PER CURIAM:

Ishtiaq A. Malik appeals the district court's order granting Defendant's motion for summary judgment in Malik's civil action seeking review of the dismissal of his request for an Administrative Law Judge (ALJ) hearing as untimely. We have reviewed the record and find no reversible error. Accordingly, affirm the district court's order. *Malik v. U.S. Dep't. of Health & Hum. Servs.*, No. 1:20-cv-00091-RDA-TCB (E.D. Va. June 1, 2022). We deny Malik's motion to appear in person. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
