DELEGATION OF FUNCTIONS

For designation of agencies to perform functions of President under subsec. (g) of this section, see Ex. Ord. No. 12748, § 1, Feb. 1, 1991, 56 F.R. 4521, eff. Feb. 3, 1991, set out as a note under section 5301 of this title.

§ 5304. Locality-based comparability payments

(a) Pay disparities shall be identified and reduced as follows:

(1) Comparability payments shall be payable within each locality determined to have a pay disparity greater than 5 percent.

(2)(A) The localities having pay disparities, and the size of those disparities, shall, for purposes of any comparability payment scheduled to take effect in any calendar year, be determined in accordance with the appropriate report, as prepared and submitted to the President under subsection (d)(1) for purposes of such calendar year.

(B) Any computation necessary to determine the size of the comparability payment to become payable for any locality in a year (as well as any determination as to the size of any pay disparity remaining after that comparability payment is made) shall likewise be made using data contained in the appropriate report (described in subparagraph (A)) so prepared and submitted for purposes of such calendar year.

(3) Subject to paragraph (4), the amount of the comparability payments payable under this subsection in a calendar year within any locality in which a comparability payment is payable shall be computed using such percentage as the President determines for such locality under subsection (d)(2), except that—

(A) the percentage for the first calendar year in which any amounts are payable under this section may not be less than $\frac{1}{2}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

(B) the percentage for the second calendar year in which any amounts are payable under this section may not be less than $\frac{3}{10}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

(C) the percentage for the third calendar year in which any amounts are payable under this section may not be less than $\frac{2}{5}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

(D) the percentage for the fourth calendar year in which any amounts are payable under this section may not be less than $\frac{1}{2}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

(E) the percentage for the fifth calendar year in which any amounts are payable under this section may not be less than $\frac{3}{5}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

(F) the percentage for the sixth calendar year in which any amounts are payable under this section may not be less than $\frac{7}{10}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

(G) the percentage for the seventh calendar year in which any amounts are payable under this section may not be less than $\frac{4}{5}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

(H) the percentage for the eighth calendar year in which any amounts are payable under this section may not be less than $\frac{9}{10}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent; and

(I) the percentage for the ninth calendar year in which any amounts are payable under this section, and any year thereafter, may not be less than the full amount nec-

essary to reduce the pay disparity of the locality involved to 5 percent.

(4) Nothing in this section shall be considered to preclude the President, in his discretion, from adjusting comparability payments to a level higher than the minimum level otherwise required in a calendar year, including to the level necessary to eliminate a locality's pay disparity completely.

(b) After the ninth calendar year (referred to in subsection (a)(3)(I)), the level of comparability payments payable within such locality may be reduced for any subsequent calendar year, but only if, or to the extent that, the reduction would not immediately create another pay disparity in excess of 5 percent within the locality (taking into consideration any comparability payments remaining payable).

(c)(1) The amount of the comparability payment payable within any particular locality during a calendar year—

(A) shall be stated as a single percentage, which shall be uniformly applicable to General Schedule positions within the locality; and

(B) shall, for any employee entitled to receive a comparability payment, be computed by applying that percentage to such employee's scheduled rate of basic pay (or, if lower due to a limitation on the rate payable, the rate actually payable), subject to subsection (g).

(2) A comparability payment—

(A) shall be considered to be part of basic pay for purposes of retirement under chapter 83 or 84, as applicable, life insurance under chapter 87, and premium pay under subchapter V of chapter 55, and for such other purposes as may be expressly provided for by law or as the Office of Personnel Management may by regulation prescribe; and

(B) shall be paid in the same manner and at the same time as the basic pay payable to such employee pursuant to any provision of law outside of this section.

(3) Nothing in this subchapter shall be considered to permit or require that any portion of a comparability payment be taken into account for purposes of any adjustment under section 5303.

(4)(A) Only employees receiving scheduled rates of basic pay (subject to any pay limitation which may apply) shall be eligible for comparability payments under this section.

(B) Comparability payments shall not be payable for service performed in any position which may not, under subsection (f)(1)(A), be included within a pay locality.

(d) In order to carry out this section, the President shall—

(1) direct such agent as he considers appropriate to prepare and submit to him annually, after considering such views and recommendations as may be submitted under subsection (e) (but not later than 13 months before the start of the calendar year for purposes of which it is prepared), a report that—

(C) makes recommendations for appropriate comparability payments, in conformance with applicable requirements of this section; and

(D) includes the views and recommendations submitted under subsection (e);

(2) after considering the report of his agent (including the views and recommendations referred to in subsection (e)(2)(C), provide for or adjust comparability payments in conformance with applicable requirements of this section, effective as of the beginning of the first applicable pay period commencing on or after January 1 of the applicable year; and

(3) transmit to Congress a report of the actions taken under paragraph (2) (together with a copy of the report submitted to him by his agent, including the views and recommendations referred to in subsection (e)(2)(C)) which shall—

(A) identify each pay locality;

(B) specify which localities have pay disparities in excess of 5 percent, and the size of the disparity existing in each of those localities, according to the pay agent's most recent report under paragraph (1) (before and after taking into consideration any comparability payments payable); and

(C) indicate the size of the respective comparability payments (expressed as percentages) which will be in effect under paragraph (2) for the various pay localities specified under subparagraph (B) for the applicable calendar year.

(e)(1) The President shall establish a Federal Salary Council of 9 members, of whom—

(A) 3 shall be chosen from among persons generally recognized for their impartiality, knowledge, and experience in the field of labor relations and pay policy; and

(B) 6 shall be representatives of employee organizations which represent substantial numbers of employees holding General Schedule positions, and who shall be selected giving due consideration to such factors as the relative numbers of employees represented by the various organizations, except that not more than 3 members of the Council at any one time shall be from a single employee organization, council, federation, alliance, association, or affiliation of employee organizations.

Members of the Council shall not receive pay by reason of their service on the Council, nor shall members who are not otherwise employees of the United States be considered employees by reason of any such service. However, members under subparagraph (A) may be paid expenses in accordance with section 5703. The President shall designate one of the members to serve as

Chairman of the Federal Salary Council. One of the 3 members under subparagraph (A) may be the Chairman of the Federal Prevailing Rate Advisory Committee, notwithstanding the restriction under section 5347(a)(1), and such individual may also be designated to serve as Chairman of the Federal Salary Council.

(A) provide for meetings with the Council and give thorough consideration to the views and recommendations of the Council and the individual views and recommendations, if any, of the members of the Council regarding—

(i) the establishment or modification of pay localities;

(ii) the coverage of the surveys of pay localities conducted by the Bureau of Labor Statistics under subsection (d)(1)(A) (including, but not limited to, the occupations, establishment sizes, and industries to be surveyed, and how pay localities are to be surveyed);

(iii) the process of comparing the rates of pay payable under the General Schedule with rates of pay for the same levels of work performed by non-Federal workers; and

(iv) the level of comparability payments that should be paid in order to eliminate or reduce pay disparities in accordance with the requirements of this section;

(B) give thorough consideration to the views and recommendations of employee organizations not represented on the Council regarding the subjects in subparagraph (A)(i)–(iv); and

Pub. L. 106-554, §1(a)(3) [title VI, §637], Dec. 21, 2000, 114 Stat. 2763, 2763A-165, provided that:

“(a) For purposes of this section—

“(1) the term ‘comparability payment’ refers to a locality-based comparability payment under section 5304 of title 5, United States Code;

“(2) the term ‘President’s pay agent’ refers to the pay agent described in section 5302(4) of such title; and

“(3) the term ‘pay locality’ has the meaning given such term by section 5302(5) of such title.

“(b) Notwithstanding any provision of section 5304 of title 5, United States Code, for purposes of determining appropriate pay localities and making comparability payment recommendations, the President’s pay agent may, in accordance with succeeding provisions of this section, make comparisons of General Schedule pay and non-Federal pay within any of the metropolitan statistical areas described in subsection (d)(3), using—

“(1) data from surveys of the Bureau of Labor Statistics;

“(2) salary data sets obtained under subsection (c); or

“(3) any combination thereof.

“(c) To the extent necessary in order to carry out this section, the President’s pay agent may obtain any salary data sets (referred to in subsection (b)) from any organization or entity that regularly compiles similar data for businesses in the private sector.

“(d)(1)(A) This paragraph applies with respect to the five metropolitan statistical areas described in paragraph (3) which—

“(i) have the highest levels of nonfarm employment (as determined based on data made available by the Bureau of Labor Statistics); and

“(ii) as of the date of the enactment of this Act [Dec. 21, 2000], have not previously been surveyed by the Bureau of Labor Statistics (as discrete pay localities) for purposes of section 5304 of title 5, United States Code.

“(B) The President’s pay agent, based on such comparisons under subsection (b) as the pay agent considers appropriate, shall: (i) determine whether any of the five areas under subparagraph (A) warrants designation as a discrete pay locality; and (ii) if so, make recommendations as to what level of comparability payments would be appropriate during 2002 for each area so determined.

“(C)(i) Any recommendations under subparagraph (B)(ii) shall be included—

“(I) in the pay agent’s report under section 5304(d)(1) of title 5, United States Code, submitted for purposes of comparability payments scheduled to become payable in 2002; or

“(II) if compliance with subclause (I) is impracticable, in a supplementary report which the pay agent shall submit to the President and the Congress no later than March 1, 2001.

“(i) In the event that the recommendations are completed in time to be included in the report described in clause (i)(I), a copy of those recommendations shall be transmitted by the pay agent to the Congress contemporaneous with their submission to the President.

“(D) Each of the five areas under subparagraph (A) that so warrants, as determined by the President’s pay agent, shall be designated as a discrete pay locality under section 5304 of title 5, United States Code, in time for it to be treated as such for purposes of comparability payments becoming payable in 2002.

“(2) The President’s pay agent may, at any time after the 180th day following the submission of the report under subsection (f), make any initial or further determinations or recommendations under this section, based on any pay comparisons under subsection (b), with respect to any area described in paragraph (3).

“(3) An area described in this paragraph is any metropolitan statistical area within the continental United States that (as determined based on data made available by the Bureau of Labor Statistics and the Office of Personnel Management, respectively) has a high level of nonfarm employment and at least 2,500 General Schedule employees whose post of duty is within such area.

“(e)(1) The authority under this section to make pay comparisons and to make any determinations or recommendations based on such comparisons shall be available to the President’s pay agent only for purposes of comparability payments becoming payable on or after January 1, 2002, and before January 1, 2007, and

only with respect to areas described in subsection (d)(3).

“(2) Any comparisons and recommendations so made shall, if included in the pay agent’s report under section 5304(d)(1) of title 5, United States Code, for any year (or the pay agent’s supplementary report, in accordance with subsection (d)(1)(C)(i)(II)), be considered and acted on as the pay agent’s comparisons and recommendations under such section 5304(d)(1) for the area and the year involved.

“(f)(1) No later than March 1, 2001, the President’s pay agent shall submit to the Committee on Government Reform [now Committee on Oversight and Accountability] of the House of Representatives, the Committee on Governmental Affairs [now Committee on Homeland Security and Governmental Affairs] of the Senate, and the Committees on Appropriations of the House of Representatives and of the Senate, a report on the use of pay comparison data, as described in subsection (b)(2) or (3) (as appropriate), for purposes of comparability payments.

“(2) The report shall include the cost of obtaining such data, the rationale underlying the decisions reached based on such data, and the relative advantages and disadvantages of using such data (including whether the effort involved in analyzing and integrating such data is commensurate with the benefits derived from their use). The report may include specific recommendations regarding the continued use of such data.

“(g)(1) No later than May 1, 2001, the President’s pay agent shall prepare and submit to the committees specified in subsection (f)(1) a report relating to the ongoing efforts of the Office of Personnel Management, the Office of Management and Budget, and the Bureau of Labor Statistics to revise the methodology currently being used by the Bureau of Labor Statistics in performing its surveys under section 5304 of title 5, United States Code.

“(2) The report shall include a detailed accounting of any concerns the pay agent may have regarding the current methodology, the specific projects the pay agent has directed any of those agencies to undertake in order to address those concerns, and a time line for the anticipated completion of those projects and for implementation of the revised methodology.

“(3) The report shall also include recommendations as to how those ongoing efforts might be expedited, including any additional resources which, in the opinion of the pay agent, are needed in order to expedite completion of the activities described in the preceding provisions of this subsection, and the reasons why those additional resources are needed.”

§ 5304a. Authority to fix an alternative level of comparability payments

(a) If, because of national emergency or serious economic conditions affecting the general welfare, the President should consider the level of comparability payments which would otherwise be payable under section 5304 in any year to be inappropriate, the President shall—

(1) prepare and transmit to Congress, at least 1 month before those comparability payments (disregarding this section) would otherwise become payable, a report describing the alternative level of payments which the Presi-

dent instead intends to provide, including the reasons why such alternative level is considered necessary; and

(2) implement the alternative level of payments beginning on the same date as would otherwise apply, for the year involved, under section 5304.

(b) The requirements set forth in paragraphs (2) and (3), respectively, of section 5303(b) shall apply with respect to any decision to exercise any authority to fix an alternative level of comparability payments under this section.

Statutory Notes and Related Subsidiaries

EFFECTIVE DATE

Section effective on such date as the President shall determine, but not earlier than 90 days, and not later than 180 days, after Nov. 5, 1990, see section 529 [title III, §305] of Pub. L. 101-509, set out as an Effective Date of 1990 Amendment note under section 5301 of this title.

SPECIAL RULE RELATING TO COMPARABILITY PAYMENTS IN 1994

Pub. L. 101-509, title VI, §634, Nov. 5, 1990, 104 Stat. 1482, provided that:

“Notwithstanding any other provision of law (including any provision of the Federal Employees Pay Comparability Act of 1990 [see Short Title of 1990 Amendment note set out under section 5301 of this title] and any provision of law amended by such Act), for purposes of any comparability payments scheduled to take effect under section 5304 of title 5, United States Code (as amended by such Act) during calendar year 1994—

“(1) deem section 5304a of such title (as so amended) to be amended as follows:

“(A) in subsection (a), strike ‘If’ and all that follows thereafter through ‘welfare,’ and insert ‘Subject to subsection (c), if;’ and

“(B) add after subsection (b) the following:

“(c)(1) For the purpose of this section—

“(A) the “threshold amount” is \$1,800,000,000; and

“(B) “severe economic conditions” shall be considered to exist relative to comparability payments scheduled to take effect on a given date if, during the 12-month period ending 2 calendar quarters before such date, there occurred 2 consecutive quarters of negative growth in the GNP.

“(2) Authority under this section to provide an alternative level of comparability payments in any year may not be exercised except in accordance with the following:

“(A) If the estimated cost of the comparability payments which (but for this section) would otherwise be payable in such year would be equal to the threshold amount or less, no alternative level may be fixed under this section unless necessary because a state of war or severe economic conditions exist.

“(B) If the estimated cost of the comparability payments which (but for this section) would otherwise be payable in such year would be greater than the threshold amount, no alternative level may be fixed—

“(i) at a level which would result in an estimated cost equal to or greater than the threshold amount, unless necessary because of national emergency or serious economic conditions affecting the general welfare; or

“(ii) at a level which would result in an estimated cost less than the threshold amount, unless necessary because of either of the reasons set forth in subparagraph (A).

“(d)(1) The President’s agent (as referred to in section 5304(d)) shall develop and include in the appro-

priate report under section 5304(d)(1) the methodology for estimating any costs under this section, and any estimate under this section shall be in accordance with such methodology.

“(2) In making any estimate under this section, costs attributable to any authority under section 5304(h) may not be taken into account.”; and

“(2) the President’s pay agent (referred to in section 5304(d) of such title, as so amended) may use appropriate estimates in lieu of BLS survey data if such data is not available for use in preparing the agent’s report with respect to comparability payments payable during calendar year 1994.”

§ 5305. Special pay authority

(a)(1) Whenever the Office of Personnel Management finds that the Government’s recruitment or retention efforts with respect to 1 or more occupations in 1 or more areas or locations are, or are likely to become, significantly handicapped due to any of the circumstances described in subsection (b), the Office may establish for the areas or locations involved, with respect to individuals in positions paid under any of the pay systems referred to in subsection (c), higher minimum rates of pay for 1 or more grades or levels, occupational groups, series, classes, or subdivisions thereof, and may make corresponding increases in all rates of the pay range for each such grade or level. However, a minimum rate so established may not exceed the maximum rate of basic pay (excluding any locality-based comparability payment under section 5304 or similar provision of law) for the grade or level by more than 30 percent, and no rate may be established under this section in excess of the rate of basic pay payable for level IV of the Executive Schedule. In the case of individuals not subject to the provisions of this title governing appointment in the competitive service, the President may designate another agency to authorize special rates under this section.

(2) The head of an agency may determine that a category of employees of the agency will not be covered by a special rate authorization established under this section. The head of an agency shall provide written notice to the Office of Personnel Management (or other agency designated by the President to authorize special rates under the last sentence of paragraph (1)) which identifies the specific category or categories of employees that will not be covered by special rates authorized under this section. If the head of an agency removes a category of employees from coverage under a special rate authorization after that authorization takes effect, the loss of coverage will take effect on the first day of the first pay period after the date of the notice.

(b) The circumstances referred to in subsection (a) are—

(1) rates of pay offered by non-Federal employers being significantly higher than those payable by the Government within the area, location, occupational group, or other class of positions under the pay system involved;

(2) the remoteness of the area or location involved;

(3) the undesirability of the working conditions or the nature of the work involved (including exposure to toxic substances or other occupational hazards); or

(4) any other circumstances which the Office of Personnel Management (or such other agen-

cy as the President may under the last sentence of subsection (a)(1) designate) considers appropriate.

(c) Authority under subsection (a) may be exercised with respect to positions paid under—

(1) a statutory pay system; or

(2) any other pay system established by or under Federal statute for civilian positions within the executive branch.

(d) Within the limitations applicable under the preceding provisions of this section, rates of pay established under this section may be revised from time to time by the Office of Personnel Management (or by such other agency as the President may designate under the last sentence of subsection (a)(1)). The actions and revisions have the force and effect of statute.

(e) An increase in a rate of pay established under this section is not an equivalent increase in pay within the meaning of section 5335.

(f) When a schedule of special rates established under this section is adjusted under subsection (d), a covered employee's special rate will be adjusted in accordance with conversion rules prescribed by the Office of Personnel Management (or by such other agency as the President may under the last sentence of subsection (a)(1) designate).

(g)(1) The benefit of any comparability payments under section 5304 shall be available to individuals receiving rates of pay established under this section to such extent as the Office of Personnel Management (or such other agency as the President may under the last sentence of subsection (a)(1) designate) considers appropriate, subject to paragraph (2) and subsection (h).

(2) Payments under this subsection may not be made if, or to the extent that, when added to basic pay otherwise payable, such payments would cause the total to exceed the rate of basic pay payable for level IV of the Executive Schedule.

(h) An employee shall not for any purpose be considered to be entitled to a rate of pay established under this section with respect to any period for which such employee is entitled to a higher rate of basic pay under any other provision of law. For purposes of this subsection, the term "basic pay" includes any applicable locality-based comparability payment under section 5304 or similar provision of law.

(i) If an employee who is receiving a rate of pay under this section becomes subject, by virtue of moving to a new official duty station, to a different pay schedule, such employee's new rate of pay shall be initially established under conversion rules prescribed by the Office of Personnel Management (or such other agency as the President may under the last sentence of subsection (a)(1) designate) in conformance with the following:

(1) First, determine the rate of pay to which such employee would be entitled at the new official duty station based on such employee's position, grade, and step (or relative position in the rate range) before the move.

(2) Then, if (in addition to the change in pay schedule) the move also involves any personnel action or other change requiring a rate

adjustment under any other provision of law, rule, or regulation, apply the applicable rate adjustment provisions, treating the rate determined under paragraph (1) as if it were the rate last received by the employee before the rate adjustment.

(j) A rate determined under a schedule of special rates established under this section shall be considered to be part of basic pay for purposes of subchapter III of chapter 83, chapter 84, chapter 87, subchapter V of chapter 55, and section 5941, and for such other purposes as may be expressly provided for by law or as the Office of Personnel Management may by regulation prescribe.

(b) An adjustment under subsection (a) in rates of pay, minimum or maximum rates of pay, the monetary limitations or allowances with respect to pay, shall be made in such manner as the appropriate authority concerned considers appropriate.

(c) This section does not authorize any adjustment in the rates of pay of employees whose rates of pay are fixed and adjusted from time to time as nearly as is consistent with the public interest in accordance with prevailing rates or practices.

(d) This section does not impair any authority under which rates of pay may be fixed by administrative action.

FREEZE ON DISCRETIONARY AWARDS, BONUSES, AND SIMILAR PAYMENTS FOR FEDERAL POLITICAL APPOINTEES

Memorandum of President of the United States, Aug. 3, 2010, 75 F.R. 47433, provided:

Memorandum for the Assistant to the President and Chief of Staff [and] The Heads of Executive Departments and Agencies

At a time when so many American families are struggling to make ends meet, I am committed to making sure the Federal Government is spending the taxpayers’ money wisely and carefully, and cutting costs wherever possible. I am committed to ending programs that do not work, streamlining those that do, and bringing a new responsibility for stewardship of tax dollars. Like households and businesses across the country, the Federal Government is tightening its belt. This effort began during my first days in office, when I froze the salaries of the senior members of my White House Staff.

As a next step in this effort, I direct you to suspend cash awards, quality step increases, bonuses, and similar discretionary payments or salary adjustments to any politically appointed Federal employee, commencing immediately, and continuing through the end of Fiscal Year 2011. I also direct the Office of Personnel Management to issue guidance, in consultation with the Office of Management and Budget, to assist departments and agencies in implementing this policy.

In addition to these actions freezing discretionary payments, I have proposed in my Budget for Fiscal Year 2011 a salary freeze for senior political appointees throughout the Federal Government. Unlike the administrative action I have taken today in this memorandum, my proposed salary freeze requires legislation, so it cannot be implemented absent legislative action by the Congress.

I appreciate the hard work of our Federal workforce, and understand how important these payments can be to many workers and their families. Yet like households and businesses across the country, we need to make tough choices about how to spend our funds.

This memorandum shall be carried out to the extent permitted by law and consistent with executive departments’ and agencies’ legal authorities. Nothing in this memorandum shall be construed to affect payments or salary adjustments for Federal employees who are not political appointees. This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

The Director of the Office of Management and Budget is hereby authorized and directed to publish this memorandum in the Federal Register.

BARACK OBAMA.
