Blanche, Deputy Attorney General, UNITED STATES DEPARTMENT OF JUSTICE, Washington, D.C.; Lindsay Halligan, United States Attorney and Special Attorney, Robert S. Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Samuel Xux-Mucu seeks to appeal the district court's imposition of a one-year term of supervised release following his conviction for possession of fraudulent immigration documents, in violation of 18 U.S.C. § 1546(a). The district court imposed a sentence of time served and Xux-Mucu was then removed from the United States. During the pendency of this appeal, however, Xux-Mucu completed his term of supervised release. Accordingly, we dismiss the appeal as moot. *See United States v. Ketter*, 908 F.3d 61, 66 (4th Cir. 2018) (noting that challenge to sentence becomes moot when entire sentence, including term of supervised release, has been served). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
