PER CURIAM:

Brad R. Johnson, a pro se civil litigant, appeals the district court's orders (a) adopting the magistrate judge's recommendation and dismissing Johnson's civil complaint on res judicata grounds; and (b) denying Johnson's Fed. R. Civ. P. 59(e) motion to alter or amend the dismissal order. Upon review of the parties' arguments on appeal, considered in conjunction with the record and the relevant authorities, we discern no reversible error. Accordingly, we affirm the district court's orders. *Johnson v. PennyMac Loan Servs., LLC*, No. 4:21-cv-00815-JD (D.S.C. Sept. 23, 2024 & May 6, 2025).

We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
