Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Shirley Marie Trent appeals the district court's order dismissing without prejudice her civil complaint for lack of subject matter jurisdiction. We have reviewed the record and discern no reversible error. Accordingly, we affirm the district court's order. *Trent v. Va. Commonwealth Univ.*, No. 3:25-cv-00168-DJN (E.D. Va. Apr. 3, 2025). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
