PER CURIAM:

Anthony Gantt appeals the district court's order dismissing his complaint as frivolous for failure to identify a plausible cause of action. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's order. *Gantt v. U.S. 118th Legis. Branch of the U.S. Fed. Gov't 2021-2023*, 8:23-cv-02652 (D. Md. Nov. 2, 2023). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
