### Editorial Notes

#### REFERENCES IN TEXT

Section 3 of the Presidential Transition Act of 1963, referred to in subsecs. (a) and (c), is section 3 of Pub. L. 88-277, which is set out as a note under section 102 of Title 3, The President.

#### AMENDMENTS

1998—Subsec. (b). Pub. L. 105-264 substituted “spent by the Government” for “spent by the United States” and “due the Government” for “due the United States”.

1996—Subsec. (a). Pub. L. 104-201, §1723(b)(1), in introductory provisions, substituted “Under regulations prescribed under section 5738 of this title” for “Under such regulations as the President may prescribe”.

Subsec. (a)(3). Pub. L. 104-201, §1715(b)(2), which directed amendment of subsec. (a) by adding par. (3) at the end, was executed by adding par. (3) after par. (2) to reflect the probable intent of Congress.

1992—Pub. L. 102-378, §2(48)(A), struck out “; manpower shortage positions” after “trainees” in section catchline.

Subsecs. (d), (e). Pub. L. 102-378, §2(48)(B), redesignated subsec. (e) as (d) and struck out former subsec. (d) which authorized Office to delegate its authority to determine positions for which there was a manpower shortage for purposes of this section.

1990—Subsec. (a)(1)(A). Pub. L. 101-509, §529 [title II, §206(b)(1)], substituted “any position” for “a position in the United States for which the Office of Personnel Management determines there is a manpower shortage”.

Subsec. (a)(1)(C). Pub. L. 101-509, §529 [title II, §206(b)(2)], substituted “the minimum rate of pay payable for a position classified above GS-15 pursuant to section 5108; and” for “the minimum rate of pay prescribed for GS-16; and”.

1988—Subsec. (a). Pub. L. 100-398, §6(2), inserted at end “In the case of an appointee described in paragraph (1) who has performed transition activities under section 3 of the Presidential Transition Act of 1963 (3 U.S.C. 102 note), the provisions of paragraphs (1) and (2) may apply to travel and transportation expenses from the place of residence of such appointee (at the time of relocation following the most recent general elections held to determine the electors of the President) to the assigned duty station of such appointee.”

Subsec. (a)(1). Pub. L. 100-398, §6(1), which directed that par. (1) be amended by striking out “or (B)” and inserting “or (C)”, could not be executed because phrase “or (B)” did not appear in par. (1) after the intervening amendment by Pub. L. 100-325, see below.

Pub. L. 100-325 inserted reference to Federal Bureau of Investigation and Drug Enforcement Administration Senior Executive Service in cl. (B) and redesignated a second cl. (B) as (C).

Subsec. (c). Pub. L. 100-398, §6(3), inserted at end “In the case of an appointee described in subsection (a)(1) who has performed transition activities under section 3 of the Presidential Transition Act of 1963 (3 U.S.C. 102 note), the travel or transportation shall take place at any time after the most recent general elections held to determine the electors of the President.”

1984—Subsec. (a)(1). Pub. L. 98-473 directed amendment of subpar. (C) by striking out “, by and with the advice and consent of the Senate,” which was executed to second subpar. (B) by striking out that phrase following “appointed by the President”, as probable intent of Congress.

1983—Subsec. (a)(1). Pub. L. 98-151, designated existing provisions as subpars. (A) and (B), and added a second subpar. (B) relating to any person appointed by President.

1978—Subsec. (a)(1). Pub. L. 95-454, §906(a)(2), substituted “Office of Personnel Management” for “Civil Service Commission”.

Pub. L. 95-454, §409(a), inserted reference to a new appointee to the Senior Executive Service.

Subsec. (d). Pub. L. 95-454, §§305, 906(a)(3), struck out “not” before “delegate”, and substituted “Office” for “Commission”.

### § 5724. Travel and transportation expenses of employees transferred; advancement of funds; reimbursement on commuted basis

(a) Under regulations prescribed under section 5738 of this title and when the head of the agency concerned or his designee authorizes or approves, the agency shall pay from Government funds—

(1) the travel expenses of an employee transferred in the interest of the Government from one official station or agency to another for permanent duty, and the transportation expenses of his immediate family, or a commutation thereof under section 5704 of this title;

(2) the expenses of transporting, packing, crating, temporarily storing, draying, and unpacking his household goods and personal effects not in excess of 18,000 pounds net weight; and

(3) upon the separation (or death in service) of a career appointee, as defined in section 3132(a)(4) of this title, the travel expenses of that individual (if applicable), the transportation expenses of the immediate family of such individual, and the expenses of moving (including transporting, packing, crating,

temporarily storing, draying, and unpacking) the household goods of such individual and personal effects not in excess of eighteen thousand pounds net weight, to the place where the individual will reside (or, in the case of a career appointee who dies in service or who dies after separating but before the travel, transportation, and moving is completed, to the place where the family will reside) within the United States, if such individual—

(A) during or after the five years preceding eligibility to receive an annuity under subchapter III of chapter 83, or of chapter 84 of this title, has been transferred in the interest of the Government from one official station to another for permanent duty as a career appointee in the Senior Executive Service or as a director under section 4103(a)(8) of title 38 (as in effect on November 17, 1988); and

(B) is eligible to receive an annuity upon such separation (or, in the case of death in service, met the requirements for being considered eligible to receive an annuity, as of date of death) under the provisions of subchapter III of chapter 83 or chapter 84 of this title.

(b) Under regulations prescribed under section 5738 of this title, an employee who transports a house trailer or mobile dwelling inside the continental United States, inside Alaska, or between the continental United States and Alaska, for use as a residence, and who otherwise would be entitled to transportation of household goods and personal effects under subsection (a) of this section, is entitled, instead of that transportation, to—

(1) a reasonable allowance for transportation of the house trailer or mobile dwelling, if the trailer or dwelling is transported by the employee; or

(2) commercial transportation of the house trailer or mobile dwelling, at Government expense, or reimbursement to the employee therefor, including the payment of necessary tolls, charges, and permit fees, if the trailer or dwelling is not transported by the employee.

However, payment under this subsection may not exceed the maximum payment to which the employee otherwise would be entitled under subsection (a) of this section for transportation and temporary storage of his household goods and personal effects in connection with this transfer.

(c) Under regulations prescribed under section 5738 of this title, an employee who transfers between points inside the continental United States, instead of being paid for the actual expenses of transporting, packing, crating, temporarily storing, draying, and unpacking of household goods and personal effects, shall be reimbursed on a commuted basis at the rates per 100 pounds that are fixed by zones in the regulations. The reimbursement may not exceed the amount which would be allowable for the authorized weight allowance. However, under regulations prescribed under section 5738 of this title, payment of actual expenses may be made when the head of the agency determines that payment of actual expenses is more economical to the Government.

(d) When an employee transfers to a post of duty outside the continental United States, his expenses of travel and transportation to and from the post shall be allowed to the same extent and with the same limitations prescribed for a new appointee under section 5722 of this title.

(e) When an employee transfers from one agency to another, the agency to which he transfers pays the expenses authorized by this section. However, under regulations prescribed under section 5738 of this title, in a transfer from one agency to another because of a reduction in force or transfer of function, expenses authorized by this section and sections 5726(b) and 5727 of this title (other than expenses authorized in connection with a transfer to a foreign country) and by section 5724a(a) through (f) of this title may be paid in whole or in part by the agency from which the employee transfers or by the agency to which he transfers, as may be agreed on by the heads of the agencies concerned.

(f) An advance of funds may be made to an employee under regulations prescribed under section 5738 of this title with the same safeguards required under section 5705 of this title.

(g) The allowances authorized by this section do not apply to an employee transferred under the Foreign Service Act of 1980.

(h) When a transfer is made primarily for the convenience or benefit of an employee, including an employee in the Foreign Service of the United States, or at his request, his expenses of travel and transportation and the expenses of transporting, packing, crating, temporarily storing, draying, and unpacking of household goods and personal effects may not be allowed or paid from Government funds.

(i) An agency may pay travel and transportation expenses (including storage of household goods and personal effects) and other relocation allowances under this section and sections 5724a, 5724b, and 5726(c) of this title when an employee is transferred within the continental United States only after the employee agrees in writing to remain in the Government service for 12 months after his transfer, unless separated for reasons beyond his control that are acceptable to the agency concerned. If the employee violates the agreement, the money spent by the Government for the expenses and allowances is recoverable from the employee as a debt due the Government.

(j) The regulations prescribed under this section shall provide that the reassignment or transfer of any employee, for permanent duty, from one official station or agency to another which is outside the employee's commuting area shall take effect only after the employee has been given advance notice for a reasonable period. Emergency circumstances shall be taken into account in determining whether the period of advance notice is reasonable.
