United States Attorney, Columbia, South Carolina, for Appellees.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Robert Lee Reynolds, II, appeals from the district court's order adopting the magistrate judge's recommendation and dismissing his Bivens\* action. Our review of the record discloses that this appeal is without merit. Accordingly, we affirm the district court's dismissal on the reasoning of the district court. Reynolds v. Neal, No. 4:07-cv-01724-CMC (D.S.C. May 12, 2008). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
