Defendants - Appellees.

Appeal from the United States District Court for the Southern District of West Virginia, at
Beckley. Irene C. Berger, District Judge. (5:17-cv-02346)

Submitted: September 13, 2018

Decided: September 17, 2018

Before NIEMEYER and KING, Circuit Judges, and HAMILTON, Senior Circuit Judge.

Dismissed by unpublished per curiam opinion.

Tajiia Ramone Hardy, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Tajiia Ramone Hardy appeals the district court's order accepting the recommendation of the magistrate judge and dismissing his complaint under 28 U.S.C. § 1915(e)(2)(B) (2012). We have reviewed the record and find that this appeal is frivolous. Accordingly, we deny leave to proceed in forma pauperis and dismiss the appeal for the reasons stated by the district court. *Hardy v. Christy Smith Car Ins.*, No. 5:17-cv-02346 (S.D.W. Va. May 4, 2018 & May 21, 2018). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

DISMISSED
