PER CURIAM:

Abdulmalik Muhammad El appeals the district court's order dismissing his complaint without prejudice for lack of subject matter jurisdiction. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's order. *Muhammad El v. Va. Dep't of Soc. Servs.*, No. 1:24-cv-01814-LMB-WEF (E.D. Va. Oct. 18, 2024). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
