[Repealed. July 2, 1954, ch. 456, title III, §304, 68 Stat. 430. Section authorized an Administrative Assistant Secretary of Commerce.]

SEC. 4. INCIDENTAL TRANSFERS

The Secretary of Commerce may from time to time effect such transfers within the Department of Commerce of any of the records, property, personnel, and unexpended balances (available or to be made available) of appropriations, allocations, and other funds of such Department as he may deem necessary in order to carry out the provisions of this reorganization plan.

MESSAGE OF THE PRESIDENT

To the Congress of the United States:

I transmit herewith Reorganization Plan No. 5 of 1950, prepared in accordance with the Reorganization Act of 1949 and providing for reorganizations in the Department of Commerce. My reasons for transmitting this plan are stated in an accompanying general message.

After investigation I have found and hereby declare that each reorganization included in Reorganization Plan No. 5 of 1950 is necessary to accomplish one or more of the purposes set forth in section 2(a) of the Reorganization Act of 1949.

I have found and hereby declare that it is necessary to include in the accompanying reorganization plan, by reason of reorganizations made thereby, provisions for the appointment and compensation of an Administrative Assistant Secretary of Commerce. The rate of compensation fixed for this officer is that which I have found to prevail in respect of comparable officers in the executive branch of the Government.

The taking effect of the reorganizations included in this plan may not in itself result in substantial immediate savings. However, many benefits in improved operations are probable during the next years which will result in a reduction in expenditures as compared with those that would be otherwise necessary. An itemization of these reductions in advance of actual experience under this plan is not practicable.
