individual resides shall provide such individual (if otherwise eligible for such assistance) within a reasonable period of time after the date of such objection with assistance from an alternative provider that is accessible to the individual and the value of which is not less than the value of the assistance which the individual would have received from such organization.

(2) Individual described

An individual described in this paragraph is an individual who receives, applies for, or requests to apply for, assistance under a program described in subsection (a)(2).

(f) Employment practices

A religious organization's exemption provided under section 2000e–1 of this title regarding employment practices shall not be affected by its participation in, or receipt of funds from, programs described in subsection (a)(2).

(g) Nondiscrimination against beneficiaries

Except as otherwise provided in law, a religious organization shall not discriminate against an individual in regard to rendering as-

sistance funded under any program described in subsection (a)(2) on the basis of religion, a religious belief, or refusal to actively participate in a religious practice.

(h) Fiscal accountability

(1) In general

Except as provided in paragraph (2), any religious organization contracting to provide assistance funded under any program described in subsection (a)(2) shall be subject to the same regulations as other contractors to account in accord with generally accepted auditing principles for the use of such funds provided under such programs.

(2) Limited audit

If such organization segregates Federal funds provided under such programs into separate accounts, then only the financial assistance provided with such funds shall be subject to audit.

(i) Compliance

Any party which seeks to enforce its rights under this section may assert a civil action for injunctive relief exclusively in an appropriate State court against the entity or agency that allegedly commits such violation.

(j) Limitations on use of funds for certain purposes

No funds provided directly to institutions or organizations to provide services and administer programs under subsection (a)(1)(A) shall be expended for sectarian worship, instruction, or proselytization.

(k) Preemption

Nothing in this section shall be construed to preempt any provision of a State constitution or State statute that prohibits or restricts the expenditure of State funds in or by religious organizations.

ance under the State program funded under this part or any other State program funded with qualified State expenditures (as defined in section 609(a)(7)(B)(i) of this title):

If the fiscal year is:	The minimum participation rate is:

1999	35
2000	40
2001	45
2002 or thereafter	50.

(2) 2-parent families

A State to which a grant is made under section 603 of this title for a fiscal year shall achieve the minimum participation rate specified in the following table for the fiscal year with respect to 2-parent families receiving assistance under the State program funded under this part or any other State program funded with qualified State expenditures (as defined in section 609(a)(7)(B)(i) of this title):

If the fiscal year is:	The minimum participation rate is:
1997	75
1998	75
1999 or thereafter	90.

(b) Calculation of participation rates

(1) All families

(A) Average monthly rate

For purposes of subsection (a)(1), the participation rate for all families of a State for a fiscal year is the average of the participation rates for all families of the State for each month in the fiscal year.

(B) Monthly participation rates

The participation rate of a State for all families of the State for a month, expressed as a percentage, is—

(i) the number of families receiving assistance under the State program funded under this part or any other State program funded with qualified State expenditures (as defined in section 609(a)(7)(B)(i) of this title) that include an adult or a minor child head of household who is engaged in work for the month; divided by

(ii) the amount by which—

(I) the number of families receiving such assistance during the month that include an adult or a minor child head of household receiving such assistance; exceeds

(II) the number of families receiving such assistance that are subject in such month to a penalty described in subsection (e)(1) but have not been subject to such penalty for more than 3 months within the preceding 12-month period (whether or not consecutive).

(2) 2-parent families

(A) Average monthly rate

For purposes of subsection (a)(2), the participation rate for 2-parent families of a State for a fiscal year is the average of the participation rates for 2-parent families of the State for each month in the fiscal year.

(B) Monthly participation rates

The participation rate of a State for 2-parent families of the State for a month shall be calculated by use of the formula set forth in paragraph (1)(B), except that in the formula the term ''number of 2-parent families'' shall be substituted for the term ''number of families'' each place such latter term appears.

(C) Family with a disabled parent not treated as a 2-parent family

A family that includes a disabled parent shall not be considered a 2-parent family for purposes of subsections (a) and (b) of this section.

(3) Pro rata reduction of participation rate due to caseload reductions not required by Federal law and not resulting from changes in State eligibility criteria

(A) In general

The Secretary shall prescribe regulations for reducing the minimum participation rate otherwise required by this section for a fiscal year by the number of percentage points equal to the number of percentage points (if any) by which—

(i) the average monthly number of families receiving assistance during the immediately preceding fiscal year under the State program funded under this part or any other State program funded with qualified State expenditures (as defined in section 609(a)(7)(B)(i) of this title) is less than

(ii) the average monthly number of families that received assistance under any State program referred to in clause (i) during fiscal year 2005.

The minimum participation rate shall not be reduced to the extent that the Secretary determines that the reduction in the number of families receiving such assistance is required by Federal law.

(B) Eligibility changes not counted

The regulations required by subparagraph (A) shall not take into account families that are diverted from a State program funded under this part as a result of differences in eligibility criteria under a State program funded under this part and the eligibility criteria in effect during fiscal year 2005. Such regulations shall place the burden on the Secretary to prove that such families were diverted as a direct result of differences in such eligibility criteria.

(4) State option to include individuals receiving assistance under a tribal family assistance plan or tribal work program

For purposes of paragraphs (1)(B) and (2)(B), a State may, at its option, include families in the State that are receiving assistance under a tribal family assistance plan approved under section 612 of this title or under a tribal work program to which funds are provided under this part.

(5) State option for participation requirement exemptions

For any fiscal year, a State may, at its option, not require an individual who is a single custodial parent caring for a child who has not attained 12 months of age to engage in work, and may disregard such an individual in determining the participation rates under subsection (a) for not more than 12 months.

(c) Engaged in work

(1) General rules

(A) All families

For purposes of subsection (b)(1)(B)(i), a recipient is engaged in work for a month in a fiscal year if the recipient is participating in work activities for at least the minimum average number of hours per week specified in the following table during the month, not fewer than 20 hours per week of which are attributable to an activity described in paragraph (1), (2), (3), (4), (5), (6), (7), (8), or (12) of subsection (d), subject to this subsection:

If the month is in fiscal year:	The minimum average number of hours per week is:
1997	20
1998	20
1999	25

(ii) if the family of the individual receives federally-funded child care assistance and an adult in the family is not disabled or caring for a severely disabled child, the individual and the other parent in the family are participating in work activities for a total of at least 55 hours per week during the month, not fewer than 50 hours per week of which are attributable to an activity described in paragraph (1), (2), (3), (4), (5), (6), (7), (8), or (12) of subsection (d).

(2) Limitations and special rules

(A) Number of weeks for which job search counts as work

(i) Limitation

Notwithstanding paragraph (1) of this subsection, an individual shall not be considered to be engaged in work by virtue of participation in an activity described in subsection (d)(6) of a State program funded under this part or any other State program funded with qualified State expenditures (as defined in section 609(a)(7)(B)(i) of this title), after the individual has participated in such an activity for 6 weeks (or, if the unemployment rate of the State is at least 50 percent greater than the unemployment rate of the United States or the State is a needy State (within the meaning of section 603(b)(5) of this title), 12 weeks), or if the participation is for a week that immediately follows 4 consecutive weeks of such participation.

(ii) Limited authority to count less than full week of participation

For purposes of clause (i) of this subparagraph, on not more than 1 occasion per individual, the State shall consider participation of the individual in an activity described in subsection (d)(6) for 3 or 4 days during a week as a week of participation in the activity by the individual.

(B) Single parent or relative with child under age 6 deemed to be meeting work participation requirements if parent or relative is engaged in work for 20 hours per week

For purposes of determining monthly participation rates under subsection (b)(1)(B)(i), a recipient who is the only parent or caretaker relative in the family of a child who has not attained 6 years of age is deemed to be engaged in work for a month if the recipient is engaged in work for an average of at least 20 hours per week during the month.

(C) Single teen head of household or married teen who maintains satisfactory school attendance deemed to be meeting work participation requirements

For purposes of determining monthly participation rates under subsection (b)(1)(B)(i), a recipient who is married or a head of household and has not attained 20 years of age is deemed to be engaged in work for a month in a fiscal year if the recipient—

(i) maintains satisfactory attendance at secondary school or the equivalent during the month; or

(ii) participates in education directly related to employment for an average of at least 20 hours per week during the month.

(D) Limitation on number of persons who may be treated as engaged in work by reason of participation in educational activities

For purposes of determining monthly participation rates under paragraphs (1)(B)(i) and (2)(B) of subsection (b), not more than 30 percent of the number of individuals in all families and in 2-parent families, respectively, in a State who are treated as engaged in work for a month may consist of individuals who are determined to be engaged in work for the month by reason of participation in vocational educational training, or (if the month is in fiscal year 2000 or thereafter) deemed to be engaged in work for the month by reason of subparagraph (C) of this paragraph.

(d) "Work activities" defined

As used in this section, the term ''work activities'' means—

(1) unsubsidized employment;
(2) subsidized private sector employment;
(3) subsidized public sector employment;

(e) Penalties against individuals

(1) In general

Except as provided in paragraph (2), if an individual in a family receiving assistance under the State program funded under this part or any other State program funded with qualified State expenditures (as defined in section 609(a)(7)(B)(i) of this title) refuses to engage in work required in accordance with this section, the State shall—

(B) terminate such assistance,

subject to such good cause and other exceptions as the State may establish.

(2) Exception

Notwithstanding paragraph (1), a State may not reduce or terminate assistance under the State program funded under this part or any other State program funded with qualified State expenditures (as defined in section 609(a)(7)(B)(i) of this title) based on a refusal of an individual to engage in work required in accordance with this section if the individual is a single custodial parent caring for a child who has not attained 6 years of age, and the individual proves that the individual has a demonstrated inability (as determined by the State) to obtain needed child care, for 1 or more of the following reasons:

(A) Unavailability of appropriate child care within a reasonable distance from the individual's home or work site.

(B) Unavailability or unsuitability of informal child care by a relative or under other arrangements.

(C) Unavailability of appropriate and affordable formal child care arrangements.

(f) Nondisplacement in work activities

(1) In general

Subject to paragraph (2), an adult in a family receiving assistance under a State program funded under this part attributable to funds provided by the Federal Government may fill a vacant employment position in order to engage in a work activity described in subsection (d).

(2) No filling of certain vacancies

No adult in a work activity described in subsection (d) which is funded, in whole or in part, by funds provided by the Federal Government shall be employed or assigned—

(A) when any other individual is on layoff from the same or any substantially equivalent job; or

(3) Grievance procedure

A State with a program funded under this part shall establish and maintain a grievance procedure for resolving complaints of alleged violations of paragraph (2).

(4) No preemption

Nothing in this subsection shall preempt or supersede any provision of State or local law that provides greater protection for employees from displacement.

(g) Sense of Congress

It is the sense of the Congress that in complying with this section, each State that operates a program funded under this part is encouraged to assign the highest priority to requiring adults in 2-parent families and adults in single-parent families that include older preschool or school-age children to be engaged in work activities.

(h) Sense of Congress that States should impose certain requirements on noncustodial, nonsupporting minor parents

It is the sense of the Congress that the States should require noncustodial, nonsupporting parents who have not attained 18 years of age to fulfill community work obligations and attend appropriate parenting or money management classes after school.

(i) Verification of work and work-eligible individuals in order to implement reforms

(1) Secretarial direction and oversight

(IV) the circumstances under which a parent who resides with a child who is a recipient of assistance should be included in the work participation rates.

(ii) Issuance of regulations on an interim final basis

The regulations referred to in clause (i) may be effective and final immediately on an interim basis as of the date of publication of the regulations. If the Secretary provides for an interim final regulation, the Secretary shall provide for a period of public comment on the regulation after the date of publication. The Secretary may change or revise the regulation after the public comment period.

(B) Oversight of State procedures

The Secretary shall review the State procedures established in accordance with paragraph (2) to ensure that such procedures are consistent with the regulations promulgated under subparagraph (A) and are adequate to ensure an accurate measurement of work participation under the State programs funded under this part and any other State programs funded with qualified State expenditures (as so defined).

(2) Requirement for States to establish and maintain work participation verification procedures

Not later than September 30, 2006, a State to which a grant is made under section 603 of this title shall establish procedures for determining, with respect to recipients of assistance under the State program funded under this part or under any State programs funded with qualified State expenditures (as so defined), whether activities may be counted as work activities, how to count and verify reported hours of work, and who is a work-eligible individual, in accordance with the regulations promulgated pursuant to paragraph (1)(A)(i) and shall establish internal controls to ensure compliance with the procedures.

The term ''applicable percentage'' means 80 percent (or, if the State meets the requirements of section 607(a) of this title, 75 percent).

(iii) Historic State expenditures

The term ''historic State expenditures'' means, with respect to a State, the lesser of—

(I) the expenditures by the State under parts A and F (as in effect during fiscal year 1994) for fiscal year 1994; or

(v) Source of data

In determining expenditures by a State for fiscal years 1994 and 1995, the Secretary

shall use information which was reported by the State on ACF Form 231 or (in the case of expenditures under part F) ACF Form 331, available as of the dates specified in clauses (ii) and (iii) of section 603(a)(1)(D)[1] of this title.

(ii) to have submitted incomplete or unreliable data pursuant to section 654(15)(B) of this title shall be determined to have submitted adequate data only if the Secretary determines that the extent of the incompleteness or unreliability of the data is of a technical nature which does not adversely affect the determination of the level of the State's paternity establishment percentages (as defined under section 652(g)(2) of this title) or other performance measures that may be established by the Secretary.

If the State fails during such succeeding fiscal year to make the expenditure required by the preceding sentence from its own funds, the Secretary may reduce the grant payable to the State under section 603(a)(1) of this title for the fiscal year that follows such succeeding fiscal year by an amount equal to the sum of—

(A) not more than 2 percent of the State family assistance grant; and

(B) the amount of the expenditure required by the preceding sentence.

(13) Penalty for failure of State to maintain historic effort during year in which welfare-to-work grant is received

If a grant is made to a State under section 603(a)(5)(A) of this title for a fiscal year and paragraph (7) of this subsection requires the grant payable to the State under section 603(a)(1) of this title to be reduced for the immediately succeeding fiscal year, then the Secretary shall reduce the grant payable to the State under section 603(a)(1) of this title for such succeeding fiscal year by the amount of the grant made to the State under section 603(a)(5)(A) of this title for the fiscal year.

(b) Reasonable cause exception

(1) In general

The Secretary may not impose a penalty on a State under subsection (a) with respect to a requirement if the Secretary determines that the State has reasonable cause for failing to comply with the requirement.

(c) Corrective compliance plan

(1) In general

(A) Notification of violation

Before imposing a penalty against a State under subsection (a) with respect to a violation of this part, the Secretary shall notify the State of the violation and allow the State the opportunity to enter into a corrective compliance plan in accordance with this subsection which outlines how the State will correct or discontinue, as appropriate, the violation and how the State will insure continuing compliance with this part.

(B) 60-day period to propose a corrective compliance plan

(2) Effect of correcting or discontinuing violation

The Secretary may not impose any penalty under subsection (a) with respect to any violation covered by a State corrective compliance plan accepted by the Secretary if the State corrects or discontinues, as appropriate, the violation pursuant to the plan.

(3) Effect of failing to correct or discontinue violation

The Secretary shall assess some or all of a penalty imposed on a State under subsection (a) with respect to a violation if the State does not, in a timely manner, correct or discontinue, as appropriate, the violation pursuant to a State corrective compliance plan accepted by the Secretary.

(4) Inapplicability to certain penalties

This subsection shall not apply to the imposition of a penalty against a State under paragraph (2)(B), (6), (7), (8), (10), (12), (13), or (16) of subsection (a).

(1) In general

The Secretary shall carry out a pilot program under which the Secretary may select up to 5 States to which a grant is made under section 603(a) of this title for a fiscal year to negotiate performance benchmarks for work and family outcomes for recipients of assistance under the State program funded under this part, and programs funded with qualified State expenditures. (C) other indicators of family stability and well-being as established by the Secretary.

(2) Level of performance benchmark

The Secretary and a State selected under paragraph (1) shall agree to the requisite level of per-

formance on these benchmarks after developing baseline data in the State and comparative data in other States.

(3) Failure of State to meet benchmark

If a State fails to meet a measured benchmark standard agreed to under paragraph (2) for 2 successive fiscal years, the State, in order to continue in the pilot shall enter into a plan with the Secretary to achieve the required level of performance or, if mutually agreed to, adjust the benchmark based on new information about the feasibility of meeting such benchmark.

(4) Duration

The pilot under this subsection shall be in effect for 6 fiscal years, with one year to establish benchmark data and negotiate targets and five years to measure performance against the targets, and shall supersede the requirements under section 607 of this title for such fiscal years, notwithstanding any other provision of law.

§ 618. Funding for child care

(a) General child care entitlement

(1) General entitlement

Subject to the amount appropriated under paragraph (3), each State shall, for the purpose of providing child care assistance, be entitled to payments under a grant under this subsection for a fiscal year in an amount equal to the greater of—

(A) the total amount required to be paid to the State under section 603 of this title for fiscal year 1994 or 1995 (whichever is greater) with respect to expenditures for child care under subsections (g) and (i) of section 602 of this title (as in effect before October 1, 1995); or

(B) the average of the total amounts required to be paid to the State for fiscal years 1992 through 1994 under the subsections referred to in subparagraph (A).

(2) Remainder

(A) Grants

The Secretary shall use any amounts appropriated for a fiscal year under paragraph (3)(A), after grants are awarded under paragraph (1), to make grants to States under this paragraph.

(B) Allotments to States

The total amount available for payments to States under this paragraph, as determined under subparagraph (A), shall be allotted among the States based on the formula used for determining the amount of

Federal payments to each State under section 603(n) of this title (as in effect before October 1, 1995).

(C) Federal matching of State expenditures exceeding historical expenditures

The Secretary shall pay to each eligible State for a fiscal year an amount equal to the lesser of the State's allotment under subparagraph (B) or the Federal medical assistance percentage for the State for the fiscal year (as defined in section 1396d(b) of this title, as such section was in effect on September 30, 1995) of so much of the State's expenditures for child care in that fiscal year as exceed the total amount of expenditures by the State (including expenditures from amounts made available from Federal funds) in fiscal year 1994 or 1995 (whichever is greater) for the programs described in paragraph (1)(A).

(D) Redistribution

(i) In general

With respect to any fiscal year, if the Secretary determines (in accordance with clause (ii)) that any amounts allotted to a State under this paragraph for such fiscal year will not be used by such State during such fiscal year for carrying out the purpose for which such amounts are allotted, the Secretary shall make such amounts available in the subsequent fiscal year for carrying out such purpose to one or more States which apply for such funds to the extent the Secretary determines that such States will be able to use such additional amounts for carrying out such purpose. Such available amounts shall be redistributed to a State pursuant to section 603(n) of this title (as such section was in effect before October 1, 1995) by substituting ''the number of children residing in all States applying for such funds'' for ''the number of children residing in the United States in the second preceding fiscal year''.

(ii) Time of determination and distribution

The determination of the Secretary under clause (i) for a fiscal year shall be made not later than the end of the first quarter of the subsequent fiscal year. The redistribution of amounts under clause (i) shall be made as close as practicable to the date on which such determination is made. Any amount made available to a State from an appropriation for a fiscal year in accordance with this subparagraph shall, for purposes of this part, be regarded as part of such State's payment (as determined under this subsection) for the fiscal year in which the redistribution is made.

The Secretary shall use the amounts made available by paragraph (3)(C) to make grants to the territories under this paragraph.

(B) Allotments

The amount described in subparagraph (A) shall be allotted among the territories in proportion to their respective needs.

(C) Redistribution

The 1st sentence of clause (i) and clause (ii) of paragraph (2)(D) shall apply with respect to the amounts allotted to the territories under this paragraph, except that the 2nd sentence of paragraph (2)(D) shall not apply and the amounts allotted to the territories that are available for redistribution for a fiscal year shall be redistributed to each territory that applies for the additional amounts, to the extent that the Secretary determines that the territory will be able to use the additional amounts to provide child care assistance, in an amount that bears the same ratio to the amount so available for redistribution as the amount allotted to the territory for the fiscal year bears to the total amount allotted to all the territories receiving redistributed funds under this paragraph for the fiscal year.

(D) Inapplicability of payment limitation

Section 1308(a) of this title shall not apply with respect to any amount paid under this paragraph.

(b) Use of funds

Effective Date

Pub. L. 90–248, title II, § 240(e)(2), Jan. 2, 1968, 81 Stat. 915, provided that: ''Part B of title IV of the Social Security Act (as added by subsection (c) of this section) [42 U.S.C. 620 et seq.], and the amendments made by subsections (a) and (b) of this section [amending subchapter IV and enacting part A heading] shall become effective on the date this Act is enacted [Jan. 2, 1968].''

Findings

Pub. L. 109–288, § 2, Sept. 28, 2006, 120 Stat. 1233, provided that: ''The Congress finds as follows:

''(1) For Federal fiscal year 2004, child protective services (CPS) staff nationwide reported investigating or assessing an estimated 3,000,000 allegations of child maltreatment, and determined that 872,000 children had been abused or neglected by their parents or other caregivers.

''(2) Combined, the Child Welfare Services (CWS) and Promoting Safe and Stable Families (PSSF) programs provide States about $700,000,000 per year, the largest source of targeted Federal funding in the child protection system for services to ensure that children are not abused or neglected and, whenever possible, help children remain safely with their families.

''(3) A 2003 report by the Government Accountability Office (GAO) reported that little research is available on the effectiveness of activities supported by CWS funds—evaluations of services supported by PSSF funds have generally shown little or no effect.

''(4) Further, the Department of Health and Human Services recently completed initial Child and Family Service Reviews (CFSRs) in each State. No State was in full compliance with all measures of the CFSRs. The CFSRs also revealed that States need to work to prevent repeat abuse and neglect of children, improve services provided to families to reduce the risk of future harm (including by better monitoring the participation of families in services), and strengthen upfront services provided to families to prevent unnecessary family break-up and protect children who remain at home.

''(5) Federal policy should encourage States to invest their CWS and PSSF funds in services that promote and protect the welfare of children, support strong, healthy families, and reduce the reliance on out-of-home care, which will help ensure all children are raised in safe, loving families.

''(6) CFSRs also found a strong correlation between frequent caseworker visits with children and positive outcomes for these children, such as timely achievement of permanency and other indicators of child well-being.

''(7) However, a December 2005 report by the Department of Health and Human Services Office of Inspector General found that only 20 States were able to produce reports to show whether caseworkers actually visited children in foster care on at least a monthly basis, despite the fact that nearly all States had written standards suggesting monthly visits were State policy.

''(8) A 2003 GAO report found that the average tenure for a child welfare caseworker is less than 2 years and this level of turnover negatively affects safety and permanency for children.

''(9) Targeting CWS and PSSF funds to ensure children in foster care are visited on at least a monthly basis will promote better outcomes for vulnerable children, including by preventing further abuse and neglect.

''(10) According to the Office of Applied Studies of the Substance Abuse and Mental Health Services Administration, the annual number of new uses of Methamphetamine, also known as 'meth,' has increased 72 percent over the past decade. According to a study conducted by the National Association of Counties which surveyed 500 county law enforcement agencies in 45 states, 88 percent of the agencies surveyed reported increases in meth related arrests starting 5 years ago.

''(11) According to the 2004 National Survey on Drug Use and Health, nearly 12,000,000 Americans have tried methamphetamine. Meth making operations have been uncovered in all 50 states, but the most wide-spread abuse has been concentrated in the western, southwestern, and Midwestern United States.

''(12) Methamphetamine abuse is on the increase, particularly among women of child-bearing age. This is having an impact on child welfare systems in many States. According to a survey administered by the National Association of Counties ('The Impact of Meth on Children'), conducted in 300 counties in 13 states, meth is a major cause of child abuse and ne-

glect. Forty percent of all the child welfare officials in the survey reported an increase in out-of-home placements because of meth in 2005.

''(13) It is appropriate also to target PSSF funds to address this issue because of the unique strain the meth epidemic puts on child welfare agencies. Outcomes for children affected by meth are enhanced when services provided by law enforcement, child welfare and substance abuse agencies are integrated.''

Editorial Notes

REFERENCES IN TEXT

Division A of subchapter XX, referred to in subsec. (b)(1), (2), was in the original a reference to subtitle 1 of title XX, which was translated as if referring to subtitle A of title XX of the Social Security Act, to reflect the probable intent of Congress. Title XX of the Act, enacting subchapter XX of this chapter, does not contain a subtitle 1.

Section 103(d) of the Adoption Assistance and Child Welfare Act of 1980, referred to in subsec. (b)(1), is section 103(d) of Pub. L. 96–272, which is set out as a note below.

The Indian Child Welfare Act, referred to in subsec. (b)(9), probably means the Indian Child Welfare Act of 1978, Pub. L. 95–608, Nov. 8, 1978, 92 Stat. 3069, which is classified principally to chapter 21 (§ 1901 et seq.) of Title 25, Indians. For complete classification of this Act to the Code, see Short Title note set out under section 1901 of Title 25 and Tables.

§ 623. Allotments to States

(a) In general

(1) In general

Subject to paragraph (2), the sum appropriated pursuant to section 625 of this title for each fiscal year shall be allotted by the Secretary for use by cooperating State public welfare agencies which have plans developed jointly by the State agency and the Secretary as follows: The Secretary shall first allot $70,000 to each State, and shall then allot to each State an amount which bears the same ratio to the remainder of such sum as the product of (1) the population of the State under the age of twenty-one and (2) the allotment percentage of the State (as determined under this section) bears to the sum of the corresponding products of all the States.

(2) Grants to States to enhance collaboration between State child welfare and juvenile justice systems

For each fiscal year beginning with fiscal year 2023 for which the amount appropriated under section 625 of this title for the fiscal year exceeds $270,000,000—

(A) the Secretary shall reserve from such excess amount such sums as are necessary for making grants under section 628c of this title for such fiscal year; and

(B) the remainder to be applied under paragraph (1) for purposes of making allotments to States for such fiscal year shall be determined after the Secretary first allots $70,000 to each State under such paragraph and reserves such sums under subparagraph (A) of this paragraph.

(b) Determination of State allotment percentages

The ''allotment percentage'' for any State shall be 100 percent less the State percentage; and the State percentage shall be the percentage which bears the same ratio to 50 percent as the per capita income of such State bears to the per capita income of the United States; except that (1) the allotment percentage shall in no case be less than 30 percent or more than 70 percent, and (2) the allotment percentage shall be 70 percent in the case of Puerto Rico, the Virgin Islands, Guam, and American Samoa.

(c) Promulgation of State allotment percentages

The allotment percentage for each State shall be promulgated by the Secretary between October 1 and November 30 of each even-numbered year, on the basis of the average per capita income of each State and of the United States for the three most recent calendar years for which satisfactory data are available from the Department of Commerce. Such promulgation shall be conclusive for each of the two fiscal years in the period beginning October 1 next succeeding such promulgation.

(d) United States defined

For purposes of this section, the term ''United States'' means the 50 States and the District of Columbia.

(e) Reallotment of funds

(1) In general

The amount of any allotment to a State for a fiscal year under the preceding provisions of this section which the State certifies to the Secretary will not be required for carrying out the State plan developed as provided in section 622 of this title shall be available for reallotment from time to time, on such dates as the Secretary may fix, to other States which the Secretary determines—

(A) need sums in excess of the amounts allotted to such other States under the preceding provisions of this section, in carrying out their State plans so developed; and

(B) will be able to so use such excess sums during the fiscal year.

(2) Considerations

The Secretary shall make the reallotments on the basis of the State plans so developed, after taking into consideration—

(A) the population under 21 years of age;

(B) the per capita income of each of such other States as compared with the population under 21 years of age; and

(C) the per capita income of all such other States with respect to which such a determination by the Secretary has been made.

(3) Amounts reallotted to a State deemed part of State allotment

Any amount so reallotted to a State is deemed part of the allotment of the State under this section.

§ 629c. Allotments to States

(a) Indian tribes or tribal consortia

From the amount reserved pursuant to section 629f(b)(3) of this title for any fiscal year, the Secretary shall allot to each Indian tribe with a plan approved under this subpart an amount that bears the same ratio to such reserved amount as the number of children in the Indian tribe bears to the total number of children in all Indian tribes with State plans so approved, as determined by the Secretary on the basis of the most current and reliable information available to the Secretary. If a consortium of Indian tribes submits a plan approved under this subpart, the Secretary shall allot to the consortium an amount equal to the sum of the allotments determined for each Indian tribe that is part of the consortium.

(b) Territories

From the amount described in section 629f(a) of this title for any fiscal year that remains after applying section 629f(b) of this title for the fiscal year, the Secretary shall allot to each of the jurisdictions of Puerto Rico, Guam, the Virgin Islands, the Northern Mariana Islands, and American Samoa an amount determined in the same manner as the allotment to each of such jurisdictions is determined under section 623 of this title.

(c) Other States

(1) In general

From the amount described in section 629f(a) of this title for any fiscal year that remains after applying section 629f(b) of this title and subsection (b) of this section for the fiscal year, the Secretary shall allot to each State (other than an Indian tribe) which is not specified in subsection (b) of this section an amount equal to such remaining amount multiplied by the supplemental nutrition assistance program benefits percentage of the State for the fiscal year.

(2) Supplemental nutrition assistance program benefits percentage defined

(A) In general

As used in paragraph (1) of this subsection, the term ''supplemental nutrition assistance program benefits percentage'' means, with respect to a State and a fiscal year, the average monthly number of children receiving supplemental nutrition assistance program benefits in the State for months in the 3 fiscal years referred to in subparagraph (B) of this paragraph, as determined from sample surveys made under section 2025(c) of title 7, expressed as a percentage of the average monthly number of children receiving supplemental nutrition assistance program benefits in the States described in such paragraph (1) for months in such 3 fiscal years, as so determined.

(B) Fiscal years used in calculation

For purposes of the calculation pursuant to subparagraph (A), the Secretary shall use data for the 3 most recent fiscal years, preceding the fiscal year for which the State's allotment is calculated under this subsection, for which such data are available to the Secretary.

(d) Reallotments

The amount of any allotment to a State under subsection (a), (b), or (c) of this section for any fiscal year that the State certifies to the Secretary will not be required for carrying out the State plan under section 629b of this title shall be available for reallotment using the allotment methodology specified in subsection (a), (b), or (c) of this section. Any amount so reallotted to a State is deemed part of the allotment of the State under the preceding provisions of this section.

(e) Allotment of funds reserved to support monthly caseworker visits

(1) Territories

From the amount reserved pursuant to section 629f(b)(4)(A) of this title for any fiscal year, the Secretary shall allot to each jurisdiction specified in subsection (b) of this section, that has provided to the Secretary such documentation as may be necessary to verify that the jurisdiction has complied with section 629f(b)(4)(B)(ii) of this title during the fis-

cal year, an amount determined in the same manner as the allotment to each of such jurisdictions is determined under section 623 of this title (without regard to the initial allotment of $70,000 to each State).

(2) Other States

From the amount reserved pursuant to section 629f(b)(4)(A) of this title for any fiscal year that remains after applying paragraph (1) of this subsection for the fiscal year, the Secretary shall allot to each State (other than an Indian tribe) not specified in subsection (b) of this section, that has provided to the Secretary such documentation as may be necessary to verify that the State has complied with section 629f(b)(4)(B)(ii) of this title during the fiscal year, an amount equal to such remaining amount multiplied by the supplemental nutrition assistance program benefits percentage of the State (as defined in subsection (c)(2) of this section) for the fiscal year, except that in applying subsection (c)(2)(A) of this section, ''subsection (e)(2)'' shall be substituted for ''such paragraph (1)''.

(b) Coordination of evaluations

The Secretary shall develop procedures to coordinate evaluations under this section, to the extent feasible, with evaluations by the States of the effectiveness of programs under this subpart.

(c) Evaluation, research, and technical assistance with respect to targeted program resources

Of the amount reserved under section 629f(b)(1) of this title for a fiscal year, the Secretary shall use not less than—

(1) $1,000,000 for evaluations, research, and providing technical assistance with respect to supporting monthly caseworker visits with children who are in foster care under the responsibility of the State, in accordance with section 629f(b)(4)(B)(i) of this title; and

(5) establish mechanisms to ensure that postadoption services meet the needs of the individual families and develop models to reduce the disruption rates of adoption.

(e) Family recovery and reunification program replication project

(1) Purpose

The purpose of this subsection is to provide resources to the Secretary to support the conduct and evaluation of a family recovery and reunification program replication project (referred to in this subsection as the ''project'') and to determine the extent to which such programs may be appropriate for use at different intervention points (such as when a child is at risk of entering foster care or when a child is living with a guardian while a parent is in treatment). The family recovery and reunification program conducted under the project shall use a recovery coach model that is designed to help reunify families and protect children by working with parents or guardians with a substance use disorder who have temporarily lost custody of their children.

(2) Program components

The family recovery and reunification program conducted under the project shall adhere closely to the elements and protocol determined to be most effective in other recovery coaching programs that have been rigorously evaluated and shown to increase family reunification and protect children and, consistent with such elements and protocol, shall provide such items and services as—

(A) assessments to evaluate the needs of the parent or guardian;

(B) assistance in receiving the appropriate benefits to aid the parent or guardian in recovery;

(C) services to assist the parent or guardian in prioritizing issues identified in assessments, establishing goals for resolving such issues that are consistent with the goals of the treatment provider, child welfare agency, courts, and other agencies involved with the parent or guardian or their children, and making a coordinated plan for achieving such goals;

(D) home visiting services coordinated with the child welfare agency and treatment provider involved with the parent or guardian or their children;

(E) case management services to remove barriers for the parent or guardian to participate and continue in treatment, as well as to re-engage a parent or guardian who is not participating or progressing in treatment;

(F) access to services needed to monitor the parent's or guardian's compliance with program requirements;

(G) frequent reporting between the treatment provider, child welfare agency, courts, and other agencies involved with the parent or guardian or their children to ensure ap-

propriate information on the parent's or guardian's status is available to inform decision-making; and

(H) assessments and recommendations provided by a recovery coach to the child welfare caseworker responsible for documenting the parent's or guardian's progress in treatment and recovery as well as the status of other areas identified in the treatment plan for the parent or guardian, including a recommendation regarding the expected safety of the child if the child is returned to the custody of the parent or guardian that can be used by the caseworker and a court to make permanency decisions regarding the child.

(3) Responsibilities of the Secretary

(A) In general

The Secretary shall, through a grant or contract with 1 or more entities, conduct and evaluate the family recovery and reunification program under the project.

(B) Requirements

In identifying 1 or more entities to conduct the evaluation of the family recovery and reunification program, the Secretary shall—

(i) determine that the area or areas in which the program will be conducted have sufficient substance use disorder treatment providers and other resources (other than those provided with funds made available to carry out the project) to successfully conduct the program;

(ii) determine that the area or areas in which the program will be conducted have enough potential program participants, and will serve a sufficient number of parents or guardians and their children, so as to allow for the formation of a control group, evaluation results to be adequately powered, and preliminary results of the evaluation to be available within 4 years of the program's implementation;

(iii) provide the entity or entities with technical assistance for the program design, including by working with 1 or more entities that are or have been involved in recovery coaching programs that have been rigorously evaluated and shown to increase family reunification and protect children so as to make sure the program conducted under the project adheres closely to the elements and protocol determined to be most effective in such other recovery coaching programs;

(iv) assist the entity or entities in securing adequate coaching, treatment, child welfare, court, and other resources needed to successfully conduct the family recovery and reunification program under the project; and

(v) ensure the entity or entities will be able to monitor the impacts of the program in the area or areas in which it is conducted for at least 5 years after parents or guardians and their children are randomly assigned to participate in the program or to be part of the program's control group.

(4) Evaluation requirements

(A) In general

The Secretary, in consultation with the entity or entities conducting the family recovery and reunification program under the project, shall conduct an evaluation to determine whether the program has been implemented effectively and resulted in improvements for children and families. The evaluation shall have 3 components: a pilot phase, an impact study, and an implementation study.

(B) Pilot phase

The pilot phase component of the evaluation shall consist of the Secretary providing technical assistance to the entity or entities conducting the family recovery and reunification program under the project to ensure—

(i) the program's implementation adheres closely to the elements and protocol determined to be most effective in other recovery coaching programs that have been rigorously evaluated and shown to increase family reunification and protect children; and

(ii) random assignment of parents or guardians and their children to be participants in the program or to be part of the program's control group is being carried out.

(C) Impact study

The impact study component of the evaluation shall determine the impacts of the family recovery and reunification program conducted under the project on the parents and guardians and their children participating in the program. The impact study component shall—

(i) be conducted using an experimental design that uses a random assignment research methodology;

(ii) consistent with previous studies of other recovery coaching programs that have been rigorously evaluated and shown to increase family reunification and protect children, measure outcomes for parents and guardians and their children over multiple time periods, including for a period of 5 years; and

(iii) include measurements of family stability and parent, guardian, and child safety for program participants and the program control group that are consistent with measurements of such factors for participants and control groups from previous studies of other recovery coaching programs so as to allow results of the impact study to be compared with the results of such prior studies, including with respect to comparisons between program participants and the program control group regarding—

(I) safe family reunification;

(II) time to reunification;

(III) permanency (such as through measures of reunification, adoption, or placement with guardians);

(IV) safety (such as through measures of subsequent maltreatment);

(V) parental or guardian treatment persistence and engagement;

(VI) parental or guardian substance use;

(VII) juvenile delinquency;

(VIII) cost; and

(IX) other measurements agreed upon by the Secretary and the entity or entities operating the family recovery and reunification program under the project.

(D) Implementation study

The implementation study component of the evaluation shall be conducted concurrently with the conduct of the impact study component and shall include, in addition to such other information as the Secretary may determine, descriptions and analyses of—

(i) the adherence of the family recovery and reunification program conducted under the project to other recovery coaching programs that have been rigorously evaluated and shown to increase family reunification and protect children; and

(ii) the difference in services received or proposed to be received by the program participants and the program control group.

(E) Report

The Secretary shall publish on an internet website maintained by the Secretary the following information:

(i) A report on the pilot phase component of the evaluation.

(ii) A report on the impact study component of the evaluation.

(iii) A report on the implementation study component of the evaluation.

(iv) A report that includes—

(I) analyses of the extent to which the program has resulted in increased reunifications, increased permanency, case closures, net savings to the State or States involved (taking into account both costs borne by States and the Federal government), or other outcomes, or if the program did not produce such outcomes, an analysis of why the replication of the program did not yield such results;

(II) if, based on such analyses, the Secretary determines the program should be replicated, a replication plan; and

(III) such recommendations for legislation and administrative action as the Secretary determines appropriate.

(5) Appropriation

(ii) authorizing courts to obtain information and testimony from agencies and parties in other States without requiring interstate travel by the agencies and parties; and

(2) a demonstration that a portion of the grant will be used for cross-training initiatives that are jointly planned and executed with the State agency or any other agency under contract with the State to administer the State program under the State plan under subpart 1, the State plan approved under section 629d of this title, or the State plan approved under part E; and

§ 629i. Grants for programs for mentoring children of prisoners

(a) Findings and purposes

(1) Findings

(A) In the period between 1991 and 1999, the number of children with a parent incarcerated in a Federal or State correctional facility increased by more than 100 percent, from approximately 900,000 to approximately 2,000,000. In 1999, 2.1 percent of all children in the United States had a parent in Federal or State prison.

(B) Prior to incarceration, 64 percent of female prisoners and 44 percent of male prisoners in State facilities lived with their children.

(C) Nearly 90 percent of the children of incarcerated fathers live with their mothers, and 79 percent of the children of incarcerated mothers live with a grandparent or other relative.

(D) Parental arrest and confinement lead to stress, trauma, stigmatization, and separation problems for children. These problems are coupled with existing problems that include poverty, violence, parental substance abuse, high-crime environments, intrafamilial abuse, child abuse and neglect, multiple care givers, and/or prior separations. As a result, these children

often exhibit a broad variety of behavioral, emotional, health, and educational problems that are often compounded by the pain of separation.

(E) Empirical research demonstrates that mentoring is a potent force for improving children's behavior across all risk behaviors affecting health. Quality, one-on-one relationships that provide young people with caring role models for future success have profound, life-changing potential. Done right, mentoring markedly advances youths' life prospects. A widely cited 1995 study by Public/Private Ventures measured the impact of one Big Brothers Big Sisters program and found significant effects in the lives of youth—cutting first-time drug use by almost half and first-time alcohol use by about a third, reducing school absenteeism by half, cutting assaultive behavior by a third, improving parental and peer relationships, giving youth greater confidence in their school work, and improving academic performance.

(2) Purposes

The purposes of this section are to authorize the Secretary—

(A) to make competitive grants to applicants in areas with substantial numbers of children of incarcerated parents, to support the establishment or expansion and operation of programs using a network of public and private community entities to provide mentoring services for children of prisoners; and

(B) to enter into on a competitive basis a cooperative agreement to conduct a service delivery demonstration project in accordance with the requirements of subsection (g).

(b) Definitions

In this section:

(1) Children of prisoners

The term ''children of prisoners'' means children one or both of whose parents are incarcerated in a Federal, State, or local correctional facility. The term is deemed to include children who are in an ongoing mentoring relationship in a program under this section at the time of their parents' release from prison, for purposes of continued participation in the program.

(2) Mentoring

The term ''mentoring'' means a structured, managed program in which children are appropriately matched with screened and trained adult volunteers for one-on-one relationships, involving meetings and activities on a regular basis, intended to meet, in part, the child's need for involvement with a caring and supportive adult who provides a positive role model.

(3) Mentoring services

The term ''mentoring services'' means those services and activities that support a structured, managed program of mentoring, including the management by trained personnel of outreach to, and screening of, eligible children; outreach to, education and training of, and liaison with sponsoring local organizations; screening and training of adult volunteers; matching of children with suitable adult volunteer mentors; support and oversight of the mentoring relationship; and establishment of goals and evaluation of outcomes for mentored children.

(c) Program authorized

From the amounts appropriated under subsection (i) for a fiscal year that remain after applying subsection (i)(2), the Secretary shall make grants under this section for each of fiscal years 2007 through 2011 to State or local governments, tribal governments or tribal consortia, faith-based organizations, and community-based organizations in areas that have significant numbers of children of prisoners and that submit applications meeting the requirements of this section, in amounts that do not exceed $5,000,000 per grant.

(d) Application requirements

In order to be eligible for a grant under this section, the chief executive officer of the applicant must submit to the Secretary an application containing the following:

(1) Program design

(B) the name, description, and qualifications of the entity that will coordinate and oversee the activities of the mentoring network;

(C) the number of mentor-child matches proposed to be established and maintained annually under the program;

(D) such information as the Secretary may require concerning the methods to be used to recruit, screen support, and oversee individuals participating as mentors, (which methods shall include criminal background checks on the individuals), and to evaluate outcomes for participating children, including information necessary to demonstrate compliance with requirements established by the Secretary for the program; and

(E) such other information as the Secretary may require.

(2) Community consultation; coordination with other programs

A demonstration that, in developing and implementing the program, the applicant will, to the extent feasible and appropriate—

(A) consult with public and private community entities, including religious organizations, and including, as appropriate, Indian tribal organizations and urban Indian organizations, and with family members of potential clients;

(B) coordinate the programs and activities under the program with other Federal, State, and local programs serving children and youth; and

(C) consult with appropriate Federal, State, and local corrections, workforce development, and substance abuse and mental health agencies.

(3) Equal access for local service providers

An assurance that public and private entities and community organizations, including religious organizations and Indian organizations, will be eligible to participate on an equal basis.

(4) Records, reports, and audits

An agreement that the applicant will maintain such records, make such reports, and cooperate with such reviews or audits as the Secretary may find necessary for purposes of oversight of project activities and expenditures.

(5) Evaluation

An agreement that the applicant will cooperate fully with the Secretary's ongoing and final evaluation of the program under the plan, by means including providing the Secretary access to the program and program-related records and documents, staff, and grantees receiving funding under the plan.

(e) Federal share

(1) In general

A grant for a program under this section shall be available to pay a percentage share of the costs of the program up to—

(B) 50 percent for the third and each succeeding such fiscal years.

(2) Non-Federal share

The non-Federal share of the cost of projects under this section may be in cash or in kind. In determining the amount of the non-Federal share, the Secretary may attribute fair market value to goods, services, and facilities contributed from non-Federal sources.

(f) Considerations in awarding grants

In awarding grants under this section, the Secretary shall take into consideration—

(1) the qualifications and capacity of applicants and networks of organizations to effectively carry out a mentoring program under this section;

(2) the comparative severity of need for mentoring services in local areas, taking into consideration data on the numbers of children (and in particular of low-income children) with an incarcerated parents[1] (or parents) in the areas;

(3) evidence of consultation with existing youth and family service programs, as appropriate; and

(4) any other factors the Secretary may deem significant with respect to the need for or the potential success of carrying out a mentoring program under this section.

(g) Service delivery demonstration project

(1) Purpose; authority to enter into cooperative agreement

The Secretary shall enter into a cooperative agreement with an eligible entity that meets the requirements of paragraph (2) for the purpose of requiring the entity to conduct a demonstration project consistent with this subsection under which the entity shall—

(C) sets forth the security and interface requirements to be employed in such management system,

(D) describes the projected resource requirements for staff and other needs, and the resources available or expected to be available to meet such requirements,

(E) contains an implementation plan and backup procedures to handle possible failures,

(F) contains a summary of proposed improvement of such management system in terms of qualitative and quantitative benefits, and

(G) provides such other information as the Secretary determines under regulation is necessary.

(2)(A) The Secretary shall through the separate organizational unit established pursuant to subsection (a), on a continuing basis, review, assess, and inspect the planning, design, and operation of, management information systems referred to in section 654(16) of this title, with a view to determining whether, and to what extent, such systems meet and continue to meet requirements imposed under paragraph (1) and the conditions specified under section 654(16) of this title.

(B) If the Secretary finds with respect to any statewide management information system referred to in section 654(16) of this title that there is a failure substantially to comply with criteria, requirements, and other undertakings, prescribed by the advance automated data processing planning document theretofore approved by the Secretary with respect to such system, then the Secretary shall suspend his approval of such document until there is no longer any such failure of such system to comply with such criteria, requirements, and other undertakings so prescribed.

(3) The Secretary may waive any requirement of paragraph (1) or any condition specified under section 654(16) of this title, and shall waive the single statewide system requirement under sections 654(16) and 654a of this title, with respect to a State if—

(A) the State demonstrates to the satisfaction of the Secretary that the State has or can develop an alternative system or systems that enable the State—

(i) for purposes of section 609(a)(8) of this title, to achieve the paternity establishment percentages (as defined in subsection (g)(2)) and other performance measures that may be established by the Secretary;

(ii) to submit data under section 654(15)(B) of this title that is complete and reliable;

(iii) to substantially comply with the requirements of this part; and

(IV) ensure that standardized data elements, forms, and definitions are used throughout the State;

(V) complete the alternative system in no more time than it would take to complete a single statewide system that meets such requirement; and

(B)(i) the waiver meets the criteria of paragraphs (1), (2), and (3) of section 1315(c) of this title; or

(ii) the State provides assurances to the Secretary that steps will be taken to otherwise improve the State's child support enforcement program; and

(C) in the case of a request to waive the single statewide system requirement, the State has submitted to the Secretary separate estimates of the total cost of a single statewide system that meets such requirement, and of any such alternative system or systems, which shall include estimates of the cost of developing and completing the system and of operating and maintaining the system for 5 years, and the Secretary has agreed with the estimates.

(e) Technical assistance to States

The Secretary shall provide such technical assistance to States as he determines necessary to assist States to plan, design, develop, or install and provide for the security of, the management information systems referred to in section 654(16) of this title.

(f) Regulations

The Secretary shall issue regulations to require that State agencies administering the child support enforcement program under this part enforce medical support included as part of a child support order whenever health care coverage is available to the noncustodial parent at a reasonable cost. A State agency administering the program under this part may enforce medical support against a custodial parent if health care coverage is available to the custodial parent at a reasonable cost, notwithstanding any other provision of this part. Such regulation shall also provide for improved information exchange between such State agencies and the State agencies administering the State medicaid programs under subchapter XIX with respect to the availability of health insurance coverage. For purposes of this part, the term ''medical support'' may include health care coverage, such as coverage under a health insurance plan (including payment of costs of premiums, copayments, and deductibles) and payment for medical expenses incurred on behalf of a child.

(g) Performance standards for State paternity establishment programs

(1) A State's program under this part shall be found, for purposes of section 609(a)(8) of this title, not to have complied substantially with the requirements of this part unless, for any fiscal year beginning on or after October 1, 1994, its paternity establishment percentage for such fiscal year is based on reliable data and (rounded to the nearest whole percentage point) equals or exceeds—

(A) 90 percent;

(B) for a State with a paternity establishment percentage of not less than 75 percent but less than 90 percent for such fiscal year, the paternity establishment percentage of the State for the immediately preceding fiscal year plus 2 percentage points;

(C) for a State with a paternity establishment percentage of not less than 50 percent but less than 75 percent for such fiscal year, the paternity establishment percentage of the State for the immediately preceding fiscal year plus 3 percentage points;

(D) for a State with a paternity establishment percentage of not less than 45 percent but less than 50 percent for such fiscal year, the paternity establishment percentage of the State for the immediately preceding fiscal year plus 4 percentage points;

(E) for a State with a paternity establishment percentage of not less than 40 percent but less than 45 percent for such fiscal year, the paternity establishment percentage of the State for the immediately preceding fiscal year plus 5 percentage points; or

(F) for a State with a paternity establishment percentage of less than 40 percent for such fiscal year, the paternity establishment percentage of the State for the immediately preceding fiscal year plus 6 percentage points.

In determining compliance under this section, a State may use as its paternity establishment percentage either the State's IV–D paternity establishment percentage (as defined in paragraph (2)(A)) or the State's statewide paternity establishment percentage (as defined in paragraph (2)(B)).

(2) For purposes of this section—

(A) the term ''IV–D paternity establishment percentage'' means, with respect to a State for a fiscal year, the ratio (expressed as a percentage) that the total number of children—

(i) who have been born out of wedlock,

(ii)(I) except as provided in the last sentence of this paragraph, with respect to whom assistance is being provided under the State program funded under part A in the fiscal year or, at the option of the State, as of the end of such year, or (II) with respect to whom services are being provided under the State's plan approved under this part in the fiscal year or, at the option of the State, as of the end of such year pursuant to an application submitted under section 654(4)(A)(ii) of this title, and

(iii) the paternity of whom has been established or acknowledged,

bears to the total number of children born out of wedlock and (except as provided in such last sentence) with respect to whom assistance was being provided under the State program funded under part A as of the end of the preceding fiscal year or with respect to whom services were being provided under the State's plan approved under this part as of the end of the preceding fiscal year pursuant to an application submitted under section 654(4)(A)(ii) of this title;

(B) the term ''statewide paternity establishment percentage'' means, with respect to a State for a fiscal year, the ratio (expressed as a percentage) that the total number of minor children—

(i) who have been born out of wedlock, and

(ii) the paternity of whom has been established or acknowledged during the fiscal year,

bears to the total number of children born out of wedlock during the preceding fiscal year; and

(C) the term ''reliable data'' means the most recent data available which are found by the Secretary to be reliable for purposes of this section.

For purposes of subparagraphs (A) and (B), the total number of children shall not include any child with respect to whom assistance is being provided under the State program funded under part A by reason of the death of a parent unless paternity is established for such child or any child with respect to whom an applicant or recipient is found by the State to qualify for a good cause or other exception to cooperation pursuant to section 654(29) of this title.

(3)(A) The Secretary may modify the requirements of this subsection to take into account such additional variables as the Secretary identifies (including the percentage of children in a State who are born out of wedlock or for whom support has not been established) that affect the ability of a State to meet the requirements of this subsection.

(B) The Secretary shall submit an annual report to the Congress that sets forth the data upon which the paternity establishment percentages for States for a fiscal year are based, lists any additional variables the Secretary has identified under subparagraph (A), and describes State performance in establishing paternity.

(h) Prompt State response to requests for child support assistance

The standards required by subsection (a)(1) shall include standards establishing time limits governing the period or periods within which a State must accept and respond to requests (from States, jurisdictions thereof, or individuals who apply for services furnished by the State agency under this part or with respect to whom an assignment pursuant to section 608(a)(3) of this title is in effect) for assistance in establishing and enforcing support orders, including requests to locate noncustodial parents, establish paternity, and initiate proceedings to establish and collect child support awards.

(i) Prompt State distribution of amounts collected as child support

The standards required by subsection (a)(1) shall include standards establishing time limits

governing the period or periods within which a State must distribute, in accordance with section 657 of this title, amounts collected as child support pursuant to the State's plan approved under this part.

(j) Training of Federal and State staff, research and demonstration programs, and special projects of regional or national significance

Out of any money in the Treasury of the United States not otherwise appropriated, there is hereby appropriated to the Secretary for each fiscal year an amount equal to 1 percent of the total amount paid to the Federal Government pursuant to a plan approved under this part during the immediately preceding fiscal year (as determined on the basis of the most recent reliable data available to the Secretary as of the end of the third calendar quarter following the end of such preceding fiscal year) or the amount appropriated under this paragraph[1] for fiscal year 2002, whichever is greater, which shall be available for use by the Secretary, either directly or through grants, contracts, or interagency agreements, for—

(1) information dissemination and technical assistance to States, training of State and Federal staff, staffing studies, and related activities needed to improve programs under this part (including technical assistance concerning State automated systems required by this part); and

(2) research, demonstration, and special projects of regional or national significance relating to the operation of State programs under this part.

The amount appropriated under this subsection shall remain available until expended.

(k) Denial of passports for nonpayment of child support

(1) If the Secretary receives a certification by a State agency in accordance with the requirements of section 654(31) of this title that an individual owes arrearages of child support in an amount exceeding $2,500, the Secretary shall transmit such certification to the Secretary of State for action (with respect to denial, revocation, or limitation of passports) pursuant to paragraph (2).

(2) The Secretary of State shall, upon certification by the Secretary transmitted under paragraph (1), refuse to issue a passport to such individual, and may revoke, restrict, or limit a passport issued previously to such individual.

(3) The Secretary and the Secretary of State shall not be liable to an individual for any action with respect to a certification by a State agency under this section.

***(l)* Facilitation of agreements between State agencies and financial institutions**

The Secretary, through the Federal Parent Locator Service, may aid State agencies providing services under State programs operated pursuant to this part and financial institutions doing business in two or more States in reaching agreements regarding the receipt from such institutions, and the transfer to the State agencies, of information that may be provided pursuant to section 666(a)(17)(A)(i) of this title, except that any State that, as of July 16, 1998, is conducting data matches pursuant to section 666(a)(17)(A)(i) of this title shall have until January 1, 2000, to allow the Secretary to obtain such information from such institutions that are operating in the State. For purposes of section 3413(d) of title 12, a disclosure pursuant to this subsection shall be considered a disclosure pursuant to a Federal statute.

(m) Comparisons with insurance information

(1) In general

The Secretary, through the Federal Parent Locator Service, may—

(A) compare information concerning individuals owing past-due support with information maintained by insurers (or their agents) concerning insurance claims, settlements, awards, and payments; and

(B) furnish information resulting from the data matches to the State agencies responsible for collecting child support from the individuals.

§ 654. State plan for child and spousal support

A State plan for child and spousal support must—

(1) provide that it shall be in effect in all political subdivisions of the State;

(2) provide for financial participation by the State;

(3) provide for the establishment or designation of a single and separate organizational

unit, which meets such staffing and organizational requirements as the Secretary may by regulation prescribe, within the State to administer the plan;

(4) provide that the State will—

(A) provide services relating to the establishment of paternity or the establishment, modification, or enforcement of child support obligations, as appropriate, under the plan with respect to—

(i) each child for whom (I) assistance is provided under the State program funded under part A of this subchapter, (II) benefits or services for foster care maintenance are provided under the State program funded under part E of this subchapter, (III) medical assistance is provided under the State plan approved under subchapter XIX, or (IV) cooperation is required pursuant to section 2015(*l*)(1) of title 7, unless, in accordance with paragraph (29), good cause or other exceptions exist;

(ii) any other child, if an individual applies for such services with respect to the child (except that, if the individual applying for the services resides in a foreign reciprocating country or foreign treaty country, the State may opt to require the individual to request the services through the Central Authority for child support enforcement in the foreign reciprocating country or the foreign treaty country, and if the individual resides in a foreign country that is not a foreign reciprocating country or a foreign treaty country, a State may accept or reject the application); and

(B) enforce any support obligation established with respect to—

(i) a child with respect to whom the State provides services under the plan; or

(ii) the custodial parent of such a child;

(5) provide that (A) in any case in which support payments are collected for an individual with respect to whom an assignment pursuant to section 608(a)(3) of this title is effective, such payments shall be made to the State for distribution pursuant to section 657 of this title and shall not be paid directly to the family, and the individual will be notified on a monthly basis (or on a quarterly basis for so long as the Secretary determines with respect to a State that requiring such notice on a monthly basis would impose an unreasonable administrative burden) of the amount of the support payments collected, and (B) in any case in which support payments are collected for an individual pursuant to the assignment made under section 1396k of this title, such payments shall be made to the State for distribution pursuant to section 1396k of this title, except that this clause shall not apply to such payments for any month after the month in which the individual ceases to be eligible for medical assistance;

(6) provide that—

(A) services under the plan shall be made available to residents of other States on the same terms as to residents of the State submitting the plan;

(B)(i) an application fee for furnishing such services shall be imposed on an individual, other than an individual receiving assistance under a State program funded under part A or E, or under a State plan approved under subchapter XIX, or who is required by the State to cooperate with the State agency administering the program under this part pursuant to subsection (*l*) or (m) of section 2015 of title 7, and shall be paid by the individual applying for such services, or recovered from the absent parent, or paid by the State out of its own funds (the payment of which from State funds shall not be considered as an administrative cost of the State for the operation of the plan, and shall be considered income to the program), the amount of which (I) will not exceed $25 (or such higher or lower amount (which shall be uniform for all States) as the Secretary may determine to be appropriate for any fiscal year to reflect increases or decreases in administrative costs), and (II) may vary among such individuals on the basis of ability to pay (as determined by the State); and

(ii) in the case of an individual who has never received assistance under a State program funded under part A and for whom the State has collected at least $550 of support, the State shall impose an annual fee of $35 for each case in which services are furnished, which shall be retained by the State from support collected on behalf of the individual (but not from the first $550 so collected), paid by the individual applying for the services, recovered from the absent parent, or paid by the State out of its own funds (the payment of which from State funds shall not be considered as an administrative cost of the State for the operation of the plan, and the fees shall be considered income to the program);

(C) a fee of not more than $25 may be imposed in any case where the State requests the Secretary of the Treasury to withhold past-due support owed to or on behalf of such individual from a tax refund pursuant to section 664(a)(2) of this title;

(D) a fee (in accordance with regulations of the Secretary) for performing genetic tests may be imposed on any individual who is not a recipient of assistance under a State program funded under part A; and

(E) any costs in excess of the fees so imposed may be collected—

(i) from the parent who owes the child or spousal support obligation involved; or

(ii) at the option of the State, from the individual to whom such services are made available, but only if such State has in effect a procedure whereby all persons in such State having authority to order child or spousal support are informed that such costs are to be collected from the individual to whom such services were made available;

(A) all sources of information and available records; and

(B) the Federal Parent Locator Service established under section 653 of this title,

and shall, subject to the privacy safeguards required under paragraph (26), disclose only the information described in sections 653 and 663 of this title to the authorized persons specified in such sections for the purposes specified in such sections;

(9) provide that the State will, in accordance with standards prescribed by the Secretary, cooperate with any other State—

(B) in locating a noncustodial parent residing in the State (whether or not permanently) against whom any action is being taken under a program established under a plan approved under this part in another State;

(C) in securing compliance by a noncustodial parent residing in such State (whether or not permanently) with an order issued by a court of competent jurisdiction against such parent for the support and maintenance of the child or children or the parent of such child or children with respect to whom aid is being provided under the plan of such other State;

(D) in carrying out other functions required under a plan approved under this part; and

(10) provide that the State will maintain a full record of collections and disbursements made under the plan and have an adequate reporting system;

(11)(A) provide that amounts collected as support shall be distributed as provided in section 657 of this title; and

(B) provide that any payment required to be made under section 656 or 657 of this title to a family shall be made to the resident parent, legal guardian, or caretaker relative having custody of or responsibility for the child or children;

(12) provide for the establishment of procedures to require the State to provide individuals who are applying for or receiving services under the State plan, or who are parties to cases in which services are being provided under the State plan—

(A) with notice of all proceedings in which support obligations might be established or modified; and

(B) with a copy of any order establishing or modifying a child support obligation, or (in the case of a petition for modification) a notice of determination that there should be no change in the amount of the child support award, within 14 days after issuance of such order or determination;

(13) provide that the State will comply with such other requirements and standards as the Secretary determines to be necessary to the establishment of an effective program for locating noncustodial parents, establishing paternity, obtaining support orders, and collecting support payments and provide that information requests by parents who are residents of other States be treated with the same priority as requests by parents who are residents of the State submitting the plan;

(14)(A) comply with such bonding requirements, for employees who receive, disburse, handle, or have access to, cash, as the Secretary shall by regulations prescribe;

(B) maintain methods of administration which are designed to assure that persons responsible for handling cash receipts shall not participate in accounting or operating functions which would permit them to conceal in the accounting records the misuse of cash receipts (except that the Secretary shall by regulations provide for exceptions to this requirement in the case of sparsely populated areas where the hiring of unreasonable additional staff would otherwise be necessary);

(15) provide for—

(A) a process for annual reviews of and reports to the Secretary on the State program operated under the State plan approved under this part, including such information as may be necessary to measure State compliance with Federal requirements for expedited procedures, using such standards and procedures as are required by the Secretary, under which the State agency will determine the extent to which the program is operated in compliance with this part; and

(B) a process of extracting from the automated data processing system required by paragraph (16) and transmitting to the Secretary data and calculations concerning the levels of accomplishment (and rates of improvement) with respect to applicable performance indicators (including paternity establishment percentages) to the extent necessary for purposes of sections 652(g) and 658a of this title;

(16) provide for the establishment and operation by the State agency, in accordance with an (initial and annually updated) advance automated data processing planning document approved under section 652(d) of this title, of a statewide automated data processing and information retrieval system meeting the requirements of section 654a of this title designed effectively and efficiently to assist

management in the administration of the State plan, so as to control, account for, and monitor all the factors in the support enforcement collection and paternity determination process under such plan;

(17) provide that the State will have in effect an agreement with the Secretary entered into pursuant to section 663 of this title for the use of the Parent Locator Service established under section 653 of this title, and provide that the State will accept and transmit to the Secretary requests for information authorized under the provisions of the agreement to be furnished by such Service to authorized persons, will impose and collect (in accordance with regulations of the Secretary) a fee sufficient to cover the costs to the State and to the Secretary incurred by reason of such requests, will transmit to the Secretary from time to time (in accordance with such regulations) so much of the fees collected as are attributable to such costs to the Secretary so incurred, and during the period that such agreement is in effect will otherwise comply with such agreement and regulations of the Secretary with respect thereto;

(B) shall enforce any such child support obligations which are owed by such an individual but are not being met—

(i) through an agreement with such individual to have specified amounts withheld from compensation otherwise payable to such individual and by submitting a copy of any such agreement to the State agency administering the unemployment compensation law; or

(ii) in the absence of such an agreement, by bringing legal process (as defined in section 659(i)(5) of this title) to require the withholding of amounts from such compensation;

(20) provide, to the extent required by section 666 of this title, that the State (A) shall have in effect all of the laws to improve child support enforcement effectiveness which are referred to in that section, and (B) shall implement the procedures which are prescribed in or pursuant to such laws;

(21)(A) at the option of the State, impose a late payment fee on all overdue support (as defined in section 666(e) of this title) under any obligation being enforced under this part, in an amount equal to a uniform percentage determined by the State (not less than 3 percent nor more than 6 percent) of the overdue support, which shall be payable by the noncustodial parent owing the overdue support; and

(B) assure that the fee will be collected in addition to, and only after full payment of, the overdue support, and that the imposition of the late payment fee shall not directly or indirectly result in a decrease in the amount of the support which is paid to the child (or spouse) to whom, or on whose behalf, it is owed;

(22) in order for the State to be eligible to receive any incentive payments under section 658a of this title, provide that, if one or more political subdivisions of the State participate in the costs of carrying out activities under the State plan during any period, each such subdivision shall be entitled to receive an appropriate share (as determined by the State) of any such incentive payments made to the State for such period, taking into account the efficiency and effectiveness of the activities carried out under the State plan by such political subdivision;

(23) provide that the State will regularly and frequently publicize, through public service announcements, the availability of child support enforcement services under the plan and otherwise, including information as to any application fees for such services and a telephone number or postal address at which further information may be obtained and will publicize the availability and encourage the use of procedures for voluntary establishment of paternity and child support by means the State deems appropriate;

(25) provide that if a family with respect to which services are provided under the plan ceases to receive assistance under the State program funded under part A, the State shall provide appropriate notice to the family and continue to provide such services, subject to the same conditions and on the same basis as in the case of other individuals to whom services are furnished under the plan, except that an application or other request to continue services shall not be required of such a family and paragraph (6)(B) shall not apply to the family;

L. 97–248, see Tables for classification], the State plan shall not be regarded as failing to comply with the requirements of such part solely by reason of its failure to meet the requirements imposed by such amendment prior to the end of the first session of the State legislature which begins after October 1, 1982, or which began prior to October 1, 1982, and remained in session for at least twenty-five calendar days after such date. For purposes of the preceding sentence, the term 'session' means a regular, special, budget, or other session of a State legislature.''

§ 654a. Automated data processing

(a) In general

In order for a State to meet the requirements of this section, the State agency administering the State program under this part shall have in operation a single statewide automated data processing and information retrieval system which has the capability to perform the tasks specified in this section with the frequency and in the manner required by or under this part.

(b) Program management

The automated system required by this section shall perform such functions as the Secretary may specify relating to management of the State program under this part, including—

(1) controlling and accounting for use of Federal, State, and local funds in carrying out the program; and

(2) maintaining the data necessary to meet Federal reporting requirements under this part on a timely basis.

(c) Calculation of performance indicators

In order to enable the Secretary to determine the incentive payments and penalty adjustments required by sections 652(g) and 658a of this title, the State agency shall—

(1) use the automated system—

(A) to maintain the requisite data on State performance with respect to paternity establishment and child support enforcement in the State; and

(B) to calculate the paternity establishment percentage for the State for each fiscal year; and

(2) have in place systems controls to ensure the completeness and reliability of, and ready access to, the data described in paragraph (1)(A), and the accuracy of the calculations described in paragraph (1)(B).

(d) Information integrity and security

The State agency shall have in effect safeguards on the integrity, accuracy, and completeness of, access to, and use of data in the automated system required by this section, which shall include the following (in addition to such other safeguards as the Secretary may specify in regulations):

(1) Policies restricting access

Written policies concerning access to data by State agency personnel, and sharing of data with other persons, which—

(A) permit access to and use of data only to the extent necessary to carry out the State program under this part; and

(B) specify the data which may be used for particular program purposes, and the personnel permitted access to such data.

(2) Systems controls

Systems controls (such as passwords or blocking of fields) to ensure strict adherence to the policies described in paragraph (1).

(3) Monitoring of access

Routine monitoring of access to and use of the automated system, through methods such as audit trails and feedback mechanisms, to guard against and promptly identify unauthorized access or use.

(4) Training and information

Procedures to ensure that all personnel (including State and local agency staff and contractors) who may have access to or be required to use confidential program data are informed of applicable requirements and penalties (including those in section 6103 of the Internal Revenue Code of 1986), and are adequately trained in security procedures.

(5) Penalties

Administrative penalties (up to and including dismissal from employment) for unauthorized access to, or disclosure or use of, confidential data.

(e) State case registry

(1) Contents

The automated system required by this section shall include a registry (which shall be known as the ''State case registry'') that contains records with respect to—

(A) each case in which services are being provided by the State agency under the State plan approved under this part; and

(B) each support order established or modified in the State on or after October 1, 1998.

(2) Linking of local registries

The State case registry may be established by linking local case registries of support orders through an automated information network, subject to this section.

(3) Use of standardized data elements

Such records shall use standardized data elements for both parents (such as names, social security numbers and other uniform identification numbers, dates of birth, and case identification numbers), and contain such other information (such as on case status) as the Secretary may require.

(4) Payment records

Each case record in the State case registry with respect to which services are being provided under the State plan approved under this part and with respect to which a support order has been established shall include a record of—

(A) the amount of monthly (or other periodic) support owed under the order, and other amounts (including arrearages, interest or late payment penalties, and fees) due or overdue under the order;

(B) any amount described in subparagraph (A) that has been collected;

(C) the distribution of such collected amounts;

(D) the birth date and, beginning not later than October 1, 1999, the social security number, of any child for whom the order requires the provision of support; and

(E) the amount of any lien imposed with respect to the order pursuant to section 666(a)(4) of this title.

(A) information on administrative actions and administrative and judicial proceedings and orders relating to paternity and support;

(B) information obtained from comparison with Federal, State, or local sources of information;

(C) information on support collections and distributions; and

(D) any other relevant information.

(f) Information comparisons and other disclosures of information

The State shall use the automated system required by this section to extract information from (at such times, and in such standardized format or formats, as may be required by the Secretary), to share and compare information with, and to receive information from, other data bases and information comparison services, in order to obtain (or provide) information necessary to enable the State agency (or the Secretary or other State or Federal agencies) to carry out this part, subject to section 6103 of the Internal Revenue Code of 1986. Such information comparison activities shall include the following:

(1) Federal Case Registry of Child Support Orders

Furnishing to the Federal Case Registry of Child Support Orders established under sec-

tion 653(h) of this title (and update as necessary, with information including notice of expiration of orders) the minimum amount of information on child support cases recorded in the State case registry that is necessary to operate the registry (as specified by the Secretary in regulations).

(2) Federal Parent Locator Service

Exchanging information with the Federal Parent Locator Service for the purposes specified in section 653 of this title.

(3) Temporary family assistance and medicaid agencies

(g) Collection and distribution of support payments

(1) In general

The State shall use the automated system required by this section to assist and facilitate the collection and disbursement of support payments through the State disbursement unit operated under section 654b of this title, through the performance of functions, including, at a minimum—

(A) transmission of orders and notices to employers (and other debtors) for the withholding of income—

(i) within 2 business days after receipt of notice of, and the income source subject to, such withholding from a court, another State, an employer, the Federal Parent Locator Service, or another source recognized by the State;

§ 654b. Collection and disbursement of support payments

(a) State disbursement unit

(1) In general

In order for a State to meet the requirements of this section, the State agency must establish and operate a unit (which shall be known as the ''State disbursement unit'') for the collection and disbursement of payments under support orders—

(A) in all cases being enforced by the State pursuant to section 654(4) of this title; and

(B) in all cases not being enforced by the State under this part in which the support order is initially issued in the State on or after January 1, 1994, and in which the income of the noncustodial parent is subject to withholding pursuant to section 666(a)(8)(B) of this title.

(2) Operation

The State disbursement unit shall be operated—

(A) directly by the State agency (or 2 or more State agencies under a regional cooperative agreement), or (to the extent appropriate) by a contractor responsible directly to the State agency; and

(B) except in cases described in paragraph (1)(B), in coordination with the automated system established by the State pursuant to section 654a of this title.

(3) Linking of local disbursement units

The State disbursement unit may be established by linking local disbursement units through an automated information network, subject to this section, if the Secretary agrees that the system will not cost more nor take more time to establish or operate than a centralized system. In addition, employers shall be given 1 location to which income withholding is sent.

(b) Required procedures

The State disbursement unit shall use automated procedures, electronic processes, and computer-driven technology to the maximum extent feasible, efficient, and economical, for the collection and disbursement of support payments, including procedures—

(1) for receipt of payments from parents, employers, and other States, and for disbursements to custodial parents and other obligees, the State agency, and the agencies of other States;

(2) for accurate identification of payments;

(3) to ensure prompt disbursement of the custodial parent's share of any payment; and

(4) to furnish to any parent, upon request, timely information on the current status of support payments under an order requiring payments to be made by or to the parent, except that in cases described in subsection (a)(1)(B), the State disbursement unit shall not be required to convert and maintain in automated form records of payments kept pursuant to section 666(a)(8)(B)(iii) of this title before the effective date of this section.

(c) Timing of disbursements

(1) In general

Except as provided in paragraph (2), the State disbursement unit shall distribute all amounts payable under section 657(a) of this title within 2 business days after receipt from the employer or other source of periodic income, if sufficient information identifying the payee is provided. The date of collection for amounts collected and distributed under this part is the date of receipt by the State disbursement unit, except that if current support is withheld by an employer in the month when due and is received by the State disbursement unit in a month other than the month when due, the date of withholding may be deemed to be the date of collection.

(2) Permissive retention of arrearages

The State disbursement unit may delay the distribution of collections toward arrearages until the resolution of any timely appeal with respect to such arrearages.

(d) "Business day" defined

As used in this section, the term ''business day'' means a day on which State offices are open for regular business.

§ 655. Payments to States

(a) Amounts payable each quarter

(1) From the sums appropriated therefor, the Secretary shall pay to each State for each quarter an amount—

(A) equal to the percent specified in paragraph (2) of the total amounts expended by such State during such quarter for the operation of the plan approved under section 654 of this title,

(B) equal to the percent specified in paragraph (3) of the sums expended during such quarter that are attributable to the planning, design, development, installation or enhancement of an automatic data processing and information retrieval system (including in such sums the full cost of the hardware components of such system); and [1]

(C) equal to 66 percent of so much of the sums expended during such quarter as are attributable to laboratory costs incurred in determining paternity, and

(D) equal to 66 percent of the sums expended by the State during the quarter for an alternative statewide system for which a waiver has been granted under section 652(d)(3) of this title, but only to the extent that the total of the sums so expended by the State on or after July 16, 1998, does not exceed the least total cost estimate submitted by the State pursuant to section 652(d)(3)(C) of this title in the request for the waiver;

except that no amount shall be paid to any State on account of amounts expended from amounts paid to the State under section 658a of this title or to carry out an agreement which it has entered into pursuant to section 663 of this title. In determining the total amounts expended by any State during a quarter, for purposes of this subsection, there shall be excluded an amount equal to the total of any fees collected or other income resulting from services provided under the plan approved under this part.

(2) The percent applicable to quarters in a fiscal year for purposes of paragraph (1)(A) is—

(A) 70 percent for fiscal years 1984, 1985, 1986, and 1987,

(B) 68 percent for fiscal years 1988 and 1989, and

(C) 66 percent for fiscal year 1990 and each fiscal year thereafter.

(3)(A) The Secretary shall pay to each State, for each quarter in fiscal years 1996 and 1997, 90 percent of so much of the State expenditures described in paragraph (1)(B) as the Secretary finds are for a system meeting the requirements specified in section 654(16) of this title (as in effect on September 30, 1995) but limited to the amount approved for States in the advance planning documents of such States submitted on or before September 30, 1995.

(B)(i) The Secretary shall pay to each State or system described in clause (iii), for each quarter in fiscal years 1996 through 2001, the percentage specified in clause (ii) of so much of the State or system expenditures described in paragraph (1)(B) as the Secretary finds are for a system meeting the requirements of sections 654(16) and 654a of this title.

(ii) The percentage specified in this clause is 80 percent.

(iii) For purposes of clause (i), a system described in this clause is a system that has been approved by the Secretary to receive enhanced funding pursuant to the Family Support Act of 1988 (Public Law 100–485; 102 Stat. 2343) for the purpose of developing a system that meets the requirements of sections 654(16) of this title (as in effect on and after September 30, 1995) and 654a of this title, including systems that have received funding for such purpose pursuant to a waiver under section 1315(a) of this title.

(4)(A)(i) If—

(I) the Secretary determines that a State plan under section 654 of this title would (in the absence of this paragraph) be disapproved for the failure of the State to comply with a particular subparagraph of section 654(24) of this title, and that the State has made and is continuing to make a good faith effort to so comply; and

(II) the State has submitted to the Secretary a corrective compliance plan that describes how, by when, and at what cost the State will achieve such compliance, which has been approved by the Secretary,

then the Secretary shall not disapprove the State plan under section 654 of this title, and the Secretary shall reduce the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the fiscal year by the penalty amount.

(ii) All failures of a State during a fiscal year to comply with any of the requirements referred to in the same subparagraph of section 654(24) of this title shall be considered a single failure of the State to comply with that subparagraph during the fiscal year for purposes of this paragraph.

(B) In this paragraph:

(i) The term ''penalty amount'' means, with respect to a failure of a State to comply with a subparagraph of section 654(24) of this title—

(I) 4 percent of the penalty base, in the case of the first fiscal year in which such a failure by the State occurs (regardless of whether a penalty is imposed under this paragraph with respect to the failure);

(II) 8 percent of the penalty base, in the case of the second such fiscal year;

(III) 16 percent of the penalty base, in the case of the third such fiscal year;

(IV) 25 percent of the penalty base, in the case of the fourth such fiscal year; or

(V) 30 percent of the penalty base, in the case of the fifth or any subsequent such fiscal year.

[1] So in original. The ''; and'' probably should be a comma.

(ii) The term ''penalty base'' means, with respect to a failure of a State to comply with a subparagraph of section 654(24) of this title during a fiscal year, the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the preceding fiscal year.

(C)(i) The Secretary shall waive a penalty under this paragraph for any failure of a State to comply with section 654(24)(A) of this title during fiscal year 1998 if—

(I) on or before August 1, 1998, the State has submitted to the Secretary a request that the Secretary certify the State as having met the requirements of such section;

(II) the Secretary subsequently provides the certification as a result of a timely review conducted pursuant to the request; and

(III) the State has not failed such a review.

(ii) If a State with respect to which a reduction is made under this paragraph for a fiscal year with respect to a failure to comply with a subparagraph of section 654(24) of this title achieves compliance with such subparagraph by the beginning of the succeeding fiscal year, the Secretary shall increase the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the succeeding fiscal year by an amount equal to 90 percent of the reduction for the fiscal year.

(iii) The Secretary shall reduce the amount of any reduction that, in the absence of this clause, would be required to be made under this paragraph by reason of the failure of a State to achieve compliance with section 654(24)(B) of this title during the fiscal year, by an amount equal to 20 percent of the amount of the otherwise required reduction, for each State performance measure described in section 658a(b)(4) of this title with respect to which the applicable percentage under section 658a(b)(6) of this title for the fiscal year is 100 percent, if the Secretary has made the determination described in section 658a(b)(5)(B) of this title with respect to the State for the fiscal year.

(D) The Secretary may not impose a penalty under this paragraph against a State with respect to a failure to comply with section 654(24)(B) of this title for a fiscal year if the Secretary is required to impose a penalty under this paragraph against the State with respect to a failure to comply with section 654(24)(A) of this title for the fiscal year.

(5)(A)(i) If—

(I) the Secretary determines that a State plan under section 654 of this title would (in the absence of this paragraph) be disapproved for the failure of the State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title, and that the State has made and is continuing to make a good faith effort to so comply; and

(II) the State has submitted to the Secretary, not later than April 1, 2000, a corrective compliance plan that describes how, by when, and at what cost the State will achieve such compliance, which has been approved by the Secretary,

then the Secretary shall not disapprove the State plan under section 654 of this title, and the Secretary shall reduce the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the fiscal year by the penalty amount.

(ii) All failures of a State during a fiscal year to comply with any of the requirements of section 654B of this title shall be considered a single failure of the State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title during the fiscal year for purposes of this paragraph.

(B) In this paragraph:

(i) The term ''penalty amount'' means, with respect to a failure of a State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title—

(I) 4 percent of the penalty base, in the case of the 1st fiscal year in which such a failure by the State occurs (regardless of whether a penalty is imposed in that fiscal year under this paragraph with respect to the failure), except as provided in subparagraph (C)(ii) of this paragraph;

(II) 8 percent of the penalty base, in the case of the 2nd such fiscal year;

(III) 16 percent of the penalty base, in the case of the 3rd such fiscal year;

(IV) 25 percent of the penalty base, in the case of the 4th such fiscal year; or

(V) 30 percent of the penalty base, in the case of the 5th or any subsequent such fiscal year.

(ii) The term ''penalty base'' means, with respect to a failure of a State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title during a fiscal year, the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the preceding fiscal year.

(C)(i) The Secretary shall waive all penalties imposed against a State under this paragraph for any failure of the State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title if the Secretary determines that, before April 1, 2000, the State has achieved such compliance.

(ii) If a State with respect to which a reduction is required to be made under this paragraph with respect to a failure to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title achieves such compliance on or after April 1, 2000, and on or before September 30, 2000, then the penalty amount applicable to the State shall be 1 percent of the penalty base with respect to the failure involved.

(D) The Secretary may not impose a penalty under this paragraph against a State for a fiscal year for which the amount otherwise payable to the State under paragraph (1)(A) of this subsection is reduced under paragraph (4) of this subsection for failure to comply with section 654(24)(A) of this title.

(b) Estimate of amounts payable; installment payments

(1) Prior to the beginning of each quarter, the Secretary shall estimate the amount to which a State will be entitled under subsection (a) for such quarter, such estimates to be based on (A) a report filed by the State containing its estimate of the total sum to be expended in such

quarter in accordance with the provisions of such subsection, and stating the amount appropriated or made available by the State and its political subdivisions for such expenditures in such quarter, and if such amount is less than the State's proportionate share of the total sum of such estimated expenditures, the source or sources from which the difference is expected to be derived, and (B) such other investigation as the Secretary may find necessary.

(2) Subject to subsection (d), the Secretary shall then pay, in such installments as he may determine, to the State the amount so estimated, reduced or increased to the extent of any overpayment or underpayment which the Secretary determines was made under this section to such State for any prior quarter and with respect to which adjustment has not already been made under this subsection.

(3) Upon the making of any estimate by the Secretary under this subsection, any appropriations available for payments under this section shall be deemed obligated.

Upon the making of any estimate by the Secretary under the preceding sentence, any appropriations available for payments under this section are deemed obligated.

Ex. Ord. No. 12953, Feb. 27, 1995, 60 F.R. 11013, provided:

Children need and deserve the emotional and financial support of both their parents.

The Federal Government requires States and, through them, public and private employers to take actions necessary to ensure that monies in payment of child support obligations are withheld and transferred to the child's caretaker in an efficient and expeditious manner.

The Federal Government, through its civilian employees and Uniformed Services members, is the Nation's largest single employer and as such should set an example of leadership and encouragement in ensuring that all children are properly supported.

NOW, THEREFORE, by the authority vested in me as President by the Constitution and the laws of the United States of America, including section 301 of title 3, United States Code, it is hereby ordered as follows:

PART I—PURPOSE

(b) Requires all Federal agencies, including the Uniformed Services, to cooperate fully in efforts to establish paternity and child support orders and to enforce the collection of child and medical support in all situations where such actions may be required.

(c) Requires each Federal agency, including the Uniformed Services, to provide information to its employees and members about actions that they should take and services that are available to ensure that their children are provided the support to which they are legally entitled.

This review shall include, but not be limited to, issues related to withholding non-custodial parents' wages, service of legal process, activities to locate parents and their income and assets, release time to attend civil paternity and support proceedings, and health insurance coverage under the Civilian Health and Medical Program of the Uniformed Services (CHAMPUS). All relevant existing statutes, including the Soldiers['] and Sailors['] Civil Relief Act of 1940 [now Servicemembers Civil Relief Act] [50 U.S.C. 3901 et seq.], the Uniformed Services Former Spouses['] Protection Act [see Short Title of 1982 Amendment note set out under section 1401 of Title 10, Armed Forces], and the Tax Equity and Fiscal Responsibility Act of 1982 [Pub. L. 97–248, see Tables for classification], shall be reviewed and appropriate legislative modifications shall be identified.

SEC. 402. *Additional Federal Agency Actions.* (a) OPM and HHS shall jointly study and prepare recommendations concerning additional administrative, regulatory, and legislative improvements in the policies and procedures of Federal agencies affecting child support enforcement. Other agencies shall be included in the development of recommendations for specific items as appropriate. The recommendations shall address, among other things:

(i) any changes that would be needed to ensure that Federal employees comply with child support orders that require them to provide health insurance coverage for their children;

(ii) changes needed to ensure that more accurate and up-to-date data about civilian and uniformed personnel who are being sought in conjunction with State paternity or child support actions can be obtained from Federal agencies and their payroll and personnel records, to improve efforts to locate noncustodial parents and their income and assets;

(iii) changes needed for selecting Federal agencies to test and evaluate new approaches to the establishment and enforcement of child support obligations;

(iv) proposals to improve service of process for civilian employees and members of the Uniformed Services stationed outside the United States, including the possibility of serving process by certified mail in establishment and enforcement cases or of designating an agent for service of process that would have the same effect and bind employees to the same extent as actual service upon the employees;

(v) strategies to facilitate compliance with Federal and State child support requirements by quasi-governmental agencies, advisory groups, and commissions; and

(vi) analysis of whether compliance with support orders should be a factor used in defining suitability for Federal employment.

(b) The recommendations are due within 180 days of the date of this order. The recommendations are to be submitted in writing to the Office of Management and Budget.

SEC. 501. *Internal Management.* This order is intended only to improve the internal management of the executive branch with regard to child support enforcement and shall not be interpreted to create any right or benefit, substantive or procedural, enforceable at law by a party against the United States, its officers, or any other person.

SEC. 502. *Sovereignty of the United States Government.* This order is intended only to provide that the Federal Government has elected to require Federal agencies to adhere to the same standards as are applicable to all other employers in the Nation and shall not be interpreted as subjecting the Federal Government to any State law or requirement. This order should not be construed as a waiver of the sovereign immunity of the United States Government or of any existing statutory or regulatory provisions, including 42 U.S.C. 659, 662, and 665; 5 CFR Part 581; 42 CFR Part 21, Subpart C; 32 CFR Part 54; and 32 CFR Part 81.

SEC. 503. *Defense and Security.*

This order is not intended to require any action that would compromise the defense or national security interest of the United States.

§ 664. Collection of past-due support from Federal tax refunds

(a) Procedures applicable; distribution

(1) Upon receiving notice from a State agency administering a plan approved under this part that a named individual owes past-due support

which has been assigned to such State pursuant to section 608(a)(3) or section 671(a)(17) of this title, the Secretary of the Treasury shall determine whether any amounts, as refunds of Federal taxes paid, are payable to such individual (regardless of whether such individual filed a tax return as a married or unmarried individual). If the Secretary of the Treasury finds that any such amount is payable, he shall withhold from such refunds an amount equal to the past-due support, shall concurrently send notice to such individual that the withholding has been made (including in or with such notice a notification to any other person who may have filed a joint return with such individual of the steps which such other person may take in order to secure his or her proper share of the refund), and shall pay such amount to the State agency (together with notice of the individual's home address) for distribution in accordance with section 657 of this title. This subsection may be executed by the disbursing official of the Department of the Treasury.

(2)(A) Upon receiving notice from a State agency administering a plan approved under this part that a named individual owes past-due support which such State has agreed to collect under paragraph (4)(A)(ii) or (32) of section 654 of this title, and that the State agency has sent notice to such individual in accordance with paragraph (3)(A), the Secretary of the Treasury shall determine whether any amounts, as refunds of Federal taxes paid, are payable to such individual (regardless of whether such individual filed a tax return as a married or unmarried individual). If the Secretary of the Treasury finds that any such amount is payable, he shall withhold from such refunds an amount equal to such past-due support, and shall concurrently send notice to such individual that the withholding has been made, including in or with such notice a notification to any other person who may have filed a joint return with such individual of the steps which such other person may take in order to secure his or her proper share of the refund. The Secretary of the Treasury shall pay the amount withheld to the State agency, and the State shall pay to the Secretary of the Treasury any fee imposed by the Secretary of the Treasury to cover the costs of the withholding and any required notification. The State agency shall, subject to paragraph (3)(B), distribute such amount to or on behalf of the child to whom the support was owed in accordance with section 657 of this title. This subsection may be executed by the Secretary of the Department of the Treasury or his designee.

(B) This paragraph shall apply only with respect to refunds payable under section 6402 of the Internal Revenue Code of 1986 after December 31, 1985.

(3)(A) Prior to notifying the Secretary of the Treasury under paragraph (1) or (2) that an individual owes past-due support, the State shall send notice to such individual that a withholding will be made from any refund otherwise payable to such individual. The notice shall also (i) instruct the individual owing the past-due support of the steps which may be taken to contest the State's determination that past-due support is owed or the amount of the past-due support, and (ii) provide information, as may be prescribed by the Secretary of Health and Human Services by regulation in consultation with the Secretary of the Treasury, with respect to procedures to be followed, in the case of a joint return, to protect the share of the refund which may be payable to another person.

(B) If the Secretary of the Treasury determines that an amount should be withheld under paragraph (1) or (2), and that the refund from which it should be withheld is based upon a joint return, the Secretary of the Treasury shall notify the State that the withholding is being made from a refund based upon a joint return, and shall furnish to the State the names and addresses of each taxpayer filing such joint return. In the case of a withholding under paragraph (2), the State may delay distribution of the amount withheld until the State has been notified by the Secretary of the Treasury that the other person filing the joint return has received his or her proper share of the refund, but such delay may not exceed six months.

(C) If the other person filing the joint return with the named individual owing the past-due support takes appropriate action to secure his or her proper share of a refund from which a withholding was made under paragraph (1) or (2), the Secretary of the Treasury shall pay such share to such other person. The Secretary of the Treasury shall deduct the amount of such payment from amounts subsequently payable to the State agency to which the amount originally withheld from such refund was paid.

(D) In any case in which an amount was withheld under paragraph (1) or (2) and paid to a State, and the State subsequently determines that the amount certified as past-due support was in excess of the amount actually owed at the time the amount withheld is to be distributed to or on behalf of the child, the State shall pay the excess amount withheld to the named individual thought to have owed the past-due support (or, in the case of amounts withheld on the basis of a joint return, jointly to the parties filing such return).

(b) Regulations; contents, etc.

(1) The Secretary of the Treasury shall issue regulations, approved by the Secretary of Health and Human Services, prescribing the time or times at which States must submit notices of past-due support, the manner in which such notices must be submitted, and the necessary information that must be contained in or accompany the notices. The regulations shall be consistent with the provisions of subsection (a)(3), shall specify the minimum amount of past-due support to which the offset procedure established by subsection (a) may be applied, and the fee that a State must pay to reimburse the Secretary of the Treasury for the full cost of applying the offset procedure, and shall provide that the Secretary of the Treasury will advise the Secretary of Health and Human Services, not less frequently than annually, of the States which have furnished notices of past-due support under subsection (a), the number of cases in each State with respect to which such notices have been furnished, the amount of support sought to be collected under this subsection by

each State, and the amount of such collections actually made in the case of each State. Any fee paid to the Secretary of the Treasury pursuant to this subsection may be used to reimburse appropriations which bore all or part of the cost of applying such procedure.

(2) In the case of withholdings made under subsection (a)(2), the regulations promulgated pursuant to this subsection shall include the following requirements:

(A) The withholding shall apply only in the case where the State determines that the amount of the past-due support which will be owed at the time the withholding is to be made, based upon the pattern of payment of support and other enforcement actions being pursued to collect the past-due support, is equal to or greater than $500. The State may limit the $500 threshold amount to amounts of past-due support accrued since the time that the State first began to enforce the child support order involved under the State plan, and may limit the application of the withholding to past-due support accrued since such time.

(B) The fee which the Secretary of the Treasury may impose to cover the costs of the withholding and notification may not exceed $25 per case submitted.

(c) "Past-due support" defined

In this part the term ''past-due support'' means the amount of a delinquency, determined under a court order, or an order of an administrative process established under State law, for support and maintenance of a child (whether or not a minor), or of a child (whether or not a minor) and the parent with whom the child is living.

§ 665. Allotments from pay for child and spousal support owed by members of uniformed services on active duty

(a) Mandatory allotment; notice upon failure to make; amount of allotment; adjustment or discontinuance; consultation

(1) In any case in which child support payments or child and spousal support payments are owed by a member of one of the uniformed services (as defined in section 101(3) of title 37) on active duty, such member shall be required to make allotments from his pay and allowances (under chapter 13 of title 37) as payment of such support, when he has failed to make periodic payments under a support order that meets the criteria specified in section 1673(b)(1)(A) of title 15 and the resulting delinquency in such payments is in a total amount equal to the support payable for two months or longer. Failure to make such payments shall be established by notice from an authorized person (as defined in subsection (b)) to the designated official in the appropriate uniformed service. Such notice (which shall in turn be given to the affected member) shall also specify the person to whom the allotment is to be payable. The amount of the allotment shall be the amount necessary to comply with the order (which, if the order so provides, may include arrearages as well as amounts for current support), except that the amount of the allotment, together with any other amounts withheld for support from the wages of the member, as a percentage of his pay from the uniformed service, shall not exceed the limits prescribed in sections[1] 1673(b) and (c) of title 15. An allotment under this subsection shall be adjusted or discontinued upon notice from the authorized person.

(2) Notwithstanding the preceding provisions of this subsection, no action shall be taken to require an allotment from the pay and allowances of any member of one of the uniformed services under such provisions (A) until such member has had a consultation with a judge advocate of the service involved (as defined in section 801(13) of title 10), or with a judge advocate (as defined in section 801(11)[2] of such title) in the case of the Coast Guard, or with a legal officer designated by the Secretary concerned (as defined in section 101(5) of title 37) in any other case, in person, to discuss the legal and other factors involved with respect to the member's support obligation and his failure to make payments thereon, or (B) until 30 days have elapsed after the notice described in the second sentence of paragraph (1) is given to the affected member in any case where it has not been possible, despite continuing good faith efforts, to arrange such a consultation.

(b) "Authorized person" defined

For purposes of this section the term ''authorized person'' with respect to any member of the uniformed services means—

(1) any agent or attorney of a State having in effect a plan approved under this part who has the duty or authority under such plan to seek to recover any amounts owed by such member as child or child and spousal support (including, when authorized under the State plan, any official of a political subdivision); and

(2) the court which has authority to issue an order against such member for the support and maintenance of a child, or any agent of such court.

(c) Regulations

The Secretary of Defense, in the case of the Army, Navy, Air Force, and Marine Corps, and the Secretary concerned (as defined in section 101(5) of title 37) in the case of each of the other uniformed services, shall each issue regulations applicable to allotments to be made under this section, designating the officials to whom notice of failure to make support payments, or notice to discontinue or adjust an allotment, should be given, prescribing the form and content of the notice and specifying any other rules necessary for such Secretary to implement this section.

§ 666. Requirement of statutorily prescribed procedures to improve effectiveness of child support enforcement

(a) Types of procedures required

In order to satisfy section 654(20)(A) of this title, each State must have in effect laws requiring the use of the following procedures, consistent with this section and with regulations of the Secretary, to increase the effectiveness of the program which the State administers under this part:

(1)(A) Procedures described in subsection (b) for the withholding from income of amounts payable as support in cases subject to enforcement under the State plan.

(B) Procedures under which the income of a person with a support obligation imposed by a support order issued (or modified) in the State before January 1, 1994, if not otherwise subject to withholding under subsection (b), shall become subject to withholding as provided in subsection (b) if arrearages occur, without the need for a judicial or administrative hearing.

(2) Expedited administrative and judicial procedures (including the procedures specified in subsection (c)) for establishing paternity and for establishing, modifying, and enforcing support obligations. The Secretary may waive the provisions of this paragraph with respect to one or more political subdivisions within the State on the basis of the effectiveness and timeliness of support order issuance and enforcement or paternity establishment within the political subdivision (in accordance with the general rule for exemptions under subsection (d)).

(3) Procedures under which the State child support enforcement agency shall request, and the State shall provide, that for the purpose of enforcing a support order under any State plan approved under this part—

(A) any refund of State income tax which would otherwise be payable to a noncustodial parent will be reduced, after notice has been sent to that noncustodial parent of the proposed reduction and the procedures to be followed to contest it (and after full compliance with all procedural due process requirements of the State), by the amount of any overdue support owed by such noncustodial parent;

(B) the amount by which such refund is reduced shall be distributed in accordance with section 657 of this title in the case of overdue support assigned to a State pursuant to section 608(a)(3) or 671(a)(17) of this title, or, in any other case, shall be distributed, after deduction of any fees imposed by the State to cover the costs of collection, to the child or parent to whom such support is owed; and

(C) notice of the noncustodial parent's social security account number (or numbers, if he has more than one such number) and home address shall be furnished to the State agency requesting the refund offset, and to the State agency enforcing the order.

(4) LIENS.—Procedures under which—

(A) liens arise by operation of law against real and personal property for amounts of overdue support owed by a noncustodial parent who resides or owns property in the State; and

(B) the State accords full faith and credit to liens described in subparagraph (A) arising in another State, when the State agency, party, or other entity seeking to enforce such a lien complies with the procedural rules relating to recording or serving liens that arise within the State, except that such rules may not require judicial notice or hearing prior to the enforcement of such a lien.

(5) PROCEDURES CONCERNING PATERNITY ESTABLISHMENT.—

(A) ESTABLISHMENT PROCESS AVAILABLE FROM BIRTH UNTIL AGE 18.—

(i) Procedures which permit the establishment of the paternity of a child at any time before the child attains 18 years of age.

(ii) As of August 16, 1984, clause (i) shall also apply to a child for whom paternity has not been established or for whom a paternity action was brought but dismissed because a statute of limitations of less than 18 years was then in effect in the State.

(B) PROCEDURES CONCERNING GENETIC TESTING.—

(i) GENETIC TESTING REQUIRED IN CERTAIN CONTESTED CASES.—Procedures under which the State is required, in a contested paternity case (unless otherwise barred by State law) to require the child and all other parties (other than individuals found under section 654(29) of this title to have good cause and other exceptions for refusing to cooperate) to submit to genetic tests upon the request of any such party, if the request is supported by a sworn statement by the party—

(I) alleging paternity, and setting forth facts establishing a reasonable possibility of the requisite sexual contact between the parties; or

(II) denying paternity, and setting forth facts establishing a reasonable possibility of the nonexistence of sexual contact between the parties.

(ii) OTHER REQUIREMENTS.—Procedures which require the State agency, in any

case in which the agency orders genetic testing—

(I) to pay costs of such tests, subject to recoupment (if the State so elects) from the alleged father if paternity is established; and

(II) to obtain additional testing in any case if an original test result is contested, upon request and advance payment by the contestant.

(C) VOLUNTARY PATERNITY ACKNOWLEDGMENT.—

(i) SIMPLE CIVIL PROCESS.—Procedures for a simple civil process for voluntarily acknowledging paternity under which the State must provide that, before a mother and a putative father can sign an acknowledgment of paternity, the mother and the putative father must be given notice, orally, or through the use of video or audio equipment, and in writing, of the alternatives to, the legal consequences of, and the rights (including, if 1 parent is a minor, any rights afforded due to minority status) and responsibilities that arise from, signing the acknowledgment.

(ii) HOSPITAL-BASED PROGRAM.—Such procedures must include a hospital-based program for the voluntary acknowledgment of paternity focusing on the period immediately before or after the birth of a child.

(iii) PATERNITY ESTABLISHMENT SERVICES.—

(I) STATE-OFFERED SERVICES.—Such procedures must require the State agency responsible for maintaining birth records to offer voluntary paternity establishment services.

(II) REGULATIONS.—

(aa) SERVICES OFFERED BY HOSPITALS AND BIRTH RECORD AGENCIES.—The Secretary shall prescribe regulations governing voluntary paternity establishment services offered by hospitals and birth record agencies.

(bb) SERVICES OFFERED BY OTHER ENTITIES.—The Secretary shall prescribe regulations specifying the types of other entities that may offer voluntary paternity establishment services, and governing the provision of such services, which shall include a requirement that such an entity must use the same notice provisions used by, use the same materials used by, provide the personnel providing such services with the same training provided by, and evaluate the provision of such services in the same manner as the provision of such services is evaluated by, voluntary paternity establishment programs of hospitals and birth record agencies.

(iv) USE OF PATERNITY ACKNOWLEDGMENT AFFIDAVIT.—Such procedures must require the State to develop and use an affidavit for the voluntary acknowledgment of paternity which includes the minimum requirements of the affidavit specified by the Secretary under section 652(a)(7) of this title for the voluntary acknowledgment of paternity, and to give full faith and credit to such an affidavit signed in any other State according to its procedures.

(D) STATUS OF SIGNED PATERNITY ACKNOWLEDGMENT.—

(i) INCLUSION IN BIRTH RECORDS.—Procedures under which the name of the father shall be included on the record of birth of the child of unmarried parents only if—

(I) the father and mother have signed a voluntary acknowledgment of paternity; or

(II) a court or an administrative agency of competent jurisdiction has issued an adjudication of paternity.

Nothing in this clause shall preclude a State agency from obtaining an admission of paternity from the father for submission in a judicial or administrative proceeding, or prohibit the issuance of an order in a judicial or administrative proceeding which bases a legal finding of paternity on an admission of paternity by the father and any other additional showing required by State law.

(ii) LEGAL FINDING OF PATERNITY.—Procedures under which a signed voluntary acknowledgment of paternity is considered a legal finding of paternity, subject to the right of any signatory to rescind the acknowledgment within the earlier of—

(I) 60 days; or

(II) the date of an administrative or judicial proceeding relating to the child (including a proceeding to establish a support order) in which the signatory is a party.

(iii) CONTEST.—Procedures under which, after the 60-day period referred to in clause (ii), a signed voluntary acknowledgment of paternity may be challenged in court only on the basis of fraud, duress, or material mistake of fact, with the burden of proof upon the challenger, and under which the legal responsibilities (including child support obligations) of any signatory arising from the acknowledgment may not be suspended during the challenge, except for good cause shown.
