PER CURIAM:

Robert L. Mitchell appeals the district court's order denying his postjudgment motion seeking vacatur of and a judgment on the pleadings and a declaratory judgment with respect to the court's prior order adopting the recommendation of the magistrate judge and dismissing his 42 U.S.C. § 1983 civil rights action. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Mitchell v. Magistrate Judge Miller*, No. 4:19-cv-01668-CMC (D.S.C. Oct. 27, 2020). We deny Mitchell's motion to consolidate and dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
