UNITED STATES COURT OF APPEALS

FOR THE TENTH CIRCUIT

June 20, 2013

Elisabeth A. Shumaker
Clerk of Court

UNITED STATES OF AMERICA,

Plaintiff - Appellee,

v.

LINDSEY KENT SPRINGER,

Defendant - Appellant.

No. 13-5062
(D.C. No. 4:13-CV-00145-SPF-TLW)

ORDER

Before **KELLY, HARTZ**, and **O'BRIEN**, Circuit Judges.

Mr. Springer seeks to appeal from various orders issued by the district court in his pending § 2255 proceeding.

This court's appellate jurisdiction is generally limited to review of final decisions. *See* 28 U.S.C. § 1291 (courts of appeals have jurisdiction over appeals from final decisions of the district courts). A final decision under 28 U.S.C. § 1291 is one that terminates "all matters as to all parties and causes of action." *D & H Marketers, Inc. v. Freedom Oil and Gas, Inc.*, 744 F. 2d 1443, 1444 (10th Cir. 1984).

Based on a review of the file materials for this matter, and upon consideration of Mr. Springer's response to this court's May 16, 2013 jurisdictional show cause order, the court concludes that no final, appealable decision has been entered by the district court. The orders referenced in Mr. Springer's notice of appeal and amended notice of appeal

are not immediately appealable, as collateral orders or under any other exception to the finality rule. The court declines to treat this appeal as a petition for writ of mandamus.

Mr. Springer may seek review of the district court's interlocutory orders if and when he appeals from the district court's final decision in his § 2255 proceeding.

This appeal is dismissed for lack of jurisdiction.

APPEAL DISMISSED.

Entered for the Court
ELISABETH A. SHUMAKER, Clerk

A handwritten signature in black ink, appearing to read 'Christine Van Coney', with a long horizontal stroke extending to the right.
