Kevin Donnell Murphy, Appellant Pro Se. Megan Lynn Micco Mallis, Assistant United
States Attorney, OFFICE OF THE UNITED STATES ATTORNEY, Baltimore, Maryland,
for Appellees.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Kevin Donnell Murphy appeals the district court's order dismissing without prejudice his civil complaint in part for lack of subject matter jurisdiction and in part for failure to state a claim.* We have reviewed the record and find no reversible error. Accordingly, we deny Murphy's motion for summary disposition and emergency relief, and affirm the district court's order. *Murphy v. Jackson*, No. 1:24-cv-01588-JRR (D. Md. May 20, 2025). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

AFFIRMED

* The district court's order is a final, appealable order because the court did not grant Murphy leave to amend his complaint. *Britt v. DeJoy*, 45 F.4th 790, 796 (4th Cir. 2022) (en banc) (order).
