UNITED STATES COURT OF APPEALS

FOR THE TENTH CIRCUIT

August 23, 2018

**Elisabeth A. Shumaker
Clerk of Court**

HHOTR TRUST,

Plaintiff - Appellant,

v.

UNITED STATES OF AMERICA,

Defendant - Appellee.

No. 18-2110
(D.C. No. 1:17-CV-01263-JAP-JHR)
(D. N.M.)

ORDER

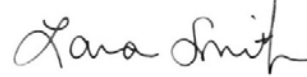

This matter is before the court upon receipt of multiple documents submitted to the court for filing on behalf of the appellant, HHOTR Trust, an artificial entity. The documents were submitted by an individual who is not an attorney licensed to practice in this court. The court has noted receipt of these documents but will not file or act on them.

Although several reasons exist for the court to deny relief on these documents, first and foremost is that a nonlawyer cannot file on behalf of an artificial entity in this court. By order entered July 27, 2018, the court advised the appellant that it must cause an attorney licensed to practice in this court to appear on its behalf by August 10, 2018. We cautioned the appellant that if no attorney entered an appearance by the date stated, the court might dismiss the appeal without further notice.

No entry of appearance by an attorney has been filed on behalf of the appellant.

Consequently, as the court advised in the July 27, 2018 order, this appeal is dismissed for lack of prosecution pursuant to Tenth Circuit Rule 42.1. A copy of this order shall stand as and for the mandate of this court.
