Before WYNN and HEYTENS, Circuit Judges, and FLOYD, Senior Circuit Judge.

Affirmed by unpublished per curiam opinion.

Saria Walker, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Saria Walker appeals the district court's order adopting the recommendation of the magistrate judge and dismissing her civil action as frivolous. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's order. *Walker v. Sci. Alloys Corp.*, No. 6:22-cv-04249-HMH (D.S.C. Dec. 21, 2022). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
