1967 ACT

This section amends section 902 of title 5, United States Code, so as to preserve the application of the source statute for section 902 (sec. 7 of the Reorganization Act of 1949). In the codification of title 5 by Public Law 89–554, that application was inadvertently restricted due to the operation of section 2104 of title 5, providing a title-wide definition of “officer.” Briefly, that section defines “officer” as a civil appointive officer of the Federal Government. In the Reorganization Act of 1949, the word “officer” was not defined, and has been construed to include not only civil appointive officers, but uniformed officers, the President, and officers
