Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Melvin M. Farmer appeals the district court's order accepting the recommendation of the magistrate judge and dismissing his complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Farmer v. Campbell Soup Co., No. 1:14-cv-00179-WO-LPA (M.D.N.C. May 22, 2014). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
