

- maintain worldwide operations, working closely with other nations, to suppress the trade in illicit narcotics and marihuana.
- conduct an extensive campaign of research and a nationwide public education program on drug abuse and its tragic effects.

The Plan I forward today moves in the direction recommended by two distinguished groups:

- the 1949 Hoover Commission.
- the 1963 Presidential Advisory Commission on Narcotic and Drug Abuse.

This Administration and this Congress have the will and the determination to stop the illicit traffic in drugs.

But we need more than the will and the determination. We need a modern and efficient instrument of Government to transform our plans into action. That is what this Reorganization Plan calls for.

The Plan has been prepared in accordance with chapter 9 of title 5 of the United States Code.

I have found, after investigation, that each reorganization included in the plan is necessary to accomplish one or more of the purposes set forth in section 901(a) of title 5 of the United States Code.

I have also found that, by reason of these reorganizations, it is necessary to include in the accompanying plan provisions for the appointment and compensation of the five new positions as specified in section 3 of the plan. The rates of compensation fixed for these new positions are those which I have found to prevail in respect of comparable positions in the Executive Branch of the Government.

Should the reorganization I propose take effect, they will make possible more effective and efficient administration of Federal law enforcement functions. It is not practicable at this time, however, to itemize the reduction in expenditures which may result.

I recommend that the Congress allow this urgently needed and important Reorganization Plan to become effective.

LYNDON B. JOHNSON.

MESSAGE OF THE PRESIDENT

To the Congress of the United States:

In the past few years Congress and the President have pledged to make the Nation's Capital a model of excellence for America: in government, in housing, in city planning, in law enforcement, in transportation.

But the equality of any city is not just a matter of efficiency and public order. If it is to be truly great, the city must be lively and inviting—a place of beauty and pleasure.

The city's life is lived not only in its buildings, but in its pools, playgrounds and recreation centers, in the places where the young gather to find excitement and delight, where the old come to find relaxation, fresh air, companionship.

In Washington, recreation is a vital element of the city's school enrichment activities, its model city project and its summer programs.

But the D.C. Recreation Department is not an integral part of the District Government. With its six-member independent board, the autonomy of the Department prevents the D.C. Commissioner from providing policy supervision to the city's recreation activities and from relating them to other community service programs—in health, education, child care, and conservation.

There is no reason to distinguish between recreation and other community service programs now vested in the Commissioner.

Accordingly, I am today submitting to the Congress Reorganization Plan No. 3 of 1968. This plan brings recreation programs under the authority of the D.C. Commissioner. It enables the new City Government to make recreation an integral part of its strategy to bring more and better community services to the people who live in the city.

The Plan achieves these objectives by abolishing the present Recreation Board and the Office of the Superintendent of Recreation. It transfers their functions to the D.C. Commissioner.

The accompanying reorganization plan has been prepared in accordance with chapter 9 of title 5 of the

United States Code. I have found, after investigation, that each reorganization included in the plan is necessary to accomplish one or more of the purposes set forth in section 901(a) of title 5 of the United States Code.

Closer coordination of recreation with other municipal improvement programs of the District Government and the improved efficiency of recreation management will produce a higher return on the taxpayer's investment in recreation programs, though the amount of savings cannot be estimated at this time.

I urge the Congress to permit this reorganization plan to take effect.

LYNDON B. JOHNSON.

THE WHITE HOUSE, March 13, 1968.

REORGANIZATION PLAN NO. 4 OF 1968

Eff. May 23, 1968, 33 F.R. 7749, 82 Stat. 1371

Prepared by the President and transmitted to the Senate and the House of Representatives in Congress assembled, March 13, 1968, pursuant to the provisions of chapter 9 of title 5 of the United States Code.

DISTRICT OF COLUMBIA REDEVELOPMENT LAND AGENCY

SECTION 1. APPOINTMENTS

(a) The functions of the President of the United States with respect to appointing certain members of the Board of Directors of the District of Columbia Redevelopment Land Agency (D.C. Code, sec. 5-703) are hereby transferred to the Commissioner of the District of Columbia.

(b) Nothing in this reorganization plan shall be deemed to terminate the tenure of any member of the Board of Directors of the District of Columbia Redevelopment Land Agency now in office.

SEC. 2. RELATIONSHIP OF BOARD OF DIRECTORS AND COMMISSIONER

(a) There are transferred from the Board of Directors of the District of Columbia Redevelopment Land Agency to the Commissioner of the District of Columbia the functions of adopting, prescribing, amending and repealing bylaws, rules, and regulations for the exercise of the powers of the Board under D.C. Code, secs. 5-701 to 5-719 or governing the manner in which its business may be conducted (D.C. Code, sec. 5-703(b)).

(b) Any part of the functions transferred by this section may be delegated by the Commissioner to the Board.

SEC. 3. REFERENCES TO DISTRICT OF COLUMBIA CODE

References in this reorganization plan to any provision of the District of Columbia Code are references to the provisions of statutory law codified under that provision and include the said provision as amended, modified, or supplemented prior to the effective date of this reorganization plan.

MESSAGE OF THE PRESIDENT

To the Congress of the United States:

Urban Renewal is a vital weapon in the Nation's attack on urban blight and physical decay. In the firm hands of a local executive determined to improve the face of his city, it is a powerful tool of reform.

In the District of Columbia, urban renewal is managed by a Federal Agency, the D.C. Redevelopment Land Agency, headed by an independent five-man Board of Directors. Although the District Government pays the entire local share of the costs of urban renewal and although the Commissioner of the District of Columbia appoints three of the five members of the RLA Board, the Agency need not follow the Commissioner's leadership or administrative direction.

To strengthen the D.C. Commissioner's authority to initiate and guide the administration of urban renewal, I am today transmitting to the Congress Reorganization Plan No. 4 of 1968. This plan:

—gives the D.C. Commissioner the authority to appoint all five members of the RLA Board, by transferring to him the appointment function now vested in the President;

—transfers to him the authority to prescribe the rules and regulations governing the conduct of business by RLA. This function is now vested in the Board of Directors.

Urban Renewal involves slum clearance, demolition, the relocation of families, the provision of new housing, the stimulation of rehabilitation and new employment. Throughout the Nation, it is clear that authority and leadership by the local chief executive is essential to weld together the full range of municipal functions and community service programs to change conditions in city slums.

In our Capital City the hopes for a balanced New Town and new housing development on the Fort Lincoln site in Northeast Washington, the rebuilding of the Shaw neighborhood, and a successful Model Cities program hinge on the leadership of the D.C. Commissioner. Members of the Congress have repeatedly stressed the need to establish the Commissioner's effective control of all functions essential to local redevelopment. The attached plan takes a major step toward that objective.

The Plan does not alter the corporate status of the Redevelopment Land Agency or any of the authorities now vested by law in the Agency.

The accompanying reorganization plan has been prepared in accordance with chapter 9 of title 5 of the United States Code. I have found, after investigation, that each reorganization included in the plan is necessary to accomplish one or more of the purposes set forth in section 901(a) of title 5 of the United States Code.

There are no direct savings deriving from this plan. However, it will improve the management of programs aimed at reviving the deteriorated social, economic, and physical structure of this city, our National Capital. The benefits and savings from a more successful attack on these problems cannot be estimated in advance, but their reality cannot be denied.

To achieve our goal of a model Capital, I therefore urge the Congress to permit this reorganization plan to take effect.
