(D. Colorado)

ORDER AND JUDGMENT*

Submitted on the Briefs:

Before MOORE, SETH, and ANDERSON, Circuit Judges.

Plaintiff Matrix Ski Corporation appeals from summary judgment entered against it in its 42 U.S.C. § 1983 action against members of the Board of Commissioners of Pitkin County, Colorado.

*This order and judgment has no precedential value and shall not be cited, or used by any court within the Tenth Circuit, except for purposes of establishing the doctrines of the law of the case, res judicata, or collateral estoppel. 10th Cir. R. 36.3.

We have read the briefs and considered the pertinent record and conclude, as a consequence, this action borders dangerously on the frivolous. We find no merit whatever in the questions presented for review, and **AFFIRM** the decision of the district court essentially for the reasons set forth in its oral ruling of January 11, 1990.
