Before BYE, McMILLIAN, and RILEY, Circuit Judges.

PER CURIAM.

Christopher Robin Schmidt appeals from the final judgment entered in the District Court¹ for the Northern District of Iowa upon revocation of his supervised release. The district court sentenced Schmidt to 10 months imprisonment followed by supervised release through the date imposed in the original judgment, and ordered Schmidt's placement at a community corrections center (CCC) for 6 months as a condition of supervised release. have the authority to order his placement in a CCC following his release from prison. For the reasons discussed below, we affirm the judgment of the district court.

We review the sentence for plain error because Schmidt raised no objection at sentencing. See United States v. Morey, 120 F.3d 142, 143 (8th Cir. 1997) (per curiam). We conclude that the district court properly exercised its discretion in ordering Schmidt's placement in a CCC as a condition of supervised release. See United States v. Griner, 358 F.3d 979, 981-82 (8th Cir. 2004). Accordingly, we affirm, and we grant counsel's motion to withdraw.
