PULLIN, FOWLER, FLANAGAN & POE, PLLC, Charleston, West Virginia, for

Appellee.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Larry Arnold Young appeals the district court's order denying his motion to retain the case on the active docket and granting the defendant's motion to enforce the settlement agreement. We have reviewed the record and find no reversible error. Accordingly, we deny Lacy's motion to strike Young's pro se supplemental brief and we affirm for the reasons stated by the district court. *Young v. Lacy*, No. 1:17-cv-03633 (S.D.W. Va. Nov. 3, 2020). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
